1. **I SAW A WHITE BOOK OF 32 PAGES** about six inches by six inches, held in human hand. It had large print and a white cover. It contained what seemed like letters, and **IT HAD AN INDEX**. There were **key words**, important words **that told things and places**. The pages were turning slowly. I woke up, then went back to sleep and the pages began to turn again. There were some words on each page blotted out, but never more than one or two or three words on a page.

MB: Does the 32 pages have any significance? Go back 32 years from 2022 and then add on 3.5 years and see what you get. Give or take a few months and you arrive at the departure date of David from this earth life. 1994 is the official date given. (1994 +32 =2026). We believe the year of the return of our Lover) see blog post: [Dream of God's Thundering](#).

6 x 6 is an interesting shape for a book. The Holy of Holies was square, so is the base of the Heavenly City. At the end of this blog is an interesting excerpt from Christine Beadsworth who describes a vision she had before starting a book, she says was commissioned by Jesus regarding the Endtime. What does the 'a white cover' mean? This represents newness of life, a new book, new wine, no names, no titles, no organization, just AN INDEX that uncovers the Key letters and Keys Words that were blacked out or censored. David was asleep in the system, and was woken to fulfill his calling producing The MO Letters, and then went back to sleep and will remain asleep until he is called to rule and reign with Christ. The letters HAD AN INDEX that began turning after David went to sleep. David's Words are the Words of God and they are strong meat, but they were being blotted out, not successfully mind you, no more than one, two or three words on a page. Once THE INDEX began putting all the key words back together they told of events and places...like prophecy. Interesting fact, if you can remember that at the beginning of the early pubs purge we were asked to block out certain lines and words in some of the hotter pubs.

2. **IT SEEMED LIKE MAYBE I WAS WRITING IT, LIKE I OR SOMEBODY ELSE WAS WRITING IT FROM SOME KIND OF PRISON, AND IT HAD BEEN CENSORED**, but someone had figured it all out and indexed it.--So when you put the words back together you could tell what it said. Those words were blocked out in black ink. When you put all the words in the index that they were blocked out **together**, they told something important about where things were and what was going on.

MB: Someone tried to block out the Key words, the revelations held within the Words of David that would be revealed as the of End drew closer, and it was the job of THE INDEX to put them back together so that everyone listening would hear about the important things that were going on. The whole world had become like a prison under the regime of the Antichrist. But those working unblocking the Key Words were being helped from the spirit world. It was really a work of the spirit. And of course we now know that the censoring of the Words of David resulted in the final call to burn the books, 2022. see blog post: [Book Burning](#).

3. **SOMEBODY HAD MADE AN INDEX**. Almost like those special words were a code, the words that really told the message, like the Lord had inspired them to figure it out. **The whole thing was a message**, but the Enemy had blotted out the key words to keep you from knowing what it meant. But the Lord had inspired somebody to figure it out, and that made it all plain. In a way it was **like prophecy and interpretation**.

MB: The MO letters are in code, they were written for then but also for now, each Key letter had a coded second layer that told the real message, and THE INDEX was undoing the enemy's dirty work by figuring out the meaning and making it all plain through the gift of prophecy and interpretation. And this no doubt was the enemy's real intent with "burning the books"; to destroy the new weapons, for example the Keys of the Kingdom, which are a vital component when one of the Children of David wishes to receive prophecy.

4. **YOU COULD COMPARE IT TO THE DREAMS AND VISIONS THE LORD GIVES, THAT YOU DON'T UNDERSTAND UNTIL THE LORD GIVES THE KEY**.--The Lord even has to interpret it. There was the message clear and plain, but it was like the **Enemy** was trying to blot out the meaning. There were other people there watching me turn the pages and we were talking about it. In the dream I was much bigger than the little people that figured out the index. I was so pleased. It was like I was God turning the pages of the book, one by one, slowly, and I had come to some black blocked out words, and I had looked in the index to see if they'd gotten it.

MB: David is working with the index team from behind the veil, checking on them to see if they are getting it right, he also has his team discussing each step. The index team have to wait on the Lord to reveal the secret to the blocked out Key words, the Keys play a very important part in the building of the index. The message is very clear and plain, but it has to be received from the Lord, from across the veil.

5. **I WAS REALLY PLEASED WITH THE PERSON WHO MADE THE INDEX**, 'cause they'd gotten the meaning. It was almost as though I was checking on them to see if they'd gotten it right. **THE TURNING OF THE PAGES MUST BE SYMBOLIC OF HOW THE LORD GIVES YOU ONE REVELATION AT A TIME**, but when you put it all together it makes a story, but **you had to have the key to these words or you couldn't understand it**. All these blocked out words put together help you understand the whole story.

MB: The key is the Keys, it is the Keys that are key to the words and they only come through revelation one at a time. And it started with the "[70 Years Revelation](#)". A very clear and plain message that no one could see because they weren't using the Keys to understand the whole story.

6. I WAS PLEASED WITH THE FELLOW FIGURING OUT THE WORDS. He was, believe it or not, sort of like me. The book had large print **and only 32 pages**. The Word of the Lord came to me. **EACH WORD IS LIKE A WHOLE PICTURE, LIKE EACH WORD IS A REVELATION**, or each revelation is a word. "The Word" of the Lord came to me, saying. So often it is sort of a flash. It was like I was in God's position and seeing it through His eyes, in a way.

7. I WAS ASKING THE LORD WHERE WERE YOU, MARIA, AND YOU WERE THE LITTLE PEN IN MY HAND! Look how long it took to figure out the **"70 Years Revelation"**, and how the Enemy tried to block it!--Yet some of these are **key prophecies and key words!** It is the **Lord** who opens the book, it is **He** who turns the pages, but He gives the job of **indexing** it to us!--And, of course, **He really inspires to us to index it, to make the meaning clear.** Amen?--**Maybe our Index will turn out to be 32 pages!**

MB: Indeed yes, the story of all our lives after the passing of The Prophet, 1994 + 32 pages, with each page representing one year [gives us 2026](#). The story includes the Maria letters, (Pen), the Reboot, the time of dearth after [the Reboot](#), the Book Burning and the breaking of the Covenant in 2022 (Significant year). Now we stand almost 10 months into the tribulation as the elites hold [the ball of string](#) (globe) in their hands, the last knot almost untied. Once that is accomplished the final days of Great Tribulation will begin. (According to a prophecy given inthe book burning happened in late 2022, this signified the breaking of the covenant between David and God, thus bringing on the last three and a half years. Which would end sometime in 2026.)

September 27, 2022...more on the index

Don't forget that equation 32 pages long, all white with a white cover, each word was a revelation, each revelation was a word, a key. The 70 Year prophecy of the end was the Key that opened the door to all the other words. [1994+32=2026-3.5=2022.5](#) see blog "[Last Church Last Covenant](#)" Searching for and finding that key was what made the Lord so happy, because He was then able to open up the mysteries of the End to the holder of the Key who could then begin preparing the Index. And although the index may look a little confusing to you, don't worry it is all being compiled and prepared into a book of Key words that have their own special revelation attached, like a virtual reality story book of the events of the End, beginning at David's death. It is a follow-on of David's story. 32 years of events that have been recorded in the Maria letters. That is why you must get up early and read as much as you can, hear from Heaven as much as you can, so that this book can have the content that follows the Maria's letters, all in order, so that the book can be properly indexed. You might say it is the next floor up in the House of David.

The actual numerical equation is a key code for the chronological sequence that is being recorded within the key words of the Index. And it is 32 pages long, with each page representing one year. The Index will be completed sometime in 2026. It's a fascinating project and very interesting, 32 pages/years long, consisting of Key Words that when accessed open up to a virtual reality story of events. So actually the book is very large, a book filled with hyperlinks, and is an addendum to the life of David. Jeremiah 30:2-9, 23-24

Jeremiah 30:1 The word that came to Jeremiah from the LORD, saying, :2 Thus speaketh the LORD God of Israel, saying, Write thee all the words that I have spoken unto thee [in a book](#). :3 For, lo, the days come, saith the LORD, that I will bring again the captivity of my people Israel and Judah, saith the LORD: and I will cause them to return to the land that I gave to their fathers, and they shall possess it. :4 And these are the words that the LORD spake concerning Israel and concerning Judah. :5 For thus saith the LORD; We have heard a voice of trembling, of fear, and not of peace. :6 Ask ye now, and see whether a man doth travail with child? wherefore do I see every man with his hands on his loins, as a woman in travail, and all faces are turned into paleness? :7 Alas! for that day is great, so that none is like it: it is even the time of [Jacob's trouble](#), but he shall be saved out of it. :8 For it shall come to pass in that day, saith the LORD of hosts, that I will break his yoke from off thy neck, and will burst thy bonds, and strangers shall no more serve themselves of him: :9 But they shall serve the LORD their God, and David their king, whom I will raise up unto them.

Jeremiah 30:23 Behold, the whirlwind of the LORD goeth forth with fury, a continuing whirlwind: it shall fall with pain upon the head of the wicked. :24 The fierce anger of the LORD shall not return, until he hath done it, and until he have performed the intents of his heart: in the latter days ye shall consider it.

MB: Just to put you in the picture let me read you Christine Beadsworth's introduction to her book called "The Book of Endtime Wine" written in 2019, which is also around the time the [Gideon's band](#) began forming, well it was little later than the time, but still. Now as I said previously, we are not following Christine in as much as her being the prophetess to follow, but her visions and dreams are so uncannily similar to what we know, that I see it as a strong confirmation that we are on the right track.

Just a Little Extra Explanation...

Christine Beadsworth: When the Lord laid on my heart the writing of this book, He was very specific in all details including the dimensions, the colors to be used, the style of the cover. As I recorded His instruction, I thought of Moses up the mountain with God, getting extremely specific instruction for all the elements of the tabernacle. No detail was too small because what was being made in the earthly realm was to represent a truth in the heavenly realm. This Book of End-Time Wine is exactly the way it is to depict spiritual truths. It is [22.22cm x 22.22cm](#), an exact square, like the measurement given for the [Holy of Holies](#). This is because what is contained in this book was heard in that [spiritual place](#); the place where God meets with His friends face to face, above the Mercy Seat, with the wings of the cherubim overshadowing. This is [the next station](#) which the true Church is appointed to occupy. We are moving beyond the altar of incense and the furniture of the Holy Place and we are pressing into the glory. The measurements of this book are also a reference to **Isaiah 22:22**:

Isaiah 22:22 And the key of the house of David I will lay on his shoulder, so that he opens, and no one shuts; and he shuts, and no one opens.

It is time for the key of the House of David to be made available to the end-time Church. The release of the sound of the end-time wine will be involved with this handover. We are moving from the Church age to the Kingdom age. It involves a change of station [and location in the Spirit](#). Most books published by the Church up to the this point are rectangular. But it is time for change. Most books are black and white. But it's time for full color. It's time for a word that has dimension and weight and eloquence in the spiritual realm.(End of article from CB)

MB: There are quite a few interesting points in her "Little Extra Explanation". But what I thought was worth an extra mention was the shape of her book, an exact square. Well the dimensions of the Index is an exact square too, 6x6. The number 22.22 is also a stark reminder to us of the year 22, not once but twice.
