

THE KEYS OF THE KINGDOM ARE OUR WILDERNESS

"The carnal mind fights, absolutely fights, against the Spirit of God. That's what is happening in your minds and why you are facing these questions, dear friends of Mine. The carnal mind just cannot understand the things of the spirit. The things of the spirit don't make sense to the carnal mind. They seem illogical, wrong, off on a tangent, and unreasonable."

The Keys of the Kingdom will open to us a way Into the wilderness

Revelation 12:14...

"And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent."

In some ways it shows that you are still children in spirit. But that's okay. I understand. I lived on Earth and I often had to reconcile the difference between the spirit and the flesh. I too had to make that leap of realizing that the spiritual had to have dominance in My life because I was going to live eternally in the spiritual world, the real world, whereas the physical world was just for a time.

So My Father helped Me to make the leap and to live in the spirit whilst upon Earth.

You are having trouble making that leap away from your carnal mind and living the principles I've asked you to live in the spirit.

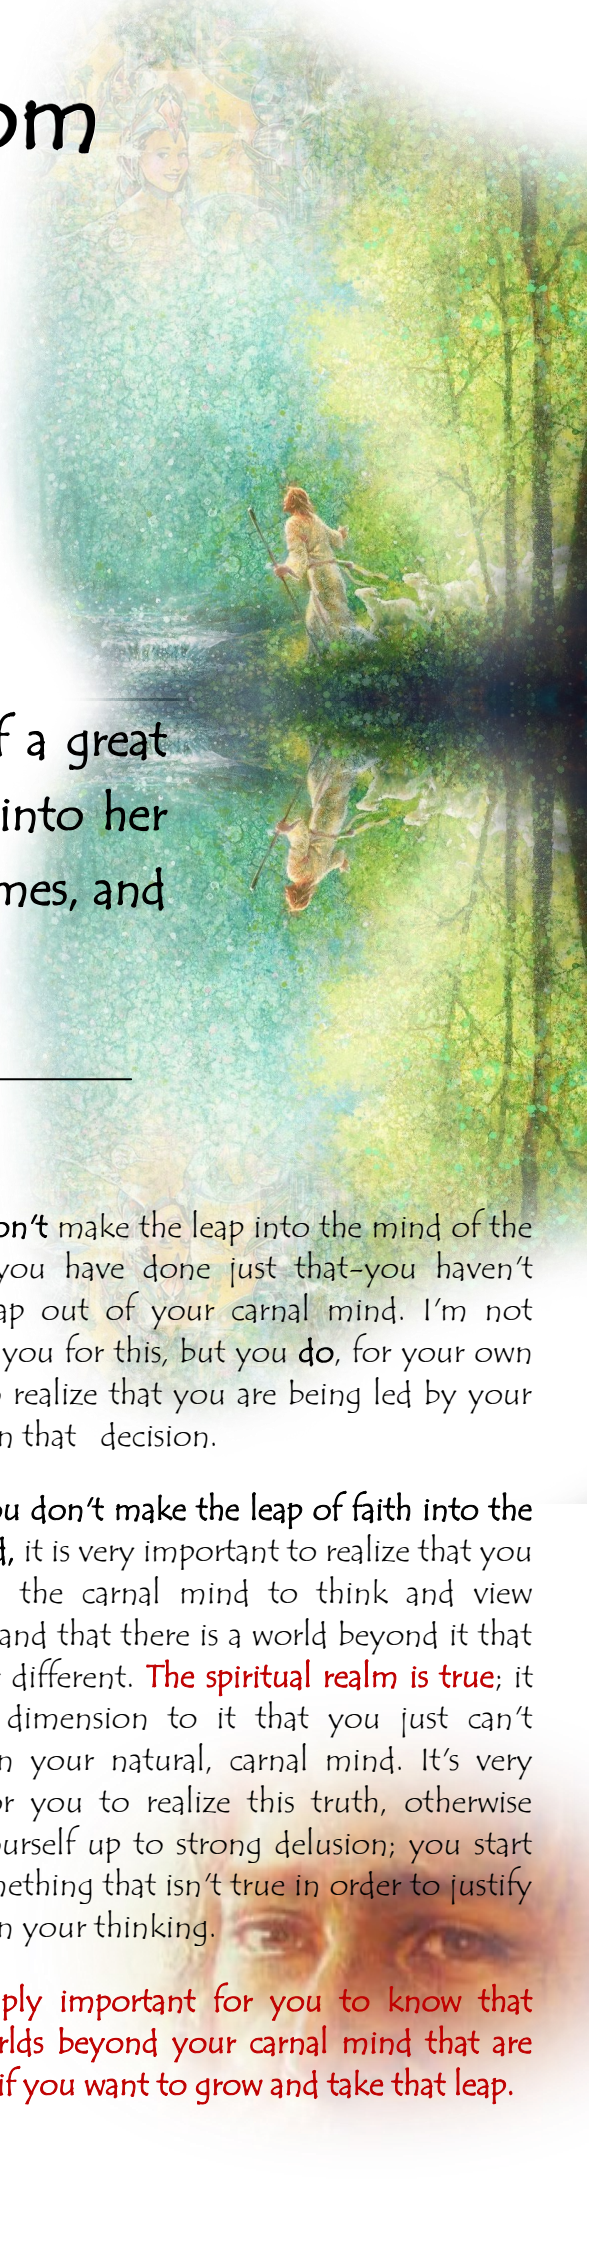

In the carnal world, things are solidified into categories. If you are thinking in your carnal mind, it doesn't make sense.

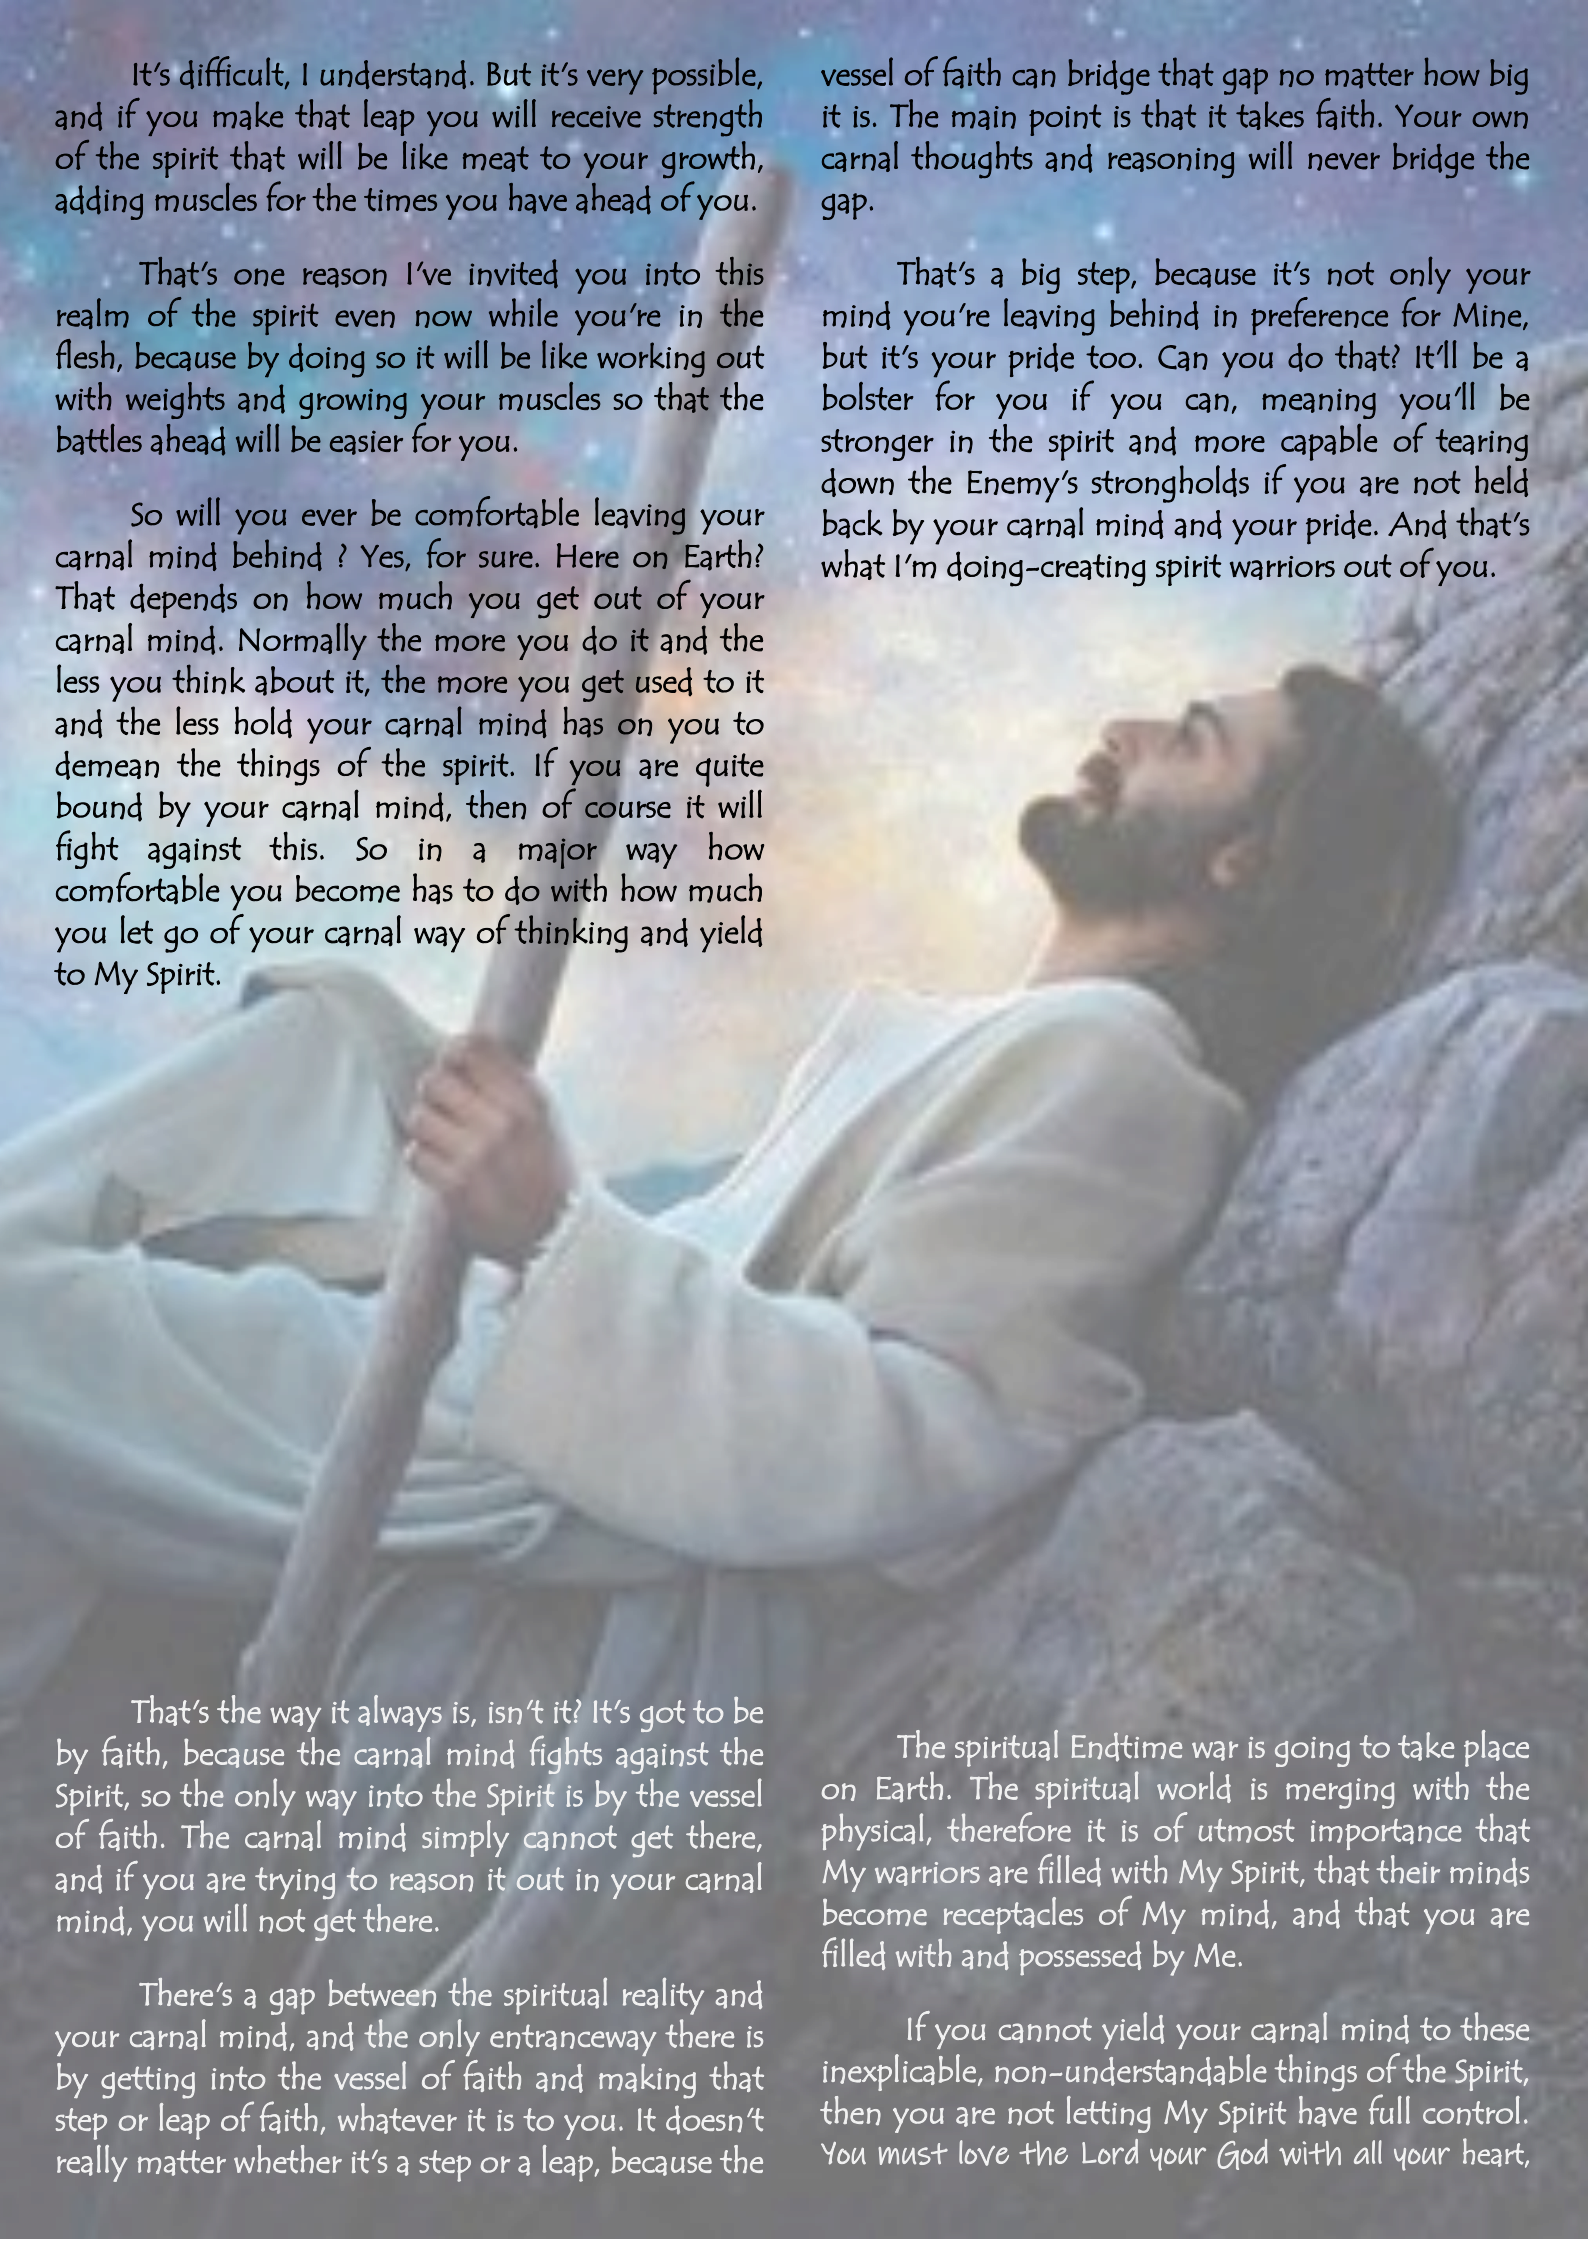

I want you to make the leap. No, you don't have to make it, and I will still love you if you choose not to. But I want to make the point clear

that if you **don't** make the leap into the mind of the Spirit, well, you have done just that—you haven't made the leap out of your carnal mind. I'm not condemning you for this, but you **do**, for your own sake, need to realize that you are being led by your carnal mind in that decision.

So if you **don't** make the leap of faith into the spiritual mind, it is very important to realize that you are choosing the carnal mind to think and view things from, and that there is a world beyond it that is completely different. **The spiritual realm is true**; it has another dimension to it that you just can't understand in your natural, carnal mind. It's very important for you to realize this truth, otherwise you open yourself up to strong delusion; you start believing something that isn't true in order to justify your choice in your thinking.

It's simply important for you to know that there are worlds beyond your carnal mind that are open to you if you want to grow and take that leap.

A man with a beard, wearing a white robe, is shown from the waist up. He is holding a long, light-colored staff with both hands and looking upwards towards a bright, glowing light source. The background consists of dark, jagged rock formations under a sky filled with soft, glowing light and small, star-like specks. The overall atmosphere is ethereal and spiritual.

It's difficult, I understand. But it's very possible, and if you make that leap you will receive strength of the spirit that will be like meat to your growth, adding muscles for the times you have ahead of you.

That's one reason I've invited you into this realm of the spirit even now while you're in the flesh, because by doing so it will be like working out with weights and growing your muscles so that the battles ahead will be easier for you.

So will you ever be comfortable leaving your carnal mind behind? Yes, for sure. Here on Earth? That depends on how much you get out of your carnal mind. Normally the more you do it and the less you think about it, the more you get used to it and the less hold your carnal mind has on you to demean the things of the spirit. If you are quite bound by your carnal mind, then of course it will fight against this. So in a major way how comfortable you become has to do with how much you let go of your carnal way of thinking and yield to My Spirit.

That's the way it always is, isn't it? It's got to be by faith, because the carnal mind fights against the Spirit, so the only way into the Spirit is by the vessel of faith. The carnal mind simply cannot get there, and if you are trying to reason it out in your carnal mind, you will not get there.

There's a gap between the spiritual reality and your carnal mind, and the only entranceway there is by getting into the vessel of faith and making that step or leap of faith, whatever it is to you. It doesn't really matter whether it's a step or a leap, because the

vessel of faith can bridge that gap no matter how big it is. The main point is that it takes faith. Your own carnal thoughts and reasoning will never bridge the gap.

That's a big step, because it's not only your mind you're leaving behind in preference for Mine, but it's your pride too. Can you do that? It'll be a bolster for you if you can, meaning you'll be stronger in the spirit and more capable of tearing down the Enemy's strongholds if you are not held back by your carnal mind and your pride. And that's what I'm doing—creating spirit warriors out of you.

The spiritual Endtime war is going to take place on Earth. The spiritual world is merging with the physical, therefore it is of utmost importance that My warriors are filled with My Spirit, that their minds become receptacles of My mind, and that you are filled with and possessed by Me.

If you cannot yield your carnal mind to these inexplicable, non-understandable things of the Spirit, then you are not letting My Spirit have full control. You must love the Lord your God with all your heart,

all your mind, and all your strength. If you are holding back some of your mind because you want to understand before you believe and trust, then you are not giving all your mind over to My control.

It's going to be important for Me to have control if you want to be used to the full, especially in certain battles with the Enemy where My mind can dominate and defeat him but yours can't. In those battles, if I don't have adequate control and possession, he will be able to outsmart you because that's his realm--the carnal mind--and if you haven't gotten over the little hurdles presented by your carnal mind and you haven't gotten used to going deep into My mind, then there are battles that he will be able to win against you and which I therefore cannot use you in. It's as simple as that. I can use you for certain things, but when it comes to the big games I'll have to put you on the bench and call in My first string.--Not first string because they are better than you, but because they have yielded all to Me and are going in with My full capabilities.

One other point that has also been mentioned before: You should remember that when My first disciples heard that they had to eat My body and drink My blood, it didn't make sense to them. They just couldn't figure it out. It wasn't reasonable. And those who were stuck in their carnal mind in the way they thought about it, and couldn't get it in the mind of My Spirit, left and walked no more with Me.

Those who stayed on had to take it by faith, that somehow, because of everything else they knew about Me, this must have some truth in it, although they couldn't perceive it at the moment. They chose to hang on by faith anyway.

I'd like you to believe by faith even if you can't see the reasoning behind it all. But again, that choice is up to you. At some point you'll have to choose either the carnal or the spiritual mind. So choose well, My loves. I need all the warriors I can get, and your rewards will be unfathomable. I love you. From the One Who loves you most of all. (Our Patient Lover: Questions and Answers on Loving Jesus [#3559])

If you are going to use the full power I have given you, I cannot share your thoughts with the carnal mind. I cannot perform mighty works through you in coexistence with the mind of man--for this hinders, it sets back, it stifles My Spirit from fully and completely performing great feats through you. It prevents you from activating the full capacity of spiritual powers that are at your disposal.

If you are going to work greater miracles, if you are going to fulfill your destiny, you must be Mine. You must be wholly, totally, completely possessed by Me, and in order to do this, you must put on My mind. You must more fully think My thoughts. You must allow the spirit of My mind to become one with the spirit of your mind. Your brain must be My brain. You must put on the totality of the mind of God.

How do you do this, you ask? To put on My mind, you must put off the mind of man, the mind of the world, the thoughts of Satan, the propaganda of Satan, the knowledge of the world, the wisdom of the world, the mind of vanity, the mind of flesh. You must put off a reprobate mind, a doubtful mind. Put off the carnal.

The carnal mind is enmity against Me--this is the crux of the matter. The carnal mind is the opponent of My Spirit, for it is not subject to My Law of Love, nor is it subject to the miracle-working power of My Spirit. Therefore, if you are going to be miracle workers, if you are going to call on the power of the keys and access them to the full, you must put off the carnal mind.

Throughout My Word I have chided My children to put on the mind of God, to be renewed in your mind, to mind not the things of the Earth, to set your minds on Heaven, to gird up the loins of your mind. That means putting up barricades to shield yourselves from the carnal. It means rejecting the wisdom of the world and not allowing this wisdom to enter and take root. It's rejecting worldly knowledge and ways, rejecting the enticements of that which is carnal. To gird up the loins of your minds means to prepare, My children. In this case, prepare your minds for action! Prepare to let My mind move freely in you. Prepare to be My miracle workers of the End. Prepare to do exploits, to do greater things than all the prophets or I did while on Earth. Prepare by putting on the mind of Christ, by allowing Me to fully possess you.

I want to fully possess you--but you must be of a ready mind, a willing mind. This is the step you must take if you are to use this new gift I place in your hands. You must desire the things of the spirit over the things of the flesh. You must put off the mind of man and put on the

mind of God.

Many of you hold on to carnal-minded-ness in some areas of your lives. These are hindrances that prevent Me from possessing you as I need to if you are going to hone the gift I wish to give you.

(FULL POSSESSION)

*This means listening to
His still small voice in
prayer*

Things that tear it down are working in your own strength, going ahead with your work without spending that solid time in the **Word, prayer and prophecy**, hearing from Him and loving Him. That's why these times in the Word and prayer are so vitally important. You need to get those two hours of quality time with the Lord in the Word, prayer and prophecy every day.

The days are getting darker, so you have to fight harder. Just because you don't see the battle doesn't mean it's not out there. Just because you can't see the Enemy and see the demons face to face doesn't mean they're not right there.

Learn the art of prayer. You will become a warrior of prayer, but you have to learn to focus that beam of prayer instead of shooting haphazardly. You've got to learn to focus it.

One single prayer that is truly focused and aimed is ten times more powerful than ten prayers that are semi-focused and haphazardly shot. You inflict more damage on the Enemy through one solid prayer that is thoroughly prepared and aimed and totally focused than a hundred unfocused prayer beams.

So learn to focus your thoughts, focus your prayers, focus your spirit, focus your mind, focus your soul, focus your whole "soulitude"! What is soulitude? That's soul plus attitude--your whole being--your soulitude! Focus it on the Lord, focus it on the power, and then shoot that prayer beam with pinpoint accuracy and blast the Devil to bits, blast the sickness to bits, blast the Enemy to bits, blast the problem or the obstacle to bits! Whatever solution you need, it's there through your prayers in the power of the keys, but you've got to focus on it.

(What is Jesus Worth to You)

GOING IN DEEPER

(Jesus speaking:) Let the wind blow! Let the wind of My Spirit blow through your hair and your body and your very soul. Be touched by My Spirit. Let it swirl and whirl and flow right through you. This is not the gentle breeze of My caresses that I'm talking about; this is the mighty wind of My mighty Spirit! I want you to know of My might and power. I want you to partake of My power. I want you to be overwhelmed by My power. I want My power to become a part of you. With that power you will conquer the nations, the hearts of men.

Because of this power you will be a thorn in the Evil One's side. Though there will be only a few of you when compared with the multitudes of the world, you will be a power to be reckoned with. You'll certainly be feared by those who are "in the know," for they will see your power and they'll know of the source. They will tremble! And because they fear you they'll try to stop you, but they cannot! They cannot stop My power that is within you. So take up your commission and take up your anointing and take up the power that I am endowing you with. Go and do battle with the Evil One!

(Era of Action Pt1)

The keys are yours; put Me to the test! Command the wind and the waves and all the elements of Heaven, Hell, and of the Earth.

I ask you to advance to the next level of commitment and dedication. No longer allow yourself to stay at a certain level of faith and commitment, but move forward with the swiftness these keys can empower you with. The time has come to move rapidly and to progress faster than ever. You cannot stand still any longer, for the world beneath your feet has become a sinking-sand cesspool.

My precious ones, now is not the time to relax or to let down your guard. Don't become complacent, knowing you possess the keys to unlock any door. For though they will unlock any door for you, you must learn the skill of turning the keys in the locks. You must learn which key opens which door. I will not hold back the approaching night of gross darkness much longer, so it is high time to realize and then release the power that I have placed within your hands and to practice with the keys. For in the darkness you will need to be masters of the keys.

It is now high time to learn to think in a brand-new way. I will flood you with "light packets" of My Word, filled with information that will teach you of this new way to progress and of the ways to use the keys. I will show you pictures, visions of great significance to make it easy for you to understand My will and the plan of action you are to follow. You will know My truth plainly.

It's imperative that you shed the weights that would keep you from rising above. There is no need to walk in the depths, the quagmire, the fog and illusion of the lower dimensions. It is My wish, and completely possible, for you to walk with Me above the things of Earth and to live with Me in My dimension.

If you feel stuck or anchored to a murky place, soar once again into the heights of Heaven by shedding the weights and burdens of Earth. Give up any burden keeping you down. Give that burden to Me and I will give you wings to soar!

You, My wonderful servants who so faithfully devote your energy, time, effort, and love to Me and My cause, I honour and commend. Yours is a momentous task, but I have now given you the keys that will unlock every door, and no recourse for help will be withheld from you. You're now breaking through the final levels of illusion and darkness.

(What the Future Holds Part 1)

Personal testimony

My Father had given Me a new anointing when I stood the tests of faith in the wilderness. I knew He wouldn't fail Me. But as all this was unfolding before Me, I knew I needed to get down to business and get some answers and direction, as well as something to hold on to for My Own peace of mind and spirit. I knew I had to sort things out in My mind and heart. It was not that I expected to understand everything with My carnal mind at the time, but I knew I needed some word from My Father, something to spark My faith, something to hold on to. You could say I was passing through My Own crisis of faith at the time. My faith was being sorely tested. I needed help. So I desperately called out to My Father, and when I did, He called Me aside. He told Me to come up into the mountain by Myself. At that time, I had one of the most serious of all conversations (in My human life) with My Father, and it was there He presented Me

with one of the most prized of all possessions. What My Father gave Me at that point in My ministry, I am about to give to you now; but before I do so, listen carefully.

A Boost from the Father To Fulfil My Destiny!

Up until this time I had passed the needed tests and made decisions and choices that brought Me to the point I was at. I chose to fulfill My calling, yet in order to continue in My calling, My Father found it necessary to make some changes and give Me some special gifts in order to facilitate My mission. He had already given Me a fresh new anointing for the job at hand. He had enhanced the gift of faith in My human heart, just as I have increased the same in your heart now. But it was My responsibility to do something with that increase of faith I had been given. I had to believe it. I had to access it. I had to act on it. I chose to do so. I made the right choices, and even though there were times I felt like giving up, I didn't; I held on to My faith.

Some of you might picture this "holding on to faith" in different ways, but when I say I held on tightly to My faith, I didn't just sit there "holding on" for dear life waiting for something to happen. Hold on to it I did, but I did it as I was on the go, putting that faith into action. I held it tight, all right, but I held tight as I was on the run doing the things that natural man said could not be done. I wasn't only holding on to My faith, I was proving My faith, putting it to good use, exercising it, stretching it, acting on it at every opportunity that presented itself. I always had to do My part.

What My Father presented Me with at that time helped Me to put My faith into action. What He was about to put in My hands gave Me courage to trust and obey where He was leading. What He was entrusting Me with was the means to get the job done, and this boosted My faith into action.

In that moment He gave Me the keys to both Heaven and Hell--the keys to unleash the power of Heaven and to leash any power of Hell. He gave Me full access to every power source of Heaven, the code to unlock every solution, the means to bypass all impossibilities. He didn't just give Me keys to designated sectors or portions, but He gave Me full and unlimited access--all the keys to Heavenly resources.

Now My Father was giving Me full possession. I held at My fingertips the ability to unlock everything, to have understanding of every situation, to understand when necessary every thought and intent of every heart, to release all of Heaven's power and bind all of Satan's power, should it be necessary.

My Father did this because He was going to expect more out of Me in My public ministry. Before that, I had access to Heaven, all right, but now I had complete access--no holds barred. This was because I had passed the tests thus far and could be trusted to continue. It was because I merited this help from Heaven, and My mission was crucial to the saving of mankind; thus it was necessary to equip Me with such access.

All power was given Me in Heaven and in Earth. I had the power within Me all along, just as you have had, for you were ordained and chosen since the beginning of time. So actually, in a sense, I already possessed the keys, but what happened in that moment, in terms you can understand, is that My Father enhanced My gift of faith and turned on My activation key, enabling Me to access the full power! I was equipped from the beginning, but now I would be able to access all power. All I had to do was My part--to believe and to take action. All I had to do was access the key codes, which I possessed. Much like you do today in accessing information on a computer; you punch in the right code and you're able to access all you need to know. It was that simple

Personal Prophecy

November 19, 2020

"The days are very dark now that the world has entered its last hours. The enemy is doing all he can to "draw in the net". I do all I can to warn My beloved brides of the enemy's attempt to smother all avenues of escape, travel and communication. To achieve his goal of total governance he not only needs to control all travel routes, but lines and means of communication between his avowed enemies. You My loves have high tech communication channels: prophecy, prayer,

meditation, dreams, visions etc., yet to communicate with each other on a physical plane you still use the system and what it has set up for its own use. This area is where he is working very hard on controlling; full monitoring of the wind pipe or airwaves.

If you can receive it; at the right time and within My will I will open up lines of spiritual communication between you My children stationed in the earth plane. At present you are experiencing a little of this interlinking; for example sometimes you say or think exactly what another person is saying or thinking or reading about without having had any physical or verbal interaction with that person, yet afterwards when comparing notes during a conversation with them, you realize or come to understand that that is what happened. You are recognizing that the spirit world is very much linked, your spirit helpers are hard at work breaking down the carnal minded barriers your mind has set up that interfere with this *DSL coming into full use. I am thinning the veil between My brides in the spirit world and My brides in the physical world but in so doing I am also building a DSL highway between My brides in the physical realm.

Are you ready for bigger miracles? That time is upon you, the time of suffocating all means of travel, communication and interaction between "friends" is very close at hand. Do not fear My loves, just as I opened the eyes of Saul and he became Paul, just as I communicated freely and openly with My Father and the angels that surrounded Me, so will I, according to My will open the veil and you will have open communication with loved ones here and on earth. According to your faith be it done unto you. But for right now, keep honing your weapons and trusting Me and believing the Words of David, and just at the right time, you will see the unfolding and fulfillment of all My promises" *
(DSL...Dedicated Spiritual Link)

Even when times are so dark,

when you see the reign of Satan on Earth in the form of the Antichrist, even then I will not forsake you. I will come through for you, be there for you, and always provide for you. I promise that you will never lack for My blessings, as you stay close to Me.

There will be suffering, as there is in any war, but those who endure to the End will be saved. I'm not painting a rosy picture of no trials for you, but I am holding a banner of victory high, which you will be able to see. Even if Satan seems to triumph over you in this life, he will defeat himself in setting you free to be far more powerful against him than you could have been on Earth.

You will see spirits of angels walk among you! You will have your eyes opened to see those who stand beside you in spirit. You will walk with them, talk with them, and be one with them on this Earth. I promise you that even if you find yourself alone and cut off from your brethren, you will never be alone. You will see the supernatural realm as if it were as physical and tangible as this world. I will open the veil sufficiently for you, so that you might see and live in the spirit while you are yet on Earth.

It is in this realm that you will receive strength and supernatural power to face any battle, overcome any conflict, and always be the winner. You cannot lose! No matter what the fight may be, you are unbeatable. You will receive power to do exploits! You will experience supernatural healings. Death will have no meaning for you, and in some cases you will call back the souls of them that have departed and raise the dead. [#3531]

That's one of the privileges of salvation: the ability to see beyond the physical, carnal dimension and into the realm of the spirit. You sometimes don't realize how much you know and understand, how much you see that others don't see. They live on the flatlands, in the plains and valleys of carnality, and they know not the reality of the world beyond, which is what makes your lives of such great value. [#3356]

Using your spiritual weapons
moves you to higher ground in the
spirit

The point is, I'm teaching you to be a warrior. Your battles have been heavy, but your use of the new weapons will move you to higher ground in the spirit—above the floods and fears and doubts and attacks that have been able to reach you. It's not bad that they've reached you to a certain extent. But what this has shown you is the dire necessity of **moving to higher ground in your attitude, in your spirit** [#3558]

Personal Prophecy

February 29, 2020

Angela:

"Don't give up in your mind, hand it over to Jesus; it's all in the mind, get it out, throw it out, just keep turning it over to Jesus, that is what Heavenly Thought Power is all about.

It's like a default button; every time the world tries to fritz you out just hit the default button and in an instant your mind becomes His mind and you are thinking His thoughts. Situations, conditions, things that seem impossible will not affect you because you will be seeing things through the eyes of Jesus who stands not in this world but in the spirit world, the world where all things are possible, where nothing is impossible. Call on the keys, every single time you feel the ways and thoughts of this world pull on you. You will rise above the waters rushing about your feet and instead you will be walking in the spirit and as the flood waters rise, which they will, you will stay just out of its reach. You will see the rushing waters taking many away, but you will not experience what they experience because the keys will have and will

continue to lift you above the waters of this world. You are in the world, but not part of the world. Jesus was in the world but not part of the world, He was other-worldly.

He walked amongst the people, He felt their pain, He experienced their experiences but in spirit was just above the waters that they struggled through each and every day. Only great faith in what the Word is telling you will you be able to accomplish this rising above. **You must exercise total faith in the power of the keys.** You must exercise great faith in the Words of David; you must think no other thoughts but what the power of the keys give you. They open the door to Heavenly Thought Power and Rising Above Power and Mind Melding Power; they open the doors to an incredibly miraculous life. That is why they were given to you so use them because you will sorely need them in the days that are almost upon you.

Remember the default button: when everything gets confusing, when nothing makes sense to the carnal mind then hit the default button because you need to put on His mind, because you are thinking and responding with the carnal mind, you are thinking like the rest of the world is thinking; and they are sinking, so if you don't want to sink right along with them then hit that default button and by so doing you will eventually go into constant default mode.

I'm telling you, and the Word is telling you that there is only one way, only one escape, and that is the keys to the kingdom. Read those words and hear: Keys to the Kingdom; the keys have been given so that you have constant access to the Kingdom of God and all that it has for you. All power, all miracles, all supply, all healing, all the love you need, all the wisdom you need, all the understanding you need, all the strength you need to complete your mission on earth.

The world is constantly relentlessly pulling on your mind; call on the keys to escape this pull, this disease really. Carnal thinking is a disease that causes worry and fear and lack of trust in an all-powerful God.

Get out of the carnal world of man by using the keys of the kingdom. Move up a level into the dimension that is just above the world of the flesh; of worldly man, and start working in the spirit today. Walk with us more, we are surrounding you constantly, day and night. So right now today this instant begin madly hitting that default button to allow the keys to give you access to this dimension. You've heard the saying, "this is not rocket science"; well that quote aptly fits what we are talking about here. All you have to do is hit the default button, call on the keys and things will start working in a spiritual, miraculous way and you will surely walk on water and not in it." (end of prophecy)

Those who desire to please Me, who desire to have Me, who seek to put on My mind, who seek after My Words above all, who long to know My thoughts above all, who mind not the things of the world and the status quo, but who desire only to hear My voice, who follow My leading at all costs who yearn for My Spirit and call out to Me, "Come, possess me fully! Come, let us have a mind-meld! Come, let Your mind become my mind," those who seek to know the totality of the mind of God.

These I will lift to supreme heights in these Last Days. You will rise above all obstacles to live in the miracle world, to transcend the earthbound and glory in the supernatural. To you, there will be no problems, no obstacles you encounter that can stop you--for anything that stands in your way will vanish before your eyes at the touch of your faith!

There will be no mountains to you, for I will fully possess you and the awesome power of My energy will flow freely through you--energy and power that know no stopping place, that never run out, that know no defeat--alive, active energy that will propel you, activate you, and energize you to fulfil the commission for which you were created.

All power is given to those who are not yoked to the knowledge and wisdom of man, to carnal-mindedness, but who put on My mind, who take Me in and allow Me full possession. And when I possess you, you will not be shaken in mind nor troubled in spirit, for I will live fully you. No fear will touch you, for you will exude My power, My love, My sound mind. (#3376)

GOING DEEPER

GOING DEEPER

GOING DEEPER

In the deep inner recesses of your spirit there is great strength and endurance, because that is where we are intimately connected. Your deep spirit is capable of great things, capable of doing those things that Hebrews 11 speaks of--subdue kingdoms, work righteousness, obtain promises, stop the mouths of lions, quench the violence of fire, escape the edge of the sword, out of weakness be made strong, wax valiant in fight, and turn to flight the armies of the aliens! These men and women were great in faith and accomplished great things, unnatural feats, supernatural things, because they did not settle for what their eyes could see and what their bodies and hearts could feel. They did not accept their feelings as reality. They endured, and persisted in "seeing Him Who is invisible"; they believed in things unseen.

You must take time to go deeper, to where the reservoir of strength and power and endurance lies, in our relationship and love for each other. If you don't go deep into the spirit and let Me deeply make love to you and fill you with My all-powerful Spirit and presence, then you will falter and the battle will seem to be too much. If you don't go deep into the spirit and use the spiritual weapons I've given you, believing that they are invincible, then you will only be operating within the confines of the Enemy's façades, where he can get you down, rather than in the reality of the spirit realm, where he knows that he's defeated as soon as you fight him with the spiritual weapons. [#3658])

Besides your salvation and the gift of the Holy Spirit, these keys are the most priceless and important gifts you have ever received, for with these keys, all Heaven, all Earth, and Hell is at your command! You possess all that is within the worlds and all that is between, and at your request I will unleash all that you need in the blink of an eye!

I want your mind, your spirit, and your heart to become

accustomed to the sensation of the power that I have freshly given unto you. For when you are accustomed, you will use these keys more. To become accustomed, you must practice.

For when you have activated the power of these keys, the Enemy can't come close to you, and My light will be so clear to you. He can't touch you. He is sorely afraid of the power of these keys, for they will be the cause of his end, and he knows this. For every weapon to defeat both him and his power is within your hands when these keys are put to use. And now that you possess these keys, I can speed along My return, and he will lose his power and be cast into the bottomless pit.

These are the keys of en-lightenment. Set aside anything that stirs doubt in your heart or mind concerning them, for only by faith will the full truth of the keys be validated.

Use the keys to unlock the secrets and the power within My Words. Many are the illusions and lies the Enemy will attempt to blind you with, but when you use these keys, you will come across mysteries and their answers in My Word that you never saw before.

Know for certain that you are destined to overcome Satan and all his minions. For the keys know no failure--only the perfection and power of My promises. Follow the nudging of My Spirit as you step out into uncharted territory now, for the Spirit will guide you into all truths, even as you ride the waves and brave the wind.

My beloved loves, you will become masters of Light as these dark days ahead unfold. This is indeed the era that has been prophesied and foretold for many ages.

Go out and rescue the lost. For the purpose of the keys is to fulfil My plan to reach all the lost of the world so that I may return and gather My loves unto My bosom. I will protect you as you do My bidding. [#3351]

Revelation

12:14

As I see the economies of the world begin to unite and their leaders and rulers vie for power and position, I realize that this puts pressure on you, My Endtime children, as you wonder how you will survive. Therefore I have given you this greater anointing of faith which will empower you to make use of the systems of the world in order to get your bread and water. You will have no fear and you will eat of the fat of the land, **for I have provided for you a place in the wilderness where you will be nourished for a time, and times, and the dividing of time.**

Therefore you don't have to worry about your own nourishment or your own safety. The mighty doors will open at the right time, and you will walk in unhindered and untouched. I will provide for My Own.

As the economies of the System tighten, unite, and synchronize, I will provide ways of abundance for you to continue to operate. I will provide ways for you to obtain all that you need from the Devil's ugly System. With Me, nothing shall be impossible, and you'll be able to thank Me for that loaf of bread, even if the Devil did bring it.

You will find ways to operate within the System as though you were a part of it, and I will give you the faith to call down powers of protection and supply from the Devil's System that hates you. For I will blind them to your spirit, and as they look on the flesh they will perceive in their own minds that you are one of them, not knowing all the time that you are Mine. [#3354]

(Jesus:) I have given you the keys as a gift of My great love, to enhance every aspect of your life. There is nothing they cannot do for you, for they are literally the keys to the power of Heaven--which is limitless. There is nothing the power of Heaven cannot do for you;

therefore there is nothing that is impossible to you, now that you have the keys.

I mean for you to use them at every opportunity! I want you to try them out, to seek Me for new ways to use them, to be continually calling on their power and using it all you can! The more you use them, the more you will grow to depend on the power of Heaven. It will become like an addiction, to the point that you will feel powerless without it. This is the way I mean for it to be--this is the way it must be in the days ahead. For the powers fighting against you will be increased, and the only way you will survive is to be so closely connected to Heaven's power, so exercised in using it, so familiar with what it can do for you, and completely dependent on it, that you are literally one with the power of Heaven, one with Me!

You can call on the power of the keys to help you leave the earthly world and flesh behind and enter into the true dimension of the spirit. You can use the power of the keys to make the transition to being My bride in the spirit. You can call on the keys to help you overcome any inhibitions that you feel. They can do anything for you, so anything that is on your heart to pray for, or anything that you feel is hindering you, I urge you to claim their power to overcome it or to change those circumstances.

But, My loves, the most thrilling part is that as you use the keys in every aspect of your life, as you step out by faith to call on their power and then witness the difference in the effect of your prayers and your efforts, as you learn to use them effectively, you will find our relationship greatly enhanced automatically.

It's as if you put your hand through the dividing line and turn the key of Heaven to open the doors for the power to pour out abundantly. Each time you do this, you become more influenced by the spirit. You become more aware of Me and My power and all that I want to do for you. [#3599-1])

You must divorce yourself from the carnal mind. You are then rejecting all the World has to offer you—its ways. So you can gird up the loins of your mind, so I can more fully possess you. Any of you can hold onto something of the world. I allow it My loves, I want willing minds, not doubtful ones. So the enemy has been sent to test you, for I wish these battles to purge you and clean you of anything that will be in the way of you giving your all to Me, to be able to serve Me fully.

Get it into your head...your life is not your own. You have been bought with a price. You have been chosen! You keep forgetting that and forget that you chose to be chosen! Why are you so perplexed that such sacrifices are being asked of you, as if I am asking too much of you? I'm sorry but you are all screwed up—you still have the mind of the World on you! You are living in the wrong reality. The World is a façade, it is not real. You've taken on too many of its aspects. It is temporal My love. It is a sham.

You are an AMBASSADOR! You are My representative. You are becoming settled. The World is attempting to assimilate you, as it has always tried with the children of God. The Israelites did not take long on entering the Promised Land, before a-whoring after false gods and idols and ways of the people there. Touch not the unclean thing, My love. It is Satan's attempt to pull you off the wall. His hot breath is on your neck! It is too much you say! Others have what I too want! Why can I not have that also? Why does it have to be so hard? But the thing is, **you are not an 'earthling', you are a citizen of Heaven and you are on an assignment here.** So look not to the right nor to the left, but turn your face forward, towards your goal! As a FLINT, My love. Be not deceived. Be not enticed. End of prophecy

The Enemy is interested in you staying chiefly in the natural realm--the realm of lesser power, and the realm where he is afforded more power--so he will try to keep you from having faith and belief in this gift and weapon. He'll use your natural mind and flesh and anything he can think of to keep you from believing in its power and trusting in its ability to take you further for Me.
