- Pray for the war in Iran to escalate (it's scriptural). As Dad brought out in [“Israel Invaded”](#)—the best, easiest and shortest way for the King of the North to reach Israel is through Iran.

- [Pray for Abbas A](#), Iran's Foreign Minister

- At present Russia is only involved in Iran by proxy. Ezekiel 38:4 says that Jesus will put a hook in Gog's jaw and force him to fulfill his destiny. [Our prayers are that hook.](#)

- Pray for the [three unclean spirits like frogs](#) to continue gathering the kings of the earth to Armageddon. Earth's frequency is corrupt; it is presently running on 666. Praying for a frequency change will assist the forces of Heaven to accomplish what is yet to be done.

- Pray for San-Bahd-Mahl, the White Angel, and their armies to complete [their mission](#) of gathering all those who are sighing over the atrocities being committed by [the Mafia bosses](#).

- Pray for your desire for Jesus' return to increase one hundredfold. Jesus said in prophecy that it would be our prayers that begin the charge. And in our post entitled [“Our Call of Love That Brings On the Rapture”](#) He said that it is our desire for our Bridegroom that will cause Him to come.

- Continue to pray for the igniting of the [“Dome of the Rock”](#). In so doing, that would fulfill another of Dad's dreams. If Libya and Ethiopia were to begin attacking Israel from the west, which would seem logical since they do not have the capabilities to

attack on the Iranian side, then wouldn't that also be a fulfillment of Ezekiel 38? It was suggested that the Dome of the Rock may be symbolic of all Islam. Therefore, an attack on Iran may symbolize the Dome of the Rock igniting. All the same, I would dearly love to see that false temple go up in smoke.

- Continue praying for the collapse of the Whore. Jesus said in the MB post [“Whose Gonna Stop the Whore?”](#) that He would be the One to smash the Whore.

- Pray that America becomes bogged down in the Middle East. The U.S. cannot maintain a drawn-out war there indefinitely, as she is too far from home, whereas Russia can, seeing that her border nearly reaches Iran's.

- We here at MB are still praying for [Lambda One to appear](#) at the Rapture. Just because April 4 didn't eventuate doesn't mean Lambda One isn't coming.

- Pray for the portals and veil to be widened so that all those suffering at the hands of the elites worldwide may continue to receive aid from the spiritual realm. The arm of man has failed our loved ones; their help will come from the Lord. They need help that the elites simply do not want to give. Ask Jesus, through the Keys, to give them spiritual, physical, and emotional aid. Nevertheless, come quickly, Lord Jesus.

- The suffering of God's people has [a divine purpose](#). It is a necessary part of fulfilling His purpose: to purify and make white those who will rule and reign with Jesus in the Millennium. Pray for all those who pass through tribulation, that Jesus may fulfill His perfect will in them.

- Pray for the health of all those on the frontline of battle—both young and old. Along with battling ongoing health issues, more importantly, we all must maintain the vision of holding the Torch of Revolution high. The [Words of David](#) must [make it across the line](#). Jesus greatly desires that faith be found on the earth at His return. If you die in battle, then you have done what was required to fulfill that vision.

-The just shall live by faith. Pray that, as much as possible, we remain separate from the ways of the world and from those who walk in them. Jesus said: 'I have given you this plan—the plan of trusting totally in Me, the plan of living by faith in Me and Me alone—for I know that this is the only way you will survive in these troublous times when men's hearts become hardened.

The dynamics of My supply work opposite to what you perceive with natural and carnal thinking. Just as I supplied for the children of Israel as they wandered in the desert, so I am able to supply for you in today's modern world—and in great abundance!

- Pray that the Seven Thunders and the Keys of the Kingdom become a part of our very being. This is why we are on Earth, and this is the only way we are going to fulfill our destiny.

Summary of New Keys:

Below is a brief summary of each of the new Keys that were created leading up to and immediately after April 4. These weapons were created to be used by us in our prayers. We are certain they are essential to winning the final victory. As new Keys are forged and presented to us we will add them to this list.

The Purple Key:

A very crucial Key forged by the suffering of the saints and martyrs of all time and the blood of the Lamb. This Key is to be inserted into the Final Key so that all scripture can be fulfilled and so that the barrier can melt. This Purple Key is as the small stone that will bring down the evil giant.

The Key of 144.66 (The Full Key):

A gift of a new Key Jesus gave us for being faithful to carve His secrets. This Key came from combining the Master Key of 22, the 32 pages, 40 days by faith/sight, the Power Key of 44 and the Blue Key of 6.66. This Full Key (144.66) has brought the barrier within reach through our fervent prayers to shorten the distance to our destiny. The Full Key also speeds up all the components of the Final Key.

The Power Key of 44:

A new Key that Jesus forged and created out of the hundreds of desperate prayers to Him in the many months preceding April 4th and from the sorrow and grief we experienced at Him not returning. This Key empowers us to hold up the Light of Israel to bring the Light across the line.

The Key of 91:

A Key that Satan tried to steal from Jesus in the wilderness when quoting from Psalm 91 to Him. Jesus clung to this Key for our sakes so we can have access to it now for greater protection in the wilderness we are in. Just as Jesus held fast to this Key in the wilderness, He is giving us this Key to hold fast to His coming so Satan can't steal our joy, our access to the treasures of the Spirit and our ability to be one with our helpers and blue Angels.

The Master Key of 22:

This Key is held by Tola and Tor and unlocks all secrets. Calling on this Key brings Jesus' return closer as it was slotted into the Final Key. Calling on this Key signifies the great event of calling on our King Jesus to reveal to His spiritual enemy that the end is upon him and his gates are about to fall. A very powerful Key to use when praying for people and situations to change.

The Blue Key of 6.66:

The Key that we must call upon to change the frequency of the earth back to its original, Godly frequency. The Blue Key also shields us from the attacks of Satan and allows Jesus to fully possess us. The Blue Keys turn into swords to defeat Satan and his imps. Our Blue Angels possess us to enhance the Blue Keys in our hands.
