

Comment from Lisa:

I see from my “BBC Litmus test” that the Obamas are really backing Harris, so gung-ho and lovey dovey and really pushing her forward and that fact just reminded me of “black power” and that the MO letters teach the Antichrist will rise through [black power](#) . (end of comment)

That’s interesting because America is the only “horn” that is standing between the [Communists](#) and world

dominance. Dad said he believed that America was one of the three horns that would be uprooted by the “little horn” and that it is to this day the only one still standing. So if the black vote (black power) is used to push Harris into the White House, then those prophecies that Dad received about “black power” and the AC coming out of Memphis begin to be more understandable. It’s fascinating! It’s incredible. I believe we really truly are seeing these MO letters revealing what is about to come to pass!

Over the past few days MB has put out two podcasts and one blog related to two MO letters: “[Bye Bye Pie](#)” and “[The Rise of the Reactionary Right](#)”. One of the podcasts was a summary of both “Bye Bye Pie” and some excerpts I found in “The Rise of the Reactionary Right”. We transcribed that podcast and I sat down to edit the transcription. As I was working the spirit directed me to look up “black power” in the INFOSTORE. What I found is very revealing. So before I move onto the rest of the transcription regarding “Bye Bye Pie” and “The Rise of the Reactionary Right” I want to share with you what I found regarding “black power” and Memphis, the spiritual capital of ancient Egypt.

([Egypt's Kings! \[#1066A\]](#)) **WE GOT THIS PROPHECY ABOUT ¹HOW THE LORD WAS GOING TO GIVE THE GENTILES INTO THE HANDS OF THE JEWS, & they were going to ²sell them to the Blacks, & Memphis was going to bury them:** It's in that Scripture about “Memphis shall bury you.” (Hosea 9:6.) And it certainly did corroborate & confirm right along with the Warning Prophecy about how “Out of Memphis shall come the Great Confusion.” It must be that, just like the Lord considers Jerusalem so important to His World Government of the future, so the Devil considers Egypt extremely important to his coming world government of the future--& even of the past for thousands of years! They will sort of center their spiritual governments there. “Because it says out of Memphis will come the Author of the Great Confusion & “Memphis shall bury you.””

MB: ¹I’m convinced that the above excerpt has to be understood in a spiritual sense, because if it isn’t you’ll just go off on some tangent over Egypt the country. Taking a look at the above excerpt in relation to what is happening in the US electoral scene right now, “Jesus is going to give the gentiles into the hands of the Jewish World leaders”, if you go back to our blog called “[Communism the Little Horn](#)” you’ll get our scriptural outlook on how these Jewish leaders now use communism as their world control base. And of course you’ll find a dozen MO letters talking about communism being the power behind the final world government.

² Well, it’s quite evident that the USA has been sold out to the Blacks (Black Lives Matter, Obama’s, Harris etc.) and as Memphis the city no longer exists, this can only mean that ancient Memphis is where these Jews (of the synagogue of Satan...Revelation 3:9) are getting their dark spiritual power to rule the world. Communism, being totally atheistic, is the religion of choice. You can see how the Christians think that Trump is their “man of God”. The liar! He is one of these very same Jews; he was chosen to masquerade as a Bible loving leader come to save the dumb gentile Christians...it is all too painfully obvious. The reason the Christians have been so easily duped is because they rejected the basic truths in the Bible...the Concision (Jews) delivered that fatal blow back in the days of Peter and Paul. The Endtime prophet David was sent by God to uncover the concisionist rubble, but as we know David and his doctrines were ousted by the system church or the modern Concisionists in the 70’s. And in rejecting the truth found in the Words of David they were sent strong delusion.

The true church has absolutely nothing to do with politics and worldly affairs. The Bible has one word for the majority of system church Christians...Laodicean.

³ Out of this coming US election shall come the Great Confusion. The aim of both Jesus, and I believe the communists, is for the US to destroy itself. Why go to the huge expense, as well as untold destruction to both Super powers, to have a nuclear exchange if the fire can come from within. (**Revelation 18:8** "Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her.") I have found a number of references to "civil war" in the MO letters. (See "Bye Bye Pie and "Rise of the Reactionary Right") With Republican and Democrat affiliation in every city and town across America there could not be a more fertile ground for civil war if the communists were to win the President's seat. We believe the Christian gun-toting Trump supporters would explode with fire once the fuse was lit. ⁴ And Memphis will bury you! Of course, because that is where the power to do so has come from; Black spiritual, Black magic power from the gods of ancient Egypt, the authors of confusion; Satan being the chief. But wait, there is more, and it is really a twist that no one truly expects because of course all Christians are for overcoming the "powers that be"...right? Wrong...the deluded Christians don't see the full picture; they don't understand Endtime events because they refused to listen to the Words of David sent by God to give His children the heads- up on Endtime events. Instead they, the Christians, followed the Concision and so fulfilled in themselves Matthew 16:3 and 4..."O ye hypocrites, ye can discern the face of the sky; but can ye not discern the signs of the times? A wicked and adulterous generation seeketh after a sign; and there shall no sign be given unto it, but the sign of the prophet Jonas. And he left them, and departed." And if you don't know what the sign of the prophet Jonas is then please see our blogs on "[40 Days and Nineveh will be Destroyed](#)". The Concision led these worldly Christians exactly where the Bible told them not to go...into the world! They were warned not only in the Bible but also the Prophet David was sent to warn them. The Words on this page may be some of the very last words of warning for American Christians, so please get them out, or you might find their blood on your hands. 'Come out from among them, the ungodly System, and be ye separate, saith the Lord, and touch not the unclean thing, that ye be not partakers of her sins and plagues.'

[The wilderness](#) waits...it is spiritual because there in the spirit, Satan has no power over us, we have the Keys and His promise of protection during the last 1,260 days.

(Egypt's Kings! [#1066A])

So sudden will be the Great Confusion that it will cause a mighty widening of the eyes of those who have not discerned the sign of the times. But be ye not deceived. **Be prepared!** And be not deceived by the **Great Society**, for it will come to **travail** and then bring forth the Great Confusion. Be prepared! Even now the skies are red, red with warning and black, black with clouds gathering for the Great Confusion which is **almost upon you!**"

Memphis was the ancient capital of Egypt and symbol of Hamite or Black Power! She is also being aided by Red Power: Hence the colors in the Prophecy!

The Great Society

(Question About the Great Confusion, A [#1583])

Whereas, according to the "Warning Prophecy" & "The Message of Jeremiah", there is going to be chaos & much suffering in the Great Confusion, which is going to affect mainly the major industrialized countries of the World where the Great Society is so manifest & diabolical in its materialism & there is going to have to come a real breakdown of this Great Society & an economic collapse to bring these nations of the World to their knees together to be willing to submit to a World government & a World dictator.

And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off, and cried when they saw the smoke of her burning, saying, What city is like unto this great city! And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas that great city, wherein were made rich all that had ships in the sea by reason of her costliness! for in one hour is she made desolate.

THESE TYPES OF EVENTS SHOULD CAUSE OUR FAMILY TO WANT TO GET OUT OF THE WEST & THE NATIONS OF THE GREAT SOCIETY MORE THAN EVER, so as not to be trapped by the events which are described in the *Protocols* that the men behind the scenes plan to use to take over World control.

Why Was Black Power permitted to dominate in the last hour of world history?

(African Nightmare, The [#0201])

LIKE PARENTS, IT WAS THEIR RESPONSIBILITY TO DOMINATE AND CONTROL THE WORLD AND KEEP THE PEACE AND TEACH THEM THE WAYS OF THE LORD! First they **had** to conquer them by force, because they were [wild]. A teacher **has** to have **law** and **discipline** and be able to **enforce** it with **force** to keep the peace so he can teach and civilize! **THE CHRISTIAN NATIONS WERE SUPPOSED TO BE THE CIVILISERS, TEACHERS OF THE WORLD,** to conquer,

dominate, and control it, and there was nothing evil about that. Genesis 1:26-28, **GOD'S FIRST COMMANDMENT, SAYS:** "**SUBDUED IT, AND HAVE DOMINION OVER IT!**"--The Devil hates that! But the forceful conquering of the world was **right** in order to teach them the ways of the Lord, the civilized Christian ways.

BUT WHEN THE WHITE PEOPLE OF THE WORLD BEGAN TO FORGET GOD and use their superior power to their own selfish advantage, exploiting the poor, **THE LORD TOOK IT AWAY.** As long as the whites stayed **Christian** they remained in power. The Christian nations couldn't be **beaten** by the Devil, but he **PERSUADED THEM TO SURRENDER THEIR CHRISTIAN FAITH, AND WITH IT THE DOMINATION OF THE WORLD!** As long as they were really Christian and not exploiting or abusing the power or taking advantage of the poor of the world, as long as they were actually helping, **God** gave them the power because they were using it for the good of the poor and the spread of Christianity.

BUT WHEN THEY BECAME CORRUPT AND ANTI-GOD AND CRUEL AND BEGAN ABUSING THE POWER THEY HAD, AND ROBBING THE POOR, THEN THEY LOST the righteousness of their cause and the authority to dominate.--**THEY LOST THEIR RIGHT TO RULE THE WORLD.** The idea of the garden party was that they were surrendering **willingly**, and by so doing they are trying to keep the peace and supposedly keeping them as friends by letting them have their liberty. But instead, the blacks were running them out and taking over by force.

"Bye Bye Pie" and "Rise of the Reactionary Right "

Okay, I'm not a political analyst, so this rendition has some rough edges, but I hope you can bear with me, and feel free to say something if you think I'm off track with any of this. In the case of both these MO letters I was led by the spirit to read them. I was led to read "Bye Bye Pie" during a search in the MB blog pages on 'the wilderness' if I remember correctly. When reading "Bye Bye Pie" I was told to read "Rise of the Reactionary Right"

It was my Blue angel that was leading me to these revelations, these Mo letter time- release capsules. Imagine "Bye Bye Pie" has been sitting in the MO library for 50 years just waiting for its time of fulfillment. As I said I was doing some search on Mystical Bible blog pages and I heard a little voice saying "Read 'Bye Bye American Pie'" It's actually not called "Bye Bye American Pie" that's a song by Don Mclean. The MO letter is actually called "Bye Bye Pie". I remember thinking, what a strange heading for a letter! Yet, the letter is all about that song. When Dad began talking about the last part of the song my spirit was piqued. He said that we were like the birds giving a warning before flying away and fleeing the danger... "In the streets, the children screamed." I'll put the last stanza here; it really speaks for itself...

And in the streets, the children screamed
The lovers cried and the poets dreamed
But not a word was spoken
The church bells all were broken

And the three men I admire most
The Father, Son and the Holy Ghost
They caught the last train for the coast
The day the music died...

There is something really sad about that song. Although America deserves her punishment, it's gonna be horrible I believe. You can read all the MO letters about what's going to happen in America and how the Whore is going to be destroyed. "Those good ol' boys drinking whiskey and rye" reminded me of Trump's people. "We are going to go out and die for this. We are going to give our life to keep the Whore alive." But what is most startling is we, the Warrior Band, are praying for that to happen. I guess that's what's sad about it, really. We are trying to flip the coin; we don't want the Whore to survive, because it's time for the Whore to be judged. But it is so sad what our prayers are going to unleash upon America. There are Trump supporters in every town and city throughout that country; you can see how it would be possible for a country to burn in one day. (Revelation 18:8) We've seen it here what people are capable of doing during political unrest. We've heard about it in Venezuela. That's why we put that podcast out...["Venezuela a Trailer"](#) You know what a "trailer"

is? a movie trailer, like a preview. Yes, it was a trailer or preview to what's going to happen in America. I believe that is what Jesus is trying to show us, and it's actually a very sad thing, because it will cause a lot of deaths and a lot of horrible things. Dad saw nuclear; he dreamed about a nuclear strike, thinking that it was from Russia, but it may not actually be from Russia; quite possibly Russian inspired; communist inspired. Communism is the Beast. It's alive. It's here. I could see a political civil war taking down a country in one day. One day she will be burned with fire! It also says in one hour in Revelation 18:10, judgment shall come. What a fitting end to the Whore, to destroy herself in political fire, a re-run of the electoral race of the early 70's! Only this time the communists are predicted to win.

It's everywhere. It is in place! There's no doubt about it. There's only one of the three, as Dad was saying, that is standing against communism controlling the world, and that's America. America has to be uprooted! So in "Bye, Bye Pie," we see all the birds leaving and that's what we're praying for. We're praying for all the birds to leave, all the *Millennials to leave and get out of that country now! (*Millennials: those destined to enter the Millennium as per Daniel 12:12) This is fifty years later! This does look like we're seeing a replay of the 70's. We're seeing the communists uprooting the last of the three horns, and this time they will come in, because they are the prophesied New World Order, the new world government, and as we've pointed out in [past posts](#). It seems that the Beast, the eleventh, the eighth, wants America to do it to herself rather than start a big war. And with political influence in every town and city in America, if the Trump supporters bring out their guns, we're going to see fire! In one day it could happen. I could see that prophecy in Revelation coming to pass. So you're starting to get the picture of how important it is that we pray and the significance of our prayers and the deadly results of what our prayers are going to unleash there! If we want Jesus to return this domino has to fall. Although these things seem so terrible, these events are part of bringing people to a point of decision. Yes, it's as simple as that. Man's systems cannot continue. They're corrupt; they're rotten. They're like the Roman Empire just before its fall; corrupted to the core. Who sowed all this corruption? It started in America. Communism will follow, of course, at the battle of Armageddon. Communism, or the eighth beast, the final world government of man will be destroyed by the forces of Heaven, which is simply a replay of what happened to Israel in the hands of Babylon. Babylon came down, judged the people of God and then Babylon itself was destroyed. It's all there in the Bible and the MO letters and now our blogs, one after another, all unfolding for thousands of years. You'd have to be quite spiritually dull, and your eyes would have to be closed and your ears would have to be waxed over not to see it, but many people choose not to see it for one reason or another. Nevertheless it's happening. The blog I'm summarizing here is called [Where Are the Gypsies of David](#). I composed a little introduction, made a slight error in the introduction, but anyway. I fixed that up and here is what was said in the introduction.

So that was the introduction and this little talk is to help us understand the propensity of what's coming down. As I mentioned earlier, I've found in three different MO Letters, the words "civil war" and now it is not hard to visualize these events unfolding; the hard hats, the gun totters, trying to protect the Whore, trying to protect their lifestyle, trying to protect their riches. Against whom? The Communists. In the 70's, they dug up Tricky Dicky Nixon and in the 2020s they dug up Mr. Trump that so many people have been duped by. They think he's God's man, and they can give you scriptures and all of that to go along with it! They are truly convinced. And here we come as seeming friends of the Communists, but not really. We're against Trump, praying for Harris to win! But in the end we turn against the Communists too, because we're for neither of them. We have no political affiliation to anyone in this world. We are citizens of the Kingdom of God, we are ambassadors, we are the Millennial Task Force, we are commandos, we are Warrior Band, we are Gideon's band, we are Key holders, we are the Children of David, we are spiritual gypsies and we are praying for these things to happen. We are pushing hard on this first domino so that the return of the King can happen in 2026. So pray with all your hearts; and there's only one place that you can pray these prayers from and that's the Wilderness. And as a Christian, if you're affiliated with any political party in this world, then you are not truly seeing what the Bible is saying. You're misguided and you've been duped. I hope you believe it.

(Lisa: And your prophecy says it depends on how often, how frequently we pray, how fervently we pray will determine the outcome of the results of these events.) Yes. (Lisa: That holds us responsible, doesn't it?) We are

responsible and we are accountable; it's in our laps. And it's a hard saying, we know. We've been through this. We know what it's like to stir that flesh up every day. (Lisa: How much do you want to see Jesus return in 2026, really?) How much do you want to see the Whore put to rest, the kingdoms of man closed? Look at the state of the world; this is the state of man, the state of his governments, how he rules. Dad said the difference between Daniel 2 and Daniel 7 is in Daniel 2 it was talking about the glory of man, the kingdoms as an image of a man portrayed in gold, silver and all those precious metals, but in Daniel 7, it talked about them as Beasts. The governments of man are nothing but ravenous beasts. Their whole sole purpose is to survive and it doesn't matter who they destroy, whether it's another nation or their own people, they are determined to survive and be the last and final world Empire! But each of them has fallen. Each of those world Empires has fallen and we're in the seventh and last, which is part of the eighth, which became part of the eleventh, which was part of the ten. The eleventh is part of the tenth. Who put the eleventh in place?—the ten. Europe put the Communists into power. Why? How? Because the Jews were there making all their money. That's where they got all their money and power from—Europe and America. And they used that money and power to put the Communists, put Russia, put Putin back into circulation. That happened in 2000. That one man brought back a whole empire?—no way on earth. Now, I know we've said all this before in previous blogs, but you know how people are, we read, but we don't hear, we read but we don't see, and we forget. Putin came into power in the year 2000. The year 2000 should ring a bell and should alert you, like “Wow, the beginning of the millennium! A new millennium is about to start.” Out of nowhere, Mr. Yell...sin announced Putin's inauguration, and from there we now have Putin and Xi and the ten BRICS nations and all the other nations under Communism. Europe is subservient to the Communist power now.

And why is Europe subservient to the Communist power? Because they need energy and the Communists have the energy. They have the oil, they have the Mideast, and they have the gold. The Ruble is on the gold standard. The Chinese are there, owning most of the world through what they sell to the world. Most of the things, if not all the things, you buy in the world [are Chinese](#). So they have the strongest economy in the world. You have the ten BRICS nations. They have everything. They have taken over. They are the Beast; the eighth is in power. We are in the eighth. Not only that, there are only two years left. Our prayers are vitally important to help the Communists fulfill Bible prophecy. As for the Americans, they are on their way out. The last resistance... Custer's Last Stand. As sad as it is and as horrifying as it is going to be, we know that the Whore has to go. It is prophesied. It is in Revelation 18; in one hour, one day. Who would have thought that it would go in civil war? ...That the Americans would do it to themselves, shoot themselves in the foot. But it's only fitting isn't it? What a fitting end to America; she destroys herself.

If we don't pray then this world will go from worse to worse to worse as Matthew 24:22 says, to where no flesh would survive. That's where man's rule is headed, total, absolute destruction of himself and the planet. We have to stop it --but for the “elect's prayers' sake”. You have a responsibility on your shoulders that no other prophet, missionary or man of God has ever had since the beginning of time. Not even Jesus had it. That's why he was saying “You will do greater miracles than I did. But our weapons are not carnal...guns...but spiritual...prayer and the Keys.

And as I was saying, it can only be done in the Wilderness, from within the Spirit. It's spiritual warfare. That's why we are in the spirit. That's why we are in the Wilderness. That's why we were given the Keys to the Wilderness, so that we could enter in. We have entered in. To anybody else that's out there, that's woken up, there is nowhere to run. You can run into the mountains; you can go into the bush. You can do whatever you want in the physical, but you will not escape because the system is in place. 666 is in place. Anything you want from the system, you have to have a number to do it, no matter what country you are in. So if you want to “go bush”, then go bush and live like the bears, eating fish out of the rivers and berries from the bushes, but don't whatever you do, don't go back into that system because you'll have to bring out that number, won't you? It's total; it's here. It's over. The Endtime is almost over. We are halfway through the Tribulation. That's why we are in the Wilderness; this is where our power lies.

Now for some excerpts from “[Rise of the Reactionary Right](#)”, you’ll see some Key Words that make it quite clear what point Jesus is trying to make.

God never makes a mistake. Post WWI Germany was exactly like Post WWII USA--in other words, today: economic problems; youth unrest; defeated and made fools of in war; Communists taking over, etc.

ANOTHER TREND IS WOMEN BECOMING WORLD LEADERS. They will also become leaders of the Revolution.

Gypsies are a group which has largely preserved its nationality, identity, religion and culture because they are nomadic, not dependent on the System for survival. THIS IS WHAT WE WILL HAVE TO BECOME TO SURVIVE.

History repeats itself. The Lord is again using the civilizations of the East to overrun the so-called Christian West, just as the Mohammedans nearly overran Europe in the 1200s. The parallel: we are the Gypsies, the radicals are the Russians, the rightists are the Turks, and the System is the West. Today the far left (Gypsies) and the far right (Turks) are trying to take over the System, but only the left is well-publicized by the System itself as its greatest enemy. But the danger is from the insidious far right, because if the System has to choose either the left or the right to run it, it will choose the far right; in other words, dictatorship of the rich (like Nazis). America must suffer one way or the other for her sins, and the choice for her is between dictatorship by her own kind (the rich) or dictatorship of the proletariat or working class (Communism). The hardhats who promise law and order through violence, will be allowed to take over.

So they have a choice; “What do you want, the Nazi’s or God’s millennial Kingdom, the far far left, ‘peace on earth’, agrarian society! What do you want?” “We want the Nazi’s, we want technology, and we want our things, our trinkets.”

This is the state of the U.S. today, revolution threatened from the left; the far right rising to protect the Whore it loves; moderates in between, ineffectual, but in effect in the camp of the far right.

THE MAJORITY OF THE PEOPLE WON’T RISE UP UNTIL THEIR SLEEP, THEIR COMFORT, THEIR SECURITY IS ACTUALLY THREATENED, until the revolution is about to happen. Then when they do rise, it is to put their stamp of approval on rightism to protect their Whore. Finally they will do anything to protect her, including condoning violence.

THE FUNCTION OF THE RELIGIOUS SYSTEM IS TO BLESS AND SANCTIFY RIGHTIST VIOLENCE. Mussolini and the Nazis had the blessing of the Pope, because the Catholic Church depends upon the Whore for its existence. The Lord has warned us of the Great Confusion, which is coming on through “polarisation,” left and right both getting more and more radical.

Do you see how duped the Christians are? It’s because they aren’t true Christians; they are part of the Whore, they rely on the Whore for their existence; they work together. The reason the Whore allows religion is because it is used to capture the so called “good” people and bring them into the trap. The Communists call religion an opiate, a drug; the Christians are drugged, doped and deluded. It teaches them that Israel is the Mother land, the Holy land and can therefore do no wrong! Not even killing a whole race of people is wrong. Not only are the Jews right, but we should support them with money and weapons.

OUT IN CALIFORNIA Faith has been told by Jerry Rubin that he predicts Civil war.

The “Right” are those who are trying to maintain the Whore, keep the Whore alive, and it would seem that it’s Trump’s people. They like to use nationalism to feed the fervor. “Make America Great Again” and they supposedly promote the Bible. But Trump saying “I’ve got my Bible” is just big political show. That guy is as Christian as happy the duck. But he’s after the Christians vote. And it’s the Christians that support Israel, so the Jews are happy too. Now back in the 70’s, they pulled a fast one, and Nixon, Tricky Dicky as Dad called him, pulled off Watergate. As I said, I am not too up on politics but he deceived the American public into voting for him again and pushed out the Communists. So he sort of “stole the election”. His shenanigan’s was later exposed in the “Watergate” scandal. Dad was talking about it in “Rise of the Reactionary Right.” The youth were involved; they were protesting against the war in Vietnam, just like the youth are protesting against the war in Gaza today. I’m sure their reasons weren’t all that pure, but one of the reasons is that they didn’t want to go into war. They didn’t want to fight. But who does? The protests start with the youth in these universities. But universities are all about maintaining the system, so the protests aren’t about Godly change. Godly change was what Dad and the original Jesus people were trying to accomplish. What does the system teach in university? How to keep the Whore alive! So they and all the people of the world will still be in the trap no

matter who wins the elections, no matter how many riots or demonstrations or revolutions the youth have, they will never change a thing. The only escape hatch is Jesus. And now at the end of time, Jesus has us pointing to Revelation 12:6 & 14 as the escape hatch into the Wilderness that is the [Spiritual Wilderness](#), because there really truly isn't anywhere to run anymore! The devil and the AC's have it all sewn up.

As I've already said, I'm not into politics so I may not have this completely straight, although I'm pretty sure of what direction this coming US election is heading because the MO letters mentioned in this summary do seem quite prophetic. So now fifty years into the future, 2024, it looks like we are going to see a type of repeat. We've got the Right and the Left fighting it out... [Tricky Trump](#) and [Harris the Communist](#). So these prayers that we're praying are what Jesus wants to use to flip it this time. This time the Communists will come through and win, because the Communists are who are prophesied will win in Revelation 17. They've spread around the world. They are pretty much in every country. They're even in America, in the guise of Harris and those people. Which makes you wonder why they're fighting in Ukraine, doesn't it? Why are they fighting Putin? I don't know, but all I can say is that they staged the whole thing. They will do things to make people think that there are two warring parties when actually there's not. They are all in the same boat. Just like the Jews sicced Hitler onto their own people to get a certain result. I'm not too sure what was behind it, but I believe it was about getting the Jews out of Europe and into Israel, to repopulate the "Promised Land". The English had something to do with that under the Balfour Declaration, making Israel a nation. I don't know all the history; I'm just trying to pick up pieces from what I have read in MO letters. But the whole thing was staged. The Communist Revolution was staged. We were reading about that just the other day. It was the Germans who shipped Lenin into Russia. Well, we are seeing the same thing in America fifty years later or a type of repeat of what happened in the 70's, but this time our prayers are going to change the result. The Warrior Band is praying and Jesus has his thumbprint on Harris and wants us to pray for Harris so that the Communists can come in and finish this because the Communists are the predicted world power. It's prophecy. It's set in stone, the final world power... and Dad helped us see all of this. That's why he was so amazing. He was seeing all these things even though he wasn't really seeing it completely clear, after all, these two specific letters we're talking about are 50 years old. These MO letters are also for now, another time-release-capsule arrangement. So it would seem...

Our job as Endtime prophets

One of the prophecies said that this [fake assassination attempt](#) would take Trump all the way to the ballot box and that now he is in the "driver's seat." Our job as prophets of the End, as Warrior Band, is to pray him out of the driver's seat, pray the Christians out. Most of them are fake Christians! A true Christian doesn't slaughter another race of people! True Christians don't back a country financially with weapons and intel and whatever else the Americans are doing there in Israel, to destroy another nation. True Christians don't go to Indochina; don't go to Iraq. That's not what true Christians do. That's not what the New Testament says. Of course we know what the Jews think of the New Testament and what the Jews think of Jesus. So they are in collusion, and more than likely are not the Christians that they say they are but are Jews and are not really true Jews but are of the synagogue of Satan. (Revelation 3:9)

And another interesting point that I think is worth pointing out is that if these Christians are true Christians or even Jewish Christians, this proves how deceived they are on Endtime matters because if they were truly in the spirit, following prophecy... they'd realize... yet on the other hand you can't really blame them because Scofield led them all off track. As I was saying, if they were truly in the spirit, they would realize that there is something very very wrong with this world and we are coming to the end of something. Therefore they wouldn't be fighting for some political agenda like they do in America and actually all over the world.

What makes the Warrior Band unique is the Words of David! It is knowledge and the use of prophecy that sets us apart from all other Christians when it comes to being in the know on Endtime events. The world is witnessing the fall of America and the rising –no, risen eighth and final world government, Communism. And anyone that is fighting against it is fighting against scripture and fighting against God and Bible prophecy. What we didn't realize and what nobody realized (except Dad, perhaps) is that it would be our job to actually pray the

Antichrist government into power. I guess it was pointed out in the "Green Paper Pig" when Dad said that all we did was point our finger at it and it exploded. So it seems that it's more than just the monetary system, but it's the Whore itself that is the "Green Paper Pig" So that's what this was all about, these two things.

(END 004)

In fact, the Enemy is glad to control your mind now if he can. And one of the main methods he uses with people today is materialism. If he can get you involved in the great consumer society, thinking that you need this or that, working hard every day only to satisfy your own wants rather than to help others, you become a slave of his System. Then he's got you both mentally and physically.

48. ... "MENE, MENE, TEKEL, UPHARSIN!" (This was interpreted to me as referring to Nitler:) "The days of thy Kingdom are numbered! Thou art weighed in the balances and found wanting! **Therefore shall thy Kingdom be divided (Civil War?)** and given to thine enemies!" It was as though the Lord was very displeased with Nitler's actions and that Nitler's latest decision was the beginning of his end! Then the writing went on:) "Amerika is forsaken!" (This was the exact spelling!) "She is no more! Nixon is anti-Christ! She is _____ (This is a tracing of a word I can't decipher.) (Maybe the Lord will show you what this means. He has hidden it from me for some reason.) "He is Beast! (Nitler). For he has no heart for the poor and is no man for My love!

Also the beginning of the letter where it says God wants the Communists to take over America

MB: Whilst reading "Satan King of Empires" I found this paragraph

. "THOU HAST DEFILED THY SANCTUARIES"--HERE'S YOUR WITCH COVENS--BY THE MULTITUDE OF THINE INIQUITIES, by the iniquity of thy traffick; therefore will **I bring forth a fire from the midst of thee**, it shall devour thee, & I will bring thee to ashes upon the Earth in the sight of all them that behold thee. All they that know thee among the people"--all that know thee, like the witches--"shall be astonished at thee: thou shalt be a terror, & never shalt thou be any more." (Ez.28:11-19.)

Fire from the midst of thee sounds like internal (civil war). Also the wording sounds very similar to Revelation 18

Hi, Thank you for the summary of Bye, Bye pie, in reference to the 40 days mentioned there, I was looking at the info on the internet about the comet Kohoutek, and its orbit and all, What stood out to me, is in November 1974 it was last seen leaving our solar system, that is significant especially as the November US elections and the chaos that will follow, Like the last seen word of the Prophets...comets tale warning is gone, Love Thomas
