

Precious in the sight of the Lord is the death of His saints

July/2025...Prophecy: Your prayers have been creating tidal waves in the spirit; those waves are battering the enemy's kingdom; the barrier spoken of in "The Final Key" is suffering violence, the forces of heaven are hammering it; it is severely weakened, but not yet enough to bring it down, only the Final Key can do that. [I told you in the last podcast](#) to pray more fervently for your brothers and sisters in Gaza, and elsewhere also, who are suffering unmentionable tribulation.

They are the Keys of Revelation 6:9-10; their destiny is a place of honor within the Final Key. I walk with them in the fiery furnace, but your prayers are vital in helping them come through victoriously.

Assembling the Final Key #3525

40. Then I saw a very beautiful sight. I saw a light blue key made of light. It was like a 3-D puzzle, which wasn't yet complete. I saw little different-shaped pieces rising from the Earth, which would click into place, interlocking with the existing pieces, completing part of the key. It was as if I was watching the world from the beginning of time. Each person the Lord had called to be a piece of this key, as they did their part and their mission ended, their section of the key clicked into place. (Note paragraph number)

Corresponding verse from Matthew 24:40 'Then shall two be in the field; the one shall be taken, and the other left.'

MB: Do you see where it says interlocking with the existing pieces...well that is also a clear connection to Revelation 6:9 & 10 where it says that the souls under the altar are told to wait for their brethren to be killed as they were...in other words, wait for the interlocking! Fascinating! The completion of the Final Key!

41. As it grew faster and faster, I saw more and more people on Earth praying, saying, "I claim the keys," then praising for the victory. As the key segments rose from the Earth, I saw each piece locking into place to the faster and louder sound of the huge lock being turned. The pounding was so loud I could feel it in my chest. Then I saw, as it got closer to the end, that the key segments were rising faster and faster, till it was a blur of light rising from the Earth, pausing, then clicking into place, finishing the key. (MB: In connection to how fast the Palestinians are leaving the earth, as the missiles rain down!)

Corresponding verse from Matthew 24:41 Two women shall be grinding at the mill; the one shall be taken, and the other left

Prophecy from Blog post, March 4/2025: [“When will the end come”](#): The Keys being slotted into the final Key are the last few prophecies that yet need to be fulfilled. The Keys are those people that yet need to take their place in Endtime events. Your prayers are Keys, your obedience to fulfill your part of this great Endtime play are also Keys; the armies of Heaven fulfilling their destiny are Keys that are rising and locking into place. You will fulfill your destiny by just keeping your eyes on the Keys, My Word and Me. You have everything you need to bring this world’s history to a close in the allotted time. (End)

Assembling the Final Key #3525

33. **Jesus speaking:** Each of you is important. Each of you is called specifically for this time in history. Each of you is being placed where I need you to be--so don't fail in your part of the mission. Unlock the power by unlocking the daily challenges through the use of the keys you have in your hands. You must use the keys to release the power. Without your completion of this mission, the floodgates will not open. They wait for you.

36. I guarantee you that these words are true. I guarantee you that you will see this power. I will accomplish that which I have set out to accomplish from the foundations of the world. Only do as I have asked and obey Me, and this privilege will be yours. Indeed, many millions and billions have wanted to see this day and live in this time, but it is given to you to see these days and be part of this final event, if you so choose.

37. [Even if you die in faith](#), your personal part of the key will be fulfilled. So don't worry or fear, but give all your life to Me. Burn brightly for Me every day so that you might interlock with the other pieces that have gone on before you to create this final key, for the final lock, for the final power. Don't fail in your mission. I'm counting on you!

July/2025...Prophecy continues: *Those promises will find fulfillment through your prayers, before the Final Key slams into the barrier lock. Your part is to not only pray for the completion of the Final Key but also for the correct positioning of the barrier lock; your prayers are a vital part in this final-phase of world history! Please My brides, pray fervently.*

Assembling the Final Key #3525

26. **Jesus speaking:** Your destiny is to be the ones who have the final key to turn the final lock. No angel in Heaven, no spirit being has this power. This is your destiny--you of the children of David. This is what I am counting on you to fulfill.

27. Make the changes needed, do whatever it takes to unlock every lock you are faced with, so that you can stand with your brethren in that day when the Final Key is slipped into the final lock, and the earthshaking noise of the floodgates of Heaven echoes around the world, and you experience My power like never before!

28. Don't miss out on this monumental event through doubt or laziness. Use the keys today. Change your life with the keys.

30. It is final in the sense that it is the Final Key in the final lock in the final act of this era of Earth's history. This does not mean that there are not more keys or more locks or more plays with yet more acts--just that the curtain will have gone down on this particular play. The curtain will rise again with the opening of the millennial play, with its many keys and acts, and you, My dears, will play your roles in that drama as well.

22. Don't be a weak link in the chain. Everyone has to open their locks; they all must open in order for everyone to receive this power. The closer you get to the day of final release of this power, the more powerful you will become in spirit. The miracles I perform through you will become more and more obvious, miraculous, and outstanding. (Note paragraph number)

July/2025...Prophecy continues: *My spirit shall not always strive with man, for that he also is flesh, and the flesh must pass away in order that the will of God for this era is accomplished. Now is the time for the cork in the bottle to be removed! My New New Wine is bubbling within and applying great pressure on Satan and his Seventy, and with a tremendous explosion will they be ejected forth from the neck of the bottle. The bottleneck, the barrier, is obstructing progress.*

As Satan's black stars collapse to the size of dust they will generate shock waves as they leave the earth, just as Satan caused shock waves when he fell as a star from heaven that day long ago. (Luke 10:18) These black stars will plunge down into the bottomless pit like bullets, reducing time and space as they enter into another universe; totally another

universe, & through that portal into another world; from positive to negative, from life unto death, through sin & rebellion against God. ([See pdf "Black Stars"](#))

Infostore quote of the day: Prayer can change the course of history. The major events still happen, but how they happen, their intensity and duration and extent... are subject to prayer. (ML 3447:144)

July/2025...Prophecy continues: *They cannot but be removed, it is an inevitable preordained course, all things change but Jesus never; the physical kingdoms of man as you know it must fall, just as the Roman Empire of old fell, so must the revived kingdom, the final World Order of the Antichrist collapse. Partly under its own weight of sin and corruption but mostly by force, now the tables must turn as the kingdom of Satan suffers under your violent prayers. Nineveh has not repented therefore she shall be destroyed. The next one-thousand years is not for the revived Roman Empire, it is for the Kingdom of God! 'The world is about to undergo a retraining program never yet witnessed since time began.'*

21. Dad: The Antichrist kingdom is actually a resurrection of the old Roman empire.--its Rome again in the last days with ten powerful nations. Many Bible teachers & students have said that the final Antichrist, Roman-like dictator will really be just a revival of ancient Roman dictatorship, & the Antichrist Empire World kingdom domination will be literally a revival of the old Roman Empire. It's sort of a continuation of Rome, such as the iron, which continues from the legs on into the feet & the toes of Daniel's Image in Daniel 2.

July/2025...Prophecy continues: *Pray fervently that the Final Key segments pound into place. Once the world's currency is sufficiently digitized I will cause a mighty failure of the world's computer systems, just as what happened in Portugal a little while back that was a minute trial run. Man cannot turn back the clock of time; he is in the tunnel of God's will, pushed irreversibly forward by the prayers of My Key bearers. You hold the Keys of the future; you are unlocking the smaller locks faster and faster, they are slamming into the respective slots, continue standing in the gap, the city is almost saved, stay faithful, stay fervent in prayer, the victory is almost ours. Yours is the last generation, the light of David is in your hearts, and you are the chosen generation that David spoke of so long ago. You are the Key bearers and in your hands is the destiny of this world. Now is the time of the toes, the last hour, the [Ten Kings enter on stage](#) and it is your prayers that are the driving force. Ask Me to help you to desperately believe these things I am telling you in prophecy. If you can only believe and pray with all you heart, soul and mind; then the alternative written in Matthew 24:22 will not eventuate. People in the world are praying for change, and I hear their prayers and I will answer just as soon as all the Keys are in place! This is My promise to David and his children. You must pray for grace, strength, vision and courage for your brothers and sisters in Gaza to fulfill their destiny. They have been chosen for this time as are you chosen. You must be relentless in prayer; this is your reasonable sacrifice. The dumbed down, white magic world bow their knee to their god Mammon and are insensitive to the plight of the Palestinians! The world have not one iota of an idea that scripture is being fulfilled, that the Palestinians are being thrown into the furnace whilst they worship the Whore for nothing more than to better their life of stubble and hay. Great and mighty events are now hinged on the prayers of My children. Pull, strain on that string that goes deep into the heart of the beast. Scripture dictates that the Ten kings will give their power to the Beast for one hour! This is the hour; this is the pivotal hour! You must believe, tighten your grip and take up the strain and pull hard on that string and the Keys will do the rest. The Keys will tear out the heart of the Beast, for it is time; it is the last hour! We are in the time of the toes; succeed in this task and you will see the famous image of Daniel 2 crumble as the Rock of My Word uproots and destroys the final kingdom of man. (End)*

Assembling the Final Key #3525

Strong's Hebrew #3525 (from the internet, with notes from MB)

kebel: Rope, cord

Original Word: כֶּבֶל

KJV: fetter

Word Origin: [from an unused root meaning to twine or braid together]

MB: According to Assembling the Final Key, the Children of David are by oath bound to the Palestinians.

Essential Imagery

כַּבֵּל evokes the strong, inflexible restraints placed on a captive's body—iron shackles or fetters that clasp the ankles or wrists. The term is vivid, conjuring both the pain of enforced confinement and the absolute dominance of the one who holds the key. It is never cosmetic; it always implies real loss of liberty.

MB: *The Key of 666 (demonic) holds absolute dominance over the Palestinians and in fact the whole human race through white magic. The Key of 6.66 wielded in the hands of the Children of David has the power to break the fetters and reverse the process, putting the enemy and his people in shackles. (See Psalm 149:8)*

Occurrences

Psalm 105:18 Recounts the affliction of Joseph: "They bruised his feet with shackles; his neck was put in irons". The word depicts the very instrument that ground a faithful servant of God into humiliating bondage.

Psalm 149:8 Looks forward to a day when such restraints are applied in the opposite direction: "To bind their kings with chains and their nobles with fetters of iron." Here כַּבֵּל becomes an emblem of divine justice executed through God's people.

Historical and Cultural Setting

In the ancient Near East, prisoners of war, political enemies, and common criminals were routinely bound with iron or bronze restraints. Iron fetters signified maximum security: they were heavy, difficult to break, and symbolized irreversible subjection. They also carried a psychological weight; a shackled body announced to onlookers that the prisoner's fortunes, freedom, and future were held by another.

Psalm 105:18 Shows God using even humiliating bonds to advance His redemptive plan. The shackles that confined Joseph placed him on the very path God designed for the preservation of Israel (Psalm 105:16-22; Genesis 45:5-8).

MB: *This view links what's being said in MB's prophecy, "Assembling of the Final Key" and Revelation 6:9-10, that the Palestinians are "shackled" to God's will as a type of Jesus for the world...martyrs for the cause of Christ.*

Reversal of Fortunes

Scripture often turns earthly expectations upside down. Joseph's fetters become the prelude to authority over Egypt. Conversely, Psalm 149:8 portrays proud rulers reduced to the state once endured by the oppressed.

MB: *And that is precisely what will happen if we fulfill our destiny as Key wielders. Daniel 7:27 And the kingdom and dominion, and the greatness of the kingdom under the whole heaven, shall be given to the people of the saints of the most High, whose kingdom is an everlasting kingdom, and all dominions shall serve and obey him.*

Just Retribution

כַּבֵּל in Psalm 149:8 forms part of the psalmist's vision of God's holy war, where unrighteous powers are finally subject to righteous judgment. The chains that once oppressed the righteous now restrain the wicked.

Deliverance Motif

The imagery anticipates the Messianic promise: the Lord "releases the prisoners" (Psalm 146:7). Physical fetters mirror spiritual bondage; both require divine intervention for release.

Intercession for the Persecuted Hebrews 13:3 calls believers to "remember those in prison as if you were imprisoned with them." Joseph's experience encourages compassionate solidarity and confidence that God works through suffering.

MB: *The nations of this world are spiritually bound to God's will also. No government but God's shall enter the millennium; and here we find divine reversal; the governments of man, who have been depicted in Daniel as brute beasts, are "marked or numbered...666" for judgment, and by divine will, cannot escape; neither shall the wicked who force their will upon others by means of such instruments as government. Only God's people and those in the world that "sigh" are permitted to pass over that blessed day spoken of in Daniel 12:12*

Summary

כַּבֵּל embodies both the severity of human oppression and the certainty of divine reversal. It explains the pain of faithful saints, heralds the downfall of arrogant powers, and ultimately magnifies the God who alone has authority to bind and to loose.

ABRAHIM: HOW ARABS BECAME GYPSIES! #301

1. They're all living in fantasy land--in the "Imagi-Nation"--a NATION of images and idolatry!--Worship our images with us! We'll pipe for you and dance for you!"
2. They're living in a dream world!--"Don't wake me up--let me dream on! I don't want to know what the world is really like.
4. No real happiness in imagination. We dance and play and sing and work and love--have real happiness travelling. We don't deceive children with evil imaginations about Satan's Clauses. We don't have Imagi-Nation--Nation of images! We don't have any nation.
14. We don't worship silly images ourselves.--We may pretend, but we don't do. We know better.--We let them do it. They're all stupid!
25. (Are there other gypsies?) Of course, there are Gypsies everywhere! Always there are Gypsies, because there are always people who don't like the System!

31. (You gypsies know Jews?) Jews? Jews? Who's Jews? (They come from Israel.) Oh, we know Israel! Our forefathers told us about Israel. (Do they come from there?) Maybe. (You don't know?) Yes, we come from there. I don't know about Jews though. I don't know where these Jews come from.
32. Long time ago my father's tell me we come from there. We come from there to Persia to India, back to Persia, to Armenia and Russia, and then we move to Rumania, Hungary, and Bulgaria. We try to find it (Israel) to go home, but it is not possible. We have to go too far, and we find homes other places. Maybe someday.
33. We come from there a long time ago, our father's say, but I don't know. We're free, we're free! We love Jesus. We can go anywhere. We don't care. Why should we go back there? (Maybe you help them love Jesus.) If they don't love Jesus, how can we help them? We meet many people who don't like Jesus, so we just live by ourselves with Jesus.
46. So we now have learned that the gypsies are Arabs!--They are descendant of Jethro the Midianite, a forefather of the Arabs, and the Kenites, or Canaanite Bedouin smith from Arabah! They were related to the Amalekites and later amalgamated with the Midianites.
47. Some of them acted as guides for the Israelites on their march from Sinai to Canaan, pitched tents with them at Jericho, and later settled in Judah. They were still friends of the Israelites as late as the times of Saul and David.
48. One of their chiefs, Jonadab, son of Rechab, had made them vow never to live in houses, but to always dwell in tents, to preserve their simple culture, mobility and even their very lives! They kept this promise, and therefore God promised them (Jer.35:1-19). that He would preserve them throughout all the ages! And so He has!
49. They have kept on the move ever since, and have thus always been ready to flee to avoid trouble and annihilation! Through Abraham, we have learned that the Jews later drove them out of Israel into Egypt where they dwelt as Bedouins until captured by the Babylonians as slaves and carried to Babylon with both Jews and Egyptians.
50. It was then they were nicknamed "gypsies" being from Egypt, even as the Babylonians nicknamed the Israelites "Jews" because they were from Judah! The "Gypsy" Arabs were later released and wandered westward into northern India to which modern historians have traced them as far back as the 700s A.D.!
51. So our beloved spirit helper, Abraham, is really an Arab!--And that's how the Gypsies came to be Gypsies and perpetual "Travellers"!

Prophecy: Abraham speaking: You good Gypsy, you don't have home like we don't have home when live on earth, strangers and pilgrims, that's what we are, you and I, our wives and our children. Some don't like Gypsy life because of the imagination of their hearts; the white magic is strong in the world in the time of End. Don't worry, it won't be long now, we are preparing for big party, big dance, lots of women, lots of strong young men, lots and lots of children, David's children and Abraham's children, then all children will come home like prodigal man, very sorry for leaving Jesus for imagination. Many coming home now, tired, worn, and sorry for leaving David, but David have big heart, very big heart, he sad but his heart like king, very big. He cry, they cry, we all cry, you cry when you think of End of all things and how it all happened. So sad, so very sad, white magic very strong wine, makes mess of mind, if you drink you image change from gold, to white, to grey to dark. You don't see light anymore, you don't see David's Words anymore, all gone, all imagination you say, so sad, cause white magic is imagination, not Jesus and David's Words. Jesus Words gold magic, white magic only a dream, only imagination that not come true. Like prodigal man life gone feeding swine, no food, no wine of David and Jesus, all gone, all gone, sit in mud and cry, great big tears, but too late, king David gone, wagon gone, Gypsy move on, can't find way back home, only way to heaven open now. Good thing, cause white magic in all people, in all nation, not only "Imagi-Nation" America, all world sick with white magic lie, nowhere for Gypsy to go but up, like Gypsy in Israel. Pray for Gypsy in Israel, they like Abraham, nowhere to go but up, up to Jesus. All in big trap like Gypsy in Egypt, taken to Babylon, but now no India, no Bulgaria, no wagon, no body love true Gypsy, only Jesus, Jesus take them, he put them where they most happy. Big Gypsy camp in Heaven, Heaven one big happy Gypsy camp, all Gypsy gather here for big dance, much wine, women and song for all; lots of stories, many stories of life on earth, some funny, some sad, some very serious about time of End. Don't go to Egypt when Jew chase you, stay in cave, better than wagon and tent, stay in cave with Jesus, nobody find, white imagination outside, keep white lie outside, read Words of Jesus, Jesus love you Endtime Gypsy very much, He have biggest heart of everyone, He know it hard for you, so He make cave for His wives and children to hide. Pray for big Key, all know about big Key now, no more secret to gypsy in heaven or cave Gypsy...no secret at all. Promise from God, Gypsy have big part in big Key, pray that all Gypsy come home with Key, we ride on Key, Key our wagon home. Key moving now, Jesus call Key home, pray for Key, pray for Gypsy in Israel and everywhere, gypsy weary of earth life and want to come home, not easy now, nowhere to go, wicked Jew who no Jew, say gypsy need passport paper to travel. World one big trap, stay in cave Gypsy children of David, stay in cave, not long now, you must pray for King's return, you must pray for King's return, everyone must pray. "I help many martyrs killed for Jesus. Because I die for Jesus, help many people die for Jesus." More go to be with Jesus every day, part of big Key, you understand now, no more secret, you good Gypsy so Jesus send David and Abraham to tell truth. No one free on earth, only free in spirit, in cave, but soon you leave cave and come home, we wait for special time to bring you home. I help Gypsy in Israel, not easy, big trap, no escape but up to be with Jesus. Abraham and other Gypsy wait at door, when they come through we there to smile and hug and take home in big wagon, no wheels, no donkey, we fly, everyone happy, don't worry you pray and all is well.

Abraham the Gypsy Story...about Heaven #298

24. Big family, we all related. We all marry each other--intermarry. Intermarry. One big family. Have many children. My baba marry Gypsy King. My wife just like my last wife. (Maria: Now you have another Gypsy band.) Very sleepy, very sleepy. David sleep.
25. Big city! Big, big beautiful stone, big beautiful gem! City like big diamond, big gem. Gold and diamond. They like crystal. Buildings are like glass. Like crystal. Can see through. You see everything, nothing hid. Everything beautiful. So beautiful! Even

better than forest in Bulgaria! So beautiful! You couldn't compare. You couldn't make like same. No same. Heavenly City much, much more beautiful than anything in the world. You know?

26. Such trees! Such beautiful trees! So tall! Like they reach way up to the sky. So beautiful! Big river flow right through big city. Like park. Big trees both sides. Many fruit on one tree. Many different kinds of fruit on one tree.

27. Big City in Heaven--Heavenly City. Many things in Heaven, flowers and sun and moon. (Maria: Like here?) You want to know about Heaven or Heavenly City?

28. Heaven **big** place--much room: Stars and sun and moon, planets. Heavenly City is New Jerusalem. But Heaven is everywhere, everywhere. Heavenly city is **here**. Come down. Heaven is Big **space**. Big place. Heaven.
