

The Endtime Warrior's Operating Manuals for the New Weapons

(Jesus speaking:) You must remember that you are entering times such as have never existed in history, so your spiritual armor must be more impenetrable and your weapons must be more powerful than at any other time in history. Your training in their use and strengthening of your spiritual muscles and skill in handling these weapons must be more than any of My fighters throughout history as well. (Issues Pt. 16 #3450)

Part 1: User's Manual for the Keys

You need to study My Word about the keys. That is the only way to truly understand them and grasp their power. You must study these Words, imbibe them, ask Me your questions, and regularly review what I have said. It would be helpful to memorize the key promises, and even some of what I have said concerning the keys. This will boost your faith and remind you of what the keys are for and what they can do and how to use them. (The Mysterious Keys Pt. 3 #3599-1)

The Keys Were Created for this Time

My Children of David, My prophets of the End, you are facing the darkest days this world has ever experienced. The world and you along with it are about to experience the final days of man's rule on earth. Fear not the things that must come upon the Earth. For I come with a fan in My hand, and I will fan the fires of tribulation. Man has turned his back on Me, his only salvation, and has instead trusted in the arm of the usurper. You have made the right choice; the world has made the wrong choice. The great falling away is complete. Now is the time of miracles, Key-powered miracles. (MB)

The forces of Satan have been pushed further into a corner and his choices are being very closely monitored and controlled. He feels the noose tightening, and is raging mad. now will the enemy attack as never before, now is his last attempt to sway those Children of David still standing, be not overcome but overcome through the power and might of the Keys of the Kingdom. The Keys stand dominate over the kingdom of Satan, they are rock solid set in the Rock and nothing can overcome them or those who hold onto them in faith. This is the hour of the Keys, they were created for this hour, the last hour, as man rushes to the false saviour and the creation of his own doings and sayings.

It won't be very long now before the Keys power will play an integral part in the overall war. That is why you are feeling the need to press in on learning as much as you can at this particular time; because before very long they will be the prime weapon in this war to end all wars. In fact without the Keys you will not be able to meet the forces of darkness head on. (MB)

The night has fallen, so only the light of the Keys will give you the depth of sight needed to traverse the path ahead. The Keys will see you through the darkest parts of the night. They will be your light; they will be your guide. The Keys will light your way through the darkness of mystery and the unknown. You will not falter as long as you hold them high to throw their brilliant blue gold light on your path. Hold up the light now; hold up the power of the keys, and it will enlighten the darkness that you see thickly in your way. It will dissipate as you shine the light of the keys on it, and you will see the way through the Great Tribulation. (MB)

I've got your very best interests at heart and I'm here at your side to help you win. So of course I'm going to give you the best weaponry, the most powerful I have available for you, and I've given it to you through the keys of the Kingdom. The keys of the Kingdom are what you need to unlock the spiritual realm. (The Mysterious Keys Part 1 #3472)

As things start to happen, the power, anointing, and miracles will be there. I promised I would not leave you comfortless. Do you think that during the darkest days on Earth I would leave you, My brides, without all that you need? Do you think I would leave you without the protection and provision that you need to do the job? That protection and provision is in the keys I have given. (MB)

You are all I have on Earth, you My Warrior Band, My people of the Keys. Your hour draws near now. Fall on Me. Fall on the Rock. Fall on the Keys, for they are vital to your becoming all that I have promised your Father you would be. (MB)

The Keys are powerful, My Word is powerful and I am powerful, but combined We are your vital companions in these last days. (MB)

Please understand: the only exit from the days of Jacob's trouble is Jesus and the Keys ...or death. Pick them up now, because this is the End of ends. (MB)

My spirit is strong in these days of the Keys. Be a Key wielder and you will not only survive what is coming very, very soon, but you will be mightily used of Me right through to the day you leave this miserable earth. (MB)

Believe in the Keys

Faith is vital to using the keys and to being able to improve in your use of the keys. If you believe, then you will progress and learn quickly; if you lack faith and have doubts, then you will meet with frustration and obstacles. Faith is the substance of the miracles you hope for, through the keys, which you cannot see. (The Mysterious Keys - Part 3 #3599-1)

You have to believe that the keys have the power that you're seeking, and you must manifest your faith through believing and concentrating, and not letting anything else come into your mind, no doubts, worries, or thoughts like, "I wonder if the keys are really going to do their work, and heal him or her?" Or, "What if they don't work, and what if the situation doesn't change?" You just have to determine to believe. Belief is vital to the keys working miracles for you. (The Mysterious Keys - Part 3 #3599-1)

All that I require now is for you to put more trust in the Keys, lean on them more heavily and exercise more trust and faith in them... stand your ground, plant your feet firmly on the Keys of the Kingdom and no matter what comes through that dark portal, do not lose hope in the Keys, for their power is equal and far beyond any demon, no matter what size or what crafty witchery they may possess. (MB)

You have the codes. They await your request for access. The keys are activated by your faith in their power. Your belief in My anointing upon their power is activated by your faith codes into the locks, and they will open upon your requests for your codes to be activated. I can't make it anymore simple than that. (MB)

Every promise that I have given in the Words of David concerning the Keys waits for that faithful one to activate them through their belief in the reality of the Keys. If the Keys have been sitting unused for years they will still burst into life at your touch. (MB)

It is obedience that will give you the great faith that you are now lacking--the faith to pull down the wonderful miracles I have promised, the faith to use the keys in the way they were really meant to be used, for those great and impossible situations where something supernatural is needed. It is this era of obedience that will bring the mighty manifestations of My power. In obedience to Me there is great faith, and great faith pulls down the things of the spirit. (Choices and Consequences, Part 1 #3484)

That's what the Devil hates and fears the most: when you will access the full power of the keys in the future. That's why he's fighting so hard now, in these days of relative peace, to get you to doubt the keys and their power or to slack off in your practice drills. He trembles in fear at what's to come as your faith grows and you become more practiced in your use of the keys.

It's your faith in the keys being strengthened and your preparation for the days ahead that he wants to stop today. So if he can get you to minimize their power to the point where you don't use them and they don't become a part of your nature and way of operating, then he's won a pretty big victory--a present victory because you won't be defeating him as much today if you're not using the keys, and a future victory as well. Even though you don't clearly see the full power of the keys now, in time you will, and you can be sure the Enemy sees and knows and is sorely afraid of it. (The Mysterious Keys – Part 1 #3472)

The Keys are your weapon to wield; they have immense power and they will not fail you. When you believe this then you hold great power over the enemy. This is what he is sore afraid of. (MB)

A Time of Training

Even if you don't see many of what you would consider real "miraculous" answers to prayer, or the kind of things you think the keys should be capable of and that I have promised they will do in time, please trust Me. This is a time of testing, a time of proving your faith, a time of honing your skills, a time of building habits. It's a time of training in using the keys and learning how to wield them.

It's like you're a soldier in boot camp going through basic training, learning how to use your weapons and how to handle yourself in combat, so that when you're sent out on the battlefield you'll be a good soldier, you'll know how to use your weapons, and you won't be caught in the line of fire not knowing how to shoot your "gun."

Think about a soldier in training: If he didn't have his eyes on what all of his training was for or how powerful his weapons were, he could get pretty discouraged. Every day he'd be training with his gun, shooting at various targets, all the while being told what sort of accomplishment it will be when he shoots accurately at his enemy. It takes faith for him to believe that the weapon he's learning to use will actually be so powerful, but when the time comes for him to engage in combat, it will quickly become shockingly clear. His constant, never-ending training in the use and maintenance of his weapon was probably pretty boring at times, and he may have wondered why he had to keep practicing over and over and over again, but the training continued. On the battlefield he'll be glad he put faith in the gun, learned how to use it, and didn't fritter away his time or give up because he didn't immediately see the full results or the purpose of his training.

It's much like it is now with the keys. You're going through a period of training--learning more about this weapon of calling on the keys, making it more of a habit and your first reaction, and learning to be masters of key

power. The keys are a very heavy responsibility and a powerful weapon, and that's why I'm training you in their use. It takes time for you to learn to use the keys as you should, and the wisdom you gain through this time of training will prepare you to be a prayerful wielder of the awesome power when it's fully released to you at the time appointed. It will be released to you when the time is right, when you're a skilled key wielder, and in that time you will be so thankful you didn't give up, but kept up with your training even though you didn't always see visible results. (The Mysterious Keys Part 1 #3472)

Practice Using the Keys

(Ellya speaking:) Say these words in your prayers and times of intercession, when you are asking for great things, for the marvelous works promised to you in the era of action, the era of miracles, the era of greater works, the era of no impossibilities, the era of rising above. These are some of the words of power, and as you speak these words, your prayers will be taken straight to the keys, and will return with power and the miracles you have asked for.

- * "I call on the power of the keys."
- * "We claim the power of the keys of the Kingdom."
- * "I take hold of the power of the keys."
- * "Release the power of the keys into our hands."
- * "Deliver the power of the keys unto us, for Your glory."
- * "We harness the power of the keys of the Kingdom."
- * "We reach out to the power of the keys." (Call on the Keys! #3368)

Put Me to the test! Step out on the water! See if these things are true. Test Me! Test your keys! For it is only as you step out on the water and put Me and the keys to the test that I can pour down My full power and anointing upon you. I've given you the keys, but it takes this stepping out upon the water to fully release their power that I have given you.

Don't hesitate and don't wait! The time is now to begin stepping out on the water and putting Me and these promises to the test. I've given you greater openness to My truth, which will help to increase your faith. So don't hesitate to act, for if you hesitate, the Enemy will seep in with his doubts and lies, and it will be difficult to have full faith in all of the promises that I've given to you. Don't let go of these keys that I've given to you; use them now while they're hot in your hand so that you can begin to experience their full power and anointing on your life.

Now that you have this powerful weapon, the keys to the weapon arsenal that you need to complete this mission, it's up to you to step out and go forward in full faith, knowing that nothing can stand in your way. You should ask Me each day, "What obstacles can I overcome today? What difficulties can be solved? What miracles can be performed?" I will show you how to use the keys as you ask these questions. And as you use the keys to unlock the arsenal door, you'll be amazed and overwhelmed by the power that I've given you! This power will blow away those obstacles, it will cause you to overcome those difficulties, and you will do miracles!

So don't hesitate to put your keys into action. Pray and ask Me right now how to use the keys, and follow through on My instructions. As you use the keys, My power will be unleashed and you will grow in faith. And as you grow in faith, these powers will be multiplied, and you will see that these things are true and that I have helped you to overcome. (More on the Keys! Part 5 #3359)

The more you think about the keys, the more you call on them, the more you use them, the clearer this spiritual power will become to you, and the more you will understand it. That's what practice is all about.

So learn to "play" the keys. Learn by practicing. Learn by getting a feel for them. There's only one way to learn, and that's to do it, to try it, to get hands-on practice. (The Mysterious Keys - Part 3 #3599-1)

The power of the keys will come as your faith grows, and your faith grows as you believe in them, and you prove your belief in them by using them. (MB)

(Jesus:) To validate the keys in your own heart and mind, you must use them. For only in seeing them in action will you increase your faith in their power and be convinced of their importance in your life. You will not see the manifestations of the power of the keys unless you use them. They will not be validated in your heart and mind unless

you use them. You must be convinced of their worth, their power, their strength, their usefulness, and what they are capable of! You must be convinced that the keys will do for you what I have promised, and the only way you can be convinced is to see them in action, to see them work, to see them bring miracles. (The Mysterious Keys - Part 3 #3599-1)

Claim the power of the keys. Concentrate. Focus. Believe and expect miracles. Ask Me your questions. If you wonder about something, ask Me. I will lead you as you practice calling on the power of the keys. As you go along, you will feel your faith and belief being strengthened. You will clearly feel the knowledge in your heart that the keys work, that they are powerful, and that you have them at your disposal. As you begin to feel this sensation increase in your heart, you can know that your skill in using the keys of the Kingdom is also advancing, and that you are being prepared for the times to come when your life and service will depend on your ability to harness the power of the keys and to put them to use in your daily life. (The Mysterious Keys - Part 3 #3599-1)

You hold the most powerful force in all existence in your hands. This force is not meant to be still; you must keep it active. There is no standing still in this war. You are either going forward or backward. If you don't use the keys as I have ordained them to be used, then you can lose ground. There is stagnation and regression, both in the spiritual realm and in the physical. (Prayer primers)

I mean for you to use them at every opportunity! I want you to try them out, to seek Me for new ways to use them, to be continually calling on their power and using it all you can! The more you use them, the more you will grow to depend on the power of Heaven. It will become like an addiction, to the point that you will feel powerless without it. This is the way I mean for it to be--this is the way it must be in the days ahead. For the powers fighting against you will be increased, and the only way you will survive is to be so closely connected to Heaven's power, so exercised in using it, so familiar with what it can do for you, and completely dependent on it, that you are literally one with the power of Heaven, one with Me! (The Mysterious Keys - Part 3 #3599-1)

Memorize Key Promises

If you would utilize the keys to the fullest, you must let them become a part of you. You do this by hiding the keys promises in your heart. Read them, study them, speak them to one another, meditate on them, and commit them to memory. Many of you have already begun taking steps in this direction. Those who have, I urge to continue on; those who have not, I encourage to begin today.

Let the keys be one with you and they will keep your steps. Hide them in your heart and they will broaden your understanding as they guide you through each day.

If you'll make a concerted effort to commit the keys promises to memory, you will find that as they become more a part of you, your use of the keys will be more spontaneous. Just as I have instructed you to turn every thought into a prayer, if you will hide the keys promises in your heart, this will enable you to let every prayer you utter be empowered by the keys, and in this way you will also be utilizing your prayer power to a greater degree.

Each prayer you pray must now be guided by the keys, My loves, for the days require it. For you who have been given the keys of the Kingdom, prayer and the keys must go hand in hand.

As you let the keys promises sink deep into every part of your minds, hearts, and spirits, by meditating on them day and night, by reading them often, reviewing them, and committing them to memory--the keys will become one with you more and more, until your automatic reaction will be to call on the keys.

Will you make this resolution, My loves? Resolve to make a concerted effort to hide the keys promises in your heart; then call on the keys for the power to carry out your resolution. This is a vital step in letting your keys be turned to swords. You must become one with the keys!

Prayer is your link, your hotline to Me; the keys are your levers that release the power that will carry out your prayers. To use this power to the maximum degree, you must let the keys promises be one with you. Hide them in your heart so that they flow out of your mouth, so that your first reaction to each situation is to call on the keys. This is what will keep your steps from sliding, what will give you strength for the battle, and what will assure you the victory.

Use Specific Keys

You can call on the power of the keys in general and reap many benefits, but if you call on the specific keys you

need for the specific task or battle at hand, you get even more precise results, and the power of that key is focused more accurately. It's like the difference between turning on a huge spotlight which might blind your enemy and hinder his progress, and tuning or focusing that light into a high-powered laser beam, which you will then be able to use more effectively and that will permanently halt him in his tracks. (The Mysterious Keys - Part 3 #3599-2)

It is very important that you get to know the keys and call on them by name. Calling on specific keys for your specific needs will help you get more powerful answers to your prayers. When you need supply, call specifically on the key of supply, when you need wisdom, call on the key of wisdom, and so on. But don't limit yourself. The keys' powers overlap and join forces at times. It's obvious that a miraculous healing or deliverance would require not just the key of healing and deliverance, but also of miracles. So don't hesitate to let the keys join forces for you when needed, by calling on the appropriate ones for your specific needs. (The Mysterious Keys - Part 3 #3599-1)

As you hone your gifts of using the keys and learn what specific keys to use, you will have the satisfaction of seeing specific answers to specific prayers, which will strengthen and increase your faith. I want you to hold them within your grasp and learn the beauty and power of each one; to become masters of the keys, skilled in their arts, opening each and every door that you desire to enter. (the Mysterious Keys Part 3 #3599-1)

If it is not clear which key to call upon, then use your gift of prophecy, which works hand in hand with the keys, to ask Me specifically what key to call upon. I will show you. I will put the answer within your heart. (The Mysterious Keys - Part 3 #3599-1)

There will be times when I will lead you to call on a specific key, which to your understanding doesn't even make sense. But trust Me if I do, and call on it with all boldness and faith, because I alone can see certain aspects of the situation, which if affected by that key, will bring the greatest victory. (The Mysterious Keys - Part 3 #3599-2)

There is a key of answers, and this will be one of the keys that you can call upon and activate, for it is the key that allows you entrance to the more inner chamber, and within this inner chamber you find the next key. Sometimes you will have to call on the keys two or three or more times until a situation is completely resolved. You may have to first call on the key of answers, then the key of healing, then the keys of spiritual deliverance, or others as the case may be. But remember that there is an answer key, and when you know you need to use the keys but don't know which key to use, call upon that key and from there all will be revealed. (The Mysterious Keys - Part 3 #3599-1)

Ask Me to show you how I want you to use the keys. You can use the keys in a number of different ways. But ask Me how I want you to specialize. Just as you are physically gifted in certain areas and others around you are gifted in others, so it is with the keys. I have given each one different activation codes, different strengths in the spirit that the keys will enhance and improve on. For example, some will use the keys primarily for healing. Some will use the keys primarily for prophecy, others for interpretation, others for miracles, others for witnessing, others for finding the solutions to their children's or teens' problems, and the list goes on.

Everyone has available to them the full spectrum of the power of the keys. Each person can call on the power of the keys in any situation, for help in each time of need. But each one will also have one or two primary avenues in which I will ask them to exercise their use of the keys. Depending on your faith, your ministries, your gifts and talents and your desires, I have preordained your activation keys. So each of you must seek Me to find out how I would have you practice with your use of the keys. This is part of the validation process, so that each of you will be fully convinced in your own hearts and minds as you see Me working through the keys on your behalf. (The Mysterious Keys - Part 3 #3599-1)

The Ministry of Miracles

All of the keys are available to all of you, but those who have the specific gift of miracles will be those who I will inspire more often to call upon this key of miracles and put it to use. Different ones will be anointed and instructed to use certain keys more often. But all who are yielded to My Spirit and who are giving their all to Me have access to the keys; therefore all have access to My miracle-working power as well.

The "ministry of miracles" that I have spoken of will be the prime ministry of certain ones whom I have chosen for this. Certain ones have been especially anointed for this, and I am preparing them already in many cases. Yet the

working of miracles is not restricted only to these. All who can access the keys of the Kingdom can work miracles in My Name. There are also varying levels of the "ministry of miracles," in that for some it will be a major or even full-time occupation; for others it will be an occasional event.

The more you call upon the key of miracles, the more miracles you will see performed. It is according to and dependent upon your faith, your desire, and your reaching out to receive the spiritual power I have made available to you through these keys. (The Mysterious Keys - Part 3 #3599-2)

Praise

(Question:) What is the relationship of praise to using the keys? What part does praise play? Is it important to the use of the keys, and if so why?

(Jesus:) Praise is a way to bring My Spirit down upon you. It is a powerful weapon! Praise can defeat the power of the Enemy. Praise has power over fear, over discouragement, over depression. It is one of the most important weapons available to you. Through praise you are able to defeat depression, discouragement, worry, and fear—all those things that exist in the lower strata of the spirit world and which the Enemy tempts you to walk down the path of.

Praise leads to the upper strata of the spirit world where I dwell. Praise is the path to Heaven. That is why I say, "Enter into My gates with thanksgiving, and into My courts with praise" (Psalm 100:4). I am simply telling you that the way into My presence is along the path of praise. Why? Because none of these things that hurt and destroy, none of these negative attitudes such as fear, worry, panic, depression, discouragement, none of these things can exist along the path of praise. It is either one or the other. If you choose the path of praise where these things do not and cannot exist, then you are entering My presence where I, the Source of all power, dwell.

So when you want to bring down My power upon the Earth and into your physical world, and even into your spiritual world in the spiritual warfare that you are engaged in upon the Earth in these Endtime days, you have to enter into My presence to find out My will, to commune with Me, and to have the faith to grab onto My power. You enter into My presence and into My courts through praise. The keys will work for you whenever you are fulfilling the conditions for using them, which means you will be in My Spirit and asking for My will already—for those are two of the conditions for their use. But entering into My courts in the spirit through praise boosts your faith; it helps you to take on My mind more fully and know what to command the keys to do, and thus gives you much more power.

Praise has such power! Praise has the power to destroy all the power of the Enemy. Praise is like the light that the darkness cannot penetrate. As long as you are on the path of praise, none of the power or tricks or deceits or attitudes of the Enemy can come near you. Sometimes he will threaten and mock, but he cannot come near, and you must hold the banner of praise high above your head and claim it and shout it with all your might! If you do, and if you do not give up, the power of the Enemy will vanish as you enter into My courts and receive the promises that you are seeking upon Earth.

So praise is powerful. It is one of your most powerful weapons. Many things happen to you upon Earth that tend to make you want to walk down one of the paths to the lower strata. But I tell you that praise to Me, constant vigilance in uplifting Me, absolutely overcomes all of these pulls and distractions and attacks of the Enemy and keeps you walking on the upper path within My presence where nothing will harm you, because evil simply cannot exist there.

So the importance of praise to the use of the keys is that praise brings you right to the gates of the power source of Heaven, to the door where you use the key with full faith and accuracy to command My power. Praise overcomes doubt or any other hindrance to your faith. Praise brings you right up to the keyhole of the door, where you put the key in and enter the opening that has been made between the spiritual world and the physical. Praise is your pathway to the spiritual world.

Praise is powerful! It is one of the most powerful weapons available to you, so you should use it more. In the use of the keys, it chases away the enemies of doubt, unbelief, discouragement, and fear, and it brings you to the place where you put your key in and obtain all the promises I have for you. It brings you to the doorway of My power. Use it. (Praise = Answers, Solutions, Progress, Power, and Victory #3539)

Conditions for Using the Keys

1. God's Will

(Jesus speaking:) One of the secrets to using the keys and receiving their power is hearing from Me about what My will is in that particular situation, and then claiming the power of the keys to fulfill My will. The keys only perform My highest will; they will not perform the will of man when it is not Mine, no matter how desperately you plead or claim their power. So it behooves you to find out from Me first what My highest will is. Then you can, in full faith and confidence, claim their power to fulfill My will.

So when I tell you not to consider other possibilities, I mean for you to first hear from Me as to what My will is, and that you should continue to hear from Me regarding what My will is, moment by moment. Then you can be confident in your focus and determination, knowing that you are in step with Me and that I will continue to lead you aright. (Focus on the Power! #3374)

The keys were not created simply to obey your every wish and to fulfill your will. The keys must be used in conjunction with My will, and as you do so, I will perform your requests in the way that I know best. And remember also that I see the past, the present, and the future, and My manner of answering your request is almost always going to be somewhat different than what you had in mind. Your job is only to channel that power by being humble of heart and making a vacuum that I can fill. You need to suck in the spirit and work up that desperation, and then it frees Me to do My work in My way. (The Mysterious Keys - Part 2 #3473)

For you to be powerful in prayer, you'll have to stop holding Me to your own standards of what you think should be done. Are you asking Me for My will or yours to be done? When you pray, state the petition you have need of, but ask Me to work in My way. You can give Me direct requests, but know that I will answer in My way, which is so far removed from your way that it's like it says in the Bible, "as far as the heavens above the Earth." You'll never fully understand how I work. Sometimes I answer exactly as you wanted, and sometimes it seems nothing like what you wanted.

All I need from you is trust. Give Me a little more slack, a little more room to work in the way I see fit, without your starting to murmur and complain and doubt and say that I'm not coming through, and that you're always having to make excuses for My failures. (The Mysterious Keys - Part 2 #3473)

2. The Full Power of the Keys is Reserved for Disciples

The power of the keys is given most freely to those who have believing hearts, ready minds, and who are living the life of a disciple. So take a moment to meditate on whether you are meeting all the requirements for receiving the power of the keys. If you aren't, then work toward improving in those areas.

In short, living the life of a disciple means living the Word--whatever Word you have available to you, whatever knowledge and training I've given you, that's what I hold you to. (The Mysterious Keys - Part 3 #3599-1)

Being an instant doer of My Word is directly linked with your ability to access the power of the keys. Living all the Words I speak to you is directly linked to the power you are able to access. When you live the Word, My power flows through you, and you, in a sense, become the living Word, as I was the living Word when I walked on Earth. (Focus On the Power #3374)

The keys are a source of great power. All of these new weapons, because of their extreme power, are given only to those who are committed to Me as disciples. They have what you might call a security system built into them, which makes them available in full measure only to those who will use them aright and for My glory. Such gifts as acute spiritual vision, insight, discernment of the deep things of the spirit, and privileged information in prophecy are granted exclusively to those whose lives are sold out to Me and whose dedication is sure. (The mysterious keys part 3 #3599-2)

The gift of the keys is only for those who go further--who love Me, who live for Me, and who give their lives for Me. The gift of the keys is for My Endtime disciples. So seek within your own heart for the desire to be a disciple. The power of the keys will equal your commitment to discipleship, and not only your commitment, but your day-to-day living. As you dedicate yourself, and live your dedication daily, the power will come to you in the same measure. Then you must harness it and utilize it. These are the guidelines and the conditions of the keys of the Kingdom." (Call on the Keys! [#3368])

3. Only For the Glory of God

Call on the keys often, My loves. Wield them wisely. Handle them prayerfully. And know this: As I refused to use Heaven's power for My Own personal gain and desires, for mere show or to "amaze" the people, so you must do also. These keys are not given for your own glory, but for the glory of God. They're given that My light and force and power may be clearly seen through you, that all might glorify Me. They're given to you that you might do the things I ask of you.

It's a serious responsibility I place on your shoulders. Your use of the keys is not meant to be showy in that they bring you glory. I have entrusted the keys to the children of David not to glorify yourselves, but to glorify the Kingdom of Heaven. Be not as the proud of other folds who use their gifts in a pompous show, but glorify Me, in humility of spirit, in all things. (keys turned to swords #3375)

Key power finds its surest dwelling place and its greatest power in the heart and spirit of the humble. (MB)

4. Unity

(Jesus:) My fervent prayer today is the same as when I left Earth--that you will unite as one. You must choose to be one as My Father and I are one, or choose your own desires and move on. You must choose to unite, or to follow your own willful hearts. It's as simple as that. For the only way you will be able to fulfill your destiny, the only way you will be able to access the keys, the only way you will have the power to rise above all impossibilities is in the strength of unity. The only way you will win this war in the era of action is by uniting.

What I require in these Last Days of those who will follow Me closely, of those who will use the keys to the Kingdom, of those who will have the power to rise above, is that you join as one. There is no other way. Only in the strength of unity will all these things I have spoken of your glorious future come to pass. Only those who unite will be able to fulfill what I have spoken....

Those who continue on in the army of David must strive for unity at all costs. You must endeavor to live My Law of Love, to live together in unity, to unite in vision and goals, in oneness of heart, mind, and spirit. (What Is Full-time Discipleship? Part 1 #3469)

The keys will not sow disunity. They will not function or give their power to those who are not pulling together with others to accomplish the goal I have put before you. "Do it now" means instant obedience, but part of that obedience is continuing to work in counsel and unity, not going off independently, or you will wind up missing My highest and lacking the power of the keys. (Focus on the Power! #3374)

5. "Need to Work" Basis

The Keys will continue to work for you on a "need to work" basis. In other words, they will work for you when you need them to work, not necessarily when you want them to work. Both yours and My desire is for them to go to work more for you. This is still happening on a small scale, in comparison to how much is coming. It is always important to remember the "need to work" concept. As the darkness increases so will the "need to work" aspect of My Keys.

6. Be Respectful of the Word

The gift of the keys is so priceless, and I will only give it to those who are respectful of My Words, and those who are willing to be taught and instructed. (Call on the Keys #3368)

7. Focus to Be a Good Receptacle

You have to be a receptacle of the power as well as a petitioner of it. The power comes from the keys and goes into you, and then through you, to whatever it is that you're praying for or claiming. The keys do the work, but they do need a vehicle to go through. So your focus and solid concentration provide a better vehicle for the power to be channeled through. (The Mysterious Keys - Part 3 #3599-1)

The Purpose and Reason For it All

You must remember, My loves, the aim, the purpose, the goal, the final end result of why I put such power in your hands--which is to win souls to My Kingdom! This is the reason for it all. This is the reason for such great possession of My Spirit within you. This is the reason I give you full access to all of Heaven's power.

The outpouring, the power, these blessings I give you, My loves, are all to this end--that you might reap the harvest that awaits you. This is where your eyes must always be focused. This is the goal. This is your purpose in the era of action. This is the reason for it all, the purpose behind everything you do, the reason I place these keys in your hands, the reason I come to you now, to possess you in such a great way. The reason for it all is to win souls, to reap the final harvest in the end of days. Time is short, dear loves, so very short, and the night is fast falling--this is why I pour out My Spirit as never before.

I ask you now to join arm in arm with one another. As we join as one, let this fire burn deep within your bosom as you receive these blessings and mighty outpouring of My Spirit. As you access these keys to the Kingdom of Heaven in the days to come, never forget the purpose of it all--to reap the final harvest, to win, to gather the lost, to get the job done.

I will not be totally satisfied until every one is Home again, and believe Me, neither will you. And when you come Home to Heaven, your satisfaction will be in knowing that you fulfilled your destiny. You didn't quit. You didn't give up. You did your part. You fought until the End and you brought others in. Let this passion light your fire! As you go forward into this era of action, as you access My power in fuller capacity, enabling you to perform greater miracles, as you work greater works, always remember the purpose and reason for it all.
