

SOMETHING THAT IS EASILY ATTAINED IS NEVER APPRECIATED AS A PRIZE WELL FOUGHT FOR

October 21, 2024...You just need to follow directions

If you are looking at all that is being shared with you regarding flying off this mountain of flesh and you are stumped as to how you're supposed to accomplish a feat that to the carnal mind is impossible. Well to begin with, the carnal mind has no place here, so escort it outside then close and lock the door. Every time you hear a knock don't open it because it is old carnal wanting to give you his piece of mind. You weren't asked to examine the possibility so stop doing that and just get to work doing what you were asked to do. Now sit down and go over the prophecies that have been recently given you on this subject and highlight the points you were given in order to make this jump a reality. If you do what you are asked to do, we will do the rest.

TRAPPED ON A MOUNTAIN

214. **(Dad speaking): God has always had His man, His voice, His mouthpiece, and His channel through which He gave His Words.** God raised me up to be the man with a message for the Revolution for Jesus. I was His voice, His mouthpiece, His messenger. My job was simple: I just heard from the Lord and I passed it on. I gave His Words to His children. That was my job, my calling, my destiny.
215. **And now, Honey, you're His voice, His mouthpiece, His woman with a message.** You were created by God to give His message to His children and to the world. All your years of training were to prepare you for this time, to be His prophetess of the End, the one with a message--the message of love, of revolution, of warning, of repentance, of mercy, of Heaven, of the wonders of the spirit world.
216. **Honey, the message the Lord gives you will be more varied and even more radical than the message He gave me to give to His children and to the world.** There is much, much more to be discovered and to be revealed, and you will be called upon by the Lord to carry a message to the people that will not always be popular and well received, but it is a message that must be given nonetheless. For

you are a prophetess, and your job is not to please the people but to please the Lord. God will put His Words in your mouth and in your hand, and it is your obligation, your duty, your responsibility to give those Words, come what may, no matter what the cost.

217. **You must give His message and be a faithful messenger, a faithful voice, and let the chips fall where they may.** Spare not the message due to the cries of the children and their doubts and their balking and their wonderment, but just give what the Lord gives you. Be faithful to give whatever He gives you, because only in your giving and your pouring forth will He be able to continue to give to you and to Peter, the faucet, and to your channels, the many Words that He has yet to give. You are His mouthpiece, His voice, His messenger, and whether He puts His Words in your mouth and you speak them yourself, or whether He puts His Words in your hands through your channels, it is the same; it is still His message, His Words, and it is still your responsibility to pass them on.

218. **Each Family member has a choice as to whether they will believe not only the Words that the Lord puts in your mouth, but also the Words that the Lord puts in your hands through your channels.** They have a choice to believe the counsel that you give directly and the counsel that you pass on that the Lord gives directly through prophecy, through His living Word, the messages that He has for the Family for today. Each person must make a choice and a decision to believe and receive, and the Lord will bless each one individually according to their faith. (Believing Prophecy! [#3130])

The core of the matter and what I really desire is the hearts of My brides--each one's personal love for Me, dedication to Me, and willingness to obey Me through whatever personal tests and choices they have to make, whatever weaknesses they personally have to overcome, and whatever cross they personally have to bear. (Broken promises)

Something that is easily attained is never appreciated as much as a prize well fought for. Do you desire the Spirit? Do you desire it, My loves? Then I want to see you fight for it and prove to Me that you mean what you say. I know that thou lovest Me. But just as I had to ask Peter this many times, so must I ask you. For the flesh can overcome even the most well-meaning Brides. Lovest thou Me? Lovest thou Me, even more than these? (The Wayside)

(Celeste:) The life of a true follower of the doctrine, a true disciple, is a life of sacrifice; it is a life of faith and constant danger; and not just from matrix bots trying to eliminate you, but the faith life is a life of not knowing where your daily sustenance is coming from. It is about striving to reach a goal that not too many others see. It believes in a dream that the heart knows will one day come true. These believers don't eat system bread; their dream is sustained by the Word of God. They know that without this spiritual bread, their attempt to live a life outside the system/matrix will undoubtedly fail. They see others give up the fight, saying as they leave that it is not worth the fight, that it is an endless rotational dream. They give any number of reasonable and unreasonable excuses why it is impossible. The life of a disciple is a constant fight to stay free of the entanglements of the world. (The Wayside)¹

¹*What happens is you get to a point during your climb where you say to yourself there are no more worlds to conquer. Just like Alexander who gave up and died thinking he had conquered the world. There will always be another mountain to climb in this life, and certainly in the next. Eternity goes on forever, so don't be afraid of it. Don't allow your carnal mind and seeming restrictions of the flesh to convince you that you've reached the top and there is nowhere else to go. Of course there is somewhere else to go...up.*

TRAPPED

But on the mountain you are the first to see the sun rise & the last to see it set! You see the full circle of God's glorious creation! You see the world in its proper perspective with range after range to be conquered & a world beyond the horizon of normal men! A world beyond their vision & their horizon! You see distant peaks yet to be climbed! You see distant valleys yet to be crossed. You see things that the men in the valleys can never see.-- Can't even comprehend because they can't see it! And you can see the 360 degree circumference of the total

horizon--the entire scope! It's like seeing all of life from its beginning to its end & understanding. You feel like you're living in eternity; whereas, down below they're living in time.

I know you can't make this next step. I know how difficult it is to let go of the things of this world, to let go of the mountain face and fly out into the world of the spirit with Me, out into what your carnal mind is telling you is impossible. I hear it in your heart long before it comes out your mouth. Oh why dost thou doubt, ye of little faith? Call on the Keys and they will buoy you up and you will walk upon the waters.

"Through the keys of the Kingdom you will change, be recreated, mount up with wings as an eagle, and soar to great victories and progress. Call on the keys to create in you a new mind and to release you from the limitations of your old mind and carnal reasoning."

You have reached the limits of your flesh. This is where the pioneer must step forward and say with all those that pioneered the road that you have passed over to get where you have reached this day... I must go forward, even if it costs me my life, I must go forward.

October 1, 2024...Prophecy: The enemy is attacking the only weak link that is left in your armor. Once this crack has been sealed and locked by the Keys, his attacks on your spirit will become less and less effective; the answer can be found in the Keys. This month is the month of the Keys; you have to make a concerted, determined effort to make the Keys a very part of your spiritual armor. You have been using them a lot more, but there is more; they have much more to give you than you realize. The Keys are the key to breaking through the final barrier, through the purple mist and into the generators themselves. Transparency, you have to be transparent to this world. It is an impossible concept for the carnal mind to grasp, so you have to let go of the carnal side of your mind. You have to put on the spiritual mind, the mind of your Lover, through a deeper, more intimate relationship with your Blue Angels. To be the conduits of power that are needed, you have to stop thinking with the carnal mind; you have to let go and allow the Keys to take over your thinking and thoughts. Push those Keys in, and they will push the old ways and the old man out. Turn on the Keys, and the darkness will flee of itself. You've been told this for years now, but it hasn't sunk in as much as it needs to and that is because you still have that carnal desire to understand, to see before believing. Use this month to really push the Word and the Keys into your mind in order that the last remaining vestige of the world is flushed out. Don't tell yourself that this can't be done, that it is impossible to erase every trace of the world in your minds. You just have to shut that door every time, even when the enemy says you can't close it, that you have to keep it open. To be the miracle workers of the End, you need to be fully soaked in the Word and the Keys, to be absolutely absorbed in the spirit of what needs to be done at this stage. It is not a work of the flesh; it can only be achieved by taking in as much as your tiny sponge can absorb plus a little more. Stretch that sponge by taking in more of the water of the Word. You are at the barrier between the worlds, and as the Word that we have been pouring down keeps saying, the flesh has to be left behind. It cannot go where you need to go. The wilderness is not a place of flesh and blood; it is a place of spirit, and only the Keys have the power to push you through. And in pushing through the veil, the flesh will fall to the ground as an empty, lifeless sack. Don't try to figure it out; don't try and work it out and calculate how this all works. Let's not have to go back over old concepts like the electricity analogy. Let's just take it by faith that this is the way. The only physical thing you have to do to make this next step a reality is to push the Word and the Keys into your spiritual minds as much and even more than is physically possible. You do that part, and we promise we will do the rest. Your mind will resist, and no doubt it is already resisting, or falling asleep or losing interest, but you've come this far by faith or by being willing to give the Words of David one more try. You have come this far by faith, even if you had to tell yourself that there isn't anywhere else you could go. So stand now and take another step of faith and make the Keys a part of your very nature by memorizing them and reviewing them even more than you are now. The Keys are the only way forward.

You have indeed come the full circle, as it says in Mountain Men: You can see the 360 degree circumference of the total horizon--the entire scope! It's like seeing all of life from its beginning to its end & understanding. You feel like you're living in eternity; whereas, down below they're living in time.

Now that you have come the full 360 degrees, stop and look at the total horizon, the entire scope, from the beginning to end, the reason for it all. This is the life that you almost threw away in a moment of frustration, but instead you made one last step. You took the hand that was stretched out to you, and you were boosted out of the flesh and by the spirit made it up to the level you now stand at. You reached the pinnacle of this mountain, and now it is time to fly to the next. --That's right, fly-- Just as you flew from down there to here, now you have to fly from here to up there. There is only one difference between when you were down there and where you now stand, and that is you now understand more clearly how you got here. You have the full 360 degree circumference stretched out before you. It is like you are no longer a babe, and you're being shown the next step with the understanding of an experienced spiritual mountaineer.

From this point on, it is by the spirit and in the spirit and through the spirit. No man can do the miracles I did when I was on Earth except through the Spirit of the Father, and as you know, the only way to the Father is through Me, the Word, and as you have been told, the only way to Me for those who walk the path of the Children of David is through the branch of the mind and those door keepers, your Blue Angels. And last but not least; those who stand before their Blue Angels requesting entrance into My full mind, must be holding the Keys of the Kingdom, and not only holding them but have a good working knowledge of them. They must be flowing through every fiber of your spiritual being. So here we stand at the impossible door to the next flight up. The ability to move forward is not in you; it is in the Keys. Let the Keys buoy you up; let the Keys show you the way to walk on water.

Your carnal mind, not your whole mind, but your carnal mind, sets a barrier before you, much like the barrier Satan has set between the spiritual and physical realms, the one that the Final Key will soon break down. Since birth you have been conditioned...educated...to believe that the barrier is real and that it is unbreakable. Man was so proud of himself when he broke the one-minute mile, when he broke the 100 meters 10-second barrier, when he broke the sound barrier and when he flew to the moon. Man has pretty much reached the limits of what his flesh can do without the help of machines; that is why he is now going bionics. And he is fascinated by his achievements. His inventions are pushing him further and further into the wrong side of the spiritual realm. With inventions like CERN he is now fiddling around with the latch to the portal door, like a toddler playing dangerously close to the edge of a swimming pool.

Let's leave carnal man and his antics and take our minds back to the mountain that you are climbing. You are breaking barriers also; you've already broken barriers that many people said couldn't be broken. So many people stopped climbing at the Maria letters and said there were no more mountains to climb. "This is as far as there is to go," they said. Funny thing about going down--No inspiration, no goal, no accomplishment, you're just sliding back down into the slough--back into the morass of humanity & the mire of the multitude. Another funny thing about going down: you take that vision of the mountain with you. The mountain you were once climbing starts to shrink in your mind-- as you go back down into the morass of humanity and carnal man, so does the mountain shrink and eventually disappear into what many like to call just "a figment of their imagination." It was just a phase in their life, they tell themselves, and now that they have passed through it and have their feet back on the firm ground again, they can get on with their lives. They choose to forget the past and move on into what they believe to be their future. Most mountain climbers who were lost were lost in the descent because when you are climbing up, you can see where you're going, but when you're going down you can't see. How many people who go back really see what they are getting into? They think they're going back to the easy way, but they never realize what they're getting into by going back. A terrible let-down!

Isn't that just the saddest of all thoughts? Our hearts go out to those that go back down. And yes they do end up eventually, if not sooner, being terribly let down --all inspiration gone from their lives; the vision of that once glorious mountain morphs into a house in the suburbs and a few friends dropping by every now and then that only talk about their money problems or what their kids are doing at school. It is no wonder so many people end up on some kind of drug, the pain and disappointment is just too much.

But they are not you... you have reached where very few in this world have reached. You too are at the portal between our worlds; you too have been exploring the world beyond the two-dimensional world of time and space, but you have reached a point where you just can't seem to make any further inroad. Your faith is not strong enough to push through the final barrier. It is your flesh, your carnal mind that is holding you back. To the man of faith, nothing is impossible, and it is only impossible because you are not willing to make the sacrifice it takes to leave that flesh behind. You are at a very crucial juncture in your climb...the faith you had to believe in MO and Maria is not enough at this point. You need to take a look at what is in your hand. Yes, it is the Keys, those magical, mystical Keys. It's the Keys that have the power to open the portal doors that seem very tightly closed to you right now. The flesh cannot go where you need to go now. As I said to My disciples before My crucifixion, "You cannot come with Me now, but soon you will follow," I am saying your flesh cannot climb any higher. It is tired and worn out. It is so many things that fight against your pushing through the barrier that now confronts you. Your carnal mind is freaking out and telling you it can't be done; it's impossible. I'm here to tell you that what is impossible for men is possible for Me. I'm here to tell you the answer is in the Keys; only the Keys can open a way forward. The flesh and carnal mind are deathly afraid of the heights you have reached; don't allow your spiritual mind to turn around and look at where you stand through the eyes of the carnal and fleshly. Too many people read the following excerpt from Mountain Men and caught the spirit of the Word but only for a brief period in time, and then it was lost, swept away by the cares of this carnal world. Take the Keys right now, quote a powerful Key powered prayer and let Me read it once more. "If you need to change your mindset, call on the keys of discipleship and experience a complete reworking of your mind by My power." "Take hold of the keys of boldness to proclaim My truth; grasp tightly the keys of revolution to remain separate from the world; and cling to the keys of commitment, which make you never want to be a part of the world and its ways."

Okay, now close your eyes as I read this excerpt from one of MO's time capsules. Only pioneers climb mountains--people who want to do something that no one ever did before--people who want to get above the multitude--beyond what has already been done & accomplished. Pioneers must have Vision--vision to see what no one else can see; Faith--faith to believe things no one else believes; Initiative--initiative to be the first one to try it; Courage--the guts to see it through! But on the mountain you are the first to see the sun rise & the last to see it set! You see the full circle of God's glorious creation! You see the world in its proper perspective with range after range to be conquered & a world beyond the horizon of normal men! A world beyond their vision & their horizon! You see distant peaks yet to be climbed! You see distant valleys yet to be crossed. You see things that the men in the valleys can never see.--Can't even comprehend because they can't see it! And you can see the 360 degree circumference of the total horizon--the entire scope! It's like seeing all of life from its beginning to its end & understanding. You feel like you're living in eternity; whereas, down below they're living in time.

I know you can't make this next step. I know how difficult it is to let go of the things of this world, to let go of the mountain face and fly out into the world of the spirit with Me, out into what your carnal mind is telling you is impossible. I hear it in your heart long before it comes out your mouth. Oh why dost thou doubt, oh ye of little faith? Call on the Keys and they will buoy you up and you will walk upon the waters.

"Through the keys of the Kingdom you will change, be recreated, mount up with wings as an eagle, and soar to great victories and progress. Call on the keys to create in you a new mind, and to release you from the limitations of your old mind and carnal reasoning."

You have reached the limits of your flesh. This is where the pioneer must step forward and say with all those that pioneered the road that you have passed over to get where you have reached this day... "I must go forward, even if it costs me my life, I must go forward."

"He that forsaketh not all that he hath cannot be My disciple." My Word is very straightforward...too straightforward for some people. They just can't stand it, so they compromise and make excuses for themselves. They can't stand the conviction and find the price too high. Yes, I won't deny that to your human eyes the cost of being My disciple is "too high"...It is impossible when looking at it through the eyes of the world and the

flesh. And especially these Words of David that speak of full possession and transparency and all that... Your mind says, "It's too high for the likes of me." BUT and it's a very big "but" if you'd just find it to look past this world and into Mine, you would see that there's no comparison between what you are giving up and what you are gaining... There is nothing that this world can offer you that I can't give, and it'll be a million times better. You just have to believe. Believe in that which is, for the present, unseen... RIGHT That is where so many fall by the wayside. They want to hold something in their hands, to feel something and see SOMETHING. They just can't make it past the part of My Word that requires blind faith. I understand that it's a challenge, but the dividends are more than worth it. Belief is where you just fall down... because it hurts to let everything go, so you just sort of get out of it, because I'm not standing in front of you telling you to do these things... your carnal eyes can't see Me. You have to look past it and look into My eyes and there find your courage to give all till your last breath. You will fall and fail but you must not stay that way for long, because great is the reward of faith, My love... pursue it.... (Broken promises)

(Blue Angel:) Break the ties that hold you down to earth and hinder you from reaching deeper into the spirit. Pride is a weight, and it is something you must continually let go of. That is not impossible; it only seems impossible to the carnal mind and that's what holds you down. So empty your duffle bag, take each unneeded undesirable thing that is in there. Truly let go of the world you've lived in so long and step into the City. The freedom of its spirit will fill you and you will feel lighter. Yes, your duffle bag will be so much emptier with only your essentials inside; no more of that junk. The junk of self-image, pride, self-confidence, self-centeredness and all the things you've held onto. The worldliness and the daydreams, the time-wasters and things you turn to when you feel bored and empty, all need to be pushed down the trash chute. They only left you more empty and discontent. They pushed you further from Jesus and made you believe in something that was only a façade. All the pride you've held onto to cover up what you didn't like needs to go. Continually! You will make it if you try and this is the way to do so. We pray for you and we help from the spirit every day. We pull you closer to the Bridegroom in any way we can. Jesus tests you to see if your love for Him is strong enough to endure any hardship and we don't want you to fail! How heartbreaking it will be for those who reach Heaven having not have fulfilled their mission, having stopped along the way. Don't let that be you, my love. Don't let the flesh stop you now. Having come so close, don't turn back now. Take each day as it comes, obeying, yielding, letting go. (The Wayside)

These tests and trials are part of the winnowing and selection; I must have good seed and good soil for the Millennial planting. The coming millennium is the new spring. The winter is passing, and it's almost time to sow My new season seeds. The seeds that have held on and passed the many and varied stages of selection are being placed in My shoulder bag. With each passing generation, I have selected the good seed and stored it in My bag for the coming sowing. Hold on, My brides, it won't be long now. Satan and this present world have entered the very last days and the time of purging and making white has arrived. And after that the tares must be cut down and then the harvest follows. (23rd of FEBRUARY, 2023 (The Wayside)²

²*The picket Key is one of the Keys you need to make the final push. The whole you --that is, your flesh-- cannot make it. It doesn't want to; it has planted its feet and refuses to move. So reach through the veil with your hand and plant that picket Key in that crevice just above your head. If I see you make that determined effort, I will come in under your foot and give you a boost. It is going to take faith, I know. It is going to take determination, I know... here is a Key that will help you with that part, and there are others. You just aren't using the Keys enough. They need to be part of your very being, you need to drink them in. "When you feel discouraged, call on the power of the keys of faith to keep your feet set upon the Rock, your face turned toward the light, and your eyes firmly fixed on the sure victory of change, as you keep going and refuse to quit."*

You are going up, there's no two ways about it, but your part has to be in this climb, and your part is using the Keys at every opportunity. You had to reach this part of the climb in order to realize that your flesh is not capable of breaking the miracle mile, the last lap, the spiritual barrier... Come on, I know you can make it because I'm going to make it through you... Don't leave off where the others said it couldn't be done. I know the Devil is relentlessly attacking your minds right now; you have to shut him out. Here's another Key...and you

have to keep quoting it. He's got his foot in the door, but by quoting it over and over and over, it's like you are pushing that door hard upon his foot, and it's hurting him. He doesn't want to let you know, but he's angry, raging mad cause it is giving him lots and lots of pain. "Activate the keys of unwavering faith and trust, and in the spirit you can scale any mountain, walk through any fire, and cross any canyon with My full protection and indestructible determination."

REVELATION 14

Revelation 14:4 These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, being the firstfruits unto God and to the Lamb. *MB: This is what we are trying to do here, get a boost, to fly, be those eagles that feast off the new wine and follow Jesus where ever He goes.*

14:5 And in their mouth was found no guile: for they are without fault before the throne of God. *MB: Not faultless but without fault*

14:6 And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, *MB: That's what is happening right now, right this minute with San-Badh-Mahl and team.*

14:7 Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters. *MB: What happens next?*

14:8 And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication. *MB: What happens after the gospel being preached, the fall of Babylon, America the whore is judged.*

14:9 And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, *MB: Whose standing in the wings waiting to catch the fallout when the whore crashes, the green paper pig collapses...communism, Putin, Xi, the new world order, here we are we are ready to go. All you need to do is sign on the dotted line, take this number, this mark. What boggled our poor carnal minds in yesterday's podcast was how all of this could possibly happen all in one year. Well it is all by faith that is what we are praying for that all of this can and will be accomplished in one year. Because the gospel is right now being preached and according to what we've been told in the "Blueprint for the Final Hour" that everyone has made a decision by this time. That saying "in their forehead" could mean in their minds, after all that is where we received our mark, the mark of God, you can't see it on our foreheads, so where is the mark of God, where is the mark of the beast on their foreheads? It probably is literal but who really knows?*

14:10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

14:11 And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

14:12 Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus.

14:13 And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them.

14:14 And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle. MB: That looks like the rapture

14:15 And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe.

14:16 And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped.

14:17 And another angel came out of the temple which is in heaven, he also having a sharp sickle.

14:18 And another angel came out from the altar, which had power over fire; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe. MB: *That sounds like the wrath of God.*

14:19 And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into the great winepress of the wrath of God.

14:20 And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand and six hundred furlongs. MB: *That's the battle of Armageddon. If this is a time line then we are at the point that the angels are preaching the gospel which is right before the fall of the whore...let's see.*

A SEQUEL TO TRAPPED ON A MOUNTAIN

We must come out of the carnal mind and live in the spirit now! Nothing else matters! I had set September as the first check-point on your way to 2025; keep it before you. I want you to press in now. I am not expecting you to push in the flesh but in the spirit...This is the hour of the Keys; they were created for this hour, the last hour!

The enemy is attacking the only weak link that is left in your armor. Once this crack has been sealed and locked by the Keys, his attacks on your spirit will become less and less effective; the answer can be found in the Keys. This month is the month of the Keys; you have to make a concerted, determined effort to make the Keys an actual part of your spiritual armor.

Prophecy; Blue angel speaking: Don't fear to take the next step. There is nothing to fear if you obey everything we tell you to do. You can never go wrong by asking us first. Do you believe that you are called to be those prophets of the End spoken of in the Words of David? Are you willing to pay the price to become those prophets?

We are standing in a group on a very high mountain. We are not here for the view, and we did not climb this peak because we are into extreme sports. At the beginning of this climb the majority of us were novices. It's been a hard climb, and with each step, the sobering reality of your situation has grown in your minds, and you've been maturing through the climb. Now that we have reached the summit, you look down and all you see are thick clouds. You scan the horizon --a full 360 degrees-- and you see nothing *but* clouds. There are no other mountains; this is the only mountain poking through the thick blanket below us. The clouds seem surreal from where we stand above them, and there is this ominous look about them. Their appearance is that of boiling water, yet they are not moving which makes them seem dreamlike. We have been telling you for some time now that if you were to go back down the mountain, you would be embroiled in that sea of clouds and lose your way. We are not trying to scare you into not going down, but we've been telling you these things because what we say is happening below those clouds is the truth, and the reason we are climbing this mountain has been the truth also. Now what I am about to tell you may scare you even more than the thought of going back down.

Before I continue, I'm going to quote you a Key promise. Now you've got to stop looking at these Key promises like as a task that has to be done each day before you can go onto the next scheduled event in your day. You have to believe that your carnal mind is tirelessly working against you and these Keys weaken the control your carnal mind has on your spiritual mind. It is like taking in healthy food, it takes time before you see results, but if given time you *will* see results. Your carnal mind has fought you almost every step up this mountain, and it is still very much alive and active right now as it tries to stop you picking up this Key promise and looking at it with your spiritual eyes and absorbing the reality of what it is trying to say to your spiritual mind. Because once it goes into your spiritual mind, it will most surely enter your spiritual veins and from there it will start passing through your spiritual heart and make it beat and operate in a supernatural, miraculous way, and in so doing turn you into a new creature. Once you become that new creature, then you will begin to lift off this mountain; which is the freakiest thing your carnal mind can conceive. This concept of simply taking in a spiritual element is the Key to overcoming the carnal mind. The only effort required is to sit down with your promise book or put on an ear pod and repeat, repeat, repeat. Push the carnal out with spiritual input. Come on, even a baby can do that... Isn't that how you teach your baby to read... by flipping those picture facts?

Claim the Keys of Spiritual awareness and divine insight to open your heart and mind to the workings of My Spirit. Things that were unclear will crystallize and what was once hard to comprehend will be more easily understood.

That promise is not talking to your physical, carnal mind. It is talking to your spiritual mind; the miracle working power of that Key is going to go to work to isolate the carnal from the spiritual. Now get your calculator and try and figure that one out. Not possible, right? That's right; it is no more possible than flying off this summit. Other words for the word claim are entitlement, privilege, and title. Entitlement, as in you are entitled to it because of who you are; privilege, as in it is something you can have but others cannot because of the choices and decisions you have made. Title, as in title deed, it is for you; you own it. You bought and paid for it through the sacrifices you've made. Imagine, I've only analyzed the first word in that Key promise. If you are not into these promises, then get into them. They in themselves are a universe of wisdom, insight and layers just waiting to be discovered. Use that Key promise to open its very own layers. You are missing so much of the wonder, beauty and mystery that is all around you on the spiritual path you are travelling on. The carnal mind forces you to look down at the rocks and mud and fleshly obstacles that make up this path you are on. Do you think you will stumble if you don't keep an eye on that mud, and the sticks and obstructions? Check out the last noun I used to describe the path at your feet. Does it remind you of something? The Key of fifth dimensional travel will lift you up and over that slob Obstacon, but as the Key promise that is dedicated to overcoming him says; you must wield it in obedience to the Word of God. The Keys do not work for the selfish and disobedient. Do you want to morph into a flying creature? It is, after all, the only way up from this point; don't forget we've reached the summit of this peak and it's time to let go of this world and the carnal mind. Old things must pass away, all things must become new... Here try this Key in that lock that your carnal mind has put on that portal, but remember don't rote it:

The power of the Keys will cause a Word revolution in your life that will turn you into a new creature. (a flying creature)

These Keys are promises that if believed, *as in lived*, which is your part, they will do their part. You have a portion and they have a portion. They will be faithful to uphold their share, but will you? That is the question. Everything that we are sharing with you in this prophecy and all the Old and New Wine that we've ever poured down from the throne of God into your vessel is mountain-climbing food. We use analogies but these analogies are real-to-life comparisons. You were told there is only one direction for those of you that want to keep climbing. Now we all know that it is impossible to keep climbing up a mountain once you've reached the summit, except to fly of course; but in doing that you are no longer climbing. You are doing something entirely different, *aren't you?* And that different thing is called living by faith in God's Word; both written and living. However, it's at this flying stage that the carnal mind snags, knots up in fear, then gives up and shuts down; and this point is where the majority depart. This is what the Keys are going to do for you; they are going to open

portals to the impossible. For some of you, getting more Word time is an impossible feat. Well, pull out the Keys...for some of you it is an impossible feat to see the Keys any other way than as *a chore*...then pull out the Keys, because the truth is, it is not your spiritual mind telling you that, but your carnal mind. It is your enemy standing at the portal to the impossible; it is your own worst enemy. Okay, another Key promise before we continue:

The keys will lock and bind your carnal mind and reasoning and unleash to you the gifts of faith, simplicity, and spiritual understanding.

Some of you are still quite young, but that can't be helped. There are millions of young people around the world that face traumatic and tumultuous situations as part of their everyday lives. You have a different path than they; you have been called to climb this spiritual mountain. You are not struggling every day to survive, and your situation is nowhere as physically extreme as many young people face out there. At this moment you are being sheltered, physically. Due to your lack of experience in living the faith life, if you were sent out right now to live by faith, you would not make it. If you went down there below those broiling clouds to find a life there, you would not be facing the trials of this mountain, but you most certainly would be consumed with making your way through that material world and would be consumed by life in the material world, which btw has nothing to do with the future and direction God is going. Enough of that world, I am not standing here with you on this summit to talk about a world that does not exist on our side of the spiritual realm. I am talking to you and sharing with you these Keys I am holding in my hand as *the* preemptive step to leaving that world behind forever and taking the proactive step to permanently and eternally walk in the spirit realm. You are about to make the most difficult decision in your life thus far. If you are not quite catching my drift, it is because you have not been doing your homework or you haven't reread your *checkpoint prophecy* before coming to class this morning. Don't for one minute make an excuse, because if you had been doing your homework, then you would be much deeper in spirit than you are at present and you would have heard your spirit helper telling you to go over your checkpoint prophecy, because that is what it is for; it is a checkpoint. It is vital information to help you this month. The bottom line is this: young or not, ready or not, we are moving forward. We are moving forward because we have to move forward, and that is because God is moving forward. He has a schedule to keep, a timetable that has to be fulfilled. If you, in reluctance, are still holding onto some carnal, simulated pipedream, then please take this seriously and let go of it. Those clouds down there are indeed boiling water, and everyone down there are frogs being cooked alive. If you want to stay up here with us, then listen really carefully, with every intention of applying every skerrick of advice we give you today and for evermore.

You are standing here because you were chosen; *you have not chosen Jesus, but He chose you and ordained you to go and bring forth spiritual fruit*. Why we've involved ourselves in your life all these years up to this point is because we are dedicated to helping you achieve what you've been ordained and initiated to, which is to be those prophets of the End, those two witnesses. Do you want to know why there are only two? It's no simple little stroll in the park, forsaking this Earth life for a life on the mountain. Then to be expected to go further than the mountain, that is, into the spirit whilst still in the flesh; well, that is akin to what Enoch did, but without going all the way to Heaven. Enoch had a key that opened the portal to Heaven; you have a key that will allow you permission to go back and forth, and that is something Enoch didn't do. Once he disappeared, he was gone, as the Bible says, "He was not."

As you take hold of My power through the keys and link with My mind, you will become capable of meeting the great need that lies before you.

I am assigning John the Baptist, Elijah, Elisha, Moses and any of the prophets that we show you to call upon with this next step. They will be available to you as personal spirit helpers. If you have the faith to believe what is being said in this prophecy, then they stand with you. If you don't believe --although very sad, at this point it doesn't matter-- we will go ahead with those that do. That is the choice that is before you now. These men of God have all learned through experience what you are learning now; how to overcome the carnal nature and move into the realm of the supernatural. Their life stories outlined in the Bible are only a fraction of all they

experienced in reaching their destiny, but that doesn't matter either because they will be right beside you in full life when you call on them. The full book of their lives is open to those who have faith in these Words we speak. They will reveal to you any lessons, mistakes or victories they experienced in their quest to fulfill the will of God in their life. At this stage in your growth, you shouldn't need the following excerpt, but due to your youth, let me add it just to give you a little more information for your own personal library. This is from the MO letter, "Holy Ghosts." Keep in mind, what they did for David they are now ready to do for you.

65. **I HAVE THE WISDOM OF THE AGES AND THE SAGES AND ALL THE PROPHETS AND ALL THE KINGS AND ALL THE GREAT MEN OF THE PAST AVAILABLE TO ME** to help me!
They're all trying to help me in this last dispensation, in this last age. Because they're so interested in what we're doing, they're trying to help me wind things up. So I can call on the Lord and He gives me wisdom through any one of them, whatever I need!

66. **I MEAN IT'S LIKE A LENDING LIBRARY OF GOD'S SAINTS** who are, you might say, arranged on heavenly shelves and you can just pull down any one you need any time--or the Librarian can. God's the librarian, or His Spirit is.--He can hand you any one that you need at any time. Can you imagine! Think how many spirit-books He's collected by this time!

67. **WE'VE GOT THE BENEFIT NOW OF SUCH A TREMENDOUS COLLECTION OF DEPARTED SAINTS**, men of God, great men of wisdom, administrators, kings, prophets, psalmists and what have you! Look what a collection God's got by this time!--Of all these that have gone on to be with Him! Why, He's got people available for anything you want to know, for anything that needs to be done. (Hebrews 12:1.)

68. **HE CAN CALL ON ANYBODY TO GIVE YOU WHATEVER YOU NEED**, you just need to want it and receive it and have the faith to give it. I mean, that explains everything! That makes it at least more understandable to me, does it to you? "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened." (Matthew 7:7-8.) (Holy Ghosts! [#0620])

Prophecy continues: I've chosen two different prophets whose lessons are quite well outlined. Their experience should teach you that they weren't that far removed from their humanity as to be of no earthly good, but are ensamples to you, who are called as they were; as prophets to their generation. Let's begin with John the Baptist.

Matthew 11:2 Now when John had heard in the prison the works of Christ, he sent two of his disciples, **:3** And said unto him, Art thou he that should come, or do we look for another? **:4** Jesus answered and said unto them, Go and shew John again those things which ye do hear and see: **:5** The blind receive their sight, and the lame walk, the lepers are cleansed, and the deaf hear, the dead are raised up, and the poor have the gospel preached to them: **:6** And blessed is he, whosoever shall not be offended in me: **:7** And as they departed, Jesus began to say unto the multitudes concerning John, What went ye out into the wilderness to see? A reed shaken with the wind? **:8** But what went ye out for to see? A man clothed in soft raiment? behold, they that wear soft clothing are in kings' houses: **:9** But what went ye out for to see? A prophet? yea, I say unto you, and more than a prophet: **:10** For this is he, of whom it is written, Behold, I send my messenger before thy face, which shall prepare thy way before thee: **:11** Verily I say unto you, Among them that are born of women there hath not risen a greater than John the Baptist: notwithstanding he that is least in the kingdom of heaven is greater than he.

John, who baptized Jesus and originally proclaimed and acknowledged His divinity, later began to question whether Jesus was the actual Messiah or not. Yet he went on to become the first martyr of the Early Church.

Prophecy continues: What happened to John? What was going through his mind when it seemed to him that he had lost the protection he had enjoyed right up to the point of arrest? Was it at that time that fear and carnal mindedness took a grip? What is evident in that crucial moment is that John lost sight of the Word and what he

had been taught; he was offended, perhaps he felt Jesus should have saved him from prison, perhaps he thought he was being unfairly treated. Jesus patiently told John's disciples to show him *again* that what scripture had taught him was being fulfilled. Is that not what we have been doing all these years with you? We have been showing you again and again, with infallible proof from the Word that what was promised in the Words of David is being fulfilled. Now we are directing you how to not only make your faith firm, but also how to avoid the pitfall that dear John fell into when put under extreme duress. As scripture points out, John went on to become the first martyr. By the time he had landed in prison he was committed. He was where you are now, except for one difference: physically you can go back down that mountain, whereas John could not physically undo all that had been said in order to get out of jail and execution. John flew that day, but not physically. Your time to fly is very close now; your choice will place your life in our hands. And once in our hands, the only way to stay in them is to trust fully and unequivocally in the weapons you have strapped to your spiritual body. John is right beside me, and he wants to share one of your very own Key promises with you:

John the Baptist speaking:

The Keys of Heavenly thought power, of knowing My Mind and letting My thoughts freely and fully flow through you is vital in helping you make it through these last days.

John continues: Doubts are insidious. They begin in the carnal mind, and if not very quickly arrested, they can send you right down to the bottom of that mountain, with or without your consent. I should have seen it coming, that my doubts were bordering on denial. It can happen to anyone, so do all you can now to erect barriers in your heart and mind by soaking in Jesus the Word and imbibing those Keys in your promise book. The road you are on is leading straight to Heaven's gates, but as the video you produced called "Reboot" says, the straight and narrow road you are on also leads through the abyss. Let me quote that stanza from the video for you right now.

Now don't be fearful, but loose that hair and let it fly, let it fly. Raise your hands in wild abandon and fear not their reproaches, for down we will go into the very depth of Hell, for that is where the lost are and that is where our escape hatch is too. Freedom may mean ripping out the carpet that held you so firmly and free fall follows. As you fly through the air on your way down into the abyss, you learn to fly. You are now freer than you ever were. The wind of faith buoyed you up; the breath of Gods spirit caught you and landed you in the best place. You are no longer bound to doing things one certain way, or in one particular place. Yes you are free, freer than you have ever been before. (End of quote)

Only God knows all that is up ahead and He has discussed the options with His Son and His Son has discussed those options with us --well, some of those options. He can see around the corner; we can't. But we can see far enough ahead to know that if you don't seriously study, you are going to end up doing what I did and what other very great prophets of history did. This is all about glorifying Jesus, not yourself, so keep that in mind. This life is about Him and not you. Your real life will begin upon completion of this mission. But to complete this mission and receive the gold medal, you need to fill your sponge to overflowing. If you obey all that you are being told now, you will be lifted up, you won't have to do it; we will do it through you. (End of message from John)

Let the keys empower us Jesus; make things happen in the spirit world today.

If you choose to stand on My promises, My promises will never fail you, and you stand to gain everything. All will be yours--all that is in Heaven and Earth, and the fullness thereof. All power is at your command through the keys of the Kingdom, if you choose to take it. (The Dangers of Division! [#3362])

Prophecy continues: You have to fill yourself up with these promises and have nothing else running through your mind or you simply won't have the courage to keep going today and every day till you reach the finish line.

Now here's Elijah's story:

1Kings 19:1 And Ahab told Jezebel all that Elijah had done, and withal how he had slain all the prophets with the sword.:**2** Then Jezebel sent a messenger unto Elijah, saying, So let the gods do to me, and more also, if I make not thy life as the life of one of them by tomorrow about this time:**3** And when he saw that, he arose, and went for his life, and came to Beersheba, which belongeth to Judah, and left his servant there:**4** But he himself went a day's journey into the wilderness, and came and sat down under a juniper tree: and he requested for himself that he might die; and said, It is enough; now, O LORD, take away my life; for I am not better than my fathers:**5** And as he lay and slept under a juniper tree, behold, then an angel touched him, and said unto him, Arise and eat.:**6** And he looked, and, behold, there was a cake baken on the coals, and a cruse of water at his head. And he did eat and drink, and laid him down again :**7** And the angel of the LORD came again the second time, and touched him, and said, Arise and eat; because the journey is too great for thee :**8** And he arose, and did eat and drink, and went in the strength of that meat forty days and forty nights unto Horeb the mount of God :**9** And he came thither unto a cave, and lodged there; and, behold, the word of the LORD came to him, and he said unto him, What doest thou here, Elijah?:**10** And he said, I have been very jealous for the LORD God of hosts: for the children of Israel have forsaken thy covenant, thrown down thine altars, and slain thy prophets with the sword; and I, even I only, am left; and they seek my life, to take it away.:**11** And he said, Go forth, and stand upon the mount before the LORD. And, behold, the LORD passed by, and a great and strong wind rent the mountains, and brake in pieces the rocks before the LORD; but the LORD was not in the wind: and after the wind an earthquake; but the LORD was not in the earthquake: **12** And after the earthquake a fire; but the LORD was not in the fire: and after the fire a still small voice:**13** And it was so, when Elijah heard it, that he wrapped his face in his mantle, and went out, and stood in the entering in of the cave. And, behold, there came a voice unto him, and said, What doest thou here, Elijah?:**14** And he said, I have been very jealous for the LORD God of hosts: because the children of Israel have forsaken thy covenant, thrown down thine altars, and slain thy prophets with the sword; and I, even I only, am left; and they seek my life, to take it away :**15** And the LORD said unto him, Go, return on thy way to the wilderness of Damascus: and when thou comest, anoint Hazael to be king over Syria :**16** And Jehu the son of Nimshi shalt thou anoint to be king over Israel: and Elisha the son of Shaphat of Abelmeholah shalt thou anoint to be prophet in thy room:**17** And it shall come to pass, that him that escapeth the sword of Hazael shall Jehu slay: and him that escapeth from the sword of Jehu shall Elisha slay:**18** Yet I have left me seven thousand in Israel, all the knees which have not bowed unto Baal, and every mouth which hath not kissed him:**19** So he departed thence, and found Elisha the son of Shaphat, who was plowing with twelve yoke of oxen before him, and he with the twelfth: and Elijah passed by him, and cast his mantle upon him:**20** And he left the oxen, and ran after Elijah, and said, Let me, I pray thee, kiss my father and my mother, and then I will follow thee. And he said unto him, Go back again: for what have I done to thee? : **21** And he returned back from him, and took a yoke of oxen, and slew them, and boiled their flesh with the instruments of the oxen, and gave unto the people, and they did eat. Then he arose, and went after Elijah, and ministered unto him.

Elijah speaking: What if I were to tell you that there are “Ahabs” outside your charmed Key circle of protection talking about Mystical Bible? Would you believe me? The thing is, it doesn't matter if you believe me or not, if those “Ahabs” are there, then there is nothing you can do about them except of course to call on the Keys in proactive prayer: ***I see those who commune in private, whose words are as poison, and whose desire is to destroy My work. These have no power to withstand the power of the Keys of the Kingdom. Call on the Keys and I will hide you from the secret counsel of the wicked.***

As my story goes, I did the same as what John did. I forgot not only all the promises of protection that God had given me but I also forgot all God had already actually done for me to protect and supply my every need. My carnal mind took control, and instead of stopping to listen to what God wanted me to do in that situation, I ran. I ran and ran and ran and kept on running till I reached the...that's right, the same place we all should run to when in trouble...the *Mount of God*, and there I heard what you were gifted with many years ago...the *whispers*. However, before I reached the Mount of God, I had a short sojourn under the Juniper tree; where the angel of God ministered to me the bread and water of life. I was about to embark on a journey that, the angel said “was

*too great for me.” It would take 40 days and 40 nights...two years of days. There are many hidden secrets within the Bible and Words of David that are yet to be unveiled to you, but as yet you are not ready for them. That is what we are working on right now: your preparation for those days when these secrets will be revealed, not only to you but through you to the world. Yes, the journey is too great for thee, but never let the carnal mind tell you two years is not enough time to prepare such a one as you: ***The Word of Prophecy and the Power of the Keys are the Guiding Stars who will lead you through these next 40 days and on into the last few years of history. Hold them to thy bosom and cherish them. Look to them when it is dark, for they are your source of light!****

All you have to do is follow the guiding stars...just as the Wiseman who followed their guiding star were led right to Jesus, so will you be led to the Same. As for me, after reaching *my cave*, well I immediately began justifying myself before the Lord my God. I was condemned as soon as I opened my mouth, yet I did it twice, which revealed my deeper problem of pride as being the one chosen for such a great task. The still small voice lesson that God was trying to gently help me see was passed on to Elisha, a far gentler soul than I; he being a type of how you and I should be, yielded, meek and lowly prophets. Know your place, know that the Keys and the Word and we your spirit helpers are the ones that will do this great thing through you; it will not be of yourselves, but through you as conduits of the Most High God. Your position as brides to the Bridegroom should also teach you that you are to be submissive and to know your place. You owe Him everything up to your very life. By truly believing these facts, you will know there is nothing in you, but that which has been given. You have come this far by faith, but know this; a new mantle is about to fall on you, yet even up to that point and beyond, it remains the same for you as I said to Elisha when he wished to return to his parents to kiss them farewell: *Go back again: for what have I done to thee?* But also keep in mind Jesus’ words; *“He that having put his hand to the plow & looking back is not worthy of Me.”* And it seems by what we read in scripture; Elisha didn’t heed his carnal, he didn’t return to his parents, he instead turned and burned the plow and sacrificed the oxen on the spot and then followed God. (End of message from Elijah)

Prophecy, Jesus speaking: Those of you who choose Me and who choose to embrace the new weapons will be helped. You will be strengthened inwardly, and you will meet the demands before you.-Not by natural means, but by supernatural means. Those who choose to operate the same way they have in the past will struggle and fall short. Each of you will have your commitment and dedication tested. To make it through this year (*starting this month, October 2024*) you will have to leave behind the old ways, attitudes, and mindsets that are not in line with My Word and My weaponry of the spirit. The key is to obey and actually do this –to put it into practice. In some cases it might not be as simple as leaving these attitudes behind. It might be more like fighting tenaciously to keep them out of your mind. Let the light in. Call on the keys and keep calling until the attack passes. But don’t let those doubts sit in your mind eating holes in your faith in Me.

You have to let go of the carnal side of your mind, you have to put on the spiritual mind, the mind of your Lover through a deeper more intimate relationship with your Blue angels. To be the conduits of power that is needed you have to stop thinking with the carnal mind, you have to let go and allow the Keys to take over your thinking and thoughts. Push those Key in and they will push the old ways and the old man out. Turn on the Keys and the darkness will flee of itself; that is your part.

The Blue Key will release your spiritual mind from the confines of the carnal one, and lock it into My Mind!

Jesus speaking in times past but for now: Time is short, My loves, much shorter than you realize, and even shorter than some of you have purposed to believe. Do you actually believe this? I have great need of each of you. These are days of challenge, with more to come as the year passes. These are times of great change and movement in the spirit, but I tell you now openly as My friends and lovers, and as My warriors, that these present battles are small when compared to what is to come upon the world.

Soon there will be great, great change all around you. The world and the peoples of the Earth will moan and heave under these changes. Darkness will prevail. You, My chosen ones, will be the lights within this darkness. But you can only be those lights by embracing Me and My spiritual weapons in full. Everything will depend on your sensitivity in the spirit, because you will be responsible for many.

I allow this year and all of its many demands-even its “impossibilities”-to wash away any trace of the old. I use it to usher into the New Year a transformed you, a you cleansed of the old and ready to face the future.

How much do you really believe in the new weapons? How much do you really believe that they are your only hope, and your only salvation and means by which to defeat the Enemy? How much do you really believe My Words poured forth through the New New Wine?

Only those who believe and truly live those Words will be left standing at the end of this year. It's your pride that stands up and stands in the way of simple childlike faith. It gets offended at anything that seems too hard to understand or too hard to believe.

I must prove who is worthy to be called part of My elite army, and who is worthy to be given the power and anointing promised to those who walk with Me into the end of days.

I want to make this time worth it. This humbling needs to go down deep. You need to open up and let all the doubts go. You need to believe fiercely in My return. You have probably noticed that faith doesn't always just stay there. It has to be held on to. And pride and carnal reasoning kick it right out the door.

I continue this strengthening-to purge, purify, and cleanse all of you. I can't afford to let you lose the momentum you have gained through 2024; I can't afford to turn down the heat.

I need you who are willing to crawl across the finish line of this year on your hands and knees if necessary, because of your belief and faith in Me and in the calling and destiny I have promised you as part of David's band. Some of you will be moving ahead by naked faith alone, but in this nakedness you will win. In this nakedness and dependence you will possess My full power! (End of message.) (The Art of Dependence #3537)

Prophecy continues, Jesus speaking: A large part of that section we just read was from Old Wine. You who stand with Me on this mountain summit now, by looking around, can clearly see that My Words have been fulfilled in glaring reality. Where are those that stood around Me during those Old Wine days? Yes, they are gone; they are gone because they didn't fervently believe in Me, and they didn't revere the Words of David or their destiny. Now it is your turn. However, there is one big difference between then and now and that is, time has moved on and the many other prophecies that tell of you rising from the ashes of the old and the many signs that are proclaimed in those prophecies, including those that would be a part of your life, are right now being fulfilled, many but not all. Those that are yet to be fulfilled in you wait for certain events to fall into place and also for certain decisions that you alone must make.

There has to be a genuine letting go of what your mind tells you isn't possible as well as the doubts you still hold regarding the times you are living in, your calling and of My imminent return.

I am no longer calling repeatedly. You have had your times of training in obedience and following Me, and these are no longer mere tests; they are the real thing. You have gone from the practice range to competition, from basic training to spiritual combat. Rewards are given instantly to those who obey instantly. And by the same token, the loss will be felt instantly by those who hesitate. In the spirit world, things are moving faster. You have less time. The time for great and obvious demonstrations of My Spirit is right around the corner. In order for each person to be ready for those days, I'm stepping up the pace, and I don't have time to wait around for those who are hesitant or unsure.

Yet this is My mercy. If I did not pick up the pace, no one would be ready for the more difficult, intense, fast-paced days of action you will face in the future. I have patiently trained and instructed. I have pulled the Family along as fast as they would let Me. I have nudged and pleaded and given second chances. All of that has been part of your training and of teaching you to obey. I have let you feel the results of your actions. Now the results will come much more quickly--instantly, in some cases.

All power in Heaven and in Earth, all the power of the universe, is an awesome thing! There are no human words to describe the full extent of the matter. Yet you, My intimate brides, are destined to see and feel and experience wielding this awesome power firsthand. You know this; however, what I want to tell you about now is a vital element that you must be aware of in order to reach this point--the point where you can fully benefit from the power of the keys.

I have instructed you to call on the power of the keys--to use them, to say the words, to just do it by faith. Just as you call on Me in prayer, so you call on the power of the keys. Those who are doing this are finding that the keys do work. Yet you know they can do more, and you sense that there must be something further you can do to be able to use the keys as you need to. If you are going to use the keys in the ways I have promised, you must cultivate this habit and put into practice what I am about to tell you.

He told Me what I needed to do was focus more on the power of the keys than on the obstacles I faced. He said I needed to forget about looking at the obstacles and set My focus only on the power I had access to. I had to acknowledge that the obstacles were there; I had to acknowledge there was a problem; but when I was faced with an obstacle, I was to instantly focus on the power, focus on the keys, focus on My Father, on His Word, and on what I knew to be true.

How was I to do this? I was in the flesh as you are, surrounded by the things of the Earth. I was not exempt from carnal thinking. My Father said it was simple, really--a simple matter of faith alone. I had to focus on His power rather than carnal thinking, and the way to do this was to exercise My faith in His Word, in His promises to Me, and most importantly, I had to not only claim His promise, but I had to act on the Word I was given.

Today, you, My chosen of the Endtime, have volumes of My written Word, both new and old, and you have My voice at your beck and call through prophecy. If you are to avail yourselves of greater use of the keys, you must focus only on this. You must act on this power and be instant followers and doers of the Words I have spoken. And by this I don't mean in part, but all the way. If you want all the power, you must go all the way.

"I WILL GIVE POWER UNTO MY TWO WITNESSES, & they shall prophesy a thousand two hundred & threescore days"--there you are again, three-&-a-half years!--They're gonna prophesy for the duration of the Tribulation period! "Clothed in sackcloth. These are the two olive trees, & the two candlesticks standing before the God of the Earth." This symbolizes the fact that they're fruitful--like two olive trees--& they give light--like two candlesticks, symbolic of these final two great witnesses unto the Lord.

You can never go wrong by asking Me first! Even the tiniest thing will be blessed if you ask Me first. Even if the answer is logical, even if it's common sense and obvious, if you ask Me first, then I'll add a blessing and anointing to it. (ML 3272:22)
