THINK BIG.THINK IN TERMS OF "ALL THE WAY". THINK, "IT'S GOTTA BE ALL OR NOTHING AT ALL!"

(Rise Above! [#3317])

JOS.7:20 And Achan answered Joshua, and said, Indeed I have sinned against the LORD God of Israel, and thus and thus have I done:

JOS.7:21 When I saw among the spoils a goodly Babylonish garment, and two hundred shekels of silver, and a wedge of gold of fifty shekels weight, then I coveted them, and took them; and, behold, they are hid in the earth in the midst of my tent, and the silver under it.

JOS.7:15 And it shall be, that he that is taken with the accursed thing shall be burnt with fire, he and all that he hath: because he hath transgressed the covenant of the LORD, and because he hath wrought folly in Israel.

***

33. ACHAN'S THEFT--ONE LITTLE WEDGE OF GOLD--CAUSED ISRAEL TO LOSE AN ENTIRE BATTLE and many lives, and finally cost him his own life and that of his family! (Joshua 7) SIN IN THE CAMP CAN CAUSE THE LORD TO WITHDRAW HIS PROVISION, FRUITFULNESS AND PROTECTION AND RESULT IN SERIOUS DEFEATS! IF YOU DO NOT REPENT QUICKLY, COME BACK TO YOUR FIRST LOVE, AND REPEAT YOUR FIRST WORKS, He can remove your candlestick from its place, even cut you off from the land of the living, and from the fellowship of your brethren! BETTER TO GET RID OF ONE ROTTEN APPLE than have it cause the whole barrel full to spoil! And the Lord will do it if you don't watch out!

34. NO WONDER SOME OF OUR HOME COLONIES ARE HAVING SO MUCH TROUBLE, financial difficulties, and suffering inroads of the Enemy! GOD CANNOT PROTECT YOU, PROSPER OR BLESS YOU WHEN YOU ARE OUT OF HIS WILL AND RUNNING AROUND OUTSIDE OF THE SECRET PLACE AND FROM UNDER HIS SHADOW--His Wings--and His Fortress of perfect fellowship with Him! WHEN YOU DO THIS, YOU CAN NO LONGER CLAIM THE PROTECTIONS AND DEFENSES OF PSALM 91, AND HE MAY EVEN LET YOU FALL A PREY TO THE ENEMY, like Lot, because you're playing around with fire and living so close to Enemy territory! You'd better read some of the warnings He gave the churches in Revelation, chapters 2 and 3! There's still time! Repent! Go thou and sin no more, lest a worse thing befall thee!
(Personal Visits--Part 1 [#0143])

1PE.1:7 That the trial of your faith, being much more precious than of gold that perisheth, though it be tried with fire, might be found unto praise and honour and glory at the appearing of Jesus Christ:

ZEC.13:9 And I will bring the third part through the fire, and will refine them as silver is refined,

and will try them as gold is tried: they shall call on my name, and I will hear them: I will say, It is my people: and they shall say, The LORD is my God.

PRO.17:3 The fining pot is for silver, and the furnace for gold: but the LORD trieth the hearts.

1PE.4:12 Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you:

JAM.1:12 Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him.

REV.3:10 Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth.

REV.3:11 Behold, I come quickly: hold that fast which thou hast, that no man take thy crown.

REV.3:12 Him that overcometh will I make a pillar in the temple of my God, and he shall go no more out: and I will write upon him the name of my God, and the name of the city of my God, which is new Jerusalem, which cometh down out of heaven from my God: and I will write upon him my new name.

To truly be close to the Lord, to become one with Him in spirit, your spirit must be cleansed from the filth of the world. (Get Up and Get Over It, Part 3 [#3497c])

***

I'm slowly taking away your "crutches" and the things of Earth that you lean on, and more and more I'm requiring you to stand on your faith in Me and My promises. ***It's as if the ground of the physical is slowly eroding beneath your feet, but yet I expect you to stand your ground in the spirit, even when it seems as though you're standing on nothing.*** **You might not be standing on anything by physical standards, but in the spirit you'll be upheld on the wings of faith and courage and by My strength.**

***

(Prophecy) So now, rather than trying to piece the broken wall bits together, thinking that is the next project, and figuring how to get the picture of your version of your future back together, instead step over them, on them, through them and out to the clear space.

You see that distant mountain? That's where you are heading. I'll put a cloak around you. That's all you need for your protection. I'll shod you with new shoes, so you can walk the rougher places we must go. I'll give you a canteen of liquid to sustain you. Take My hand, and one step at a time, forward, we'll go.

That is freedom. Walking with Me, no strings attached, and nothing holding you back. Not merely free to keep your nook in life, but freely able to serve Me, no matter where I take you.

See, freedom to many people just means, “I can do as I want and when I want to.” But that attitude is what gets them often into a trap. All someone has to do to trap them is to put a bait of something they want right there in front of them. And when they go for it, the snare grabs them.

What snare? The snare of wilfully wanting their own way. If they always want things only their way, they are caught and trapped. They aren’t free to do things My way, or to do things only for the good of others. They are addicted to self-satisfaction. And that is a very hard habit to kick. It’s almost impossible for someone to really break free from this, without a pretty big kick in the right direction; a “Kick start” to propel them into the uncomfortable zone of true “freedom”. (Prayer) Jesus, sometimes life here can be so very confusing and there are so many steps that we need to be taking and yet, we fall short. WE do the things we say we won’t and don’t do the things we say we will.

(**ROM.7:19** For the good that I would I do not: but the evil which I would not, that I do.)

We have such great intentions but yet it seems so hard to motivate the flesh and get Apotheon and Lethargy off our back and Pan out of our heads. It’s just really hard to stay on the dedicated track continually and to be so single-minded all the time. Imagine, we even know we are on the brink of the great Tribulation and yet, what is it that’s holding us back?

...It feels like a desperateness that you need to do something and at the same time feeling like your hands are tied to do anything at all and there’s so much to do to prepare that you end up doing very little, like petrified wood and then you end up feeling like a complete dodo.

Well, it’s not completely true that we don’t do anything. There’s the first lie of the enemy. It’s a feeling that you’re not doing enough; never enough and that you won’t be ready! The devil screams at you for being an elite and then he whispers that you are not a very good one. There’s some more age old lies; a relentless liar and accuser and condemner.

Maybe you **aren’t** fighting enough and using the weapons like you should be and more effort on your part **is** needed. But you also need to trust that as you **are** obeying, even though you don’t feel any different sometimes or ‘see’ anything, the fact is, you are obeying and that is very important, that is the key.

little one are who I use to let others see and feel and know Me. You **have** to be weak. You have to remember always that it isn’t anything you can do. The power doesn’t come from you, but only from Me.

When you worry that you aren’t enough or all that you could be then you are putting your stock in your own strength. You’re realizing that, you alone won’t make it. But that is the whole point actually; you

can't do it. Your faith is wavering because your focus is not aligned with Mine. This is what Focus on the Power is all about. Your mind cannot be distracted by anything else but needs to be single-minded. It is time for that now! That time has come!

You see that you've fallen so far short, over and over again. This is the last stretch and you need to be fully focused on the finish line. Everything else fades into oblivion. And yet the enemy dangles this distraction in your view to weaken your resolve. The thing is to turn it around and make it the catalyst to teaching you to be in a state of preparedness and sharp as a tack and fit as a fiddle.

The enemy uses it to tempt you to do the things, or think them, that you say you won't. It feels like a double barrel being aimed at you- denying your desire and then on top of that, forsaking all and fighting to stand strong; stand your ground and even more than that but climb higher over the crumbled wall of dreams and leaving them behind to become not dependent on that desire anymore, but to be a completely new, different creature—the one He is molding you to be.

Take this as the learning time I have meant it to be; take it as the wonderful opportunity for growth and maturity in the spirit. It's not time to sit and lick your wounds. It's time to rise up and realize what's afoot here! I am touched My dear, with the feeling of your infirmities, but as a parent, I know better what you need, even though I see it hurts you so very much. You must trust Me. See, right there is a necessary, vital lesson! You must do as I say, even when you don't feel like it, and because you know Me so well, so closely, you know that I do all things well and in the end it will be the best. That is just one of the fundamentals of your walk and life and service with Me. (End of prophecy)

ISA.33:2 O LORD, be gracious unto me; I have waited for thee: be thou my arm every morning, my salvation also in time of trouble.

JOB.10:12 Thou hast granted me life and favor, and thy visitation hath preserved my spirit.

PSA.38: 21-22 Forsake me not, O Lord: O my God, be not far from me. Make haste to help me, O Lord my salvation.

PSA.51:10 Create in me a clean heart, O lord, and renew a right spirit within me.

(Prophecy) It's such a fine line isn't it between hardening your heart and being a tough fighter that gets up again and doesn't succumb to these attacks of the enemy which are so very hard on your heart. To just accept the status quo is a tough one My love. And **it's why I told you yesterday to travel light now as you have a mission to accomplish and you'd be better off without superfluous luggage.**

So veteran that you are, get up and let's go; q**uieter, humbler, clinging all the more tighter to Me, broken and contrite**. Lift your chin and look at Me and just see the love in My eyes. It's ok to cry honey.

Don't try to be tough but let it go and let it **wash away in the river. Feel clean again.** Don't feel condemned that you keep facing hard truths and fall. It's not an easy one. It is a pure denying yourself. It costs, I know. I see. I care. I know you really know that, despite all that you face. I see, despite the upheavals, you want My highest in your life.

My darling please keep giving Me your sacrifice. You have to fight on even though you feel depleted of any energy to do so. **So much is at stake and you are needed**. **The enemy rages. The battle is intense**. So lift up your guard. Pull out your keys My sweet and fire away. If that's all you can do right now that is ok. The keys will do the work for you. **All you need is a willing mind.**

March 18, 2021

(Prophecy) The solution is the Word; it has always been the Word. The victory isn't always the disappearing of the trial or the battle you face in life; it is fighting on till you can't fight on any more, then fighting on some more.

The enemy is slowly eating away at your foundation, your endurance, your faith and your spirit of willingness to continue. It isn't a fair fight; he has every advantage it would seem. Yet if you hold on he cannot win, and he knows that. But will he quit? No never, he is locked in till the end, and therefore so must you be locked in to the Word or else you will just wear out.

My love this is war and war is never easy and will never go the way you would like it to go, there is always an opposing force; the enemy, whose job it is to bring you down, destroy you and take you off of the board. If you continually look at the conditions you are fighting the war in then you will not see the enemy's devices. He is devious and sly, he is a dirty player and he is continually looking for weakness and areas where your guard is not up as high as it should be.

Why do you read so much of My good clean wholesome Word and yet at times like now feel so weak and buffeted by the evil one? Take a look at your armor. The Word is your weapon, the Word is what you use to fight the enemy, so what is your armor? Your armor is your obedience. If My Word tells you to do so and so and you do it then you give your armor and those around you (your armor bearers) more power to protect you from the fiery darts of the wicked.

So sweet heart what are you doing or allowing in your life that is weakening you, or preventing those who care for you full sway in your life? What are you stubbornly hanging onto that God's Word has told you to specifically not do? Are you in this war for the long haul because you want to, or because you are **forced** to; by whatever circumstance or reason the enemy dishes up? He always gives reasonable excuses and reasons for your battle conditions; those are his tactics, he gets many of the Lord's top people off of the board by getting them to look at their conditions and equipment.

Do not think that you have a small part in this war…so what's the use? This is precisely what the enemy wants you to think and then he wants you to believe and act upon his implanted misconceptions. Do not think that your position can be filled by someone else, it is a poisonous

lie. If you abdicate you will be held responsible, if you die holding your position then you will be glorified. (End of prophecy)

20th/21st March, 2021 20/21 2021
(Prophecy) You have often wondered why you succumb and become so weakened to the battles when you have been having so much word time. You would think and question "why isn't the Word working? I probably read more than anyone in the Home and have a ferocious appetite!!" It's not like you haven't grown or made progress in your battles, you have but … what were the thoughts that first opened the door to the enemy this time?

Let's get down to tin tacks darling, for I know you really do want a victory and I know that word "forced "hit you hard. You tried but you could not quell the wave that got bigger and bigger and hit you. Then… (stuff I don't want to say) got you dumped well and truly and you were scrambling for breath but only getting sand in your eyes and mouth and you didn't know up from down! Oh dear! Tumbled and tossed, like a wave of the sea….unstable in all his ways.

(James 1:8 "A double minded man is unstable in all his ways." To be double minded is to be inconsistent, vacillating, to be and act one way today and be and act some other way tomorrow.)

So why is that? What is it that causes these flare ups that take you to the bottom so drastically, so overwhelmingly? Where is your tenacity, where is your strength of spirit? Where did it go? Poof! You even feel the dump coming and it seems you can't even stop it; you don't time your dive under the wave to stop getting dumped, you just let it hit you full force and down you go!

So what is it that you are so stubbornly holding onto that is causing this instability; this holding on that just stands there waiting for the inevitable?! What is the double-mindedness? My love, you have come soo far, but I wish to take you deeper and I want to give you freedom, freedom to serve Me unhindered by the things that are getting in your way. **Double-minded means you are holding onto two concepts, two ideas…in this case your idea and My idea and what I want for your life.**

You are still holding on to threads and I want you to cut them!

I have already asked you for a willing mind, to lift up your guard and to just let the keys do the work for you. You see, your idea and My will for your life cannot co-exist. You cannot hold onto what you want when it is not My will. This is what is making you unstable. This is why you have these times of hitting rock bottom and being utterly weak when it seems you've had so much Word to back up a dam! You don't have the tenacity or strength of spirit because you are still holding onto dreams.

So… the solution is the Word; simple, straight forward, uncomplicated. But then it's the obedience that's the clincher. So your sword is the Word but if you're not doing what the word

is telling you then, where's your armor? It's simply not there and you get hit. And you are still looking at your circumstances and conditions!

So try it My love. Just go do it; what you've been instructed. It's just more letting go, more shedding, more forsaking. You have to forsake all every day. So let's get rid of the uncertainty by living in the Word. More faith is needed, not doubts. Believe what you have been called to do, live it boldly and not quivering. Stop questioning and just accept My will in your life.

You chose this mission, you and Me, so stop living in this state of indecision, not being fully committed, compromising. It is the hand of Satan that is messing up your mind with his lies and deceptions. You cannot live in two worlds, Mine and then being continually pulled by Satan's concepts.
He is continually distorting your mind. He is polluting it with his filthy lies. You take them in because they appeal to your self- pity… and you've lived with this tug of war for so very long. It saps your power and drains you. It is the world and you cannot be My light shining bright when you haven't separated yourself from it …completely.

It will drive you insane eventually. You cannot co-exist with My mind and the enemy's mind. You simply cannot be My disciple. There will be trials. You are human but if your will is on My side you'll get over them quicker and always have the goal before you. The vision is for the mission, for fulfilling My will. You will have your eyes on Heaven and not this earth life.(End of prophecy)

JOS.7:15 And it shall be, that he that is taken with the accursed thing shall be burnt with fire.

***

It's time to shed the shackles of the flesh and abandon the boundaries of man to enter into the boundless abundance of God!

He has far more than the world can ever offer, only His freedom is forever! He has lots more to come!

53. He's pouring it on, and I venture to say that those who are dissatisfied or unfulfilled are those who are holding back. They're not letting go and letting God do a work in their hearts. They're not fully entering in to what the Lord is trying to give them—either through their own lack of belief, or through disobedience, or any other sins they have in their hearts—any Huddersfields that have a hold there. Or they're being duped, misled, and deceived by the subtle tricks of the Devil. All this propaganda all around them, if not washed out on a daily basis, will take hold in their hearts and minds as it has with some.

54. It's a day to shed the weights—to lay aside the things hindering them from grasping this new day and the New Wine and the thrills of Spirit He has for them! And this will not be possible for those who want to hold on to the world.

The world is moving fast now. The day of serfs, supers, and super-dupers is here. Which will you be? If you folks can't learn to live in the spirit and not the flesh right now, you're not going to be able to make it in the End. The Last Day is going to be a day of miracles! It's a day of the supernatural—supernatural power and protection and miracles in order to survive. It's coming, and He's leading us into it right now. Our folks who want to waste time and strength and brains and brawn now on worldly ways and wallowing in worldly wisdom or hobnobbing with the world are going to be sorry.

(Prophecy) That's exactly how I designed it My children! My love has to be the focus, the centerpiece! I want to lift you out of this World, this realm into My realm. You must, otherwise you will not make it! Therein lies the freedom. Coming out and up. Having no will of your own, but only a desire, so deep, so consuming that you are willing to suffer the pain.

That's why you must just wake up each day and commit it to Me. Don't look at the next day. Just make it through today. And each evening lie in our sweet Husband's arms. He will sustain you. And will give you the strength to persevere.

Living a Soldier's Life

2. (Jesus:) My loves, I have told you that this is the day of accountability; the stakes are higher and I'm requiring more. You each know what it means to be a disciple. And if you don't know, it's not because of a lack of Word, but rather because you weren't reading and absorbing it in the way you should have.

3. Accountability means that you know what is required of you and you are expected to live up to it. I'm not forcing anyone to be a disciple, but I'm saying to you, "So you want to be a disciple? This is where you want to be? You're sure about that? Okay, then I'm going to expect that you live up to being a disciple and I'm going to hold you to your word."

4. It's like when someone joins the special forces. When you sign up, you are the one deciding to join, you're the one deciding that you want to go through whatever it takes, because you want the honor of serving in the special forces. So they expect you to live up to the rules that

you agreed to—or they expect you to resign if you go through their specialized training and then decide that you don't have what it takes. But if you stick it out, they expect you to live the life you signed up for, and it's a disciplined life.

***

(Prophecy) Why do people get so easily trapped and stay connected to comfort zones? Why do they choose confinement and regulations to real freedom? **It's addiction to self-pleasure**. But what did I say to real freedom followers, fighters for the faith? "In the world ye shall have tribulation". So if you aren't having that, aren't having "tribulation" and things seem very calm and relaxing, and easy to get along with, are you still fighting for the faith and freedom of others any longer?

Is it hard to pull up camp and pack up your tent, say goodbye and move on? Yep. But that's what living really is: a constant moving; a constant changing. It's a "never stand still for too long" experience.

Why?

Because you'll get bitten. Just like some places have bugs and flies and scorpions and such if you stay living there for too long, and all the critters move in around you too, so is it in this world. If you start to solidify, the creepers will start to close in on you to get a piece of what you've got. You have to keep on the move spiritually, and often physically too, never planning to be somewhere always and only, and for the rest of your life. Be a moving target. Make yourself uncomfortable. For that will bring the best results.

I know you are in there, walled up in your thoughts and hopes and dreams, and I don't just stand at the door and knock, but I create a doorway. I melt the wall with My heat and embrace you. You didn't really want to stay all alone in there, with only your hopes to keep you company, did you?

If you could give up your wishes and have Me embracing you, isn't that what you'd rather?

I know you would. So I hold you. And then I shake! I shake the rest of the remains of your former walls down. It's easy to follow Me now. Nothing is stopping you, not even your desires. I hold you and warm you.

So I realized, before getting this message, that the main thing that was bringing me down in thinking about the massive change on the horizon was simply the image of my future of what I thought it would hold. And that was being smashed. So, **"casting down imaginations" really is the key to freedom and joy to do His will.**

But since it's not me doing it, and it will be Christ in me, I can just let Him do it. I'm not going; He is. I'll just be His vessel. ('Freefall'-Kaye)

The mind is the great battlefield where ruthless war is waged—the war for possession! The sins that bring you down all filter through the mind: pride, the root sin of all; jealousy; lust; selfishness; lethargy; bitterness; disunity; comparing; discontent and murmuring; negative thinking; worldliness; disobedience; doubt; putting other gods before Me; self-righteousness, etc. It all begins in the mind, takes root in the mind, and festers in the mind—all through carnal thinking, through putting on the mind of man and the mind of the world.

If you are to focus on the power of the keys, if you are to allow the words I speak to you to dictate your life, you must rid yourselves of all that stands in the way of this. Detach yourselves from other things that clutter your life—the cares of the world, the pride of life, anything that opposes My Word. You must choose Me over all every time. You must shed the weights and sins that would hold you back. (Focus on the Power! [#3374]

"WE <u>CAN'T</u> DO IT, BUT WE <u>CAN</u>!"

(Rise Above! [#3317])

***

He has given each of us the keys to this art. We too can learn to rise above! But it will cost us something. Jesus allowed the Holy Spirit to rest fully upon Him. He yielded completely to His Father's will, and He let the Spirit enter into Him completely. Of course, for this to happen He had to give up anything that was not part of His Father's plan. He didn't want to have anything in His life that would be a distraction or that would come between Him and His Father and His divine mission. All He wanted was to be fully and completely one with His Father and the Holy Spirit.

(Rise Above! [#3317])

***

(Jesus:) If you continue down the road of resistance to My voice and rebellion against My way, I cannot save you--you will be a casualty of war. You will cause yourself to be a casualty. The Enemy has been firing, and so far you've mostly been out of his range, so it might not have been so bad if you didn't listen right away when I told you to get down. But now you're walking right into his fire and you're so close that he can mortally wound you if you don't listen.

24. Are you listening? Or have you gotten so used to ignoring My voice that you will ignore Me again when I say, "Hit the deck or be shot by the Enemy!" Will you continue to ignore My voice when I shout to you of the imminent danger? Will you let this message fall on deaf ears? The choice is yours. I can't make you listen; all I can do is try to help you to listen.

25. You're heading straight for the firing squad. You're walking right into the Enemy's fire, blind and deaf to My voice, and now he can hit you. You're close enough to his forces that he can wound and kill you if you aren't listening to My directions. You're no longer out of range; you're heading right into his fire and you will be hit, I guarantee you, if you don't listen.

26. I'm no longer going to sit here and call you back over and over again. I'm still calling, I'm still giving orders, but those of you who have gotten so dull to My voice won't hear My orders and you'll be shot, unless you wise up and tune in to what I'm saying. It's not as if you're unique and can somehow, by pure lucky instinct, dodge the Enemy's fire. It's a sure thing that if you keep going in the direction of disobedience and compromise, you will be hit. I don't think I can make it any clearer than that--it's a sure thing. (Choices and Consequences, Part 3 [#3486])

29th March, 2021 Behold, it is not a small thing to not listen and heed your Lord, but instead to lean to your own understanding. What is it when I ask you to do something and you reason in your mind another way or disregard My advice and do nothing? What is that when you know the whole counsel and you then twist it and water it down to suit you better? And tell yourself that it's ok because you've fulfilled perhaps, part of My instructions, or maybe even none. You blew it off, for whatever reason. You may tell yourself anything you want, but it is not coming into My inner, personal bedchamber. How can you lie with Me and make sweet wholehearted love when you are withholding from Me? How can you even feel comfortable with Me when you haven't done what your very own Husband has asked? Your words of love fall flat and are hollow and lack meaning. Can you ask of Me your petitions in full faith? Honestly can you even look Me in the eye? Perhaps. But then, if so you have become dull of hearing and insensitive to Me and My touches. How can we lie together and bear our souls as intimates? It won't be as sweet as it could be. You withholding from Me will just make our time together as stilted as an old bottle, with a shirt up to her neck, covered, for fear of baring all; ashamed because how can you fuck Me when you have coverings. How can we have wild free hot juicy unabashed sex? My love, it is pride. My love, the days of Samuel and Saul are raw examples of this very principle. Saul thought he knew better than Me. He became exalted in his pride and did not heed Me. You need to hew down and cut in pieces the very sins that hinder you from fulfilling My will. Chop in pieces these disobediences, for that is what they are. You don't think too much of them that they are really as bad as Saul did, but My love, was Saul a man after My own heart? He was not. Is that how you want to be? Proud and lifted up, carnal-minded, jealous and consumed with earth thoughts, such as comparing, negativity, constantly licking your wounds when I have given you a way out of all that? Why stay there in that place? I want to use you, why don't you honor Me with your compliance? You say you love Me and want to serve Me, but do you really? Do you want to stay in the place you are at? Are you actually satisfied to be lukewarm, like that? Is that the sort of lover you want to be? Stiff, brittle, tight and rigid, dry? I want to oil you with My love,

My spirit but you would not! I want to fuck you but you hold on tightly to your robes and barely let Me touch you ! And so you leave our bedchamber, still full of your own filth, still holding tightly to your prim- to- the- neck clothing, still covering your shame. Where is the glow, the shine that I could give you after having had good hard hot sex? You threw away your time with Me and settled for a few kisses. If you would strip off all your clothes and open your legs wide and let your juices flow, I would fuck you so good and proper, that you'd see the stars and the moon and you would leave our bed like a love- struck woman that wants more than anything to do whatever her Husband wishes,; anticipating His needs, going out her way to care and pamper Him, because she loves Him that much. She lives to please Him, taking no thought for herself. Nothing is an inconvenience to her; it is her desire, her pleasure. She is free in spirit to all those around her because of her passion, her love for Her Husband, so all partake and benefit from her time with her lover of all Lovers. Her mind is clean; no dark corners entertaining old, filthy thoughts. She has been washed clean because she has been with her Lover and loved and listened to His sweet instruction and she desires to do His bidding with all her heart. She wants to. She has given her will to her Husband in submission. She forsakes her ways and thoughts that would get in the way of serving Him and His kingdom. And when she runs out of steam and starts to feel her SELF kick in, she runs into His arms again for another hot steamy love session and He fills her with His seeds. It doesn't matter where she is; she knows He will come to her. So My love, I want you panting after Me, I want you to be a wild and free hot sexy lover unencumbered by anything you might be holding onto. Let them go and come lie with Me so we can love madly, wildly and so you can go out into the wings trusting, full of faith that I will do anything for you because you have done what I have asked of you. I am preparing you My darling for what is coming; all of you. So let's cling tight to each other in total abandonment and schuck off all the things that would hinder us from being together, completely naked. I want you to let go of the things I am speaking to you about right now. I know they are not easy things to let go of because long have they been with you coming between us and it is a big change and you must continually stir yourself to do your part to rid yourself of old ways and habits.(End of prophecy)

It's a war of the spirit, and if instead of putting on the armor and the new weapons which the Lord is making available to you, if instead of yielding yourself to Him completely as His obedient servants, you're filling your mind and spirit with the pollutants of the Enemy, then it won't be long before you'll be completely defeated and useless as one of the Lord's emissaries.

If you are going to work greater miracles, if you are going to fulfill your destiny, you must be Mine. You must be wholly, totally, completely possessed by Me, and in order to do this, you must put on My mind. You must more fully think My thoughts. You must allow the spirit of My mind to become one with the spirit of your mind. Your brain must be My brain. You must put on the totality of the mind of God.

How do you do this, you ask? To put on My mind, you must put off the mind of man, the mind of the world, the thoughts of Satan, the propaganda of Satan, the knowledge of the world, the wisdom of the world, the mind of vanity, the mind of flesh. You must put off a reprobate mind, a doubtful mind. Put off the carnal.

The carnal mind is enmity against Me--this is the crux of the matter. The carnal mind is the opponent of My Spirit, for it is not subject to My Law of Love, nor is it subject to the miracle-working power of My Spirit. Therefore, if you are going to be miracle workers, if you are going to call on the power of the keys and access them to the full, you must put off the carnal mind.

215. *(Jesus:)* Picture yourself now coming and kneeling before Me. I have passed on to you many Words of instruction. My will is clearer to you than it has been for a long time. You know what you need to do, but you're not sure if you can actually do it. It's a huge challenge and responsibility, and you know your weaknesses all too well.

216. But now I call you to come, kneel before Me, and receive the anointing of obedience.

217. Obedience sums up what I am asking of you. A lack of obedience to My Word is the crux of the many varied problems in the Family. Obedience is what will bring the solutions to those problems.

218. I anoint you with the oil of My Spirit. I am pouring out this anointing today in great measure to all who ask for it, to all who come up and commit themselves, as weak as they might feel, to the calling of obedience. This anointing will give you the wherewithal to fulfill your calling. It will give you <u>determination</u> when you wouldn't naturally have it. It will give you <u>grace</u> when the sacrifices are great. It will give you <u>peace</u> and faith to obey even when it doesn't look logical. It will give you <u>strength</u> when the going gets tough.

219. This anointing of obedience is yours, My darlings. Of course, you will have to <u>use</u> your anointing, <u>walk</u> in your anointing, <u>claim</u> your anointing, and then proceed to <u>do</u> what I call you to, regardless of how you feel. That is when you will see this anointing activated.

220. You need this anointing for what lies ahead of you in the coming months. You need it in order to follow Me into the era where I am calling you, My Endtime Family--the era of

obedience. It is this obedience that will give you the great faith that you are now lacking--the faith to pull down the wonderful miracles I have promised, the faith to use the keys in the way they were really meant to be used, for those great and impossible situations where something supernatural is needed. It is this era of obedience that will bring the mighty manifestations of My power. In obedience to Me there is great faith, and great faith pulls down the things of the spirit.

221. In certain times and situations in recent years there was a high level of obedience, but it was generally maintained out of fear of man, or man pleasing, or some other outside pressure or force. But in cleansing and restructuring the Family, those who remain will find a new level of obedience out of love, out of fear of Me, out of a healthy respect for My Words, and a sense of urgency to get the job done. These motives will bring on a high level of obedience to Me and to My Words, which will in turn generate great faith among the children of David to believe and use those gifts I have put in your hands, and only then will the Family's destiny be fulfilled. I can't make the first move.

I do this to humble you, to cause you to prove your love for Me by coming to Me, by making time for Me, and by calling upon Me; and when you do, I do come.

If you really want it, if you seek for it and search for it, and actively pursue it as you would an earthly relationship, then our love affair can grow hotter and more passionate, and become more consuming, more overwhelming, more absorbing, to where it will always be a part of you, no matter what you're doing. You'll not only feel, but know and believe that I'm there with you, that I'm inside you, beside you, above you, beneath you, and all around you, and I'm there for you.

Someday you'll understand. But now is not the time to understand. It's a time for you to walk by faith. And though your faith is now very weak, I can and will strengthen it. But you must do your part to let Me strengthen it--by sucking, hungering for, and desiring Me and My Words, and by filling your heart with Me and My Spirit. (Blessings of Loneliness!, The [#3216])

This is **the key of all-knowing love**. You will need this key in the coming days. Its power lies in its magnitude, its foresight, its ability to see beyond human love and emotions to what lies ahead**, what lies within the realm of the spirit**, which is so far beyond the flesh and earthly life. Just like love, it has an extra spiritual eye which sees beyond the flesh and the carnal, and transports you instantly into the realm of the spirit and how the Lord sees things (ML #3443:40, GN 1024).

(Prophecy:) When you are ready for me I am ready to come to you…ready to pour, ready to give life, ready to heal and restore. I am the manifestation of your desire for Jesus, and I was born of your passion and your desire for Him alone. Sometimes you hold me back with your decisions, but I am born and you cannot go back; you have already come to that place where your and Jesus' love has blossomed and grown and I am the manifestation of that love. I am Ola and I am the gift of love that you will not go back. Only once you have made certain decisions can I be granted to you and congratulations I am now yours. Don't worry if you feel it has taken a very long time, it has been worth it and all the time it took because now we are together; never to part or be separated.

So if you are ready I am coming in ways that you would least expect, I will come to you and I will be what causes your relationship with Jesus to grow even brighter. I may cause pain, I may cause pleasure and joy, but I will do that which is my calling and that is to mature your love. Give me the go ahead and let me see everything.

I am the giver of desire, that desire that only sees her Lover and that He is the Satisfier of all needs and His is true beauty. There is always more love to be had, and I am here to teach the ways of love and desire. Desire is the key and it is in desiring to the extent of total single-mindedness and dedication to Him. Your carnal mind fights you, but I know where your heart lies and I know that it is searching. That is why I am yours my love.

(Only Love Always speaking:) Only the love of God has the power to make you into what you need to be to meet the future. Because of our relationship you are of immense value to the Lord, and He has used the waters of your own heart to wash away the frills and the froth so I could come to you. I am a wisp and a breath and if there is anything in your heart that is hard and stony I cannot enter in, because I would get caught. The Waters have washed and they have cleared the way for a depth yet unknown to you that can become reality. If you want to grow deeper, keep only loving and allowing those sweet waters to wash over your life. Like I said earlier I am only here and yours because you have laid down your life and have chosen to love Jesus more than yourself. You don't really understand the dynamics of the spirit world, but once certain choices are made ...a place in you is open to us and we are given greater access to your life. Oft times in the flesh it's hard to see your forsaking and pain as something having such a great affect in your life, you still feel weak and you hurt, but from those sound decisions is a door opened in the spirit world, in your heart a vault is cracked and yet more of you can be subjected to our touches. So because you chose to choose us here, you stand bloody but not beaten on the next level. You passed that grade and now it's time to go deeper. Deeper and deeper I will take you. There is spiritual power behind the word "yes", and sweet beloved you have said it enough times to reach this place you now stand. There are yet more steps, but the point is here you are and now I, the spirit of love, can come into your heart. I have no form ...but I come out of passion and I am tangible proof that you have entered this level.

I'm like a medal, but also something to push you deeper and deeper**… I wear the keys of all-knowing–love** and from these keys I am able to fulfill my calling. I cannot even make it

without these keys, so for you. Don't try to make it without them. O ... Only L ... Love A ... Always -Ola...I come as the formless spirit and I will be to you your heart's guide as you climb to the next level. Sing and dance today. I dance within you. I am free within you...if you ever begin to say "no" I won't be free to dance and help you as I need to. Don't push me out ... it's the hardness that pushes me away... darling I love you, you are beautiful right now... give Him glory with your beauty and let it not slip away.(End of prophecy)

(Saramay, Blue angel) The cost is great, but to be so completely unseen and all encompassed by Him is worth every vestige of yourself you had to leave behind. This is where loving Him and first submitting to Him in the bed of love comes in He needs your complete surrender and loving Him is the first step. It's like the bottle opener. Of course you must wield the keys to open yourself...but loving Jesus is like the pouring of His water into your bottle so that eventually His water will overcome yours. It takes so much yielding to not close your lid as you watch more and more of yourself slip away. You are tempted to panic as you become more and more transparent. This is the fear of man -to be invisible. Over and over it plays in your mind "This is what I was created for, This is what I was created for". Take this key; this is what you were created for. Don't fear. Take my hand I am leading you to the best place. The top of the universe is where we stand and by His hand we experience such ecstasy and unlimited joy. But when we stand at the very top we blend together and we make His light shine brighter. We are the rays of light. We are the reflection of His power. Do you want this? I am handing you the deepest truth of the universe. What are you going to do with it? Come join us. I am waiting for you, beloved. Use this key and little by little, the light will replace your darkness. The veil will part, and you'll see the way. I love you. Hold on and do not fear. You have nothing to lose and everything to gain..

Finally I understood that this was going to be the key, the secret, the victory; this would bring triumph every time. This was how I would be able to rise above--by yielding My fleshly mind, heart, body and soul to fully receive My Father's Spirit. By receiving His Heavenly Spirit, by allowing Him to rest fully on Me, to have full sway with Me--this is how I was able to rise above.

(Rise Above! [#3317])

It is your heritage to have the strongest connection to the spirit world of any other humans who have ever lived. You are to shine with the most apparent anointing of My Spirit of all My prophets since the beginning of time. How will this come about? This strong connection and this visible, obvious anointing will be manifested in you every day through only one route--that is by allowing Me to fully possess you. (Full Possession ! [#3376])

We're in for nasty weather

And I'll ride it out with You.

We won't be here forever

Just a moment then we're through.

****

Through the keys of determination you can do it, make it, lift the load, go the distance, uphold the standard, and accept and use your anointing. For the power is not yours, but rather the awesome, world-changing, never-ending, all-encompassing power of the keys.

You and your own little wings can only fly so high and bear so much. And so I have given you your Elerian, that you may lay your own "wings" of the flesh upon their wings so you can be borne into higher currents of My Spirit and used even more greatly of Me. On their wings you will be carried instantly into My presence--where dwells the realm of miracles and the realm of supernatural help and strengthening. (ML #3637:56-58, 60)
