

**214. (Dad speaking):** God has always had His man, His voice, His mouthpiece, and His channel through which He gave His Words. God raised me up to be the man with a message for the Revolution for Jesus. I was His voice, His mouthpiece, His messenger. My job was simple: I just heard from the Lord and I passed it on. I gave His Words to His children. That was my job, my calling, my destiny.

**215. And now, Honey, you're His voice, His mouthpiece, His woman with a message.** You were created by God to give His message to His children and to the world. All your years of training were to prepare you for this time, to be His prophetess of the End, the one with a message--the message of love, of revolution, of warning, of repentance, of mercy, of Heaven, of the wonders of the spirit world.

**216. Honey, the message the Lord gives you will be more varied and even more radical than the message He gave me to give to His children and to the world.** There is much, much more to be discovered and to be revealed, and you will be called upon by the Lord to carry a message to the people that will not always be popular and well received, but it is a message that must be given nonetheless. For you are a prophetess, and your job is not to please the people but to please the Lord. God will put His Words in your mouth and in your hand, and it is your obligation, your duty, your responsibility to give those Words, come what may, no matter what the cost.

**217. You must give His message and be a faithful messenger, a faithful voice, and let the chips fall where they may.** Spare not the message due to the cries of the children and their doubts and their balking and their wonderment, but just give what the Lord gives you. Be faithful to give whatever He gives you, because only in your giving and your pouring forth will He be able to continue to give to you and to Peter, the faucet, and to your channels, the many Words that He has yet to give. You are His mouthpiece, His voice, His messenger, and whether He puts His Words in your mouth and you speak them yourself, or whether He puts His Words in your hands through your channels, it is the same; it is still His message, His Words, and it is still your responsibility to pass them on.

**218. Each Family member has a choice as to whether they will believe not only the Words that the Lord puts in your mouth, but also the Words that the Lord puts in your hands through your channels.** They have a choice to believe the counsel that you give directly and the counsel that you pass on that the Lord gives directly through prophecy, through His living Word, the messages that He has for the Family for today. Each person must make a choice and a decision to believe and receive, and the Lord will bless each one individually according to their faith. (Believing Prophecy! [#3130])

**The core of the matter and what I really desire is the hearts of My brides--each one's personal love for Me, dedication to Me, and willingness to obey Me through whatever personal tests and choices they have to make, whatever weaknesses they personally have to overcome, and whatever cross they personally have to bear.**  
(Broken promises)

Something that is easily attained is never appreciated as much as a prize well fought for. Do you desire the Spirit? Do you desire it, My loves? Then I want to see you fight for it and prove to Me that you mean what you say. I know that thou lovest Me. But just as I had to ask Peter this many times, so must I ask you. For the flesh can overcome even the most well-meaning Brides. Lovest thou Me? Lovest thou Me, even more than these? (The Wayside)

(Celeste:) The life of a true follower of the doctrine, a true disciple, is a life of sacrifice; it is a life of faith and constant danger; and not just from matrix bots trying to eliminate you, but the faith life is a life of not knowing where your daily sustenance is coming from. It is about striving to reach a goal that not too many others see. It believes in a dream that the heart knows will one day come true. These believers don't eat system bread; their dream is sustained by the Word of God. They know that without this spiritual bread, their attempt to live a life outside the system/matrix will undoubtedly fail. They see others give up the fight, saying as they leave that it is not worth the fight, that it is an endless rotational dream. They give any number of reasonable and unreasonable excuses why it is impossible. The life of a disciple is a constant fight to stay free of the entanglements of the world. (The Wayside)<sup>1</sup>

<sup>1</sup>What happens is you get to a point during your climb where you say to yourself there are no more worlds to conquer. Just like Alexander who gave up and died thinking he had conquered the world. There will always be another mountain to climb in this life, and certainly in the next. Eternity goes on forever, so don't be afraid of it. Don't allow your carnal mind and seeming restrictions of the flesh to convince you that you've reached the top and there is nowhere else to go. Of course there is somewhere else to go...up.

## TRAPPED ON THE MOUNTAIN

*But on the mountain you are the first to see the sun rise & the last to see it set! You see the full circle of God's glorious creation! You see the world in its proper perspective with range after range to be conquered & a world beyond the horizon of normal men! A world beyond their vision & their horizon! You see distant peaks yet to be climbed! You see distant valleys yet to be crossed. You see things that the men in the valleys can never see.--Can't even comprehend because they can't see it! And you can see the 360 degree circumference of the total horizon--the entire scope! It's like seeing all of life from its beginning to its end & understanding. You feel like you're living in eternity; whereas, down below they're living in time.*

*I know you can't make this next step. I know how difficult it is to let go of the things of this world, to let go of the mountain face and fly out into the world of the spirit with Me, out into what your carnal mind is telling you is impossible. I hear it in your heart long before it comes out your mouth. Oh why dost thou doubt, ye of little faith? Call on the Keys and they will buoy you up and you will walk upon the waters.*

*"Through the keys of the Kingdom you will change, be recreated, mount up with wings as an eagle, and soar to great victories and progress. Call on the keys to create in you a new mind and to release you from the limitations of your old mind and carnal reasoning." You have reached the limits of your flesh. This is where the pioneer must step forward and say with all those that pioneered the road that you have passed over to get where you have reached this day... I must go forward, even if it costs me my life, I must go forward.*

**October 1, 2024...Prophecy:** The enemy is attacking the only weak link that is left in your armor. Once this crack has been sealed and locked by the Keys, his attacks on your spirit will become less and less effective; the answer can be found in the Keys. This month is the month of the Keys; you have to make a concerted, determined effort to make the Keys a very part of your spiritual armor. You have been using them a lot more, but there is more; they have much more to give you than you realize. The Keys are the key to breaking through the final barrier, through the purple mist and into the generators themselves. Transparency, you have to be transparent to this world. It is an impossible concept for the carnal mind to grasp, so you have to let go of the carnal side of your mind. You have to put on the spiritual mind, the mind of your Lover, through a deeper, more intimate relationship with your Blue Angels. To be the conduits of power that are needed, you have to stop thinking with the carnal mind; you have to let go and allow the Keys to take over your thinking and thoughts. Push those Keys in, and they will push the old ways and the old man out. Turn on the Keys, and the darkness will flee of itself. You've been told this for years now, but it hasn't sunk in as much as it needs to and that is because you still have that carnal desire to understand, to see before believing. Use this month to really push the Word and the Keys into your mind in order that the last remaining vestige of the world is flushed out. Don't tell yourself that this can't be done, that it is impossible to erase every trace of the world in your minds. You just have to shut that door every time, even when the enemy says you can't close it, that you have to keep it open. To be the miracle workers of the End, you need to be fully soaked in the Word and the Keys, to be absolutely absorbed in the spirit of what needs to be done at this stage. It is not a work of the flesh; it can only be achieved by taking in as much as your tiny sponge can absorb plus a little more. Stretch that sponge by taking in more of the water of the Word. You are at the barrier between the worlds, and as the Word that we have been pouring down keeps saying, the flesh has to be left behind. It cannot go where you need to go. The wilderness is not a place of flesh and blood; it is a place of spirit, and only the Keys have the power to push you through. And in pushing through the veil, the flesh will fall to the ground as an empty, lifeless sack. Don't try to figure it out; don't try and work it out and calculate how this all works. Let's not have to go back over old concepts like the electricity analogy. Let's just take it by faith that this is the way. The only physical thing you have to do to make this next step a reality is to push the Word and the Keys into your spiritual minds as much and even more than is physically possible. You do that part, and we promise we will do the rest. Your mind will resist, and no doubt it is already resisting, or falling asleep or losing interest, but you've come this far by faith or by being willing to give the Words of David one more try. You have come this far by faith, even if you had to tell yourself that there isn't anywhere else you could go. So stand now and take another step of faith and make the Keys a part of your very nature by memorizing them and reviewing them even more than you are now. The Keys are the only way forward.

You have indeed come the full circle, as it says in Mountain Men: You can see the 360 degree circumference of the total horizon--the entire scope! It's like seeing all of life from its beginning to its end & understanding. You feel like you're living in eternity; whereas, down below they're living in time.

Now that you have come the full 360 degrees, stop and look at the total horizon, the entire scope, from the beginning to end, the reason for it all. This is the life that you almost threw away in a moment of frustration, but instead you made one last step. You took the hand that was stretched out to you, and you were boosted out of the flesh and by the spirit made it up to the level you now stand at. You reached the pinnacle of this mountain, and now it is time to fly to the next. --That's right, fly-- Just as you flew from down there to here, now you have to fly from here to up there. There is only one difference between when you were down there and where you now stand, and that is you now understand more clearly how you got here. You have the full 360 degree circumference stretched out before you. It is like you are no longer a babe, and you're being shown the next step with the understanding of an experienced spiritual mountaineer.

From this point on, it is by the spirit and in the spirit and through the spirit. No man can do the miracles I did when I was on Earth except through the Spirit of the Father, and as you know, the only way to the Father is through Me, the Word, and as you have been told, the only way to Me for those who walk the path of the Children of David is through the branch of the mind and those door

keepers, your Blue Angels. And last but not least; those who stand before their Blue Angels requesting entrance into My full mind, must be holding the Keys of the Kingdom, and not only holding them but have a good working knowledge of them. They must be flowing through every fiber of your spiritual being. So here we stand at the impossible door to the next flight up. The ability to move forward is not in you; it is in the Keys. Let the Keys buoy you up; let the Keys show you the way to walk on water.

*Your carnal mind, not your whole mind, but your carnal mind, sets a barrier before you, much like the barrier Satan has set between the spiritual and physical realms, the one that the Final Key will soon break down. Since birth you have been conditioned...educated...to believe that the barrier is real and that it is unbreakable. Man was so proud of himself when he broke the one-minute mile, when he broke the 100 meters 10-second barrier, when he broke the sound barrier and when he flew to the moon. Man has pretty much reached the limits of what his flesh can do without the help of machines; that is why he is now going bionics. And he is fascinated by his achievements. His inventions are pushing him further and further into the wrong side of the spiritual realm. With inventions like CERN he is now fiddling around with the latch to the portal door, like a toddler playing dangerously close to the edge of a swimming pool.*

*Let's leave carnal man and his antics and take our minds back to the mountain that you are climbing. You are breaking barriers also; you've already broken barriers that many people said couldn't be broken. So many people stopped climbing at the Maria letters and said there were no more mountains to climb. "This is as far as there is to go," they said. Funny thing about going down--No inspiration, no goal, no accomplishment, you're just sliding back down into the slough--back into the morass of humanity & the mire of the multitude. Another funny thing about going down: you take that vision of the mountain with you. The mountain you were once climbing starts to shrink in your mind-- as you go back down into the morass of humanity and carnal man, so does the mountain shrink and eventually disappear into what many like to call just "a figment of their imagination." It was just a phase in their life, they tell themselves, and now that they have passed through it and have their feet back on the firm ground again, they can get on with their lives. They choose to forget the past and move on into what they believe to be their future. Most mountain climbers who were lost were lost in the descent because when you are climbing up, you can see where you're going, but when you're going down you can't see. How many people who go back really see what they are getting into? They think they're going back to the easy way, but they never realize what they're getting into by going back. A terrible let-down!*

*Isn't that just the saddest of all thoughts? Our hearts go out to those that go back down. And yes they do end up eventually, if not sooner, being terribly let down --all inspiration gone from their lives; the vision of that once glorious mountain morphs into a house in the suburbs and a few friends dropping by every now and then that only talk about their money problems or what their kids are doing at school. It is no wonder so many people end up on some kind of drug, the pain and disappointment is just too much. But they are not you... you have reached where very few in this world have reached. You too are at the portal between our worlds; you too have been exploring the world beyond the two-dimensional world of time and space, but you have reached a point where you just can't seem to make any further inroad. Your faith is not strong enough to push through the final barrier. It is your flesh, your carnal mind that is holding you back. To the man of faith, nothing is impossible, and it is only impossible because you are not willing to make the sacrifice it takes to leave that flesh behind. You are at a very crucial juncture in your climb...the faith you had to believe in MO and Maria is not enough at this point. You need to take a look at what is in your hand. Yes, it is the Keys, those magical, mystical Keys. It's the Keys that have the power to open the portal doors that seem very tightly closed to you right now. The flesh cannot go where you need to go now. As I said to My disciples before My crucifixion, "You cannot come with Me now, but soon you will follow," I am saying your flesh cannot climb any higher. It is tired and worn out. It is so many things that fight against your pushing through the barrier that now confronts you. Your carnal mind is freaking out and telling you it can't be done; it's impossible. I'm here to tell you that what is impossible for men is possible for Me. I'm here to tell you the answer is in the Keys; only the Keys can open a way forward. The flesh and carnal mind are deathly afraid of the heights you have reached; don't allow your spiritual mind to turn around and look at where you stand through the eyes of the carnal and fleshly. Too many people read the following excerpt from Mountain Men and caught the spirit of the Word but only for a brief period in time, and then it was lost, swept away by the cares of this carnal world. Take the Keys right now, quote a powerful Key powered prayer and let Me read it once more. "If you need to change your mindset, call on the keys of discipleship and experience a complete reworking of your mind by My power." "Take hold of the keys of boldness to proclaim My truth; grasp tightly the keys of revolution to remain separate from the world; and cling to the keys of commitment, which make you never want to be a part of the world and its ways."*

*Okay, now close your eyes as I read this excerpt from one of MO's time capsules. Only pioneers climb mountains--people who want to do something that no one ever did before--people who want to get above the multitude--beyond what has already been done & accomplished. Pioneers must have Vision--vision to see what no one else can see; Faith--faith to believe things no one else believes;*

*Initiative--initiative to be the first one to try it; Courage--the guts to see it through! But on the mountain you are the first to see the sun rise & the last to see it set! You see the full circle of God's glorious creation! You see the world in its proper perspective with range after range to be conquered & a world beyond the horizon of normal men! A world beyond their vision & their horizon! You see distant peaks yet to be climbed! You see distant valleys yet to be crossed. You see things that the men in the valleys can never see.--Can't even comprehend because they can't see it! And you can see the 360 degree circumference of the total horizon--the entire scope! It's like seeing all of life from its beginning to its end & understanding. You feel like you're living in eternity; whereas, down below they're living in time.*

*I know you can't make this next step. I know how difficult it is to let go of the things of this world, to let go of the mountain face and fly out into the world of the spirit with Me, out into what your carnal mind is telling you is impossible. I hear it in your heart long before it comes out your mouth. Oh why dost thou doubt, oh ye of little faith? Call on the Keys and they will buoy you up and you will walk upon the waters.*

*"Through the keys of the Kingdom you will change, be recreated, mount up with wings as an eagle, and soar to great victories and progress. Call on the keys to create in you a new mind, and to release you from the limitations of your old mind and carnal reasoning."*  
*You have reached the limits of your flesh. This is where the pioneer must step forward and say with all those that pioneered the road that you have passed over to get where you have reached this day... "I must go forward, even if it costs me my life, I must go forward."*

**"He that forsaketh not all that he hath cannot be My disciple." My Word is very straightforward...too straightforward for some people. They just can't stand it, so they compromise and make excuses for themselves. They can't stand the conviction and find the price too high. Yes, I won't deny that to your human eyes the cost of being My disciple is "too high"...It is impossible when looking at it through the eyes of the world and the flesh. And especially these Words of David that speak of full possession and transparency and all that... Your mind says, "It's too high for the likes of me." BUT and it's a very big "but" if you'd just find it to look past this world and into Mine, you would see that there's no comparison between what you are giving up and what you are gaining... There is nothing that this world can offer you that I can't give, and it'll be a million times better. You just have to believe. Believe in that which is, for the present, unseen... RIGHT That is where so many fall by the wayside. They want to hold something in their hands, to feel something and see SOMETHING. They just can't make it past the part of My Word that requires blind faith. I understand that it's a challenge, but the dividends are more than worth it. Belief is where you just fall down... because it hurts to let everything go, so you just sort of get out of it, because I'm not standing in front of you telling you to do these things... your carnal eyes can't see Me. You have to look past it and look into My eyes and their find your courage to give all till your last breath. You will fall and fail but you must not stay that way for long, because great is the reward of faith, My love... pursue it....**  
(Broken promises)

**(Blue Angel:) Break the ties that hold you down to earth and hinder you from reaching deeper into the spirit. Pride is a weight, and it is something you must continually let go of. That is not impossible; it only seems impossible to the carnal mind and that's what holds you down. So empty your duffle bag, take each unneeded undesirable thing that is in there. Truly let go of the world you've lived in so long and step into the City. The freedom of its spirit will fill you and you will feel lighter. Yes, your duffle bag will be so much emptier with only your essentials inside; no more of that junk. The junk of self-image, pride, self-confidence, self-centeredness and all the things you've held onto. The worldliness and the daydreams, the time-wasters and things you turn to when you feel bored and empty, all need to be pushed down the trash chute. They only left you more empty and discontent. They pushed you further from Jesus and made you believe in something that was only a façade. All the pride you've held onto to cover up what you didn't like needs to go. Continually! You will make it if you try and this is the way to do so. We pray for you and we help from the spirit every day. We pull you closer to the Bridegroom in any way we can. Jesus tests you to see if your love for Him is strong enough to endure any hardship and we don't want you to fail! How heartbreaking it will be for those who reach Heaven having not have fulfilled their mission, having stopped along the way. Don't let that be you, my love. Don't let the flesh stop you now. Having come so close, don't turn back now. Take each day as it comes, obeying, yielding, letting go. (The Wayside)**

**These tests and trials are part of the winnowing and selection; I must have good seed and good soil for the Millennial planting. The coming millennium is the new spring. The winter is passing, and it's almost time to sow My new season seeds. The seeds that have held on and passed the many and varied stages of selection are being placed in My shoulder bag. With each passing generation, I have selected the good seed and stored it in My bag for the coming sowing. Hold on, My brides, it won't be long now. Satan and this present world have entered the very last days and the time of purging and making white has arrived. And after that the tares must be cut down and then the harvest follows. (23<sup>rd</sup> of FEBRUARY, 2023 (The Wayside))<sup>2</sup>**

<sup>2</sup>The picket Key is one of the Keys you need to make the final push. The whole you --that is, your flesh-- cannot make it. It doesn't want to; it has planted its feet and refuses to move. So reach through the veil with your hand and plant that picket Key in that crevice just above your head. If I see you make that determined effort, I will come in under your foot and give you a boost. It is going to take faith, I know. It is going to take determination, I know... here is a Key that will help you with that part, and there are others. You just aren't using the Keys enough. They need to be part of your very being, you need to drink them in. "When you feel discouraged, call on the power of the keys of faith to keep your feet set upon the Rock, your face turned toward the light, and your eyes firmly fixed on the sure victory of change, as you keep going and refuse to quit."

You are going up, there's no two ways about it, but your part has to be in this climb, and your part is using the Keys at every opportunity. You had to reach this part of the climb in order to realize that your flesh is not capable of breaking the miracle mile, the last lap, the spiritual barrier... Come on, I know you can make it because I'm going to make it through you... Don't leave off where the others said it couldn't be done. I know the Devil is relentlessly attacking your minds right now; you have to shut him out. Here's another Key...and you have to keep quoting it. He's got his foot in the door, but by quoting it over and over and over, it's like you are pushing that door hard upon his foot, and it's hurting him. He doesn't want to let you know, but he's angry, raging mad cause it is giving him lots and lots of pain. "Activate the keys of unwavering faith and trust, and in the spirit you can scale any mountain, walk through any fire, and cross any canyon with My full protection and indestructible determination."

## REVELATION 14

**Revelation 14:4** These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, being the firstfruits unto God and to the Lamb. **MB: This is what we are trying to do here, get a boost, to fly, be those eagles that feast off the new wine and follow Jesus where ever He goes.**

**14:5** And in their mouth was found no guile: for they are without fault before the throne of God. **MB: Not faultless but without fault**

**14:6** And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people, **MB: That's what is happening right now, right this minute with San-Badh-Mahl and team.**

**14:7** Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters. **MB: What happens next?**

**14:8** And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication. **MB: What happens after the gospel being preached, the fall of Babylon, America the whore is judged.**

**14:9** And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, **MB: Whose standing in the wings waiting to catch the fallout when the whore crashes, the green paper pig collapses...communism, Putin, Xi, the new world order, here we are we are ready to go. All you need to do is sign on the dotted line, take this number, this mark. What boggled our poor carnal minds in yesterday's podcast was how all of this could possibly happen all in one year. Well it is all by faith that is what we are praying for that all of this can and will be accomplished in one year. Because the gospel is right now being preached and according to what we've been told in the "Blueprint for the Final Hour" that everyone has made a decision by this time. That saying "in their forehead" could mean in their minds, after all that is where we received our mark, the mark of God, you can't see it on our foreheads, so where is the mark of God, where is the mark of the beast on their foreheads? It probably is literal but who really knows?**

**14:10** The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

**14:11** And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

**14:12** Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus.

**14:13** And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them.

**14:14** And I looked, and behold a white cloud, and upon the cloud one sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle. **MB: That looks like the rapture**

**14:15** And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe.

**14:16** And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped.

**14:17** And another angel came out of the temple which is in heaven, he also having a sharp sickle.

**14:18** And another angel came out from the altar, which had power over fire; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe. MB: That sounds like the wrath of God.

**14:19** And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into the great winepress of the wrath of God.

**14:20** And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand and six hundred furlongs. MB: That's the battle of Armageddon. If this is a time line then we are at the point that the angels are preaching the gospel which is right before the fall of the whore...let's see.
