

DAN.12:3 And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever.

25th May, 2022 My heart is Yours Jesus, from now until the End! What astounding miracles You have done in our lives. I was thinking about how You have been with us our whole lives, even before we forsook all to serve You as missionaries. How You have engineered how we grew up and what we did in our earlier life to help us to be who we are now and how You can use those experiences and training to help us with the job at hand now, to be Your Ambassadors. We can look back now and see Your hand and Your wisdom and amazing engineering. You had Stephen grow up on a farm and go to pastoral college, and the skills and knowledge he learned You are using now to keep us here in Africa and to reach so many sheep through it. We met Nana through the beekeeping and now he is our King and through what Stephen taught him, he became successful and also became a chief and now he has given us our wilderness land and home. Stephen with Nana at his side turned our NGO project into a successful one, which is rare here. But if You are in it...And because of all Stephen's training growing up on the farm and pastoral college, he is setting us up and training our boys in farming cassava and other crops and all the other details of farm life. Imagine! Madi grew up in the Family and so has been a missionary on the field her whole life, and still now living totally by faith; the only second generation adult that I know of now. As for me, I was thinking this morning about having had twelve children, which seems surreal to me now. It seems like a dream. How did I go through twelve labors? I was with one of my daughters during the labor of her first child and it was so intense and she barely made it without totally losing it. It made me realize how easy and blessed my births were.

But what I was mostly thinking about was how recently things in the world have gotten so bad, so horrible, so demonic and so sad. So seemingly hopeless and I was finding myself so longing for it all to end and praying and pleading for Jesus to come back for us and take us away from all this and be with Him. I realized I hadn't been praying for that as I should be. It's one of my renewed focuses now! Jesus come quickly, my Love!

But back to my labors...and how I managed and marveling at what He taught me through them. I was remembering the focus I had to have to make it through, as all women who go through giving birth know, and how I had to consciously almost go into another state of being. I remember it so well and each time I went into this mode, it was an extremely, intense, total focus on the goal. I shut out everything and everybody else and what they were doing, and had my 'eyes' on the end product...my beautiful new baby. As each contraction passed I thought that was one less and I was one more closer to holding my new baby in my arms. It was such a determined psych up, similar I think to full possession...the Lord had to literally take over my body. I could not allow myself to lose it. I had to stay calm, trusting; my body peaked out in pain, but held and covered by Jesus. The same applies to now. I feel I need this same focus now to make it to the End. We are on the last stretch. It feels like a fight or flight situation, like when a lizard is attacked it drops off its tail as a defence mechanism, I need to only concern myself with what really matters-the Word, the Keys, prayer, prophecy, the blue angels, the blue key and my time with Jesus. Anything else besides every day living needs to drop off. My focus is on the moment of holding my sweet Husband, Jesus, in my arms. That's what I have my eyes focused on now. So, I am very thankful for that training experience to learn how to focus and hold onto the lord and fight and how important that was for now. And I think it doesn't matter what your former experience was, the Lord is putting us through very difficult times now, through our personal battles and trials and our individual situations and the circumstances we find ourselves in. For all of us, He's using it to teach us to look to Him and that that's what really matters and He will pull us through, until that final moment when we lift off and leave this mission station and go Home. *(Reminded of Tricon when their time was up on the frontier and they were preparing to head home and waiting for Lambda One to come to pick them up.)*

Rev.20:22 Surely I come quickly. Amen. Even so, come, Lord Jesus.

SoS.2:11 For, lo, the winter is past, the rain is over and gone;

SoS.2:12 The flowers appear on the earth; the time of the singing of birds is come, and the voice of the turtle is heard in our land;

SoS.2:13 The fig tree putteth forth her green figs, and the vines with the tender grape give a good smell. Arise, my love, my fair one, and come away.

I'm longing for that!

Oh, but the sifting...

(Prophecy) (Jesus) And to My children who say that they have not had the experiences of their mother and father and have no training as such, or talents or worldly experience- I gave birth to you under the apple tree in My own garden and you have been nurtured all your lives in Me and I have set you as a seal upon My heart; My love for you is as strong as death and jealous as hell. My love for you my darling sons and daughters who have forsaken so much, is fierce and blazes; a smoldering fire in My heart. As you give yourselves to Me, you will become like an apple tree among the trees of the forest yourselves, and others will delight to sit in your shade and your fruit will be sweet, because you are My arrows and nestle in My quiver. Consider...you are My proof, My trophies that you chose the prize, the high calling of God and lived your lives as not your own. You will be My testimony that there will be faith among the youth of the army of the Children of David and you will shine as the stars forever and ever. You feel so incapable and so unsure of yourselves and wonder what you are doing and how I am using you, you perhaps look for results and cannot for the life of you see any. Oh, how My heart swells for you, My sweet young brides! So innocent, so pure, so willing to be who I want you to be, wanting but not wanting, despite so much heartache and little understanding of where I am taking you sometimes. But many know of you and your living by faith serving Me with all your life, in a foreign land, having given up the things of this world, including boyfriends and girlfriends and family and your own children. You look for a better country and will wait because of your love for Me. And know that many are encouraged and are given much faith and hope that I am raising My army of bones and that it is not just some fanciful notion but that you young people are actually doing it, proving that it can be done.

And even right where you are, you are a testimony. And what about the Millennial leadership training you are receiving? It may seem insignificant to you now, but you will be thankful when the time comes. Please My loves, do not fret or languish, I see what battles and trials you are going through and I see that they are maturing you and even though you feel shame for how you've handled your trials by either curling up on a bed for a week starving yourself or being angry at Me for what I am asking of you and saying you simply can't do it, then feeling so ashamed and unworthy because of your reactions, look up and see My beautiful yellow stars sparkling just for you, reminding you of My love for you and what I did and would still do for you. They are shining for you...and everything you do for Me, My doves.

It is a sifting, and as your parents had to be tried by fire so must you. Will you be standing on My return?

Use the keys, My beloveds, for therein lies your power to be able to make it through. The keys are your guiding light. They are the light that will show you the way. They will show you the veracity of anything you are going through, anything you face and anything false will fall away and what is true will stand strong. This is the year of the keys. This year you shall learn to wield them as swords, for there is great clashing, great war within the realm of the spirit. The keys can lock and bind your carnal mind and unleash to you the gifts of faith and according to your belief in the keys so will the power you derive from them. Ask the keys to increase your faith and they will.

1PE.1:7 That the trial of your faith, being much more precious than of gold that perisheth, though it be tried with fire, might be found unto praise and honour and glory at the appearing of Jesus Christ:

1PE.1:8 Whom having not seen, ye love; in whom, though now ye see him not, yet believing, ye rejoice with joy unspeakable and full of glory:

SoS.6:9 THE BELOVED My dove, my perfect one, is the only one, the only one of her mother, the favorite of the one who bore her. The daughters saw her and called her blessed, the queens and the concubines, and they praised her.

SoS.6:10 Who is she who looks forth **as the morning**, Fair as the **moon**, Clear as the **sun**, Awesome as an army with banners? (...and they were all yellow)

Jesus, our BELOVED: Look at the stars

Look how they shine for you

And everything you do **(We are stars and we come in the likeness of the one star Jesus)**

Yeah, they were all yellow **(Ps.47:4 He counts the stars and calls them all by name.)**

I came along

I wrote a song for you

And all the things you do **(SoS.4:1 Behold, thou art fair, my love; behold, thou art fair!)**

And it was called "Yellow"

So then I took my turn

Oh, what a thing to have done **(ROM.5:8 But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us.)**

And it was all yellow
your skin, oh yeah, your skin and bones
(Ooh) turn into something beautiful **(1Jn4:19 We love Him because He first loved us.)**
(Ah) and you know, you know I love you so
You know I love you so
I swam across
I jumped across for you
Oh, what a thing to do **(1Jn3:16 We know this, that He laid down His life for us...)**
'Cause you were all yellow
I drew a line
I drew a line for you
Oh, what a thing to do **(Jn10:11 I am the good shepherd; the good shepherd lays down His life for the sheep)**
And it was all yellow
and your skin, oh yeah, your skin and bones
(Ooh) turn into something beautiful
(Ah) and you know, for you, I'd bleed myself dry **(Jn10:10b I am come that they might have life, and that they might have it more abundantly.)**
For you, I'd bleed myself dry
It's true
Look how they shine for you
Look at the stars
Look how they shine for you
And all the things that you do!

My sweet sweet brides, the depths of My love for you is unfathomable. Those stars are My ever present reminder to you that they are always shining out My love ...just for you. They sparkle, they scintillate, they mesmerize; they are My deep love for you and all you do for Me.

I am fashioning you as a jewel for royalty, precious and valuable in My sight--brilliant and gorgeous as it sparkles and reflects My light and My love!

Yes, it is a long, hard road, and you must endure the tapping here and the tapping there of the Jeweler's knives. It is painful. You feel the loss, and you feel that your life is useless, that this chiseling and tooling will go on forever, that there will be no end to it. But fear not, My precious one, for I have you in My hands; I hold you in My arms. This tooling and this chiseling is straight from My hand. It is My plan to create of you My special precision tool, rare in quality, beautiful and magnificent. (FJWL2:37)

He'll reward you greatly--not just enough to make your sacrifices seem worthwhile, but He'll reward you so much that it'll make you cry and wonder how you could have ever squirmed and murmured about having to give so little to Him when you're faced with everything you receive in return! (ML 3186:40)

PSA.68:13 Though ye have lien among the pots, yet shall ye be as the wings of a dove covered with silver, and her feathers with yellow gold.

There is a way of living above these things! No matter what it is in your life, there is a way you can make wings out of your weights, the weights that so easily beset you and tie your soul down. Wings are often born out of weights.

When wearied with the strain of it all, we can fly to God. God has the victory for us, God has an answer for our problems. God does have the answer if we're obedient to Him. Search your heart and make sure that the obedience is there. There

is some reason for these things happening and why you haven't gotten the victory, because there is victory through Jesus. "Thanks be to God, which giveth us the victory through our Lord Jesus Christ." -- 1Cor.15:57. You can fly to God for the rest which He has promised.

You can fly on the wings of prayer and faith, and get the relief that He alone can give you. An acquaintance of mine has this little poem tacked above her sink, which reminds me of the beautiful verse, "Though ye have lien among the pots, yet shall ye be as the wings of a dove covered with silver, and her feathers with yellow gold." -- Psa.68:13.

"Lord of all pots and pans and things,
Since I've no time to be a saint by doing lovely things,
Or watching late with Thee,
Or dreaming in the dawn light,
Or storming Heaven's Gate,
Make me a saint by getting meals,
And washing up the plates."

David knew the secret of how to mount up with wings as a dove, he knew how to mount above all these things, and live above them. He just put it all in God's hands and left it with the Lord. (Wings Out of Weights [#127])

Nay, I could not be such a Husband that would neglect the care of a wife so precious unto Him! For you are My precious one, My darling Bride, My yielded and obedient wife who seeks to do My slightest bidding, who loves Me with all of her heart and who lays down her life and body in service for Me, because of her great love for Me and My children. Would I not care for her as My beloved? Would I not cherish her as the precious treasure she is unto Me? Would I not help her and deliver her from every evil thing and provide her every need and surround her with My Love? Yea, I will do all of these things, and more.

But the key is faith--faith in My Love, faith in My promises, faith to obey in spite of the odds, in spite of overwhelming obstacles and seemingly impossible situations. For this is the proof of My Bride's love--her faith in Me, her faith in My Words, and her faith in My power to fulfill them. Her great love for Me is manifest in her faith--the golden key of faith.

So guard this precious treasure I have given you, this golden key of faith. It is something that must be kept through constant care and nurturing and feeding from My Words, which are spirit and life. By doing these things, by believing and receiving and imbibing and drinking in and partaking of My Words, you keep the golden key of faith bright and shiny and polished, and you will be well able to use it to open many mighty doors of My blessings for all that you need in every area of your life. For you are My precious Bride and loving wife, and I love you. (Problems and Solutions! Part 5 [#3073])

I claim the key of determination for each of our precious loved ones. You said, "This key will be instrumental in fighting the Enemy, and overcoming, and being successful. This key enables you to fight on when you don't feel like it. It keeps you from giving up and surrendering to defeat. This key of determination gives you the strength to persevere--to continue fighting till you see victory" (ML #3532:83, GN 1123).

(Jesus:) You, My children of David of the second generation, face a unique struggle. You face a battle that has not been fought by any yet on the face of the Earth. It's a great battle, for you are destined for a unique mission. The Enemy knows this, and so he fights you hard. Hearing about the spiritual warfare that is waged has become so common that to most of you it's nothing more than a cliché. You fail to realize the great truth behind it. If you were more aware of it and how real and how true it is, you wouldn't let these battles dissuade you. The Enemy's attacks would be much less powerful against you. But because you choose to see things from the realm of the flesh, from circumstances and outward appearances in the physical realm, the attack is much greater and it influences you and hinders you much more. If you could only see how much the Enemy hates you, how severely he attacks you, and how terrified he is of you and the future that you have been promised, you would have renewed strength to withstand his attacks. You would have faith to continue hanging on. You would fight back, knowing that his strength is little and that he has but a short time--thus the increased intensity of the battles. If you could only see through the veil to the other side--into the mysterious spirit world--it would all become clear. You would understand why you suffer such big trials; why sometimes one thing

after another goes wrong; why you feel so lonely and your mind undergoes such arduous strain, struggling with the questions of life. You wouldn't mind the struggle half as much, because the purpose would be clear. When you lack purpose, you lack the strength to continue. You might wonder how long the tests will continue, and if you have the strength to make it through these very strenuous battles which seem to just keep coming and coming and coming. You might wonder why I let them continue to come, and why I don't put a stop to them. As I have said, you of the second generation have a special calling, a unique destiny. You who endure will be blessed to partake in the culmination of all that has gone before you, the final scene of the play, the grand finale, the last leg of the race, the cherry on top, the orgasm, the greatest moments in the history of mankind! You'll be the star players! That, My loves, is your destiny. That's what you were born and created for. That's what you've been prepared for, and continue to be prepared for. And that is a very great honor.

(David:) You are it! You are the chosen ones for this millennium, and this is my millennial cry of revolution! It's time to take a stand! It's a time of decision. **The revolution continues**, and I need you to be a part of it. I need you to choose to break away from the System. I need you to choose revolution above popularity. I need you to choose discipleship over fame and glory. I need you to choose to be despised by the world in order to fulfill your destiny. The Family's future is at stake, because if you young people don't take up the challenge, don't choose to hold high the torch of revolution, don't allow the shocking truths of the spirit to burn brightly in your hearts, then who will carry on? I need you to be proud of the truths you hold in your hearts. I need you to be proud of your heritage and upbringing. I need you to be proud of being a dropout, an iconoclast, a new-millennium revolutionary. Just as I called your parents of the first generation to forsake all and drop out many years ago, I'm calling you to do the same now. I can't promise you fame, popularity, riches, honor or glory. But I do promise you challenge, fulfillment, joy, deep happiness, and thrills of the spirit that will be more than enough to sustain you. I can't promise you a comfortable life of pleasure and peace, because the life of a disciple is uncomfortable, difficult, and a spiritual battle. **But I can promise that you'll never regret a life lived for Jesus! (To My Mighty Youth Army Book 1, Compilation #16 of TCOB pubs on the subject, by theaudiokey.com team - April 2018) You must see things in the spirit! You've got to choose to see things with the eyes of faith, because there's so much that can never be explained in carnal or fleshly terms. To choose the road of faith is a choice you have to make! It's a choice no one else can make for you! But it's a vital choice!** (31)

Yours is a life of faith. It's a life of basing your actions, your choices, your belief system, your everything, on My Word, and ignoring everything else when necessary. It's a life that will be greatly rewarded when you step out of the surreal façade the Enemy so carefully sets up to snare mankind and you're able to see--not through a glass darkly, but face to face--how things truly are. It will be like Neo stepping out of the matrix and seeing reality for the first time. You'll be so glad you gave your life to set others free. (33)

You're grown up. You're mature. I'm asking you to do the things that men of faith do: Step out on the water, walk to Me, and trust that I will keep you afloat. (48) **(PFTCOD5-Faith is Trusting and Knowing)**

And so you go along, faithfully following it as I would want you to, using the lamp of My Word to see the way at night, or the sun of My love and warmth to see it by day. (Xn 023)

10-May-2022 (Jesus speaking:) Dear son, I love every bit of you. So, I ask. Will you stand firm in My promises, will you fight for others and the gospel? Will you believe even when the ones you fight for don't believe and have stopped fighting? Will you be the one that stands his ground when faced with a great multitude of devils and people who only seek to destroy you? Will you do what I did on the cross just before I gave My spirit to My Father? I kept on fighting until My last breath. You know why? It's because I knew that I was fighting for the truth, and because of that My Father kept Me straight through His spirit. So, even when you feel down and your adversaries make you feel that there is no hope for you, no hope for others, no hope in Me and My promises, keep on fighting!! Never surrender!! Blast the lies with the truth of My words and stand firm even when it seems that you have lost it all. I will be there to pick you up and make you fly higher than you have ever gone before. And the ones you fight for, they will have the victory according to My promise. Hallelujah.

Sing praise, and shout out the truth, for the victory will be ours. Amen? Just love through the blue Keys that I have given thee, and use My humble heart and eyes and you shall come out of this trial better than **gold**. Better than the **stars**, for the humility of the blue Keys will give you true strength that conquers the world. I love you. (End of message from Jesus) (Esteban)

October 11, 2021—the final key (Prophecy) Call My loves, call for the final key, for you My children are at the door. Yes it is time, indeed it is time, look at your watch (The Watch)...see how late it is. I now know that you will not turn back, for you are committed to the cause of David, and to the fulfillment of prophecy. Each little decision to yield, each little decision to say yes have been like the small keys spoken of in the Assembling of the Final Key. It is My promise to David that to his children will I give the honour to slip the last little key into the massive final key that will release the power that will be required to finish the final act of the final play of this era. The end must come; I have been waiting for your obedience, your simple childlike faith, in the Words of David. **I have not been waiting for the mighty or strong, not the Saul's but the David's, those that know they are nothing and no-bodies. Even now, as you stand before Me, you see yourselves as nothing special, no one of significance, just street missionaries, going about with pieces of paper like insignificant news boys and girls performing what you believe to be your Master's bidding.** I will not lie unto David, I will not turn My back on My promises to him, if you will but obey and do your best to fulfill the Words of David I will hand you the final little key that, when slipped into place, will begin the greatest show of power this world has ever seen. Read the prophecy Assembling the Final Key and you will see that I have reserved this moment in history for you, not you, but you, you of the children of David, who through obedience to My Word, come to the place where you now stand. What are you but worms, but it is through your obedience and faith that this key is now being placed in your hands. Go now and in spirit insert the key that lies in your hand; for I tell you plainly that the hour is upon the world, the hour all creation, since the beginning of time has groaned in anticipation for. This is the hour of your destiny, this is the hour that your faith and obedience has brought you to. This is your commission, this is My promise to David and to his children, it is almost finished; in performing this task for Me, one more mate hath found its fulfillment. Doubt not, be not faithless only believe. Go and do, sound the trumpet, sound the charge, insert the key and it will begin, I stand on My Word and I cannot lie. (End of prophecy)

Song of Solomon 6:6. As the rind of a pomegranate are thy cheeks, besides that which is hidden within.

As the rind of the pomegranate is the least part of it, and includes all its excellence, so with this soul, its exterior appears of small account in comparison with what is concealed within. The interior is filled with, the purest love and the most advanced graces, but hidden under a very common exterior; for God takes pleasure in hiding away the souls He destines for Himself. Men are not worthy to know them, though the angels admire and respect them even under the humblest external form in the world. Those who judge by the outward appearance alone would believe them very ordinary persons, though they are the delight of God. These are not they who astonish the world by miracles, or the possession of extraordinary gifts; these things are a small matter in their eyes. God hides them for Himself, and is so jealous of them that he will not expose them to the eyes of men, but, on the contrary, He seals them with His seal, as He Himself declares that His Bride is a

fountain sealed (Ch.5: 12), whereof He Himself is the seal. But why does He keep her sealed? Because love is as strong as death and jealousy as cruel as the grave (Ch.8: 6). (Madame Guyon)

Yellow symbolizes faith and the glory of God, anointing and joy!

Fire is Yellow

The refining pot is for silver and the furnace for gold, But the Lord tests the hearts. – Proverbs 17:3

Gold is Yellow

Like fire, gold is RICH in symbolic meaning and it happens to be yellow as well. Gold is usually symbolic of wealth, royalty, glory, worship (the Tabernacle and temple), purification (as gold is heated to melt out impurities), and heaven (streets of gold).

Jesus was given 3 gifts at His birth and gold was one of them.

Oil is Yellow

Olive oil is mentioned throughout scripture and it happens to naturally be yellow. It was used in making Anointing oil. This makes yellow have a symbolic meaning of anointing, God's presence, the Holy Spirit, and more.

Honey is Yellow

Honey was sourced wild and domesticated in Bible times. It was considered a luxury and even referred to as medicine (Proverbs 16:24). God promised His people a land flowing with milk and honey. This makes honey's symbolism to represent God's promises, prosperity, and blessing.

Honey being naturally sweet carries this imagery of delight. We see this in Psalm 19:10 that fear of the Lord is even sweeter than honey.

The fear of the Lord is clean, enduring forever;

The judgments of the Lord are true and righteous altogether.

More to be desired are they than gold,

Yea, than much fine gold;

Sweeter also than honey and the honeycomb.
