

FULL POSSESSION! (CRUCIAL STEPS TO OUR SUCCESS) [presently being updated by MB through prophecy...June/2025]

By Maria Maria #594 CM/FM 3376 10/01

"The most important thing is our fellowship with God."

Dearest Family,

1. In this message our loving Husband explains what we must do to **prepare for a gift (gift of heavenly thought power)** He wants to give us during these Feast days. He says that this gift is **crucial to our success** in what lies before us. We must have it and use it if we are to fulfill our destiny. We'll explain more about this gift in the next Letter in this series. But in this Letter we want to explain **that there are steps** each of us must take in order to be able to **receive** it.

2. *(Mama prays:)* Sweet Husband, thank You for being with us during these days and making them such a special time of **feeding from Your Spirit**. We don't want to miss one crumb of the Feast You've prepared for us. We want to take it all in, receive it, and thrill to it. We need it to strengthen us.

3. **Please prepare our hearts and spirits now to receive from You fully.** We call on the power of the keys to bind any distractions of the Enemy, or any of our own thoughts or pride or carnal-mindedness which would interfere with our receiving in Your Spirit all that You have to tell us.

4. **Thank You for trusting us with so much. Thank You for making known so many revelations of Your Spirit!** We're not worthy of them, but we love them! We love to be Your Bride and to be taken into Your confidence, into Your secret chambers to hear these things that You haven't told anyone else. Help us to treasure them always, sweet Love. We love You, and we praise and honor You.

5. *(Jesus speaking:)* When I put the keys to the Kingdom into your hands, My brides, I said I desired to possess you. I love to possess you! As a man loves a woman and desires to fill her with his seeds, so I desire to have you--fully and completely! I want you to be Mine!

6. **And in those moments when I bade you, "Come, allow Me to fully possess you," many of you opened up, you took Me in, you received My Spirit in full.** Without reservation, many received Me fully and completely in that moment. And many of you continue to have your moments of allowing Me to possess you. You're making progress, My loves, taking time with Me, coming into our intimate chambers. You open yourselves wide to receive Me, to allow Me these exhilarating moments when our spirits become one!

7. **Now, I must speak to you of something more, of a greater possession, and of what this means.** I want to give you **another gift, (gift of heavenly thought power)** and I am introducing this marvelous blessing during these **special days of celebration**. I will activate this gift soon, but first there are **important conditions** that you need to understand and accept. If you are to be the miracle workers that I have spoken of, you will need this gift, but **you must make the first move** if you are to receive it. The way you do this is by allowing Me to possess you. **Prophecy:** You are fully possessed. You are not the wo/man you were 50 years ago; you are not the wo/man you were 10 years ago. I have fulfilled this promise. You are looking at this possession in the wrong light. You have followed the important conditions and full possession has been granted. Don't look at the flesh...that flesh isn't going to change until the Rapture; it is your spirit that has been possessed. You want to glow as proof, like Moses did when he came down from the mountain that day? That is not a reality; the glow soon left him as he went about the camp performing his duties for Me. However, there remained an inner glow, an inner knowledge that I continued to walk with him even though his physical countenance didn't show it. People perhaps didn't notice it, and that is because he wasn't outwardly glowing, so because they could no longer see that glow, they failed to see the inner change that had come over their leader. Possessed by Me in scattered moments is what you might call it, or "in the spirit and out of the spirit", or "with or without the anointing." People see the glow when you get inspired in Word class and I really punch through with some heavy message. You lose that outward glow when class is over and everyone goes back to business around the home. Full possession is keeping that inner glow burning; and that is done by **staying deep in My Word, pumping the Keys, loving Me intimately, prophecy, prayer...basically applying the Seven Thunders** in your life every single day.

8. **I need to take full possession of you--not in scattered moments here and there, but I want to possess you fully and completely all the time.** I want and need to have **full control in your lives--full possession**. This is what is necessary for you to be able to open up and use the new gift I will put in your hands --you must let Me possess you. I want to give you this gift (gift of heavenly thought power), yet for you to be able to open it and put it to use, I must possess you. **Prophecy:** You've been looking at full possession back to front. In paragraph (7) I said *you must make the first move*; this means you have to do the work. (2 Timothy 2:15) I'm not going to just come along and jump into you. You have to entice My spirit by feeding on Me; this is what I mean by making the first move. You always have to make the first move; you have to keep moving toward Me every day by applying the **Seven Thunders**. You have to live in the Word and by doing that, the Word lives in you; just as the analogy says in paragraph (9) *the batteries are not included...the Walkman has to have live batteries in it all the time*. That is when you truly walk the walk--man.

9. **Let Me tell you a simple, childlike illustration to help you understand.** Say you received a gift from a friend (gift of heavenly thought power) and it was a battery-operated machine, a Walkman, for example. You hold the Walkman in your hands. It's a gift which was given to you. But you can't use the Walkman because you've failed to put batteries in it. (2 Timothy 2:15) **The batteries were not included; you have to supply those.** It has to have the batteries in it or it won't work--just as you must have Me in you and allow Me to possess you if you are going to use this new gift I want to give you.

10. **The Walkman has to have live batteries in it all the time if you want to hear the music play.** It has to be charged all the

time if you want to listen to music on it. **(Living in the Word)** When the batteries go dead, the Walkman will no longer work. The gift I wish to put in your hands is something like this. It will be in your hands, but it's of no use to you unless I possess you. You must have My live energy running through you all the time in full measure if you are to use this gift.

11. Allowing Me to possess you is like putting batteries in your Walkman. My Spirit must possess you fully and completely all the time, in order for you to use this new gift and benefit from it.

How to Bring About Your Destiny!

12. Consider all I have spoken to you, My loves. Do you think the feats I have said you will perform and your role as My chosen of the End are possible without giving yourselves completely to Me?(Put in the batteries) If I am to live, think, and move in you at My will, to perform greater miracles in these Last Days, do you think that this is possible unless I have full control? No, it is not. This is the crux of the matter, My loves--I must have full control, full possession. **Prophecy:** How do you give yourself completely to Me? It is a process that you have to dedicate yourself to. You have to be 100% convinced that this is what you want to do with your life, like someone who wants to win gold at the Olympics, or who wants to be a millionaire etc. All the promises are there in the Words of David. They are for you, if you want them. No one just walks in the door one day and wins gold. Gold comes out of the fire of dedication and a desire to forsake-all...just to have that gold in hand. One by one you let go of or push away those things in your life that stop you from giving yourself completely to Me. As those obstacles to gold come up in your life, you let go or push them away. The Keys are there to assist you when the road gets tough and impassable for the flesh. If you are determined, you will push forward with Keys in hand, with your eyes on that gold waiting for you at the end of the tunnel.

13. I give you this list below for your prayerful consideration. These are some of the things I have promised to do through you in these Last Days, what is to be your destiny, and what you must do to bring it about:

14. • In order to fight the battles and to defy the impossibilities that you will face in the end of days, I have pointed out to you that your spiritual reflexes need to be sharp, as quick as lightning! You must be proficient and skilled to the maximum in the use of the keys to the Kingdom I have put in your hands. This great skill and the keen reflexes that will be required of you will only come by giving Me full control in every area of your lives.(Put in the batteries) Your will must be My will; your thoughts must be My thoughts. **Prophecy:** I realize this looks a lot like you having to push hard in the flesh, but it isn't a matter of your pushing; it's a matter of letting Me do it for you. Oh yes, you may have to push yourself out of bed in the morning to have Word time. You may have to force feed those Key promises into your heart each day for the rest of your life. You may have to forcibly sit yourself down to hear from Me in prophecy. And you may have to direct that driving motivational force called your will every single waking moment; but you'll do it because you know what My will is for your life. The Me doing it through you part comes when I see that you are determined to reach gold. Of course I will test you. Sometimes the tests will be easier and sometimes they will be harder, but you will keep going because you have determined in your heart that this is what you have to have in your life. As far as you are concerned, to make your will Mine and your thoughts Mine is worth any price. If you have to die daily or die once as a martyr, then that is what you will do to have Me. When I see that spark in you, I will come along just when you need that lift, just when you need that extra fire power; I'll put that spire in you...in-spire you; this is My promise. The miracles I speak of only come through your obedience to My will, knowing My will and doing My will. When you follow Me, My will, My voice, then it is no longer you doing it; it is Me doing it through you. You are only a vessel, a conduit that My miracle-working power flows through.

15. • It is your heritage to have the strongest connection to the spirit world of any other humans who have ever lived. You are to shine with the most apparent anointing of My Spirit of all My prophets since the beginning of time. How will this come about? (Put in the batteries) This strong connection and this visible, obvious anointing will be manifested in you every day through only one route--that is by allowing Me to fully possess you. **Prophecy:** Simply put; imbibing the Seven Thunders every day is the one and only route.

16. • You are to be the fulfillment of My new covenant of love, being one wife, married to Me and to each other, shining samples of My only Law of Love, those who will lead the way of the future, who will reign with Me, ruling the nations according to My Law. How is it possible to live My Law of Love to the full? Only through becoming one with My Spirit, through allowing My Spirit to prevail in you, to live, move, speak and think in you, to fully possess you. **Prophecy:** Only through total and absolute dedication to this goal will you reach it. You wonder how you can live My Law of Love when you are alone in your little cave...The answer is to allow My Spirit to live, move, speak and think in you; this is the fulfilling of **My new covenant of love**. This is making Me your first and only love. This is fulfilling the first commandment of loving Me with all your heart, mind and soul. **My New Covenant of Love** has been there since the day I spoke it. It was fulfilled in Me. You, My brides, must fulfill your part by being one wife, married to Me, being fully possessed by Me. I am the fulfillment, and by allowing Me full possession you are fulfilled. Don't let these Words overwhelm you. I know the process to full possession is not an easy one; I know and understand this completely. It takes a determined and resolute will to be all Mine, no one else's, not even your own...I know, I understand, I've walked the path you are on, and I'm telling you now, reaching the goal is worth every step.

A New Covenant of Love

In reality, it is a secret covenant. The Philadelphia Revelation I gave to David and his response to it was a covenant he made with Me. By 2010 the covenant I made with David was due for renewal; reboot was not the right phrase. The Reboot stated that it was a time for each Child of David to "float their faith", however a much more accurate description would have been a time of "personal recommitment". The Romans 8:28 in that time of floating the faith was very much like the second test I gave to Gideon's men. The COD were simply brought to the river (Word) side for a drink. That is where the test was. In and around 2015/16 My Warrior Band began returning; each member was required, in their hearts, to sign a new covenant of love and devotion to Me. Although unbeknown to "that rebellious house", it was revealed to My post-Reboot prophets that I brought closure to the old covenant between David and Me at the time of the book burning in 2022. The closure or "breaking of the covenant" spoken of by Me to you in prophecy as the

double layer of [Daniel 11:27](#) was the sign many Christians have been waiting for years for. It was indeed a Holy Covenant, but the “Holy” part, instead of it being by the AC and some unseen politicians; it was broken by My [“Philly Church”](#).

17. • I have made plain to you, and you even now experience that in this era of action the Enemy is launching fierce attacks upon you. He will continue to do so. He will attack you from new angles, and there will be new battles. He will use new tactics, things he has never tried before. How are you to fight and triumph over these battles? **Your victories will come as you allow Me to do the fighting through you, as you call on the power of the keys, and as you allow Me to fully possess you.**

18. • Your destiny is to be the miracle workers of the End! Those who will be strong and do exploits will have only to reach up and receive the anointing. This anointing comes in allowing Me to have full sway, full possession. You will reach up with ease and accept this anointing through allowing Me to fully possess you. **Prophecy:** Sounds simple, I know; all you have to do is reach up and receive the anointing... That is true, and the reason it is that easy is because before that point of reaching up, you gave yourself, your will, your life to Me in full possession and that in itself is a miracle. So you see? You are a miracle worker.

19. • You are to cultivate the power I have given you. How do you do this? Allow Me to possess you, and the power will grow, it will bloom, it will burst forth through your eyes, your mouth, your touch! My power in you will be known beyond all doubt, as I fully possess you. **Prophecy:** Cultivating the power is like working in your garden. Allowing Me to possess you is allowing My seeds into your fertile soil. It is taking in My seeds, keeping them warm and enriched within the womb of your soul, and in time the miracle working power will burst forth. “Claim the Keys of brokenness and humility and dependence on Me and My close presence will blossom in your life and bring forth fruit that will remain.”

20. • You are destined to triumph victorious over the Dragon, Satan himself, over the world and the evil therein, a feat that has been matched by no others. I remind you that this war of good and evil has been waged since Adam and Eve chose to eat of the knowledge of good and evil. **You know you are not able, but I in you am.** Yet to face down Satan himself, **I must have full control of your heart, mind, soul, and spirit.** (Put in the batteries) I am talking big time, the grand finale, the final showdown. This is “it”! The way you will conquer and triumph victorious as you overcome the world is through allowing Me to possess you. **Prophecy:** Those are the promises, and I keep touching on the conditions. I keep reciting over and over the requirements. You already are triumphing over Satan’s kingdom through your prayers. They are destroying all he has schemed and worked for over the millennia. Yet to face down Satan himself there is more. I require more; I require more from all of you. It is I in you who is overcoming Satan in these last days, but the stipulation is, My brides must fulfill their part of the [new covenant of love](#). I must have My brides with Me; I must have those who will rule and reign with Me after Satan is defeated. The stipulation is I must have full control over My wives; I must live and breathe and speak in them. Heart, mind, soul and spirit, they must be Mine. The light that is in them must be My light. I must be the One controlling their wick; their responsibility is to keep the oil in their lamps full. (Put in the batteries)

The Battlefield of the Mind!

21. My loves, it is because of your own volition that I have not yet been able to activate the gift that I put in your hands. I wish to explain this now so that you can get ready to receive. Listen carefully, and prepare to put this awesome gift to use. Prepare, and **when you meet the requirements**, the gift will be at your command. Let Me explain.

22. Take a moment and look at the world. The children of this generation are more often than not more yielded, more easily maneuvered, more easily directed to carry out the will of their lord than My Own are. Why? The people of this world are more fully possessed with the spirit and the doctrine of their father, the Devil. The god of this world often has tighter control over the children of the world than I have over My Own children. How does he maintain such tight control? How does he lure them into his fold in the first place, and how does he keep them there?

23. You know the answers to these questions, and they are many--as many as the enticements of this world. The lust of the flesh, the pride of life, the deceitfulness of riches, the wisdom of this world and the knowledge of man, carnal thinking--all these provide strong pulls that, **except for the intervention of My Spirit and My power, are impossible to resist.** **Prophecy:** Satan has been called many things, and has been given many names. Above all his names, “Tempter” is the most fitting. To rephrase paragraph 21; **My loves, it is because of your own volition...** It was through his own volition that he chose the path of the tempter. [Majesty of choice and free will](#) is a universal gift. However, the Tempter believes that the right to choose should only be for gods. He believes We were wrong to bequeath these two gifts to man; and because of that he continues to consider man an animal and incapable of handling such divine capabilities as majesty of choice and free will. Right from the onset he opposed Our decision to give man these gifts as it would be giving man [control over all other magic](#). He didn’t believe man could ever be capable of applying these powers correctly...(Look who’s calling the kettle black.) [C.S. Lewis talked about “the deep magic.”](#) Majesty of choice and free will is that deep magic. Satan abuses his “right” when he chooses evil. He figures that evil is a divine right of gods, so he is within his rights to use it. But in doing what “he” thinks is right, he has to override the only other magic that is more powerful than free will and majesty of choice and that is God’s will. Even the Keys only work in line with God’s will. So, in short, Satan had to rebel. He quickly projected that thought into the minds of his colleagues, which is how things moved so quickly, reasoning with them that it is their divine right to [“float their faith”](#) and go their own way so it cannot possibly be wrong; although he didn’t use the word “wrong” in his reasoning with them.

Question: So you are saying that that is what the great rebellion was all about? In essence yes. In theory it meant that We were opening a path for man to become as gods. Now that proclamation shouldn’t be a surprise; it is after all written in My Word. Satan used the declaration to twist and contort the mind of Eve. *For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.* He was using white magic on her. That is when he discovered how easy it was to manipulate the mind of man by using a lie. Eve was oblivious to the consequence of disobedience at that stage, but she did have a conscience (the light) and she had been told not to touch that thing and what would happen if she did (which is the light of My Word) Eve was on her learning curve and had not grasped how final My Word is, nor how final death was; nonetheless, it was those two

principles, the conscience and the Word, that made her accountable. Now it gets a little deep here, but this is what makes free will and majesty of choice so magical. To a point, God does not interfere with majesty of choice and free will. His goal for man is self-determination within His will; but there is a learning process, as there is a learning process attached to almost everything. As you have been told, even I, the only begotten Son of God, had to learn that obedience to the will of God is the best way. I chose to suffer for the will of God; Satan and man choose to suffer for the [will of self](#)...anyway when Satan discovered the power the white lie magic had over the mind of a woman and the power a woman had over man (Jesus gives a warm engaging smile). ...that is when the battle of the mind began. Satan, the fallen angels and man love to exercise their rights; right to free speech, right to disobey God's laws, right to this and right to that. Now it has reached the point of insanity where man thinks he has the right to be male or female and even beyond...to change his or her DNA. As I mentioned earlier, our Father allows "the gods" some room to learn, but to a point. Well, Satan and man have reached that point and are pushing beyond the will of our Father. In spite of the obvious consequences of their bad choices, they still demand their rights. That is not the way of free will and majesty of choice, and therefore it is not the way of gods. [The great rules](#) were set in place to make sure the "toddler gods" had boundaries. It is a childcare rule that toddlers aren't happy when they don't have boundaries. In a situation where toddlers are allowed to do as they please, chaos sets in very quickly and with it great unhappiness for everyone. So although things on earth look like they are out of control and chaos and great unhappiness reign, those boundaries are still in place and our Father has allowed the learning curve to reach this point in order for as many toddlers as possible to get the point. Those that don't or won't --well, as you have been told, there is another universe waiting for this group. If you happen to be wondering, yes, there are boundaries there too, and those boundaries --as this very unhappy group of toddlers will find out-- are much tighter and stricter, with much worse consequences when one of them tries to break those boundaries.

So yes, free will and majesty of choice, together with God's will are the most powerful forms of magic. They hold dominance over [gold, black and white magic](#). And always, but always, the magic only works when applied in this order; God's will (His Word), and man's choice and will to obey it. The more yielded man is to God's will, then the more miracle-working power is invested, through the Keys, to work on man's behalf. Remember the [gift of the Keys](#) was presented to you because of your yielded obedience to the first two conditions.

Although Satan has been given permission to test and try the souls of man through the use of white magic, his power to trap, bind and control the heart mind and soul is subject to that soul's will. Satan is a creation of God,;he is bound, as are we all, to certain spiritual laws and stipulations. There is leeway within God's will, and Satan often uses that freedom to what he thinks is his advantage, but the boundaries are set and only the Father can change those parameters. But let's not be blaming Satan for everything, this talk is about free will and majesty of choice; sinful man also pushes against the boundaries set by God. If man can find a loophole, he will more than likely take it.

Just as I came to Adam and Eve, so I come to every man that cometh into the world. The light is given; then cometh the Tempter. If that soul turns toward the darkness, My presence will remain with that soul on that path it chose, that soul does not belong to Satan, ever.

[Journey to Gragau](#) Human souls never have and never will belong to Satan. They belong to God. Only by choosing to believe God above the Devil can a soul break the power Satan has over it. That choice is easier to make in your world than after death. Those that have decided against the Lord and done great evil on Earth might be put into prison or punished immediately as a warning to others. As long as a person's spirit is still in their body there is always hope for his soul. The Earth belongs to the Lord. The Lord is the God of Heaven and of Earth. Satan is only a thief, a pretender, and a usurper. He does not have full control on earth because the Earth is a creation of God, and is subject to God and His laws of creation. Satan is a destroyer, and would rather see the world destroyed than have to live with the reminder that God created the Earth to someday be His home. God's laws of creation govern all His creation and limit what Satan can do. When he wants to cause destruction he has to get permission to do so. (end of excerpt JTG)

Free will and majesty of choice remain the property of each soul. No matter how strong the temptation, those gifts have precedence over any magic Satan can conjure.

We are drawing very close to [My Return](#), and you have been told that [all Scripture must be fulfilled](#) before this epic event can happen; this is the main reason why the [White angel and San-Bahd-Mahl and their armies](#) have been sent out. This is the last hour. My [Spirit](#) shall not [strive](#) with man forever; I am requiring all souls everywhere to choose whom they will serve...[My reapers follow](#) on the footsteps of the White Angel.

Question: You said in *John 1:9* that *your light is in every man that cometh into the world*. I've interpreted that to mean our conscience is the voice of God. Does that mean that every man has the truth and now billions have rejected it?

Prophecy: What is truth? I am truth, the way and the life. You have to live the life. I am the physical manifestation of the Spirit of My Father, which is love. Love is the only way out of the snares of Satan; to be fully possessed by Me is to follow the Law of Love. The Law states that man is to love God, the Father, with all his heart, mind and soul. Loving your neighbor is secondary because it is not possible to [truly love](#) someone else without being fully possessed by Me...the first commandment.

Question: It doesn't seem fair that Satan has full sway over our minds so soon after birth. It's his system we are born into, and it is his doctrine that is pumped into us all the day long. If a baby doesn't have God-fearing parents, then that person really is at a disadvantage.

Prophecy: If you stop and meditate on that statement for a bit, you will know that it isn't true. [My Word says](#) that *every man that cometh into the world has the true light*. So that conclusion can't be true. Also in Romans it says: For when the Gentiles, which have not the law, do by nature the things contained in the law, these, having not the law, are a law unto themselves: Which shew the work of the law written in their hearts, their conscience also bearing witness, and their thoughts the mean while accusing or else excusing one another; (Romans.2:14,15)

Satan works very hard at smothering My light. His whole system is designed to replace My light with his negative light, which looks like the real thing that the person left behind when they came forth from the Spirit of the Father and arrived on earth. When I say that

it's the battlefield of the mind, I'm serious; [the battle starts at birth](#) because the newborn baby's mind is still full of Heavenly things. Satan goes right to work on that baby because if those thoughts, My light, is retained in that mind, then that child is potential future trouble. Do you remember what your father David said about this point?

2. **I WAS ALWAYS TAUGHT THEIR GUARDIAN ANGEL STANDS BEFORE THE LORD** and is constantly protecting them and has the Lord's ear, and in case they need something "their angel doth always behold the face of the Father." But if this word "angel" is a word that is also sometimes used for "spirit", and if you use it in that meaning, that's the way it came to me just now. Hallelujah! Thank You Jesus, thank You Lord!

3. **IF THAT VERSE MEANS THEIR OWN SPIRITS** do always behold the face of the Father, that means the little children are in such close communication with the Lord Himself! What an encouragement and comfort that must be to a tiny child to be able to see the Lord! That would carry him through a lot of things when the Devil tries to frighten him, if he can see the face of the Lord. (They Behold His Face #397)

Prophecy: So in those very early years My Spirit supersedes the negative; I'm given first tug.

Do you remember Joyous of [Journey to Tricon](#) fame? She had a very negative childhood; her parents were far from God fearing, yet she had this very strong "sense" of right and wrong. So strong in fact that you even questioned whether her testimony was the truth. Some people do retain that sense of right and wrong even as they pass through very negative circumstances. The [Palestinian martyrs](#) come through trusting in the Light, giving glory to God in spite of the hell and horror Satan and his people are dishing out every day. I've told you in past prophecies that you, in your own way, are martyrs also. My martyrs are My example to the world that the light is in man and that it was simply a matter of following it. Resisting evil is a battle first fought in the mind of man. Resisting evil has always been a miracle of My Spirit; evil is overcome by Me through following My light. If a person turns from My light, then the darkness takes a grip, and well, you know the rest of the story. Those that take in the white magic lie of Satan are more deceived than those that take in the black magic of Satan. Again My Word says: Matthew 6:22-24 *the light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness! No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.*

Prophecy: If anyone has read those verses, they must have surely read the verses above them. I hold man accountable for his actions, I take each case on a personal basis, but I do not let man squirm out of culpability. I know the heart and mind of every man that cometh on the earth for I am the Light in them.

Infostore quote of the day: Learning to be positive and look to the Lord for the faith that you need is something that anyone can do. Even if you don't have the gift of faith per se,...you can ask the Lord for the faith you need, and you can go to the Word about it and be strengthened in that area. (ML 3248:26)

Reaction to the above prophecy: What came to mind when listening to this update was what someone read a few days ago from **Deuteronomy 6:6-8** *And these words, which I command thee this day, shall be in thine heart: and thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up. (Sounds like getting into the Word...put those batteries in) And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between thine eyes.*

I remember thinking that the false prophet is trying to substitute that "frontlet on the forehead" and "binding on the hand" with his Mark of the Beast system.

Revelation 13:16 *And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:*

Note: There is another rendition of that "frontlet" commandment in Exodus. I believe it is in relation to the Lord redeeming His spiritual children out from the hands of the world in the last hour of world history through the way of the wilderness. In Exodus, the Lord is commanding His people to place the mighty miracle of their deliverance as a memorial between their eyes (their memory). The memorial is obviously for an ensample to the remnant of Revelation 12. I say that because in these verses in Exodus it talks about the Lord redeeming the firstborn of His children.

Exodus 13:15-16 *And it came to pass, when Pharaoh would hardly let us go, that the LORD slew all the firstborn in the land of Egypt, both the firstborn of man, and the firstborn of beast: therefore I sacrifice to the LORD all that openeth the matrix, being males; but all the firstborn of my children I redeem. And it shall be for a token upon thine hand, and for frontlets between thine eyes: for by strength of hand the LORD brought us forth out of Egypt.*

Note: The word "Firstborn" reminds me of the word firstfruits.

James 1:18 *Of his own will begat he us with the word of truth, that we should be a kind of firstfruits (firstborn) of his creatures.*

Romans 8:22-23 *For we know that the whole creation groaneth and travaileth in pain together until now. And not only they, but ourselves also, which have the firstfruits (firstborn) of the Spirit, even we ourselves groan within ourselves, waiting for the adoption, to wit, the redemption of our body.*

Revelation 14:4 *These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, being the firstfruits (firstborn) unto God and to the Lamb.*

Note: The verses in Revelation 13 say the entire world will receive the digit. Well, of course the world will willingly receive it; their carnal minds are dictating their actions. "It is the way of things." If the government says, "Bow to the golden idol when we play the music in the ear," the worldlings don't give it a second thought. "Now use the app to pay your electricity and transfer your digital currency using this mobile money app." Without a conscious thought, they do it. The Word of God is not in their conscience; the light

that Jesus is talking about in this updated Maria letter has dimmed to the point of extinguishing. Instead of being “sheep to the slaughter” they are like cattle to the slaughter. The Jews call the gentiles “Goyim” and that word denotes cattle, so when you fast-forward Exodus 13:15-16 you see that the worldlings today are a type of sacrifice or replacement. To better understand what I mean, if we go to Revelation 12, we see the Devil trying to track down the firstfruits, but the earth, i.e. the systemites, are swallowing up the lies, (the flood) and the firstfruits, the virgins that follow the Lamb whithersoever He goeth, do not. (We instead, see that app as something that the Beast is using to take us deeper into the Mark. We see putting our fingerprints in our phone so that we can use that QR code as the Beast taking us deeper into its system, but the systemites, the cattle, the masses, do not. In fact, it doesn’t even come into their conscious thoughts. So the systemites are a type of sacrifice or replacement in order that the firstfruits be redeemed or escape. **Revelation 12:15-16** *And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood. And the earth (Gentiles) helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth.*

Okay, let me repeat those Exodus verses just to help you make the connection here. **Exodus 13:15-16** *And it came to pass, when Pharaoh would hardly let us go, (We’ve said that so many times; the system doesn’t want to let us go. It’s like having a rope around your leg. You want to open a bank account to get a donation overseas, for example. To open the account you need a tax number, national ID, blah blah, blah. It’s the old 100 point system, all sorts of system strings are being attached) that the LORD slew all the firstborn in the land of Egypt, both the firstborn of man, and the firstborn of beast: therefore I sacrifice to the LORD all that openeth the matrix, being males; but all the firstborn of my children I redeem. (There has to be a sacrifice here. I’m going to redeem you but something has to be sacrificed. Let’s take the Palestinians for example: they are being sacrificed to fulfill Scripture. It is written, “Be patient; wait, your brethren in the world have to die as you died. It’s not so important why; but the important thing is Scripture must be fulfilled. In our case we are the redeemed, and the “it” is the worldlings that are being sacrificed. They are paying the price of our escape.) and it shall be for a token upon thine hand, and for frontlets between thine eyes: for by strength of hand the LORD brought us forth out of Egypt.* (If you know the story, the Israelites stripping the Egyptians of everything when they fled, is kind of “type” of the world paying for the sacrifice. Also because the Egyptians were so involved with the trouble and tribulation they were suffering, the Lord was able to use it as a distraction to get the Pharaoh to let the people go.

But that’s not all there is to it. Here’s that wonderful 22 number again... The year 2022 is when the last three and a half years began and we fled into the spiritual wilderness... **Exodus 4:22-23** *"Then you shall say to Pharaoh, 'Thus says the LORD: "Israel (spiritual) is My son, My firstborn (firstfruits) "So I say to you, let My son go that he may serve Me. But if you refuse to let him go, indeed I will kill your son, your firstborn.* If Satan doesn’t let us go so that we can make our sacrifice to the Lord, then his very own will pay with their lives; the story is an ensample, like so many, if not all, the stories in the Bible that our forefathers gave us. It is going to come to pass, and the Antichrist, Satan’s son, is going to die along with his beloved system (i.e. the firstborn, his pride and joy) and in the end his whole kingdom will be destroyed. So what are the ensamples for? We are to put them as frontlets between our eyes as a memorial, to remember what happened and know that the Lord uses them as a warning to us of what to expect; a memorial and a heads-up. Our Lord always keeps His Word.

Ever since the beginning of the first World Empire, the enemy or Egyptians have been chasing down the firstfruits; that is the Bible’s storyline. What the true church has experienced throughout history is recorded in the Bible as an ensample to us who are passing through these days of the End. All the events recorded are an ensample, a type, a parallel, for the sole reason that the wise in this last hour may avoid the pitfalls.

2Thessalonians 2:13 *But we ought always to thank God for you, brothers loved by the Lord, because from the beginning God chose you [Some manuscripts: because God chose you as his firstfruits] to be saved through the sanctifying work of the Spirit and through belief in the truth.*

Note: The reason for burning your bridges, forsaking the world and coming deep into the cave is so that you will not turn around at the last hour and run back out of the entrance of the cave and into the world.

Exodus 13:17 *And it came to pass, when Pharaoh had let the people go, that God led them not through the way of the land of the Philistines, although that was near; for God said, Lest peradventure the people repent when they see war, and they return to Egypt.*

24. There is a common thread, a common denominator, a key factor as to how Satan acquires and maintains control of his own. The seat of his control is through the mind. Through the mind he gets control; through the mind he maintains control; through the mind he manipulates the masses.

Prophecy: The cellphone has sealed it for the systemite, and it will seal your fate too if you yield to it. It is almost impossible to resist its spiritual powers. As I said in paragraph 23... ***"The enticements of this world. The lust of the flesh, the pride of life, the deceitfulness of riches, the wisdom of this world and the knowledge of man, carnal thinking--all these provide strong pulls that, except for the intervention of My Spirit and My power, are impossible to resist."*** Without the power of the Word in your life, without the power of the Seven Thunders, the seven kisses of David, you will not be able to resist the power of darkness/white magic in this last hour. Obedience to My Word is first and foremost to crossing the line with the “Light of Israel” blazing in your hearts.

25. This is why I have instructed My children down through the ages to pay close attention to the mind. For just as this is the control center that Satan uses to manipulate his own, so it is the battlefield on which he wages his ruthless attacks against you, My children.

26. The fact that Satan wages militant warfare in the minds of My Own does not come as a surprise to you. This is not news, yet there's more to it I wish to speak to you about. This information I give you now is imperative for you to be aware of, to act upon, to make any necessary changes in your lives, if you are going to be able to use this new gift. My children, you must prepare.

27. It is through the mind that Satan gains entrance to recruit the lost of the world to his side; it is through the mind that he controls and manipulates his own; and it is through the mind that he wages fierce attacks on you, My children. In addition, it is

through the mind that he seeks to hinder you by preventing you from allowing Me full possession in the first place by trying to share the occupancy of your thoughts.

Prophecy: I cannot overplay the dangers of the cellphone. Yes, the enemy attacks your spiritual mind through his demons that voice their doubts and fears continually. They barrage you. They bombard you; they send their flood of lies into your minds at every opportunity they can, and if you don't use the Keys well and wield them precisely and expertly in your defense and in your offensive warfare, your position will be overrun. Then when you add the enemy's poison through the use of the cellphone, in through your eyes, you are as good as opening the gates of your city and allowing the enemy's forces into your city. Or whilst you are partying on the net the Medes and Persians are entering your city through the river of lies that is passing under your wall.

28. The mind is the great battlefield where ruthless war is waged--the war for possession! The sins that bring you down all filter through the mind: pride, the root sin of all; jealousy; lust; selfishness; lethargy; bitterness; disunity; comparing; discontent and murmuring; negative thinking; worldliness; disobedience; doubt; putting other gods before Me; self-righteousness, etc. It all begins in the mind, takes root in the mind, and festers in the mind--all through carnal thinking, through putting on the mind of man and the mind of the world.

29. I have said many things to you regarding the mind--about your thoughts, about your own will, about the carnal mind, and about the need to put on My mind. This is because if I am to have full control of you, you must give Me your mind.

30. The port of entry to possession is through the mind, My loves. This is true for both Me and for the Enemy. Satan controls his own through the mind, and so do I. This is why the Apostle said, "Put on the mind of Christ." This is why you are instructed to think good thoughts, to be transformed by the renewing of your mind, to keep your mind stayed on Me, for therein lies perfect peace.

31. Yes, I do control you through My Spirit, and when our spirits meet, when you take Me in and allow Me to possess you, anything is possible. And this is yet a great mystery to you--the relation between heart, mind, spirit and soul. It isn't necessary to ponder deeply on how these integrate and intertwine at this moment, but only know that they do, and that it is through the spirit of your mind that you open the door for Me to possess you, for therein do you choose, willingly and of your own volition, to accept Me, to call My Spirit to come possess you.

Prophecy: Your willingness starts at My Word. You have to be willing to make the sacrifice and put aside many things you like doing and, not just read My Word, but imbibe it, obey it and live in it... It is then that full possession is accomplished. It's a process. It takes time, yes; but it is like anything you want in life, the more you "get into it" the more you "get out of it".

32. The outcome of all battles is determined first in your mind, for this is where your will is set. This is where you choose Me and My ways, where you choose to accept My Words and put on My mind. I have said that he that believes on Me will have eternal life. Belief, faith, trust, confidence, and acceptance all begin in the mind. If you are of a ready and willing mind, all that I have is yours for the asking.

Put off the Mind of Man and Put on the Mind of God!

33. Why do I speak to you of this now? Because, My loves, in order to use the new gift I will put in your hands, you must give Me your mind--fully, completely, without reservation. You must allow Me full possession, that I might live, work, think, and act through you fully, as I desire.

Prophecy: That word *reservation*; I want to focus your attention on what *without reservation* means. You like stories and I like stories, so let's start from a different angle and make a story out of this... Reservation can be looked at as you making a reservation for dinner at a restaurant. It is not the same as you turning up at the reception desk in person without a reservation expecting a table. And even if you make a reservation, anything could come up before the reserved date and time arrives. You could be distracted by something you feel is more important. You might even be called back home. Anything could stop you from honoring the reservation. I once made a restaurant reservation for you. It was an Endtime reservation. At the time of the reservation, the hour of our appointment was still some way off. I knew many events would transpire between the date of reservation and the time you would actually be at the reception desk without reservation "expecting" the reserved table. I've been looking forward to this day. The table is set; everything is in order, and you are here demanding your table. How did you get here? Well, apart from the many miracles I did for you, your mind was fully and completely, without reservation, set on honoring our date...right? Well, not really...up until this time you have been, let's say, reserved, not fully confident, not fully, completely, without reservation, believing in My Word. But now that the long-awaited-for night and time has arrived, you must put away your tentative frame of mind and without reservation request the table. The gift of heavenly thought power is waiting for you at the table, which you can see across the room over against the window. I reserved that specific table because you will be able see outside whilst enjoying the food and wine of My Word. It's kind of like being in the world but not of the world. You are in your cave enjoying My fellowship, but you are aware that the world is right outside that window. Okay, I know that was a long story, but I like talking with you and sharing My thoughts with you. That is what "Heavenly Thought Power" is really... you sitting at the table; the window to the world is there, but you are totally, without reservation, engrossed in what I am saying to you. The delicious food has filled your tummy, and the new season wine has made you a little light-headed and enamored. You are fully possessed by Me; I have captured your full attention. Nothing else matters, no other thoughts distract you. All other thought have no importance, when a temptation outside that window comes along, you resist it and immediately your mind is back with Me at our table, deeply absorbed in Me sharing My Heavenly thoughts. I give you a knowing smile; you've just made My night. I reach over for the bottle of New New Wine and ask if you'd like some more. You nod, not wanting to speak, you are completely engrossed in what I'm saying. I have you; without reservation you have allowed Me to fully possess your mind.

34. Many of you have sought to do this, and I do work through you to varying degrees. You pray and ask Me to cleanse your mind, to clear your mind, to ease your mind, to direct your thoughts, and I do. Yet you must give Me more. You must give Me all.

35. If you are going to use the full power I have given you, I cannot share your thoughts with the carnal mind. I cannot perform mighty works through you in coexistence with the mind of man--for this hinders, it sets back, it stifles My Spirit from fully and completely performing great feats through you. It prevents you from activating the full capacity of spiritual powers that are at your disposal.

36. If you are going to work greater miracles, if you are going to fulfill your destiny, you must be Mine. You must be wholly, totally, completely possessed by Me, and in order to do this, you must put on My mind. You must more fully think My thoughts. You must allow the spirit of My mind to become one with the spirit of your mind. Your brain must be My brain. You must put on the totality of the mind of God.

Prophecy: Wine is a spirit; New New Wine effects change in the spirit of your mind. I am Wine, Old, New and New New Wine; the spirit of My mind when imbibed, affects the way you think and behave. If you take a little, you are lightly intoxicated...tipsy. If you wholeheartedly quaff the spirit then you become intoxicated, not in your right mind. Well, we are not talking about the white wine of the world here; we are talking about the full-bodied, blood red wine of the spirit. And when you are into that spirit, then I can take full advantage of you.

37. How do you do this, you ask? To put on My mind, you must put off the mind of man, the mind of the world, the thoughts of Satan, the propaganda of Satan, the knowledge of the world, the wisdom of the world, the mind of vanity, the mind of flesh. You must put off a reprobate mind, a doubtful mind. Put off the carnal.

Prophecy: Because you have imbibed copious amounts of full-bodied, blood Red Wine, your carnal mind gets lost. It loses control of the spiritual mind and try as it will, it cannot get you interested in what is outside that window. All that vanity and fluff passes on by, and you aren't touched by it. So My captivated one, keep nodding every time I offer you more Wine, this is how you'll keep off the mind of man.

38. The carnal mind is enmity against Me--this is the crux of the matter. The carnal mind is the opponent of My Spirit, for it is not subject to My Law of Love, nor is it subject to the miracle-working power of My Spirit. Therefore, if you are going to be miracle workers, if you are going to call on the power of the keys and access them to the full, you must put off the carnal mind.

39. Throughout My Word I have chided My children to put on the mind of God, to be renewed in your mind, to mind not the things of the Earth, to set your minds on Heaven, to gird up the loins of your mind. That means putting up barricades to shield yourselves from the carnal. It means rejecting the wisdom of the world and not allowing this wisdom to enter and take root. It's rejecting worldly knowledge and ways, rejecting the enticements of that which is carnal. To gird up the loins of your minds means to prepare, My children. In this case, prepare your minds for action! Prepare to let My mind move freely in you. Prepare to be My miracle workers of the End. Prepare to do exploits, to do greater things than all the prophets or I did while on Earth. Prepare by putting on the mind of Christ, by allowing Me to fully possess you.

In the World but not of the World

40. So deep is this subject, and I see you ponder: "This sounds nice in theory, but how do I put this into practice when I, being in the world, am surrounded by the things of the world?"

41. You do this by first calling on the power of the keys, and through the power of the keys, being doers of My Word--rejecting that which is carnal. The keys rule! My power rules! I am able to help you reject the carnal-mindedness of man and to put on My mind, but you must do your part. You must take action to clear your mind of all that is not of Me, of that which is carnal, that which is earthly.

Prophecy: I once told you that each word that I speak is a Key, that if used correctly, opens a way forward on the path before you. Calling on the Keys is calling on Me, and calling on Me for anything you need is calling on My power. I have to keep bringing you back to this point because it is the one and only way to rejecting the carnal-mindedness of man, calling on the Keys is calling on Me, putting on the spirit of My mind. Remember; Me, My Word and the Keys are One.

42. If each of you will stop right now and carefully review what you spend your time doing, I will show you the areas where you need to improve. I will show you the areas in your life that need adjusting if you are going to fully put on My mind.

43. I want to fully possess you--but you must be of a ready mind, a willing mind. This is the step you must take if you are to use this new gift I place in your hands. You must desire the things of the spirit over the things of the flesh. You must put off the mind of man and put on the mind of God.

Prophecy: I'm going to read the following paragraphs, but before I do, I want to tell you that I only do so as a reprimand to anyone that still makes a habit of taking this path. For by this time if you still sneak MacDonald's fast food into this high-class restaurant, then you are not serious. You are not here for the right reasons, and you are not that interested in full possession. I made the following leeway back when I first reserved this Endtime table we now dine at because I knew that many would ignore the provisos and use My Words as a disclaimer in order to justify their decision to not honor our agreement. It was a test, a sifting and as I have said just recently, the sifter gets finer and finer as the days and months pass. It is imperative to see each word, each paragraph as a Key to forward progress. You must understand by now that I continually test My brides as they walk the walk of an elite warrior. And as I have also said recently, in all ways it is you who set the stage as you go into each test. If you are not giving your full attention to your studies, then you will not be ready for the trick questions that come up every now and then on the exam paper. If you are fully imbibing the Wine I pour into your cup, then assuredly that trick question will not be a trick or trap. You will step over it or around it. But for those that sneak MacDonald's under the table; these will stumble into the pitfall. Please don't take the path of the guy who walks off the track mid-race, who gives up trying just because of the condition of his running shoes or because it is raining on that day or he thinks the runner ahead of him is faster or more determined than he. I do not apply many stripes on those that cross the line at the end of the day. These are the ones that win gold, because in spite of all obstacles, they continued running on dauntless. Whether you win, come third, don't receive a medal or stumble and have to crawl out of a pit, the gold goes to those that cross the line.

44. Many of you hold on to carnal-mindedness in some areas of your lives. These are hindrances that prevent Me from possessing you as I need to if you are going to hone the gift I wish to give you.

45. What you spend your time doing tells the tale. How much do you delve into the knowledge of the world over the knowledge of God--through movies, books, magazines, music, the Internet, the news media, through study of worldly knowledge and man's wisdom, through listening to the philosophies of men of the world that are not in accordance with My Word?

46. I am not asking you to put away all forms of recreation that involve the world, or always forgo or shun movies, books, magazines, the Internet, etc. But what you need to ask yourself, and ask Me above all, is how much these things influence your thoughts. How much time do you spend relaxing with those things, and how much time do you spend relaxing with Me? Do you take time in My Word to cleanse yourself after partaking of the things of the world, even when it's for simple relaxation? There probably is no more important time to seek to be cleansed than after delving into the world for relaxation and entertainment, because if you're on the job and doing research, you're more likely to be on guard and prayerful, and thus the Enemy cannot come in as much. But when you're relaxing, this is a time when the Enemy can often get in wholesale with his ideas and thought patterns and mindsets, because you're "just relaxing," so you take it all in without filtering it or measuring it against the yardstick of My Word, and without taking time to be cleansed afterwards through prayer, communion with Me, and even seeking Me about specifics that stick in your mind from those things.

47. There are also times when it's necessary for the sake of the work, and I give you the go-ahead to immerse yourselves in some of these things, when it's necessary to pass through the waters of worldly wisdom and knowledge. But I want you to ask yourselves, what care do you take to filter this input through the sieve of My Words during those times, both written and My Word in prophecy for you personally? Do you delve into the knowledge of the world and the ways of the world without following through with the cleansing process of My Spirit afterwards? Do you delve into worldly wisdom without proper inoculation and detoxification? Do you delve into worldly knowledge and let it linger? Or do you shun that which is carnal and put on My mind? Do you ask Me what I think about the conclusions you come to after talking with people of the world or reading their material? When you look something up on the Internet, do you stop to ask Me what I think of it, or if I agree with their conclusions, or if their information is even accurate by My standards and the way I know things to truly be? These are habits you must build if you are to be able to receive this gift I want to give you.

48. Or is your reaction when you read a GN or message from Me to weigh it against other so-called "facts" that you've learned from worldly sources, to see if My Words really "hold water" or are accurate? Do you judge the worldly knowledge or information or thoughts that you take in against My Words, or do you judge My Words against your own thoughts and other sources of information? If other sources of information are your yardstick, you need some serious adjustment in your mindset if you are to take on My mind and be ready to receive this gift I am waiting to give you.

49. What care do you take to filter carnal thoughts and wisdom through My Spirit, without fail? You must filter what contact you have with the world through Me, without fail, if you are to stay pure and undefiled, ready and able to be conductors of My full power. I have spoken to you of this need to filter all things through My Words and Spirit; now it must be put into continual practice.

50. In order for Me to have full possession, you must not only give Me your mind, but you must clear your mind and thoughts of all that is not of Me, of all that is worldly or carnal. You must be willing to relinquish those ideologies you hold so dear if they don't match up with what My Word says. You must be willing to believe Me above all, even when all your research and everything the world says seems to contradict it. These are sacrifices you must be willing to make if you are to truly put on My mind. When I gave you the greatest commandment, I said you are to love the Lord your God with all your heart, with all your soul, and with all your mind. This means you are to give all your mind to Me. Giving Me all your mind means you are not to give place to carnal-mindedness through retaining worldly wisdom and letting it become part of you.

51. The natural mind of man does not receive the things of My Spirit. Those who would be vessels of My great and awesome miracle-working power must retain My knowledge in all their thoughts. Worldly knowledge and carnal-mindedness surround you, it is true; you cannot escape being aware of it. However, there is a definite difference between awareness and allowing it to become part of you.

52. I have put you in the world, My loves, yet you are not to be of the world. To activate the new gift I will give you, you must come out of the world, be separate in all your ways, and touch not the unclean thing--that is, in your mind, in your thoughts, in your spirit. You can be in the world, but not of the world, only by putting on My mind. You may need to be aware of the worldly wisdom, yet you are not to let it become part of you, nor let it use you and guide you.

Prophecy: To be not of the world you must walk across the veil and in our reality. The reality of the world is fake, a charade, a dream that will end in death. The spirit of white magic will one day be cast alive into the Lake of Fire as part of the second death. Pray that I lift the scales of white from the eyes of the world as San Bahd Mahl makes his rounds. Each soul must be given a clear picture of the choice they are making. The world is not advancing or progressing as they think or say. Their words are empty and void and without meaning in the true reality of Heaven. With the gift of Heavenly thought power, I am offering you the spirit of My mind. My Kingdom is in a different reality and this is where I am leading you...Would you like Me to fill your glass? ☺

THE SPIRIT IS THE ONLY REALITY!

The keys can open your eyes to the workings of the spirit world like never before.

July 26, 2024 Prophecy) ... You have to look at your life as if you live in a mine. Every morning you wake up in this dark cavern. There's not much to eat or drink, and there aren't any fun games to distract yourself from your "dark" circumstances. There's only the work in the mines; there's only the dust, the darkness, the stuffiness, the cramped conditions, and worst of all, the never ending work and the pointlessness of your situation. And I'll agree with you, if you look at your situation in that dark way, you can get pretty

depressed. If you focus on all you're losing and not on what you're gaining, then life can seem pretty bad and not worth living. But yours is a spiritual life; you don't see many gains in the physical because I've asked you to put aside the physical. You don't make money, so you don't see a growing business and you can't buy things you like. You don't have interaction with the outside world, so you have no friends. I've asked you not to do exercise or do any little things to make your body more attractive, so you're left with what you consider an unattractive pile of blubber. *Your life revolves around the spirit*, so that's where you need to derive your joy and satisfaction from. You live in this dark cave, doing what all day? Just living it looks to you, just barely surviving. Yet in the spirit you're mining and collecting chests and chests of treasure! Right now all these diamonds and gems aren't doing much for you, since you can't use them while you're deep in the Earth. They're just the stuff you've been collecting your whole life. You see My dear? Over all this time you've grown familiar with the riches of the spirit. You no longer see them as the precious treasures that they are. But once you get to Heaven and see how much you got out of that dark pit you call Earth, you'll be so glad you held on and kept fighting. You'll be stunned at the size of your reward. You'll be absolutely flabbergasted that you could've accumulated so much in such a short time. But it will all be real, and Heaven is where you can finally put to use all your saved treasures. So learn your lessons My dear, for those are the treasures you're collecting, and those are what will make your life worth living. It is the spirit, only the spirit is the reality. Learn your lessons My love, learn to love unconditionally, learn to praise in every situation, learn to rely totally on My spirit. For I will always be there to carry you thru, I will always be there to hold you when you feel like crying, I will always help you when you need to make a difficult sacrifice. I am with you always! I love you forever! (End)

1st July, 2025 True Blue) What if the by 'sight' for you is more illumination in the spirit and not necessarily in the flesh? The knowing and confirmation is through your prophecy channel or Heavenly thought power because of full possession. **You also** have the New New Wine received by other Warrior Band. If full possession is the goal, then as you go deeper into the spirit and are using prophecy, hearing His whispers in your ear, you will come even closer to Him and hear the words of revelation and secrets on the wind of His breath. Then you will believe His mind images and words as if they are real ... and from others as well. Like for example in Chris's prophecy, received for you in this time of tribal warfare, he was shown truths from the other dimension, and you can chose to believe them and embrace them as reality, as truth, as in actually happening for real, or not. *'...These events are a sign that the enemy is mad. He is furious, as one that rages and throws a fit as he sees My armies on both sides of the veil forming into union for the battle. He sees a mighty turning of prayer against him. He knows his days are numbered...'* As you picture this in your mind, it becomes a reality to you, not a figment of imagination, but by sight, for real; actually happening in the spirit. After all, you believe the spirit world is real! Because by faith and by the keys of obedience you have gone into your cave deeper and deeper, the Light becomes brighter and you are being changed. Each step of obedience brings your 'sight' into greater and clearer focus; more detailed specifics; more reality because you are passing over the 'line', the veil, the purple mist and as you focus more and more, the physical sights drop away and you are now peering into the spiritual dimension where the real action is happening. You are seeing the warfare. So why not this be the 'by sight' of the second 40 days for us- the deep things shown us in the spirit, way back in the back of the cave where we have forsaken everything of man's ways and the world and all it has to say and only desire to hear His instructions and revealing's through prophecy? It's kind of the same principle as this prophecy from the 2025 updated Full Possession letter,

MB: *You are looking at this possession in the wrong light. You have followed the important conditions and full possession has been granted. The flesh isn't going to change until the Rapture; it is your spirit that has been possessed. You want to glow as proof like Moses did when he came down from the mountain that day? That is not a reality; the glow soon left him as he went about the camp performing his duties for Me. There remained an inner glow however, an inner knowledge that I continued to walk with him even though his physical countenance didn't show it. People perhaps didn't notice it and that is because he wasn't outwardly glowing, so because they could no longer see that glow, they failed to see the inner change that had come over their leader.* (Full Possession 2025 Update)

Prophecy continues: Each step He is putting you through; each fine-tuning through the tests He places before you is to help you to focus on what He says despite your natural inclinations and thoughts of "It's impossible." Those carnal-minded thoughts will undo the Keys' power and you need to be fully possessed to focus, for any other intel will only taint your channel. And when the really big lie comes, you will be swept away simply because you had one foot in the spirit and one foot in the world. But as you have forsaken the news, you may not even hear that big 'even the very elect being deceived' event because you'll be in the back of the cave and will be unaffected and untouched! And your channel will flow freely, untainted and actually illuminated and enhanced as you go higher. (End)

Just opened my Daily Word Gems file and the last entry was this prophecy that I posted there on 27th June. It sums it up so beautifully:-

Prophecy: *Being in your cave is like being behind the curtain backstage. You get to see everything that is going on. Well, at least as much as God is willing to show you. He really does want to show you everything, but all in good time, all in good time. So much of what He can show you has to do with your ability to fly. Get away from that nest and flesh mountain. It really is like flying too low as you orbit earth; there is too much gravity down there in the lower strata levels. Fly higher and you will see a thousand views. Follow Scripture, follow the Endtime prophet, follow the Words of David, They are the stepping stones, the lights on the runway, that will direct you straight and true as you take off in the darkness. (Extra Drop of Blood)*

And she hath gone with Me through Great Tribulation, neither hath she forsaken nor hath she deserted Me as this other whose light died out because she had no oil and who was left in darkness because she depended upon man, and who fled from Me for the fear of man. (Prophecy of God on the Old church and the New Church)

"The Keys of revelation will part the veil between your world and Mine, and in our times of intimate communion I will reveal to you My secrets."

MB: To add a little footnote to that Key promise: He won't reveal those secrets until it is time to, like a time-release capsule. First you have to desire that intimate communion, and secondly you have to be content to just love Him up without really expecting anything. Your fulfillment comes from making love with your Jesus; that is enough. But then because He sees your desire is for Him alone, He comes along one early morning and slips a big jewel into your hand and says...I love you too! xxxxxxxx
Read carefully the Words of David and you will see the miracle of following the signs in His Word. (Signs in His Word pdf)

"You stand before Me in this war room because of the choices you've made. "Warrior Band" is not a nice-sounding title. It is a band of spirit warriors that fight unseen wars of the spirit; it is a band that believe solely and wholly in My Word. They don't need visions or manifestations of My love for them; they don't need bread and fishes to follow Me. They only listen for and follow My Word, My Whispers. They know and understand the ways of spiritual warfare; they know the ways of faith because their faith has been tested many times over. You, My Warrior Band, are in this war room by faith!" (SEP 14, 2024 Road Map To 2026...Prayer Part Five)

Prophecy: This must be the 'sight'! You have given up your physical life to live for the spirit alone, fighting the very real 'unseen' wars of the spirit! You have to give your all to entering the portal of beyond the mist, entering the real dimension, but from this side, the white magic stronghold, but because you have been willing to forsake all of this earthly realm, you are in turn given the highly rewarded access to the reality; the truth of the whole existence of the good-versus-evil showdown. You actually stand in the war room, if you choose to; *You generate immense power with His secret seeds that send forth blue lightning and roars of thunder!* "The seeds which I sow within you during our lovemaking and times of intimacy are those secret Words that when fashioned into prayer and uttered forth from the lips of My bride, bring life to the hearer...and destruction to the forces of Satan!"

It is all so supernatural, but if you can believe, then the 'by faith' can be the real thing, not imaginary at all. *Don't stop to eat the bread and fishes, or you will be left on this side of the lake with the fish-eating masses as My disciples leave for the other side and I go up into a mountain to pray.* And if you stay on the lake, you will be hit by fear and it will be very hard to have faith to believe the reality of the miracles coming for His woman of the Wilderness. As paper money runs out and the System tightens and your folks are not able to give as before because the cost of living has sky-rocketed, the manna will only come if you believe it as a reality of the spirit realm and know that it will be manifested to you as you believe wholly and solely on His Word! Faith is the substance...that is, something real, something tangible... It's evidence. (End)

How will you work miracles in the future if your faith is weak, if you pray but don't believe, if you call on the keys but don't expect them to work? You won't. You can't. There won't be a miraculous future if strong faith is not at the core of your discipleship.

(PFTCOD 5)

Call on the Keys of heeding and believing, and you too will see the small hidden Keys buried beneath the surface words printed on this page. Remember, spiritual Keys open doors to secret places behind the veil of the spirit where the treasures and jewels from beyond are stored. The Word of God is a treasure trove of secrets and mysteries, and Jesus has given us the Key to this trove. For the Keys to work, you must first believe in them.

Keep away from the cave's mouth, as I have told you many times. I need you here with Me up close and personal.

Prophecy: The next section in this Maria letter I'm not going to read to you. [You may read it yourself if you follow this link](#). Now is a time of reflection. What awaits you is in your hands. It is your personal choice and decision whether you will continue running this race or move off the track and board the boat going the other direction. There is no standing still; you are either going forward or backward...That is the reality of man's world. In My Father's Kingdom, there are many many doors that a soul can enter, but be assured that all lead the traveller forward. There have been many changes in Heaven since Lucifer chose the path of rebellion. We do not want to experience a rebellion in the Halls of Heaven ever again. As I've said in My Word, heaven and earth shall pass away, but My Word will never pass away. Yes My loves, the old heaven passed away and the old continues to pass away. Heaven is always changing and growing and you must change with it or get left behind in a different reality. The world of the spirit is a wonderful yet mysterious world. And as I have said many times before, it all starts right here in this restaurant cave with Me. I love you.

Unprecedented Rewards

Await You!

53. Reflect on these words I tell you here. Come to Me, each one of you, and let Me speak further to you personally on this subject. It is sobering, yes, and you will see that what I tell you here will require a forsaking in each of your lives. It will require a greater forsaking of worldly ways, worldly wisdom, and worldly knowledge--a forsaking of carnal-mindedness. It will require a genuine desire for the things of the spirit rather than the things of the world, and asking Me to change any appetites for the worldly to a greater desire for the Heavenly. It will require being a doer of the Words I give you. It will require putting on My mind, allowing Me to possess you fully.

54. Yet it will also bring you the greatest joy you've ever known, the greatest fulfillment, for it will bring eternal satisfaction and boundless contentment--that which has not been known to any man until this time! Its recompense will be limitless, your rewards unprecedented!

55. There are no earthly words to adequately describe what I prepare for you who, yielding your all to Me, allow Me to fully possess you. To you is exceeding great and awesome eternal glory! For you I prepare My greatest and rarest rewards and gifts! So stunning are these rewards that I can only give them to those who pass the greatest tests, who give Me their all without reservation, without hesitation.

Text box:

56. Q: Does this mean that if you hesitate, you lose out on the rewards forever?

57. (Jesus speaking:) It is a principle of My Spirit that those who obey instantly receive the greater blessing. And so it is with this. Those who obey later will receive a measure of this gift, this reward, but the greatest rewards, the greatest measure, will go to those who follow Me without hesitation. It's not that those who obey later lose everything, but they lose out on what I wanted to give them right then. It's a principle of My Spirit. I bless and reward instant obedience, and you never know what you could be missing when you don't obey when I call the first time. *(End of message from Jesus.)*

58. So outstanding and rare will be your rewards that I must disguise the glory of what's in store for you at this time, for your eyes are not yet able to behold the grandeur of it! And this I do, My loves, that you may walk by faith, and thus receive faith's reward--that which surpasses all others. Trust and believe and put on My mind, for I promise you that there will not be one thing required of you that I will not give you sufficient grace to bear, for My strength will be perfected in you as you yield your all to Me. My strength in you will make your faces to shine with the glory of Heaven in these Last Days.

59. And know that to be fully possessed by Me, to be conductors of My sovereign power, is all in all! When you open this gift that I will place in your hands and behold what you stand to gain, you will see it is worth it all. When you understand the awesomeness of it, you will see it is worth rising above the flesh to live in the spirit. They that are after the flesh do mind the things of the flesh; but they who go after the things of the spirit will be unbeatable--the miracle workers of the Last Days!

60. You'll never be sorry you said yes to Me. When you see what you stand to gain, and when you partake of this gift, you will have no regrets that you put off that which is carnal to walk with Me in the world of the spirit.

61. Who can know the full mind of God? It is given to the children of David to know. There are few in the world today who are worthy--but you who receive Me fully, who allow Me to possess you, are worthy. This is the heritage of the children of David--those who desire to please Me, who desire to have Me, who seek to put on My mind, who seek after My Words above all, who long to know My thoughts above all, who mind not the things of the world and the status quo, but who desire only to hear My voice, who follow My leading at all costs, who yearn for My Spirit and call out to Me, "Come, possess me fully! Come, let us have a mind-meld! Come, let Your mind become my mind," those who seek to know the totality of the mind of God.

62. These I will lift to supreme heights in these Last Days. You will rise above all obstacles to live in the miracle world, to transcend the earthbound and glory in the supernatural. To you, there will be no problems, no obstacles you encounter that can stop you--for anything that stands in your way will vanish before your eyes at the touch of your faith!

63. There will be no mountains to you, for I will fully possess you and the awesome power of My energy will flow freely through you--energy and power that know no stopping place, that never run out, that know no defeat--alive, active energy that will propel you, activate you, and energize you to fulfill the commission for which you were created.

64. All power is given to those who are not yoked to the knowledge and wisdom of man, to carnal-mindedness, but who put on My mind, who take Me in and allow Me full possession. And when I possess you, you will not be shaken in mind nor troubled in spirit, for I will live fully in you. No fear will touch you, for you will exude My power, My love, My sound mind. *(End of message from Jesus.)*

65. (Mama:) I know this is a lot to grasp, and it might seem unrealistic or out of reach for you. But remember, there are no impossibilities to us! The Lord has given us the gift of enhanced faith and the keys of the Kingdom, so please let those work for you to open your eyes to how this concept of putting on the mind of Christ can work for you. Even if it seems difficult or if you feel you're too weak or have too many bad habits, don't despair and give up. Get desperate, seek the Lord, study this message, and call out to Jesus with the power of the keys!

66. You can learn to give yourself wholly to the Lord, and He will honor each step you make in that direction. Start today, and you'll make progress and be rewarded as you go! Don't let the Enemy steal away the marvelous, awesome gift the Lord wants to give you. Don't give place to his doubts or lies that you can't do this. You can! The Lord will help you as you cry out to Him, "Lord, I believe; help Thou my unbelief."

67. Do something immediately to show your obedient spirit and your desire to do what the Lord asks of you. Take the time to receive personal counsel in answer to the P&P (prayer and prophecy) questions below, and then begin immediately to obey! As you take the first steps, the Lord will meet you and carry you, if need be, to victory!

Full of hope through the power of the keys,

Mama

Questions to ask the Lord:

1. What worldly mindsets or attitudes do I have that need to change before I can receive this gift and the full empowerment of putting on Your mind?
2. How much do the forms of worldly entertainment and knowledge--movies, books, System music, the Internet, etc.--influence my thoughts? In what ways are my thoughts and attitudes influenced and swayed by the carnal reasoning and input of the world? Through what avenues do I receive this input? How can I minimize or eliminate it, or manage it better through more cleansing of the Word and my time with You? What safeguards do I need along these lines?
3. What do I need to forsake in my life in order to put on Your mind more fully, put aside the ways of the world, and be able to use the gift that You want to give me?
4. How can I learn to filter my thoughts more through Your Word? How can I better put on Your mind and receive Your thoughts throughout the day, letting them guide my decisions? What do I need to do to allow You full possession of my mind?
