

The Flow by Lisa

July 27, 2025...Superhuman Help for the Palestinians

“When your loved one needs superhuman help to get the job done, aid them in the spirit by calling on the keys of sustenance to sustain them and the keys of wisdom to direct them, and I will do it.”

Prophecy: Blessed are the Children of David beyond all people on the earth today; yet those children of David that have climbed this last summit and are learning to fly with the Keys of the Kingdom, using the Seven Thunders are those that have been given what no one on earth has been given. These Brides have in their hands the link to the Mind of God. They have access to all the power in the universe. If you want to understand how that can be true, how that much power can be given to “ordinary” people, then go back to the blog series “Full Possession” and “Heavenly Thought Power”.

What would an ordinary Joe do with the very power that created the Universe? You might say, “Use it for good” and that is a good answer, but there is a better answer. The reason for all this power is to do the Will of God. The Father doesn’t want to “hog” the power. He wants to share it, spread it out, and let others try their hand at being god. However, there is a stipulation; the power must be used not just for “good,” but according to His guidelines, His will. What you think or feel is good may indeed be good, but it may not fit into the bigger picture. You may have the power of God in your hands in the form of the Keys, but you are not God and therefore are not omnipotent, omniscient and omnipresent. You don’t have the power to see all aspects of a problem. Only God, Jesus and the Holy Spirit have those special powers. Jesus is the only begotten Son of God; we are adopted sons and daughters, yet the Trinity, with their guidance want to give us access to their power.

I have entrusted the power of Heaven into your hands and have given you the keys to open every door...and...I have put the keys to the Kingdom in your hand; their power waits to be activated at your call and vacuum, and within them is all the power of heaven. Those are two boiled-down, to-the-point, Key promises that clearly state what we are trying to explain in this prophecy. The power is there in the Keys; the Keys are for you and all you have to do is pick them and wield them --as you will? Well no, they can only be used as is determined by the will of God. The Keys are a wonderful manifestation of God’s power. If God were to come along one day and say; “Hey, I want to give you access to My power,” then walk off and not say another word to you, you might think about the offer for a while, but because He didn’t put a weapon in your hand, to shoot His power at the target, you might just shrug and go about your business. It’s also like God saying to you, I am the Spirit of Love, but instead of just walking away, He says --to show you how this Spirit looks and how to use it—“Here is Jesus.” So the Keys are the weapon to be used for good and against evil...with provisos.

Anyone can have the Keys, the only proviso is you have to enter the course of studies and you have to graduate. You want to be a little Jesus? Sure, just sign this blank sheet of paper and let’s begin. Whether you pass, fail, sink, swim, reach the summit or fall of the cliff face somewhere in the climb is not a matter of luck but a matter of understanding the course material. It’s not a matter of being driven by the immense, genie-type powers you will be given if you graduate; that is for fairytales and believers in white magic. The only way you are going to fall off the mountain is if the evil magician comes along during your climb and whispers in your ear that there is an easier way to fame and fortune. Those that fall for that trick obviously didn’t study the material in grade one. Now I’m not saying that the Bible is a book for grade one students. Grade two and three and so on will teach you a lot more about the Bible than you will ever learn in grade one. But if you don’t obey the grade one steps taken from the Bible, how are you going to graduate to grade two? Okay, I could go on and on about why the Keys don’t work for some people but work for others, and why the Keys will work in one situation but not in another.

The Palestinian Question

At the beginning of this prophecy, I shared a Key promise about offering superhuman help to your loved ones in trouble. I want to touch on the Palestinian situation and why it is so interminably long and how it all ties into what I’ve been sharing thus far. Jesus --and when I use His name, I am talking about the Trinity, for He represents the “Board of Directors”-- Jesus wants this situation solved more than you do; He sees much more nitty-gritty than all of us. However, it must be done in accordance with God’s will, and His will often takes time to unfold. Of course to you on ground that sounds callous and unfeeling, but Jesus loves the Palestinians more than you or I do. Jesus also knows the big picture, so at this point I could say to you, “Just be patient and in God’s good time all things will work together for good.” I’m not going to because you are part of the solution. You have the Keys; the Palestinians don’t. You have the Words of David, they don’t, and this generally means you see the picture more clearly than they do. Of course, you don’t see the whole picture, so both they and you have to let patience have her perfect work. What I want you to understand is you have the power, according to God’s will, to help them fulfill Revelation 6:9-10. The Palestinians do not understand that they are Key segments of a very large Key that spans from this final hour right back through history to the beginning of time. I’m sure you remember this quote: *I saw little different-shaped pieces rising from the Earth, which would click into place, interlocking with the existing pieces, completing part of the key. It was as if I was watching the world from the beginning of time. Each person the Lord had called to be a piece of this key, as they did their part and their mission ended, their section of the key clicked into place.*

Jesus has put in their hearts the knowledge that what is happening is part of God’s will. You’ve heard that some know they are martyrs; yet at this point, they still can’t visualize how great and wonderful the cause is. As we’ve said before, they are a type of Jesus for a world that is almost entirely consumed with living their lives according to the flesh. Your prayers for San-Bahd-Mahl and the millions of witnesses combing the earth for those that sigh are having a big impact in the minds and hearts of many

people, and their outlook is changing, which in turn is slowly changing the spiritual atmosphere. The Devil is raging mad about this, but what can he do? He cannot stand against your Key-powered prayers. He sees the Millennium is coming simply through the spiritual climate changing. He sees that his white magic winter is withdrawing and signs of spring are emerging. Nonetheless, the martyrs have a very difficult calling, so the Keys need to be employed to assist them to keep fighting, to stay positive and full of faith. The Keys can give them the victory they need to finish their part and rise to their place in the Final Key. The world is watching, and the world are like the Romans in the coliseum of old, except now in this last and final Roman Empire, the coliseum is world-wide on cellphone, television and computer screens. The world has to see these martyrs, your brothers and sisters, as the Romans of old saw the martyrs back then, smiling and praising God. This is all possible through the power of your Key-powered prayers. You are the saints, leaders and the commanders of the people. They are the people of the saints of the Most High, and you have the power in your hands to deliver them, not from, but out of the mouth of the dark lion. God's will is that they pass through the fire; He will walk with them there. This is where the good, better and best comes in. Only God knows what is best; the sighers must see and wonder at the power of God. But the world will wonder after the Beast and they may see what is happening there in Gaza, but for now their eyes are dim and their ears waxed gross; they are destined for different lessons in a different universe. So you see, the power is there for you; the limitless power of God is there, and He will give it into your hands to wield. He is asking you to wield His power through the Keys and Seven Thunders. It is because of your obedience to the Words of David that He also gives you understanding, the bigger picture. Pray beloved of God, brides of the Most High God. You are in the flow of God, the River of Life, whilst the world is in the River of Death. Pull all those that will into the river with you, that they may have life. The Palestinians are not dying; they are only passing into the River and life eternal. They need your prayers to pass through in glory.

21st July, 2025

Lisa: I put together this compilation after doing a search for 'Palestinians' on MB blog site. Two days later, Stephen, not knowing what I had compiled, presented a class "Precious in the Sight of the Lord" telling us how by oath the Children of David are bound to the Palestinians!

I love how the Lord leads and where He takes you if you follow and how each step is connected. He's speaking to you, if you are tuning in and listening, trying to convey a message or make a point. It's so fun and exciting and encouraging and really cements the point He's trying to get across. Faith cometh by reading the Word of God, for sure!! The linking system in the blogs is fantastic and when reading MB, you get wonderfully 'lost', as in jettisoned into the spirit realm, as in 'Flying above.' I always come away from feasting full to overflowing; completely satisfied after enjoying copious amounts from a 'well-stocked pantry'. Jesus is so generous! How blessed we are with the honey words of His mouth flowing over us.

MB: Here's a little tidbit that happened just this morning, the 28th that goes nicely along with those thoughts. I woke up very early this morning wondering if I'd put too many links in one of the recent blogs; then I heard my spirit helper quip, "Can you have too many books in a library?"

Lisa continues: The 'flow' He was showing me was how connected we are to the Palestinians, how inextricably entwined! As I went through these posts from my search, I saw that He's already told us that our Palestinian martyrs were chosen just as we were chosen! So it's nothing new, but it really highlighted it for me, going over what He's already told us, and it made me feel more closely connected to them and how we each need to work together to make the Final Key slam into the barrier. The urgency of their situation compels us to, and we as they, just want to go Home!

Here is a blog, "Just Ask your Blue Angel" all about "being in the Flow"

Question: What is it like when the power of God flows through you?

"More on the Keys" Part 3 "As I'm watching this scene, suddenly it's as if someone turns on the power real strong, and the gentle plasma stream explodes and bursts upward through the ring with the women's faces on it. They throw their heads back as the energy passes through the center of this ring, and their hands are thrust out further to the sides. It's like the energy is passing through them as well.

I take a quick glance back down at the two gatekeepers, and they have their faces turned away from the flow as if they're not allowed to look at it, or as if it's too powerful to look at. Their hair is rocketing in the wind or shock wave behind them as they maintain their positions."

Electric!! This next prophecy expresses so beautifully the experience of being in the flow!!

Prophecy from Clear: Well, the power is always on, which in reality is full possession. We are fully possessed because the Blue

Plasma is always flowing out of the powerhouse of God.

July 28... MB: *The blue plasma is always, always flowing. It's all around us; we are in the River, and it is always flowing. All it takes is for us to plug in. It's simple; even the systemites are in the flow. It's in everything, everywhere, in every little molecule, in the sap flowing through the trees. The systemite is floating along on his back. He doesn't realize he's floating out to sea, but he's on his back floating along just enjoying the flesh, the things of God, His creation but not God Himself. He hasn't quite woken up to the fact that he can actually plug into God Himself and access that power that is all around him. He is missing the excitement; Mr. Glimmer dims his eyes. However, that's the thing, isn't it? Once you plug in, it's not "Mr. Genie." There are stipulations, conditions and provisos. You can only have the power if you graduate, pass the tests. If not, then there is the fail safe there that was talked about in recent prophecies; it just doesn't work for selfish users. So you can plug in but you are in the wrong boat... something is wrong. And this where most people unplug and plug back into the matrix..."Oh, I'm tired of this course...give me some of that nice juicy tenderloin." So it is a matter of what you want. Do you want the things of God or do you want God Himself? And it is true, it isn't about being the genie, it is about sacrifice. You have to give up your own will and be consumed by the flow and become...transparent...a blue angel.*

Prophecy continues: The Blue Plasma that streams out of the Power Pavilion of God flows throughout Creation, so we are not the only beings exposed to its flow. The whole earth is, each individual is, and each individual's experience is not exactly the same. Full possession is the act of tapping into its power. It's like being in the temple at Tricon; it's like being inside the City with the Light of God streaming down from the pinnacle. The more yielded the vessel, the greater the experience. Receiving prophecy is a good example. The best prophecies are received when your thoughts are in subjection, when you aren't being buffeted by the enemy and when your personal feelings are not tainting the flow of prophecy. Then there is the ability to let go and not allow your mind to direct the flow the way you would like it to flow or go. It is this last one that takes a lot of focus.

July 28...MB: *And that's the Devil's job, to keep shooting darts at you to try and break that link, to unplug you from the mind of God and get you consumed with the things of this life. That's why we've been told to unplug from MSM and to an extent those around us and just keep climbing and calling in the dark. We are not on a babes' ranch anymore. This is for the Children of David, the Warrior Band, those that have reached the summit, those that are climbing, those that have obeyed what they've been told. So your carnal mind shouldn't be interfering with any of this. You should be saying, "Yea that's right, I should be plugged in and shepherding myself." You have a channel to prophecy; you understand the Seven Thunders. What's your problem? Why are you being such a drag? Jesus said there's no more time for that; time has moved on. Yes, there may be people doing that, but they are down in the valley or on some point in the climb, but that's not your business. Your business is to climb and call. Just keep plugged in so you will know where the next finger hole is. For goodness sake, we are at the flying stage; we are getting ready to fly in Lambda One and on to the City of Light. Who knows that secret? Maybe Travis does, or lots of people in the City do, but on earth, no one but us and those that believe what they read in MB.*

Prophecy continues: You really have to call on the Keys to protect your channel and conduit. There has to be a supernatural shield or sheath around the flow. Honing the Seven Thunders strengthens your ability to be a good conduit and channel for the flow to pass through. As Aquamarine explained, using the Seven Thunders is learning to live the life of a Blue Angel. When receiving a prophecy, the channel can tell whether the flow is lucid or not, and I don't necessarily mean in an unhindered flow. That is more like what we experience here, but a prophet on earth is continually bombarded by distractions, noises, and people. Even if that prophet is up on a mountain like Jesus was, there are night noises that can be very distracting. Even if the flow comes in spurts between the other thoughts and distractions around him, the prophet knows when the flow is flowing; and it is exhilarating. It is a desirable experience, something you don't want to let go of. It was pointed out that we have time away from our job, but the reality is we are never away from our job. We take our job with us, just as someone like you who is seeking full possession is always on duty, always plugged in, always listening, praying without ceasing. Being on plasma-stream duty for someone on earth can be somewhat of a chore, as it means pushing away the many earth-life distractions, and that could also mean at times those people and experiences around them. That can be very difficult for some people, but it is part of their reasonable sacrifice. The sacrifice makes Jesus very happy, and He often enhances the **plasma flow experience** when He sees that person laying down his own desires in order to take up their Lover's desire. Again, it is all preparation to becoming a blue being... not angel. As you know, some of us were created as angels, not Blue Angels, but we had to desire this life of closeness to Jesus. This calling cannot be forced, as you know forced labor is slave labor. We are love slaves not involuntary slaves. In saying that, it brings me back to what I said at the very beginning of this prophecy; that everyone must eventually walk the path of the Blue Angel...transparency. But as we all can see, because this path cannot be forced on anyone but must be of their own free will, the absorption process naturally takes time.

July 28...MB: *It doesn't help that time factor when you turn toward the world all the time, putting your nose into business that is not your business. You've been given jobs here, and you should focus on that, but it isn't really what you are here for. You are here*

to plug into the plasma flow, the River of Life, to learn all you can about the spiritual life.

Prophecy continues: Are you enjoying this learning-to-be-a-Blue-Angel experience? Just listening to this dissertation is you standing in the flow. You are experiencing what a prophet experiences as the conduit. You are being bombarded by earth distractions, and your mind wanders and has to be brought back into subjection. These weights and sins that so easily distract you are the lead-of-life that when taken off up here, will be the wings that you thought so deformed and hindering. As you learn to listen, that is training your spirit to be a receiver; and as you receive the flow, other related thoughts start flowing in, your channel expands and growth is achieved. But this is just one part of the Blue Angel experience. The flow, when allowed unimpeded passage, cleanses the dark corners of self which are spots in your feast of love. Isn't this what you want? The pain of letting go of self can be ecstasy; yet so much fights against it, and nothing more than one's self. The Blue Angels are going to play a very big role in the Millennium. This path you chose out of your own volition is the path the whole of creation is on. Whether each individual realizes it or not, the laying down of self-will is the path man is on. It may seem rough, rugged and painful, but it is the right path, for our Lover always knows best. Don't fight it; yield to it, for everyone must eventually yield to what comes along the path. Allow the river to pass through you or over you. Try not to step out of its flow; assimilate and absorb the plasma. It is good and wholesome. "No matter how serious the problem or difficulty, if you call on the Keys of change and desire and seek after that change with all your being, you will have it."

Question: Why does the Plasma Stream need Blue Angels to protect it?

I touched on the supernatural shield or sheath around the flow...that is what we are. We are the protectors of the flow; that's our job. And the power of the plasma stream is our reward, the perks, you might say. Why does God need prophets or missionaries to pass on the message? Same as above, that's your job; and the perks, well that is summed up in Mountain Men:

"But on the mountain you are the first to see the sun rise & the last to see it set! You see the full circle of God's glorious creation! You see the world in its proper perspective with range after range to be conquered & a world beyond the horizon of normal men! A world beyond their vision & their horizon! You see distant peaks yet to be climbed! You see distant valleys yet to be crossed. You see things that the men in the valleys can never see.—Can't even comprehend because they can't see it! And you can see the 360 degree circumference of the total horizon—the entire scope! It's like seeing all of life from its beginning to its end & understanding. You feel like you're living in eternity."

July 28...MB: *And you are-- you are in the mind of God. You are one with Him; you've taken on the mind of God. You're fully possessed and have taken on Heavenly Thought Power...All that out there is just distractions of the Devil trying to break the flow. Your job is to fight him with the Keys. Stay in the flow. When we cross over, the "lead" will be taken away and you will see those beautiful angel's wings that you thought were so ugly and deformed.*

Prophecy continues: For that matter why does God need any of us? The prophet David has already answered that question. God finds great pleasure in giving responsibility to those that deserve it. That is the way He has set it all up. Aren't you glad He has? Can you imagine if God didn't mind you and just did everything Himself? God wants to be close to His creation, and He wants His creation to be close to Him. He wants us to feel needed and loved. You, the Children of David, have the added responsibility of protecting the Flame of Israel, the Oracle of God. It is your job to make sure the Flame gets back Home and is placed in its rightful place. So you wanted to know what I experience when the plasma flows through me? It is all those things and a lot more, but it is difficult to translate those experiences into feelings or words... try ecstasy, elation, fulfillment, love and a zillion other emotions that you just aren't privy to there on earth. But they are coming; if you hold on and keep walking the walk of the Blue Angel, you will be given them all —not all at once but as you graduate a level, the reward is given. It's the same as the earthly principle: the rewards and gifts go to the faithful. **(End of Jun 18, 2025 Just Ask Your Blue Angel)**

The keys must find their place in you. Let them in and become a part of you. Let them be the perpetual ebb and flow of your being; your every breath in and breath out. Let the power flow through you, in and out of you; emanating your every move and thought.

Prophecy: And what is true holiness but to be set aside as a vessel of My love, to be full of My righteousness, possessed by Me. And now, through the New Wine that I have been pouring down to you, I have spoken of My will and purpose in the Last Days. Which is to be those chosen vessels that hold the Light of Israel, the Oracles of God, which include the Words in the Bible, the Words of David and Maria and the New Wine that I am now pouring out in great abundance at this last hour before My return. I have given you Myself, My Word and the Keys of the Kingdom as your running mates. We will run with you across the remaining distance of no man's land. The weapons of the spirit and your spirit helpers are with you also/ You cannot fail if you trust and obey these words that you hear from the lips of those ordained to deliver My instructions to you. (I think there's a double layer there, speaking of 'those ordained')(John's comp. "Our Anointing for the Last Days") So burn free beloveds! TYJ

Lisa: *And by the way, as I was searching MB blog pages I found this amazing paragraph which is now being fulfilled as Stephen has been working very hard recently to put links in each blog post to link it to many other blog posts. Wow! So exciting! It is from ML# 223 The Index received 50 years ago in April 1973.*

JUN 27, 2023 "The Index" MB blog post

MB: It's a fascinating project and very interesting, 32 pages/years long, consisting of Key Words that when accessed open up to a virtual reality story of events. So actually the book is very large. It's a book filled with hyperlinks and is an addendum to the life of David. (Jeremiah 30:2-9, 23-24)

6. I WAS PLEASED WITH THE FELLOW FIGURING OUT THE WORDS. He was, believe it or not, sort of like me. The book had large print and only 32 pages. The Word of the Lord came to me. **EACH WORD IS LIKE A WHOLE PICTURE, LIKE EACH WORD IS A REVELATION, or each revelation is a word.** "The Word" of the Lord came to me, saying. So often it is sort of a flash. It was like I was in God's position and seeing it through His eyes, in a way.

Lisa: We are also now being hyperlinked with our spirit helpers and the Palestinians to make a virtual reality story of events to complete the Index!

"The dear Palestinians are playing their part as martyrs as we play our part and die daily in our caves." (Jun 15, 2025 There is Always a Purpose)

The Palestinians are "shackled" to God's will as a type of Jesus for the world...martyrs for the cause of Christ. (Precious in the Sight of the Lord pdf)

So many are your spiritual counterparts who fight for you, My brides! But you must call, you must do your part to lean on them, call on them, work with them.

(Dad) You're in the realm of the flesh and they're in the realm of the spirit, but the Lord has designed you to work together as one. This is the most powerful teamwork combination in the universe--those of the spirit and flesh working together to defeat the Enemy, to further the work of the Lord and the spreading of His truth in these Last Days. One cannot do without the other; it's a teamwork effort, and must be so to accomplish the Lord's highest and best.

Lisa: We, with San-Badh-Mahl (The Inkhorn man) and now the Palestinians are a team and we must each play our part for Endtime events to be fulfilled for Jesus to come back! The Word just gets you fired up. What comes to my mind is how the Old Wine told us that unity would play a vital role in the Last days and would be a powerful weapon and I can now see that it wasn't just talking about between us, but with our spirit helpers, our great cloud of witnesses and the Palestinians powered by Jesus, His Word and the Keys of the Kingdom!

July 28...MB: Now that is a very important point. If you haven't been honing those gifts that the Old-New Wine has told you to, then you don't have unity with your spirit helpers. If you can't hear them properly, how can you have unity with them? You are in the River but without the oars of faith and works. Your boat is floating out of control and out to sea. Get cracking brother, the time is at hand.

God is love and love is a spirit, so those people who are sighing over the atrocities in this world are being "led by the spirit of God." It is God sighing through them. Those that sigh are like us when we pray; we don't know what to pray for as we ought. The Spirit of God leads us in prayer. So those that sigh, the Palestinians, we and all those that are being led by the Spirit of God are gathered on this earth at this special time to fulfill our purpose, our destiny. It's Love's answer to the evil of Satan, and it is costly, more costly for some than others, but Love (God) is making His stand through His children. As Romans 8:14 says...For as many as are led by the Spirit of God...they are the sons of God." (Jun 15, 2025 There is Always a Purpose)

JUST WONDERING WHERE THE MARRIAGE SUPPER IS GOING TO BE HELD?

March 05...Maligning the Prophets

My prophets have always been maligned. I was maligned. We are their conscience, the voice of God, but they don't want God. They want it their way, not God's way. You will never be popular with the world, and why would you want to be? I have a string attached to each one of you, and when you have played your part in the Endtime scene, I will pull you up and off the stage and away from all those glaring stage lights, away and up here with Me. I love you, My prophet brides, My little ones, My peculiar ones. Play your parts well, for in so doing, you prepare the stage for the Millennial play.

March 03, 2025...Flesh and Blood Sermon

Prophecy: I need cave dwellers in this time of the End, in this time of the Seven Thunders. I am not using clichés and Word pictures to tickle the ears of children who love to play in the sand pit but do not desire to enter the schoolroom when I sound the bells of war. There is blood on the schoolroom lintel; there is blood on the cave door lintel. It is My blood. I gave all My blood to save the world, and you who pass under that blood-soaked lintel must understand that in passing through, it is your blood that is required. I know what must be done with your blood; your blood is your life. I am asking you to give of your life this one last time. I could ask for your money, like the churches do; I could ask for your house. I could ask for anything, but I ask for your blood, for your blood is your life. I ask that you paint your blood, your life, on that lintel just as I painted My blood on the lintel of your heart. Flesh and blood cannot inherit the Kingdom of God. I gave My blood, My life for the Kingdom; now I ask that you give yours in this last hour. I called you out of the world; I called you out of TFI; I called you out the Warrior Band, to sit with Me here in our cave and create Thunder. This time that you are in is about nothing else but being beside Me in this cave. Each time you heard Me calling, you came. Each time you came, I asked you to let fall those things that you held in your hands. This is the last hour and the enemy fights you as He fought Me in My last hour before I gave My all for the world. Can you not pray with Me this short time? This call to My cave is not about what you hold in your hands. I have asked you to come with nothing in your hands. This call to fly off this mountain of flesh is not about the baggage you think is so important. If the baggage is important, I will carry it for you. You cannot fly with baggage in your hands. You cannot fly with what you think is important, what you think I want you to accomplish. If My entreaties cannot entice you into My cave, then the things in your hands will not. For they interest Me not. I want your blood, your life, all else aside. Flesh and blood cannot inherit the Kingdom of God. This call in the last hour is not about what you deem important. It is not about fellowship; it is not about Warrior Band. It is about your inheritance. In the next life you will inherit what you deemed important in this life. If I am your all in all, if I am your first and only love, then you will inherit Me. I am the Kingdom. You think your love for souls is greater than Mine? I love the lost. I gave My life for the lost, and now I ask you to give your life for the lost. Old things are passed away; I show you a new way at the End of time. Come into the darkness of this cave and together we will make thunder. This is the new way for this last day. I have not called thee to pass back the way you have come, back through that tunnel that even now filleth with the floodwaters of My judgment. Hearken, My shepherds, come out from those lowlands and from those that love it so. I have called thee to the highlands of My love for this one purpose. Despise not thy calling for one of lesser value. There is only one way to know My mind and that is to follow My Words given to this last remnant of David. Not to you, but to you who would listen, who would desire nothing else but to sit with Me in My cave. I desire with great desire to make Thunder with you, My lovers, My brides of the End. Do not worry yourself with those that do not want this thing that I ask. I can only make thunder with My lovers, with those who hear these Words. If you don't hear these Words, then you will stand at cave entrance gazing out into the world in its time of turmoil. Leave the cave entrance –this is My last call– and come. I lie in our bed languishing and desiring My love. My passion awaits; My seed sack is full and wanting, desiring a place of planting. Is your garden fertile, rich and overflowing with warmth, willing and wanting My Seeds of life? Come to Me now, leave the sheep, leave those that say they want Me but do not show their honor by their deeds. My sheep hear My voice, and they do follow. They do come and come and come. Come into My darkness, into My cave, away from the brightness of the white magic that dazzles and distorts all who look at it. There are no shelves nor mantles where to place your idols. Leave them at the cave entrance, paint your blood, your life, on the lintel and come inside, for this is the last hour.

Are you heeding My Words, My brides, My called out ones? Do you not see the writing on the wall? Have I not left love notes all along this narrow path, all numbered and signed in My hand, that upon seeing you will be encouraged to follow on? This path that we are on leads to the safety of the forest on the other side of this lake. There are but three more obstacles to traverse; this is one of them. Listen now, My sweet doves, and heed these Words of love from your brethren, My prophets of old.

“Just as Jesus fulfilled all Old Testament scripture before giving up His life on the cross; so must you fulfill all New Testament and Words of David scripture and promises before Jesus can return as King of kings.”

“Keep climbing, Keep flying, keep forsaking. Do anything you have to do to fly to My bed of love, but whatever you do, do not look back. The hounds of Hell are on your tail, for you are their greatest enemy. You are what stands between them and victory.”

Lisa: Here are links to some more of the blogs I found in my study:

HONOR MY MARTYRS

THE BLOOD OF THE MARTYRS

THERE IS ALWAYS A PURPOSE

Lisa: After reading about the Palestinians, it's pretty obvious that we are very closely linked to them. We are both a part of the plan to fulfill Scripture and we are both dying as martyrs; they are dying daily and we also are dying daily. We are both maligned and because of our joint mission, we are closely bonded to them in the spirit. That's why we should be so desperate for them, praying for them, for like us, they also have such a vital part to play for Jesus' return. I feel so much closer to them after doing this study and it's helping me to remember to pray for them so much more throughout the day and even during the night.

27th July, 2025 True) Yes, this study's main purpose was to enlighten you, to awaken your spiritual senses to how closely bonded, how intertwined and roped together you are with your gypsy counterparts. "Gypsy" blood, wild and free, is running through the veins of His Key pieces, and His wish is for you to feel intricately connected to them in the spirit realm; the place where the battle for His Kingdom truly rages and where He is calling His chosen to die for this Cause, to bring in His Kingdom. You are all seeking a better country, hoping and longing for a safe place where you are free to love Him as your One and only Love, above all else; and that --as you know-- can only be an Heavenly country. He has prepared a magnificent City for you all, where they will live in peace and harmony on His new 'strip', their new prized city!

Yet, for now they are tormented and afflicted and destitute; they are enduring by faith because of your prayers that are upholding them, infusing them to desire a better resurrection, to embrace their commission. It is their destiny to endure by faith to fulfill Scripture. They must pass through the valley of the shadow of death and be those martyrs of Revelation 6:11. They must continue to hold the hill until it is time, and you must provide the ammunition for them to do so! You are their supply line, so do not leave them without the aid that they need. Let them know their God is with them and in turn He expects good things from them! Enlighten them through the spiritual airwaves with the vision to keep holding to the keys of endurance and perseverance and that despite what they see with their earthly eyes, they must envision the things to come. And theirs will be a testimony against many and will put the worldly Christians to shame and contempt, for many of these Palestinian martyrs "received not the promise" but yet they have amazing faith which will outdo many they who do have the Promise! They have been chosen, like you, a weak, bedraggled group of people that He counts as worthy. So be fitted with prayer and tightly knit together in love and through your prayers give them the assurance of understanding of their commission through the Keys of spiritual communication, through the frequency waves of 6.66! So let us all, together, run with patience this race that is set before us all, looking unto Jesus and consider what He went through, lest we faint in our minds.

"The keys of unity will give you tight togetherness, harmony and strength of the spirit-an unbeatable force against your foe."

EXCERPTS OF MATTHEW HENRY'S COMMENTARY ON HEBREWS 11

"They were stripped of the conveniences of life, and turned out of house and harbour. They were driven out of all human society, to hide themselves in dens and caves, and make their complaint to rocks and rivers, not more obdurate than their enemies.

Such sufferings as these they endured then for their faith; and such they endured through the power of the grace of faith: and which shall we most admire, the wickedness of human nature, that is capable of perpetrating such cruelties on fellow creatures, or the excellency of divine grace, that is able to bear up the faithful under such cruelties, and to carry them safely through all?

What they obtained by their faith.- A most honourable character and commendation from God, the true Judge and fountain of honour--that the world was not worthy of such men; the world did not deserve such blessings; they did not know how to value them, nor how to use them. Wicked men! The righteous are not worthy to live in the world, and God declares the world is not worthy of them; and, though they widely differ in their judgment, they agree in this, that it is not fit that good men should have their rest in this world; and therefore God receives them out of it, to that world that is suitable to them." (End)

FROM PRECIOUS IN THE SIGHT OF THE LORD pdf

By oath the Children of David are bound to the Palestinians!

July/2025...Prophecy continues: Pray fervently that the Final Key segments pound into place. Once the world's currency is sufficiently digitized, I will cause a mighty failure of the world's computer systems, just like what happened in Portugal a little while back. That was a minute trial run. Man cannot turn back the clock of time; he is in the tunnel of God's will, pushed irreversibly forward by the prayers of My Key bearers. You hold the Keys of the future; you are unlocking the smaller locks faster and faster. They are slamming into the respective slots. Continue standing in the gap; the city is almost saved. Stay faithful; stay fervent in prayer. The victory is almost ours.

Yours is the last generation; the light of David is in your hearts, and you are the chosen generation that David spoke of so long ago. You are the Key bearers, and in your hands is the destiny of this world. Now is the time of the toes, the last hour. The Ten Kings enter on stage, and it is your prayers that are the driving force. Ask Me to help you to desperately believe these things I am telling you in prophecy. If you can only believe and pray with all your heart, soul and mind; then the alternative written in Matthew 24:22 will not eventuate. People in the world are praying for change, and I hear their prayers and I will answer just as soon as all the Keys are in place! This is My promise to David and his children. You must pray for grace, strength, vision and courage for your brothers and sisters in Gaza to fulfill their destiny. They have been chosen for this time as are you chosen. You must be relentless in prayer; this is your reasonable sacrifice. The dumbed down, white magic world bow their knee to their god Mammon and are insensitive to the plight of the Palestinians! The world have not one iota of an idea that Scripture is being fulfilled, that the Palestinians are being thrown into the furnace whilst they worship the Whore for nothing more than to better their life of stubble and hay. Great and mighty events are now hinged on the prayers of My children. Pull, strain on that string that goes deep into the heart of the Beast. Scripture dictates that the Ten kings will give their power to the Beast for one hour! This is the hour; this is the pivotal hour! You must believe. Tighten your grip, take up the strain and pull hard on that string. The Keys will do the rest. The Keys will tear out the heart of the Beast, for it is time; it is the last hour! We are in the time of the toes; succeed in this task and you will see the famous image of Daniel 2 crumble as the Rock of My Word uproots and destroys the final kingdom of man. (End) (Precious in the Sight of the Lord pdf)

WE claim the keys of Psalm 149:8 "To bind their kings with chains and their nobles with fetters of iron." where unrighteous powers are finally subject to righteous judgment and the chains that once oppressed the righteous should now restrain the wicked.
