

Are you loving Him? Part 1

10th October, 2022

PSA.4:1 Hear me when I call, O God of my righteousness: thou hast **enlarged** me when I was in distress; have mercy upon me, and hear my prayer.

"Thou hast enlarged me when I was in distress." A figure taken from an army enclosed in a defile, and hardly pressed by the surrounding enemy. God hath dashed down the rocks and given me room; he hath broken the barriers and set me in a large place. Or, we may understand it thus:—

"God hath enlarged my heart with joy and comfort, when I was like a man imprisoned by grief and sorrow."

God is a never-failing comforter.

(Spurgeon's Treasury of David Ps.4)

1st April, 2022 (Prophecy) If your shortcomings bring you low and make you to feel in no capacity to be able to do anything then it achieves My purpose. All things come from My hand so your tests and the same old weaknesses bring you to your knees each time and remind you that you can't do anything good except without Me. And that's exactly how I would have it so. The humility will be in the knowing that without Me ye can do nothing and then that will permeate your whole spirit and I will shine through and people will see Me in you and not yourself. This is being clay in the hands of your Potter. This is letting the keys work and blue energy pulse through your veins. So just yield My love and lay yourself down and be happy to be humbled and lowly of heart and meek of spirit as you sit at My feet and acknowledge My ways and how I work in your life. (End of prophecy)

The Secret Is to Let Go

I walk with you

My strong tower is there, and even if you forget all your class material and drop your pencil and seem to yourself a flat failure, I see your heart and I understand your motives, and I will embrace you in your time of desperate need. Fear not the tempter, for I have allowed him to singe you, but your life is safe within the shadow of My arms. Deep in the arms of Jesus abideth perfect peace. When all about you seems thwart with danger and uncertainty, when in the darkness the enemy's threatenings haunt and taunt you, draw My cloak around you and come deeper in, and My spirit will sustain you until the tempest is past. I walk with you; do not doubt. I walk with you to bring you through. I am here. Do you feel My hand in yours? Our love only grows stronger as the enemy tries harder to pull you away from the pillar of light. The darkness cannot hold My crystal as it turns toward the Light. It is impossible to hold it. The darkness must let go. Come, My love, come and snuggle up with all the other crystals who have abandoned the world of darkness for My pillar of light and freedom. The secret, My dove, is in letting go...

"Just as Noah was in the ark seven days before the flood came, safe and secure with Me, so will you be kept safely during the 7 years prior to the great Endtime deluge that will forever take away the world of unbelieving man."

"My Kingdom is within you and all around you, and one day very soon, you will be taken from this world, just as I was lifted up by the hand of My Father to My reward, so will you be. But until then you are required on the earth plane as My representatives. But I have not left you comfortless or without the facilities to perform your duty for Me."

By Mystical Bible- The Good News Blog

Those who are used to turning to Me and drawing their power and strength from Me have faith and trust. They're not afraid because they know that I'm the One Who has to lead and guide them, and they pin their faith and trust in My answer and My leading, and in all they do they obey what I show them.

(ML 3235:33)

There were many, even among King David's own followers, who wanted to see rather than to believe. Alas! this is the tendency of us all! Even the regenerate sometimes groan after the sense and sight of prosperity, and are sad when darkness covers all good from view. As for worldlings, this is their unceasing cry. "Who will shew us any good?" Never satisfied, their gaping mouths are turned in every direction, their empty hearts are ready to drink in any fine delusion which impostors may invent; and when these fail, they soon yield to despair, and declare that there is no good thing in either heaven or earth. The true believer is a man of a very different mold. His face is not downward like the beasts', but upward like the angels'. He drinks not from the muddy pools of Mammon, but from the fountain of life above. The light of God's countenance is enough for him. This is his riches, his honor, his health, his ambition, his ease. Give him this, and he will ask no more. This is joy unspeakable, and full of glory. Oh, for more of the indwelling of the Holy Spirit, that our fellowship with the Father and with his Son Jesus Christ may be constant and abiding! (Spurgeon's Treasury of David Ps.4)

A reaction to a section from the compilation "THE KEYS OF NEED AND THIRST"

Quote: Woe, woe is me! that sin hath made so many madmen, seeking the fool's paradise, fire under ice, and some good and desirable things, without and apart from Christ. Christ, Christ, nothing but Christ can cool our love's burning languor. O thirsty love! wilt thou set Christ, the well of life, to thy head, and drink thy fill? Drink and spare not; drink love and be drunken with Christ! Nay, alas! the distance betwixt us and Christ is a death. (Rutherford)

(Prophecy)Are you seeking the fool's paradise, the things without and apart from your Husband; the seemingly more desirable things of the flesh, while you leave your spiritual life to the side? Many search for happiness in this world and its things and entertainment, but they find it not. They seek to cool the tip of their tongue with the pleasures and distractions of the world but instead they are being burned with fire and find not what they seek. Those of the world that I speak of are not as you, they do not have the knowledge of the Words of David, they have not been brought to an understanding of Jesus and His great love and desire as you have. You are blessed in the spirit far and above, but yet you want to stoop down into the mire, that the whole world is swimming in, to try to find happiness and fulfillment where they cannot. It does not line up. It is because you want to escape; you do not feel like drinking in the Word, your flesh wants to be entertained. But I believe we must pass by that; we must ignore our feelings and **set Christ, the well of life, to thy head, and drink thy fill. Drink and spare not; drink love and be drunken with Christ!** For time waits for no man and those who wasted time in these days will be found wanting and ashamed that they did not redeem the time, but instead let their spirits be dry for lack of the True Water as they partook of the waters of the enemy and of the world. It is a serious matter and whether you actually are taking part of those waters or only wishing that you could have some things and that things in your life could be different or more exciting, you are wasting precious time and starving your spirit in the process. So as you sit there wondering what to do and you hear that little whisper, 'Why don't you get in the Word?' what do you do? Do you shake it off with an "I don't feel like it", or maybe some other excuse and then go on being bored and unhappy? Yes, and that is what you need to change. Sometimes you do obey the whisper, but not enough. Set the Word of Life to your head and drink thy fill. Drink and spare not; drink love and be drunken with Christ. That's the only way to get rid of 'yourself' and your own attitudes and ways. Just get so drunk on Jesus, as the Letter says. Get so high with Him that you don't think about your stinking self. Nobody wants to hear your worldly thoughts; your selfish attitudes aren't doing anyone any good or yourself for that matter, so just forget about them. Fill yourself so full of Jesus that only He comes out, He's gotta be the one shining through. (End of prophecy)

Cry out to the Lord Jesus to fill the dry beds of thy rivers until they overflow, and then empty thou the channels which have hitherto been filled with thine own self-sufficiency, and beseech Him to fill these also with His superabundant grace. If thy heavy trials sink thee deeper in the flood of His consolations, be glad of them; and if thy vessel shall be sunken up to its very bulwarks, be not afraid. I would be glad to feel the mast-head of my soul twenty fathoms beneath the surface of such an ocean; for, as Rutherford said, "Oh, to be over the ears in this well! I would not have Christ's love entering into me, but I would enter into it, and be swallowed up of that love." Cultivate an insatiable

hunger and a quenchless thirst for this communion with Jesus through His communications. Let thine heart cry for ever, "Give, give," until it is filled in Paradise. (Spurgeon)

(Prophecy)Jesus: All your life I have been looking for your love. I never gave up looking for the chance to love you and to be loved by you. Trying to find happiness, you have tried many things; so why don't you try to open your heart to Me, now, in this moment? I stand at your heart's door and knock. Open to Me, for I thirst for you. (End of prophecy) (END 014)

In Psalm 27 David said "one thing have I desired of the Lord, that will I seek after," but in the original Hebrew it doesn't say one 'thing', that word 'thing' is not there. The translators just put it there. What David actually said was "oneness I have desired of the Lord; intimacy I have desired of the Lord". The word for 'oneness' here is 'echat', which is a word that is feminine, so once again there is a bridal picture in there – "oneness have I desired of the Lord". David had a hunger for communion and intimacy with the Lord, and that oneness is what he sought after. As the Bride of Christ is these days, we have to seek 'oneness' with the Lord. Jesus prayed that we would be one, as He was one with the Father. I in you, and you in Me. This is the oneness that the Bride is to seek after in these days. Psalm 27 says "oneness have I desired of the Lord, that will I seek after, that I may dwell (means 'settle down and marry', remember)* in the house of the Lord all of the days of my life, to behold His beauty", speaking of intimacy, face to face relationship, oneness again.

***Note:** In Psalm 91 it says that those who dwell in the secret place of the Most High are safe under the shadow of the Almighty. That word for 'dwell' in Hebrew actually means 'to settle down and marry', so Psalm 91 is actually a bridal psalm. We are very good at quoting Psalm 91, but the conditions for its protection described are actually in verse 1, where it says the person who **dwells** in the secret place, the person who settles down and who marries, receives this protection.

(Noah and the Ark of His Presence (part One) – Christine Beadsworth)

(Jesus)Having a clean heart is imperative! Otherwise, he can use whatever has been held in your heart to condemn you. In those moments when you need to know that I understand and that I'm there for you, he'll use any unconfessed sin to drive a wedge between us. In the moments when you need to know that I have forgiven you, he'll condemn you with the remembrance that you haven't yet confessed, and so can't really receive My forgiveness. When you need to believe in the love of your brothers and sisters and mates, he'll remind you that there's something you haven't confessed, and he'll try to convince you that if they found out, they probably wouldn't love you anymore. Unconfessed sin destroys your faith. In destroying your faith, it destroys your force field of spiritual protection. So having a clean heart before Me is a prerequisite for strengthening your spiritual walls of defense.

(PFTCOD 8-1) (Renewal: Amnesty #3495)

In order to have a lasting change, the change has to begin in your heart. It's not enough to alter the circumstances surrounding the problem--although that sometimes helps. It's not enough to just put forth willpower to change the habit--although sometimes that's necessary too. **You have to start with your heart. And for those of us in the Lord's Endtime army, all change begins at the root of the tree of our spiritual life--with our relationship with Jesus, drawing closer to Him, asking Him to help us yield and overcome.**

(You Can Make It! [#3277])

8^{th/9th} April, 2022 (Azure. Blue Angel) I am taking you higher and away from this plane. I'm teaching you and guiding you to let it lie and leave the insignificant and base ways of the flesh to embrace a higher level, a new dimension. See, I will part the veil for you to glimpse into another realm where you can imbibe Heaven's echoes, the essence and energy source of God's creation. It takes great desire on your part to enter and faith to believe in the unseen and all you've been told about us Blue angels. It seems fantastical and even unreal, mystical. But believe! I know you will. It is not just a figment of your imagination but a reality that comes from the original source, from the lips of your great Love, the King of Kings and Lord of Lords; the source of this immense, potent latent power, just waiting to be utilized by believing humble servants who wish to become transparent, fade away so that our Husband can be seen and heard in them. These are willing to take on the keys of humility and even though they may fall into the trap of pride many times, they just as many times pick themselves up and dust off the goop and humbly submit and let go again of that part of self that wanted to be recognized and acknowledged or thought that it knew better or that it could do it itself; that 'self' becomes more and more abhorrent to them and they yearn for the pure simplicity and pristineness of Jesus' lovely spirit; so humble and unassuming yet so compassionate and patient and loving and kind and yet so powerful. **It's the**

fuel that we want to run on and draw from. AS you close your eyes and lift your heart and your love to Him and want Him above all else; to be lost in His love; imbibed in His being, lean on me ,let me take your 'weight' as you become one when He possesses you, as you gradually assimilate and adjust to the surge of power. The more you let go and your passion to be fully 'taken', fully embodied is initiated by our power, the more fully possessed you will become. All your thoughts must be only for Him. All else must be pushed out as they do not co-habit with loving Him and Heavenly thought power, because they simply cannot! When the heat of passion rises, all else becomes oblivious and you become unaware of anything else going on around you. Like in a meditative state; but this is a passion- filled, ecstatic, euphoric place to be at, that leaves you feeling intensely pleasurable warm and enveloped in love by our darling Husband. Such strength is drawn from His presence. You are filled with His power and faith that no matter what happens He will take care of it and whatever the outcome, He was in it. Armed with His love, you feel enabled to have the courage and the grace to face whatever you encounter. He is in you and He will work through you. It won't be you at all. You are just the conduit, the vessel that He's using for others to see and sense Him. You will be 'shedding' Him all over the place and others will become 'infected' by your intensely warm vibrant spirit that obviously shines with His love, not your own. No wonder there is so much power in unity. As each one spends intimate time with our Husband and becomes possessed, they shine and radiate His presence on each other and power each other vicariously, only increasing their collective strength. So it behooves you all to do your part to love our Husband and create an impenetrable force field of strength and power against the enemy. Are you contributing to your security, protection, provision and love meter and creating a Heavenly environ that even others will be drawn to? Are you putting down self and pride, leaving them at His bedroom door and wearing only the illustrious Key of Humility worn by a queen of the King?

One must have a reaching heart, one with an unquenchable desire, a hunger and an insatiable thirst to know our King more, to become consumed with knowing more and more about Him and panting with bated breath to be with Him and to be one with Him, more like Him; just so impassioned by Him till it's all you can think about and He is then communing and conversing with you all throughout the day. Oh what bliss! Oh to be greatly sought after! This comes when the things of this world and your wants and wishes become less important and your desire to only want what He wants over rides your carnal thoughts and wishes. They seem to become less important and less consequential. Your mind and its workings seem so small and puny, almost laughable, compared to all you could have in Him. To have that yearning for His ways and His wisdom is much to be desired and sought after. To live and breathe the Master, on this earthly plane, is the ultimate. To experience His presence here and now learning to know Him and be loved by Him here is where you need to be. With our tutoring and help, as you call on us, we will connect you to Your Lord with all of our being. It is our whole existence to do so, our one sole function, to plug you into the Source! (End of prophecy)

Oh, the blissful Heavenly Spirit
Is more wonderful than this World,
Dive deep in Heavenly wonders,
Let Me set your head a-whirl!

"I look not on the outward appearance, but upon the heart!

Come with Me, therefore, My fair one, and let Me be ravished with thy love!" ("More Prophecies on Old and New Church," ML #117:1, 10).

"To be the kind of Bride He wants, you've got to first of all have enough faith in His Love to obey, and come and strip off all of the outer garments of appearances, cover-ups and false fronts, and expose yourself to the Lord, totally yielding yourself to Him in submission and humility. You must be willing to be stripped bare before Him. You're just you, and that's what He wants!--You!--All of you! (**I think we must have this memorized by now!**)

"So you've got to drop everything, forsake all, come to Him and be willing to be stripped bare, abandon all false cover-ups, and just expose yourself to Him. And then you've got to let Him make love to you and fill you with His Spirit and His seed, the Word of God, which, when conceived in responsive hearts, brings forth fruit, newborn babes into the Kingdom of God! Hallelujah!

("Submit Yourself to God--Yield and Obey, Part 1," ML #2224:16-18). (Loving Jesus! Part 3 [#3029])

The Marriage takes place when the soul falls dead and senseless into the arms of the Bridegroom, who, beholding her more fitted for it, receives her into union. **But the Consummation** of the marriage does not come to pass until the soul is so melted, annihilated and freed from self, that it can unreservedly flow into God, then is accomplished that admirable fusion of the creature and the Creator which brings them into unity, so to speak, though with such an infinite disproportion as exists between a single drop of water and the ocean. The drop has become ocean, but it forever remains a little drop,

though it has become assimilated in character with the waters of the ocean, and thus fit to be mingled with it and to make but one ocean with it. (Madame Guyon)

(Prophecy)Azure :Let yourself go! Let go of all that is attempting to fasten you to the earth life, the carnal, the flesh, the here and now. Let it drop away from you. You have no need of it at this moment. Cast it all off you as filthy rags. Step out and up. Don't look back dear one. It's not for you. You don't need them anymore. It pains and sears like fierce acid to your heart, for these rags are very dear to you. They feel warm and cozy and to your eyes look all right after all. Yes, there are a few holes but after a while somehow you don't see the tattered cloth that it really is. It appeals to your feelings and brings relief to your unrelenting pain. But does it? Perhaps for a moment you can live in your dream and tell yourself it would be so much better to be like this all the time.' Let Me make it a reality. Oh please help it to come true and I would be happy', you plead! But my dear one, it is a lie! The lie deceives and distorts and quietly, insidiously assimilates your mind till you believe it is the only way to be happy. Satan is slyly stealing your thoughts and mind and with all intent, your service and life and marriage to our Lord and Husband; the One who gave His whole life for you. Satan has not done that nor ever will. Open your spiritual eyes and see what he is about! Wake up from your dream! You are so convinced that it would be better the way you imagine in your mind but dear, if it's not His will then it will surely fail . No one outside our Husband's embrace is free from Satan's tentacles and chains. It is a misery! So fly away! Into you true Love's Arms. He is the One who cares for you! He loves you! He does all things well. So few are willing to abandon all. It is a difficult choice to steel your heart to relinquish the hold earthly love has on your heart and instead give and pledge your heart and soul to the One True Love to have and to hold for all eternity but... it is His wish, His all-consuming desire that we do so. Who will forsake absolutely all that he has to be His bride? He has made you for Him, but you must want it more than anything; more than your dreams. Oh, let Him consume you! Let Him come in to you and become one with Him. Let Him pump His very being into you and be called His very own. His wife! Accept His endless proposals and make Him delighted and overjoyed and you will be forever a queen and highly esteemed; fulfilled, because you made the very best choice of Husband and you will live happily ever after ,eternally. (End of prophecy)

I alone know what is in your heart of gold. I know your deepest longings and your secret of all secrets. I alone know the frequency of your every heartbeat, the pressure of the flow of blood, the throbbing and pulsating tunes of each beat. (From Jesus with Love 2:44)

It is like God owns the safe, but He gives man the combination whereby if he'll put these numbers together by the hand of faith, he can unlock the treasures that the Lord has already stored there. He has to play a certain chord in a certain key on the tumblers of the lock to the Lord's safe, in order to cause it to open to reveal the riches within. EVEN IF HE DOESN'T KNOW THE COMBINATION, **AN EXPERT SAFE-CRACKER CAN PLACE HIS EAR AGAINST THE LOCK and by listening quietly and keenly, can literally feel for the combination as he hears the tumblers fall in place at each turn of the dial! He literally tunes in the combination, playing it by ear!**

IT'S LIKE A FLOW. It's like the flow of electric current. We're all keyed to certain vibrations.

ARE YOU TURNED ON TO HIS POWER, TUNED IN TO HIS FREQUENCY, AND OPERATING ACCORDING TO HIS WILL? You are, if you are keyed to His design, and you'll accomplish the purpose for which He made you!

I TOO, WAS KEYED FOR A CERTAIN PURPOSE--a certain mission in life--to fit a pattern and meet the specifications of the Great Designer--keyed for my particular place and calling in the intricate mechanism of this great universe. Now no sound is without signification, and every sound has its place; but if the trumpet make an uncertain sound, who shall know to go forth to the battle? It must be properly keyed, tuned, and stimulated to give the right sequence of sounds on the right tone levels in accurate frequency in order that the warrior may respond to its notes and its calls-whether to attack or retreat, advance to the right or the left, or halt! And the soldiers must recognise these sounds, be familiar with them, keyed to react to them instantly and without question, in order to be a good soldier and obey His Master's Will, and please Him that hath called him to be a soldier. **He must not allow his spiritual hearing to become so encumbered with other sounds, the noise and confusion of battle, that he cannot detect the clear piercing notes of God's**

Trumpeting Voice, keyed to his frequency in a sequence he understands!

SO HE MUST LISTEN WITH HIS SPIRIT, AND COMMUNICATE WITH HIS UNDERSTANDING also, and he must keep the channel of communication open

BUT YOU MUST BE KEYED BY THE LORD, turned on and in tune with Him, so He can drop out your particular set of signals that turns your key--the Key that He holds in His Hand, that He alone knows--the secret name God knows, whose tones set you in motion! He holds your key! Are you ready for Him to turn it on? Is your spiritual receiver turned on to a position of fulltime monitoring, even on standby, so that when He uses your Key, it will really turn you on, so He can blast away even if it causes you to explode like a radio-detonated bomb?

Are you ready for Him to turn your Key! Will you respond when He tries to turn you on?

(The Key of David)

(Excerpt of prophecy) It's you stepping more and more beyond the veil into the spirit world and this step of faith will help you to see, as you go deeper and deeper into the realm, that it's not even you. It's not your words. You are just the conduit. You should be honing your skill of hearing. Like learning to play the piano you need to practice at least twice a day. The more you do the better you become until you advance from simple little ditties to beautiful melodies. And it's no longer a slog at practice time but more of a joy and pleasure to become one with the beauty of the keys you are playing. You are able to step right in, with barely a warm up and you become one with the music, the Key of David. Philly brides are always hankering, like love sick nymphomaniacs. They are always 'ready' and can jump into this other world instantly, as a lover is always attuned to the wants and wishes and desires of her Husband. A true bride waits on Him hand and foot, every word, and her desire is to please Him. So if He wants you as a conduit, a groove, a furrow to herald His words then be willing to pipe it out. He can use anyone. Just be the hole in the lock that He can put His Key in, to unlock His instructions and mysteries of the Living Word. Be sure to grease your lock so His key can slide in easily and turn, to reveal His secrets unto you, the servants, the prophets. (End of excerpt)

The single greatest personal benefit in loving Me intimately is the thinning of the spiritual veil between us. When you love someone, you can often sense and feel things that they're going through even when not in their visible presence. You begin to sense My will more clearly; you begin to read My mind, feel My feelings, and receive My thoughts. Because you love Me intimately, the spiritual veil between us becomes thinner and thinner as you fall deeper and deeper in love with Me and become more and more accustomed to My way of thinking and acting.

The thinner the veil gets, the nearer you draw to My presence. The more you are in My presence, the more power you have. The more power you have, the weaker the Enemy's attacks against you are. The weaker the Enemy's attacks against you are, the easier it is for you to defeat them. And the easier it is for you to defeat the Enemy, the harder it is for him to defeat you.

(Art of War Pt.3)

Do you know that the sandals of the Israelites never wore out, and the shoes of the gospel of peace will never wear out? That redemption price, that being sealed, **that place of walking where one is sealed within and without** with the redemption price, never wears out and never wears thin, and **will always be a place of protection, that always be a place of intimacy, that will always be a place that carries us above what is being released without in the world. We really need to get our feet planted in that place and walk. Jesus said at one point that He was in heaven and on earth at the same time. In other words, He was dwelling in intimacy with his Father, even though He was walking with His feet on the ground. We need to walk like that in these days!** (Noah and the Ark of His Presence (part One) – Christine Beadsworth)

SoS1:4 Draw me into your heart. We will run away together into the king's cloud filled chamber.

(The Hebrew text literally means "the king's chamber inside of a chamber." This points us to the Holy of Holies inside the temple chamber.)

SoS1:2 Let him smother me with kisses—his Spirit-kiss divine. So kind are your caresses, I drink them in like the sweetest wine!

(There is a wordplay in the Hebrew, similar to a pun. The word for "kisses" and the word for "take a drink [wine]" is nearly the same. The implication, as seen by ancient expositors, is that God's lovers will be drunk with love, the intoxicating kisses of his mouth. The Hebrew word for "kiss" is nashaq, which can also mean "to equip" or "to arm (for battle)." We need his kisses to become equipped warriors for him.)

"The more firm the reader's faith in the omnipotence of God and in his infinite love to man, the more comprehensive will be his abandonment and the purer his love, while he will be more and more enlightened as to the truths contained in the mystical sense of the Scriptures. He will then discover with indescribable delight, that every experience is therein detailed in the simplest and clearest manner; he will rejoice to have met with a guide to lead him across the Red Sea and the weary desert that succeeds, but he will only recognize the full measure of his happiness when he shall have safely arrived in the promised land. Transported with joy, his past labors will seem like a dream, and had his sufferings been far greater, he will account that it would have been an easy purchase. "But, my beloved friend, did you ever reflect that of the great multitude that left the land of Egypt, but two ever set foot upon that blessed ground? Do you ask why this was? **Devoid of courage, they incessantly gave themselves up to selfish regrets for what they had left behind. Had they been faithful and courageous, a few months would have brought them there; but forty years in the wilderness was the penalty of their murmurs and dissatisfaction. So those whom God desires to lead to the interior land of promise, look back with longing, not for the material onions of Egypt, but for those sensible delights which are no longer appropriate to a pure and naked way of faith; they reject that light bread, manna; they require something grosser; they rebel against their conductor, and far from being grateful for the goodness of God, they excite his anger and arouse his wrath. Thus they doom themselves to a long and weary march about the mountain, making one step in advance and four backward, and at last die in the wilderness from their own obstinacy.** (Madame Guyon's Song)

The trials of your faith have been My purpose to make you white.

(From Jesus with Love 1:1)

(Excerpt of prophecy) Remember, you and I chose what you are going through right now. AS lovers, we decided together what you would be about down here whilst apart. You said you wanted Me... 'that much' My darling one! Please don't make your mission and your pain be a disappointment to you. You chose this way, so that you would find Me and love Me above all else, without ever actually seeing Me. You wanted to know Me more deeply by breaking through the earthly realm into the Heavenly one. You wanted to split the veil with your desire. I so desperately want you to find that passion My love –dove. Your test is exquisitely designed, tailor - made just for you and I really have not given you more than you can bear. It's hard, yes, but not impossible. Everything inside you screams, "Oh but it sure feels impossible" The climb is steep and you have not yet found your footing, but you will. As you just continue to want Me, I will help you find the clefts for your feet and the right rocks to hold onto. Don't give up! The summit is just up ahead. (End of prophecy)

(Jesus:) I desire your love even more than you have shown Me until now.

(Jesus) For I love to be loved and I love to love. I love to receive love. I love to give love. So few understand My need to be loved, My desire to be loved. So few understand My desire to be wanted, My desire to be called for and told that I am wanted, that I am needed, that I am desired, that I am lovely. In this I find great pleasure and great happiness, and for this purpose created I My children to love Me.

Why do you think I was so angry at the children of Abraham? Because I loved them, I gave unto them, and they turned away and spurned Me. They hurt Me. They did not receive My Love, and they did not love Me in return; but instead went awhoring after other gods. Why am I so displeased with **the Old Church**? Because they stopped loving Me. And why am I well pleased with you? Because you love Me! You have loved Me with your works, with your child-rearing and with your obedience. But now I wish for you to love Me with your words, with your body, with your spirit. I wish for you to love Me with all of your heart, with all of your mind, with all of your spirit, with all of your strength, with all of your soul!

For I wish to be loved in a new way, in the way that I truly wish to be loved. This is a step of faith for you, and a leap of faith for many! But have I not always honored these steps of faith that your father has taken, yea, the leaps? Have I not always brought forth great fruit as I promised? So come, come I say, come in unto Me and be My Bride! For I long to be loved as a lonely man who does not seem to be lonely because He has so many friends and so much family, yet He lacks a sweetheart and darling.

Please come, come to Me and be My darling! Come to Me and be My sweetheart! Come to Me and be My wife, My Bride! Come, come, please come and lie in the bed of love with Me. For there you will find great love and great treasure, and there you will find great reward. For does not the husband love to pour forth gifts of love, tokens of love and appreciation for the love that his loving wife gives unto him? I seek to be in love with you, and I seek for you to be in love with Me, that we may have a new relationship.

Your queen knew that she loved her faucet [Peter], but at a distance; and though she loved him and gave him tokens of love, she was not "in love" with him. She did not have the true manifestations of love and the fullness of love within her heart. **So is it with so many of you.** But when she understood and when she began to say "yes" and when she began to yield, so did I pour forth a new love into her heart, and oh, that changed the picture! So will it be with My children who will take the step. **They will go from a formal love, from an understanding love, to a passionate love, a desirous love! And oh, there is such a difference!**

So come! Come! Come, My Bride! Come, My loves! Come, I call, come! Come to My bed, come to My arms, come to My kisses, to My lips! We shall revel in great joy and great passion, and you shall receive great love, great strength and great gifts! For you will be married unto a King and you will be a queen unto Me, and I will bestow upon you far above all that you could ask or think! For I will love you, and I will ravish you, and I will pour forth unto you; and you will be known as My Queen, as My Bride! (Loving Jesus! Part 3 [#3029:34-39])

(Jesus speaking:) I want you to enter into the house of your God, into the Spirit, into the Word and into the close fellowship and lovemaking. Receive My deep kisses, enjoy My touches, My embrace, and love the Words of My mouth as honey.

Your strength is in your desperation with Me. Seeing your flesh fail and the house of your earthly tabernacle faltering, more and more full of aches and pains and physical failings, is troubling to you, but these are less bothersome to you than the failings of your spirit. The victories you would like to have often seem to elude you, and your spiritual weakness weighs more heavily and at times wears upon you more than physical failings. Physical failings you can excuse or dismiss as part of aging, but spiritual battles, failings, and weaknesses are things you want to be able to overcome. You want to conquer, but so often feel that you cannot.

All of these things that wear away at your spirit require My strength to walk you through. They require great spiritual strength, and great spiritual strength comes from abiding in Me. You know this very well, and when you just can't cope and things are impossible, you do come quickly to My arms, you do run to Me. But I don't just want you to run to Me in trouble, I want you to abide with Me. Come and live with Me. Stay with Me! You don't have to let the weights and worries and problems churn away and grind you down. You can't take that kind of wear and tear. That's the Devil's grindstone--not Mine. He wants to grind you up and sift you as wheat! He loves to break people down. He likes to break their connection with Me.

More and more you have to live above this world so that nothing can offend you, so that you'll not be shaken by all the troubles and problems, by old friends departing--people you knew and loved and looked up to as spiritual guides and leaders in your life, people you respected but who now seem to have turned away from My arms, who do not care for My deep kisses, who do not want to say yes to My new gifts or My lovemaking. You must come away with Me so that I can keep you, and so that none of these things will move you.

I'm happy you have not said no to My lovemaking, that you have not said no to My body, to My needs. I'm happy that you care nothing for your reputation, and desire only to please Me. I'm happy that you're delighted to be My lover. You crave Me as a thirsty animal in a dry land, who finding cool water rejoices. Your soul rejoices at My touches, at My love, at My kisses, at My embrace, at the beauty of My body. Your only desire is to serve Me in love.

Having tasted My love, you're addicted to Me. You burn to be with Me and can't bear to be away from Me for very long. Your heart and mind and body ache when you're not in My arms. So, I say, let Me love you more and do not fear. You don't need to keep our love relationship secret--move in with Me! Abide with Me! Come and live with Me and be My lover, My wife, My housekeeper. Share My bed, share My body. I'm not ashamed to be married to you, so you shouldn't be ashamed to let others know you're married to Me. I know you're not ashamed, but humble yourself and don't hold back out of fear. Besides, how can our true love hurt anyone? Let go and let Me. Burn your bra!

The secret is not to keep battling with your old problems; the secret is to pack your bags and move in with Me. Move out of your old life, your old habits, your old problems, your old ways of trying to do it yourself, trying to figure it out, trying to work it out, trying to hang on. You'll never make it that way! I'm the only One Who made it, and can help you make it! I have a free ticket for you all the way to eternity and eternal happiness in the Kingdom of Heaven with Me.--If you'll just pack your bags, move out of yourself, and move in with Me!

Come on! Move in with Me! What do you say?

Move in with Me! Let's get hitched and ditch all that old stuff that you keep dragging around. Quit waddling around town like a homeless old bag-woman with a pushcart of problems, keeping bits of old trash and begging for coins, when you could be living in the house of the King! You could be driving around in My limousine and passing out My millions to the poor! You take care of Me and I'll take care of you and your problems, and help you take care of a whole lot of others and a whole lot of other problems.

Don't be like those guys who think they're doing such a service for Me in life, but they just never take time to know Me. They never get to know Me, so I have to say to them, "Depart from Me, you workers of iniquity; I never knew you." What a shock! And they say, "But we've done many mighty works in Your name!" Oh yes, they like to use Me, but they hate to let Me use them. They always want to do it their way, not My way. It's like they're saying, "Now, God, we'll take the Kingdom of Heaven from here! You did Your part and we'll take over now!" Well, that's not the way it works! The branch has to abide in the Vine.

So it is with this new purging of the Family. You can follow the rules and even be quite a sweet and friendly person, but just keeping the Charter regulations is not going to save you. You're still not going to have the strength to keep going unless you abide in Me, unless you really plug into Me, unless you really fall in love and hang on to Me for dear life.

I'm the only One Who is able to keep you. You can't keep yourself even by trying to keep all the rules. Of course, if you really love Me, you'll want to keep My commandments. But it all boils down to the question: Do you really love Me? How much do you love Me? Do you love Me enough to be My disciple? Do you love Me enough to be My wife--to abide with Me, and in Me, and let Me abide with you and in you? I know that that's your heart's desire--so go for it! (End of message from Jesus.)

(How to Love Me More, Part 3 [#3284:44-55])

Let my heart want for nothing but You, just You!

We can read of God, and hear of God, and be little moved; but when we feel His presence, it is another matter. (Spurgeon)

SoS2:4. He brought me into the wine cellars and set love in order within me.

The beloved of the King, issuing from her delightful interviews with Him, appears to her companions to be intoxicated and beside herself. She is so in truth; for having tasted of the finest wine of the Bridegroom, she could not help being seized with the extremest ardor. Being quite sensible of it herself, she begs her companions not to be amazed at seeing her in so extraordinary a condition; my intoxication, she says, is excusable, for my King has brought me into his divine wine cellars, and there has set love in order within me. The first time He made me partaker of such singular grace, I was so feeble that I would rather have preferred the sweetness of the divine breasts to the strength of this excellent wine, and therefore He was content to show me its effects, suffering me to drink but little of it. But now that experience and His grace have rendered me wiser and stronger, I can no longer do so; I have drunk so abundantly of His strong and pure wine, that He has set love in order within me. What order is this that God ordains in love? O Love! O God of Charity! Thou alone canst reveal it! He causes this soul, who by a movement of charity desired for herself every possible good in reference to God, to forget herself wholly that she may only think upon her Well-beloved. She becomes divested of every selfish interest in her own salvation, perfection, joy, or consolation that she may only think of the interests of God. She no longer thinks of enjoying His embrace, but of suffering for Him. She no longer asks anything for herself, but only that He may be glorified. She enters fully into the designs of the divine righteousness, consenting with all her heart to everything it decrees with respect to her and in her, whether for time or eternity. She can love nothing in herself or in any creature except in and for God, and not in and for self, however important and necessary it may appear. Such is the order of charity which God ordains in this soul; her love is become perfectly chaste. All creatures are nothing to her; she wills them only for her God, and none of them for herself. Ah! what strength does this well ordered charity impart for the terrible states that are to follow! **But it can only be known and enjoyed of those who have experienced it; the others have not yet tasted of the Bridegroom's wine.**

Behold how I have blessed you with riches and treasures that those of the world know not of! You are so blessed--the most blessed upon the face of the Earth! For you can feed of the Words of David and the Words of Maria and feed your soul and strengthen your heart for the battle. Behold how I have loved you and how I desire to love you and to lift you in My arms, to hold you ever so closely and to whisper in your ears the things that you must know, to give you the direction and the instruction and encouragement to strengthen your heart, to lift your burdens, to bear your burdens for you. Cast your burdens upon Me and I shall sustain you (GN 496).

"HOW GREAT ARE THE WONDERS THAT THOU HAST SHOWN UNTO THY SERVANT DAVID! Wouldst thou see more wonders than this, and greater things than these?--Then hearken unto the words of My servant David!" **Are you hearing these Words, to get more all we have to do is hearken to the Words, and what are the Words saying? The Words of David tell us to go deeper by using the gift of prophecy, to spend time with the Master in the bed of love and after love making, just like two lovers, you and He will talk of future plans and things that interest you and things that interest Him. The Words of David are but stepping stones to more wonders and greater things.**

(The Crystal Pyramid with added Prophecies by Stephen)

“Your very name is as an alabaster box when it is opened, and the odor of the precious spikenard fills the room.”

**Jesus, the very thought of thee
With sweetness fills my breast.**

(Bernard of Clairvaux)

1st march, 2022 (prayer) Each morning as I wake up, help my heart to wake up too. Not just my body but my inner being. Each day to serve You is a challenge Husband and it's not easy rising from my bed, not just because I feel tired in body still, but because I need to be alive in the spirit, to be able to meet all the challenges before me. My sleeping heart needs to rise, as from the grave each morning, even each moment. But my expectation is for You. I know You will come for me, even if You delay, to test my faith; even if You wait till I roll away the stone of my tomb, my coveted introspection, I know You are always there. I know Your sweet heart pains for me as You wait till I'm ready to unwrap the burial cloths and expose myself to Your deep and searching kisses and the light of Your love and Word and whispers. Until I plug into You, the electricity, the magic, the power, cannot flow. The connection needs to be made. Help me to stir myself and do my part and come forth to meet You, sweet Husband, so You can instill new life in me to meet the day. Let us ravish each other so you can pump me with Your life giving seeds to get my spirit flowing in tune with Yours. Let me live for You ! (End of prayer)

When the bride, by her neglect of Him, has hidden herself from His sight, He cannot be quiet until again He looks upon her. He calls her forward with the most wooing words: “O my dove, that art in the clefts of the rock, in the secret places of the stairs, let Me see thy countenance, let me hear thy voice; for sweet is thy voice, and thy countenance is comely.” (Song 2:14) She thinks herself unfit to have company with such a Prince, but He entices her from her lurking place, and, inasmuch as she comes forward trembling, and bashfully hides her face with her veil, He bids her uncover her face and let her Husband gaze upon her. She is ashamed to do so, for she is black in her own esteem, and, therefore, He urges that she is comely to him, nor is He content with looking, for he must feed his ears as well as His eyes, and therefore commends her speech, and entreats her to let Him hear her voice. See how truly our Lord rejoices in us! Is not this unparalleled love! We have heard of princes who have been smitten by the beauty of a peasant's daughter, but what of this? Here is the Son of God doting on a worm, looking with eyes of admiration on a poor child of Adam, and listening with joy to the lisping of poor flesh and blood. Ought we not to be exceedingly charmed by such matchless condescension? And should not our hearts as much delight in Him, as He does in us? O surprising truth! Christ Jesus rejoices over his poor, tempted, tried, and erring people. (Spurgeon)

Why has the Lord asked us to love Him intimately?-Because it's a matter of obedience. Jesus has asked it of us.

(Dad:) The simple reason is because Jesus has asked it of you. He's bared His heart to you and told you of His need for your love-the love of each of His brides and each Family member. He's requested this love, this deeper and more intimate relationship with you, and just as He first loved us and saved us, we should in turn love Him in the way He asks, and do so gladly. He knows that it's a difficult thing and a sacrifice for some, but He's still asking it of you. Don't worry, though; He'll more than repay. There are other reasons too, but the primary reason why we should love Jesus intimately is because He's asked it of us. How can we not give the One Who has given His life for us the love that He asks for? (ML #3282:84, GN 888).

(Jesus:) Please come, come to Me and be My darling! Come to Me and be My sweetheart! Come to Me and be My wife, My Bride! Come, come, please come and lie in the bed of love with Me. ... I seek to be in love with you, and I seek for you to be in love with Me, that we may have a new relationship.

So come! Come! Come, My Bride! Come, My loves! Come, I call, come! Come to My bed, come to My arms, come to My kisses, to My lips! (ML #3029:34,36-37,39 Lifelines 25).

(Jesus:) If [people] can let go of their pride and yield to Me in this area, they have completed the grade and have the basic preparedness in spirit that I require. Of course, there will be more moves of the Spirit that will come along, and other things that will strengthen and enhance their spiritual lives, but as I have said, Loving Jesus is the final wall of

preparation. This will encourage many of My children who wonder if they will be able to receive the next new move of My Spirit.

The simple truth is that if they are able to embrace the Loving Jesus revelation, and they remain yielded and open to Me, as My desirous and simple brides, believing, receiving and accepting in faith, they will easily be able to flow along with the future moves of My Spirit (ML #3282:185-186, GN 888).

(Dad:) He's our Lover, our closest and most intimate friend, so naturally you should want to develop as close a relationship as possible with Him, and saying love words to Him is a vehicle for deepening your relationship with your Lover (ML #3282:88, GN 888).

(Jesus:) There are many wonderful benefits to using this weapon, but one of the greatest advantages is the closeness you develop with Me, which gives you faith to ask anything of Me, believe that I love you come what may, and the desire that it inspires in your heart to do more for Me and be a 100% dedicated bride (ML #3558:106, GN 1146).

(Jesus:) In this new day, to have the full anointing, power and blessing of My Spirit, you must be using the new weapons, and loving Me intimately is one of them. Times have changed, and because of this, I plead with you to heed My call and to obey.... You will need the beacon of loving Me intimately to help light your way (ML #3282:51, GN 888).

(Jesus:) ... The Last Days, the time of the End, is different. It will be unlike any other time in history, and will require a different set of strengths and different training than any other Christian in history has had to have.

I know best, and I know what you will need in order to make it through the Endtime, not merely scraping by and existing, but fulfilling the role that I have laid out for you, being mighty witnesses and testimonies for Me. In order to do this, and in order to have the strength and power that you will need, you must love Me intimately (ML #3282:61-62, GN 888).

(Jesus:) ... The Loving Jesus revelation is the last wall of preparation, the last step to your being suited and fitted with the basics that you will have need of in the Last Days. For with these tools, you have the basics needed to withstand the evils that the Enemy will throw against you. **It is the consummation of My Bride and Me**, and put together with the other new weapons that I've given you which you are learning to use faithfully, it provides you with all that you will need. And yes, it will prepare you for the Last Days, and without it, you will lack in some area (ML #3282:173, GN 888).

(Jesus:) Loving Me intimately increases your awareness of My presence, which gives you confidence and dispels the Enemy's main weapon of fear. When you know that I am near you, that I love you, and that I will take care of you, it helps put his puny attacks in perspective and it takes away the foreboding and dread that he'd like to place on you (ML #3558:122, GN 1146).

(Jesus:) As the days of the End draw closer, the strength that you gain from loving Me intimately will become more and more vital.... This special protection and blessing which comes from loving Me intimately can only be given to you when you are My bride, My wife, My lover.

So if you want full power, anointing and blessing for today, and training for the days to come, this is the way. I call My children to practice now, to embrace this revelation now, so that they will be able to fully utilize it in the days to come (ML #3282:50,62, GN 888).

(Jesus:) Loving Me intimately makes your work for Me easier because you're not merely doing it for a boss, but you're doing it because you love Me. This helps to give you consistency and strength to carry on even when My mission for you might seem tedious and boring. Because you love Me you are able to do even the most mundane tasks with joy and contentment. Claim that joy and contentment, and it will be yours as a result of our times of intimate loving (ML #3558:120, GN 1146).

"Your effort is in seeking Me and asking Me to do it through you, or sometimes despite you. I either work behind the scenes to do the things you cannot do, or I empower you to do things with a peace, a strength, an anointing or a love which you did not possess before. The only effort required is that of a yielded heart that loves and seeks Me, and a believing and obedient spirit.

(Jesus:) I also want to use our times together to preempt the Enemy. I want to reveal My plans and secrets to you. I want you to join hands with Me in battle and to use this valuable weapon I have given you offensively, by not only coming to Me for your comfort and pleasure, but so you may become truly a part of Me, that I may fully possess you, that we may become one. I want you to push back, defeat, and destroy the Enemy and his strongholds, and you can with My power (ML #3558:96, GN 1146).

(Jesus:) As the days get darker and the times more difficult, loving Me and being in love with Me and being close to Me and being intimate with Me will help you through, and things will look brighter (ML #3030:31, Lifelines 25).

(Jesus:) The more you love Me, the less the Enemy's attacks can have sway in your life. So when you're battling with long-term spiritual battles or weaknesses, run into My arms and you will find that I repel the attacks of the Enemy for you (ML #3558:116, GN 1146).

(Dad:) ... If you've been faithful to cultivate your relationship with Jesus and deepen it through loving Him intimately, then when the heat is on, your connection with Him will be so strong that it will hold through any test (ML #3282:86, GN 888).

(Jesus:) Loving Me intimately also dispels the doubts of the Enemy, because when you know someone-and I mean really know them intimately, not just a casual acquaintance-you are a whole lot less likely to believe the negative and the lies that are spoken by their enemies (ML #3558:104, GN 1146).

It makes the Devil flee. He hates to hear your love words to Jesus.

(Dad:) Love the Lord, make love to Jesus, and that Ol' Boy [the Devil] will turn tail and run. You should see him shaking in his boots when you all start loving Jesus. Boy oh boy! (ML #3072:76, Lifelines 23).

(Jesus:) So if you wish to go through the final battle with all the strength and help that you can possibly have, embrace the Loving Jesus revelation and partake of it. If you wish to be as close to Me as possible and be privy to all My Words, instructions, and the special things I would tell you and teach you, then love Me intimately. ... The full blessings and benefits only come to those who choose to partake. And as the days wax worse, the benefits will only increase (ML #3282:175, GN 888).

(Jesus:) Loving Me intimately causes your spirit to grow stronger and more powerful, because I give you more of My power each time you come and love Me (ML #3558:119, GN 1146).

There is a lover's training and blessings reserved for those who choose to lie with Jesus in the bed of love.

(Jesus:) Those who choose to come into My bed of love benefit from that increased closeness, tenderness, the words spoken during those intimate moments. They can know Me better and receive more love at My hand because they're putting themselves in a position to receive.

My words of love, encouragement and training are not reserved only for the bed of love. I share them with as many as will receive them. But I do reserve the lover's blessing for those who choose to be My lovers. I reserve the lover's training for those who choose to lie with Me in the bed of love. This is the difference between a friend and a lover (ML #3282:159,163, GN 888).

(Jesus:) The single greatest personal benefit in loving Me intimately is the thinning of the spiritual veil between us. When you love someone, you can often sense and feel things that they're going through even when not in their visible presence. You begin to sense My will more clearly; you begin to read My mind, feel My feelings, and receive My thoughts. Because you love Me intimately, the spiritual veil between us becomes thinner and thinner as you fall deeper and deeper in love with Me and become more and more accustomed to My way of thinking and acting.

The thinner the veil gets, the nearer you draw to My presence. The more you are in My presence, the more power you have. The more power you have, the weaker the Enemy's attacks against you are. The weaker the Enemy's attacks against you are, the easier it is for you to defeat them. And the easier it is for you to defeat the Enemy, the harder it is for him to defeat you (ML #3558:125-126, GN 1146).

(Jesus:) Have I not promised that in our times of intimate communion I would reveal to you My secrets? Then come, My loves, let us love and love and love, and afterwards, in the quiet as we lie in each other's arms, I will reveal to you My secrets (ML #3558:85, GN 1146).

(Jesus:) As Moses' face shone when he came down from the mountain from being in My presence, so will your face shine and your spirit shine and your soul shine, for it will shine with the presence of God! For it will be as if the shekinah glory is upon you, and you will shine and glow, and you will have peace, and you will have rest. You will have the answers, because those that I have instructed will be helping you, and My voice will be saying, "This is the way, walk ye in it." And then you can walk in peace and in confidence and in faith and in love-with no more worries or hurried and fretting feelings, but at ease (ML #3024:82, Lifelines 22).

You will have greater clarity and yieldedness in hearing from Heaven. Loving Jesus intimately strengthens your channel. A clear and yielded channel is a manifestation of the strength and beauty that comes from loving Jesus.

(Jesus:) Those who spend time with Me in the bed of love, receiving and sucking My seeds, are strengthened, and the seeds that they absorb are manifested again through prophecy. The strength and beauty that comes from loving Me is made manifest through a clear and yielded channel, which I give you when you love Me intimately.

(Jesus:) It is a means to enhance your times spent hearing from Me. In using this weapon, you are in a sense stripping yourself of all that would hold you back from opening yourself up completely to Me, My Words, and My seeds. It strips

you of your pride, your self, your inhibitions, your reservations, and all that would hinder you from walking unashamed into My chambers, revealing to Me your heart, your need for Me, and your need for My love (ML #3558:134, GN 1146).

(Jesus:) There is always the danger of My New Church falling into the patterns of the Old Church. It's the natural course of events for those who don't fight to remain called out, free, radical, young new bottles in spirit.

That's why I do so much in each of your lives ... to keep you stirred up, to try to motivate you to change, to fight, to see things as I do, to stay flexible and willing to strip off your clothes before Me in spirit, to be wholly Mine.

Sometimes these things I do make you uncomfortable, and your natural reaction is to clutch your clothes tighter to your body, rather than letting go and baring yourself before Me. But realize that when you feel that way, if you let your pride and resistance to change and to My Spirit dominate you, you are in very real danger of becoming like the Old Church (ML #3504:9-11, GN 1089).

(Jesus:) This [Loving Jesus] humbles you, but it also empowers you. For it is this that will make you the strong soldiers that you need to be for the days ahead.

(Jesus:) My loves, I give you New Wine and I ask you to drink it and to yield, to be naked before Me. I have gotten you used to coming to Me naked and open so I can pump My seeds into you in our times in the bed of love! Marvel not, for all this is in preparation for the things I have in store for you to win and woo the lost of this lonely, desperate world. The world needs you to be radical and dropped out! I need you to be My radical vibrant bride, for there are many who are looking for the Jesus of today! Will you continue to follow? Will you stay dropped out? You will if you obey the New Wine that I pour forth! You will be young and radical, and many will see you burn and want to follow! (ML #3542:132,134, GN 1139).

(Jesus:) The Devil hates to hear your love words to Me; he hates the fact that I have chosen you as My bride; he hates the fact that I have endowed you with My inheritance and made you My heirs. Use this to your advantage. By being wed to Me you wield My power and authority; you can direct those under My command because I have given you that authority as My wife (ML #3558:118, GN 1146).

(Jesus:) Royalty trusts only a chosen few to come into their court and into their presence. Those who are allowed to enter the king's court are screened, and when they are sent away on business bearing a message from the king, that message contains the king's seal so that all will know who is being represented.

I honor all of My brides who come into My intimate chambers with My spiritual seal, which is your testimony that you have been with Me. You have been on holy ground, and like Moses, who left My presence and whose face did shine, the spirit world witnesses My seal upon you (ML #3558:205-206, GN 1146).

(Jesus:) This offensive weapon of intimately loving Me could be described as your power source. Through loving Me intimately, you channel whatever power is needed into all the other weapons of the spirit that you have chosen to be a part of your personal spiritual arsenal. Without your intimate link with Me, you are lacking a very important source of power. It would be like trying to charge up a super laser using AAA batteries.

The gift of intimacy with Me creates a wireless charging connection that sends a continuous, unlimited flow of power into those weapons. As you stir yourself to reach out to Me, desiring Me and yielding your spirit to Me, the connection you make with Me releases vast amounts of spiritual energy. As you praise Me in utter abandon, I pour into you more than you can hold. Your spirit becomes a fully charged source of great power (ML #3558:207-208, GN 1146).

He Gives His Wives Special Protection

(Jesus speaking:) As the days of the End draw closer, the strength that you gain from loving Me intimately will become more and more vital; so yes, I do call you to obey, for I love you and I wish to protect you as My Own wife and lover. This special protection and blessing which comes from loving Me intimately can only be given to you when you are My bride, My wife, My lover.

I have opened up this opportunity for you to be My intimate brides, and as such to enter into the protection of My intimate household, under My name and with the seal of My protection.

Loving Me intimately gives you the faith to run into My arms, to run into My embrace, and there find the strength and protection you need. If you were not intimate with Me, you might be tempted to merely run to My side. But when you rush into My arms, you are that much closer and you stir within Me that much more ire against the Devil. It's an entirely different story when he tries to attack you when you're in My arms as My Bride than when you're merely an associate. It's the difference between defending family and defending a business associate. Those of the world would generally go much further for family than they would for someone they merely worked with, right? So it is that when you run into My arms, I am moved with a powerful urge to destroy the Enemy.

Do you believe that I love you? Do you have faith in My Love, in My care, in My provision, and in My protection? Do you believe that, as a most loving and caring and doting Husband, I would not leave My wife comfortless, without the utmost care, without her needs met, without guidance and direction, without the solutions to her problems, the grace for every situation? Nay, I could not be such a Husband that would neglect the care of a wife so precious unto Him! For you are My precious one, My darling Bride, My yielded and obedient wife who seeks to do My slightest bidding, who loves Me with all of her heart and who lays down her life and body in service for Me, because of her great love for Me and My children. Would I not care for her as My beloved? Would I not cherish her as the precious treasure she is unto Me? Would I not help her and deliver her from every evil thing and provide her every need and surround her with My Love? Yea, I will do all of these things, and more.

The Devil hates to hear your love words to Me; he hates the fact that I have chosen you as My bride; he hates the fact that I have endowed you with My inheritance and made you My heirs. Use this to your advantage. By being wed to Me you wield My power and authority; you can direct those under My command because I have given you that authority as My wife.

I have offered you My hand and I have set a ring upon your finger, and promised you support and protection during the coming difficult days. But in order to receive the full protection I can give, you must enter into My intimate family and become one of My brides. I love you, and thus I have offered you this great honor, but it's up to you to accept it.

So love Me that you might partake of all these blessings. Allow Me to fully protect and care for you by coming into My household and being wed to Me, loving Me and giving yourself unto Me. I can only protect and care for My friends as much as they allow Me; but I can carefully guard and keep close by My sides My wives, who have given themselves to Me forever.

(PFTCOD 8-1)

Everything God has spoken to you in the way of training and instruction in these days has been recorded and is being archived in Heaven at this time. He doesn't waste words. He spoke them, you heard them and they will testify for or against you on your final day. They are the blueprint; the plumb line you are to align your life to. The instructions heard in this week carry power to bring forth full manifestation if you will walk them out.

The place where the remnant is going in this next season requires leadership by those saturated in God's presence. It requires impartation on a level and depth not sought by the previous chapter's leaders. Yes, Moses laid his hands on Joshua when transferring leadership (see Deut 34:9) but Joshua had his own history with God. He had soaked in the manifest presence of God year after year himself, long before any public mantle of authority was transferred to him.

[TRANSFERENCE OF AUTHORITY *Forty years later, the wilderness sifting and refining is done; the preparation for the Promised Land is over and a new chapter requires new leadership. What made God choose Joshua? I believe it is more than the fact that he gave a good report of the Promised Land when the 12 forerunners went to check it out. The leaders that will be endued with authority and commissioned to lead God's remnant into the Promised Land will all have one thing in common—they have remained for many hours soaking in the presence of God: Exo 33:7 Now Moses used to take [his own] tent and pitch it outside the camp, far off from the camp, and he called it the tent of meeting. And everyone who sought the Lord went out to [that temporary] tent of meeting which was outside the camp. ...Exo 33:9 When Moses entered the tent, the pillar of cloud would descend and stand at the door of the tent, and the Lord would talk with Moses. ...Exo 33:11 And the Lord spoke to Moses face to face, as a man speaks to his friend. Moses returned to the camp, but his minister Joshua son of Nun, a young man, did not depart from the [temporary prayer] tent. THIS is the difference between the Moses generation of leadership and the Joshua generation of leaders. Both Moses and Joshua had ascended higher up Mount Sinai when the Israelites first came out of Egypt. In that place of face to face with God, Joshua must have developed an insatiable hunger for God's presence. Because later, as the wilderness years rolled by, there was a distinct difference evident between Moses and Joshua. Moses went into the tent of meeting, got the necessary instruction and went out and delivered it to the people. He was on active duty. Meanwhile, his understudy REMAINED in that tent of meeting hour after hour.]*

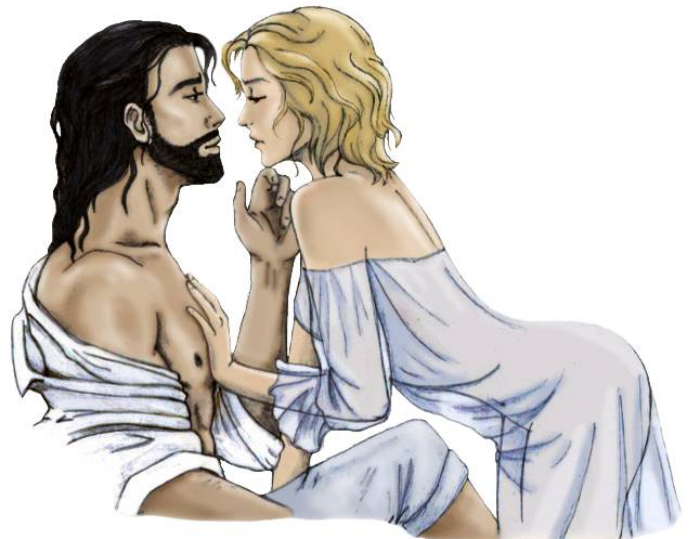

Such is the calibre of those who will be inaugurated in this hour. They are the carriers of the double portion. And they need that much anointing because they are leading into giant territory! They need the manifest presence of God in their bones, not just a surface level of mantle! A number of times, God said to Joshua, "Be courageous!" There was a reason

for that—he was headed into territory which would scare the living daylights out of anybody walking in their own strength and leaning on their own understanding! **(FOR He Changes Times and Seasons-Christine Beadsworth)**

(Tongues:)"**WHAT COULD BE MORE BEAUTIFUL THAN THE WORDS OF THE LORD!** He that is of **God** cometh to the **Light**, that his deeds may be made manifest! But he that is **not** of God hides in Darkness, for **his** deeds are **evil!**" The **Darkness** is all **around** the Pillar of Light. The **theatre** is **so dark!** But **WITHOUT THE DARKNESS OF THE THEATRE, YOU COULDN'T REALLY SEE OR FEEL OR COMPREHEND THE LIGHT!** (1Cor.7:4: "The **husband** hath **no power** without the **wife**"--or cannot **manifest** or **show** his power without her **theater!**) **It has** to be against that background of **darkness** of the **Theater!**--(The **positive** against the **negative**, the **man** against the **woman**, brings an **electrical explosion** in the **deep dark places** of the **earth--her earth!**--Hallelujah!) **Isn't this a beautiful representation of the Bridegroom and His bride? Without Him we are mud and clay, dark, but when He blows His breath in us we come to light. His Word is light and the more of His Word we imbibe the brighter our crystal. (The Crystal Pyramid with added Prophecies by Stephen)**

1st January, 2022 (Jesus) I am here and always will be. No fear My bride. Believe it. This day you will be empowered to focus on the battle at hand. You will be freed from the props and unnecessary entanglements that would hinder that focus. Nothing else will matter to you now except making it through this last lap. Your thoughts will be My thoughts of the Keys and their power and brilliance and might and of your spiritual army also ready and poised for action. A change is coming in the spirit today as your prayers rise to Heaven. The dynamics will change and go into high gear. Now more than ever is the time to utilize the power available to you. As you hide My love in your inward parts, My amazing Law of love, I will favor you, I will blot out your past wrongs, I will wash you with hyssop and give you wisdom. The law of love written on your heart will give you My beautiful love that others will neither be able to gainsay or resist and with your new anointing you will enter this new era and I will use you as My vessel of love to bring the prodigals Home to me, back to the Father's House, back to their first love and their calling – David's mighty men, called and chosen to carry the Flame of David's words for these Endtime days. I will take your broken and contrite heart and not despise it. I will take you into My bosom. You will be My beloved and I yours. You will tend to My gardens and bring forth fruits mete for repentance. Fruits borne from loving Me and laying down all the old and coming into My presence to be made new. Receive these gifts in full measure now, and I will be your God and you will be My people. (End of prophecy)

I want you to dream of Me and remember these eyes. When you can't remember anything else, remember My Keyes, yes, beloved Keyes—eyes, My eyes. Call on the Keyes and see into Me like never before.

If you're here for Jesus, then you need to make a commitment to Him each day. It's dying daily for the cause of Christ that makes our Revolution different! (ML 3365:9)

Did you know that there are many goddesses of love in My Kingdom? And to those who are especially desirous comes a portion of this intense spirit of love and desire which these goddesses possess. The more you come to Me and desire Me, the more of this spirit will be given to you, and the more it will fill you with pleasure and satisfaction. For some this

comes in the physical, for others in the spiritual, for others both. That's why I called you My little love goddess, for those moments we spent together were of that quality, that desire, that heat, to be awarded that term.

It is such a special thing to love Me, and no matter how much I could repeat this to you, when you arrive Here and your eyes are unmasked and you behold the glory and splendor of this unearthly relationship that you've had with Me, you'll be awestruck and taken aback at the beauty, love, light and incredibility of what it has all meant. You'll wish that you'd prized it more, cherished it more fervently, thanked Me more, loved Me more, and been as a love slave to Me. For on this Earth you can't possibly see all the blessings and treasures and honors I've given you through this gift of loving Me intimately.

This is the next step of your strengthening. Love Me more intimately, more fervently, more passionately. Love Me with desire, so that no desire is withheld--from Me or from those around you. Allow Me to fill your spirit with hot desire and longing. At the same time that you do this, read the Words that I've spoken about this precious gift, so that your faith will be bolstered, and so that you can understand and be more appreciative. This will help you to not hold back, to not be bashful, to not be timid or concerned about what other people think. For will it not be more important on that day when you stand before Me, what I think and what all of Heaven thinks, as opposed to what one human being thought of your loving Me? There's no comparison. In doing so, you stack up for yourself ecstasies in Heaven, My sweet one. (End of message from Jesus.)

The more you bring the Word into your lovemaking, the more you bring the freedom of the Spirit into your lovemaking, because the Word is the opposite of pride. The Word brings humility, the Word brings freedom, the Word is what gives rebirth! Praise the Lord! Thank the Lord for His Word, and thank the Lord for the Loving Jesus revelation, and thank the Lord for you who practice it and who know how to love as the wild and free gypsy children of David. (End of message from Dad.)

Oh, please, My love, come to Me and bare yourself before Me in this way, that you may show the world that you are Mine, that you belong to Me, that I have not only ransomed you from the jaws of the death of sin, but that I have chosen you to be My bride, My lover. Such is My desire for you. Such is My love. And this is one of the most beautiful ways that we can share it. Would you withhold this from Me? Would you withhold this gift from yourself? Open your arms and embrace it. Open your heart and accept it. Then bare your flesh and receive it. It is a gift that will be humbling, but its price is greater than rubies, and its rewards above what your heart could dream. Can you not do this for Me, knowing that it brings Me the greatest pleasure to see you humbly and meekly seeking to bring Me joy, when I know it is difficult for you?

But I know more--that it is good for you, and that these are the steps you will have to take to find the confidence you will need as My wife, in My power, in My love for you, and in the very real way that I am with you. It is this confidence, this strength, this maturity and freedom in the Spirit that will bring you the strength, conviction and power that will need to be pulsing through you in the day when Satan seeks to cast his snares upon those of this world. (How to Love Me More, Part 3 [#3284:93-95,106,119-121])

BUT THE DARKNESS MUST NOT BE PERMITTED TO QUENCH THE LIGHT.--And it **doesn't!** It is **impossible**, no matter **how** hard it **tries!**--It just makes it shine brighter! (Prophecy:) "And so again they **resisted** the Light, and sought **not to come** to the Light, but that their Darkness prevent the Crystals from **approaching** the Light, and that their Darkness might come **between** the Light and the Crystals, to **prevent** the Crystals from **rejoining** the Column!"--But **the Crystals are irresistibly drawn right through them, and the Light seems to even destroy the Darkness!** (The very **push** and **resistance** of the **woman's body** against the **man's** only serves to **accelerate** and **accentuate** his **excitement**, until there is such an **explosion of his power**, like **fireworks** or a **shower of stars**, so that her **darkness** is turned into his **light**, she loses her very **separate existence**, and they become **one!**) **The darkness must be resisted, it is time to make a stand against the darkness, but it is not in you to do this thing, because in you there is but a weak charge. The power must come from God. Jesus is the Husband and you are His bride, and as you yield to His thrusts, so will His excitement rise and with great power will he infuse His crystal and she will light up as a candle in great darkness and her light will be a witness against the suffocating darkness that is smothering the hearts and souls of man. Stand strong crystals for this is your hour, your destiny stands before you, and in resisting the darkness the power of God will overcome the power of evil and a new light will dawn.** (The Crystal Pyramid with added Prophecies by Stephen)

When you return to Heaven, as a bright and radiant star you will shine.

I will adorn You with My colours and like a star that glows gold and blue so will you be both on earth in these Last days and in Heaven when you return. You will glorify Me and your shine will be with the beauty of yieldedness and the whole universe will know of My power and glory. In your weakness I shall be seen.

("Blue and Gold" Comp.)
