

THE BRIDE AND THE BLUE ANGEL

The Beings of Full Possession

First I will describe what I allowed you to see...The room took on hues of various blues from light that came from the borders of the room, like a wall surrounding you...Then, the "wall" took on the form of many women who are conductors of My power...These beings are the keepers of the power sources of Heaven. They are a branch of My mind and My power. They are many, yet they are one, and their sole focus is to protect the power of God...I sent these keepers who transferred the power to you, and who will stand by you as added protectors of the portion of My Spirit that I am entrusting you with. Through them I will also help you learn to enlarge your faith and to use this power in the days to come. Put your trust in these beings, for they contain the secrets of the power of Heaven.

(More on the Keys! What the Future Holds, Part 2 [#3351])

(Jesus:) Many of My Brides do not fully realize what I have given the Blue Angels for. Some think that they are to help you love Me more, Others think that they aid you in using the keys. But what the Blue Beings are truly made for is to show My Brides the way to Full Possession. And through doing this they impart to you what they have learned of the Keys of the Kingdom and what they have discovered in their many, many times of intimacy with Me. They have mastered the art of Full Possession; they have joined themselves to My mind and have become some of the closest beings to Me. Their role is very similar to that of your role—to be a conduit of My power, an open vessel, a yielded Lover of Mine, a keeper of the Words of God, a protector of the Flame. I have given these beautiful beings to My brides to be as the maidservants of a queen, as those who teach her in the ways of Love, in the art of pleasing the Bridegroom.

(Blue Angel:) This is what we were given for, to make you as we are—so totally attached to Jesus until, like us, the very air that you will be breathing will be every thought and intent of our Lover. You will have become a Pillar in the Temple of our God, just as we are as pillars at the entrance of the generators. But you will be more, for it has been given to you to be the Brides, the Wives of Christ Himself, and you shall go DEEPER...

(Jesus:) You must begin by understanding fully what it means to love Me intimately. When you love someone intimately, you literally join your spirit to theirs.

(Blue Angel:) Come, let us love together. It's quite hard to tell you how much I wish to love you. For it is Jesus in me that wishes to come into you and sow you with His seeds. And He has filled me to the full and overflowing, so I must give it out to you. You felt me, for I was bursting with the love of the Bridegroom!

Come, take me in. I am always ready to come into you and possess you. Jesus is ready, always ready, to love you—to join with you in spiritual orgasms, Full Possession. Sometimes He does it straight on with you, person to person. Other times He loves us to love you, giving His seeds to us so that we may pass them onto you. We're all conduits, and we love to love and be loved. We hold the Keys of Spiritual Wisdom for you—the keys of Secrets and Revealing. Anything that you ask of the Father, we will give it to you, if He so wills it. We

hold the keys to the Library of God's Power! The Generators of God are as troves of knowledge, waiting to be released to the needy Bride...

[This preview is a look at the smallest of the storehouses of the power of God. It is the least among millions...

(Jesus:) Least among millions...millions of storehouses...as many as there are Worlds of the Spirit! For each Generator sits on its own world. Each one is the power source, the lifeblood of that world. The Generators all share different worlds, yet they also share a single dimension, a spiritual hotspot or personal network where they all reside collectively. You can think of it like the Warrior Hall. It's one place or "building", but there are dimensions and spaces to it that only some can see and access—it is the same for these Generators. There is a world of the Blue Angels where ALL of these storehouses are situated collectively, yet singularly—as individuals—they each have their own world. The realm of the Blue Angels is a place where you can go to access ALL the other worlds of the spirit! It is, as My channel caught a glimpse of, a library, a library of worlds, dimensions, zones, and realms of the Spirit!]

...Tap into the Powerhouses and know the truth of all things! Come and love the Lord of Wisdom, and He will open to you His vast understanding. I am teaching you the ways of Love. I am teaching you how to touch and woo your Lover. For He greatly desires you—to give you His Seeds—but you must be an experienced lover to be able to draw the Lord's seeds out. This is what I am teaching you, how to connect to Him in the spirit. You asked Him how, and He sent us to show you. And we will show you. In many ways and places shall we show you His love. We will make of you a ravishing bride that is sensitive to Love's every touch, knowing of all your Lord's desires and wild and free to perform them!

When you join your spirit with Mine, we become one for a time. In that time, a part of Me is intertwined with your own spirit and you carry a part of Me within you. The Blue Angels can help to teach you of the full power and joy of intimacy with Me. They have become so joined to My Spirit that I am in every way their life, their nourishment, their very existence. This is the first step, and it opens the door to all the

POWER OF THE UNIVERSE.

(Art of War, The, Part 3 [#3558])

(Blue Angel:) I come up behind you and wrap my arms around you. I hold you close and let the energy that is within my heart flow into yours. I whisper in your ear as I embrace you—the Words of our Lover and of His burning desire to possess you. Oh, how He is mad with love for you! It cannot be quenched—or even deterred by your own lack of enthusiasm. He is a Fire enclosed; He must be let out. He keeps coming and coming for more! You are weary in flesh, yet He does not stop! He keeps filling you with His passion because He wishes to go deeper. With every thrust of His rod of power He desires to reach greater depths. With every orgasm of the spirit, He seeks to fill you yet more with His seeds until they drench your soul and take over your being.

I wish to open you wider for Him, I wish to come deeper into you. But it has been by your own neglect and lethargy that we have not known each other as much as we should. The spirit is willing, yet the flesh is weak. This is the case for all men. But I want to make something clear to you. Though the flesh gets in the way, it is by no means the stronger of the two. It seems the more predominant and pushy because it is, at all times, right in your face through the five senses. But the Spirit is stronger than the flesh—if you'll put it first. It's not a one-time thing; the flesh is always there. There is no defeating it once and for all—that comes at death. Right now it is a daily struggle; you die daily. Die where? In the flesh. You have to kill the flesh everyday—and it hurts! But... if you keep coming and coming to the Spirit of Life, then you will be filled, you will be strengthened, and you will go deeper. But you have to keep coming or else you will fall back down. I said I wished to come into you more, and this is how you let me—keep coming back for more! Keep sucking for more! Love me. Love the King. And each time we make love we will go a little bit deeper.

(Blue Angel:) The Spirit will sustain you, my love; the spirit will keep you going. Drink deep of the living waters of our Lover. Feel me as our spirits caress each other. We are love angels. The Blue beings are love angels, made for the Brides of Christ to enjoy and love with. We can go to such heights as you've never seen or felt before! In us runs the raw energy, the undiluted lifeforce, of the very Lord of Love Himself. We can give you a

charge; we can jolt your spirit into the ecstasies you crave. We can come right into your body and make love to your spirit right then and there! We want to bond with you because we love you and unity is strong. It makes us stronger; it makes the Lord in us stronger. And when we make love, we truly join ourselves together. Spiritual sex is a vehicle for our spirits to know each other and to know greater mysteries of the Spirit World. In this raw passion, the Lord can show you so much more. You are filled with the Queen of Heaven. Your spirit is rushing with the power of love, and you can just explode out of your present plane and go to higher places. And we still use these, Body, Soul, Mind, and Spirit. All must become one if we are to travel on the currents of love.

(Blue Angel:) We are the beings of Full Possession. We are the love slaves of our Lord. He has made us to help you, to teach you how to be so connected to His mind, so enraptured by His lovemaking that your spirit naturally assimilates into His: combining, fusing, melding, and uniting into One Being, One Spirit—Full Possession. And Love is the Key to this union. Yes, to love the Lord with ALL your heart, with ALL your soul, and with ALL your mind. These three things—heart, soul, and mind --the trinity of the human being. This is the first and greatest of all the commandments. Your entire being must be loving the Lord, then can He fully possess you.

Your mind has tremendous potential, for it is spiritual, and when your mind is yielded to Me, you are able to generate My power. You become generators of the power of God, and nothing will be impossible to you!

The port of entry to possession is through the mind.

If I am to have full control of you, you must give Me your mind.

(Feast Memory Quotes 2002)

(Jesus:) I am sending spirit helpers to those of you who really DESIRE to be more than what you are. And these spirit helpers are specific tutors to you in learning to harness the power of God, and learning full possession and to fully tap in, for these helpers are part of Me, they are one with Me. You just have to open yourself up to the power, open yourself up to Me, open yourself up to the help I give you through your spirit helpers, open yourself up to My Spirit by spending time loving Me, praising Me, meditating on My Word, meditating on the spirit world, and getting filled up. The more time you spend in the spirit world, the more time you will get to practice, and the more you will learn to harness the power of God.

The more you get distracted with the cares and the worries of this life, the less time you have with Me and with your spirit helpers. So that is the first commission to each of you if you are to truly gain the power of God--SPEND TIME IN THE SPIRIT WORLD.

(What Is Jesus Worth to You? [#3433])

(Jesus:) My mind is open to you, My loves. Come, come into My secret chambers and learn more of Me and the Spirit World. I want to impart to you My understanding of things: My Keyes to life and love and satisfaction, to true joys and true wisdom and vision. Don't you want this priceless treasure—this mind meld? Don't you want your senses sharpened and your perceptions broadened? You've experienced this before—where you just feel more alive than ever! You see things so clearly and just simply understand it all. Everything just reminds you of Me, everything is just openly displaying My love for you when you're in this state. Oh, the great joys you can have from loving Me! Not just joys of the moment, but joys that stay with you and become a part of you and actually grow you into a more mature spirit being. This is what Full Possession is like, to know the mind of God and see everything through His Eyes. It's a beautiful place to be --where you're empty of the carnal mind and the ways it sees things and tries to comprehend them. When you mind meld with Me, I can show you so much that you otherwise would have missed. This comes through loving Me, through taking time to get to know Me better and ask Me questions and seek to see all things how I see them.

When you love Me, it's like taking the scales off of your eyes. We become one, and then I can really impart myself to you because you are open and willing. The deeper you choose to go, the more this vision will become a part of you—an everyday thing, something that you will begin to have with you at all times. It's a state of mind, a new level of the spirit, and you can reach that level by continuing to ask questions, by seeking My mind on matters that you don't fully grasp. Spend time with Me, more than you have been up until now. Love Me more often. Come into My chambers—My heart and mind—and try to not only be strengthened by these times but also to learn things from Me as we love.

(Jesus:) For have I not promised that in our times of intimate communion I would reveal to you My secrets? Then come, My loves, let us love and love and love, and afterwards, in the quiet as we lie in each other's arms, I will reveal to you My secrets. We have made sweet love together, and through our intimate times I have helped you and strengthened you and our love has grown. Now I wish to take our love to a new level.

(Art of War, The, Part 3 [#3558])

(Blue Angel:) Secrets... secrets come to the brides who are ready with all passion and fervent longing to be made love to by the Bridegroom.

But what secrets do you want to know? Are they selfish secrets that will only benefit you and not Jesus? Are they just the little goodies that you are craving? Or are you desirous of the hot, deep, throbbing secrets of your erotic Husband? Are you interested in learning more about His heart and what's in there? Do you seek to go deeper into Him or just into His realm? You have to get your priorities straight, or you'll never progress in this World. Remember, growth is not gained by age and years up Here. Growth is acquired by the knowledge of the Lord, by getting closer to Him and learning more about Him—this is how you gain in years and how you are given access to more zones of the spirit realm. You want to go places? You want to explore and traverse the World of the Spirit? Well, it's open to everyone. But just like the Warrior Hall, you may not be able to partake of everything in that place because of your low rank in the spirit. Some things may be locked to you, out of bounds, out of your plane—because you failed to first go to the Key Maker and learn of Him and obtain the passcodes or KEYES to those certain domains. You see, there is an order. The Lord doesn't shower His blessings on both His obedient and disobedient brides. He gives to the hardworking brides—those who suck and suck in the spirit and don't give up trying to do His will, who love Him above all these other things!

(Blue Angel:) For you shall not want when you come unto the King of Satisfaction. When you lack in this life, then turn to Him and be loved in all the ways that you want. He will fill you with good things, proper things, spiritual things. Do you crave to love and be loved? Then come unto Him and He will more than sedate your hunger for love. He is the King of Love and wishes that all His servants be filled with Love. Come, my dove and let's ravish each other till we be satisfied! Let us come together and come to the King's chambers and revel in His Love! Come and let me hold you; let me lead you onward into the bed of love, the Lord's love. For I cannot love you lest I love you in the Lord. So come if you are hungry and buy milk and wine without money and without price. Come, my precious Bride of Christ, and let us warm each other under His shadow. We will lie down under His skirts. We will feed of His fruits as we spread ourselves under Him—that He may come into us, penetrate us, and fill us to the full with His seeds of life! It's in the spirit, my love. It's in the spirit! Come in the spirit, my darling! It's in the spirit that we must touch! I am a conduit of the love of Christ, and I shall love you for Him and Him for you!

In the spirit we are one; we are the bride. We are united. We help each other out; we're a team. When we see that one of our loved ones is lacking, then we come and help fill that lack—with Jesus' love. Think it not strange that we can enjoy each other in such love. It was the love of Christ for His Bride, and He used me to love you in this way. I'm just a conduit, a vessel, a pipe that can be poured through. I am the conduit of the power of God, and I greatly delight in pouring it out onto you. But you must remember that the flesh is only to help you understand better. When we have these times of intimacy, you must focus on the spirit and what we are trying to teach you in the spirit. Tune in to what Jesus is trying to whisper in your ear while He makes love to you. He wants to fill your passion, but He also wants to reveal to you His deepest, innermost secrets,

so strive to listen. The ecstasies of this Realm are to help you grow. They give you a boost of Heavenly knowledge right when you need it. This is what it is for, to teach you something --most often to teach you deeper intimacy with the Lord, but we are not limited to that alone, in our times of love. So stay open and ready and desirous of the Spiritual knowledge that can only be perfected in love—the love of the Bridegroom!

(Jesus:) Come. Walk now into Me. Make your entrance—your whole soul entrance into My spirit. Walk in like you would a door. Let your spirit fly out just a bit to enter My embrace. There we go. Now we are actually getting acquainted. This is how we do it. We meld and touch each other all over; we are becoming one—I in you, and you all the way inside of Me.

Hello darling. I'm touching every fibre of your soul, and it's feeling so good. Be one with Me tonight and purge away the dross of anything that would hinder our full joining of soul with soul.

I'm glad to touch you in this way. To be one with Me can mean different things for different people, and different things at different times for the same people.

I'm just wanting us to really get to know one another, real close, where we can feel each other's full being and love and nourish each other fully. I'm loving having you in Me so completely.

I'm going to cry a bit because you are so empty now. It's touching Me more deeply than you'll ever know. You are so eager and hungry for Me and Me alone . You desire My spirit to fill you and do with you as I wish.

You are so nothing now. So hollow. Such a useful vessel. You've purged away so many things that used to be cluttering the inside of you; now there is so much more room inside for Me and how I want you to be filled.

Sweet treasure, I want this acquaintance to continue on as we move more into each other's spirits. The way it makes Me feel to be inside your whole being in this way sends Me. Thank you for letting Me in. I know it took and is taking a lot of forsaking, but wow, it's feeling oh so good.

Do you want to send Me in this way? If you only knew how very pleasurable it is, you'd know it was worth every bit what it's cost you to get Me to this point of such enjoyment and relaxation and fulfilment.

(13-FEB-2021_Whole Soul Entrance Into My Spirit)

(Blue Angel:) The Bridegroom cometh—see Him, leaping upon the mountains. He is mad with love for you, His bride. He seeks you here and there, He calls for you to come to His side and love Him. He wants you, He needs you, and He craves you! Come unto Him and be His spouse. Let Him take you into realms unseen by any human before. For He wants to show you things, but He can only do so if you love Him as your Husband. Have you loved Him? You have in some ways, but not to the extent that we so desire you to. We are as your handmaidens, your bridesmaids that help you in the loving of your King. We draw you in and closer to His rod of power. We set you up and help you to spread yourself before your desirous Lover. We ready you with sweet aloes of Heaven. We pour them onto and into you. We massage your body and make you soft for Him. We stimulate you with some lovemaking of our own, so that you will be hot and sweet for King Jesus.

Sweet, sweet Jesus! Your love is better than wine. Your lips than the choicest waters! Thou art beautiful, My Beloved! Thou art beautiful! Thou hast dove's eyes within thy locks...

Take me up, take me up! Take Me up to the mountain of My Beloved! For He calleth for me from His mountain! The Mountains of Spice are His—He dwelleth among all the pleasant things of the garden. His smell is sweet and His taste also. He is the Rose of Sharon, and the Lily of the Mountains... Climb, climb the Mountain, climb the Mountain of Spice and be scented with all the odors of Heaven. For at the top is your Beloved, your Spouse. But He only accepts the young maidens who are scented with all the spices of this Mountain. For as

you climb they cling to you and cleanse you and make you smell pleasing to Jesus. For they scent you with the fragrance of humility, brokenness, yieldedness, love, and desire.

(Jesus:) It has become ever more difficult for you to keep the heavenly vision because your minds and hearts are almost continually being bombarded with the effects of Satan's ways being established on Earth. The spirit world is thicker—more crowded, more intense, and getting through it or around it is harder. It takes more effort to remain positive and to keep your spirits on the heavenly plane, in the upper atmosphere of the positive attitudes of My Spirit. There is more of a warfare going on now in the spirit world, because the evil spirits are fighting you, the children of David, trying to keep you in their plane—or at least out of My plane, or not as far into My plane of praise and joy and happiness and patience and longsuffering and all of those things that dominate where My Spirit dwells.

(Heavenly Vision, The, [#3608])

(Blue Angel:) We are the spiritual walls of defense against these greater manifestations of the enemy. We hold hands and encircle you—like a wall. Our collective energy builds up and creates a forcefield of protective power. In unity there is strength. In unity there is greater power. Become one with us, your spirit team, and allow more of the Energy of God to flow down into you and all around you. Talk to us more; love us more. Spend time with us more, and the link will grow and strengthen until it is that unbreakable cord of Full Possession. The only way to counteract the increasing evil is to take in more Light.

(Blue Angel:) Come... Deeper into the Pavilions of the Power of God. Stand no longer in the outer court, come deeper. Take my hand, and come... Do you know what the purple cloud is for? It is a transporter of the Spirit Realm. Read in the Words of God and see. For by a cloud were the children of Israel led through the wilderness, by a cloud does the Chariot of God fly, and by a cloud did our Lover ascend to the Spirit Realm.

NUM.9:17 And when the cloud was taken up from the tabernacle, then after that the children of Israel journeyed: and in the place where the cloud abode, there the children of Israel pitched their tents.

PSA.104:3 ...who maketh the clouds his chariot: who walketh upon the wings of the wind

ACT.1:9 And when he had spoken these things, while they beheld, he was taken up; and a cloud received him out of their sight.

MAT.24:30 ...and they shall see the Son of man coming in the clouds of heaven

DAN.7:13 I saw in the night visions, and, behold, one like the Son of man came with the clouds of heaven

4. (Vision:) I see Jesus and a beautiful girl...

5. They're standing before a door, and I see a purple sparkling mist begin to descend, almost as though there were a vent above them. Together they breathe in the mist, and as they do so, more begins to flow down upon them.

6. (Jesus:) Do you sense it? The earthly life is diminishing around us, and now with our eyes closed we can't be distracted by anything in our surroundings. Just continue to take in this gentle mist, because it's changing you and preparing you for this trip I want to take you on.

7. The sensations are rising within us and you begin to feel lighter with every breath. With each breath, you're becoming increasingly detached from yourself and the world that surrounds you. I'm freeing you from your physical boundaries.

(Art Of Dependence, The - A Spirit Trip [#3619])

1. I'M LOOKING UP THROUGH A BEAUTIFUL GOLDEN DOME that's made in sections, like cut glass windows, very ornate, very beautiful, with a beautiful BLUE starry sky above. First there is this pipe-like tube leading upward, with these three glowing rods in it passing through the dome out into the night. And there's another opening where there is some kind of

smoke or something--I don't know what it is--around on the sides of this opening coming out through little jets and pouring upward, and I don't even know what it means.

2. YOU MIGHT SAY IT IS KIND OF LIKE A CAPITOL DOME, and this tube is like some kind of a chute, and I think it has to do with some kind of TRANSPORTATION: Maybe it means our communication with the Lord since it goes up into the sky. Maybe those jets are like incense in the temple, perfume, pouring out--maybe symbolic of our prayers to the Lord, our channel of communication

(Temple Time [#0191])

Pavilion of the Power of God!

3. (*Vision, described by the channel:*) I see a picture of a building. It's going to be very hard to explain, but I'll try. Jesus, please help me. I see a round wall, like an enclosure...5. Within this enclosure is a bright source of light and power...I see that there rings in line with this flow...The source of power goes straight up, as if these rings were its conduit, and my eyes follow its flow till I can't see any more...11. Around the conduit is a cloud of deep purple and blue, almost like a gas, but it swirls around and around, forming a cone shape as it ascends...It seemed that it was some sort of a library, as I got a faint picture of a circular hallway with shelves and inlets around this central power source. The clouds seem to be a way of shielding whoever goes to this library from the energy's flow.

(More on the Keys! What the Future Holds, Part 3 [#3354])

Just as the vapors of water are carried on the winds, so too are the spirits of God carried by His Spirit Clouds. For you are compassed about with so great a CLOUD of witnesses, so great a company of spirits traveling on the Winds of His Spirit Queen.

There are many vehicles of the Spirit, which you know not of—but you will know now, for the spirit searches the hidden things of God, even the deep things which no man has known before. But it is given to you to know the mysteries of God, and to peer into His wonders and see. You have been privileged with the Blue Key. The Crystal Key to the Pavilions of Truth. The Generators of God that hold ALL the secret knowledge of Heaven!

The Color Blue stands for Spirit, for deepness, and for the Word of God—it is also the color of wisdom and mystery. Wide as the boundless sky and mysterious as the ocean, Jesus is so immense. There is so much to discover...

(Blue Angel:) The mysteries of the Spirit are only known by the spirit. The wisdom of God will be given to children, and to the meek of heart. For the wise cannot understand, for the wise are full. But the simple will hear the voice and know it, they will see the world of the spirit for all its worth. Nothing shall be withheld from them because their hearts are with God, their desire is toward their King and Lover. Only the Spirit of God within you can make you to understand the workings of the Spirit World. Only God's Spirit can overcome this world and the evil therein. You cannot do it on your own; you cannot win in your own strength.

(Arcothon:) This is what the spiritual warfare is all about—being a conduit. None of us have anything in ourselves, we are all just vessels, which need to be filled with the Power of God. When we fight in the spirit—whether it's with swords, spears, keys, or fire—we have to focus on being the conduit, nothing more. This is what it is all about. In the wars of the flesh, men must train to be the strongest, the fastest, the smartest, but in this realm, what makes you the best fighter is how much you are allowing the Spirit of God to flow through you.
