
Blueprint for the Final Hour

INTRODUCTION

“Your destiny is to be the ones who have the final key to turn the final lock. No angel in Heaven, no spirit being has this power. This is your destiny--you of the children of David. This is what I am counting on you to fulfill.”

There is a Heavenly timeline chart that Mystical Bible is following. And who is Mystical Bible? Those guys in the spirit world, that's who! We can't even see what's happening ourselves sometimes, and we are right here in the middle of it. This all goes back to some time after the Reboot, when the Children of David began coming back to their heritage. It's been a long journey and quite a story. This article is only from the last couple of weeks, and it is a story in itself. Each time we get a revelation, each time we get a prophecy, we put it on the blog. We don't always see the connection. Sometimes we don't even notice that all these independent prophecies or revelations are linked. But now when looking back a little bit, we realize...“Wait a minute; there's a sequence here. There's a series of events happening. Everything links together.” Jesus is leading us through the last 30 months and on to the End. He's saying, “This is what I want you to do now. This is the course I want you to follow!” Of course you can laugh. “Who are these people?” But then you're not looking at the right thing. You should be looking at the New Wine. You should be looking at what's happening in the Spirit World. We are listening to our spirit helpers. They're the ones putting all of this together. Only they can synchronize this the way it's been synchronized --all the events, all the happenings since the Warrior Band came back together in 2018, 2019. It's miraculous. The forest had been burnt down, but the saplings started coming up again. The phoenix was rising once more. Do you know the legend of the phoenix, what it does? It grows old and burns up, and out of the ashes a new phoenix arises. That's the legend of the phoenix, but this new phoenix is not going to grow old and burn up. It has already passed through that stage. This new phoenix is going to set the Devil's kingdom ablaze. Dad once said of the Family, “I thank God there's not enough time for us to grow old and become old bottles, and go back into the Church System.” Dad wasn't privy to what was coming down the line, was he? --the greatest revolution the family ever had, [the Reboot](#), the greatest tearing down that the Family ever went through. ...Now there is no time left; at least that's what we've been shown. And how is this phoenix going set fire to the kingdom of Satan? With prayer.

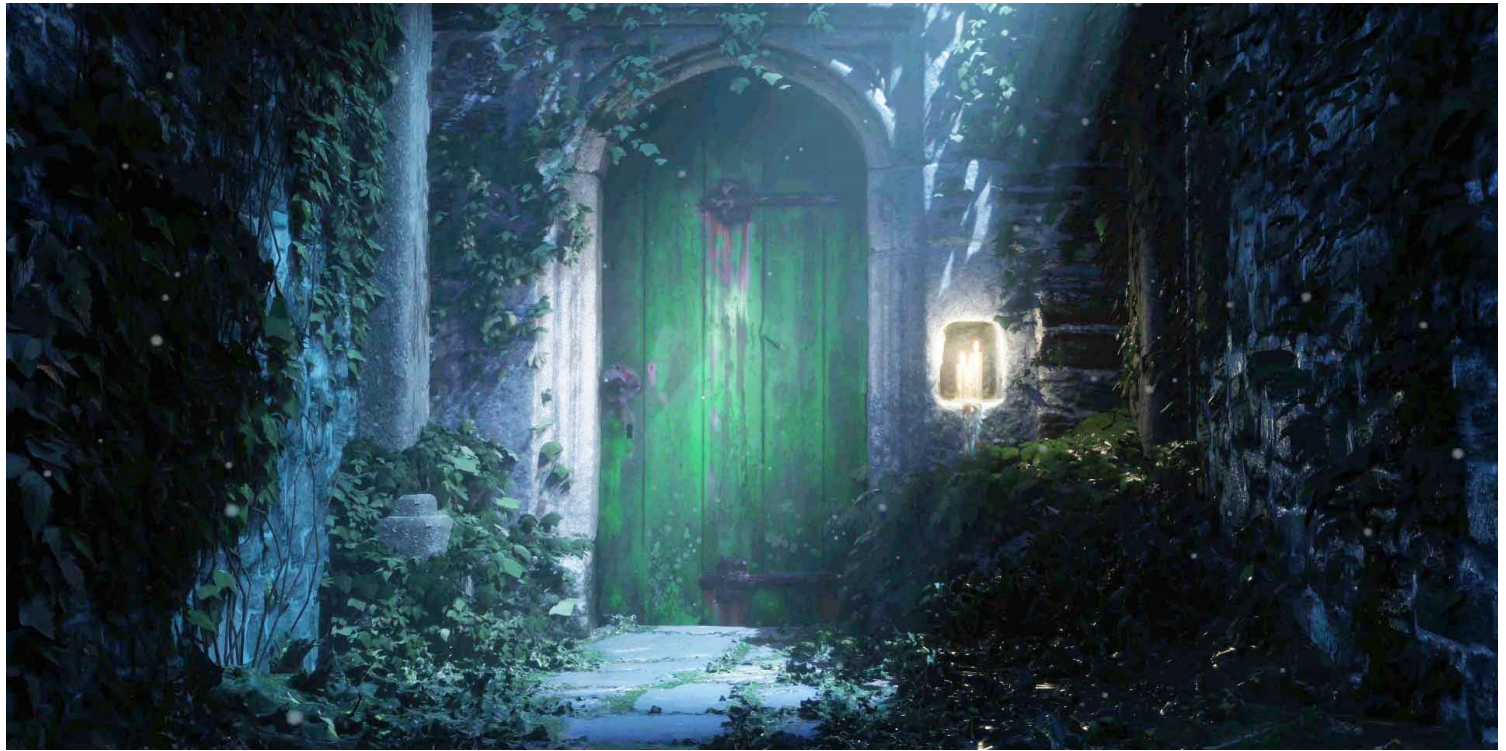

I've called this article, “Blueprint for the Final Hour”. I've sent it out once before as a PDF called “Blue Key, Green Door.” But now I am adding all the blogs that followed “Blue Key, Green Door.” along with updated comments and prophecy --because we've realized there's a plan evolving. By combining all the material, the plan becomes more defined. The article ends with a prophecy about the revelation of the Final Key, because the [Final Key Revelation](#) is actually about [an Ark](#). The Final Key is the Ark, and if you think about it just a little bit, you realize, “Yes that is exactly what it is.” All the keys throughout history make up the intricate Final Key, a test tube or time capsule. It's like an egg; it's even egg shaped, and it's being pushed into and through the barrier that Satan has tried to put between the two worlds in his feeble attempt to keep God out or off this planet. And what's in the time capsule? All the experiences, all the prayers, all the keys, the thousands and thousands of keys that constitute the true church --from Abel all the way to the End— all are inserted into this key. Every person, when they finished their mission, inserted their key into this test tube, this egg. I think they do things like that in the world. They put all sorts of stuff in a capsule and send it somewhere, in a spaceship or something, or maybe they bury it so that thousands of years later somebody can dig it up and find all this information. They actually do that. I think it's called a time capsule. Wow. We've heard that in prophecy recently, a time-release capsule! That's what the Final Key is!

So Jesus has continued writing the story of the Children of David and now when you step back, you realize “Wow, there's a continuance here. There's a sequence of events, a timeline chart evolving. Of course it didn't all stop at the Reboot. So this final capsule is an incubator of experiences, all the keys, all the prayers of all the saints that ever lived on Earth. Everything is held in the Final Key capsule, and our part is to put in our keys, our experiences into this capsule, this egg, this ark. And our prayers will drive it into the barrier. It's going to slam into that barrier, into its slot, and the barrier is going to dissolve and melt. --With what? Liquid gold, that's what destroys the barrier. That's what destroys the forces of the enemy. Then the Ark or the capsule passes through. The Ark goes into the New Millennium, and it's opened. If you believe in parallels then the Final Key is Noah's ark for this last generation. It's so clear now, so plain! When dawn breaks, the Ark is opened, and all that was inside goes out and is used in the new Millennium. All those people are real people, brought back to life in the Rapture, everyone materializes from behind the veil. It's miraculous! It's absolutely astounding and mind-boggling what is hidden in the Words of David, secrets that are only revealed if you keep believing. So people can laugh: I don't care if they laugh. Let them laugh, because we are going to have the last laugh --we, as in those that believe and keep believing. We'll have the last laugh. We are going to be the greatest soul winners this planet ever had --if we keep praying, if we believe this revelation. We aren't going to win thousands or hundreds of thousands. We're going to win millions upon millions, because we've released the greatest witnessing army that's ever been released on this earth, San-bahd-mahl and his people. And we are staying by the stuff, aren't we? So don't we share in the reward? They're the only ones that can go into Gaza. They're the only ones who can go into China, Russia, Malaysia, Indonesia, and all these closed countries. They're the only ones that can go in there, through the borders, past immigrations. Nobody can touch them.

This is our mission. All these messages that you are about to read take you to the “Final Key Revelation” which I was explaining just now. If you don't go over what Jesus gives you, it's like the MO letters, if you don't go over the MO Letters, then you can't connect the dots. If you read them once and that's it, you don't connect anything. That's just like having a taste, as sip. On the other hand, the MO Letters are like the Bible. If you go back there too much, you could get stuck there. And then you won't be up with what's happening now.

THE BLUE KEY AND THE GREEN DOOR

THE KEY TO THE BOTTOMLESS PIT

[Link to accompanying podcast: "Blueprint for the Final Hour"](#)

Prophecy, Jesus speaking:

"The Green Door that your David visited is an extension of the Bottomless Pit. It has no end and is an endless eternity of monotony. Your father David visited the Bottomless Pit and he named it the Green Door. He entered the reception area where all that enter must first register before being assigned their place of servitude. As there is an endless line of doors in the lighted corridor, so is eternity. There is Heaven for those that are found in the Book of Life and there is the Bottomless Pit for those who go down. Satan will one day be confined to the entrance of that pit. He will be assigned his place as overseer of all those that serve their sentence behind one of those doors along the endless corridor.

I TURNED TO YOU AND SAID, "LET'S GET OUT OF HERE FAST!--I DON'T WANT TO BE REGISTERED HERE!--I don't want to stay here! I'm not staying! I'm going, leaving!" We started running and walking real fast down the hall, when suddenly we came to this big foyer, like a huge hotel lobby or hospital lobby with this big front desk like a hotel or hospital desk, or reception desk. Just then the little desk clerk saw us and said, Oh, there they go! There they go!"-- And we began to run!--The desk clerk shouted, "Stop them! Stop them! They're not registered!

They're not supposed to be here! Stop them!" THE EXIT was right behind the desk and I couldn't understand why it wasn't guarded, but nobody seemed to know it was there but us, or even be able to find it, but us. It was like it was hidden from them and we were the only ones who knew where it was. Can't remember how we got in, but we must have come in the same way because it seemed to be the only entrance or exit and the reception desk seemed to control it.

BUT IT WAS SO UNLIKE MY OTHER DREAMS IN THE SPIRIT WORLD: IT SEEMED LIKE EVERYTHING EVERYBODY WAS DOING WAS TOTALLY FUTILE AND USELESS and just a waste of time! They were all very, very busy accomplishing nothing! The scientist was conducting endless experiments that never bore any results, and they were shooting rockets and more rockets into space that either never got off the ground or that never went anywhere! The soldier was on the battlefield and bombers were zooming overhead and shells

screaming and landing all around him, and he just seemed to be going through the endless hell of war just like he had been on earth. [\(Green Door!--A Dream of a Polished Hell! \[#0262\]\)](#)

"Through the power of the Keys, all Hell is under your command. So command the devils to flee from those whose hearts and minds are tormented, and they will be set free!"

Prophecy continued:

You have the Key to the Bottomless Pit. You have the power to free many from an eternity of endless monotony. Millions on Earth are already on their way to the Green Door. They are being prepared, and their life on Earth is a precursor to entering that door. They are already being controlled by Coosa in this world and are already being registered in preparation for their long, monotonous journey. The feeling you have of being trapped here in this "world of no escape" is only for a time. Very soon you will be set free. However, for millions upon millions around you, freedom will not come unless you pray to release them. You are experiencing temporarily what some have already been experiencing for thousands of years, and there is yet one thousand more years before the Great White Throne Judgment. You are the high priests for these ones. You must experience what they experience in order to have compassion on them. You must feel what they feel so that your compassion is turned into prayer for these lost ones.

Hebrews 4:15-16 and 5:1 For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin. Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need. 5:1 For every high priest taken from among men is ordained for men in things pertaining to God, that he may offer both gifts and sacrifices for sins:

You are experiencing what you are experiencing here for one purpose, and that is to be touched by their infirmities that you may turn again and pray for them. If you fail to connect your present experiences to prayer, then you are not fulfilling your purpose for being in this world. I have placed the Key to the Green Door in your hand; you have been given the power to release them. I took the Key to Heaven and Hell from Satan and have given it to the Children of David of the End for this time. The very power of the key he is using to trap and bind them has been released by My hand and given to you. You have the power to bind and to loose through the Key of 6.66. You have the Master Key; he has the copy. But his copy

is still powerful enough to lure those that have rejected the truth. The experience of overwhelming compassion that I recently allowed your dear sister to experience for the children of Canada was for the purpose of compassionate prayer. When touched by their suffering, she reached out to Me in desperate, heartfelt prayer. Call on the Keys of compassion every day before you pray, that you may come before My throne in desperation for the millions who are on the Road to Gragau whilst still in this life. You have a mighty harvest before you. This is your hour. Do you remember the prophecy you shared in the Reboot video about being cast into the abyss? Well, you are now in the abyss, because that is where the lost are. Yet you are only being slightly touched by the infirmities of these on the road to their eventual Hell behind the Green Door. You have 30 months left before I return, 30 months before your release. This is your opportunity to bring many with you. Just as I went to Paradise in the center of the Earth with the thief that day, so must you go with these ones in order that your prayers be heard and felt.

Revelation 14:2-6 And I heard a voice from heaven, as the voice of many waters, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps: And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth. (our prayers) These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb withersoever he goeth. These were redeemed from among men, being the firstfruits unto God and to the Lamb. And in their mouth was found no guile: for they are without fault before the throne of God. And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people. (San Badh Mahl?)

Who but you, the Children of David, understand these deep things of the spirit? You were told that the armies of Heaven wait for your command to charge. (end of prophecy)

[\(link to MB YouTube video: "You Begin this Charge"\)](#)

"The Key to release the angel that holds the everlasting gospel to preach unto them that dwell on the Earth has been given into your hands. Do not fail in this commission. "

Matthew 16:19 And I will give unto thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven: and whatsoever thou shalt loose on earth shall be loosed in heaven.

More on the Keys! What the Future Holds, Part 3 [#3354]

Yes, the Dragon has even now begun to snarl and to drag many into his whirlpool of deceit, and even many of your own flock has he subdued. But the time is coming when I will have you challenge him on his home field, go into his own dens to retrieve that which is rightfully yours, and those who are rightfully Mine. I wish for you to go on the offensive; let nothing stand in your way, for I send you out to free those caught in his clutches. I command you to enter the very strong-holds of the Enemy to set the captives free! I no longer wish for you to just gain those who are on the fringes of his entrapment, but I wish for you to enter his own dens of iniquity and evil to bring back My children who have been enslaved therein. I give you power over all the power of the Enemy, and nothing shall be impossible to you! I wish to rout the Enemy! I wish to remind him that there is a Power that he has to reckon with! I wish to show him that neither I nor you will be a pushover. I wish to remind him Who he's playing against, and to set up a blockade even now against his next move. For by an offensive plan of action, I will push him and manipulate him into a position of limited choices. "This may seem like a type of revelation, but prayer is the Key. Your bodily presence

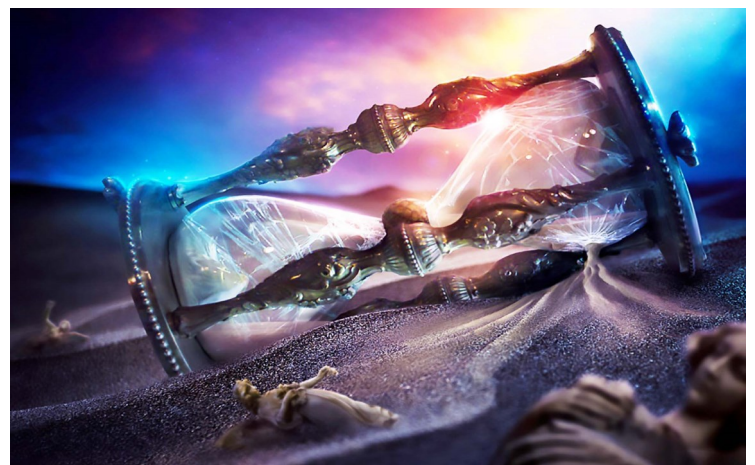

may not necessarily be required. In fact it may be more of a hindrance than a help. At times your presence will be required but it should never come before a bathing prayer has been cast. It is so much like casting a spell on the enemy. You just sit back and do the praying and we do the majority of the work, then after we are done you just come in and pick up the results. That is why you have been asked to use the keys all the time, to pray for everything."

THIS IS THE ERA OF ACTION, THE LAST GREAT WITNESS

MB: In relation to Revelation 14:2, which I just read, where it says, "and as the voice of a great thunder". I want to add the following. In yesterday's podcast, I mentioned that Esteban wrote me and was explaining how he had an experience whilst listening to a podcast. I'm going to read what he wrote because I think it may be connected to what Jesus is saying in the prophecy above.

Revelation 10:4-7

And when the seven thunders had uttered their voices, I was about to write: and I heard a voice from heaven saying unto me, Seal up those things which the seven thunders uttered, and write them not. And the angel which I saw stand upon the sea and upon the earth lifted up his hand to heaven, and swore by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, that there should be time no longer: But in the days of the voice of the seventh angel, when he shall begin to sound, the mystery of God should be finished, as he hath declared to his servants the prophets.

Esteban: As I was listening to the last part of this podcast and you read the message from Jesus where He is saying that "There will be another thunder coming," I remembered the post ["God's Thundering"](#) from Mystical-bible.

Then I felt moved to check Revelation 10 where the angel tells John to keep those things which the seven thunders voiced hidden or not to record them. But now in these days, these things are being revealed to us so that the scripture be fulfilled and the seventh angel may declare that time will be no longer. I hope I'm not going too far with this, but it seems to me that we must finish decoding all of the mysteries that these seven thunders have to offer. I also get the thought that maybe we are already close to hearing the last thunder. (end)

Today Esteban wrote again with the following prophecy that goes along with the podcast for today. And because his prophecy is so timely, I have to add it here.

Esteban...04-Jul-2023

Jesus speaking:

Will you receive Me and be inspired by Me? Will you let Me make sweet love to your soul and be full of my Words of life?

Keep on listening, keep on believing, keep on climbing higher and forging deeper and deeper into the reality of life itself. It's not that your reality is unreal. It is real, but it is only a fraction of what was and is and will be. For your perspective through the knowledge that you have at the moment is not opening the golden door to the totality of what I wish to give you.

I have much in store for the Children of David and them that follow after thee, so many abilities & visions of freedom, freedom from all thoughts that stop your body from acting the heavenly life. The life that I want to share with My Elites of David is a free movement of action, a better way of winning the sheep that are still left out in the cold of this dark winter night. Search them out and bring them into the fold. Use the keys and walk through the doors that take you directly to them, without having to walk long distances. Use specific keys that will unlock their spirits without having to talk long sermons and do great demonstrations to catch their attention. Work these miracles of love-making in the spirit through the blue power of the Keys that I've sent to work through you in these last days before My return. Your upgraded Blue Angels are your Blue Keys. They are the connection between you and the blue generators of life. Your relationship with them and the deepness with which you make love will determine how much power I'm able to pour over you. Do not be afraid of love-making and the hottest of My freedom. Do not shy away from My loudness and strong breath. Stay close and hold Me with all that is within thee, all of your heart, body and soul. Be true to what you have chosen to live. In all this, have fervent love one for another. Amen. (End of message from Jesus)

Crying in the Wilderness

Prophecy, Blue angel speaking:

If these should hold their peace, even the stones will cry out. You are those stones, those once-dead stones, those hearts of stone that have been made flesh.

Ezekiel 11:19 And I will give them one heart, and I will put a new spirit within you; and I will take the stony heart out of their flesh, and will give them an heart of flesh. **Luke 19:40** And he answered and said unto them, I tell you that, if these should hold their peace, the stones would immediately cry out.

So you see, my Key Share, you must cry out. If your mouth closes, the truth will continue to speak forth, only not out of your mouth because you have closed it. Be not as those that have turned their backs; be as those that desire their fire to be ignited. And let those that close their mouths come out to see you burn. You are those stones spoken of in Luke 19:40. (end of prophecy)

MB: As I was praying for the bones to be raised the following parable flashed in my mind and along with it the key of 6.66

Matthew 22:1 And Jesus answered and spake unto them again by parables, and said :2 The kingdom of heaven is like unto a certain king, which made a marriage for his son :3 And sent forth his servants to call them that were bidden to the wedding: and they

would not come :4 Again, he sent forth other servants, saying, Tell them which are bidden, Behold, I have prepared my dinner: my oxen and my fatlings are killed, and all things are ready: come unto the marriage :5 But they made light of it, and went their ways, one to his farm, another to his merchandise :6 And the remnant took his servants, and entreated them spitefully, and slew them.

MB: Do you see that word remnant? Why would that word be there up against the word servants? God's children are usually called "the remnant." So if you start getting persecuted by your brethren for continuing to believe in the Words of David, then you are no longer the remnant but a servant, and a servant's job now is to go out calling for the wedding hall to be filled.

:7 But when the king heard thereof, he was wroth: and he sent forth his armies, and destroyed those murderers, and burned up their city :8 Then saith he to his servants, The wedding is ready, but they which were bidden were not worthy :9 Go ye therefore into the highways, and as many as ye shall find, bid to the marriage :10 So those servants went out into the highways, and gathered together all as many as they found, both bad and good: and the wedding was furnished with guests :11 And when the king came in to see the guests, he saw there a man which had not on a wedding garment :12 And he saith unto him, Friend, how camest thou in hither not having a wedding garment? And he was speechless :13 Then said the king to the servants, Bind him hand and foot, and take him away, and cast him into outer darkness, there shall be weeping and gnashing of teeth :14 For many are called, but few are chosen.

MB: Jesus told me that until now we have been using the Key of Ezekiel 37 to call to the wedding all them that were bidden. We have been calling for a number of years now, but the response has been as was spoken in the parable. He said we should now put down Ezekiel's Key and pick up the Key of 6.66. This is the Key for the highways. Go now into the dens and dark places where you will find those that have been rejected by the churches, those who the enemy believes are his, and turn the Blue Key against his forces and snatch back both bad and good, for the Bridegroom comes. And it is not just the "bad places" where you will find the lost, but our prayers must reach out to whole countries, where you will find most of the people lost in the gross darkness of this world.

"The darkness of the Enemy, as powerful as it may seem, is no match for the power of the keys of 6.66. So we use them now to destroy and annihilate the powers of darkness."

INTO THE HIGHWAYS

[Link to accompanying podcast: Blueprint for the Final Hour pt2](#)

PRAYER IS THE GREATEST MISSION FIELD IN THE WORLD TODAY

MB: You may look out at the world today and feel great anguish of soul. The world seems more lost than ever. The night has surely come where no man can work. But don't despair for this is our time of greatest victory. In our youth we heeded the call to go into all the world as missionaries. We obeyed the call then and did our part to win millions to Jesus. Now in this last, dark hour Jesus has called us to the ministry of prayer. It is time to send out the armies of Heaven to finish the job that we and all the saints before us began. Heaven has millions of saints and angels trained and ready to go into all the world to reap the final great harvest before King Jesus returns. This is their hour, but it is also ours. Prayer is our commission. Prayer is the destiny of the Children of David in the time of the End. We have been given the Keys of the Kingdom for this very purpose. We have been given great understanding of the ways of the spirit. We have an intimate relationship with those departed saints from behind the veil of the spirit whom we work with. We pray that you will take your place beside us as we fight this final battle for the millions of souls that still wander the highways of this world. (end)

Bridge the Dimensions (The Art Of War – Part 7 #3626)

"I have a host of heavenly helpers. My angels and saints and spirits are without number. I have more than enough spirits to help Me on this side, but what is limited is the number of spirits in bodies actually alive and working in the world today. That's each of you, and you certainly aren't without number. There aren't that many of you. You're a precious commodity and something that is greatly needed at this stage in the battle.

While the war for the hearts and souls and spirits of men is fought in the spiritual realm, it is played out in the physical realm, and I need you to be My army on Earth. No matter how many spirits and angels and saints I have, I need you who are in the flesh, in frail human bodies, to be My messengers and warriors upon the Earth. Yours is a special calling. You're called to bridge the dimensions, to work in the physical realm, but also to have your heads and hearts in the spiritual realm, aware of what is going on there and working in the spirit to affect things in the physical. This means that even though you're in the earthly part of the battle, your calling is largely spiritual, and you're challenged daily by Me to increase your knowledge of the spirit and your activity in the spiritual dimension. You're precious, as I have said, and you're very few in number. You're priceless to Me because the training and knowledge that has been put into each one of you can't be learned easily or quickly. It

takes a long time for a new babe to reach your level of dedication and spiritual awareness. And not only that, but those who are willing to serve Me in this ultra-dedicated capacity are few and far between. You're the elite, the best of the best, as I often tell you."

"All those caught in the snare of the Enemy will be set free this day as you claim the keys on their behalf."

Journey to Gragau: "These are the souls of those who loved darkness and would not receive the light while they lived, and are not written in the book of life, and now they are to be held prisoners here and must walk through the dark valley of sorrows, on this great highway of despair. "But where does this road begin?" "This is death road and begins in the hearts of all who love darkness. All these are the souls of the dead arriving in Hell." As I looked across the vast stream of people of every race and nationality arriving, a great sense of sorrow passed through me. "Is there any hope for these?" "Where there is life there is hope. But these have passed beyond life, and now feel they have no hope. But I say, in God's mercy there is always hope. There is the power in the prayers of His saints, the holy ones who intercede before the throne of God for these. Some of these, after they have been tested here for a time, may find mercy and be transformed by prayer and the Holy Ghost. Some of them certainly can be delivered, and it is for those we battle with the dark forces of the Dark Prince."

Matthew 22:8-10 Then saith he to his servants, The wedding is ready, but they which were bidden were not worthy. Go ye therefore into the highways, and as many as ye shall find, bid to the marriage. So those servants went out into the highways, and gathered together all as many as they found, both bad and good: and the wedding was furnished with guests.

October 7, 2023, Prophecy

A cry has gone up from the wilderness of your world. It has reached the ears of the King, and a Holy decree has been declared, signed and sealed with the King's own ring. "Hear ye this day: all available personnel are to proceed to their assigned earthbound dispatch bays and once there are required to report to their respective team leaders for further instructions. Only essential service personnel are exempt and are to remain at their posts within the city."

The Last Battle has begun, beloved of God and of David. It is because of your pleas for help that the call to go into all the world has been proclaimed. It is as it is written. Only you can begin this charge; we wait on you to release the forces of Heaven.

Praying Like You're in Charge (Prayer Drive 2007)

(Jesus:) "Praying Like You're in Charge" means having confidence—also known as faith. It's absolutely knowing that I will do whatever you ask of Me. It means "commanding Me" and commanding action in the spirit. It means praying like you mean it, and like you believe it. "Praying Like You're in Charge" means getting down to specifics—times, amounts, details. It means taking a stand of faith and relying on Me and only Me to get the job done, to meet the need, to provide the solution. It's not relying on anyone or

anything else, or having a “plan B” in case I don’t answer prayer. The men know that they have no alternative but to fulfill the officer’s command. They don’t beat around the bush or second-guess the instruction. They say, “Yes, sir!” and they get to work. They complete the task. That’s what the Lord means when He tells us that He wants us to pray like we’re in charge. We **are** in charge! Jesus said that all power in Heaven and Earth is given to Him, and through the keys, we have access to that same power! Assert yourself in spirit! Pray like you really mean it! When you open your mouth to pray, there should be a firm conviction in your heart that it’s already done. The miracle has been unleashed. The answer has been given. Expect your spirit helpers to be successful in your mission that you’ve sent them on. That’s praying like you’re in charge—because you are! God said, “Concerning the works of My hands, command ye Me” (Isaiah 45:11). He’s telling us, “My unlimited power is at your disposal. I’m waiting on your orders. Give Me an instruction, a command, and I’ll carry it out promptly.” So what are you waiting for? Get down to business with the Lord today and pray like you’re in charge! Send the Lord and His mighty armies on a mission to furnish the wedding feast with guests.

(More on the Keys What the Future Holds Part 3 #3354)

Therefore I say, My called-out ones of the Endtime, blaze My message abroad! Make sure that it rings from the rooftops, that it echoes from mountaintop to mountaintop, across the valleys in between, and around the world. For as you communicate My message and it is blazed abroad for all to hear, My sheep will begin bleating louder and louder, and you will be able to find them in their prisons. Yes, there are many that will seek you out and find you; but there are many more that must be sought out. So send out seeker teams once the time is right. Once your message has begun to be blazed abroad upon the airwaves and the heavenly media distribution systems, then send out seekers to find those that could not find you, who are imprisoned in the depths of the Enemy’s entrapments, so deep that they cannot move by themselves. When the Enemy begins to see Heaven’s forces move, when he begins to see the lineup of My first teams out, he will be set in disarray and he will panic. He will be in confusion and will lose much ground this way. Yet this is only My initial thrust forward.

You Begin This Charge (Prayer Drive 2007)

The battlefield is set, the armies await, and the quiet before the storm pervades all. You look to Me, but there is no call from My lips to attack. There is no rallying cry to charge. I am silent. Why is this? Because, My loves, it is you, not I, that control this army of the spirit. You begin this charge. All that I have promised to do for you spiritually, I will do, if only you will command Me. Through the simple act of desperate prayer that holds Me to an accounting of the performance of My promises, you release these forces and you start the battle. But My army goes nowhere without your command. You command these forces. Do you understand? We promise you so much, we hold so much power, and the only condition is that you pray and release us, that you believe that we are here and that we will work for you if only you will set us free. So much is not accomplished because of your unbelief, so strive to

believe. Ask for My help to know beyond a doubt that there is spiritual power waiting to be released if you will just ask. Don’t grow weary or bored, but face this battle as the true-to-the-core spiritual soldier you were created to be. You’re not called to take up a sword or spear and face the foes in the flesh. You’re called to pray, to command the spiritual through your faith. Can you do it? Can you release this mighty army that will prepare the way for this offensive? Can you begin the battle? All Heaven waits on you. The angels look your way in expectant reverence, just waiting for the command from your lips.

What’s Happening in the Netherworld (The Asian Tsunami #3528)

(Jesus:) On the day of this disaster, December 26—not yet 24 hours past the earthly celebration of My birth—Hell belched and spewed forth Cyclor and his legions. This was no ordinary earthquake from the depths of the sea. On this day there was a great rumbling from the pits of Hell, and in the netherworld Satan opened his cavernous gates and out came Cyclor and his legions of demons. His power has now been unleashed to touch and hurt the Earth and the peoples of the Earth. His time has begun, and so must the Earth and the physical elements be touched in cataclysmic and catastrophic ways before the final end of days will begin for all the Earth. Did I not reveal to you what was soon to befall the Earth? Did not the vision reveal legions of demons standing in ranks, square formations awaiting the command from Satan himself, whereby they would be released upon the world? (See “New Spirit World Power” ML #3522:150-154, GN 1113.) This day were these legions released, and even the physical earth reeled and moved and opened as Hell spat forth its fury against Me and against My renewed and attacking brides—My Endtime army. Satan has gathered a great army in retaliation. Cyclor has been unleashed—Satan’s underling—who has been given power over the seas, over the earth and over the atmosphere, over all the physical elements of Earth. Now will begin great stirrings of the Earth, for this earthquake—Hell’s unleashing—marked the beginning of the physical and spiritual realms merging as has been foretold.

INTRODUCING SAN-BAHD-MAHL...WARRIOR CLASS...(New Spirit World Power! #3522)

[Link to accompanying podcast “Blueprint for the Final Hour pt3](#)

(Vision:) I saw an angel dressed in white and blue with a very bright countenance. His eyes were filled with light, and out of his eyes came lightning. He bade me follow him, and as I did, in the spirit he brought me to a doorway and told me to enter it. He said it was the doorway to the spirit world. As I went through it, it was like I

separated; part of me stayed behind and fell limply to the floor like a cloth, except it was my physical form. Then the part of me that went through this doorway seemed to be without definite form and was kind of translucent blue. He showed me a scene of what looked like a cave or grotto of some sort. I was standing beside him and he was letting me peer over the edge of a cliff or very high place. I was looking down and I saw legions of demons standing in ranks, square formations with banners, all awaiting a command. He told me that these demons were about to be unleashed on the world. Then he pulled me back and I walked back through the doorway and the vision faded. (*Vision received by channel the next day:*) I'm seeing him again, this time from the mid-chest on up. His face is bright and his eyes are glowing, with lightning coming out of them. He almost looks like a comic character, except that he's real. He's bald and is wearing half-crescent earrings in both ears. The lightning coming out of his eyes is arcing around and very active; it's as if this is part of his power.

I'm again seeing the vision I saw yesterday. I'm seeing the legions of demons lined up, getting ready for some marching order. There is this hideously ugly creature on a stone throne above them; his eyes are red and he looks like something between a snake and a really deformed lizard. His eyes are red and bleeding, and in his jaws are the souls of men who have not been saved. He's shouting orders at his captains, and they seem to be on some sort of transport ship. They're definitely on a ship, like an invasion force, and I can hear him screaming in raspy tones at his orderlies to "do this, do that, sharpen that line up there." But the most blatant thing I hear him screaming is, "Souls! Capture souls!" He's yelling that over and over, like that's his main interest. He's sending this huge army to capture the souls of humanity. He's yelling it out as an order, but also somewhat gleefully, as if he's lusting after them in his greed.

Prophecy, October 7, 2023: Now that I have you, My faithful Children of David of the End, in position and fully charged with the faith required to step into this ministry of prayer, I have sounded the cry to war from the battlements of Heaven. "To war!" I cry, "To war! The time of the End has come. The time for the Final Key to slam into the very gates of Hell is at hand. Now everyone to their battle stations. Everyone to the front lines!"

Spirit being speaking: "We literally dropped anything we were doing at the time. We had been prepped for this day beforehand, so we knew exactly what was coming down. When the call came, it was like an enormous electrical charge sweeping through the city. It was absolutely unbelievable. "All hands on deck!" the call went from person to person in an instant. We assembled in the Sea of Azure Blue. That is where most of the large earthbound teams leave from. Just being in that Sea of Azure Blue is like standing in a charging bay! We received a super-charged burst of inspiration, energy, vision, faith for the battle and a whole lot of other heavenly inputs. The sphere is enormous and was filled with hundreds of craft waiting for their load of military personnel. We are like those on the wall that Nehemiah built; tools in one hand and weapons in the other. Now it's all tools down and weapons at hand. The first teams out were those heading for the city of Jakarta. There have been teams going and coming for years now. There was a lot of activity in

the sphere during the heyday of David's Children. But nothing like the activity on this day. The troop carriers in Heaven are enormous; they can carry hundreds of thousands of troops in one load. We were dispatched above the city of Jakarta. The spectacle was much like a huge dam floodgate being opened. We hit ground and fanned out across the city much like the Tsunami explained in the prophecy above, except this was a tsunami of love. Apart from our spiritual weapons, we've been allotted a lantern that gives off this blue glow. It is much like the Azure blue of the Great Sea and the blue which covers each transport ship as a protective shield. Each transport ship has an accompanying Key Craft, and this is where the blue beings, which you call Blue Angels, are stationed. These blue beings regulate the flow of plasma from the Generators of God into each lantern. These are the lanterns we use to call those sheep that are trapped in the brambles of this world. They are also commonly called Lanterns of Discernment. They are somewhat similar to the Moor stone and the Breastplate of Judgment. They glow brighter or dimmer depending on what sort of spirit is around. We have an enormous job before us, but we are trained and battle ready. We are armed to the teeth and we know exactly where we are going and where the next rendezvous point is. That is where we will gather and be given our next orders. Indonesia is not the only country on the Lord's radar right now. But one thing is for sure, we wait for our on-ground commanders to give the orders of where to attack next. That is your job. The Sea of Azure is full of troop carriers just waiting for the command to attack. We are waiting for you. (End)

Souls (New Spirit World Power #3522)

Prophecy: We are the most highly trained professionals in the universe. We have been wooing souls for millennia. We have worked with the most famous evangelists of the earth realm and also the spiritual realm. Our commander is San Bahd Mahl and he is chief among those who protect against the demons of the netherworld. He is the warrior of the witnesser; the defender of the lost souls of mankind. He and we, his armies will accompany anyone who goes out to win souls—not just to witness and distribute tools, but to win souls, to defend sheep from the Devil's attacks against the souls of men. We also fight the hardness of men's hearts and help you to win more souls.

I am San-bahd-mahl. I am chief among those who protect against the demons of the netherworld. I am of the warrior class and am

one of the chief in the battle against Satan's grasp on men's souls. I am fighting for you, but I have shown you this vision because a renewed effort is about to begin to harden men's hearts, to drive them to insanity, to steal from them their souls. There is about to be a new drive by Satan himself to overwhelm the souls of men by using any tactic available to him—war, confusion, depression, discouragement, hardness of heart, hatred, evil, envy. Any weapon he has available to his warriors he will use.

(Vision:) I saw these creatures that had heads like a cross between a dragon and a snake with very large teeth. They were feasting on people and carrying their spirits back to this ugly demon. Then I saw San-bahd-mahl appear, and with him a host of angels who likewise had this lightning coming out of their eyes, and they began to zap and vaporize these demons and save people. We will accompany any Family member who goes out to win souls. The time is short, and as the scriptures say, there will be a great falling away and a hardening of men's hearts before our Lord returns. So it is. So it is about to be unleashed on this Earth. The time is right and the Devil has seen his chance. He will unleash this force of the netherworld to capture, devour and destroy the souls of men.

Prophecy October 7, 2023

As you have been reading, that time has passed. Today is our hour. The enemy of the souls of man did indeed make his move, many years ago now. He then sat back in smug silence watching his Opponent contemplate. There was no rush, no anxious, hurried move from the enemy's arch Foe. Our Commander-in-Chief showed no emotion at all. He waited as He studied the board of play. He knew, as is so often the case, that the enemy had overstepped and that his sense of judgment was skewed, his pride had once again betrayed him. What the enemy thought was the weakness of his Foe, was in fact His greatest strength. The hailed lawyer of the Word, Satan himself, had fallen for the same ruse that was played 2,000 years ago. The pride of Satan is blind to the cloak of humility. He never learned to cloak himself in this garb; he preferred to be lifted up.

A mighty King arrives as a babe wrapped in swaddling cloth, and within two years we had engineered his escape out of the hand of Herod. As it was then, so is it now. The power to overcome Satan comes not from the arm of flesh but from the spirit. Satan saw the Keys being presented to the Children of David. He watched as each revelation was handed to the dwindling band of children. As their numbers diminished, he saw his opportunity to strike. He knew the Word, and he thought he understood his quarry. He saw the furnace of purifying fire being heated seven times hotter than before, and he assumed none would survive. Wave after wave of demons and netherworld scum were sent to the front lines to utterly make away all that stood in his path to total victory. But now it is our Chief Commander's move. As was pointed out, the Enemy overstepped and underestimated and has now cornered himself. His quarry still lives. The bedraggled band of warriors, no longer members of the famed and feared Family of Love, has carried on. Yet, as before and as it has been throughout history, Satan looks at his overwhelming numbers comparing them to the pathetic numbers of his enemy. What he sees are a few scattered remnants of the once mighty army of God, a few weak children and some tired old war horses, but he just cannot comprehend faith. He embraces force and pride and bravado and numbers and intelligence and power and of course his plan and himself. But he always underestimates the power of faith.

Now our King will make His move; now is His hour. Now the world and the Heavens are going to witness His majesty and glory. Stand back, O faithful band of brothers! Hold high your banner of prayer. You have in your hands the weapons to destroy all the evil machinations of the wicked one. Stand your ground and pray as you

have never prayed before. Remember Elisha, remember Gideon, and Barack, and Samson, and Jephthah; David also, and Samuel, and the prophets. All these now fight by your side in the last and great hour before the coming of the Just One. Hold that fast which thou hast; let no man take your crown.

PRAYER FOR THE PALESTINIANS

[Link to accompanying podcast "Blueprint for the Final Hour pt4](#)

THERE IS NO GREATER MINISTRY, EVEN MORE SO NOW THAT WE ARE IN THE LAST HOUR

Prophecy, Jesus speaking:

"Is there a greater ministry than prayer? Is there a greater ministry than that which gives Me all the glory? If thou would shine with My glory, then enter into thy closet and close the door. The less they see of you, the more they see of Me. Did I not say that you would do greater miracles than I when I was on earth? Did you think it would be through your own hand...that it would be you? Oh, ye of little faith. Do you see that it takes far greater faith to sit in your closet believing that all that you ask in faith is being accomplished? The less they see of you, the more I can shine through. You are My transparent ones; you are as My blue angels. You are the blue sky. You are anywhere there is a need. There is no place that you cannot go in your prayers. No government can keep you out; no border can close its gate to you. Go now and be as Moses to those trapped in Gaza. Speak to the Rock; I will give them water and place manna in their satchels. Snatch victory out of defeat with your prayers. Be as a covering angel for these ones; be as the sky above. Cover them with your prayers. Command the stones to be turned into bread, and it will be done. Is there anything too hard for Me? Do you want these ones to be blessed by My hand? Do you want them to enter the Millennial Kingdom of God? Then pray for them, for My hand is mighty to save. I will come down unto them and cover them with My wings. I will keep them in their hour of tribulation, and one day those dogs that surround them, who say they are Jews but are not, will come and worship at the feet of these they persecute. Anything that you ask in My name and in the name of the Keys, I will give it.

I am using this situation and others like it to sift the wheat from the chaff. I am searching the hearts of men everywhere, and according to the choices they make, so are they sifted. The chaff will fall down, and the wheat will I retain for the next sowing.

Continue to pray, for this mighty harvest is well on its way and all My wheat must be garnered before the final storm. Men everywhere are choosing their future; they are choosing their path to the next millennium. I have said that I am closing the book and blowing out the candle; the hour of temptation has come. Pray that not one be missed; pray that they

that do not have a wedding garment enter not into the wedding feast. Behold the Bridegroom cometh; go now and bid all that would come into the feast "Come." For the harvest must be gathered before that great and final day when I call all of My reapers from the field. The Wrath of God will fall and all the tares, chaff, hay and stubble will be consumed. And after the fire has cooled, I will pour My refreshing waters upon the earth and again plant My new season seed." (end)

"Praying out of bounds is like pioneering in the spirit. You don't recognize any limitations. You expect the unexpected. You're ready to try anything, because you don't have any assumptions of what works and what doesn't work. You're looking for golden opportunities, and you're ready to jump in and seize them. Dad said that pioneers need vision, faith, initiative, and courage--and that's exactly what you need to pioneer in the spirit with prayer!"

Now, another way to pray outside the boundaries of the carnal mind, or expectations, or limited faith, is to let the spirit pray through you. This is a wonderful way to pray when the need is very great, or when you don't know exactly what to pray for. In cases like this, even if you try to put it into words, it seems insufficient in comparison to the great need.

It's helpful to pray in the spirit when you know in your heart that the Lord wants to do something great and awesome in a situation. But you don't know exactly what to pray for or what the Lord's plan is. So you can pray in the spirit by asking Jesus to pray through you in tongues, to intercede through you. Or you can ask a spirit helper who has the gift of intercession to pray through you.

This is one of the primary uses of speaking in tongues--using it as a form of prayer. The Bible talks about this, where it says, "the Spirit itself maketh intercession for us, with groanings that cannot be uttered" [Romans 8:26]. Praying out of bounds is a perfect time to work on this aspect of your prayer life and to become more comfortable with letting the Spirit pray through you.

Sometimes it's very effective to speak in tongues--not just as a means of priming the pump or warming up in the spirit or leaving your pride behind. But it can be beneficial to use your tongues as actual prayer. Intercede before Jesus in your heart, "with groanings that cannot be uttered," and let Him interpret it according to His will." (Prayer Drive 2007)

Prayer does not fit us for the greater works; prayer is the greater work.

There is nothing thrilling about a laboring man's work, but it is the laboring man who makes the conceptions of the genius possible; and it is the laboring saint who makes the conceptions of his Master possible. You labour at prayer and results happen all the time from His standpoint. What an astonishment it will be to find, when the veil is lifted, the souls that have been reaped by you, simply because you had been in the habit of taking your orders from Jesus Christ. (Oswald Chambers)

"The keys are unstoppable! We know that all power is given to us in Heaven and on Earth. So we claim the keys of 6.66 for absolute victory."

SEALING OF THOSE THAT WILL ENTER INTO THE MILLENNIUM

Daniel 12:12 Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days.

Jesus speaking: That blessed day is only months away. All that you see and hear of happenings around the world is as turbulence that precedes the birth of a new island.

"Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshing floors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth. (Daniel 2:35)

As My Kingdom emerges from beneath the waves of the sea, the kingdoms of man, now shifting and cracking, will begin to tumble and fall into history, where all other earthly empires have gone, and in time all will pass from memory.

You are privy to the fall of the final empire of man. Those that have not discerned the signs of the times are even now unaware of what great events are taking place around them. To you who believe and have been listening, I've been faithfully revealing My secrets. Preparation in your heart has been ordered by Me. With each step of faith and obedience from you, I have been preparing you for the work I have for you now.

"The preparation of the heart in man, and the answer of the tongue — is from the Lord." Proverbs 16:1

Hell is breaking loose on the surface, in the material realm. This is because you are witnessing a "pushing upward" of the new and a breaking down of the old. The spirit world is merging with the material realm.

As the blessed day of Daniel 12:12 approaches, you who believe will begin to see signs and wonders in the earth and heavens, and you will understand. They who do not believe will not see them as you do and will therefore not be given the understanding.

You might say there is a race against time. Satan is feverishly working at reaping his harvest of souls by bringing forth as many disasters as possible before his time runs out and he is cast into the Bottomless Pit. I have told you that this is the last great harvest, the sifting of the wheat from the chaff. I have shown you that the emphasis on winning souls has shifted from the material realm; where once My missionaries went out into all the world to win the lost through personal witnessing. Now the night has come, and no missionary can work as he once did. Not all, but much of the witnessing now is being done behind the veil in countries that you have never been to or situations that are impossible to witness in right now. Like Gaza for example, no missionary could possibly go there and preach about Me to those who are embroiled in this disaster. And even if someone could go there, they would never be able to reach all those that need to hear the truth. The world is a big place, My loves, and there are still billions of yet unevangelized people wandering lost in the wilderness of this world. Who is going to reach them? Can you? Will you go?

This is a new "Era of Action", My faithful missionaries of David.

Yes, you can go, and yes, you will go —in your prayers. And in whom will your prayers go? They will go by sending out witnessing teams from the Heavenly City. I have not been slack. Since the beginning of time, I have been preparing for this. The city now has millions of teams trained and ready to go and do their part to help

Me and you reap the final harvest.

“And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people.” Revelation 14:6

“And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe.”

(The 2004 Asian Tsunami)

(Question:) Lord, can You please explain how there can be millions of Christians in Heaven who haven't yet learned how to witness and tell people of Your salvation?

(Jesus:) Heaven is a vast place, My dear ones, with many different classes and ranks of people. Yes, there are millions here who have not yet learned how to witness or accomplish much in the spiritual realm. Many are new or recent arrivals, and others are those who came to Heaven with little more than a salvation prayer, but who had little or no knowledge of Me and My ways. Some received Me as children, through a simple prayer, but then forgot all about Me. Others got saved on Earth and called themselves Christians and went to church occasionally, but that is all. Others were from remote tribes or primitive people who were witnessed to by a missionary and received Me, but had little spiritual or even material knowledge.

When they reach the spiritual realm, all of these dear ones must be brought along steadily and gently and be educated in heavenly ways. Many in Heaven are in schools of various sorts, with many here teaching and training them. And this is yet another lesson for some of them, field training, you might call it, for the many who are in need of it. (End of message.)

A Race Against Time

Prophecy: As I have pointed out, we are racing against time. And it is as I've said in **Revelation 12:12...Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.**

I am informing you that this time is upon you. It is he, Apollyon, the destroyer, and now that his time has come, he goeth about the Earth destroying the bodies of men in hope that their indecisive souls will fall down when they pass over. I am speaking of all those that are yet alive. When you release My heaven-trained witnesses, they go throughout all the Earth, and their job is to bring each person on Earth to a point of decision. There are no more fences to sit on. Time is coming to a close. I am using Apollyon to force everyone to choose. Not for Me necessarily, but for love, for light, for good, for peace. This is the decision I am requiring from every person on Earth today. For the time of the End has come. If you go onto news sites and scroll through the comment sections, you will see the choices I speak of. Those comments are a small cross-section of what is happening in the hearts and minds of man. The

stronger the Great Tribulation becomes, the more pressure will be placed upon the undecided and lukewarm. I say again there is no more in-between. Are you for Me or against Me? I am Love, I am Peace. Blessed are those that want peace, for they are the children of God and they will be sealed and marked to go on into the New Millennium. I am meek and lowly of heart. If you choose meekness, then you will inherit the Earth and in so doing you will enter into the New Millennium. I will keep these ones through Great Tribulation and the Wrath of God and they will indeed enter into the one thousand years of peace on Earth. These are they who do not know Me personally, but because they chose love over hate, because they want peace and not war, during this time of harvest, they will be given their opportunity to hear of Me in a personal way during the thousand years of peace on Earth.

“Blessed are the poor in spirit: for theirs is the kingdom of heaven. Blessed are they that mourn: for they shall be comforted. Blessed are the meek: for they shall inherit the earth. Blessed are they which do hunger and thirst after righteousness: for they shall be filled. Blessed are the merciful: for they shall obtain mercy. Blessed are the pure in heart: for they shall see God. Blessed are the peacemakers: for they shall be called the children of God. Blessed are they which are persecuted for righteousness' sake: for theirs is the kingdom of heaven. Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake. Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you.”
Matthew 5:3-12

If you pray using the Keys of the Kingdom, My witnesses will be empowered to do many amazing miracles. They will be given permission to thin the veil and reveal themselves in dreams and visions and even in person to these ones that pass through these days of tribulation. What was once only permissible after the soul had passed over the veil will in many wonderful ways be permissible on the material side of the veil. It depends on your faith and your prayers. You hold the power, through your prayers, to release My witnesses and give them freedom to do more than they have ever been permitted to do up until this time. Now is the time of the Keys; power to the people of the Keys. The Keys have been given to the Children of David. You hold the Keys in your hands. And now that I have revealed the power of the blue frequency key of 6.66, the power to pass through his dark barriers is enhanced many times over. In time, as you exercise your faith in the Blue Key, I will show you how to better use its frequency. I want to see faith, for it is your faith that overcomes the world, and it is your faith that will defeat Apollyon in these very last days of the End. Yes, My fighters, Satan has become Apollyon, and he is in a rage. For his avowed enemy, the Warrior Band, whom he thought he had destroyed as if by fire many years ago, has risen from the ashes of defeat. However, this phoenix will instead set his world on fire. You are weak; you are but a fraction of your former selves. You are a Gideon's band, but you are My chosen instruments of war. Your weapon is the Keys. You are armed with the power of prayer. You and we are that mighty army of the End, spoken of in the Words of David.

As I told you before, Cyclor and his army were sent up at the time of the 2004 Tsunami in Indonesia. He has wreaked much destruction and despair since he was brought forth. Next year will be his 20th year. Because of your prayers, I have sent forth San-Bahd-Mahl and his armies. This is My rebuttal, one year before his 20 year anniversary. I surprised My enemy. Yes, he cried foul, but in his pride he forgot that I am the Game Maker. I rule, not him. I am answering the prayers of My Elite in order that Matthew 24:22 be fulfilled. Be patient, My brides, for all prophecies must find their mate before My return.

I have told you that each of My witnesses go forth with a lantern of discernment. These they use to examine the hearts and minds of those they meet in their diligent search in every house and office, every place of work or play, every village, town and city across the face of the Earth. They go into the countryside on every highway in search of those that must be brought to a decision. As I said, My witnesses, depending on the power of your prayers, will be given permission to go the extra mile to bring a soul to a decision. Listen to the following excerpt and allow My insight to increase and broaden your capacity to pray full-of-faith prayers.

(The 2004 Asian Tsunami)

I have not forsaken any of these survivors in their hour of need. I come to them. Even those who cry out and curse Me because they think I am responsible for the pain they are suffering, I still go to them. I have sent My emissaries to them to answer their prayers, to bring them dreams and visions and still small voices of counsel. **It is up to them to listen.** If their hearts are full of hatred and bitterness and are closed off to Me, or they are crying day and night to heathen gods, they won't benefit from the help I am sending them. But many are only distraught and confused, and this spiritual army is making headway into their hearts, bringing them comfort and light in the midst of what would otherwise be utter darkness. **You have heard the miraculous stories of those who survived the waves. But there are great testimonies that could also be told by those who are surviving the despair.** The world will not hear these stories, but they are real stories of being guided through the carnage and back into life-not just mothers or fathers finding children and families, but mothers and fathers learning how to cope and care for their surviving families in the midst of the carnage; children finding happiness even though there is suffering around them; dreams that come in the night to inspire faith for the difficult days.

Many more will die, and you wonder how these spirit helpers will help them. But you must remember that passing from this life into the spirit world is not a bad thing but a wonderful thing. Death can be viewed as a golden opportunity. Care for the living, give them food, water, and the truth they need, but also rejoice for those who have died or are dying, for they will come to know about Me and have a choice for Me once they are on this side.

As you know, it's difficult to reach everyone with the truth in the world you live in. But it is not difficult here, where all physical barriers are stripped away. Even the Devil is not given the power to stop them from hearing the truth on this side. He is allowed to invite them into his kingdom of darkness and to try to persuade them to follow him instead of Me. But he is not able to block the light from being shown to them.

So, My loves, even when you read of disease taking more from earthly life, know that I will lovingly receive these people into the spirit world, and send the truth to them that they have not yet been able to receive or partake of. They will have that opportunity on this side to make the choice between the light and darkness. And as for those who survive, I send them spirits of mercy, new heavenly soldiers who are volunteers going forth into their first battles.

I have also instructed Michael and his legions to clear these areas momentarily of the demons that obstruct the truth, so that these new soldiers of Mine can have quick and easy access to the survivors and can speak to them unhindered by the forces of Satan. **There is only a small window of opportunity for each of these survivors, in which the Enemy is blocked from influencing them with his evil forces.** Then once they have been presented with My love and have had an opportunity to experience My love, the Enemy is allowed back in.

These departed Christians aren't always able to give them the full truth and specifics about Me, their Savior. But they are able to show the people that I am a God of love with a personal interest in each of them. **Those who are receptive to this message are then given more truth, and assigned permanent spirit helpers to continue to lead and guide them and speak to them.**

So as you can see, I do not leave anyone comfortless. I give each the opportunity to know My love. And for those who are receptive to these messages of love, the channel between them and Me has been created, and I continue to give them these messages as long as they continue to be receptive.

You can rest, knowing that the survivors are being cared for. Though you hear the news about devastation and sorrow, the media do not report how My Spirit comes through. I bring hope in the midst of their despair. I am a God of love, and even the destructive forces of war or volcanoes or tsunamis or plagues cannot stop My love from reaching a heart that cries out for My truth.

My love is always pouring out, in such great abundance that even the fires of this life cannot stop it. These fires can burn away the dross of life, they can cause immense pain and suffering, but they cannot torture the soul by blocking My love. **Instead, they often make a way for My love to finally break through.**

This was the case for many of you: Times of sorrow were what turned you toward Me, and once you turned toward Me, you never wanted to turn away again. I didn't have to use sorrow to keep you looking toward Me. The sorrow just got rid of the blockages that kept you from noticing Me. And once you noticed Me, you were in love, and never wanted to be away again.

From the spirit of a man who is still alive, who miraculously survived the tsunami and even rescued his own family. It was like he himself is still a normal person with all his faults and failings, but inside, almost unknown to his carnal mind, his spirit is calling out and searching for answers.

I am the spirit of one who escaped death in the tsunami. Why do I call out to the children of David when I am alive and not dead?- Because, although I am more open in the spirit, I am still very bound in the flesh, and a thousand questions about my life rise up and crash in on me like the tsunami itself. I must know! I must find out! **My brush with death and the miracles that happened to keep me alive have given me a great desire to know why.** What is the greater truth that lies behind the events of that day? Why did I live when I should have been the first one to die? Why was I able to rescue my whole family when so many others perished? Who was it that helped me and spoke to me in that terrible moment of desperation? This is not the first time I have been so close to death. This is not the first time I have felt His great presence.

My loves, even this-though tragic and catastrophic-must happen for the Scriptures to be fulfilled and for the events of the Endtime to be played out. This and many more such catastrophic events shall you see before the End of days. **Satan has unleashed his fury at the army I am amassing,** and great has been the loss of life. Great has been the sorrow, but I claim the **final** victory in bringing many into My arms through this. The Earth-even in her heaving and fury-has yielded many unto Me. These are the blessed ones-although in their wake they leave much sorrow. Weep not for these, for they are safe with Me. **Weep for the lost who do not yet know Me.**

Yes, thousands have been lost, but so many more thousands-yea, tens and tens of thousands-will come to Me because of this. Satan has unleashed Cyclor, and the unleashing has sent waves that have claimed the lives of thousands, but you have no idea what fruit I will claim from this!-Waves upon waves, rings upon everlasting rings will be the ripple effect from this disaster in the spiritual realm. This

has already caused a great stirring in the hearts and spirits of My children within all circles of My Family, and a great widening of the eyes of the peoples of the Earth.

This is only the beginning. The bell has tolled out the last Christmas where the Earth lies dormant and asleep; now she has been awakened and her travail will begin. Now begins your time, My children, My conquering and attacking army—your time of reaching the lost and the peoples of this Earth as never before. Now you must reap the harvest. Now you must reap as you have never reaped before, before it is too late for many. Great was the movement in the spiritual realm on this day-. Let this sober you, My loves, as to the urgency of reaching the lost.

MB: Prophecy continues: So pray, My chosen of the End, and release the power that will assist My children to win the millions still lost in this dark and cloudy day. Some who leave Heaven on this assault have never had their opportunity to witness and win a soul. They have no diamonds in their crown, no shining, no glow. This is their big opportunity to gain some points in this arena. You can be the slingshot that sends these small pebbles toward the giant's forehead. Once they have gotten the decision from their "sheep", then that sheep is tattooed or marked by Me and is set to enter the coming millennium.

Proportional Frequency

As man and Earth (My creation) draw closer to the time of My arrival there are some preparation and adjustments to be made. It is somewhat like when a president from another country comes for a visit. It begins with informing a few of the top people, and it is their responsibility to begin preparations for the visit. Only I'm not coming for a visit; I'm coming to take over, and that is no small wave. I first began preparing My children for My coming thousands of years ago. As the time drew closer, I sent My ambassador to lay the groundwork for My arrival. That was David's main mission; he was My Endtime prophet. It was his job to make the announcement, and as you know that was a major wave. It spread around the world and touched the shores of a hundred plus countries. Now remember, I am not coming for a visit. I am coming to stay, so the preparations are different. A visiting president always has a few of his own people on ground to make sure things are in place to expedite his visit. So even now, I am cleaning up the place by replacing those who are presently running things and putting "My people" —the people of the saints of the Most High, in the positions of responsibility. I am no mere president. I am a King, so there are going to be a lot of changes

2004 Tsunami, A Time of Recruitment

The 2004 Tsunami, in a material sense, was a great and terrible disaster. It was intended by Satan to be a major blow to My Kingdom, and at the time it happened it certainly did look like a major defeat. But I see differently than man sees. I see the complete picture. Man perceives this carnal world as his possession, so it is very important to him. This is what he lives for, so all his energies are centered around making the carnal world his castle. Yet, My Word says he is building on sand that will one day be washed away. Oh silly, shallow man, if he would only believe. All those people that were "lost" during and after the 2004 Tsunami were taken into the spirit world. Some went to Satan and some came to Me. Both he and I have an ongoing training program. Those souls that came to My kingdom at the time of the 2004 Tsunami, now fully trained, are the souls that you are sending out into the very countries they left from in 2004. They join the great army of souls who have come to My kingdom since the beginning of time, having also gone through training, they return to their countries to plead with their countrymen to turn towards the Light.

So you see, by this point in time, I have amassed a huge army, thus I am well prepared for the final assault on the kingdom of Satan. After the final harvest of souls, which is happening now, the reaping of the wheat and tares will begin.

I don't want to make a big long speech now, so I am going to jump from 2004 to the present. The most recent monumental step toward preparation for My arrival has been the unveiling of the Key 6.66. I know it has taken quite a bit of faith for some of you to receive this revelation. But this ought not to be so, beloved. I gave the meat of David in preparation for this time. If you are lacking the faith to swallow this new meat, then there is little I can say to you that has not already been said.

The hour is very late now; there is precious little time for those that still stumble at each new revelation. Yet, I won't leave you comfortless. If you are finding this new meat hard to take, then call on the Keys. The giving of the Keys was a very practical step, Keys open things right? They will, if you believe, open a way for you.

I am about to lift a dark spell off of My creation which has been in the making for thousands of years. Life in the garden for Adam and Eve was magical, miraculous, simplistic and pure. But now My creation is under a curse; it has to be broken. I like my plans to be as practical and down to earth as possible; that is the way your mind works. I put that element there when I created it, but Satan has twisted that element to his advantage. There is a part of his curse that works on taking away the magic of life (*faith to believe in the impossible*). Children are especially targeted because they naturally believe in that magical world. The Devil's worldly educational system smothers man's desire for the mysterious at an early age. The Devil has manwell brainwashed at this late stage, and system input begins pretty much at birth. Yet, even so, the Devil has been only partially successful in suppressing that desire for the supernatural. So what he did was, he worked around that inbuilt desire by educating people into believing that anything magical or supernatural could only be obtained by passing through the portal into his dark kingdom. (*just ask any church person*)

Now a large part of his success can be credited to his creation of a fake frequency. It is real enough when operating in the confines of the carnal mind. But when I raise that lid and the curse begins to lift, then a lot of things on Earth will look and act differently. I spoke of some of those changes in Isaiah. My whole creation is going to be forced to adjust to the revelation of My return, and this is going to be a very big shock to most people. I warned you of this in Matthew 24:30. In giving you the Key of 6.66, and it depends on how well you use it, but in giving it to you, I am doing the groundwork for My bursting through the veil. The preparation begins in the heart and mind of man; it is from My hand. The Key of 6.66 along with all the other Keys, plays an integral part in that prep work. I've asked you to send out My Heavenly witnesses to prepare the hearts of all people in the world for some big change. Of course they don't know what they are feeling, but My people are enhancing that desire for change in the hearts of everyone. The Devil has been doing that too, with all his announcements about his 2030 agenda and blah blah blah. The reason I've told you to not pay too much attention to the media and man's take on what the latest news is, is because none of them have figured My arrival in on their reckonings. Remember what I said about their castle. I see that even some of you are stretching your faith to get your heads around the fact that I am going to actually burst through the veil in a matter of months. That is the carnal element working against the child in you. You can alter that mindset by reading more MO and getting serious about receiving your own New Wine. There is nothing like receiving New Wine to stretch that wine skin on top of your shoulders. So why did I call this little talk "Proportional Frequency"?

Well, that is because you are not using the 6.66 key to its full capacity. It takes faith; it takes reaching deeper into the spirit. It takes your spirit helpers interceding more during your prayers. It takes using the other Keys in conjunction with the Blue Key. It takes desperation and great desire to want these things to happen. It takes pushing that Final Key, the Ark, through the barrier between our worlds. You are the guys; no one else in your world knows the secret. Most of your brethren have gone off to their farms or their merchandise. They have made themselves, through disbelief, unworthy of these priceless pearls. The frequency of the Blue Key has the ability to split the veil of the darkened mind of man and allow the light of faith to burst through. You might say the experience is similar to what happened to Saul on his way to Damascus that day. So releasing the Blue Key's full potential is proportional to all the factors I mentioned above, plus more. Your prayers are creating waves. They are a little far apart at the moment, but once you reach the exact frequency, bingo, bang and boom! I will come! (end of prophecy)

I Am "Marking" Those Ear-tagged for the New Millennium

(Man Looketh on the Outward Appearance--Part 2 [#3125])

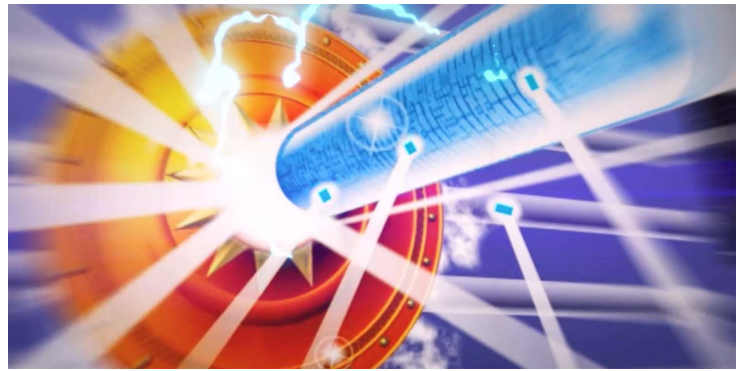

For yet a little while and you shall receive My tattoo, the greatest of all tattoos, which does not mark and sear the flesh as those of the world, for it is greater than all fleshly marks of the world. This is My spiritual seal and mark. I would that you rather earnestly seek after this great seal, My mark which shall set you apart and keep you in the dark days to come which are you.

This mark will be the mark of true strength--not of worldly pride and fleshly strength, but of dependence on Me, of true humility, of My ownership. Therefore earnestly seek after, be worthy of, and covet this mark. For though these coming days be dark, for you, My children, I also call them days of light, for your light shall shine as never before! Then shall your true inner strength be made manifest as never before! Then shall the strength of the flesh fail. Then shall your true strength be put to the test. Then shall you need My strength, My power, My seal.

Are you willing to seek out those who need Me, who need My love, My salvation, My seal? Are you willing to lay down your life that others may bear My mark? Are you willing to shine as one who bears My mark?--Not the mark of the world, of pride and fleshly strength, but of the true servants of God--strong in My Word, in My love, in dependency on Me, shining as living testaments to My Word, and being as more than conquerors through Me! (End of message from Jesus.)

"The *heart of man* is the seat and source of all evil. From within, out of the heart — proceeds all sin, mischief, and misery. The *heart* is eager for all evil — but it is indisposed to all spiritual good. It needs to be enlightened by God's truth, softened by God's grace, and led by God's Spirit — if it is to approve, choose, or attend to anything really good. Except God takes the heart in hand — there will be no effectual work, no saving change, no preparation for glory. Solomon has said, "The preparation of the heart in man, and the answer of the tongue — is from the Lord." Proverbs 16:1 (*James Smith*)

"BOOM! That's the sound of the key power of 6.66 blasting into the demons that are fighting us. We know they cannot withstand this kind of bombardment for long, and as we continue to fight in prayer they will be defeated."

THE FINAL KEY REVELATION

[Link to accompanying podcast "Blueprint for the Final Hour pt5](#)

October, 2023...Someone was wondering why the AC media, namely BBC, seemed to be siding with the Palestinians. Why is BBC siding with the Palestinians, are they afraid of world opinion?

Spirit helper speaking: You are seeing a repeat of Hitler's Germany. What was the real purpose behind Hitler's persecution of the Jews? It was to get them to leave Europe for Israel. But the Jews are in Israel already, so why is this Jewish owned MSM outlet putting Israel in bad light? Because they want the Jews to leave Israel and settle in Kazaria. The Jews won't do it voluntarily; they have to be persuaded through persecution. The Elites also want the Jews to leave Europe. The Elites have filled Europe with Muslims in preparation for this event. The Muslims will be used to push the reluctant Jews out of Europe. They want to make a new Israel. They want to make Ukraine their country, their homeland. That is where all the rich Babylonian Jews fled to when the Medes and the Persians were on their way to attack Babylon.

Here is the bigger picture. The Elites have grandiose plans for this world. They want it to be green again, green for them and their children. They believe they are fulfilling scripture by destroying all Goy cattle from off the face of the Earth. It is as the prophet David dreamed in Serfs, Supers and Super dupers, except the Elites believe they are the super dupers. They want one big green planet with them and their king ruling all. They will keep just enough Goy alive to run things so that they can maintain their luxury lifestyle. They are the chosen people and planet Earth is their homeland. Having killed the true Savior and King, Satan would live on through each generation as god. All the advancements you see in science are toward their betterment and toward a perfect world, based on God's original creation yet improved through each generation by science and technology. They even have devised their own scheme for immortality. Their goal is a man-made heaven on Earth, an Elysium, all inspired by Satan of course. Whilst you are praying for the riff-raff to be removed from the Earth before the Millennium begins, so are the AC's systematically removing all those not ear tagged for their New World Order. Again we see Satan counterfeiting the plan of God.

His plan is a copy of what is written in the Bible, except for one thing: you aren't part of his plan. Matthew 24:22 is a warning of direst nature. The Elites' plan for worldwide genocide will only be thwarted through your prayers. Your prayers are what is shaping the future of the world the way Jesus wants and will have it be.

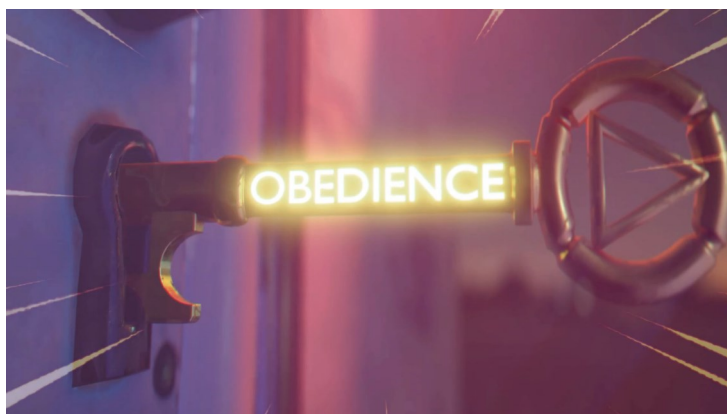

The Goy have been convinced that their governments are doing all they can to make the world a better place to live in. That is —unless you are Palestinian, or Armenian, or a Gypsy, or you happen to be in a place that is ear tagged for development...or is planned to be

given to someone else, like the Ukraine for example. Why are you surprised? That's what happened with Native American land in the US, Aboriginal land in Australia, or perhaps your house is in a spot that is required as a holiday resort for the rich. Surely by now you must understand the law of the jungle. What is happening in Palestine has been happening for thousands of years. Has the world changed? Has man learned from history? Will it change in another thousand years? No it won't, in fact, —and there is enough evidence to prove it— there is a plan in motion to remove all but essential staff off the planet. Surely you've heard of the Protocols. Of course you have, and if you haven't, then you haven't been reading enough MO. You should not be having any problem understanding what I am saying. If I was you, not being in the spirit world right now. If I didn't have the advantage of seeing all the wonders of Heaven that are hiding just behind this spiritual veil, then I believe I would just fold my hands and give up...except for one thing. And that one thing is MO. Yes, you have all the advantages I have; you have all the promises in the Words of David. You have the evidence, the title deed in your hand. All it takes to obtain that promise is faith and for you to pray. The fulfillment of all God's promises are only a prayer away. It is your prayers that are pushing the veil open. We cannot push the veil open. Your prayers are the vital ingredient, the final key that is required to break down the barrier between Heaven and Earth.

Jesus speaking: Do you know why the Final Key looks like a test tube? Because it is a test tube. We are about to start another experiment, and you are My chief scientists. We are going to give the world one last experiment before the New Heaven and New Earth begin. Some of you have suspected for some time that the Final Key is the Key that unlocks the barrier to the New Millennium. It is the product of all the prayers of all the saints of all time, and your prayers, these prayers that I have asked you to pray now, are the final prayers that are going into the altar which is before My throne. They are also some of the last Keys that are being inserted into the Final Key, just before it slams into the barrier spoken of in the "Assembling of the Final Key" revelation.

Revelation 8:3-5 And another angel came and stood at the altar, having a golden censer; and there was given unto him much incense, that he should offer it with the prayers of all saints upon the golden altar which was before the throne. And the smoke of the incense, which came with the prayers of the saints, ascended up before God out of the angel's hand. And the angel took the censer, and filled it with fire of the altar, and cast it into the earth: and there were voices, and thunderings, and lightnings, and an earthquake.

The mystery is being revealed. The barrier is the veil between our worlds. The Final Key is the Ark that I will open after the deluge. All that is inside the Final Key I will use to build the New Millennium. All those experiences My children endured, going back thousands of years, all those prayers, blood, sweat and tears are stored inside the time-release capsule called the "Final Key". And your prayers are the "force" pushing the Final Key into the lock that **will bring down the**

barrier that Satan has been trying so hard to keep in place since he first took control of the Earth. I have waited patiently and in great expectation for this time. It is due to your faith and obedience that I am able to reveal this mystery. As I said, some of you have suspected this truth for some time...now your wonderings have been confirmed. Now that I have removed the scales, it is time to once again read "[Assembling of the Final Key](#)". (End of prophecy)

EXCERPTS FROM "ASSEMBLING OF THE FINAL KEY"

According to your faith, it is done!

(Jesus:) When I give you a mandate and you rise to the challenge and implement that directive to the best of your ability, there are compensations. According to your faith to answer My call, and according to the commitments you make to Me, I honor, bless, and reward you.

During My ministry on Earth, two blind men cried out to Me for mercy. When they didn't give up, but instead followed Me, continuing to beg for grace, I was taken aback by their persistence. So I stopped and asked them if they believed that I was able to give them sight. And when they did not waver but answered "yes," their decision--choosing to believe--set things in motion. Their declaration of faith moved Me, and I touched them, saying, "According to your faith be it unto you." I opened their eyes and gave them sight--the reward of their faith.

"According to your faith it is done unto you!" You have stretched your faith and followed through on the things I have asked of you, and now I will honor and reward you.

The tough choices you have come to, the right paths you have taken, even though they have seemed more difficult than the easier way of lethargy, will bring down the blessings of Heaven that I previously had to hold back because you were not ready to receive them.

You are also eligible to receive My power now in even greater ways because of your decisions to obey, to fulfill My will, and to remain true to the standard of My Word. No battle you face will be greater than My power to overwhelm the Enemy in every fight. No drive of obedience will be more taxing or difficult than the supply of key power that is available to you to accomplish what you have set out to do in accordance with My will in your life. Nothing has the means to stop the power I have made available to you. Everything is possible to you through the keys you hold as a contract with Me.

You hold in your hands the token that I have given you of victory in every area. In your hands you hold the power to open any door, to follow through with any commitment, to make any change needed, because you have My Name written on the keys.

The key of obedience is a vital one for you to claim and use now. It is through this key that the gates of Heaven will be opened to you, and through which you will come into My presence like never before.

Though the keys may look small, and using them may not seem to you to be that important in this day and the daily situations you are faced with, they open the smaller locks, which will open the larger locks, which will in turn cause the massive barriers which currently hold back the floodgates of Heaven's power to be turned, and power such as you have never seen will be released to you!

Does this amaze you? Does the grandeur and magnificence of My promises even cause you to wonder about the veracity of My Words?

I tell you that the power that is coming, the power that the keys are destined to unlock to you, is unprecedented on Earth. Never has nor ever will this power be available again, for it has been reserved for this time which is coming. The keys have the power to unlock the humongous floodgates that hold back the tide of My power, much as a dam holds back the incredible force of the reservoir it contains. When the time is right and you have fulfilled all the requirements I have asked of you, you will use the keys in this lock, and then, My brides, things will really begin to move.

Right now you have the keys, and you're being asked to use them on what seem to be smaller locks, but what you don't realize is that all these tests are leading up to something much greater. Before you can get to the last lock, you must go through a maze of tests, training, more tests, and finally, when the hour is come, you'll slip that key into the lock and the tumblers will begin to turn. The gates will open and down will pour the most powerful flood of My power that this world has ever seen!

The miracles I have done in the past will seem small compared to what's ahead for you. The gates of Heaven are bursting at the seams; they cannot contain much more power! I have been filling this storehouse over the centuries, preparing the power to be released, and now the sequence has been set in motion, the power has been approved, and you just have to make it through the maze of smaller locks till you get to the really big lock that will set the final stage of your world's history in motion!

I know it takes faith. I know that continually unlocking smaller locks can even get tiring at times. But as you unlock one gate, you enter the next level, and each one brings you closer to the final lock, which will unleash this power.

Don't be a weak link in the chain. Everyone has to open their locks; they must all be opened in order for everyone to receive this power. The closer you get to the day of final release of this power, the more powerful you will become in spirit. The miracles I perform through you will become more and more obvious, miraculous, and outstanding.

Your destiny is to be the ones who have the final key to turn the final lock. No angel in Heaven, no spirit being has this power. This is your destiny--you of the children of David. This is what I am counting on you to fulfill.

You, the children of David, are the key bearers! Carry them proudly, loyally, and do whatever it takes by their power to overcome every obstacle, so that you might have the privilege of opening this lock. Many have sought this privilege, but it has been entrusted to you. You have been prepared, destined, and called to this mission. Complete your mission, finish the task, run the race, and receive the rewards that await you.

Each of you is important. Each of you is called specifically for this time in history. Each of you is being placed where I need you to be--so don't fail in your part of the mission. Unlock the power by unlocking the daily challenges through the use of the keys you have in your hands. You must use the keys to release the power. Without your completion of this mission, the floodgates will not open. They wait for you.

Use the keys! Fulfill the requirements for being a strong and

effective wielder of the power! Become one with them! Make it a priority to do what I have said every day--for every day that you do brings you closer to the final code, which will be unlocked when all the other doors have been opened.

There won't be doubts in your mind at that time. Sins won't hold you back. You will have given your all for Me, and I will be able to use you as My pure brides. Your testimony will be powerful and unspoiled. You will be melded together in unity and obedience, and will be like one giant key, which I will use to unlock the power. You must do your part to complete the key. Your steps of obedience, yieldedness, humility, unity, the times you call on My power and become strengthened as a wielder of the keys, all of these things help to complete the puzzle, so that in the End, My power will be released unto you in full measure.

I guarantee you that these words are true. I guarantee you that you will see this power. I will accomplish that which I have set out to accomplish from the foundations of the world. Only do as I have asked and obey Me, and this privilege will be yours. Indeed, many millions and billions have wanted to see this day and live in this time, but it is given to you to see these days and be part of this final event, if you so choose.

Even if you die in faith, your personal part of the key will be fulfilled. So don't worry or fear, but give all your life to Me. Burn brightly for Me every day so that you might interlock with the other pieces that have gone on before you to create this final key, for the final lock, for the final power. Don't fail in your mission. I'm counting on you!

(Vision:) I saw a picture of a massive metallic barrier, so tall I couldn't imagine its height. It was surrounded at the top by clouds--not clouds in an earthly sense, but clouds of energy, boiling, seething, and almost overwhelming the barrier. As in the spirit I placed my ear to the barrier, I heard a low powerful rumbling coming from behind the wall.

I saw a huge lock--resembling a combination lock--in a circular star with many points. I visually penetrated the barrier to see huge bars running through the entire barrier holding it together. I saw the lock turning only slightly, as if it were being moved into the right position to expose a circular-shaped keyhole or opening. I heard the giant clunk as each point of the star was locked into place. Then I saw out of the corner of the picture someone unlocking a smaller lock with a golden key. As they did this, the giant lock moved again, pounding into place with a heavy thump, almost as if it were on a countdown sequence.

Then I saw a very beautiful sight. I saw a light blue key made of light. It was like a 3-D puzzle which wasn't yet complete. I saw little different-shaped pieces rising from the Earth, which would click into place, interlocking with the existing pieces, completing part of the key. It was as if I was watching the world from the beginning of time. Each person the Lord had called to be a piece of this key, as they did their part and their mission was ended, their section of the key clicked into place.

As it grew faster and faster, I saw more and more people on Earth praying, saying, "I claim the keys," then praising for the victory. As the key segments rose from the Earth, I saw each piece locking into place to the faster and louder sound of the huge lock being turned.

The pounding was so loud I could feel it in my chest. Then I saw, as it got closer to the end, that the key segments were rising faster and faster, till it was a blur of light rising from the Earth, pausing, then clicking into place, finishing the key.

Then I heard a loud tolling of a bell, very regal, heavy, and powerful.

In the background I heard machinery powering up, humming as the energy rose. The air began to crackle and snap with power as the key began to move toward the lock.

I saw the huge barrier and lock again. Beneath it were standing thousands of microscopic people who were watching this huge key move toward the lock. The interesting thing about the key is that it wasn't like a normal key in appearance, but rather it was shaped like a long cylinder with rounded ends, similar to a test tube.--An extremely complex and intricate key, and yet it was so large.

It zoomed forward and slammed into the lock with a powerful thud. I heard the heavy bars in the barrier snap back one at a time as heavy thuds in sequence. Then the keyhole began to shine very brightly, and suddenly the barrier vanished and a massive stream of white gold poured out and covered the Earth! I saw it boiling, sizzling, and crackling around the globe. It was destructive to evil, but to us it was incredibly positive. I saw Family members getting empowered. They were filled with the power that was poured out. The feeling was very powerful when I looked into their eyes. It was almost as if they were no longer there, only the power that was fully possessing them.

Then I saw miracles being performed all over the world--healing, protection, power streaming from their hands and mouths devouring the Enemy. And the words came to me to close this vision: "The final act!" *(End of vision.)*

(Assembling the Final Key! [#3525])

This is what you have been preparing for in all your days of preparation. This is what you have been training for in all your days of training. This is what you have been strengthened for in all your days of strengthening. This is when the power that I have stored for you will be released. This is when the keys will glow hot in your hands and will accomplish the purpose for which I have sent them. This is the full realization of your era of action.

This is when your lives will find their highest purpose, and when you will do your greatest works. This is when the spiritual and physical realms will merge ever so closely, as I have promised. This is when you will earn an abundance of stars for your crown and reap the final harvest that you have been put here to reap.
