

February 06, 2025...MB: This is blog is quite long, so for those that would prefer to download it to read later here is the link. [The Frog \(Updated 2025\)](#) For the past few days I've been asked by my spirit helpers to revisit the MO Letter "The Frog". So today I did that and with their help this is what I was shown.

THE FROG--MO

October 16, 1973 GP No.275

1. **I HAD ANOTHER OF THOSE DEFINITELY SYMBOLIC DREAMS**, again last night because it was so strong and so clear, and it startled me so! They're always so **clear**, I can remember every little **detail**, and they immediately wake me up wondering what in the world they mean! It happened early this morning, and the dream woke me up, and I was so startled! It was so odd, so peculiar! It was so strange, and yet in some ways it was almost **funny**!

2. **IT KIND OF REMINDED ME OF ONE OF THOSE "TOM AND JERRY" CAT-AND-MOUSE CARTOONS**, only there was nothing **cartoon** about it but the funny **action**. But it was so clear and so vivid and so rather shocking, that it's almost like it wasn't even a dream, but like I was actually there, and when I woke up I had the feeling like it really happened! **MB:** *And that's the amazing thing about this dream, it looks like it did happen or at least started to happen, but 50 years in the future, in 2023 in Niger, West Africa. Niger turned from the Western colonial powers toward Russia and the New World Empire of Communism. (The Beast). Now in 2025 other countries in West Africa have turned or are about to turn to BRICS and the communists. And this scenario so typifies Jerusalem in the days before its fall to Babylon. Jeremiah was telling the King to put his neck under the yoke of Babylon and live, albeit in a type of slavery, but at least in peace. They would be left to sit under their own fig tree and make wine from their own vineyards etc...Because now, as things stand, if these WA countries were to stay under the capitalist west they would all go down with America and her dollar. Of course they don't see themselves as putting their necks under the yoke of the communist world empire. They just want their countries to flourish. And Putin, whom we believe is the Antichrist, has come into West Africa just as the Bible describes he would. "But he shall come in peaceably, and obtain the kingdom by flatteries, for he shall come up, and shall become strong with a small people. He shall enter peaceably even upon the fattest places of the province; and he shall do that which his fathers have not done, nor his fathers' fathers; he shall scatter among them the prey, and spoil, and riches: yea, and he shall forecast his devices against the strong holds, even for a time." (Daniel 11:21-24) Putin isn't coming into these countries like the colonial powers have...grabbing their mineral wealth but giving very little in return. Putin is coming into these mineral fat provinces peaceably, disposed to, as it says in Daniel: do that which his fathers have not done, nor his fathers' fathers; he shall scatter among them the prey, and spoil, and riches. Now who else could Putin's fathers and grandfathers be but the rich capitalist elites (whom we believe financed his rise to power back in 2000). Now of course these WA countries are looking toward a long, very bright and prosperous relationship with their new benefactor. We, on the other hand are seeing this move as temporary, and if you read to the end of Daniel 11:24 you will see that it says: he shall forecast his devices against the strong holds, even for a time. Now we have come to understand that the word time means (one year). And that is very interesting because we are right at this time praying for Jesus' return in 2026. If these WA provinces willingly place their necks under the yoke of World Communism then this area may see peace and prosperity right up to the time of Jesus' second coming, which is a fulfillment of many of the "go south" MO Letters and dreams. That is of course if the USA doesn't send in terrorist groups to destabilize these areas. Again our prayers are playing a major role in stopping that from happening. Because we are not only praying that the US dollar dumping by the BRICS nations brings on the long awaited and prophesied crash of the green paper pig, but we are also praying that the US becomes embroiled in the Syrian quagmire. Our prayer is that the US economy burns making it impossible for them to support Israel in her murderous assault on the Palestinian people there in Gaza.*

3. **THE LORD GIVES ME THE STRANGEST PICTURES** I've ever heard of--and this one I've been praying about for hours, and I still haven't been able to get the interpretation. Maybe you've got it, maybe you'll get it.--You **have** lots of times on **some** of these things. I've got a little bit of it, it's so strange it almost sounds kind of unbelievable! (Laughs.) It's just the most amazing thing, the way the Lord pictures things in such striking pictures! **MB:** *Yes and I believe we did get it; this dream was like a parable for a future generation, us. It is all becoming very clear now. And if you keep your eye on the details, and this dream is very detailed, you might see even more. I've noticed this before when Dad is explaining his dreams, he goes into very careful detail. He even once said that he needed to explain the details as it might help someone to interpret the dream. I did a words search in the Infostore on going south and one very interesting MO letter came up that buffers what David is saying in this paragraph about dreams and their future interpretations. The letter is called "The Conakry Ripoff", and like many of David's dreams he gives his interpretation and it is good, but the sad part about it is most people just left it at that. Meanwhile the pot kept simmering on the backburner. And the happy part is at just the right time with just the right people Jesus picks up the pot and says, now it's time to*

bring it to the front burner. There are some very interesting...I'm not sure what to call them, but to me they were like signposts or markers encouraging us that we are in the right part of the world for this time in history. We've followed the ripoff all the way down the coast of WA. We jumped from Russia on our way to Liberia, but were waylaid in The Gambia, because fighting had broken out in Liberia and we also had to meet Nat and Peace, not only because they helped us poor refugees have a home until the ripoff continued to Liberia, but for this time way in the future when we would start up MB and begin talking about all the stuff that was hidden in the MO letters. And now I'm discovering how linked "Conakry Ripoff" is to "The Frog". The ripoff stopped in Liberia, which is where we stopped for 4 years before being evacuated to Ghana. It is all perfectly timed, in all our lives. You see we had to be here in this country at this time in order to be in the exact position the prophet was in when he received the dream The Frog. But not only our position is important but the timing had to be correct also. 2023 to 2025 is when The Frog's second layer is revealed. (See Podcast "The Price of Reaching the Top" for more explanation on this story) David said in Conakry Ripoff paragraph 13 **13. I NEVER COULD GET THE CONNECTION BETWEEN THE RIP-OFF & WHAT HAPPENED WHEN THE RIP GOT AS FAR AS LIBERIA.**

Well I think we have the answer now, the ripoff stopped in Liberia for a spell then continued through Ivory Coast and onto Ghana where the story of The Frog continues. Now I've only just touched on what is happening here, the story is much more complicated than what I just told you, so much of what Dad has said about the communists taking over WA and the whole world, where they are getting their power from which ties in with the MO letter Egypt's Kings, which of course implicates Gaddafi and his influence from behind the veil. All those numbers in Conakry Ripoff may even be telling us something. If anything it should be very encouraging for us all that Jesus has been leading our little band of warriors right up to this point.

4. YOU KNOW MY CAT, MY BIG BLACK CAT that's always coming and meowing to get in, that huge magnificent creature! He's so big and so powerful and so all male, and he walks with such confidence, and he's so strong and beautiful!! He was lying there--now all I can do is describe the picture as I saw it, and because directions often mean something important, like they did in some other dreams, I have to explain.

5. OH--THAT WAS THE POSITION HE WAS IN!--JUST LIKE THE SPHINX!--SO IT COULD BE EGYPT! I'm reminded of Grandmother's vision of out of Memphis, and how Black power would rise in dominance in the Endtime. Quotes from "Egypt's Kings" MO #1066 : Memphis was the ancient capital of Egypt and symbol of Hamite or Black Power! **1. IN A DREAM I WAS LOOKING AT THE MAP OF AFRICA.** All of a sudden it grew all black, and up out of it rose this **HUGE MONSTROUS BLACK DEMON, LIKE HE ROSE UP OUT OF AFRICA TO DESTROY THE WORLD!** It shook me up so that it woke me up! Then I was thinking, "That's true! Egypt is the head of Africa, and the Antichrist is going to come from Egypt!" But the vision emphasized the fact that it was going to be **WITH BLACK AFRICAN POWER THAT THE ANTICHRIST IS GOING TO RISE UP AND OVERPOWER THE WORLD.** It was as though they were so demon-possessed, so satanic, that the rest of the world would be no match for them. In (Egypt's Kings! [#1066A])

Dad continues...How about that! Well, that's the impression I had, but the rest I don't understand. Well, he was lying there, and I couldn't tell you whether I was sitting or standing or kneeling or what, in relation to him as he was lying there, that huge magnificent black shiny tomcat! You know, he's so husky, he's not fat, but he's huge and all muscle! He was lying there stretched out on the floor, the ground or whatever it was. I don't know, really, because there was nothing, I can see nothing in the background, nothing that I recall right now. Maybe it'll come as I go. *MB: Now I don't believe Africa is going to rise up and take over the world, certainly not if our prayers have anything to do with it, but the black African power spoken of in "Egypt's Kings" I believe is the black magical power that was prevalent in the very first World power of Egypt. The Bible speaks of it in detail in the story of Moses. To be sure those evil spirits have not been idle these past 3 or 4 thousand years, when the Words of David speak of Satan upping the ante in these Last Days, it means he is gathering all those dark spirits for the last hour and doubtless they too have been honing the gifts Satan has given them. If what "Egypt's Kings" is implying no doubt a very great number of them have gathered in Egypt to pray or do whatever they do to bring forth their king. Here are a few excerpts from the MO letter "Egypt's Kings" that confirm these thoughts.*

THE REAL CENTRE OF THINGS IS IN EGYPT. Seems like those spirits' headquarters are in Egypt. Those **Cyprus** spirits know all about that. They understand Egypt. They know what's going on.

THERE IS SOMETHING VERY BIG COMING UP THEY'RE ALL GETTING READY FOR. They're all excited. Their attitude was, "Don't you know what's about to happen?--This is the big thing! This is really it!--The grand finale!"--They're all excited! They know what's going on. Something big is going on and about to happen in Egypt.

6. BUT I MUST HAVE BEEN SITTING ON THE FLOOR WITH HIM, because I was at about that angle from him, my head and my point of vision, because as I was sitting like this on the floor, and he was lying on my right facing me, at about a

45-degree angle, not directly in front of me, but to the right, facing me at about a 45-degree angle, he was lying there in the **exact** position of the **sphinx**! **MB: 2023...***Now the minute I read that line... a 45-degree angle to the right...my thoughts were taken north of here at a 45 degree angle and I just knew it was talking about Niger, which right at this time (2023) is experiencing a coup to throw out their colonial masters (France). 2025 Niger, Mali and Burkina Faso have signed an agreement that unites them under the label AES they are talking about having one passport. Nigeria has joined BRICS, Ghana has kicked the US military base out and are now talking about joining BRICS. The US cat is dying here, and everyone around the world are sure getting a good look at what a rat the US truly is. Trump and Netanyahu's televised discussion about getting rid of the rest of the Palestinians in Gaza so that the strip can be turned into a resort for the rich...what grossness, what devils. Our prayers had better stay focused and on track. Only the return of Jesus can stop these devils. Politicians who believe their countries are tools to accomplish their personal agendas. This is nothing but hell bubbling up through all those worm holes that was talked about in "Black, white and Gold Magic".*

7. NOW YOU KNOW WHAT THE SPHINX LOOKS LIKE: HUGE LION LYING DOWN on all fours with his rear feet sort of tucked under him on each side, almost crouched, in a way, and yet lying down.--He was lying in perfectly peaceful repose, with his front paws somewhat stretched out slightly in front of him, leaning on his elbows, just like this. It never came to me until just a few moments ago that the position that all these **Sphinxes** are in that you see in these pictures from Egypt, in fact just like the **big** Sphinx, the **big** Sphinx of **Egypt**!

8. MY CAT WAS LYING THERE IN MAJESTIC CONFIDENT REPOSE, LIKE A HUGE LION, just like a big lion, just perfectly at ease and confident and not the least bit disturbed. You know the Sphinx is a sort of a symbol of Egypt. I guess that huge Sphinx in Egypt must be one of the world's largest statues! Egyptians, of course, used to worship it. They used to worship the cat--the cat god. **MB: And we all know lions come out of Africa**

9. IT CERTAINLY IS SYMBOLIC OF EGYPT! I believe it **must** be. That's all I could get about the cat. I got that a long time back, hours ago, even before I realized it looked like the Sphinx! I don't know why I'm having such difficulty, usually the interpretation comes to me right away, but it may be the Lord's hiding something from me that He doesn't want me to know right now. O Jesus, **You** know, help me in Jesus' Name. Help me tell it, whatever it means.

10. IT WAS AS THOUGH WE WERE SITTING THERE HAVING A FRIENDLY LITTLE CHAT or something, he had I. He was so **big**! I mean, he was as big as a **dog**. I mean bigger than I've **ever** seen him! He **is** huge and magnificent, but he's not **that** big! He was as big as a German Shepherd dog, he was so big!--**Huge!**

11. AND ALL OF A SUDDEN FROM MY LEFT CAME HOPPING ALONG FAST AND FURIOUSLY THIS LITTLE TINY, ITTY-BITTY BRIGHT GREEN FROG, about the size of the end of my thumb from my last knuckle, a little tiny **frog**! And he was just hopping away fast and furiously for dear life! **MB: Someone mentioned that the French are sometimes referred to as "frogs".** Now France or this colony of Niger in relation to the US are just a tiny little knuckle sized frog.

12. BECAUSE CLOSE ON HIS HEELS WAS THIS UGLIEST LOOKING SKINNY, SCRAWNY, MANGY LITTLE SICKLY LOOKING GREY-GREEN CAT! A grey-green cat!--About the colour of those **olive-drab U.S. battle uniforms**! Well mind you, it was the **ickiest** looking thing! It **sickened** you even to **look** at it! And it was chasing this poor little frog! But the grey-green cat seemed like it was so sick it was kind of unsteady on its feet. I mean, any good healthy cat could have caught up with that frog in nothing flat! But **this** cat was kind of **staggering** along after the frog, chasing it.**MB: There you go, the cat is out of the bag, the grey-green cat is the USA.**

13. AND JUST ABOUT THE TIME WHEN THE FROG WASN'T MORE THAN TWO OR THREE (2023) FEET IN FRONT OF THE SICK LITTLE CAT, about the time they both got almost directly in front of me, the frog was right straight in front of me, and the little ugly cat was still a little bit to my left, the frog was hopping, hippity-hoppity-hip, as fast as he could go, right towards my great big black cat! Right straight toward him! I mean the frog didn't act like or know I was there, I don't know, maybe it did. Maybe he was in too big a hurry to worry about it!

14. AND THE LITTLE ITTY-BITTY FROG HOPPED RIGHT UP TO MY BIG CAT, right to his big right forearm, now mind you, of my big cat lying there. And as the little frog came toward my cat, my cat kind of looked down at it rather surprised and curiously, as though, "That's odd! That's really strange!" He was not perturbed or disturbed, but just surprised and curious. You know how a cat will look at something curiously, like it wonders what it is, and looks with its head first on one side and then on the other, trying to figure out what this little frog was doing.

15. AND THIS POOR LITTLE FROG HIPPIITY-HOPPED RIGHT STRAIGHT UP TO THAT BIG RIGHT ARM OF MY CAT! And to both **my** surprise and my big **cat's** surprise, this huge Sphinx-like cat, the little frog crawled right under his right arm! He hopped right up to him and wriggled quickly under his arm! You know how a frog will squirm under a rock sometimes. They flatten themselves out and they push with their back legs, or they bury themselves in the mud. If you've ever seen frogs when they're trying to get away from something, they kind of burrow and bury themselves. **MB: And it is very surprising what this tempest in a tea cup is all about. Do you know how many coup's there have been in Africa, which more often than not no one pays the slightest bit attention to. But this one has the whole of West Africa, the USA, Russia and Western Europe in an uproar.**

16. AND HE JUST BURROWED HIMSELF RIGHT UNDERNEATH THE RIGHT ARM OF MY BIG BLACK SPHINX-LIKE CAT! And before either one of us, the big cat or me, could even hardly **think**, this **ugly** cat started straight for my big black cat and the frog underneath it, like that wasn't going to stop him from getting that frog, just because it crawled under my big cat! The **little** kids would have **loved** this if I'd had a movie of it!--Except the end is kind of horrific! **MB: We know what a bully America can be when she wants something.**

17. AND IN A SPLIT SECOND I REALISED WHAT THAT MEAN LITTLE CAT WAS UP TO! It seemed I suddenly became conscious of what that little sickly cat was going to do, that it was **still** going to try to get at the poor little **frog!** If you've ever seen a cat chasing a mouse, you know how a mouse will crawl into a small hole or something, and the cat will stick its paw in there and try to scoop it out. And I saw that that's exactly what that little ugly-looking cat was going to do! It was actually going to dive down there and try to get his paw under **my** cat and scoop out that little frog!

18. SO I SUDDENLY PUT MY HAND DOWN THERE IN FRONT OF THAT LITTLE UGLY CAT, and it just batted at me with one of its claws, and it scratched me 'cause I was trying to interfere and keep it from reaching the frog! You know how cats move so fast, quick as a flash! I mean they move so fast you can hardly see them sometimes, their movements are so quick when they strike or pounce on something!

19. AND THAT LITTLE UGLY CAT REACHED UP AND SCRATCHED ME SO QUICK JUST AS I WAS TRYING TO REACH OUT MY HAND TO PROTECT THE LITTLE FROG! I wasn't worried about my big cat: My big cat could've taken care of **10** sickly-looking little cats like that! But that damn little cat had the nerve to reach up and scratch me! You see, I had my hand right down almost at floor level, 'cause I suddenly sensed what that little cat was going to do, and I had my hand right down there between the two cats, and between the little cat and the frog which was under my big black cat. And that little ugly-looking cat literally scratched me! **MB: Well the only thing we are doing right now to protect the frog is Key powered prayer, which of course is a very dangerous weapon in the hands of the COD. Where the scratch will come from is anyone's guess, but, as John Weaver said in a note to us...sounds like persecution.**

20. I MEAN SCRATCHED MY HAND BAD, AND THE BLOOD RAN DOWN the back of my hand! See, I reached my hand down like that, and it reached up and scratched my hand, right here on the back of my hand. He really scratched! **Two** lines I can remember, but there might have been more. But I remember two lines were actually bleeding. **MB: Maybe two different persecution events??**

21. AS I JERKED MY HAND BACK AUTOMATICALLY THAT LITTLE UGLY CAT IN A FLASH HAD SHOVED ITS RIGHT PAW RIGHT UNDER MY BIG CAT!--I mean, it happened so fast even my cat was surprised!--My cat was absolutely shocked, just like: "Why, the **nerve** of this little cat!" My cat had been lying there just as calm as could be, like nothing in the world could disturb him. He was almost ignoring that little cat, it was such an ugly sickly-looking little thing, no threat whatsoever.

22. BUT THAT UGLY LITTLE CAT ACTUALLY HAD THE NERVE TO RAM HIS PAW UNDERNEATH MY CAT'S LEG AND SCOOP THAT LITTLE FROG OUT IN NOTHING FLAT AND POP IT RIGHT INTO HIS MOUTH, JUST LIKE THAT! If you've ever seen a cat catch a mouse or a bird or a little creature of some kind like that, you know what I mean. It just zoomed in and in went the paw, and **out** it came with the frog in it, and it popped the frog right into its mouth, just like that!--To my amazement and my big cat's amazement! We both just sat there in horrified astonishment! I mean, it happened **so fast** we couldn't even stop it! **MB: For sure the US is doing something very bold and brazen, at the moment it's sanctions, but they do have some military presence there, this is what we are praying they won't use.**

23. AND THE POOR LITTLE FROG WAS GONE!--He was a gone guy!--He was a goner! Gulp!--And Boom! Just like that! **In** went the poor little frog, and **that** was the end of **him!**

24. AND JUST AS THIS UGLY, SICKLY LITTLE CAT DID THAT, IT KIND OF SAT BACK on its haunches--you know how cats will do sometimes: They'll raise their front paws off the ground, you know, when you offer them something to eat or something.--Or they'll sit up, and with their two front paws they will sort of help get their food into their mouth.--Or when they're playing with something, they'll sit up like a dog will sit up when you tell him to sit up and bark for something.

25. THAT UGLY LITTLE CAT WAS NOW SITTING, NOT DIRECTLY IN FRONT OF ME, BUT SLIGHTLY TO MY LEFT. It had backed off a bit and was sitting right about over there, sort of facing me, but turned a little toward the big black cat. It sat up on its haunches or back legs, sitting down on the floor but with its two little front paws up like this, just hanging limp like this, like a cat will sit sometimes, as it gulped down the frog.

26. BUT SUDDENLY AS IT GULPED DOWN THAT LITTLE FROG, IT BEGAN TO CHOKE!--That tiny little frog! I mean, it wasn't hardly a cat mouthful, but the little ugly cat began to choke on it like the frog was poison to it! And I and my big black cat (I'll call him **Sphinx** from now on) just looked on in dumbfounded amazement. Here we were both sitting there watching this whole thing going on, and it happened so fast that we couldn't stop it, and there was nothing we could do about it now, the frog was **gone!** **MB: Maybe Ecowas is getting a warning here, not to touch this thing, it will work itself out. Pray that it does. Russia is just waiting to pick up where the US left off.**

27. BUT AS WE GAZED IN HORROR AT THAT LITTLE UGLY-LOOKING CAT, IT SEEMED TO BEGIN TO CHOKE AND GET SICK, REAL SICK FROM SWALLOWING THE FROG, and it closed its eyes like it was real sick. But it was still sitting there in that funny position with its little front paws held right in front of it, kind of limp, and he closed his eyes and laid back his ears, you know how a cat will do when it's afraid you're going to hit it.

28. THE LITTLE CAT SAT BACK ON ITS HAUNCHES LIKE THAT, AND IMMEDIATELY FLATTENED OUT ITS EARS AND SHUT ITS EYES TIGHT, kind of scrunched them up like a cat will do when it's afraid you're going to hit it for being naughty.--You've seen cats do that. It just scrunched them up **so** tight, shut its eyes **real** tight, flattened out its ears real tight, and recoiled from both me and my cat, as if it was afraid one or the other of us was going to sock it, going to hit back. In fact, I **was** just about to sock it one!

29. BUT BEFORE EITHER I OR THE SPHINX HAD A CHANCE TO SWAT IT, ALL OF A SUDDEN IT BEGAN TO LOOK SO SICK! And as it began to look sick, the strangest thing happened!--It began to **change colour!** And the first peculiar thing I noticed about it was that **this** time when its eyes began to come open slowly, its two big round eyes, they were so **strange**, so **odd**, they weren't at **all** like a **cat's** eyes any more!--They were two big round **black** eyes, with no pupil or iris or anything like a **cat** has! You know how a cat's pupils sometimes are large, or it looks like it's all pupil. **MB: Looks like it became demon possessed by some dark black spirit.**

30. BUT NOW THE UGLY LITTLE CAT'S EYES WERE JUST LIKE TWO BIG GRAYISH-BLACK MARBLES, LIKE THEY WERE DEAD, ABSOLUTELY DEAD! As its eyes opened all the way, they were just staring at us like they were totally blind, unseeing, like this creature had absolutely **died!** And then I suddenly noticed that its **ears** had stood up again! Only now instead of having typically pointed **cat** ears, it had these odd **round** ears!--**Round** ears, mind you! **Big flat round ears!**--And they were both facing us, looking about like Mickey Mouse ears, only smaller!

31. RIGHT THERE BEFORE OUR VERY EYES THIS LITTLE UGLY-LOOKING CAT WAS TURNING INTO SOME DIFFERENT KIND OF AN ANIMAL ENTIRELY, AFTER SWALLOWING THE FROG! It seems that's the kind of effect the frog had on it somehow or another, and it either choked it or poisoned it and killed it. And as it sat there dying or dead before our eyes it was almost like lycanthropy, some of that stuff they tell you about in all those old legends and fables and fairy tales, where people turn into animals or animals turn into people.

32. A SORT OF METAMORPHOSIS WAS TAKING PLACE RIGHT THERE IN FRONT OF OUR EYES, TO OUR ABSOLUTE HORROR! That ugly-looking little cat turned into another creature entirely as it died! Still it was exactly the same size, but with this funny little face now, and a different kind of nose, round ears, and these big black, sort of beady grayish-black eyes!--Only they just looked **dead** when they opened up! They looked like they were blind, like it had suddenly gone blind, and it was dead!

33. THE EARS STOOD UP, AND ... I WAS WONDERING "WHAT IS IT THAT CAT BEGAN TO LOOK LIKE WHEN IT DIED?"... As we looked on in horror at this ugly grayish-green sickening little cat, he suddenly turned sort of greyer,

and those big round ears came up, and he opened these big beady blind eyes, and they were no longer cat eyes! They were these big black, grayish-black **beady** blind eyes!

34. **AND YOU KNOW WHAT HE WAS?**--Sitting there on his haunches with his little feet up like this, you know, hanging limp in front of him, sitting up! He was a great big, huge, grey--guess **what!** Alright, what has eyes like that and ears like that?--A mouse?--Yes, but **he** was a hundred times as big as a **mouse!**

35. **HE WAS A HUGE BIG DEAD RAT!** A great big grey packrat, one of those **huge** big rats! I mean, he was as **big** as a **cat!** He was **exactly** the same size as that **small cat!** He was exactly the same size as the cat **had** been, but now he was this huge big dead rat! As the cat died, it changed form, just as though somehow or another its death exposed what it really was! **MB: Haha the US is certainly the king of the pack rats. Revelation 17**

36. **AND SWALLOWING THAT FROG, I DON'T KNOW HOW OR WHY, SOMEHOW KILLED IT!** It seemed to cost the poor little frog's life, but it killed that ugly-looking little cat, which turned right into a huge big rat as it died, sitting there glaring at us with those big black blind beady eyes, it turned into a big filthy dead rat!--It was just as though as it died it was exposed for what it really was! Now I've been lying here for hours trying to think of what in the world the interpretation is!

37. **THE BIG BLACK CAT, SO SPHINX-LIKE, MY CAT, WAS OBVIOUSLY EGYPT!** And it was definitely **my** cat, and I was **friendly** with it. But this other **little** ugly cat, it was **not** friends of either one of us! It was an **enemy!** And it certainly was no friend of the **frog!** (Laughs.) Poor little frog! He was hippity-hopping away, trying **so** hard to get away! He dove right under **my** cat! But before I or my cat could do a thing, that little ugly rascal of a sick cat had scooped out that frog and popped it into its mouth and sat back on its haunches and swallowed it!

38. **I MEAN, AS THE LITTLE CAT SAT BACK, IT WAS ALMOST LIKE IT GRINNED, LIKE IT WAS VICTORIOUS,** you know, like it had won!--But all of a sudden that grin faded off its face, its eyes came open and those ears stood up, and to our horror, it died! It was dying, and we knew it died right before our eyes! The frog had killed it!--And it turned into this huge big monstrous ugly rat, as big as the small cat!

MB: This is the second day reading this MO letter and our second attempt to find out what the dream is all about. The first part of this letter was read on a podcast entitled, "The Frog" sent out to a few folks on the 8th of August 2023. Now you have received the text version, which is more detailed than the podcast. We are starting today at the 38th paragraph. But before we do I would like to summarize briefly the first half of this dream. I've highlighted the parts I want to reiterate.

In the rest of the letter we have David explaining what he thinks the interpretation of the dream is, but as we were reminded yesterday by our spirit helper, this dream was received in 1973, which makes it 50 years old as of this year 2023. That means David was 50 years from the foot of the mountain range, that we have the honor to be climbing. I don't know how many of David's dreams we've been given the job of interpreting over the past few years, but it is truly amazing how many of his dreams and visions are being fulfilled in this very last hour of world history. This seems to be a type of fulfillment of another dream David had which he called the Endtime whispering vision. It's the Endtime, the world is very dark now and we are listening to the whisperers revealing secrets that have been locked within the MO letters by a type of time release mechanism, and in the case of this dream it has been locked for 50 years.

It has been explained to us by our spirit helpers that the Words, dreams and visions of David often have more than one fulfillment. In many cases they were written then for now. In some cases they may have had immediate fulfillment but as is in the case of this dream, we believe there is a second fulfillment. And it is the second fulfillment that we are going to try to uncover.

Like the Words in the Bible, many MO letters have secret messages and meanings, and at times you may be shown something that others missed or was for your eyes only perhaps. So if you receive a different or add-on interpretation and would like to send it to us we'd be very happy to receive it. It may very well be another piece of the conundrum that at first glance looked out of sorts, but with patience, may find its place further down the line when it's time for that piece of the puzzle to be fitted in its rightful place.

So far in this dream to our understanding we have David explaining the dream. As we are now fifty years into the future I will say David represents us his children. There is his big black cat that seems to represent Africa, but more specifically West Africa, there is a sickly scruffy cat which has been labeled as the US. The little green frog, is a bit of a mystery but in this second interpretation, now fifty years into the future, it does seem to have something to do with the French and the French colony of Niger which is located to the right, at a 45 degree angle of where David is sitting on the floor, just as David explained at the beginning of this MO letter.

39. **WHY DO I HAVE TO GET THESE CRAZY DREAMS?**--Lord forgive me, I'm sorry if that's a complaint, but I just was thanking the Lord when I woke earlier this morning, "Thank You, Lord! No more dreams or visions! Thank You, Lord! I've written too much already that's too dangerous to print, and I don't want any more of this kind of stuff! It's just too risky! I'm

going to get back to nice, simple, safe little things like 'Revolutionary Sex' or something!" But I just haven't been able to forget what these things mean!

40. **NOW I'VE GOT A PRETTY GOOD IDEA WHO THE LITTLE CAT WAS**, although it's not exactly a safe thing to tell you. **It represented another people who are enemies of the Egyptians--America--**and who, in catching the frog and swallowing it, were killed and exposed for what they really are, a big old dying rat! You get what I mean? It was already showing the characteristics of a rat when sickly chasing the frog: scraggly fur, unsteady awkward gait and grayish colour! If the big **black** cat was the **Egyptians**, or symbolized the Arabs or Egypt, this other cat was the enemy of it, and it's pretty obvious who the real enemy is!**MB: I have a suspicion that with only 3 years left, this maybe Custer's last stand.**

41. **BUT I CAN'T FOR THE LIFE OF ME ACCEPT WHAT I GOT FOR THE LITTLE FROG!** (Maria: Why can't you accept it?) This all came when I prayed, and as the Lord usually does, you know, He gives me the interpretation **afterward**. But I just have rejected and rejected and rejected it! I can't believe it, because I can't see how that could ever happen! I don't really understand it!

42. **WELL NOW, WHAT WOULD THE FROG BE?** It was so **tiny** and so **small** and so **insignificant** and so **helpless**, and it dove under my cat as though for refuge. But that ugly-looking green cat dove right in after it and scratched me in the process of getting it out and swallowing it. But I've got the strangest interpretation for that frog that you could possibly imagine!

43. **(MARIA: THE FROG'S NOT SYRIA?)** Well, I thought about that... I mean that was my **second** reaction. But that only came after my **first** answer, as I thought, "No it couldn't be that! It **must** be, or **could** be maybe some other **country**, like Syria, that may get licked right now by the Jews, and it's going to dive under the protection of Egypt trying to get away from them. But that's still not going to **save** them, but **swallow** them, and yet the frog's still going to **kill** them!"

44. **I THOUGHT, NOW SYRIA WOULD FIT PRETTY GOOD** and it may be true! That's a pretty good guess. But I actually had that as my **second**, after I'd been praying for hours about the **first** interpretation I got. That was my **second** interpretation.

45. **BUT GUESS WHAT MY FIRST REACTION WAS!** And I don't like the comparison, because frogs are not usually very pretty! They're kind of ugly, and they ... well, in the Bible they don't usually symbolise anything very **good**. (Laughs.) I don't like the idea, but the first thing that came to me was not Syria, although it looks like something like **Syria** would fit **better**.

46. **BUT THAT LITTLE FROG SEEMED LIKE WE WERE FRIENDS OR SOMETHING, LIKE IT WAS KIND OF LIKE OUR LITTLE FROG**, though we didn't **move** fast enough to **save** it, and in letting the little cat put an **end** to it, the ugly cat also scratched **me**! (Maria: It could be Libya?) No, it's not a country, it's not a country. Alright, let me give you a good tip, a good hot tip or clue! Make a good guess!

47. **WHAT IS IT ABOUT US RIGHT NOW THAT AMERICA REALLY HATES? (MARIA: OUR LITERATURE!) EXACTLY!** They are absolutely furious about our little hippity-hoppity frog hopping around the whole world! To them, we're an ugly-looking little thing! After all, compared to the world's literature we're pretty ugly-looking and foolish and ridiculous-looking and awful small. But when that smaller cat, which was **enormous** compared to **us**, **swallowed** the little frog, I mean it was like that was the final **result** of the frog. **MB: And this was one of the reason why there were a number of book purges. The Words of David are not looked on too kindly by certain people. But now at the end of time they are being somewhat revived and you are reading all about it now. So in a way David's interpretation still holds true today. Yet we still believe there is still more to this interpretation.**

48. **IT KILLED THAT THING AND EXPOSED IT FOR WHAT IT REALLY WAS**, to accept it, or trying **not** to accept it!that beast that it was really all the time, a big fat **rat**! Now that's a pretty weird interpretation, and I've still had a battle trying **MB: I thought this part was funny, because in the Books of Daniel there are lions and bears and goats and rams, but now we are hearing about a big fat rat!**

49. **I DON'T PARTICULARLY LIKE OUR LITERATURE AND LETTERS TO BE COMPARED TO A FROG!** But he really was a very **harmless** little frog. At least he **looked** like he was innocent and harmless, awfully small and weak, and he was diving under Egypt for cover, like Egypt was his friend. But he eventually killed the other cat, the ugly little American cat!

50. **AND YET THE INTERPRETATION OF THE LITTLE UGLY AMERICAN CAT DOESN'T SEEM TO REALLY FIT, EITHER, BECAUSE, GOOD NIGHT, AMERICA IS SO BIG AND POWERFUL** and looks so magnificent to the world, it looks like they're running the whole West, especially Western Europe and Israel! They've got the **power**, and it seems like they should have been portrayed as a big, magnificent, powerful creature, much larger than even my big black cat by comparison, even though my black cat looked as big as a German Shepherd! **MB: Of course that was fifty years ago, but now the US is very very sickly and ready to die. This may be the situation that is the last drop in its cup of iniquity. This is just an interpretation, as yet we don't have any prophecies confirming it.**

51. **BUT MAYBE THAT'S THE WAY AMERICA LOOKS IN GOD'S EYES!** Maybe that's the way **God** looks at them. But because of the Arab's poverty and their need and the righteousness of their cause, the **Arabs** look bigger to God than do the big, rich, powerful **Americans!** **America is not only a sickly, staggering...I mean the cat looked already** like it was dying. You know? That's one of the first things I got about what the cat was: well, what **is** dying? And it immediately came to me, **America** is dying! **MB: And remember this was 50 years ago. Surely the day of reckoning has come. She is in a fight with the king of the North in the Ukraine and now here in Africa. Russia is the world power, America is the declining power.**

52. **WHAT COUNTRY'S DYING, WHAT COUNTRY ALREADY LOOKS SICK AND IS STAGGERING AND ABOUT TO COLLAPSE ANYHOW?** And it came immediately, it's **America!** But in **our** eyes, and the eyes of the **world**, it looks like America ought to look big and huge and powerful and monstrous and handsome compared to poor little Egypt and the Arabs!

53. **HERE IN GOD'S VISION EGYPT AND THE ARABS ARE PORTRAYED AS MY HUGE BLACK SPHINX-LIKE CAT**, as big as a German Shepherd dog! Whereas this ugly little grayish-green American cat was sick and dying and could barely stagger, and ran sort of drunkenly after the little bitty frog. And it was really **after** it, I tell you! It didn't **like** it! And it just snatched it right out from underneath Egypt and gulped it down! **MB: I'd like to replace the Egypt and the Arabs with Egypt /Africa and the new leader of the world, Russia, who has with flattery made herself great with a small people. You have to appreciate the significance of 22 and 23 in these verses. Daniel 11:22 And with the arms of a flood shall they be overflown from before him, and shall be broken; yea, also the prince of the covenant. :23 And after the league made with him he shall work deceitfully: for he shall come up, and shall become strong with a small people.**

54. **OBVIOUSLY THE UGLY GREEN AMERICAN CAT WAS TRYING TO KILL OUR POOR LITTLE BRIGHT GREEN FROG, TO EAT IT, BUT IT KILLED THE CAT INSTEAD!** And as the cat **died**, it slowly changed into what it really was, a big **rat**, so that we could all see what it really was, that all the time it had been a rat, the big American rat!--Which Watergate, Nitler and the news show more of daily!

55. **(MARIA: BUT, HOW COULD THAT PUT AN END TO THE FROG?)** Well, I don't know whether it really **did** put an **end** to the frog! I just supposed so, as I was watching, thinking, "Well, poor guy! That's the end of him!"--But, **instead**, the cat died! That's when--boom--I woke up! That's as far as I go!--Who knows? **Maybe he crawled out of his mouth afterwards!** You know, frogs can swim **underwater** and live for **years** inside things in **hibernation!** But it temporarily put an end to his **activities**, that's for sure! He was **out** of **sight!**

56. **I'M TELLING YOU, THAT DREAM WAS OUT OF SIGHT!** Of all the peculiar...! If that's what that means, the Lord certainly has some strange ways of depicting things! But it's so **simple!** Even a little child could understand it! It's like a Tom and Jerry cartoon! **Anybody** could understand it, if that's the interpretation.**MB: Yes...IF...that is the interpretation, but as I was saying earlier, I believe there is a second interpretation, so this dream was a type of parable. Is it time for it to come to pass?**

57. **LET'S FACE IT: THAT LITTLE CAT WAS EVEN CHALLENGING MY BIG CAT IN A WAY!** It was even defying my big cat in going after the little bitty frog! Now, that was the only thing I could think of: What is it they don't like...? If it's America, what is it they hate?--Not only my little **frog**, but they didn't seem to be afraid of the big black **cat** either, if it was Egypt!--And obviously they **don't** seem to be very afraid of it! **MB: America just goes on defying the whole world as if it doesn't even know it is sick and dying.**

58. **THAT LITTLE CAT WASN'T WASTING ANY TIME!** He wasn't exactly sticking around either, but it was like he was going to have to reach in and grab it quick, or he wouldn't get away with it! But as soon as he did, and popped it in his mouth and gulped it down, then suddenly he really turned sick and died right in front of our eyes!

59. **NOW WHAT ELSE COULD IT BE?** Maybe my interpretation about it being us and/or our literature is wrong. But when **I** reached out to protect the little frog, that cat **scratched** me!--And it hurt!

60. **(MARIA: OUR LITERATURE IS ONE OF THE GREATEST EXPOSS OF AMERICA THAT THERE IS.)** Well, God help us! Whew! Lord help us! The Arabs are trying to, but they don't get their message across to the West, because all the channels of information and propaganda and the public news media and so on are controlled by their enemies. So I'm sure they need our words, now that they know. But, **can** the prophets of God **really** manage to stay out of politics, and forget telling the king and the people the truth and what's wrong with them?

61. **(MARIA: THE PROPHETS OF OLD ALWAYS GOT MIXED UP IN POLITICS.)** Yes, they were always going cattywompas of political affairs and falling afoul of the authorities for speaking the truth of God and condemning the people and the rulers for their sins and predicting their end, their judgement. So what are you going to **do**? I mean, what **are** we going to do?

62. **I KNOW IT'S THE TRUTH, BUT I'M EVEN AFRAID NOW TO TELL THE KIDS AND THE PUBLIC ALL I KNOW ABOUT THE SITUATION, YOU KNOW THAT!** We've never yet released some of these things to the public--not even to the **kids**! I'm afraid to let them have it, or it would get out.

63. **SO YOU KNOW, THIS WHOLE THING IS A WAR BETWEEN THE DYING ANTICHRIST CAPITALIST WEST AND THE RISING ANTICHRIST COMMUNIST EAST!** What a picture! Wow! Wow! I mean the Lord paints things almost **too** clear! If that's what it means, it is down right dangerous! That is just **too clear**! So I'll tell you, that's a dangerous picture! **MB: Now this is about as clear an interpretation as you can get of what is happening over there in Niger. The king of the south pushing against the king of the north.**

64. **BUT IF IT HADN'T BEEN SO HORRIFIC, IT WOULD HAVE BEEN FUNNY!** It was like a cartoon! (Laughs.) If it hadn't had such a terrible meaning! But that's the way I arrived at it: I asked the Lord, "Now Lord, what does it **mean**?" You know, that's a funny thing: That's the way the Lord does **me**. It's like He suggests it. It's just like He's a teacher, and He asks me questions and tries to get me to think, as though: "You should learn how to interpret!"

65. **NOW WHAT NATION OR POWER IS REPRESENTED BY A CAT, A BIG BLACK CAT, AND ALSO IN THAT POSITION?** Well, immediately I thought of the black cat goddess of **Egypt**, of course. And then about the other one, I thought, "Now, what nation is now proving itself an **enemy** to Egypt, and yet it's sick and **dying**?--Well, **America** of course!"

66. **BUT THE WORST THING I HAD TO TRY TO STOMACH WAS THAT WE WERE THE CUTE LITTLE GREEN FROG** even though it was so cute! He was sure running for his life! But he was obviously friendly with me, and I was trying to defend him, I got scratched by the little cat. But then when the little cat ate him, he killed the cat!

67. **I JUST SUPPOSED IT KILLED THE LITTLE FROG, BUT IF IT'S GOD'S WORD, IT COULDN'T KILL IT!** It probably crawled right back out again! (Maria: There's something in the Bible about a frog crawling out of a mouth.) Yes, there is, and that's one reason I didn't like that particular connotation, because in the Bible **that** frog represents an **evil** spirit! (Maria: Good spirits could do the same thing.) Well, yes, I suppose so.

68. **IN THE BIBLE, IN REVELATION 16:13-16, A FROG LIKE AN EVIL SPIRIT CAME OUT OF THE MOUTH OF THE FALSE PROPHET** of the beast and went out into all parts of the world to help deceive the nations and gather them together to war, the Battle of Armageddon.--But I sure don't want the interpretation that **I'm** the false prophet, and that's my evil little frog that's coming out to gather the nations of the earth to battle!

69. **THAT LITTLE FROG WAS LIKE IT WAS POISONOUS!** That ugly cat **immediately choked** to death! Of course, the **Truth feeds** some, and **chokes** others. (Maria: But what would that have to do with the **Sphinx**?) Oh, she **strangled**! The **Sphinx** goddess told riddles and **strangled** her victims! That's where we get the word "**sphincter**," for muscles that close body openings!--From the black **Sphinx**! **MB: Is this how the US is going to die??? I don't understand why this came but fwiw, what would kill America quicker than anything...if her dollar was choked to death.**

70. **MY LETTERS ARE KIND OF RIDDLES THAT SOME PEOPLE CHOKE ON!** They strangle the people that **won't follow them**! You know that little frog leaped under that black cat like it was his **mother**, the Sphinx, just like a little baby chick or something will do with its mother. When they're trouble, they'll just come running to their mother. It was like the frog had

come from the Sphinx, and ran **back** to it! **MB: That line must have been for all those who turned their backs on the Words of David.**

71. **WELL, A LOT OF THE WISDOM I GET FROM THE LORD, THROUGH ABRAHIM, I'M SURE, IS THE WISDOM OF EGYPT.** Even "**Moses** was learned in all the **wisdom** of the **Egyptians**"! (Acts 7:22) So from Egypt came the wisdom of the Ancients that the Lord gives me, to understand the mysteries of the spirit world. After all, Abraham is a **gypsy**, and they lived in Egypt for years.--That's why they're called "**Gypsies**," from **Egypt**!

72. **(MARIA: THE LORD SAID OUT OF EGYPT HAVE I CALLED MY SON.)** My, that must have caused a stir amongst those spirits in Egypt when **Jesus** came down there, huh? Why else would God have had Jesus come down to Egypt?--But you and I got that as a **modern** application, that a great leader is going to come out of Egypt. That's something the churches couldn't understand, how Gaddafi could be God's "son," or the Devil could be called one of the sons of God as he is in Job, or that the Antichrist could be called God's son, when he's also the son of **perdition**! **God** created perdition, and He created the Devil also! They're **all** His "sons" in that sense, whether they be angels or demons or what! Even **we're** His sons!--But only **Jesus** was His "**only begotten**" son, the only son He had by a **woman**, Mary.

73. **THAT CHANGE OF THE UGLY CAT INTO A RAT REMINDED ME SO MUCH OF WHAT WE'D HEARD ABOUT LYCANTHROPY.** There's something real **important** about that. There's something **real** about that, the belief that a person can by witchcraft or magic take on the form and nature of animals. That was a very widespread belief in ancient times when they **believed** in spirits and the spirit world!

74. **THE MOST COMMON WAS BELIEF IN THE WEREWOLF,** the person who changes into a wolf and then returns to human form, mostly in Eastern Europe. It is characteristic of certain psychoses, also, called lycanthropy. Did you know there's a form of insanity which is lycanthropic?--A morbid craving to **eat** human flesh! They've already got the **nature** of the **wolf**! They've already got the **spiritual** characteristics of the animal!

75. **NOW LYCANTHROPY IS A WHOLE STUDY IN ITSELF!** Isn't that something! I forgot about that all these years, but it came back to me when the Lord reminded me of that as clear as anything, that my father said that he believed or suspected that some people in the afterlife, as their punishment, were going to be turned into the kind of **animals** they were in this life! They'd be and look like hogs, pigs, foxes, snakes, wolves and so on!

76. **THERE ARE ANIMALS IN THE SPIRIT WORLD,--I'VE SEEN THEM!** And remember what we got about my old dog **Rex**, whose spirit is still with me? The Orientals believed human spirits inhabited animals. So why not? Isn't that amazing!--And those **demons** Jesus cast out entered those **swine**!

77. **THE PROPHETS DANIEL, EZEKIEL AND JOHN ALL SAW BEASTS IN HEAVENLY PLACES!** There were even the four **creatures**, the four **beasts** of **God** around His throne! Now **they** were **heavenly**, they were **God's** beasts, but they were some kind of **animals** according to the prophets. They looked like **animals** to them! How 'bout **that**? I'd always heard in **church** that they were only **symbolic**, you know, and blah, blah!

78. **BUT MAYBE THEY'RE SOME KIND OF POWERFUL CREATURES OR MONSTERS THAT GOD OWNS!** It was a mark of distinction and power in the ancient courts of the ancient kings and queens to have huge chained lions or tigers around the throne, sort of symbolic that they had conquered creation, you know, and had conquered these huge beasts.

79. **SO THERE ARE ANIMALS IN THE SPIRIT WORLD! DEFINITELY!** Now the Lord in those visions often symbolised nations and peoples by animals in the various visions of the prophets, but of course we were always told they were considered strictly **symbolic**. Who knows? Maybe their people are like that, and that's why the Lord symbolises them like that! Maybe the very people of those countries are like that.

80. **I CERTAINLY WOULDN'T HAVE PICTURED AMERICA AS A SKINNY SCRAWNY, MANGY, GRAYISH-GREEN, DECAYING, DYING CAT!** It really doesn't look that bad off **yet**! But, maybe that's the way it looks to **God**! But man, my **black** cat, if that was **Egypt**, it sure had grown a lot! **MB: Much has changed in America in fifty years and now Africa is backed by Russia and China.**

81. **IT WAS LIKE EGYPT WAS ON THE INCREASE AND AMERICA WAS ON THE DECREASE!** Egypt is growing and getting bigger and more magnificent and powerful, while America is fading out and dying! That's true, that's really

going to be true!--And that's the way, apparently, that **God** sees things in the **spirit**. Now that's **scriptural** of course: "God sees not as man sees." There's a scripture for everything, praise God!

82. **OH, WHAT A HORRIBLE PICTURE OF AMERICA! THIS SICKLY, STAGGERING MANGY, DIRTY, OLD CAT THAT REALLY IS A RAT!** Whew! Oh my God help us! (Maria: It wasn't **Israel**?) No--it was dying America. Of course Israel's a **part** of America, let's face it, so God would just picture it **together**, you know. When it choked on the frog it died--it strangled. **MB: If Israel is dying along with America then they would have to resurrect old Israel somewhere else, could it be the Ukraine (Kazaria between the Seas).**

83. **AND THE FROG WENT BACK TO THE SPHINX, SO IT MUST HAVE COME FROM THE SPHINX**, and it was almost like that Sphinx was its **mother**, the big black sphinx cat goddess of Egypt! Only it was **my** Sphinx, it was **my cat**, it didn't have a man or a woman's head, it was my cat! Big and beautiful! Oooh, he's so beautiful--or **she** is, I don't really know if it's a **he** or a **she**! (Laughs.) It's hard to tell with cats!

NEWS Report. Supporters of Niger's ruling junta hold a Russian flag at the start of a protest called to fight for the country's freedom and push back against foreign interference in Niamey, Niger, Aug. 3, 2023. Sam Mednick/AP

The U.S. Department of State is aware of unverified reports that leaders of the Niger junta have traveled abroad to seek assistance from Wagner, according to Miller. While the U.S. has freezed its funding to Niger amid the apparent coup, Miller said money could start flowing again as soon as Bazoum is back in control. Bazoum's government has been a top ally to both the U.S. and Europe in the fight against violent extremists linked to al-Qaida and the Islamic State group in Africa's Sahel region. The U.S. Department of Defense said it has provided \$500 million in military assistance to Niger since 2012, "one of the largest" security assistance and training packages in sub-Saharan Africa.

84. **NOW IT SEEMED LIKE FROM WHAT MADAME M SAID TO ME THAT SOME OF MY WISDOM IS LIKE THE WISDOM OF EGYPT.** So maybe that's where some of it springs from: **Abraham!** He is a **Gypsy!** Although the Lord showed us the Gypsies were originally Semites and came from Israel, they're noted for centuries now for being supposedly **Egyptian**. That's where they got the name "**Gypsy**"--from **Egypt!** (Maria: Abraham knew about the Chinese spirits, and he talks about the **Egyptian** spirits too.) So obviously a lot of his wisdom must have come from **Egypt**. A lot of the Gypsy wisdom must have come from Egypt.

85. **BUT I DON'T THINK THAT'S VERY COMPLIMENTARY TO CONSIDER THAT MY WORDS OR LETTERS ARE LIKE FROGS!** (Maria: Well, you didn't think that dream about "**Demonography**" was too complimentary either!) I never liked frogs, I never thought frogs were very... I'm going to look up frogs in this encyclopedia. Aren't they the **ugliest** little things?

86. **BUT YOU SEE, IF MY WORDS ARE BEING PICTURED AS HOW THEY LOOK TO THE WORLD AND OUTSIDERS, I GUESS THEY'RE PRETTY UGLY, HUH?** I mean they sure aren't very **beautiful** according to **their** scholastic standards! My grammar isn't too good, and my expression isn't too good, and I use the commonest kind of English and street language sometimes, I mean the average highly educated refined person might consider my words very **ugly**.--They're **never** going to take any **literary** prize!

87. **FROGS HAVE SUCH BIG EYES! THEY'VE GOT TREMENDOUS BIG EYES! THEY MUST BE ABLE TO SEE EVERYTHING! AND THEY'VE GOT THE MOST HUGE MOUTHS!** I mean **frogs** go, "Honk, honk, honk!" and you can hear them for **miles!** Out on the Ranch you could hear those frogs **miles away!** And **man**, can they **jump!** They've got the most powerful hind legs! That's almost the biggest part of their whole body!

88. **AND THEY KEEP JUMPING FROM PLACE TO PLACE, JUST LIKE US!** (Maria: It's pretty hard to **catch** them too!) Yeah. They've got big strong **legs**, and they really **jump around**, and they can really go **fast** if they take a notion!

89. **AND THEY'VE GOT SUCH BIG MOUTHS! THEY REALLY MAKE A LOT OF NOISE JUST LIKE US!** And they've got **such big eyes!** They can see **everything**, just like the **Lord** shows **us**, you know! So come to think of it, God made them, so maybe they're not so bad after all! I just thought they were awfully **ugly!**

90. **WHEN I WAS A LITTLE BOY WE BELIEVED THAT IF YOU TOUCHED A FROG IT GAVE YOU WARTS!**--Ha! And if we got warts, then we had to go through a certain little ceremony to get rid of them taught to me by one old Hungarian woman who could hardly speak English. She found out we'd picked up this frog, and so she got all excited, and we had

to go though this little thing where we threw something over our shoulder and all kinds of crazy stuff! (Laughs.) She was **so superstitious!** I thought it was so **funny!**

91. **FROGS CAN NOT ONLY JUMP VERY RAPIDLY, BUT THEY CAN ALSO SWIM VERY RAPIDLY.** Boy, they can swim so **fast!** I mean they can live in **either** kind of environment. They can live either **in** the water or **out** of the water! It's like going back and forth between **two dimensions**, two **worlds**, right?--**This** world and the **spirit** world! It is! It's like they live in **two worlds!** They **do!**

92. **(MARIA: THEY ALSO HIBERNATE UNDERGROUND IN WINTER.) THAT'S RIGHT!** And they've got four fingers on their front feet and five on the back.--Now what does **that** mean? I don't know what **that** means, if it means anything. They hibernate in the Winter?--Well, **I'm** sure cold-blooded!--**I** always feel like hibernating in the Winter! (Maria: That's like a spiritual significance.) How? (Maria: Like Winter is almost like time of trouble, too, almost underground, when things get cold and wintry out, or trouble or **persecution** comes, **we** hibernate **too!**--**We** go **underground!**) **MB: Well the Words of David were hibernating for awhile, but now that winter is almost over, it's time to bring them out?**

93. **AND DO YOU KNOW HOW FROGS CAPTURE THEIR PREY? WITH THEIR TONGUE!** Ha! Ha! Ha! How about that! Now that **is** certainly significant! Really symbolic! Whew! What a tongue God's given **us!** (Maria: We're finding out that we're like all the things we've always sort of hated, and creatures we looked at with disdain, like the Lord called you a spider, an old spider.) Well, God made 'em! Whew! Well, we **are** the most contemptible in the eyes of the world and the church, that's for sure, and abhorrent to the system!

94. **(MARIA: IN SOME SEASONS FROGS PRODUCE IRRITATING OR POISONOUS SECRETIONS, LIKE OUR WORDS,** so it **could** have poisoned that cat!) They have sticky tongues too! Some folks get stuck to our tongue, our words, like our kids, I guess. They're stuck to my **tongue**, trapped by my **words!** (Maria: They bear **fruit** too, 'cause they lay eggs which are fertilised as they are layed in early Spring.--Oh and you know what? They secrete a **covering** which causes the eggs to **adhere** in **mass!**) **Colonies!** Colonies! Their **young** are born in **Colonies!** (Maria: Giving **buoyancy** and **protection!**) How about that--isn't that something?

95. **AND LOOK HERE, SEE, LIKE I TOLD YOU: "THEY HAVE A CROAK THAT CARRIES FOR MILES"** (Laughs.) **We** really **can** be heard around the **world!**

96. **DID YOU KNOW THERE'RE EVEN FROGS THAT FLY! THINK OF THAT! THEY LIVE IN THREE DIFFERENT ENVIRONMENTS,** three different **realms!** They fly in the **air**, they can jump on the **land**, and swim in the **water!** I guess that must be the only known creature that can operate in **all three** different spheres, realms, or worlds.

97. **KIND OF LIKE US: WE OPERATE IN THE PHYSICAL AND SPIRITUAL WORLD.** I don't know what other world there is, kind of a **mental** world, which even the **world** can operate in. But then there's the **spiritual** world where **we fly!** **Underground** we can swim like **mad**, out of sight! On the **land** we can hop pretty fast too, and hop from place to place.

98. **THEN IN THE AIR, IN THE SPIRIT WORLD, WE CAN REALLY FLY!** (Maria: It says they usually live in quiet fresh water or woods.) We certainly **prefer** that if we can get it physically, but we **do** live in that in the **spirit.** Amen? (Maria: The fresh water of God's spirit!) Praise God, thank You, Lord! Well, now let me see the Bible Dictionary.

99. **GOD COMPARES US TO A FROG, HOW 'BOUT THAT! APPARENTLY IF AMERICA EVER TRIES TO SWALLOW US, IT'S GOING TO CHOKE THEM TO DEATH!** As I recall, the Bible's not too complimentary about frogs. It says here: "An amphibious animal mentioned in Exodus 8:3 and Revelations 16:13." (Maria: It was a **plague!**) A judgement of God on the wicked world! Wow! **We're** sure a plague to the **world**, part of God's judgements on them!

100. **IT SAYS HERE: "THE FROGS MENTIONED IN THE OLD TESTAMENT WERE PROBABLY THE DOTTED FROG OF EGYPT,"** how about that! That frog was hopping back to **Egypt**--its **mother.** That big, black Sphinx-like cat was the frog's mother! It acted just like it thought the big black cat was its **mother**, and it jumped back there in terror and squirmed right underneath her arm! Isn't that funny? Only my frog was all bright growing green like us! The ugly American cat was a dirty old decaying green--a dying green! But we **did** originally come **from** America, so we're **both** green!--Only she's old and dying and we're young, bright and growing! **MB: So Niger is being terrorized by the US and has run back into the arms of Russia.**

101. **IT ALL BEGINS TO MAKE SENSE, IT REALLY DOES!** I bet I fought that meaning about that **frog** being **us** or our **words** for at least 3 or 4 hours! Everytime I'd wake up, I'd think, "No, Lord! **We're** not **frogs**! I don't want to be likened to **frogs**!" (Maria: Isn't that something, how the church system has you so brain-washed and indoctrinated to think some things are bad and some things are good, when actually they may be just the other way around! --Like they say **sex** is **sin** when it's really a **good** creation of **God**!)

102. **WELL, FROGS WERE CONSIDERED UNCLEAN BEASTS, UNCLEAN CREATURES. WELL WE'RE CONSIDERED UNCLEAN TO THE WORLD!--"THEY'RE UNCLEAN, THESE DIRTY HIPPIES!"** --And they were the **scourge**, isn't that what Exodus 8:3 is? --When the frogs were one of the **plagues**, the curses? (Maria: "And the river shall bring forth frogs abundantly, which shall go up and come into thine house and into thy bedchamber and upon thy bed, and into the house of thy servants, upon thy people, and into thine ovens, and into thy kneadingtroughs.") Can you imagine anything more **horrible** than climbing into **bed** with a **frog**? (Maria: They're **slimy**!) Ick!

103. **WELL, THAT'S JUST ABOUT THE WAY THE WORLD LOOKS AT US! UGH!--THEY CAN'T IMAGINE ANYTHING MORE HORRIBLE THAN US. "THOSE DIRTY HIPPIES** that live in those horrible places, ugh!" --Gives them the willies to even **think** about us! (Maria: Well anything the **Devil** has is just a **counterfeit** of what **God** has, right?) That means God's going to have the **reality**, if the Devil has the **counterfeit**!

104. **LISTEN TO THE REVELATION 16:13 & 14: "AND I SAW THREE UNCLEAN SPIRITS LIKE FROGS** come out of the mouth of the dragon, and out of the mouth of the beast, and out of the mouth of the false prophet." **One** out of each **one**. (Maria: "For they are the spirits of devils, working miracles, which go forth unto the kings of the earth and of the whole world to gather them to the battle of that great day of God Almighty." --Armageddon!) Then they **were** spirits, right? Really **spirits**, they were really **demons**, those frogs!

105. **WELL, NOW, IF GOD HAS A REALITY OF WHICH THIS FALSE PROPHET'S FROG IS THE COUNTERFEIT, THEN THERE MUST BE A TRUE PROPHET WITH A GOOD FROG, A GOOD SPIRIT, SOMEWHERE!** God of course we know, here's the **false** prophet in this passage here, we know there are the true prophets, here out of the mouth of the **false** prophet comes what? --An **unclean** spirit, right? So out of the mouth of **God's true prophets** come what? --**Clean** spirits! So, what if they **look** like **frogs**?

106. **EVEN OUR CLEAN SPIRITS WOULD LOOK LIKE FROGS TO THE WORLD, THAT'S FOR SURE! I** mean we really do look like **frogs** to the world! We hippies and Jesus freaks are considered undesirable, unpalatable, we are a disgrace, we are the offscouring of the earth, the scum of the earth, the dregs of society, we are the frogs of the animal world to them! That's the truth!

107. **BUT YOU KNOW, THE FROGS REALLY DO A LOT OF GOOD!** On our Ranch in Texas I used to always forbid the boys to kill them, because the frogs were always eating up the bad insects and getting rid of the ants, mosquitoes, flies and insects that were pests. Always getting rid of the pests. They just flip out their tongue and blip! --They've swallowed another pest! --So quick!

108. **YET THE WORLD CONSIDERS US A PEST, US!** You know at first that American cat was actually **afraid** of me! You know? Like it was actually afraid of what I was going to do, because it **scratched** me, it **hurt** me! And then it acted just like a cat does when it thinks it's about to get hit, about to get clobbered! --When all of a sudden it began to choke to death on my little frog, on my words!

109. **YOU SEE, THE DEVIL IS THE OPPOSITE OF GOD, AND THE ANTICHRIST IS THE OPPOSITE OF CHRIST, AND THE FALSE PROPHET IS THE OPPOSITE OF GOD'S TRUE PROPHET!** Out of the mouth of each of them, God, Christ and His **True** Prophet, of course, comes a **clean** spirit. Since there was a **False Prophet** here (in Rev. 16) for the Devil and the Antichrist, so there must be a **True** Prophet for God and for Christ, and out of **his** mouth comes the **true spirit** of **God**! Right?

110. **AND IF THE DEVIL'S EVIL SPIRITS ARE GATHERING,** it says: "For they are spirits of Devils working miracles, which go forth unto the kings of the earth and of the whole **world**, to gather them to the battle of that great day of God Almighty!" Well, that's on **their** side of the battle, right?

111. **THEN FROM THE MOUTH OF GOD AND CHRIST AND OF HIS TRUE PROPHET, THERE MUST COME CLEAN SPIRITS**, angels, **also** working **true** miracles, which go forth unto the kings of the earth and of the whole world and gather the **good** forces together, to do battle **against** the forces of evil! So that's really what **we're** doing! We're summoning the forces of **good** together calling them together to oppose and fight and **defy** the evil!--To gather them together to a great battle, the battle of the great day of God Almighty! How about that! **MB: And here is a confirmation of what we are supposed to be doing now, summoning the forces of good together, calling up the spiritual 144 thousand to war along with millions of warrior angels to gather all to the great day of God Almighty.**

112. **AND HE GATHERED THEM TOGETHER INTO A PLACE CALLED IN THE HEBREW TONGUE ARMAGEDDON!**" You know where that is?--That's just south of **Haifa**, that valley that stretches from Mt. Carmel on down toward Jerusalem!--The Valley of Megiddo where Armageddon is to be fought is only a little S.W. of the **Syrian** front en route to **Sinai!**

113. **(MARIA: SOME PEOPLE HAVE A PROBLEM IN UNDERSTANDING THE DIFFERENCE BETWEEN THE DEVIL'S WORK AND THE LORD'S WORK.)** Because the **Devil's** work is such an **imitation** and such a close **counterfeit!** (Maria: If the world could just understand this one little point: That **everything that God has, the Devil has a counterfeit of it**, then it would be easier for them to understand.)

114. **IN FACT, THE DEVIL CAN'T DO ANYTHING, HE DOESN'T KNOW WHAT TO DO, EXCEPT TO IMITATE GOD!** Because he knows what **God** does **works!** And so in everything he does, he's trying to be God, he's trying to be God and imitate God, so everything he does is trying to imitate the Lord. So that is interesting!

115. **SO WE ARE GATHERING TOGETHER THE FORCES OF GOOD ON THE OTHER SIDE TO OPPOSE THE FORCES OF EVIL!** How 'bout **that!** **Think** of that! Isn't that **amazing?** Now in this passage, they're all gathering together toward this big battle, Armageddon, which is to be in **Israel New Israel?!** My God, could this possibly be it **now?** **MB: The US beaten in the Ukraine and poisoned in Africa...it is getting very close now.**

116. **"AND THE SEVENTH ANGEL POURED OUT HIS VIAL ON THE AIR** and there came a great voice out of the temple of heaven, from the throne saying, 'It is **done!**' You know the message we got from the Lord on the Arab war, "Prepare ye the way! The time is **at hand!**"--It **could be!** **"At hand"** means it's **about to happen!** "And there were voices, and thunders and lightnings, and there was a **great earthquake** such as was not since men were upon the earth!"

117. **THE AIR! THE COMET! KOHOUTEK! MAYBE THAT'S WHAT'S GOING TO HAPPEN WHEN THAT COMET COMES!** If this is **that** war, then God could send that comet and do all these things **now!**--"and there was a **great earthquake**, such as was not since men were upon the earth, so mighty an earthquake and so great! And the great city (Babylon: **America?**) **was divided into three parts, Peace said something along this line.(Rome, Washington DC and London)** and the cities of the nations fell: and great Babylon came in remembrance before God to give unto her the cup of the wine of the fierceness of His wrath!"--The fall of **America?**

118. **"AND EVERY ISLAND FLED AWAY, THE MOUNTAINS WERE NOT FOUND, AND THERE FELL UPON MEN A GREAT HAIL OUT OF HEAVEN**, every stone about the weight of a talent!"--**Think** of it! These **hailstones** are probably "fire and **brimstone**," **volcanic rocks** a **hundred pounds** or more **apiece!** Think of **that!** Can you imagine how big a rock like that would be, and how much damage it could do from any height at **all!**--They could **batter down** whole **buildings flat** to the ground! Whew!

119. **"AND MEN BLASPHEMED GOD BECAUSE OF THE PLAGUE OF THE HAIL!" SEE, THEY STILL DON'T REPENT**, they still don't say they're sorry, or call on God! They just **curse** God because of their wickedness! Instead of **repenting** and **crying out** to God for **mercy** and **forgiveness** and salvation, they **curse** God! "For the plague thereof was exceeding great!" And then of course the next chapter, 17, explains who the Whore, **Babylon**, the **Beast**, the final world government and all **that** are, and the 18th Chapter describes in detail Babylon's **fall**--America?

120. **THEN THE 19TH CHAPTER DESCRIBES THE COMING OF CHRIST--THE VICTOR!** Wow! Wow! Wow! Wow! I always wondered why God stuck that verse about Christ's coming right after that business about the spirits of devils going out to gather the earth together, to the battle of the great day of God Almighty, Rev.16, 14th verse: Boom!--And the Lord says, in vs.15, "Behold I come as a **Thief!** Blessed is he that **watcheth**, and keepeth his garments, lest he walk naked (spiritually) and they see his shame!" **MB: Whilst the Christian world sleeps on believing the doctrines of Scofield, the AC comes**

and sweeps up the world with them in it and finally Jesus returns as the thief. Which is easy to do if five of His virgins are sleeping.

121. **IT'S JUST AS THOUGH HE'S SAYING: "I'M GOING TO COME PRETTY SOON!"--RIGHT AFTER OR DURING THAT BATTLE, THE GREAT BATTLE OF ARMAGEDDON,** at the time of that battle! See, He comes, apparently, according to Revelation here. He comes **during** or right **after** the **Battle of Armageddon!** He comes and He **settles** the Battle of Armageddon, **when the nations are fighting against each other in Israel, Jesus comes!**

122. **(MARIA: BUT JESUS ISN'T GOING TO COME YET THOUGH?) I JUST DON'T KNOW, THIS WAR COULD GO ON FOR A LONG TIME,** this war between the Jews and the Arabs, and **has** been going on for **years** and years and years already. Good night, it's been going on in Israel now for about 30 years! See, off and on, off and on, off and on! So this war could easily stretch out, off and on, truce and cease-fire, then back at it again, for another 20 years!--Which would bring us right up to the period that **we** got for the coming of the Lord! Right? So, wow!

123. **TO THE PROPHETS AND TO THE LORD IT ALL LOOKS LIKE ONE, ALMOST LIKE ONE EVENT,** you might say, but it **can** be stretched out over a number of **years**. It's the great grand **End**, the culmination, and yet the **End** is composed of a **series** of a whole bunch of **minor events**, this **major** period of the **Endtime!**

124. **IN FACT THE "LAST DAYS," ACCORDING TO THE SCRIPTURE IN HEBREWS AND ALL, BEGAN WITH THE FIRST COMING OF CHRIST, AND WILL END WITH HIS LAST COMING** nearly 2,000 years later!--**2,000 years of "Last Days!"** Paul says in Hebrews, "In these **Last Days**, God has shown us by His Son," and so on. So the **last days began** with the **first** coming of Christ, and will **end** with the **second** coming. So it's **all** the **End** as far as **God's** concerned! But **The End**, the real time of **The End** He speaks of, is **these last few years**, and I believe we're already living in the time of **The End!**

125. **THESE ARE THE ENDTIME EVENTS RIGHT NOW, EVEN THOUGH THEY COULD STILL STRETCH OUT FOR ANOTHER 20 YEARS OR SO!** It tickled me when I heard that guy on TV worrying about what were they going to do in a **hundred years** because of that increase of population and pollution and the decrease in food and fuel, etc.--Ha!--Buddy, you're not going to have to worry about it a hundred years from now! (Laughs.) The **Lord's** going to solve the whole problem in only about **20 or 30 years** or so! Well, that makes sense, praise the Lord!

126. **CERTAINLY OUR WORDS SOUND AND LOOK LIKE UGLY FROGS TO SOME OF THE PUBLIC. I'M SURE!** Like ugly frogs, they don't like. But to people who really **know** and **understand** frogs, they're really not bad creatures at all! Some people even like to **eat** frog legs! Very palatable to some. But they're just a kind of a chosen few. Not very **many** people **like** frog legs. (Laughs.)

127. **THEY'RE CONSIDERED UNCLEAN MEAT TO SOME,** especially to certain religious ones, frogs and frog legs are unclean meat! Ha! Ha! Ha! How about that! The Lord couldn't pick a type of anything better than some religious hypocrites would abhor! We to them are unclean, and our words are unclean meat! How about that, isn't that amazing?

128. **WHAT A PICTURE!--ONE SIMPLE LITTLE PICTURE GOD CAN GIVE YOU,** that is just a simple childlike picture of the whole thing! Isn't that amazing? Wow, wow, wow! It's like that, the whole thing makes sense now!

129. **IT'S LIKE THAT BIG BLACK CAT IS EGYPT AND THE BEGINNING OF THE COMING WORLD GOVERNMENT, REALLY, AND IN A WAY I WAS FRIENDLY TO THE CAT,** it was like **my** cat, you know? Just like the Lord has predicted that at first we're sort of going to be on good terms with the coming world government. Maria: We help it to power.) Yes, think of it!--And it's **growing now**, we're even helping it **now!** **MB: And the coming world government is already here, as all sleep on. Another dream Dad had went along this line of being friendly with the coming world government. Was it the Russian Fairground Dream? It was another one I'm thinking of where Dad was staying at this swanky hotel and he was being driven around in a fancy car supplied by the new world government, He was in the dream, kind of directing things.**

130. **AND IT'S IN ORDER THAT WE MIGHT BE OURSELVES PRESERVED, JUST LIKE MANY OF THE PROPHETS WERE BY THE HEATHEN KINGS** and the former world powers that were anti-God, anti-Christ and whatnot! But God **had** to have His **prophets**, He had to have His **people** there to keep delivering the **Word**, and this helps spare His

people. So there you are, see? Here's the big growing black cat of Egypt and the coming world socialist government that's going to take over the world!

131. **AND HERE'S THIS SICKLY DYING CAT OF AMERICAN AND WESTERN CAPITALISTIC FASCISM THAT'S GOING TO CHOKE TO DEATH ON OUR WORDS!** Even though they do apparently get a swat at us now and then, and scratch us, it's nothing but a **little** scratch. It hurts and it bled, but it was just a scratch. So whatever they can do to **us** apparently is just going to be a **scratch** by comparison to what's going to happen to **them** by swallowing my **frog!** It's going to **choke** them to **death!** (Maria: It's already made them sick.) Yeah!

132. **(MARIA: DID YOU KNOW THAT IN CHAPTER 15 JUST BEFORE THIS 16TH CHAPTER ABOUT THE FROGS, CHAPTER 15 TALKS ABOUT "THEM THAT HATH GOTTEN THE VICTORY OVER THE BEAST, AND THAT HAVE THE HARPS (GUITARS?) OF GOD, AND THEY SING THE SONG OF MOSES,** servant of God, and the song of the Lamb?) **That's** where that passage is? How about that! Do you know we may be further along than we've realised! (Maria: We are bringing plagues on the world. It said "till the seven plagues of the seven angels were fulfilled," because **we're** bringing the **plagues!** **Our words are our prayers.**

133. **YOU SAW THAT IN "DEMONOGRAPHY," YOUR DREAM ABOUT THE PLAGUES OF OUR WORDS BRINGING THE JUDGEMENTS OF GOD.)** Opening those caskets or whatever they were, was like opening Pandora's Box! O Lord, what a terrible comparison it was, what an awful picture! It doesn't sound very **beautiful** of **us!** I was there like a big human being overlooking or overseeing the whole event, like an observer in the spirit, but I did stick my hand in to try to stop it.

134. **MAYBE THAT'S A WARNING FROM THE LORD THAT I'D BETTER KEEP MY HANDS OUT** of trying to interfere in what God's allowing to happen to the kids and His Words! I mean, you know, like trying to enter in too personally in administration or interfering with the kids and their affairs, or trying to personally protect them and the publications and all. I mean, I ought to just stick to the Word of God and stay away from tending tables! (Maria: That's right!) I mean I was fine, but I didn't help it a bit by trying to interfere!--I just got scratched by sticking my hand into it, sticking my finger in the pie, and it didn't stop the American cat from getting the frog! That's clear as day now. **Now that's a good message for TFI**

135. **GOD WANTED THE CAT TO EAT THE FROG, SO IT WOULD CHOKE TO DEATH ON IT!** (Maria: And be **poisoned** too!) Yes, think of that! And I was trying to interfere and save the frog and keep the frog from the cat, to keep the cat from getting the **full word!** (Maria: Fear of persecution.) Yes.--I've tried to keep from revealing the **whole** of God's truth, for fear they'd **really** get after us! Well, it didn't help or change anything, anyway, and I only got scratched for my trouble.

136. **WELL, YOU'VE GOT TO LET THE KIDS OPERATE ACCORDING TO THEIR OWN FAITH,** they've got to **each** operate according to his **own** faith. I don't want anybody passing out literature that they're **afraid** to pass out, or if they don't have the **faith** for it and are not willing to **suffer** for it, they don't **have** to. The **prophets** of God have to have the **faith** of God to proclaim the **Words** of God, and they suffer the same **persecution** as God in Christ. But praise God, they get the **rewards** of God, amen? So it fits better all the time!

137. **IT'S NONE OF MY BUSINESS TO INTERFERE WITH THEM GETTING THE WHOLE WORD, THE WHOLE FROG,** the whole-hog, the whole-frog! Oh my Lord, I hope it doesn't mean that! We've got to give them the **whole** works, the **whole** counsel of God, the **whole** frog? Oh Lord help us! **MB: There is so much in this dream, that I can't hope to find all the clues. But anyway's from here I went for an INFOSTORE search on "black power in the Endtime". You have the podcast to that search, I will send the text copy of that podcast if you are interested in reading it?**

138. **HIPPITY-HOP! THAT LITTLE FROG, HE REALLY WAS BOUNCING ALONG!** I tell you, he was going so **fast**, you know how fast a cat streaks, that cat was kind of sick, but he was still coming on strong, even though he was kind of staggering and reeling along after the frog. But that **frog** was really making time, he was really hopping!

139. **THEY CAN JUMP SO FAR AT ONE SINGLE JUMP, FROM HERE TO THERE TO THERE AND GONE AGAIN! IT'S LIKE US!** (Laughs.) You know what **Fred** said about me when I was on the road for television? At some time or another he wanted to get in touch with me and he couldn't **find** me by phone.--And he was so mad, because he wanted to tell me something when I was on the road, and he couldn't **locate** me. And he phoned where I'd just been, and then he phoned someplace else, and I'd just been there, just left there, etc. So when he finally got hold of me he was burning up! He said,

140. **"DAVID, YOU'RE LIKE THE IRISHMAN'S FLEA!--JUST WHEN I THINK I'VE GOT MY THUMB ON YOU, YOU GO AND JUMP AWAY AGAIN!"** Ha, Ha, Ha! Now **that's** the picture of the **frog!** Just about the time the System thinks they've got their **thumb** on us and they're about to **crush** us, we've gone and hopped away again! (Maria: We wriggle right out! Even if you put your hands on frogs, they can squeeze right out!) Hopped away again!

141. **AND THE FROGS ARE ALWAYS BURYING THEMSELVES WHEN YOU'RE CHASING THEM!** They jump in the water, they jump in the mud, and they make a few little wriggles and they're right underneath the mud, right down they go! Or under a rock--they can squeeze into the tiniest smallest little places you ever saw, just like our crowded **Colonies** (Laughs.) The **frogs!** They can call us the **Frogmen**, ha!

142. **SO, AMERICA IS GOING TO CHOKE TO DEATH ON US!** My God, I didn't realise we had that much effect! (Maria: Of course we do!) It's the **Words** of **God!**--They're going to choke to death on the **Word** of **God!** Thank You, Lord, Hallelujah! You know what I just got?--Another Scripture!--You know what Jesus said to the scribes and the Pharisees, the religious hypocrites, who are our bitterest enemies also, you know what He said? Don't you remember? Jesus said (in Mat.23:24), "Ye **choke** on a **gnat** and **swallow** a **camel!**" That's what just came to me! They **choke** to **death** on a **gnat!**

143. **WHO ARE WE?--WE'RE NOTHING BUT A LITTLE GNAT, BUT THEY CHOKE TO DEATH ON US!** That reminds me of that atheist I heard about that was preaching against God, like Mussolini. It used to be one of **his** favourite tricks to get up there and take his watch and say: "I don't believe in God! There's no God!--If there's a God, let Him send a bolt of lightning from heaven and strike me dead in five minutes!"--And he'd stand there and watch his watch until the time was up while the crowd waited breathlessly. Then when it didn't happen, he'd say: "You see! I told you there's no God!"

144. **AND HE KEPT STOMPING ALL OVER THE COUNTRY DOING THAT** and saying that all the time. And you know what finally happened? You know, he was challenging God to some big nice fiery display! He wanted the people to know how brave he was, that he was defying God to strike him dead with a lightning bolt! But he was standing there one time looking at his watch after his little demonstration was all over and he'd made fun of God saying, "See there? There's no God! He didn't strike me dead! If there **was** a God, he would have struck me **dead!**"

145. **AND WHAT DO YOU SUPPOSE HAPPENED?--ALL OF A SUDDEN HE CHOKED ON A GNAT** and began coughing and choking and **choked to death** on a **gnat** right there in front of all of them! I mean God wouldn't even stoop to his level to send him a lightning bolt! God just let him **choke** to death on a **gnat!** Think of that!

146. **THAT CAT GODDESS OF EGYPT STRANGLERED HER VICTIMS!** Isn't that amazing! They choke on a gnat, but swallow a camel! That's something Jesus said to the **Pharisees**, His religious enemies! Well, praise the Lord, that's really some parallel, isn't it?

147. **I KNEW THE PICTURE MUST MEAN SOMETHING, IT WAS SO VIVID** and it so **shocked** me it woke me up just like those message dreams always do! The Lord woke me absolutely wide awake, and I was just amazed!--Wow!--What a picture!--What in the world does this peculiar ridiculous thing **mean** anyway?

148. **WE'RE NOTHING BUT A LITTLE FROG OR LIKE A LITTLE GNAT, BUT THEY'RE GOING TO CHOKE TO DEATH ON US!** We're going to choke them to death because they cannot swallow us, they can't stomach us! Isn't that something? They're going to choke to death trying to cough us up! We're actually, literally, going to **strangle** them, the System, America, and the things it represents! They're going to choke to death on us and our words! Praise God! Thank You, Lord! Hallelujah! It makes sense!

149. **I JUST RESISTED AND FOUGHT AND FOUGHT IT FOR HOURS, THAT BUSINESS OF US BEING A FROG!**--I couldn't **stand** that comparison! I thought, "Now Lord, that is **too much!** I've already given the kids that one where You pictured me as a **spider!** That was bad enough! But now to picture me as a **frog**, the ol' **frog!** We used to call some people **old frogs** that **croaked!**--Somebody we didn't like.

150. **GOD HAS MADE US THE SCUM OF THE EARTH, THE OFFSCOURING OF THE EARTH, THE DREGS OF SOCIETY, THE LITTLE SLIMY FROGS!** But look what **useful** creatures frogs are, and what **talented** creatures they are, and how they **get around**, and how they can even **kill** with their **tongue!** And their tongues move so fast you can't even see them when they catch insects!--The hippie pests!--Ha!

151. **BUT OUR ENEMIES, THEY STRAIN AT A GNAT AND SWALLOW A CAMEL!**--They swallow the foolish camels of evolution and godlessness and communism and everything else in one gulp, no sweat! But they absolutely **choke** to death on **our words**, on **us**! They make a violent effort to get **rid** of us, cough us up, vomit us out or whatever! Isn't that something? Isn't that amazing! I can't get over that! I just fought that interpretation for hours!

152. **BUT THAT UGLY AMERICAN CAT WAS CHOKING TO DEATH ON THAT LITTLE TINY FROG, AND THAT FROG WAS US AND OUR WORDS!** So that means that America is going to literally choke to death on the Words of God and the people of God! They're going to try to cough us up and get **rid** of us, but they're going to **strangle** on us! **We** and our **words**, **God's Words** are going to **choke** them to death, **strangle** them!

153. **AND IT HAS SOMETHING TO DO WITH EGYPT** and the Ancients and that Ancient wisdom--Abraham! Abraham! It's Abraham! Of course! An **Egyptian Gypsy**! I mean it was Abraham that the Lord sent to reveal all these things to me, to give us all these Words, God's Words! (Maria: He knows so much even about the Chinese spirits, Egyptian spirits, etc., too!)

154. **THIS IS WHERE WE'VE GOTTEN ALL THESE REVELATIONS, FROM ABRAHAM THE GYPSY, EGYPTIAN, EGYPT!** (Maria: Does he **look** like an Egyptian too?) **Yes!** I told you how Abraham looks! I told you he's quite dark and has jet black hair, remember? He looks like a Gypsy, very dark-skinned, jet black hair.--I mean a **pure** Gypsy.

155. **SO HOW ABOUT THAT KIDS? WE'RE THE FROGMEN, GOD'S FROGMEN, WHOM THE WORLD HATES BUT GOD LOVES!** We serve many useful purposes, and we're very, very useful to the Lord! We're very **versatile** in our ministry, too! We and our words can operate in **several different realms**: In the realms of the physical sex, mental reasoning, or the spiritual world's revelations!

156. **GOD USES US IN ALL REALMS, JUST LIKE THE FROGS!** Underwater, **underground**, on the **land**, or even in the **air**! Do you know there are **flying frogs**? Yes, **flying** frogs!--So we can survive, live and operate in almost **any** kind of environment the world over! Hallelujah!

157. **AND WHEN OUR ENEMIES TRY TO SWALLOW US UP, THEY ONLY CHOKE THEMSELVES TO DEATH ON US!** You know, in my dream that was the last thing I saw: The ugly American cat-rat choked to death on the little frog and keeling over stone dead! So I was wondering if that was the **end** of the poor little frog, when I suddenly got a picture of the itty-bitty bright green frog crawling slowly, quietly out of the cat-rat's dead mouth, looking all around to see if the coast was clear, then hopping gleefully away, lickety-split, hippity-hop, right back to his mother, the big black Egyptian cat! Wow! How 'bout that!--He survived it! He made it!

158. **THE SICK UGLY AMERICAN CAT COULDN'T SWALLOW HIM AFTER ALL!--HE ONLY CHOKED ON HIM, AND THEN THE FROG GOT AWAY AGAIN!**--Isn't that **great**? So be it with **all** our enemies!--If they try to swallow us up, they'll only **choke** on us, and we'll just crawl right back out again, and God's Truth will go marching on!--That is, hippity-hopping and **jumping** along like mad with glee! Hallelujah!

159. **AND GOD'S ABRAHAM AND EGYPT ARE STILL GOING TO HELP US!**--Praise the Lord! Isn't that wonderful?--**Frogmen** for **Jesus**! Are you willing to be a **frogman** for **Jesus**? Did you know frogs can be buried for **years** and **still** come out alive! It doesn't matter **what** our enemies try, swallowing or burying, we'll **still** come out alive and kicking! Hallelujah!

160. **EVEN IF THEY DO KILL US, WE'LL RISE IN THE RESURRECTION AND JUMP FOR JOY!**--Hallelujah! Be a frog for **Jesus**!--Amen?
