

Know Your Enemy!--A study on our spiritual friends and foes Compilation, January 2004

1. A great part of the victory in any battle is when you can see the enemy, when you can spot the ways he's trying to defeat you, because then you know which direction to attack. The same is true with our spiritual warfare. We have to expose the Enemy in order to know how to fight him. And thankfully, we have a Commander in Chief, our wonderful Husband Who sees it all, the big picture, and is always more than happy to point out to us where the Enemy is coming from and what tactics he's using.

This Is Spiritual Warfare and the Enemy Is Fighting You Personally!

2. Some people get a little resentful or upset when problems are explained in spiritual terms. I can understand that you might feel that way, because "the natural man receives not the things of the Spirit" (1Cor.2:14). But the truth is, we are fighting a spiritual warfare and the Enemy is attacking. He always has! Don't just take my word for it--read your Bible! He's fighting you, me, Peter, and the Family as a whole, with everything he's got! It's real! To truly discern what's happening, you have to rise above the finite, narrow mind of man and see with the eyes of the spirit. Consider the following verses from the Bible:

Though we walk in the flesh, we do not war after the flesh: (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;) Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ (2Cor.10:35).

We wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places (Eph.6:12).

Be sober, be vigilant; because your adversary the Devil, as a roaring lion, walketh about, seeking whom he may devour (1Pet.5:8).

Lest Satan should get an advantage of us: for we are not ignorant of his devices (2Cor.2:11).

And the Lord said, Simon, Simon, behold, Satan hath desired to have you, that he may sift you as wheat: But I have prayed for thee, that thy faith fail not (Luke 22:31,32).

3. Acceptance of the existence of a spiritual warfare is crucial to understanding what's going on and to gaining the faith and strength you need to make wise decisions. As Dad has taught us, when you go over the top, that's when the Enemy starts shooting. We must be doing something right to have these attacks come up now. There's a reason why he's fighting so hard, which the Lord explains in this next message.

Each of You Will Be Tested

4. (Jesus:) This era is destined to be great. This is the era that many prophets and righteous men desired to see and participate in. They see the potential that exists for getting out the Word and My message in these days before the final showdown. They know how important it is that people receive the Word so that they are qualified to make their decisions later. They know how important this era is--that, in fact, the final Endtime events cannot come about until this era has been played out. So of course they all want to participate! They see the potential for these days, and they know that this could be the era of the greatest witness ever. It stands to reason that for such a great honor as participating in this era of action there would be some price attached. And so there is. This era will be the last chance for many to receive the full message, the meat of the Word, in these days when you can spread it abroad relatively easily. This is the chance for many to know the truth, to make the right decisions, to receive Me without having seen Me. This is such an important time--you have no idea!

5. It's field-testing time, to see what you'll do with the new [spiritual] weapons [of prayer, praise, prophecy, the Word, the keys, and having an intimate relationship with Jesus] that you've learned to use, to see what you'll do under extreme circumstances, because the days to come will be full of them. Be prepared, My children, and be ready to fight for your place--because it's a place of great honor, with guaranteed victory. It is not given for free. There is a price to be paid. If you're willing to pay it, congratulations! You will participate in a spectacular show of My anointing, power and strength--which will be given freely in order to complete this stage of world history. These are the days all the prophets have dreamed of! (3307:42-49)

Find Out Who Is Fighting You and Helping You

6. (Mama:) Here is a little tidbit from the Lord that gives further insight into how to fight effectively in the spiritual warfare we're faced with these days.

7. (Jesus:) An important lesson for My children to learn in these days when the powers of Hell have been strengthened against them is to specifically ask who is fighting them in the spirit world. I can clearly reveal who is fighting My children, as well as who is helping them, which will make them much more effective in the battle.

8. Exposing the enemy is the first step to defeating him, and you must be able to see your enemy in order to fight him effectively. So My children must learn to ask Me to reveal to them who is fighting them and who is helping them from the spiritual realm. If they're faithful to do this, their efforts in battle will go much further, victories will come quicker, and they will learn to recognize the Enemy's attacks and advances easier, as well as recognize the help from the spirit world.

9. This is all part of becoming more aware of the spiritual realm, linking yourself to it, availing yourself of the power which is yours, and fighting with it, rather than ignoring it and struggling in the flesh. (3412:19-22)

10. (Jesus:) When you're fighting a war, you must know your enemy. The same holds true in the spiritual warfare. While My power is so much greater than the Enemy's, the intensity of the spiritual warfare will only increase with time, so to be armed with the knowledge of who you are fighting--to see the face of your enemy, so to speak--will become more and more vital in the days to come.

11. This will be part of your increased power through the keys, and a part of your ministry and witness--that of discerning and knowing and being able to cast out demons, and binding and containing the powers that fight against you, specifically by name. This power has been afforded you through the keys. Now begins the work of honing that power, developing that link and connection with Me whereby all things--even the veil to the spiritual world--can be lifted and revealed to you in order to set the captives free. (3365:60-61)

Revelations of Some of Our Spiritual Foes, and the Spirit Helpers Who Fight Them

Oplexicon - who opposes the answers and denies the Truth

Mo's Revelation about Oplexicon! (1973)

12. (Suddenly:)..."His name is Oplexicon! (Maria: Who is he?) That one who would oppose the answers of God! (Where is he?) He comes out of the World of the spirits! (How does he oppose the answers?) He seeks to quell the springs of God! (How does he do that?) By denying the Truth to all who would listen. (Maria: Who is the one who fights him?) That's our Angel Gabriel--and Michael! (What can we do about Oplexicon?) Commit him to the wrath of God, for God shall destroy him!

13. (Is he a fallen angel?) Yes, one of the archangels of Satan! (Who does he work with the most?) His father the Devil, of course! (I mean, who does he try to oppose the most?) Us, of course! (Any particular person?) Me, of course. For we are the most powerful force of God and bear His Truth and Satan hateth it but he cannot stop it."

Who Oplexicon Is and How to Overcome Him!

14. Suddenly the Lord says: "Fearful is the power of this one and great is his might, for he is one of the mighty ones! He is the mightiest spiritual enemy of David and the one assigned to fight him!" (Rebuke him, O Lord, in Jesus' Name!) (I was marveling at his name, almost in wonderment, and the Lord said:) "He is not the match of your father!" (It was as though the Lord was rebuking us for marveling at him as almost like a form of worship!) "God Himself is the only real match for your father!" (But Lord!-That's a pretty strong statement! Surely the Archangels of God are a match for David?) "Nay! Even these obey thy will!"

15. (Prays:) "Oplexicon is nothing to Thee! Help us to be fearless in our rebuke of him, fearless in our resistance of all our enemies in the Spirit World. We rebuke you, Oplexicon, in Jesus' Name!" There must be something symbolic about that "O", too. Each time I rebuke him, he falls flat on his back, just like a stiff idol! He IS an idol, apparently, with which people become entrapped or snared.

16. Many of these ancient idols represented actual demon spirits. This is why God didn't like the idols, because of the spirits they represented. The Lord has given us that name for some reason, so try it on some of them. Say, "I rebuke you, Oplexicon, in the Name of Jesus!" It's almost like that "O" is a sign of his rank and his status. To whom did the people say, "O King", "O Daniel"?--Only to people of great importance! These devils are afraid of you knowing their name! There must be some special power in rebuking them by name.

17. Our word "perplex", which means to puzzle with difficulties, comes from the Latin word "perplexus", meaning entangled. Our English word "plexus", a network, comes from the Latin "plexus" which means a weaving. Our word "icon", meaning image, is from the Latin "icon" and Greek "eikon", meaning the same, an image. So "O-plex-icon" must be an "important entangling image" or demon archangel!

18. So obviously Oplexicon is a demon image or idol who evidently opposes the answers and denies the Truth! The Devil casts a snare, tries to entrap or weave a snare to stop the Truth.

Our spirit help:

19. [Prayer:] I call on Raphael, who is sent to assist in the healing of their spirits and to minister to them Your Word--true and unadulterated. He also assists Michael and Gabriel in destroying Oplexicon, who tries to stop the truth of My Word and deny it. (3455:205)

20. (Dad:) The Lord has given us an illustration of what He thinks is most important: The things and powers and conflicts of the Spirit World--the real World--where world destinies are being decided by the struggles of the Spirits and Archangels, whose powers are released or bound by our decisions, choices and prayers! Our daily lives and the World's future are being influenced by the battles in the Spirit World between the Lord and His Angels on the one hand and the Devil and his angels on the other--including Oplexicon!

21. Thank God, one little word shall fell him!--Jesus!--The Master of all! Hallelujah!--You have but to utter the Name of Jesus to fell all the demons of Hell, Oplexicon and Satan himself!--So why worry about our earthly enemies who are but mere mortal men! We don't need to fear the Devil or any and all of his angels!--Jesus is with us! "Resist the Enemy and he shall flee from thee!"--Jam.4:7.

22. "For God hath not given us a spirit of fear, but of power and of love and of a sound mind!" Hallelujah! "For perfect love casts out all fear!" Amen!--And "Thou shalt keep him in perfect peace whose mind is stayed on Thee because he trusteth in Thee!"--2Tim.1:7; 1Jn.4:18; Isa.26:3. Praise God forever! God is bigger than any devil!--And much bigger than OPLEXICON! Amen? (261, DB version:14-16)

The Selvegion! - the Enemies of Unity

Choose Ye This Day!-- Unite or Be Left Behind!

23. **(Jesus [after a vision of evil black elves latching on to Family members who were disunited]:) United you stand, divided you fall.** United you walk on to victory, divided the battle is lost. If My Family will not unite, this will be the end result, what you saw in the vision--a battlefield, the battle lost, death and destruction. This will be the end result of those who do not unite. United you stand, divided you fall.

24. **I have opened your eyes to the reality of My spirit world.** I have pulled back the veil and shown you a portion of what transpires in the real world. For the emissaries of Satan target the children of David. The black demon elves of disunity have stalked their prey. They are more dangerous than My children comprehend, with their venom of doubt, division, dissension, bitterness, jealousy, selfishness, hatred, bickering, backbiting, negativity, covetousness--all that fosters disunity.

Vision of the Black Elves

25. **(Jesus:) These black elves I have shown you are black demons straight from Hell!** These venomous creatures of Satan are straight from the dungeons of the netherworld. You have seen them in their slimy and slithering state, and likewise you have seen them morph into black elves that they might be hurled around the world to target My children. Satan has shot them out, hoping they will find entrance and be able to destroy My children and My work from within.

26. **These are black elves because their hearts are black with sin and evil, because they proceed from the Dark Kingdom,** from he who is the blackest of all, and because their deeds are black and dirty and evil. They hate the light, and they would pull each of My children of light into the blackness and darkness themselves if they could.

27. **These are called "Selvegion"** [pronounced SELL-veh-juhn], for they are dark, they are vile, they lure their prey to put self first, and they are many. These are they who oppose unity, for they know the tremendous and awesome power that is wrought through unity in My Spirit.

28. **Take a close look, My love, and see the meaning of this thing; see what is in a name.** What word have I laid on your heart to describe these dark **demons**? Black elves. Take this word "elves" and add an "S" to the beginning and you have "selves." These are they who promote "self," who blow out of proportion interest in one's self. These are they who oppose unity and encourage selfish living. They oppose oneness and harmony, and instead foster self-service, self-interest, discord, dissension, strife, and all that divides.

29. **They are called Selvegion, and now I ask you to take a look at the second half of their name.** Yes, it resembles "Legion," for they are many. "Legion" is contained therein, for these are akin to Legion, to those who terrorized many in the days I walked on Earth. The Selvegion are your bitter enemy.

30. **Call them by name; command them to leave in My Name!** These have no power over the children of David, over those who call on Me for deliverance, who call for the laying on of hands, for the anointing of oil, and who command these dark ones to be gone. They have no power over those who call on Me for forgiveness and for the power to forgive, who take the stand from this day forward to yield and obey My call to unite.

31. My children must rebuke them by name. Call them by name, call them out, call them down. You must resist and rebuke and bind the power of Selvegion in My Name, and they will flee. (3362:149-155)

Our spirit help:

32. [Prayer:] I ask that You send the Salvay: spirit beings of salvation [as in deliverance from sins of division] who counter each seed of the evil Selvegion. Where there is bitterness, they bring kindness and consideration--the balm or "salve" of love that sees another as one of Your brides, who You love and who should be loved as You love them. (3455:198)

33. [Prayer:] I rebuke and resist the evil Selvegion with all that is in me. I command them to leave me and these premises at once. I cast them out into outer darkness and bind any power they would try to have over my mind, heart and spirit. In the name of Jesus and the keys of the Kingdom, the Selvegion have no power over the children of David, and by the power of the keys vested in me, I command these dark ones to be gone. I want no part of their vile division, disunity, pride, self-interest, self-satisfaction, self-righteousness, bitterness, or hatred.

34. I ask You, my Husband, to help me live in love and unity with my brethren. I ask that You help me to truly live Your Law of Love in the spirit and fashion in which You intended for it to be lived--to put the needs of others above my own, to put the unity of our Home, of our city, of our country, of our worldwide Family, above my own petty concerns or resentments.

35. I ask that You free me from any and all resentment against anyone who is my brother or sister, my comrade in arms. I ask that You melt our hearts together, and that You make me a loving, humble, caring, and forgiving co-worker; a lifter, a helper, a healer of other hearts. (3369:75-77)

36. (Jesus:) If you listen to the Enemy's lies and dwell on his negative thoughts, either about yourself, your situation, others you live with, your mate, or the work in general, the Selvegion have a crack or hole to enter your defenses. Fight to stay positive by letting the light of My Word and the truth of My message flood your heart and mind daily. That's a must, or else your defenses will be down and you will get dangerously close to the point that the Enemy can strike you a deadly blow in an unguarded moment. So go on a proactive, offensive war by soaking in My Word and communing with Me daily. (3403)

Pan - who seeks to gain control of the mind

37. (Jesus:) Pan is the arch-demon whose aim is to gain control over the mind--who fights with ferocity against My young children of David. Under his jurisdiction, Pan has his powers and demons who fight against My children, and one of them is the demon of rejection, the evil power that seeks to question, demean, and reject My truth, My Words. He is the enemy of faith, one who actively seeks to cloud the minds of your young, to bring up doubts, questions, analyzing, distortion, complexity, confusion, anything that would stand in the way of simply taking in My Words in childlike faith and belief. Because the mind is the Devil's playground, the main inroad through which he seeks entrance to gain control, he is the author of strong negativity, depression, schizophrenia, even suicide and all manner of mental illnesses.

38. (Vision:) I'm seeing this demon--clearly he's a demon, the arch-demon Pan--but he's not ugly. He's not horrific at all to look at. In fact, believe it or not, he's golden all over, almost beautiful to look at. I'd describe him best as looking almost godlike in form--like the Roman and Greek gods are often pictured. He has a human form, big golden wings, and a long golden tail. He has long fingernails and toenails. I'd say they're almost like claws, but he still has human hands and feet. His face is also golden, but he's clearly demonic. His eyes are fierce; there is no light in

him or in his countenance.

39. He's bald. He has pointed ears, and he has these big horns on the side of his head, like ram's horns, curling back toward the back of his head. They're also golden. There is this big ornate and beautiful deep red jewel or gem right in the middle of his head-on top of his head- in between the horns. His head is definitely the most noticeable thing about him-because of the horns, and this jewel.

40. (Jesus:) Satan and his demons can take different forms, just as Satan himself can even appear as an angel of light. What you have seen is indeed the arch-demon Pan. You are seeing him in the form in which he likes to manifest himself, as a golden god, the great demon who rules over the dominion of the mind--the mind that he seeks to elevate and lift up in defiance of Me and My Words of truth. This is his territory, his domain-the "mighty" mind of man, in which he lives to wreak havoc, sowing doubt, confusion, and complexity, the ultimate goal being to turn My children away from simplicity, from childlike faith and belief in Me and My Words.

41. Even his head and this golden jewel placed atop it are symbolic of what he stands sovereign over--the mind--that which he worships and has power over, and which he seeks to use to displace Me.

42. And you wonder at his golden form? He seeks, just like Satan, to counterfeit Me and My spiritual world; thus he coats his form in gold, but in reality he is coated in the thick layers and stench of pride. So I have placed horns upon his golden head, which cannot and do not leave him no matter what form he takes. They are a witness against him, for they are symbolic of his gross rebellion against Me and My ways and My truth--a symbol of his stubborn and gross idolatry.

43. He is often pictured in Greek mythology as half-man, half-goat, playing upon pipes in a rural setting. This is the common worldly depiction of the mythological god Pan. The gods and goddesses of Roman and Greek mythology are often romanticized in this way. But I've shown you the real picture of Pan, for he is much more of a powerful threat and foe to be fought and rebuked and cast out than a mere faun playing mischievously upon his pipes amidst the forest glades. However, I must alert you that this depiction of him playing upon pipes is indeed a reality in the spirit.

44. Pipes are symbolic of some of his powers within his dominion over the mind, for Pan is the great bewitcher of the mind, and music is one of his vehicles allowing him entrance to the mind. His pipes are likened unto those that are inlaid in Satan himself, for they are the pipes of his music--the demonic chords which have drawn many away from Me, My Words, and My truth, even from desiring to seek after Me and My truth.

45. So music that is not filled with My Spirit, but rather Satan's words, chords, and propaganda, is also his domain. For music has great and awesome power over the mind and the spirit, and thus it can be a great polluter. It can lift to the heavenlies when filled with My Spirit, or it can drag to the lowest depths when Pan's fingers, or those of Satan himself, play upon its chords.

46. (Vision:) At this point I'm seeing what looks like Pan sliding down this single bar or chord of music. He's sliding down it with such skill, almost like he's surfing, but with supernatural skill and stealth; it's like he's a master at it, very, very skilled. So, Jesus, he must be able, just like the Selvegon, to morph in shape, even down to this miniscule size to be able to be transported supernaturally to the mind through music, all with the purpose, no doubt, of influencing the mind in a negative way?

47. (Jesus:) Yes, Pan has this power, and music is one of his vehicles allowing him entrance to the mind. And now, My love, I show you Pan in the form of his true identity, in his

fallen, rebellious, and iniquitous state. Look and behold his hideous spiritual form from the depths of the netherworld!

48. (Vision:) Now I'm seeing this same golden form change before my eyes into something quite different! He's now no longer golden, but green all over!--But a hideous green, and there appear to be large splotches or boils or spots on different parts of his skin. From a distance they look almost like scales, but as I focus in more I'm seeing that they're not scales--it's just that his skin is diseased. This must be how the Lord sees his false golden covering of pride--as the diseased, sickening green that it really is.

49. I can no longer see much of his lower half and legs, instead there are just clouds or some form of vapor--like the lower half of him has no form now, he's not complete. His golden wings are gone and in their stead are these big, black, leather-like bat wings, very ugly! His head is monstrous--very, very gross and hideous. Though his body still has somewhat of a human form, his head is no longer human; it's monster-like, almost half-dragon, half-insect. The jewel atop his head is gone; instead there are these big mounds of deformed flesh on top of his head. He still has the horns, but they're not golden; they are the same color as his flesh--that sickening green. His eyes are yellow, huge caverns, monster eyes. And his hands are definitely claws now--not just long fingernails, but webbed claws.

50. (Jesus:) Now you have seen the face of your enemy, My love--he who seeks after the minds of My children, to cloud their thinking and perception of Me and My Words with his vaporous fiction and idolatrous lies. Cast him and his minions of rejection out of your midst with a ferocity--with the same intensity with which he seeks to lure, bewitch, and capture the minds of My strong young warriors!

51. (Mama:) This is an important revelation! These two arch-demons [Pan and Bacchus] are powerful in the nether-world and they could be destroying your sanity, fruitfulness, happiness and faith if you're not fighting them! Be warned of their vast influence! The arch-demon Pan has dominion over spheres related to the mind--rejection of the Word, doubts, confusion, distortions, negativity, depression, schizophrenia, even suicide and all types of mental illnesses. Bacchus is the prince of addiction. He will seek to make you dependent on things other than the Lord.

(3365:63-85)

Our spirit help:

52. (Jesus:) The nemesis of Pan is the Word, the Scriptures, the New Wine, anything that builds faith. The written Word will send Pan screaming! (3402:39)

53. [Prayer:] Thank You, wonderful Savior, for the spirit helper Illuminus, who is an advocate of Your light to fight the darkness of Pan. Pan attacks the mind with his darkness--his lies, deceits, doubts, depression, discouragement, and all that opposes the light of Your Word. Illuminus' power to defeat Pan is released and activated through prayer and a person's choice to take in the Word.

54. So help us to choose to take in Your Word, so that You can release the power of Illuminus, Lord--because he can't help us unless we make that choice. So please help us to do just that, Jesus. (3455:200-201)

Bacchus--the demon of addiction

55. (Jesus:) As for Bacchus, his jurisdiction is over the principality and stronghold of addiction, of which there are many forms. His mission is to separate My children from Me, to cause them to turn to their addictions--any number of physical or fleshly crutches and

excesses--instead of turning to Me and leaning upon Me. His mission is to cause dependency, a dependency which hinders them from leaning and depending fully upon Me, thus stifling their growth and connection with Me.

56. (Vision:) Oh my, what I'm seeing now is definitely demonic, very horrible. It's Bacchus.

The first visual impact is of seeing all these horrible tentacles, resembling octopus tentacles. Then behind and at the core of this mass of tentacles is this fat demon. He has a big belly, a bald head, and small, pointed ears. I'm noticing that his feet also turn into these octopus tentacles-quite gross. He has very strong, muscular arms with big leather bands on them, which have silver studs on them.

57. (Jesus:) This is the haughty, proud prince of addiction, Bacchus. His strength, his hold, and his tentacles are multiple and strong, but they melt as butter when cut with the power of the keys!

58. There is no tentacle of addiction, no habit, no hold upon My children which cannot be broken through the power of the keys! He seeks to bluff you, hoping you'll tremble and be intimidated, and thus lose faith that his grip can be loosened. But do not weaken and tremble, having gazed upon the arrogance and strength of this demon, but rather wield the keys in faith and courage against him, for this is what he fears the most, knowing his doom is sure! (3365:79-84)

Our spirit help:

59. (Jesus:) The nemesis of Bacchus is loving Me intimately and calling Me to your side as your Husband. When you do that, you show Bacchus that his addictions and trinkets are nothing in your life because I, as your Husband, satisfy all your needs for pleasure. (3402:39)

60. [Prayer:] Through the power of the keys of deliverance I enlist the help of Boheme (Bo-HEEM) against Bacchus.... Please free our loved ones from the physical or fleshly crutches and excesses that Bacchus tempts them with. We ask You to use Boheme to cut the tentacles of Bacchus and his addictions. He is a great one, possessing all that is fit and uncompromising. (3455:207-208)

Apotheon - arch-demon of failure and ruin

61. (Jesus:) I will reveal to you another spirit that has been hindering you that you must also rid yourselves of through the power of the keys, before you can fully be free to do My will in this area. His is the realm of poverty and beggary, slothfulness in matters of business. He is the arch-demon of failure and ruin.

62. This evil spirit attacks both those of the world and My children. He especially fights you, My Endtime brides. He seeks to convince those who could have the best that they should settle for second best. He screams lying vanities in order to convince those who are handicapped in some way or who suffer loss that they are ruined and that they should give up and accept the low state they are in. He uses your natural weaknesses and the difficult situations you find yourselves in and plays upon them, magnifying them. He also works hard to convince you that you are comfortable where you are, that what you have is okay, that you shouldn't have to work to change anything, that it won't work anyway, and why bother, because it's not really necessary. He fights your faith and clouds your outlook and vision for My supply and the possibilities I lay before you.

63. (Channel:) I'm seeing this demon that's shaped like a big weight, very broad and heavy on the bottom, with two sets of arms. With one set of arms he is pressing down on his prey, trying to keep them sinking lower and lower. Each time they sink lower he tries to make them very comfortable in their current position, so they won't want to climb out of it. And with the other set of

arms he's shielding their eyes so that they can't look up, almost as if to convince them that there's nothing up there, or they shouldn't look up, it's too high for them.

64. He continues to push down on them, and then repositions things to make them comfortable in their current state. He is extremely heavy himself. His whole power is his weight and the weight he places on his victims. Each time they accept a lower standard or lower position, he loosens the weight a bit, trying to make them comfortable, and then slowly begins pushing again, until they are again sinking even lower.

65. (Jesus:) This demon, Apotheon, works alongside Satan within one of the highest echelons and domains of nether-world power and importance--that of destroying faith. He goes about the earth to and fro amongst the children of men weakening and undermining faith, courage, and hope; seeking always to press down, to push down, to oppress, to cover the eyes of those who would turn them upward toward Me where there is light, hope, and growth, and where there is always forward movement. He seeks to suffocate and weigh down man's spirit and will to fight on, to rise above circumstances and conditions; thus his domain is one of poverty, failure, and ruin.

66. Many amongst those who know Me not fall prey to his powers and suffocating weight, but with a vengeance and diabolical mission--and as Satan's personal apostle--does he seek after My Endtime brides with an unrivaled evil intent.

67. His grip is like unto that of a python--suffocating and paralyzing. He seeks to paralyze people's faith, so there is no movement, no forward motion, no vision, no desire or ability to rise above or change things for the better, no desire to fulfill My plan or perfect will. The coldness you experienced [while seeing the vision] is indicative of what happens when Apotheon's weight is heavy upon you and your faith is slowly drained from you--you lose your fire, your heat, and your drive, because faith fuels your fire!

68. This one's power is akin to that of lethargy, but his domain and dominion goes beyond even that of lethargy, because he strikes at the core--the heart and spirit of man--where faith abides. His power and poison are particularly devastating and life-threatening, striking even My Own, My Endtime brides.

69. The antidote to drive this demon far from you?--Exposure, rebuking him by name, calling upon the power of the keys, and militantly going on the attack through feeding and fueling your faith with My Word, obeying My Word, putting on My mind, and putting your faith into action!

70. (Mama:) As soon as I heard this evil one's name, the word "apathy" came to my mind. Apathy is defined as "lack of enthusiasm or energy, lack of interest in anything, or the absence of any wish to do anything." When asking the Lord if this word has to do with Apotheon, He said:

71. (Jesus:) Yes, this evil spirit is definitely the power behind the depression of spirit that is apathy. He takes credit for the very sad, hopeless state of man when he is apathetic. When man has no drive, no energy, no vision, no hope of change, no initiative to take action and make things better for himself or others; when he becomes past feeling, to the point of being dead in spirit and mind, without any forward movement, paralyzed in complacency, this is the work of Apotheon.

(3400:167-189)

Our spirit help:

72. (Angel:) My name is Arcothon. I have come to see you through this Time of the End and to teach you the art of **warfare**. You wonder why my name sounds so familiar to Apotheon. I am Apotheon's archenemy, the warrior angel designed to defeat Apotheon.

73. Arcothon is my name, for I fight through fire. I fight through the words that the Master gives me, and I turn them into fireballs that fight **and defeat him**. Apotheon is the archdemon of apathy, laziness, waiting, sitting, dragging down, draining the lifeblood out of you. You know the various manifestations of Apotheon, but you do not know my manifestations.

74. I am the opposite of Apotheon. I am fire, I am attacking, I am fight! I am a warring angel designed to fight; that is all I do. I fight through the weapon of prayer, of prophecy, of the keys, of hearing my Master's instructions, and of casting out Apotheon.

75. My Master's words are pure energy, pure light. I fight through light of the purest form. The purest energy known to man is light, yet I fight with an even greater energy, a purer energy, even purer than light. It is an energy that you do not fully comprehend as yet, for it is the energy of the power of God. This is the energy that runs through my body and through my veins and out my hands when I fight. I do not fight with conventional weaponry, with swords; I fight with pure energy, missiles of pure energy that nothing and no one can defeat!

76. Yea, you children of David can defeat Satan himself, and in time, the Spirit of God flowing through all of you collectively will win a great and mighty victory. All you need to do is to learn how to become a clean receptacle and a conduit of the power of God, and enough of it will flow through you that nothing on Earth will stand before you. For nothing of Earth can stand before even a small portion of the power of God.

77. So that is what you need to do: Allow me to help teach you to open yourself more to the power of God. Receive my help, allow me to teach you the art of war. Let our wonderful Husband, the King of the universe, the Source of all power, possess you. That is being a conduit of the power of God.

78. I am not the power; I am only a teacher to teach those who want to learn how to become a conduit. And once you link up with the Master, the Holy Ghost power will flow through you in unparalleled measure, and you will feel the power of the Spirit of God flowing through you.

79. This is the art of war, and it is this full possession by our Master, King of the universe, Holder of the powers, Source of the power, that will cause you to be effective in your warfare and become an unstoppable, unbeatable source. (3433:295-304)

Arakan - chief demon of confusion and depression, hinderer of prophecy

80. (Jesus:) Arakan is a chief demon of confusion and depression. Call him out by name and do not let him hide in the recesses of your mind. Resist him by name, rebuke him by name, and he will flee! He is strong in his own might, but he is nothing compared to the power of the keys, which must be used to rebuke him.

81. Say the words, "I resist you, Arakan, in the power of the keys! Begone!" and he will flee. He is not a confrontational devil; he prefers the shadows and the dark muddles, like an octopus who clouds the waters in order to escape. When you begin to fight him, he will attempt to cloud your mind and confuse you. He is a chief among demons of confusion and depression. He stands under Oplexicon and Satan and seeks to hinder this project.

82. This is one of the principal methods of attack against spiritual powers--call them out by name. Ask their name, and they are bound to identify themselves to you so that you can attack them. Ask and you will receive their names, and I will use their exposure to help you win the victory. Fight against Arakan--the muddler of channels, the clouder of minds and confuser of thoughts. Break his power over you through the keys. Rebuke him by name, and do not let his confusion reign over you.

83. (Jesus:) Prophecy is one of your most important weapons of the spirit. The Family must be able to hear from Me, either through their own personal channel or through someone else's channel. It's one of the most important links you have with Me.

84. Arakan fights all channels and try to confuse and muddy their mind.

85. He first enters with thoughts of discouragement or depression, telling you that you can't be a good channel, this is too hard, you can't hear from Me about this, you won't get it right, and trying to convince you that in the end you're going to be even more discouraged because you didn't get a very good message. He hits channels before they sit down to hear from Me and tries to belittle, discourage, and confuse their thoughts. It's a serious attack of Arakan, the demon of confusion, when it comes to anything to do with channeling, speaking, or delivering My message.

86. Arakan and others have been unleashed to do their dirty work throughout the Family. He's prepared to attack anyone who needs to focus and concentrate on My work--any channel, teacher, speaker, writer, editor, programmer, anyone who needs to give a presentation, counsel people, or answer questions--in short, anyone who needs to have their presence of mind and clear thinking. That's his power, to confuse and muddle, and as a result, cause discouragement and depression.

87. The power you have is greater! Call on the power of the keys, rebuke any demon by name, and their effect on you will be destroyed. It's My promise. Stand on it! Hold the keys in your hand and rebuke the Enemy, and he will flee. The keys of the Kingdom will destroy the power of Arakan. Call on the keys and send their full impact to destroy any demon of Hell. As soon as you claim the keys and rebuke that demon by name, your thoughts will be clear, your mind won't be muddled, and you'll be able to do the work I put before you. (3419:16-17,19-29)

Our spirit help:

88. [Prayer:] I rebuke and cast out the demon Arakan--the chief demon of confusion and depression. Thank You, darling Lover, for the F.A.F. (Fairy Angel Fighters) who assist Illuminus in fighting Arakan. The buzzing of the wings of these fairies causes Arakan to be confused. Their whispers of truth and encouragement bring defeat to the depression of this demon. (3455:202-203)

Lethargy - one of the Enemy's principal weapons

89. (Mama:) I want to share one point that is a key as to why some of you haven't made more progress in the spirit, in spite of so many answers and direction being covered quite extensively in past Letters. A message from Dad on a different subject caught my attention when he said:

90. (Dad:) There is a spirit of lethargy in the Family that's killing people's progress and effectiveness for the Lord. It's a complacency with the way things are! The Lord is tired of it! It's time to wake up and get moving! It's time to change! The Lord is upset with some of our folks, and I am too, for their lack of the fear of the Lord!

91. (Mama:) I asked the Lord to tell us more about this "spirit of lethargy in the Family that is killing people's progress and effectiveness for the Lord." Here is Dad with some more insight on this:

92. (Dad:) Don't just be hearers of the Word, but doers also! That's the key. Some of you have slid back into your ruts and gotten comfortable and aren't interested in stirring yourselves up. You're hearers of the Word, but not doers. You've ceased being revolutionaries and have started to become like the churches. You're tired of the fight; you've stopped fighting.

93. Lethargy is a spirit of the world, of the Devil, and he's lulling everyone to sleep. He's going to be able to walk right on stage when his time arrives and take over, because there'll hardly be anyone to say he shouldn't! He will have lulled almost everyone to sleep and taken care of all the avenues of possible resist-ance, and the world will let him have his way.

94. Lethargy is one of the Enemy's principal weapons. He doesn't have to use a show of force to terrorize the Lord's children and take them down and destroy their effectiveness for Him. He's going to come in very subtly. He's going to come in quietly, un-obtrusively, sneakily.

95. Since you are in the Last Days, you will find more and more that you'll be fighting some of these spirits that plague the world. The Lord has promised to keep you from them, but there is a condition to that promise. "If thou wilt diligently hearken to the voice of the Lord thy God, and wilt do that which is right in His sight, and wilt give ear to His command-ments, and keep all His statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the Lord that healeth thee" (Exodus 15:26).

96. The Lord isn't just referring to physical diseases here, but spiritual diseases. And the cure for those diseases is to listen to Him and obey what He tells you to do. The Lord needs you, His soldiers, to not just hear His Word but do His Word. He needs you to fight!

97. The Lord will heal those of you who are afflicted with this spirit of lethargy and any other spiritual problem. Take a stand against the Enemy and his attacks and get delivered. Watch out for the spirit of lethargy! Don't let it ruin your effectiveness for the Lord! (3361:85-93)

Our spirit help:

What Can Be Done to Get Rid of It?

(Jesus:)

98. • Each person search your heart. Stir yourself up. Pray and seek Me. Hear from Me. Ask Me specific questions, like:

--In what ways am I lethargic spiritually?

--What wrong influences have come into my life as a result?

--What wrong attitudes do I have that I need to change?

--What have I been avoiding stepping out and doing? What new moves of the spirit have I been hesitant to put INTO ACTION?

--What should I do to stir myself up more and keep myself stirred up in spirit?

99. • Some of you need to ask Me to do something major in your life that will shake you up and wake you up to where this world is at and where things are headed. You should pray a "whatever it takes" prayer, really. You should say, "Lord, do whatever You need to do in my life to open my eyes to the spiritual warfare raging around me. Take the blinders off my eyes. Remove the root of this problem, whatever it is and wherever it came from, by helping me have an experience that will snap me out of my rut of spiritual lethargy."

100. • Fill yourself with good healthy doses of My Word and hearing from Me in prophecy. There's nothing lethargic or laid back about My Word. It is a sharp, two-edged sword, discerning the thoughts and intents of the heart. If you're digging into My Word, and praying for a hunger, and praying that I will "open your eyes that you will behold wondrous things," that's just what you'll get!

101. My Words, the words I have given through your Father David, through your Queen Maria and King Peter, and through My voice of prophecy to you personally are alive, quick and powerful, and will not leave you unchanged! If you've been reading them for years and haven't been stirred up or changed by them, that's not the fault of the words; it's the fault of your own spiritual lethargy. Just reading the Word in itself, meanwhile daydreaming or doubting, is not going to cure you. But reading the Word after praying desperately that it will MOVE you, SHAKE you up and STIR you to ACTION is a large part of the cure!

102. • Heighten your awareness of the Endtime. Read up about the signs of the times and open your eyes to what's going on around you. Some of you have lost the vision of "redeeming the time, for the days are evil." Because I haven't come back as soon as you thought I would, you have been tempted to fall into the deluded reasoning that "all things continue as they were" and that nothing's changing. Talk about delusion! Talk about blindness! Open your eyes! Look at the world today and what it's becoming! It's happened little by little, gradually, so that you could hardly tell. But think for a minute about how the world is today compared to 10, 20, 30, 40 or however many years your life goes back. Think about the horrors occurring today that are so widespread they're not even alarming anymore! That is the most alarming thing of all--when horrible things happen and the world (comprised of billions of people like YOU) just sits by and doesn't say or do a thing. You've let that spirit in, that spirit of Satan that has pervaded the world, and now it's time to kick it out! Let it have no place in you. (3361:187-192)

103. [Prayer:] We call on Styrian [Sty-REE-an], who is sent to bring a whirlwind of destruction to the demon Lethargy and his ilk. She is filled with good ideas that bring forth spiritual progress, which are manifested not just in spiritual growth, but in physical fruit. She is filled with an all-consuming power of the Spirit of God, and the demon Lethargy has no escape when confronted by her. She is a whirlwind of positive spiritual activity. (3455:196)

Vandari - destroyers who oppose the Truth

104. Once again, in order to make our prayers more powerful and to help us understand what we're up against in the spiritual realm, the Lord has seen fit to reveal another important piece of the puzzle of our spiritual warfare. At times I'm concerned that some of you won't relish another graphic vision and explanation about a powerful demon who is assigned to fight the Family. I know it's not pleasant, but this is important.

105. (Vision:) I saw a clean-cut, handsome-looking man, around his early 30s. He looked like a nice guy, well-groomed, together, confident and on top of things. Then all of a sudden he morphed right in front of me into the most grotesque creature! He turned blood red from head to toe, starting from his head down. His clothes were no longer defined once he morphed, but rather it looked like he was covered in some type of blood-red cloak that was clinging to his body--it was like a hood over his head, and it covered him like a long cape all the way down to his feet.

106. His eyes look very bloodshot. His red cloak looks somewhat like the traditional cartoon picture you see of a ghost--the typical ghost covered in a sheet--only this covering is clinging to him and it's blood red. The horrible thing about it is that he seems to be dripping all over with blood. One minute he's this handsome-looking fellow, then he's this horrible, red, dripping creature.

107. Now I see a big crowd of people. It's a public place, like a crowded city street, but among the crowds, I zero in on different people. I'm not able to pick or choose where I want to look; it's like I'm being led by a spirit helper to zero in on specific people in the crowd. And as I look at certain ones, they are morphing into these same ugly-looking creatures. But I have amazing peace, because I know they can't touch me. I know I'm protected and I feel very peaceful. There seems to be a sober warning, though, about these creatures. It's not a light matter, but at the same time, I know if I claim the keys and if I'm obeying the Lord, they can't do a thing to me.

108. (Jesus:) As I have revealed to you before, the emissaries of Satan can often take on many forms. You see them disguised as the innocent, the inviting, the average member of society, and I show you that all that meets the eye is not as it appears. I show you what lies beneath, that you might walk circumspectly, that you might continue to raise your guards and walk in vigilance in these dark days. I reveal this to you, My friends, My brides and lovers, so you can watch and pray and not be ignorant of the Devil's devices, so that you will not enter into temptation as those in the

world.

109. These repulsive, blood-red creatures you see transformed before your eyes are the Vandari, agents of the netherworld, who infiltrate the world population in the Last Days. (*Note: Phonetically this is pronounced Van-DAR-ee, with the accent on the second syllable.*) Look at the significance of the Vandari name in your human language. The “van” is derived from the word “vandals,” the “dar” from the word “dark,” the “i” spelling of the last syllable signifies “I,” denoting self or selfishness.

110. The Vandari are out to destroy. They are out to suck the very life out of the living. These seek to snuff out both the physical as well as the spiritual lives of those who are not protected by My Spirit. They are hitchhikers who work through many vehicles--those who are ignorant of the truth, darkened in their understanding.

111. The Vandari latch on to their prey and seek to use them to oppose My truth. Be aware, My children. Be wise, not ignorant of the Enemy's devices. Walk in vigilance. I don't care to give undue importance to the dark workings of Lucifer, yet I am a true Husband Who warns His brides of danger so you can avoid it.

112. The Vandari are let loose upon the Earth. Their mission is to recruit those who will bow down and worship the son of perdition in the appointed day. Likewise, they seek to oppose My truth. Walk in wisdom toward all who are without, for the world is full of demons, sorcerers, and every foul bird.

113. You, My brides, have nothing to fear, but I call you to live in My Word and to do all things in the power of the keys of the Kingdom.

114. I'm giving you another piece of the puzzle, in order to help you open your eyes more to the spiritual warfare that rages. The Last Days are not far off. They have begun, this is why I keep revealing to you the things of the spirit, so you are aware, forewarned, and forearmed.

115. I show you this picture so you can avoid Satan's traps. I want you to open your eyes wide and see the truth about what goes on in the real world. I have revealed to you evil ones, against whom you must take a stand--those who oppose the children of David. I have revealed the identity of these evil demons who oppose you--Oplexicon, Lethargy, the evil Selvegion, Pan, Bacchus, Apotheon, and others--so you will not be ignorant of their devices and can fight to defeat them. Now I reveal to you the identity of the Vandari--not to overwhelm you, but so you can bind their power, as well as catch the full vision.

116. I pull back the veil and reveal more to you now, to strengthen your resolve as to the need to put on My mind and live in My Word. Along with revealing to you the identities of the wicked ones who fight you, I have spoken repeatedly to you of the need to work more closely with the spirit helpers I freely send to aid you. (3420:129-153)

Our spirit help:

Vandari Repellent--the Word!

117. (Jesus:) The Vandari, like all of your other spiritual enemies, cannot harm you or even come close when you are strong in My Word. That is your best defense against spiritual attacks, to be strong in My Word and My Spirit, for then you are well armed, well defended, you are one with Me and one with the keys, and you have access to their full power. The Enemy, being cunning, doesn't like to attack those he knows will give him a hefty blow in return; he looks for those who are weak.

118. You must pray against the Vandari influencing and working through your enemies and others in the world who can harm you. Simultaneously, you must strengthen yourselves in spirit

through taking in My Word, so as to guard yourselves from falling prey to the Vandari, who also seek to work through those who are weak in the Word. Being strong in the Word gives you the conviction and strength to rebuke and bind the Vandari, and makes you a powerful and effective prayer warrior.

119. My Word is like repellent; the Vandari can't stand it, and you are no longer appealing to them when your spirit is liberally coated with it. To Me, they appear as mosquitoes. Yes, they are annoying and pestering and dangerous carriers of disease, but also easy to squash, and easy to stay free from, through the repellent of My Word. Through the power of the keys they are minimized from large, blood-dripping creatures into little mosquitoes--easy to squash and be rid of, if you are using the repellent of My Word and taking it in faithfully!

120. Do not fear, My brides. I reveal this to you not to scare or threaten you, or to make you live in fear, but rather to arm you against these attacks, to make you aware and able to defend yourself through My power--the power of the Word. It's very simple. As long as you are strong in My Word, they might try to fight you through your enemies, through those in the world that have become their prey, but they cannot touch you. (3420:165-169)

Obstacon - demon who stands in the way of God's truth being absorbed

121. Here now is what our Husband revealed to us about another enemy who fights us, specifically in the area of our Word time--being faithful with it, absorbing it, obeying it, and living it.

122. (Jesus:) The Family must fight, resist, and bind the powers of Obstacon! This one stands in the way of My truth being absorbed. He stands in the way of My Words being applied. Obstacon must be removed. You must resist him, and face him down in the power of the keys. He must be stopped; there is no time to waste. This kind goes not out but by prayer and fasting. You must unite your forces to fell him in the power of the keys.

123. Crafty and wise, subtle and sly is Obstacon. He will use any and all means to stand in the way of My Words being absorbed and applied. "Good intentions" are among the chief means he uses. He seeks to take good intentions and good works and twist and use them to seduce My Family into filling their time with good things, but not the best thing. He is a master at mixing up priorities, therefore ensuring that first things do not get put first.

124. He is cunningly sly. He is sharp and clever, satanically canny. He slips in unaware; he is slick and quick to change tactics. When he sees that one means is not working well, he'll quickly change his strategy. He is skilled at staying a step ahead and pulling another obstacle out of his bag of many devices to obstruct My Words from being absorbed and applied.

125. Obstacon is a master of obstacles, of all that obstructs My children from absorbing and living My Words. From this he derives his name, Obstacon. (Obstacle--Obstacon. An obstacle is something that stands in the way; it opposes and hinders progress. Change the last two letters "le" to "on" and you have the "con," also denoting opposition.) Obstacon is one who is against you. He desires to stand in the way of your progress, to deny the truth, to work through anything and everything to oppose you. Obstacon makes use of every obstacle that would stand in the way of My Family absorbing My Words. He knows if he can stand in the way of you absorbing My Words, you will consequently be unable to apply My Words.

126. His craftiness and power are no match for the keys; therefore, My children must fight in the power of the keys to fell Obstacon and his underlings. As you unite to fast and pray, you must rebuke and bind his power. Call on the keys of deliverance from Obstacon, and I will free you from his grip, so that the Word revolution can ignite and burn forever in your hearts. (3434:1-8)

Our spirit help:

Obstacon is defeated through your obedience

127. (Jesus:) The archenemy of Obstacon is the Word. It is his defeat, his nemesis. He fights it, but he knows that he is no match for it. When one of My children is determined to persevere in their Word-time habits and absorbing and applying the Word, Obstacon is hopelessly defeated. It is good for you to be aware of him and his influence and to fight him; that is very important. But what is most important is your perseverance and determination to get your Word time and to live it no matter what, because that is what calls his bluff, that is what will defeat him.

128. In claiming the power of the keys to defeat Obstacon, you must wield them through your obedience to My Word. That is a condition to their use. Obstacon must bow to the power of the keys, and you must claim them against him, but in addition to that, you must immediately obey and follow through on what I show you, or else he will return and continue to block your way and distract or deter you. Without your obedience, he continues to do his evil work.

129. So the greatest thing you can do if you wish to defeat him is to call on the keys for strength to obey and persevere. Claim the keys against distractions and claim them against Obstacon, and then proceed with determined obedience--read, absorb, and live My Words. As you fight to do that, you are fighting Obstacon, and he is defeated through your obedience. He will try to dissuade you, distract you, and deter you, but as you persevere and obey, he meets sure defeat.

130. (Mama:) We also asked the Lord if there were any specific spirit beings who would fight and defeat Obstacon for us. The Lord's answer confirms the need for each of us to seek Him specifically about how Obstacon tries to fight us, as that holds the key to his defeat.

131. (Jesus:) Because Obstacon is directly linked with your obedience, the spirit helpers who fight him will be those who help you to obey in whatever area he is trying to block you. So a key to having the help you need is to find out in which areas he's hindering you, and then seek Me as to who I've assigned to help you in those areas. They are the ones you can call on for help, and they will fight against him on your behalf, and will also help you as you press forward to obey despite the obstacles he places in your way. (3434:50-54)

132. [Prayer:] I call on Michael, Gabriel, and Raphael to honor my commitment to read the Word. Bind Obstacon, Oplexicon, Apotheon, and Lethargy from influencing me to forsake Your instructions, Jesus. I pray that each word of the Letters I read will come alive to my spirit, convict me, give me vision, motivate me, and instill a burning desire within my heart to have a metanoia, a complete about-face change. (3456:85)

133. [Prayer:] I call on the help of Michael the Archangel, as well as Gabriel and Raphael, to fight for me as I submit myself to You, and that the voice and influence of the demon of Disobedience will die in my mind, that he will be defeated, and no longer be tolerated in me. In Your name I pray. (3456:99)

Choose to See Things in the Spirit

134. (Jesus:) Don't let the Enemy make you feel weary or like it's "too much" to have yet another demon exposed. This knowledge is a very key part of the spiritual warfare. Many people have the weakness of seeing things in only the physical realm, rather than looking at what's happening in the spirit. It is in the spirit that battles are won or lost. Those who want to be winners will fight in the spirit. Those who choose to reject that insight and truth, and who prefer instead to stay in the physical plane, will wind up losing, for they will be weakened and will not see the attacks coming.

135. One of the main advantages of choosing to see things in the spirit and fight in the spirit is that you can see the attacks coming, you can prepare, you can be warned and ready. If you don't accept the spiritual point of view and instead choose to stay in the physical realm, then you just have to deal with the attacks as they come and you fight a much more defensive warfare. Plus, your enemy is safe from your attacks and offensive against him, because he's not limited to or affected by the physical plane.

136. So those who choose to limit themselves to the physical plane through disbelief or dismissing these important revelations of the spirit that I'm giving you are greatly disadvantaged. You also handicap yourselves in facing the future, for I will continue to expose your spiritual enemies in the days to come, as well as reveal your spiritual defenders and weaponry. Be not ignorant of the Evil One's devices, nor of your own defenses!

137. (Mama:) The Lord makes it clear that learning to recognize the spiritual warfare, and working with those who are helping us from the spirit world, as well as fighting against those who seek to hinder us, are secrets to success and survival at this time in history.

138. This is a unique time. It's a time that is different from all that has gone before, because this is leading up to the grand finale, so things are different, more intense. The Enemy, as was foretold in the Bible, knows that his time is short and he's trying all sorts of new tactics and pulling out all the firepower against us that he can muster (Rev.12:12). It's very important for us to remember that, as it will help the battles and all that the Lord is showing us to make more sense and fall into perspective. (3434:3-8)

More Spirit Help: Meet Tola and Tor

139. (Vision:) I see two amazing beings! They are very clearly male and female. Their size is amazing! She looks like an Amazon! She's tall and very shapely, very strong, certainly not weak and frail. He stands a good six inches taller than she does, and is also mighty hefty-looking. The awesome thing about these two is they don't have clothes on, but they look like they're wearing some type of body paint, I'm not sure how to describe it.

140. They look like they're made of gold from the neck down! They don't look like a golden image that's all smooth and shiny and slick, but more like they're made of liquid gold. It's alive, living gold, rippling and radiant. You can plainly see their form. This liquid gold substance is moving within them. The impression I get is that they're filled through and through with this radiant gold.

141. They look like they're on fire with this blazing liquid gold that is moving and radiating, like it's bubbling or boiling. It reminds me of a hot stream of lava coming down a mountainside. It's not in the raging, out-of-control stage, like when a volcano first erupts, but it's moving in a steady flow. It also reminds me of when a goldsmith is heating gold and it's very hot and bubbling.

142. They're really quite gorgeous! Their facial skin looks like ours. Their whole body is human in form, but from their neck down their skin seems to be this liquid gold--and this is their clothing, so to speak. Their eyes are so striking I can't even tell what color they are, but they're very deep, piercing eyes.

143. They have another very outstanding feature: Right across their chests they both have what looks like a tattoo, though it's more like a deep engraving, etched right into their body, and it's a set of keys! The engraved keys look like diamonds embedded right into their chests of gold--a set of keys made up of diamonds! The man has two huge keys that crisscross his chest; the woman's are a set of keys, simple in form, several keys on a ring.

144. In a flash, they're surrounded by huge demon monsters! Giant, horrible, hideous demons on every side of them! The man and woman look over at me and peer deep into my eyes, very

confidently, as if they're saying, "Watch this!" They're standing face to face, and they look deep into each other's eyes as if they're saying, "Ready?" to each other, or like they're counting, "One, two, three..." and then they spin around with their arms held out, as if they're holding a sword in their hands! There's no sword in their hands, they just hold out their arm as if that's their sword. They spin round a few times, and as they do, the gold substance within them comes gushing out, right out their fingers! It comes streaming out like a raging torrent and blows these demons to bits!

145. This gold substance inside them can flow out in great force. And at least in this case, it destroys everything in its path. They're showing me what they're capable of! They can command this liquid gold substance to do things for them. It's like they turn the power up and it becomes like explosives that they bombard these demons with. They vaporize them in a flash with this stuff! Bam, they're gone! The demons are demolished in a split second.

146. (Jesus:) Meet Tola and Tor, My children! Tola is the female spirit being and Tor is the male. They are My gift of love to the Family at this point in time. They join the ranks of ambassadors for the children of David. They are at your beck and call, dedicated from now until the end of time to serve you, to come to your aid when you have need, to fight your enemies in the power of the keys.

147. They are the embodiment of key power! They are champions of highest rank, commanders of the power of the keys! Key power runs through every fiber of their being; it is the total sum of their makeup.

148. Tola and Tor are now at the command of the children of David. They will be your protectors, your guardians, your defenders!

149. They are victors! No power of the Enemy can withstand these two. All opposing spiritual forces bow at their feet, for they carry the force of golden key power within. This power, when released upon your enemies, destroys all in its path, as you have just seen demonstrated.

150. Use them, My children; take advantage of their help. Call on them when you're in the heat of battle, when Satan and his demons, Pan, Bacchus, the Selvegion, Apotheon, Arakan, Oplexicon and others threaten. Call on these two and they will be there to defend you and fight for you.

(3429:18-34)

More on Overcoming the Devil through the Keys and Spirit Help

151. (Jesus:) Legions, armies, archangels, powerful spirits, great bands of mighty ones, departed saints who are now vested with unprecedented power fight for the children of David! More than the number of grains of sand of all the seas the world over are the helpers of My children! All Heaven is at your command, and all Heaven stands ready to fight for you.

152. I have said that through the power of the keys, you command all My power. The power of the keys is more than a match for your foes, for the power of the keys far surpasses all power of those who oppose you. Through the keys you have unlimited help, for the keys put the power in your hands that will defeat the foe and all demons who oppose you. There is no match for the keys, which are at your command.

153. Many, many, many more than you can number are your spiritual counterparts who are at your command through the power of the keys, to fight on your behalf. They are innumerable--many, many more in number than the ones who oppose you; likewise, their awesome strength is far beyond these puny peons of Satan.

154. I give you Myself--I am the greatest of your spiritual counterparts and the mightiest opponent of these who try to oppose you! I give you My Word, the most powerful truth on Earth, the greatest power in all existence! I implore you, live in My Word! Read, absorb, apply, and

become one with Me. Nothing can withstand Me, My Word, and the power of the keys, for We are one! (3420:173-175,180)

155. No evil work of the Enemy is a match for the keys, which destroy the works of darkness. The keys will remove from your life anything that afflicts, brings despair, or hinders your service to Me. The keys not only bring life to your spirit, but death to the deeds of the Devil and all his demons of Hell.

156. Hold fast to the keys! Claim their power, because they are a weapon the Enemy sorely fears, a power he doesn't stand a chance against. He will turn tail and run when you face him with the keys. ... Call out to Me and My powerful keys, and I will fight for you. (3464:215-216)

157. Know for certain that you are destined to overcome Satan and all his minions. For the keys know no failure--only the perfection and power of My promises. Follow the nudging of My Spirit as you step out into uncharted territory now, for the Spirit will guide you into all truths, even as you ride the waves and brave the wind.

158. Though the days just ahead are ones of unequaled darkness, know this: With these keys in your hand, you will see everything more clearly and much brighter than you ever have, even though there is darkness all around. You will shine as you walk, leading others to the light of My love. This is a precious gift I have bestowed upon you, My children of the End. (3351:26,36)

159. Rebuke the Enemy when he comes in like a flood with all his lies and temptations to despair. Claim My power against [Satan's demons] and all their wiles. Root them out by asking for prayer from your loved ones. Seek the reward that comes from that obedience--a total victory! You now have a greater and stronger weapon to fight these demons, as you can call them out by name, and through the power of the keys you have power to cast them out.

160. They will try to come back time and time again, but you will never need to fear them again as you keep fighting, as you keep slamming the door of your heart in their faces, as you keep up the standard of My Word by claiming My promises for you and letting that banner fly high above your camp. My Words will cut them to the heart. And even though they'll try all the harder to get in for a time, as you keep fighting, as you keep asking for prayer, as you keep wielding the weapon of My Word and calling on the powerful key angels to help you, then you will find that the strength of these evil ones who seek to torment you will dissipate and you will have true freedom.

161. It takes relentless fighting for a time, but the reward is well worth it! Call on them! Ask for help! Plead with Me to deliver you. Don't ever sin in ceasing to ask for prayer and to call out for help, and then you will always receive it. Ask, seek, and knock, and the power of Heaven will be unleashed on your behalf, and you will rise above. You will see that there truly are no impossibilities to Me.

162. You'll understand that all power is given unto you for your obedience to call on the power of the keys, and nothing shall by any means harm you! I love you and have promised you full and lasting victory, so reach up and take it. It's yours for the asking! I love you. (3402:176-179)
