THE LORD'S SUPERNATURAL PROTECTION

The Lord's Supernatural Protection

Book 8, Compilation #01 of TCOB pubs on the subject, by theaudiokey.com team - May 2020

(All prophecies are Jesus speaking unless otherwise indicated. Dad's writings in the Letters are prefixed by "Dad wrote:")

Prophecies received from Dad from heaven are prefixed by "Dad speaking:")

*"Safe in the arms of Jesus,
Safe on His gentle breast,
There by His Love o'er shaded,
Sweetly my soul shall rest.*

*Safe in the arms of Jesus,
Safe from all worry & care,
Safe from the World's tribulations,
Nothing can harm me there." (1)*

*"His eye is on the sparrow
and I know He watches me."
"Why should I be discouraged?
Why should the shadows come?
Why should my heart be lonely,
and long for Heaven and Home?
For Jesus is my portion,
unfailing Friend is He.
His eye is on the sparrow,
and I know He watches me."
"I see His hand of mercy.
I feel His loving care,
and just the time I need Him,
He's always near."*

(Dad speaking:) Isn't He always more than near? Isn't He an intimate Lover? Doesn't He hold you close? I know you feel it, because I felt His love too. It was different when I was there, but not that much different.

He really is the Lord over all, and when you need Him He is always, always there.

(Jeus speaking:) I do not wish for you, My precious brides, to fear. You have Me, you have your angelic forces protecting you, you have your guardian angels and spirit helpers. You have all the spiritual weapons I've given you, and all of this combined makes you much more powerful than the Enemy or anyone who is yielded to him. You have the upper hand in the spirit, and through My power you have the power to control any situation. I am all-powerful and I can and will protect My children, as I have in the past, as I do today, and as I will in the future, as the world continues to grow darker. I will always be there for you--you can count on it! ⁽³⁾

Take a look at nature and the passing of the seasons. When winter comes, it seems like all plant life is dying out and all that is left is a cold wind blowing and a gray sky. But life is still present, only hidden in the warmth of the earth while the cold passes over. You can do the same when trials and difficulties arise. Come snuggle close to Me, bury yourself in My love and warmth, and let the problems and hardships of the moment pass over you. I will be like the warm earth all around you, protecting you and keeping you from all harm. ⁽⁴⁾

World conditions are going to get worse, and things won't be easy. But because you're My Own, My Bride, My beloved ones, you will be cared for. You will be under the shadow of My wings, and you have no need of fear, for you will not want for any of your needs. Whether it be protection, power in the spirit, healing, or supernatural supply, I will be there for you, caring for you. ⁽⁵⁾

Have peace and faith regarding these matters. Remember, the Enemy would try to cause you to fear the future, to doubt My love and care, to wonder about My promises of protection. Fight him through praising Me in advance for My care and My protection, and then you will simply be able to say to him, as My servants of old did, "Our God, whom we serve, is able to deliver us, and He will deliver us! But even if He doesn't, we will not fear the future nor you, Satan, for we're sure of His love and we're certain of your doom! So beat it! Get out of here and quit bothering me, for I refuse to fear! I claim the keys of faith and trust and peace, and for you and your evil spirits, I claim the keys of imprisonment. The Lord rebuke thee and the key craft blast thee and the archangels smite thee, in the name of Jesus and by the power of the keys of the Kingdom!

Why worry? You're in My hands, and I love you and yours! ⁽⁶⁾

Though war should rise against you, yet will you not fear. Though thousands fall at your side, it will not harm one hair of your head, for My hand will be upon you. You are Mine, My brides, My darlings, and you have a place reserved in My seat, under the shadow of My protection, to watch these things come to pass. So let not your hearts be troubled, neither let them be afraid, for you have Me watching over you, even to the end of the world. I will be with you always. ⁽⁷⁾

Just as I supplied for the children of Israel as they wandered in the desert, so I am able to supply for you in today's modern world, and in great abundance!

Yes, the hearts of men grow cold and callous, yet I ask you to not be afraid, nor to look to circumstances. Did not the heart of Pharaoh also grow callous toward My children? Yet I did not fail to supply their every need, both their needs for food and clothing, as well as their need for protection and deliverance from the hand of Pharaoh. ⁽⁸⁾

Praise Me for all I've done so far and you'll be delighted to see the wonderful miracles that I have yet in store for you! You are My special loved one who I am tucking safely under My wing so that I might protect you from all the onslaughts and attacks that could otherwise befall you. Rest, My love, knowing that I have you tucked safely away and I will care for you as a hen cares for and protects her chicks. I love you, My sweet one!

When the Enemy comes in like a flood, I will lift up a standard against him. He has no power compared to Mine! I am a mighty Man of war and none can stand against Me! Fight on with the power of My Spirit and you will be victorious! Claim My power! Call out to Me and claim miracles in My Name, and I will do it! ⁽⁹⁾

Let My love envelop you like a warm blanket. Let the comfort of My presence shield you from the cold of night. Let Me impart to you the sweet assurance of My love and concern. I will wrap My protective covering around you and keep you snuggled in the tender caresses of My love.

I'm your security blanket that you can depend on to soothe your ruffled nerves and silence your fears. In Me you will find the quiet assurance that I'm going to take care of everything. You don't need to worry, because it's all in My hands. ⁽¹⁰⁾

You who are Mine have the assurance of knowing that you will never be alone. Even if all your loved ones were to pass away or leave you, even if all forms of visible help, comfort, or friendship were gone, you would always have Me with you. Though it's

not often that I manifest Myself visibly in the flesh and allow you to see, touch, or hear Me with your senses, I make My presence known. I provide for My children in dire straits; I give comfort and peace to the hearts of those who are weary and fainting; I make a way where there is no way--a way in the wilderness and rivers in the desert.

Who else can be such a Friend, such a reliable source of provision, protection, and security? Who else can be with you at all times, anywhere? Who else can stay up with you all night and never be tired? Who else could be with you if you were in solitary confinement in a prison? Who else can soothe and heal the aches and pains both of body and of spirit that you face? Medications and doctors cannot heal as I heal. Though they may temporarily relieve some of the symptoms and pain, I can heal the cause, remove the root, and alleviate the accompanying anguish of mind and heart that no doctor, psychologist, psychiatrist, friend, parent, or mate can.

When you're saved, you have direct personal access to the source of power that created the universe. You have the ability to hear the voice of God, as well as My ministering spirits and angels. You have the ability to call on us to provide protection from danger, or to be rescued from impossible situations. You have the ability to command Me, the God of Heaven, to work on your behalf. When you cry unto Me desperately and are in dire need, I answer and I deliver. ⁽¹¹⁾

(Dad wrote:) When people get upset and worried about things, we often say, "Don't worry about it!" Well, if anybody could say that to us, it's the Lord!--"Don't worry about it! You're My child and I'm going to take care of you no matter what happens!" ⁽¹²⁾

(Jeus speaking:) Does not the father of the household take care of the heavy burdens of the household and carry the weights of the household? Does he not supply the needs of the household? Does he not supply the protection of the household? And does he not decide the weighty matters? For he doth not ask the children to decide these things or to defend the house or to supply for the house, for he loves his children, and he wishes to supply for them and protect them and keep them. So it is with Me. So let Me be your Father. Let Me carry the burden. ⁽¹³⁾

(Dad wrote:) Do you know what a mother hen does with her little chicks whenever danger is near? She gathers them under her wings and covers and protects them there. Well, the Bible says that the Lord does the same thing with His children.--"He shall cover you, and under His wings you can trust. There you need not fear the terror by night, nor the destruction by day, for the Lord is your refuge and place of protection." (Psalm 91) ⁽¹⁴⁾

(Jeus speaking:) When you are weak, then I am strong. When you feel tired, weak, and forlorn, I am there, holding you, helping you, and loving you. My love for you goes from everlasting to everlasting, and it only grows with time; it never, ever diminishes.

So even though now you feel blown about with every wind, every emotion, and every wave that the Enemy sends crashing against you, fear not, neither be dismayed, because I love you and I'm keeping you safe, guarded and protected under My wings. There you will find rest; there you will never feel alone in your battle, alone in your worries, or alone in spirit or in the physical.

I care. When all else goes wrong, when you're tired of the fight, when you feel that tears are threatening to fall down your face, when you feel the Enemy pushing against your mind with doubt, fear, worries, guilt, or anything that he may be using on you--in that moment, I am there. ⁽¹⁵⁾

Your weapons are mighty and can move mountains in the spiritual, and they work just as well in the physical. Your weapon of prophecy can warn you and give you practical advice that will help you to avoid danger. Your weapons of prayer, the keys, and connection with spirit help will give you access to those that can directly affect circumstances in the physical. Your weapon of praise will keep you on My channel and can clear the surrounding area of demons and spirits given over to the Enemy. These things work, and they are more than a match for the puny assaults of Satan!

His attacks in the physical are nothing to Me, and they shouldn't be any source of worry or fear to you either. There's nothing to be afraid of, nothing to worry about; it's simply something to keep in mind, to remember that the Enemy is trying to get in and hurt you in this way, and that if you take some very simple, easy precautions, then you are covered by My promises, and can know that I'll either keep you totally safe, or will bring such wonderful good out of the situation that you'll be glad it happened. ⁽¹⁶⁾

(Dad wrote:) So why worry?--if you're the Lord's child, he will take care of you! His children who stay close to Him live in a charmed circle of His protection! It's like a special force-field that nothing can get through without His permission! Of course this doesn't mean that the Lord will never allow us to be harmed or tested, but He'll never allow us to have any insufferable harm or any unbearable damage, and He promises to always save us out of our troubles. "Many are the afflictions of the righteous, but the Lord delivers him out of them all!" (Ps.34:19)

If he doesn't deliver us any other way, he delivers us by death!--Because for the Christian, the one who loves the Lord, death is no problem!--It's our Homegoing to

Heaven, and you couldn't go to a better place than Heaven! Then all your worries will be over and you will have graduated from this life! He will either take care of you or He will take you, so you've got it made one way or the other! ⁽¹⁷⁾

He Gives His Wives Special Protection

(Jeus speaking:) As the days of the End draw closer, the strength that you gain from loving Me intimately will become more and more vital; so yes, I do call you to obey, for I love you and I wish to protect you as My Own wife and lover. This special protection and blessing which comes from loving Me intimately can only be given to you when you are My bride, My wife, My lover. ⁽¹⁸⁾

I have opened up this opportunity for you to be My intimate brides, and as such to enter into the protection of My intimate household, under My name and with the seal of My protection. ⁽¹⁹⁾

Loving Me intimately gives you the faith to run into My arms, to run into My embrace, and there find the strength and protection you need. If you were not intimate with Me, you might be tempted to merely run to My side. But when you rush into My arms, you are that much closer and you stir within Me that much more ire against the Devil. It's an entirely different story when he tries to attack you when you're in My arms as My Bride than when you're merely an associate. It's the difference between defending family and defending a business associate. Those of the world would generally go much further for family than they would for someone they merely worked with, right? So it is that when you run into My arms, I am moved with a powerful urge to destroy the Enemy. ⁽²⁰⁾

Do you believe that I love you? Do you have faith in My Love, in My care, in My provision, and in My protection? Do you believe that, as a most loving and caring and doting Husband, I would not leave My wife comfortless, without the utmost care, without her needs met, without guidance and direction, without the solutions to her problems, the grace for every situation?

Nay, I could not be such a Husband that would neglect the care of a wife so precious unto Him! For you are My precious one, My darling Bride, My yielded and obedient wife who seeks to do My slightest bidding, who loves Me with all of her heart and who lays down her life and body in service for Me, because of her great love for Me

and My children. Would I not care for her as My beloved? Would I not cherish her as the precious treasure she is unto Me? Would I not help her and deliver her from every evil thing and provide her every need and surround her with My Love? Yea, I will do all of these things, and more. ⁽²¹⁾

The Devil hates to hear your love words to Me; he hates the fact that I have chosen you as My bride; he hates the fact that I have endowed you with My inheritance and made you My heirs. Use this to your advantage. By being wed to Me you wield My power and authority; you can direct those under My command because I have given you that authority as My wife. ⁽²²⁾

I have offered you My hand and I have set a ring upon your finger, and promised you support and protection during the coming difficult days. But in order to receive the full protection I can give, you must enter into My intimate family and become one of My brides. I love you, and thus I have offered you this great honor, but it's up to you to accept it. ⁽²³⁾

So love Me, that you might partake of all these blessings. Allow Me to fully protect and care for you by coming into My household and being wed to Me, loving Me and giving yourself unto Me. I can only protect and care for My friends as much as they allow Me; but I can carefully guard and keep close by My sides My wives, who have given themselves to Me forever. ⁽²⁴⁾

We Have to Do Our Part

I want to open your eyes and alert you to the fact that the world is growing darker and more dangerous, and not just spiritually. It began in the spirit world, but the evil spirits that roam the Earth affect the physical too.

Now, more than ever, the Enemy walks about as a roaring lion, seeking whom he may devour in any way (1Pet.5:8). He's not lying off in the bush somewhere, waiting for you to pass by him. He's mad and he's actively hunting for you, looking for an open door, some way to harm your physical life, your spirit, or your possessions.

Of course you don't have to fear him or confine yourself to a fortress in order to be safe. I am still God and I'm still all-powerful. Those dark spirits cannot go beyond the bounds that I have set for them. And you are My loves and My servants. I will protect you as you go about My work, wherever that takes you.

But you do have to be vigilant and watchful. You do have to be on guard and make use of My power in order to be safe. You do have to know that the Enemy is about, and that you're on his territory and at war, so in order to stay safe and protected, you need to do your part: physically to an extent, and spiritually most of all. ⁽²⁵⁾

(Dad wrote:) The Lord protects us pretty well, thank the Lord. But we need to do our part and use a little common sense. Do what you can to get the situation under control, and whatever you can't get under control, the Lord has to get under control. That's where you have to trust the Lord, that He'll take care of His Own. But He expects you to do what you can towards trying to take care of yourself. He doesn't always do everything for us. You have to give Him your cooperation and do what you can. ⁽²⁶⁾

(Dad speaking:) The Enemy is just waiting to see who he can catch off guard. As I've said time and time again, don't you be his next meal! Stay under the shadow of the Lord's protection by praying without ceasing, and also by watching and remaining vigilant. ⁽²⁷⁾

(Jeus speaking:) You should be ever aware that as the days grow darker, the Enemy's power in this world grows stronger. Thus when you're out on his territory or involved in anything that would open the door to danger, whether out of necessity or out of desire, you must call upon Me for My help, and pause and listen for any counsel or instruction I would give you. I desire to protect you, for I need you! ⁽²⁸⁾

(Dad wrote:) The promise is that He will protect you, you'll abide under His shadow of protection, the shadow of the Almighty, God's shadow, but what's the condition you have to meet? What do you have to do? It's like a contract! Every promise has conditions. A promise is like a contract. God says, "Now if you'll do so-and-so, I'll do so-and-so!" What's His condition? What does He say He will do for you? You'll abide under the shadow of the Almighty.--Providing you do what? If you dwell in the secret place of the Most High. That's a condition!

You can't go running around out in the World amongst the Devil and his people and being worldly and doing all the bad things they do and forgetting all about God and running out from under His protection, you can't claim His protection then, can you? So you've got to dwell in the secret place of the Most High, you've got to stay close to the Lord. ⁽²⁹⁾

(Jeus speaking:) Think about the following verse for a minute: "The name of the Lord is a strong tower: the righteous runneth into it, and is safe" (Proverbs 18:10).

You know that I'm all-powerful and fully capable of protecting you, whether or not you run to Me, your strong tower. I can send legions of angels to protect you no matter what you're doing or where you are. So why bother with the "runneth into it" part? Would it be better for Me to run to you and place My strong tower over you at opportune moments?

Perhaps the verse could have read like this: "The Lord God is a strong shield that automatically protects the righteous wherever they go." But that's not how the verse reads, so obviously it's of some importance that you run to Me, that you actually make an effort to be in the right position to receive My protection.

When you're in My will, you have greater faith for the spiritual battles. When you know that your actions are a direct result of My counsel, it strengthens your heart and boosts your morale. Praying and seeking Me for My will in all situations is the best way to prepare for spiritual battles.

In My will is where you'll see miracles and find unearthly strength. It's where you want to be when the going gets rough and the battles get tough. ⁽³⁰⁾

But most of all, and I will say it again, you must know that I will protect you, for you are My child. I will especially be able to protect you as long as you are within My will. What is My will? It's wherever I've shown you personally to be, and whatever I've shown you to do. It's a place close to Me, where you're communicating with Me before you go here or there, and you're tuning in to My checks. This, My dear ones, is the shadow of My wings, and they are an impenetrable shield. ⁽³¹⁾

(Dad speaking:) You've always got to be tuned in to your Heavenly Protection Source--the Lord! If you are, then you have nothing to worry about. If you're alert and tuned in and have your antenna pointed up so that you're receiving His signals, checks and warnings, then you're going to be okay. You don't have to fear or be worried, because the Lord is more than able to take care of His children. So don't let the Enemy come in and afflict you with fear or with worry. Yes, you're at war, but you're on the winning side! Praise the Lord! ⁽³²⁾

(Dad wrote:) Keep our hand in Yours, Lord, because You know exactly which way to lead us and preserve us during these troubling times. They're troubling times, Lord, nevertheless times in which You can even more greatly show Your power, protection, provision and blessing and usefulness as we follow You, because You know what's best.

Help us to look to You for guidance, Lord, in everything, to give thanks and follow You and Your Will, because You know what's best. ⁽³³⁾

(Jeus speaking:) The Enemy is My sheep dog or hatchet man. That's his job. He does the bad stuff. But for you, My children, nothing happens that I don't directly allow, or which I'm sometimes forced to allow because you've stepped outside the boundaries of My protection. Sometimes I engineer the circumstances because there's a certain result I want to bring about in your life--but it's the Enemy that creates the actual test or difficulty.

You do not want to stray from the circle of My highest will and lose My blessings, My protection, so it's natural to want to be sure if the battles you're experiencing are a result of direct attacks of the Enemy on your life, or if I'm allowing it because you're off track and I want to bring you back into the center of My highest will for you. ⁽³⁴⁾

The strength of My protection and spiritual force field comes from the choices you make to yield, to sacrifice, to give, to love, to forsake your pride and your independence, to live the One Wife vision, to care for others as you would yourself, to humble yourself before Me and your Family. The choices which strip you of your spiritual force field and disarm My protection in your life are those choices of selfishness, pride, withholding, covering up, dishonesty, laziness in spirit, jealousy, a hunger for the world and its material goods, a lack of fearing Me, straying from the counsel of My Word, mocking My messengers or My voice in living prophecy, and seeking for your own gain and comfort. ⁽³⁵⁾

Having a clean heart is imperative if you want to have your spiritual line of defense strong and solid against the Enemy's attacks. Otherwise, he can use whatever has been held in your heart to condemn you. In those moments when you need to know that I understand and that I'm there for you, he'll use any unconfessed sin to drive a wedge between us. In the moments when you need to know that I have forgiven you, he'll condemn you with the remembrance that you haven't yet confessed, and so can't really receive My forgiveness. When you need to believe in the love of your brothers and sisters and mates, he'll remind you that there's something you haven't confessed, and he'll try to convince you that if they found out, they probably wouldn't love you anymore.

Unconfessed sin destroys your faith. In destroying your faith, it destroys your force field of spiritual protection. So having a clean heart before Me is a prerequisite for strengthening your spiritual walls of defense. ⁽³⁶⁾

All that I've asked of you is doable: Read the Word and apply it and obey it; memorize and use the keys; praise and pray; ask Me everything; do the humble thing by confessing your faults and asking for united prayer; get to know and avail yourself of the help of your spirit helpers. All of that is doable. Not one thing is beyond the reach of any one of you. If you are doing these things, then you will remain securely under the shadow of My wings and protection, safe from all harm. Even if you come face to face with the Devil, you have the wherewithal to defeat him. He is only allowed to do serious damage when you stray outside of My protection by disobeying--not just by a blunder of the mind, but knowingly disobeying. ⁽³⁷⁾

Although the Enemy can influence circumstances and make things difficult for you, you have My full insurance plan if you choose to use it. And that is, as long as you're close to Me, doing your part in the spiritual and physical, and invoking the power of your spiritual weapons, you are protected. Either his attacks will bounce off harmlessly, or they will be deflected and only allowed to touch you as much as I know is needful, or in some cases I'll allow something to get through because I want to bring a much greater victory out of it, greater good. That's the confidence and assurance that you can have in Me. ⁽³⁸⁾

So expect miracles! Expect to see My power around you! Expect to see Me protect you! Call out to Me for protection. As My children who give your lives to Me--your 100%, total dedication--part of your reward for your service to Me is My protection that goes with you wherever you go! It's like riding in an armored car. It's like wearing bulletproof vests and having bodyguards with you 24 hours a day--complete police protection!

So trust Me for the days ahead, for the protection that you will need and for the faith that you will need to command this protection, to command My Spirit to work for you that you might lean on the Spirit and not on the arm of the flesh. This is an important key to the victories of the future--to learn now to look toward Heaven, to look toward Me and My Spirit, to look to the miraculous and the supernatural, and less and less to the arm of the flesh. ⁽³⁹⁾

(Dad wrote:) Thank You for Thy protection, Lord!--Protecting us in spite of all the Enemy may try to do. "Except the Lord keep the city, the watchman waketh but in vain."--Psa.127:1. We know You'll continue to keep us if we continue to do what's right and we obey.

Thank You that You're always watching us, You never take Your eye off of us lest we get in trouble! Thank You Jesus! You keep us out of all kinds of trouble. Thank the Lord! The only trouble You ever let us get into, Lord, is usually what we deserve. If after several warnings we insist on going our own way and not obeying, being careless or prayerless, You let something happen just to teach us a lesson. But Lord, help this not to happen too often.

Help each one of us to stay close to You, Jesus, in the center of Thy Will. Then we know we're in the center of Thy protection and provision and blessing and usefulness, and we have no problems, nothing to worry about. We can trust You utterly by faith because we know we're being obedient and doing Thy Will. And that's all we can do, Lord, the rest is up to You.

We have to trust You a great deal to do what we can't do. We can't do everything, but You can. But we can do our part, Lord, and our best, and cooperate with Thee and not be careless or unmindful, unwatchful, unprayerful. So help us, Lord, to do what we can, in Jesus' name. ⁽⁴⁰⁾

(Dad speaking:) Oh, Jesus, help Your children to put their trust in You! Keep them in Your mighty hands, Lord. Help them not to stray from Your protection, but to stay within the safe haven of Your walls through fervent prayer and desperately seeking You for Your will. Jesus, I've seen Your power firsthand, and I know You will not fail to protect and preserve this Family. It's Your work, Lord. It's Your doing, and we praise You that You're going to keep it going strong right till the very End. Hallelujah! Amen? ⁽⁴¹⁾

THE LORD'S PROTECTION AND SUPPLY DURING THE ENDTIME

The Lord's Protection and Supply During the Endtime

Book 8, Compilation #28 of TCOB pubs on the subject, by theaudiokey.com team - May 2020

(All prophecies are Jesus speaking unless otherwise indicated)

Dad's writings in the Letters are prefixed by "Dad wrote:"

Prophecies received from Dad from heaven are prefixed by "Dad speaking:")

(Dad wrote:) God is with us, the Lord's going to take care of us! Has He ever failed us? Hasn't He always taken care of us? Hasn't He always supplied all of our needs? Hasn't He always protected us? Hasn't He always made us fruitful and profitable in His service? Do you think He's going to stop now just because the Antichrist takes over? He's going to be all the stronger and all the more miraculous and all the more protective and all the more providing! It's going to be the worst Tribulation that ever occurred in this World, but it could yet be our best years!

We're going to be victorious! The Lord's going to bless us and keep us, protect us and provide for us! Amen? Can you believe that? ⁽¹⁾

(Dad speaking:) We thank You that the Family never has to worry; that although the world gets worse and worse, You are going to keep them as they stay close to You. We know that this work is of You, Lord, and as long as You've given our folks a job to do, You'll keep them through whatever chaos comes upon the world. You will provide and protect and keep Your own in every way right up to the very end. ⁽²⁾

(Dad wrote:) Although there's going to be the most hell the world has ever known, there's also going to be the most heaven that we have ever known!--The most Heavenly power and defense and help and protection! It's going to be a time of great victory over the forces of Satan and tremendous triumph over the anti-Christ wicked! So don't fear it! Don't worry about it! Look forward to it as a time when we're really going to fight'm face-to-face and defeat'm with all the supernatural, miraculous powers of God! ⁽³⁾

(Jesus speaking:) Be not fearful for the days which come. These things must needs be fulfilled before the End comes and the glorious dawn of a new day, when the Sun of Righteousness will shine forever more!

I will protect and keep My children during this time. Though some shall fall by the sword or by fire, they will fall into My arms, where they will be safe and protected from

the blast of the terrible ones that will sweep across the face of the Earth in these Latter Days.

So fret not, neither be dismayed when you see these things coming to pass. For I the Lord am mighty to save, mighty to shelter, mighty to provide! As I do care for My little sparrows, and not one falls to the ground but that I know about it, so do I care for you. The very hairs of your head are numbered. My love for you cannot be measured, and My thoughts towards you are those of goodness, mercy, and peace. So be confident in My care, and bold in proclaiming My message. ⁽⁴⁾

(Dad wrote:) Just think, like in the plagues of Egypt, He sends monsters in Revelation to protect His children! Isn't that amazing? Absolute monsters to terrify and destroy their enemies and protect His children! Those monsters of Revelation are our friends and protectors, but they're the enemies of our enemies, sent to protect us and destroy them! Rev.9:3-12. ⁽⁵⁾

(Jesus speaking:) Just as I have marked My children throughout history to protect them from calamity, I again will mark My children to save them from the terrible things which shall befall the Earth in the Last Days. As the angel of death passed over the children of Israel, so shall the seven Tribulation trumpets pass over those who are sealed with My Name. Everyone who has accepted My salvation will be spared from these trumpets. They will be tried and tested, but will not drink of the cup of pestilence which I have reserved for those who have not My seal. ⁽⁶⁾

(Dad wrote:) The tribulation is actually something in a way to look forward to because of the mighty events that are going to take place and the marvels of the Lord and the mighty miraculous protection and preservation and provision and the Lord's wonderful manifestation of Himself and His power and His angels and miracles and signs and wonders and all the rest! ⁽⁷⁾

(Jesus speaking:) You will see miracles and wonders wrought at My hand. As the Antichrist and his forces grow stronger and bolder, you will see Me work many mighty works to protect and keep you, and to help you be a blessing to those who will be more desperate and in need of Me. ⁽⁸⁾

(Dad wrote:) We need to emphasize more of that positive nature of our powers and abilities that God's going to give us during times of terrible tribulation! It's going to be a time of terrible awesome events, but we are going to have terrible and awesome

powers to protect us and to defend us and deliver us and keep us going right to the end!
(9)

(Jesus speaking:) Yes, time is short, and as the End draws near, Satan knows that he has but a little time. He will do battle and use all the forces of this world over which he has power--disease, plagues, pestilence, turbulence in the air and the governments of man. Yet greater is My power within you, for you have all the power of Heaven at your command--the power of prayer, of claiming My promises of protection, of provision, of supply, of great and mighty exploits in My Name. ⁽¹⁰⁾

(Dad wrote:) As we enter the very last final great days of the Endtime, we know that God is going to bless and keep us, and continue to make us a mighty blessing for Him until the very End! According to His Word and His Promises, we are going to become the most powerful witnesses we have ever been, with marvellous, miraculous Heavenly protection and power in this last hour, the last opportunity for the people of the World to hear and see the Gospel at this time! (Dan.11:32,33; Rev.11:3-6) ⁽¹¹⁾

(Jesus speaking:) The Tribulation will be a dark time for the world--the darkest time in history--but for you, My loves, it doesn't need to be that way, and I don't want you to look to the future with dread, thinking, "My God, things are going to get worse!" Yes, they will get worse for the world, but for you, they're just going to get better and better as you continue to receive My Word and obey it. That will be your greatest source of protection, direction, and strength in the days to come. And it's your greatest preparation today. ⁽¹²⁾

(Dad wrote:) You're going to be the salvation of the future! You're going to be rising up in opposition to the Antichrist government and defying it and performing miracles, God doing mighty signs and wonders to protect you and keep you and help you to continue to preach the Gospel in spite of everything! God's going to take care of you right through to the End, and you're going to see Jesus when He comes! ⁽¹³⁾

(Dad speaking:) He's promised all along that He would miraculously provide for you, protect, supply, and empower you to survive in the world ruled by the Antichrist. ⁽¹⁴⁾

(Dad wrote:) Cheer up, things could be worse, and they will be! The Lord's still able to keep us! He's promised to be with us unto the End of the World!--Mat.28:20. So

if He's with us, He's going to take care of us, even feed us in the wilderness and protect us from the Dragon and his floods of bad news until He returns! ⁽¹⁵⁾

(Jesus speaking:) These two mighty archangels that you saw holding the flame are now bound to the children of David. They will stand guard day and night as guardians of the flame of revolution that burns brightly in the heart of each of My brides, those who have given their all to Me. These are bearers of the torch--bearers of the flame of the children of David.

This is the eternal flame of the revolution of the children of David. Today it once again burns brightly in full blaze! Its intricate handle bears the name of each of My brides who have committed their all to Me. I have personally carved each name in pure gold, that there may be no mistake who belongs to Me.

Let the fire of revolution burn deep in your hearts, My loves. Let it never go out. This torch will light your way. It will guide you through the troublous times as you keep it ablaze in your hearts forever. As the stream of My promises to you never runs dry, as My power is made available to you in the greatest measure ever witnessed on Earth, so this torch will burn, burn, burn--lighting your way, guiding you, protecting you, shielding you from all harm as you finish what I have begun on Earth, as you woo and win and see each of My Own safely back into My fold. ⁽¹⁶⁾

(Dad wrote:) Don't worry about the crash or the tribulation or the war or anything! You're God's pets and He is going to take care of you until your job is done, till the very End, and then He'll still take care of you and take you to Heaven! What better place to go? So why worry? We've got the best Boss in the World, the best job, best income, He never fails, the best protection, we've got the best of everything! He'll take care of you right to the End, so don't worry. Praise the Lord? ⁽¹⁷⁾

(Jesus speaking:) In the future of your days on Earth, as you become possessed more and more by Me, and have My mind in you, your faith will be so strong that the obstacles and hindrances you encounter will vanish before your eyes as you ask Me to perform miracles of protection and deliverance. ⁽¹⁸⁾

(Dad speaking:) There's no better place to spend the Endtime than in God's Endtime Family, under His protection, guidance and safekeeping, experiencing His blessings, abiding under the shadow of His wings, guarded by His angels. ⁽¹⁹⁾

(Dad wrote:) I believe we'll all have greater "power for the hour" in that day to help us survive as long as possible! He says, "Where sin doth abound, grace doth much more abound!" (Rom.5:20) And where Satanic power is going to abound, God's power is going to much more abound to protect His Own! God's purpose is not going to be defeated, He's going to have millions of witnesses right up to the End! ⁽²⁰⁾

(Jesus speaking:) You will walk through all manner of evil and pestilences, and yet you will come out without even the "smell of smoke" (Dan.3:27). My Spirit will encase you in a bubble of protection, so that nothing of this world can touch you or hinder My plan being performed through you. ⁽²¹⁾

(Dad wrote:) Thank God we're on the winning side and we've got everything going for us! Well, we've got a few things going against us too, but what we've got going for us is a lot better and more powerful than what they've got going for them! Thank the Lord! And I'm sure that we are going to survive miraculously, protected supernaturally, in spite of persecution and in spite of suppression! God will care for us and promote us and our Message right to the very End! ⁽²²⁾

(Jesus speaking:) The Family will be a great light amidst the gross darkness that is encircling and settling upon the world. As David often said, the greater the darkness, the brighter the light will be seen. As the world gets darker, the brighter will be the light that shines on My children's faces. It will be a light that sustains them, envelops them and protects them, for the light that shines through them will be the light of truth--the truth that makes free. ⁽²³⁾

(Dad wrote:) He is going to keep us in time of great trial and tribulation in these last days, and will protect, provide and keep us when all the rest of the world are suffering for their sins! ⁽²⁴⁾

(Jesus speaking:) Because you have given your all to Me, because you lay down your lives to follow where I lead you, I give My all to you--My anointing and My promise of power and protection, supply, and great miracles in the days ahead. ⁽²⁵⁾

(Dad wrote:) We're going to march triumphant, victorious, protected by God, right straight through the tribulation from beginning to end in the face of our Antichrist enemies! While they're being tormented by monsters and plagues and fighting off all the horrors of Hell, we're going to march right through unscathed! They may catch up with a few of us and kill a few of us, as they promised they would if we don't worship

their Beast and his Image and take the Mark; a few of us will die and suffer martyrdom even as we do today, but we're still marching! ⁽²⁶⁾

(Jesus speaking:) My army is marching to the battlefield to win! Win through the power of the keys and the courage of the spirit. You are destined to overcome by the blood of the Lamb and the word of your testimony. Expect to see the rewards I have for you. Expect to see miracles of deliverance and protection and witness, for the day of overcoming is here. ⁽²⁷⁾

(Jesus speaking:) You who have believed without seeing will see My promises fulfilled. You who have entered in and become My brides, the lovers of God, will see My power and protection and anointing manifested in you like never before. You who have chosen to be My weak and humble vessels, and have allowed Me to work in your lives and prepare you, will be amazed when you feel My anointing rush in and fill you like never before. ⁽²⁸⁾

(Dad wrote:) Although the world will be getting the most hell they've ever known, we, God's children, will have the most heaven we've ever known!--Heavenly power and defense and help and protection! And just as God rained down bread from Heaven to feed His children of old, and fire to defend them from their enemies, and sent His mighty angels to guide and protect them, He'll do the same for us in these soon-coming days! So don't worry! ⁽²⁹⁾

(Jesus speaking:) I will let no harm come to My children of the Endtime, those who believe and are following Me closely. I will keep and protect and provide for you, and when others have not, you will have because I am your God and I will not leave you comfortless. I will come to you and care for you in ways that you know not, I will do miracles for My precious Family members who have been so faithful to Me. I will be a mighty One Who goes before you to prepare the way. ⁽³⁰⁾

Living in the Word Protects Us from the Enemy's Attacks

Art by Zeb

Living in the Word Protects Us from the Enemy's Attacks

Book 8, Compilation #03 of TCOD pubs on the subject, by theaudiokey.com team - July 2020
(All prophecies are Jesus speaking unless otherwise indicated)

The Word is your protective gear, and will keep you from being seared by the Enemy. ⁽¹⁾

(Dad speaking:) If you want prosperity and provision and protection and success, don't neglect your time with the Answer Man or with His Word--otherwise you'll end up in confusion, frustration and defeat! ⁽²⁾

We have a contract: Love Me, love My Word. If you do that, innumerable things are promised you, such as health, provision, supply, finances, protection, security, and much more. ⁽³⁾

You let go of the protection of My Spirit when you choose to disregard My Word or to not allow it to penetrate your heart. It is a result of your own choices, if you refuse to let Me in to clean out the garden of your heart. ⁽⁴⁾

(Natalia:) Praise your Lover and Lord for His Word that keeps your steps from sliding, that guards, protects, and keeps you from all harm. ⁽⁵⁾

Take heed to My Words. If you obey, I will bless and protect and deliver. ⁽⁶⁾

My brides who hold to the Word, use the keys, and maintain a trusting spirit will remain in a protective bubble that will keep each one safe, well cared for, and in My perfect will. ⁽⁷⁾

I promise you that if you have faith, if you grab ahold of My promises and truly believe that, "this is mine, it's for me," and you tell the Devil "you can't take it away from me," then there's nothing he can do to hurt you. He'll try. He'll attack, and he'll huff and puff and try to blow your house down, but you'll stand in the end, with those promises protecting you. ⁽⁸⁾

Those who do not obey My Word or My leading also choose to forfeit a measure of the protection of My Spirit, and they will lack the stamina and the strength to continue on as they have in the past. ⁽⁹⁾

When people begin to take My Words more seriously, they will strive to obey them. This increased fear of Me will bring about the atmosphere that is necessary if you are to be My miracle workers of the End, because you will have more faith, you will manifest more obedience, and you will receive more of My power and protection and blessings. It's a chain reaction. ⁽¹⁰⁾

Your faith is what you must guard. The Devil's doubts and his insidious lies will tear your heart to pieces if it is not protected by My Word and My Spirit. ⁽¹¹⁾

Those of faith, those who stay close to Me and My Word, are very strong in spirit and have the power to stand up to the lies of the Enemy.

People don't realize the tremendous blessing and power of My Word! Sometimes even My children don't realize how great a power they're wielding, and how their faith in My Word is keeping them and protecting them from many attacks of the Enemy. One little Word shall fell him. ⁽¹²⁾

My Word is full of My promises of protection, supply, and miracles! Your faith will increase as you read and study these Words of life, and thus you and your children will be prepared. I would not have you go through these dark days ahead if I had not done My best to prepare you for them! But a lot is up to your faithfully feeding on these Words that will give you what I know you need! ⁽¹³⁾

The Word is not only something to keep you inspired, obeying, and on the right track, but it's a spiritual substance that needs to run through your being continuously. If not, you won't make it through the days ahead.

My Word must live within you, both now and in the days to come. My Word is a part of Me within you; it is part of your protection, part of your strength, part of what will separate you from the world, a part of your very being, and it works hand in hand with My keys so that you can access My full power. ⁽¹⁴⁾

I have shown you to live in the Word. I have called for a Word revolution in your

lives. This is the most important thing you can and should do. This is both the most important offense and the most important defense you can have. It is through living in My Word and letting Me live through you that you will overcome the ploys and devices of these evil ones who oppose My truth, so you can stand strong and be counted in the Last Days.

This is the most important thing you can know, and the most vital course of action you can take against all who oppose you. Call on the keys for power to live in the Word and to read, absorb, and apply all that I give you--for this is your safety, defense, assurance, and survival.

Living in the Word is part of drawing nigh to Me, dear ones, and this is one of your greatest protections against the attacks of the Evil One or of evildoers. It assures your survival in the days to come, it keeps you safe from all evil, and you are greatly empowered both to defeat the Enemy and to win others to Me. ⁽¹⁵⁾

The Word is such an essential ingredient to being strengthened for the battle, because My Words are eternal. They are the promises I've given to you, My brides. My Word contains the promises of deliverance that I've said I'd perform on your behalf. My Word reminds you that though all of Hell and the Earth rise in opposition to you, you are still more powerful as you wield the power I have given you through your spiritual weapons, through My Word. ⁽¹⁶⁾

Wherewithal shall a young man cleanse his way? By taking heed thereto according to My Word! It's the Word, it's the Word, it's the Word! It's the Word that does the cleansing. It's the Word that does the protecting.

If you will remain in the Word, if you'll fill yourself with My Words and My seeds, and if you'll let them fill you to overflowing, then that will be your protection. That will be your safeguard. That will be your Elixir of Love that covers you, keeps you, and protects you. ⁽¹⁷⁾

I cannot protect and keep and guard you when you blatantly disobey, or even when you disobey out of ignorance--just because you are ignorant of My Word or warnings through your neglect of My Word or lack of taking it seriously. Heed this warning and study My Word as a result, so that you know how to protect yourself in the spirit, and how to avail yourself of My protection and supernatural care. ⁽¹⁸⁾

Pan cannot withstand the power of the Word, so your greatest protection against his insidious devices is to bathe yourself in the Word every single day. Drink it, shower in it, soak in it, and let it fill every part of your spirit, every day. ⁽¹⁹⁾

After you've been rescued from the clutches of the Enemy, you must be strengthened in the Word. I will set you free, I will deliver you, I will give you the spirit helpers that you need, but you must do your part. You must ask for prayer and then drink deeply of the Word. The Word is your only defense against the Enemy's return. The Word is what will build up your spiritual defenses. The Word is what will give you the strength to pick up the weapons and begin attacking again. The Word is the only protection you have in this spiritual warfare. ⁽²⁰⁾

OBEDIENCE GETS GOD'S PROTECTION

Obedience Gets God's Perfect Protection

Book 8, Compilation #04 of TCOB pubs on the subject, by theaudiokey.com team - July 2020

Excerpts from Dad's writings in the Letters:

Let me tell you, we are in a war and you'd better keep in tune and in touch with the Holy Spirit and on God's territory all the time and close to His Word and in the right spirit and constantly in prayer and seeking the Lord and praying for His protection and His help and thanking Him constantly for His blessings and staying mighty close to the Lord, or you're going to be singed by that old fire-breathing Dragon! If you go running around outside of the tower of God's protection and the holy place of His will, that old Devil's going to be on your trail and try to give you all kinds of trouble! ⁽¹⁾

If you run around outside the tower of God's protection, the Devil will scorch you with his fire! If you don't stay close to the Lord in His will, obeying Christ, the Lord will let the Devil touch you! Otherwise He won't let him touch a hair of your head if you're right where He wants you. ⁽²⁾

The only time we're vulnerable is when we ourselves get ourselves out of the protective force field, so to speak, and we go astray or we disobey or we get careless, or we fear, or we doubt. All of these are sins. I don't think the Devil can touch us except as a penalty of our sins or shortcomings, and I don't think the Lord will let him do that unless we persist in it. ⁽³⁾

It's things we do ourselves that usually bring on the attacks of the Enemy because we have let the bars down, we have let our force field of protection get a little too holey, and we have let the defenses down. And just like physically and our health, our resistance is down to the attacks of the Enemy and we let him get in! I don't believe the Devil can lay a finger on a Christian unless that Christian allows him to in some way, by some weakness or disobedience or failure or lack of prayerfulness. I really don't! ⁽⁴⁾

If you get out of touch with the Lord, watch out, because then the Devil gets in touch with you or some member of your family, and that's his privilege if you run outside the Lord's protection.

The Lord spoke once and said the reason that certain people were having so much sickness was because they were running outside the tower of the Lord's protection and

that they were not hiding in the secret place or staying under the Lord's wings. You've got to stay close to the Lord like a little chicken under the wings of the mother hen, in tune with God and in touch with Him in prayer and really touching God! ⁽⁵⁾

If we run outside the magic circle of God's protection by disobeying and running away from the Lord etc., the Devil is then allowed to afflict us outside because we're outside of the force field of God's protection. We've run out of God's Will and disobeyed Him and gone out and done other things, therefore the Devil is allowed to conquer us there. But if we stay inside of the magic circle, the forcefield of God's protection, then the Devil is not allowed to touch us, not allowed to come in, only when we get on his territory. ⁽⁶⁾

You suffer sometimes for your own sins, somehow or another disobeying the Lord or doing something where, in a sense, bound by His Own rules and His Own laws, He can't protect you and He has to let the Devil spank you or punish you or scorch you or give you what you deserve for violating the rules. You'd better stay close to the Lord and don't get disobedient, don't run outside of God's will and His protection. ⁽⁷⁾

Obey God and be in the right condition spiritually and obedient and where you ought to be, doing what you ought to be doing, serving God as you should be. You can't expect God's perfect protection and full blessings when you're not where you belong-- either physically or spiritually. ⁽⁸⁾

You really need to pray for the Lord's protection and stay in His will and be obedient and remain within His tower of protection and not go running around without prayer or without being sure you're in the will of God, lest the Devil really burn you or singe you because you're running around where you shouldn't be! ⁽⁹⁾

God cannot protect you, prosper or bless you when you are out of His Will and running around outside of the secret place and from under His shadow, His wings, and the Fortress of perfect fellowship with Him! When you do this, you can no longer claim the protection and defenses of Psalm 91, and He may even let you fall prey to the Enemy, because you're playing around with fire and living so close to Enemy territory!

As long as you keep trying to please the Lord and obey and stay in His Will and are doing your best to serve Him, He'll do His best to take care of you. But if you go running off your own way, doing your own thing, He's no longer responsible. It's only when you

abide within the tower of His Will under His wings, that you can expect His protection.
(10)

If we get outside the camp somewhere where we shouldn't be, out of God's will and away from His protection, then we deserve to get it! Because we're disobeying the Lord, we're getting out of touch and fellowship with Him and others and we're running astray! So of course then He lets the Devil slap us around to whack us back and drive us back into line.

Don't forget, the devil's working for the lord too! Didn't you ever think about that? He's God's little devil and demon and imp and chore boy to whack us around with God's permission when we get out of line! But otherwise he doesn't have a right to put a finger on us! (11)

The shepherd is like the Lord, we're the sheep, and the sheepdogs are like the devil's angels! (Or you can call them the Lord's angels if you prefer.) The devils are working for the Lord to help keep us in line. They nip at the strays, the backsliders, people who get out of line, out of God's protection, out of the protection of the Shepherd. And yet the sheepdogs belong to the Shepherd, they're working for Him! They're literally taking care of the sheep by keeping them in line and keeping them in the flock and not letting them get away with anything. (12)

If the Lord showed me that the sheepdogs are the devils, then who the hell are these wolves that we have so much trouble with? They're a lot more trouble than the Devil, those absolutely incorrigible totally illegal and unlawful wolves! But in a sense, they're fulfilling their part in the plan, because if you get out of line too far, or if it's God's will they destroy you for your testimony, well, then even they fulfill a part of the program. Even wolves have their place in God's creation or He wouldn't have made them! When the sheep stray away too far and get completely out of the flock and even beyond the protection of the shepherd and the sheepdogs, then they fall into the hands of the wolves. (13)

Help us not to stray one little step or fall out of the way where we get nipped. Help us to stay close to You, Jesus, in the center of Thy Will, then we know we're in the center of Thy provision and protection and blessing and usefulness and we have no problems, nothing to worry about. We can trust You utterly by faith because we know we're being obedient and doing Thy will. And that's all we can do, Lord, the rest is up to You. (14)

So we just ask You to keep us obedient, doing Your Work, faithfully preaching the Gospel of Your Love, winning as many eternal souls into Your Kingdom as we can! Please help us to keep on the right track, which is in Your Word and obeying it! All we have to do is obey, Lord, and do what You tell us to do, and let You show the way as You give us the strength and the power to do it. You'll do it all if we will just do our part and obey and go and try to bring forth fruit, in Jesus' name. Hallelujah! ⁽¹⁵⁾

Prophecies, Jesus speaking:

If I've asked you to do something, no matter how small or how big, and you obey, I give you peace of mind and heart. I bless you for your willingness to follow. You will feel My blessings in your life--My protection, safekeeping, contentment, satisfaction, peace of mind, and general well-being. ⁽¹⁶⁾

You have the promise of My blessing, My peace, My protection, and My guidance on your lives when you obey Me while on Earth. Such promises are dearly sought-after treasures in the world. Everyone wants to have peace, to know they're protected, to know that a greater Force is guiding them and enhancing their lives with power. You have these promises. ⁽¹⁷⁾

I will keep and protect My children who love and obey Me, those whose hearts are right with Me and who do not just say, "Lord, Lord," while they do not do the things I ask and their hearts are far from Me. Though My faithful and obedient ones shall see a thousand fall at their side and ten thousand at their right hand, they shall also see My shield of protection hallowing them about that they may walk through the fire and the storm and come out without even the smell of smoke. ⁽¹⁸⁾

I do not allow My children, those who are saved, to be touched by any of the powers of evil or Hell, unless they are continually disobedient to Me, unless they are outside of the charmed circle of My protection. ⁽¹⁹⁾

As you know, the Enemy's battleground is the mind. He attacks primarily in the mind. He knows that if he can get into your mind and influence your thoughts, then your body, countenance, and actions will follow suit. You will then apply the thoughts of your mind, which he has influenced, to your daily life and actions, and he will have won a victory.

As one of My children, you have a measure of protection against the Enemy and his attacks. But you must also do your part to keep your shield up, to resist him, to not give or allow him entrance. You have to walk in the center of My will. You have to obey the conditions I have laid out for you to avail yourself of My full protection. ⁽²⁰⁾

When you disobey, you are weakening the force field of My protection and I'm unable to protect you like I want to. My hands are tied. I need your obedience in order to be able to give you My protection. When you are disobedient, compromising, dishonest, and covering up for one another, I can't protect you, and you're in fact inviting the Enemy in!⁽²¹⁾

The Devil is out there like a roaring lion, waiting to devour those that step out of the protective circle of My will. He's not a little pussycat; he's a crazed and ferocious beast that's out to kill! So you'd better watch out if you step out of My protection through disobedience to the Word as well as My personal Word of prophecy to you. ⁽²²⁾

It's as simple as an illustration of one child tightly holding on to My hand and the other child loosening her grasp and letting go. Yes, I love the child who loosens her grasp and lets go of My hand, but of course when she's not as close to My side, I can't keep her, hold her, and protect her the same as the child who holds tightly to Me at all times. She who continues following Me, her hand securely in Mine, looking into My eyes in trust and faith--even if her step falters and she knows not where I lead--to her I provide My full blessings, My full protection, My tenderest care. Through this act of faith on her part--her weakness grasping ahold of My strength--shall My power and anointing flow. ⁽²³⁾

It's all about choice. If you want My full protection, you choose that protection through your choices. You choose to obey and do what I ask of you, to fulfill the conditions, so that you are afforded My full protection. If you want to be in My will, you choose to keep yourself within the boundaries I have given you, even when your flesh desires to be elsewhere or your heart yearns for a change. If you want to fulfill the destiny I have for you, then you must make the choices that keep you walking on the right path, or else you will get lost and I will not be able to fulfill the destiny I promised would be yours. It's all about choice. You must choose your outlook on life. You must choose My will and My ways. Nobody else can make those choices for you--not even Me. ⁽²⁴⁾

You will all begin to feel My hand more personally in your life--both the blessings of obedience and the lifting of My protection when you disobey. It is the era of accountability and obedience, My loves. ⁽²⁵⁾

What you need to realize is that I have put boundaries of obedience in place, both in the physical and the spiritual realms, for your own good. These are boundaries I ask you not to cross, because I want to keep you safe, to protect you, to help you fulfill My will. It does you no service when you step outside those boundaries thinking you know better. You're putting yourself in danger, whether physically or spiritually, and often you wind up suffering the consequences. Some of you are so dull in the spirit, you don't even see them as consequences. To you it's just the natural course of events, or just a "rough period." But the reality is that you're suffering the consequences of choosing to take yourself outside of the boundaries of My protection.

So when you're thinking and praying and making decisions, or even when you're just living life and not consciously making any big decisions, be mindful of the boundaries I've set. These are not to inhibit your freedom or to squelch your desires or make you less happy. These are boundaries to protect you. And so you need to learn to trust Me for that. When your emotions or desires are leading you outside those boundaries of protection, learn to recognize where that pull is coming from. It's not from Me. Even if it looks perfectly safe to you, that doesn't mean that it is. ⁽²⁶⁾

It's the day of accountability, and I can't protect you from disobedience, unyieldedness, and disregard of the standard of discipleship that you've chosen. The Devil is trying to "bag the live ones," and if you start wandering off, even if you think it's a harmless little "excursion" which you've gone on before without consequences, the end result may be much different than in the past, because today you are much more accountable for your actions.

You are accountable more than ever to choose this day whom and how you will serve, and not to halt between full discipleship and other places of service. Choose and be counted either as a member of the special forces, a member of the regular army, or a member of the reserves. But whichever division of My army you are in, give it your all! Let Me have full sway and don't for a minute think that you can step outside of My will, because you may be setting yourself up to be the Devil's next meal! Be sober, be vigilant, use the keys, and you will defeat and overcome any attacks of the Wicked One, and you will be safe under My protection. ⁽²⁷⁾

THE PROTECTION RANGE OF OUR SPIRITUAL WEAPONS

The Protection Range of Our Spiritual Weapons

Book 8, Compilation #05 of TCOB pubs on the subject, by theaudiokey.com team - July 2020

(All prophecies are Jesus speaking unless otherwise indicated)

I want you, My children, to realize that you are indeed living in the time of the End, a time when the world only grows darker and the evil in men's hearts grows with each passing day. You must be alert. You must be aware. You must be on guard. You must learn to hone your use of the spiritual weapons so that you're not caught unawares.

Many of you practice with your spiritual weapons, thinking that it's mainly in the Tribulation that you will need to use them to the full, but what you might not realize is that if you don't use them now, you might never make it till then. You could be casualties before the Tribulation even begins. ⁽¹⁾

Although the Enemy can influence circumstances and make things difficult for you, you have My full insurance plan if you choose to use it. And that is, as long as you're close to Me, doing your part in the spiritual and physical, and invoking the power of your spiritual weapons, you are protected. Either his attacks will bounce off harmlessly, or they will be deflected and only allowed to touch you as much as I know is needful, or in some cases I'll allow something to get through because I want to bring a much greater victory out of it, greater good. That's the confidence and assurance that you can have in Me. ⁽²⁾

No power of darkness, no effort of the Evil One, no attack launched against you can overthrow you if you are fiercely wielding the weaponry of the spirit, availing yourself of My power, and finding your security and safety within Me-Your strong tower. There is nothing-absolutely nothing-that the Enemy can do to harm you without My permission. ⁽³⁾

As long as you're faithful to use the weapons that I have given you and to not make a move without My leading, I will keep you safe under the shadow of My wings. ⁽⁴⁾

In these Last Days, the ante has been upped in the spirit world, and I have given you new weapons with which to keep the Enemy at bay, as part of your protection. If you're not using them, then he has a chance to attack you. ⁽⁵⁾

Your weapons are mighty and can move mountains in the spiritual, and they work

just as well in the physical.

1. Your weapon of **prophecy** can warn you and give you practical advice that will help you to avoid danger.
2. Your weapons of **prayer**,
3. **The keys**, and
4. Connection with **spirit help** will give you access to those that can directly affect circumstances in the physical.
5. Your weapon of **praise** will keep you on My channel and can clear the surrounding area of demons and spirits given over to the Enemy.

These things work, and they are more than a match for the puny assaults of Satan! ⁽⁶⁾

The Weapon of Prophecy

When you stop to hear My Words and My voice, I'm bound by My Word to go with you, to surround you, to control the situation. Unlike when you go in your own strength or with your own ideas--in which case I try to protect you, but am not able to fully surround you with My protection--when you listen to My voice and go forth to obey it, you're automatically fully covered under My insurance. That's not to say that nothing will ever happen to you--accidents or troubles of any kind--but when they do happen, you don't have to worry in the slightest, because I've gone before and am working out My perfect will.

That's the beauty of hearing from Me at every step. You not only save yourself a lot of time and trouble in missing the mark and having to go back and do things again, but you also automatically are fully insured with My Heavenly power and protection, and are assured that any loss would be fully covered. Even if something happens to you that you think is bad, you can know that I'll work it out for good--for the best. ⁽⁷⁾

(Dad speaking:) It's your responsibility to be doubly prayerful, careful, and determined to hear from Him and make sure that you're headed on the right track, every single day.

Of course He can protect you! Of course He can provide for you! Of course He can do miracles and keep you from any harm or danger! He and your angels are working overtime to do so, so it's only fair that you be a bit more aware, cooperative, and give them your appreciation by not putting yourself in harm's way or by doing dumb things!

The Lord has given you choice, and He doesn't keep you from every evil, as you

know. A lot of it depends on you. He's begged you to ask Him for His counsel, but He's not going to force it on you. You're going to have to ask Him. If you ask and give Him just a minute of your time, He'll show you, because He's happy and willing to. But if you make your own decisions and pursue your own course of direction, well then, He can do what He can to protect you, but you might face some of the natural consequences for your decisions. ⁽⁸⁾

(Jesus speaking:) Be prayerful, be careful! Bathe everything in prayer; ask Me about each move and each step. I will keep you and protect you, but you must hear from Me. This way I can keep you out of harm's way, and none of the plagues which I will rain upon the Egyptians will come near you.

Your greatest safety is in prayer and in staying close to Me and asking Me everything at each turn, for then I can lead you and keep you out of harm's way. ⁽⁹⁾

When you start asking Me before you do anything, I'll be able to guide you better, and you'll form a closer connection with Me. And once you form a closer connection with Me, then I can pour down My blessings. You're My children and I want to bless you, I want to protect you, and I want to lead you in the right path. But in order for Me to do that as effectively as I and you would like, you have to ask Me before you do anything. ⁽¹⁰⁾

Ponder this new day and the commandment that I have given you to lean harder yet on Me. For it is not only important that ye hear My whispers, but it is imperative, it is necessary for your own survival. This is why this new day, this closeness, this greater dependence is so important. This is why it is important we be more one, that I may protect you and that ye may exercise the art of hearing from Me, so that I can lead and guide and direct your paths, your steps, every step of the way. ⁽¹¹⁾

The safest place in the whole world for you is in the very center of God's will! "Safe in the arms of Jesus, safe on His gentle breast; there no fears alarm you, there your soul can find rest."

The day is past when you can coast along on yesterday's or last week's orders. The war is escalating now and your orders could change at a moment's notice. And if you want to be a useful soldier as well as a protected soldier, then you sure want to keep in close touch with Headquarters! ⁽¹²⁾

More important than the many accomplishments that you have striven for in the past is that you strengthen your connection with Me, that you may hear from Me, and that you may know which way to turn. I will lead you and guide you into the paths of light and safety and protection, for this is My will for you. ⁽¹³⁾

I know that there are some situations where venturing into dangerous circumstances is unavoidable, but these are rare. Usually, if you are asking Me, I will tell you how to go in safely. There might still be some risk involved, but if you're praying and asking Me and following My directions, I will tell you what to do and how to conduct yourself to be as safe as possible--and when you're going with My blessing and instruction, the protection is up to Me. ⁽¹⁴⁾

The closer you stay to Me through continually seeking Me and obeying My direct voice of prophecy, the more I can protect you and guide your reactions and impulses. ⁽¹⁵⁾

I need you and your channel to be refined and honed. You need to be able to hear from Me clearly, not only to help you in your personal life and your work right now, but even more so as preparation for the days to come when prophecy will become your primary means of protection and guidance. ⁽¹⁶⁾

(Dad speaking:) If you want the Lord's blessing in your daily lives, if you want to prosper, if you want His protection and His provision, if you want to reach the goals that He's put before you, you've got to listen to Him daily! ⁽¹⁷⁾

(Dad speaking:) Remember too that it doesn't have to be a big thing. It can be very simple answers, but the Lord expects you to do it! Praise God! He's expecting it of you! He loves you and wants to be able to bless and keep, prosper and protect you, and this is what He's asking of you so that He's able to do that. ⁽¹⁸⁾

(Jesus speaking:) You must live in the Word, both by taking time to read the written Word and also by asking Me everything, listening to My living voice of prophecy, and waiting for My approval in all you do. Continue to move forward in the "Ask Me Everything" mode of operation, for this is your greatest protection. ⁽¹⁹⁾

Pray for your wisdom in handling things at every step, so you'll be faithful to ask Me everything and always be in My perfect will, so that I can fully protect you. ⁽²⁰⁾

I can't bless you and help you as much as I would like if you're running around and

doing things in the arm of the flesh, outside of My protection and blessing. You have to spend time with Me. You have to be in constant communication with Me and let My Spirit empower and anoint you. ⁽²¹⁾

The Weapon of Prayer

(Dad wrote:) The Lord and prayer are your best protection and your greatest security! With Jesus you're ready for anything! ⁽²²⁾

(Jesus speaking:) Using the weapon of prayer and pleading for My protection and security in all that you do is a must. You need to strengthen the force field of My protection around you by wielding the weapon of prayer, by remaining alert, and by watching and praying so that you are not caught off guard. You need to be more aware of the Enemy's devices and the ways he will seek to enter and cause damage. You must not take My protection and security for granted. You must plead for it and then remain on guard at all times, just as Nehemiah's men remained alert and armed while building the wall (Neh.4).

Through your vigilant and full-of-faith prayers, I can protect you. Without that vigilance and the belief in prayer made manifest, I and your spirit helpers are limited, and an unguarded moment can be costly. As the world is growing darker, so your vigilance and diligence in prayer need to grow greater, so that I can have full power to protect and keep you. ⁽²³⁾

The Enemy belittles prayer and tries to cause you to doubt the power and effect of prayer, but I say that it's very powerful and one of your strongest spiritual weapons. Never let down your guard and consider that it doesn't matter if you pray or not, because it matters very much. When you pray, things happen, whether you see them with your eyes or not. So always keep this spiritual weapon ready, always use it and wield it, because it's your greatest protection against the attacks of the Enemy and your greatest key to victory and the blessings of My Spirit. ⁽²⁴⁾

I see a great and powerful force field of protection. I see a tremendous band of angels standing vigil, awaiting their orders. I see the most advanced spiritual weaponry fitted and prepared. And now I await your prayers. Each of the tools, the gifts, the provisions which I have for you is released at the touch of your prayers.

The prayers of My children generate My power. They are not only as beautiful incense rising up to Me that pleases Me well, but they are also powerful! Each word that is spoken creates energy and strengthens the force field of good that surrounds My saints. The force field of protection is strengthened by each word, each breath in prayer. Prayer moves My hand and My heart to do the things that you ask. ⁽²⁵⁾

One of the greatest fruits of prayer besides bringing great results and answers is the effect and fruit it has in your own life and spirit. It keeps you close to Me, keeps you desperate, keeps you in My Spirit, and protects you from other spirits--the spirits of the world, whether they be materialism or lethargy or selfishness or whatever. Prayer is one of the greatest protections you can have. It keeps your heart and spirit clean.

I work through your prayers, both the unspoken prayers of your heart and your spoken prayers. But when you utter your prayer to Me, putting it into your own words, this is an even greater manifestation of your faith in My power. It gives Me all the glory and acknowledges that I am your Lord and God, the One Who performs miracles, the One Who supplies, protects, leads and guides you.

When a situation is very desperate--whether concerning sickness, some natural disaster, persecution or fierce spiritual battles--I wish you to challenge Me, as a Husband, to care for My Bride. Get worked up about it, if you really want Me to do something. Challenge Me to show Myself strong on your behalf. Do not the tears of a wife inspire the protective instinct in her husband? So you will inspire the protective instinct in Me, not only to come through on your behalf, not only to work miracles, but to do much more than you asked, that you might be reassured of My love and My power and My vast resources which are at your disposal. ⁽²⁶⁾

The Weapon of the Keys

Do what you can to keep your security by summoning the keys. There exists no greater defense, no greater power, and no greater security than that which is found in the force field of the keys' protection. ⁽²⁷⁾

Being humble, yielded, prayerful and vigilant in spirit is a must, and being a faithful wielder of the keys is the most important prerequisite to your full protection, security, and success! ⁽²⁸⁾

The power of the keys is a spiritual weapon that I have made available to My children who live in the physical world. Without their power a lot more “bad” things would happen, but because you pray and specifically claim their power you have much greater protection and help from the spirit. ⁽²⁹⁾

Do you think I would leave you without the protection and provision that you need to do the job? That protection and provision are in the keys I have given; access the codes and you will have it. ⁽³⁰⁾

Raise your shield of protection through summoning the keys. Call on the keys to warn you of the attacks of Satan. They will be your armor and your buckler when you need to sidestep or block a blow of the Enemy. ⁽³¹⁾

The key craft is on call for you, My loves, whenever you have need. It goes before you, to warn you of danger ahead, to guide you and protect you from your enemies. Likewise, when you call, it hovers over you at all times, to protect and keep you in every way. It is there to provide your needs. It will infuse you with strength, rejuvenate and regenerate you when you feel at a low ebb. It is there to help you withstand the attacks of the Enemy--be it attacks on your mind, heart, or spirit, or outside attacks through persecution, accidents, harm or danger of any kind. It is not that the Enemy will stop attacking, but through the presence of the key craft you have yet another shield and weapon at your disposal to strengthen and fortify you in the spiritual warfare.

All power of Heaven is at your command! The keys go before you. The keys will guard and protect. As you wield the keys, they have the power to withstand all evil, enabling you to read, absorb, and apply My Words, so that you can live in My Words and do what I ask you to do.

The keys are with you, and the keys make all things possible to you. You are safe within their walls, protected by the greatest power in existence. The keys of the Kingdom are yours; there is nothing they will not do for you. ⁽³²⁾

You are ready. My army is marching to the battlefield to win! Win through the power of the keys and the courage of the spirit. You are destined to overcome by the blood of the Lamb and the word of your testimony. Expect to see the rewards I have for you. Expect to see miracles of deliverance and protection and witness, for the day of overcoming is here. ⁽³³⁾

Specific Keys to Claim for Protection

The Enemy and his forces are afraid of you when you wield the keys of praise, protection, and security. They know that their weapons are puny in comparison to My mighty weapons and that they will be squashed like ants under the thumbs of My warrior angels of defense who will come to your aid. ⁽³⁴⁾

I am your Strong Tower, your Protector, and your Husband. Through the keys of vigilance I will keep you, My brides, through the intrusions of the Enemy, either those of this world or of the netherworld, and I will deliver you. ⁽³⁵⁾

The keys of protection stand ready to signal you of the attacks of the Enemy. I will show you what action to take to ambush him, to out-strategize him, and to go on to victory. ⁽³⁶⁾

The keys of protection are strong and will wreak destruction upon the Enemy. The Enemy will eventually be wiped out. It may take more than one detonation of key power, but his doom will come and it will be as devastating and complete as an atomic bomb. ⁽³⁷⁾

The keys of containment work by setting up boundaries in any situation, whether it's for your security and safety, a defense against attacks of the Enemy, against sickness and natural disasters, any situation that needs control beyond your human means. The keys of containment prevent the Enemy from proceeding further than My highest will when you call upon them. They work by standing guard, by surrounding you like an army of warriors, to protect and keep back attacks of the Enemy, or to keep things from going any further. For example, you can claim the keys of containment against bad media coverage and negative publicity. You can control situations and keep events from escalating to your harm through the keys of containment. ⁽³⁸⁾

The keys of deliverance and protection: In the days to come, you will find the need to call upon Heaven and the keys for deliverance and protection. These keys will not only be used for your personal safety, such as release from captivity or protection from dangerous situations. They will also be used to deliver you and others from the influences of the Evil One, or the spiritual strangleholds that will bind many in the Last Days. These keys contain a spiritual sword to cut the bonds of Satan, to set captives free. ⁽³⁹⁾

When you use your demon-defeating weapons of the keys of praise, they will create a force field of protection around you and protect your thoughts. ⁽⁴⁰⁾

I have created the bubble keys. These keys surround you with peace, grace, and the strength of My Spirit. They encase you in a tough capsule of spiritual protection. They strengthen you when you need to be in a situation where you are surrounded by those who don't share in your faith and your spiritual life, or even who oppose it.

The bubble keys also protect you from the Enemy's attacks of discouragement or weariness. They not only shield you from outside forces, but they also contain both a cleansing and a nourishing agent--keeping your spirit clean, and nourishing it with spiritual sustenance. My Spirit and My love is always within you as well as around you. Picturing--and especially claiming--these bubble keys will help you to remember how I care for you and how I strengthen you and sustain you. ⁽⁴¹⁾

When you use the keys of imprisonment, you lock the doors around yourself or around others, so that demons cannot enter to harass you and hinder your work. In a manner of speaking, you imprison yourself in a force field which is impenetrable to the attacks of these evil ones, or erect an invisible wall in front of them when they would come toward you. It is much like you act out in your box skits, where the unwary person bumps into an invisible wall when he goes the wrong way. Thus it is with unwary demons who would come your way when you are protected by these keys--they run smack into an invisible wall, or a very visible fireball, if need be! ⁽⁴²⁾

The Enemy may try to attack, but he cannot override My plan nor breach the impenetrable aura of protection and security I give you when you pray and claim the keys in desperation, humility, and obedience. ⁽⁴³⁾

The master keys of praise unlock the doors of power, plenty, fruitfulness, protection, health, happiness, and pleasing Me. Use them when you pray to unlock your need even more speedily. ⁽⁴⁴⁾

The Weapon of Spirit Helpers

I have sent My spirits and spirit helpers forth to you, the children of David, that you might avail yourselves of them. They long to help you. They long to speak to you, to guide you. They long to become more real than ever. They long to be close to you.

These spirits that I have sent forth are not ordinary spirits; they are mighty warriors of the spirit! They bear with them all the armor of the Heavenlies. In their hands are the mightiest weapons that have ever been known to the Heavenly realm. They carry these weapons not in vain, but for your defense. They carry the sword not as a mere symbol, but as a means of protection and defense for you, My children.

New weapons do they also carry--weapons that are unimaginable to you, for their like has never been seen on Earth, not even in science fiction. Not even in man's wildest dreams have these powers been imagined.

Some have hinted at the rudimentary weapons of My spirit world--the swords, the blast streams from the eyes or hands--but these are just the basics. These are standard weaponry of the spirit, but the angels that I've assigned to you bear with them new weapons of the power of My Spirit, new armaments, fresh from My inventive centers of Heaven. Never before in the history of Earth or of Heaven have these weapons been used.

The reason they've been pulled out now, and My warriors have been armed with them, is in part due to your yieldedness. It is also due to the darkening of the forces of the spirit world. The Devil has upped his weaponry and he is also pulling out armaments that have never been seen or heard of on this Earth before. Greater darkness does he possess, just as we of the courts of Heaven possess greater light. But fear not, for though his forces bear heavier arms than before, so do My angels and My protectors! They are even stronger than ever and are well prepared to meet his onslaughts. They are well versed in the use of these weapons, and the Devil will be no match for them. My forces are in control; they have the power of My Spirit with them. They bear on their arms the bands of conquest. ⁽⁴⁵⁾

(Audrey Hepburn speaking:) Just as there are many beautiful and powerful angels of light and love and protection, so are there many dark, evil, wicked demons who try to destroy and devour! These are demons of fear and of hate and of guilt and of jealousy and of pride and of deception. There is a fierce battle around you: Good fighting evil, God's angels of love and mercy trying to protect you and speak to you and lead you in the right way, and the Devil's demons of hate and greed trying to speak to you and lead you in the wrong way! ⁽⁴⁶⁾

(Jesus speaking:) In your times of battles, I will send forth My angels of mercy to care for you. You will never be alone or forsaken, for I will send forth many to stand by your side, to comfort you, to protect you, and to uphold your drooping spirit. ⁽⁴⁷⁾

(Dad wrote:) "The Angel of the Lord encampeth round about them that fear Him, and delivereth them!"--Psa.34:7. Or else we would have been destroyed by our anti-Christ enemies long ago! So thank God for the great company of Angels He's given us! Hallelujah! Thank You Jesus! (Tongues:) "You lie protected by My Angels, and I have kept you through all these many years!" Hallelujah! ⁽⁴⁸⁾

(Jesus speaking:) I have encamped round about you an enormous armor guard of angels that have protected you from the attacks of the Enemy in the form of persecution. I have kept at bay your enemies and those who seek your downfall, those who hate you and long to destroy you. Those who live to destroy you have been powerless and helpless because I have tied their hands. ⁽⁴⁹⁾

(Spirit helper speaking:) You don't always have to know what we're doing--just believe that we are by your side and are helping you. It's like a story that's been told about a daddy and son who were driving. They prayed before leaving home, and they still got in an accident, but only had a few bumps here and there. But the son said, "Daddy, why did we pray? It didn't help any!" And his dad said, "Well, son, if we hadn't prayed, we would probably be dead by now!"

It is the same thing with you. You don't have to know all that we are doing, but believe this, that many things that could happen, won't happen to you, for we will protect and guide and help you. ⁽⁵⁰⁾

(Jesus speaking:) There are more that are with you than those that are against you. Though the Enemy has let loose his hordes, I have opened the floodgates of My host, and they surround you now. Their power to protect you has been increased because of your humility and desperation in seeking Me. I have strengthened the bars of your gates both physically and spiritually, and I have put fear into the heart of the Enemy. So as long as you keep up your spiritual guard and keep praising Me as Moses did in the battle against Amalek (Exodus 17), you shall prevail, and nothing shall by any means harm you. ⁽⁵¹⁾

My missionaries are at the top of the list and receive continual instruction and guidance from Heaven. They are assigned spirit helpers and protectors to keep them in each of their locations around the world.

Much goes into the care and protection of My missionary children around the world. They are My hands and feet to reach the lost, so I tend to them very lovingly. They cannot see it all and don't even know it's happening, but they are continually watched over. Their ministry is taken very seriously by My helpers. They can expect the best of My care. They can call unto Me for all their needs and I will provide. As they preach the Gospel and bring My love to the lost, they can anticipate an abundance of My blessings in their lives. All they have to do is expect and receive and I will supply. ⁽⁵²⁾

Your guardian angels have a certain degree of power to aid and protect you, but they too are dramatically limited in their abilities by you, your sensitivity in the spirit to their help and guidance, and whether or not you build a connection with them. They have the power in extreme situations to step in, regardless of whether or not you're seeking their help or are even aware of their presence, but their full power to aid, guide, protect, and even do miracles for you is largely dependent on how much you acknowledge them, call on them, seek their assistance, and call out to Me to empower them.

Each guardian angel has the power to help you tremendously, but how much of that potential power is released depends on you. You have seen or heard of situations where someone who is oblivious to the presence of their guardian angel is supernaturally protected by them at My command, but compared to what these same angels could be doing for that person, were they allowed to utilize even a small part of their potential, it is almost insignificant by comparison. ⁽⁵³⁾

(Dad wrote:) The Devil or his Demons couldn't lay a finger on you or touch a hair of your head unless you let'm for some reason, unless you let'm in! I mean it! With all God's protection and His holy Angels, hosts of Angels camped around us and a great cloud of witnesses as well, good spirits and everything else praying for us and watching us and helping us and everything, how could the Devil possibly touch us unless we let him?--Or unless the Lord allows it as a testing and a trial to see just how much we want something and how determined we are, how much faith we have and how much knowledge of the Word we have, how much we stand on the Word! ⁽⁵⁴⁾

(Dad wrote:) So thank You for Your Angels, Lord, that You've given charge over us, to keep us in all of our ways, to compass our camp 'round about, Lord, to keep the

Enemy from touching us. Thank You, Lord, for all Thy children who do Thy Will and stay in the charmed circle of Thy protection, in Thy Will, in Thy Work, so that the Devil can't touch them with his dirty deeds and dangers and all the rest! Thank You, Lord for how marvellously You've kept and protected us, for Thy protecting Angels! ⁽⁵⁵⁾

The Weapon of Praise

(Jesus speaking:) When you praise Me it shows Me you love Me. When praise comes from the heart, it expresses your love. Praise is also a weapon, like prayer, prophecy, and the keys. Praise is very powerful. It can protect you from attacks of the Enemy, or if you're already being attacked, release you from his clutches. ⁽⁵⁶⁾

Your whole being is surrounded by a protective force when you use your weapon of praise. Anything the Enemy tries to throw at you will have no effect when you are in the protective bubble of praise. Even if madness and difficulty are all around you, you can keep a smile on your face--because within this bubble, everything is beautiful! ⁽⁵⁷⁾

Praise is a weapon that defeats the Enemy in any battle. And the wonderful thing about the gift of praise, the weapon of praise, is that it's also a spiritual protection for you. It's not only an offensive weapon, but it also ministers to your spirit while you're defeating your Adversary. It shields you from his blows. It comforts and warms and clothes you. It nourishes your spirit and gives you strength, even while you're fighting away in hand-to-hand combat. ⁽⁵⁸⁾

(Natalia speaking:) Through your praise, you raise shields of protection around you that guard you from the Enemy's attacks. ⁽⁵⁹⁾

(Jesus speaking:) Praise is like the toughest varnish a carpenter puts on the wood. It protects the wood from scratches, spills, and termites. Using praise is the way to glaze your spirit so that no matter what the Enemy throws at you, you can't be marred. ⁽⁶⁰⁾

(Natalia speaking:) Through your praise you bring down the blessings of God, the protection of God, the power of the Almighty, that the world may know that He sent you and that you are ordained of Him. ⁽⁶¹⁾

When you praise, you are receiving the sap of My Spirit into the roots of your being. Then the Enemy can't undermine your spiritual strength. He attacks, hoping to cut you off from Me, but your spiritual strength is protected through praise. ⁽⁶²⁾

(Jesus speaking:) To protect your valuables from a potential robber, you devise a hiding place in your home where the robber isn't likely to look. Praise hides your valuables from the Enemy. Whether your life, your loved ones, your spiritual walk, your work for Me, your physical or spiritual assets, all of those can be hidden through praise. Even if the Enemy sees where some of your assets are hidden when your guard is down, you can quickly protect them by raising the spiritual barrier of praise. ⁽⁶³⁾

When you praise Me, your spirit is surrounded with supernatural power. You don't understand much about the realm of the spirit, and how locations and time and space all have different rules in the spiritual realm. But if you can receive it, praise dwells in the highest parts of Heaven, and when you praise, your spirit is surrounded by those attributes of Heaven-spiritual power, happiness, peace, and protection against the attacks of the Enemy.

When you murmur, doubt, entertain negativity, and especially when you voice those things, you are providing actual pathways for the Enemy to enter your "atmosphere." So while praise is a protection against the Enemy-and not only protects your spirit, but actually provides a degree of protection for the physical space around you too-those negative attitudes and words actually provide what could be compared to a superhighway for the Enemy to get in. ⁽⁶⁴⁾

Praise aids your spirit helpers in the battle for your life and spirit. Your praises strengthen My power within them. Praise enhances their power over you so that they can do their job of protecting you and strengthening you more easily. ⁽⁶⁵⁾

Praise connects you to Me in the spirit. It summons My attention, and solidifies our connection. It brings you into My presence in the spirit. It puts your spirit in close proximity to Mine--fully under My protection and blessing and anointing, where you can feel My love and more easily see things as I see them. It's a law of the spirit. It always works. ⁽⁶⁶⁾

The weapon of praise is created for combat, so make it your most used weapon at this time. Praise Me, praise Me, praise Me! Don't ever stop praising Me. Praise must be employed consistently while you're on the battlefield. It's both your protection and your weapon. It will keep you focused on the victory, and will shield you from succumbing to the Enemy's propaganda of defeat. ⁽⁶⁷⁾

Praise calls down help from Heaven and surrounds you with angels and heavenly forces!--Just as I surrounded My children of old when they went to battle. They were armed with songs and praises as their only weapon against their enemies, and I went before them with My armies and slew all their enemies (2Chr. 20). Your praises can slay all your enemies and do battle for you and get the victory.

Your praises surround you with a force field both spiritually and physically. It transports your mind into heavenly places. It can protect you from pain, eliminate fear, and defeat the Enemy. ⁽⁶⁸⁾

ON THE LORD'S

PROPHECY VITAMINS

**SUPERNATURAL
PROTECTION**

Prophecy Vitamins on The Lord's Supernatural Protection

Book 8, Compilation #06 of TCOB pubs on the subject, by theaudiokey.com team - May 2020

(All prophecies are Jesus speaking unless otherwise indicated.)

1. I am the Lord your God, your protector and your strong arm.
2. There is no protection as dependable as Mine.
3. I am your mighty King and Protector, your Lover, your Husband, your Lord. I will continue to guard you as the apple of My eye.
4. I will always care for My Own.
5. I am your eternal shelter, your guaranteed protection, and all that you will need today, tomorrow, and forever.
6. Fear not, My loves, for you are Mine and I will keep you and anoint you forever.
7. Prayers guard and protect and hide away in safekeeping.
8. I love you, My children, and promise to protect and provide, as long as you do your best to stay close to Me and follow My leadings.
9. I would never hurt you, never fail you, never let you down. I long to protect you, provide for you, and fulfill your every desire.
10. I love to keep you and protect you, for you are My children, and I care for you as a loving Father, as a loving Husband, as your Lover.
11. Fear not, for I am with you, and I will protect you and I will keep you and I will overshadow you with My protection and My love.
12. Of course, you have My protection and care continually, just as all My children are protected and sheltered by My loving hand.

13. There is so much that it would take Me forever to tell you of all the miracles I am doing for you behind the scenes to protect and keep you. You really don't have to fear or worry about anything.
14. I will always care for you. You will never be without My protection, My strength, My anointing, and My love. I will always be beside you to uphold you and help you.
15. Have I ever failed to keep, protect, and care for you? No. I never fail to care for My Own.
16. I will keep you safely in the hollow of My hand and give you supernatural protection.
17. Fear not, neither be afraid, for I shall be with you and I shall protect you. As a husband is jealous over his wife and seeks to protect her, so shall I protect you.
18. I will fulfill My Word to you, My children, and will keep you and protect you in the days to come.
19. My promise is that I will always be with you to keep you, protect you, guard you, strengthen you, speak to you, and heal you--now, tomorrow, and forever.
20. I want to protect you from every evil attack of the Enemy.
21. Abide under the shadow of My wings. Stay very close to Me and by My side, and I shall empower and I shall protect, and I will keep you from the snares of the Evil One.
22. I will keep you, My love. Know that I will hold you and I will wrap My arms around you. I will kiss you and caress you, and I will be your strong Tower and your Protector, for I will be your strength.
23. You know of My great love for you, and that I, your Lord and Protector, have promised great power to keep you from the attacks of the Evil One and his minions.

24. I am your Husband; it is My duty to protect you, to encircle you with My arms of protection, security, and care. If I did not care for you, then I would be worse than an infidel. But I am no infidel; I will protect you. I will cause great victory to be brought forth.
25. (Natalia speaking:) All the Heavens sing and rejoice and shout praises unto our King Jesus, for He stretches out His mighty hand to protect, to supply, to save and to rescue, to fight on your behalf, to win the final victory!
26. (Jesus speaking:) Every moment of the day and night I take you in My arms and I shield you with My love and protection. Nothing shall ever separate us, nothing shall ever divide us or cut this love that is between us.
27. Stay close to Me, for the End draws near. I will be with you. I will watch over you. I will comfort and guard you in all you do, for that is My pleasure, to watch over and protect the Bride that I love so dearly.
28. The Lord of Hosts, He it is that doth go with you; He will fight for you and stand strong on your behalf. The Name of the Lord is a strong tower; the righteous runneth into it, and are safe.
Fear not, My flocks, for your Shepherd is mighty to save, to deliver, and to protect His sheep.
29. I am your Commander in Chief, but I am also your ever-protective Husband Who watches over you as His most beloved brides, Who will let no evil befall you and will keep you unto the end.
30. I am your Invisible Man, working behind the scenes, taking care of the details, cleansing, protecting, healing, and working everything out just perfectly, beautifully, smoothly, and for My glory.
31. Do you not know that I will care for My Own? For these are My sheep, they are My children, they are the creations of My hand, they are the doers of My will! Do you think that I will not care for them, that I will not protect them, that I will not cup My hands about them?

32. Do not fear those who rise up against you or against Me. Know that I am strong to defeat them all. I am strong to keep you in My peace and protection and power through it all.
33. I am your Strong Tower, your Protector, and your Husband. Through the keys of vigilance I will keep you, My brides, through the intrusions of the Enemy, either those of this world or of the netherworld, and I will deliver you.
34. As you obey, accept, and yield to Me, I will protect you.
35. Trust that I will care for you. Strengthen your faith by drawing closer to Me. Dive deeply into My Words so that your resolve can be steadfast and sure, and so that your faith remains unwavering and fearless.
36. Serve Me and I will take care of you. Reach out to My children, and I will protect you!
37. I promise to keep, protect and provide for you now and for all time and forever, world without end. Amen.
38. I love you, My children, and I will protect you and keep you in all your ways. I will keep your Home, for it is My Home. Nothing will touch you unless I allow it for a good reason. I am in control. Trust Me and believe, and put your life in My hands.
39. Remember that the omnipotent God of the universe loves and cares for each of His Own, and that I, the God Who sees every sparrow that falls to the ground, am watching over you and stand ready to protect you.
40. I love you and will care for you tenderly, as a mother does her newborn child, in the days to come. My hands are under you to uphold you, and My angels are ever near to bear you up lest you should dash your foot upon a rock. I will protect and provide and care for My Own, for I love you with an everlasting love.
41. I will protect your going out and your coming in. And even though perils and dangers come upon the land, even wars and rumors of war and revolutions and great changes, yet I will be with you.

42. I show you My love by giving you angels to watch over you, who protect and keep you and your loved ones from harm.
43. No child of Mine can ever call themselves "alone." Even when others around you fail, I never fail. I am with you to love you, protect you, and guard you, to whisper in your ear and tell you the way to go. All you have to do is listen.
44. Fear not and be not dismayed! Satan has tried to hinder you, to discourage you, to bring about defeat. But I am your protector, and I have hedged you about with great ones that care for you, that protect you, that guard you.
45. (Natalia:) Raise your hands in praise, dear loves! Glorify your King and Lover! Let your praises ring out as a testimony to His care and protection and ultimate love in giving you the Words of life!
46. (Dad speaking:) Of course, you can be assured of the Lord's protection--He's promised that, and you can count on that promise. So you don't need to worry about it.
47. (Jesus speaking:) Your adversary the Devil, as a roaring lion, walks about seeking whom he may devour! When he latches hold upon one, he rips them and gnashes them and tosses them about! But I am the Good Shepherd and I protect My sheep. I will protect all that call out to Me in truth and in humility, for I would that none would be devoured!
When the Enemy comes in, the Spirit of the Lord will lift up a standard against him. So will I lift a standard and so will I defeat him.
48. I can provide peace in the midst of any storm, shelter from the raging of the elements, and protection from the judgments that will inevitably come upon those who harden their hearts and refuse to hear My voice and My Words, even while sometimes exclaiming, "Lord, Lord!" Come unto Me, My dear ones, and there find refuge and peace and safety, though thousands fall at your side and tens of thousands at your right hand.
49. I need you, and will protect you and watch over you, but I can only offer you My full protection when you're under the shadow of My wings in obedience and humility.

50.(Natalia speaking:)

Give Him praise and honor for His might and power that surrounds you, protects you, and guards you from all harm.

Thank Him and praise Him for always being there for you. Praise Him for His angels that never sleep, for His ministering spirits that guard and protect and keep watch over you.

Thank Him, adore Him, and praise Him for His protection.

51. (Jesus speaking:) I am your Husband, your Protector, your Keeper, and your Boss.

I care for each of you as a husband cares for his wife. I care for you even more than that, for My love never fails and My wisdom never ceases.

I am strong. I protect and I provide for you, and My help is not limited by physical resources, time or space.

As you unite to seek My will and not your own, I will provide, protect, guide, and do the miracles along the path that I will show you!

52. As the days grow darker, there is more and more evil that the Enemy desires to unleash upon the world, but My children will be able to walk safely through a dangerous land under the shadow of My protection.

53. (Dad speaking:) The Lord protects you from a lot, from so many bad things that you don't even know He's protecting you from, because you prayed. He overshadows you and shields you with His force field of protection, His angels and Heavenly helpers, because you faithfully prayed and asked for His help.

54. (Jesus speaking:) When I promise you My protection, you have nothing to fear. You'll be protected from anything and everything. Nobody in the world has as much assurance of protection and safekeeping as you have when you put your life into My hands. I'm strong enough to ward off any thugs, big enough to protect you from any bullies, and powerful enough to keep you through any catastrophe!

55. The fact of the matter is, if you could always see things like I see them, you'd never worry. You would never even have cause for concern. You would only joy in My perfect plan. You would rejoice at each new step that I bring into your path. You would rest securely in My care and foresight and protection. The way to keep

that attitude of faith and realism--seeing things the way they truly are in the spirit--is to keep rising above.

56. I give you the breastplate of My strength that will endow you with might and protect you, keeping your heart and the seat of your spirit by My power. I give you the shield of faith and of My Word, which has grown strong, and will grow yet stronger within you as you seek it and cling to it with greater desperation.
57. When you're praising, your spiritual and physical bubble of protection is fortified; you're under the shelter of My wings, and can have perfect peace and freedom, knowing that you're doing your part and I'm in control.
58. You are My precious little flower and I will care for you, guard you from harm, and be your Protector. Stay close to Me, your Coach, and all will be well and you will come through victorious! You have My Word, and what more assurance could you ask for than that? I love you!
59. Be wise and prayerful; acknowledge Me and acknowledge the keys in every way, so that I can keep you protected. Your constant protection is to stay so close to Me, in tune and in sync with Me, My Word, your spirit helpers, and the keys, so that I can see to it that there is not a moment concerning you that goes unguarded. Live in My Words moment by moment. Let the Word burn in your hearts, for this is the light that will carry you through to triumph.
60. (Dad speaking:) As long as you stay close to the Lord and in tune with Him, you are protected and sheltered under the shadow of His wings! But you have to stay close! You have to stay obedient! You have to stay yielded!
61. (Jesus speaking:) As you keep My Words and fulfill My Words, so shall I keep you from the hour of tribulation, so shall I keep you from the ire of the System, so shall I protect you. I will protect you and I will keep you and I shall not suffer the righteous to be moved. For in Me is a strong tower that the righteous run into and are safe.
62. Expecting miracles is when the notion that I may not answer doesn't even cross your mind. It's when you can't fathom the idea of Me not supplying or protecting or answering you.

It's the same trust that a toddler has when leaping off the side of a pool into his parents' arms. It doesn't even occur to him that he could fall into the water and drown. So great is his faith that he will end up in strong, caring arms, that he acts--without thinking, without taking into account the probabilities and the risks. The parent rewards that faith by catching him.

63. When you're faced with tough decisions, I will be your guide. When you find yourself in difficult and uncertain surroundings, I will be your light. When you're presented with overwhelming odds, I will help you rise above. When the Enemy's forces rage about you, I will be to you a fortress of protection. When you feel the ground tremble beneath your feet, I will be your confidence.
64. I have given you all that you need for the days ahead, and for the days that are upon you, so fear not. You have no reason to fear, for you are in My hands and I will protect you. As long as you're faithful to use the weapons that I have given you and to not make a move without My leading, I will keep you safe under the shadow of My wings.
65. Know that My grace will always be sufficient. My arms will ever be around you and close to you, to uphold you when you're weak, to lift you up when you fall. My care and protection will ever be around you, and the pain and affliction will never be greater than you can bear.
66. A prudent man foreseeth the evil and prepareth himself. He hideth himself in the secret place of the Most High. Your spiritual preparation and acknowledging Me is what will keep you. The temptation is to lean to your own understanding, to lean on the arm of the flesh, but this is not what will save you. It is your spiritual preparation which will build your faith and keep you, knowing that I will protect you. I will supply your needs, for you are My children.
Your faith in Me and your time with Me are the greatest preparations and the ones you must place the most importance on.
67. In order to stand fast in Me, you must have faith. You must stand on the Rock--Me--and hold your head high, braving the winds and the storm all around you, knowing that I can give peace in the midst of the storm, that I am a strong tower and refuge no matter what is going on around you.

68. You can't neglect your time with Me, hearing from Me, resting in My arms and being fed, because it's your protection, your strength, your joy, your nourishment, your daily bread, your salvation, and it's a matter of life and death.
69. Just as every prayer is heard, every step you take for Me is counted, every bit of love is rewarded, and every bride of Mine has My protection and is gifted with the power of the keys.
70. I love you so much and I prove My love to you in many ways. I shower you with My blessings and gifts of the Spirit through faith, through healing, through My supply, through love in your life, through protection, through encouragement.
71. (Dad speaking:) Oh, if you could see it from up Here! If you could just grasp how magnificent it is and how in control the Lord is. Nothing happens without His permission! They can't do anything to hurt His children! He's in perfect control, protecting, guarding and surrounding His children.
72. (Dad speaking:) When you meet the challenges, as you cross the battlefields and brave the storms of life, you can either try to endure them on your own or you can let the tumult cause you to experience His care and protection and deliverance--and resultant newness.
73. (Jesus speaking:) I love you and care for you, and if you fear that you will not be able to withstand torture, then rest in My promise that I will either not allow you to be in those circumstances, or I will be with you in those circumstances and will protect and shield you and will not allow you to fail.
74. I'm your dependable God, your unfailing Husband, and I assure you that as you give your all to Me in full-time service, claiming the keys of faith to believe My promises, you are guaranteed My full care and protection and provision for as long as you live.

THE GREAT CONFUSION

PROPHECIES TO THE CHILDREN OF DAVID

Compiled by John Sharp - 2020

The Great Confusion

Book 8, Compilation #07 of TCOB pubs on the subject, by theaudiokey.com team - July 2020

(All prophecies are Jesus speaking unless otherwise indicated. Dad's writings in the Letters are prefixed by "Dad wrote:"
Prophecies received from Dad from heaven are prefixed by "Dad speaking:")

The Great Confusion is the emergency the Antichrist needs to have his regime put into power. ⁽¹⁾

(Dad wrote:) God has been so good to us to tell us in his Word and even fill in some of the gaps in present prophecy to show us exactly what's going to happen so we won't be worried about it, or frightened, surprised or shocked when it happens. He said in one of the great prophecies which we received through my Mother, the Warning Prophecy, that there's going to be a mighty widening of the eyes of those who discern not the signs of the times! There's going to be an awful lot of people absolutely stunned, shocked, astonished, eyes wide with amazement and fear when it happens!--The Great Confusion!--Obviously that greatest of all confusions. ⁽²⁾

(Dad wrote:) In the spring of 1965, my mother received the now famous "warning prophecy" of the great confusion and its author which were to arise out of Egypt:

"Turn your eyes toward Memphis for out of it shall come the Great Confusion! The Author of Confusion is even now marshalling his forces for this Great Confusion. He is gathering his forces from a great nation and Eastern nations, friends that will join with him. So sudden will be the Great Confusion that it will cause a mighty widening of the eyes of those who have not discerned the sign of the times. But be ye not deceived. Be prepared! And be not deceived by the Great Society, for it will come to travail and then bring forth the Great Confusion. Be prepared! Even now the skies are red, red with warning and black, black with clouds gathering for the Great Confusion which is almost upon you!" ⁽³⁾

The "Warning Prophecy" is as valid now as when it was given via Grandmother, and it's an even more intense warning now, for these things will shortly come to pass. Although many years have passed, this prophecy is still the cornerstone of what lies ahead from your perspective. ⁽⁴⁾

Learn a truth, My children, that you be not overtaken as if by a thief in the night. For I say to you that the Antichrist has come and does reign even now! And though the

revelation of the man incarnate will be revealed in My time, know that the spirit of Antichrist reigns even now, and is flooding the Earth as the waters cover the seas.

My children, open your eyes and discern the signs of the times--that the skies are red, red with warning, and black, black with clouds, and, lo, the great confusion is even upon the inhabitants of Earth! Are the masses not confused and torn and tattered and blown about? Are not men's minds scrambled and cluttered with complexities and confusion? Do not the waves of the seas roar with the crashing sounds of thunder? Has not the love of many waxed cold, and is not the Earth filled with evil men and seducers waxing worse and worse on every side? Yea, for I say, the Great Confusion is upon the peoples of the Earth. It has begun and continues to gain momentum day by day. Confusion, murkiness, distortions and atrocities are on every side. Polluted waters on troubled seas do cover the Earth.

Satan is loosed and brings with him great confusion! He walks about as a roaring lion, and as a wolf in sheep's clothing, seeking to devour and destroy those in his path--those who are weak, those who would fall for his chicanery, those who choose to yield to the pride of life. He seeks to disrupt and destroy, for in destruction lies his power. He lures and persuades with subtleties and seeming pleasures--delightful to the eye, appealing to the taste, soothing to the ears of those who would prefer to live in strong delusion. He uses the deceitfulness of science falsely so-called, and the wizardry of modern technology to control the masses. He invents and schemes with his false images transmitted throughout the Earth. He tries hard to gain ground and offers these delights to those who would serve him. ⁽⁵⁾

(Dad speaking:) The Endtime is here, bringing with it all the many details we've talked about for years--things that the Lord predicted in His Word thousands of years ago, for that matter--the rise of the Antichrist, the Crash, the wars, with nation rising against nation, and the Covenant and the Temple. I taught you about these things in class after class and Letter after Letter, and now we've reached that time, the period that Grandmother called the Great Confusion. Of course, when I was there on Earth I thought this time was going to hit sooner. But since coming here, I've seen how many factors were involved and connected, and how certain events were held up, which held up others.

Now don't go running off proclaiming the great Tribulation is beginning tomorrow, or the last Seven Years. That's not what the Lord said, nor what I'm saying. We're talking about the Great Confusion. Like I told you years ago, the U.S. has slowly been sinking for a long time. Its economy has made little comebacks, but after each rise they sink further than they come back to, and it's about to take a dive like you've never seen before. It's

going to pull down a lot more than just itself and a few neighbors.

We're about to see some very significant personages come on the scene and definite movements as the End comes closer. It's not that it hasn't been moving, but it's like watching a car coming toward you. From a distance, it looks like the car isn't even moving. Then, once it reaches a certain point, you're able to see the movement. The closer it gets, the more aware of its speed you become. We've been watching this one coming for a long time, and some people have gotten bored and walked away, deciding it wasn't really moving after all. But we're at the point where the movement is going to be seen more clearly, and it won't be long till you see it racing right at you at great speed! ⁽⁶⁾

All these events--financial crashes, emergencies, plagues, wars, the winds of the air, the rains from the heavens, the warm current of the sea--are pointing one way, for these are the signs of the times, the signs of the End!

Have I not spoken and have I not been preparing you, lo, these many years for this day? For the End must needs come! Therefore, watch and pray and lend a listening ear, for this is the day that all the prophets have dreamed of! Watch and pray, My children, and make ready, for a day of harvest is come!

Him that will discern, let him discern. The sands of time are falling; the hourglass is running. The stage is set. The curtain is soon to go up as the next scene is about to begin, and the Wicked One is about to be revealed! His stagehands are setting the props in place. They're adjusting the lights and setting the stage, as the Wicked One prepares backstage. He's in the dressing room, and the final touches are being made on his make-up. He's putting on his cloak for his premiere performance, soon to begin on stage.

He's testing his marionettes and making them ready--testing their strings, adjusting their wires, lubricating their joints and limbs so that they will move with ease and in harmony and synchronization for the final dance.

Some of the marionettes have been in the hands of the puppeteer for a long time, and are more tried and proven. All their parts move freely about in response to the touch of the puppeteer's own hand. Then the puppeteer is lining up those who have been added to his collection more recently. He's moving them about, manipulating them up and down, back and forth and all around, testing them. He's pulling on the strings, attaching them firmly to his hand piece so that they will move in sync with the other marionettes. He's testing the strings--their tension and play--in order to break them in, so that they can follow suit and fall in line, joining in the dance with all the other marionettes.

Satan laughs and smirks with glee as he maneuvers his marionettes as pawns in his hands! He leads them in the dance as they jump and leap according to his commands and his gestures, at the flick of his fingers and the twist of his wrist.

You ask why these events are happening--the crash in Asia and the repercussions felt around the world? This show of power is to accomplish many purposes. It is perpetrated by the Wicked One, who is as the evil puppeteer demonstrating how his marionettes dance at his will and according to the movement of his hand.

At the same time, the Wicked One is attempting to teach his marionettes a lesson. Using Asia as an example, he is demonstrating what will happen if the marionettes should try to break loose from his control. It's a strong signal and a reminder to the marionettes that if they don't want to end up in a tangled mess, they must stay in line--else they get tangled and risk total collapse, since their joints and limbs are no longer being held up by the strings that are firmly attached to the puppeteer.

I tell you this parable, My children: The powers that be, the nations of the world, are as marionettes in the hand of the evil puppeteer. They are being manipulated at the touch of his finger and the twist of his wrist, as he is lining them up for the final show.

Oftentimes when the marionettes dance, they think they're free. As they leap from side to side and tap their feet in tune to the music, they forget that they're attached to the puppeteer by invisible strings. It's not until the puppeteer finds it necessary to give the marionette a strong tug in a certain direction that the marionette is reminded who's really in control. Though the marionette appears to be footloose and fancy-free, as long as its strings are attached firmly to the hand piece of the puppeteer, the marionette cannot move about without the touch of the puppeteer's hand which jerks it into submission.

The Wicked One has caused the turmoil in Asia, in part to punish those who would try to kick and buck against his control. It's a demonstration of his power to the nations, that should they try to kick and break free from his manipulation, it will only result in instability, and they will soon find themselves in a tangled state and at risk of plunging to the ground in total collapse, just as the marionette who would try to cut his ties. Therefore, this move in Asia is in part a demonstration to the nations, a warning that they'd better line up and stay firmly attached to the strings and the wires of the puppeteer who will support them and move them, else they collapse.

Pray for those who do not want to be tied to the puppeteer. Pray for their strength, for their conviction, for their enlightenment, that they might turn to Me--for I am their only hope of salvation and true freedom. Only I am able to fully free them so that they may be free of the puppeteer's control.

The Wicked One has deceived the nations into thinking that if they cut their strings to him, they will fall in total collapse. The bright lights of the theater are being carefully run by the stage crew as they cast a glare on the eyes of the marionettes, blinding them to My lifeline that hangs over center stage. Only by grabbing ahold of My lifeline can the marionettes find escape from their ties to the evil puppeteer.

Through selfish lust and the deceitfulness of riches, the marionettes grow dependent on the strings of the puppeteer. But should they decide to cut their strings, to break loose from the control and manipulation of the dark puppeteer, My lifeline remains steady and firm, reaching out to hold them and support them, so that they will not stumble and totter and crumble in ruin.

Pray for these, that through the storm they may find hope in time of need, that they might find My lifeline of survival through faith and trust in Me. Pray for those who are sincerely seeking, that though the bright lights cast a glare, their eyes might focus on My lifeline, that they may find freedom from the puppeteer's wiring system.

I am the door. By Me, if any man enter in, he shall have life. I am that lifeline, and as people or nations grasp ahold of Me, I am able to free them to the extent that they let Me. For those who receive Me, I am able to free them from death and hell, giving them eternal freedom. For those who seek Me, I am able to answer their prayers and supply their requests. For those who yield themselves to Me fully, I am able to free them in every way. Where My Spirit dwells fully, there is full liberty indeed.

Not many nations will receive Me fully, but as they and their leaders receive you, they also receive Me, and I am able to protect and help them. Or as they provide refuge to My children, though they be not of the same faith, then I am able to give these nations refuge from the storm the Evil One will bring upon the Earth. All will be affected by his storm. But like a lifesaver in the stormy sea, I preserve those who take refuge in Me. As long as they cling tightly to Me, they will not sink. Though the waves may be rough about them and the winds howl, they will not sink or come to ruin.

I say to you, My children, that there is yet another purpose in these events: These things must come to pass, for the End is nigh. The stage is being set for the grand premiere and the revelation of the Wicked One, who is the author of this great confusion and the chaos that has rocked the nations. The crashing markets, the great plunge, the great rebound, the highs and the lows, are all being carefully manipulated by his hand, as he sets the marionettes in line for the final dance.

It's all a part of setting the stage for the grand entrance of the Wicked One. As these ripples rock the nations and the domino effect takes place, each piece falls in line, all pointing in one direction--to applaud and hail and accept the one who will bring order out of all this chaos--the One World leader!

The crash and fluctuating markets are a call to awaken the nations. Through these jolts and shocks, the turmoil and instability that is created will drive the crowds to cheer and beg for the puppeteer to wield his magic wand, causing all the marionettes to dance and move in harmony. Through these events, the Wicked One is setting the stage for his entrance. With these swift moves and jerks he is convincing the world of the need for a savior--someone who can save the day, someone who knows how to keep the strings in order, and how to flick his fingers and twist his wrist so that all may appear to keep on dancing free of entanglements, falls and crashes.

The Wicked One is marshaling his forces. His entrance is being heralded as the world looks on, as they see in living color the reality of the global economy that has been in operation behind the scenes. The Wicked One is demonstrating that it is not a myth. He's demonstrating some of his inner workings as he brings to the attention of the people that there is indeed a need for the puppeteer. He is partially unveiling his system of strings and wires, and demonstrating how only with the aid of the puppeteer will all the marionettes be able to move in sync, so that they may keep dancing, free from tangles and falls.

Through this touch of chaos, the Wicked One is motivating the crowds to call for the curtain to go up. As the inner workings are revealed and the magnitude of global communications are being realized, the reality of interconnections and link-ups and cross-investments demonstrate to the nations that there is a need for someone to man the controls, a need for leadership--someone with the skill of the puppeteer to keep everything moving in harmony to the rhythm of the music, someone who can rescue them from further turmoil, which they desperately want to avoid at all costs. Through fear of further impending chaos, the nations will be brought to their knees in a desperate plea for one who can keep everything moving and flowing, lest they become tangled and grind to a complete halt.

Marvel not at the great rebound of the mighty nation [the U.S.], and be not fooled by a false sense of security, for what is seen is only temporary. For those who lurk behind the scenes, those who sit in high places, know in their hearts the meaning of this apparent quick comeback--that it is only for a time. For this was only a show of force of the Wicked One, a demonstration to those in high standing of who is really the boss. Even the big money boys are as pawns in the hands of the puppeteer. This great fluctuation serves as a reminder to all that the puppeteer alone holds the controls.

The puppeteer's total power works by fear. The purpose of the great plunge and the mighty rebound of the great nation was to strike fear into the hearts of those who sit in high places, else they be lifted up beyond reason. In these days of extremities, as the pendulum swings from extreme low to extreme high, the puppeteer sends a strong

signal that it is indeed he who holds the bag and manipulates the strings, and all must yield to his gestures and signals, else they will be tangled up and put out of commission.

Let him who will hear, listen: for there be those mighty men in the world who will lead the way. These are they who do prepare the way and set the stage so that the Wicked One might take center stage, and they do lead the way in the applause. Though they appear mighty and powerful in the eyes of the world, they, too, through the deceitfulness of riches and the motivation of fear, are moved to applaud the entrance of the one who will be worshipped by all the world. These who sit in high places, the big money boys and magistrates alike, are being warned as the pendulum swings, that it is indeed out of their control. They are being reminded that there is a need for the puppeteer to wield his magic wand to bring order out of chaos, else they too will collapse.

These days of extreme swings serve their purpose and motivate these who sit in high places. These events serve as a cue, a signal to man their stations, curtain time, for the scene is about to begin. And all the world will worship the Wicked One for a time, as they marvel at his agility and his ability to keep the marionettes moving and flowing and dancing in apparent sync and coordination.

I say to you, My children, let not your hearts be troubled, neither be afraid, for to you it is given to work great signs and wonders in the coming days! Rejoice and be exceeding glad, for these are the days which all the prophets that have gone before you have dreamed of!

I set before you a great and mighty harvest! Therefore, watch and pray, and know that I go before you to lead and to guide and to see you safely through. Through emergencies and crashes and economic wars, I will be your peace and your strength. I will be your strong tower, and nothing will by any means hurt or harm you. As I have promised, so will I also perform My promise--I will take care of My Own.

And in these days I hold you up as a beacon, a light shining forth in great darkness for all the world to see! Although all the world will wonder after the Beast, all the world will marvel at the awesome power, strength and mighty works that I will perform through you, My mighty bulwarks of faith in these Last Days of the End! Fret not yourselves for tomorrow, but work My works today, and know that I will never leave you nor forsake you. ⁽⁷⁾

You see great natural disasters now, but they are not natural, My children. They are supernatural--things which I allow the Enemy to enact as a judgment upon the wicked and as a release for the innocent, that they may be gathered unto Me and escape the suffering which they face in this world. These are but a small sample of

things to come, when I will shake the Earth! And in the end, even the powers of the Heavens will be shaken.

So be prepared, for the events to come will come upon you suddenly. Sudden will be the appearance of the evil one, that wicked one who does exalt himself above all that is Godly or that is called God. Sudden will be the Great Confusion. Suddenly will destruction come upon the wicked, and judgment upon the unrighteous and those who oppress the poor and needy of this world.

You do well to study the signs of the times and gather the clues to things which will yet come upon the Earth and upon mankind. But be not fearful for the days which come. These things must needs be fulfilled before the End comes and the glorious dawn of a new day, when the Sun of Righteousness will shine forever more!

I will protect and keep My children during this time. Though some shall fall by the sword or by fire, they will fall into My arms, where they will be safe and protected from the blast of the terrible ones that will sweep across the face of the Earth in these Latter Days.

So fret not, neither be dismayed when you see these things coming to pass. For I the Lord am mighty to save, mighty to shelter, mighty to provide! As I do care for My little sparrows, and not one falls to the ground but that I know about it, so do I care for you. The very hairs of your head are numbered. My love for you cannot be measured, and My thoughts towards you are those of goodness, mercy, and peace. So be confident in My care, and bold in proclaiming My message. ⁽⁸⁾

The Family has weathered a time of severe worldwide persecution, which has been followed by several years of peace. Now it's time to prepare for another onslaught--not of persecution, but of famine, plagues, civil disorder, and the breakdown of community services, which will affect the whole world. My promises stand as strong as ever for My children: I will protect and provide and deliver you. ⁽⁹⁾

Though I have My plan, and things will happen as I have said they will, even the Enemy has a degree of choice with which to make his plans. So he is setting the stage, and if the conditions are right, if the world is in enough chaos, if things get bad enough that they need a savior, then he will arise. He is behind the scenes, creating confusion, so that he will be able to step forth and assume power, to save the world for a time. Even this is within My will, for he but sets the stage for My return, as I foretold in My Word.

The Devil has a measure of choice, within certain bounds, much like the illustration your Father David gave of the tunnel of My will. There is a set time period for

the End, and it will come within the time that I have determined and set. For I have set these times, and no man nor spirit may gainsay or change these things. But within this time frame, within this tunnel, the Evil One is permitted a certain amount of leeway, for I have allowed him this choice. He has the power of choice, even as you have the power of choice.

He may choose to work his evil works now, or may withhold a little, until later, just as you may move from one side to the other within the tunnel of My will. The Enemy of your souls has much less choice than you do, however, for I have set much greater bounds upon him. He may only move slightly from one way to the other. He cannot turn around and escape My will and that which I have planned and predicted in My Word. That which is to be shall be, whether it be soon or a little less soon. In either case, the time is nigh.

I have set the boundaries of the Endtime--the last seven years, the two three-and-a-half-year periods, and have numbered the days within them. I have also set them within the general boundaries of time itself, and they will occur within that time frame, whether they be soon or they be delayed a little. But I give the Evil One a certain amount of leeway in when he may begin this period.

He knows that once these days are begun, then the day of his end is determined, the day of My return is determined, and his choice has ended. So he seeks to maximize his chance to defeat My plan by beginning it at the time when he imagines it will be most opportune for him.

I allow this to show both him and the world that My plan will not be defeated. Though the Enemy goes to great lengths to defeat Me in these days, I will not be defeated, nor will My plan be altered. As always, he but accomplishes My will in creating the conditions for My return. He stirs up trouble which drives My children ever closer to Me, and also works in the hearts of the unbelievers to cause them to want to seek Me, to find Me as their refuge from the storm. And in the latter part of his reign on Earth, when he declares himself god, he forces all men to make a decision. Will they reject him and receive Me, or receive him and reject Me? In all these things he but does My will, and as you would say on Earth, he cannot win for losing. ⁽¹⁰⁾

The Enemy is the propagator of fear. In the end, fear is what will bring this proud world to its knees, as the material goods and so-called government security that people so love grow wings and begin to fly out of their lives. It is then that the world will represent a drowning man, willing to give up his very freedom if only someone will save his life. In that same hour, the world, seeking to save its life, shall lose it.

All shall work together to bring about the Great Confusion spoken of in My Word.

Modern society is not prepared for this kind of crisis, for they have removed Me from their schools, replacing Me and My Word and ways with that of materialism, evolution, and many other things that are contrary to godliness. They have removed Me from their lifestyles, for never before has there been such a striving for wealth and success, a focus on pleasure and self-satisfaction, such a selfishness permeating every corner of society. In doing these things, they are setting themselves up in a house built on sand. When the storms come and the rain falls, this house will wash away. There will be a massive breakdown of the most basic moral codes that man has lived by for ages. Even those who still strive to have some kind of moral standard will be swallowed up by the vast majority of people who only care for their own skin.

There are many who see these dark clouds on the horizon and sense the danger, yet do not know what to do. As the noose tightens slowly but steadily about the world's neck, I call My children everywhere to preach the good news of One Who can save them from their torment of mind and from their enslavement to the god Mammon. For in the dark days that are soon coming, the only safe dwelling place will be under the shadow of My wings. For I am a rock and a fortress to those who fear My Name, and I will always care for My Own. ⁽¹¹⁾

The Economic Crash

My children, you've had many peeks into what lies ahead. The crash is here, as your Father David has said, and has been here for some time. Markets may go up and down, but the crash is proceeding little by little. If you don't believe this, ask the poor of this world. While the rich grow richer, the poor grow poorer.

The crash goes through practice runs in country after country, and area after area, as the Evil One pulls the strings of his puppets, or manipulates the kingdoms of this world which are given into his hand. He pulls a string here, and if the marionette will not yield to his tug, it comes tumbling down. Then it is rewired so that he has greater control and a more submissive marionette. He prepares his way through his little crashes here and there, making the nations of the world more dependent on him and his financial institutions, and more desperate for his solutions. Ever so slowly has he worked, extending his control little by little.

The economies of South America, Russia, Asia, and other places have crashed in recent years. Through this, the puppet master gains greater control each time, and prepares the way for the really big crash. He sees what works and what doesn't. And through such things I also test the faith of My children, purifying and trying and making

white their faith and increasing their dependence on Me. So these things do work together for good, both in preparing the End and in preparing My children.

In the days to come there will be more crashes and more rebounds. Take heed that you be not deceived by the great climbing financial markets of the world. They're built on wood, hay and stubble, and with one flick of a match they become ashes between the teeth of those who look to them. You do well to invest your funds in souls and the tools for winning them, for such investments are as gold and a multitude of precious jewels! (1998) ⁽¹²⁾

One step, two step, three step, four. Is this all, or is there more? Click, click, click, down they go. Once they start, they cannot stop. Click, click, click, the dominoes fall. One upon another, down go they all!

One step, Asia. Two step, South Africa. Three step, Russia. Four step, Venezuela. Is this all, or is there more? Yes, there's more--Brazil's turn now, and more to come--for dominoes is the name of the game, and indeed they all will fall!

This current crisis in Brazil is merely another piece falling in the Evil Puppeteer's game of economic dominoes. You see, My children, the Evil Puppeteer does not have his pieces aligned in a straight row, nor are they in a perfect circle. No, the Evil One seeks to show his mastery and skill at the game through demonstrating his deftness and proficient handling of the pieces. His alignment of these pieces is done in such a way as to demonstrate his control and mastery of the global economic dominoes which he has positioned and whose fall he has triggered.

He has not positioned the pieces in a straight line, but he curves the line and swerves it back and forth. He does figure eights and other fancy twists and turns with his pieces, to prove his skill and his power. In this way he is spreading his financial panic over a wide variety of territories and economic scenarios, for by so doing he is able to spread his depression and distress. He is swerving and turning one direction and then another; nevertheless, the dominoes will all fall, for all are connected.

The Puppeteer is demonstrating his skill at the game--his mastery of the dominoes and how they fall at the touch of his hand. This serves as a reminder of who is in control to those in power, to the rulers of this world and all those who bow down and worship him.

This is the design of his game of economic dominoes: once it starts, it cannot stop. One affects the other. All are linked, all are tied together. None are isolated nor confined in themselves. The Evil One has his pieces in position. All are intertwined and interlinked, keenly integrated, each one affecting another. When a crisis breaks out in one country, it will affect all the others in some way, at some time. It may not be

manifested immediately in each country, it may come further down the line for some, but all will be touched, and will totter and fall--paving the way for the Puppeteer to take control.

This financial turbulence is the process by which the Evil One is spreading his fear, panic and depression, which in turn creates the political instability that leads to troubles and great sorrow for those who do not look to Me. (1999) ⁽¹³⁾

He shall enter peaceably upon the fattest places and take the kingdom by flatteries. Do you not see how he even now plans and schemes and twists the world around his finger? Do you not see the hand of the Antichrist working behind the scenes to bring about a one-world power? Globalization? Ha! Globalization is nothing without the strong hand of the ACs driving and pushing for it. The world is fatalistic now; they see it as a natural course of events. But it's not happening naturally; there's a definite plan behind it. The ACs want all the markets linked so they can pull the plug on them all in one shot.

They don't want to have to destabilize country by country; they want to do it all in one shot. That's why all the financial markets and exchanges are getting more and more linked and dependent on each other. They'll be able to crash the entire market economy of the globe with one phone call, one flick of their wrist. They'll be able to pull the world down to poverty in an instant.

You can see that they're not quite ready for this yet. They've been testing things out, trying the waters to see if things are going to work or not. It's a slow process, because they tamper with this market here and see what effect it has on the other markets, then they turn around and fix this little glitch that caused this market not to rise or fall at their behest. And on the game goes, until every market will be so entwined that there will be no escape. The global exchange will rise and fall at whim. They will take the entire stock market, bonds, securities, commodities, and other financial markets down with them in one shot to ensure that the entire civilized world falls into chaos at the same time.

They're going to want it to happen quickly so that the whole world will be open at the same time for a ruler. It'll happen in a blink of an eye. They're just not quite ready yet. They've got a bit more fine-tuning to do before they're ready, and they're waiting on something else.

They need faster technology to help their plans work, so they're pushing the computer and Internet scene. They're behind much of the research into cloning, biotechnology, and chip advancement. They're funding and fueling its current drive, because they need results. They need the biggest brains out there working on solutions

that are going to benefit their system. That's one reason they're continuing to let the economy prosper, because it makes it simpler and easier for them to achieve their aims and to fund all this technology.

They're the ones pouring big bucks into the research and development of chips that can be implanted under your skin. They're the ones funding bionics and chip research. They're pushing ahead at breakneck speed because they need all the technology they can get to make their plan work without major glitches.

They're building the networks now. They're working furiously behind the scenes to ensure that their system will be undisputed and that it will work. What you see on the surface is only the tip of the iceberg. What you see now is only the aftereffect of what's really happening out there on the front lines of technology.

You can bet that the U.S. military and the British, Russian and American agencies are all working together behind the scenes to set this program up. They're training the executives. They're creating the technology needed to fund and to power their new programs. They're the ones pushing behind the scenes.

All the big players are involved in this plan. While they make it appear as if each one has their own agenda and plan, and they strive to keep up the façade of independence and of making these advancements for the good of their respective nations, behind closed doors they're getting their orders straight from the top. They don't do a thing without being told what to do by the ACs who are in charge and running the show.

They're financing more and more globalization and global projects, buying out or crushing competition. They're behind these mergers too. They are consolidating the markets, making sure the big money boys are even bigger and have control. They want to make sure that all their assets are shored up and in safe industries when they pull the plug. They want to make sure that they have a corner on the market of all the major industries--media, cars, electronics, software. You name it and they've got a finger in that pie! They didn't stop with oil; when they saw how much success they had in that market, they moved into other markets, just like any good businessman would. They're very crafty and they know how to use the System; they created it to their own ends. They know how to weave a dastardly web of deception that's going to draw the world in, and they won't even know they're caught. That's how good they are.

It's going to happen very suddenly. One day you'll wake up and the global markets will have plunged, and that money you're holding will be worthless. That's not a myth or a theory--that's the truth. It's going to get sucked down to the bottom of the pool, and they'll take as many people down as they can.

Those who are heavily investing in Internet-based companies and in the stock

market are going to be some of the hardest hit. Their money will plunge through the floor because it wasn't invested in hard, evidence-based enterprises. The whole stock market is a matter of faith, as David has told you. It's paper money, fake, false. It provides a false sense of security because it can all be gone in a moment, and it will be very soon.

Once they've got the world groveling at their feet, they'll start bailing them out one by one, by offering them new and improved methods of marketing, new and improved economic plans. They'll "offer," but what they're not saying is that they're going to implement this plan "or else"--or else they'll crush you and starve you and bring you down till you accept their plan. It's such a farce, a fake, this phony front they put up of wanting to help and being so charitable and philanthropic. They're only philanthropic when it suits their purpose and when they can get control of or access to something they want. They don't give away "help" without very tight strings attached. And they pull the strings as they wish.

All this is going to come about very suddenly. There'll be a "mighty widening of the eyes," because things will be going great till suddenly the bottom will fall out of it, and people will be left with nothing but paper--worthless paper. (2000) ⁽¹⁴⁾

The time is coming when a greater economic depression will hit the world, an even greater downturn in economic activity, because the Antichrist wants to consolidate as much power into his hands as he can. And one step toward doing that is a complete revamp of the financial system.

I'm not talking about the Mark of the Beast yet; I'm talking about the precursor to that, which is winding down the corrupt, inflated, empty financial system.--Winding it down closer to its true value, and the Antichrist grabbing as much power as possible during this wind-down. These are things which must come to pass, and I remind you of them so that you may watch for them, be aware of them when they happen, and see My words being fulfilled.

The fact of the matter is that the entire worldwide financial system is bankrupt. The Devil has gotten it into this position, of course, so that he can pull the rug out from under who he wants to when he wants to, in order to consolidate power into a lot fewer organizations that he will have ultimate control of. That's what's happening right now. (2008) ⁽¹⁵⁾

The financial world is controlled by the god of this world, the Devil, for the kingdoms of this world are given over to him. Though some Godly men have made

money in this world, it is the realm of the ungodly, those who seek profit and riches on this Earth, rather than riches in the world to come.

The Enemy even tries to use the testimonies of those Christians who have made profits therein, to lure some of My other unsuspecting children into the fowler's snare, where they are then trapped. As they make a little money, they are encouraged to put in more, to bet more. As they risk more and more, they open themselves up to losing all, and many are brought to destruction thereby.

Such is the stock market of this world. As it soars higher and higher in the U.S., more and more people are encouraged to invest their money, placing their faith in pieces of paper with promises of profits. It does seem to be soaring for now, but so suddenly shall the Great Confusion come, that it will cause a mighty widening of the eyes of those who have not discerned the signs of the times. (1998) ⁽¹⁶⁾

When the bottom falls out, those that are holding stocks are going to lose. If the economy crashes, then people aren't going to have money to buy properties. And when the banks crash, then the money you're holding in them will crash too. (1999) ⁽¹⁷⁾

The long-term trend of the dollar is down. In fact, the long-term trend of every paper currency is down, but the dollar is slated to meet its fate and dive into the depths sooner than some others, because it must reap the destruction that America has sown with it and through it.

The euro is based on national economies that will be more steady, stable, and enduring than that of the U.S. in the future. The dollar, on the other hand, has a shaky foundation, one which is based on debt and is eaten through with problems, but it enjoys a great measure of faith from investors. So for now the dollar is climbing in value and the euro is declining relative to it.

This condition will not last, however. The roles will be reversed again and the dollar will begin to decline and the euro will begin to rise. (2008) ⁽¹⁸⁾

The dollar is climbing now, but it will eventually lose most of its value against other currencies. When that begins to happen, if you're in a place where you have to use dollars or keep some of your funds in dollars, then it makes sense to keep a certain amount of those dollars to make your purchases. But if you have funds above your current or near-term financial needs, it would be wise to put them into another currency, or into gold, or even into silver. Or, invest in things of real value, such as equipment you'll need, food that you could store up, water that you could store. There are important things, things of real value that will come to the fore even more as time

goes on and the economic system collapses--whether those stores are goods, food, gasoline, property, gold, silver, or other currencies.

The dollar is going to be greatly downsized. However, it will take a while, so you don't necessarily want to dump all of your dollars right now. Just be sure they're not all you're depending on, and get ready to make the transition into a new worldwide financial and economic system. (2008) ⁽¹⁹⁾

The wise thing to do now financially is to spread out your bets as much as possible on various currencies, having some good hard currencies, as well as some local currency, as well as some gold, as well as the real tangible assets that you need in time of trouble.

Remember, the basic necessities of man are food, clothing, and shelter. These are things of real value to human life. Real estate has an intrinsic value of giving you a place to stay--as long as you own it and it's not mortgaged. (2008) ⁽²⁰⁾

Beware of placing your faith in the wrong things, My children--in the things which are seen rather than the things which are unseen. The day is coming when the markets of this world will tumble. Their skyscrapers are built on sand and have no foundation, and great will be the crash thereof. You do well to invest in souls and salvation and the poor of this world, for you will reap everlasting rewards, and friends which will be yours forever. ⁽²¹⁾

The Fall of America

America is in decline. Though it may not seem so now, and though she is touted as the world superpower, her days are numbered. So sudden will be her fall, and so mighty the crash, that it will cause a mighty widening of the eyes, as My prophets have predicted. Be not deceived by the Great Society, for it will suddenly come to naught! (1998) ⁽²²⁾

(Dad speaking:) The Lord showed me that the big crash could come in slowly, steadily mounting until the big one hit, and that's about to happen. It's on the horizon. It's looming out there, just waiting for the go-ahead from the ACs, and then everything will crumble and fall.

They're saying that the U.S. economy is still strong and that it can bounce back, but if it does, it will only be temporary. It's going to take a bad fall very soon--one from which neither it nor the world will recover. And once the U.S. stock market goes, all the rest will follow like dominoes, because they've built their economies around a sinking ship.

They built their economies on paper pigs, and that piggy is about to blow! It's going to burst, and all their fancy decorations and their fancy cars and buildings are going to burst with it. It's going to pull the plug out of their dreams, and just like a draining sink they'll all spiral down out of control into the hands of the AC and his agents.

He's got it all planned and he and his people have been working behind the scenes on this for quite a few years. He's been testing out the repercussions worldwide and fine-tuning his plan. He tried a little fall in one country or another; then he saw that he couldn't fully control it and that his hold on the strings wasn't good enough. So he let it rebound to get a closer grip on it, so that when the big mother ship goes down, it's going to suck all the others down with it!

They say that when you're in a shipwreck you have to swim as far away from the ship as possible, otherwise the whirlpool that the sinking ship makes will just suck you under like a big vortex --SUUUUUCK! And then you're down there on the bottom of the sea just like Jonah! Except this time it isn't the Lord's whale that you're safe in. You boarded the wrong boat and it sank! That's what the story is going to be for so many Americans--they've boarded the wrong ship and are destined for disaster. They're on a collision course with the iceberg of God's judgments and they're going to hit it very soon.

Don't listen to the soothsayers; they're all liars. They don't know what's going to happen. They just guess at it and try to figure it out, and they have no idea the huge crash that's coming! They have no idea just how big that bang is going to be! It's going to take a plunge like never before! Crash! Boom! Splat! Right on their faces! (1998) ⁽²³⁾

All America is feasting at the table of Satan. There are few, few indeed who have not been corrupted. America indeed has already fallen, and she is reeling from many blows. People's hearts are waxed gross. The Christians are deceived into thinking they can save that which I have not ordained.

What your father has written is written, and so shall it be done. It has already been fully revealed over and over in the events of the End in America--the Crash, the chaos and anarchy, the waves and bands of marauders, the evil doctors drinking blood, the mass indifference in "The Hamburger Boat" from the hamburger gobblers, the insane education system, the perverse sexual laws and tolerance of those forms of sexual behavior which are not of Me but are abominations, the continual murder of babies and of other innocents, the prevailing and increasing witchcraft, the corrupt laws, the corrupt courts, the murdering of Christians even in mass display in front of the whole country, not to mention continual drunkenness, drug abuse, and the horrors of children rising up against their own parents as I predicted in My Word.

Surely I have spoken to this people in judgments, in great winds and movements

of the earth, and in the destruction of their idols, their buildings, by terrorists. As your father predicted, you can only expect more and more confusion--more youth violence, and even organized factions arming themselves; more hatred and racism, all being provoked and encouraged by the ACs; more and more than ever before, perversions and festivals and rejoicing over the violent past and the stars and stripes, which things I hate.

I am allowing great confusion right now. I have allowed the ACs to take away the peace, and now bring old enemies back to America. I have allowed the Russians and the Chinese to infiltrate and to flex their muscles to put fear into the hearts of the American politicians and people who thought they were sitting at ease in Zion. They thought they had arrived. They thought Russia was paralyzed. They thought they were so much better than the Chinese.

The time, I say again, is very near.

Remember what I said in My Word, that when they say "peace and safety," then sudden destruction shall come upon them as a thief in the night!

She has not got long to stand. Things are in motion and they will never be the same again. (1999) ⁽²⁴⁾

(After the Columbine high school shootings - 1999)

(Dad speaking:) The Lord revealed to me and warned us many years ago about what's come to pass in the U.S. today. All those dreams I had about the troublous times are now coming to pass. You can read about it nearly every day in the newspapers or watch it on TV. The American nightmare is here! It's not something that's going to happen someday far off in the future, it's happening right now--today!

This recent shooting in Colorado is part of the grand plan. The ACs have it all methodically planned out. You can bet they're going to utilize this reign of terror and the havoc it's causing to push their program. The Devil is smart and he's going to take advantage of all this havoc.

The Devil and his demons orchestrated these shootings as a part of his plan. He knew the precise moment he could push those boys over the edge, so that they could do his dirty work. Their actions have now made people willing to accept more control, more monitoring, to be less tolerant of differing opinions, to be more willing to give up their freedom for what they see as more security. These are all major steps toward the Mark of the Beast and will lead toward his plan to establish control over the entire world.

This tragedy is another act in the play, one scene in the reign of terror that the ACs are perpetrating so that they can usher in their complete control. You see, they have to

create the horror and the havoc so that they can then come in and save the day--similar to what they're doing around the world with crashes, wars, civil unrest and strife. Or as in this case, with this type of tragedy, a scenario that really hits home in the lives of everyone--outrages of violence in the schools that are claiming the lives of their own children. The Devil doesn't care if innocent lives are lost when it comes to these tragedies that are all moving the masses to accept his master plan.

You can bet there's lots in the works as a result of this sad tale in Colorado, new policies and laws that will be made in view of this latest shooting--and it's all leading somewhere! All the policies across the U.S. they'll now want to put into effect, every course of action that the government as well as private institutions will want to take, it's all pointing in one direction: to a dictatorial, regimented, totalitarian state--the American nightmare!

The Lord showed me many years ago that the U.S. would become a virtual police state, and you're seeing the fulfillment of it right before your eyes!

The American nightmare is here, folks! Watch out! You're to be wise as serpents and harmless as doves, and you'd all better pray without ceasing! The world is getting darker all the time, so let's pray for the wisdom and strength to keep on preaching the truth. The Lord promised He would keep you right up to the very End, so stay close to Him--lest you find yourself caught up in the middle of the American nightmare! ⁽²⁵⁾

(After 9/11 - 2001)

Her cup of iniquity has been deemed full, therefore I have allowed the Enemy to begin to mete out upon her the judgments that are the fruit of her own doing. She is beginning to drink of the cup that she herself produced. She has filled it full to the brim and now it has been raised to her own lips and she has begun to taste that which she has poured out for others.

This is just the beginning of the End--the beginning of her end as the world superpower, and the beginning of the Endtime events that I predicted so long ago.

America will be as a cornered wildcat. She has boxed herself into a canyon and there is no escape, as those she taunted and tormented now have her within striking distance. They will not let her out. They will continue to torment her and taunt her until she becomes weakened and exposed, and then the final blow will be dealt, as those standing afar off watch in amazement at how fast a destruction could be brought upon such a mighty empire, for in one hour her destruction shall come.

America has been weighed in the balances and found wanting. All that she is, all that she has accomplished, and all that she has stood for and done, has been measured

in the balances, and the time of her judgment has come. She is past the point of no return. Mene, mene, tekel, upharsin (Dan.5:25).

She will react as a wildcat cornered, and lunge out at whoever attempts to harm her, but her end is inevitable. Watch out for America. Watch out for this cornered wildcat, for she will begin to attack whoever threatens her. Her judgment is at hand. She will stop at nothing, and it will only be My mercy toward the rest of the world that I will allow her enemies to overtake and destroy her in one hour, before she wreaks a greater harm on the world than all her good has done.

Mene, mene, tekel, upharsin. She has been weighed in the balances and found wanting. Her judgments now begin. ⁽²⁶⁾

(After Katrina - 2005)

The End has begun. This is one more domino down, a domino which has already fallen hard against the next one soon to fall, and on and on it will go down the line, heading toward the crash of America.

Now she will feel just a small portion of the pain that she has inflicted upon others, but great will be the repercussions and pain upon her nation in the days and years to come.

These and many more sorrows must come to pass to usher in the End, My loves. Although it grieves Me, I must begin judgment upon My backsliding daughter for the pain she has inflicted upon others. The cries of those who have been maimed and have been denied life have long risen to My ears, and now it is time that I must begin judgment upon the nation as a whole. Although there are many of My children within that land, many who love Me, because of their general turning away of their faces from their collective sin-and in many cases even flagrant disregard for life outside their own-I must lower My hand of judgment

This is the beginning of sorrows. Then shall come great trouble and then shall come the end of America as she presently is. What you see now in the city of New Orleans will be just a snapshot-a glimpse of what is to come in city after city across the nation.

What is the significance of the New Orleans disaster? It marks the collapse of the red, white and blue. America is falling. She is crumbling and will continue to crumble under the weight and pressure of the repercussions of this mighty blow. The wheels of judgment grind slow, but fine, and this refining will continue on until the end of days as you know it.

What you are seeing is a foretaste and shadow of things that are to come. What has taken place is not a mere storm that has left many homeless and others dead, but it

is the beginning of the end of the U.S. as you know it. The house of cards is about to come tumbling down, and with it the way of life that so many in that country have grown used to, what many of My wayward children refer to as "the abundant life." It all came so suddenly for those who had not discerned the signs of the times, those who continued to walk in their pride, a people that had grown fat and opulent-a nation who had said within her heart, "I sit a queen and shall see no sorrow."

This is the beginning of the reaping, the reaping of the death and destruction that the U.S. has sown in the lands of the Earth, and it will not stop here. This "act of God," as many call it, will be followed by many others and will act as the catalyst in bringing down the proud and the haughty, those who call themselves by My name but do not know Me. For had they known Me, they would have done the things that I had commanded and would have brought comfort to those who suffer, deliverance to the oppressed, healing to the afflicted. But instead they turned their back on Me and walked in their own willful way, and now My hand is forced to chastise them and bring them low.

I never turn My back on those who call on Me. But that doesn't stop My judgments, and these judgments must fall.

America is doomed, and I aimed this blow right at the belly button of their System. It's not a blow that will cause them to topple immediately, but it will have an effect that they cannot recover from.

So let the U.S. take heed: All things do not continue as they are. As September 11 showed them that they are not impervious to the fury of men, this should show them that they are not impervious to the ravages of nature, nor are they exempt from My judgments for their sins, individually or as a nation. A wicked king and an evil government can lead a nation to problems and even destruction as surely now as they did in days of old.

Pain and suffering have been poured out on others for years by the Americans. In recent years this has increased, as America struggles to hold on to its wealth. Instead of helping the poor, she conquers and destroys the poor. Yes, I have allowed America to feel some of the pain that she has dealt out to others. But she will not heed.

Woe to those American Christians who have their heads stuck deep in a bucket of sand, the sand of the American dollar! Because they worship the god of money, they do not see My truth. They only see the world through their eyes, which are aided by the glasses that the money-makers put on them. They find satisfaction in viewing the world this way, and then tread down the poor and think nothing of it.

This destruction would not have happened if they were not destroying others. I could have continued to spare New Orleans. But because Americans have wreaked

havoc and destruction on others, I have brought havoc and destruction to one of their own prized cities. And this is only the beginning.

Woe to the Americans who view the world through their fist full of dollars! For soon these will come to naught, and their System will fall and they will fall with it.

There is no future for America. It is doomed. And it's time to realize that and act as if it's happening now, for it will fall, and it will be sudden and will create a panic throughout the world for those who have not heeded the signs of the times.

My loves, the sky is red, red with warning. This event is a warning of what is ahead on the horizon. I know how to humble the proud and those who exalt themselves against Me and who fight My children. This country will grow weaker and weaker because they have disobeyed. They have despised My Words and misused My prophets, and now there is no remedy. My judgments are being poured out upon that wicked land.
(27)

That country (U.S.A.) is worthy of judgment for its deeds. Its cup of iniquity is nearly full, and the time of My judgments is almost come.

However, the repercussions could touch other countries as well. The nations of the world are connected in many ways, and what affects one deeply often affects many others to one extent or another. There are many ties that bind the nations to each other, and a sudden jerk on one tie is often felt far away through the network of ties. (2006) ⁽²⁸⁾

How to Prepare For The Great Confusion

How to Prepare For the Great Confusion

Book 8, Compilation #08 of TCOB pubs on the subject, by theaudiokey.com team - July 2020

(All prophecies are Jesus speaking unless otherwise indicated.)

The Endtime chess game proceeds and the Antichrist ponders his moves. As his opponent, you must be thinking ahead and considering what you would do if he made this or that move. What would you do if there was a crash, a major disaster, or an outbreak of war? Have you considered these things carefully and prayerfully and come up with any sort of contingency plans, how you would respond? It would be good for you to do so, for any good chess player can outwit his opponent if he thinks far enough ahead. ⁽¹⁾

Here is wisdom. Let him that hath understanding heed these words: I cannot tell you the very hour or the very day. These things must remain hidden for now. But I'm doing all that I can to prepare you in spirit through the massive outpouring of My Word in all forms--especially through My instruction and admonitions to receive the gift of prophecy, to practice it and use it. I've been preparing you for years through the battles that I have brought you through, through your strengthening of spirit.

Be prepared, for you know not what hour the Antichrist will come and when he shall rise to power. Sudden shall be his appearance on the world scene. He will slip quietly in the door to world power like a thief in the night. How foolish you would be to not prepare both physically and spiritually for the future events that may come unexpectedly. Please be wise and heed My Words of caution, of wisdom, and of truth that will help you to make it. ⁽²⁾

(Dad speaking:) Hallelujah! Praise the Lord! These certainly are exciting times! You folks shouldn't be too surprised at the recent events taking place, because I've been preparing you for years. This shouldn't be any big surprise for the Family at all! In fact, you should be rejoicing, praising and thanking the Lord, because it's almost over! It won't be long now! We're on our way! The End has got to come sooner or later, and believe me, it's now later than some of you think!

Praise You Lord! Help us, Lord! Give us wisdom, give us guidance, and give the Family peace in their hearts. Help them to look up and be glad, knowing that You always take care of Your Own, and You certainly are not going to stop now. Help the Family to pray like everything depended on prayer, to work like everything depended on work, to witness like everything depended on witnessing, and to look to You at every turn, because they have a big job ahead! Help and strengthen each one, in Your Name, I ask.

I've already told you time and time again how to prepare for the coming crash. You oughtta know by now what practical measures to take, and you should've been living by these all along!--Not living beyond your means, not putting all your eggs into one basket, economizing and trimming the fat where and when possible, and on down the line.

And for Heaven's sake, don't hold any more funds in the bank than you have to! Keep as little there as you have to. You can use the System but don't let it use you, or abuse you, by stealing your funds by shutting down all of a sudden. It's all right to keep a little money in the bank if you have to, either to pay certain bills or to give you some credit rating or whatever. But you'd better not keep more there than you have to, and you'd better keep an eye on that bank as well. Banks can fail and close at any time, and then you've lost it all. Or if there's some sort of emergency or civil unrest, you might not be able to get your money out. So banks are all right sometimes, but you'd better beware of the bust!

You certainly need to stay out of debt, too. Then you'll need to have a little bit of reserve funds in different currencies, if possible, since you'll need some cash. You can keep part in your local currency as well as some strong international currency, depending on your situation. You should also have a stock of survival food of some sort. You don't need to have mountains of it. You just need some extra food on hand for emergencies, as well as lots of friends who can help feed you and take care of you if need be.

And of course you need some sort of tools to minister to the spiritually needy during this time, whether it's posters, tapes, videos, tracts, books or whatever. There will still be rich and poor; it's just that all of a sudden there will be a lot more poor than rich. But they're all poor if they don't know the Lord, so you need to be prepared to minister to people like that the best you can.

As far as other supplies goes, that sort of depends on your local situation. If you're in a country where there are lots of import barriers, you'd better be sure to have extra imported parts or supplies on hand if you need them, whether it's for your computers or printing equipment or whatever. You might want to have some contingency plans too, so you'll have some idea what to do in case the spring dries up and you're left without much income.

Most of all, you'll want to have a good connection with the Lord so He can lead you and guide you step by step and tell you what to do. You just can't beat hearing from God! Why do you think He's been emphasizing prophecy so much the last few years? He knows you're gonna need it in the days and years to come!

My Letters are full of all the things you should've been doing all along. It's all right there, and it might not be a bad idea to give them a little review, because that counsel still stands. I've been preparing you for this for years, and some of you have been in areas where you've already suffered sideline crashes. It's already been happening in recent years in some countries and regions--in South America, Russia and others who've been suffering economic crisis. Some of you who've been on the mission field have already had some practice at what it means to live under crash conditions. ⁽³⁾

(Jesus speaking.) The list I'm going to give you is going to be your lifeline in the days to come:

Number 1: Be close to Me and in tune with My voice and My Words. Learn to hear from Me and to follow and obey the instructions I give you, no matter what channel it comes through. If it's confirmed in the mouth of two or three people, you'd better take it as My voice speaking to you and obey, for without that spiritual strength you will be lost. You must find My strength first before you do anything else.

Number 2: Stock up on a month's supply of food and an ample supply of water, if possible. If you have questions about the necessity or makeup of these survival rations, come to Me and I can tell you what you need in your situation, how much of it you need, and how to go about getting it. You who are mobile may only need a small amount, enough for a few days, as well as a contingency plan of what you will do and where you will go. You who are having financial difficulties should also seek Me as to how much extra food you need and how to obtain it. I am not limited by little finances, only by little faith. The key is to ask Me how much you need of what foods, and then to ask Me to supply it, and to do your part to put feet to My promises and obey My instructions, whatever they may be.

Number 3: Prepare your friends and contacts and supporters for such things. Share with them the signs of the times and let them know just how serious things are going to get. This will help them to help you in your time of need, because you were faithful to warn them and give them a chance to prepare. You don't need to be doomsayers, but you do need to share the message of the End with them. Most will agree when they look at the markets and see just how things are going. They will believe you.

Number 4: Be prepared! Do you have another way to cook should your electricity be cut off? Do you have enough water to wash your dishes and keep clean should things get bad and the government shuts off the water? For those who live in cold climates, do you have enough blankets should the heating be cut off? Are you prepared? Do you

have your Home Emergency Reserve in a safe place? Are you preparing for the future both physically and spiritually by doing those things I have shown you through the Letters of David and Maria?

Are you out there witnessing and getting out the message of the Endtime? Or are you sitting back and waiting for something to happen before you will believe? Well, I'm sorry to say that some of you are just sitting back, and if you're not ready when trouble hits, it will be your own fault. I have warned you, David has warned you, Maria and Peter have warned you, and now I'm giving you a final warning. Be prepared!

I want you to be prepared in spirit most of all. I want you where the people need you so you can continue to shine as lights in the world. I want you in or near the cities to help your friends and contacts and those who need you. I want you to be where you can still get out the message, minister to the needy multitudes, and put your enemies to shame.

I don't want you all hiding out in some refuge farm in a remote town or village--what good would you do there? The animals aren't the ones that need tending to, it's the human sheep that need you--the poor ones who will be lost and without a shepherd and confused because of all that is happening around them. Their dreams will be shattered and they will have lost all hope.

In those days, I want you to be the leaders and commanders of My people! You who know Me and understand My plan will be able to show them the way to go, and will instruct many in the truth. Seek Me and I will show you where to go and be so that you may accomplish this purpose best. Seek My will and My plan, for it is in abiding in My will that you can find refuge and the supply of every need, and be the greatest help to others.

This is why being prepared in spirit is so important, and I have emphasized it time and time again. This is why you must be ready to give an answer to him that asks the reason for your light and hope. You will need to be ready to lead in that day, so do your homework now. Prepare now so that you will be strong when it comes time to run the final race. Prepare now so that you might be used of Me when the time comes.

I don't want you to let the Devil in with his lies and doubts and fears. As I have said before, these Last Days will be days of victory and overcoming! They won't be days of defeat and despair. If you've trained right and are strong in Me, you will have the strength to run the race and fight the battles that lie ahead. And not only will you overcome, but you will help countless millions overcome too by the word of your testimonies.

So don't be fearful or frightened by all that is to come, but do let it put the fear of God into you so that you are moved to do something and prepare. Let it motivate you

into doing what I have asked of you--that you prepare your heart and mind and spirit by drawing close to Me, hearing from Me, loving Me, and receiving My seeds. This is the only way you will be able to shine as lights in the final days of man's history. So prepare now that you may shine then! ⁽⁴⁾

I say to you, My children, though emergencies, crashes and wars surround you, it will not come nigh you if you put your trust in Me, for I will take care of My Own.

This is why I have outfitted you with the new weapons of My Spirit, that you might find refuge and stand in this day. Therefore, let these gifts I have bestowed upon you be your comfort in the days ahead. Do not let these signs of the times trouble your hearts, My dear ones, but receive this warning with gladness, knowing I am strong to save and will preserve My Own.

Do not be deceived through the false words of those who would not discern the signs of the times. For while some cry peace and safety as they give false readings of the times, sudden destruction is on the horizon for those who do not discern.

But look up with joy, My children, knowing that I reveal these things to you, that you might prepare. Continue to hone the gifts I bestow upon you, as you carry on My work, for in this lies your greatest asset.

This is the best preparation you can have, to walk in My truth and continue to preach My Word. For in this lies your greatest safety. As you faithfully and diligently serve Me and deliver the Words to the nations, I will mightily bless you and save you and keep you in the day of trouble which will come upon all the inhabitants of the Earth.

Fear not the effects of these dominoes as they fall, My children. Only hearken diligently unto Me, for I will lead you and guide you as the darkness covers the Earth. Your best protection is to stay close to Me, in the center of My will. As you do this, I will bless and keep you through whatever is happening all around you. I will protect you and provide for you by My supernatural hand, so that you can continue witnessing My Words to the end. ⁽⁵⁾

The message I want My Family to give is that of the End! I want the Enemy to be exposed and set back on his heels. I want him to be the one running for cover because of the fire and fervor of My children! I want My children to get out the Words like never before! I want them to pour out the Words in greater abundance than this world has ever seen. I want the children of David to be wise and full of faith and conviction so that the Enemy will be forced out in the open. I want the children of David to give out the message of the Endtime and Tribulation, of My return and reign, and of Heaven which will follow, the full message that I committed unto My prophet David!

I want people to know that though things get bad on Earth, if they have Me they can look forward to a better place, to a better world tomorrow! I want them to know and be fully convinced that there is an afterlife, there is Heaven, and it's real. I want them to be saved. I want you to bring as many as you can into the Heavenly folds of salvation.

I want the message of salvation preached to every creature, great and small, rich and poor, old and young! I want the Word to go out like never before, and I want the heart of David to be stirred within each of you so that you are propelled out that door every day to witness and give out the message. I want you to be so united that the world can't help but take notice of you and see that you have something they don't. I want you to hear My Words so directly that they cannot dispute the fact that you have been with Me.

The most important message I want you to give out in these Last Days is that which exposes the plan of the AC. Preach the gospel of the Endtime so that people can be aware of it and know and run to Me when they see it happening. They may not see it now, they may even mock you now as they did Noah in the days of old; but when they saw the clouds gathering, when they saw the rain come thundering down upon them and the Earth bursting forth with great fountains of water, when they saw their loved ones drowning, then they remembered the Word of the Lord and of His prophet. They remembered all that they had been told, and many repented.

I want you to give the message so that many will repent and come to Me in the rough days which will befall this world soon. I want them to have a reason to live, a hope of tomorrow. I want them to come running to you when they realize that you are My prophets, and you were right, because you obeyed and followed My voice of warning, even when it seemed crazy to the world, even when they couldn't see it.

Though they persecute you and mock you for it, they will be running to your feet one day when they see that you were right! They will be running to you for help, and you will be able to give them the Words of the Lord. Then you'll see just how mightily I will use you! Then you'll see just how powerful you are because you have Me, and because you obeyed My warnings to be prepared!

Though they may have earthly possessions, they lack the Spirit, and they will give whatever they can to you so that you may give to them of that spirit of peace and rest and wisdom. They will come falling at your feet asking you, begging you to please forgive them and help them. Then I will be able to use you mightily, because you have been prepared. You have been trained for that moment and you will be right in the center of My will.

That's the message I want to go out! I want My Family to prepare, and I want the world to hear the message of Heaven and of the End. I want them to be without excuse when the day comes. I want them to remember My children and My little ones. I want them to remember that child who gave them a poster, who handed them a tract. I want them to remember and come running to you in that day, beseeching you for answers. I want My children to be so full of Me and so close to My side that they are ready to give the answers that the multitudes will seek. I want you all to be ready and trained and able to give My Words to those who hunger for them.

I also want to use you as a testimony against the church system! For they are lulled to sleep by the Great Society, and have been drunk with the cup of the Whore's riches. They are lazy and slumber while they should be preparing, so I will use you as a condemnation to them. I will use you, whom they have persecuted and maligned, to guide them when the days get dark and the clouds roll in. I want you to be there to lead them and help them back onto the straight path. They don't see it now, because they're so blinded by their love of money and lukewarm halfheartedness. But in that day they'll see just who I have prepared for this hour. ⁽⁶⁾

If you want to know what needs to be done now, how you're gonna cope with all that's going on and how you're gonna make it--well, I'll tell you how you're gonna make it!--By being smack-dab in the center of God's will, that's how! I'm all for taking every practical precaution and measure you possibly can, just as I've laid out for you in the Letters. It's good to do your best with the Lord's help to prepare practically. But let me tell you, the best way to prepare, the best preparation you can have for the crash and the coming days, is to prepare by being in God's will and doing His work!

If anyone is not in that position, my advice is to get there as fast as you can--by praying, seeking the Lord, seeking His will, His guidance and His direction as to where He wants you and what He wants you to do. Then trust Him to get you there in His time and His way. ⁽⁷⁾

Look with excitement upon these signs of the times! The end of all things is at hand. The time of My return draws near. The events leading up to My return are truly happening! The scoffers who say that the Endtime warnings of the doomsayers are the same now as they have been since the beginning, and that all things will continue as they were, will have a mighty widening of their eyes! (1999) ⁽⁸⁾

So stand strong and don't quit! Don't give in to the lies of the Devil that "it will never come," for I'm telling you now that this generation shall not pass till all these things be fulfilled!

The End is near! The olive tree puts forth its buds and the storm approaches. Be prepared! ⁽⁹⁾
