

Your prayers can turn the tide or change the course of events for My highest will to be performed.

The following are excerpts from Blueprint for the Final Hour pdf

"You have a mighty harvest before you. This is your hour. Do you remember the prophecy you shared in the Reboot video about being cast into the abyss? Well, you are now in the abyss, because that is where the lost are. Yet you are only being slightly touched by the infirmities of these on the road to their eventual Hell behind the Green Door. You have 30 months left before I return, 30 months before your release. This is your opportunity to bring many with you. Just as I went to Paradise in the center of the Earth with the thief that day, so must you go with these ones in order that your prayers be heard and felt."

THERE IS NO GREATER MINISTRY, EVEN MORE SO NOW THAT WE ARE IN THE LAST HOUR

Prophecy, Jesus speaking: "Is there a greater ministry than prayer? Is there a greater ministry than that which gives Me all the glory? If thou would shine with My glory, then enter into thy closet and close the door. The less they see of you, the more they see of Me. Did I not say that you would do greater miracles than I when I was on earth? Did you think it would be through your own hand...that it would be you? Oh, ye of little faith. Do you see that it takes far greater faith to sit in your closet believing that all that you ask in faith is being accomplished? The less they see of you, the more I can shine through. You are My transparent ones; you are as My blue angels. You are the blue sky. You are anywhere there is a need. There is no place that you cannot go in your prayers. No government can keep you out; no border can close its gate to you. Go now and be as Moses to those trapped in Gaza; speak to the Rock and I will give them water and place manna in their satchels. Snatch victory out of defeat with your prayers. Be as a covering angel for these ones; be as the sky above. Cover them with your prayers.

If you pray using the Keys of the Kingdom, My witnesses will be empowered to do many amazing miracles. They will be given permission to thin the veil and reveal themselves in dreams and visions and even in person to these ones that pass through these days of tribulation. What was once only permissible after the soul had passed over the veil will in many wonderful ways be permissible on the material side of the veil. It depends on your faith and your prayers. You hold the power, through your prayers, to release My witnesses and give them freedom to do more than they have ever been permitted to do up until this time. Now is the time of the Keys; power to the people of the Keys. The Keys have been given to the Children of David. You hold the Keys in your hands. And now that I have revealed the power of the blue frequency key of 6.66, the power to pass through his dark barriers is enhanced many times over. In time, as you exercise your faith in the Blue Key, I will show you how to better use its frequency. I want to see faith, for it is your faith that overcomes the world and it is your faith that will defeat Apollyon in these very last days of the end. Yes, My fighters, Satan has become Apollyon and he is in a rage. For his avowed enemy, the Warrior Band, whom he thought he had destroyed as if by fire many years ago, has risen from the ashes of defeat. However, this phoenix will instead set his world on fire. You are weak; you are but a fraction of your former selves. You are a Gideon's band, but you are My chosen instruments of war. Your weapon is the Keys. You are armed with the power of prayer. You and we are that mighty army of the End, spoken of in the Words of David. As I told you before, Cyclor and his army was sent up at the time of the 2004 Tsunami in Indonesia. He has wreaked much destruction and despair since he was brought forth. Next year will be his 20th year. Because of your prayers I have sent forth San-Badh-Mahl and his armies. This is My rebuttal, one year before his 20th year anniversary.

You are not using the 6.66 key to its full capacity. It takes faith, it takes reaching deeper into the spirit, it takes your spirit helpers interceding more during your prayers, it takes using the other Keys in conjunction with the blue key, it takes desperation and great desire to want these things you are asking for to happen, it takes pushing that final key, the Ark, through the barrier between our worlds. You are the guys; no one else in your world knows the secret. Most of your brethren have gone off to their farm or their merchandise; they have made themselves, through disbelief, unworthy of these priceless pearls. The frequency of the blue key has

the ability to split the veil of the darkened mind of man and allow the light of faith to burst through. You might say the experience is similar to what happened to Saul on his way to Damascus that day. So releasing the blue Key's full potential is proportional to all the factors I mentioned above, plus more. Your prayers are creating waves, they are a little far apart at the moment, but once you reach the exact frequency, bingo, bang and boom. I will come. (End of prophecy)

Their goal is a man-made heaven on earth, an Elysium, all inspired by Satan of course. Whilst you are praying for the riff-raff to be removed from the earth before the Millennium begins, so are the AC's systematically removing all those not ear tagged for their New World Order. Again we see Satan counteracting the plan of God. His plan is a copy of what is written in the Bible, except for one thing, you aren't part of his plan. Matthew 24:22 is a warning of direst nature. The elites plan for worldwide genocide will only be thwarted through your prayers. Your prayers are what is shaping the future of the world the way Jesus wants and will have it be.

Spirit helper speaking: If I didn't have the advantage of seeing all the wonders of heaven that's hiding just behind this spiritual veil, then I believe I would just fold my hands and give up...except for one thing. And that one thing is MO. Yes you have all the advantages I have, you have all the promises in the Words of David, and you have the evidence, the title deed in your hand. All it takes to obtain that promise is faith and for you to pray, the fulfillment of all God's promises is only a prayer away. It is your prayers that are pushing the veil open. We cannot push the veil open; your prayers are the vital ingredient the final Key that is required to break down the barrier between heaven and earth.

The final Key is the product of all the prayers of all the saints of all time, and your prayers, these prayers that I have asked you to pray now are the final prayers that are going into the altar which is before My throne. They are also some of the last Keys that are being inserted into the final Key, just before it slams into the barrier spoken of in the "Assembling of the Final Key" revelation.

The mystery is being revealed, the barrier is the veil between our worlds, and the Final Key is the Ark that I will open after the deluge. All that is inside the Final Key I will use to build the new millennium. All those experiences My children endured, going back thousands of years, all those prayers, blood sweat and tears are all stored inside the time release capsule called the "Final Key". And your prayers are the "force" pushing the Final Key into the lock that will bring down the barrier that Satan has been trying so hard to keep in place since he first took control of the earth.

April 10, 2023...prayer warriors Prophecy) *You are called and chosen to be My embassy of prayer. You are called and chosen to move within the realm of the spirit, just as Thomas dreamed, so is it. Yes, he truly went there; yes, he truly was used of Me to speak to the hearts of those who had the power to stop that conflict!* The power that Satan had in that battle zone was obliterated. Yes, your prayers sent My ambassador to that battle front with a message of peace. It is your prayers that gave Me the power to send one of My very own Children of David to that zone to save the lives of thousands of young men. Your prayers are real, they are real to life, they are not imagination they have the power to materialize, they have the power to translate, they are how I want you, My children of David to travel in these the last days of this millennium. Thomas was right when he said that this is how My two last Endtime witnesses can be in two places at once. This concept is not new to you; Ellya the lady of the wind: *"Since the beginning of time, Ellya has taken on many forms. Whatever form best suited her mission, she has become. Now you see her as the woman of the wind, graceful and beautiful, yet powerful and awesome. She carries great strength, and her very being is absorbed by and is one with the power of the wind. The atmosphere moves and erupts wherever she goes, yet it is a Godly power--a demonstration of My great power through one who is set to fulfil her present mission.*

She has taken on the form of the wind in order to whisper the secrets of the keys to you, My children, everywhere. The wind and the air is always around you. Ellya is also always around you in some form, for as the woman of the wind, she is connected and extended throughout every current of air, every gust of wind, every storm and the surrounding calm. In essence, she can be everywhere through this vehicle, although she herself, her full presence and being, is not always there." (Call on the Keys! [#3368])

You the Children of David have at your command the power of the Keys of the Kingdom of God; you have at your command the Keys of the Blue angels as well as a powerful embassy of angels and spirit helpers. Call on them when you are on a mission of prayer for your King. An ambassador does not travel alone when sent on a mission for their country. They have counselors and body guards and whatever material support they may require in order to successfully accomplish their mission. You are on a mission for the King of kings, the greatest King in the universe. Pray for Thomas to be sent on more missions of mercy and I will send him, you are My counsel, you are My commanders on the field, you can command Me when you see the need. This is reality My loves this is not just some wispy fairy tale, it is real to life and it comes into existence when you pray. If you can only catch the vision it will turn you into the warriors of prayer that I've ordained you to be. When you pray, but especially when there are more of you praying at one time, it is like you gather at in our counsel room to discuss the on ground situation. You bring your requests and needs before Me, you present your ideas and suggestions and then I decide the best course of action; whatever the need I can supply. I have an endless supply of food and water, medical supplies or tents for an earthquake zone. Your prayers can even have those supplies on hand before the quake hits. Each one of you is an ambassador, and if the need requires it I can send you to the very front lines of a battle

zone, just as I sent Thomas. The children of David have the power vested in their personal Key ring to release the millions of My church Christians still bound by the snare and spirit of Churchianity. Curse the spiritual cords of the green pig and it will be severed, and millions of My children will be set free to cross the Jordan and enter the wilderness to escape the judgments of God that are about to fall on those that have forsaken our Father. (END)

(SEP 7, 2023 Do You Want the End to Come? Then Pray!)

The battlefield is set, the armies await and the quiet before the storm pervades all. You look to Me, but there is no call from My lips to attack. There is no rallying cry to charge. I am silent. Why is this? Because, My loves, it is you, not I, that control this army of the spirit. You begin this charge. All that I have promised to do for you spiritually; I will do, if only you will command Me.

Through the simple act of desperate prayer that holds Me to an accounting of the performance of My promises, you release these forces and you start the battle. Long before you set foot on the field of engagement, My forces will already have prepared the path ahead. Long before you face the hungry souls that need Me, My legions will have prepared them to receive your words. Long before you approach people for the help and services that you need to continue, My competent spirit beings will have already influenced their hearts for good toward you. Long before you meet obstacles, My helpers will have already prepared the way for you to overcome them easily. Before you meet with opposition, My fighters will have already crippled the Enemy's efforts to stop or hinder you.

But My army goes nowhere without your command. You command these forces. Do you understand? We promise you so much, we hold so much power, and the only condition is that you pray and release us, that you believe that we are here and that we will work for you if only you will set us free. So much is not accomplished because of your unbelief, so strive to believe. Ask for My help to know beyond a doubt that there is spiritual power waiting to be released if you will just ask.

Don't grow weary or bored, but face this battle as the true-to-the-core spiritual soldier you were created to be. You're not called to take up a sword or spear and face the foes in the flesh. You're called to pray, to command the spiritual through your faith. Can you do it? Can you release this mighty army that will prepare the way for this offensive? Can you begin the battle? All Heaven waits on you. The angels look your way in expectant reverence, just waiting for the command from your lips.

Don't disappoint My forces. Don't half-heartedly mumble words that you question or disbelieve. Know that we are here, and command us to the attack. Set the forces of Heaven and Earth in motion through your prayers. Let your prayers shake the foundations of Hell and open the gates of Heaven. Let it be said throughout every sphere of My creation that the children of David, as few in number as they were, sent up such a desperate cry for divine help that power was unleashed on that day such as has never been seen!

Let everyone everywhere know that you have done what you could. Leave no part of your heart unlifted to Me. Pour out everything in your soul. Give it everything you've got, and hold nothing back. As you do this simple thing, I will do the rest. If you want to see power, if you want to see miracles, if you want to see the End, if you want to see My coming, then pray as you have never prayed before! Claim that My power will go forward. That is the only way that we will march on your behalf.

These are the rules and this is the game. We will act if only you will pray. If you want to see every promise of Mine fulfilled, then pray. Yes, you rest in Me. Yes, you depend on My power. Yes, you trust in My strong arm—but there is one simple thing that I ask of you, and that is your prayers. Give them now in the fullest, deepest measure you can muster. Let each warrior of David prove his mettle today. Let each one show Me that they belong in this army and that they belong on this battlefield through the depth and strength of your prayers.

If you are a disciple, show Me now! If you are a warrior, show Me now! Save nothing. Hold nothing in reserve. This is it. This is the moment. If you can succeed in mustering enough heart and soul in beseeching Me to work for you, then you will start the snowball of heavenly power that will be unstoppable. This is the time, the moment. If you win this battle of prayer, then you will coast to the very End on a wave of My power.

I don't control the destiny of this planet—you do. You few feeble ones control the unwritten history of Earth through your prayers. If you successfully launch this offensive, then the End will come more quickly, because "the Gospel will be preached in all the world" during the offensive, and that is one of the things that must happen before the End comes. So much rides on this moment. Success or failure is not determined through your actions, but through your prayers. If you can fight in prayer like you have never fought before, and win and work and strive in prayer as you have never won or worked or striven before, then the answers will come. I will march to battle, and we will win. It comes down to this. It comes down to this moment. Launch the attack in prayer!

I am waiting for your response. I have given every promise that I have to give. I have instructed all that I am going to instruct. I have explained all that I am going to explain. Now I'm waiting. The fate of the world is in your hands. (Prayer Drive 2007 [#3647])

(NOV 2, 2023 A Dream About Our Commission)

(Prophecy) Pray for a swift end to this seventh and final man-created beast. Your prayers are placing these high and complicated matters into My hands. Your prayers will allow Me to have My perfect will. Again I say to you, My dearest Children of David, "Stand back and see Me fight." Do you believe? Then pray. Do you believe My Word when it says that it is your prayers that control the destiny of this world? Do you believe? Then pray. Do you want Me to come back? Then pray. I wait for your prayers.

You know the end game. I have revealed My plan to you through your prophet David. I have put into your hands all the weapons necessary to bring about the conclusion of this part of world history. I am now pressing the people of this Earth to decide between

what is right and what is wrong, not who is right and who is wrong. I am allowing these terrible world events to happen in order to press the hearts and minds of man into a decision. Call on the forces of San-Badh-Mahl. Call on the power of the Blue Key. It is a terrible crystal in the hands of the Children of David. *And the likeness of the firmament upon the heads of the living creature was as the color of the terrible crystal, stretched forth over their heads above. (Ezekiel 1:22)* I have given you the blueprint for success in this final hour. Your commission is clear. Do not allow the enemy to distract you from your course. Tell us what to do and we will do it. The Everlasting Gospel has to be preached before the very End can come. I wait with scythe in hand. I wait for you, My brides. (End)

(NOV 13, 2023 Our Spiritual Wilderness -Part Three- HOW ARE YOU GOING TO MAKE IT THROUGH THE GREAT TRIBULATION?)

Bury Your Life In the Soil of Desperate Prayer As You Move Out Into the Wilderness

(Saramay- A Blue Angel) Just like we live in the Powerhouse of God, so are you when you live in prayer. Yes, you enter in so closely to the power of God when you wield prayer intimately. Then you become like us, conduits that the power can flow through. The more you pray, the more He can pour His substance and blue light into you, replacing your nature with His. When you depend on prayer, you are saying to Him that He is the One that has to do it and that is a direct hit on your pride, so it is the way to fading. If you want to be filled with His blue energy, pray and realize it is all about Him and His ability to work things out without your feverish activity in the flesh. He does want you to work, but even more so He wants to see you pray and release Him, at last, to do things the way He wants them done. So pray praiseful prayers, pray commanding prayers and fall at His feet in need. Show your love and need through the depth of your prayers and really give Him the chance to work in you and situations as He desires. Bury your life in the soil of desperate prayer; as you move out into the wilderness, give yourself to prayer and let go of your own ideas and dreams. Burn on the altar your own, and humbly sit here by the fire knowing only that you must call on Him. Let the incense rise and give yourself to this life. Having been stubborn and arm-of-the-flesh orientated for a long time, it's time, My love, to lay down that nature. Come to the altar and sacrifice and burn your ways and pride and just finally admit that you aren't strong enough. It's not going to be easy to relinquish your nature, but little by little let Him replace your mind with His as you pray and let go. Sacrifice your strong flesh and let it burn on the altar of prayer. Call on the Blue Key and say yes to the way of praying which is to disappear and let Him shine. Stop your rushing and sit down and pray here at my altar which is where the power of God is released to work. Turn the keys and take up the most important task. It might seem lowly to your carnal mind, but in reality it is the greatest calling. For you can take no credit. He alone will know what it cost you and He alone will reward you, so it is the best calling you could ever have. It's open for everybody; all you have to do is lay down your strength and pull desperately on His. No one will recognize you or praise you for all the praying you did. It's all about Him and everybody glorifies Him, so is your destiny fulfilled in giving Him His due honor. In fact, unless you pray, you cannot truly fulfill what you were meant to do, even physically it would not be possible, because there are strings that need to be pulled that only He can pull, so prayer is an absolute necessity. Pray and you will see where your true strength lies. (End)

(DEC 7, 2023 Don't Drop the Ball NOVEMBER 12, 2023)

"Everyone has to make their own decisions. The enemy is fighting, so if people drop the ball and stop fighting, there will be consequences. But you are here, safe in your wilderness, so the consequences will be controlled –just enough to shake up the individual and not cause too much damage to the whole home and the work. Yes, there is a lot of work going on. Your prayers are work; the Word going out is work. The spirit is moving and there is a flow, like a mighty river. The more people that are on board and really trying, the bigger and more powerful the river becomes. So keep the vision for this mission that you can't see. Believe that it's real even if all you can touch and feel and see is the flesh. It seems that all you are doing is washing laundry, chopping wood and cooking food... But so much more is happening. You are sending out a barrage that is winning souls and defeating the enemy's plans left and right. But you have to keep it coming. That flow, the plasma stream from the generator has to be pulled down and drawn out. You have to command each day that the floodgates be opened in order for the witnessing teams to get their power for that day. It's not like you say one prayer and the Endtime will proceed and everything will fall into place. No, it's a battle. It's a war. So when you do something, the enemy counter-attacks. He ups the ante and the evil forces respond. So those spirit helpers that are going out need recharging. They need more spiritual energy. They need power; they need love; they need discernment. They need a whole lot to fight the battles they have to fight. So don't let them down. You've gotten everybody all hyped up with this big witnessing push, so keep it coming. They all have to get a chance. The spirit beings in Heaven need a chance to win those stars in their crown and those on Earth need a chance –a chance to hear the Truth. And how well the job is done depends on you. So if you get tired of praying for the same thing every day, ask for new angles to hit it from. Find out the names of some of those going out. Ask for prophecy about how it all works, or you can even ask for a witnessing testimony from those you are supporting in prayer. Just like those on Earth that support the missionaries like to hear testimonies or those that stay home like to hear the miracles and witnessing that took place on the road trip. The floor is open; the spirit world is open. Ask and you will receive. It's according to your faith." (End)

(Jesus:) You will reap the harvest. The time is coming when this present era will make way for the Millennium, which will be ruled by Me. These things will come to pass, and they will come to pass through you who have stuck with Me through thick and thin and have not given up. I have purged the ranks, and what lies ahead is a spectacular future, a Family with a renewed focus, and

new fruit. The Family will become a bold and efficient reaping machine. You will see it in your day. The time is coming, mark My word, and you, My loves, will bring it to pass!" Prayer Drive #3647

2. The Voice of the WORD

3. Direct Revelation 4. Godly Counsel

5. Open & Closed Doors 6. Burdens 7. Fleeces

***Note:** I woke up around one-thirty this morning feeling refreshed so I got up to read this very exciting compilation. It is the road map that is going to reveal to us our next step I believe. Before starting I prayed a prayer that went something like this: "Jesus we have a decision you want us to make, and I believe you want us to make this decision based on your Word, and not necessarily a sign. For quite some time we've been preaching heavily on what you said to the Pharisees in Matthew 16:4 about an adulterous generation requiring a sign in order to believe. I was reminded of the MO Letter "7 ways to know God's will"; where on the very first page the picture tells us that the first step to knowing Your will is The Word; signs come in at number 7, the very last way to know God's will. In the picture signs are called fleeces. Open and closed doors is also a type of sign, this one comes in at number 5. A few days ago we gave a class called "Signs Following". I believe that in the past that would have been enough for me to make the jump, but now I think Jesus is trying to take us deeper, and not because He wants us to ignore numbers five and seven. But because He is trying to emphasize the very great need for us to obey His Word and not turn around and demand He show proof of His Word by giving us a sign. Believing what is coming out of His mouth, or as in Gideon's case what is coming out of the angel's mouth is what truly pleases Him. Zachariah found himself in the same situation and ended up paying dearly for his lack of faith.*

Luke 1:19-20 And the angel answering said unto him, I am Gabriel, that stand in the presence of God; and am sent to speak unto thee, and to shew thee these glad tidings. And, behold, thou shalt be dumb, and not able to speak, until the day that these things shall be performed, because thou believest not my words, which shall be fulfilled in their season.

I can understand Jesus giving Gideon some slack because he was just an ignorant farmer, whereas Zacharias was a priest and his wife was of the daughters of Aaron. It says that they were both righteous before God, walking in all the commandments and ordinances of the Lord blameless. So it would stand to reason that Jesus would expect a whole lot more from him than he would from Gideon. Well we are of the House of David and boast the Words of David as our inheritance. Following the Word straight from the Prophets mouth should be second nature to us. We have passed through a very terrible test some ten years ago, so terrible that many of our brethren were struck dumb and are now unable to speak the Words of David. I would say that we ourselves were struck dumb for some time; but now our tongue has been loosed and we need to proclaim what we were ordained as prophets to proclaim; the acceptable year of our Lord's coming. Should we wait for a sign...His return, before we believe and start proclaiming? I see this decision we are making here as His ox goad to a purer faith, one that believes the written and more so now, the Living Word readily. As this quote points out, it is because of intimacy; Jesus wants us to be wives not just in name only, but in our actions, as a good wife would obey her husband's request out of love and not because he has some reward for obedience, as in a sign.

Quote: So I use these words to goad them slightly, to prick their consciences. And oh, how great this goad is for some, who know they should follow this move of the Spirit, who feel the tugging and conviction in their heart, but kick at it like the **ox** at the **ox goad**! Some struggle against it so strongly for this very reason, because they feel the conviction so strongly! **I work to win My brides over little by little, in Letter after Letter.** And as time passes I woo them more strongly, because their need for this intimate connection with Me is greater as the days grow darker."

When going to the INFOSTORE to search the words ox goad the QUOTE FOR THE DAY was this: It is in those times with Me that I will pour out My blessings and I will speak words of love and comfort and encouragement that will lift their spirits. (ML 3457:66)

So after praying I began reading from where I left off last night...

Jesus speaking: This letter is chock full of lessons and examples especially for the path that you are now on –the path of trusting Me for everything. This is a vital letter in preparation for what is just up ahead. You are leaving the [Year of Fire](#) and will soon be passing through the [Year of Ice](#). After the fire has passed, the forest is left bare... there are no berry bushes or nuts in the trees. All the green grass is burned for miles and miles around your campsite. What are you going to do, up and leave, hoping to find a way to sustain yourself? You just passed through that experience when fighting started in your area. What was the first thing you did? You asked Me what you should do. And what did I tell you to do? Stay put. It wasn't the staying put that saved you. It was your obedience to My voice.

Now the next time something insurmountable comes your way, what are you going to do...stay put? No, you are going to ask Me. This is the modus operandi of those that rise above the problems this world sends their way. So read this letter very carefully; listen with the ears of the spirit, then physically apply the lessons that are in the letter. You are almost out of the time I gave –where you were to let go of the arm of flesh. There are only a few more steps, and you will pass into a world that, if you haven't gotten down the [Ask Me Everything](#) lesson, you will find the crossing-over very disorienting indeed. Your prayers are pushing the whole world forward and that's because you are not working in the flesh, but in the spirit. You are applying spiritual principles to enact change in the physical realm, and it is working. We are about to go deeper into the spirit. It is going to take more faith, more trust, more leaning on Me. Are you ready? I believe you are. There will of course be more lessons along the way, so don't be concerned if some of the tests squeeze you. The squeeze is part of the letting go. Remember, we are still climbing, and letting go makes the climb possible, although no less difficult or dangerous.

I've called the Children of David out of the world and into the spirit. Not only because the world is a dangerous place, but the main reason is because My focus has shifted. What has to be done can best be done from the spiritual realm. The world will continue to enact changes to their "operation", but it truly is a useless waste of time. That is one big reason I brought the Reboot along. Much of what was being done at that time was not bearing the fruit I wanted, so I purged the tree. In short, there was too much flesh and not enough spirit. People weren't catching the lessons I needed them to learn. I had My eyes on these times you are now entering, and as you can see, your way of operating is way way different than how you operated back then. Time's up. You must put the ways of flesh behind you. They won't work beyond the veil we're about to pass through. (End)

***Note:** So it isn't about where the flesh ends up, it is what position Jesus wants your spirit to be in. We are not the ones looking ahead, we are the ones looking at His back as He looks ahead.*

(DEC 17, 2023 It's Time for the Power of the Keys I HAVE WANTED YOU, MY CHILDREN, TO LEARN THROUGH THE STRUGGLE)

Clear) You have been told that the Keys are a vital ingredient in your battle of making it through this Endtime. This is not an exaggeration. You have to refine your use of the Keys even more in the days ahead. Do not give excuses; Jesus told you yesterday that your prayers are pushing the world forward; that means you are also moving forward. Do not look back at what was; you must look forward. Let me rephrase that statement a little. Your prayers are pushing time forward, and time, in the material world, is an extremely precious commodity. It is something that cannot, under any circumstance, be bought back. Once time is spent, it is gone. What you buy with the time you have is non-refundable. You were told yesterday that you only have a few more paces before you will have passed through the space you were given to learn the ask-Me-everything lesson. That was the time you were given—Did you spend it well? The Devil's greatest weapon –which he uses often on people because it works so well– is his key of wait-a-while. It has other labels, one of them is complacency. Those that "while away" the time that they were given to learn the necessary lessons that would have made their future climb easier, find climbing so much harder than those that pressed in and spent their time tokens well. Wait-a-while is a land of dreams –whilst the dreamer dreams, reality marches on. When the dreamer awakens, the reality he went to sleep in is no longer the same reality... Time tokens have been spent, never to be refunded.

All that you have read in the Words of David and have been told in prophecies that you and others have received is coming to pass. Your world is moving forward. Endtime events spoken of in the Words of David are being fulfilled as we speak. As each day passes, so does the End move closer. Very few people are fully aware of how close we are to the End. That is because most are either not fully awake or not awake at all. It is your faith in the Words of David that has gotten you this far. But it is that very faith that the enemy is now after more than ever. He has to destroy it or you –it matters not to him. But he must destroy what you hold in your heart. You must understand that the hot breath that you feel on your neck is going to get hotter. If you tend to the flesh and carnal mind, I'm telling you... it will be impossible to keep going. The carnal mind is not a weapon; it is a weight that will tear you off the mountain face. You must earnestly apply all that you have learned about the Keys, loving Jesus intimately, prophecy, prayer, praise, as well as all the special gift Keys your Husband has given you over the years.

Now if you are not feeling that hot breath on your neck, then it is quite possible that either you are dreaming or you are not applying the lessons you have been assigned over the years. That would mean you are not climbing but sitting on a bench beside the path. This is fact. If you say you are reading and applying the Words of David, then you are automatically an enemy of the enemy. And this being so, I am telling you that Satan has been given permission to attack you more virulently. Therefore, you will feel it in a certain heaviness in the spirit.

The Key of 6.66 has a unique frequency. It is powerful to protect and it is powerful to destroy. Either way you use it, it can only be activated by your faith and the will of God. If Satan can destroy your faith in this Key, you are classed as “powered down” In other words, you are not operating at full power. This classification can be applied to all the Keys of the Kingdom. They operate under the power of faith; it is your faith that powers them. The worm cannot destroy the Keys— that is impossible, but he can attack your faith in them. And that is what he’s been given permission to do in the next part of the climb to victory. The scaled and intensified attacks on Job are what I’m warning you of now. The enemy has been given permission to intensify his attacks on all climbers.

At the touch of your faith it is sealed. You have stepped out by faith in these new revelations I have given. You have prayed for My return and for the final reaping, and now, by your Faith, it will be done. All I need to work with is those who are desperate and desirous enough to put My words into action. I have heard your prayers, My loves. I have heard, and all Heaven and Hell have heard –the faith-endowed prayers of the Children of David.

(JAN 1, 2024 At the Touch of Your Faith YOU CAN STEP OUT BY FAITH INTO THESE NEW REVELATIONS I HAVE GIVEN YOU)

November 30, 2023

Jesus speaking: You have prayed for My return and for the final reaping; and now, by your Faith, it will be done. All I need to work with are those who are desperate and desirous enough to put My Words into action. I have heard your prayers. My loves, I have heard. All of Heaven and Hell have heard the faith-endowed prayers of the Children of David. You have cried, along with the saints of all time, “How long, oh Lord?” I tell you, My glorious one, My dove, My Love, that you have turned My Key and have opened a series of events that will not stop until they have culminated in the complete fulfillment of all the prophecies regarding My return. You have gone deeper than any others before you. You have reached in your hand by faith and taken hold of things that no others would have. I speak of the Blue Key. For it is by this key that your prayers will be answered. Hold it close to you and use it. For as you use it, more will be revealed to you, more will be opened, and the World itself will begin to change by the power of this Key. This Blue Key is directly linked to the Final Key. And the Final Key is a blueprint, but more than that. It can be likened to a whole new operating system for a computer. Once installed, it will completely change the way the world operates. It is a reprogramming device that will affect not only the humans who survive but all of Creation. Your part is to use the Blue Keys, for they hold the passwords and codes to this Final Key, and will –as you use them–input the necessary commands to activate it. (End)

December 28, 2023...Going Behind the Moon

Clear (Blue Angel) Going behind the Son is going up a level in the spirit. Man believes the other side of the moon is dark. He is blinded by his darkened mind. Being carnal minded he is unable to see things the way they truly are. Humanity is on a lower plane; therefore when you go behind the Son and become like us, man can’t see you. You are like the moon. They see your shining face, but they can’t see what’s inside. They can’t see the Kingdom of God that is within you. Going behind the Son is like taking refuge in the City itself. You are like one of those spiritual witnesses that are going out with [San-Badh-Mahl and the White Angel](#). As of today, you will command more power. Your faith will be stronger and the Keys will work better because your carnal mind will be less of a hindrance. Your prayers will be more potent too, thus making your commission easier to perform. But don’t forget, as Azoria pointed out, the Dragon will still be allowed to bombard you, and he will do so most ferociously. And why not, your prayers are destroying his kingdom right before his very eyes. (End)

(JANUARY 17, 2024 The Diminishing World of Self REVEALING ANOTHER SIDE OF THE IMAGE OF THE BEAST)

CLEAR: The frequency is all wrong, but prayer and using the right frequency will bring back the colors again. It is your prayers that will change the course of history.

Prayer is what’s moving this great big Endtime ship forward, yet we realize that prayer can be a pretty frustrating occupation. You usually don’t see immediate results. Sometimes you may not even see the results of your prayers in this life. This is one of the main reasons why many people don’t pursue a regular prayer life. It takes a lot of faith and God’s love to continue to pray for someone you may never meet or ever get a report from on how your prayers are affecting their life. In many ways the results of your prayers aren’t that tangible. People like to hold the results of their time and effort in their hands as quickly as possible. Prayer isn’t only about getting answers, praying is like exercising your spiritual muscles, a strong prayer life takes time to nurture, it grows in the soil of the Word and in time plays a part in producing the fruits of the spirit. In the long run prayer is actually helping the prayer warrior more than the answer someone receives from the prayed prayer. Truly powerful prayers take deep communion with God. You have to be led of the spirit; you have to allow the spirit to intercede for you, because in reality you don’t know what to pray for as you ought. Therefore you must go behind the veil and into the spirit world; and to do that you must have some knowledge of how the Keys of the Kingdom work. You have the training and foundation to be mighty prayer warriors; you simply need to channel it! When entering into a time of prayer you must picture yourself stepping into an arena of spiritual warfare. Even before stepping into the

spirit you must know that your enemy will surely have set some trap at the portal mouth. If he can stop you from starting then he will have saved himself a terrible fight, and more likely than not, an ignominious defeat.

Prayer is what is going to turn this world around, prayer begins the charge. Prayer is the hand on the switch that flips off the wave of destruction this world is presently on. Prayer is communion with God; it is the frequency of love. Prayer in the hands of a true warrior of the faith is the beginning of the end of Satan's dominion. To keep his foe from engagement, the enemy has a number of tricks. He may tell you horrible things about yourself, both true and false, he will try and convince you that prayer is not the way to go, it is boring, it is powerless, and it is anything but dangerous. He will employ distractions like day dreaming or time wasters, because once your time is up, the games over. (End)

(MAR 13, 2024 My Blue Heart Star IF YOU WANT THE SPIRIT, THEN FIGHT FOR IT (Our spiritual wilderness by John))

Azure) You, on the other hand, have chosen to major on the "Except a Corn of Wheat" course!

You, dear loves, have chosen a very different path. It is one where you must be continually tested to bring forth the fruit! It is a continual dying so others may live; a denying of yourself and all of your own temporal, earthly wants and dreams and wishes. If you were here to just preserve yourself, what really would be the point of that actually? What is the purpose? How would that even make any difference in the whole scheme of things? How would that further His Cause?Because that's not the purpose at all, is it? Look what has happened to Earth because of that self-centered, self-serving attitude. It has caused the world to come to a standstill. But as you know, you can never stand still; you're either moving forwards or backwards. So they all started moving backwards, down the tubes, and the end result is this sinking-sand cesspool of a World that you have today!

So think deeply about this, dear one...what are you here for? Has your purpose become about self-preservation? Now, I'm talking at a different level to you now, because you all have forsaken much to serve Jesus. Jesus acknowledges that and is so proud of you for the choices you have made, because they are hard choices and continue to be difficult! You are going up a level now, higher into the spiritual realm. But are you hiding behind the Son hoping to be tucked away out of harm's way and quietly pass through the Great Tribulation safe and sound until His Return? Of course, they are His promises, but... you were created to be like Jesus, to put on His nature, to be His hands, His face to others, who don't know Him or even do know Him but not really. And why would you not suffer persecution as He did, as His followers did? Perhaps that is all that will be required of you, to continue to pray along with your spiritual army, sending them out each day to win the lost and seal the wicked! But are you open to a more public ministry perhaps or most likely a dangerous one at the end of 2024 when you'll be thrust out from behind the Son? If your mission on Earth is not about self-preservation but having a portion of Jesus' divine nature of sacrifice, then it's about others and laying down your lives for them. This is what gets the highest grades, honors and recognition and thus more trusted positions in His Kingdom come. And according to the Word, it is possible, because it's not really about anything you do; it's all the power of the Keys! I just don't want you to box yourself in and let your carnal mind tell you that you don't want to go there! Then you are shutting yourself off to possibilities. Because that thinking is leaning on the flesh and isn't actually being open to anything He may ask of you. There's also the fear aspect involved here. You don't want to think about being....let's say it...tortured or martyred...because that is soo scary!! So then when the fears kick in, you want to make it all go away by shutting yourself in your mind and hiding! Thus the enemy has a handle to use against you and he will open this door at every opportunity! Except you fall into the ground...and die!...you will be all alone...having made no impact for good on anyone else, for Jesus and His Kingdom. You are finding, mostly through your prayers right now, this kernel of Life! But it behooves you to be open to be willing to do whatever your sweet Husband requires of you to be preparing good seed for the happy Here-after! And your name will go down as one of the Foundation members of His Kingdom forever! That's why it's so important to be studying hard right now and getting in the Word, preparing through using the keys and prophecy like the breath you breathe! It's getting into the spirit so you'll have the faith when you need it, being open for whatever He may ask of you and trust that your weapons will work for you without a doubt! The only way you can know that is if you are using them all the time now, putting them to the test and becoming closely, intimately familiar with them! (End)

"Remember, Satan and his evil ones will do everything that they can to prevent your prayers or keep them from being answered. Hell's Angels conjure up sidetracks by distracting you so that you can't pray specific or wholehearted prayers. Or they will try to prevent your prayers getting through to the person you're praying for by sidetracking him or her. You are at war, My loves, and in wartime there is so much opposition to your prayers in the spirit world. This is why I send you prayer teammates in the spirit world, who can help you to make a strong prayer connection in spirit." (End)

(MAR 1, 2024 Our Communication System...Prayer MANIFESTING FAITH IN OUR SPIRITUAL WEAPONS)

Satan has learned that the most powerful attack that he can possibly launch on the Warrior Band is through attacking prayer. Prayer is your strongest, most powerful spiritual weapon.

Satan and Hell's Angels attack your prayer life, your personal connection with Me. This is a top priority for them. They try to make your prayers ineffective, either through attempting to keep your prayers from reaching My throne of grace by persuading you not to pray, or causing you physical or mental distraction when you pray, or through lethargy or familiarity with prayer, or through blocking your channel and connection with Me, etc. They try to block your prayers, or stop you from praying in any way that they can. Satan is extremely jealous of your faith in Me, which you manifest each time you pray and each time you wield one of your spiritual weapons. He is particularly vindictive toward your manifesting any faith at all in the spiritual weapons that I have given you, and in your personal fight to stay close to Me.

Hell's Angels, which include Satan himself, have a deep hatred for Me—and therefore for you, My brides. They fight your personal connection and communications with Me, which depend upon your prayers. They also fight your intercessory prayers for others. (End)

I had to add this quote because it's so amazing!! *"Praise is an immediate, on the spot, manifestation of faith—like a miracle! When you praise you're allowing your spirit to be lifted up on the Wind Currents of God to higher places in the Spirit world. When you praise the Lord, you are quite literally stepping up a level—climbing to higher ground in the spirit and away from the filth and depression and defeats of the devil. I'm not just saying that in a symbolic way, I am stating that when you praise you have opened yourself up to allow us to take you and place you on a higher level in the spirit, a greater, more powerful grade in the Heavens."*

8th March, 2024 Azure) You are few but you are causing a lot of havoc to his plans. He is losing souls by the millions to San Badh Mahl and Co. and he's not too happy about it. But for you it's all by faith; you aren't seeing anything whereas we see it all. We understand that it can be overwhelming and frustrating for you at times and you have some bad moments where you lose focus and lose track of what's going on. Ultimately you need to trust us that we are going to tell you what we are seeing! We will be your eyes up here from the spirit realm. So you see how vital it is to be connected to us, your communication system. (End)

18th March, 2024 Azure) For those who Jesus is giving a chance to choose the light He is relying on you and your prayers to empower San Badh Mahl and his team to rescue as many as possible from the fiery pit!

Through your prayers you are snatching back and saving from the despicable and corrupt ones! Fuel up your Revolutionary racers with the high octane fuel of the Word and the Keys to empower your prayers as you enter the abyss each day and remember that each day counts! At the end of the day ask yourself if you did all you could to win back the lost from the enemy from his pits of hell, from off the road to Gragau, out of his dens of perfidy! Did you give enough blue plasma to the Lanterns of Discernment to do their job? Time is of the essence, so let your days in the 'slime' pit, suffering the unbearable heat remind you of these souls that will suffer much more if you don't give your all to praying for their release! Instead of your thoughts being on yourself and your own woes, let them be busy praying instead!

"My land, the Kingdom of God is at hand. I wish to take up the Keys turned to sword; those of faith are the Key that I will turn to a mighty sword! I will write My name on that sword and smite the enemy that even now surrounds you, that tries to bring to naught the promises of David."

(MAR 23, 2024 Another Revealing...Putin Wins ONE MORE STEP TOWARD THE END OF DESOLATIONS)

March 19, 2024...Jesus speaking:

"No one who is following Me in spirit and who truly understands the order of Endtime events should be surprised over this electoral win. Your prayers played their part in this victory, this final step before the full revelation of the Man of Sin, the Son of Perdition. By the end of this year, all major players in the final act of the final play will have been placed in their positions by My opponent. The king is now in place for the enemy's last performance. All other strategic players will be positioned across the board over the coming months. Just as I am positioning My pieces on the board for the final stand, so does the enemy place his King of the North and King of the South in the positions he thinks will give him the best advantage. Checkmate is coming. Putin will lead this world into its final hours, and he will now take advantage of this win that has put him as front runner in the race to the top.

Whilst the King of the South is embroiled in political wrangling and finagling and the superfluousness of the American electoral race, the man of sin will press home his advantage. He will catch the whole world on the back foot whilst they watch the Hollywood "extravaganza of fools" on their idiot box.

As for you My warriors of the spirit, you are operating on a different plane, and in a very real way you are sitting with Me planning the moves of the future. Your prayers are directing events that the men of this world think they are controlling but are not. It is you who are in the control room as you listen to Me directing you to pray for this and pray for that. Our partnership is unbeatable. Satan in his pride wishes to control all, but in his lust for power and regulation, he will only entangle himself in his own sticky web. I have chosen the right partners in the Children of David. Thank you, My loves, My dears, for staying true to your calling. I love you. Keep close now; the game will heat up to fever pitch. This American election could not have come at more opportune time. You need not

pray for the right winner, for the King of the South is destined to lose the race. Pray for the Man of Sin to fulfill his destiny in order that the whole terrible mess comes to an End.” (End)

(MAY 19, 2024 An Endtime Update MEETING BETWEEN PUTIN AND XI...DON'T TRUST CHINA)

Prophecy) Xi fits the description in Revelation 13 of the beast that has two horns like a lamb...He is not what he tries to portray to the world. Xi is a lizard waiting for the fly to come into range of his sticky, lying tongue. Once on that tongue, the fly cannot get off. Use your prayers to keep him in his place. China is leading the world in Mark of the Beast technology. In fact, China is leading in most things... but Xi will promote the first beast while it is in his best interests, but mark My Word, the world cannot afford for this man to reach the very top. Putin is the son of perdition, and Xi is the devouring Mongol horde. This duo must be controlled by your prayers. Study My loves, study My already written, recorded Word and through your gift of prophecy, connect the dots. In connecting the dots, you will be in the perfect position to pray proactive prayers. I have told you many times that you begin this charge; you are in the war room with Me. You must lean in closer if you can't quite hear My whispers. I have the endgame plan. It is up to you to listen, record and put My plan into action through your prayers.”(End)

IT IS YOUR PRAYERS PART SIX

ROAD MAP TO 2026

(MAY 21, 2024 The Second Coming of Jesus AND OUR COMMISSION IS TO PRAY FOR THE END OF MAN'S RULE ON EARTH AS WE KNOW IT)

Prophecy received: May 16, 2024

Introduction: Lately I've been wondering if there is any progress or updates from all the praying we are doing for Endtime and world events. Also over the past week Crystal has been writing and telling me of some wonderful encounters with the Angel Michael. Today I began wondering if these two happenings are somehow related. So I fielded a question this morning and received an answer in prophecy...and here it is.

Question: How will the Great War start My love, are there any signs that we might see or be looking for? Do these visitations that Crystal is experiencing have anything to do with Endtime events...it does seem very unusual this increase in angelic activity. Or is it perhaps a reward for her for stepping out of her old life and into the spirit world, like a part of her reward for forsaking all once again?

Jesus speaking: Surprise attacks, secret meetings, provocation, as in finding an excuse to move the troops in for an attack, securing partnerships, there are a myriad of details and much preparation that goes on as a prelude to war. But above and beyond all the plans and doings of man, they must be aligned to My will. This means your prayers must be brought to bear and are therefore a major element in directing their plans and bringing on the End, which is our endgame. Your prayers are what [begin the charge](#). You are the generals, the leaders of this final battle. Without your prayers the many events and conditions needed to push the USA and Russia, China and the BRICS nations, the Persian kings and the Eastern kings into this final battle; that many are viewing as risky as a game of Russian roulette, will not mesh as I intend. If your prayers are not important, then why pray at all, why use the Keys, why bother...just let the devil and I fight it out. Is that what you have been taught from the Words of David? I have the game plan in My mind and it is not past finding out, in fact I want you to find out My stratagem. To do that you must use prophecy in conjunction with your prayers; to know My plan you must hear from Me in prophecy, then you are to use your prayers to enact My campaign plan. You must also allow Me to bring to your mind already recorded prophecy, your prayers are a link, like a linking verb, they link the original prophecy with what is happening in the now. I said each prophecy must find her mate, your prayers are part of the solution, they assist in bringing those prophecies together. You and your prayers, Me and My spirit helpers are a partnership and

together we will change the course of history. Be patient as I am patient, continue to push Satan down the Endtime tunnel, force his hand with your prayers. Satan is patient, but I am more patient.

"If any man have an ear, let him hear. He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints." Revelation 13:9-10

So be patient My prayer warriors, all that is promised in My Word will come to pass, the reward of the wicked, as well as your reward as My warrior band are waiting in line, waiting for their designated time. All things will come to pass...all.

With the little time that he has left Satan still waits for the most opportune time, he has waited for thousands of years for this moment, so he doesn't want to make a hasty step now. Your prayers are making him extremely agitated; if he was permitted he would send legions against your little stockade in an attempt to overrun your position. But this will not be, for he was given his opportunity to neutralize My warriors back in those pre-reboot days. That time has passed, as long as you walk in the spirit you will be protected by those that hedge you in round-about.

The Devil has his man in place; he also has all his players in place...almost. Satan will not make a move until he is certain Russia will come out on top. If Putin, the son of perdition, is to sit as the last king of the world of men, as Satan incarnate, then victory in this war must be a predictable conclusion. It is truly a game of chess, both kings vying for the right position on the board of play in order to strike. There cannot be two kings on the world-scene. Satan cannot be in two places at once, he must fully possess only one. His man has been chosen and so he waits to strike.

Your part is to follow My plan, My Word through prophecy and using the weapons I've given you to fight with. **Prayer, praise, the Keys, spirit helpers and all the others; and by using all these in conjunction with each other you will become the greatest warriors this earth has ever seen.** Your great strength as a warrior will be found in your weakness, so don't look at your flesh, but look at your spirit, you are spirit warriors wielding the greatest weapons in the universe. I am well pleased with you because you have been following the plan that I've laid out. By following the written Word in conjunction with the living Word of prophecy you have come out of the reboot days and have found your calling. You have called up the exceeding great army spoken of in Ezekiel 37, you have fulfilled many of the promises I gave to David about the Gideon's band of the End. As I said in the famous Warrior Band prophecy...

"I want you to know that you're on target with fulfilling your destiny. All that you have been through and endured till now has been a part of My plan, a part of your strengthening, a part of your training."

You have passed over the point of no-return, 2022 is now history. You have reconfirmed your covenant with Me and in so doing I have called you into the City of Love for your day of final training before the very end.

"Moreover I will make a covenant of peace with them; it shall be an everlasting covenant with them: and I will place them, and multiply them, and will set my sanctuary in the midst of them for evermore. My tabernacle also shall be with them: yea, I will be their God, and they shall be my people. And the heathen shall know that I the LORD do sanctify Israel, when my sanctuary shall be in the midst of them for evermore." Ezekiel 37:26-28

Do you see how My written Word and My Living Word are interlocking to fulfill My plan. If you would but take the time, you would see that each new-new wine revelation I have given you over the years has dovetailed with My already written Word. I have made My Written Endtime Word deliberately difficult to follow that is because no commander would permit a leak of vital information to reach his enemy. So My top generals have been meticulously screened over many years. You were each given Keys to My mind where I keep all My plans and stratagem. No one can enter this war room without the right Keys and the right spirit helpers, each of you have your own Blue Angel, these are they that are the branch to My mind; a person must not only have the right Keys but they must also have their own Blue Angel escort, because if they do not, then they will surely meet with a deadly fate if any suspicion falls on them.

"The Keepers of the Power of Heaven (also known as the Blue Beings or Blue Angels), can help to teach you of the full power and joy of intimacy with Me. They have become so joined to My Spirit that I am in every way their life, their nourishment, their very existence. You each have a blue spirit being assigned to you, and if you ask them, they can help to teach you the ways of intimate love with Me. This is the first step, and it opens the door to all the power of the universe."

"I get the feeling that they're the defenders or something, because their stare is ominous and daunting and very powerful. They aren't evil, but looking at their faces definitely tells me that were an intruder to attempt to disrupt this flow, he or she would be met with a most deadly fate."

My security system is flawless, My tests are extreme, those that reach this far have as I said been screened many times over. Above all, the greatest test is one that you give yourself. It is the test of faith...all these wonderful Words, from the very first one, that of believing in the gift of salvation, to the latest, must pass through the door of choice, you must choose to believe. This is the most intricate of all security measures. The requirement to believe by faith is interwoven throughout your life. Each step you have made toward Me has been a step of faith, a step to choose to believe. Each revelation in the Bible and then each revelation given through the Words of David and Maria, and now each revelation given through My Living new-new wine is brought before you in order that you choose to accept or reject. By accepting you move forward and I am then able to reveal more truth, deeper revelations to you. The revelations are there, My plan is there in My mind, but you must pass through each and every door to access them. It takes

great faith to believe that I am returning in 2026, it is required that you put feet to your faith by praying and telling others to pray. All the revelations that I have passed down to you through My new-new wine for today needs the key of faith to believe. Each revelation is a test, just as the revelations that I gave to David were a test.

"As it was with Gideon's men, so it is with you. I gave them not one test, but two. With the first test I purged the ranks of those who were fearful and afraid, and with the second test I purged the ranks even further. For you there have been many tests that have purged you, and there will be more. But worry not for those brethren that you lose, because I am not limited by many or by few—and even those that you lose will still be used of Me in a different way. They will not be rendered useless. All of their training will come to the fore at the time appointed, and I will use them mightily—not as mightily as I will use those of you who have stuck, and those who will go with Me into this new era, making full use of all of My gifts, including the keys to the Kingdom, for unto you is given the greatest power, because of your faith."

You stand before Me in this war room because of the choices you've made. I cannot have half-hearted believers praying for these history changing events. Why even bother if you don't truly believe? As Mr. Muller said to the sea captain...don't bother praying because you don't believe anyway. If you don't believe the new-new revelations that I am pouring forth to My warrior band in this last hour, then why bother yourself? This is not by force, My army is volunteer, you have to voluntarily give up your life for this cause. Warrior Band is not a nice sounding title, **it is a band of spirit warriors that fight unseen wars of the spirit, it is a band that believe solely and wholly in My Word alone. They don't need visions or manifestations of My love for them, they don't need bread and fishes to follow Me, they only listen for and follow My Word, My whispers.** These are those that will herald My return, these are the ones that will prepare the world in spirit for My coming. They know and understand the ways of spiritual warfare; they know the ways of faith because their faith has been tested many times over. You My warrior band are in this war room by faith.

What largely happens in future Endtime events is largely dependent on your faith. Yes I have put the future of the world into the hands of weak and frail man. Those that seek Me and My power will win the day, those that do not will become prisoners of war and be dealt with accordingly, all the rest will be driven by the winds of change and land where they will. Their fate is also in your hands, it is largely due to your prayers as to where they will find themselves. You should not find what I am saying here as a strange saying. Didn't I give the earth into the hands of man from the very beginning of time, yes of course I did. Didn't I give him dominion over all that was on the earth, yes of course I did. Didn't I walk with him in the garden every evening; were we picking daisies together, no we weren't, well I did pick the occasional carnation for Eve, but I wasn't there to smell the daisies, I was there to give Adam the plan, to discuss the morrow, what events were going to unfold and what I wanted him to do about them.

Man has almost but completely turned a deaf ear to My instructions...the history is there, you can read it for yourself, it is written, you can know how man got to this day of the End by reading the Bible and the Words of David. Was this destruction of the earth and each other My plan...of course not.

There are very very few who are still listening to Me...you are it, you grasp the future of man's tenure on earth in that tiny mustard seed of faith that you hold in your heart. And as fantastic as it may seem to the carnal mind, prayer is the way to turn the cogs of the future and make history what I want it to be, and yes again, I've given this choice, this decision to believe and to pray as if you believe into the hands of weak and fallible man.

By listening to My still small voice, just as you would if you were in the garden with Me walking around talking and discussing the future of the world, as I did with Adam and Eve, you will know exactly what to pray for, who to pray for and when to pray. The more you hone the gifts I've given you the better you will hear, the more intricate the details will be. My dearest of dears you have it all right there in your heart, the inner sanctum.

Note: No wonder the devil was trying to destroy the human race through covid and other demonic diseases. I'm reminded of the story of Herod. "I don't know where that boy is, so I want you to kill all the children in that whole area...all of them." I don't know where the Warrior Band is so I'm going to kill the whole world...Matthew 24:22; and except those days be shortened no flesh should be saved....Who is he after, the little Jesus' of course. All prototypes all types in the Bible are for an example to us who live in the End of time.

So yes My band of elite warriors, it is you who will drive that hook into Gog's jaw, it is you who will put that evil thought into his mind, it is you who will dry up the Euphrates River and draw the kings of the east across its dry bed. It is you who drag Gomer and Togarmah and the Persian kings into this final stage of world history. But you can only do this if you are getting the plan right...I have the plan and you are here in the war room with Me listening and jotting down what I am saying. The better you listen, the less you allow those distractions of the material world to enter in and give static the more accurate will your notes be, and the more accurate will be your enactment of My will. As a general who has spent time in the war room planning his moves, who then goes out to enact those plans on the battle field, so are you My generals who go out with the weapons of war and enact My plan. If you do exactly what I tell you to do here in the war room, when out there, then together we will win the day. The day is won here, the day of victory starts here and ends at Armageddon. There are still many important moves to make between now and then, so listen up.

Putin is possessed; he has given his will over to the dragon. Satan has chosen his son, his antichrist. A mere man could not have accomplished what Putin achieved in world politics since his inauguration without heavy physical and spiritual support. He is the

man. He is getting old, but as I have told you before age matters not when possessed by a fallen angel. The apparatus of governance and the military force to back up his word is in place. The natural resources needed to fuel the beast are mostly his. The computer backed financial and security system is in place. Through the shackles of debt, most governments have been dragged under the UN umbrella. All government officials are nothing but lackeys that obey the directives and will of the beast. A large part of the world is hooked on drugs of some sort; money being the foremost; the only ones that are not are the elites on both sides of the veil, Mine and his. Tarshish and the young lions, which include the USA and Israel, is the stopper in the bottle, the obstacle the roadblock to the top that must be removed. Don't think that these two are the good guys...or that somehow Trump is going to save the day; go to My written Word to align your thinking. The world is a swamp. I'm the only good guy, so listen carefully to what I am saying to you. This is where we are at now. If you want signs they are all around you, and as I said the only way you will see them is if you follow My Word map. (End)

(MAY 31, 2024 3 Bullies In A Sand Pit MAY 27, 2024...A PROPHECY ABOUT ISRAEL AND AMERICA)

"The kings will soon meet in the final battle, the battle that will end all battles for one thousand years. ***It is your prayers that are pushing Endtime events headlong to their end...*** I have shortened the time; it won't be long now, My warriors of the spiritual realm."

"Your prayers have an enormous part to play in the final solution. Your prayers are going to bring on the reset. The prayers of the Children of David are the strongest force in the universe. The Keys of the Kingdom play a part in your prayers being so powerful, but they are not the only element in the powerful cocktail that is your prayers. Because of your calling and training you are the most in-tune-to-My-will people on the face of the earth today. Remember though, it is the Keys, My Word and Me, My spirit, that are your vital companions in this Endtime battle. It is My spirit that intercedes for you when you sit or kneel down to pray. When you are praying in the spirit, you are following My plan, you are performing My will, not your own. If you are praying without ceasing, then you are in fact hearing from Me continually. It is like a running commentary. This is full-possession. It is Me, living, thinking and breathing in you. You are thinking My thoughts, so you just know what must be prayed for.

Your prayers given through the spirit are the finger on the scale. You have scripture and My will on your side. All you have to do is to listen and pray."

THE WAR BEHIND THE VEIL

Prophecy received May 31, 2024...this physical world is distracting us from the real war

Depending on the choices each of you made, you've either drawn closer to the Lord and His ways or pulled away. The sum of your choices has brought you to where you are today. (ML 3452:7)

Prayer has always been the weapon of choice when the enemy comes in like a flood, or when it's time for you to flood the enemy's forces with overpowering brute force; again prayer is the weapon of choice. I have not moved away from witnessing and winning souls as an on ground missionary on the streets of this world, and it is not because My earth bound army were decimated by the Vandari and Selvegon, that My tactics changed. I am not on the back foot the enemy is...he really truly is being driven into the holes and dens of the earth by My army. What you have to continue to fiercely believe is that your prayers are what started this brute force flood upon the sea of devils that had broken through the lines of David and were well on their way to total victory. You must see that it has never been by might, strength, money or power in the physical realm but by My spirit that this war was to be won.

As I said yesterday, the warfare that is being waged in the spiritual realm is the reality. All the horrible things you see and hear about in the physical realm of your world are only the after effects of a great battle. It is like you are seeing the destruction and death as you walk through a battle field after the army has moved on. The Family you once knew and now know is the after effects of a protracted major battle. You may say that if we are all that is left of that Great Battle, then all hope is gone; we may as well join the others and return to our tents and from there into the system. I did not call them or you back to your tents, I simply gave a call to "float your faith"...you are a result of that call. I have all I need now to win the war. I have My generals with Me in the war room directing the ebb and flow of this last great spiritual warfare. I would have dearly loved to have many more of you with Me in this room. But when the recall was called, many were already primed and ready to go home, they'd had enough and were happy to hear that it was all over. You are a specially called out group of warriors that not just take things by faith but who are really taking it by faith, let's face it, the way I'm asking you to fight now takes a lot faith. I've pretty much asked you to stop all physical missionary activity and come across the veil with Me and the other Warrior Generals of the spiritual realm, and that includes one of the greatest earthly generals of all time, your father David; and together with many of your former colleagues who are now passed over

from that life to this, we are fighting this war the way it was always intended to fight. To rally a group of believers and get them to totally shun the ways of the world and the system church and believe solely on what they are hearing from the spiritual realm, and to act on it, all in faith, is an earth shattering event. To get you to stop looking for the signs and wonders in the physical realm and instead look for them in the spiritual realm through the window of the written and living Word is the greatest miracle this world has never seen. And why won't they see it? They won't see it because it is all by faith. The biggest miracles are happening in the spiritual realm and only a very few people on earth are seeing them, because the majority are not looking at this Endtime with the eyes of the spirit but with the eyes of carnal minded man. The majority of the world won't know what hit them when I burst through the veil, the barrier between these worlds, because they weren't looking in the right direction. They were looking at all the wrong signs; they were all looking at the after effects of something that has already happened. My return will be an after effect of a battle that has already been won, that is why verses like... *"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come."* Still mean to many that the gospel hasn't been preached in all the world because not every person in the world has been preached to, even some of your former brethren think this, even though they were the ones that helped fulfill this verse. *"And except those days should be shortened, there should no flesh be saved: but for the elect's sake those days shall be shortened."*...is being experienced by a select few because they are the ones who are looking at these Endtime days through the window of My Word. You know it is happening because of your faith, and it is because of your faith that you are seeing the days and months fly by. You are the same people who are now in the City of Love receiving leadership training courses in preparation for the even bigger miracles that are to come. And by bigger I mean, behind the scenes miracles that will change the course of this war and history forever. Yes there will be manifestation in the physical world but it will be largely an after effect...the real miracle will have already happened. It will be too late for those that see the after effects in the physical plane; the seeing of the real miracle is given to the men and women of faith. You have not only seen the White Angel being sent on his mission, but you played a part in sending him. You sent San-Badh-Mahl and his millions to sweep the earth in the last and greatest witness this world has never seen. These are the mighty miracles spoken of in the Words of David...they are happening, and your faith has made you a part of these earth shaking miracles. *"For there shall arise false Christ's, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect."* You know who these false prophets are and you know of their red herring signs and wonders, you are not those of the deceived elect, you have your eyes open because you are looking the right way, you are looking into the looking glass of My Word in prophecy. *"For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be. For wheresoever the carcass is, there will the eagles be gathered together."* You My prophets of the End are already seeing this verse come to pass, you were called as My heralds to announce My return in 2026...you chose to believe by faith...you didn't return to your tents in unbelief, you stuck it out, even if you couldn't see a stitch of proof in the physical, and still can't; nevertheless you have carried on by faith, to you goes the rewards of faith, I am about to show you wonders. You My eagles of the End have gathered around My Word and are eager for the feast, whilst the others have gone of eating and drinking, marrying and being taken in marriage with the world. *"So likewise ye, when ye shall see all these things, know that it is near, even at the doors."* It is you who waits by faith at the door. You have seen the buds, you see the opening of the veil, you experience the warfare, because you are here with Me and your father David in the spirit realm every day in prayer. *"Verily I say unto you, this generation shall not pass, till all these things be fulfilled. Heaven and earth shall pass away, but my words shall not pass away. But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only."* Your generation; that is the live by faith generation will not pass until all that I am showing through My living Word will come to pass. I am no longer in the physical plane, I am in the spirit, I am the King, I rule and reign over men and earth and all the heavens and universe, it is given into My hands to give it to those that are deserving to know. You are joint heirs with Me My truly tested and tried lovers, concubines and wives to be. I have shared this secret with those who listen, trust and obey by faith. You will not be as those that these following verses in Matthew 24 speak of. You are by My side now and you will be by My side in the very end of day, if you continue to believe by faith and look for the signs of Jonah, the signs of the prophets, the signs of My Word coming to you daily if you so desire.

"And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark, And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be. Then shall two be in the field; the one shall be taken, and the other left. Two women shall be grinding at the mill; the one shall be taken, and the other left. Watch therefore: for ye know not what hour your Lord doth come. But know this, that if the goodman of the house had known in what watch the thief would come, he would have watched, and would not have suffered his house to be broken up. Therefore be ye also ready: for in such an hour as ye think not the Son of man cometh."

March 29, 2024

Are you still doing that? Are you still fulfilling your commission? You must ask yourself this from time to time: am I still praying with all my heart? Are my prayers real prayers; prayers backed with belief and faith? Your commission as the Children of David is to pray Jesus' return into reality. If your prayers are real prayers, if they are actual prayers and not half-hearted, repetitious, fill-up-the-time prayers, then you are doing your job and part in bringing the Kingdom down to Earth. Just make sure you come to that war table with the right spirit every time. Come with resolve; come with vision and a determination to make every prayer you pray as meaningful and direct as you can.

Without a vision the people perish. So where's your vision? In the Word. And what has it told you? **That Jesus is coming back in 2026.** Hold to that promise. Read the Word and strengthen your belief in what has been told you by us through prophecy. Keep your vision so your prayers may be as powerful as possible. Weak prayers don't make it off the ground, I'm telling you. Without the faith to buoy them up to the throne room of God, they just fall back down into the morass of words and works of any false religious fool. (End)

(JUN 8, 2024 Our Fantastic Future PROPHECY RECEIVED APRIL 26, 2024 ABOUT OUR FUTURE)

Irrespective of what transpired at the time of the Reboot, all those years of experience on the mission fields of Earth have not been lost but are stored away in that Final Key, the Ark that will be opened once the barrier between our two worlds is taken down. Each of you are a special key that will play a key part in the reconstruction program which is now receiving its final touches up here on our Heavenly drawing boards. (* A Babes ranch is a live-in center where disciples of all ages are taught the Word of God, both theory and practical application.)

22. THERE'S MORE TO THE "KEY OF DAVID" THAN WE YET COMPREHEND!—The keying power! The keying electrical impulses must be multitudinous to form a whole composition, like the hundreds of pieces of a jigsaw puzzle that make up the total picture. God is playing the tune, the melody and the harmony and everything, and when it's all put together, every piece; it makes one gigantic gorgeous symphony! (Musical Key [#0326])

Just because there was a blip in the radar of God's roadmap doesn't mean the whole thing was a failure. Man might fail, but God's plans always reach their destiny, even if there is a slight detour along the way due to the mistakes and sins of man. Did Adam and Eve's decision stop God's plan for man? Although there was a long detour of half a dozen thousand years, God and His Son never lost sight of the goal, and through their longsuffering and sacrifice, they've stayed the course, and we are all now at the final stages just before the true reset. Hahaha, you've really got to laugh at how the Devil uses God's ideas. He's been able to get into the mind of his delete puppets that a reset is required if his plan for man is going to work. All along it's been nothing but a badly concocted counterfeit of the real deal. See how he's trying so hard to get in the door before Jesus. He's like those obnoxious people who just can't stand in line behind someone else; he has to push his way to the front. Every prayer you pray forces him deeper into the Endtime tunnel, thus he has to readjust his reset plan, which in turn makes the whole thing all the more inconsistent and dubious. If you wonder why they keep changing their dates –2030 to 2025 or whatever it is– you are the reason. Keep praying; because in forcing his hand, you are putting him in a position to make a very big blunder. Pushing people and countries far too fast is a work of the flesh. That hook that is talked about in Ezekiel 38:4 is the hook of your prayers forcing our enemy to make and enact decisions that the world is not ready for. Sad to say, the man of force and his faults are going to bring on great tribulation as he tries to push and bully everyone into toeing the party line. (End)

(JUN 18, 2024 Prophecy On Old Church and New Church LOVE NOT THE WORLD, NEITHER THE THINGS THAT ARE IN THE WORLD)

May 9, 2024...I've Been With Ishi

MB: I believe somehow the verse numbers must link intimately with the years that the Warrior Band came back into being, along with events they were involved in during those years.

Hosea 2:14 Therefore, behold, I will allure her, and bring her into the wilderness, and speak comfortably unto her. **:15** And I will give her her vineyards from thence, and the valley of Achor for a door of hope: and she shall sing there, as in the days of her youth, and as in the day when she came up out of the land of Egypt. **:16** And it shall be at that day, saith the LORD, that thou shalt call me Ishi; and shalt call me no more Baali. **:17** For I will take away the names of Baalim out of her mouth, and they shall no more be remembered by their name. **:18** And in that day will I make a covenant for them with the beasts of the field and with the fowls of heaven, and with the creeping things of the ground: and I will break the bow and the sword and the battle out of the earth, and will make them to lie down safely. **:19** And I will betroth thee unto me forever; yea, I will betroth thee unto me in righteousness, and in judgment, and in

lovingkindness, and in mercies. :20 I will even betroth thee unto me in faithfulness: and thou shalt know the LORD. :21 And it shall come to pass in that day, I will hear, saith the LORD, I will hear the heavens, and they shall hear the earth :22 And the earth shall hear the corn, and the wine, and the oil; and they shall hear Jezreel. :23 And I will sow her unto me in the earth; and I will have mercy upon her that had not obtained mercy; and I will say to them which were not my people, Thou art my people; and they shall say, Thou art my God.

Jesus speaking: You know it. You are one of My brides, and you have to take the load for now, but you desire it and are learning to take a bigger and yet bigger load. I've been priming the pump. Are you ready for a greater flow? Don't worry about the rain; the miracle is coming just when I need it to come. You are not cursed; I know it must feel like that sometimes when you see those clouds whoosh on by without leaving you with one drop of sustenance. You are not cursed, but I am withholding the rain as an illustration to you of what some of you are doing to Me. You withhold yourselves from Me. I haven't seen some of you in My bed of love for quite some time. I am lonely; I have only a few brides taking in all the seeds that I have stored up just for this time in Earth's history. I'm bursting at the seams beloved... I need willing brides; brides that are hot for My love, hot for the many seeds I wish to give to this world before the End. I am withholding from you because you are withholding from Me. Some of you are barren; some of you are too wrapped up with the things of this world and what others are doing. Some of you are looking out rather than looking in. I'm in your cave waiting expectantly for your enticing love. I need your vessel to pour My seeds into. Who else is there, but My bride? I have a few carrying all the load, taking in as many seeds as they can. But how can a few take in so many? My dam wall is bursting with seeds. The Millennium is waiting, and I need My nursery full of sprouting seeds, ready seeds, ready to go out now, before the Millennial rains fall. They need to be in the soil just in time for the rain to fall. So stop standing at the mouth of the cave and come to bed and get laid. I need to fill My nursery with fresh, young, sprouting seeds; love seeds bursting with My energy and vitality, watered with the blue plasma stream right out of the Throne of God. The hearts and minds of man are a wasteland; My creation groans to be delivered, to be refreshed. My oceans are tired; they are not yet ready for the Millennium. They do not have My Word. It is these seeds that I hold in My rod of power that will bring the strength that man and this tired Earth need to start again.

Genesis 1:1 *In the beginning God created the heaven and the earth. : 2 And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. : 3 And God said, Let there be light: and there was light. : 4 And God saw the light, that it was good: and God divided the light from the darkness.*

The time of harvest is almost done. The ground is being ploughed and harrowed with your prayers, well and good, but what about the seeds beloved? Where are the ready, waiting seeds? Were not you chosen as My nurserymen and women? Why do your wombs lay bare and dry? Lubricate your channel, oil your conduit. Are not you called My wise virgins? Come on, get with it! I am waiting, and time is running. Very soon the call will ring out..."The Bridegroom cometh". My unwise virgins that you look out at so longingly do not hear My enticements as you hear them, but if they did, would not they respond? But you see, I have not called them from time immemorial; I have called you. So now I pray for you that you be not sifted, for the evil one would take you from Me at our time of consummation. Yes, I want you now; I can't wait for our wedding day to fill you with My seeds. My need is too great, My creation groaneth, but it is the seeds, My seeds, that bring life, and it is the Water from My blue fountain that gives the seeds life, and it is My brides whom I have chosen as My incubators that must come and be filled to overflowing, just as your father David came to be filled and emptied as a bottle that pours out all that is in it. Come My loves, My brides, don't miss our hour. Let's get in some loving before the final day. I want you good and pregnant before our wedding day. I want the world, nay the universe, to see what you and I have been up to whilst they fucked the whore. I'm tired of those worn-out, old-bottle brides that do it the same old way as they always have. They love to pleasure themselves, but you, My brides, are My new young bottles. Don't be shy or reticent, don't be like the old church and cover yourself from My hungry eyes and searching kisses. I know you are virgins, but I can teach you the ways of love if you'd only drop that veil and come into My arms. And what of you older virgins, you are not unsure of the ways of love, so stretch and limber up for I am full of juicy, new-millennium seeds.

Come on, My rain clouds are bursting with the water of life. They need release, but My hand restrains them from giving because you are resisting My entreaties. No, My lovers, you are not cursed; you are blessed above and beyond any on the face of the Earth today. Do not fear where the seeds will be stored, because I do not want them stored. I want them out as sprouts catching the early season rain. Do not fear; you cannot outgive Me. I love babies, as you know, so My desire is to keep you pregnant and producing for eternity. Remember what Uncle John told us recently: there are new worlds to conquer. But first, as in the days of old, we must replenish the Earth. Come away from the mouth of the cave and the happenings of the world and come to Me and allow Me entrance into your secret parts that you may be filled by My auger as a bag of wheat is filled and readied for the sowing. Why do you fear? You have tasted My love before, some a little and some much more. We are halfway through the year of '24, and I'm knocking on Satan's door. I've come to evict the old worm; he's a worn-out tenant and a bad one at that. Keep pouring out those blue frequency waves because we've got to clean out the house and him with it; our spring cleaning will rid us of all the rubbish of Satan and man. Come on, My oiled and ready virgins, let's get it together before the wedding feast. Let's get you all knocked up with a happy round face, smiling beautifully to the guests and well-wishers. Keep feasting on those Words of David; his bag is full. We don't want you to be undernourished. These seeds need lots of nutrition. They need to be vital and vibrant, virile and fervently desiring the planting as I ardently desire to plant them in you.

Azoria, Blue Angel: Take my hand, my beloved, and let me show you what it is that this world and you, the Warrior band, are experiencing in the Spirit. Though you have forsaken much, you still feel a sort of heaviness in your spirit, like you are trying to attain and reach something, yet there's always this vague, inexplicable barrier that impedes your progress to a certain level. It's like having weights in the Spirit. Each day you strap them on, sometimes even wearing them to bed. And day by day, you get stronger. Each day you go a little further, endure a little more, love a little more, until that day of final release, when the weights are removed. You feel a rushing, a sort of dizziness in the Spirit. You're not used to feeling this light, but here you are on the cusp of the days of miracles! It's here, my love, and soon will those weights dissipate as the Final Key embeds itself in that Barrier. It has been activated, and is moving—also like a comet—across the skies of prophecy, and the world is reeling from its effects. As this gigantic Key flies through the Spirit, its movement creates waves and ripples in the fabric of Creation—the signs of the times!

Luke 21:25-26

[25] And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring; [26] Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.

This World is in opposition with the personality of God, with His Frequencies. The Final Key exudes these frequencies. It pulsates with them and sends them forth—wave after wave and this world of man twitches and contorts as it makes contact with them. The true World is underneath, dormant. Man, with the help of Satan, has polluted its surface and covered it with a layer of darkness and the lower frequencies of greed, violence, and the love of self. But this Key is a cleansing agent, as spirits to a wound, as peroxide to an infection. The dark spirits and the spirits of evil men are the negatives, and we are the positives. They will resist us, but they cannot overcome us. Though the whole world of evil is in agitation, you, the Elect, the 144,000, will be in ecstasy—harmonized to the music of the New Reality, singing as it were a New Song! New Frequencies!

Psalms 68:24-27

Your procession has come into view, O God, the procession of my God and King into the sanctuary. In front are the singers, after them the musicians; with them are the maidens playing tambourines. Praise God in the great congregation; praise the LORD in the assembly of Israel. There is the little tribe of Benjamin, leading them, there the great throng of Judah's princes, and there the princes of Zebulun and of Naphtali.

Prophecy Jesus speaking: Sing on My loves, My called and chosen, My small potent band of warrior musicians; those whose final mission is to bring to bear on Satan's kingdom the powerful cleansing frequency of the Final Key. Your prayers are the performance of this unique symphony which I wrote and composed for these days leading up to My return. This masterpiece announces the defeat and destruction of a king and his kingdom and the heralding in of the vanquishing King and of His rule and reign in a new era. You are My heralds, that go before Me praising and singing of My victory over Satan and of My glorious return. As you raise your voices in song, the frequency that's generated is the Final Key, the final note that Satan cannot reach, the chord that is impossible for Satan to counterfeit. It is far beyond the earth and heavens, far beyond the means of man or angel, even Lucifer in his highest form could not have created this distinctive cord. It is a symphony of love for My Father, and of how My love overcame all things. It is the story of creation, and held within this symphony is every event, every Word that comes forth from the throne of God, every key, every note every uttered whisper is held within this Final Key. The Final Key is My creation, and My Keys harmonize in perfect synchronization. As each instrument in an orchestra is synchronized with the Conductor so are My Keys. They are a part of Me and Me of them.

As the frequency of the Final Key is released through your prayers and praise for Me, Satan's forces fall back in defeat. They flee back into the dens, caves and crevices of the underworld. They plunge off the abyss and into the fires below. This is the destructive power of the Final Key pushing all that is evil before it and down into the abyss and judgment.

What follows is the regenerative power of the Final Key, the responsive love of the Father, his power to restore, renew, resurrect, the music of renewal, the awakening of the Earth and all of creation from a very long winter and into a new dawn. All is held within the Key, which I've called at times the Ark of My Covenant of love. You can find similitudes of the Final Key recorded within the pages of My written Word.

I've told you that prayer and praise are two of the most potent weapons given to man, and when given into the hands of My warrior brides, My musicians of the End, they have the power to bring on the End of Satan's rule and the return of the King. And as I have said, this song sung at exactly the right key will literally shatter the barrier between the worlds. The power needed to reach this note is found in loving Me intimately, because it is a love song. You are singing to Me; you are singing of your desire for Me and for My return. The more fervent you are in your passion, the more power is released from the generators of God.

2Chronicles 20:17-22

Ye shall not need to fight in this battle: set yourselves, stand ye still, and see the salvation of the LORD with you, O Judah and Jerusalem: fear not, nor be dismayed; tomorrow go out against them: for the LORD will be with you. And Jehoshaphat bowed his head with his face to the ground: and all Judah and the inhabitants of Jerusalem fell before the LORD, worshipping the LORD. And

the Levites, of the children of the Kohathites, and of the children of the Korhites, stood up to praise the LORD God of Israel with a loud voice on high. And they rose early in the morning, and went forth into the wilderness of Tekoa: and as they went forth, Jehoshaphat stood and said, Hear me, O Judah, and ye inhabitants of Jerusalem; Believe in the LORD your God, so shall ye be established; believe his prophets, so shall ye prosper. And when he had consulted with the people, he appointed singers unto the LORD, and that should praise the beauty of holiness, as they went out before the army, and to say, Praise the LORD; for his mercy endureth forever. And when they began to sing and to praise, the LORD set ambushments against the children of Ammon, Moab, and mount Seir, which were come against Judah; and they were smitten.

Your song is of your love for Me, your Bridegroom. It is about our union as Husband and wife. This song is the most powerful song created since Creation itself, because it is a song of victory over an enemy who would, if he could, deny My creation, Me and even the Father Himself. His song of evolution is his masterpiece, a song of praise to him and to his created image, his version of how it all began, a fake reality, which he conjured up in the mind of his mad scientists. These are the fruit of the tree of knowledge. Man says that technology is the way forward; I say technology is taking man into the darkest age since the Earth began. So sing, My lovers, sing of your redemption, for the new age of light will be brought forth through your songs of prayer and praise.

Following are excerpts from prophecies that correspond to the Final Key and the breaking of the barrier.

“Don’t look at going back to Earth as a punishment, because it’s not. Those Heavenly homes will be like babes’ ranches in some respect. The world of man and his mind and heart has to be reset; it’s going to take a thousand years. The main staff will be Warrior Band, but many of those second chancers are going to need shepherding too. If we’ve been faithful during our time on Earth, who else would Jesus choose to shepherd the sheep but the faithful ones? All the Warrior Band that stayed back in Heaven during this earth-life test are just itching to get the Millennium started, and there are enough shepherds up here to cover the vacancies. Coupled with all the trained shepherds amongst the Warrior Band that went to Earth, there is going to be quite a team heading for their respective new mission fields once the bad apple clean-up is completed. Irrespective of what transpired at the time of the Reboot, all those years of experience on the mission fields of Earth have not been lost, but are stored away in that Final Key, the Ark that will be opened once the barrier between our two worlds is taken down. Each of you is a special key that will play a key part in the reconstruction program which is now receiving its final touches up here on our Heavenly drawing boards.”

“Neither older nor younger have any excuse for not being ready to face what is to come after the prescribed date. As time draws closer to the coming of Jesus, so will it become more apparent that the world is sliding into the abyss. More people will begin to wake up; some will be looking for the door, some will be looking where to lay blame for the slide, but most don’t even know there is such a thing as a door. For the spiritual man who holds the Keys to all doors and knows how to use them, there will be no physical barriers, all that is necessary will be accessible. “

“I have entrusted the most powerful weapon in the universe into your weak and fallible hands; I have entrusted the most powerful healing agent in the universe into your weak and fallible hands. I have entrusted into your hands the Master Key to all the supply houses in My Heavenly Kingdom. But because you are still children, I have placed restrictions on the Keys. They do not work for selfish users, they only work in conjunction with My will, and there are yet other restrictions. For example, their power is only released according to your faith in them. Why do I do this? It is because you are still child brides. However, as you pass these earth tests, I begin to lift the restrictions, just as I have lifted some but not all the restrictions I set on the barrier between our worlds. “

You are doing everything right, my love. All there is to do now is to hold on and not give up the fight: be persistent and determined to win through to victory. Don’t say it can’t be done. You know and the Words of David teach that you have all the tools you need to win through to victory. Call on the Keys of persistence and gnarly resolve and you will have success. Jesus sees your heart; He knows what you face. He knows that you are His very own. So don’t allow the enemy to tell you that there is a gap between you and Jesus; there is not. In fact, He is well pleased with your efforts to reach out to Him through the veil. He’s very happy when He sees you trying and wanting Him so much that you would even put down who you are to be His lover. Don’t allow the enemy to tell you otherwise; he’s a liar and only wants you to give up and not try, which is the last thing you should do. Whether you are able to picture it in your mind’s eye or not, Jesus comes and ravishes you when you ask. It isn’t necessarily about you having a panoramic scene in your mind of loving Him intimately; it is a matter of asking and desiring Him to come. He comes when you call. He comes in all His majestic power to fill you with His golden seeds.

I am a witness and a partaker of these loves feasts. They are wonderful, thrilling, and we are all left with the desire of our hearts. His loneliness is alleviated and His satisfaction is boundless because He has found His bride and future wife. This is what He’s been waiting for, and it is because His search has come to an end that He is now able to bring to pass the remaining unfulfilled Endtime prophecies in the Bible and the Words of David.

It is as He has said to you; He’s been waiting for you, His bride, to commit herself to this union by saying yes to His invitation of marriage. I am fulfilled because as your chosen door and branch of the mind of Jesus, my purpose for being by your side is being rewarded. Forgive me for being blunt, but I see my mission succeeding. You are our mission, and if you succeed, then the Final Key will at last be set free to open the veil, the barrier that separates the material and spiritual worlds, and the reign of Christ will begin. Do not think that all these promises –the final war, the preaching of the last Gospel, the Final Key event, the coming of the King of Kings– are events that will happen just as a matter of fact. If that were the case, then why go through all these tests and trials? Why

send all the prophets? Why even bother with this experiment? Why place those promises in the Bible and the Words of David at all? The Father may as well have swept everything and everyone aside at the flood and instead of placing Noah in the Ark, He could have –if it pleased Him– started all over again with another creation.

“So fear not, for I am with thee. I will uphold thee even more than this as the dark days advance to the end. Stay small in thine own eyes, and I will exalt thy pistle, and the pollen of My Words will shower those that come under its shadow. For the Wine of David will flow to cover the earth. To some it will be sweet as honey and to others it will be very bitter to their bellies, but it will flow and flow and flow and flow and burst the barrier wall to refresh and make new those who enter the New Millennium. “

“Now it is your time, My loves. You can do this, My dearest warrior band, because I am going to do this thing through you. I said stand back and see Me fight for you. This is what I did for Caleb and Joshua when they went forth to fight the giants in their land, and so will I do this for you as you go in to fight the giants of your land. These giants you go forth to fight have brought your land to ruin, just as My Word said they would. The Earth is full of their violence and deviltry, and as the days of Noah were so these days are. Yet have I not said that I have given thee the heathen for thine inheritance and the uttermost parts of the land for thy possession? But as My men of old had to go in and claim the land, so must you.

Satan and his band have tried every foul ploy in their arsenal to dislodge you from this mountain you climb but still you climb on. This year will be the year of his defeat, if you turn now and make it so. I will take you into 2025 as victors over these giants that have defeated so many. Don’t allow the enemy to dissuade you. Don’t let him tell you what he’s told millions and millions before you, that it is all for naught, for in so doing you hand him the final victory, snatched as a brand from the burning. You are almost there, one year and his band will burn in fire, so don’t allow his brand to be stamped upon you. Stamp him and his usurpers into the dust of history. Listen to the whispers and do as they instruct, for this is the only way the victory will be won. You not only fight for yourselves, but you fight for all men. You hold the Final Key in your hand, only the barrier stands between this world and the next. It is your faith that will bring down this final mountain and the Millennium will begin. All the promises will be fulfilled in that day, and then I will return as I promised I would.

I have told you that I will pull down some of the restrictions that were set in place as the world once again darkened when the days of My early disciples passed into history and the mind of man began to solidify under the relentless attacks of the giants of the netherworld. If you choose to fight the enemy at every turn, at every thought and every step, those restrictions will be withdrawn and the veil will thin and this will make it easier for you to reach the goals I’ve set for you this year. I have done all that I can to help you reach your destiny. The time has come to take the bull by the horns and secure your position as My future warrior brides. “

“Yes, the fighting has been going on for a long time in the spirit realm, but now we are coming into the color blue, that means that [6.66](#) is going to come more into its own... This is the hour when the two armies start being seen; they start to become more discernible. In other words, the two realms will begin the merging process that will eventually end with the coming of the golden age, which of course is a more spiritual age. The metallic barrier which Satan constructed with his false [666](#) key will be gone, broken down by the Final Key –thus lifting the curse and allowing the Kingdom of Light to flood across the world in a beautiful golden wave.

26. **Your destiny is to be the ones who have the final key to turn the final lock.** No angel in Heaven, no spirit being has this power. This is your destiny—you of the children of David. This is what I am counting on you to fulfill.

Make the changes needed, do whatever it takes to unlock every lock you are faced with, so that you can stand with your brethren in that day when the final key is slipped into the final lock, and the earthshaking noise of the floodgates of Heaven echoes around the world, and you experience My power like never before! “

“So why did I call this little talk proportional frequency? Well, that is because you are not using the 6.66 key to its full capacity. It takes faith; it takes reaching deeper into the spirit. It takes your spirit helpers interceding more during your prayers. It takes using the other Keys in conjunction with the Blue Key. It takes desperation and desire to want these things you are asking for to be so. It takes pushing that Final Key, the Ark, through the barrier between our worlds. You are the guys; no one else in your world knows the secret. Most of your brethren have gone off to their farms or their merchandise. They have made themselves, through disbelief, unworthy of such pearls. The frequency of the Blue Key has the ability to split the veil of the darkened mind of man to allow the light of faith to burst through. You might say the experience is similar to what happened to Saul on his way to Damascus that day. So reaching the full potential of the Blue Key is proportional to all the factors I mentioned above, plus more. Your prayers are creating waves. They are a little far apart at the moment, but once you reach the right frequency, bingo, bang and boom. I come. “

“You have all the advantages I have, you have all the promises in the Words of David, you have the evidence, the title deed in your hand. All it takes to obtain that promise is for you to pray, the fulfillment of all God’s promises are only a prayer away. It is your prayers that are pushing the veil open. We cannot push the veil open; your prayers are the vital ingredient, the Final Key that is required to break down the barrier between Heaven and Earth.

Jesus speaking: Do you know why the Final Key looks like a test tube? Because it IS a test tube. We are about to start another experiment. and you are My chief scientists. We are going to give the world one last experiment before the New Heaven and New

Earth begins. Some of you have suspected for some time now that the Final Key is the Key that unlocks the barrier to the New Millennium. The Final Key is the product of all the prayers of all the saints of all time, and your prayers, these prayers that I have asked you to pray now, are the final prayers that are going into the altar which is before My throne.

Revelation 8:3-5

And another angel came and stood at the altar, having a golden censer; and there was given unto him much incense, that he should offer it with the prayers of all saints upon the golden altar which was before the throne. And the smoke of the incense, which came with the prayers of the saints, ascended up before God out of the angel's hand. And the angel took the censer, and filled it with fire of the altar, and cast it into the earth: and there were voices, and thunders, and lightnings, and an earthquake.

The mystery is being revealed. The barrier is the veil between our worlds. The Final Key is the Ark that I will open after the deluge. All that is inside the Final Key I will use to build the New Millennium, and your prayers are the "force" pushing the Final Key into the lock that will bring down the barrier that Satan has been trying so hard to keep in place since he first took control of the Earth. I have waited patiently and in great expectation for this time. It is due to your faith and obedience that I am able to reveal this mystery. As I said, some of you have suspected this truth for some time... now your wonderings have been confirmed. Now that I have removed the scales, it is time to once again read ["Assembling of the Final Key"](#)

(JUN 26, 2024 I Have Everything Under My Control IT'S ALL HAPPENING BEHIND THE VEIL IN THE SPIRIT REALM)

Prophecy: Please don't worry about the immediate future. Everything is going to work out in a really far-out way... As you said this afternoon, all you need to do is just keep praying and yield to each move of the spirit. Don't listen to the Devil; he's pretty much lost all his wind when it comes to blowing on you guys. He's like the wolf when trying to blow down the brick house; all blue in the face...puff puff pooofffff, like a dying steam engine with no fire left in his old boiler. So he resorts to lies and boos. He's tired, so he's trying to sit on you; that's what you feel when you let your guard down and his whispers get through your blue barrier. Don't be slack in calling on the keys. Don't give up...all this time the promises that were given to David are being fulfilled by you, through your obedience to the New New Wine. That's right; the mighty, earth-shaking miracles are happening behind the veil in the spiritual Kingdom and the manifestation of these earth-shaking events are soon to break through the barrier. It's all by faith, right? And it will continue to be by faith right up to the very end, when all of a sudden, Jesus is going to kick down the barrier and take over this world, lock, stock and barrel. This physical instability that you are experiencing is a result of your prayers –well, not a result of them– but because of them, your physical situation is being attacked and bombarded by enemy forces. They are pretty desperate to stop you. It is the prayers they want to stop. Your prayers are literally tearing their kingdom apart. They have no answer to the onslaught of the Children of David. You can't allow your physical conditions to faze you. As I said, he is trying to destabilize you through this housing issue. He's lost the spiritual battle so he's after you in the physical. You've been hedged about with many angels because you are the transformers of the Powerhouse of God to this civilization. You take the power (God's Word) that is coming down from the Powerhouse of God, convert it, and send it out as Words along the lines of God's will. Your prayers are like electrical impulses sent along a wire that has been set up to reach a certain place or situation that needs God's power to give them light in their darkness, or to bring a solution to the problem or situation. This is how it can be said that you will be My living Word on Earth in these last days, just as I was the Living Word during My days on Earth. It is the power of God's Word that brings light into the situation you are praying for. Psalm 19 is a very good example of prayer. Prayer can't be blocked by the language barrier. It cannot be blocked by borders or immigration officials. Prayer comes into your tabernacle via the lines of the spirit and comes out as Jesus going to His claim His bride. His Word is as a strong man running a race. Prayer, which is His Living Word, is sent from one end of Heaven to the other along the circuits of the spirit. When it reaches its intended target, the heat of it exposes and destroys the darkness.

Psalm 19:2-6 "Day unto day uttereth speech, and night unto night sheweth knowledge. There is no speech nor language, where their voice is not heard. Their line is gone out through all the earth, and their words to the end of the world. In them hath he set a tabernacle for the sun, which is as a bridegroom coming out of his chamber, and rejoiceth as a strong man to run a race. His going forth is from the end of the heaven, and his circuit unto the ends of it: and there is nothing hid from the heat thereof"...

"When you live the Word, My power flows through you, and you, in a sense, become the living Word, as I was the living Word when I walked on Earth. When you call on the keys, all the power of My Word is at your command. If you are to focus on the power, you must look to the power of the keys; you must look to the power of the Words I speak to you; you must be instant doers of the Words I give you." (Mysterious Keys 3)

"Call on the keys and I will fill your mouth with My Words that are mighty to the tearing down of the Enemy's strongholds"

Prophecy continues: The prayer lines of God, which come from the Throne of God to you, are unbreakable, and the prayer lines that go out from you are also unbreakable. If the Devil touches those lines, he's instantly zapped with so much power that he frizzles and pops like a barbecued beef sausage. But just like on earth, the main problem during storms is the transformer being hit. So that is where the Devil attacks; he goes for your mind. You are the weak link in this electrical arrangement. If you step outside of the hedge of angels that surround you, the transformer, then the Devil's lightning can strike you. God has not chosen to do away with the weak

link; He has rather chosen to strengthen it. He does that with His Word, old and new. But again, if you don't choose to be strengthened, you become weakened; a weak link in the long line of getting power to those that sit in darkness. Every line is set up in the spiritual realm, and as I said, the Devil has lost on this side of the veil. He is being forced toward the bottomless pit and hell, and it is your prayers that are doing it, or should I say your faithfulness as transformers to pass on the Words of the Living God into the darkness of this world. We know it is all in the spirit; that is where the fighting is, that is where the Devil and all of us are. The line of power that passes through the veil to you is vital to our success and vital to the enemy's demise. He's desperately despairing at the moment; defeating you is his last chance to stop his slide into the pit. So stay on guard through being obedient; this gives us the power we need to protect you. Another thing that transformers do to is that they act like generators; they boost the power along the line—that is how vital your role is. So yes, you have a tremendous responsibility in this war. Your mission is vital. But remember that although the warfare is here in the spiritual realm, the skirmishes, battles and overall war manifest in the physical. These are the signs you see that tell you something is happening, so if the spirit of God is pressing you through intercession to pray for a certain thing then pray desperately and with definiteness. The outcome will be a foregone conclusion.

"Your mind has tremendous potential, for it is spiritual, and when your mind is yielded to Me, you are able to generate My power. You become generators of the power of God and nothing will be impossible to you!"

Prophecy continues: I hope you understand what I'm saying here. You may not see much happening on the physical side of the realm because most of the action is here in the spirit. Life seems to keep rolling on day after day for you. You are told to fight on and overcome those sins that so easily beset you, so you try to do what you're told, and we know it isn't easy. But in reality, fighting your NWO's is like being in a skirmish; they are a small outcropping of the main battle. Nevertheless, you should ask yourself why you are in a skirmish. Why is the Devil trying to erase you? It is because you are a member of an artillery battery that is sending massive missiles into the enemy's forces. The problems you are facing on the home front are also manifestations of his attacks on your forward battery. It's all about words. It is a war of Words; God's Word verses the Devil's. It's the Devil that puts evil thoughts into your mind and into the minds of systemites and those that would fight you. His goal is to get the recipient of his words to put his words into action...like that factory over there for example, is a manifestation of the original idea, and the original idea came from the enemy. Do you remember the prophecy asking you where your thoughts come from? (April 12) There is a continual barrage of thought darts coming from the enemy. With his own people, it is as easy as pie to put his thoughts into their minds, because they are totally into the world and travel its highways daily. With God's commandos who are on guard and using the Keys and praying without ceasing, it can become quite difficult to get those word darts to stick and manifest. Anyway I'm getting a little off track here. I hope you found that interesting. This is an interesting subject and can reveal many different paths of spiritual enlightenment. One last thought before I sign off. What is so cool about prophecy is that it is the tool that you use in conjunction with prayer. Prophecy tells you what's up ahead, and you can then take evasive action...proactive prayer is another term, or intercessory prayer. "The spirit maketh intercession for you" is the same principle. Seeing the signs, as in manifestations in the physical world, can never ever do that for you—signs are more like an afterthought and by that time, it is certainly too late to start praying proactively. One more example: we told you a year ago in April that something was coming...so you started praying for us to open up a new place one year in advance. That gives us time to start the process of working in the hearts and minds of all those that would be involved in a possible move. I said possible because not all the puzzle pieces have been placed in their respective slots. So keep praying.

"Those who allow doubts to creep into their hearts and minds, and who do not vigorously fight to wash them away with the cleansing power of My Word will become weakened, for they chose to entertain the Devil's lies and untruths." (ML 3452:118)

(NOV 3, 2023 Praying in the Power of the Keys THE POWER OF THE KEYS EMPOWERS YOUR PRAYERS MORE THAN EVER BEFORE)

When you call on the power of the keys in prayer, you heighten and increase your prayer power. The keys create a slit or an opening in the veil between your world and Mine, and in an instant, in a split second, you can access full, tremendous power from Heaven. This is what you will need in the days to come when My power and the keys' manifestations will be clearly known and seen. When you use the keys, you tap into yet another source of energy, another great fount of power, that has been prepared for this day and age. The power of Heaven is released to you when you ask in My Name, and now, when you ask in the power of the keys, nothing can stand against you, for we are bound to answer. Asking in My Name gives great results and much anointing for you personally, to accomplish things in the physical. But for those called and chosen to take on My special key power, and who use it, it transforms not just their lives, but the ripple effect of such a great release of power moves outward like a wave and affects many other lives. If you will hide the keys promises in your heart, this will enable you to let every prayer you utter be empowered by the keys, and in this way you will also be utilizing your prayer power to a greater degree.

Each prayer you pray must now be guided by the keys, My loves, for the days require it. For you who have been given the keys of the Kingdom, prayer and the keys must go hand in hand. Prayer is your link, your hotline to Me; the keys are your levers that release the power that will carry out your prayers. To use this power to the maximum degree, you must let the keys promises be one with you. Hide them in your heart so that they flow out of your mouth, so that your first reaction to each situation is to call on the keys. This is what will keep your steps from sliding, what will give you strength for the battle, and what will assure you the victory. ([Prophecies for the Children of David #14](#))
