

Achan

31st July, 2021

27th July, 2021

(Prophecy) Can't sleep My love? 'What if's?' going through your mind? **Wondering why demons are able to get past your protective forces? (Someone had had a nightmare then awoke to feel the demon was behind him)** The Mark of the Beast being the vaccine running through your mind? Such high things for a simple one like you. But I do use the simple and ignorant and have done so very successfully in the past. Then your mind tells you that you are not even worthy to be in the class of those who walked with Me. It's the best class to be in, to not be encumbered with too much intellect. But darling, you do walk with Me and so much more. You are my lover, My ardent passionate, heart throb, remember? I whisper My intimate secrets to My closest ones, the ones who sit at My feet hanging off My every Word, who are so focused and don't want to miss a thing. You want your spiritual senses to be heightened even more than they are at the moment. You wish for an even deeper connection; to be able to go in further; direct audible voice would be the ultimate. It would be so much easier and more clear cut. It feels like this method is a bit of a strain sometimes and it feels like you are on the fringes of the communications; like if only your radio station could be more finely tuned and come in clearer. Yet, here you are dear typing away, as each word comes in. One word at a time. One step each moment. Seeking, searching, sucking for more. That's what faith is My dear and so that's how I would have it to work for you now. Sometimes the sucking takes more effort and at other times it's a gush. The thing is though; I do want you to loosen the moorings even more. Nothing else much matters now, except the essentials; so deem what is necessary and spend more of your time in the temple. By that I mean to be more fully possessed and in communion with me as much as possible throughout the day.

But oh the night is so clear tonight, so cool and fresh and quiet and peaceful. (Like Grandpa's Sounds in the Night) It did take you a while to get up. (It was 2 am.) I was calling you, 'Samuel'. You will be tired but you can always catch up later. Things are not run of the mill, not normal, so just go with My flow and when I call you, don't be held back by routine or schedule or how you normally do things. You have to stay open to changes and listen for where I am leading. Keep alert. Keep your antennas pointed up. Keep your ears open ready and waiting for the in-coming messages. It is your duty. 'Call to Arms' people must sound the warning trumpet. And they must move quietly to reverence Me and be in anticipation of My power. Yes, simple child-like ones will hear it; hear the call; the ones who sigh. (Ezk.9....) These are the ones I am looking for. Though it may appear that you are having little effect and not too many responses, I implore you to not get weary or discouraged. Keep getting the new wine out, through whatever means I show you. It is not in vain. So please My loves, lift up the hands that hang down and know your efforts really are far reaching. You just don't see. So trust Me and believe what I say; that you are getting the job done. (End of Prophecy)

I THEN WENT TO THE INFOSTORE TO LOOK UP WHICH CHAPTER OF EZEKIEL WAS ABOUT THE SIGHING AND WHEN I OPENED IT, THE BIRTHDAY WARNING WAS OPENED, BY THE LAST PERSON ON MY LAPTOP. The Illustration is two guys giving out a message and one of them has a trumpet. Wow. Pretty applicable. And the next two paragraphs spoke to me, after getting the above prophecy.

43. O YE OF LITTLE FAITH, WHEREFORE DOST THOU DOUBT, and why art thou cast down, and why lookest thou not unto Me? For canst not I, the Giver, I, Who am the Water thou dost bear and pour forth, I, Who am the Bread, which thou measrest out by such measly portions--can I not provide and multiply, that it will feed the thousands, as I did the bread and the fishes from such small portions, if thou wouldst but believe and receive and trust Me? GIVE, AND IT SHALL BE GIVEN UNTO YOU: Pressed down, shaken together and running over! For as ye mete unto other men's bosoms, so shall it be meted unto your own! If thou wouldst give of the portions I have already given unto thee, behold, I shall replenish it many fold!

44. FEAR NOT, FOR I AM WITH THEE! BE NOT AFRAID, FOR I AM THY GOD! Behold, My Hand is with thee, My right hand shall uphold thee. Behold, I will strengthen thee and furbish thee and replenish thee, that My arm may give bread to the hungry, and water to them that are athirst, and seed to the sower, that he may bring forth fruit again and again and again. Be thou, therefore, not as him that withholdeth the one talent that I give, for I shall give more, and many more if thou shalt give.

(Birthday Warning!, The [#0215])

So that was an encouragement to get out the message the Lord is giving us. I then noticed the sidebar and what was showing alongside The Birthday Warning and it was BIP and all the chapters about the story of Joshua that we've been following with the Lintel study. So I clicked on BIP Chapter 15-The Conquest of the Promised Land and as I was reading I came to paragraph 13 which talked about Achan's sin. :-0 oh dear. Wow. While I was lying in my bed not being able to sleep, and asking the question of why the enemy is able to come into our camp, besides the reasons of it being training in demon warfare and thus strengthening our faith through simulation training, I also got Achan's sin. I thought....oh dear, what?! That's a bit wild. I think I'll tuck that one away. But then it shows up again here. So I thought I'd better say something. :-|

THE STORY OF ACHAN IS IN JOSHUA CHAPTER 7

The following is from BIP Chapter 15--The Conquest of the Promised Land! [#1153]:-

12. NOW THE STORY OF ACHAN! HERE'S ACHAN'S CONFESSION. Israel now ascends the hills to the northwest, toward Ai, where they met their first defeat with a loss of 36 men. Now they had said, "Ai's just a little city, we'll just send up a couple of thousand men." And they got defeated! Why? because of sin in the camp! they were also relying upon the strength of their own arm! they forgot it was god that gave them all their victories & they just went right up against ai with hardly a thought! Soon afterward, Joshua discovered that Achan of the Tribe of Judah had stolen some of the plunder of Jericho, a large wedge of gold, which was forbidden--even the wealth was cursed! For that reason, the Lord withheld the victory from the army of Israel.

13. ACHAN HAD TO CONFESS THE CRIME, & HE & HIS ENTIRE FAMILY WERE STONED TO DEATH in the Valley of Achor. God didn't beat around the bush about judgment in those days, did He! Why did He mete out such a fearsome & awful punishment to not only Achan, but to his whole family? To set an example!

HE WAS LITERALLY RESPONSIBLE FOR THE DEATH OF 36 SOLDIERS OF ISRAEL, because of his sin! **It's not just what you do & how much it hurts yourself, but how much harm does it do to other people--your influence upon others!** So God help us to be careful about our influence! Achan & evidently, his whole family were infected with that same sin of covetousness, & God felt that it was necessary to kill them all!

THAT'S A HORRIBLE DEATH BY STONING. Do you suppose witnessing that would have an effect upon the people? Do you think it would encourage them to steal? Don't you think it would make them think quite a few times before they disobeyed God? God's judgments were severe, swift & sure! That's one reason there wasn't as much crime as there is today!

(Prophecy) O Jerusalem, Jerusalem, can you take fire into your bosom and not be burned? Can you be disobedient and not reap the results and consequences? You may think it is a secret but, as Achan, you will be found out. The Lord searches every heart and His voice whispers and checks you. He knows everything about you. And as you brush off His loving voice, He gets further and further away from speaking to you; His whispers become quieter and less frequent. Then the Light starts to fade. Stone deaf! What a terrible death...by stoning!!

The Israelites first mistake was not even asking Me how to go about Ai. They got a bit ahead of themselves and rested on My promise of conquering Caanan. The carnal mind crept in and they weren't leaning as they should have been. So easily influenced by the mind of man and so quick to leave Me out of it. But you need to acknowledge Me each step of the way, committing every move into My hand, receiving My instructions. Never become familiar with the way it was. Hear from Me fresh each step of the way. Ai is to remind you that without Me you can do nothing. Ai as in 'I' will end in defeat and failure. I want to be glorified; I want to be known for My miracles and that if you obey, I will bring the victory every time. Never forget from whence you came and be meek and lowly of heart always, as it is a testimony of My love and grace and faithfulness.

So what desecrated thing are you hiding? What hidden things do you have in your 'tent' My Children of David? What trinkets of the system have allured you to go so far as to be hiding them through lack of faith? I have said Come out from among them and touch not the unclean thing. But you've put down your sword and a shiny coat of Shinar has enticed you; the gold of the selfish life! A double-minded man is unstable in all his ways. You can't have your feet in both camps. You are either hot or cold; You cannot serve God and mammon. It's the time for choosing, for you, the Children of David, have been brought to the knowledge of the truth. I will be glorified but if you would go in your own arm then it will only lead to destruction. These are serious times we are living in and I am deadly serious with the disobedient or those who are being a testimony against Me. God's judgment on Achan seemed rather harsh but it served as a powerful illustration to the Children that My word will be obeyed. To whom much has been given, much will be required. If the Lord is speaking to your heart, if He is calling you to higher ground to your heritage, do not forsake His calling and settle for the easy way, for 'the moment' way, for the now now; the mess of pottage. But lift your head and stand tall, head and shoulders above those around you, for you do have influence and those who know you will take note because they are feeling the stirring in

their hearts too but it is ever so faint. Once you stand it will cause a domino effect, as the bones rise out of the muck and the mire; as it becomes clearer, as the scales fall off their eyes, that we are living in the time of the end and My return is imminent. Stand up and be counted My Elites and be prepared to meet Him. (End of Prophecy)

11. You're giving up the waters of life in exchange for broken cisterns, wells without water, clouds that will be carried away by the storm. Read 2Peter 2:19-22: "For of whom a man is overcome, of the same is he brought in bondage. For if after they have escaped the pollutions of the world through the knowledge of the Lord and Savior Jesus Christ, they are again entangled therein, and overcome ... it is happened unto them according to the true proverb, the dog is turned to his own vomit again; and the sow that was washed to her wallowing in the mire."

12. "You are a chosen generation, a royal priesthood, a holy nation, a peculiar people, that you might show forth the praises of Him Who hath called you out of darkness into His marvelous light. ... Dearly beloved, I beseech you as strangers and pilgrims, abstain from fleshly lusts, which war against your soul" (1Peter 2:9,11).

13. Does that sound old-fashioned and out of date to you? It's not. It's more important today, more real, and truer today than it has ever been before! It's a war of the spirit, and if instead of putting on the armor and the new weapons which the Lord is making available to you, if instead of yielding yourself to Him completely as His obedient servants, you're filling your mind and spirit with the pollutants of the Enemy, then it won't be long before you'll be completely defeated and useless as one of the Lord's emissaries.

17. There is no excuse for disobedience, beloved. It will weaken you and sap you of your faith and your light. Don't let that happen to you. Stay on the wall! You'll be much happier and stronger, enjoying the freedoms of the Spirit which will last forever, than merely enjoying the pleasures of sin for a season. (End of message from Dad.)

(Issues, Part 13 [#3430])

LUK.15:20 And he arose, and came to his father. But when he was yet a great way off, his father saw him, and had compassion, and ran, and fell on his neck, and kissed him.

62. It is your destiny to herald My second coming. As angels from Heaven heralded My birth on Earth, you, My angels on Earth, will herald My return. You will be the angels whose singing

and heralding will be the prelude to My glorious return. You will be the stars that will guide wise men to Me in those last moments of your time on Earth.

99. The world needs My message, and My message needs messengers, and I have chosen you, My Family, as My Endtime messengers, My brides who will follow Me to the ends of the Earth and love not their lives to the death. It is you, My Family; you are they, if you remain faithful and forsake Me not. You were born for this ministry and have been trained for years, learning humility, wisdom, and love. Seize this anointing I have given you, and don't let another take your crown!

145. The greatest part of your ministry is coming; it's just around the corner. You will see that there are no limits to what I can do with men and women who are yielded to Me!
