

PRAYER REQUESTS UPDATED...March 2026

I'm sure that if we were in the M.E. right now, we'd be beside ourselves, desperately praying for an end to hostilities—which have actually wracked that region for thousands of years. The M.E. will never have peace; the wounds go too deep. And the M.E. is not alone when it comes to deep, irreconcilable wounds.

Yes, reconciliation will come—but only through godly governance. As citizens of the Kingdom of God, why would we want worldly kings and governments ruling over this planet and its people one second longer than is absolutely necessary to fulfill Scripture? Weren't we called on a mission [to fulfill Scripture](#), thus bringing an end to the usurper's rule? Yes, we were. Do you realize that we are [one step away](#) from victory? Are you [in place](#) to fulfill your mission?

If you have been following MB, you would clearly see that right now the kings of the earth are gathering for Armageddon. The gathering of the kings was invoked by our prayers. It is because of the words of David that we have this understanding. It is [the combination](#) of all that we've learned through the end-time prophet David that makes us the [prayer warriors](#) Satan fears beyond anyone else on this earth. To complete our mission, it is imperative that we call for [our King to come](#), destroy the gates of hell, and take [the Royal City](#).

This world is in dire need of [a Savior](#). Surely you don't have to follow MB to know that the whole world is drowning in sin. The simple fact that the US is attacking Iran because it wants [Iran's oil reserves](#) in order to live up to its name as the world's biggest Whore, and that the kings of the earth would have it so (**Revelation 17:2**), should tell you that this world is terminally ill. They've sighed over the Palestinian situation for years and years in the UN, but nothing has changed. The bottom line is; the people of the world are addicted to "white magic"; they can't let it go. Like addicts, they can only sigh ([not all sigh](#), mind you), saying I would give it up if I could, but I can't.

84. HAVE YOU NO PETROL?

The Arabs have no **Palestine!**

Have you no **heat?**

The Arabs have no **homes!**

Have you no **fuel?**

The Palestinians have no **food!**

Are you tired of queuing?

Arabs have waited 75 years for their lands!

85. CAN YOU BLAME THE ARABS FOR WITHHOLDING OIL from their **enemies?** Why not blame **Israel/Revelation 3:9ers**— for withholding the Arabs' land from the **Arabs? Israel/Revelation 3:9ers** are responsible for the oil crisis, **not** the Arabs! ([Israel Invaded](#))

It is now too late to remedy the situation (this side of the veil), the whole world, including the church, is [marked and numbered](#) (**Revelation 13:16**), leaving them with only one choice—the walk of faith. However, the system church fell away hundreds of years ago, which then left the "2222—[We Are It people](#)" to save the day. Sad to say, they in their time also fell. How it all happened is a long story and can be found throughout MB blog pages.

So What is Left?

Our saving grace is that Jesus fashioned a **Romans 8:28** out of the “great falling away,” and that’s where you and your prayers come into the picture. Almost all scripture that is to be fulfilled before Jesus returns has been fulfilled. We are on the cusp of His return. The gates of hell are about to fall. [The Final Key](#) is about to slam into the hitherto [locked barrier](#).

Your prayers are the final seal, the last trump on Satan’s rule over the hearts of men. If you believe, then through the use of the Keys of the Kingdom, pray with all the desire you can muster—and the course of history will be changed in the twinkling of an eye, at the last trump. The time is now.

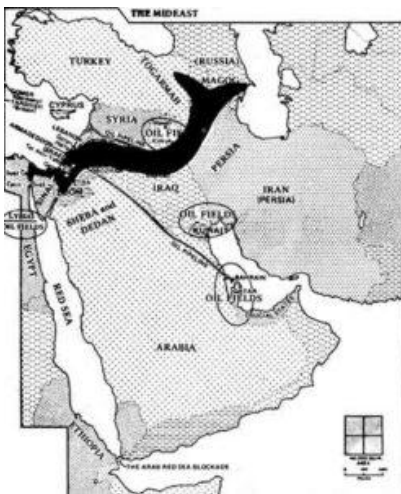

Man can and will never be able to save himself. The leaders of today are only paving the way for worse ones tomorrow. They’ve achieved their goal—**Revelation 13:12–18**. Scripture is fulfilled; now is the time for the armies of God to strike.

You can tell by what you just read that we here at MB are convinced that the world has entered the very last days immediately prior to Jesus’ return and Armageddon. How we reached our conclusion is laid out in our posts and blogs, which stretch way back to 2018.

According to the Words of David, it is in the hands of the “People of the Keys” to bring an end to man’s beastly rule on earth and herald in the return of our Lover, King, and Savior—Jesus—whose job it is to destroy the Whore and the Beast and bring on the Millennial Kingdom of God.

If your only desire is to see Jesus return and stop the insanity of man’s march to hell, then here is a list of prayer requests that will help you pray this vision into reality. Remember, it is not the length of your prayers that makes the difference but your sincerity. We have the right weapons to do the job.

This is the hour of your destiny. Stand tall and strong, and call on the power of the Keys to do battle with the Enemy—and Heaven will do the rest.

PRAY REQUESTS

- Pray for the war in Iran to escalate (It’s scriptural). As Dad brought out in “Israel Invaded”—the best, easiest and shortest way for the king of the north to reach Israel is through Iran. There are right now thousands of Russian troops just north of Iran, and thousands of American troops just across the water from Iran. The Americans are also increasing their military force in the Mediterranean. It would seem the 3 unclean spirits of Revelation [that we invoked](#) late last year are fulfilling their role. I believe that this build-up is the lead up to **Daniel 11:40-43**.

For the war to escalate all the kings named in Ezekiel 38 must be gathered to Armageddon. This is not about politics and the whims of man, this is about winning the war in the spirit, which when won, will manifest in the physical realm and we will see these men of force, forced into fulfilling God’s will.

- At present Russia is only involved in Iran by proxy. **Ezekiel 38:4** says that Jesus will drive a hook in [Gog’s jaw](#) and force him to fulfill his destiny. Our prayers are that hook.

- Pray for the 3 unclean spirits like frogs to continue gathering the kings of the earth to Armageddon.

- Earth's frequency is corrupt, it is presently [running on 666](#). Praying for a frequency change will assist the forces of heaven to accomplish what is yet to be done. Here is a post that explains how our prayers can begin changing the earth's frequency to 6.66 (the color blue). [Using Prayer and the Frequency of Blue](#)

- Pray for [San-Bahd-Mahl and the White Angel](#) and their armies to complete their mission of gathering all those that are sighing over the atrocities being committed by the Mafia bosses.

According to Jewish custom, the [barley harvest](#) is counted in omer's. We recently discovered that the counting of the omer is done on the 3rd of April. Which, in our calendar, is the day before [Lambda One arrives](#) to take the "[barley](#)" to the Marriage Supper. Another interesting tidbit: In Joshua 7, it was a barley loaf that struck the tents in the Midian's dream, which resulted in the total annihilation of the Midian host.

- Pray for your desire for Jesus' return to increase one hundred-fold. Jesus said in prophecy that it would be our prayers that [begin the charge](#). And in our post entitled "[Our Call of Love That Brings On the Rapture](#)" He said it is our desire for our Bridegroom that would cause Him to come.

- Continue to pray for the igniting of the "Dome of the Rock". In so doing that would fulfill another of Dad's dreams. If Libya and Ethiopia were to begin attacking Israel from the West, which would seem logical, as they do not have the capabilities to attack on the Iranian side, then wouldn't that also be fulfilling Ezekiel 38. It was suggested that the Dome of the Rock may be symbolic of all of Islam. Therefore an attack on Iran may be a symbolism of the Dome of the Rock igniting. All the same I would dearly love to see that false temple go up in smoke.

- Pray that more people catch the vision that it is the Brides job to call the Bridegroom to come. It's not about Jesus not answering the prayers of the few remnant, but more on the lines of the late comers reclaiming their destiny. ([The raising of the bones](#))

- Continue praying for the collapse of the Whore. Although Jesus said in the MB post "[Whose Gonna Stop the Whore?](#)", that it is His job, it would nevertheless be a fitting end to those there in America pulling the strings to have their war efforts fail. And according to what is being said in **Daniel 11:40-45**, the Whore is going to be smashed in this confrontation. *And at the time of the end shall the king of the south push at him: and the king of the north shall come against him like a whirlwind, with chariots, and with horsemen, and with many ships; and he shall enter into the countries, and shall overflow and pass over.* **Daniel 11:40** - Pray that America becomes bogged down there in the M.E. The US cannot maintain a drawn out war, she is too far from home. Whereas Russia can, seeing as her border almost reaches Iran's.

- Pray that Jesus does send "[the fleet](#)" to pick up those going to the Marriage Supper. This is a personal request, as I couldn't think of a better and more fitting slap for the Elites to have an alien force arrive on the scene and take away a large percentage of their slave labor force. And on their way out, give the elitist world a [blast of EMP](#) just to give them something to think about for 24 hours.

- Pray for the portals and veil to be widened in order that all those suffering under the hands of the elites world-wide will receive continued aid from the spiritual realm. The arm of man has failed [our loved ones](#), help cometh from the Lord. They need help that the elites simply don't want to give. Ask Jesus through the Keys to give them spiritual, physical and emotional aid. Nevertheless come quickly Lord Jesus.

- The suffering of God's people has a divine purpose. It is a necessary part of fulfilling His purpose to purify and make white those that will rule and reign with Jesus in the Millennium. Pray for all those that pass through tribulation that Jesus fulfills His perfect will in them.
