Be Happy in the Darkness

(DAD)(Lights go out!) PTL! Hallelujah! You can't go anywhere now in the dark, so you might as well stay here! Freedom!

Some people are lighting candles & finding flashlights, & here we are sitting happily in the dark!

If you can find anybody in the dark, hold hands!

(IT Can Happen 2022 series Part 4)

MAT.25:1 Then shall the kingdom of heaven be likened unto ten virgins, which took their lamps, and went forth to meet the bridegroom.

MAT.25:4 But the wise took oil in their vessels with their lamps.

MAT.25:5 While the bridegroom tarried, they all slumbered and slept.

MAT.25:6 And at midnight there was a cry made,

Behold, the bridegroom cometh; go ye out to meet him.

12th July, 2021(Prophecy:) Our Bridegroom is tarrying, but He is coming soon, very soon my dears. He is preparing you all to be those happy virgins who did what they could when you finally meet Him. He has chosen you because He knows your hearts. You choose Him and you chose to be His herald to wake up the mighty army of David's fighting men. It is a great honor that has been bestowed on you. Your mission is a daunting one but as a small insignificant pebble you can fell the giant of disbelief. Darkness is coming and will soon be upon you but happy ye will be because your lamps are full and your hearts and spirits have been and **still are being trained to be at peace sitting in the darkness** that will fall upon all the earth. You are preparing and you are a voice crying out in the wilderness for others to heed. The darkness is coming...if you can find anybody in the dark...hold hands.

11th July, 2021 My sweet, you all have times when you feel at a bit of a loss. You're not being hit by any big battle but you feel a bit dry, a bit lost about what you should be doing. You're not sure what to read and the word doesn't seem to be catching you and you generally feel a bit directionless. You see your children like this at times too. But don't worry; it's all part of learning endurance and fighting on. Sometimes you need to push yourself a bit to do what you need to be doing. You might need to force yourself to praise when you just don't feel like it. You might have to force yourself to hear from Me. and it feels like you are going through the motions. It's just sometimes there are not so many emotions and highs; there are the low, quiet times too. These times are more by faith. You just need both. The happy/sad or sick/healthy times to appreciate My fullness, My grace, My love, My mercy. The light of My love will shine all the brighter eventually. You need to learn to fight more during these times. That might be simply reading key promises or listening to faith building audios. Do something different. It's

studying to show yourself approved unto God. It's fortifying your spirit and it can just be a plain hard slog sometimes. Will you seek Me and search Me out My love? How bad do you want Me? just Me? What are your priorities when you are feeling like this? What do you turn to? What's the plan My love when you don't feel anything much at all? I know you don't do it intentionally and it's not that you aren't satisfied with Me, so why then? Imagine if you were in prison for two years and you only had your bible to read. Imagine how dry it could be then; how tedious and monotonous. It's possible to have ecstatic experiences like Madam Guyon, but it would probably more likely be like Andrew Brunson who almost lost faith. But I used it and he found an intimacy with Me that couldn't be gained any other way; for him that is. You, on the other hand know the beautiful intimacy we share in the bed of love. You have been set free to be sexy hot brides that can share your passion with Me unashamedly. But in the future you may get hit with these low times when things get harder. So how will you do? How would you fair being incarcerated for two years? Not so great going by how you're feeling now. So it's the gauge. Sit up and pay attention. You need to do something about these times. What's the strategy? You have physical contingency plans for when to flee so how about a plan for these times; a program of what to do. Usually Apotheon and Lethargy are sitting on you, so how about praying against them for starters.

Stephen reading in class from It Can Happen 2022 series Part 4

It is by faith and has always been by faith and will continue to be by faith. Those that follow the Word and not the man(or carnal mindedness) are following still and those on the flip side of this coin are on the downside, the shadow side. I love them, yes, but they cannot see as clearly as those on the side facing up toward Me, the light side.

(prophecy continues)When you are 'down' it's a bit like a lack of faith and carnal mindedness and you're on the downside. You aren't seeing clearly. But perhaps that's the problem; you want to 'see' something. The flesh wants some sort of gratification. The slow plodding takes faith especially when there's not much to show for all you are doing. The carnal wants results. The old mindset of success easily creeps in. Is that why you feel a bit restless? Good news is exciting; it's a high and a rush and we all enjoy those moments and they are encouraging. But what if there is nothing to show for your efforts or there are lulls when there's not too much happening around the home or each day seems a bit routine? Let it be as a sign then when you feel a bit sad or restless or can't seem to get fed from the Word and you're struggling to stay perky, that you need to face the Light, face Me. I keep bringing you back to Me. I love that. I'm teaching you to trust today so you'll know what to do tomorrow.

Excerpt of prophecy from "Loving Jesus Jewels" ML # 3045: 35 - 38

(Prophecy, Dad speaking:) God has to have those with crazy faith, insane dreamers that are willing to do the wild, seemingly crazy things that the Lord asks them to do--to go where He says to go, and say what He says to say, and do His slightest bidding. This takes new bottles who are in the Spirit, who have their senses and their spirit exercised, and who are thrilled and

enthralled by the New Wine, who are so full of joy and excitement that it causes their light to shine so brightly on the world.

As with every revolution and every changing of the guard, so to speak, the new avant-garde, the new, fresh bottles continue, always with lots of repercussions and things left in the wake. Nevertheless, **we have to keep going on**, following the Lord, obeying His commandments, **preaching the message He wants us to preach**, and **it always works out for the best**. **It always improves the Family**. It always improves our witness and our ministering to others. So praise the Lord, and **continue to thank Him for His New Wine that He pours out that is so refreshing and so invigorating to those who are open to it.**

Don't worry about the old bottles, the ones who are left behind, because the Lord loves them and He cares for them. He provides for them and He uses them as much as they'll allow Him to. But it's those who are really sucking and seeking and fighting in the Spirit who are the ones that get to partake of the New Wine, and partake of the sowing of the seed and the reaping of the fruit--young, alive sheep that are hungry to do something for the Lord. That's just the Lord's way.

That's just the Gideon's band that the Lord chooses to preach His new Words and His new message, those who can follow Him the closest, because it takes a great deal of forsaking and continually being willing to change and fight new battles and overcome new obstacles and face new challenges. But that's the thrill of it! That's what makes it thrilling! That's what makes it exciting! That's why the Family will never be stopped, **for the true revolutionaries will keep going until the end, no matter what the Lord asks them to do!**

(Excerpts from It Can Happen In 2022 part 4)

(prophecy continues) And so there it is ...it takes a great deal of forsaking and continually being able to change. And often times you won't feel like it. But that's how a Gideon's Band is formed and that's how they are made. I give you obstacles in many different forms to teach you to overcome to prepare you for the future and all the many different situations you will face. Don't allow those moments to be old bottle moments where you are stagnating and cringing at forward movement; change. Keep sucking. Get some new wine to suck on. If you can't get it pumped into your tank from the gas pump because the power is out then suck it out of the fuel hose and siphon it in. It won't matter to you when the power goes off cause you can suck new wine down straight from Heaven when you have to sit in the dark. You'll be happy and you won't have to go running for a 'flashlight'. You will be so used to hearing from Me and having that close intimate link that the darkness will be light to you. Hallelujah! These down times are part of your Revolutionary training to teach you to keep going no matter what. (End of prophecy)

5. When you're relying on your feelings, the Devil can play with your emotions & make you feel very unclose & far from the Lord for days or weeks or even months at a time! When he sees that you're walking by sight, he can figure, "Aha, this person is an easy target for me! I'll just make them feel terrible, & then they'll think they're not close to the Lord, & then they'll get completely discouraged, completely in despair & they'll think something's wrong with them or something's wrong with the Lord, & they'll lose hope!" So it's dangerous to walk by sight, by feelings! When besieged with such doubts, you've got to "fight the good fight of faith" & resist the Devil & his lies! (1Tim.6:12; Jam.4:7.)

HOW TO KNOW IF YOU'RE CLOSE TO THE LORD!

10. So how can you know if you're close to the Lord? You can know by His Word, that says if you "draw nigh to God"--by your submission & obedience to Him--"He will draw nigh to you!"--Jam.4:7,8. Even if you can't feel anything, any closeness at all, you can still know you're close to Him if you're doing your best to love the Lord & please Him & obey His Word & do what you know He has said.

11. We've got to just go by the Facts, by the Word.

And **your faith in His Word & your obedience & yieldedness** have nothing to do with your feelings!

So it doesn't really matter whether you feel close to the Lord or not. You don't have to feel that emotion!

(Feeling Close to Jesus! [#2746])

I flip back and forwards being yielded. It's a death. So hard to keep fighting and **stay** yielded. I feel weary today.

(Prophecy) Jesus: My love, I know. So I give you True Grit to help you fight the battles. He is one of the Knights of Victory. Call on him to hold on, to have determination and the tenacity you need. It's for these days and the ones to come.

Linkup: The Knights of Victory

(Jesus:) Behold, the fighting Knights of Victory, mighty spirit helpers who are available to the people of the keys! They defy the Devil's darkness and those he uses to spread it in an attempt to capture the children of light, My Endtime children, My children of David.

These knights are fighters for Me. They hate all that is evil, all that prevents My truth from being absorbed by My children. These knights are fearless. Darkness flees, for these Knights of Victory are knights of light. They are the embodiment of the truth of My Word. They are cunning fighters; they defeat the Enemy at his own game. They appear in black armor, taking on the surroundings of those they rescue and fight for.

No demon of darkness can withstand the Knights of Victory.

Their armor is made up of My keys; their beings, the truth of My Word. They have the liberating serum to rescue all those in need and to defeat the demons of Hell. They keep the fighting serum of your Father David. Father David's fighting serum! **This spiritual serum will enable all those who receive it to submit to God, resist and rebuke the Devil, and fight him until he is defeated in your life!**

In these Last Days, you need to fortify your spiritual life so that you may be able to withstand the attacks of the Evil One. I have given you the keys of the Kingdom. I have given you the weapon of praise. I now give you the fighting serum of your Father David. I give you the Knights of Victory, mighty beings of valor!--Warriors, uncompromising, unflinching in their dedication and service to Me, and now available for you, My loves! Call on the keys. Use your weapon of praise. Call for the Knights of Victory if you are in need, and take unto your spirits the fighting serum of David.

This serum will make your spirits impervious to defeat. It keeps your spirits strong and the Enemy is unable to enter in. It encases your spiritual veins that carry My Word with an impenetrable casing. The casing acts like steel, and the Enemy's influences are not able to break through. You are strengthened, you become brighter with the light of My Word, and more resistant to the lies of the Enemy. Finally, you are as those I have sent to help you, a knight of victory, a fighter who loves to fight for Me, who loves to destroy the works of the Devil, who joys to proclaim My truth and set the captives free.

You are all destined to be My knights of victory, sustained by the fighting serum of David, empowered by My elixir, men and women whose armor is made of the keys of the Kingdom, carrying My weapon of praise! Rejoice! The Knights of Victory are given to the children of David that they may march forth into the period of strengthening to emerge as My mighty army of the End!

("New Spirit World Power," ML #3522:171-181; December 2004)(Xn 067)

(True Grit speaking :) It's a new day My dear and we are entering the last days, the days of the end of man's rule and the takeover of our supreme Lord and Savior, Jesus the Light of the world.. As you are at the front lines of the battle I have been commissioned, along with my squadron, to assist you in your battles, especially to prepare you for what's coming but also for your mission of raising the bones of the Children of David. We have been personally assigned to you and your Home as recommended by Father David himself. WE have come to fortify your efforts and protect you from the onslaughts of Satan as well as your personal battles. WE will help you to be top notch fighters using us and the fighting serum of David to sustain you to help you to continue to yield and give your all to fulfill your commission. It takes a lot of tenacity and conviction and faith in your channel to buck the tide and share what you have been about the Family and P and M. WE realize it is not an easy task and that you will all be the target of Satan to try to stop your mission. He's been attacking your yieldedness and submission and makes you to feel that you aren't doing too much towards the War effort and that what you've been doing hasn't had much effect or very little. WE can help boost your morale when you call on us and infuse you to keep fighting and show you just how to do that. You need courage, you need determination and strength of spirit to swim upstream. And you feel like such insignificant nobodies to be speaking out to old warhorse warriors of Tfi and even P and M. Hold on tight and don't let go. You are right on target. WE are excited and are honored to be fighting by your side and will assist any way we can. Thank you for letting us being a part of this mission.

After this, WE RECEIVED HANNAH'S REACTION TO THE SEQUEL TO THE FROZEN BOOK AND MORE VIA SIGNAL . TYJ...FOR SUCH ENCOURAGEMENT on this same day. (11thJuly) SEE BELOW:

Lisa: Hi, are you listening to the classes?

....Boy, am I ever! I was about to write a reaction., now that I am almost caught up. I fell behind for a while. But this week I have listened to all but one.

You are so brave to have your life out there in front of everyone. At the same time, I am sure you must feel freer, with nothing to hide.

In sequence, the last ones about the Frozen Book were earth shaking. To see how much hangs on the LoL. Lord, help us.

Today we read Old Bottles with David. We are finally having a voluntary evaluation of our spiritual standing this afternoon. Please pray for us, for that, that we can keep growing in the right direction.

Please give my love to all there. I hang on every word often listen to the classes at least two times.

Btw, in Sequel to Frozen Book, what was the take Madi or the others had, that Stephen mentioned that set him off to seeking the Lord like that?

I have been carefully picking up on everything you all have shared about P&M as I believe that's a make or brake point for many ppl coming back. It was for me. I had my stand on that, but to hear how the Lord thru the prophecies and the way Stephen would share it, making a clear distinction everytime, between the Word and the channels, this helped me finish sorting out the bug in my heart about it. Kind of like Old Prophet, Young Prophet.

I also took it to heart, that Steven said quite a while back, why is it so hard to believe? It's not like your prophecies is anything off the wall or saying to do weird things. They are just provoking us to godly jealousy and get back on track to follow the Lord personally, get ready for the Endtime, preach the gospel, love Him and others. Also like he shared recently, MB job has been to Call to Arms, it is our job to choose to believe.

Then comes the Power.

LEARNING & OBEYING BY FAITH!

14. There are a lot of times when you go to the Word & you read it, but it's hard to really get into it. You may not feel like you're getting anything out of it, but that's no excuse for not reading the Word & not hiding it in your heart!--Because some day when you really need it, it's going to come back to you if you faithfully feed on it now.

15. Maybe you don't need it so much right now. We don't have to tell our kids, "You need this right now!" Maybe they don't really need to memorise all of that for right now, but they're going to need it some time, so they have to get it right now while the getting is good! A lot of it is probably for future use.

16. (Fam: I think this principle is true of our personal lessons too. Who decides to learn big lessons or undergo breakings or humblings because he's "inspired" about it? You don't usually feel very inspired about it at all, until it's over! But then you're really thankful that the Lord gave you what you needed.) Right, "No chastening for the present seemeth to be joyous but grievous, nevertheless afterwards it yieldeth the peaceable fruit of righteousness unto them which are exercised thereby."--Heb.12:11.

17. So whether you feel inspired about it or not, if you know that something is God's Will, just obey Him & do it by faith, as unto the Lord, & He will bless you for it! "For without faith, it is impossible to please Him!"--Heb.11:6.

18. If the great men of God in the Bible had only obeyed the Lord if & when they felt "inspired," they would have never accomplished anything for Him! Moses certainly didn't feel like socking it to Pharaoh & leading all those Jews out of Egypt! Nor did the Prophets Isaiah, Jeremiah, Ezekiel, Daniel etc. feel like doing all of the difficult & dangerous things that the Lord commanded they do.--In fact, most of them argued with the Lord that He had the wrong guy & that He should get someone else to do the job!

19. And we know that Jesus didn't "feel inspired" about dying on the cross for the sins of the World, & even pleaded with His Father that "If it be possible, let this cup pass from Me!" But the bottom line was, "Nevertheless, not My Will, but Thy Will be done!"--Mat. 26:39.

20. And look at the many times & situations in which the Lord tried & tested Dad's faith & obedience.--That's what the entire Letter, "Shtick" is all about! (See ML#703.) There were many times when he didn't feel particularly "inspired" about shticking with the difficult & wearying assignments that the Lord gave him.--Such as being his mother's bag-boy, chauffeur & servant for 20 years, or being Fred Jordan's under-paid & over-worked road-man for 14 years, leaving home & family to travel alone throughout the U.S. in order to book Fred's Gospel TV show across the nation.

21. Nor did Dad feel inspired to wake up every morning to face driving a schoolbus full of rowdy System kids to & from a school where he had to teach them as well!--A class that was so unruly that all of the previous teachers had walked out on them & quit! But Dad stuck to it day after day, month after month, until the Lord gave him a new assignment, two years later! At one point during his bus-driving/school-teaching time he wasn't even sure if he could keep it up for another day, & the Lord told him to "endure hardness as a good soldier of Jesus Christ!"--2Tim.2:3. So he did!--Whether he felt like it or not!

22. And that's how it should be with all of us: When we know the Lord wants us to do something, whether we particularly feel like it or not, we should just go ahead & do it, knowing that that's what we're here for, we're His servants, His Love-slaves whom He's bought & paid for, & He can do with us as He pleases! Amen? PTL!
