

A Willing Bride

Mystical Intimacies with the Heavenly Bridegroom

You have given me everything I have, why should I give You any less than my all? My life, my will, my mind, body, heart and spirit, my time, my service, and most of all, my devoted love all belong to You!

.....TO COME BEFORE the King of kings as His yielded bride, to offer one's *all* to Him, verbalizing a desire for His kisses, caresses and spiritual lovemaking.....

34. *(Jesus speaking:)* I raise up a new and young army--an army of those that are full of faith--not those that are strong, not those that are mighty, not those that have done great exploits, but just those that have faith--faith to trust Me, faith to hold on, faith to say yes to Me! These are they that will partake of the fresh waters of My Spirit, and that will have great rejoicing in these waters.

35. But the road to the well of these waters is a difficult road, and those that climb it are those that must be young--young in spirit, young in willingness, young in yieldedness, young in obedience, young in desire for Me.

36. Those that feel old and think, "No, but I am old. I am old in spirit and I find the changes hard and the new things difficult," I say to you that before you stands the fountain

of youth! For the fountain of youth is the will of God, and to receive of it and to drink of it you must only say yes--yes to My will, yes to that which I bring your way, yes to My new Words, yes to Me and all that I would ask of you. If you will do this thing, you will be young in spirit all the days of your life, and you will have the fountain of youth!

37. Even as your David, though old in flesh was young in spirit, so shall you be! For he was yielded to Me, and he said yes to Me, and he was true and faithful to Me. And so will it be with you if you will but say yes to Me.

38. So come unto Me, young and old, and, lo, I will make you all young, even as those who enter into the Heavenly realm are once again young and rejuvenated and revitalized because they are in the Spirit! Those of you that say yes to Me and that follow Me and that yield to Me and who trust Me--you are they that walk in the Spirit. And I say unto you, the Spirit of God is the fountain of youth! You shall be as a new creature, a young bottle, a young and radiant bride! You shall be forever young! (*End of message from Jesus.*) (ML #2987:170-174, GN 629).

As with Moses and the children of Israel who came out of Egypt, it was necessary to lay down the law strongly and firmly, for their minds had been polluted with that which they had grown up with in the land of Egypt and the influences of the Egyptians. So were the hard Words of David for you, the first generation. They were strict! They were forceful! They left little room for choice! But this was to teach you and to purge you from the influence of the System that you had grown up with. This kept you following My will closely. For had David's Words not been strong and forceful and hard, you would have strayed, for your upbringing was such that you understood not the ways of God nor the will of God. But now you have learned, lo, these many years, and these things have been purged out of your system.

To you, the second generation, who have grown up knowing the Words of God, and without being controlled and indoctrinated in your youth by the ways of man, I can speak in a different manner. You are more accountable, because you have had the Word of God all the days of your life. Now you must obey and believe because of your choice--Not because the Words of David say you must do this or you must do that, but because you say, "I believe. I have faith. I will trust."

Now I lay before each of My children--whether they be old, of the first generation, or whether they be young, of the second--the Word of God, the Words of

David, the Words that I pour forth in these days, all of them together, and I say unto you, choose that which you will do. Choose the level of your obedience. Choose the level of your faith.

I lay before you the standard of My Word--the highest, the best, the truth. I say unto you, this is the truth of God, this is the way of God, this is the highest that I pour forth unto you. I have made it clear and I have poured it forth through the Words of David. They are there for all to see. They are there for all to obey, if they will but obey. But I do not say that you must obey, for I place before you the majesty of choice. (ML #2961)

Saint John of the Cross (1542-1591) recorded numerous ecstatic experiences he had while deep in prayer and meditation. Regarding the joyous state of being joined in spiritual marriage to Jesus:

“This spiritual flight is called spiritual betrothal with the Word, the Son of God. God communicates to the soul great things concerning Himself, beautifying it with greatness and majesty, decking it with gifts and virtues, and clothing it with knowledge and honor of God, just as if it were a bride on the day of her betrothal. And upon this happy day, not only is there an end of the soul's former vehement yearnings and complaints of love, but, being adorned with the good things which I am describing, she enters into an estate of peace and delight and sweetness of love wherein she does naught else but relate and sing the wonders of her Beloved, which she knows and enjoys in Him.”

*There He gave me His breast;
There He taught me a sweet and living knowledge;
And I gave myself to Him,
Keeping nothing back;
There I promise to be His bride.*

ST. JOHN OF THE CROSS

This intimate spiritual union is a two-way street. Earth is one big premarital session for Heaven, and although Jesus wants us to love Him passionately and single-heartedly, He more than matches it with love, pure and fervent LOVE.

It is "Heaven" to know Jesus this way. And I mean that literally. Eternal life is knowledge of God [John 17:3]. When we deepen our relationship with Jesus, we get a head start on our eternal life here on Earth. Heaven is already happening to us. The apostle Paul knew Jesus and knew Jesus. There's the bride/bridegroom thing. It's a different kind of knowledge. Paul touches on this deeper knowledge when he yearns, "I want to know Christ and the power of His resurrection" (Philippians 3:10).

I love those words "to know." Scholars explain that in this passage "to know" implies learning about someone through a deep, personal experience.

(THE "LOVING JESUS" REVELATION)

In Spurgeon's comments on the *Song's* maiden and her plaintive longing for her lover, "I charge you, O daughters of Jerusalem, if ye find my beloved, that ye tell him, that I am *sick with love*" (Song of Solomon 5:8), he writes,

Such is *the language of the believer panting after present fellowship with Jesus*, he is sick for his Lord. Gracious souls are never perfectly at ease except they are in a state of nearness to Christ; for when they are away from Him, they lose their peace. The nearer to Him, the nearer to the perfect calm of Heaven; the nearer to Him, the fuller the heart is, not only of peace, but of life, and vigor, and joy, for these all depend on *constant intercourse with Jesus*

(Loving Jesus Revelation)

Desire is too weak a word to describe the love for God of some mystics. To read of the Italian mystic Maria Maddalena dé Pazzi's "Loving Madness," is to be shocked, shaken, perhaps convinced:

She was filled with perpetual fervor. She thought incessantly of God, she spoke incessantly of God, and she wrought for God incessantly. Often it seems as though she had lost her senses and was entirely within God. At times her inner fire was so great that she could not contain it within her breast: it flamed in her face and poured into her actions and words. And she said to the sisters that followed her: "You do not know, beloved sisters, that my Jesus is nothing but love, yes, mad with love. You are mad with love, my Jesus!"

The following vision by Maria Maddalena dé Pazzi, of Christ's intimate and complete union with His beloved, leaves little to the imagination:

“I saw Jesus united with His bride in the closest union, laid His head upon the head of his bride, His eyes on hers, His mouth, His hands, His feet, all His limbs on hers, so that the bride became one with Him and wanted all that the Bridegroom wanted, saw everything that the Bridegroom saw, tasted everything that the Bridegroom tasted. And God wants nothing else than that the soul should unite herself to Him in this manner and that He should be entirely united with her. And when the soul leans her head against Jesus' head, she can want nothing save to unite with God, and that God should unite with her.”

(the mystic Saint Maria Maddalena dé Pazzi's (1566-1607))

The thirteenth-century saint, Mechthilde von Magdeburg (1217-1277), in *Of the Soul's Presentation at Court, in which God Shows Himself*, similarly described the passion between the Lord and His bride who has yielded her all to Him:

“The more His desire grows, the more tightly He holds her, and the greater is the happiness of the bride. The more fervent the embrace, the sweeter the taste of the kisses. The more lovingly they gaze at each other, the harder it is for them to part. The more He gives her, the more she consumes, however much she has.”

THE POWER OF LONGING

Ah, Lord, if only once
It happened on a day
That to my heart's desire
I look on You, and lay
My arms around You lovingly,
The rapture of Your hold of love
Would flood my soul with ecstasy
I yearn for You so greatly, Lord.
And wait for You so faithfully.
If You will suffer me, O Lord,
I shall pursue and seek You long, in agony.
For well I know: You, Lord, must be
The first to feel a want of me.

"The Power of Longing" is not a single burst of love from a lonely woman, but a peak in the life of a woman renowned as the soundest German mystic nun of the Middle Ages.

The spiritual power of utter yieldedness to the power of Jesus' love is similarly conveyed in the following words of Therese Martin, a Carmelite nun who died in 1898 :

"Ah, how sweet is the first kiss of Jesus! Indeed it is a kiss of love. I felt myself beloved by Him, and I said to Him, "I love You, I give myself to You forever." Jesus and I have understood one another for a long time. Our coming together was a fusion of our being. My Heaven is no other than that of Love. I have felt that nothing could detach my ardor from the divine being who has ravished me."

In prophecy the Lord encouraged us:

As the days get darker and the times more difficult, loving Me and being in love with Me and being close to Me and being intimate with Me will help you through, and things will look brighter. As you love Me and look to Me and face Me and face My light and face My seeds and call for Me, all else will fade; you will have great ecstasy with Me, and we will be one. ("Part 4," par. 31)

The Lord is asking us to show our love for Him by saying words of love to Him so He can give us the seeds of strength and love and anointing that we're going to need for the tough times ahead. ("Part 4," par. 53)

Just as any husband wishes to show his appreciation to a wife who loves him ardently and unreservedly, we believe the Lord similarly responds to those who love Him ardently. When we humble ourselves before Him, unreservedly loving Him in this intimate manner, we believe He bestows many extra blessings and rewards upon us. In prophecy He said:

Does not the husband love to pour forth gifts of love, tokens of love and appreciation for the love that his loving wife gives unto him?

So come, My bride! Come, My loves! Come, I call, come! Come to My bed, come to My arms, come to My kisses, to My lips! We shall revel in great joy and great passion, and you shall receive great love, great strength and great gifts! For you will be

married unto a King and you will be a queen unto Me, and I will bestow upon you far above all that you could ask or think!

("Part 3," pars. 37, 39)

In another prophecy, the Lord again promised great blessings to those who will love Him this way:

Oh, the great joy that they shall have for loving Me! Oh, the great blessings and rewards that they shall have for loving Me! As they yield to My request for their love, so will I yield to their requests, and so will I answer their prayers, their needs and their desires in an even greater way.

I will bless them in great abundance for their love for Me, the King who has everything, but who seeks to be loved!

("Part 4," pars. 101-102)

Our Bridegroom, in Love with His Beautiful Bride

Song of Solomon 2:14 [The bridegroom speaks:] O my dove, that art in the clefts of the rock, in the secret places of the stairs, let me see thy countenance, let me hear thy voice; for sweet is thy voice, and thy countenance is comely.

Song of Solomon 4:7,9 [The bridegroom speaks:] Thou art all fair, my love; there is no spot in thee. **9** Thou hast ravished my heart, my sister, my spouse; thou hast ravished my heart with one [look] of thine eyes.

Song of Solomon 6:4 Thou art beautiful, O my love, as Tirzah, comely as Jerusalem, terrible [awesome] as an army with banners.

Jesus Desires Our Love and Devotion

Song of Solomon 1:2 [The bride says:] Let him kiss me with the kisses of his mouth.

Luke 7:45-46 [Jesus admonished the Pharisee for not humbly showing Him love as did the woman who was called a "sinner":] Thou gavest Me no kiss: but this woman since the time I came in hath not ceased to kiss My feet. **46** My head with oil thou didst not anoint: but this woman hath anointed My feet with ointment.

Mark 12:30 And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment.

(THE “LOVING JESUS” REVELATION)

3. *(Prophecy:)* So do I love you and so do I fill you with the seeds of My Words. So do I wish to fill all My children with the seeds of My Words. For lo, I pour forth My Spirit upon all My children, and I pour forth My Love upon all of My children, if they will just receive by faith and believe that I am able to do these things unto them. **So deep is My Love for My children, for those that love Me and those that obey Me and those that serve Me and have given their lives for Me.**

4. I have given My life for them, and they do give their lives for Me, for they lay down their lives day by day by day in service unto Me, in obedience unto Me, and in yieldedness unto Me. And I wish to reward them with the lovemaking of My Spirit that they may feel a touch of My Love in this way, that they may be empowered by the Spirit of My Love and the strength of My Love.

5. For there are many places that we shall go, My Bride and I. For I am as a rich man who can go here and there and not worry about the cost, and who can treat his love, his bride to anything that she needs and wants. **I know that My Bride loves Me, and so do I love her,** and so will I pour forth My Love in abundance upon her, and so shall she receive of My Love.

6. **What do I ask in return? Simply that she love Me and that she obey Me and that she serve Me and that she yield unto Me.** In the doing of these things there is great reward, for in the doing of these things you prove your love for Me. I will pour forth My Love upon you in great abundance and in great power, and you shall see My Love manifested in a greater anointing upon My children, and a greater supply of your needs.

7. **For if you give love unto Me, and if you remain faithful in your obedience of preaching My Word,** so will I pour forth unto you in great supply to fill your great needs.--That your children shall have what they need, and that your young people shall have what they need, and that your older people will have what they need. For you are all My Bride and I will pour forth in great abundance. For you shall no longer be the beggar woman, but you shall be the Queen, for you have bestowed great love unto your King, unto your Lover, unto your Husband.

8. Therefore, love Me and honor Me with the praise of your lips, and lay yourself down before Me inviting Me to come, and, lo, I will fill you. I will fill you with inspiration. I will fill you with seeds. I will fill you with words. I will fill you with love. I will fill you with supply. I will fill you with renewed strength. *(End of prophecy.)*

„Dad sought the deeper things of God and was willing to pour forth the truths that the Lord gave him, and the Family, were willing to put them in to action. Praise the Lord! The wonderful fruits of obedience, faithfulness and yieldedness!

14. (Prophecy:) For verily I give unto My children the gifts that they need, that they deserve and that they want, those gifts that help them to grow in their spiritual lives. I give them gifts that they can receive, and I base these gifts on their maturity in Spirit and what I know they will do with them. For unto some I give this holy laughter, and unto others other manifestations of the Spirit, being slain in the Spirit, running and jumping and leaping for joy, tongues and other gifts.

15. But unto you I am giving the greatest gift of all, the gift of love, the gift of love that you can love Me as a lover, as I desire to be loved. For you will not use this gift as a vain show and only for fun and only for the edification of yourselves, but you will use this gift to bear Me children. As a wife receives the gift of orgasms in lovemaking, but also produces fruit from their lovemaking, so shall you from My lovemaking with you.

16. And they (the churches) who receive these gifts from Me, they use them, and it edifies their spirit and helps them to feel a touch of the Heavenlies, of things that they can see

and feel and touch in the Spirit so that they can have a measure of understanding of the things Above.--Even as I am giving unto you this special gift of love that you too can feel and hear and see things from Above.

17. But the things that I am showing you are the deep things from Above, and these are the gifts that will bring you into a deeper relationship with Me, into a deeper love with Me, and into a deeper understanding of My Truth. For, yea, these are the deep things of God.

18. They are all manifestations of My Spirit, for I give unto all My children those good gifts--gifts that edify them, gifts that make them feel love, gifts that are a tangible proof of My existence, My Love for My children. Yea, these are as children and they play with the toys that I give them and the manifestations of My Love that I pour upon them, and they joy in them and it makes them feel loved by Me.

19. But because your David sought the deeper things and was willing to pour forth by faith the truths that I gave him, and you were willing to put these things into action--the love of God, the FFing, the witnessing, the living together, the loving together, the sacrificial spirit--you have proven to Me over the years your love and your desire for the deeper things. So now I give unto you a new and deeper love for Me.

20. Rejoice and be exceeding glad in the gifts that I have given unto you, in this, My precious gift of love! For it is more than just these small gifts that I have given unto others. For you are My Bride, you are My lovers. I do love these others with a sincere and deep love, but they do not know how to return that sincere and deep love unto Me. They do love Me and they are happy in their loving unto Me, and I am happy with their loving, for this is all they know and this is all they can understand.

21. But you understand Me better because of the Words of David and the depth of his Words and the width of his Words and the breadth of his Words. For I have revealed unto My David secrets that I have revealed unto no one else. And they are there, there in My Words, and I will continue to open them up unto you that you can know the deeper things of God. For you have let Me into the deepness of your caverns and I will fill you there with My golden seeds of love. (End of prophecy.)

34. But who will listen? Who will receive this new power? Yea, I say unto you, only the children of David! For there are none other that are open and ready and willing to receive these seeds of life and this Truth! So I reveal it unto you, for I shall give you great strength and great power.

35. As you preach this message and share this news, some others will listen and understand and will know and will learn and will grow and be strengthened because of it. But they are few, few in number.

36. As the darkness comes, I will empower them too, but not with the great power that I will give unto the children of David for their obedience, but mostly for their love unto Me that they will show, and yea, they have shown. For the children of David have proven themselves faithful and loyal unto Me and willing to sacrifice and to die daily for Me, that I can pour forth upon them in great abundance this great measure of power and love that I have for them, that they may use it greatly in the times to come.

37. So rejoice! Rejoice, I say, rejoice in this wonderful gift that I give unto you! A wonderful gift! A gift that I have given unto you!

38. I am revealing this unto you alone and I am pulling back the veil of My Word on that which was written by My servant David, to give you a greater understanding and a fuller knowledge of what I meant. For the time was not then, but the time is now, for we enter into the dark days, the days coming when there shall be gross darkness upon the people and upon the Earth. But you shall be a gleaming light, a light of love!--A light of strength and power and of My Words. As the darkness grows, the light shall shine brighter, yea, brighter I say!

39. There will be those who will listen unto you that are not of you, and they will have faith and it will draw them closer unto Me. But because of the great obedience of the children of David, and their great love for Me, and their great sacrifice, and their years, yea, years of faithfulness, so will I pour forth upon them in greater measure!--Greater than I have ever poured forth upon this Earth and upon My children in any times past. For now is the time that the power is needed and the strength is needed and the light is needed.

40. And as My children learn to love Me, to draw upon My strength, to put Me first, to call unto Me and to desire Me, so shall I pour forth unto them in great abundance all that they need, for I shall care for them as a king cares for his bride, his queen. I will pour forth great love and great anointing and great provision and great protection, for you shall need all of these things. And you shall know that you are the delight of your King and your Savior and your Lover and your Strength. And for this delight that you bestow upon Me, so shall I delight to give you all the desires of your heart, all the power that you need and all the strength that you seek.

41. I will bestow much, much love upon you for your humility, for your willingness and your yieldedness, for your faith and for your love, for I know that you truly love Me, and I am well pleased in you.

The Volcano of My Love!

54. This next prophecy points out how just because I had yielded to Him and loved Him the way He wanted to be loved, it would bring about such a blessing for the whole Family. This prophecy was received after one of the first times Peter and I loved up the Lord together, and though the first part is speaking to me specifically, it applies to all.

55. (Prophecy:) Do you understand better now? Have you not now felt My Love and the ecstasies of My Love and the power of My Love and the intimacy of My Love? Yet this is only a touch of the Love that I have in store for you, if you will follow Me faithfully day by day, one step at a time, holding My hand and going where I guide and where I lead and where I direct you. For you should have no thoughts but Mine, no desires but Mine, and you should seek only to go where I would lead and not in your own way in anything.

56. For if you will follow Me hand in hand, footstep by footstep, I will lead you to new heights and new places. I will lead you to new horizons that you have not even dreamed of. For there is so much that I have yet to pour forth unto you and to My children! I will use you as My vessel to pour it forth unto these that seek and hunger, that love Me and want to go where I lead. [KORIANE]

57. For you are the shepherdess, you are the one that I have chosen, and I have poured forth unto you My Love in great measure, in greater measure than I have poured before. For these are the End times, and these must know that you love them, so that they will follow you wherever you go. The place that you go will be the place where I lead you, for you will follow Me closely, because you love Me dearly. I will pour forth My Love upon you in great abundance, yea, great abundance! You will be satisfied and happy, for I will fill you to overflowing.

58. You shall rejoice in Me, your Lover! You shall rejoice and rejoice in Me, your Husband! You shall rejoice, for the angels of Heaven will be at your beck and call, and they shall come and do the things that I have said unto them that they should do. A host of Heaven encamps about you and rejoices with you, that you have learned this touch of Heaven, that you have learned to love Me in this way. For this has been a mystery, for so few love Me in this way.

59. But through you, and through your love, and through your words, and through your honesty and openness, many shall love Me in this way. Yea, many, I say many, will love Me in a new way and a greater way and a more fulfilling way. They shall be filled and they, too, shall know the

ecstasies of My Love, and the power of My Spirit, and the power that I will pour forth into them through My seeds of Love.

60. They shall shine brightly with My Love and many shall see them, and they shall be beacons in all the land, beacons of My Love in the time of darkness when the world is so dark. Yet My beacons shall be a shining bright light that many shall see. Many shall come unto them, and they shall be enlightened and they shall be filled with the warmth of the light. And they shall put forth their candles unto the light and they too shall be lightened, and they shall go forth with their light.

61. And though their light may not be as strong as the beacons of light, yet it shall lighten the hearts of many, and many shall rejoice! But My beacons shall be deep wells of love, and deep wells of light, and deep wells of encouragement, for they shall be filled with Me because they have loved Me and they have lain in the bed of love and they have been empowered by My seeds.

62. This world shall see a new thing. They shall see the Christians that I have made, the Christians that have the Love of God, the true Love of God, that share My Love and that give My Love unto one another. And by this shall all men know that you are My disciples, if you have love for one another, and if you have love for Me. For how can you love one another unless you love Me above all? For it is My Love that I will pour forth unto you for one another. It is My Love that will cause you to have great communication with one another. For it is Me.

63. It is My Love that will do this thing in this new day, and people shall see it and shall rejoice! They shall see that you are unlearned and ignorant men, but they will know that you love Me. For you shall glow! Your eyes shall be enlightened. Your hands shall hold the Elixir of My Love to heal their broken hearts.

64. And all of this shall spring forth from this one who loves Me. For this is a great thing and a great mystery that I show unto her, how I want My people to love Me. All because she said yes, and all because she laid down in the bed of love and said, "Come, come unto me, my Love! Come unto me, for I want You! I need You and I love You!"

65. From this seemingly small thing, in love for Me, I shall bring forth love in tremendous proportion which shall burst forth abundantly upon the face of the Earth! As a volcano that is just an ugly mountain until it explodes from the heart of the Earth, so shall My Love explode from this one, from these words of Love, these caresses of Love, this lovemaking that she has done with Me. So shall the volcano of My Love explode into all the world! So shall the heat of the volcano and the globs of heat that shall fall everywhere enlighten the land. My children shall rejoice in a new day and rejoice in the love that I have given unto them through My sweet queen, through her love for Me and through My love for her. *(End of prophecy.)*

All of these rewards, all of these great blessings, all of His Love will spread throughout the world, because His brides are saying "yes" to Him in humility and love!

Song of Solomon 5:2-4 [The bride says:] I sleep, but my heart waketh: it is the voice of my beloved that knocketh, saying, Open to me, my sister, my love, my dove, my undefiled: for my head is filled with dew, and my locks with the drops of the night. **3** I have put off my coat; how shall I put it on? I have washed my feet; how shall I defile them? **4** My beloved put in his hand by the hole of the door, and my bowels were moved for him.

(LOVING JESUS PT6)

A Lover's Prayer

Jesus, all to You we surrender! We lie here before You and say, "Help us! We need You! We love You! We want You!" We're nothing and You're everything! You are the Creator, we are the creation--created to love You, for Your pleasure. Help us to be pleasurable to You. Help us to love You with all of our heart, all of our soul, all of our mind, and all of our strength!

Thank You that You love us and want to be in the bed of love with us. You want to hear us whisper sweet things to You, just as You whisper sweet things to us. So help us learn to give You what You desire and what You want from us, as well as expecting You to give us what we desire from You!

Give us that contact and the desire for that contact, that desire to put You first and to really pursue You and our relationship with You. Help us to persevere in our relationship with You! Just as in human relationships, Lord, it takes a while to build a good relationship, but the thrills and the joys and the results will be better than our wildest imaginations!

Oh, Jesus, we need You so desperately, each of us! We want to enter the bedchamber with You! We want You to hold us in Your arms and to give us Your Word-kisses.

Help us not to get so wrapped up in our work and other things that we don't realize that we need to be close to You, to be intimate with You, to be lovers with You. All this other is good and necessary, but we should not leave the most important thing--our relationship with You--undone. We need to maintain that close communication with You and that intimacy, that love relationship with You that we can't go wrong in.

Thank You, Jesus, for Your promises to bless us abundantly if we will make love to You in this way. Thank You for the joy, the rewards, the answers to prayer that You are promising. Oh, Jesus, even if You didn't promise all this, we would still want to love You because You have been so loving to us. You loved us enough to go all the way to the cross for us--now we want to go all the way in love with You!

Please help us to look upward into Your beautiful face, always trusting, always praying and praising and loving You! Help us to come to You, to tell You of our love for You, to constantly show our appreciation for You and to give You all the glory.

We need You, Jesus! Help us to have a more loving relationship with You. Help us to be ever nearer to You! In Jesus' name, amen.

(THY MAKER IS THINE HUSBAND)

DAD ON LOVING JESUS

26. We have a sexual relationship with the Lord in the Spirit! (Mop 118:3).

27. Lovemaking is a physical illustration of what God does to us through the power and light of His Love! (Mop 118:23).

28. There's only one thing better than physical sex, and that's spiritual sex, intercourse with God Himself in the Spirit, being married to Jesus Christ as His Bride! (Mop 118:37).

29. We thank You, Lord, above all for our wonderful spiritual sexual union with You, becoming Your Bride in the Spirit (Mop 118:39).
30. We are a very sexy religion with a very sexy leader and a very sexy following and a very sexy doctrine, and we got it all out of this book called the Holy Bible! (Mop 118:34).
31. God's not ashamed of sex! He's not ashamed to talk about sex! He's not ashamed to be sexual, because He created it! He made sex! He made you! He made your sex! He made your sexual organs and all the nerves that feel good in sex. And He made them as an illustration of the ecstasy and the agony when it feels so good it hurts, the orgasm of His sexually spiritual union with His Bride! (Mop 118:53).
32. If you are ashamed of what God has made and are embarrassed by bosoms, penises and vaginas, you are most surely going to be horrified by the coming orgasms of the Spirit and naked truths of the spirit world which He has yet in store for you if you're able to receive it! (Mop 118:71).
33. One touch and you melt!--One kiss and you're gone!--One embrace and you're laid!--One thrust and you're made!--You've let that lovin' Man in and He really sends you and all you want to do is go, go, go until you explode! (Mop 118:82).
34. There's nothing like spiritual sex, it's the most sexy of all! (Mop 118:123).
35. The orgasm of the flesh in sex was intended to show you what the orgasms of the Spirit are like!--A counterpart of the spiritual ecstasies! (Mop 118:140).
36. Cut loose from those old foolish fancies and woeful old wives' tales and let yourself go into the bosom of God and let God do it to you in an orgasm of the Spirit till you're free! You're His Wife!--Sock it to Him!--Fuck God! (Mop 118:153).
37. For God's sake, let yourself go! Let go and let God, and enjoy the power of total surrender to the Spirit in an orgy of sexual orgasms of your God-given organs where you get wild and free in the Spirit and know it's right and the way it ought to be! (Mop 118:227).
38. He has raised up His New Church, a young Bride, bursting with energy and a passionate love for her Bridegroom!--An alive, vibrant, warm, living, beautiful body that responds quickly, fervently and ardently to His slightest touch and who is wildly ravished with His Love! She is exploding with the orgasms of His Spirit and strong to conceive many children unto Him from being fulfilled with the Seed of His Word! (Mop 33:50).
39. God actually needs you and wants you and is in love with you, His Bride! (Mop 77:35).
40. The spire of His inspiration causes a spiritual orgasm which fills you with His Spirit in spurts of the Seed of the Word of God, which when conceived in responsive hearts, brings forth fruit, newborn babes into the Kingdom of God! (Mop 45:15).
41. I want to lay up with Jesus! I wanna get loved by the Holy Ghost! I wanna get fucked by the Bridegroom! ... I wanna get loved up with Jesus! ... Let's just save ourselves for Him, huh? Let's give ourselves to Him! (ML #20:22).
42. I don't want anybody but Jesus to fuck me! I'm the Bride of Christ! Whose bride are you? I don't want anybody but Jesus! Amen? To hell with all the rest! Just give me Jesus! (ML #20:25).

43. Even as thou dost thrill with gentle caresses, and communicate with soft whispers in your loving, so shalt thou be enthralled with the caresses of My Love, and the communications of My Spirit as thou dost love Me (ML #P:6).

44. What do we have to do to bear fruit? We have to stay very close to the Shepherd, and like a wife to a husband, receive His seed so that we can conceive and bear children in the Lord. We need to mate with the Seed-giver and be a good wife and a good mother and bear fruit, bear children for the Lord (ML #1316:59).

45. For I look not upon outward trappings, but I look upon the heart. For there is your communion with Me. This is what I desire, the union of heart with heart, that your heart and My heart might be one, that we may be joined together as husband and wife (ML #2700:21).

46. I wanna get loved up with Jesus! I wanna be a bride--not a whore! Let's fall in love with Jesus! (ML #20:22).

47. Oh boy, the church wants no part of me! I've talked about, "You're the Bride of Christ, fuck Jesus! Fuck Jesus!" (ML #2054:66).

48. Most of all, we're happy with Jesus and His Love!--And you're His Bride and He's been fucking the daylights out of you with His Spirit and His Word and His seed and His Love to make you productive and fruitful and to bear Him children for the Kingdom of God!-- Amen? Hallelujah! It's a sexy business! TYJ! Praise God! (ML #1950:5).

49. I fuck you in the Spirit with His seeds, His Words, every day! Amen? Ha! PTL! TYJ! C'mon, let's fuck away! Boom! Wow! Whatta Word-fuck! Wotta Word orgasm! Wotta climax!--Amen? PTL! GBY! Fuck'm every day, sow'm every way, keep on fuckin'm to that fuckin' Day--with Jesus!--Amen? HAL! GBYAKY fuckin' away for Jesus!--In Jesus' name forever!--Amen!--Amen!--Amen! ILY!--Thanks for the terrific fuck! WOW! TYJ!--In Jesus' name, Amen! (ML #1083:123).

50. It's right there all through the Letters! It's pretty straightforward, isn't it? There are many more quotes, whole sections of Letters and even whole Letters on the subject of being intimate with Jesus, being His Bride, His wife, His lover. I know that some of this "New Wine" that you've been reading in these GNs has been rather shocking to some of you, but it's already been in the Letters for years, as you can see by these quotes from Dad! You've read these things over and over, and they're not new to you. It's just that only now is the Lord pulling back the veil, solving the mystery, and showing us that He has given us, His Bride, this precious gift of spiritual lovemaking with Him in a more personal, tangible way than we would have ever imagined!

What counts with the Lord is the desire of our heart, our wanting to please Him, and our wanting to be made willing even if it's difficult. That's what the Lord sees. The Lord is proud of you because the bottom line for you is, "I'm doing this because He wants me to do it!--

Not because I understand it, or even see the need for it!" And that really is a very great thing in His eyes--your obedience even when you can't see why and even when you don't really feel anything!

58. It greatly pleases the Lord when you have a trusting, believing attitude and are willing to say: "Jesus is my Lover, my Husband, my Bridegroom, and whatever He wants and whatever makes Him happy, that's what I want to do!"--Because I love Him!--And because I want to faithfully follow by saying these words He's given us to say to Him. It's also my responsibility and my duty to trust Him!--That when He says that saying these words to Him is good for me and it's going to make me happy, I will believe Him, even if I don't see any results. Regardless of how strange I think this may be, if I love my Husband and this is what He's asking of me, I'll do it! Because I love Him and I want to please Him, I'm going to do it! I'm going to try to say these words to Jesus and not risk disappointing Him!"

[But we do know why He's asking us !!!]

See in the Spirit with Your Heart--Not Your Mind!

87. (Prophecy:) There are glories to be revealed unto you, but you must walk by faith, and not by sight. For have I not convinced you in Spirit that these things are spiritually discerned? Do not try to understand them in your mind, for it is your heart that I seek. Your mind was created to be used by your heart--not for your heart to be led about by your mind. I have compassion, I understand, I see that these are difficult things. In the flesh they seem perverse, but in the Spirit they are glorious!

88. For I desire you! I desire to hold you close and to fill you with My seeds!--My seeds of love, My strength, My goodness, My kindness, My loving, My giving, My compassion, My empathy! The things that My Father has given to Me I will give to you, if you can receive it. If you can open wide your heart to Me, I will fill you with My Love to overflowing, and you will revel in it! You will love Me in a way that you have never known before!

89. I will make you a strong Family, the strong soldiers that you wish to be. For there are great battles ahead, and great struggles, and you will need My Love and My strength and that closeness with Me, that unbreakable bond between you and Me. I love you, and this is the reason that I pour My New Wine unto you, because I know that you love Me and you want to be My strong soldiers in these Last Days.

90. So lean not to your own understanding. In all your ways acknowledge Me and I will direct your paths, and I will give you understanding in all these things. But worry not, fear not, be not condemned, for this reaction is to be expected. For it is a shock, it is a shocking revelation. But spiritual revelations are shocking, and they have shocked the world since the beginning of time. And only the men of faith, only those that walk by faith have been able to enter in to each new phase, each new stage that I am taking you in this

progression into the spirit world. (The Keys are our wilderness) and the key to that wilderness is the Loving Jesus revelation. Revelation 12.)

91. So come, come with Me! Let us come together in Spirit! For I love you, and I need you. I need you to be strong. Have I not said unto you, "Lovest thou Me?--Feed My sheep"? But without Me you can do nothing. And if you wish to be stronger and stronger and stronger spiritually, you must come unto Me and let Me overflow you, overwhelm you, inspire you, and lift you to the Heavenlies, to heights you have never known before! I will use you even more mightily than you have ever been used!

92. I will lead you into new realms in the Spirit, new depths! You shall plunge into waters that are so fresh and so deep and so full of My revelations and My wisdom and My knowledge and My understanding! But first you must give yourselves to Me, fully, that I may know that your love is so bound with Mine that I can trust you with these deep things of My Spirit.

93. Be not weary in well doing. Lift up your hands and praise Me and trust Me, for I will lead you one step at a time and I will not give you more than you can bear. For there has no temptation taken you but such as is common to man, but I will not suffer you to be tempted above that you are able, but will make a way to escape, that you may be able to bear it.

94. I love you, My children! Trust Me, as you always have. Trust Me now. Trust your father David as he continues to lead and guide you and be My strong helper. *(End of prophecy.)*

(LOVING JESUS PT.5)

2. *(Jesus speaking:)* My brides, I ask each of you now to come and stand before Me and make your declaration and your vows before Me. I am asking you to forsake your own will and ways, your worldliness or carnal thinking, and to take a clear-cut stand for Me.

3. To wind up this Feast 2002, after all is said, after you have read and absorbed My Words, there must be a decision, a declaration, a statement of vows. I've made the conditions clear. I promise you great and awesome power such as has not been demonstrated on Earth before. I lay before you the awesome reality of performing greater works. But in order to draw on this power and to utilize these benefits, there must be a great forsaking, a maximum yielding, a yielding of that which is hardest to yield--your own thoughts, your own ideas, your own mind. I promise to give you My mind, My thoughts, My wisdom, My insight, My miracle-working power--yet it comes with a price, it comes with a forsaking, it comes with an unequivocal yielding. It comes by laying aside the carnal, the worldly, the earthly, and grasping tight to the keys, the spiritual, the Heavenly, the true power.

4. This is a time to come and lay down before Me anything and everything that would hold you back from allowing Me to possess you more fully and completely. It need not be a grand or elaborate event, for it is simply a time for each of you to come before Me in humility and sincerity to declare plainly where you stand. This is a time to declare your rejection of that which is worldly, and to take the stand to more fully put on My mind and receive that which is Heavenly. Many times, My loves, I have called you to take these steps-- to forsake the world. Yet never before have I asked you to receive Me so fully, to allow Me full possession such as will be needed in these Last Days.

5. The nature and tone of this time together is one of sobriety, yet one of intense joy-- for there is no greater satisfaction and depth of happiness than knowing you are taking a stand to open yourself up and receive Me and allow Me to possess you. There is no greater joy and satisfaction than knowing you are fulfilling the destiny to which you are called.

6. This ceremony is a time to forsake all, to lay before Me any and all things that would hinder you from allowing Me full sway in your heart, spirit, mind and thoughts. It is a time to make a firm commitment to reject the carnal, and to vow to put on My mind, to allow Me full possession, **to reject the things of the Earth and to put on the things of Heaven**. It is a time when you put on My mind and My thoughts.

23. (*Vision:*) I see the Lord. He's standing alone, but He's beckoning someone to come before Him. One of His brides enters the room. This is very personal, between the Lord and the individual; yet at the same time it seems public, or something that is to be a testimony to others. It's not meant to be hidden. I feel the presence of many onlookers, a group of people witnessing this event. Maybe they're spirit helpers or earthly witnesses or both. I can't see them, but I know they're there.

24. The setting is one of simplicity. All I can see is the Lord and one individual standing before Him. **This is a reminder that our decisions are between us and Jesus**. He is all we need. He alone is enough. He is everything.

25. The bride walks in and goes directly to stand before her Husband. First they greet with a warm hug, but then she drops to her knees and takes His hand and kisses it.

26. This person is very reverent with the Lord, and she holds the Lord's hand clasped in both of her hands as if she's holding on for dear life. She kisses Jesus' hand ardently. She seems very, very thankful and indebted for something.

27. Now, as she's kneeling on both knees before the Lord, she seems to be making a statement, a declaration of some sort, which she's reading from a small scroll. She's making a declaration before the Lord and it's something she wants to be bound to. She wants it to go on the record; she wants to make it official.

28. After the bride finishes proclaiming her vows to her Bridegroom, He reaches down to lift her up. They're standing, and Jesus puts both His hands on her shoulders.

29. He looks directly into her eyes, and there is an incredible, magnificent stream of light that goes from His eyes right into her eyes. It's a powerful beam of light. It's somewhat similar to the beam of light that is generated when the keys turned into swords. It looks like bright white light, yet

it seems to reflect beautiful color too, and it's all glowing and shimmering--it's just gorgeous, warm and soothing. It's incredibly beautiful. My words of description can't do the subject justice.

30. This flow of light from Jesus to His bride seems to have her spellbound, and the Lord is spellbound too. Both of them are absolutely mesmerized; they are completely enthralled with each other. They both seem locked in a trance, immersed in this look of love. They're engulfed by each other, taken by each other. It's so beautiful, so intense.

31. The light from the Lord's eyes to His bride is like nothing earthly, that's for sure. It's outstanding! It draws His bride into Him. It seems to strengthen their connection somehow--it strengthens their love bonds, takes their love to a different level altogether, and the impression I have is that it's impenetrable.

32. The Lord puts His arms on His bride's shoulders, and as He beams this amazing look of love from His eyes to hers, He is imparting such love to her, and He says, "You will never, ever regret giving your all to Me." His words are so definite, so sure. The tone is loving and tender and sure, and there's no disputing the fact.

33. Now the Lord is pulling His bride closer to give her a full embrace. As Jesus is embracing His bride, He enters right into her body. He melts right into His bride's body and they become one. The closest thing I can think to describe it is a little like those ghost movies, where the spirit goes right into the person's body. But this is beautiful--it's so, so beautiful!

34. They melt right into each other and become one! They merge. They explode in a Heavenly rapturous orgasm together. The bride starts to glow, and the look on her face is serene and absolutely beautiful. It's a look of total satisfaction. The bride is aglow--ravishing, exceptionally gorgeous!

35. Now, I hear the Lord's words again, echoing in my ears. Over and over He's saying, "You will never, ever regret giving your all, your everything to Me!" (*End of vision.*)

(VOWS OF SURRENDER CEREMONY)

A LETTER TO JETTS AND JUNIOR TEENS FROM MAMA

7. You know, loving the Lord is very cool. He's such a far-out Person. He's such a dependable Friend. Kids in the world don't realize it, but it's very hip to be the Bride of Jesus. It's awesome! There's nothing better in this life than to be married to Jesus and to be one with Him. He's unconventional, different, wild and unique. He's a pretty far-out, cool Guy. He can be called by some pretty far-out names. He's not only your friend, He's your top guy, your number one. He's a mighty man, an awesome dude. He's your main man. You can picture Him as a buddy, a friend, a cool dude to hang out with, or anything else you like. That's okay with Him! He's all these things!

8. The Lord has revealed precious secrets of His Kingdom to you. He has brought you into a very special, private, intimate place with Him. He's whispered in your ears things that most kids your age around the world have never even imagined! The poor kids of the world are all looking for adventure, excitement and satisfaction. They're all looking for something new. That's why they so frequently seek for thrills in drugs, or perverted, unloving sex, or extreme sports, or demonic types of music, videos and computer games--because deep inside they have an aching void, and they're trying to fill it. Those poor kids! It's really tragic, because all these things they're trying are just counterfeits of the Enemy to get'm tripped off, to weaken them in the flesh and in the spirit, to pollute them and make them sick, and even to kill their bodies and their spirits.

9. You are some of the few kids in the whole world who know the truth--the deep truths of the spirit world. You don't need drugs or all-night parties or the incessant driving music of the Devil to push you into the spirit world, to throw you into the dark kingdom of the Enemy in your quest for the truth, because you already have the truth. You have something more precious than could ever be bought with money or discovered through these other means! Jesus has made you His child and His Bride, and day by day, as you get to know Him better and spend time loving Him personally--singing songs to Him and praying from your heart to Him and listening to His voice--He brings you closer to His bosom. Then you become more united, more of one mind and one heart, and you begin to think more like Jesus and act more like Jesus. The more you love Him, the closer you want to be to Him, and it's this close personal relationship with Jesus that gives you power, strength, and happiness.

10. Loving the Lord and being close to Him is the secret! That's really it! That's what's really cool, or as I think you say these days, that's way cool! Being the Bride of Jesus is so far-out and so awesome that the kids of the world haven't even heard of it yet! You're so far out front and so far ahead of them that it's like they're living in the Dark Ages, while you're living in the future, in the eternal now, in God's beautiful Heavenly Kingdom of love that will never end!

11. Jesus has so much to give you--so much truth, love, and happiness! He wants you to overflow with joy! He wants you to be so turned on with life that you feel you could almost burst! He wants you to be flying high in the Spirit! But the secret to receiving these blessings or gifts from the Lord isn't our communal living, or our work for the Lord, or our overcoming all our personal problems--but it's being close to Jesus, loving Him, and being His Bride.

12. You shouldn't be ashamed of your relationship with Jesus. You shouldn't feel you have to hide how much you love Jesus and how much you depend on Him and need Him and want to be close to Him. You shouldn't think it's something that's corny or "religious" or un-cool. When you go out witnessing and you see other kids with their new haircuts and clothes, hanging out with their friends, and they look like they don't have a care in the world as they smoke cigarettes, listen to music, ride skateboards and basically just "chill," you shouldn't feel intimidated or be tempted to compromise your convictions. Because what you have is so much more valuable, so much more precious than what they have! Even though you can't see your riches, they're there nonetheless.

Thank you for being willing to be Jesus' Bride, for loving Him and letting Him love you.
(IT'S COOL TO LOVE JESUS)

"There Is Neither Male nor Female in Christ Jesus" (Galatians 3:28).

The great Apostle Paul frequently extolled the virtues of gentleness and meekness (which are generally attributed to women), as the following Scripture passage attests:

We were *gentle* among you, just as a nursing mother cherishes her own children. So, affectionately longing for you, we were well pleased to impart to you not only the Gospel of God,

but also our own lives, because you had become dear to us (1 Thessalonians 2:7-8, *New King James Version*).

Paul also elaborated on the "strength of weakness" for believers when he wrote, And He [Jesus] said to me, "My grace is sufficient for you, for *My* strength is made perfect in [your] weakness." Therefore most gladly I [Paul] will rather boast in my infirmities [weaknesses], that the power of *Christ* may rest upon me. Therefore I take pleasure in infirmities, in reproaches, in needs, in persecutions, in distresses, for Christ's sake. For *when I am weak, then I am strong* (2 Corinthians 12:9-10, *New King James Version*).

The well-known pastor and writer Richard Wurmbrand (author of *Tortured for Christ* [1967], who was imprisoned by the former communist regime of Romania for 14 years), expressed the need for Christians - men and women - to adopt "bridal" qualities in their relationship with the Lord. In a book comprised of various insights and revelations he received while in prison, he wrote,

Male and female Christians both, *all* who believe, are *brides* of Christ. ... The direction for all of us must be toward acquiring more female characteristics: gentleness, quietness, submission, passive acceptance of everything the Bridegroom decides.

A male, at conversion, becomes a *bride* of Christ, not a bridegroom (Wurmbrand, 1982: 22-23).

Christian author and evangelist Lambert Dolphin adds,

"A woman" in Scripture is a picture (type) of the ordinary believer. For example, this figure is used in Romans 7:1-4. [7] This short illustration from the Apostle Paul shows how "a woman" can be used in a typical sense in the Scripture to represent the ordinary, average believer. ... C.S. Lewis has said that God is so masculine that we are all feminine in relationship to Him (Dolphin, 1995).

Spurgeon likewise expressed no difficulty in recognizing that all believers, male and female, were individually "brides" of the heavenly Bridegroom:

We are but poor lovers of our sweet Lord Jesus, not fit to be His servants, much less to be His brides, and yet He hath exalted us to be bone of His bone and flesh of His flesh, married to Him by a glorious marriage-covenant. Herein is love! (Spurgeon)

27. *You and the Lord showed so much faith in me that I can't help but want to do all I can to prove myself worthy of such love and trust. But that is where I go astray so often, in that the Lord doesn't want me to prove anything. He just wants me to love Him, to surrender to Him, to let Him take me and ravish me so that I will never go away from His side. But in the midst of all this activity, face to face with all this need*

in every area, I repeatedly make the mistake of carrying the yoke myself and falling under the weight of a load that only He can carry.

28. I believe that is part of why the Lord has asked us men to become women in the Spirit in our times of love with Him, to take on the attributes of a yielded bride whose sole desire is to please her Husband--not concerned about doing those things which the Husband is responsible for, but only concerned about Him, His needs, and pleasing Him.

(Summit '96 Letters!, The--Part 4 [#3081])

2. Because loving Jesus intimately is generally a private matter, and it's something that definitely happens in the realm of the spirit world, it's not easy to recognize all the many ways the Lord has blessed us as a result. Some of the blessings are rather hidden. So I asked the Lord if He would like to explain how He has fulfilled or is in the process of fulfilling His many promises to us--even blessings that we may see, but may not understand the reasons for which they have been given.

4. (Jesus speaking): You can't imagine the joy that you have brought into My life by loving Me intimately! You cannot comprehend how complete you have made Me feel **now that we are one, now that we are lovers** and we revel in the bed of passion and intimacy. Each time you kiss My lips and look deeply into My eyes and share your heart and express your love and your desire for Me, each time you reach out to Me and hold Me and want Me, each time you fuck Me and receive My penis and fuck My golden rod and drink in My golden seeds, it fills My heart with joy until I feel I could almost burst!

5. Your love and yieldedness and humility, your willingness to love Me intimately as My Bride, have made Me complete. **Now I am a whole Man**, full and overflowing with boundless love and satisfaction. As you have given Me the desire of My heart, so have I given you the desires of your hearts, and I will continue to do so.

9. (Jesus continues:) I am not as a man, one who would lie or deceive or trick or lead on his lover only to get what he wants, and then dump her and reject her and leave her hopeless and penniless and brokenhearted. **I am not only your Husband and your greatest Lover, but I am also your Lord and King and Savior. I rule the universe**, and all power is given unto My hand. My Words to you are true. My promises to you are perfect. Some have been fulfilled, some are being fulfilled, and some will yet be fulfilled.

10. But not one of My promises will be without her mate, just as I am not without My mate, and you are not without your mate [Me]. Just as **you and I are complete and whole in**

each other, so will each of My promises to you be complete and whole, each one with her fulfillment.

11. Your love has moved My hand to work in many ways--some you see and some you do not yet see. But I am constantly working for you, serving you, honoring you. I know your every need, and nothing escapes My vision. My passion and love for you drives Me, compels Me, pushes Me to attend to your every need and desire. For I am not as an unfaithful husband whose love has waned and who plays around behind your back and is unfaithful and untrue and deceptive. But I am your Husband and your Lover today, tomorrow and forever! Nothing will separate us. Nothing will lessen My Love for you. Nothing will cause Me to lose interest and to go seeking someone new, someone different. For you are the Bride of My dreams, and I will take such good care of you--pamper you, spoil you, honor you so before the people--that you will never regret marrying Me!

16. You have humbled yourself before Me, some at great cost, and for this I honor you. You have been willing to come into My arms and into My bed and express your love for Me with intimate, personal, tender love words. Each step that you have taken by faith I have looked upon as great progress, great humility, great love. And as you have humbled yourself in this way and desired to draw nigh to Me, so have I been able to draw nigh to you.

17. This is the dynamics of the spirit world. No matter how much I desire to draw nigh to you, you must take the first step. You must desire Me. You must draw nigh to Me. You must **create the vacuum and show the hunger** and then I am able to draw nigh to you, to give you all that I wish to give you and all that I have for you.

21. (Jesus continues:) Those who have loved Me intimately, I have helped and strengthened and blessed in an enormous variety of ways. Victories that have been won, lessons that have been learned, tough decisions that have been made in My will were all part of My reward, My blessing. But the greatest reward, the greatest gift, is greater intimacy with Me. As you have learned to love Me intimately, as you have lain in My arms, received My kisses and caresses and seeds, so have you learned to be attuned to Me. You recognize My Spirit and My voice more easily. You feel the nudges of My Spirit more obviously. You sense the direction that I am leading. You discern My will and My way more completely.

22. Just as it is with earthly lovers, as they spend more time together and share their hearts and learn to know one another deeply and intimately, they become attuned to each other's desires and needs and ways, and with time they are as two hearts that beat as one. They think alike and act alike and are alike. **So it is with us--you, My dear bride, and Me. You have learned to recognize My needs and wants and desires. And as we have spent many precious hours in the secret place in passionate lovemaking, so have you become more like Me--thinking My thoughts, reacting as I react, feeling as I feel, and loving as I love.**

23. You who have loved Me intimately have allowed My penis to plow the soil of your heart and I have planted My seeds deep within you. You have received the bursts of My seeds in Heavenly orgasms again and again and again. I have caused these seeds to pour forth from your mouths as you have been My channels and My witnesses.

24. You have exercised your gifts of prophecy. You have grown in faith, and My seeds, the results of our lovemaking, have poured forth through your mouth in the form of more specific instruction, more abundant message. For as your desire to receive My seeds and My lovemaking has grown, so has your desire to hear My personal, fresh, Heaven-sent Words increased as well. **Your increased ability to hear from Me, to receive help from Heaven, specific answers to your immediate questions through My living Word for you is a direct result of your loving Me and receiving My seeds.** You love Me and I fill you to overflowing, and My truth bursts forth from your mouth and heart and spirit.

25. Likewise, so it is with your witnessing. You have been willing to give yourself to Me, to receive Me, to show Me your desire.

26 . I have brought new life into your witnessing--new purpose, new vigor! It has caused you to want to be more honest, more real, and to have a deeper witness, a more sincere connection with each person you meet.

28. Each time you love Me and fuck Me and humble yourself before Me, the wildness and movement and energy of our lovemaking shakes and weakens and causes to crumble the walls that you have built up around your heart that separate you not only from Me, but from others.

29. We are so in love! We stay on a permanent "high," always looking forward to and anticipating and daydreaming about the next time we can be together. Not only do we love to make love and feel the pleasures and explosions of the Spirit, but we also love to talk to each other.

30. I love to speak to you with My still, small voice in your heart. I love to speak to you with My fresh Words from Heaven. I want to pour out to you. I want to answer your questions! I want to tell you whatever you need to know or want to know. But I also want to hear your words of love, your sweet prayers of thanksgiving and petition and intercession.

31. You, too, want to talk to Me. You want to pour out your heart to Me, to feel Me right there with My arms around you, looking in your eyes, nodding My head understandingly, saying to you, "Tell Me more! Tell Me more!" So you want to tell Me whatever is on your heart. You want to unburden yourself completely to Me, and in our newfound intimacy and trust you have found the freedom to do just that.

32. But you don't only want to talk to Me, you want to hear what I have to say to you. You have a tremendous hunger in your heart and mind to read My Words, to know My thoughts, to know My views. You want to hear My stories and feast your eyes on My word pictures. You want to revel in My Words of love for you and marvel at My Words of wisdom. You feast not only on My written Word, but in peace and quiet you come before Me **hungry to hear My whispers**--My special, personal, individual Words of love and instruction and encouragement that are just for you.

I'll simply list a summary of the many blessings He mentions in point form. Remember, even if you don't personally notice all these changes in your life, He assures you in the preceding

message that He has blessed you for loving Him intimately. He is blessing you, and He will continue to bless you in the following ways and more!

- * Greater intimacy with Jesus, which means you're more in tune with Him. This helps you win victories and learn lessons. He also gives you the grace to make any difficult decisions that may come your way.

- * You recognize His voice, sense the direction He's leading, and discern His will more easily and clearly.

- * You spend more time with Jesus, and as a result become more like Him--thinking His thoughts, reacting as He reacts, feeling and loving as He feels and loves.

- * You have a greater desire to hear from Him in prophecy and receive the personalized instruction and shepherding He has for you.

- * You've grown in faith to exercise your gift of prophecy, which means you're getting more specific and abundant messages from Him.

- * You've become better witnesses--more aware of people's feelings, more "real," not so routine or businesslike. This causes you to give a deeper witness and have a more honest and sincere connection with people, doing more to make a difference in their lives.

- * As you've been more humble and honest with the Lord, it's made you want to be the same with others, which means your relations with your loved ones--your mate, friends, co-workers, etc.--are closer and more intimate. The walls and false fronts that had separated you are being broken down.

- * You're more in love with Jesus! And just like two people on Earth who are in love, you are excited about being together. You treasure every moment when you can spend time together, making love, communicating, talking, listening! Just to be in the company of the One you love is a thrill in itself, as you hang on to every Word He says, and you want to know everything about Him, just as you want Him to know everything about you--every detail, every secret, every battle and victory, every hidden thought. You don't want to hold back anything. You want to be completely united, like He said, as two hearts that beat as one!

34. The Lord is so good to us! It would be enough reward just to be able to lie in His arms and receive His Love and give Him pleasure and satisfaction in return, and yet He sees fit to also bless us so abundantly and enhance and beautify our lives! Praise the Lord!

53. (Jesus continues:) The children of David have become the brides of Jesus. They have been set free to love Me intimately, wildly, wholeheartedly, with utter abandonment, without restraint, without limit. As the heat of their passion abounds, so do My blessings abound. As they pour forth their hearts and their desire and their longing for Me without limit, so do I open the windows of Heaven and pour out a blessing to them that is without limit.

54. There is nothing that I won't do for the children of David, because they please Me so. I am mad with love for these, My sexy, hot young brides! Because they have been willing and had faith to receive the truth about My desire for them, My desire to love them and fuck them and become one with them, so have I been able to honor this faith and pour forth to them abundantly, without reservation, of the truth of Heaven.

55. Their greatest blessing and reward for loving Me intimately and coming to My bed of love to revel in pleasure and ecstasy is that I have poured forth to them the treasures of Heaven that none other on Earth has partaken of. They are rich beyond any people on the face of the Earth! Their wealth is beyond description! They are millionaires and billionaires in the Spirit because they receive in such abundance--I give even more than they can receive--of the gold and precious jewels from My Heavenly mines.

56. Deep truth have I given unto the children of David because they have manifested such deep faith. Their willingness to say yes to My desire, to receive Me and humble themselves and disrobe before Me and make passionate love, opens the very vaults of Heaven! And God the Father, the Holy Spirit and great multitudes of Heavenly helpers began to pour forth the riches of Heaven as they have never been poured forth before. The riches of Heaven had been waiting in reserve, waiting only for those who were worthy, those who deserved such honor.

57. It was My responsibility, My part to put forth My requests--to open My arms, to beckon you, to call you to come into My bed of love, to be wed with Me, to become one with Me. And it was your responsibility, your part to simply say yes and obey in love and humility. Then that put the wheels in motion for you to receive the abundant riches that are now yours for the taking because you are My wife, My Bride. What is Mine is yours. Now all the secrets of Heaven and the universe are open to you, and all the wealth of Heaven is at your fingertips. You have but to ask and you will receive.

58. Because you, the children of David, were willing to receive the shocking truth of My need for you and My love for you and My desire to be wed to you and to become one with you, so were the gates of Heaven opened to you, that you might be able to see in freely and partake of all that is there.

59. This was a test, a requirement, a challenge to the children of David. If you as a whole would be willing to accept the deep, radical, revolutionary new truth of the "Loving Jesus" revelation, then would be given into your hands the keys to the truth of the universe. The God of the universe was testing you, and you have passed the test! Now you have entered a new era in which you are given more deep truths of the Spirit. You have proven yourselves worthy of such honor and privilege, and now all Heaven rejoices at your yieldedness! Great preparation is made for the pouring forth of the Words of truth and revelation that will come to Queen Maria and King Peter. This is the greatest reward of the children of David.

(WHAT A HUSBAND AND LOVER)

Come deep into the spirit!

43. (*Mama:*) The following prophecy was sent to us from a man who, after reading the "Shakeup 2000!" GN, had asked the Lord how he could be strengthened for the days ahead. There are some beautiful jewels and word pictures in this message from the Lord, as He implores us to enter deep into His house and into His Spirit, so that we can receive all that He has to give us.

44. (*Jesus speaking:*) I want you to enter into the house of your God, into the Spirit, into the Word and into the close fellowship and lovemaking. Receive My deep kisses, enjoy My touches, My embrace, and love the Words of My mouth as honey.

45. **Your strength is in your desperation with Me.** Seeing your flesh fail and the house of your earthly tabernacle faltering, more and more full of aches and pains and physical failings, is troubling to you, but these are less bothersome to you than the failings of your spirit. The victories you would like to have often seem to elude you, and your spiritual weakness weighs more heavily and at times wears upon you more than physical failings. Physical failings you can excuse or dismiss as part of aging, but spiritual battles, failings, and weaknesses are things you want to be able to overcome. You want to conquer, but so often feel that you cannot.

46. **All of these things that wear away at your spirit require My strength to walk you through.** They require great spiritual strength, and great spiritual strength comes from abiding in Me. You know this very well, and when you just can't cope and things are impossible, you do come quickly to My arms, you do run to Me. **But I don't just want you to run to Me in trouble.** I want you to abide with Me. Come and live with Me. Stay with Me! You don't have to let the weights and worries and problems churn away and grind you down. You can't take that kind of wear and tear. That's the Devil's grindstone--not Mine. He wants to grind you up and sift you as wheat! He loves to break people down. He likes to break their connection with Me.

47. **More and more you have to live above this world so that nothing can offend you, so that you'll not be shaken by all the troubles and problems,** by old friends departing--people you knew and loved and looked up to as spiritual guides and leaders in your life, people you respected but who now seem to have turned away from My arms, who do not care for My deep kisses, who do not want to say yes to My new gifts or My lovemaking. You must come away with Me so that I can keep you, and **so that none of these things will move you.**

48. I'm happy you have not said no to My lovemaking, that you have not said no to My body, to My needs. I'm happy that you care nothing for your reputation, and desire only to please Me. I'm happy that you're delighted to be My lover. You crave Me as a thirsty animal in a dry land, who finding cool water rejoices. Your soul rejoices at My touches, at My love, at My kisses, at My embrace, at the beauty of My body. **Your only desire is to serve Me in love.**

49. **Having tasted My love, you're addicted to Me.** You burn to be with Me and can't bear to be away from Me for very long. Your heart and mind and body ache when you're not in My arms. So, I say, let Me love you more and do not fear. You don't need to keep our love relationship secret--move in with Me! Abide with Me! Come and live with Me and be My lover, My wife, My housekeeper. Share My bed, share My body.

50. **I'm not ashamed to be married to you, so you shouldn't be ashamed to let others know you're married to Me.** I know you're not ashamed, but humble yourself and don't hold back out of

fear. Besides, how can our true love hurt anyone? Let go and let Me. Burn your bra!

51. **The secret is not to keep battling with your old problems; the secret is to pack your bags and move in with Me.** Move out of your old life, your old habits, your old problems, your old ways of trying to do it yourself, trying to figure it out, trying to work it out, trying to hang on. You'll never make it that way! I'm the only One Who made it, and can help you make it! I have a free ticket for you all the way to eternity and eternal happiness in the Kingdom of Heaven with Me.--If you'll just pack your bags, move out of yourself, and move in with Me!

52. **Come on! Move in with Me! What do you say?** You like fucking, so how about letting Me give you the fuck of your life? You want Me, you want it, you want My love, you want Me fucking you, loving you, so forget yourself. Move in with Me! Let's get hitched and ditch all that old stuff that you keep dragging around. Quit waddling around town like a homeless old bag-woman with a pushcart of problems, keeping bits of old trash and begging for coins, when you could be living in the house of the King! You could be driving around in My limousine and passing out My millions to the poor! You take care of Me and I'll take care of you and your problems, and help you take care of a whole lot of others and a whole lot of other problems.

53. **Don't be like those guys who think they're doing such a service for Me in life, but they just never take time to know Me.** They never get to know Me, so I have to say to them, "Depart from Me, you workers of iniquity; I never knew you." What a shock! And they say, "But we've done many mighty works in Your name!" Oh yes, they like to use Me, but they hate to let Me use them. They always want to do it their way, not My way. It's like they're saying, "Now, God, we'll take the Kingdom of Heaven from here! You did Your part and we'll take over now!" Well, that's not the way it works! The branch has to abide in the Vine.

54. **So it is with this new purging of the Family.** You can follow the rules and even be quite a sweet and friendly person, but just keeping the Charter regulations is not going to save you. You're still not going to have the strength to keep going unless you abide in Me, unless you really plug into Me, unless you really fall in love and hang on to Me for dear life.

55. **I'm the only One Who is able to keep you.** You can't keep yourself even by trying to keep all the rules. Of course, if you really love Me, you'll want to keep My commandments. But it all boils down to the question: Do you really love Me? How much do you love Me? Do you love Me enough to be My disciple? Do you love Me enough to be My wife--to abide with Me, and in Me, and let Me abide with you and in you? I know that that's your heart's desire--so go for it! *(End of message from Jesus.)*

61.(Jesus): I've chosen not to reveal to you all the secrets and the mysteries of the Hereafter, but I will tell you this: We will retain that spiritual relationship, the satisfying loving that you can experience on Earth. You'll always be special to Me, and I'll be with you at all times. It's important to come to know Me intimately while on Earth, for it will be the basis of our relationship in the Heavenlies. We'll have the same special, personal love that we have now; at any time you wish you can enjoy My wonderful and satisfying spiritual lovemaking, and the fulfillment of receiving My seeds and My blessings. But I will also call you to come and fellowship with Me face to face, and this will be different than the time that you spend with Me in the spirit. We can know each other in the spiritual realm and in what you could call the "physical realm."

62. **The most important thing is to have faith--faith to love Me now as you do, and faith to wait**

until you get to Heaven before trying to understand the workings of Heaven. Even if I were to explain the ways of Heaven in detail, the frail mind would not be able to comprehend nor understand, and it would only cause you to become confused. Have I not asked you to trust Me for today, to worry not about tomorrow or the years to come, let alone try to comprehend Heaven and eternity and the mysteries and secrets that will be kept so until you arrive Here? Leave something to be discovered.

63. Enjoy what I've revealed to you about your present times and the days at hand. Rejoice that you can know Me not only as Lord and Savior, but that I've shared with you My "human" side, and that you can know Me as a Friend, a Lover, and a Husband. There's so much more to come that I can assure you you'll never be bored. Take each day as it comes and you'll be thankful you didn't get ahead of My plan. *(End of message from Jesus.)*

(How to Love Me More pt.3)

16.(Jesus): Oh, what love! Our sweet intimate love as Husband and wife is a love to be cherished. I love the way you've grown to enjoy our times of love, as day by day you look forward to it with greater anticipation, and this turns Me on. Your greater yieldedness turns My key. It's like flipping the switch that turns Me on and excites Me and moves Me to take action on your behalf, to shower you with blessings and to supply your every need.

17. I love the way you've become more conscientious during this time we've been together, as you've grown to be more aware of all the little things that mean so much to Me. The thoughtful gestures you make throughout the day, taking a few moments whenever you can to say hello, to sing to Me, or to whisper special words of love in My ear, or the times you stop to unburden your heart to Me, all of this makes Me feel so wanted and needed. I love all the little things you do for Me and the way you're branching out to find new ways to please Me. Your cheerfulness and readiness to do My slightest bidding is something I deeply treasure.

18. I see that you, too, have enjoyed these moments of growing closer, as we fill each other's need for love and companionship. How you have grown and matured as a result of our closer union! The times I have whispered in your ear, sharing deep secrets on weighty matters, have given you greater insight and depth of spirit. Our being together like this has provided Me the opportunity to share with you not only many lessons I have learned but even My Own personal battles and innermost thoughts and feelings, and this has caused you to fall even deeper in love with Me.

19. Oh, My loves, how it has brought Me great joy to be able to pour out to you like this, sharing My heart and My love with you in greater intimacy. I enjoy answering all your questions! Not only does it make Me feel so needed, so wanted, but it has made your life and tasks so much easier; and this makes Me very happy too.

20. Your faith has grown as you learn to trust Me, and this has put you so much more at ease. You are learning that even though our love sometimes seems hidden, even when the storm clouds darken the sky, or when the sun seems hidden in the darkness of the night, still our bond of love grows. It stands strong, and you've grown to rest assured that just as the sun will always shine again, so My love will never fail you.

21. You are learning the true value of intimate and enduring love, that it's a day-by-day process. It takes time, as it's made up of many little things which cause it to grow steady and sure.

22. Oh, My darling brides, how I long to fill you with more and more love! You never dreamed that I would still have so much to give, My dear ones. I have much more to pour out! Oh, how I love you, My most intimate brides!

(Keynote to the 1998 Feast)

169. The gift of prophecy is a direct link between you, My children, and Me. I desperately depend on our link of communication both so I can speak personal words of encouragement and instruction to you and so that I can lead and guide you to establish My Kingdom on Earth in these Last Days. This is why I desire that our channel be secure and unhindered by the Enemy, but you must do your part.

170. What is your part? Your part is to be desperate with Me, staying close to Me and My Word, remaining humble and full of faith, and being My yielded bride. Then the Enemy will not be able to penetrate our line of communication and our connection will be clear, strong, pure and unhindered. *(End of message from Jesus.)*

(Understanding Prophecy, Part 2)
