

WAS ABRAHIM REVEALING THE DATE OF THE RETURN OF JESUS IN THE MO LETTER 40 DAYS?

I AND THE KIDS WERE WANDERING THROUGH A DESERT LOOKING FOR WATER when suddenly down this hill began to trickle a tiny little stream. I rushed over and tasted it and it was good, delicious, fresh, cold water and I was so happy about it because there were a lot of others wandering around out in the desert thirsty too. ([Strange Truths! \[#0360\]](#))

Do you see the MO Letter number; 360...360 degrees is a full-circle...this revolution began with the "strange truth" of God's Word and it's going to end with God's Word being fulfilled. The Words of David will be fulfilled, because they are God's Words for this wicked and adulterous Endtime generation; the Endtime prophet will be vindicated.

A Letter from Thomas

Hi , Thank you for the summary of Bye Bye Pie. In reference to the 40 days mentioned there, I was looking at the info on the internet about the comet Kohoutek and its orbit and all. What stood out to me is that in November 1974, it was last seen leaving our solar system. That is significant especially considering the November US elections and the chaos that will follow. Like the last seen word of the Prophets, the comet's tale warning, is gone. Love Thomas

MB: August 29, 2024

Hi Thomas, since receiving your last note about the comet and 40 days, I've been earnestly praying about what you said, and I'm beginning to wonder if perhaps you have been given a Key to some secret that is still locked in the "40 Days Nineveh" letter and to which it is our job to find the answer.

This afternoon, I opened my "speak aloud" app, and it landed on the blog where I was discussing the "40 Days" and "Moses on the Mountain" MO letters. (January, 2024). That is quite significant seeing as it was a random selection. I went to that blog and went over it a couple of times and some thoughts came to me.

I was wondering if you could also read over the "40 Days Nineveh" MO letter and see if Jesus shows you anything about those dates from November to January...along with Abraham's comments. I hope my thoughts on the subject don't get you thinking on the wrong track; but I do think I should share them with you in case there might be a clue in them. And of course this is all conjecture, and I will have to thank you for getting me started on this letter again. Interestingly enough, at the beginning of the year, as we were going into the city, I was told that we were not yet done with the "40 Days" MO letter and that I should leave it in my work folder. So most days when I open the folder, there it is at the top of the list of things I'm working on...anyway...

1. The first thought I had was; I wonder if we've been ahead of ourselves by one year. The reason I began thinking this is because of your mention of the [US elections](#) happening in November... (November being an important date in the 40 Days MO letter also). The event that caused us to go [behind the Son](#) was the world calling for "peace." I'm sure you remember that. I believe all the prophecies that led us to believe that Jesus wanted us to go into the Wilderness, "the City," for more training are correct. There are too many prophecies confirming our move and training during the year of 2024 for that to be wrong. Besides, we know the year in the City is in preparation for 2025, so in a way, we are not ahead on God's timetable, although I may be ahead on my thinking that the [US was to burn in 2024](#) (although it may still happen). I think the "Bye Bye Pie" Summary has helped adjust my thinking on the purpose for this year. It now makes sense that the prophets should have a preparation period before the

big event. Today someone here mentioned that the inauguration doesn't happen until early 2025, perhaps that could possibly be the flash point... We'll just have to wait and see.

2. The next thought I had was in regards to the time period "40 Days." I wonder if the "40 days" does not actually mean 40 days, but is rather symbolic of a time period, much like "one week" means 7 years, or a day is as a thousand years. I know I'm stretching it, but just maybe it's a clue. Anyway, I began wondering if "40 Days" could mean a period of one year. The first 40 days—one year, the year of 2024—is for us, by faith behind the Son in the City to build our faith for what is to come in 2025. And the year 2025 is the second 40 days for the world to "see" the result of their unbelief. I'm going over the 40 Days letter to see if these theories could possibly fit. And I'd appreciate it if you could too, if you have time.
3. Now for the big stretch...Abraham said in 40 Days: "But it's an important enough destruction to warn the whole world, so it's going to affect the whole world!" What if that statement isn't about America being nuked, but "Nineveh the World Empire" being destroyed both physically and spiritually at the return of Jesus in 2026? When Jesus returns, the whole world as we know it is going to stop dead in its tracks.
4. Seeing as I'm freely sharing my thoughts; here's another one. We've put out a few blogs pointing people's attention to [Khazaria \(Ukraine\)](#) as being a possible candidate for Armageddon. We discovered, and it was shared in the blog, that the word "Armageddon" does not mean a place per se but a battle. Jesus has told us in prophecy that a war between [Iran and Israel was "not yet"](#), so we've been praying for no war to start there. But Jesus has continued to tell us to pray for [the war in the Ukraine to escalate](#). Yesterday, I began wondering if the whole Mideast scene is simply a big distraction to get everyone's eyes off of Ukraine. There is a **22-story** building that was opened in Dnepropetrovsk, Ukraine. It is called The Menorah Center and it's the largest Jewish community center in the world. You have to ask yourself why in the Ukraine.
5. I've always believed the King of the South was Amerika. But perhaps it's only Israel. In regards to civil war; if Amerika's commercial power is destroyed, then her ability to support Israel militarily will also stop. Perhaps two birds will be killed with one stone. If American aid stops flowing to Israel, perhaps that will be the Arab's signal to attack?

P.S. It's September in a few days...wondering if this has something to do with the checkpoint.

From here I went to our old favorite ["40 Days and Nineveh Will Be Destroyed."](#) I found some pretty significant things this time around... which happens to be almost one year after we went into the City and I think more importantly; two days before the September checkpoint.

The first Keys I found were at least five inferences to the return of Jesus. This MO letter is a quatrain. It should not be read as you would read a fiction novel. Call on the Keys to clear your carnal mind from the distractions of the enemy's "it's impossible" spiel. Know for a fact that your carnal mind is an enemy of prophecy. The enemy's imps seek to clutter your mind with that which is carnal and worldly. Tell yourself that this MO letter is not about a comet, because the comet never came. Tell yourself that this was a message given to the Endtime prophet David from the spirit realm by his Gypsy spirit helper Abraham. Don't think that Abraham didn't know what was going to happen; don't think that Jesus sent Abraham to trick and deceive the Children of David. Tell yourself that this is a message of dire warning; there is going to be 40 Days of warning and then Nineveh will be destroyed. In telling yourself that, you become a miner searching for gold that you know is there but it's just hidden from your eyes at this moment. That's the difference between a person who finds the mother lode and a person who walks away from the cave mouth full of doubtful disputation. Call on the Keys of heeding and believing and you too will see the small hidden Keys buried beneath the surface words printed on this page. Remember, spiritual Keys open doors to secret places behind the veil of the spirit where the treasures and jewels from beyond are stored. The Word of God is a treasure trove of secrets and mysteries and Jesus has given us the Key to this trove. For the Keys to work, you must first believe in

them. So are you ready? This is what I found on this, my 4th or 5th trip into the spirit of this MO letter. *All MB notations are in italics.*

1. **THERE IS GOING TO BE 40 DAYS OF WARNING, THEN NINEVEH SHALL BE DESTROYED!** The Comet will be at its brightest and most visible for 40 days. But the puzzle is... when does the 40 days begin? It's giving a 40-day warning of something, whatever it is, then comes the destruction, unless the people repent like Nineveh did because of the message of the Prophet. If the people repent, the Lord will relent or there'll be a descent! But if not, then there'll be a very great destruction!

MB: *There'll be a descent; as in Jesus returning...or millions going to hell? Those lines seem to say there would be a possibility of Jesus delaying His coming if man could prove he could rule the planet in love. But man won't, he will go on in his selfish pursuits.*

5. **BUT IT WILL BE A 40-DAY WARNING CULMINATING SOMEWHERE IN JANUARY,** most likely between the 11th and 21st of January. That's when it becomes its biggest and brightest—between 11th and 21st of January. It comes the nearest to the Earth on the 15th.

MB: *Alluding to the Rapture: at the time of the Rapture, Jesus doesn't touch the Earth, but He does come near it. Or it could mean that after our 2024 warning of America's economic demise at the time of the 2024 US elections our warning culminates between the 11th and 21st of January, 2025? (It would be interesting to reread "The Green Paper Pig" as the setting in that dream is in Israel)*

15. **AFTER 80 DAYS PEACE, COMETH SUDDEN DESTRUCTION!** When peace signed?—Yesterday the **11th!** Aha!—From 11th to 21st December is 40 days, 21st December to January 31st is 40 days: Two weeks after Comet is brightest in greatest ascendancy and proximity to Earth! January **31st** must be the day or close to the day.

MB: *After 80 Days Peace at last!! Then sudden destruction to the kingdom of Satan with the return of Jesus!!! At the time of the Rapture, Jesus doesn't touch the Earth. He comes close to the Earth; He is seen in the clouds in power and great glory. We will then ascend; that is what He did when He went back to the Father after leaving the disciples at the end of His forty-day sojourn (A symbol?). Acts 1:3&9 To whom also he shewed himself alive after his passion by many infallible proofs, being seen of them forty days, and speaking of the things pertaining to the kingdom of God: 9 And when he had spoken these things, while they beheld, he was taken up; and a cloud received him out of their sight.*

Could Jesus be the Comet ascending and His proximity to Earth be the Rapture? After 80 days (two years, a short time, time being one year...Revelation 12:12) Jesus the Prince of Peace returns because the AC kingdom has destroyed all opposition and says the world is at (false) peace; then war war (see paragraph 17) Armageddon followed closely by the return of the true King.

23. **SO SHALL THE FUTURE BE** as I have told thee before. Even so shall the future be as I have told thy father. It shall come in a moment, in the twinkling of an eye! But they will not believe your father.

MB: *1 Corinthians 15:52 Here again it's alluding to the Rapture; this one is hard to miss.*

25. **FOR THE HEAT OF THE SUN (COMET?) SHALL BE AS SEVENFOLD,** and men shall gnaw their tongues for pain for the travail that shall come upon them when the Lord shall arise to shake terribly the Earth! Thank You for the words Thou hast given their father! In Jesus' name, Amen.

MB: This is a passage out of Revelation 16. And they will certainly gnaw their tongues at Jesus' return, for the heat of the Sun/Son. This is also the fifth passage alluding to the coming of Jesus

Now for the Letter itself...it would seem there are at least two fulfillments to this MO letter. The first was back at the end of 2023 when we were invited through New New Wine prophecy to come into the City of Light for 40 days or one year of training. Now that the September checkpoint is upon us, we are being shown the second fulfillment. It's all by faith, I know, but that is and always will be the way until our Promise arrives to take over the world. An interesting fact about the word Kohoutek, translated it means "Rooster".

"40 DAYS!"—And Nineveh Shall Be Destroyed! (Jonah 3:4)—MO November 12,
1973 GP No.280

—For when they shall cry, "**Peace, peace!**"—then cometh **sudden destruction!** (1Thessalonians 5:3)

The day after the Nov.11th cease-fire signing MO woke me early in the morning with **this:**

(Some of it sounds like the voice of Abraham)

1. **THERE IS GOING TO BE 40 DAYS (ONE YEAR) OF WARNING, THEN NINEVEH SHALL BE DESTROYED!** The Comet will be at its brightest and most visible for 40 days. But the puzzle is, when does the 40 days begin? It's giving a 40-day warning of something, whatever it is, then comes the destruction, unless the people repent like Nineveh did because of the message of the Prophet. If the people repent, the Lord will relent or there'll be a descent! But if not, then there'll be a very great destruction!

MB: There'll be a descent; as in Jesus returning...or millions going to hell? Those lines seem to say there would be a possibility of Jesus delaying His coming if man could prove he could be trusted to rule the planet in love. But man won't, he will go on in his selfish pursuits.

2. **IT HAS SOMETHING TO DO WITH THE 21st (OF SOME MONTH).** It either begins on the 21st or it ends on the 21st. Of course it'll be at its brightest—between November 21 and January 21, and really from December 11 to January 21 is the main course. Either that or December 21.

MB: Looking at 40 Days as a one-year period; perhaps those different dates mentioned in paragraph 2 are not speaking of a matter of months but instead are periods of one year, for example: November 21, 2023 to Jan 21, 2025? Or another interpretation: Because prophecy is telling us that the last forty days signifies 2025, it would be obvious, from all that we've been shown, that Jesus isn't going to return in January of 2025, so perhaps the judgment of the Whore could start and end between those two dates? (See blog Harris/Trump what to pray for) Whilst meditating on that thought I looked up when the US presidential inauguration is. It said that inauguration always falls on the 20th of January, except if the 20th falls on a Sunday, then it falls on the 21st. This coming inauguration in 2025 will fall on the 20th, the day before the 21st. The elections are in early November; dad's comment on Abraham's prophecy says: "it'll be at its brightest between November 21st and January 21st, perhaps brightest could be interpreted as at its hottest from the election in November 2024 to the inauguration on the 20th of January 2025. Could the election problems that we are praying for peak between those two dates? In Revelation 18 it says it will be all over in one day and in another verse it says one hour. If the economic collapse of the USA happens very quickly, let's say between those two dates, then

2025 would be a very very bad year for the whole world (See paragraph 4). Another possible interpretation is that the economic collapse of America could begin on the 21st of either November 2024 or January 21st 2025 and extend all the way to the return of Jesus in 2026.

3. **THE WINTER SOLSTICE (DEC. 21) IS ITS CENTER.** If December 21 is the **center**, then its **main** 40 days course of warning is from **December 1 to January 11**. So the **end** of its course of warning is somewhere between January 11 and January 21, because the **beginning** of its course of warning is between December 11 and December 21. Then the Comet shall become very, very visible and bright in the sky!

*MB: Seeing as the warning comes through the "[Comets Tale](#)" then could this be interpreted as meaning the warning to the world that big big trouble is about to unfold will peak between **December 1 to January 11** and end in January 21 2025 and then it will no longer be by faith or a warning, the world will see great tribulation instigated by the collapse of the US economic system?*

4. **BUT IT WILL GIVE A WARNING OF 40 DAYS, AND THEN DESTRUCTION!** I don't know the destruction of **what** or **whom**, but it **is** destruction. But it's an important enough destruction to **warn** the **whole world**, so it's going to **affect** the **whole world**!

MB: Not just America but the whole world. When Jesus returns, the whole world is going to be affected...Man's activities are going to stop in the twinkling of an eye. And all that Revelation 18 says will happen indeed will come to pass.

5. **BUT IT WILL BE A 40-DAY WARNING CULMINATING SOMEWHERE IN JANUARY**, most likely between the 11th and 21st of January. That's when it becomes its biggest and brightest—between 11th and 21st of January. It comes the nearest to the Earth on the 15th. *MB: Alluding to the Rapture: at the time of the Rapture, Jesus doesn't touch the Earth, but He does come near it. Or it could mean that after our 2024 warning of America's economic demise at the time of the 2024 US elections our warning culminates between the 11th and 21st of January, 2025? (It would be interesting to reread "The Green Paper Pig" as the setting in that dream is in Israel)*
6. **IT'S LIKE THE VOICE OF THE PROPHET JONAH TO NINEVEH, THE DECADENT WORLD CAPITAL of Assyria:** —**"40 days**, then Nineveh shall be destroyed!" But when Nineveh **repented**, God spared her a little longer. But I don't think **this** Nineveh is going to repent!—And the only Nineveh that could possibly mean is **America**, of course. America has been the ruling power of the world. America is now the declining power, and Russia is the ascending power.

MB: Well America is not a world capital as in a One World Empire (unless it means world capitalism), however Russia has ascended therefore could paragraph 6 be talking about "Nineveh" meaning Russia, the now-ascended world power that will be destroyed by the return of Jesus after the last forty-day (one-year) period? And it is interesting that when Nineveh repented, it was given more time. If the world repents, perhaps Jesus would delay His second coming? I hope not, as that could only mean that the world is entering either the beginning of the seven years or the last three and a half years. Perhaps Jesus will give Communism time to see if they can right all the wrongs in the world?

7. **THERE'S JUST 40 DAYS—40 DAYS!** Today is Monday the 12th (of November) the day after the 11th, 30 days before the 11th of December, and **40 days before the 21st** (of December), huh? It's 40 days from now to December 21st, the Winter Solstice the darkest day of the year, one week before the Comet passes behind the sun!

The following is an original inscription from 2023...MB: I was just thinking if the comet is we, the prophets, as in we are the comet's tale, then one week after the 21st the comet passes behind the sun/Son, Jesus, which would mean we will have gone into the Spirit or Wilderness. Note: We were invited into the City on December 28, 2023, to prepare for what is coming in 2025.

8. **IT'S 40 DAYS FROM NOW TILL DECEMBER 21ST!** God gives us warning—Early Warning System! God gives us **early** warning **before** the world. From November 11 to December 21 is 40 days, and from December 21 to January 31 is 40 days!

***MB:** With the understanding that 40 days could mean a one-year period, then the above statement would be Nov. 11, 2023 to Dec. 21, 2024. When Thomas first gave the warning that "Peace Peace" is being declared by the world for the Palestinian slaughter.*

9. **GOD GIVES US EARLY WARNING, twice** the warning He gives the world, because we have **Early Warning System**—the **Prophet of God!** We know long before the world knows. He gives us **twice** the warning He gives the wicked! He warn His **saints** 40 days **before** the 40 days! November 11 to December 21, and He gives world warning December 21 to January 31.

***MB:** "Long before" could it mean a full year of warning? Forty days to warn the world is, in reality, almost no time at all. It does seem the reason these dates hardly make sense is because Abraham is talking about a longer time period than literally 40 days. This is why I entitled this blog "A MO Quatrain" because it does seem to be codified.*

10. **THEN WHEN THEY CRY, "PEACE, PEACE!"—COMES SUDDEN DESTRUCTION!** You See? Or maybe it start earlier, I don't know. Forty days warning to Nineveh, God warned Jonah long before that. God warned Jonah 40 days before. Forty days later he got to Nineveh, and then he said, "Forty days and Nineveh shall be destroyed!"

***MB:** Interestingly enough, although Nineveh wasn't destroyed at the forty-day mark, it was eventually destroyed. I don't know how long after the forty days expired; it was many years, but it was eventually destroyed. When looking at that statement "Forty days and Nineveh shall be destroyed," the "forty days" seems to be a statement rather than a period of time: as if "forty days" has its own meaning. For example; instead of meaning 40 literal days, it might be a declaration of warning. "God is warning you that when you cry peace, peace, then comes sudden destruction." (The return of Jesus?) It may be long in coming, a full year, but it is coming because you did not repent.*

11. **SO GOD GIVES US 40 DAYS WARNING BEFORE HE GIVES NINEVEH.**—"Around the World in 80 days!"—**80** days for **us**, and **40** days for **them!** How much more can God give to us than 80 days? That's a long time, almost 3 months—80 days!

***MB:** What is interesting about paragraph 11 is that MO had already been warning America of her destruction long before this letter came out. So the forty-day warning doesn't really fit as far as how many days America is warned. Again, with a little deeper look, it does seem the forty days is not a literal number of days, but rather a statement. The above statement makes a lot more sense if the 40 days means one year. So two years of warning to us and one year to the world.*

12. **TO THE 21st (OF DECEMBER) IS 40 DAYS, AND FROM THE 21st TO 31st (OF JANUARY) IS 40 DAYS.** So whatever's going to happen could be anywhere around January 31st! It depends on whether you take God's first warning to us.

***MB:** And if you don't, then you will be like Thomas of old, who had to see to believe. Well as dad said earlier in this letter, it doesn't seem like this Nineveh is going to repent. So if we are interpreting this*

MO letter properly then the first forty days (one year) of warning is almost up. To the 21st of December is 40 days.

13. BUT GOD GIVES US 40 DAYS BEFORE THE WORLD, THEN HE GIVES THE WORLD 40 DAYS. He gives us 40 days like Prophet Jonah, you know?—And then He gives Nineveh 40 days.—And that's the **end!** Either January 11 or January 21 or January 31, somewhere in there God's going to destroy modern Nineveh, modern Babylon and its king. King Richard—the Last!—King Richard the Last! (King Richard the **Lyin'**-Hearted!) Forty days and Nineveh shall be warned, and 40 days again and Nineveh shall be destroyed!

MB: King Richard wasn't the last; Putin will be the last king of Modern Nineveh. That was an obvious play on words, and it got my attention. I wondered if Putin had any connection to King Richard the Lionhearted of England. So I looked the thought up and found nothing but this headline "Ivan Ilyin & Vladimir Putin; Two peas in a fascist pod". I didn't read the article. Ivan Ilyin was some Russian that lived many years ago, but his name was close enough to the same spelling to King Richard the Lyin'-hearted that I felt it was a little encouragement from Jesus that I'm on the right track.

14. **AROUND THE WORLD IN 80 DAYS!** 40 days for us, and 40 days for them—really **80** days for us. God is so merciful and gives us 80 days Early Warning System! He gives them 40 days **late** warning system, and then it's **too** late after **80** days.—No more warning!

MB: No repentance, no more time... I, Jesus, am coming to take back the world to run it the way it should be run.

15. **AFTER 80 DAYS PEACE, COMETH SUDDEN DESTRUCTION!** When peace signed?—Yesterday the **11th!** Aha!—From 11th to 21st December is 40 days, 21st December to January 31st is 40 days: Two weeks after Comet is brightest in greatest ascendancy and proximity to Earth! January **31st** must be the day or close to the day.

MB: After 80 Days Peace at last!! Then sudden destruction to the kingdom of Satan, with the return of Jesus!!! At the time of the Rapture, Jesus doesn't touch the Earth. He comes close to the Earth; He is seen in the clouds in power and great glory. We will then ascend; that is what He did when He went back to the Father after leaving the disciples at the end of His forty-day sojourn. Acts 1:3&9 To whom also he shewed himself alive after his passion by many infallible proofs, being seen of them forty days, and speaking of the things pertaining to the kingdom of God: 9 And when he had spoken these things, while they beheld, he was taken up; and a cloud received him out of their sight.

Could Jesus be the Comet ascending and His proximity to Earth be the Rapture? After 80 days (two years, a short time, time being one year... Revelation 12:12) Jesus the Prince of Peace returns because the AC kingdom has destroyed all opposition and says the world is at (false) peace; then war war (see paragraph 17) Armageddon followed closely by the return of the true King.

16. **AHA! YOU SEE THERE? "PEACE, PEACE!" CRIED YESTERDAY, THE 11TH (OF NOVEMBER).** Then 11th to 21st (of December), and 40 more days to 31st (of January). Warning to **us** from yesterday to **December 21**. Warning to **world** from December 21 to **January 31st**. Then (80 days) after "Peace, peace!" comes sudden destruction! It's so simple! How about that?

MB: Simple enough yes: After peace peace was cried by the world then comes 80 days of warning and tribulation culminating with the coming of Jesus. This is what I believe Abraham was telling us back in 1973 with us His child prophets now finally given the understanding in September of 2024.

17. **(FIRST) 40 DAYS BEGINS TODAY (NOVEMBER 12): THE FIRST DAY!** You see? **First** 40 days begins **today!** Second 40 begins in 40. You see what Jesus show me? Isn't that wonderful how God shows His people! Begins the 12th (November), day after the "**Peace, peace!**" and then on (January) 31st with **war, war!** Savvy?—And sudden destruction!

MB: (First year) begins in Nov (2023) and in Nov (2024 US election month) then (second year 2025) ends in 2026 with war on Jan 31? Sudden destruction...Jesus returns and ends rule of man in early 2026 at Armageddon?

18. **JESUS GIVE US TIME TO GET MESSAGE "AROUND THE WORLD IN 80 DAYS!"** That's good title, huh? Got to get the message out "Around the World in 80 days!" We have 80 days. The world only has 40, but we have 80. 40 and 40 makes 80. (November) 11th to (December) 21st makes **40**, and (December) 21st to (January) 31st makes **80**. You See?

MB: 40 and 40 makes 80 or one year (time) and one year (time) makes two years (times). We have two years to get out the message. Only this time we are not the ones getting out the message. The White angel and San-Badh-Mahl are the ones getting out the message, which makes the "to the whole world" altogether possible. **Revelation 14:6-8** And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters. And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the [wrath of her fornication](#).

19. **GOD MAKES THINGS SO SIMPLE FOR HIS LITTLE BABY CHILD, THE PROPHET!** He makes so simple for His little baby child Prophet. So simple nobody believe: (November) 11 to (December) 21 is **40** and (December) 21 to (January) 31 makes **80!** Any little child can add those up, you see? It's very simple. You know? God makes very simple little prediction any little child can figure for His children. You believe that?

MB: David wasn't a child prophet; he was our father. We are little David's, little prophets, child prophets; that would mean Abraham is talking to us. This MO letter is for us to figure out..."God makes very simple little prediction any child can figure for His children."

20. **YOU THINK GOD LOVES US THAT MUCH TO TELL WHEN, AND GIVES US 80-DAY WARNING?** Pretty soon He gives children of the world 40-day warning (with Comet (tale). First He gives prophet double warning, 80—"Round the world in 80 days!"—And then comes Kohoutek (Rooster) and gives 40 days more. You see? For the **poor** world, God's **so** merciful!—40 days, and then destroys Nineveh! Lord have mercy on Thy Children and their father David!

MB: To tell when, when what? The coming of Jesus by 2026..During our time in the City...God is warning world through Gaza and San-Badh-Mahl, the White Angel and their army...then the US election...then 2025...then sudden destruction with the return of Jesus.

21. **I TAKE FOURTH SWALLOW (TAKES FOUR SWALLOWS OF WINE): 10 DAYS FOR EACH SWALLOW! GOD GIVES 40 DAYS OF SPIRIT TO HIS PROPHET, AND 40 DAYS OF SIGHT TO THE PEOPLE!** Those that believe **spirit** believe for 40 days **before** sight, by **faith**, 40 days by **faith** and 40 days by **sight!** The **faithful** can believe 40 days by **faith**, before **world** believes 40 days by **sight**. So faithful can **move** if they want 40 days by **faith**, before world sees 40 days by **sight**.

MB: 40 Days or one year of spiritual training in the City of Light before 40 days or one year of great tribulation by sight for the world with it all ending in 2026 with the return of Jesus. Download pdf: [“Going Behind the Son”](#) **see footnote

22. **(TONGUES:) “BUT BEWARE UNTO THEM WHICH BEHOLD THE END OF THE 80 DAYS** which I have shown thy Father David.” You believe your father? Kiss the Son lest He be angry with thee and thou perish from the way! (Kisses and tongues:) You give all of these Words to the Children of David?—Amen? Amen! Thank You, Jesus! (Prophecy:)

MB: I can't help but think that this warning is to the COD that refuse to believe the “Father Prophet” as well as his little child prophets who kept calling them up to the end of the 80 days...This is part of our responsibility and commission. Beware unto them that broke the covenant in 2022...warning message given in paragraph 22 of this letter.

23. **SO SHALL THE FUTURE BE** as I have told thee before. Even so shall the future be as I have told thy father. It shall come in a moment, in the twinkling of an eye! But they will not believe your father.

MB: 1 Corinthians 15:52 Here again it's alluding to the Rapture; this one is hard to miss.

24. **O GOD, THAT THEY MIGHT BELIEVE** the Words Thou has given unto their father! O Jesus, that Thou wouldst have mercy upon those that hear the Words of their father! O Jesus, have mercy upon them that they may repent at the Words of their father!

MB: Once again I can't help but feel this is talking to those who actually heard the Words of David, rejected them and have not yet repented of their sins. We have been praying for them for six years now. See MB blog: [“Revealing more on Daniel 9:26”](#) or Podcast: [“The Second Interpretation”](#)

25. **FOR THE HEAT OF THE SUN/SON (COMET?) SHALL BE AS SEVENFOLD**, and men shall gnaw their tongues for pain for the travail that shall come upon them when the Lord shall arise to shake terribly the Earth! Thank You for the words Thou hast given their father! In Jesus' name, Amen.

MB: This is a passage out of Revelation 16. And they will certainly gnaw their tongues at Jesus' return, for the heat of the Sun/Son. This is also the fifth passage alluding to the coming of Jesus. And sevenfold; well Jesus comes at the seventh trumpet call.

Note from Thomas: “I have been praying about the 7th trump in Revelation 10:7. The days, (see days?) of the voice of the seventh Angel shall begin to sound the mystery of God shall be finished. I am just surmising here, that up until the seventh tribulation trump, the events up until this point, is a mystery only seen by disciples, like the spiritual wilderness, etc. **After the Lord's coming**, all the rest of the book of Revelation, sounds mostly literal? Even now the jabbed, marked people are developing boils (monkey pox) like the first vial of wrath. I always wondered why, in the middle of the mentioning of the vials being poured out, does the Lord make this statement, “Behold, I come as a thief” Revelation 16:15. Will we start to see manifestations of the soon to be vials of the wrath of God? The boils apparently are a manifestation of the body trying to detox from the covid jab.”

26. **P.S. I BELIEVE GOD MEANS WHAT HE SAYS** in this shocking revelation above! **You** in the **U.S.** have only until **January** to get **out** of the States before some kind of disaster, destruction or judgment of God is to fall because of America's wickedness!

27. **ALL OF YOU WHO POSSIBLY CAN, AND HAVE NO BURDEN TO STAY IN THE U.S. TO HELP AFTERWARD, SHOULD LEAVE AS SOON AS YOU CAN.** Even neighboring countries

or colonies would be safer, like **Canada** (you have until **December 15** to easily become a **citizen** there under the **new law**) or **Mexico**, or even **Puerto Rico** or **Hawaii**, to all of which you can travel even **without** a passport!

28. **THIS ALSO MAY BE THE TIME TO MOVE YOUR AMERICAN OFFICE OUT OF THE U.S. COMPLETELY!** Please pray about it. Remember: We **warned** you!—And **God** has been warning all of us or years!—**Now** is the **time**! It's **later** than you **think**! **Hallelujah!**—The **End** is **near**!

29. **ARE YOU READY? IF NOT, WRITE US AND WE'LL TELL YOU HOW TO GET READY!**—Or if you'd like **more** of our literature along this line on the coming Comet Kohoutek or the fall of America, just write any of the addresses listed on the Catalogue Page and request any of the titles listed there on these subjects and we'll be glad to send them to you **immediately** if available. Please enclose a small donation to help cover our costs. Thank you!

30. **GOD BLESS AND KEEP US ALL** in these troubled times to come!—Amen.

40 DAY TIMELINE CHART OF THE END

First 40 Days = One year...November 11, 2023 to December 21st 2024...warning WB by faith.

- **Begins:** November 11, 2023...Began with Thomas warning WB that world crying for peace peace in Israel/US destruction of Palestinians.
- **Ends:** December 21st 2024...on winter solstice shortest (and darkest) day of the year.
- **WB** goes into the City of Light for 40 Days/One year spiritual preparation...December 28, 2023 to ?December 21st 2024? Abraham said it could begin or end on the 21st could he be talking about our exit from the City of Light? (See paragraph 2 & 7)
- San-Badh-Mahl and White angel begin warning the world from within the spirit world, by faith.

Second 40 Days = One year...December 21, 2024 to January 31, 2026...warning to the world by sight...Great Tribulation and signs of the wrath of God beginning to fall.

Begins: December 21, 2024 winter solstice and (center: see para.3) of period between the 2024 US Election Day and 2025 inauguration day. December 21st is also the day we come out of the City of Light for the last 40 days or last year.

Ends: January 31st 2026 with the return of Jesus, whether on or sometime after that date it isn't clear as yet.

Two dates to watch for in 2024/25: November 21 and January 21. The US election is on November 5th, and is where we are centering our Key powered prayers; the inauguration is on January 20, 2025. That is a period of 76 days, 4 short of 80. Abraham said in paragraph 10: "maybe it start earlier, I don't know".

In paragraph 2 Dad said that from December 11 to January 21 is the main course, I pictured that as the most dangerous part of that period between the election and the inauguration.

MB: *This coming election and inauguration is what I believe Revelation 18 is talking about when it says "destroyed or burned with fire in one day and or one hour. This explosion or civil war may be as the 40 days MO letter says, sudden, but it may also be extinguished very quickly too. But it could very well be what destroys the economy of the US and people's faith in the US and its green paper pig dollar. Putin is there ready with his gold standard, the NWO already in place, the BRICS nations, controlling the resources of West Africa, all of Africa really. He's controlling Europe's energy resource, he has control over the Mid-east. He's got South America; he's got Venezuela acting out the trailer of what's going to happen in the US very soon. The Communist NWO is controlling enough of the world to step into the US shoes as soon as it collapses. This MO letter could very well be Abraham sharing the dates of all this huge events mentioned in this analysis.*

****THE NUMBER 10 AND THE NUMBER 40**

In the Bible, the number 10 is considered a number of completeness, divine order, and perfection. Some of the key biblical meanings associated with the number 10 include:

1. Completeness and totality – The 10 Commandments represent the complete moral and ethical code given by God. The 10 plagues on Egypt were a complete demonstration of God's power. *(Within this dispensation the New New Wine will end with the Final Key being inserted. The last year will be a demonstration of God's judging power.)*
2. Divine order and government – There are 10 patriarchs from Adam to Noah, and 10 patriarchs from Noah to Abraham, signifying divine order. The 10 horns in the Book of Revelation represent the complete and final earthly kingdoms before Christ's return.

3. Perfection of divine order – The tithe, or 10% offering, represents the perfect portion to be given back to God. The 10 virgins in the Parable of the Virgins represent the completeness of the church awaiting Christ's return.
4. Testing and responsibility – God tested Abraham with 10 trials. The 10 commandments represent the complete moral responsibilities God has placed on humanity. (*Suggesting that the Words of David...the words given to this last generation complete the Words of God in this dispensation?*)

So in summary, the number 10 in the Bible is deeply symbolic, representing the completeness of God's plan, the perfection of His order, and the responsibilities He has placed on His followers. It is a significant and recurring number with deep theological meaning.

As for 40; the most exciting find related to this MO letter and the number 40 is these verses: Acts 1:3&9 *To whom also he shewed himself alive after his passion by many infallible proofs, being seen of them forty days, and speaking of the things pertaining to the kingdom of God: 9 And when he had spoken these things, while they beheld, he was taken up; and a cloud received him out of their sight. Well Jesus is certainly talking to us about things pertaining to the Kingdom of God during our 80 days or times in the wilderness.*

40 was often used in the same context where we might say 'scores' or 'dozens.' The Israelites under Moses were told they would wander for 40 years, but I read somewhere that it was actually a few years short of 40. This would be in keeping with its usage as it was explained to me, that while the number 40 could refer to an exact number of things quite well, it was used *idiomatically to mean "lots, more than your fingers and toes for sure"

*can't be understood according to its literal meaning, or in other words the words "40 days" may not be a literal 40 days but be signifying a period of time. And in the case of the MO letter "40 Days and Nineveh shall be Destroyed" it signifies one year.

In the Bible, the number 40 appears frequently, often representing a period of testing, trial, or preparation. For example, it rained for 40 days and 40 nights during the Great Flood, Moses spent 40 days on Mount Sinai, and Jesus fasted in the wilderness for 40 days. And the Warrior Band went into the City of Light for 40 days or one year...from December 28, 2023 to December 21, 2024.

*In that example we have two periods of 40 or two x one year periods. The first is by day...translated...light or as Abraham said: **40 DAYS OF SPIRIT TO HIS PROPHET** and the second 40 by night or as Abraham said: **40 days by sight** and if you look at that word sight and change the s to an n you get night. So we have 40 days or one year of seeing 2024 and 40 days of darkness 2025, then destruction of Satan's kingdom...with the return of Jesus in 2026 and the dawn of a new era.*

The fact that the number 40 appears 145 times (KJV), across both the Old and New Testaments, underscores its significance in the Christian Bible.

In general, the number 40 is associated with tribulation, probation, testing, trials or judgment.

Here are some examples of the Bible's use of the number 40 to symbolize a period of probation, testing, or trial:

1. Noah's sending forth the raven after 40 days Genesis 8:6-7 (*then the dove which signifies peace*)
2. Moses' 40-year preparation in the desert after fleeing from Egypt to Midian – Acts 7:30 (*alluding to our time in the wilderness*)
3. Moses' 40-day fast in the desert – Exodus 24:18; 34:27-28; Deuteronomy 9:18, 25
4. Moses spent 40 days on Mount Sinai

5. Goliath' taunt of Israel for 40 days before David defeated him – 1 Samuel 17:16 (*alluding to the devil [taunting right up to the rapture](#)*)
6. Elijah's flight from Jezebel to Mt. Horeb for 40 days and 40 nights – 1 Kings 19:8 (*there's that 40 days and 40 nights. We will remain on the run in the wilderness during these two 40 day periods*)
7. Israel to be restored after 40 years in exile – Ezekiel 29:12-13 (*alluding to our release after the final year under Satan's rule*)
8. Jesus' fast and temptation for 40 days and 40 nights – Matthew 4:2 (*Again those two periods of 40. The first of light the second of darkness*)

These next ones are all suggestive of either or both of the one year periods that we are speaking of in this study.

1. The destruction of the earth with Flood, the 40 days of rain – Genesis 7:12, 17
2. Administering 40 stripes in punishing criminals – Deuteronomy 25:3; 2 Corinthians 11:24.
3. Israel's disobedience made God give them over to their enemies for 40 years – Judges 13:1; 5:31; 8:28; 1 Samuel 7:13, 15-17
4. Ezekiel's lying on his right side for 40 days to "bear the iniquity" of Judea's sins – Ezekiel 4:6

40 days spent by spies in reconnaissance in the land of promise (Numbers 13:25; 14:34)

5. Egypt to be desolated for 40 years – Ezekiel 29:11 (*could suggest that that the whore, after the initial one day of fire spoken of in Revelation 18, suffers one year of desolation.*)
6. Nineveh to be overthrown after 40 days – Jonah 3:4 (*This is prophetic: Did the Endtime prophet actually predict the approximate day of the return of Jesus? Very possible...and like Nostradamus' quatrains...the revelation was locked in a time release capsule called "40 Days and Nineveh shall be destroyed".*)

Aside from the above, these are other significant events associated with the number 40:

The Bible, the Word of God, was written by 40 different men chosen by God at different times and from different places. It is obvious that those called of God now are under probation, or judgment, based on how they live by every word of God.

Isaac and Esau were both 40 years old when they married (Genesis 25:20, 26:34). (*Our marriage comes after the last one year period. Interesting that Esau is included in that verse...the anti-antichrists may be at the marriage supper in the sea of glass??? Not yet allowed into the city, but will return to earth for more training perhaps???*)

A period of 40 years is considered a generation in the Bible (Deuteronomy 1:35; 2:14) (*perhaps the generation of David's true children will end at the last trump? Or no more warrior band names to be written on the handle of the torch at the end of this period?*)

40 days spent by spies in caanan (*aren't we like spies from the City getting the scoop on the devil's movements here on earth*)
