

THE 144 THOUSAND

January 12, 2025...144,000 second check-in

What truth your father David didn't uncover we are getting you to uncover, and if there was more time for this earth then the next generation prophets would uncover more. This is one of the jobs of the prophets; to uncover to expose and lay bare the truth. You have the best tool available to do the job, your gift of prophecy is being honed and cleaned and honed and cleaned just like you do when you are sharpening a knife. Don't allow the enemy's attacks to discourage you. Only the Keys can keep your head above the water, yes the enemy is coming in like a flood, but the flood is barely touching you because of the Keys protecting you. Yet some water spray is getting over the sea wall and you are getting hit, but that's what it takes when being in the storm and close to the action. As you know we have casualties here in our realm too, it is part of being a soldier. So don't be dismayed and don't allow the enemy to play with your mind.

January 10, 2025...144,000

Is this not the last generation, did not David insert his Key into the final Key when he departed? *Matthew 24:14. And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.* The End has come, or is coming. As each child of David departs this life they too insert their Key and the Final Key moves a little closer to the barrier. The departure of David signified the end of the last and greatest witnessing push this material world would see; the departure of David also signified the beginning of the Maria shall shine years and the countdown to My return; thirty-two pages for the remaining promises in My Word to be fulfilled. Each event, each Key since the Key of David was slotted into the lock to signify the beginning of the last 32 years has found its mate, the training of the remnant, the activated years, the return of the children of David as their mission on earth was fulfilled, the rise of the warrior band after the forest burned down, the final gospel, and many other promises were all Keys that had to find fulfillment before the next Key in the time lock sequence could take its place.

(Excerpt from The Index #233)...1. I SAW A WHITE BOOK OF 32 PAGES about six inches by six inches, held in human hand. It had large print and a white cover. It contained what seemed like letters, and **IT HAD AN INDEX**. There were **key words**, important words **that told things and places**. The pages were turning slowly. I woke up, then went back to sleep and the pages began to turn again. There were some words on each page blotted out, but never more than one or two or three words on a page.

MB: Does the 32 pages have any significance? Go back 32 years from 2022 and then add on 3.5 years and see what you get. Give or take a few months and you arrive at the departure date of David from this earth life. 1994 is the official date given. (1994 +32 =2026. We believe the year of the return of our Lover) see blog article: Dream of God's Thundering, 6 x 6 is an interesting shape for a book. The Holy of Holies was square, so is the base of the Heavenly City. At the end of this blog is an interesting excerpt from Christine Beadsworth who describes a vision she had before starting a book, she says was commissioned by Jesus regarding the Endtime.

What does the 'a white cover' mean? This represents newness of life, a new book, new wine, no names, no titles, just AN INDEX that uncovers the Key letters and Keys Words that were blacked out or censored. David was asleep in the system, and was woken to fulfill his calling producing The Letters, and then went back to sleep and will remain asleep until he is called to rule and reign with Christ. The letters HAD AN INDEX that began turning after David went to sleep. David's Words are the Words of God and they are strong meat, but they were being blotted out, not successfully mind you, no more than one, two or three words on a page. Once THE INDEX began putting all the key words back together they told of events and places...like prophecy. Interesting fact, if you can remember that at the beginning of the early pubs purge we were asked to black out certain lines and words in some of the more hot pubs.

Prophecy continues: Each prophecy each revelation is a Key that is required to be slotted by those whose responsibility it is to do so, they were given their Key, you each have many Keys, even using the Keys of the Kingdom as the Children of David is a Key that must be fulfilled, each prayer, each praise each act of the Endtime apostles is recorded as a Key and has to be inserted at its designated time in the time sequence lock.

(Excerpt from Assembling the Final Key #3525) 39. I saw a huge lock--resembling a combination lock--in a circular star with many points. I visually penetrated the barrier to see huge bars running through the entire barrier holding it together. I saw the lock turning only slightly, as if it were being moved into the right position to expose a circular-shaped keyhole or opening. I heard the giant clunk as each point of the star was locked into place. Then I saw out of

the corner of the picture someone unlocking a smaller lock with a golden key. As they did this, the giant lock moved again, pounding into place with a heavy thump, almost as if it were on a countdown sequence.

MB: I hadn't noticed this before but our Keys are being used to correctly position the lock in the barrier for the Final Key to enter. In the following excerpt about the Final Key the prophecy doesn't use the word key but it uses the word "a piece of the puzzle" that when inserted completes that part of the puzzle.

40. Then I saw a very beautiful sight. I saw a light blue key made of light. It was like a 3-D puzzle which wasn't yet complete. I saw little different-shaped pieces rising from the Earth, which would click into place, interlocking with the existing pieces, completing part of the key. It was as if I was watching the world from the beginning of time. Each person the Lord had called to be a piece of this key, as they did their part and their mission was ended, their section of the key clicked into place.

Prophecy continues: There are millions of small events and decisions that take place in the lives of My called out ones, the remnant in these last days, but there are also corner stone events that must fall into place as the Final Key moves toward the lock. One such Key that has played a very big part in your lives is the 2 Thessalonians 2:3 event, the "great falling away". Since My return to My Father the church played its part in reaping the harvest of souls on the earth. As the End continued to draw closer the church continued sowing and reaping, and the days continued to grow darker. When the Endtime prophet arrived the time of the final preaching of the gospel to all nations began. Also during those years leading up to David's arrival the old church was becoming older and more backslidden, it had all but fallen away, but for a small group within that system. But as you have been shown through revelation and prophecy the greatest and last falling away happened when the Philly Church broke the Holy Covenant. The breaking of the Holy Covenant didn't happen overnight but slowly the Children of David were becoming more disobedient and rebellious and like their predecessors, the Children of Israel, they turned from their first love and went into the world. You know this to be true because you have the Words of Maria and you lived through that time. That was what you might say the final falling away. And as you know in the time release sequence the revealing of the man of sin follows. You could say that event happened in 2000 with the inauguration of Putin as king of the broken Russian empire. Your father David spoke of that event in his letters, and although he didn't name Putin, he most certainly pinpointed the event as being the rise and revelation of the ...? of sin; although technically he was revealed but only to those staging the whole thing. I revealed the Antichrist himself to you My prophets through the "It Could Happen in 1992/2022" series. And that was after the falling away of the Philly church post reboot. I had to put away the old Philly church because it had become brittle and unbelieving of My new wine prophecy and revelations, and I had to find a new church that would receive the revelations, the Keys that were to come, because those Key had to be fitted into the lock in order for the lock to continue to be correctly position. As you My new church received, believed and began living the new Words of David, the time sequence lock moved ever so slowly into position. At this point in time, I know that you will fulfill your commission; this knowledge was shared with you in a recent prophecy. That is why I am insistently pressing you to not become complacent, or indolent in these final days. I have been giving you Key events to pray for, and you have been faithful to follow My lead, even if you didn't understand or when your prayers didn't get answered in the way you thought they would, yet you continue. It is simply a matter of using the Keys to keep opening each door, each smaller lock and you will be victorious. Most if not all of you realize the importance of the Keys in the final victory, it is difficult but you are now becoming Key defaulters.

Now for this new revelation that I chose to give to Thomas; I will begin with some verses in Revelation 14, and because as you already know what the Words of David says about the requirements to be chosen as the remnant, the last Church, I will then skip over to a recent prophecy given by the other olive tree. It is a confirmation as to who you are and what you must do to fulfill prophecies that pertain specifically to the 144,000. And to answer your query in yesterday's class; it is a symbolic number. If you are interested you can come to Me and find out why. In giving you the following verses you will see clearly the time release sequence you have been following.

Revelation 14:1-9 *And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred forty and four thousand, having his Father's name written in their foreheads:***2** *And I heard a voice from heaven, as the voice of many waters, and as the voice of a(7) great thunder: and I heard the voice of harpers harping with their harps:***3** *And they sung (prayer using the 7 thunders) as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth:***4** *(Requirements to being chosen) These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, being the firstfruits unto God and to the Lamb:***5** *And in their mouth was found no guile: for they are without fault before the*

throne of God:6 (the last witness begins) And I saw another angel fly in the midst of heaven, having the everlasting gospel to preach unto them that dwell on the earth, and to every nation, and kindred, and tongue, and people:7 Saying with a loud voice, Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters:8 (Praying for the economic crash of the pig) And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication:9 (Which will bring on the cash crash and the? total digitization?) And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand.

Prophecy continues: So you see the sequence is there and you through your obedience have played a role in turning the barrier lock into place. I am doing all I can to give you the nutrients to run this last lap holding the Light of Israel high above your heads. In My love I have moved My prophetess JW to speak of your mission in these last hours. Listen because it is talking of you, My 144,000.

(Excerpt from JW) I will move, I assure you. I will move like I have never moved before, and the world will know who I AM! And, it will be at the appointed time which is upon you so suddenly now. You must believe My words when I tell you. This IS.. the last hour. You are at the end of the ways of man. All that is founded on sinking sand is crumbling right before your eyes. Only you who are steadfast and firmly rooted in Me are on the solid rock of My foundation. I am the Refuge of all those who fear Me. Flee now into My ark of safety and pray for Me to keep you from this hour of trial. The way has become so much more narrow now- the Way of the Master, the way to holiness and righteousness. I have warned, and I have prepared all of you that these things would happen, and that My children would see much. Tell them child, and always remember to come to Me for My perspective on everything. MB: As was said earlier in this discourse...why were we handed this prophecy? One of two reasons: it is a parting message from the other olive tree or it is because there are some amongst us that are still hesitating to believe in the New New Wine and therefore need to be nudged by an outside source. The latter would not surprise me as it was one of the old TFI hang-ups; to need confirmations from outside sources in order to help us believe in our calling. Or perhaps it is a sip from both? Please, please Jesus, help us not to miss our calling due to unbelief. (See Warrior Band Prophecy)

What you are witnessing now and in the coming near hours and days will bring many to their knees, just as I have designed. Worship Me in spirit and in truth, in fear and in trembling- for you know not which is the hour I come. The time is now come that judgment must begin at the house of God. This is what you are witnessing now, and there will be an increase in persecution, just as My Word states. MB: Whether this judgment the prophecy speaks of is upon the system church or those Children of David who turned their backs on the Words of David, it matters not. What matters is that the hour is almost upon the world and if these in the house of God are still in the world at this point, then they are in the wrong place at the wrong time. (See MO Letter "Great Escape")

Those who walk so closely with Me understand another great shift has taken place in the spirit, and I am carefully measuring the hearts of all who say they belong to Me. The motives of men are being recorded as I speak, and there will be an accounting and a recompense for every word and every deed. MB: You could not get a more definite affirmation of what has been said in the "Blueprint for the Final Hour".

My church is now undergoing a great shaking which is to cause brokenness, humility and repentance. This crushing and purging that is now taking place is causing great upheaval in My body worldwide, and you are seeing the great unraveling. I will bring down the false prophets and liars and all your enemies, as all heart motives will be exposed. This is the beginning of the great and terrible Day of the Lord. Be extremely circumspect in all areas of life, as things are not as they appear. Not all who say they are of Me represent Me. Great discernment is crucial, as to not be deceived. Be wise as serpents, harmless as doves! MB: These lines can only be talking to a select few, and why? Because of what is being said. To exercise "great discernment" you would have to have been following very closely up to this point. Unless of course you think that the gift of "great discernment" will just suddenly fall upon you whether or not you have been obedient? It is a message that has come almost too late for the majority of the church. If you did not willingly put your will on God's side when the call came, then how will you do so now? Only through a great shaking.

As the evil intensifies to an even greater degree than before, you are seeing manifestations of the dark kingdom in plain sight, as all that has been hidden in darkness is exposed. As you can see, a choice for truth or deception must be made NOW!! The hour is much later than you know. Persecutions will only increase, and My churches will be closed. Those who live in compromise and walk in idolatry, those who have put men and religion, traditions and rituals before Me will panic, as they have no firm ground to stand on, but I will protect and provide for My own- My remnant who has overcome. MB: Who is it out there that is listening to this message? How can a message like this reach a generation that is already being sucked into what was called yesterday in prophecy “total darkness”? It is a warning to those who already see the light. And those who think they have the light but are still yet in the world are already in gross darkness. They are already deluded because they rejected the Words of David. Those Words were given to the church and the world in Technicolor by David’s children. America cast those prophets out –and now the reaping. Julie is My other tree and the message is very late in coming. Take heed, My Children of David; take heed as you travel back into earth’s orbit and know with a surety what is up ahead. Our prophecies about leaving the City of Light for the last orbit around the earth, talks about us still being in the spirit, it is not talking about getting into worldly affairs.

As you see all throughout My Word, great suffering must take place in order that hearts are broken, and My children are brought to a place where they must make a choice– a choice to completely surrender and obey ALL My commandments in every aspect of life with NO exception, or a choice to continue to compromise. It is the only way that the separation that has been foretold is being fulfilled.

I say to you now- this separation is almost complete. I am now separating all those who are not completely committed in EVERY area of life from those who are. A great distinction is forming. This will determine for each soul the next season of refining that is required in order to join Me in My Kingdom.

Prepare you who still remain lukewarm! Circumcise your hearts and not your garments! Your last opportunity to choose Me wholeheartedly is here and now. Do not hesitate, as My trumpet is sounding and My call goes forth to bring to Me My own!

MB: Prophecy: You, My Children of David, are the leaders and commanders of the people. That is why the message above does not come as a great surprise but as a great confirmation that all you have been given through My prophet David and the New New Wine is truth. I have declared that I will not lie unto My servant David; neither will I lie unto his children. Gird up thy garments and leave off any unbelief or hesitancy in your high calling. This is a message for those that still hold to those little foxes in their vineyard. Call on Samson to come tie their tails together, set them afire and send them into the enemy’s fields of tares. This is your last call; from now on I need you to be absolutely focused on the mission at hand. You have in your hands the Seven Thunders. They that honed them during their time in the City will rejoice with great rejoicing at the day of My coming. Leave off now; put all doubtful disputations aside for the time of your greatest calling has come. Gird up the loins of your mind for you are entering earth’s atmosphere and great great darkness.

Prophecy continues: My loves, there has been very few in the world that have received the witness of David’s children since the days of the reboot, very few, the church has carried on with their hypocrisy and churchyness and false religious activities. My TFI children have watered down My truth and are nothing but a system online church. There are only a few true witnesses out there on the street, but as has been revealed to you, the great day of the final spiritual witness began with the calling of My White Angel and San-Badh-Mahl. The gospel hardened dark and deluded minds of the Endtime generation walk in darkness, they are prisoners of their own unbelief and rebellion. This is the last dark hour. You wonder how many of the people on earth are saved or are even receptive to the gospel. I sent My Aquamarine very recently with a report on how receptive the people on earth are at this the darkest hour in man’s history. You should not be surprised when you hear that the 144,000 will be the last singers on this earth before the end. You look out at the church and your carnal mind tells you there are millions of Christians, but My Word has been telling you for years that what you see is mostly hypocrisy. Yes there are a few true ones out there, but if you won’t listen to the Words of David and believe then listen to the Words I sent you through My other Olive Tree, for she is from that world and is in that world, she is a witness against them, and you are a witness against the children of David. Yet it matters not, who is left, and even if the saved on earth ever get to go into the City at the Judgment Seat of Christ. There are many levels of Heaven, and it starts in Gragau. Yes even if you make your bed in hell I am there, teaching training and encouraging you to level up. Where you end up,

although surely saved depends on your majesty of choice and free will. Take heed to the Words that I have placed in "Rehab Before Heaven" and allow Me to open your eyes to the reality of the Kingdom of God and how it is governed and administered. We are going back to the beginning, where man left off and that does include everyone's lessons; what you didn't learn on earth or where you left off on earth is exactly where you will begin again in the Kingdom of God. Do not think just because old prophecies said such and such about any topic that comes to mind, like salvation for example. I give My Word to each generation, but as time moves on and My children learn to receive new truths I show more, or reveal more truth. As I said to My disciples, I have much to say to you, but you cannot receive it as yet. Look and search scripture, does it say that a saved person, immediately upon death goes straight to heaven? It speaks of Lazarus it speaks of the thief on the cross; the thief on the cross was promised paradise, he had to go through the levels. Paul went to the third heaven. The first heaven is down the seventh heaven is up, you are at present on ground floor. Your love for Me and My Word is what defines the level you are on. There are spiritual levels also, for example your body is on ground floor but your spirit is not. The experience of being in the flesh and feeling as though you are in prison will not be the same as when I give you your eternal body. As you grow spiritually so do I give you more understanding, however if at a point you don't receive the new revelation then that is where you stay, or that is where you begin your slide back down. If you were witnessed to in your previous life but you didn't receive salvation back then, you don't get to experience being born again and you certainly don't get to receive any more deeper truths, how can the flesh mind receive the things of the spirit? I am expanding your spiritual mind with each revelation that you receive and begin living. All revelations play their part in your journey to loving Me more; look how far you've come since receiving the revelation that I am the Son of God and that I died to save you from the second death.

As I said at the beginning of this dissertation, earth and all on it and under it have come to the last day of gross darkness and you have been given the score, so follow the lines keep on Key and sing My brides sing.

Some tears will be shed in Heaven over some of the wrong decisions that we were so determined to make. (ML 3452:44)
