FEAST 2002

THE GIFT OF HEAVENLY THOUGHT POWER!...UPDATED JULY/2025...At The Restaurant With Jesus

By Maria Maria #595 CM/FM 3377 10/01

Dearest Family,

1. In this GN our magnificent Husband presents us with the new gift we talked about in "Full Possession!" It's a gift that we have to reach out and take and appropriate, and that we have to make changes in our lives in order to be able to benefit from and fully use, but He promises that it will be well worth it, that it will enhance our witness and bring many to Him.

2. It's still a bit mysterious! We won't fully comprehend it all immediately, but thankfully our sweet Husband has made very clear what we need to do to begin to use it and receive its power, and He said with time He'll give us more details and information on exactly how it works and how we can use it more fully. Isn't that exciting?

3. In this first message He provides us with an overview of what He wants to give us. In the second message He gives us the specifics of what we must do to receive it.

4. (Mama prays:) Darling Love, thank You for what You are about to give us! We want it, Jesus! We truly are above all people in the world most richly blessed, because we have You, and we not only have the gift of Your salvation, but the gift of intimacy with You. We are Your brides, and as such, You spoil us with so many awesome spiritual treasures.

5. Please prepare our hearts and spirits now to receive Your Words in faith. We want to drink them in and be strengthened and changed by them! We want to be motivated and thrilled with what You have in store, and be ready in spirit to do all that You ask of us. We claim the power of the keys and we resist all distractions and temptations of the Enemy--to doubt, to let our minds wander, to analyze, or to in any way block the flow of Your Spirit that You're pouring out to us. Open our channels to You, sweet Love, and help us to receive fully, without hesitation. We love You and need You and thank You again for all that You bless us with. We are not worthy, but we are so thankful!

The Gift of Heavenly Thought Power!

6. (Jesus speaking:) The gift I place in your hands will be one of inestimable worth to you in these Last Days, for it is the gift of greater thought power. I will activate My thought power within those who meet the requirements. If you will allow Me full possession and will put on My mind, our minds will meld. And as you take on the totality of the mind of God, your thought power will be increased; your mental and spiritual power will be greatly enhanced. For in putting on My mind, My Spirit will flow through you in greater degree. Your thoughts will be more fully energized and guided by My Spirit. You will be more finely tuned and in sync with Me, and this will enable you to perform great miracles **in the name of the keys of the Kingdom of Heaven.**

Text box:

(Jesus speaking:) You will become known as the people of the keys. You will hold the power of the keys high; it will not

be a secret. So it is correct to say "you will perform miracles in the name of the keys," for as you call on the keys, as you use their power, **it is in their name that the miracles will be performed**. Your lives will be living testimonies to Me. You will be known as My brides, and it will be known that I have given you the keys of the Kingdom. It is a very great honor, and I rejoice that all the world will know of our intimacy and this beautiful, priceless treasure I have bestowed upon you--a token of love, an honor above all, an unlimited credit voucher for anything you might need or desire as My pets, My chosen ones. So yes, **miracles will be done in the name of the keys**, for as you call on them you will be loving Me, and in the eyes of those who witness it, the miracles will often be done in the name of the keys; **but they will know at the same time of your intimacy with Me and that that is what grants you this unlimited power**. (End of message from Jesus.)

7. In fully uniting your spirit with Mine, as you allow Me to fully possess you, as you reject carnal-mindedness and put on My mind, as you allow Me to more fully live in you, as you live, breathe, and think My thoughts, then I am able to activate a greater capacity of mental and spiritual powers within you. Your mind has tremendous potential, for it is spiritual, and when your mind is yielded to Me, you are able to generate My power. You become generators of the power of God and nothing will be impossible to you!

Prophecy: So here we are My loves, sitting at this cozy restaurant table tucked into a corner near a window that faces the street. The scene is a little like the one in "Endtime Whispering Vision" except you are not huddled in a dark cellar, half-starved waiting for the End or your end to come. This setting is a spiritual cave, not a dirty cellar with one grubby, matchbox-size window at street level. Some time back I gave you a very precious Key called the Key to the Wilderness. Those carnal-minded ones that rejected that special Key are not with you in spirit today. To be in this cave today, My brides will have received, even if by faith, all that I've shown the Children of David from the very beginning. I gave David the Key to the second floor; I called it the Key of David, and with it he opened the portal that led out of the standards and mores set by the theologians of his time. He set you free to fly with Me in realms unseen by mortal eye. It matters not what the carnal-minded say about David; the Words are there for everyone. The Words of David are like a corridor with many doors; those doors are portals to different dimensions within the eternal realm of the spirit. David didn't enter all the doors in that long corridor...Please try very hard now, not to think of the corridor in David's dream "[The Green Door](#)"...The corridor I speak of is an adventure in itself, even without entering one door. The Green Door corridor is a very bad copy of the one I speak of now; just like a cellphone is a very bad copy of spiritual communication. Heavenly communication takes you via the Powerhouse of God; the cellphone, if used incorrectly, is a black hole vortex which leads into the diminishing world.

As I was saying, David peeked behind many of the doors in the corridor and behind each door a different adventure awaited him. David was a very curious fellow, which is how I created him. I used his curiosity and sense of adventure to open only a few of the doors in the corridor. Those of you who have read C.S. Lewis "The Magicians Nephew" can picture what I am talking about by casting your minds back to those mysterious pools in a magical forest that turned out to be portals into different dimensions or "worlds." The pools all looked the same; they didn't in any way reveal what was on the other side of those pool-portals. If you can remember, the travelers had Keys that would take them through the portal and would also help them return to the magical forest where the pool-portals originated. Well, in the story C.S. Lewis was shown rings, not Keys, and that is because the revelation of the Keys to the Kingdom was waiting for the arrival of Maria and the Children of David. Mr. Lewis explains that without the rings the travelers would never be able to return. The Keys have the exact same power. They are essential for spirit world travel. The greatest gift given to the Children of David after David's departure was the Keys to the Kingdom. The purpose of the Keys was to open the door to the Third Floor, without them the Third-Floor, portal-pool door would not open...I love watching you drink My Wine. Would you like Me to refill your goblet?

As Maria and those spiritually minded, adventurous Children of David ventured up the stairs and onto the Third Floor, a whole new world with many new portals and doors stood before them...At this point allow Me to let you in on a secret that in reality is in plain sight...Those flatlanders in that flatlander world, which you see outside that window, cannot even see these portal-pool doors let alone enter them. The poor flatlander only sees windows, so we are safe in here. The sad fate of the carnal minded is that they will wander aimlessly and endlessly out there in the "Green Door" corridor, clinging to their gadgets and techno junk, which the Evil magician has told them will take them into the world of virtual reality. They are strongly deluded; that was their wish--mind you, and it was granted, and they will remain in that state of limbo until I come to open their eyes. You've got to understand that word "virtual." It means computer-generated, simulated, near...but not here in the true reality. Virtual reality is a white magic take on gold magic; do you get it? I hope you do, because if you don't, then you will remain stuck on the level you are now on. Just like all those that are still stuck on the second floor and the first floor below that. If you don't take the Keys by faith and jump into this next portal with faith in the Keys, then the next stage of our journey will not materialize for you. Here, let Me point out a great Key on your Key ring. "The Keys will prevent the enemy from using anyone --and let Me add one Word here...or gadgets-- to hinder your journey and usefulness to Me. The enemy's people will not be able to withstand the focusing power of the Keys turned to swords."

The secret to not allowing the enemy, his people or gadgets to hinder your journey into the next reality is found in the Keys. It's the Keys, the Keys, the Keys. Leave this reality behind; it may be fascinating and interesting, but My Word is continually opening new portals and doors to the spirit adventurer. Did you see the Key imbedded in the Key in that Key promise? The Keys have the power to turn into swords...when the enemy, let's say Obstacon, tries to stand in the portal entrance. The Keys can, by faith, morph into a deadly, blue-frequency enhanced weapon of mass destruction. Obstacon and most other demons have the power to morph; they are "changelings". Obstacon can morph into a friend, or a gadget, or anything that could be used to stand in the way of you jumping into the portal-pool door.

Jesus: "Good intentions" are among the chief means [Obstacon] uses. He seeks to take good intentions and good works and twist and use them to seduce My Warrior Band into filling their time with good things, but not the best thing. He is a master at mixing up priorities, therefore ensuring that first things do not get put first. Obstacon is a master of obstacles, of all that obstructs My Lovers

from absorbing and living My Words. From this he derives his name, Obstacon. (Obstacle--Obstacon. An obstacle is something that stands in the way; it opposes and hinders progress. Change the last two letters "le" to "on" and you have the "con," also denoting opposition.) Obstacon is one who is against you. He desires to stand in the way of your progress, to deny the truth, to work through anything and everything to oppose you. Obstacon makes use of every obstacle that would stand in the way of My Warrior Band absorbing My Words.(full-possession and thus heavenly thought power) He knows if he can stand in the way of you absorbing My Words, you will consequently be unable to apply My Words...Call on the keys of deliverance from Obstacon, and I will free you from his grip, so that the Word revolution can ignite and burn forever in your hearts."

Prophecy continues: Always carry your sword with you, not in its sheath but in your hand. Now is not the time to wander aimlessly without purpose. Where you are now is not virtual reality as the enemy tries to tell you every day. His world, the carnal, material world is the virtual —almost-here-but-not-quite world of the flatlander. It is the façade. You must continually bathe yourself in My Word to retain full-possession. And beware; don't be fooled by the word full in the word full-possession. I know the meaning denotes being topped up, with no more room to put anything more in, but remember you are a battery in the walk-man, and batteries need constant maintenance. They have to be recharged or else the music will stop playing.

So what Key did you use to get you to the Fourth Floor --can you remember? The Key to the Wilderness, [I even had you make a video](#) about it to help others out there to catch the vision and to see the Key.

Now here you sit with Me at this lovely, out-of-this-world table with a portal --only to be used when absolutely necessary-- to the outside world of carnal man. I've told you not to look through it, and you should know by now why I've asked you not to look out that window. Besides the fact that watching you daydream when I'm speaking to you is very distracting, it is also a test of obedience...which is of vital importance for what is up ahead through the next portal-pool door. Before I continue, I have something here that I want to give you; it's a love gift. It's not the gift of Heavenly thought power, for that is something that is happening all the time when we spend time together...Here it is; close your eyes of the spirit, just for a second. I'm here, so you don't have to worry that you will lose focus...Okay, it's on the table; you can open your eyes. I've just opened a gorgeous, velvet-lined box and upon its opening, you see a blue shimmering jewel attached to a golden necklet. This is a gift that has been waiting for those that have reached this point. If you can't see it, then call on the Keys to open your eyes. Faith that it is real will grow in your heart, just as your faith that I am coming back in 2026 is growing. Faith is rarely an instant occurrence; faith comes with effort. It takes work, first of all drinking in and believing in what is in your goblet... Here, let Me top it up some more.

AS WE SIT QUIETLY IN OUR CAVES

June 12, 2025 Jesus, you said that we, the COD, could know the day and the year of your second coming, [so why can't we know the exact time too](#)? Wouldn't it be cool if we saw our [beautiful celestial transporters](#) appear on the horizon just as the sun was rising? And then they follow the sun across the earth in a big line until they reach the place where they started, (which would be the equator, where we are!) thus making your return take 24 hours! That would be so cool Jesus! So if you're not coming back like that, then when are you going to come?

Jesus: My dear, eager little bride! Thank you for your belief. Hold onto it and keep doing as I have commanded you, and you will see the day that your heart and soul long for. The exact time I'm going to come in My celestial transporters is currently a secret. But I'll take your suggestions, and if you really, really want Me to come back at a certain time, I'll bring it before My Father and we'll see if it's the best course of action. There is a lot to consider, and I must arrive at precisely the right moment. ... But flying down and saving you as the sun rises does sound pretty cool. The night is over; dawn has arrived! The world of darkness has fallen into the past, the Son has risen, and everything will be made right in the light of a new day! ... Pray desperately My love, for My return hinges on your desperate prayers. I want to end this dark, disgusting world and bring on the Millennial reign of love more than anyone who has ever existed. But I'm depending on you to do your part [and pray like Heaven depends on it!](#) Pray like everything depends on your prayers, because it does. Pray like I won't be able to return unless you're desperate enough, because I won't. [Pray as hard as you can](#), cause if you don't, I might not have enough power to [push Satan off the chess board](#). I'm depending on you. ... The day is certainly coming soon; the evil darkness Satan has tried to cover this world with is about to be washed away completely. For as the [sun rises on His world and washes away the night](#), so will the Son break thru the dark barrier, and claim what is rightfully His. I'm coming beloved; I really am. And just as I told another of My brides, "You know not the hour, [but you do know the day](#)", so too do you know the day. You know it My love, so hold onto it firmly, believe that as the physical sun rises, I will be there, riding the rays of light on My enormous surfboard! I'm coming, and I'm coming to save you! So please hold on. ... Imagine that day My love, just imagine it for a minute. You go to take your donkey out to pasture. You tie him up and climb that little hill which gives you a perfect and beautiful view of the sun rising over the distant mountains. Now, as the sun rises you see something very different, something you've never seen before. It looks like something from a sci-fi game or movie, only it doesn't look evil, and it fills you with an ecstatic feeling of freedom and adventure. I can't even explain the emotions and feelings you will feel on that day, your vocabulary is too limited. It will be miles beyond anything you've ever experienced or even heard about. Even when you get to Heaven it will be hard to tell those you meet what it was like and how it felt when you caught first sight of Lambda One. But naturally you will be jumping around crying out praises and trying your best to alert everyone to what's happening. But eventually you'll calm down and just watch as he covers the sky, basking in the beautiful, all encompassing, rapturous feelings bursting within you. And as the ship reaches the middle of the sky,

a portal opens in it, and you feel your body become lighter. You feel the weights of your flesh falling away. You feel everything you ever knew about your body disappearing. And up you go!... Oh My bride! Even now your eyes are watering and your heart is longing for that day. Your soul is pleading with Me to come and save you. My love, My love, My love! I promise on My honor, that if you do everything I have asked of you, if you be [My faithful virgin bride](#), if you fulfill the calling and destiny I have given you, I will, I will, I will, I WILL, Return. (End)

I have commanded you to be still and quiet and to listen. Know who I am. Go deeper and you will learn more of Me and of the spirit world and the Keys. Believe Me when I tell you more will be 'accomplished' [by staying in the depths of your cave](#). That is My will for now. Hear My voice in the stillness. It will strengthen your channel. It will deepen your trust in Me. It will give you greater faith!

Prophecy Prayer: [The sign is in the Word](#) and that's good enough for me, more than good enough, because it's my faith; the Word is my faith. It is written! You say, '[Hear My voice in the stillness](#)' and my darling, I so love to hear You. I love what You tell me and I hinge everything on what You say. [You are my Guiding Star; You are My Compass](#) who is always going to [show me true north](#)! What else can I do but long for You and desire You more than anything else in the stillness of our cave? If I can't look to You to tell me the truth, who can I turn to? I no longer have any other lovers; You are the "one and only" of my life. I only have eyes for You! I know You would never lie or lead me astray. Your Word whispered in my ears and in the depths of my heart is the lamp that enlightens my way. You have been a faithful Husband and never left our side on this journey of faith. Our love and trust in You has only deepened as [You have done amazing miracles one after another](#). You've led us on, ever on, up the steep mountain trail to [finally reach the summit](#) where we [learned to fly](#) through the gift of prophecy that You bequeathed to us so long ago. And the keys, if held and caressed, will open our eyes to the workings of the Spirit world like never before. You have bathed us; no, drenched us, with Your golden life-giving juices through that intimacy with You as we sit away from the of the things of the world, quietly trusting that You will take care of our well-being. You have fed us and filled us to overflowing because You taught us to love Your keys and we have become richer and fuller because of them. Through the keys You open the Word to me and open me to the Word and I can't take my eyes off of You, Jesus! You are everything to me, my One and Only, my Alpha and Omega! You are the [Spirit of Prophecy](#), the fulfillment of every promise. My loyalties are with You, my King, my Husband. And as Your bride, Your doting wife, I am trying to stick closer to You than ever before by being obedient to what You ask me to do, not hesitating but eager to make You happy with my following hard after You. Then You, sweet Husband, actually have taken us into Your confidence in our secret special place and told us things You haven't told anyone else. I swoon with giddiness at the reality of that. I feel Your warmth inside me, that inner glow You give. You've taken us to the heights in the times of being fully possessed by You and revealed Your secrets for this last hour and our desire, as we sit in our caves quietly, is no longer in scattered moments but as we make the first move in entreating You and loving You, desiring Your seeds, then as promised, You speak and make us privy to opening the scriptures that still need fulfilling. O Jesus, make Your will my will, Your thoughts my thoughts. Help me to let go of anything that is stopping me, to completely give myself to You. I only want to hear Your voice above the chaos and confusion and I trust You will continue to show us the way as You always have. Prevail in me, live, move, speak, think in me... I want You as my first and only Love, Jesus. We believe in You and trust Your Words when we ask You everything and anything! We know You will not lie. You are our very breath and we hang on Your every word. Thank You for trusting us with Your Word for today. It's a miracle! I can't wait to see You again, Jesus; hopefully I'll be changed and different and more like a blue angel that has that special, unique, close relationship with You. It makes me tingle with anticipation. Come soon, Jesus. Help us to reveal all the unfulfilled scriptures in our caves through the furrow You make as You pump us with Your seeds through prophecy, so that You *can* come!

Jesus: *Here in Our cave you are safe with me! Give your physical body into My care in order to travel with Me beyond the veil. If you go outside our cave, you will get lost like all those dwelling in the land of here and now, of flesh and carnal reasoning and ways of man. Your faith to leave that body and those earthly cares out there is gained here in the spirit through My wonderful word, imbibing and believing and obeying and living it. :) (3-7-2025 Here in Our cave You are Safe with Me)*

I've reserved wondrous spiritual truths for the children of David, and when you call on the keys of revelation these truths are yours.

8. The mind of God is powerful, and as you reject the thoughts and reasoning and conclusions of the world and put on My mind, My Heavenly thought power can then be activated within you. When you put on My mind you will have greater focus, greater perception, greater insight, greater wisdom, and true knowledge--for it will be the knowledge of God, not of the world, that controls you.

Infostore quote for today: If you're fighting to be more full of faith, the Devil will be right there to tell you many believable lies. You must resist these with all that is in you if you wish to claim the victory. (ML 3248:36)

"A slothful spirit doesn't fight the flesh, but gives into every whim of the mind and body and goes down the path of carnality and flesh, which doesn't lead anywhere. So be courageous and fight the flesh and resist it, for though it is a part of you, it is the part that you fight, not that you get along with." (Your Blue Heart)

Prophecy: Each of you has been given a "gate-keeper" and you've been directed to work on your relationship with your personal gate-keeper. If you've done that, then this next [reality-jump](#) I've been talking about for quite some time will be much easier to

achieve. The Maria letters have made you aware that no one enters the Mind of God (the Powerhouse) unattended; the gate-keeper/protector is also your guide, but more than a guide, he or she is the branch to the Mind of God. When using the words “Mind of God,” I’m talking about the Generators of God. I’ve allowed My Blue Angels to reveal many secrets about their personal lives and work, so I’m not going to say more about that here. You have [the New New Wine files](#) on the Blue Angels. If you need to work on your personal relationship, then go over all they’ve shared with you or spend time getting some more from your very own personal blue gate-keeper. There has also been a lot of New Wine on flying shared with you over the past months; now that you are here with Me in our restaurant-cave, I want to do some fine tuning. Let Me begin with a Key promise; *“The keys of the Kingdom can change your spirit, your mind, and your thoughts, so that you’re in My Spirit, using My mind, and thinking My thoughts. The more you call on the keys of total possession by Me, the more they will be activated, and the more you will experience the changes you desire.”* My spirit is the spirit of prophecy, apart from the historical, the law and the poetical etc., the Bible is a book of prophecy. Even within those topics I just mentioned, you will find prophecy gems interwoven throughout. Like a golden thread entwined through a tapestry, prophecy is a hand motioning the reader to follow. Like a small vein of gold in a mountainside, it leads to [the mother lode](#). Like a river that [spouts forth from the source](#) to water the dry land, the spirit of prophecy is My guiding hand, My corridor into the future that leads to My promise.

A MORE SURE WORD OF PROPHECY #1611: *(Strong’s Greek for 1611—ecstasy or trance.)*

Prophecy: That description of the MO Letter number hardly needs explanation, but I’m going to add a few Words. Letting go and I mean truly letting go and letting Me is when the Spirit of prophecy fits you with wings and takes you into the world of ecstatic wonders; your flesh and carnal mind will fall into a trance but your spirit will be flying on the clouds of Seven Thunders.

(The number 1611 in Hebrew—a wing. Throughout Scripture the image of a wing evokes mobility, shelter, protection, exaltation i.e. lifting up. In Daniel’s apocalyptic vision the term serves as visual shorthand for swiftness and the transfer of sovereign power.)

Prophecy: The magic of My spirit is apparent to the cave dweller, to the miner as he discovers the hidden secrets behind almost every utterance in My Holy Word. This cave, which some of you still despise, offers you mobility into the endless expanses of the spirit world, whilst at the same time offering you shelter from the world and protection from your enemies. Exalt Me, My lovers, lift up My Word on high with your mouths and hands and the tools I have given you to dig up these jewels, gems and diamonds to bring out of that cave....I will shelter you and protect you under My mighty wings as you do My business. With swiftness, for the times are evil and the hour short, will you bring out the New New Wine as I transfer My sovereign power into your minds and hearts. Full possession and Heavenly thought power are given to you, My lovers and brides, for now is your hour, spoken of in the Words of your prophet. Now is the time of the Seven Thunders. No longer are they shut up and sealed, *for I Am worthy to open the book, and to loose the seals; for I have prevailed and opened the book and loosed the seven seals, for I Am the Lion of the tribe of Judah, the Root of David.*

MO Letter #1611

29. GOD’S WORD SAYS, “BLESSED IS HE THAT READETH & THEY THAT HEAR THE WORDS OF THIS PROPHECY”!

(Revelation 1:3) It takes an effort, it’s work to try to understand Bible prophecy & to “study to shew thyself approved unto God, rightly dividing the Word of Truth.” (2Timothy 2:15) But you’ll find that “the entrance of Thy Word giveth light” & wisdom & understanding! (Psalm 119:130) When we delve into God’s Word, we “bring forth treasures, both new & old”! (Matthew 13:52)

You’ll discover how wonderfully the Lord can weave His Word together like a beautiful tapestry, filling in the whole picture to give you His vision of His plans! “For where there is no vision, the people perish!” (Proverbs 29:18)

Prophecy: So many people see the Bible as something static, something in the distant past and as they read it using their carnal mind, which of course dearly wants to keep them in their present tense, i.e...*Today I go about my worldly business*, but certainly not in the future tense...*Today I go into the future through the spirit of prophecy*. Let Me reveal to you just how alive My Word is...to rephrase paragraph 29...I am about to *bless you who read and hear the Words of this prophecy*. The prophets, whom you are brethren of, look for the *entrance of My Word, the entrance to the cave that leads into the Wilderness of the Spirit*. Working in conjunction with the Key of the Wilderness...that being the Spirit of Prophecy and your dear gate-keeper, you find the entrance and unlock the portal. Once inside, you discover the reason you were looking for the entrance in the first place...That’s right...*the Old and New Treasure that you are to bring forth to those outside the cave*. You might find a thread of a vein or a few jewels scattered around here and there, but to find the deep secrets of the realm you have to dig deep, go deep and stay down in the depths and work hard to extract them. This digging is not a work of the flesh or carnal mind; it is the work of the spirit, the spirit of prophecy. If you are trying to dig for jewels without My spirit, then you will come up with gems of lesser value. You might ask yourself this question, “Now that I’ve found these precious gems, how am I going to lug them out of this mine?” In this age of technology I’ve given you the physical tools to do it very efficiently, the computer and internet, the cellphone etc...Now I’m touching on the primary reason why I allowed those gadgets to be invented. Of course the “Mark of the Beast” could not be fulfilled without them...but that is not the primary reason. I allowed them to be discovered by the enemy’s people so that they could be used by you to quickly and efficiently get those jewels out to the people. As per usual, when the Devil and his people get their hands on My inventions, they abuse and corrupt their use and even wield them as weapons against My prophets.

30. OF COURSE, SOME DEAR OLD BIBLE PROFESSORS & STUDENTS & KNOW-IT-ALLS ARE GOING TO SAY, “Ah, but Jesus told His disciples that ‘no man knoweth the day or the hour when the Son of Man cometh, not even the angels in Heaven’. And ‘it’s not for you to know the times or the seasons’.” (Matthew 24:36; Acts 1:7) Well no, it wasn’t for those to whom He was speaking then to know, because they didn’t have to know! They’ve already been dead now for nearly 2,000 years!—They weren’t going to go through the Great Tribulation & Jesus wasn’t about to come back, He hadn’t even gone yet! But now that His Word is being fulfilled in our generation, it is His Will for us to know it, to perceive it, & to understand it!

31. HE DIDN'T SAY WE WOULDN'T KNOW THE DAY OR THE HOUR, HE SAID THEY WOULDN'T KNOW THE DAY OR THE HOUR! That's why you have to compare Scripture with Scripture.—You've gotta think about who He's talking to. That Scripture has absolutely nothing to do with you & me today in this Endtime, these Last Days! When all the dramatic, climactic, final events of World History begin to unfold, let me tell you, you're going to need to know, you are going to want to know & you are going to know, because God promised it in His Word!

32. "FOR AS THE DAYS OF NOAH WERE, SO SHALL ALSO THE COMING OF THE SON OF MAN BE! For as in the days that were before the Flood they were eating & drinking, marrying & giving in marriage"—going on, business as usual—"until the day that Noah entered into the ark, & they knew not until the flood came & swept them all away!—So shall also the coming of the Son of Man be"! (Matthew 24:37-39) Who knew not?—The wicked! Who knew?—Noah! He knew what was going to happen, he was expecting it! He wasn't one of those who knew not!—He knew!

33. AND GOD WANTS YOU TO KNOW!— (More Sure Word of Prophecy!, A [#1611])

9. David was intrigued with this great power when he was with you on Earth. Yet at that time, little did he know that it would be necessary for Me to hand you this gift while you were still in the world, in order to see you through the Last Days; in order to help you know the thoughts and intents of men's hearts; in order to help you perform miracles, wonders, and great feats in the Time of the End; in order to help you rise above the earthly and transcend it, to ascend to the Heavenly; in order to defeat the Antichrist forces, all powers of evil, and Satan himself.

Prophecy: Even now there are those among My Warrior Band who doubt the use of prophecy; but My loves, My dearest brides, without the Spirit of Prophecy...Me, how can you see in this dark place, this cave? This cave is as dark as pitch to those who think with their carnal mind, who refuse to move ahead with Me using the light of My Word, the Keys, the gift of prophecy, loving Me intimately, their blue angels and the other spirit helpers I've given to you, that great cloud of witnesses. There are those among you who are still languishing in that river back there. I've offered My hand to them; I desire greatly that they come with us to the next river, but I cannot rescue them against their will. I will not rescue them their way; I can only rescue them My way. I am bound to My Word. The Words of David have shone the light on the path since the very beginning; the Words of David are My Words. I Myself follow them. I am bound by My Word; I place My Word even above My name. I am the spirit of the Word; prophecy is Me and I am the Word. Come My virgins, come deeper, *for the prince of this world is in the world, and hath nothing in us.* The total destruction of the Antichrist and his forces and all the power of evil and Satan himself will come forth from this wilderness cave, only through the power of prayer. I look at your works, your tree, and I know your heart. I know what manner of man or woman you are by your fruits, by your obedience to the Words of David, both old and new. Are you following the Words that have come forth from the mouth of David and Maria and now the New New Wine? If you have, then I will know you and others will know you. It is the spirit of your prophecies, not your eloquence, for I know you are but beggar brides. I see your desire through your actions. Those that follow Me withersoever I go are those that I will crown with great glory then --but not now; now is the time of darkness, and this cave is very very dark. The only way you are going to see in here is with the Light of My Word in prophecy. Come let us go.

10. This enhancement of Heavenly thought power that I make available to you now will help you call down the power of Heaven to do My will! It will help you perform miracles in My Name! As you call on the power of the keys to help you hone this gift, it will unlock amazing doors before you! In the Last Days, you will think of one who needs healing and they will be healed. You will look into the eyes of others and you will know their thoughts; you will be able to read their minds.

Even from a distance, you will read their prophecies and you will know them. You will know the spirit they hold. The prophecies you receive, some are mystical, some are practical, some are this and some are that. It matters not. Some are about the Millennium; it matters not. What matters? The Spirit. The spirit of that person filters the prophecy that is coming in, and you see what? You see the spirit of the person in that prophecy; the spirit of the person taints the prophecy somehow --not necessarily in a bad way, but it does taint the prophecy. The spirit of the prophet is subject unto the prophet. The more yielded you are, the more obedient you are, the clearer and cleaner the conduit and better and clearer the prophecy. And as I said, it isn't necessarily a bad tainting, but we see the spirit of the prophet there.

MB: And that is why we don't always share all the prophecies that come in. It's not necessarily because they are wrong but because the spirit of them isn't going in the same direction as we are going. MB is going into the future using the gift of prophecy and the Seven Thunders; that's what we look for in prophecy. Is your prophecy about the Words of David and where they are leading the Warrior Band? If it is, we will be in unity. No matter how far away you are from us, we will be in unity with each other through our spirit helpers. We will be on the same page, saying the same things. Our spirit helpers are in unity, and they are connected; time and space is nothing, naught, to them. I will know the spirit of my spirit helpers, and I will know your spirit, all through the prophecies you receive. We will be all united under His great Holy Spirit.

You will point your finger to command the weather, and in the flash of a thought it will be done. In the flash of a thought you will confound your enemies! In a thought you will move mountains! Such is the power of My thoughts and mind within you--it can bring life to the dead; it can heal and transform minds, bodies, hearts, and lives; it can defy all impossibilities; it can rise above all obstacles.

Prophecy: None of those miracles are possible without Me, your Mountain Man. I Am the Mountain you must move, for it is through My hand that those miracles will happen, in your sight and out of sight. If you move Me with your love words and enticements and faith in My Word, then the miracles will happen. You spend your time with Me, doing all that I've instructed you to do and the rest is up to Me; leave those miracles in My hand. This is the one and only way. Stay here in our bed of love. Trust, obey and the Mountain will move.

11. By putting on My mind, you will reflect and express My thoughts; My thoughts will become your thoughts, and My thoughts carry power--power to heal, power to discern, power to know the thoughts and intents of every heart, power to call down the might of Heaven to fight for you, power to overcome all evil. What is in a thought? Many things, My loves, and My thoughts translate energy and power through you. My thoughts are everything good, pure, and true. My thoughts are spirit and they are life. My

thoughts rule.

Prophecy: If you are not obedient to My Words, then you cannot hope to be a clear, clean conduit of My power. I may wish with all My heart to use you as My sword of power, but due to your own volition, your own refusal to live the Words of David, My hands are bound. My will cannot be performed through you. Your mind, your opinions your thoughts and ideas and suggestions are not what is needed here. Put away the thoughts of man and your carnal mind, and take on My mind, My spirit, and let My thoughts and opinions and ideas and suggestions flow through you. Let My seeds flow in and through you as we fuck in the spirit, My brides and lovers.

Prophecy from October '23...Jesus speaking: If you are lost and can't find your way out of the brambles ([that river back there](#)) then sit down and listen to My voice. If you will follow what I am saying, then I will lead you out. I am going to show you where you left the path of My will. The answer has already been written; it is in this letter from David My anointed prophet, the one who first led you out of the brambles many years ago. It only took a little over 50 years for David's children to become the Old Church spoken of in this letter. If you are sitting in the brambles (that river back there) of this world, then this letter is for you. If you can receive that, then sit very still and listen to the Words of God, and you will find the salvation you are looking for, even though the hour is very late. I am not going to explain to you what the brambles look like. You already know.

I am about to close the book and blow out the candle on this era, and we are all going back to those days when man didn't need to take everything by faith, to those days when I walked with him in the garden and we communed together in the evening at twilight, in that magical hour between two worlds. That is where I am going to take the world once the [light of the candle goes out](#). I'm going to start again by personally leading a worldwide Word program where everyone is going to be required to obey the voice of our Father. Are you with Me? I'm giving you a choice. You can sit in the brambles still, or you can take My hand and I will lead you out of those brambles and you can help Me lead the world in the big job that is ahead. It is still going to take a lot of faith, because those that don't want to listen to the voice of the Father will again slip off the road and into the brambles.

So yes, the world is about to start all over again. And that is what I'm asking of you now; sit down with Me and let's reason together. I'm not going to pull you out of those brambles; I want you to find your way by listening to My voice. Some things I say may be difficult to hear, but if you can look at My hard sayings as words from a friend, everything will turn out perfect in the end.

Apart from Me there are two main characters in this prophecy, the Old Church, the New Church. The Old Church is anyone who isn't following the voice of God in all their ways, as in "Trust in the Lord with all thine heart, and lean not to thine own understanding, in all thy ways acknowledge Me and I will direct your path." Or if you are a child of David and are not following the Words of David in the spirit of Proverbs 3:5 & 6, then you are the Old Church. Now no one is required to answer; I am not leveling accusation, for I already know your heart. This is betwix Me and thee.

12. You have already experienced a small measure of My thought power, as have others--men and women of faith, who have known Me and obeyed My Word and put on a measure of the mind of Christ. But I now open to you, My intimate brides, the gift of increased Heavenly thought power, [that which the world has not known before this time](#). To you I open the door to become one with Me to a greater degree than any others have ever experienced. I open the door to you to more fully put on My mind, to more fully put on My thoughts. You walk through this door by allowing Me to have full possession, by rejecting the carnal and allowing My thoughts to flow through you. As you embrace this gift, My thought power in you will be unprecedented. If you will live, think and breathe My thoughts, My wisdom will exude from you, and you will be guided by My Spirit as the world has never seen.

Prophecy: If the Children of David had been listening and receiving the New Wine of Maria, they would have seen that a new day had dawned; old things had passed away and a new way was being announced. Familiarity breeds contempt. That is a statement, a fact. I faced the same problem the Endtime prophet and Maria faced and that you face now. The familiar spirit does not only *not* read between the lines, but it does not even read the lines that are in plain sight. The scribes and Pharisees of My day refused the New Wine I was presenting, just as the scribes and Pharisees of today reject the New New Wine. They rejected the Old New Wine and they rejected the Words of David that flowed forth from the mouth of the Endtime prophet. They could not see that times were changing, just as those who reject the New Wine of David today, being blind guides, do not see the light of a new day rising.

"O ye hypocrites, ye can discern the face of the sky; but can ye not discern the signs of the times? A wicked and adulterous generation seeketh after a sign; and there shall no sign be given unto it, but the sign of the prophet Jonas.

Woe unto you scribes and Pharisees, hypocrites, ye strain at a gnat and swallow a camel. The gnat is My Words. When My Word takes a turn that the scribes and Pharisees can't swallow; instead of stretching, they turn back to the old law, the old way and swallow that which has passed away. And in so doing they reject My New Law of Love.

(Quote from Full Possession Para. 16) You are to be the fulfillment of My new covenant of love, being one wife, married to Me and to each other, shining samples of [My only Law of Love](#), those who will lead the way of the future, who will reign with Me, ruling the nations according to My Law. How is it possible to live My Law of Love to the full? Only through becoming one with My Spirit, through allowing My Spirit to prevail in you, [to live, move, speak and think in you, to fully possess you](#).

They close the portal to the future and turn again and try to close it to others that desire to pass through. *"Woe unto you, scribes and Pharisees, hypocrites! For ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in.*

Infostore quote for the day: "God runs the World on small things & He judges us by small things!"

Re-quoting from paragraph 12... But I now open to you, My intimate brides, the gift of increased Heavenly thought power, [that which the world has not known before this time](#). To you I open the door to become one with Me to a greater degree than any others have ever experienced. I open the door to you to more fully put on My mind, to more fully put on My thoughts. You walk through this door by allowing Me to have full possession, by rejecting the carnal and allowing My thoughts to flow through you. As you embrace this gift, My thought power in you will be unprecedented. If you will live, think and breathe My thoughts, My wisdom will exude from you, and you will be guided by My Spirit as the world has never seen.

The Old Church, the old lawyers of My Word, cannot enter into My New Covenant of Love. They cannot because they will not; they refuse the new and embrace the old. I have opened the portal-pool door to those brides that desire to become one with Me. This New Covenant of Love, which you signed in your hearts with blood at the time I called My warrior brides back into service, will give you wisdom that none of My true men and women of God in the past had. The scholars, scribes and Pharisees of the past and present may see you as ignorant and unlearned men, and they are right; you are. But that is the precise reason I chose you peculiar people, because you know this fact. You know that the wisdom does not come from your years of book learning, but from Me. For you have obeyed My New Covenant of Love and have come into the cave to live, think and breathe My thoughts. You have embraced the Seven Secret Kisses, and I am blessing you with wisdom that is not your own. Your channels are opening and My liquid gold seeds are spurting into you, hot and fresh and vibrant. My Words are bringing on the New day, the New age, the New dawn of man. My seeds, keep them warm in your incubators My brides, for they are also for the planting; it is coming. The New Millennium will be free of weeds and pests and the evil magician; it is then that My seeds will sprout and grow gloriously under our care. For you are My virgin brides, My heirs elect. I have not chosen the angels to rule by My side. They are called and chosen as My guardians, but you My loves, who pass through the tribulations of earth life are those that will rule and reign with Me a thousand years. It is you whom I will share My Throne with.

But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you. Therefore, brethren, we are debtors, not to the flesh, to live after the flesh. For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live. For as many as are led by the Spirit of God, they are the sons of God. For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father. The Spirit itself beareth witness with our spirit, that we are the children of God: and if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together. (Romans 8:12-17)

I choose My joint-heirs carefully. It is done as I have already shown you in previous prophecies. If you had listened, you would know that the test is performed by you. Once I place My hand on your head, you then must choose Me by swallowing the New Wine cup that I hold to your lips. It is the Wine that will invigorate you and turn you into a new creature that disdains the old that languishes in the past, the bygone days.

Old musty wine is fine,
When you are aged and inclined,
To be of the old school,
And not one of My new tools,
Bright shiny and clean,
Ready for harvest,
Razor-sharp and keen,
Then let's get to it,
No rocking chair, will she sit,
To be left by the wayside,
Unused and decrepit,
Drinking in the New,
It is always a few,
Who know where it cometh
And whither it taketh
So stretch My beloved
Don't sit there yawning,
Your mouth flaps like an awning,
In My wild wind a blowing
Now swallow hard,
Cause I'm big and hard
For My seeds need to be planting
Oiled and trim for the inserting
My seed drill's supplanting
Those weeds and tares
Enough of this banter,
Just empty the decanter,
And let's be off to the future
With Rasputin and MO
And your old Don Quixoto.

Heavenly thought power is keeping your thoughts stayed on Me. In the letter "Full Possession" I said: *The carnal mind is enmity against Me--this is the crux of the matter. The carnal mind is the opponent of My Spirit, for it is not subject to My Law of Love, nor is it subject to the miracle-working power of My Spirit. Therefore, if you are going to be miracle workers, if you are going to call on the power of the keys and access them to the full, you must put off the carnal mind.* Okay, can you tell Me what line or word stood out to you when hearing that paragraph from "Full Possession?" When you left the halls of Heaven to take on the earth commission, your mind was not like the one you have now. It was fresh and clean and Heavenly. You beheld My face. Very quickly however, you began

taking on the carnal mind, the ways of Satan, the spirit of his mind. If you've ever used a photo enhancement program that uses what is called "layers," it will be easy for you to understand this principle. You start with an original photograph and one by one you create layers. Let's say the first layer is some words; you want to change some words on a signboard, so on the first layer you add the new words and overlay them on the original. Then you want to add some smoke to give a hazy effect to the skyline, so you create another layer with smoke on it...and so on and so forth, you continue to add layers until you end up with the new-look photograph. The layers are not an embedded part of the original photograph until you make it so with the embed button. Up until that point the layers can be deleted if you are not happy with them. If someone peeks over your shoulder to see what you are doing, they will see a hazy city skyline with some signboards in the foreground. They won't know there are any number of overlays on that photo that have altered the original picture. The picture looks original, but it is not.

If you see where this analogy is going, you might be thinking something like, "I wish it was as easy as tapping a delete button to erase some of the layers on my mind." Well it is, with the Keys, but the difficult part is the decision to do so. Some layers are easy to erase; some are not so easy. Some of the layers Satan tries to overlay on your mind you immediately reject. They just don't look good, and with one tap they are gone. That's why Satan takes great care when creating layers. In this day and age he's made some pretty convincing ones. They look good, taste good, feel good and smell good --to the carnal mind that is, but to Me they are disgusting, revolting images of rebellion. They are like graffiti overlaid on a beautiful mural, graffiti that depicts unnatural, obscene idioms; and word pictures that depict a twisted reality. Once those layers have been embedded, the subjects that are a part of that photograph begin to move in that reality. They become part of the reality; it becomes their reality. It has taken the deformed, carnal-minded Satan thousands of years to create the world the worldlings see today. You who have taken on My mind, My Heavenly thoughts, see his masterpiece as nothing but surrealist garbage. What you are seeing is the mind of Satan in all its ugliness; twisted, contorted layers embedded into the mind of man. If you are not seeing the surreal world of man for what it is, then there are more layers that need to be removed. Call on the Keys to remove the white magic overlay, the finishing touch, the satanic stardust that makes the very ugly appealing.

Nothing is impossible for the Keys. The Keys are real spiritual entities. Just like in the material realm where a Key is used to open something you want to get into; so it is in this reality. Call on them, and instead of getting into the world around you, the Keys will show you a way of escape. One by one, two by two, My true brides are escaping through the veil of the spirit into the world of true reality, where everything is truly beautiful. The only way you are going to be able to live, think and breathe My thoughts is by calling out for the Key. You must create the desire, by taking action, by allowing Me to delete that "It can't be done" signpost that Satan has embedded in your mind. I can blow away the smoke and haze from your skyline, and the clear blue sky and light of My Word will flood in. You will see the other Keys clearly; the portals and the Keys will become clear as crystal to your spiritual sight. If you are not seeing the picture, then there are smoke and haze layers still overlaying the original. I created this earth pristine and Heavenly; I made Adam and Eve likewise, but that dirty filthy worm came with his team of photo-defacers, and well...you are beginning to see their weirdness. If I were to fully open your spiritual eyes, you would see what the Endtime prophet saw on Hamaginitim Street in Israel that day: a surrealistic world of twisted, contorted minds, bodies and souls wandering lost in a make-believe matrix. My loves, I am not exaggerating; I am under exaggerating. The world you see is a Photoshop de-enhancement of My original painting; and there are no words to describe the horrors I and your spirit helpers see.

Infostore quote for the day: *Call on the keys to give you a renewed hunger and love for My Word, a greater desperation to be fed and strengthened, and so shall it be done!*

39. Throughout My Word I have chided My children to put on the mind of God, to be renewed in your mind, to mind not the things of the Earth, to set your minds on Heaven, to gird up the loins of your mind. That means putting up barricades to shield yourselves from the carnal. It means rejecting the wisdom of the world and not allowing this wisdom to enter and take root.

Prophecy: You have to not allow those satanically inspired layers to be overlaid in your mind by rejecting the wisdom of the world, his wisdom, the spirit of his mind. There is only one way to do that: you have to fill your vessel, your mind to the state of full possession and keep it that way by repeatedly coming into My arms and allowing Me entrance. The Words of David and Maria are full of these types of expression. Now My doves, if you want to fly, you must make full-possession and Heavenly thought power the new reality. There is no other way but through this door that lies open before you. You have inserted the Key and the all of eternity stands before you. Don't turn now; don't give up in frustration now. My tests are to purge and purify, to make white. I will only be happy with the genuine article. Erect the barricades and shield yourselves from the de-enhancers by filling up and keeping full the vessel of your mind with My Word. The Seven Thunders are only the beginning; My Heavenly thought power will take your eensy-weensy, itty-bitty, finite mind into the infinite expanses of eternity. You don't have to wait for the carnal material man to be cut down as grass. You can have it now. I want and desire you to have it now because I need you to fulfill your destiny as the greatest prophets this world has ever and will ever see. I want with all My heart to have you wield the very power of God through the Keys of the Kingdom, Me and My Word.

13. If you do your part and reject the things of the world, if you will put off carnal thinking and the knowledge of man, and put on My mind, become one with My mind, allowing My thoughts to dominate you, rule in you, prevail in you, and move in you, you will work greater miracles.

14. This is why I long to fully possess you, My loves, so that My thoughts can flow through you to such a degree that you are always directed, guided, energized and empowered by My mind and thoughts, by My perfect will, so you can avail yourselves of My Heavenly thought power and perform the greater works spoken of. You need not understand every detail of this gift or every facet of this truth I tell you at this time. Only believe, receive, and begin today to hone this gift. Learn to use it, and you will see results.

Prophecy: My Heavenly thoughts only come through the gift of prophecy. Whether it is written or spoken in short sentences or thoughts, pictures or dreams, it is Me overlaying My thoughts and My will into your mind. I can express My will to you in many ways. Your father David once wrote a letter called “Seven Ways to Know God’s Will”. But the way I am pushing forward today in this era of action is My sure Word of prophecy, a gift that I asked My warriors of the End to hone to a razor’s edge. If you are not busy at the rock sharpening this gift and the other Seven Thunders, then you are not following My will for the Warrior Band. You can lie in My arms, you can praise Me, you can use one, two or all the other thunders, but if you are not listening to My thoughts, then you will not be able to know My will for you. My desire is to spend intimate time with you, My lovers, so that I can implant My golden seeds into your mind; for My seeds cleanse your mind of all the carnal-minded crap of Satan and give you clarity and clear direction.

15. Today the evil imaginations of men's hearts are destroying the Earth at breakneck speed. This is why I desire to enhance this power within you now. This is why you, My chosen of the End, must put off that which is of the flesh or of the world and put on the spiritual, the very mind of God. If you’ll begin using this power now, it will help you activate the world, to set free those held in servitude to the Evil One. As you develop this gift and hone it into a skill, it will help you overcome all that hurts and destroys—it is given to you to overcome all evil in the Last Days. If you are to fulfill your destiny you must be more fully activated with My thoughts; you must be generators of the power of God.

16. The thought power I will activate within you will far surpass any such demonstration of power in Earth's history! For this thought power is putting on My Own mind in greater degree. It is being ruled by My thoughts, letting My thoughts flow through you, rather than that which is carnal. It is becoming a generator of the power of God. Those who believe and receive will become one with My mind. This thought power will not reach its complete potential while you are yet in the flesh, for Earth cannot contain such power; that is reserved for Heaven, when you join Me. Yet I will activate this gift to a sufficient degree that it will cause a mighty widening of the eyes! It will bloom and blossom and far exceed the thought power of any others in all the Earth.

Prophecy: Do you dare to believe it? If in doubt, call on the mighty, mind-blowing power of the Keys! If you are being barraged by the “can’t be done” darts of Satan, then call on the Keys to raise a barricade against those darts. If Satan has you baffled, then come into My mind by imbibing all the Seven Thunders given to those willing brides that only desire My will in their lives. Put away the doubtful carnal mind of the spirit of Satan by filling it with the life-sustaining, liquid gold flow of My never-ending seeds.

17. The world will stand in awe, for never before has man beheld the awesome results of this power! When those of the Earth witness this power, some will fall to their knees and praise Me, and they will have a healthy fear of Me. Others will tremble in fear of man; they will not repent, but rather try to fight the power of God.

18. You must not question or doubt this awesome gift. Do not ponder in your mind and think it is not yet the appointed time, for I said I give you all power in Heaven and over Hell.

Prophecy: Do you believe this is possible, or do you give reasonable excuses as to why it can’t be done? Do you believe you hold the history of man in your tiny folded hands? I’m not limited by few or many. I’m not limited by the carnal mind --if and only if, it is given to Me to strip down to bare essentials and rebuilt. It takes humility and faith. Grab that key off the breast of your blue angel; insert it and the path will open before you. You are only limited by your mind, not My mind. Don’t make excuses and turn off the path I’ve set for My Endtime brides. I’m not expecting you to do these miracles I speak of; the miracles are My job. Your job is to exercise your faith by calling on the Keys. Now isn’t that simple enough? That is well within your capabilities. Yes, you have to fight and resist the attacks of the enemy on your mind, but that is what the Keys are for. They will win the victory for you if you only call on them.

19. The mind of man is a marvel of My creation, and I have built tremendous capacity therein. Men of true science acknowledge this, yet it is way beyond the finite mind of man to understand the full extent of the matter. My loves, I have created your mind to become one with My mind, I have created your minds to be vehicles for My thoughts, that through you, I might show My might and power to the world. Though I allow some to have limited glimpses of the tremendous capacity of the mind, for the most part I have veiled this understanding from man, for his heart is evil. I have kept the full understanding, knowledge and power from those of the world, for I have not found them worthy of such things. Nor would they use it for My glory as you will, My dear ones.

20. Yet I now activate this gift of Heavenly thought power within you who will meet the requirements. Those who do the things I ask are worthy, and I am able to trust you with such a gift. For in yielding your all to Me, in meeting these requirements, you become My pure vessels--generators of My power. It is not you, but Me within you. It is not your power, but Mine. It is not you, but My power activated within you. It is not you, but Me working through you to conquer evil in these Last Days.

Prophecy: And now we come back around to it, the full circle. The gift of Heavenly thought power is given to those who will meet the requirements --the requirements laid out in succession since the first MO letter was written. Year after year, revolution after revolution I layered My will through My Word onto not into your mind. The requirement, your part, was to give Me permission to embed them through the power of choice. Once you chose to believe, I was able to embed them. Do you see how a little mustard seed of faith can move the Mountain? The steps to full possession are all laid out by your forefather, MO. If out of your own volition, you chose to reject even one of the stepping stones, then your path altered one degree. I know the carnal mind rejects this notion, just as Satan rejected the notion that only through allegiance to Me and My Father would perfect harmony and fulfillment be found, so does your mind reject these Words. There you see a layer of the evil one, open mindedness cannot accept total abandonment of your will to the will of God. The open-minded layer gives the impression of individuality or distinctiveness of character. But the reality of that layer is that it is a “shit chute” for the next layer and the next layer, until there are no rules, no boundaries and My original will has disappeared. That is why Satan’s pictures are so confusing if not overlaid with the blinding glare of white magic.

The spirit of so-called “open-mindedness” and “anything goes” that is so prevalent in the world today is a ploy of the Enemy; it's the spirit of compromise, the spirit of Pan. My Word is clear and remains true and the same: You cannot serve God and mammon. You cannot do both. You cannot please both Me and the world, for we are at great odds with each other.

(Jesus speaking:) Open-mindedness is common to youth, especially some Family youth, and this is due to a direct assault of Pan. He tries to belittle the strong beliefs that come with discipleship and instead tries to get you to be worldly, open-minded, and tolerant of evil.

He likes to make you think that you're being fair, just, willing to learn and not so brittle and stuck in a mindset, but really he cheats you because he doesn't open your mind to everything, only that which he wants to allow. If he had his way he'd open your mind to the world and shut out the godly things of the spirit!

Look at that word, "open-mindedness." It means your mind is open. And who controls the principality of the Devil's attacks on the mind? Pan does. So nothing would please him better than an open mind--an open mind just ready and waiting to be filled by him. Ugh!

Resist him, steadfast in the faith! Close your mind to the Devil's garbage and sink your mind into the waters of My Spirit! Don't listen to Pan's lies and confusions that tell you that you need to be open to various System opinions, thoughts, mindsets, and lifestyles. Don't let him tell you that it's uncool and conservative to be so "religious" and "closed-minded." Thank God that you can be closed-minded to the wrong things! Close your mind to Pan and his devilry, and open your mind to Me and My Heavenly wisdom, truths, and insights!

As with all of the Devil's kingdom, Pan is, at best, a pretender. He knows this, and is inferior. At the heart of each demon is the knowledge that they are inferior to Me, to the real thing. Why else do you think he wishes to overcompensate by coming in such a fair form, bejeweled and gold-encrusted? He hopes to dazzle you so that you will not look closely to see that his wisdom is paltry sticks and mud compared to My treasure storehouses of truth. He is nothing, and I have much, much more to give you! A mind that is yielded to Me can be so much more powerful and enlightened than one that is yielded to Pan. So do not allow him entrance. Accept Me fully! (Recognizing and Resisting Pan! [#3401])

Vision: I'm seeing this demon--clearly he's a demon, the arch-demon Pan--but he's not ugly. He's not horrific at all to look at. In fact, believe it or not, he's golden all over, almost beautiful to look at. I'd describe him best as looking almost godlike in form--like the Roman and Greek gods are often pictured. He has a human form, big golden wings, and a long golden tail. He has long fingernails and toenails. I'd say they're almost like claws, but he still has human hands and feet. His face is also golden, but he's clearly demonic. His eyes are fierce; there is no light in him or in his countenance.

He's bald. He has pointed ears, and he has these big horns on the side of his head, like ram's horns, curling back toward the back of his head. They're also golden. There is this big ornate and beautiful deep red jewel or gem right in the middle of his head--on top of his head--in between the horns. His head is definitely the most noticeable thing about him--because of the horns, and this jewel.

Jesus, this is very surprising, I was bracing myself for seeing something much more ugly and demonic to look at, especially since, from what You've indicated, Pan is an arch-demon, a powerful demon of the underworld--one of Satan's main demons controlling the dominion of the mind and who is really fighting us, the children of David, ferociously.

21. In order to avail yourselves of Heavenly thought power, you must put on My mind. You must link your mind with My mind, for this linkup with Me is the process by which the thought power is released. Your thoughts must be My thoughts, and when they are, great power is released to you. This is the thought power I wish to give you now, for when your mind becomes one with My mind, My power will flow through you as never before.

22. The mind of man is My creation--that which I formed from the dust of the earth and gave life and spirit, that which is meant to be linked with Me. Satan tries to usurp this order; he has tried to steal away and control My creation. Through linking the mind of man to himself, Satan weakens and darkens man's understanding, rendering him handicapped and given over to a corrupt mind. Yet the choice is given to every man. Each one holds the power to choose his state of mind through free will. Within those who choose Me, My Spirit will override any and all of Satan's hold, for nothing can withstand My power. I am the Author and Creator of peace and of a sound mind, and those who put on the totality of My mind are able to activate the fuller use of My thought power, for My thoughts will rule in them.

Prophecy: As was pointed out in prophecy, in the "Mind of God and the Whore" man is very sick. He has cancer of the spirit; and I confirmed in paragraph 22 (above) of this letter that it was Satan who sowed the tares in the mind of Eve, and instead of immediately unlinking the connection, she allowed it to sprout roots, which quickly invaded her heart. Now in this Endtime, the reprobate mind of Satan is running throughout the earth like a wild vine over a field of corn, choking and strangling the plants. The vine especially targets the young, for they are the most vulnerable. I have not only positioned you to be My conduits of the Keys and prayer; those who have been given the power to wield the Seven Thunders of My Word against the forces of Satan in the mind of man, but I have also positioned you as My test case, My example to Creation that indeed man, with the full force and support of the Keys, is capable of overcoming the spirit of the mind of Satan. How? By consciously unlinking the connection that the foul one set up so long ago and continues, from birth till death, to reinforce upon man through worldly education and the ways and rudiments of the world. Reconnecting through personal choice back into the mind of God can only be achieved through you who are intimately connected to My mind. I will strongly reiterate here that it is the Words of David that hold the Key to this connection; the Words of David are the path back to putting on the totality of My mind. Those who follow church doctrine do not hold the power, for although they have answers, they only know in part. It was a great falling when the Children of David turned back at the Reboot to find truth on some other path, but especially the path of Churchianity. As the Words of David teach, church waters are brackish and often polluted by the ways and thoughts of men of the world. The Church, if they had three feet, would have two in the world and one in the Bible. I do allow them to discover some truth in My Word, but because they have not forsaken the world as My true brides have, their thinking is corrupted by the spirit of the mind of Satan. They don't know what to do with the truth I do give them, for My truth requires commitment; it requires doing, and they lack faith for that leap because of their traditions. It's the Word, My loves; it's the Word.

Satan has tainted their Word; it is poisoned by his worldly spirit of corruption. They can't make the leap because they are chained to Satan's stake planted in the earth, the world, the mud. Their church traditions and ways of the world are the chain around their legs. The Words of David have made you free that is why you can contemplate flying; the Words of David gave you those wings. I was an example of breaking that chain when I was on earth, and David took up My mantle, so for God's Sake Follow him because for your sakes he followed Me. The path that your Endtime prophet set you on through the Words of David is the straight and narrow path. It still runs true today, just as My Word in the Bible runs true. But the key is deliberately unlinking the connection from the ways of man and the world, which in reality are the ways of Satan. And once again I say, David My Endtime prophet opened the way back to Me. The worldly wise and shortsighted of this world can say what they want. They can create layer upon layer of white magic overlay to pave their way to a brave new world that does not resemble My first design. They can and have deceived the very elect. The Bible colleges and campuses of their world may have My Bible as their foundation, but as the Endtime prophet said, they have covered it with the rubble and rubbish of Satan. Get out of her, get out of her, get out of the harlot, for her judgment has come and none of them will stand, for I will shake terribly the earth and their Towers of Babble will fall and great will be the sound of it. Stay true to the Words of David, for these are My Words, and they are true paving stones. They are the Final Key, and you are the Key holders. I am your Key and if you can stay very still in those caves, together we are going to bring down the barrier that separates the two worlds.

23. You, My children, who choose to put on My mind, have the right to claim this gift in your hands. Just as you say yes to My will and My ways, just as you choose to live for Me and serve Me, so if you choose to meet these requirements--to reject the carnal and put on My mind, to allow Me to fully possess you, to do the things I ask of you--My thought power within you will be greatly enhanced and My miracle-working power will be at your command.

Prophecy: Remember what David said about the world in the ML "The Whore and the Beast"? Dad: *They all worship the gods of this World, things, wealth, possessions, money, & commercialism is a part of it, that's the way they trade & make some of their money. But a broader & better term, if you're going to include both Capitalism & Communism, would be Materialism.*

MB: In this group of worshipers I include the system church; whether a little or a lot they are part of the materialistic world and therefore are not considered My Children of David. The Children of David are a select group of disciples that chose to put on My mind. They chose to say yes to My will through the Words of David, My Words for this last generation. They chose to live and serve Me and chose to meet the requirements to reject the carnal mind and allow Me to fully possess. In this last time post-Reboot I upped the ante and the requirements were made more stringent. If you continue to follow Me, as some of you endeavor to do, then My gift of Heavenly thought power is here waiting for you. It is a gift, yes, but it has strings attached. If you break those strings through disobedience or taking a different path than the one laid out in the Words of David then, snap, snap, snap the strings will no longer tie you to My gift of Heavenly thought power.

24. How marvelous are My ways, but they are not past finding out. I have created you with tremendous, supernatural, even mental and physical capacity--and it is now available to those who put off carnal thinking and that which is earthly, who link their minds with Me, who think My thoughts, and who let My Word live and rule in them, who live to do My will.

Prophecy: How marvelous indeed... It's there for those who continue climbing up the mountain with Me; who each day put off the carnal mind of man, which says, "It can't be done. My body is tired; my body is old." These refused to say as the people said; "Moses has departed and we wot not what is become of him; let us build a new covenant and turn back to the gods of the Egyptians." Moses is not gone; he is on the Mountain of God with Me...He continues to intercede for you his children, as do all those loyal counselors that surround you—a link between the City of God and the small frontier city of Sinai. You who continue to yearn for Me to live in and rule your daily lives are those who live to do My will in accordance to My Law inscribed between David and Me when he climbed the mountain as My prophet. These are the Words of David which he brought to you from the Oracle of God. You who live to do My will will be as your Moses. You will not come down from the mountain; you will pass from the summit into My arms. At My return you will not be found in fellowshiping with the Egyptians, eating garlic, drinking worldly wine and brackish church juice and marrying the sons and daughters of the tribes around you, but I will find you on the mountain. It is from the mountain that I will gather you out from those earthly frames to live with Me as you have lived these days on the mountain before your departure.

Infostore quote for the day: *There were many times when God's great men and women in the Bible or throughout the ages felt like giving up. But what made them great was that they persevered and kept on going, even when everything seemed to be going wrong in the natural, or even though they felt discouraged, tired and worn. (ML 3166:2)*

25. The mind of man is My Own marvelous creation, yet it is no match for the mind of God; it is meant to be linked with the mind of God. And this is why I ask you, My brides, as I have pled with My children throughout all time, to put on My mind, to shun the carnal mind and put on that which is Heavenly, that which is spiritual. Through this new gift that I am giving you, when your mind melds with Mine, I will enhance your spiritual and mental capacities. When you meet these requirements, your thoughts will be greatly empowered by Me, for your thoughts will be My thoughts. You will then be able to generate My greater power and perform tremendous wonders--great exploits!

26. There are those in the world even now who harness the power of the mind to varying degrees through their use of the power of mind over matter--mystics, diviners, some who I empower and some who are given over to Satan. Yet their powers are mere child's play compared to what I will give you, My miracle workers of the End! It is given to you, the children of David, to know the full mind of God and to be generators of My power in these Last Days. It is given to you to activate this power within that you might perform the greatest miracles of all time--to heal, to mend, to change minds and hearts, to call down the power of Heaven both to save and to destroy. To you it is given to possess a fuller and greater degree of thought power than any others who have walked on Earth--if you will do these things I ask of you.

Prophecy: I have been faithful to fulfill My Covenant with you. If you were to go back and carefully read the Words of David, you would see that I have been faithful. Article 26, which you just read, is being fulfilled right now in you. You are My generators on earth; I am giving you My full mind. These are the Last Days; I am activating My power within you, and you are performing the

greatest miracles of all time. You do hold the history of the world in your folded hands. Your prayers are healing, not only the physical man but also the spiritual man. The Keys that you wield are changing hearts and minds. You are destroying the works of Satan and the seventy. All this power spoken of in “article 26” is coming down from Heaven. You do possess a fuller and greater degree of thought power than any others who have walked on Earth. And as you continue to live My will, the power will continue to pour into you, My brides of the End. The pouring of these gifts is contingent on your obedience to put off the carnal mind of man. You must keep your vessels clean and pure and open for the flow to pour into you. The Seven Thunders cannot be contained by the vessel. The Seven Thunders pass through and out, to heal or destroy. You are like a laser; the power that comes into you is concentrated and then emitted as powerful blasts of supernatural energy, that where directed, will either assist the forces of good or destroy the forces of evil.

Article 27. The use of this gift I have put within you is conditional; it will depend on each of you, My loves. It will depend on you meeting the requirements, on putting off the carnal and putting on My mind. If you will gird up the loins of your minds and prepare, if you will clear your minds of that which is carnal, if you will allow Me to fully possess you, if you will let My mind move freely in you, if you will prepare by calling on the power of the keys and doing all you can to reject that which is carnal by putting on My mind, then My thought power within you will be greatly intensified and you will do exploits. You will do greater things than I or all the prophets did while on Earth.

28. I have given you these requirements, and as you do these things, as you put on My mind, through this union of My Spirit with your spirit, I will activate your greater capacity of thought power. Begin doing these things today; put off the carnal and put on My mind. Greater power is available to you now; you can begin to use it straightway. Get acquainted with it.

29. This is the gift I put in your hands today; it is to be activated at the touch of your faith and through your obedience to the requirements I set before you. The only thing that will limit your use of this gift is your own inability to receive. I place it in your hands, to be activated by each individual's faith.

Prophecy: So the 360 degrees has been accomplished. We are back to activating each individual's faith. Full possession and Heavenly thought power can only come through your obedience to read and live My Word. Faith cometh by hearing and hearing by the Word of God.

30. This is not a gift that is meant to be activated in the distant future; you can begin using it today--now. If you'll step out and obey, if you'll make the effort to put on My mind, if you'll call on the power of the keys to release the gift within you, if you'll exercise the gift, it will be activated, and it will begin to grow. It will grow and grow into a full, mature, and practiced gift as you become the miracle workers of the final days. As you meet the requirements, the gift will be at your command, and through this gift you will receive greater power to live up to the standard of discipleship I am requiring in this Endtime. As the spiritual battles intensify and Satan's System tries to pull harder and harder on you with each passing day, this gift will help you stand strong, to stay dropped out, to stay pure and free from Satan's grip.

Prophecy: The standard for discipleship today, immediately before My return, allows for absolutely no “shadow of turning.”(James 1:17) When I see you coming to Me, I will not see your shadow. There is not one degree of turning. If you look at Me, you will not see a shadow from turning. If you live to do My will and you turn not from our covenant, then every good and perfect gift will come down upon you from our Father of lights. This, My lovers, is a promise between Me, your Heavenly Husband and you, My Heavenly Brides.

31. Remember, where I guide, I provide--and this gift of Heavenly thought power, of knowing My mind and letting My thoughts freely and fully flow through you, is vital in helping you make it through these Last Days. If you will begin honing this gift today, My thought power will aid and guide you; it will help you stick to your convictions and to be action disciples; it will help you stay free of lethargy, uncompromising, and strong in the unity of My Spirit.

32. Through putting Heavenly thought power to use in your life, you will find more power to witness His coming! You will expand My Family across the nations. This thought power will work hand in hand with the other outstanding gifts I have given you, that of hearing from Me in prophecy, of calling on the keys, and of praise and prayer, to further empower you to stay free from the evil Selvegon, Pan, Bacchus, and every minion of Satan who would try to oppose you. This awesome gift of putting on My mind, of allowing My thoughts to rule in you and guide you, will further empower you to live My Law of Love, to be My face to the world, to fully live up to your calling of being My called-out ones, My intimate brides, My chosen of the Last Days, My miracle workers of the End, you who love Me with all your heart, soul and mind, you who are one with My mind, in whom I dwell and through whom I demonstrate My awesome and mighty power to the Earth and worlds beyond.

Prophecy: Article 32 succinctly states that through putting on Heavenly thought power you will be wielding the Seven Thunders of God; loving My Word—Me, prophecy, the Keys, prayer, praise and living the Law of Love, and of course you cannot achieve any of these wonders without a close and intimate connection with your spirit helpers.

33. As you hone this gift, in addition to the other gifts I have given you, there will be no denying where your convictions lie, no denying to whom you belong. The devils will cower and tremble, for they know there is no force that can match the power that will flow through you. They will know that you are My disciples indeed, that you belong to Me and that we are one. *(End of message from Jesus.)*

Prophecy: My Endtime Brides, My Warrior Brides, no one on earth can say, by looking at your life, that you do not belong to Me and that I do not bestow upon you special favor. I show you favor that the carnal minded and earthly cannot conceive of. It is not physical prosperity that the churches seek. You, My lovers, have been give spiritual wealth that cannot be contained in the mind of man, no matter how imaginative it may be. It is you whom I dote upon; it is you whom I give My deepest secrets to. It is the treasure of My Word that you seek and this good thing can never be taken away from you. Heaven and earth will pass away, but the Words that I give My intimate brides cannot ever be taken away.

34. (Mama:) Thank You, wonderful Love, for that awesome gift! We want to learn to use it! We want to fulfill the

requirements necessary in order to receive the full power!

Gain the Gift by Living the Word!

35. We asked our dear Husband to give us further information as to exactly how we go about putting on His mind and rejecting the carnal mind, and what practical steps we can take today to apply this revelation. His answer is motivating and convicting!

36. (Jesus speaking:) My gift to the Family is the gift of increased power through your mind and thoughts. Already your thoughts are powerful; I have said that as a man thinks in his heart, so is he. But when you put on My mind, you partake of My power--the power that made the universe and that controls all. That is not to say that you will control all, but you will have increased power through your thoughts.

Prophecy: There is a secret in article 36 that I did not share at the time of its inscribing, but let Me once more open your mind to those verses in Romans: *For as many as are led by the Spirit of God, they are the sons of God. The Spirit itself beareth witness with our spirit, that we are the children of God: and if children, then heirs; heirs of God, and joint-heirs with Christ; if so be that we suffer with him, that we may be also glorified together.*

As joint-heirs, you not only share My throne and Kingdom, but you share in its power. Now the secret is this: the power comes with the understanding that it is not yours to do with as you will, just as My Father's power isn't Mine to do with as I will...that is, in a way that suits Me...that is, in a selfish way as Satan would use the power of God. The power always has, and always will, belong to the Father of Lights. The principle is quite simple, but it is the obtaining of the pearl that is difficult for most people...but they will learn. Oh yes, they have to learn that the Kingdom of God is not about taking, but giving, and that by giving you get. In fact, you get more than you would ever need or be able to contain. Satan and carnal man have tried to control the power of God. They think the power is found in possessing the earth and its resources. They are as dumbed-down animals, selfishly grabbing what they can from their neighbor; brute beasts that will destroy themselves in the parallel universe. A selfish person that continues on the path of selfishness eventually becomes a pin prick, basically nothing. The concept was clearly brought out in the MO letter "Black Stars". The great sifting that your prayers are playing a monumental part in right now, will, as My Word has declared, sift out those tares that refuse the way of My Law of Love and move them off the earth to a place where they will only do themselves damage. It is time for this earth, My Father's earth and its inhabitants, to move forward and into the future. Being joint-heirs with Me is a gift that goes to those that take on full-possession and Heavenly thought power. It is as simple as that. Heavenly thought power is taking on My mind...Do you get it? Your selfish carnal mind will not exist; your selfish grabby spirit will not either. You will be as Me, so it naturally stands to reason that I would want you by My side because you only and forever will want to live My will, which in effect is My Father's will, which in effect makes you sons and daughters of God.

37. I have been working toward giving you this gift for many years. I have been preparing you. Your humility training, your training in prayer, in asking Me everything, in praising Me and learning to give Me the glory, in loving Me and drawing nigh to Me as My Bride, in hearing from Me in prophecy--all this is part of it.

38. But as you make decisions during this Feast 2025 to let Me possess you more fully, you will be granted this gift of greater power through your thoughts. The power comes from My mind, My thoughts, My love. Those who let Me fully possess them will tap into this source, and the gift will be obvious. I have foretold this in many places and many different ways throughout My Word. "They that do know their God shall be strong and do exploits, and they that understand among the people shall instruct many."

Prophecy: I do not fear giving you the full gift now, My loves. I do not fear that you will use it the wrong way, because now in your earth life and beyond too, there is a safeguard in place: the Keys will never work for selfish users, so everyone is safe. As I said earlier, we do not want a repeat of the Luciferian "White Magic" rebellion. The safeguards and punishment system are there, so let's move forward, shall we?

39. This will be the way that I empower those who have given their all to Me. Through different ones it will be manifested in different ways. They will have tapped into My power source, they will have My mind within them, and therefore they will be much more powerful. They will be connected to Me in spirit, and so there will be an element of the supernatural in their thoughts and thus in the power that their thoughts have.

40. This will be manifested in different ways. In some, it will be concentration, to the point where they can actually move objects through thought power. **Jesus:** The most important object to move is Me, and that can only be done through loving Me intimately, by making Me wholly and solely yours. In others it will be the gift of knowing the future and seeing those things that are hidden or have not yet taken place. In others it will be the gift of hearing and feeling the thoughts of others--thus having what you would now call a very enhanced gift of discernment--but it will be much more than that. In others it will be the gift of focus and concentration and speed in their thought processes, thus making them as geniuses in the world as you know it--but the power and the processing speed are all Mine; they have simply tapped into the source.

41. In others it will be the gift of receiving the capabilities that are needed on the spot, even when they do not possess those capabilities. For example, speaking before crowds, singing, knowledge of first aid or survival or technical things when they are needed in emergency situations, even though they have never been trained in these things before. This knowledge is not of themselves, but it is part of My knowledge, and thus I can give it to them because they have put on My mind.

42. Right now the steps you must take to exercise this gift are small, and may seem simple, routine or mundane. But they are preparation for what is yet to come. Here are steps that you can take to put on My mind and meld with Me, and begin learning how to discern My thoughts in your mind:

Prophecy: The gifts are there, but truly, they are only the effect of living your life to do My will which is tapping into the true gift of the Keys and the Seven Thunders.

- 1) **Spend as much time as possible in My Word.** My Word is Me, and the more of it you have running through your mind and your thoughts, the more you will absorb My Spirit, and you will learn to recognize more clearly when something is or is not according to My Word.
- 2) **When you recognize something that is not according to My Word, shun it immediately.** Don't stop to analyze it on your own or decide whether or not it can fit in. Learn to trust the checks I give you, ask Me about them, and then obey instantly. When I've given you a check and have spoken, act on what I tell you without hesitation or further analyzing. Analyzing kills this gift, because it is a gift of the spirit, not something that can be picked apart and explained. Analyzing and trying to figure things out yourself, without looking to Me, is of the carnal mind. This gift requires putting on the mind of the spirit. The carnal mind and the mind of the spirit cannot coexist.
- 3) **Practice instant obedience in sticking to your convictions regarding what's right and wrong.** Obey Me rather than your own personal desires when they differ from what I show you to do, whether through My checks, the things I tell you to do through prophecy, or through something I convict you about through My Word. Follow the guidelines I have given in My Word when it's necessary to seek further confirmation and the counsel of your teamwork and others. Once you have followed this process, do not hesitate to obey when I reveal My will to you.
- 4) **Hear from Me frequently in prophecy.** Practice "ask Me everything" at every opportunity, under every circumstance. Never wait for a more "ideal" time to hear from Me. Learn to hear from Me, to focus and tune your channel even under difficult conditions when there is noise and distraction. Of course, if it's noise or distraction that you can resolve, then by all means do so, or "enter into your closet" to escape it. But never put off hearing from Me just because the conditions are not ideal. Hearing from Me on the spot, under any conditions, is part of this gift. You must exercise it.
- 5) **Do the humble thing and give Me the glory at every opportunity.** This is a gift that will only be given to those who are humble, because only those who are humble in their own sight can truly meld with My mind and receive the things of the spirit. I can only trust those who will use this gift for My glory, not their own. Everyone is tempted with pride, and the most effective way to combat it is to do the humble thing and be constantly giving Me the glory. Pray a "whatever it takes" prayer, asking Me to keep you humble before Me, and then welcome and embrace the opportunities I give you to be humbled and do the humble thing.
- 6) **Safeguard yourself against the influence of the world--its media, entertainment, values, materialism, and carnal-mindedness.** Many things would enter in and destroy this gift that I give you. You must come out of the world in spirit in order to truly receive this gift and put on My mind. Ask Me what the specifics mean for you personally.
- 7) **Praise Me at every opportunity.** Let My praises be on your lips at all times. You do not yet realize how powerful praise is in the spirit. The Devil and his evil ones cannot fight against praise. They cannot resist it. It is overwhelming for them; it overpowers them. When you praise Me, it opens our link and strengthens it. It enhances our connection and enables Me to speak to you more clearly. It puts things in perspective. It washes away the things of the world and prepares you to meld with Me. It opens a vacuum in the spirit for Me to pour out My blessings upon you. It is a powerful witness and testimony to others of your faith and trust in Me. Once you start praising Me more, you'll realize how much there is to praise Me about.
- 8) **Live the Law of Love in every area of your life.** The gift of thought power makes you servants of others, and only those who will truly use it in love will be granted the power. He that is greatest among you must be your servant. This gift I am giving you will make you great. Others will look to you, almost worship you in some cases, and the power I have given you. So it is very important that you exercise this gift in humility, and remember that I have given you this gift to enhance your witness and bring others to Me--that in essence, it makes you servants of others.

Strengthening this area of your life, so that your initial reaction is one of love and unselfishness, is not something that will happen overnight. You must begin now to truly put others and their needs first, and practice unselfishness and giving at every opportunity. Ask Me to give you a list of the areas in your life where you need to become more loving, more giving. Ask Me to show you which areas you are lacking in living the Law of Love, and then begin to put My counsel into practice immediately, so that your first reaction becomes a loving one. It is possible, My loves, and it is necessary if you are to truly have the power of this gift that I am giving you.

- 9) **Be faithful witnesses.** This goes along with giving Me the glory at every opportunity. This gift is for the purpose of making your job as witnesses easier. That is the goal--to bring more of My lost into the fold, to draw those who have not yet felt My call, to catch the attention of those who are asleep in the spirit, to rescue those who are caught in the brambles, to give faith and peace to those who have been tormented by Satan. This gift is supernatural, but it is to enhance your witness. So being faithful witnesses is a prime requisite.

43. There are also many other things which will enhance and prepare you for this gift, such as taking care of yourselves physically by living according to My health rules and not abusing your bodies, committing My Word to memory so that it is constantly flowing through your mind, making sure you're in the field and situation that I want you to be in, etc. In short, the more you live My Word, the more you will be eligible for this gift. As the keys respond and give their power in the measure that you have let Me fully possess you, so is it with this gift. It is given in direct proportion to your discipleship and how much you have let Me rule your life. The essence of it is taking on My mind. The more you let Me become part of you, the more powerful the gift will be. *(End of message from Jesus.)*

44. (Mama:) Dear Family, this is both an awesome gift and a monumental challenge, but the promise of having such great power to accomplish the Lord's will should be more than enough to motivate each of us to do the things our dear Jesus points out, to fulfill the requirements to the best of our ability. To do this we will need to sacrifice and become more dedicated in spirit. We

will need to forsake whatever stands in the way of allowing the Lord to possess us fully. But it will be well worth it!

45. Please be sure to seek Him about the questions He gave us in point number 8 of the last prophecy. But don't stop there--also ask your personal Shepherd to explain in detail how you can apply this counsel to your life in a practical way. Ask Him how you need to change, what He is expecting of you as an individual.

46. I'll include some additional questions for you to bring before the Lord.

1. Are there any areas in which I am holding back and am not fully yielded to You, Lord? What are they and what are the steps I should take immediately to yield and overcome these blockages, whether they're from the Enemy or my own nature and spirit?
2. How is "the carnal mind" manifested most in my life, and what practical steps can I take to put off the carnal mind and put on Your mind? Specifically, what are the avenues through which I most absorb the thinking and reasoning of the world, and what should I do to limit my intake?
3. Dear Family, please take each of the nine points listed earlier and ask the Lord to speak to you about them, one at a time. Ask Him for practical applications for your life and situation, and how you can begin to apply them now, today. You don't have to do these questions all at once, but I urge you to work through them at the earliest possible convenience, because this is something that is happening right now, in the spirit. You don't want to miss out!

Much love in our miracle-working Husband,
Mama

Rising Above ML3379

MB: The acronym (RB) will be used when referring to ML3379

8. **(RB) Jesus speaking: When I opened My hand and gave you the keys to the Kingdom, I gave you a new gift.** It is true that Christians throughout the ages have used the keys to some extent, but none have had the access, or the detailed information on how to use them, that I have given to you. They are the most recent "new weapon," as it were, given to you, the children of David, in the Last Days. These keys make the impossible become possible. These keys put the power of Heaven at your fingertips. These keys energize you with newfound power, the likes of which has not been available to you before.

9. These keys make it possible for all the promises of My Word to be fulfilled, as you are now better able to fulfill the conditions through the power of the keys. They also make it possible for you to follow all the instruction I have given in My Word, since the beginning. You have fought, you have moved forward, but you have not completely conquered. **MB:** Do you see how that paragraph is telling us what we've been receiving in prophecy? In essence we are here in our cave to fulfill Scripture and the promises in the Words of David

10. You have always known in principle, through My Word and the voice of My Spirit, that all things were possible. . Now, though, I have put the full-fledged, awesome power of Heaven into your hands, so that every one of you who reaches out to claim and use the power of the keys will be given power to put every part of My Word into practice.

11. No longer are any of the promises in My Word out of your reach. All are within your grasp, for you have but to claim the power of the keys, and it will be done. often you lacked the faith to appropriate them, or you lacked the power to fulfill your part of the bargain--the condition necessary for the promise to be fulfilled. **MB:** But now we are in a position to fulfill all the Endtime scriptures yet to be fulfilled as well as the promises given to the Endtime prophet, David.

13. If you claim the power of the keys to help you rise above, it's an unbeatable combination.

14. To truly learn the art of rising above, you must be empowered with the keys. You have always known that the impossible is possible, that you need not be held down by things that seem to be; you have always known that all power was given unto Me in Heaven and Earth--and therefore was available to you in My name.

15. With these keys you have gained access to spiritual understanding, treasures, riches, and secrets that were veiled or mysterious or vague before. Even the concept of "rising above" as given at the time of the Feast was somewhat vague. The concept of "using the keys" was also somewhat vague at the start. Yet now, as you are becoming more accustomed to using the keys, as you are growing in your knowledge and understanding of their use and power, you have gained and will yet gain greater insight to and understanding of the spirit world. Now you are ready to truly understand what rising above can mean.

MB: Jesus has been making this very clear with the "Flying" and "Seven Thunders" series. We have

now been fully updated. Of course there is more, but we are certainly on track and in line for what's coming next.

18. Yet if you want to make this “rising above” a permanent, complete, definite, [entire solution](#), you need the power of the keys. That is what they are for. That is how they are meant to be used. They are meant to harness the [spiritual forces of Heaven](#) to fight with you and for you. They are given so that you might not only vaguely sense a form of victory, but so that you might know beyond a shadow of doubt that you are the possessor of victory.

20. Rising above is a matter of the spirit; [it doesn't mean self-effort](#) and striving to overcome things in your own flesh. It means being fully yielded and surrendering yourself fully to the power of My Spirit. The yielding, the forsaking, the surrendering that I require for you to rise above, to truly gain victories, to overcome the impossible, takes many qualities that it is not in your human nature to possess--[humility](#), yieldedness, faith, admitting you are nothing in yourself, believing that I am able. The power to rise above in itself is a miraculous thing, yet it is not at all “effortless.”

21. I have wanted you, My children, to learn through the struggle. I have held back from giving you certain truths or powers until I knew you were ready to receive them. I have always done this. I was not depriving you by doing this. Rather, I was fulfilling My promise that, “As your days, so shall your strength be.” As the days grow darker, more power is needed. As the pull of the world grows stronger, so do I strengthen My pull on your hearts. As your need for spiritual power becomes greater, so do I provide that power.

[22. Now is the time for the power of the keys.](#) All that I have taught you and shown you in My Word over the years can be completely fulfilled through the power of the keys. Because you have this power, you have no excuses left for not believing, doing, or living any of what I have shown you. You have no reason to hold back from doing anything that I ask of you. There is nothing to hold you back or weigh you down--nothing but lack of faith or unwillingness to yield. But once you take the simple steps of faith I have been showing you through My Word, once you determine that you want the power of the keys and you want to [do whatever it takes](#) to get that power, and you step out to receive it and use it, then I take over from there. Then I make the impossible reality. Then you don't even need to “rise” above, because I will do the work of lifting you above. That's how wonderfully I want to treat you! (*End of message from Jesus.*)

“What does 'rising above' mean for me personally?”

Prophecy, Jesus speaking: *Well, My Brides of the End, we've come to it. The time to “Rise Above” has arrived. You may not have realized it, but I have given you a lot more input on rising above over the past year. I started preparing you way back at the foot of the mountain when the [MO and Maria trail maps petered out](#). Do you remember? By the time we all arrived at the summit, I'd changed the saying “Rise Above” to simply “Fly”. I'd fitted the eagle's wings, and it was time to practice flapping those wings in preparation to leave the mountain and all its impossibilities behind forever... “Come fly with Me” was only moments away. I've been waiting for what seems a lifetime for this day, when I can, with confidence, announce that your spirit is ready. Of course, your flesh will never be ready, but you see, [your flesh isn't coming](#), so it isn't necessary to give it leave to protest. The spirit always precedes the flesh, and that is why we've been working so feverishly since you came back on board, post-Reboot. The flesh took a back seat as I really pushed this thing into the spirit. I took you off the streets and eased the pre-Reboot physical burdens in so many ways. Naturally, you have to keep the flesh alive to finish this mission; and I want to commend those that continue to [keep the home fires burning](#). You hold a very special place in the overall war. Over the past few years we've reduced the things of the world in your lives; we've cut out a lot of clutter and trinkets. You are in the back of our spiritual cave with Me and you can most definitely say that only the essential services are operational. Over the last few days I've been talking to you about [Lambda One](#)... This is because I'm giving you the picture for why we've been trimming down to essential services; you are going on a journey, [the ultimate trip](#). What we've been doing since 2016 or whenever you stepped back on board is preparing your earthly house for the next shift to take over. It's now painfully obvious to all that the requirements in this series of Maria letters that MB has been updating over the past few weeks were not doable back when they were first written. We've discussed so much since 2016, the how's and*

wherefores, why the water passed under the bridge, its color, its texture and even its taste. However, standing on the bridge discussing and watching the river as it flowed out to sea was not My goal; that was simply a part of finding closure. Now I'm about to [close the book](#), for this is the last time. The candle will be snuffed out, then I'll take your hand and together walk you off the bridge and onto the path that leads into the next millennium.

You have been wondering when the second river, spoken of in the ["Old Man and Guitar"](#) dream, would come into view. Well, it is just up ahead on this path we've now stepped on. The path is taking us deeper into the spirit, which means you have to pay closer attention to your spiritual preparedness. The link to your spirit helpers has to be unique above all the prophets that came before you. Your prayers have been creating [tidal waves](#) in the spirit; those waves are battering the enemy's kingdom. The barrier spoken of in "The Final Key" is suffering violence; the forces of Heaven are hammering it. It is severely weakened, but not yet enough to bring it down. Only the Final Key can do that. I told you in the last podcast to pray more fervently for your brothers and sisters in Gaza, and elsewhere also, who are suffering unmentionable tribulation.

Yours is the [last generation](#). The light of David is in your hearts, and you are [the chosen generation](#) that David spoke of so long ago. You are the Key bearers and in your hands is the destiny of this world. Now is the time of the toes, the last hour. The Ten Kings enter on stage, and it is your prayers that are the driving force. Ask Me to help you to desperately believe these things I am telling you in prophecy. If you can only believe and pray with all your heart, soul and mind, then the alternative written in [Matthew 24:22](#) will not eventuate. People in the world are praying for change, and I hear their prayers and I will answer just as soon as all the Keys are in place. This is My promise to David and his children. You must pray for grace, strength, vision and courage for your brothers and sisters in Gaza to fulfill their destiny. They have been chosen for this time as are you chosen. You must be relentless in prayer; this is your reasonable sacrifice. The world is blinded and dumbed down by white magic; they bow their knee to their god Mammon and are insensitive to the plight of the Palestinians. The world have not one iota of an idea that Scripture is being fulfilled, that the Palestinians are being thrown into the furnace whilst they worship the Whore for nothing more than to better their life of stubble and hay. Great and mighty events are now hinged on the prayers of My children. Pull, strain on the [string that goes deep into the heart of the Beast](#). Scripture dictates that the Ten Kings will give their power to the Beast for one hour. This is the hour; this is the pivotal hour. You must believe. Tighten your grip, take up the strain and [pull hard on that string](#). The Keys will do the rest. The Keys will tear out the heart of the Beast, for it is time. It is the last hour. We are in the time of the toes; succeed in this task and you will see the famous image of Daniel 2 crumble as the Rock of My Word uproots and destroys the final kingdom of man.

26. (RB) Jesus speaking: My love, with Me, your age doesn't matter. With Me there is continual newness and expansion.

27. I have given you the power to overcome. Even if you couldn't before, you now have the Keys of the Kingdom, and there is nothing on Earth or in Hell that can withstand their power.

Prophecy: You have committed your life to Me, and I am well pleased. You have done what few in this world would ever dream of doing, for their eyes are not on eternity but on this material world; this has made them blind to the true treasures, and as they store up material things for their paltry lives. They are laying up, not life but death. My loves, I am your Bridegroom, and I am coming. Keep your [lamps full of the oil](#) of My Word, for there I lay in your hands the secret to making it through [this midnight hour](#). Remember these words as you go about your day, as you lie down to rest, as you set aside your reasonable sacrifice of prayer. Don't allow the enemy to snatch this crown from your fingers. The martyrs in Gaza desperately need you to uphold them. They need My supernatural help to [run this last lap](#). Those that have already passed on and those are yet to pass on will be eternally grateful that you've stood in the gap to uphold them in their mission to fulfill Revelation 6:9 and 10. I love you, My dearest of dears. Please do this one thing for Me before we close this page. I greatly desire to hear your [vow of undying love](#), allegiance and dedication to Me. I smell your prayers as I smell the fragrance of roses. I see your vows as precious ointment upon My head; your devotion as My crown, for what is a King without devoted subjects and who is the Bridegroom without the selfless love of a devoted bride? Pour out your vows as perfume, poured upon the head of your King, Husband and Lover, for your words are more precious to Me than a thousand gold and silver.

Vow of Surrender to Jesus

I, _____, thank You, adore You, and praise You, Jesus, for choosing me. I know that in my own self I am nothing, and that if anything good comes of my life and service for You, it is only Your grace and strength working through me. And this, dear Love, only proves Your miracle-working power.

I stand before You, my Husband and King, and lay at Your feet my own will, my own thoughts and ideas, my own self, as well as any worldly ways and carnal thinking. I give You back the life I owe, the life that is rightfully Yours. I present my body, my spirit, and my mind before You, a living sacrifice. I surrender all to You. Take me, possess me, and use me as You will. I only want You, Jesus. I want You to live, think, and move in me. I want to put on Your mind and only be ruled by Your thoughts. I thank You that You bought and paid for me with a price. I choose to glorify You in my body, my heart, my spirit, my mind, and in all I do.

By Your grace and with the power of the keys that You have entrusted to me, I take these vows of surrender, of utmost forsaking. I yield to You my mind, my thoughts, my everything. I vow to be Your devoted disciple, to reject worldly and carnal thoughts and ways, to be neither a friend of the world nor to love the world. I care not to be yoked with unbelievers, to fellowship with unrighteousness, to immerse myself in worldly matters. I answer Your call to be separate, to reprove the works of darkness, to not conform to the world, but to be transformed through the renewing of my mind.

I claim the power of the keys of enlightenment as I put on the mind of God. By the power of the keys, I ask that You help me focus on their power, to stay yielded to You in all I say and do. I call on the keys of the Kingdom to help me hone the gift of Heavenly thought power. I claim the keys of strength and power to help me stay faithful to the responsibility You have placed on my shoulders, to use the keys to serve others and to accomplish Your will in these Last Days.

MB: I chose the following tidbits from the internet to help us understand the significance of Jesus asking us to anoint His head with perfumed oil in preparation for His return.

Key Takeaways

- Anointing oil in the Bible symbolizes divine blessing, empowerment, and the presence of God in significant moments of faith.
- Historically, it was used to consecrate kings, priests, and sacred objects, marking them for God's service and authority.
- In the Old Testament, emphasizes the role as divinely chosen leader.
- The New Testament references anointing oil for healing and highlights Jesus as the "Anointed One," reinforcing his divine authority and purpose.

Overview Of Anointing Oil In The Bible

Anointing oil in the Bible symbolizes divine blessing and empowerment. It serves as a physical representation of God's presence, marking significant moments in both personal and communal faith.

Symbolism Of Anointing Oil

Anointing oil embodies several key symbols. Firstly, it represents holiness and separation for God's purposes. Oil signifies the Holy Spirit, indicating divine empowerment for tasks at hand. Secondly, anointing oil serves as a symbol of healing, as seen in James 5:14, where it's used in prayer for the sick (*The Healer that brings lasting healing to a sick world*). Lastly, it denotes favor and identity; being anointed implies recognition and support from God. Overall, anointing oil conveys a deep connection between the physical realm and the divine.

Old Testament Usage

The Old Testament features numerous instances of anointing oil serving as a means of consecration. Key examples include:

- **Kings:** Anointing oil marked the divine selection of kings. This ritual signified God's blessing and the individual's role in leading Israel. (*True Israel, the Church, The Bride*)
- **Priests:** Aaron and his sons received anointing oil as part of their consecration into the priesthood (Exodus 30:30). This act established their authority and role in mediating between God and the people. (*Jesus our Mediator*)

New Testament Insights

- **Healing:** James 5:14 This illustrates faith in God's power to restore health, using oil as a physical sign of spiritual intervention. (*Jesus is going to intervene on behalf of His children to heal the world of spiritual sickness*)
- **Jesus as the Anointed One:** The term "Christ" originates from the Greek word "Christos," meaning "anointed." This title signifies Jesus as God's chosen one, fulfilling prophecies and representing divine authority (Luke 4:18).

Spiritual Implications

Anointing oil symbolizes the presence and power of the Holy Spirit. In the Old Testament, anointed individuals, such as David and Aaron, received a special calling or purpose. The oil marked them as chosen by God, setting them apart for sacred duties. In the New Testament, Jesus' anointing emphasizes His role as the Anointed One, fulfilling prophecies and ushering in salvation

MB: Do you see what Jesus is asking us to do? To anoint Him as King; He is asking His brides to anoint Him as King in our cave chambers, before His soon coming... Wow, so wonderful, so intimate, a very special request from Jesus to His lovers. A secret anointing before the public anointing in front of the whole assembly in the [azure super bowl](#) under the City of Light during the [Marriage Supper](#). Thank you Jesus.
