

## Completing Our Destiny

**Believing that the Words of David are My Words is the essential ingredient to successfully completing your destiny.<sup>1</sup>**

<sup>1</sup>*My Word should be like a juicy orange that you have just cut in half to expose all those wonderful little pods of juice just waiting to be extracted. The initial cut exposed a little of the juice, you see it oozing out of the orange and on to the plate, you dip your finger in the juice to get a taste of what to expect when that whole orange is in your cracked-ice-filled glass. My Word is like that orange, don't just dip your finger into that juice on the plate and quickly dab it on your tongue. Take the orange to the squeeze machine and extract all the juice. There's something in My Word that you just aren't getting because you aren't picking up the orange and taking it to the extractor and squeezing every last bit of juice out of every last juice filled sack. The nutrients are in the juice so you need to drink it on down, every last drop. That is your part; My part is to extract those nutrients out of the juice so that your soul and spirit can gain all the goodness they need from the juice.*

**I believed in the Word that My Father poured down to Me in those times of quiet that I spent with Him each and every day. That is why the enemy attacks the Word so much, because a very important part of that light on the mountain is the vision of who and what you are, your calling and destiny, your birthright. You have to believe that every Word in the Words of David is My Word to you, My beloved and most precious brides. The Word is your most vital companion, for it is the light ahead of you. Keep the vision; do not let anyone steal it away from you. You are who My Words says you are. If you stop believing this truth, the light on the mountain will fade, and you will, like so many before you, lose your way. Read, absorb, believe and live the Words of David, both old and new. They are the very essence of your being.<sup>4</sup>**

<sup>4</sup>*The Words of David are My Words for today...they are spirit and they are truth. The Words of David through the new New Wine is leading My true church through these very last days of Roman rule on earth. My true church is a spirit filled church; they are filled with My new New wine. The fruit of My true church cannot be found in membership lists, or in wealthy temples made with hands. The fruit of My true church is found in obedience to My Word, how closely these Words are followed. The Words of David are truth, the truth you find in My Bible, the truth you find in MO and the truth you find in the spirit of prophecy, which you call new New Wine. My Word is the only truth in this world and they that follow My Word are those whom I call My true church. The rest are usurpers and deceivers.*

Cast off forever this unbelieving and unheeding spirit. It is the enemy who would give you nothing to live for but the stinking cesspool system that he created. The mountain calls you. Believe in your calling and believe in the Word that I have given you. Believe Me when I tell you that is what will give you the power that I had to finish the race that was set before Me when I walked the Earth. The Heavenly vision is keeping that truth that you are indeed who I say you are, that you are indeed a warrior from My realm sent on an extremely important mission at the End of time. The promises surrounding this vision are the spiritual weapons; they are the Keys that you need to open every door that confronts you as you run this final lap. If you lose sight of who you are and what you came to Earth to do, then you will wade into that river of worldliness in 2025 and be swept off your feet and away with the rest of your former comrades in arms.<sup>2</sup>

*<sup>2</sup>That factory next door is Satan telling you that the prayers of David's children don't scare him...he's trying to tell you that your prayers aren't going to stop him. He's trying to tell you that he's going to keep on going with his plans. He's trying to get you to stop praying, to get you thinking that your Key powered prayers are nothing and have no power. He's trying to show you through signs that your prayers aren't working. He wants you to get your eyes on the physical signs, he wants you to stop believing by faith that the Key powered prayers of the Children of David are having an effect on him and this world, and that factory over the fence is his proof his sign to you that he's right and you are wrong.*

You are Mine and I am yours. You are called and chosen; you are My bride. You are Warrior band. Do not allow the filthy lies of Satan to convince you otherwise. If you don't believe these truths, then who are you, but an ordinary Joe going about the Earth looking out for himself. If I tell you that I am coming, believe it. If I tell you the Millennium is just around the corner, believe it. Believe when I tell you that you will, if you pass these tests that I set before you, sit with Me on thrones and rule and reign with Me over all those that lost the vision of who and what they were called to be. And that includes every single person who ever opened the Bible but failed to see the Words therein as personal promises to them. The Key is faith in My Word, faith in the Words of David, faith in the new New Wine that I am pouring down to you during your times of quietly listening to My whispers. I'm in love with you. xxxxx

It is your faith in the Words of David that has gotten you this far. But it is that very faith that the enemy is now after more than ever. He has to destroy it or you –it matters not to him. But he must destroy what you hold in your heart.

Jesus speaking: The Words of David are the end of Satan's rule on Earth. They are his nemesis, and therefore he fears them more than anything on this Earth. Those that hold the Words of David in their hearts are his greatest threat. Your Key-powered prayers are destroying what took him six thousand years to build. When the Devil attacked My Family, he was after the Words of David. If he could destroy your faith in the Words of David, then he would be free to conquer the hearts of man and thus the world. What Satan cannot understand, for he is a creature of flesh and force and pride, is that it only takes one weak man wielding the Words of David in faith to bring down his kingdom!<sup>3</sup>

*<sup>3</sup>The system church is absolutely no threat to the kingdom of Satan, none. One of the most missionary minded system church groups in the world today are so far off-center they may as well be back in the days before My first coming. They are like those Jews who ran into their temple because they believed that in so doing God would save them from the Romans. I do not dwell in temples made with the hands of man; I dwell in the temple that I made with My hands. I dwell in every Word that proceedeth out of the mouth of God. Why do I call the new New Wine living Word? It is because every Word is a Key, it is alive, it is Me, it is as orange juice pods full of nutrients that bring life to your body, mind and soul. If those temples the LDS church are building all over the world will be used at all in the Millennium, they will be used for food storage facilities. They will make great barns or indoor markets for bartering and trading.*

When I talk about the Words of David, what I am saying is that all that the Words of David taught you –all the secrets of My Kingdom, all the lessons and weapons, the Keys, everything that is a part of the Words– is a part of your make-up. Those that have believed received and are living the Words of David have them running through their very being. The Words of David, just like the blue plasma stream, are running through your veins. The more you divorce yourself from the world and its ways, the more you shun the words and thoughts of man, then the more the Words of David take hold of your life. They are Me and they desire to control your thoughts and actions, your very life. How shallow and immature it is to think that the Words of David are the words of man. David was a conduit that I used to pour forth My radical truths to the last generation. If you yield to Me as David yielded to Me, then I will use you as a conduit to pour out the new New Wine of David to the remnant of My true church. As I have told you, the light of Israel, the Torch of the Revolution that My yielded vessel David ignited, must continue to burn through to the End of days. This is your commission. (April 2, 2024)<sup>5</sup>

<sup>5</sup>*If you don't take that orange juice and pour it into that glass and drink it all down, down to the very last drop then I cannot extract all the nutrients from that juice. You are in essence holding back My hand from doing all the miracles I want to do through you. Perhaps I should have used Noni juice in My Word picture. You see it doesn't matter how My Word tastes, it is your obedience that makes the difference. If John the Baptist didn't like the Word I gave him, when I told him that he must go out into the desert and live in a cave and eat honey and locusts as his meat, then his ministry would have ended right there. What is in locusts that a strong active man could need? It wasn't so much the cave living or the locusts that made John the man he was, it was his obedience to My Word that made him what he was. He didn't turn his nose up at the Noni juice, he drank it down. I said to My warrior band to leave all worldly input outside of the cave and I will do miracles through you. I say to take the correction that I give you through My Word and it will be unto you as Living Waters of Life. You say you don't like Noni juice and instead you go off and make orange juice, just for the taste sake. You say there is nothing in this cave for you. I say I am in this cave, I in the guise of My Word is what you need to be all that you need to be in 2025. This is not about your life, it is about My life, what I gave My life for. I need John the Baptists...I needed John then to announce My arrival and I need him again today to announce My arrival. John then did it My way, not his way. John today must do it My way just as he did it My way back then. I'm calling the shots, not you.*

**As the Words of David have said, you are the ones that have been chosen to take the Light of Israel across the finish line. You are the remnant, the Philly Church, the last church –because you have fought through in faith and have grabbed that baton from the runner before you and are now heading for the line. It is all by faith and will remain so until the second you cross the line. Only then will it all become reality. The Words of David and Maria and the Bible say it's so, and the new New Wine you have been receiving is confirming these truths. So, our elite warriors by choice, keep on believing, for the wicked one would steal your crown and thus thwart your destiny and change the course of the race and have us all in for another lap or two or three. He would dearly love to continue sitting as king of this world –in your place– for eternity if he could. Do not think that there is not much at stake here, and do not think that all these events are going to happen with or without you. Well, I guess they can happen without you –if you decide you don't want to believe, or Satan convinces you to give up. It is only in your mind that you will give up. Once you give up in your mind, the course that the rest of you is on will follow. Fervently believe, hold fast that which thou hast. Do not give up and the crown is yours. If you fall through unbelief and unheeding, then now or in the future it will be given to someone else more deserving. The choice is and has always been yours. We love you and are rooting for you, but we can only do so much to help you. Otherwise we would be taking away your honor. (APR 20, 2024)**

**It is vitally important to both Jesus and Dad that at least one of David's children remain faithful to the Words of David. (October 12, 2022)<sup>6</sup>**

<sup>6</sup>*I've said in the Words of David that I am not into numbers; I have proven that to you through the very last revolution I put My Family through, the reboot. Once the burning and clearing of the land, I waited for the new sprouts to break forth. I began watering those sprouts once again. I am still of the same mind, I am not into numbers, I want quality. I need those that are going to obey My old, new and new new wine implicitly. I need vessels that I can pour My Living Word through. I need John's. If you have the attitude that says it doesn't really matter if you obey Me or not, then the nutrient filled water I am pouring onto you will not help you. It will help you, but it won't help you do the job I have for My Endtime Baptists. You are not pouring water on the heads of this last generation you are pouring the Living Word, the Word of today, the Endtime Word on the heads of all those that come to listen. If you don't want to do it My way then you will be delegated to the sideline bench and will spend the rest of this game watching those that did want to listen and obey. John made great great sacrifices for My sake, he died daily, and eventually gave up his physical life. His life was not his own and he lived that belief. This is what I am asking of you. If I am left with just one of you, then as was in the days of John the Baptist, so will it be in this time before My return.*

**Your commission is to protect the flame of David in the sanctuary of your hearts. And as you know, the only entrance to the sanctuary is through the mind, so it should be clearly obvious that that is where you must stand vigil day and night. This is why of late I have been stressing My warnings about coming out of the world. Satan's attack on your mind will increase as the day of My return draws nearer. I warn you again, My loves, Satan will not stop attacking you until the day he is cast into the Bottomless Pit. The war goes on, except for a brief respite at My second coming and our marriage supper, then it is back into the fray to finish the old worm off.**

**Take this warning, My dearest Warrior band: all who attack the Words of David are attacking My will in your life. They are attacking your destiny, your very birthright. Have no fellowship with these sons of Belial. They that are not for Me are against Me. Allow Me to work in their hearts through your Key-powered prayers. The enemy used many inroads to defeat the Children of David, but the most dangerous was unbelief and unheeding My Word — looking to man and not to My Words that were given through My Endtime prophet David. This ploy of**

the wicked one has worked before, so he will try it again. Stand guard over the portal of your mind. Set up the standard of My Keys. Stand watch day and night, for as the End draws nearer, the enemy's forces will concentrate their efforts on those that stand between them and victory. I warn you not to be carnal-minded in regards to the worm's attacks. As I said earlier, I will allow the enemy to attack you in order that your faith be strengthened. These are practical application classes that will prepare you for the final stand. (APR 2, 2024)

There's only one way to make it through these training days and that's militancy. Being willing to just fight and fight every day for your very life. The enemy will send everything he's got to get you down and to drag you away from your commission, and you may at times have to physically force yourself to just keep going—remembering the goal and the Words that He has spoken to you in your times of love, remembering that He promised and He will be faithful to His Word. You have to fill yourself up with these promises and have nothing else running through your mind or you simply won't have the courage to keep going each day. (January 6, 2024)

It's tough, it takes time to graduate from officers' training, but once you do, you've gained something that nobody can take away from you! I know it's hard, I know it's painful. You feel like you want to give up trying and like you're not going to make it, but I want you to make it! (AUG 12, 2023)

Don't look back on your mission, press towards the mark of the prize! Don't let it be said of you that you couldn't finish the task given and were unable to carry on. Do not give up! If I brought you to Heaven now, you might have temporary relief, but soon you would be hit with the regretting realization that you gave up your crown and did not finish your course! The rewards are too high for you to just let them go. (July 14, 2021)

You must hold on to your faith, in spite of all that the enemy would tell you, he is a liar and only wishes to side-track you and your mission to remain faithful to the Words of David. What is required now is for you to remain faithful, do you understand? Yes my lover, my sweetheart who has forsaken many times over the desires of the flesh and heart for the things of the spirit. Now is the final hour approaching, now will the enemy attack as never before, now is his last attempt to sway those Children of David still standing, be not overcome but overcome through the power and might of the Keys of the Kingdom. The Keys stand dominant over the kingdom of Satan, they are rock solid set in the Rock and nothing can overcome them or those who hold onto them in faith. This is the hour of the Keys, they were created for this hour, the last hour, as man rushes to the false savior and the creation of his own doings and sayings, the Children of the true God gather around the Keys of the Kingdom and in faith hold them high above the heads of those that come to them looking and searching for the truth. (July 9, 2022)<sup>7</sup>

<sup>7</sup>*You live in a lukewarm world...the world John and I lived in was also lukewarm, the world is lukewarm. It is that lukewarmness that seeped into the ranks of the Children of David and poisoned them. It is that lukewarmness that is trying to seep into your life to destroy your destiny, just as it destroyed the destiny of your brethren before you. David came to show the world the heat of My Word, he broke all traditions as I broke all traditions of the church and world in My day. I am calling you to break through the last barrier that is holding back the new millennium. All the forces of Satan are standing at the barrier, they have been ordered to the gate, for your prayers are pounding on hell's gate and his gate is shuddering and shaking under the might and power of your prayers. Your prayers need to be persistent and forceful; they need to be full of faith and determined. You need nutrients to do this and those nutrients only flow through your obedience. Are you with Me or are you against Me? I need absolute obedience, I've always needed it, but obedience has always been the vital ingredient to winning this war. I have finally gotten to where I have a people or I have someone among these people who see and understand what is required to make My return possible this time around. This is you, this must be you, I want with all My heart for it to be you...you must reciprocate this desire. You must be as I was when asked by My Father to go all the way to the cross.*

Wield them and you will cut Satan down and cast him out of your realm, the realm that you and I inhabit. This is why you must have the Keys running through your veins, through your brain, embedded in your very being. This is the ultimate test of your Earth mission, and you know the secret weapon that I have provided for you to successfully accomplish your time there. You see, I don't make it harder than you can bear. The Keys will lead and guide you into all truth. As you meld with them, they will speak to you. They will caress you as you caress them. They will respond in wonderful, amazing, miraculous ways. They will come into you and change your make-up, the way you were before, and make you how I need you to be. They will change your outlook on your not-so-desirable situation or whatever you are battling to yield to and turn it so that you will be joyed serving Me and count it a pleasure and honor to be called. One powerful little verse —just one. It holds an amazing power yet is discovered by so few.

This key that conquers all, the key of yieldedness, is the fountain of youth, the spirit that keeps alive, young in spirit, bubbling, on-fire, zealous for our Lord and Savior. It's like the Holy Grail, and it's been there all

along. This truth was handed to the Children of David, but it's available to all. The Devil can throw his fiery darts, but they will all be quenched. You who have found them must now reverence them and hone them and live and breathe them. This is imperative now, My soldier brides. Your hearts should be racing with anticipation at the awesome gift I have given you, the key to victory. Do you realize the immense, raw, unbridled energy you hold in your hands? You have tasted but a morsel, but as you meld with them more and more, their power will only increase. As I entrust them into your care, you will wield them as the highly honored gift that they are. With your use of them, you activate and power up the potential blue energy of God in them. They are just waiting for you, My loves. Take them in your tiny hands and turn them as a lover, adoring them and reverencing them as the magical, mystical weapons that they are. And see what they won't do for you. They are real and you just need to believe in the unseeable, and that by faith, what I say is true. So hold your key of yieldedness and together fight on to fulfill your Earth mission, taking up your own personal cross, whatever that may be for you. Do it for Me. Do it so that the Final Key can be inserted to bring about the end of this era of Man and usher in My glorious Kingdom. You have been called to fulfill this. Do not doubt or belittle anymore your worth or what the little steps you are taking are accomplishing. You now know what the enemy is about, so stand tall and do your part as My humble, yielded Bride. I love you so. I adore you for all the laying down of 'self' that you've done so far. Just keep going and never ever give up. Look into My eyes. I love you to the moon and back and more than all the galaxies and universes. You are My love. Xxx

You must exercise total faith in the power of the keys. You must exercise great faith in the Words of David; you must think no other thoughts but what the power of the keys give you. They open the door to Heavenly Thought Power and Rising Above Power and Mind Melding Power; they open the doors to an incredibly miraculous life. That is why they were given to you. So use them because you will sorely need them in the days that are almost upon you.

The miracles I have done in the past will seem small compared to what's ahead for you. The gates of Heaven are bursting at the seams; they cannot contain much more power! I have been filling this storehouse over the centuries, preparing the power to be released, and now the sequence has been set in motion, the power has been approved, and you just have to make it through the maze of smaller locks till you get to the really big lock that will set the final stage of your world's history in motion! Your destiny is to be the ones who have the final key to turn the final lock. No angel in Heaven, no spirit being has this power. This is your destiny—you of the Children of David. This is what I am counting on you to fulfill. Make the changes needed, do whatever it takes to unlock every lock you are faced with, so that you can stand with your brethren in that day when the Final Key is slipped into the final lock, and the earth-shaking noise of the floodgates of Heaven echoes around the world, and you experience My power like never before! Don't miss out on this monumental event through doubt or laziness. Use the keys today. Change your life with the keys. Activate My power in your life today with the keys, and move ever closer to the final event.

You, the Children of David, are the key bearers! Carry them proudly, loyally, and do whatever it takes by their power to overcome every obstacle, so that you might have the privilege of opening this lock. Many have sought this privilege, but it has been entrusted to you. (Assembling the Final Key #2535)

If you succeed, then the Final Key will at last be set free to open the veil, the barrier that separates the material and spiritual worlds and the reign of Christ will begin. Do not think that all these promises—the final war, the preaching of the last Gospel, the Final Key event, the coming of the King of kings—are events that will happen just as a matter of fact. If that were the case, then why go through all these tests and trials? Why send all the prophets? Why even bother with this experiment? Why place those promises in the Bible and the Words of David at all? The Father may as well have swept everything and everyone aside at the flood and instead of placing Noah in the Ark, He could have—if it pleased Him—started all over again with another creation. Why would Jesus give up His glory to come to Earth to become a man and live an earth life with us in the dust and then willingly give up His life if there were not some genuine purpose in all of this? Again, it all comes down to believing in your destiny, in your calling. If you, or anyone for that matter, were created only as a creature of mud and clay and that was all there is to it, then man is no better than a four-footed beast or a creeping thing or a fowl of the air or a fish in the sea. To truly grab hold of your destiny you must believe that these promises are true and them being fulfilled is dependent on you and your faith in their veracity. And by you, I mean anyone that chooses to believe, anyone that opens that Bible and begins the journey of faith could be in your shoes right now, right this minute. Do you want this story's chapter to have a happy ending? Then grasp the immensity of what is happening here. Step out as one who believes and take hold of the crown that is being offered you. Run the last lap of this race that is set before you and finish the course. (March 31, 2024)

You have been prepared, destined, and called to this mission. Complete your mission, finish the task, run the race, and receive the rewards that await you. Each of you is important. Each of you is called specifically for this time in history. Each of you is being placed where I need you to be—so don't fail in your part of the mission. Unlock the power by unlocking the daily challenges through the use of the keys you have in your hands. You

must use the keys to release the power. Without your completion of this mission, the floodgates will not open. They wait for you. Use the keys! Fulfill the requirements for being a strong and effective wielder of the power! Become one with them! Make it a priority to do what I have said every day—for every day that you do brings you closer to the final code, which will be unlocked when all the other doors have been opened. There won't be doubts in your mind at that time. Sins won't hold you back. You will have given your all for Me, and I will be able to use you as My pure brides. Your testimony will be powerful and unspoiled. You will be melded together in unity and obedience, and will be like one giant key, which I will use to unlock the power. You must do your part to complete the key. Your steps of obedience, yieldedness, humility, unity, the times you call on My power and become strengthened as a wielder of the keys—all of these things help to complete the puzzle, so that in the End, My power will be released unto you in full measure. (Assembling the Final Key #2535)

(Jesus:) Primarily you, My brides, will be the ones with the most power in the Endtime, because you have partaken of the most feeding, most powerful, most potent Word on this Earth today. Because you have been in training, I can use you. It's as simple as that. I have all My Children hidden away right now, all in their respective training camps. I am, right now, raising the bones and preparing this army of elites, this dormant cadre of super soldiers! When the time is right, I will turn all your activation keys and let you all loose on this world, and together we will win it and conquer it for the Kingdom! Believe Me when I say that none of My Words will return unto Me void, especially not these great Words of David, these living Words of prophecy that I have so abundantly given you. You are the Elite because I have trained you so. (July 21, 2022)

Keep soaking yourself in My Word, keep taking the little steps of yieldedness each day, and you will see that you are reaching your destiny or My destiny for you, which is the purpose I made you. You will be My example to the world and in fact the universe that full possession is possible, that living the Words of David and Maria, is possible and that being My yielded bride is all and more that I've said it would be. (April 25, 2020)

You are the leaders, that is your destiny, that is your calling and we are doing all we can to help you to fulfill your purpose for being here on earth. The veil will practically vaporize in the years ahead; your faith and determination to hold on all these years will pay off in miraculous benefits and dividends. You will be as lights, bright and shining lights in the darkness; standing at the portal mouth showing the lost the way home. The Word will be that light and it will be so bright, the enemies, those that love darkness, will not be able to gainsay nor resist its penetratingly searing heat. People that do not understand the Word will not be able to comprehend how you, the warriors at the edge of time, are able to hold such white heat in your bare hands. What I am saying to you my love is not an imagination, it is not a figment, illusion or fabrication; you must believe me it is imperative that you pour your energy and time and effort into believing that you are called and chosen from the beginning of time to be the door keepers, the lamp holders, to the portal back home. You must feed voraciously on the Word. You must be listening intently to us your spirit helpers. You must yearn for our enticements. You must hold high the light so others may see clearly, because the darkness has become so thick and impenetrable to some that only the bright searing white hot light of the Words of David and Maria is able to cut through the very real and very tangible blackness. Like a laser cutting through steel, the Words of God will pierce the inky void to reach the hearts and minds of those wandering on the sea of this world. You are like the lighthouse on a dark and stormy night, a beacon of hope guiding the lost to port. Charge up those batteries, beloved of God, wives and lovers of the Most High King, fall more deeply in love with your Husband and King, He longs to give you His power, He longs to call you home to be with Him for all eternity, but He is bound to His Word and His Word says; "it is not yet time, they must fulfill their destiny." He does not want to steal your glory, your crown, your reward, so He will support you with all the power of the Keys, which give you all the power of Heaven. Reach out and claim that power.

There are only a few short years to go, these years will be dark and troublesome. I must lift My light above the darkness in order that those that have no light may see it. I that have begun a good work in you will see to it that the light is brought home. The flame of David along with the banner of David must be brought home and placed in their rightful place, to ever burn as a testimony to all that the band of David's mighty men fought through to victory, but not in their own strength but in the strength given them through the Words of David and the new New Wine I poured into their vessels as they fought onto the finish line.

This is the commission I have for you now, be faithful in this and it will open to the last door before the very end of time as you know it. I love you.

I do not need mighty men at this point; I need faithful men. I don't need big, important men at this final crossroad; I need believing men. I don't need an army there in the temporal zone; I need just a handful of believers who know that the Keys are the power that will put the seal on Satan's last stand. I need just a few, even a motley bedraggled few, to believe that all the promises spoken and written since the beginning of time have culminated at this crossroad and now wait for the Final Key. Because of their belief, these motley few hold

that Final Key in their hands. It is to be inserted with their prayers and is what will open the floodgate of My power to finish what was begun by Satan in the garden of Eden.

To those that believe: Take up the charge! (September 3, 2023)

Keep stepping forward, believing, because those who do return Home having fulfilled their destiny will have all of Eternity before them. They will be Jesus' most intimates. They will be His Band that He will call upon and will trust because they have already proven their love for Him. Keep the vision of what is before you and do not lose your focus. You know what is at stake and what you stand to gain or lose. I love you. (OCT 18, 2023)

You have the Words of David. You have the latest spiritual weapons. You have your commission. Now knuckle down, and let's complete the job so that I can return. (Oct. 24<sup>th</sup>, 2023)

## What I Really Desire Is the Hearts of My Brides

Taken from the compilations Broken Promises and The Wayside

The core of the matter and what I really desire is the hearts of My brides--each one's personal love for Me, dedication to Me, and willingness to obey Me through whatever personal tests and choices they have to make, whatever weaknesses they personally have to overcome, and whatever cross they personally have to bear. (Broken promises)

Something that is easily attained is never appreciated as much as a prize well fought for. Do you desire the Spirit? Do you desire it, My loves? Then I want to see you fight for it, and prove to Me that you mean what you say. I know that thou loves Me. But just as I had to ask Peter this many times, so must I ask you. For the flesh can overcome even the most well-meaning Brides. Lovest thou Me? Lovest thou Me, even more than these? (The Wayside)

(Celeste:) The life of a true follower of the doctrine, a true disciple is a life of sacrifice; it is a life of faith and constant danger; and not just from matrix bots trying to eliminate you, but the faith life is a life of not knowing where your daily sustenance is coming from, it is about striving to reach a goal that not too many others see. It believes in a dream that the heart knows will one day come true. These believers don't eat system bread, their dream is sustained by the Word of God; they know that without this spiritual bread their attempt to live a life outside the system/matrix will undoubtedly fail. They see others give up the fight, saying as they leave that it is not worth the fight, it is an endless rotational dream; they give any number of reasonable and unreasonable excuses why it is impossible. The life of a disciple is a constant fight to stay free of the entanglements of the world. (The Wayside)<sup>1</sup>

<sup>1</sup>What happens is you get to a point during your climb where you say to yourself there are no more worlds to conquer. Just like Alexander who gave up and died thinking he had conquered the world. There will always be another mountain to climb in this life, and certainly in the next. Eternity goes on forever, so don't be afraid of it. Don't allow your carnal mind and seeming restrictions of the flesh to convince you that you've reached the top and there is nowhere else to go. Of course there is somewhere else to go...up.

Your carnal mind, not your whole mind, but your carnal mind sets a barrier before you, much like the barrier Satan has set between the spiritual and physical realms, the one that the Final Key will soon break down. Since birth you have been conditioned...educated...to believe that the barrier is real and that it is unbreakable. Man was so proud of himself when he broke the one minute mile, when he broke the 100 meters 10 second barrier, when he broke the sound barrier and when he flew to the moon. Man has pretty much reached the limits of what his flesh can do without the help of machines; that is why he is now going bionics. And he is fascinated by his achievements. His inventions are pushing him further and further into the wrong side of the spiritual realm. With inventions like CERN he is now fiddling around with the latch to the portal door. Like a toddler playing dangerously close to the edge of a swimming pool.

Let's leave carnal man and his antics and take our minds back to the mountain that you are climbing. You are breaking barriers also; you've already broken barriers that many people say can't be done. So many people stopped climbing at the Maria letters and said there are no more mountains to climb; this is as far as there is to go, they said. Funny thing about going down--No inspiration, no goal, no accomplishment, you're just sliding back down into the slough--back into the morass of humanity & the mire of the multitude. Another funny thing about going down you take that vision of the mountain with you, the mountain you were once climbing starts to

*shrink in your mind as you go back down into the morass of humanity and carnal man so does the mountain shrink and eventually disappears into what many like to call just a figment of their imagination. It was just a phase in their life, they tell themselves, but now that they have passed through it and have their feet back on the firm ground again they can get on with their life. They choose, to forget the past and move on into what they believe to be their future. Most mountain climbers who were lost were lost in the descent because when you are climbing up, you can see where you're going, but when you're going down you can't see. How many people who go back really see what they are getting into? They think they're going back to the easy way, but they never realize what they're getting into by going back. A terrible let-down!*

*Isn't that just the saddest of all thoughts...our hearts go out to those that go back down. And yes they do end up eventually, if not sooner, being terribly let down. All inspiration gone from their lives; the vision of that once glorious mountain morphs into a house in the suburbs and a few friends dropping by every now and then that only talk about their money problems or what their kids are doing at school. It is no wonder so many people end up on some kind of drug, the pain and disappoint is just too much.*

*But they are not you...you have reached where very few in this world have reached. You too are at the portal between our worlds; you too have been exploring the world beyond the two-dimensional world of time and space, but you have reached a point where you just can't seem to make any further inroad. Your faith is not strong enough to push through the final barrier. It is your flesh, your carnal mind that is holding you back. To the man of faith nothing is impossible, and it is only impossible because you are not willing to make the sacrifice it takes to leave that flesh behind. You are at a very crucial juncture in your climb...the faith you had to believe in MO and Maria is not enough at this point. You need to take a look at what is in your hand. Yes it is the Keys, those magical, mystical Keys; it's the Keys that have the power to open the portal doors that seem very tightly closed to you right now. The flesh cannot go where you need to go now. As I said to My disciples, before My crucifixion, "you cannot come with Me now, but soon you will follow"; I am saying your flesh cannot climb any higher, it is tired and worn out, it so many things that fight against you pushing through the barrier that now confronts you. Your carnal mind is freaking out and telling you it can't be done, it's impossible. I here to tell you that what is impossible for men, is possible for Me. I'm here to tell you the answer is in the Keys, only the Keys can open a way forward. The flesh and carnal mind are deathly afraid of the heights you have reached, don't allow your spiritual mind to turn around and look at where you stand through the eyes of carnal and fleshly. Too many people read the following excerpt from Mountain Men, caught the spirit of the Word, but for a brief period in time, and then it was lost, swept away by the cares of this carnal world. Take the Keys right now, quote a powerful Key powered prayer and let Me read it once more. "If you need to change your mindset, call on the keys of discipleship and experience a complete reworking of your mind by My power." "Take hold of the keys of boldness to proclaim My truth; grasp tightly the keys of revolution to remain separate from the world; and cling to the keys of commitment, which make you never want to be a part of the world and its ways."*

*Okay, now close your eyes as I read this excerpt from one of MO's time capsules. Only pioneers climb mountains--people who want to do something that no one ever did before--people who want to get above the multitude--beyond what has already been done & accomplished. Pioneers must have Vision--vision to see what no one else can see; Faith--faith to believe things no one else believes; Initiative--initiative to be the first one to try it; Courage--the guts to see it through! But on the mountain you are the first to see the sun rise & the last to see it set! You see the full circle of God's glorious creation! You see the world in its proper perspective with range after range to be conquered & a world beyond the horizon of normal men! A world beyond their vision & their horizon! You see distant peaks yet to be climbed! You see distant valleys yet to be crossed. You see things that the men in the valleys can never see. --Can't even comprehend because they can't see it! And you can see the 360 degree circumference of the total horizon--the entire scope! It's like seeing all of life from its beginning to its end & understanding. You feel like you're living in eternity; whereas, down below they're living in time.*

*I know you can't make this next step, I know how difficult it is to let go of the things of this world, to let go of the mountain face and fly out into the world of the spirit with Me, out into what your carnal mind is telling you is impossible. I hear it in your hearts long before it comes out your mouth. Oh why dost thou doubt, oh ye of little faith, call on the Keys and they will buoy you up and you will walk upon the waters.*

*"Through the keys of the Kingdom you will change, be recreated, mount up with wings as an eagle, and soar to great victories and progress. Call on the keys to create in you a new mind, and to release you from the limitations of your old mind and carnal reasoning."*

*You have reached the limits of your flesh, this is where the pioneer must step forward and say with all those that pioneered the road that you have passed over to get where you have reached this day...I must go forward, even if it costs me my life, I must go forward.*

**"He that forsaketh not all that he hath cannot be My disciple." My Word is very straightforward...too straightforward for some people; they just can't stand it, so they compromise and make excuses for themselves. They can't stand the conviction and find the price too high. Yes, I won't deny that to your human eyes the cost of**

being My disciple is "too high"...it is impossible when looking at it through the eyes of the world and the flesh. And especially these Words of David that speak of full possession and transparency and all that... your mind says it's too high for the likes of me. BUT and it's a very big "but" if you'd just find it to look past this world and into Mine, you would see that there's no comparison to what you are giving up to what you are gaining... there is nothing that this world can offer you, that I can't give: only it'll be a million times better. You just have to believe. Believe in that which is, for the present, unseen... RIGHT, there is where so many fall by the wayside. They want to hold something in their hands, to feel something and see SOMETHING. They just can't make it past the part of My Word that requires blind faith. I understand that it's a challenge, but the dividends are more than worth it. Belief is where you just fall down... because it hurts to let everything go, so you just sort of get out of it, because I'm not standing in front of you telling you to do these things... your carnal eyes can't see Me. You have to look past it and look into My eyes and there find your courage to give all till your last breath...you will fall and fail but you must not stay that way for long, because great is the reward of faith, My love... pursue it.... (Broken promises)

(Blue Angel:) Break the ties that hold you down to earth and hinder you from reaching deeper into the spirit. Pride is a weight, and it is something you must continually let go of. That is not impossible; it only seems impossible to the carnal mind and that's what holds you down. So empty your duffle bag, take each unneeded undesirable thing that is in there. Truly let go of the world you've lived in so long and step into the City. The freedom of its spirit will fill you and you will feel lighter. Yes, your duffle bag will be so much emptier with only your essentials inside; no more of that junk. The junk of self-image, pride, self-confidence, self-centeredness and all the things you've held onto. The worldliness and the daydreams, the time-wasters and things you turn to when you feel bored and empty, all need to be pushed down the trash chute. They only left you more empty and discontent. They pushed you further from Jesus and made you believe in something that was only a façade. All the pride you've held onto to cover up what you didn't like needs to go. Continually! You will make it if you try and this is the way to do so. We pray for you and we help from the spirit every day. We pull you closer to the Bridegroom in any way we can. Jesus tests you to see if your love for Him is strong enough to endure any hardship and we don't want you to fail! How heartbreaking it will be for those who reach Heaven having not have fulfilled their mission, having stopped along the way. Don't let that be you, my love. Don't let the flesh stop you now. Having come so close, don't turn back now. Take each day as it comes, obeying, yielding, letting go. (The Wayside)

These tests and trials are part of the winnowing and selection; I must have good seed and good soil for the Millennial planting. The coming millennium is the new spring. The winter is passing, and it's almost time to sow My new season seeds. The seeds that have held on and passed the many and varied stages of selection are being placed in My shoulder bag. With each passing generation I have selected the good seed and stored it in My bag for the coming sowing. Hold on, My brides, it won't be long now. Satan and this present world have entered the very last days and the time of purging and making white has arrived. And after that the tares must be cut down and then the harvest follows. (23<sup>rd</sup> of FEBRUARY, 2023 (The Wayside))<sup>2</sup>

<sup>2</sup>The picket Key is one of the Keys you need to make the final push. The whole you, that is your flesh, cannot make it, it doesn't want to, it has planted its feet and refuses to move. So reach through the veil with your hand and plant that picket Key in that crevice just above your head. If I see you make that determined effort I will come in under your foot and give you a boost. It is going to take faith, I know, it is going to take determination, I know...here is a Key that will help you with that part, and there are others, you just aren't using the Keys enough. They need to be part of your very being, you need to drink them in. "When you feel discouraged, call on the power of the keys of faith to keep your feet set upon the Rock, your face turned toward the light, and your eyes firmly fixed on the sure victory of change, as you keep going and refuse to quit."

You are going up, there's no two ways about it, but your part has to be in this climb, and your part is using the Keys at every opportunity. You had to reach this part of the climb in order to realize that your flesh is not capable of breaking the miracle mile, the last lap, spiritual barrier...come on I know you can make it because I'm going to make it through you...don't leave off where the others said it can't be done. I know the devil is relentlessly attacking your minds right now, you have to shut him out. Here's another Key...and you have to keep quoting it, he's got his foot in the door, by quoting it over and over and over its like you are pushing that door hard upon his foot, it's hurting him, he doesn't want to let you know, but he's angry, raging mad cause it is giving him lots and lots of pain. "Activate the keys of unwavering faith and trust, and in the spirit you can scale any mountain, walk through any fire, and cross any canyon with My full protection and indestructible determination."

It's so difficult to say yes to My will sometimes. The Devil exaggerates all the reasons why it isn't the best path to follow. He illuminates all the sacrifices involved, making you feel that the path of following My will and saying yes is strewn with misery and pain. He yells in your ears, telling you how much you will lose if you follow Me. He does everything within his spiritual power to hide from you the fact of My Word, that "whosoever will save his life will lose it, and whosoever will lose his life for My Name's sake, the same will save it."

The Enemy brings his imps and minions and sometimes his archdemons to blind your ears and eyes to the multitude of blessings I have given you, and do give you, when you follow My will. He does all that he can to cloud the issue, whatever it is I'm asking you to do. (Issues, Part 15 [#3444]) (Broken promises)

I want to tell My children to stand up to the Enemy. Call his bluff when he spews his lies and deceit at you, trying to prevent you from following Me and saying yes to what I ask you to do. I only ask these things of you that "you may be saved." I want to save your life, your spiritual life, so that it will bring forth much fruit.

The way you can call the bluff of these lies, deceits, discouragements and hindrances of the Devil during these times is to obey Me. Do it. Do it now! The sooner the better, for in the instant you say yes to Me, the Enemy's power over your mind is greatly diminished. Just say the words, "I want to do Your will, Jesus." "Not my will, but Your will be done, Jesus." "I want to yield, Jesus, help me." "I want to obey, Jesus, help me." "I yield." "I am going to obey." "I choose You, Jesus."

Just say the words and the power will come. Call on the keys and they will be turned to swords and will slash and cut and defeat the Devil and all his demons, and you will be triumphant! Just tell the Devil that "Jesus rules!" and rebuke the Enemy and resist him. I will not fail you, My loves. You might not see the blessings instantly, but I will bless you.

The blessings come instantly in the spirit, but you've got to fight. Sometimes it's a long haul, but don't give up. Don't quit. No matter how long the battle, keep fighting, and I will honor you and come through for you. Some of you who feel like it's such a long haul, a constant battle--keep claiming the keys for strength to be yielded, to obey, to submit to Me, and proceed as if possessing, and it will happen. You don't see it, but those of you who have such struggles receive special rewards in Heaven.

I know it's hard to take it by faith, especially in the midst of your battles there on Earth. You grow weary in your fight because "blessings" and "special rewards" don't have a face. You don't see them or know what they are. If you could, it might help you. That's where strength of spirit is made--in the believing, in the faith. That's what's going to overcome the wickedness of this world--your faith. (Issues, Part 15 #3444) (Broken promises)

(Jesus:) you want the fight to be an easy one? You want it to be all nice for you, but that is not the way of pilgrims and warriors of David. Through blood and the sweat of their faces did these get where they are. Do you expect to get to stand in these ranks by barely lifting a finger? Do you want to be given to you what others had to die to achieve. My love, expect battles and expect to struggle and to give your all to My cause. Do you want this life? Then pour out yourself into it and don't look back. Fight to give all. Bleed to give all. Die to give all, and don't listen to the mocking of the enemy. He is taunting you and tempting you to look at your circumstances, but I say, your war is not a fleshly battle, you fight and win in the spirit and unless you take out your spiritual sword and start cutting down his lies, you will have this attitude that it should all be handed to you, and if the challenges arise you are offended. No! let it not be so...fight beloved, for soldiers aren't surprised by the need to shoot! Ready yourself for though the battles are hard now, the war will only get hotter from here on out. Prepare dear and fight. (25<sup>th</sup> of January) (Broken promises)

Don't let it be said of you that you just followed the flesh and followed the path of least resistance and gave in to whatever carnal desires you had. But rather let it ring out when you step across the veil that you fought and you didn't give into the pull that so many have. You depended on the spiritual weapons, rather than your carnal mind. Darling I love you, I know it's hard and your being resists it because it's hard, but don't forget the heavenly vision is to spur you on. (Broken promises)<sup>3</sup>

<sup>3</sup>The barrier before you is the flesh, and by now you should know who stands in defense of the flesh...Obstacon, Baccus and their filthy ilk, gutter rats all. Pull out that spiritual sword and cut these God damned demons into pieces. Immerse your sword in the bath of blue plasma before you go to battle with these slugs of the netherworld. They are lower than the lowest demons. And you tower over them as spiritual giants, crush them with the Keys turned to swords. Be to them as you truly are, their judges and executioners. You have to win over these slugs that make themselves as giants in your eyes in order to level up and enter the Promised Land above you.

It pays to keep your eyes on Heaven, to set your affections on things above, to keep on forsaking every day, to keep on loving every day, to keep on fighting every day, and to not quit. You'll never be sorry. It's the only way you will ever be happy and satisfied. You know the truth, and you'll never be truly happy with anything less.

Don't fall for the "fun" temptations of Satan, because I can tell you from personal experience, they won't last. Keep fighting. Keep presenting your body a living sacrifice--like Jesus did for you. Keep setting your face like flint, and look straight on. Keep climbing those steep slopes, and before you know it, you'll look down on creation. The view will be worth every rocky step you had to take. It's worth it all--every single bit.

Don't be discouraged, don't ever give up, keep on believing, and most of all, whatever you do, don't quit! Just think, all the great missionaries that ever lived are counting on each and every one of you to finish the job.

**Everyone is watching from the Heavenlies. That's a pretty good reason to not quit, isn't it? We're all praying and shouting, and rooting for you!--We're counting on you to finish the job! (Cry of the Harvest) (Broken promises)**

**It is time to cast off all the superfluous and truly focus and be single-minded. Tighten your grip on the keys and watch the words of your mouth that they are praiseful and that your thoughts are stayed on Me and I will call you My Wilderness walkers. You will see miracles, and I will use you to be all that I have destined you to be! You are not a mistake, because I know your heart even if you think you can't make it or aren't good enough. Shut the door behind you and walk deeper into the passageway where you'll hear wisdom from Above, prophecies from the prophets and New Wine heralded to My Wilderness walkers who even though tempted, will still hold up the Keys to the Wilderness and pass through the abyss of this last part of the journey! (NOV 16, 2023 Our Spiritual Wilderness -Part Five) (The Wayside)**

**(Clear, Blue Angel speaking:) As the Words of David have said, you are the ones that have been chosen to take the light of Israel across the finish line; you are the remnant, the Philly church, the last church. And you are because you have fought through in faith and have grabbed that baton from the runner before and are now heading for the line. It is all by faith and will remain so until the second you cross the line and only then will it all become reality. The Words of David and Maria and the Bible say it's so and the new New Wine you have been receiving are confirming these truths. (Broken promises)**

**(Blue Angel) You see, this really is the course! There hasn't been a mistake! You are right where you are meant to be at this moment. The thing is, you have a choice now that you see your path stretching in front of you...will you stay on it? Will you make half-hearted decisions; carnal-minded decisions or will you determine to keep your eyes on the goal, though you may fall by the way, you'll try again...and again! Will you hold on to the fact that you know you are definitely going somewhere, because you have a purpose because the Words of David and the new New Wine have told you so! ...and you want to be all you can be...just for Jesus..... Do it for Jesus. (The Wayside)**

**(Clear, Blue Angel speaking:) So our elite warriors by choice, keep on believing; for the wicked one would steal your crown and thus thwart your destiny and change the course of the race and have us all in for another lap or two or three. He would dearly love to continue sitting as king of this world; in your place for eternity if he could. Do not think that there is not much at stake here, and do not think that all these events are going to happen with or without you. Well I guess they can happen without you if you decide you don't want to believe, or Satan convinces you to give up. It is only in your mind that you will give up, once you give up in your mind the course that the rest of you is on will follow. Fervently believe, hold fast that which thou hast, do not give up and the crown is yours. If you fall through unbelief and unheeding then it will now or in the future be given to someone else more deserving. The choice is and has always been yours. We love you and are rooting for you, but we can only do so much to help you, otherwise we would be taking away your honor. (Broken promises)<sup>4</sup>**

*<sup>4</sup>We are here, just as we promised we would, we said that we would return 700 years ago we promised we would come back in the time of the End, and here we stand. We have been helping you for many years now. Many of us stood where you stand now, the flesh often stood in our way, but we overcame through the blood of the Lamb, you have that same blood running through your veins, you are being possessed more each day, with each decision to move forward you are reaching full possession, you are mind melding, and taking on heavenly thought power. We the Cathars once again pledge our love and loyalty to you our comrades in arms in the physical realm, you who have not given up the fight, you who face this seeming insurmountable barrier called flesh and carnal mind. Take the Keys that are in your hands and burnish them until they shine so brightly that Satan and all that pledge their allegiance to him and his cause are blinded by the blue and gold of heavens power. Ask us, your Cathar spirit guides to possess you and we will, ask for our Blue Angels to possess you and they will. The flesh is no barrier when you hold the Keys of the Kingdom in your hands. Use them for only the Keys have the power to break the veil and bring on the Final End.*

**(Jesus:) Take My hand sweet one, and I will lead you through. I will show you the way in which you must go. I will show you where you must place your feet; I will be with you as you take each step. And if you should stumble or go astray, I will remain faithful. I will bind your wandering heart to Me, and as a strong cord I will pull you back upon the path I have set for you. So take heart, look to Me. Remember the love we share, for it shall be for you as a light when all other lights go out. And take that which is in your hand, hold it out before you and walk onward. Never put it down, hold it out before you always. For with these Keys you shall open all heaven, and bind all hell. You're not alone, so walk not alone, reach forth and avail yourself of the experience of all the ages. Great shall be My spirit in you as you yield your all to Me. Now is the time of the wilderness, now is the time to bridge the gap between Heaven and Earth. You're My keys, you're the completion of My church, and with you I will open the portal between the worlds. So walk on faithful, be not afraid, for I will do it all through you. Carry My words proudly and faithfully onto the end. I love you... (James) (Broken promises)**

## To Lay Down Your Lives

---

Once more, one last time in this Earth life, I ask you, My Warrior Band, the remnant of David's mighty men, to lay down your lives for the cause, for the truth. It is an hard saying I know. I know very well how hard it is going to be for you in the last few years that are left.

Again, I say that you must set your hearts and eyes as flint, looking neither to the right nor to the left, but on Me, the Author and Finisher of the faith that is in you. Eat My flesh and drink My blood with gusto, My brave band of warriors, for you are treading where no man has tread. The last few months of world history lay before you. You must not look at the world, and you must not look at your own weak flesh, for they are one and the same thing. Your carnal mind will deceive you, your ears and eyes will too. If you give the Devil one inch, he will flatter and deceive and take you away from Me. Immerse yourselves in My carcass, My eagles of the End. Gather round Me now, seek full-possession, hone those weapons; for this year in the City of Love is running. It is running just as My Word said it would. You are half-way through your time with us —this special time that has never been given to any man since time began. Please believe the Words that I speak to you. Please believe all that David has said to you; please believe the New Wine that I am pouring into you, My new bottles who are gathered around Me. Time is so close; the end is so close. Hold on and do not allow the enemy to snatch away your faith by looking anywhere but up.

In this last day I have called unto Myself a people that are no people, a people that do not belong in this world and whom I have separated from this life for a special purpose. And although you are in the world, I have called you out of the world in spirit and brought you behind Me and into the City of Light for a unique purpose, something that has not been done on Earth up until this time. I know and understand that the stance I want so badly for you to take seems so extreme to your carnal mind and limited understanding, but this is the way I've done it in times past and it is the way it must be done now. I called your iconoclast, idol-smashing David out of the church system and he exploded for Me in his day. I am preparing you here in the City of Love for the day when you will explode and light up the world one last time before the curtain falls on this era of man. I have called you into your caves at this point, just as John the Baptist was called into his cave at a designated time, to eat the honey and meat of My Word in preparation for his ministry of proclaiming My subsequent entrance onto the world scene. I have said in the Words of David that his children would be My announcement vehicle proclaiming My second coming. This is the calling for which I'm preparing you at this moment. You have to be absolutely dedicated to this cause. You have to believe in it; you have to breathe it. You have to play the part as John and I and all My prophets throughout all time played their part. It may cost you your life, but what is that to you? You are bought with a price, the price of My blood. Come now My loves, give Me your finger, the ring finger, and let it be pierced that blood is drawn. Let it be as a covenant between Me and thee, a blood covenant between My bride and I —a covenant that will not be broken by you or I for all eternity; My blood and your blood mingled as one forever. *"You have not chosen Me but I have chosen you, that you should go and bring forth fruit... Now this day I ask that you choose Me above all and beyond all things on Earth and in Heaven, to be My special chosen vessels called from beyond time to stand for Me in this last day."* (Blog June 18, 2024) (Prophecy May 8, 2024)

*You are God's expendables! ...Created to wear out on the altar of sacrifice — made to wear out as His tools of design — to die, that they might live. For "no greater love hath any man than this, that a man lay down his life for his friends." — They said of Jesus: "He saved others, but Himself He could not save! "This is true: "Except a grain of wheat fall into the ground and die, it abideth alone: but if it die it bringeth forth much fruit." — Daily dying is the hardest kind because you do it a thousand times ... dying a little each day! — We "die daily." We can only offer you an invitation to come and die with us — to die to the flesh that ye may live in the Spirit!*

*Jesus bought and paid for us, we're His property, we belong to Him now. He can do whatever He wants to with us. We're His soldiers, He can send us into any battle He wants to. He's the One that has to understand ... we just obey! Let God use you to the limit! — Be "ready to go, ready to stay — ready your place to fill; ready for service, lowly or great — ready to do His Will!" — "Ready to fight — ready to die — for Fatherland!" "Here I stand by the grace of God! — I can do no other!" — I'm going to burn up fast and bright for Jesus!*

You are the fruit I've been looking for. It has taken a lot to get to where we are now, but it has been worth it. I have in My hands the instrument I need to give Satan a thorough beating. No, your names are not up in lights. No, you are not famous in the world or in Christian circles. You are not in the earthquake or the thunder or the big wind. You are in the still small voice of God. You are exactly what is needed in this very dark and gloomy day. You are the weapon I need for these days. You have to stop looking outward to the miracles and loaves and fishes, the signs and wonders and the flashiness of man. You have to look inward to the Holy of Holies. I'm the Holy of the Holiest and this is My day. If I be lifted up, I will draw all men unto me.

You are the weapon I've created. It has taken Me many years to get you where you are now, and that is on your knees using the Keys as My reapers of the End. Stop looking outward, look inward to Me. I am the power source that's needed to power up the weapons of prayer. Man doesn't have the answers; he never has. He's been running around in disobedience and rebellion to My ways for thousands of years trying to prove Me wrong. The only way you're going to get anything done is to do it My way. And stop looking at the wrong fruit. What are the fruits of the spirit?

*Love, joy, peace, longsuffering, gentleness, goodness, faith, meekness and temperance: against such there is no law. And they that are Christ's have crucified the flesh with the affections and lusts. If we live in the Spirit, let us also walk in the Spirit. Let us not be desirous of vain glory, provoking one another, envying one another. (Galatians 5:22-26)*

You can't get those fruits by applying the laws of man, which tell you that if you do everything right; you are going to meet with success. That is really silly to God because He doesn't look at things the way man does. God's not looking for successful anything except in regards to the fruit of the spirit. And to get that type of fruit you have to crucify the flesh along with the affections and lusts of the flesh. And to do that you need to walk in the spirit and not in the flesh and ways of man. It's easy to wow man, but it isn't easy to wow My Father...and let Me tell you My Father is not wowed by all that man is getting up to these days. You might think you can impress Me with your works, and say "Lord have we not prophesied in thy Name and in thy Name cast out devils and in thy Name done many wonderful works?" My Word says, "Only he that doeth the will of My Father shall enter into the Kingdom of Heaven." Stop, look and listen to Me now, My beloved Warrior Band, I want you to get your eyes off of anyone and anything other than Me and My Word and the tools I've given you to do the job. What others are doing is not your concern; your only concern is what I've instructed you to do in the New New Wine. It has taken Me almost your whole lives to get you where you are now, and that is right at the bottom, out of sight of everyone, on your knees praying for the things I've told you to pray for. I don't need you or any man to get in the way right now, because I'm almost ready to strike and when I do, you had better be inside that cave, Elijah. If you are at the mouth of the cave looking at the world and all the wonderful things the church and science are doing, then you are going to be struck by lightning or blown off of that cliff face that you have taken so long to climb and have received so many scratches and bumps and knocks in the process of reaching.

When you first joined, your greatest desire was to serve Me and go into all the world to preach My Gospel. Now that you are drawing closer to the end of your mission, let your greatest desire be the same. Obey what I'm telling you to do now, and you will reap the greatest harvest any missionary has ever harvested in the history of mission work on Earth. You will do what I and My disciples never did. All other attempts by My men and women of God since the beginning of time will pale into insignificance to what I can accomplish through you if you will only obey what I'm telling you to do now.

I'm sorry if you don't have any big flashy ministry; that is not what I brought you to the Kingdom at this time for. I don't need that type of prophet, because that type of prophet has clay feet, just ask Elijah. If you can't believe these words you are hearing right now, then get your own. This is why I've gone with you through all your breaking and trials; to get you to this point where you know you are nothing and have nothing to show outwardly, where you know you are a mess, where you know if you don't ask Me everything you are going to end up doing the wrong thing. Come on...you are finally doing the right thing, the very thing you were created for, to destroy the works of Satan, to change the course of history forever. It takes broken men and women to do this; it takes men and women doing things My way, not the way the world does it, but My way. And, beloved, My way is the spiritual way, for the weapons you have been entrusted with, because of the path you chose to take, are My weapons. They fit into My hands. I'm the One who is going to fight this last battle; all I need is for you to give the signal to charge. And even then, you must look to Me to give you that signal, for it is the spirit that intercedes for you. You know not what to pray for as you ought. Get out of the way, get into your cave and do what I've broken you into little pieces for.

What's the matter? You don't like the way I'm doing it? You don't like to be shoved into the back of that cave and told to kneel, yield and be a nobody? Is that why you keep looking for the signs and wonders of science and man? Is that why you keep looking at the big happenings out there in the world? The big happenings are in the cave with you! You are looking in the wrong direction...start receiving what the Maria and MO letters prophesied you would be...those prophets that would be the receivers, believers and doers of the New New Wine for this last hour. (Blog June 12, 2024)

You are the ones I'm using to change the course of history, and you are doing that by doing it My way not man's way or the church way. You are following My still small voice, just as I followed My Father's voice all the way to the cross. It was humbling, yes; and it hurt a whole lot, but it was the best way, the only way. And because you are following My way, you will be the ones I am going to use in the Millennium. You are My Millennial task force, remember? I know life can seem so real and the hurts and the knocks and bumps are designed to be so, but they are not truly the real thing. Life on Earth is a school, a place of learning for what is up ahead...that is the reality. The Millennium is going to be a big experiment also, a real-to-life school with theory and practical courses. You are going to be the teachers. All your mistakes and blow-its are part of the big lesson that teachers must go through. Thank you with all My heart for holding on, for coming back and not forsaking Me when all others forsook Me in this what could be called My Family's darkest hour. And because you all are My lovers, brides and wives-to-be, that made it My darkest hour.

Are you ready to go Our way, the way the truth and the life? Watch out for the leaven of the Pharisees as we pass through these last, few, very tight mountain passes. It's a squeeze indeed, but you'll make it. Just let go of the rest of that stuff in your duffel bag. I love you. (Blog June 24, 2024)

**Don't Lose That Heavenly Vision**

Warrior band members are strong children of David; they are believers in the wonderful, magical, enchanted Heavenly life. Don't lose that heavenly vision; it will help keep your faith strong. The Word is what keeps it vivid and real in your mind. Protect it with the Keys; fight to hold on to it with the blue keys. Keep the Heavenly frequency that you were created with strong; it was the Key of David that opened the portal back into our world of wonder. Don't lose the Words of David. Never ever give them away again; a concerted, diabolical attack was made on the Children of David that very nearly succeeded. You must not let that ever happen again. Don't allow the cold hard world, which man calls reality and which we call façade, smash and destroy the beauty and wonderment of the heavenly life you once lived and which you will soon begin living again. Systemites may say it is all in your mind, and for now it is; but you see, your mind is the door to our world. And you are simply standing at the door or portal looking in. Your prophecy channel is God's way of pulling what you see on the other side of the door out and recording those sights and sounds for those who live in the cold, hard façade where you presently stand. The memory of this land where all wonderful things begin is what is keeping you that sane child of God –sane in a world of insanity, where all are mad but you. You want to know why people in the world go mad, why they take drugs and alcohol and do all the other stupid, senseless things they do. It is because they have lost touch with reality, the heavenly life, of MO, and their faith. Hold on, beloved warrior band, it won't be long now and that world of woe will be washed down the sewer pipes and worm holes into hell.

Part of honing your prophecy channel is to keep believing in this unseen world of wonders. If you lose this vision, as many have, then you will sink down into the muck and mire of the provincial life where all \*Systemites dwell and die. It is not life but death to soul and spirit. And from there they sink down into life in Gragau.

***"Fight Warrior Band fight; for in so doing others will see that you have something that you believe in and are persistently striving to reach."***

There is something to be said about never-give-in faith. They may not be able to put their finger on it, but they will admire you for it, and in time may very well want what you have because they see that you are happy in spite of not having anything substantial in a worldly sense. The reason some of you younger Warrior Band members are so down in the mouth at times is because you are losing grip on the heavenly vision, your Home. You gotta fight; this world and those demons Celeste talked about are hell bent on dragging you down to Gragau, if not your soul-body, certainly your spirit, and it is the portal of your mind where the battle rages. They are trying very, very hard to drag you away from the portal door, wresting your eyes and thoughts away from those wonders you catch glimpses of, to get you to look at the stinking cesspool of a world your physical body is standing in. The delusions of Satan are strong in that world, all the horrors and terrors, sadness and woe that happen there, and yet people still believe there is no escape, and that that is the way of things... Remember keep your head in the spirit even though your feet are on Earth. (Blog May 29, 2024) (Prophecy April 19, 2024)

**Jesus speaking:** The enemy attacked the very heart of My Philly church by convincing many that it was wrong to call themselves "elites." The enemy's plan was to throw smoke on My plans for the Children of David. He knew he couldn't completely destroy My plans for you, My Gideon's band, as he well knows that I have the ability to raise up even the stones to praise Me; yet he will try, just as he will try to delay his inevitable end. There are many reasons he wanted to turn those Children of David away from the belief that I had a chosen, elite group of believers, hand-picked and prepared for these Endtime days. The one point I want you to see now is the key to understanding the 7-year covenant in full. As you have rightly understood, the last seven years are about the Antichrist and the Dragon, but more importantly these last seven years are about Me and My plans for the future, a future that the Antichrist and the Dragon have no part in. These days of the End are about My faithful ones, My remnant, those who will go on to rule in the Millennium. The Devil has tried very hard to steal the limelight by making everyone think that he is the main actor. He is not the main actor. Yes, he is one of the actors, but he is not the only one. He prances around the world's stage as if he is, but he is only a puppet, a pawn in My hand. He has a part to play; he is the sifter, used by Me to separate the wheat from the chaff. The Devil is trying very hard to steal the light of God, to extinguish the flame of David, to prove that the Endtime prophet never came –in order to deceive the people that the End is not yet. The Flame of Revolution was passed to you, My loves. Those to whom it had been entrusted put it down, and you picked it up. And in picking up the torch you were shown an historic pivotal event. To know the beginning of the seven years and the breaking of the covenant was given into the hands of My prophets. For did I not say that I would reveal My secrets to My prophets of the End? This is always the case. I give to My children first, then the Devil is allowed to come and test and winnow those that do not believe. I always send out My prophets before the day of judgment, so that My people, as well as the wicked, are warned. (Blog May 23, 2024) (Prophecy Jan 2, 2023)

Your part is to follow My plan, My Word through prophecy and using the weapons I've given you to fight with. Prayer, praise, the Keys, spirit helpers and all the others; and by using all these in conjunction with each other you will become the greatest warriors this earth has ever seen. Your great strength as a warrior will be found in your weakness, so don't look at your flesh, but look at your spirit, you are spirit warriors wielding the greatest weapons in the universe. I am well pleased with you because you have been following the plan that I've laid out. By following the written Word in conjunction with the living Word of prophecy you have come out of the reboot days and have found your calling. You have called up the exceeding great army spoken of in Ezekiel 37, you have fulfilled many of the promises I gave to David about the Gideon's band of the End. As I said in the famous Warrior Band prophecy...

*"I want you to know that you're on target with fulfilling your destiny. All that you have been through and endured till now has been a part of My plan, a part of your strengthening, a part of your training."*

You have passed over the point of no-return, 2022 is now history. You have reconfirmed your covenant with Me and in so doing I have called you into the City of Love for your day of final training before the very end.

*"Moreover I will make a covenant of peace with them; it shall be an everlasting covenant with them: and I will place them, and multiply them, and will set my sanctuary in the midst of them for evermore. My tabernacle also shall be with them: yea, I will be their God, and they shall be my people. And the heathen shall know that I the LORD do sanctify Israel, when my sanctuary shall be in the midst of them for evermore." Ezekiel 37:26-28*

Do you see how My written Word and My Living Word are interlocking to fulfill My plan. If you would but take the time, you would see that each new-new wine revelation I have given you over the years has dovetailed with My already written Word. I have made My Written Endtime Word deliberately difficult to follow that is because no commander would permit a leak of vital information to reach his enemy. So My top generals have been meticulously screened over many years. You were each given Keys to My mind where I keep all My plans and stratagem. No one can enter this war room without the right Keys and the right spirit helpers, each of you have your own Blue Angel, these are they that are the branch to My mind; a person must not only have the right Keys but they must also have their own Blue Angel escort, because if they do not, then they will surely meet with a deadly fate if any suspicion falls on them.

*"The Keepers of the Power of Heaven (also known as the Blue Beings or Blue Angels), can help to teach you of the full power and joy of intimacy with Me. They have become so joined to My Spirit that I am in every way their life, their nourishment, their very existence. You each have a blue spirit being assigned to you, and if you ask them, they can help to teach you the ways of intimate love with Me. This is the first step, and it opens the door to all the power of the universe."*

*"I get the feeling that they're the defenders or something, because their stare is ominous and daunting and very powerful. They aren't evil, but looking at their faces definitely tells me that were an intruder to attempt to disrupt this flow, he or she would be met with a most deadly fate."*

My security system is flawless, My tests are extreme, those that reach this far have as I said been screened many times over. Above all, the greatest test is one that you give yourself. It is the test of faith...all these wonderful Words, from the very first one, that of believing in the gift of salvation, to the latest, must pass through the door of choice, you must choose to believe. This is the most intricate of all security measures. The requirement to believe by faith is interwoven throughout your life. Each step you have made toward Me has been a step of faith, a step to choose to believe. Each revelation in the Bible and then each revelation given through the Words of David and Maria, and now each revelation given through My Living new-new wine is brought before you in order that you choose to accept or reject. By accepting you move forward and I am then able to reveal more truth, deeper revelations to you. The revelations are there, My plan is there in My mind, but you must pass through each and every door to access them. It takes great faith to believe that I am returning in 2026, it is required that you put feet to your faith by praying and telling others to pray. All the revelations that I have passed down to you through My new-new wine for today needs the key of faith to believe. Each revelation is a test, just as the revelations that I gave to David were a test.

*"As it was with Gideon's men, so it is with you. I gave them not one test, but two. With the first test I purged the ranks of those who were fearful and afraid, and with the second test I purged the ranks even further. For you there have been many tests that have purged you, and there will be more. But worry not for those brethren that you lose, because I am not limited by many or by few—and even those that you lose will still be used of Me in a different way. They will not be rendered useless. All of their training will come to the fore at the time appointed, and I will use them mightily—not as mightily as I will use those of you who have stuck, and those who will go with Me into this new era, making full use of all of My gifts, including the keys to the Kingdom, for unto you is given the greatest power, because of your faith."*

You stand before Me in this war room because of the choices you've made. I cannot have half-hearted believers praying for these history changing events. Why even bother if you don't truly believe? As Mr. Muller said to the sea captain...don't bother praying because you don't believe anyway. If you don't believe the new-new revelations that I am pouring forth to My warrior band in this last hour, then why bother yourself? This is not by force, My army is volunteer, you have to voluntarily give up your life for this cause. Warrior Band is not a nice sounding title, it is a band of spirit warriors that fight unseen wars of the spirit, it is a band that believe solely and wholly in My Word alone. They don't need visions or manifestations of My love for them, they don't need bread and fishes to follow Me, they only listen for and follow My Word, My whispers. These are those that will herald My return, these are the ones that will prepare the world in spirit for My coming. They know and understand the ways of spiritual warfare; they know the ways of faith because their faith has been tested many times over. You My warrior band are in this war room by faith.

What happens in future Endtime events is largely dependent on your faith. Yes I have put the future of the world into the hands of weak and frail man. Those that seek Me and My power will win the day, those that do not will become prisoners of war and be dealt with accordingly, all the rest will be driven by the winds of change and land where they will. Their fate is also in your hands, it is largely due to your prayers as to where they will find themselves. You should not find what I am saying here as a strange saying. Didn't I give the earth into the hands of man from the very beginning of time, yes of course I did. Didn't I give him dominion over all that was on the earth, yes of course I did. Didn't I walk with him in the garden every evening; were we picking daisies together, no we weren't, well I did pick the occasional carnation for Eve, but I wasn't there to smell the daisies, I was there to give Adam the plan, to discuss the morrow, what events were going to unfold and what I wanted him to do about them.

Man has almost but completely turned a deaf ear to My instructions...the history is there, you can read it for yourself, it is written, you can know how man got to this day of the End by reading the Bible and the Words of David. Was this destruction of the earth and each other My plan...of course not.

There are very very few who are still listening to Me...you are it, you grasp the future of man's tenure on earth in that tiny mustard seed of faith that you hold in your heart. And as fantastic as it may seem to the carnal mind, prayer is the way to turn the cogs of the future and make history what I want it to be, and yes again, I've given this choice, this decision to believe and to pray as if you believe into the hands of weak and fallible man.

By listening to My still small voice, just as you would if you were in the garden with Me walking around talking and discussing the future of the world, as I did with Adam and Eve, you will know exactly what to pray for, who to pray for and when to pray. The more you hone the gifts I've given you the better you will hear, the more intricate the details will be. My dearest of dears you have it all right there in your heart, the inner sanctum.

So yes My band of elite warriors, it is you who will drive that hook into Gog's jaw, it is you who will put that evil thought into his mind, it is you who will dry up the Euphrates River and draw the kings of the east across its dry bed. It is you who drag Gomer and Togarmah and the Persian kings into this final stage of world history. But you can only do this if you are getting the plan right...I have the plan and you are here in the war room with Me listening and jotting down what I am saying. The better you listen, the less you allow those distractions of the material world to enter in and give static the more accurate will your notes be, and the more accurate will be your enactment of My will. As a general who has spent time in the war room planning his moves, who then goes out to enact those plans on the battle field, so are you My generals who go out with the weapons of war and enact My plan. If you do exactly what I tell you to do here in the war room, when out there, then together we will win the day. The day is won here, the day of victory starts here and ends at Armageddon.

(Blog May 21, 2024) (Prophecy May 16, 2024)

**Jesus speaking:** I have entrusted the most powerful weapon in the universe into your weak and fallible hands. I have entrusted the most powerful healing agent in the universe into your weak and fallible hands. I have entrusted into your hands the Master Key to all the supply houses in My Heavenly Kingdom. But because you are still children, I have placed restrictions on these Keys. They do not work for selfish users; they only work in conjunction with My will, and there are yet other restrictions. For example, their power is only released according to your faith in them. Why do I do this? It is because you are still child brides. However, as you pass these Earth tests, I begin to lift the restrictions, just as I have lifted some but not all of the restrictions on the barrier between our worlds.

**February 4, 2024:** *"This year is a special year of dispensation for My brides who have gone the extra mile for Me, those who have come through the Reboot years as members of My Gideon's band of Endtime prophets. I am lifting many spiritual restrictions in order that you be given an opportunity to make the progress required to be ready for 2025. Please, My lovers, use this very special time wisely, for it will only come this way once."*

**Prophecy continues:** Do you think Joseph was given the keys to Pharaoh's Kingdom simply because he was able to read Pharaoh's dream? Or do you think Pharaoh had done a little background investigative work into Joseph's life in Egypt before making him his right-hand man? What you read in the Bible about Joseph's life is only a summary of highlights. Joseph was rigorously tested and tried by Me in order that he be fit, ready and sufficiently mature in spirit to handle the enormous responsibility of taking Egypt through the seven years of tribulation. Through his much testing and trials Joseph learned obedience. He was being fitted for the job that I had for him. It wasn't easy for him. It wasn't easy for Me either, but I too had to learn obedience to the Father's will through the things that I suffered. Joseph didn't despise his birthright; I didn't either. Will it be said of you in the not-too-distant future, that you didn't despise your birthright and that is why you wear My ring on your finger and My seal in your forehead? The reason a pillar can take a lot of weight is because it didn't shirk during school hours. Don't allow your present circumstances and conditions to dictate the decisions you make toward this goal, but rather use them as stepping stones to your high calling in Christ Jesus. I love you and have great confidence that you can make the grade, but as was said recently, the choice is yours. I input My thoughts and My mind into your mind. I have not withheld the truth from the Children of David. It is through your obedience to follow that you stand where you stand today. However, to continue to stand, it is required that you exercise your majesty of choice and continue to choose My highest will for you. As I said, you know My will. You have the Words of David and the New New Wine of personal instruction.

Spiritual maturity comes through the tests and trials of life, yet not everyone chooses the road to maturity. One day a small ought, mar or bitterness comes along, and instead of choosing the path of humility and obedience, the person chooses a path that

leads them away from their birthright and destiny. My Word is full of people that chose the path of self instead of selflessness. They tell themselves that it is an easier path, and the Devil is right there beside them...and well...you know the rest of the story. And that's the sad part about the storyline in most people's lives; it follows the path of least resistance, the easy path that always leads downwards. The hard path, the path that leads to the mountain top, is never easy. You know the path you must take to win the crown. Please don't give excuses; excuses only slow you down. They show others how immature and unfitted you are for the bigger job of ruling and reigning with Me as My wife in the Millennium. I understand that you don't feel ready for the responsibilities, but that is why I shared the story of why I restrict the power of the Keys. Responsibility levels are handed out according to growth and maturity; and these abilities only come with time. (Blog May 11, 2024) (Prophecy April 16, 2024)

### Allow Me to Pour My Anointing On You

Each day you choose My way over your own, you are allowing Me to pour My anointing on you. This is not an anointing I pour on once and you then you have it. No, the anointing I wish to give you for this Endtime will come on each of you slowly as you make the right decisions every day. For those who choose to follow their flesh and the ways of self, I cannot pour down My anointing on them, for even if I wanted to, their actions and choices stop Me. That's why I am asking you, begging you, and pleading with you to choose My way above your own, to leave this flesh and all its desires behind, to let go of this carnal realm and dive deep into the spiritual world.

It is by your choices that you distance yourself from My world. Selfish choices, proud choices, lethargic choices —you know the things holding you back. It's all those little, tiny insignificant choices that make a difference in your life. All these little things that happen to you are tests, and as annoying and unimportant as they seem, they're still tests, and you still get graded on them. Remember what I told you some time ago? Everything you go through is a test. There is nothing that happens to you just because of chance. Even if you make a wrong decision and you end up paying the price, that's still a test, and all of us up here are looking down at you hoping you'll make the right choices on your test. (Blog June 22, 2024) (Prophecy March 7, 2024)

Remember, what makes you a child of David is your obedience to the *Words* of David. If you just read the Word and go along on your merry way, not putting into action anything that you heard, then you might as well not even have read it.

Your obedience sets you apart from the world. Your faith enables you to come out from among them. But if you're not truly taking in the Word, then your faith is gonna be pretty weak. So get into the Word, let it go into your heart and change you, let it convict you, let it give you the drive you need to live for Me. Let it show you what areas you need to improve in, and then do your best to put that advice into practice. Let it open your heart to the light; let it bring some clarity to the dark corners and dark rooms. Let it expose yourself to yourself. And then yield to what it brings about in your life. For if you really have a desire to change, then I will bring trials and difficult things into your life to force you to change. Because that's usually what it takes if you want to have lasting, proper change, some good ol' pain to push you to do something you'd prefer not to do. So if you truly desire to be a better disciple, then expect the trials to come. (Blog June 22, 2024) (Prophecy April 20, 2024)

Wouldn't it just be so easy to give in? Of course it would, because this life of discipleship is a hard road and not many can walk it to its end. It's so much easier to live for what you can see and what can immediately gratify you. But the life of faith is different. It's hard. But the rewards of faith are so great, so vast and long lasting. They go on into eternity, while the flesh and all its immediate comforts fade away by the passing of the hour. Right now our voice is strong and you know that you must never leave this road of faith. But as the day wears on, our voice fades as the flesh takes over and demands attention. Walk on by faith, because we're here in the trials and temptations. Set your face as a flint, steel your nerves, and determine, simply determine, that you will not surrender no matter how you feel. This is what it's like to die daily, to be a martyr for the Lord every day. Do not accept the System's deliverance, that you might obtain a better resurrection. Hold on to the promise, the one which says that you shall receive a crown at the end of all this for your faithfulness. Even when it all seems so useless and pointless and fruitless and slow—hold on to your crown. (Blog June 2, 2024) (Prophecy March 18, 2024)

**Spirit helper:** We want to see you cross that finish line. The question is, do you? How much are you willing to give to accomplish that dream? Is it even a dream (vision, goal), or has it just become a dream (wish, fantasy, or pipedream) something that isn't really obtainable. If it is only that to your mind, just an impossible dream, then you have to tear down that mind-set and grab ahold of the vision. Grab ahold of the Keys of faith and belief and start fighting for and striving towards that goal and destiny of being one of Jesus's brides, one who will keep the flame burning until He returns, one who will stay close to the Bridegroom and keep on believing and obeying despite the personal cost and sacrifice, despite the lies of the enemy that seek to overwhelm and overcome you.

Please, remember who you are. Remember what you stand to lose or gain. We want you to come back to us in victory, not in defeat—having fallen somewhere along the way. Deep down you want that too and if you could see things clearly, you wouldn't even hesitate in making the right choices. But then it wouldn't be a test that way. (Blog JUN 22, 2024) (Prophecy March 20, 2024)

# I Believe In You...I Know You Can Do It

I'm not expecting *you* to make it. I'm only expecting you to fall on Me and let Me make it through you.

You hold immeasurable power in your hands, you can change the sands of time with your prayers, you can hold back My return with your *lack* of prayers, you can get this whole world onto the right frequency by just being faithful to pray each day. You are it! You are the last generation, you are the children of David, you are My brides that *will* cross the finish line. I believe in you, I know you can do it! Because I Myself have made it possible for you to do it. I have given you the power; all you have to do is wield it.

Naturally you do not feel ready, and you don't know if you will make it or meet up to My expectations. But I say, if you are faithful to obey and live My Word now, then you will make it. And I mean really *live* My Word, obey it explicitly. When I say ask Me everything, then don't do anything without My permission. When I say praise and be thankful for all things, then lift your heart to Me. When I say pray desperately and fervently for those suffering around the world, then do it! And when I say yield to My will, accept what is happening to you, and learn the lessons you must from it. For this lesson learning time is vital. Just like you are being tested now, 2025 is going to be a big test. So you'd better use the remaining months of this year to really prepare and hone your weapons. Get used to talking to Me during the day, always ask My opinion on things and what you should be doing, and then take what you hear as the Word of God. Just get used to using the weapons all the time, whenever you can!

Keep following, keep getting into the Word, keep getting prophecy and most of all keep believing and obeying those prophecies.

I want you to press in now. I am not expecting you to push in the flesh but in the spirit... I and your spirit helpers are right beside you to help you reach your goal successfully. You must live in My Word, you must breathe the spirit of prophecy, you must drink in the Key promises as a thirsty man in a desert place, and you must spend as much time as you can loving Me intimately whilst all the time praising Me and thanking Me for all that I am doing to help you reach your destiny. I'm sorry, My loves, but I must apply pressure on the areas of your lives that need buffing and polishing. Trust that I do all things well, trust that I know exactly what is happening around you, and trust that I will not tempt you or put more pressure on you than is absolutely necessary.

My dear, faithful fighter for the faith! I can see your desire and determination, and it pleases Me greatly. I'm so happy that your desire to live and fight for Me has been rekindled, I'm so happy that you're seeking to obey the Word and live more like a disciple. But remember, what makes you a child of David is your obedience to the *Words* of David. If you just read the Word and go along on your merry way, not putting into action anything that you heard, then you might as well not even have read it. Your obedience sets you apart from the world. Your faith enables you to come out from among them. But if you're not truly taking in the Word, then your faith is gonna be pretty weak. So get into the Word, let it go into your heart and change you, let it convict you, let it give you the drive you need to live for Me. Let it show you what areas you need to improve in, and then do your best to put that advice into practice. Let it open your heart to the light, let it bring some clarity to the dark corners and dark rooms, let it expose yourself to yourself. And then yield to what it brings about in your life. For if you really have a desire to change, then I will bring trials and difficult things into your life to force you to change. Because that's usually what it takes if you want to have lasting, proper change, some good ol' pain to push you to do something you'd prefer not to do. So if you truly desire to be a better disciple, then expect the trials to come.

You are not a normal earthling, you are Warrior Band, you are destined to sit on a throne with Me at your side. So don't get angry with Me for dealing with you this way, just, sit down, calm down, take a deeeeeeeep breath and relax ... I promise, everything's going to be ok, just hold onto your faith, hold onto the Word, trust Me and believe that I'm in control. I'm going to take good care of you, and although things are only going to get harder here on out, I promise with all My love, that if you learn to rely on the Word, and go to the Word for your comfort and solace, for your entertainment and satisfaction, then you'll be happy, and even though the attacks will continue to intensify, you will know that you always have Me you can run to.

So please darling, when the temptations come, run to the Word, sit down in your spiritual closet and hear from Me. And if the attacks of hopelessness come during the day, then use the weapons, fight the devil off, don't listen to his taunts, don't give ear to his despicable lies, look at it as a perfect opportunity to practice your fighting skills, just don't give up under the pressure, fight, fight, fight! Call Me and I'll be there in an instant, ready to help in any way I can.

(Michael:) You have to fight, that's all there is to it. There's no easier solution that I can give you. If you want to reach your destiny with all your heart, you'll push yourself; you'll do those things that are difficult for you, humbling, that require effort, or yieldedness on your part. You'll keep getting in the Word, even if it doesn't seem to be feeding you, because you know that's the only way you're going to make it.

Your feelings are fickle and will take you down all the wrong paths. Life is all about fighting against your natural human inclinations, because they are naturally wrong. Life is a battle against yourself, your number one enemy.

If you want to make it anywhere or accomplish anything, you're going to have to fight your feelings and you're going to have to go against what you feel like doing. You have to buck the tide of the flesh and that which is common and expected and you have to be willing to fight upstream, because if someone isn't fighting in the river of life, they're just going to get carried downstream and washed away. You have to always be fighting to survive, whether you're in the system or serving Me, because everything in life is a fight. Sure, you may be able to goof off and enjoy yourself for a while, but you can't hide from reality, from the decisions and the battles forever, because if you do, you'll end up getting washed downstream, down in the gutter. You'll end up living like a directionless bum who has to beg to make a living and get his drink to stupefy his conscience. Most people who "give up", end up becoming drunks or drug addicts, because you don't have to fight very hard to get these things. You just spend what you get on your knock-out and distractions.

### Hold Up the Flame of Israel

Now you hold His light in your heart where it burns; it burns hot and steady and you have pledged to never let it be snuffed out. You must continue to prove your fealty dear one; the enemy is attacking fiercely at this time, as he fears greatly that, after all, there will actually be a motley crew that are striding forward holding up the Flame of Israel!! His Words! You have been targeted now, so it's every man to his station with weapons in hand at all times. You have the keys which will be powered up by your deep love for your Husband. Stand your ground and sing your part of the Awakening Song to open the way for His imminent return and the beginning of new beginnings. It will be a fight to the finish, but you are surrounded by so great a cloud of on-fire, enthusiastic helpers, and as you call on them, they will thrill to the fray, to see that Light be carried across the Line! He is honoring you all, dear ones, as well as us, your mates in the spirit, to make a beautiful dowry of faith, to present to Him at the Marriage Feast! Continue to place your will in His hands for all that is coming in your immediate future and esteem the words of His mouth more than your necessary food, to keep that flame burning fiercely!

You are Warrior Band and I have called to you uphold that flame and that's the cross I placed on your shoulders. No one could carry My cross; I had to walk every bloody step up to Calvary...that wasn't anyone's lot but Mine and I paid it with every drop I had within Me. This is your cross, if you put it down, there it will lay by the wayside and you will have to account for that loss and all the people that it affected. And yes, there will be shame and contempt just as anyone on Earth would face if they made the wrong decisions in life...yours will be especially painful, because I invested so much in you.

*There were many times when God's great men and women in the Bible or throughout the ages felt like giving up. But what made them great was that they persevered and kept on going, even when everything seemed to be going wrong in the natural, or even though they felt discouraged, tired and worn. (ML 3166:2)*

You were chosen, you were called, you were brought to the earth for such a time as this. You are Warrior Band, you are from the halls of Heaven and you have a mission to complete. If you give up and leave, it's not like you're just choosing to do something different with your life, you're actually failing your mission, you're leaving the barracks, the training guild, the very reason you're here at all.

When you look at your life as an excursion from your real home down to earth for the main purpose of learning certain things you couldn't learn at home, then it gives you a much better understanding of what life is really about, and it makes living for pleasure and enjoyment seem very stupid indeed.

If you commit your life to the Lord and take a stand that you're going to keep climbing that mountain come what may--rain or shine, bumps, scrapes and bruises included--the Lord will give you the strength to keep going and reach the top.

Fear not My dearest bride! Everything will work out for good for you. Just stay close to Me and keep reading the Word, and you'll make it. I love you!

So come, come to Me when the battles start, when the temptations become unbearable, when you feel the hot breath of your enemy on your face, when you feel pushed to your limit, just come and read the Word. Yep, it's that simple, just sit down at your computer and start reading.

## You Must Fulfill Your Duty

The situation you are in is no different to the position Noah was in immediately before the Flood came and took them all away. Well My loves, the days of Noah are before you again. The Reboot had its desired effect, and now it is time to hold on for these last few years and be those victors that fulfill the promises in the Bible and the Words of David. Please believe Me when I tell you that the whole universe waits with bated breath. My whole creation groans in anticipation of My return. You are the cogs that must fulfill your duty. You hold the Keys in your hand; you hold the history of the world in your hands. This is the heritage of the Children of David of the End. All that is required now is for you to believe and step out by faith, and I promise you, we here, your comrades across the spiritual veil, will do the rest.

The strength you will need to accomplish the great task that is before you can only be found in the Wilderness. It's not by works of righteousness or by the arm of flesh, but faith in My Word alone. *And his disciples say unto him, whence should we have so much bread in the wilderness, as to fill so great a multitude? Matthew 15:33.* I am the Bread of life; only in faith in Me, My Word and the Keys will you find what you need to fill so great a multitude. So come unto Me in this time of testing and in Me find the rest and peace of mind you will need to continue this journey. In your patience possess ye your soul. Patience takes faith, so be not weary with these tests of faith for they are sent to strengthen your love in My Word. It is My Word that will sustain you. Be not as the unbelieving multitude who look for signs and wonders, who were drawn away from Me at the time of the great falling away. More tests must needs come, My Gideon's few; for you must be made white in preparation for the time of the End. These tests are a great honor that I bestow on David's children, those that esteem the Words of David, My Words, more important than their reputation, their life and their necessary food.

Come on, Warrior Band, here is another steep incline for you to climb. You are still in the City; there are still a few months of learning and honing to be done. You aren't ready for 2025 yet. Let's work some more on your hearts and thankfulness and those carnal minds that are struggling to see the miraculous in everything. Prophecy is another phenomenon that the carnal mind just can't get its tentacles around. Let go of your disbelief and put on the spiritual mind of Jesus and dive in and swim out to where we are and leave the carnal shores of man's knowledge and reason behind forever. We need prophets on ground now, or no later than 2025. This is the time to practice. This is the school of the prophets, and this class on praise and thankfulness and looking deeper into the spirit has so many practical applications. Look at each day, each event, each problem with the eyes of the spirit, and you will begin to not only see the golden thread but you will be woven into the tapestry as part of the whole miraculous design. Get out of that carnal world! Your body may have to continue its duties, but if your mind and heart are in the spirit you will not be as other men and women, you will be otherworldly, you will see things that only prophets see and you will experience what other men and women don't. Jesus needs conduits, but that link, that flow of God's Word, can only flow through a channel that is open to the wonders of God's hand in his or her everyday existence.

This is a very exciting time in your lives; learn as much as you can from the classes you are receiving. Be a good student and go the extra mile by getting into your study and doing extracurricular studies. The onus is on you. It's all about honing the use of the weapon we are holding and pointing at the target. I'm helping you hold it, but you have to do your part; for one, you have to squeeze the trigger. "Ha," you say, "that's easy!" Well, don't be so cock-sure; remember what your Grandpa said, "Squeeze don't jerk" ...and that small line has deep implications. I have every hope that you are going to be at that graduation ceremony as one of those that are passing out in 2025, and to do all I can to make sure you have every chance at success, I'm going to be standing behind and beside and in you, all the way to that auspicious day and beyond. I love you.

## You Chose To Believe By Faith

*"For as the lightning cometh out of the east, and shineth even unto the west; so shall also the coming of the Son of man be. For wheresoever the carcass is, there will the eagles be gathered together."* You, My prophets of the End, are already seeing this verse come to pass. You were called as My heralds to announce My return in 2026...You chose to believe by faith...You didn't return to your tents in unbelief. You stuck it out, even if you couldn't see a stitch of proof in the physical and still can't, nevertheless you have carried on by faith. To you

goes the reward of faith; I am about to show you wonders. You, My eagles of the End, have gathered around My Word and are eager for the feast, whilst the others have gone off eating and drinking, marrying and being taken in marriage with the world.

You are a specially called-out group of warriors that don't just "take things by faith" but who are putting that faith into real life action. Let's face it; the way I'm asking you to fight now takes a lot faith. I've pretty much asked you to stop all physical missionary activity and come across the veil with Me and the other Warrior Generals of the spiritual realm, and that includes one of the greatest earthly generals of all time, your father David. And together with many of your former colleagues who are now passed over from that life to this, we are fighting this war the way it was always intended to be fought.

To rally a group of believers and get them to totally shun the ways of the world and the system church and believe solely on what they are hearing from the spiritual realm and act on it, all in faith, is an earth-shattering event. To get you to stop looking for the signs and wonders in the physical realm and instead look for them in the spiritual realm through the window of the written and living Word is the greatest miracle this world has never seen. And why won't they see it? They won't see it because it is all by faith.

You are joint heirs with Me, My truly tested-and-tried lovers, concubines and wives-to-be. You are by My side now and you will be by My side in the very end of days, if you continue to believe by faith and look for the signs of Jonah, the signs of the prophets, the signs of My Word coming to you daily.

### **We Are At War!**

We are at war beloved! Shake yourselves and let Me show you the reality of all that is really going on around you. The 'Army ants' are on the march to quell the Light of the truth. The city on a hill is shining too brightly. It's drawing unwelcome, unwanted attention that displeases their master. His attacks are intensifying! His time is running out, and besides, he hates you and the truth you are putting out there, the Flame of the Words of David that you are holding high and that you are exposing the great travesty of the burning of the Books! He has lulled, pacified, down-played, weakened, soothed, played his sleepy tune and outright lied to My children. But sadly they have welcomed it –for the easy life, for the moment, putting off and then putting down My calling, their destiny! So pliable, so obstinate! Jelly for a backbone! Unfaithful brides! Lift My Name, My beautiful Philadelphia brides! I adore your steadfastness despite so little to show. I just need your love after all and your faithfulness to stick to Me and My instructions to you no matter what. Let nothing deter you or pull you off the wall. You can be sure you are attracting much spiritual activity in this realm. My spiritual emissaries are being drawn to the energy of the Light of the Words of David and the wonderful New Wine that is illuminating your atmosphere! It is causing a sensation here ...thrilling and exciting, but at the same time sobering because of the fight that lies ahead. My troops are being amassed round about you, and as they arrive, My angels and spirit helpers thrill to the fray. They turn around to hedge you roundabout from the attacks and the onslaught to come.

So keep your protective shields powered up through your key-powered prayers, and as the spiritual attacks intensify, you must stay in communication with your support team, your protective army, so that they fortify your position. Your job is to provide them with the ammunition to bring down the hordes of Satan and resist them through the all-powerful keys! And it is imperative you keep posting the New Wine as a testimony against all who have vilified My name through besmirching the Words of David! My army waits to fulfill their destiny as well. You have intensified the spiritual warfare through defying the claim that the Words of David are not true and that they are dead! The enemy's time is short now, and he will try to play dirty. Watch out for those lines of ferocious army ants! As you saw, they can dissect a scorpion limb by limb because of their overwhelming numbers. But fear not them which kill the body, but are not able to kill the soul! Fear and tremble, you devils, for the Children of David will defy and resist and overcome through the power of the Keys and the army of His angelic helpers! Hold on, for though persecutions come and you go through tribulations, I will be nigh; those who dwell under My shadow shall fear no evil. Your prayers have raised up a powerful spirit army ready to fight and put down the strongholds of Satan. Fight on, My beloveds; hold tight your Keys-turned-to-swords and use them; slash and cut and destroy the enemy; push his attacks back so as little damage as possible is done; pray them back on his own pathetic head! Stand firm and hold the hill for Me. Your part is to be alert and awake and pray like mad. Give your spirit army overwhelming ammunition to bring down the hordes of Satan and his filthy kingdom. It won't be long now My loves. Soon...very soon! Xxx Remember the spiritual warfare depends on you!
