(The following article submitted by Lisa)

Heard a song today and it was Psalm 121 and the 'I will lift up mine eyes' verse 1 jumped out at me:-

Psalm 121:1 I will lift up mine eyes unto the hills, from whence cometh my help.

I was then looking up the Hebrew of that and clicked by mistake Strong's # 121 instead of Psalms 121 and it gave the meaning and Psalm 4 verses 6 and 7 as an example. So as I was looking up Psalm 4, I accidentally clicked on a word that then went to the Infostore Dictionary and it was the *he* in Psalm 1 verse 2 and the definition it gave was *He, the Chemical symbol for Helium*

Psalm 1:2 But his delight is in the law of the LORD; and in his law doth he meditate day and night.

Do you remember Helium from [The Seven Thunders podcast](#)?

October 30, 2024...SEVEN THUNDERS

Jesus and Blue angel speaking: So are you doing all you can to fly off this mountain? Are you pushing in those Keys as much as you can? **You know, they are like helium.** They are the wings you need, and they are that magic wand in the Crash letter. They really are the secret to flying, as well as the other weapons of the spirit that you have been gifted with.

So beautiful how the spirit speaks and flows. It's surreal. Beautiful! The keys are our delight, and as we meditate on them as much as we can, day and night, we will delight in the law of the Lord, the Law of love. We'll be empowered by the keys.

So Psalm 4 says

Psalm 4:6 There be many that say, Who will shew us any good? LORD, *lift thou up* the light of thy countenance upon us.

Psalm 4:7 Thou hast put gladness in my heart, more than in the time that their corn and their wine increased. In other words...better than the things of this world.

It's another confirmation that you must keep your eyes on Jesus, and He'll put gladness in your heart because of your obedience.

*“Fighting those carnal thoughts and this mind **is what makes you the fighter you have to be**, but it also makes you soft and submissive as you call for our help for what is impossible to you. You see it is a cycle of you fighting the carnal mind and then calling us to help you because truly you can't do it, but it is in this calling that you open the way for full possession.” (B&G)*

So the ‘I will lift up my eyes’ from Psalm 121 is Strong’s # 5375 and the first reference where this Hebrew word is used in other verses is actually

Genesis 7:17 And the flood was forty days upon the earth; and the waters increased, *and bare up* the ark, and it was lift up above the earth. (I am going to be taking note of the number 17) (There is one right there in the reference of this verse and a 7 too) (It matches the 17th of the 7th month of Genesis 8:4 where the ark came to rest on Mt. Ararat after 150 days from the end of the rains; that is five months)

If you remember, we talked about the ark in our podcast called “Heavy rain is Coming” recorded on 18th November, because it just so happened to be the day the rain started falling on Noah’s ark, which is, in the Hebrew calendar 17th Nissan.

***MB:** And here's something that thrilled us because of all that is being said in this blog: 40 days after the podcast ["Heavy Rain is Coming"](#) which we said was given on the 18th of November...is December 28 and that is the date the warrior band went [into the City of Light](#). And I know this is getting wild but December 28 was the date given to us from our study on the MO letter "40 Days and Nineveh shall be destroyed" Of course if you have been following MB blogs you would have a pretty good idea of what I'm talking about. P.S. If you are interested there is a whole series of podcasts at the end of December, 2023 about 40 Days and going into the City of Light.*

That’s when I first noticed the 17s. Well, when you look it up, so many others have noticed it too. It’s pretty obvious in the Noah story. I wonder then, what it means for us and if there are clues there in the 17? And I think numbers definitely have significance in the Word! There are too many coincidences.

These next Genesis verses are the ‘17’ verses.

Genesis 7:11 In the six hundredth year of Noah's life, *in the second month, the seventeenth day of the month*, the same day were all the fountains of the great deep broken up, and the windows of heaven were opened. (This is the 18th of November in 2024 in the Gregorian calendar; the day the podcast “Heavy Rain is Coming” was posted)

Genesis 8:4 And the ark rested *in the seventh month, on the seventeenth day of the month*, upon the mountains of Ararat.

I was going to put these ‘numbers’ down as it can be quite confusing and overwhelming but Psalm 121 got me going again to try to have a shot at it. ‘17’ is making itself known. By the way, *Noah did everything just as God commanded him*. That is Genesis 6:22. 622 is a number we have talked about before...but I won’t go into that right now. Just soo many numbers!

So the rain started on the 17th and then 40 days of rain and then 5 months later or 150 days later, the Ark rested on Mt. Ararat, hitting land on the 17th. (Amazing...it started raining on the 17th and the Ark landed on the 17th)

Now here is an article I found about the special date “17th Nisan” and explains it very well.

“Now I want to draw your attention to the day that the ark first touched ground again. We read above that after the waters had receded, the ark touched down on the mountains of Ararat on the 17th of the 7th month. That is pretty amazing don't you think? It's the 17th! Are you with me? Ok, let's explore this a bit further.

We said at the start of the study that the ark is a picture of baptism. In going down through the waters and coming back out it is a picture of death and resurrection. With that in mind it makes it extraordinary that the day that the ark touched the earth again is on the 17th of the 7th. You see, in Exodus 12:1 the Lord changed the Israelite's calendar. What had been the 7th month since creation was now to become their 1st month. To this day the Jews have these two calendars (usually known as the civil and religious calendars). So the 17th of the 7th month (when the ark came to rest and a new life dawned for Noah and his family) is exactly the same day as the 17th of the 1st month (called Nisan) in the religious calendar. So what is significant about this day then?

New birth and the feast of first fruits

There are a surprising number of key events in Israel's history that occurred on this exact date. The 17th of Nisan (the first month in the religious calendar) is a very key date associated with resurrection! Here is a list of the events that occurred on this day:

Noah's ark comes through the waters and rests on the earth for the first time bringing new life to Noah and his family on the 17th of Nisan.

The feast of first fruits (symbolizing new life) would occur on the first Sunday after Passover (Passover was on the 14th of Nisan (Exodus 12) so any time this falls on a Thursday, the feast of first fruits was on the 17th of this month).

Israel came through the Red Sea on the 17th of Nisan having left at Passover on the 14th. For them this was death to their old life (with the drowning of the Egyptians) and resurrection to a new life in God on the 17th!

The manna which had fed the nation of Israel for the 40 years in the wilderness stopped on the 16th of Nisan and from the 17th onwards Israel feasted on the new grain of the promised land (Josh 5:10-12). This again is a picture of the new life that came on the 17th!

The death sentence hung over the entire Israelite nation as their sworn enemy, Haman, had convinced the king to sign a decree to destroy them (Esther 3:1-12). The decree went out on the 13th Nisan (Esther 3:12). Esther then proclaimed a three day fast (Esther 4:16) for the 14th, 15th and 16th. On the 3rd day (5:1) Esther approached the king saying to herself 'If I perish, I perish!' (an attitude of death or resurrection... it's in God's hands!) On the 17th Nisan, the tables were turned on the enemy Haman and instead of the Jews being destroyed, his own life was taken!

Events leading to the greatest 17th....

Now I'm sure you will agree that God has placed some key 'resurrection' type events on the 17th of Nisan. All of these were of course but a small picture of the greatest event that would occur on this day... the resurrection of Jesus Christ!

If you read the Exodus 12 passage mentioned earlier, you would have noticed that God told the Israelites to take a spotless lamb on the 10th of Nisan and to inspect it up until the 14th Nisan where it would be killed in the Passover sacrifice. The 10th of Nisan, in the week leading up to Jesus' crucifixion, was Palm Sunday. It was on this day that He presented Himself to the Israelite's as their Messiah to be openly adored and worshiped. On Thursday the 14th of Nisan, in direct fulfillment of the Exodus 12 passage, the true Passover lamb was slain for your sin and mine.

The greatest 17th by far!

Before crossing the Red Sea on the 17th Nisan, it looked like it was all over for the Israelites. The whole Egyptian army was bearing down on them and they were utterly trapped. And yet, in the face of death, God bought resurrection life to His people and death to their enemies!

Before going to the king unannounced, it looked to Esther and the rest of her people that Haman's evil decree would bring the death of the Jews. And yet, it a twist of fate, the 17th came and it was Haman himself that faced the gallows and was defeated!

With the death of Jesus all looked lost to His disciples and followers. Their Messiah was dead! The one they had placed all their hope in was gone. And yet strange events in the sky and in the temple at the time of His death gave a flickering hope that the end of the story had not yet come! The disciples, being Jewish, knew that God had told Moses that the first Sunday following the Sabbath after Passover would be the feast of First fruits. (See Leviticus 23:9-14). It was on this day that they were to offer to God the first fruits of the harvest. And yet, even the disciples didn't see that God was starting a new 'first fruits' on this day, the 17th Nisan. A 'first fruits' of those that would be raised from the dead! Read again the events that happened on that great day!

Luke 23:1-8 'On the first day of the week (17th of Nisan), very early in the morning, the women took the spices they had prepared and went to the tomb. They found the stone rolled away from the tomb, but when they entered, they did not find the body of the Lord Jesus. While they were wondering about this, suddenly two men in clothes that gleamed like lightning stood beside them. In their fright the women bowed down with their faces to the ground, but the men said to them, 'Why do you look for the living among the dead? He is not here; he has risen! Remember how he told you, while he was still with you in Galilee: 'The Son of Man must be delivered into the hands of sinful men, be crucified and on the third day be raised again.'" Then they remembered his words.'

1 Corinthians 15:20-23 But Christ has indeed been raised from the dead, the first fruits of those who have fallen asleep. For since death came through a man, the resurrection of the dead comes also through a man. For as in Adam all die, so in Christ all will be made alive. But each in his own turn: Christ, the first fruits; then, when he comes, those who belong to him.

Like the defeat of the Egyptians and the death of Haman on this same day previously, this Sunday morning saw the resurrection of Jesus and the defeat of Satan! Death had been turned into life and defeat into victory!

Conclusion

One of the things I love about God is that He is very exact and precise. It's like He loves to provide clues, little bread crumbs, throughout His word for us to follow if we will take the time. The mystery of the 17th is one of those bread crumbs. What starts off as an insignificant date mentioned in Genesis 8:4 is in reality the first in a series of clues that God gave pointing to the resurrection of His dear Son! All we need to do is take some more time searching and following the clues! And if you follow these right to the end, you'll find that God's clues always lead to His dear Son, Jesus!"

MB: *But we aren't at the end... There is one more event that has not yet been dated, a date that literally millions of God's children are waiting for, both living and sleeping, both on earth and in Heaven. Which again; Noah's Ark is but a type and that is Jesus' second coming. It has been revealed to a very small number of believers that the Final Key is a type of Ark, and this second Ark will be opened at the dawning of the New Millennium, soon after the return of the King.*

So I wonder what the clue is for us. Will we be resurrected on the 17th Nissan 2026? In the Gregorian calendar that would be 4th April, 2026! Perhaps this is a coincidence; nevertheless if you subtract 1260 days from 4th April 2026 you land on the 22nd of October 2022. Seems more like divine number guidance don't you think? 22 is the double of what number? 11. If you go back another 1260 days from 22nd of October 2022 you land on 11th May 2019, May is the fifth month and October is the 10th month. Out of curiosity someone in our home wanted to see what podcast we'd produced on the 22nd of October 2022...and it was...["The Book Burning"](#)...now that is not coincidental...but neither are all those amazing numbers and dates lining up the way they did.

Because look at these numbers!

*17 is the small gematria of the name Yeshua (the Hebrew name of Jesus), because 386 is the gematria of Yeshua and is $3+8+6=17$ and 26 is the gematria of YHWH (YahWeh) which is the sacred name of the Hebrew God, which God revealed to Moses in Exodus. Yeshua is God (YHWH=26) in the flesh as Yeshua ($3+8+6=17$) (from an article on properties of the number 17) (Note: Gematria is a method of computing the numerical value of words based on the value of the letters of the Hebrew alphabet)

Genesis 7:24 And the waters prevailed upon the earth an hundred and fifty days.

Chapter 8

Genesis 8:1 **And God remembered Noah**, and every living thing, and all the cattle that was with him in the ark: and God made a wind to pass over the earth, and the waters assuaged;

It sounds as if God had forgotten Noah as he and his family was floating on water for 150 days. Noah could have been freaking out wondering what was going on and how long they would be floating around and how long their food and fresh water would last. Even after the wind started blowing across the earth and the waters started going down, it took a long time before they were able to walk out on dry land again. And did he even know how long it would take? It's an amazing Bible story as a prototype to being safe in the arms of Jesus through enduring long-standing battles, like living the law of love or a chronic illness, for example, or being alone and lonely.

So it sounds like God had forgotten Noah, just like you sometimes feel that Jesus has forgotten you or is making life too hard. But actually, on the contrary, the Hebrew word for 'remembered' means 'to mark for memorial', meaning that Noah was always in God's sight and that God was marking a special time and point in history. It is marriage talk; covenant language. He is showing Himself faithful to His word. Beautiful, sweet Jesus is always wooing His bride and longs for you! You are His bride- to-be. But at the same time He is preparing you for the Marriage night and He knows exactly what to do to prepare you! I don't know what you call that, when you thought it meant something when in actuality it meant the very opposite. It really sounds like the carnal mind and carnal reasoning and a device of the devil to make you think Jesus doesn't care. 'How could my Husband make me to suffer so and for soo long? It doesn't make sense to my carnal mind.'

But God had simply made a promise to Noah and he took Him at His word!

Genesis 6:18 *But with thee will I establish my covenant*; and thou shalt come into the ark, thou, and thy sons, and thy wife, and thy sons' wives with thee. ($6+18=24$...2024 the year the warrior band were in the City of Light)

Genesis 6:19to keep them alive....; ($6+19=25$...2025 the year coming up and promised in prophecy to be the worse year this world will ever experience)

... and the waters assuaged; The waters abated!

Me: I see another “And God remembered” verseconcerning Rachel. (Now *there's* a Law of Love story!)

Genesis 30:22 And God remembered Rachel, and God hearkened to her, and opened her womb.

Genesis 30:23 And she conceived, and bare a son; and said, God hath taken away my reproach:

Genesis 30:24 And she called his name Joseph; and said, The LORD shall add to me another son.

Is that God being mean or is He in control, His ways being far above ours, trying to figure it all out with our puny minds? If this is love talk, a covenant reminder, shouldn't we also remember His promises to us despite the seeming contradiction of our circumstances? The timing of the birth of Joseph in the lineup of boys was just right. She may not have seen the outcome on earth, but yet she did see the effects for all eternity! Lord, help us to just yield to Your loving ways in our life and trust You.

If you identify with Joseph and you're wondering why you've been kept in prison longer than you anticipated, understand today that it is so God can put you on pause and keep you safe in the wings.

Joseph was shut up and sealed in that prison, like Noah in the ark, until God called his name and then it was time for him to step into his appointed place. Until that time, God was inputting him. The Spirit of the Lord was ministering to him in the secret place.

Once a Bride is betrothed, what is lying ahead? What is the goal? The goal is the wedding. The goal is the consummation of the marriage. The goal is complete oneness with Christ and she presses towards that. Let me say it again, she presses towards that; that she seeks after: oneness with Christ. (CB)

Out of these ashes of what sometimes seems like defeat will spring forth beautiful lilies, beautiful flowers that will be a comfort to you and many others. These things have a significance which you are not aware of now, nor will you be fully aware of until you come to Heaven, where you will know and understand the things that you do not understand now. These are things of the Spirit that are spiritually discerned, and you cannot know them and I cannot reveal them to you at this point. But trust Me, and you will know and understand in My time, when you have come into the realm of the Spirit. You will understand the blessings that I have bestowed upon you, the victories that you have won, the rewards that I have given you for fighting through to victory. You will see how this has been part of My plan to accomplish My purpose in your life--not only in this life, but in the next life. For all that happens to you and all that I do now is not only for now but is preparation for the life to come. This life is but a drop in the bucket of eternity! It's a very short time span when compared with the next life. But though it's very short, it's very important--for everything you do on Earth, in this life, has great significance in the life to come. Everything that you learn now is multiplied many times over in the next life. Therefore I allow these things to happen to you now so that you will learn, so that you will grow, so that I can pour out My blessings upon you, so that I can give you the gifts of My Spirit that come as a result of your fighting, giving, loving and yielding. (Victory over Jealousy pdf by John)

THE FINAL KEY

Your destiny is to be the ones who will have the Final Key to turn the final lock. No angel in Heaven, no spirit being has this power. This is the destiny of the children of David. This is what I am counting on you to fulfill. Each of you is important. Each of you is called specifically for this time in history. Unlock the power by unlocking the daily challenges through the use of the keys you have in your hands. You must *use* the keys to release the power so that the floodgates will open. They wait for you.

(Jesus:) It is final in the sense that it is the final key in the final lock in the final act of this era of Earth's history. This does not mean that there are not more keys or more locks or more plays with yet more acts--just that the curtain will have gone down on this particular play. The curtain will rise again with the opening of the Millennial play, with its many keys and acts, and you, My dears, will play your roles in that drama as well.

I guarantee you that these words are true. I guarantee you that you will see this power. I will accomplish that which I have set out to accomplish from the foundations of the world. Only do as I have asked and obey Me, and this privilege will be yours. Indeed, many millions and billions have wanted to see this day and live in this time, but it is given to you to see these days and be part of this final event, if you so choose.

Then I saw a very beautiful sight. I saw a light blue key made of light. It was like a 3-D puzzle which wasn't yet complete. I saw little different-shaped pieces rising from the Earth, which would click into place, interlocking with the existing pieces, completing part of the key. It was as if I was watching the world from the beginning of time. Each person the Lord had called to be a piece of this key, as they did their part and their mission was ended, their section of the key clicked into place.

As it grew faster and faster, I saw more and more people on Earth praying, saying, "I claim the keys," then praising for the victory. As the key segments rose from the Earth, I saw each piece locking into place to the faster and louder sound of the huge lock being turned. The pounding was so loud I could feel it in my chest. Then I saw, as it got closer to the end, that the key segments were rising faster and faster, till it was a blur of light rising from the Earth, pausing, then clicking into place, finishing the key.

Then I heard a loud tolling of a bell, very regal, heavy, and powerful. In the background I heard machinery powering up, humming as the energy rose. The air began to crackle and snap with power as the key began to move toward the lock.

I saw the huge barrier and lock again. Beneath it were standing thousands of microscopic people who were watching this huge key move toward the lock. The interesting thing about the key is that it wasn't like a normal key in appearance, but rather it was shaped like a long cylinder with rounded ends, similar to a test tube.--An extremely complex and intricate key, and yet it was so large.

It zoomed forward and slammed into the lock with a powerful thud. I heard the heavy bars in the barrier snap back one at a time as heavy thuds in sequence. Then the keyhole began to shine very brightly, and suddenly the barrier vanished and a massive stream of white gold poured out and covered the Earth! I saw it boiling, sizzling, and crackling around the globe. It was destructive to evil, but to us it was incredibly positive. I saw Family members getting empowered. They were filled with the power that was poured out. The feeling was very powerful when I looked into their eyes. It was almost as if they were no longer there, only the power that was fully possessing them.

Then I saw miracles being performed all over the world--healing, protection, power streaming from their hands and mouths devouring the Enemy. And the words came to me to close this vision: **"The final act!" (Assembling the Final Key! [#3525])**

May 13, 2024, Prophecy Jesus speaking: Sing on My loves, My called and chosen, My small potent band of warrior musicians; those whose final mission is to bring to bear on Satan's kingdom the powerful cleansing frequency of the Final Key. Your prayers are the performance of this unique symphony which I wrote and composed for these days leading up to My return. This masterpiece announces the defeat and destruction of a king and his kingdom and the heralding in of the vanquishing King and of His rule and reign in a new era. You are My heralds, that go before Me praising and singing of My victory over Satan and of My glorious return. As you raise your voices in song the frequency that's generated is the Final Key, the final note that Satan cannot reach, the chord that is impossible for Satan to counterfeit, it is far beyond the earth and heavens, far beyond the means of man or angel, even Lucifer in his highest form could not have created this distinctive cord. It is a symphony of love for My Father, and of how My love overcame all things. It is the story of creation and held within this symphony is every event, every Word that preceded forth from the throne of God, every key, every note every uttered whisper is held within this Final Key. The Final Key is My creation, and My Keys harmonize in perfect synchronization as each instrument in an orchestra is synchronized with the

Conductor so are My Keys, they are a part of Me and Me of them. As the frequency of the Final Key is released through your prayers and praise for Me, Satan's forces fall back in defeat, they flee back into the dens, caves and crevices of the underworld, they plunge off the abyss and into the fires below, this is the destructive power of the Final Key pushing all that is evil before it and down into the abyss and judgment. What follows is the regenerative power of the Final Key, the responsive love of the Father. His power to restore, renew, resurrect, the music of renewal, the awakening of the earth and all of creation from a very long winter and into a new dawn; all is held within the Key, which I've called at times the **Ark of My Covenant of love**. You can find similitudes of the Final Key recorded within the pages of My written Word.

Your song is of your love for Me your Bridegroom, it is about our union as Husband and wife, this song is the most powerful song created since creation itself, because it is a song of victory of an enemy who would if he could, deny My creation, Me and even the Father Himself. His song of evolution is his masterpiece. A song of praise to him and to his created image, his version of how it all began, a fake reality, which he conjured up in the mind of his mad scientists, these are the fruit of the tree of knowledge. Man says that technology is the way forward; I say technology is taking man into the darkest age since the earth began. So sing My lovers, sing of your redemption, for the new age of light will be brought forth through your songs of prayer and praise.

Following are excerpts from prophecies that correspond to the final key and the breaking of the barrier.

"Don't look at going back to earth as a punishment, because it's not. Those heavenly homes will be like babes ranches in some respect. The world of man and his mind and heart has to be reset; it's going to take a thousand years. The main staff will be warrior band, but many of those second chancer's are going to need shepherding too. If we've been faithful during our time on earth, who else would Jesus choose to shepherd the sheep but the faithful ones? All the warrior band that stayed back in heaven during this earth-life test are just itching to get the millennium started, and there's enough shepherds up here to cover the vacancies coupled with all the trained shepherds amongst the warrior band that went to earth, there is going to be quite a team heading for their respective new mission fields once the bad apple clean-up is completed. Irrespective of what transpired at the time of the reboot, all those years of experience on the mission fields of earth have not been lost, but are stored away in that Final Key, the Ark that will be opened once the barrier between our two worlds is taken down. Each of you is a special key that will play a key part in the reconstruction program which is now receiving its final touches up here on our Heavenly drawing boards."

"So why did I call this little talk proportional frequency, well that is because you are not using the 6.66 key to its full capacity. It take faith, it takes reaching deeper into the spirit, it takes your spirit helpers interceding more during your prayers, it takes using the other Keys in conjunction with the blue key, it takes desperation and desire to want these things you are asking for to be so, it takes pushing that final key, the **Ark**, through the barrier between our worlds. You are the guys, no one else in your world knows the secret. Most of your brethren have gone off to their farm or their merchandise; they have made themselves, through disbelief, unworthy of such pearls. The frequency of the blue key has the ability to split the veil of the darkened mind of man to allow the light of faith to burst through. You might say the experience is similar to what happened to Saul on his way to Damascus that day. So reaching the full potential of the blue key is proportional to all the factors I mentioned above, plus more. Your prayers are creating waves, they are a little far apart at the moment, but once you reach the right frequency, bingo, bang and boom. I come. "

"You have all the advantages I have, you have all the promises in the Words of David, you have the evidence, the title deed in your hand. All it takes to obtain that promise is for you to pray, the fulfillment of all God's promises are only a prayer away. It is your prayers that are pushing the veil open. We cannot push the veil open; your prayers are the vital ingredient the final Key that is required to break down the barrier between heaven and earth.

Jesus speaking: Do you know why the Final Key looks like a test tube? Because it is a test tube! We are about to start another experiment and you are My chief scientists. We are going to give the world one last experiment before the new

heaven and new earth begins. Some of you have suspected for some time now that the Final Key is the Key that unlocks the barrier to the new millennium. The final Key is the product of all the prayers of all the saints of all time, and your prayers, these prayers that I have asked you to pray now are the final prayers that are going into the altar which is before My throne.

Revelation 8:3-5 And another angel came and stood at the altar, having a golden censer; and there was given unto him much incense, that he should offer it with the prayers of all saints upon the golden altar which was before the throne. And the smoke of the incense, which came with the prayers of the saints, ascended up before God out of the angel's hand. And the angel took the censer, and filled it with fire of the altar, and cast it into the earth: and there were voices, and thunderings, and lightnings, and an earthquake. (7 Thunders!)

The mystery is being revealed, the barrier is the veil between our worlds, and the Final Key is the Ark that I will open after the deluge. All that is inside the Final Key I use to build the new millennium and your prayers is the "force" pushing the Final Key into the lock that will bring down the barrier that Satan has been trying so hard to keep in place since he first took control of the earth. I have waited patiently and in great expectation for this time. It is due to your faith and obedience that I am able to reveal this mystery. As I said, some of you have suspected this truth for some time...now your wonderings have been confirmed. Now that I have removed the scales, it is time to once again read "Assembling of the Final Key""

A MORE SURE WORD OF PROPHECY

29. GOD'S WORD SAYS, "BLESSED IS HE THAT READETH & THEY THAT HEAR THE WORDS OF THIS PROPHECY"! (Re.1:3) It takes an effort, it's work to try to understand Bible prophecy & to "study to shew thyself approved unto God, rightly dividing the Word of Truth." (2Ti.2:15) But you'll find that "the entrance of Thy Word giveth light" & wisdom & understanding! (Ps.119:130) When we delve into God's Word, we "bring forth treasures, both new & old"! (Mt.13:52) You'll discover how wonderfully the Lord can weave His Word together like a beautiful tapestry, filling in the whole picture to give you His vision of His plans! "For where there is no vision, the people perish!" (Pr.29:18)
30. OF COURSE, SOME DEAR OLD BIBLE PROFESSORS & STUDENTS & KNOW-IT-ALLS ARE GOING TO SAY, "Ah, but Jesus told His disciples that 'no man knoweth the day or the hour when the Son of Man cometh, not even the angels in Heaven'. And 'it's not for you to know the times or the seasons'." (Mt.24:36; Ac.1:7) Well no, it wasn't for those to whom He was speaking then to know, because they didn't have to know! They've already been dead now for nearly 2,000 years!--They weren't going to go through the Great Tribulation & Jesus wasn't about to come back, He hadn't even gone yet! But now that His Word is being fulfilled in our generation, it is His Will for us to know it, to perceive it, & to understand it!
31. HE DIDN'T SAY WE WOULDN'T KNOW THE DAY OR THE HOUR, HE SAID THEY WOULDN'T KNOW THE DAY OR THE HOUR! That's why you have to compare Scripture with Scripture.--You've gotta think about who He's talking to. That Scripture has absolutely nothing to do with you & me today in this Endtime, these Last Days! When all the dramatic, climactic, final events of World History begin to unfold, let me tell you, you're going to need to know, you are going to want to know & you are going to know, because God promised it in His Word!
32. "FOR AS THE DAYS OF NOAH WERE, SO SHALL ALSO THE COMING OF THE SON OF MAN BE! For as in the days that were before the Flood they were eating & drinking, marrying & giving in marriage"--going on, business as usual--"until the day that Noah entered into the ark, & they knew not until the flood came & swept them all away!--So shall also the coming of the Son of Man be"! (Mt.24:37-39) Who knew not?--The wicked! Who knew?--Noah! He knew what was going to happen, he was expecting it! He wasn't one of those who knew not!--He knew!
33. AND GOD WANTS YOU TO KNOW!-- **(More Sure Word of Prophecy!, A [#1611])**

16. THE LORD WANTED TO MAKE SURE YOU KNEW EXACTLY HOW LONG THIS TERRIBLE TRIBULATION PERIOD WAS GOING TO LAST, FOR YOUR OWN ENCOURAGEMENT!--So you'd know exactly how much longer you'd have to suffer. How encouraging it will be to know, even as things are getting worse & worse, "Well, hallelujah, we've only got a few more days to go, & the Lord's going to be here to deliver us. PTL!" "Look up!" He says, "For your redemption draweth nigh!" (Lk.21:28.) What a wonderful encouragement! PTL! **(Second Coming of Jesus Christ!, The [#1616])**
