

Our Spiritual Wilderness

(All prophecies are from Mystical Bible)

Revelation 12:6 And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days. :14 And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent.

Enter In At the Gate

To “go into the wilderness” can mean different things to different people. Some think that picking up your belongings and heading for the hills is the way to go. But what if you really don’t have that option? What if you are a 70-year-old woman or pregnant or just can’t physically make that arduous journey, much less do all that has to be done to live off the land, not to mention acquiring the skills required to achieve success!? Because the fact is, unless you take the Mark of the Beast, you will not be privy to the things of this world. In other words, there’s no going to the corner store when your flour runs out. No, there is a deeper meaning to this “going into the wilderness” business.

The wilderness is a secret tunnel of escape, but instead of a network of underground catacombs, it is the spirit world. Not with random exit and entry portals set at specific geographical locations, but anywhere, anytime the user calls on the Keys of the Kingdom a portal opens, right at the point of request.

You have the Keys to the Wilderness. Use them to slip in and out of the spiritual realm at will. There is nowhere else to run or hide. The exits are covered, The supply lines are controlled, travel is restricted to the preferred, and everyone and every item is tagged, marked and numbered.

The exit (portal) is just over there. It may be a little hard to reach, but just remember the promises that Jesus has given and believe them. It will certainly take faith, but faith is the gold you will need to enter — over here, beyond the portal, beyond the veil, in the wilderness between Heaven and Earth.

My spirit is your wilderness and it is never too late to run to Me, up under My wings, close to My heart where it is eternally safe and warm. From there you can look out from between My feathers and see the world rush headlong into the abyss. From there I will use you to call to others, those that have lost their way in the darkness and confusion. The more time you spend under My wings the stronger you will become, you will feel that sword in your hand once again and it will bring courage to your heart and strength to your soul. That sword is the Keys that I placed in your hand many years ago, bring them out, touch them, feel them, and admire them for they are power unspeakable. They will lead you through the coming night, they will lead you to the lost and they will protect you when all seems lost. They are your supply and strength, they are your courage and endurance, they cannot fail, so hold them high above you so that their light may be seen by those groping in the darkness.

I will keep you and yours safe; I will feed you and keep you safe. But know this, that this will be your greatest time to let your light so shine and to bring many to Me and to My Kingdom. This will be your biggest harvest! So, although I will keep you in your wilderness, that door is always open, and you will be able to traverse back and forth. I know your works, I know that your desire and mission is to find and win the lost. I know, even though there is much trouble, that you will not deny My name, you will witness unto the end. I will keep you through it but not out of it. I do know your frailties and your need of My hand to protect and cover you. I will whisk you away through that open door, that portal, into My realm when you need to be kept from the dark forces of the enemy. Only My most ardent can do that, My Philly brides, those who adore Me and have

left their doors open and our souls inhabit each other. We are not just casual acquaintances but soul mates. Our love has been tried and has been found to be true, so now when the s— hits the fan, they will not be moved. They know that I will never let them go or abandon them, they are so sure because our love for each other is so intimate, so tried and proven.

The Revelation 12 clock is tick, tick ticking, beloved! It is past time to grow those wings of faith and fly into that wilderness which has been prepared by God since the beginning of time.

Fly, My love doves, fly. Take up the wings of an eagle and fly with Me into the wilderness, and let us fellowship behind the veil of My promises. My Kingdom surrounds this world of man, just as My armies surrounded Dothan in the day that I came to save My prophet. If you cannot see, then ask for the Keys, and I will open your eyes to what the blind cannot see.

The Keys to the Wilderness give the holder entrance to an open door or portal through the spiritual veil that separates My Kingdom from the material world.

You stand at the gate of halfway to heaven land, and what you experience its magic, but you must now come in deeper. It must be each one's personal choice and faith to step past the thin veil of shimmering glass and enter the portal. There is no turning back; this is what lies ahead upon the road for all My pilgrims as they make their way to that Great City, the City of Light, My Celestial City. This is the high road, and all who choose to forsake their ways to take up Mine may pass through this last gate into halfway to heaven land.

As you enter in at the gate, it is not quite the same as passing through a normal door. There is an aura, like a thin veil or film that covers the entrance; this you must pass through. It is as a cleansing bath that washes away the sticky goo of the world which stains the spirit of a man. The aura is beautiful blue in color and can be pictured as a mist or at times a liquid. its appearance and texture varies with different people. Its purpose is to cleanse you of the clinging things of the world in preparation for the in-fitting requirements for wilderness travel. The world is a dirty place; it is physically dirty and spiritually dirty. You might compare passing through the aura to a trip out of the city to a lovely wilderness area, for example a lake or forest or a deserted sandy beach. You feel that dirty city spirit being washed from you as you leave the city perimeter. The more remote the area, the more beauty you see, wild animals might begin to appear as your spirit soars and you begin to praise the Creator of such a wonderful place. Looking into the sky at night can give you a similar experience, but on a lesser scale, simply because you can't enter into that space like you can enter a wilderness area, you are simply looking in, yet still that experience can be enough to lift your spirit.

Now that I have your mind on the feeling you have when entering the wilderness, I want you to meditate on it for a bit. The feeling comes due to the cleansing effect that a person passes through when entering the spirit of God. However, it is not just a feeling but a state of mind, heart and spirit, it is a real thing, and you are actually strengthened. You are undergoing a type of union with your Creator and it makes you want to praise and respect Him. The praise you feel is a weapon, it washes those cling-on spirits from off of your spirit. Whenever you feel them starting to latch on again -and they will, in an attempt to drag you back to the cesspool and to gain entrance to your heart through your mind- all you have to do is start praising the Creator. The weapon of loving Him intimately is a deeper form of praise; you should use it as much as possible. In fact you should desire this intimacy above all things because it is the only way to enter deeper into His spirit. Praise is the Key to deeper intimacy; it is the first key.

My darling Wilderness child, enter in at the gate. Come away with Me and let Me nourish you. You yourself must choose to be My Woman of the Wilderness. You yourself must choose to turn your back on the acceptable, practical, logical way and walk away, never to look back, never to return. Step out on the desert and see how I will buoy you up. You may feel weak and not have any strength left or just feel too dirty to be called the woman who fled. You feel unworthy? Or you feel it is so very hard to let everything go? I know My loves. I really do know your frame, but I haven't brought you this far to have you turn back! (Numbers 21:5)

Have faith, My brides of the End. Have faith and flee into the wilderness during the hour of temptation that will come upon the whole world, that hour which is now upon you. Scripture must needs be fulfilled; I will not and cannot take you before your time, for out of you shall come My two witnesses, those whom are ordained to fight with the fire of My Word during the last days of man, The Great Tribulation.

My true children will move into the wilderness of My spirit, and there I will keep them safe in the hour of temptation that has come upon the world. The temptation is simple. The Devil is trying to draw the last few resisters into his trap. These few resisters can only stay out of the trap by living in My Word and by listening to My still small voice in their hearts. Their own arm will fail them. They will be powerless when the storm hits. To live by faith simply means to listen to My voice and obey what I tell you to do. Only I know the way out of the worldly wilderness, past all the traps and landmines of the enemy.

Come out from among them and touch not this unclean bird. This is your year of escape, and My just ones must live by faith. If you serve Me, then come into the wilderness of My spirit. I will fit you with eagle's wings, and you will fly from the wrath to come.

I have always called My children out of the world. But in these days of the End, My call is more urgent, more insistent, because a line has been drawn, I am separating My sheep from the goats of this world. I am calling My remnant into the wilderness before judgment falls upon unrighteous mammon. My just ones shall live of My hand by faith and the unrighteous ones who trust in the arm to save them will fall into perdition. If you would know in which direction to walk, then listen to My whispers. If you are following My checks and leads, then I will lead you to the hungry sheep. By following My will, you will be fed and cared for by Me and those that you minister to. Fret not for tomorrow; take My hand and I will lead you to green pastures, for I that feed the sparrow will also feed you from My hand. I promised that I would supply your food and clothing, yet if you come unto Me, I will supply much more than that, for I love to dote on My faithful brides.

I will give you wings of an eagle, and I will carry you when you cannot carry yourself. All I need is a willing heart, a heart that is yielded to Me. For I know your frame, I know each one's frame. Do not think that I am not prepared for this time or that I have chosen the wrong ones for this great task. Lo, the task is great, but it will not be you who walks amongst them. For I will make you a flaming torch in My hand, and a defenced city and an iron pillar, and they shall fight against you, but they shall not overcome you. For behold I am with you, and it is I that shall fight for you and through you and in you and all the world will know that there is a Living God. Be not afraid of their faces for I am with you. Step now through the gates into the the wilderness that awaits you. Fear none of the things that lie ahead, for what are they unto Me? For behold none shall be able to stand against you, and though the towers fall and the earth be moved from its place, I will still be with you, and you shall be in My hands.

The Mark of the Beast

I want you to stay focused on what the end game is and that is: The mark of the beast and a cashless banking system that will trap everyone in its clutches, all except those of My children who have learned to trust Me for everything. This is My goal for you and why I have given you the keys and why I ask that you love Me intimately and why I have taught you how to hear from Me in prophecy about everything. In order that when you and others are shut out of the beastly system you will move into the wilderness of the spirit to live as Moses did.

Forward is the only option now. You have passed the point of no return. Anywhere you turn, you will be faced with system requirements. That is because there are only two ways now. The door of the undecided has been shut; now the system is deciding for you. You just watch and see how quickly the final touches are added to the trap. No longer should you be enticed by the need for carnal support, for I can supply anything and everything you need within the 5th dimension of the wilderness. It is all by faith and will remain by faith for the

rest of the journey. As the days turn into months, it will grow increasingly difficult to turn aside or turn around. It will take much greater faith because I will expect you to step out by faith at every turn and in time you will be required to take a leap of faith in order to cross some canyon or to traverse some fire or trap set by the enemy. Don't fret, it will not get more difficult. It will instead become easier as your faith for those leaps grows.

In order to cross over, into the wilderness, we have to believe that the dollar doesn't exist, that money doesn't exist. You have the hand of God looking after you instead. God will be looking after you in the wilderness and there is no money there! And very soon there will be no money on the system side of the Jordan either. It will soon be digital. They are siccing the dollar on everyone.

If that green paper pig has a hold on you, then point your finger and rip into it with the Keys-turned-to-swords. The pig has power over the mind only if you allow it. The pig is strong in the lives of all those in the world. It is a stubborn, resistant pig, and it has a terrible grip on many of My children. Do not fear the piggish dollar, for your Keys are in control of it. To enter the wilderness you must cut the cord that binds you to the pig. The just shall live by faith, but if you draw back out of fear, then neither I nor the Keys can help you. Run to the boat, My loves. Run across the water and see how the Keys will buoy you up. See how you will walk across the waters of impossibility. Take My hand if the waves become boisterous, and I will bring you safely into the boat. We will cross to the other side and enter in at the gate. I can do all things, but you must make the first step in My direction.

I guess that's what our spirit helpers are saying. We're to point at the Green Pig and say, "Don't believe in it" You can't go into the wilderness if you're still believing in it. What wilderness? The bush? No, the spiritual wilderness. You cannot receive manna from Heaven; you cannot even begin to build your faith in that direction if you're still believing in the dollar, in money, in the system. You have to grow your faith out of that. That's how you get into the wilderness. It's almost like a key, isn't it? This is the key. Rebuke the Green Paper Pig, and in your mind, it will disappear.

You can't take your system ideas and your system economics into the wilderness. It has to disappear. It has to be just not real to you anymore. If it's still real and you're sitting in the wilderness wondering how you are going to get money, you aren't really living by faith, are you?

The mark of the beast is upon the world and this junction that I am standing beside; called living by faith points down a path that you must take right now in order that you be not swallowed with the rest of the world.

Each step you take to remove yourself from their system, you take a step into My wilderness and that's where the miracles can happen. Each person that steps out of the system takes a step closer to Me and My care. I accept you, and I cut those ties to the system for you.

There is only one way to reach this point of truly knowing and accepting that I am all you need and that is to burn all those bridges that lead back to the system. If you truly believe that the last hour is upon the world, as I have said it is, then you will continue to prepare by making the steps I am showing you to make.

This trip into the wilderness of Revelation 12 is certainly a one-way ride, no return ticket. As for tomorrow, the Bible says "Take no thought." Wilderness walkers have to walk by faith. You can't take your money with you because there is nowhere to spend that money.

What You Hear From Me In Prophecy Will Be Your Guide.

The first thing you have to do before entering the "wilderness" (Revelation 12:6,14) is to park your car, and your life in the world. Sit down and hear from Jesus about the predicament you are in. You need to listen quietly to what He has to say.

You are in another dimension, one of the signs and wonders of My miraculous care and love and supply and protection. As you come apart and step through that portal, the portal of stillness, I am able to speak to your heart, My intimate bride, and tell you all you need to know and all you need to do, where you need to be and every aspect of your walk with Me.

Listen to My still small voice of prophecy, and in so doing you will hear right from the horse's mouth, so to speak. What you hear from Me in prophecy will be your guide. I will not lie to you. I will not give you a stone. I am not the deceiver. I love you and only want to see you safe and sound under My wings. If you have not been honing your gift of prophecy, as I said you should, then this is the first bridge you need to cross. Cross over quickly, make that step of faith and join those that have already crossed into the wilderness. I cannot walk over the bridge for you.

Seek Me My loves, pull out the weapon of prophecy and hear from Me every minute of the day. "Prophecy is one of your most important weapons of the spirit. You must be able to hear from Me, it is one of the most important links you have with Me.

The way of the wilderness is the way of escape, and the way to the wilderness is through prayer and prophecy. In a pinch I will do the miracle and perhaps you will disappear or the enemy that is chasing you will pass by not having seen you.

You will be one step ahead of the enemy, always. As I am one step or two steps or many steps ahead of him, so will those who follow Me in prophecy be.

Now is the hour before the curtain falls on the last and final scene. Stay tuned to us here in the wilderness, for we see all, we have endless resources, endless channels of communication and when the time is right all will be revealed, for it is written that He giveth His secrets to His servants the prophets.

Bury Your Life In the Soil of Desperate Prayer As You Move Out Into the Wilderness

(Saramay- A Blue Angel) Just like we live in the Powerhouse of God, so are you when you live in prayer. Yes, you enter in so closely to the power of God when you wield prayer so intimately. Then you become like us. Conduits that the power can flow through. The more you pray, the more He can pour His substance and blue light into you, replacing your nature with His. Because when you depend on prayer, you are saying to Him that He is the One that has to do it and that is a direct hit on your pride, so it is the way to fading. If you want to be filled with His blue energy, pray and realize it is all about Him and His ability to work things out without your feverish activity in the flesh. He does want you to work, but even more so He wants to see you pray and release Him, at last to do things the way He wants them done. So pray praiseful prayers, pray commanding prayers and fall at His feet in need. Show your love and need through the depth of your prayers and really give Him the chance to work in you and situations as He desires. Bury your life in the soil of desperate prayer; as you move out into the wilderness, give yourself to prayer and let go of your own ideas and dreams. Burn on the altar your own, and humbly sit here by the fire knowing only that you must call on Him. Let the incense rise and give yourself to this life. Having been stubborn and arm-of-the-flesh orientated for a long time, it's time, My love, to lay down that nature. Come to the altar and sacrifice and burn your ways and pride and just finally admit that you aren't strong enough. It's not going to be easy to relinquish your nature, but little by little let Him replace your mind with His as you pray and let go. Sacrifice your strong flesh and let it burn on the altar of prayer. Call on the Blue Key and say yes to the way of praying which is to disappear and let Him shine. Stop your rushing and sit down and pray here at my altar which is where the power of God is released to work. Turn the keys and take up the most important task. It might seem lowly to your carnal mind, but in reality it is the greatest calling. For you can take no credit. He alone will know what it cost you and He alone will reward you, so it is the best calling you could ever have. It's open for everybody; all you have to do is lay down your strength and pull desperately on His. No one will recognize you or praise you for all the praying

you did. It's all about Him and everybody glorifies Him, so is your destiny fulfilled in giving Him His due honor. In fact, unless you pray, you cannot truly fulfill what you were meant to do, even physically it would not be possible, because there are strings that need to be pulled that only He can pull, so prayer is an absolute necessity. So pray and you will see where your true strength lies.

The Spirit World Is Our Wilderness And the Keys of the Kingdom Open the Way.

The keys are the solution to all that is coming, the confusion, the shutting down of everything that was once thought to be normal, your way of life, your daily bread, and your way through the wilderness. My Word is being fulfilled as I speak for I have indeed stepped out of the way as was revealed to My servant Paul in 2 Thessalonians. The keys will be your source of light and your source of power and your source of direction.

My Kingdom is within you and all around you, and one day very soon, you will be taken from this world. Just as I was lifted up by the hand of My Father to My reward, so will you be. But until then, you are required on the earth plane as My representatives. But I have not left you comfortless or without the facilities to perform your duty for Me. The Keys of the Kingdom are at your beck and call. You are surrounded by a "great cloud of witnesses", spirit helpers and angels that, on request, will come to your aid to give you support, counsel and protection.

Believe Me, My loves, the end is very close, the AC's are almost ready to spring the trap, their timetable was set many years ago and they are hell bent on reaching it. They are receiving tremendous pressure from the spirit realm, their priests are receiving prophecy too, and they are just as determined as you are to get it right. They chant, they perform sacrifices, horrible demonic oblation to their immediate counselors and to their king Satan. Their dark and filthy worships have no constraints. We are bound to observe these acts of rebellion and blasphemy; we must monitor and record these vile displays, but it comes at a great price. Hell itself has bubbled and oozed to the earth's surface; it is deep in sin and corruption. Move higher in spirit My loves, move up the mountain, move in with us, calling on the keys for even greater protection. Release more power to your comrades in the spiritual realm, allow them more access to your hearts and mind, allow them to more fully possess you, and in so doing My spirit will flow deeper and more forcefully through your souls. There is no defence in the physical material world, the sewers of the underworld have been released, the tide is rising and there is no escape but up into the wilderness of the spirit.

There is only one way. All doors have been shuttered, and all avenues of escape are barred. The enemy of your souls has all but sewn up this world in his straitjacket. The people of this world are being spoon fed, and those that are stubborn and won't open their mouths are being fed by drip. The Keys were given to you, the Children of David, for many reasons, but the one Key that is much needed now is the Key of Escape, the Key to the Wilderness, or if you will, the Key of Revelation 12:6. This Key will keep you out of that straitjacket, but if you do not step out by faith now and start using this Key, then My hands are tied. I can help you a bit...sometimes... but it is truly, "According to your faith be it done unto you." Listen, believe and obey. The Keys must become a part of your very being, you must put on My mind. They must be a part of your spiritual brain; the Keys must be you. You must be fully possessed with the Keys in order to do the miracles to pass through these last few hours before My return."

The 'Keys to the Wilderness' are a gift given to My "Philly Brides"(Rev. 3:7); these are they that will pass through great tribulation, but not as the world or My faithless old church children will pass through this dark hour. My Philly Brides will pass through this time of temptation holding the Keys of the Kingdom. It is because of their faith in Me and My Word of revelation that they hold these keys, these ones chose to believe the new wine poured forth from the mouth of My prophet David, and because of their belief, I have continued to pour forth new revelations, and at times with new Keys attached.

The Key of Revelation 12:6 is one such key; the Blue key is another, but they are only two on a vast spiritual key ring that is accessible by faith. Without faith in the Keys of the Kingdom, they will not work, because they are attached to My will, and only those that obey My will can hold these Keys. The disobedient and willful cannot hold them. The Keys do not obey the will of man.

My loved ones, you, who keep My Word close to your heart, will be kept in the hour of tribulation. All those faithful Children of David, who have held closely to the revelations I've sent down the pipe to David, Maria, and now in the form of the New Wine, will see a parting of the veil and will pass through the fire but not be burnt. Hold that fast which thou hast, that no man take thy crown. You are My dearest ones right in the center of My will...you have the Key of prophecy...you are listening to My still small voice, you have your Key to the wilderness of My spirit in your hand and all you have to do is obey and do exactly what I tell you to do in those hours that you spend with Me in our bed of love. Do not fear what is coming upon the children of men, for you live in another dimension. Call on the keys of the 5th dimension when things look bleak to the carnal mind, and I will be there instantly to direct your next and every step. Obedience to My will is what has kept you safe all these years, and your obedience to My will, through the voice of My Word, will continue to do so even unto the time of the End. I will not fail to show you what your next step is...willing to go, willing to stay...remember?

Use the Keys of the Wilderness in times of distress when all is dark and you cannot see. One of its powers is that of translation; you will have the ability, through this key, to live in both worlds. It will be as if you have left this earth plane when using this Key. Read My Word in the Bible and you will see when and where I used this special Key.

It matters very little what shape the "mark" takes, what color it is and when it will be revealed. What matters is how to best stay out of the trap. I have given you a great secret; that of the keys being your wilderness. This is My way, walk ye in it. This is the way of faith and the way of faith is and will always be My way. Even after the millennium begins faith in My Word and ways will be the prime mover.

During their days of tribulation those men of old were able to rise above because they were empowered with the keys of the kingdom; likewise we in our turn must be empowered with the keys in order to escape into the wilderness of the spirit as is suggested we will do in Revelation 12:14 . When the tribulation of Matthew 24:21 arrives, which it surely will, when there will be nowhere to run or hide except up into the wilderness of the spirit; this rising above power will become indispensable. Even now God's children are being confronted with an ever increasing myriad of impossible situations. Take heed we are being slowly and surely herded toward the Red Sea. Pharaoh with all his worldly wisdom and scientific gadgetry believes he has us corralled. You must keep this knowledge at the forefront of your mind when the Enemy attacks you. You have to know for a fact that if you do what Jesus shows you to do, if you use the spiritual weapons, if you go deeper into Him, into the wilderness, you will win. The Keys to the Kingdom will become our indispensable ally, to truly learn the art of rising above, you must be empowered with the keys.

I am your ark. The keys open the door to the wilderness where I will hide you, My dearest loves, from the wrath of the wicked ones, as they rampage around the earth in their quest to control all, both rich and poor free and bond great and small. Do not fear; when the hour comes, I will make a way of escape, so that you do not fall into the snare of the Fowler. Turn aside sweet ones; take the rugged road that leads to higher ground. Do not think that all things will return to normal; this is not the evil one's plan. This is not the plan of God; this is not the voice of My Word. I am even at the door. The last days have begun, and there is no turning back to normal. Beware, the hand squeezes the unsuspecting, those that walk in darkness; but you who walk by the light of My Word must take the faith road the upper road, calling, always calling to those who would listen.

Come unto Me, come into Me, go deeper My loves, for there you will find your wilderness, there you will find the the Red Sea path. Many have been called by the Keys, the Keys are the way and their power

combined with Me and My Word are your vital companions in the days that are coming, and that are already upon you. Doff the cloth, the old garment, and free yourself from the past.

Each step from now on, as it has always been, will be by faith; it will be stepping out on the waters. If you look at the waters, the situation itself, you will sink. This is it My loves; this is the 'The Keys will be your Wilderness' It's stepping out of the carnal now and refusing to look at how scary and difficult the situation is; how closed door it looks to you. Now is the time to step up to the plate by stepping into the spirit realm of impossibilities and believing, of not looking at the supposed outcome.

The keys and the wilderness are the future and the present, so step into the portal of My will and never look back, we are going forth with David our king into the future and on to heaven and eternity. It has begun, the devil has made his move and there is no turning back, the world is heading for the future too, but not the future they are thinking, it will not be their future but ours. We will inherit all things for as the Son inherited all things, we, His brides, inherit all things.

Trust Me that the keys work and that calling on them is what you must do; the keys are your wilderness and it is where I will take you My beloved brides and lovers. Do not fear for you are destined for great end time feats and as I have promised you will walk with Me up to and right through the great tribulation.

Wilderness Travel Is A Lifestyle

Wilderness travel in the last days is a lifestyle. This is where you are going to stay until Jesus returns, so you'd better learn the ropes, the do's and do not's.

There are two ways to travel through the wilderness, you can travel like Moses did or you can travel like the Children of Israel did. As I said, wilderness travel is not a walk in the park. You have to forsake the leeks and garlic. You have to be prepared to let go a lot of things. The trinkets, fluff and bubble of the world cannot be dragged across the Jordan. It's better to drop them over the side of the boat, because once you get to the other shoreline you will be required to forsake them anyway. If you ever feel like a feast of roast quail and it's not available right then and there, then use that weapon of praise to lift you right out of the pit those cling-on's are trying to throw you into.

There are certain ways to walk in the wilderness. To be a wilderness walker you must first put off the carnal mind, the doubtful mind, and enter through the Spirit. Then, once there, you must focus and strive to stay in the wilderness by using the spiritual weapons to keep your mind in subjection with Jesus's mind. You lean on Him, your Beloved.

"Who is this that cometh out of the Wilderness leaning on her Beloved?"

And you must keep your mind, above all, in the Heavenly plane. You do this by praising. By keeping your heart stayed on Jesus, and not on the winds and the waves of carnal circumstances. Enter into His gates with thanksgiving and into His courts with praise. You have to keep your mind and heart in Heaven, in the arms of your Beloved, while you walk in the World by the wilderness way.

Hold My hand and allow Me to take you deeper into the wilderness, for that is where you must go. There is only darkness behind you, so you must keep moving. Don't stop My love, don't quit now.

What you are stepping into now is very exciting for us and we want you to grasp the concept I'm trying to impart here. The Keys to the Wilderness are a part of the concept...we are opening the portal for you all, but you must learn the steps, like learning the different types of "elixirs" or learning to trust your prophecy channel, by doing, by experimenting, by making mistakes sometimes, by trusting us, by trusting each other. Stay close; listen more intently because we are drawing even more closely to you all, we are making moves to open the veil, as was promised by our Husband. The two worlds are about to merge, but with "you" first.

As we go deeper into the wilderness, the Word, our prophecy channel, will be our bread and butter. Faith comes first, all these gifts and weapons of the spirit must be built on faith.

Practice now My dearest ones, practise going deeper into My spirit, the River of Life awaits you, it's warm waters of acceptance, your loved ones in this realm, all with open arms are bidding you to enter more fully, to join them in the eternal now. Let the things of this world go and begin to live more deeply in the world of the spiritual, the wilderness that has been prepared for you and those whose faith has no boundaries except one; belief.

Now you stand on My bridge over the open air. You have come out over the ravine and sometimes when you look down you can't even see what you are standing on. If you look with the eyes of the spirit, you can see the solid footing of My Word, the Keys and My hand. But when you look at it carnally, it looks like you are standing on nothing. So you can't lose faith now; you have come too far to turn back. You are like Peter standing on the water. But I don't want you to sink. You have so much Word and you have the Keys. Just don't look at the waves and you will walk across the water. You will cross the ravine of the Endtime, walking on the water or even walking on thin air!

You have been blessed to hear Me, to hear My fresh New Wine daily at My gates. So enter deeper now to hear from Beyond –wisdom and understanding, direction, words of things to come, faith and trust that My spirit will sustain you through the 1260 days of Wilderness. It is time to cast off all the superfluous and truly focus and be single-minded. Tighten your grip on the keys and watch the words of your mouth that they are praiseful and that your thoughts are stayed on Me and I will call you My Wilderness walkers. You will see miracles, and I will use you to be all that I have destined you to be! You are not a mistake, because I know your heart even if you think you can't make it or aren't good enough. Shut the door behind you and walk deeper into the passageway where you'll hear wisdom from Above, prophecies from the prophets and New Wine heralded to My Wilderness walkers who even though tempted, will still hold up the Keys to the Wilderness and pass through the abyss of this last part of the journey!

Only with the power, wisdom and guidance that you will find when you search beyond the veil will you have the ability to endure—and not only to endure, but to overcome.

The flood has come; we were warned. Nowhere on this physical earth is it safe now –that is, if you are not in the very dead center of God's will. Once there however, then nothing by any means can hurt you. Pray without ceasing, beloved. It is in staying in the wilderness of His highest will where true safety and provision is found. It only takes one misstep, and you will find yourself back down at the bottom again.

In a relatively short time the veil will dissipate and those from this realm that mingle with you will begin to appear, in vague forms or short flashes at first, but as the world falls deeper into perdition, so will their manifestations become more tangible. The Keys are also increasing in power; you have been faithful to practice and believe without seeing great miracles, now the time of blessing will come. The Keys will begin to manifest themselves in open display. You will also catch glimpses of them in action. Be still now and ponder these things in your hearts. My promises are contingent on your obedience, so keep on believing, trusting and obeying those that whisper to you as you walk in the power of the Keys.

You, My loves, must remain militant in all your ways. Keep the doors of your mind closed to all inroads of the enemy by using My keys. The road into the wilderness is My Word. The Keys will open each door you come to. If it is My will that you pass that way, then the door will open at the command of the key in your hand. If it is not My will, then try another door. The days of wilderness travel are upon you. As you go, keep calling and calling into the darkness, My sheep will hear My voice through you and follow.

Fighting Battles In the Wilderness

The Wilderness is not Heaven. It is a separate dimension, a sort of "In-Between Place", and there are dangers there. So be wise and keep your heart with all diligence. And don't accidentally slip back to the carnal plane through doubt and murmuring.

The Spiritual Wilderness is everywhere. It's all around you, and you can slip into it at anytime. Take heed and walk circumspectly, for this place is spiritual and therefore it is not completely barricaded from the influences of evil spirits, including your own.

The wilderness isn't all cream and cookies. It is a difficult place to traverse, and there are monsters out there. We should know. This is our territory; this is where we fight the enemy every day and night. Just hearing that should put your heart to rest. This is our stomping ground and we know every canyon and gully and mountain and hideaway and oasis where the rivers of rest run secretly through the hidden crevice or ravine. We can lead you to each one if you call on us and listen to us at every turn.

Don't enter the wilderness area unprepared. We are your guides, so don't forget to take us along. You may not see us until you reach journey's end, but you never know, on occasion you may just catch a glimpse of one or two of us during an arduous part of your trek, or perhaps when you are taking a break and not expecting a surprise visit you might see us sitting beside you or taking our turn on guard duty as we surround your camp.

You have entered the wilderness of My Spirit. I have carried you into this safe place –not safe in the way that it is free from difficulties and tribulation, but safe because it is in the shadow of My wings. you will face more challenges and battles, but, My dear children, always know that you are fighting on My side and no matter how dirty the fight gets, you are holding up My banner, and I will come fight for you when it seems the fight is too long. Rejoice in your hearts, My sweets, because soon you will be in My everlasting arms, and everything you have passed through will be wiped away.

Don't for a minute think that there are no beasts and wild things in the wilderness of God's spirit, because they are out there. Yes, Satan was and still is a creation of God and until such a time as this war is over, he, Satan, still has access to the disobedient, and even to the obedient at times. If you find this hard to understand, remember Jesus' experience in the wilderness.

(Jesus speaking:) There are many comparisons between My time in the wilderness and your time in the wilderness. The time spent is almost the same number, 40 days and 40 months of days. The monsters are out here too. The monster of depression is attacking you and others right now. His words are persuasive. The monsters I fought were persuasive too; they were strong, and I had to almost fight them physically it seemed. They don't go away easily either; what I mean is they aren't shooed off with a few words or even a class or two. You have to pull out those keys and really blast the monsters to bits. You have to fight them more than once or twice too. They are persistent, especially if they see you are listening to them.

You all need to see how important this time in the wilderness is. Comparing your time now with the time I spent in the wilderness is a very good start. You might say I did nothing for forty days but fight spirits. But you see, if I hadn't gone into the wilderness, then I would not have been strengthened for the very big job of winning the upcoming battle with Satan. Before I went into the wilderness, I was in no way spiritually ready for what was to come afterwards. Before the Children of Israel went into the wilderness, they were not at all ready to face what was going to be required of them to enter the Promised Land. I had to go in, they had to go in and you have to go in. If you don't, then you won't be ready for what is up ahead. It is My will that you pass through the wilderness, and if you don't, then it won't be at all possible for Me to use you when the time comes.

So fight these demons that tell you you are wasting your time in the wilderness; recognize them for who they are and what they stand for. They are standing in your way to the Promised Land. You have to defeat them to pass on to your bigger job of winning the world. I'm warning you that this wilderness travel is no picnic in the park; not many people could do it or even want to do it. They don't even see the value in it. The older generation of the Children of Israel didn't see the purpose of it; the older generation of the Children of David doesn't see the purpose in it. Only a very select group of people get to experience wilderness travel. Most reject the concept altogether, and like the older generation of the Children of Israel, they will go through

the coming tribulation without benefiting from the spiritual strengthening and come out on the other side not ready to fight the giants in the Promised Land.

If you are listening to the spirit, you can easily find the lessons and comparisons throughout My Word, both new and old. You've just got to be tuning into those around you, those who are specifically charged with helping you make it through the wilderness. These ones are like the angels that ministered to Me when I was tired and weary and almost spent from the fight. These ones that surround you night and day can bring you sustenance from the spirit world, bread that cannot be bought with money from the physical world, bread that will sustain you long past the time physical bread has gone moldy and sour. The Keys will fight for you, the Key Craft will protect you, the Elerian will take you on their backs to visit Me in My chambers, your Blue Angels will divert energy from the generators of God to empower you in your hour of trial. All these battles are training you for the coming millennium when they will need to be part of your very being. Then you will not only be using the Keys yourself but you will be ministers of the Keys. You will be ministering their power to others, much like your spirit helpers minister the Key's power to you now.

If you ever hear yourself saying "What's the point of the wilderness?" Then listen well, that voice is coming from the demon of depression. He is sneaking in the back door of your mind to catch you on the wrong foot. There is a time and season for everything under the sun, and now it is time for you to pass through the wilderness and experience all that it has for you. Don't waste this time like the older generations did; use it wisely and you will have come through the final test of this earth life.

The tests and temptations are part of the climb. I am teaching your spirits to be in command. If your flesh were to have its way, you would be in the world following the ways of the world, just like the billions of others who have allowed the lusts of the flesh and the pride of life to dictate their lives. If I were to place this great power into the hands of material man, can you imagine what he would do with it? No, My brides, it cannot be that way. It has to be done My way and in My time. If you reach the level of greater miracles, it will be because you have followed My way and not the way of the flesh and selfishness. If you succumb, then the flesh has won and I will not be able to use you as much as I promised I would. Will you see attainment in this life? It depends on you. You say you have given all, but the tests continue to come and the battles and trials seem to be getting stronger. If you feel this, if you feel overwhelmed, then come deeper into My spirit. Heaven is waiting for you to push the door open and come in. Use the Keys more, that is what they are for; to make a way of escape that you may be able to bear it. If you have turned around, and like the rest of the world, are looking for escape in the things of the world, then you will not find them. You've been told this umpteen dozen times. The flesh is a mirror, an image, a mirage. You spend all your time getting there and find only sand. The water that you thought was there has moved further away. You have to fight the lie, you have to tell the Devil and yourself that you want what Jesus is offering. The way through the door begins with picking up the keys. Only the keys can unlock the door that you seek. Believe Me, the miracles will happen just when you need them to, just when it is My will. So don't put the miracles before My will in your life. Don't put the loaves and fishes before My Word. I have brought you aside to this lonely desert place for a reason. The Devil is telling you that it will be forever and you will never leave, that you will die in this wilderness. He is lying; he is sore afraid of you passing through this wilderness having learned what you came into the wilderness to learn. If you want the spirit, then fight for it. Keep on walking through each battle and trial using the sword that I have put in your hands. All the weapons to make it through this part of the wilderness are at your disposal. Use them, and in time you will pass through to victory. And victory isn't necessarily what the flesh wants but what I want for you. Only I know what you will need for the next battle. I will give you respite after each battle. But be assured; there will be another one after the short period of rest. Your flesh may be telling you that you are weak, that you are not able to fight this battle, let alone another and yet another; but again, it is a lie. With Me all things are possible. I walk with you; I've never left your side and I will not leave your side. Even if you

turn from the way and head back the way you came, I will be with you. But having forsaken your plow, I will be with you in a different capacity.

It seems a lonely walk. But all who truly follow Me will find themselves in this place of isolation at some point; their very own Wilderness, the trying of their faith. It's a necessary part of the journey My Brides to prove your mettle. Not only to show Me what you are made of but to show yourself how far you are willing to go; what you need to forsake and still need to leave behind. It serves such a wonderful cleansing fortifying experience; to truly know Me. It sets you free and that is a liberation worth fighting for.

So use the stillness, the emptiness of this wilderness -not to listen to the temptations of the enemy as he bombards you in the stillness but to call on Me. The spirit helps walk beside you; the angels want to minister to you. They want to heal your wounds. They want to feed you the pure food and water from My kingdom. They want to connect with you. But it's true, you have to defeat the enemy. You have to rebuke his lies with My powerful Word before you can sit with Me and the angels and partake of the little bits of Heaven that we want to bring down to refresh you and empower you.
