

Every time I close my eyes to hear from You it's like being a breath away from a long-awaited kiss.

Song of Songs 1:2 'Let him kiss me with the kisses of His mouth.'

And by Your savor will I be satisfied. I will drink of Your lips and I will taste You, for it is my soul's reason to long for You and know You. Oh Jesus by the kisses of Your mouth is my heart content.

(Dad)The Lord's Words are like KISSES to our spirits, amen? His Words encourage & feed our souls, like the kisses of a lover! (Word, the Word, the Word!, The [#2484])

So come! Come! Come, My Bride! Come, My loves! Come, I call, come! Come to My bed, come to My arms, come to My kisses, to My lips!

[The word kiss in Hebrew (Strong's #5401) is nashaq נשק which means putting two mouths together.]

Thou must kiss the mouth and the Words of David if thou wouldst be satisfied, and thou must lie down and find rest within his arms, for he would bless thee and thou shalt be blessed of him. There is none other like him in all this generation, for he is that one that loveth that which is unlovely and cherisheth that which is despised and giveth meat to the lowly and bread unto the hungry and freedom to those that were bound.

Therefore, if thou wouldst have Light and if thou wouldst have meat and if thou wouldst be satisfied, thou shalt hearken unto the words of My David and thou must drink of his milk-for he shall satisfy thee!

For I have quickened the heart of David and lightened his mind and brought forth his waters as honey and sweetness that they might nourish My little ones and grow up the calves of My stall and the lambs of My fold!-And this generation shall be called blessed of all generations, blessed of Me, their Father, and of David, their Shepherd, and they shall be satisfied, for they hunger after Me and call upon Me, and I will hear their cry!

I have had compassion upon this generation and sent unto them one shepherd, that they may know Me, Whom to know is Life Eternal. For they hunger after Me and grope after Me in darkness, and they would have the Truth. Therefore, I have given them a shepherd that shall guide them into the Fold of the True Shepherd. My Voice shall they heed through My Servant David.

Heed thou and hearken therefore to My servant, for this is that David whom I have spoken of for the Last Generation-the Prophet for this Age-the one that shall carry the lambs in his bosom and give them suck and shall cherish them and nourish them.

These are the remnant of Israel and these shall be the last, upon whom the ends of the Earth are come. These are they whom are blessed above all generations, in whom all things I have spoken are fulfilled. For this is the fulfillment of all generations to prepare the way of the Lord and make His paths straight for His coming!

These are they of which I have spoken and these are they upon whom are fulfilled all the words of My Prophets of all generations. These are the little ones, the sheep of My pastures and the flocks of My Folds who have suffered above all generations and who run after that which I shall give them.

Dost thou kiss the words of David and love the honey that droppeth from his mouth? Dost thou lick up each drop and dip thy tongue in the sweetness and cherish to thy belly that which cometh forth from My mouth of David? Then thou art wise and therefore thou shalt be fed and thou shalt be cherished and nourished in My bosom, for the bosom of David is as My bosom that I have given thee, this generation that I have loved!

If thou would open thy mouth wide and receive it, I will not only give thee honey and sweetness from My mouth, but I will give thee wine of My Spirit and thou shalt tingle to the thrill of My ecstasies, if thou wilt receive it. (Psalm of David, A [#0152])

EZE.34:23 And I will set up one shepherd over them, and he shall feed them, even my servant David; he shall feed them, and he shall be their shepherd.

EZE.34:24 And I the LORD will be their God, and my servant David a prince among them; I the LORD have spoken it.

EZE.34:25 And I will make with them a covenant of peace, and will cause the evil beasts to cease out of the land: and they shall dwell safely in the wilderness, and sleep in the woods.

Sweet glorious Jesus, Husband, good Shepherd, The **ultimate long awaited kiss** has come and you have revealed your secret to us, the Remnant of the Children of David, as You promised!

(6th December, 2021)Thank You sweet Jesus for all You are showing us.

(Prophecy)I whisper my secrets to My most intimates, the ones who come to My bed, the ones who only have eyes for Me, who reject this world of filth and defilement. You want Me and My beauty and My seeds to fill you. Your yearning and earnest unrelenting seeking and searching tethers My heart to you. I can't help but be totally swooned by your single-minded passion for My love. Come into Me My loves and You will hear the very thoughts of My heart and mind. It is to You, My intimate ones, that I reveal My secrets to. You will be privy to My secret counsel. Because those that love Me the most, follow Me the closest. The Keys will become more and more apparent to you now. Because of your faithfulness, you will 'see' them at work so much more. It is My reward to you My closest ardent ones. It is to encourage you to keep on the path; the path which so few travel. You see so few that you sometimes wonder if you are in the right place and going the right direction so I send you signs that you indeed are. AS you hold out the Keys they will turn to mighty sword pens that write My words of revelation and truth. Let their fire burn the pages as a record of the Words that I speak unto My servants the prophets.

The keys of revelation will part the veil between your world and Mine and in our times of intimate communion I will reveal to you My secrets.

(Prophecy continued)You are my prophets. You wear David's mantle so speak forth the words of life. Life, My darlings! Your words will bring many to Me and give conviction, strength and courage to others to stand up for Me. You are saving eternal lives. So be not afraid to be My heralds, do not hide My light under a bushel. I am calling My brides. Come one, come all, the midnight hour is almost upon you.

You don't have to do it; call on the keys of the desire to do My will, and I will do it thru you.

WE desire, Lord. We know our calling. Help us to be brave. Help us to lie with You and receive Your secrets and warn those who will listen. (End of prophecy)

As you spend time in My temple, I refresh your spirit. As you kiss Me, I fill your mouth with good things. (Fight to Win! [#3457])

18th April, 2022 Jesus, I felt a bit more in love with You today. You touched a deep chord in my heart that was so beautiful. I felt Your presence almost tangibly in class and I'm still feeling the effects of being on Your frequency. I felt Your deep magic Jesus! The anointing You poured all over Stephen, I could almost see, like sweet honey being poured all over him. The power You poured through him was like a love gift to us all. I felt so in awe as Your words poured out his mouth like rivers of Your living water. It was such a beautiful faith filled ending to the 40 days revelation. We are so so blessed and being in Your presence like that helps me tremendously to know everything is in Your hand, Your almighty control. Thank You sweet Husband; that was an amazing Resurrection gift!

Because you love Me intimately, the spiritual veil between us becomes thinner and thinner as you fall deeper and deeper in love with Me and become more and more accustomed to My way of thinking and acting.

The thinner the veil gets, the nearer you draw to My presence. The more you are in My presence, the more power you have.

(Art of War, The, Part 3 [#3558:125,126])

Listen to 18th April "Resurrection Day"- So powerful! The kisses of His Mouth!

"Loving Me intimately is not only you loving Me, but it's also Me loving you. It's a two-way street, a two-pronged weapon, and the way to really use its dual purpose is to link it with prophecy."

Yours is a special calling. You're called to bridge the dimensions, to work in the physical realm, but also to have your heads and hearts in the spiritual realm, aware of what is going on there and working in the spirit to affect things in the physical. Even though you're in the earthly part of the battle, your calling is largely spiritual, and you're challenged daily by Me to increase your knowledge of the spirit and your activity in the spiritual dimension. ("Parallel Wars," ML #3626) (Xn 112)

(Jesus:) I wish for you to consecrate yourself to me My love and focus now on just you and Me. Come into My garden and gather My news and be cleansed and made pure, ready for what is coming so you can hear My frequencies. You must be untainted, clean and ready for Me and My channel, My fountain that I wish to pour down on you. I wish to heighten your senses and open your spiritual eyes and ears so you can hear Me loud and so very clear, to receive My kisses. Otherwise there is constant static and you are pulled this way and that. I want you to look to Me and Me alone. I wish for you to dwell in My pastures and be filled with My life generating Word. I want you to rather spend time with the Keys and become closer than ever to them and your spirit helpers and the only way you can do that is to be absolutely single minded and devote yourself to flooding your mind with word on the keys especially and anything else pertaining to them. I wish to tighten up your reactions, to make them highly sensitive to My voice, to My instructions and commands. Unbelief in any of My promises must be drowned in a flood of the word and time with Me and hearing from Me and claiming powerful Key promises. That will fortify you and strengthen you like nothing else and it is high time to be doing that. I have set you apart and given you this time to sit at My feet and focus on the power. Full possession! And you simply cannot achieve that with media goop hanging off you. Your channel must be squeaky clean My darling one. And your time with Me must be as a chaste bride, with eyes only for Me. You will love it My sweet one. Your eyesight will be crystal clear and your hearing will be heightened like never before. You will enter into our realm more easily, slipping in and out throughout the day. You will be enriched My darling. I am so looking forward to it. (End of prophecy)

9th January, 2022(Prophecy) Come away with Me My love to the Halls of the Warrior band. This is your tribe; these are your heritage brothers and sisters of the faith, of the Children of David. Children of David band together because they understand each other, they speak the same language, they have the same goals and their sights are focused on challenging the enemy and making forays into his territory with the words of the Endtime prophet and the New Wine to rescue those who have lost their way and need to find their path again. It is the pure unadulterated old wine and new

wine of The Endtime prophet and his protégées carry on in his stead, bearing his mantle, proud to be called The Children of David. You may not have so much earthly, worldly knowledge but you do have something that as yet very few of them don't have and that is a direct link to Me with the gift of prophecy. They do have scripture to back them up and hold onto but you have the Words of David, the Keys and direct access to the spirit realm and a host of spirit helpers to advise you and aid you on your journey. You may be very simple compared to their intelligence but that's ok because I love using the weak. They are the other members of the body and have those that they need to reach and they are doing their job which is great. Your calling is to hear directly from Me and their intel just confirms that you can get your revelations direct from My mouth even without knowing any such information. Yours is the walk by faith without seeing, whereas they need the tangible proof. Just as My disciples differed, and Thomas needed that boost where he needed to actually feel the hole in My hand, many also need more concrete proof. Continue following hard after Me, listening to My whispers and focusing on the power and calling on the Keys of full possession. You have unearthly weapons My love! Actual supernatural spiritual access to My realm, through My portals, into the fifth dimension. This intel is all about what the devil is capable of doing and is actually enacting. But just remember, he is the great usurper and has only stolen My knowledge. His desire is to take My throne, which he will never do. He is going on full throttle now with his fallen angel technology but even with all that, he will ultimately fail. So sly, so utterly evil and dark! So don't worry too much about all this heady stuff, except that it confirms what I have already shown you. I will not lie unto My servants the prophets. Lift up your lamps and the keys and I will continue to light your path, your very narrow way, with the Truth. Continue to seek My presence at every turn, to smell My fragrance and to desire My touches, My kisses and I will fill you, My intimate Brides, for what you are seeking and needing to know. The fear of Me is the beginning of Wisdom. Seek me in the inward parts and I and the Blue keys will give you all you need to know. We are the Ones to give you all the power of the universe. It is My place to have this knowledge and it is My place to wield it. And it is My place to issue it to My loves, My tried and proven, My virgin Brides whose lamps are full and ready. Come away with Me and let us love long and sweetly and I will carry you above all this sea of storms and bring you into our place of peace and safety. Continue to be My Jeremiahs now. Continue to daily stand at the gates, issuing My words of truth and warning and invitation. Be bold and brave and hold high the flame of revolution to light the way for the Children of David. Be My beacons. Be My kisses. (End of prophecy)

So, the word kiss in Hebrew (Strong's #5401) is nashaq נשק which means putting two mouths together, it also means to array oneself for battle. The meaning is uncertain but it appears to be an old Akkadian word used to bring men together to prepare them for war or battle. It is sometimes used as a reference to training for battle as the word is used for touching. The soldiers would train in hand to hand combat which involved touching each other and would also prepare them for battle. It could be the writer (Ps.2:12 "Kiss the son...") is telling us that we are to come together with the son before doing battle and that we are to be in such close contact with the son that we may actually touch him.(from WORD STUDY – KISS OR PREPARE נשק by Chaim & Laura)

Here are 3 examples of 'kiss' used in this way:-

1 Chronicles 12:2: [KJV](#): [They were] *armed with bows*,

2 Chronicles 17:17: [KJV](#): of valour, and with him *armed men with bow*

Psalm 78:9: [KJV](#): of Ephraim, [being] *armed*, [and] carrying

(Englishman's Concordance)

The word for 'kiss' in Hebrew also means 'to equip with weapons'. Here in Song of Songs 1:2, we see that the weapons are imparted by the kisses of the mouth of the Bridegroom. And that takes us back to Song of Songs 8, where we read 'under the Apple Tree...' He awakened us. When He kisses us with the kisses of His mouth, when He breathes upon us and speaks with us intimately, He's imparting to us weapons; **new weapons for a new season - weapons of vastly superior size and power for the season that we're going into. :O**

The Hebrew word for 'kiss' doesn't only mean 'to equip with weapons', it also means 'armed men'. So, the legion of hard hitters is really a room full of kisses; The Lord's kisses - His armed warriors which He is releasing - like the mighty men of David, into the earth. They are fitted fortresses completely and utterly equipped, clothed within and without to be victorious in the season ahead.

Lisa: The following are some excerpts from The Era of Action Part 1 which was given in 2000 to the Children of David! We are blessed, so blessed! This was given to us 22 years ago! The Children of David are so far ahead! Because we have the Words of David given by the Endtime prophet, Dad! Jesus sealed us with a kiss. He made a covenant with us and all our desire is to please Him and do our very best to keep it! We will not burn our books and break our covenant with Him! But instead:-"hold out the Keys they will turn to mighty sword pens that write My words of revelation and truth. **Let their fire burn the pages as a record of the Words that I speak unto My servants the prophets.**"(Just as Mama was the pen in Dad's hand in The Index, now we must use the Keys turned to mighty sword pens!)

Contrary to the belief of many, we are the Last church, "WE are It!" ML#2222. Look at those numbers! Oh Jesus, I love Your kisses, Your touch!

The Armies of Heaven!

(Jesus speaking:) The armies of Heaven are mighty and powerful, thousands of thousands, brandishing weapons, mounting steeds, going forward into battle before you to clear the way. They are prepared as you are, anointed and commissioned. So do not fear and do not hold back, My armies of Heaven and Earth.

New Weapons In Heaven!

(Jesus speaking:) I have sent My spirits and spirit helpers forth to you, the children of David, that you might avail yourselves of them. They long to help you. They long to speak to you, to guide you. They long to become more real than ever. They long to be close to you.

These spirits that I have sent forth are not ordinary spirits; they are mighty warriors of the spirit! They bear with them all the armor of the Heavenlies. In their hands are the mightiest weapons that have ever been known to the Heavenly realm. They carry these weapons not in vain, but for your defense. They carry the sword not as a mere symbol, but as a means of protection and defense for you, My children.

(Era of Action! Part 1, The [#3288])

12th November, 2022(Jesus) Be still and imbibe yourself in Me. Saturate yourself and sit at My feet, still your spirit and listen. Be quiet, My love. Listen for the wind, the rustle of a breeze and I will whisper My words that are just for you. You pour out for others but now I want you to just fill up your own vessel again till you can pour forth again. Love Me long and love Me tenderly. Just spend time loving Me and praising Me and let Me gush forth into you. I wish to replenish you with My pureness, My power, My love and sustenance. Set yourself aside and do not drink of any foul waters for a week. Wean yourself from the tainted broken cisterns of the System. Learn of Me, My sweet. Come into My garden now and enjoy My pleasures, My delights, my sensations to strengthen you, to ready you. Fill, fill fill up! Drink, drink drink! Be a fountain sealed in My garden with Me. It's all that matters now. Let all else slip away down the drain. Flush it out, all the superfluous, the unnecessary which is not of Me. You are set apart, so stay away from it, from the unclean. Enter into My presence and hide yourself away, in Egypt but, **so** not of it. The very mention of it is a sully on your mind. Hunker after Me, My love-struck dove. Let Me quench your desires and replenish you. Let Me fill you with adoration and steadfastness. Lose yourself in Me. Want for nothing else but Me, My word, the words of David, the Keys! Call on the Keys of the wilderness, the key of Revelation 12:6! I will part the divide for you My darling ones. You will want for nothing. I will provide and protect as I promised. Take Me at My word. Remember our vows of love of consummation that I will cover you all the days of your life, now and forever. I will hide you in My secret pavilion. You and yours will be safe in the coming storm. Do not fear but show your unfailing trust in Me to gather your chicks under My unfailing never ending care. You must be brave and courageous My darling mother, resilient to the goings on around you and speak your Husband's mind. Do not waiver My darling. I am here and I will hold you. Hold that Blue Key in the palm of your hand now and keep it warm with your constant caresses. Rally your warrior army to encircle you and all your thoughts, all your movements. Stay alert! Build our wall of defence by loving Me tenderly and tending My garden. Use it as the

powerful weapon that it is. When you are focused on Me all else falls from you and the enemy can't touch you, thus a weapon that you need to be skilled in using. So keep building our walls honey to keep the enemy out of our special place and as a fortress to keep you and yours safe. (End of prophecy)

O let me kiss Thee in return with the kisses of my lips.

GOD is continually kissing & encouraging us with His WORDS to reassure us that HE still loves us! PTL!

We should be so THANKFUL to hear His WORD, we should KISS every one of them, they're so precious, we should be so thankful, amen? TYJ! TYL!

(Word, the Word, the Word!, The [#2484])

Oh, Jesus, we need You so desperately, each of us! We want to enter the bedchamber with You! We want You to hold us in Your arms and to give us Your Word-kisses.

A Power to Reckon With!

(Jesus speaking:) My darlings, My brides, I love you. Let the wind blow! Let the wind of My Spirit blow through your hair and your body and your very soul. Be touched by My Spirit. Let it swirl and whirl and flow right through you. This is not the gentle breeze of My caresses that I'm talking about; this is the mighty wind of My mighty Spirit, the power of My love fucking you wild and furiously! I want you to know of My might and power. I want you to partake of My power. I want you to be overwhelmed by My power. I want My power to become a part of you. With that power you will conquer the nations, the hearts of men.

Because of this power you will be a thorn in the Evil One's side. Though there will be only a few of you when compared with the multitudes of the world, you will be a power to be reckoned with. You'll certainly be feared by those who are "in the know," for they will see your power and they'll know of the source. They will tremble! And because they fear you they'll try to stop you, but they cannot! They cannot stop My power that is within you. So take up your commission and take up your anointing and take up the power that I am endowing you with. Go and do battle with the Evil One! The angels stand in awe at the sight of My Endtime brides. Even among the angels there does not shine brilliance such as I rain down upon you now.

What a sight to behold--Heaven's glory descending upon you, My faithful brides who receive My holy consecration. Oh, the wonder of it, the marvel of it, the mystery of it, the might of it, the splendor of it, the majesty of it--My supreme power and glory poured upon you, My anointed, My consecrated, My sanctified brides. It is done! **You are holy and consecrated. I seal it with a kiss. I've branded you with the firepower of My sword of truth. I cover you with fresh anointing. I strengthen you with the light and might of Heaven!**

Nothing in all the universe nor in the worlds beyond can match the brilliance and the glory with which you will shine before the nations. My dear brides, believe and receive, for in this lies your strength and power. Hold on to your faith and never look back.

I have promised and I will deliver! The devils do see and they tremble! Oh, how they shake with fear, for they know deep within their hearts there's nothing they can do. It's out of their reach, out of their power. As long as you, My brides, believe and receive, it's out of their realm and jurisdiction. They can't touch My anointed, for My hand is strong and mighty to work on your behalf. Though Satan has loosed his own to run wild, up and down and across the four corners of the Earth, this one thing they fear: They fear you, My anointed, with your believing hearts and unwavering faith, for they know that in your great faith lies the victory and the power. (Era of Action! Part 1, The [#3288:176,177,198-200])

"KISS the Words that He gives through the mouth of Thy Father!" Hallelujah! TYJ! That means you should be so THANKFUL when He speaks to you! We should be so THANKFUL to hear His WORD, we should KISS every one of them, they're so precious, we should be so thankful, amen? TYJ! TYL!

Do YOU kiss His wonderful Words?--ABSORBING the Word, LIVING the Word & PREACHING the Word & PRACTICING the Word & TEACHING others the Word?--If so, God will mightily bless you & you'll be eternally thankful & rewarded! PTL!
(Word, the Word, the Word!, The [#2484:1,2,80-82])

As for me and mine, we will serve the Lord and David our King and fear the Lord and His goodness in these Latter days. David is our prince and he is helping us from Beyond through this monumental time in history at the end of the age of Man and he will assist us all the way through the Great Tribulation until we finally have finished our job and meet sweet Jesus face to face...and Dad too!
