

Jesus: Most of you have used the keys, praise, your spirit helpers, and prophecy a little, or maybe you feel you've even used them a lot. But now you will have to commit to using them all the time, because you will be surrounded by more than you can handle in the flesh. There is no other way, My loves. You are not strong enough, brave enough, wise enough, or capable in the flesh. You have to use the weapons and lean on Me for every battle. ('Ishi and I...My Desire" MB blog post May 21st, 2024)

This is the day that marks the beginning of the victory: the day of yielding!

5th May, 2024

187. This is the day that I take you by your hand and lead you to follow Me. This is the day that I put My arms under your spirit and carry you across the sands. **This is the day that marks the beginning of the victory: The day of yielding.**

188. **As your spirit goes, so goes the battle. As your choices go, so goes the battle. As your yieldedness goes, so goes the battle.**

Great shall be My spirit in you as you yield your all to Me. Now is the time of the wilderness, now is the time to bridge the gap between Heaven and Earth. You're My keys, you're the completion of My church, and with you I will open the portal between the worlds. (James) (Broken promises)

*There is no power in Heaven or on Earth greater than My power, and **access** to My power **depends upon your yieldedness.***

(Fight for Life, Part 3 [#3392])

You must use this time with us in Space City to become fully aware of the raging spiritual warfare that surrounds you.

Dig deep now...look inside your heart and see what is there for the enemy to use as a handle to pull you down. These things you are holding onto are, only that—handles, ties to this Earth that the enemy uses to pull you down to his plane. Ask your blue angels to show you deep things. Ask them to go deep and show you yourself and your ways and let them clear and clear till you are more see-through...more something that Jesus can use. Let the purging go deep, and yes, let it hurt.

(Clear Speaking:) The Key of 6.66 has a unique frequency. It is powerful to protect and it is powerful to destroy. Either way you use it, it can only be activated by your faith and the will of God. If Satan can destroy your faith in this Key, you are classed as —powered down|| In other words, you are not operating at full power. This classification can be applied to all the Keys of the Kingdom. They operate under the power of faith; it is your faith that powers them. The worm cannot destroy the Keys— that is impossible, but he can attack your faith in them. And that is what he's been given permission to do in the next part of the climb to victory. The scaled and intensified attacks on **Job** is what I'm warning you of now. The enemy has been given permission to intensify his attacks on all climbers.

(The City of Love Final Ministry Training Ministry pdf by John)

(Sonora) I think you have noticed that the battle just became much more intense and that's because the Lord wants to purge everyone's hearts: to make them either for or against.

("I Believe" compilation)

5th May, 2024 Me) The attack of the enemy was intense and hit like a brutal physical blow to my spirit. It left me feeling completely defeated like I've never felt before with absolutely no hope of rescue, no way out, nowhere to go, not even anyone to turn to because no one understands! I felt the Lord had abandoned me and wasn't helping me at all. It felt like this time I was a 'gonna' and I wasn't going to make it. When making my morning cup of tea I prayed and called on the keys to help me aim straight and pour my tea into my thermos without spilling as I felt so low and unsettled....but it spilled everywhere!! "See, the keys don't work for you!" said the little cynical voice. I agreed and thought, "Yeah, they don't work for me." I mean I don't even normally spill my tea, but just when I actually stop before pouring and call on the keys... Oh dear. Today is going to be a really bad day. I asked, "Why did that happen?" and the answer I got was 'your equilibrium is out of whack!'

Hmmm.....not on the right wavelength! So I looked up verses on equilibrium; if there are even any!

There were.

And lo and behold from Job... (Like Clear said in the prophecy above, "*The scaled and intensified attacks on **Job** is what I'm warning you of now.*")

Job cries, "Let me be weighed in a just balance, that God may know my integrity" (Job 31:6) (Integrity is regarded as the honesty and truthfulness or earnestness of one's actions; trustworthiness to a degree that one is incapable of being false to a trust, responsibility or pledge.)

Perhaps the best known use of the scales in this sense appears in Daniel 5:25, where God tells Belshazzar through Daniel's interpretation, "You have been weighed in the balances, and found wanting." (Oh dear, that doesn't sound good.)

(Blue angel) Your spiritual mind has gone into shut down; you've allowed it to power down. The test comes to see what you are made of and to see what you will do with all the word you've read and you put your fingers in your ears and squeeze your eyes shut!! You don't like what is happening and instead of determining to look past it all and pick up your weapons, your pot is on the simmering setting.

(Me) I feel very tired. At this moment I have given up. But then I know I have nowhere to go, nowhere to run to for surcease from my situation. And so I at some point *have* to keep going. But only for a while... until I fall again!

(Jesus) I know your frame; I know your make up; I know where I am taking you and the way that you need to go and how you need to travel this life's path. You obviously need it this way. You need this constant stirring of the pot to keep you 'alive'!! Otherwise you truly would be dead- dead spiritually; and the carnal mind would have long ago infiltrated and overgrown your garden, lost forever in time. This is the only way. (End)

(Me) I'm listening to a song right now that always brings me to tears when I'm battling, when I feel I'm dying! It's so beautiful. Jesus is always there even when we think He's left us all alone. He would never do that. WE just 'feel' like He does at those desperately low times. The times when we say "I can't do this!" When we feel like we are 'dead', He comes; He stands at the door of our 'grave' and calls our name. He sings to us and our hearts wake up and He brings us back to life. He comes. He always comes! Sweet beautiful Jesus! Thank You for Your unfailing love!

Ps.90:¹⁴ Let the sunrise of your love end our dark night. Break through our clouded dawn again! Only you can satisfy our hearts, filling us with songs of joy to the end of our days.
(Passion Translation)

After spilling the tea, a little later on my oldest daughter asked if I had any paper copies of some Word, as she didn't have a device to read from. Hmmmm....we don't have a library, only a few books and a few selected photocopied letters. I found a copy of The Keys to the Kingdom and 'Fight for Life Pt.3' in my box under my bed and gave her those. I thought...hmmm... the Lord brought out those booklets for my benefit. So Later at quiet time, I went and got the Key promises and that little 'Fight for Life' booklet back and read some of the quotes in there. I've used that booklet in the past a lot and there are many marked and highlighted quotes which are amazing. But this time, it was some unmarked ones that helped me back on the path. Fighting words! Words that hit the enemy head on! Words that said to not listen to the enemy's voice. It was all I could do and it seems it was the very best thing to do because I was completely depleted and I needed to block out the enemy's voice! These quotes were doing that for me! There was nothing else left for me to do except wield the keys! So I read and read and read key promises. At first, I didn't even feel like I was fighting; just reading the words. But it stirred something in me. And then I had prayer vigil and prayed for other people. I couldn't do the yielding, so I just had to drown out the enemy and get him off my back! My whole focus was on the Word and the keys to pull me through because I didn't know what else to do. If the Word couldn't do it then I was lost. I had nothing left in me; I wanted to see the Keys do it and bring the victory...and it did! The attack was over. Gone! It was pretty amazing! It was like the Keys just turned the 'off' button! It took a while, but it worked. So, that just showed me how powerful they are! There was power in those key promises and the counsel to shut out the voice of the enemy! It seemed like this attack was to show me specifically what solely relying on the keys has the power to do. TYJ! (End)

Chinese factory...May 29, 2024.

The following event is to me coincidental in that it goes along with Lisa's testimony above, so let me add it here. We are about to be barraged by a new factory that is going up right next door, a matter of meters away actually. It is a Gari factory and has horrible noisy food processing machinery..."the noisesome pestilence"...we've been settled here in this nice peaceful rural spot, but hopefully not on our lees, for about two years now. We've enjoyed the peace and quiet away from city noises very much, so this experience is shattering, to say the least.

Way before this factory ever appeared, Jesus in prophecy (April '23 to be exact) gave us a rather cryptic message where He said He would be sending us an embassy as a way out of the predicament He's allowed us to be put in, however, due to its ambiguousness, the prophecy was soon forgotten. In late '23 we received our invitation to the Heavenly City School along with a message that we were coming in for some training. So we left earth's orbit late December and was greeted by a member of the warrior band and given our induction speech. We are all privy to the different speeches/classes given since that time; we have come to realize that 2024 is our grindstone year; for what, well we've been told it is in preparation for what will unfold in 2025. At this stage, May, 2024, we are still behind the Son in the City of Light receiving classes from the Kings own men. We are in a way an embassy from earth. Just yesterday the April '23 prophecy surfaced at what is obviously a designated time, kind of like one of those time release capsules we often talk about. In regards to the "embassy" line in that given prophecy; we are presently trying to ascertain what "the embassy" means. Is it a physical escape or a spiritual escape...we are waiting on the Lord...surely in time all will be revealed.

Okay now for a little gear change. Our system "front" or purpose for being in Ghana is rural development. We have an NGO for this purpose and its primary mandate is Beekeeping. We have successfully incorporated our missionary work with the NGO's mandate,

and I must say Jesus has helped us do a pretty good job of impacting this area where we presently abide. The main development project we have been involved with here is now self-sufficient.

So as NGO related work goes, we should be looking for another project to “get into”. Well as you know, Jesus comes first in our lives, which basically means we don’t make a move until He does. As I said we, up to this point, have been quite happy sitting in our rural setting enjoying the greenery, except for the fact that we have not been just sitting here, as was explained at the beginning of 2024 we were invited to leave earth for a visit to HQ, where we’ve been receiving some much needed training. We’ve been told it is in preparation for an exciting opening coming our way in 2025. However that doesn’t make the polishing any easier. It’s not that the classes haven’t been interesting...it’s the purging to make white part that we’ve not enjoyed so much. Well the devil arrived next door, so we are wondering what’s next, is it an escape or is it tribulation at the hands of the fowler. Being human and cowards at heart we are thinking surely he shall deliver us from the snare of the fowler, and from the noisome pestilence. Now don’t be hard on us, only the Keys can give us the courage to brave the fight, and that is what we are trying very hard to hone, and that is the reason we are in the City right now.

Okay, here’s another gear change. Two days ago we received a text message from a lady who wants to start exporting honey to Dubai. So yesterday she arranges a conference call with her partner in Dubai and we were invited to partake...they needed some input on what challenges they should expect from Ghanaian beekeepers. Well we’ve been working up here for 15 years and believe me there are major challenges. So the conference call came and it turns out the father of this lady is a friend and long term supporter of our NGO. During the conference call we started to feel a slight ripple across the waters of the spirit; we began wondering if this lady might not be the embassy spoken of in the April ’23 prophecy. We are speculating at present, but we now have someone or a situation arising where we can direct some blue key frequency prayers. She is a business woman and has no idea whatsoever of how to pull this start-up off.

Okay another gear change...the reason I started this story is because I decided to get back into NGO work just a little by writing up a brief on starting a beekeeping training and honey processing center on her 60 acre plot of land way down near the capital. Part of the brief required me to include some prices of processing machinery out of China. Now I’ve been in my cave for quite some time so this brief was quite a shift for me. I spent the afternoon on the concept and closed with the thought that I should read just a little bit of Word to wash out of my mind all the Chinese business nonsense. Well I didn’t I was feeling quite drained from that unexpected exercise. I opted instead to go to bed. During the night I dreamed about China...I woke up with Chinese machines on my mind...it wasn’t until I sat down at the computer and read a few Key quotes and started communing with Jesus did all those thoughts vanish as if by magic from my mind. So there you go...a confirmation of what Lisa experienced when flooded by the enemy’s shit. So watch out Stephen and anyone else for that matter, if you don’t put first things first, even if that first thing is the last thing you do at night...the enemy is allowed to come in and give you hell.

One look can fell him. One look backed and fired up by the power of the keys and a determined calling on of My name to rebuke the enemy, Satan, and he has to stand down. And he will. He will cower and obey as you face him down, as you let him know that you are not standing alone but you have the most powerful force in the universe backing you up...if you would only believe. (“For I am Meek and Lowly of Heart” comp.)

The worm cannot destroy the Keys— that is impossible, but he can attack your faith in them. And that is what he’s been given permission to do in the next part of the climb to victory. The scaled and intensified attacks on **Job** is what I’m warning you of now. The enemy has been given permission to intensify his attacks on all climbers. (The City of Love Final Ministry Training Ministry pdf by John)

Saramay: “Come near me and I will give you what I have: Blue and gold! LIFE and PURITY! I will replace the darkness in you with light as you pull away from your own way. If every time you feel that pull you call on the keys, then you will be able to escape...but I warn you the tentacles of darkness are impossible to get off unless you throw yourself these Keys.” (Is the Color comp.)

(Clear) You can’t win this battle with just a simple wave of your hand. You have to use the keys, the right keys, if you want to overcome the enemy and get climbing again.

In that time of quiet when you can tell Him how much you love Him and how much you appreciate Him, and in that time of letting His Word speak to you and letting His voice reach you, you will learn a wonderful secret. You will be given a powerful weapon. You will be renewed and strengthened and empowered and refreshed. Miraculously, the load will be lighter, things will look brighter, the problems will be solved and things will be so different! (Fight for Life, Part 3 [#3392])

"And that is what I'm asking of you now, to sit down with Me and let's reason together. I'm not going to pull you out of those brambles; I want you to find your way by listening to My voice. Some things I say may be difficult to hear, but if you can look at My hard sayings as words from a friend, everything will turn out perfect in the end." ("I've been with Ishi"-9th May, 2024)

Don't listen to the Devil! Do whatever it takes to fight him!

Scream at him, pray, quote the Word so that you can't hear the Enemy's voice, because it will kill you!

You have to fight all the harder, quote the Word even more vigilantly, and rebuke more firmly than you ever have in your entire life, because you're so close to the edge and it would be so easy for you to slip right back into your old ways and fall even deeper. You don't want that, do you? I know you don't. So fight! Fight with all your might!

Don't let the Devil regain any ground! He's on the defensive now and he doesn't like it. He's fuming mad and he's doing his darnedest to get you to quit. Don't quit and don't let him in for one instant, and then you will have the victory!

Resist the Enemy, fight, and give yourself pep talks! Tell yourself that you want this, because you do. Tell yourself you need this, because you do. Tell yourself that you don't know what's best, because you really don't. Tell yourself that I will help you, because I will. Tell yourself that you can do all things with Me!

Ask for Me to come. Just say, "Jesus, I'm struggling. I can't make it, but You can. You can do it, Jesus. Please help me." I want to help you. You just need to free Me to help you. I fight for those who cannot fight for themselves, so let Me fight for you.

"Don't you see? The three pieces that fit together during these Last Days to defeat the enemy, to give you power to rise to victory and to make it through to the End are Me, the Word and the Keys. Together, we are your salvation, your anointing and without all three you won't make it!!"

(Fight for Life, Part 3 [#3392])

When you are at the end of your rope and feel there is nowhere to turn and no solution in sight, call on the keys; they will light your path and make your way clear.

"I set before each one of you many choices. This is the day of accountability, and I watch to see what choices you make. I allow certain circumstances as tests, to not only strengthen you, but also to see what you're made of, how far you're willing to go for Me. I could just lay down the law and say, "You can do this, but you can't do that," but that would defeat a very important part of My plan at this time. These days are to strengthen you, My soldiers, and part of that strengthening will come through the freewill offerings that you give to Me.--Not because you're forced to but because you love Me more than this world, and you of your own accord wish to stay clean, strengthened, and uninfluenced by the perverse doctrines and ways of the world. I not only wish to keep you strong in spirit--which you do by not submitting yourselves to the lies and darkness of the world--but I also wish to strengthen your personal resolve, your self-discipline, your first reactions, your bedrock faith, and your willingness to be different and set apart from those in the world. Without this kind of spiritual progress on a personal level, you will not be ready for the kinds of tests that will come your way in the Endtime."

(PFTCOD 2-ComeOut from Among Them)

8th May, 2024 (Jesus) I think you are seeing a little more clearly the fierceness of the battle raging all around you! And you are seeing how Me and the keys are and have been shielding you from the attacks. Many times you are unaware, but then there are those times when I allow the deadly arrows to pass through to give you a taste and much needed training with your arsenal of weaponry. When you are at the end of your rope and there just isn't anything you can do and all you have left is the Keys you've seen now, *finally*, that that was all you needed. You had no energy left to fight in your own strength so you had to completely rely on the Keys and the power they hold; the power that the Word holds; leaning on Me and Me alone. And we pulled you through! It was a powerful attack but I allowed it to show you the power you hold in your hands. You now have a deeper reverence for them and have seen what they can do! Do not lose that awe of the magic they hold but come nearer and go deeper by not just using them but become intimately entwined with them. You can feel more clearly how loving Me intimately and wielding the Keys are deeply connected as well as your prayer time and using these amazing keys and calling on specific entities, your spirit helpers. It's become more real now. And all else that would hinder you or obstruct your way slips away! You realize the intense focus you need now more than ever before! It is imperative to rely totally on the Keys and be single minded. That is My calling for you. That is the choice I place before you each and every time the enemy seeks to pull you down.

15th May, 2024 Azure) This is not new to you as it has been drummed into you from the word ever since but this time of testing awakened you; made you to see using the Keys in a new light. You feel like, 'Where have I been all this time?' You've been using the keys but somehow missing somehow, somewhat, their potential; their capabilities and mostly realizing that all you need are the Keys! You don't have to rely on anything you think you can do; the Keys will do it if you have faith in them and believe! It feels like

you've found an amazing secret! How could you have missed this? Well, it's all part of the journey and as you have been seeking and searching and sucking, deeper levels will be revealed to you. We turn the lights on and you see the keys in deeper dimensional ways. (End)

"God always wanted it by faith; to believe by faith. Why? Why has He always wanted it by faith? It's never been by flesh, by seeing, touching, feeling. Why? The answer is in the Royal Law, the two commandments which all the law and prophets hang on. Why? What is it about? So you'll love Him by faith. "I'm not looking for Your things Jesus. I'm not looking for anything; I only want You. I want to hear Your Word in my heart singing to me; that's all." (To Live the Words of David comp.)

(Jesus) Yes, that's all... and it's why I have called you to be separate from the world and all its insidious lures and influences—pure, chaste! WE cannot walk together My love with these other pulls of your mind and heart. You are for Me! I have called you to only have eyes for Me and Me alone! Devoted and set apart! Come nearer My love, come deeper. I do not want to share your heart with any others!

Others may need the signs but I have called you above all that to be holding the Keys of believing without seeing. It is one of the stands I am asking you to take as Warriors, as part of holding high the Flame of Israel. ***It will be your testimony that I speak through My prophets and those who have heeding ears and believing hearts need nothing else!*** You have the mouth, the kisses of your Husband at your ear, so why should you balk? You are called to obedience to My voice. Maybe others need the outward show and that is encouraging for them, but yours is a different path that I have called you to. Warrior Band are of the caliber of the highest obedience to My requests. It's really your choice if you want to be one of those who believe without seeing.

Luke 21:25-26

[25] And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth **distress of nations, with perplexity**; the sea and the waves roaring; **(there's that word 'roar' again) (The roaring is just the enemy standing over you and his distractions attempting to draw you away from where your real power lies)**

[26] Men's hearts failing them for fear, **and for looking after those things which are coming on the earth**: for the **powers of heaven shall be shaken. (Men's hearts failing them because of fear and looking for the signs! Fearful because they've been looking at the signs!)**

(‘Frequency of the Final Key’ word doc. January 22nd, 2024)

“There's so much going on out there! But all we need to do is keep praying that it goes on” Stephen

(Jesus) I call you as My intimate bride, one who is totally devoted to Me and instead of looking elsewhere I want you to be spending that time in our bed of love, focused on our time together. Let all else fade away as inconsequential because you trust that I have it under control and in your obedience to My command you shut out all else to spend time close by My side instead, waiting for My whispers, My songs that only My most intimate will and can hear. These times with Me are what will give you the strength of the Keys and all they can do for you. (End)

(Jesus speaking:) We are out on a ship together. I'm at the helm steering, and you with your arms around Me are standing there, as your thin dress blows in the wind. You are holding Me tight as we are facing forward and going into the journey together. Finally, the sun sets and the stars come out. Still we stand there, going on, going forward, steady, looking toward where the land we are headed towards will appear and be within our sight. One light fades to reveal another lighting effect—the stars and moon that shine on our steady ship that knows only one direction to go: forward. We enter some calm seas now, and we watch some sea life playing in and out of the water, leaping and swimming. Our ship's light seems to attract them. We sit now for awhile on a bench that is here on the deck. The ship is just resting and so are we. We speak of the great progress we've made forward. You ask Me what has now become the predictable question, “Are we almost there yet? How far do we have yet to go?” You ask this and then add, “It's not that I'm not enjoying the travel with You, but I just want to have a whole lot more fun, when we get to where we are going—to the land of plenty, pleasure, and prosperity for eternity.” I hold you close and wrap your shawl around you. It's a little chilly here. “I know it's been a long journey,” I say, deeply understanding your eagerness to get it done with and be on to happier things—things I've told you about to keep giving you hope and patience. “It won't be a second longer than it must be,” I reply. “And the more you wait with anticipation, the happier will be the experience when we get there.” You nod, once again submitting to the time it's taking. Then you curl your head into My warm embrace as we sit there. ***I begin to sing a song that both calms you and also brings out the tears that have been stored away as you bravely stood by My side, as the trip went on and on all day.*** I hear you softly sob, and I hold you firm and warmly. I sing until I know your tears have all been released, and you are ready for a mood change. ***“Hey, look up,” I say,***

and you do. The tears in your eyes now are sparkling in the lights you see decorating the deck. “Wow!” you think, and then look at Me with a “How did you do it?” expression. I just raise My eyebrows mysteriously. (Setting 23 Bedroom Delights from the comp. ‘Ishi’)

Loving Jesus intimately will also help you exercise the gift of prophecy. Lying in His bed with His arms around you is the perfect place to hear His whispers. Don’t put off your come-to-Jesus time... He’s not the rushy type. He likes going slow. He’s steady and sure. He likes to get the most out of each encounter He has with His lovers. So don’t waste time trying to work things out in your own strength or five senses, leaving it and leaving it until you are almost beside yourself with fretting, fear or stress. Go to Jesus every single day, twice or thrice if you so desire. You are like a dam across a river: the more water you try to hold back, the more pressure there is on your dam wall. Just go to Jesus and let Him open those floodgates when needed. The pressure will ease and you will be a much steadier and more stable personality...just like He is. (MB blog pages APR 4, 2024 Welcome to the Next Step Up)

I’ve told you that prayer and praise are two of the most potent weapons given to man, and when given into the hands of My warrior brides, My musicians of the End, they have the power to bring on the End of Satan’s rule and the return of the King. And as I have said this song sung at exactly the right key will literally shatter the barrier between the worlds. The power needed to reach this note, is found in loving Me intimately, because is it a love song, you are singing to Me, you are singing of your desire for Me and for My return. The more fervent you are in your passion, the more power is released from the generators of God. (‘Frequency of the Final Key’ word doc. January 22nd, 2024)

This next revolution has to be an absolute spiritual revolution won through prayer, and what are we winning? A few more years of the devil running around like a rabid dog screwing the world and everyone in...no we are winning back our Husband and Lover. Or should I say wooing back our Lover...come Lord Jesus come!

(Hi There all! Answer from Stephen to Hannah)

Prophecy, Jesus speaking: Right in those eleven paragraphs is the outline of what I have you here in Mount Zion for ([The City of Light](#)). In these dark days of the End, the flesh will not prevail. This war can only be won in the spirit, by the spirit, and prayer, praise and prophecy are the weapons of choice. Continue to power them up by Loving Me intimately and through obedience to all that I show you to do through My Word both old and new. (See APR 16, 2024 In The Time of The End AS WE GROW CLOSER TO THE TIME OF GROSS DARKNESS)

(Clear) This attack is connected to what you’ve been asked to do some time back. You were asked to make us a more personal fixture in your life. You need to use the key of intimacy and the blue key more. You need to go to sleep with me on your mind and you need to wake up with me on your mind. I am the door to our Lover. He needs to be on your mind all the time. I am the branch to our Lover’s mind, remember. You were asked to have us on your mind all throughout the day. (January 16, 2024 Feeling a Little Confused... Are We Changing Gears? Clear speaking) (From “Lessons behind the Son”)

Prayer to my Blue angel: please stand guard over the door to my heart. Please, set a watch over it. Keep my steps from sliding; bind my heart to thee. Tether me to your mind. Hold me in a continual embrace, so that I can feel your presence and breathe in your mists.

Guardian angel: Fight to believe and rebuke the doubts that hammer on your mind’s door! (Like the hammer mill next door) There’s only one way to make it through these training days and that’s militancy. Being willing to just fight and fight every day for your very life. The enemy will send everything he’s got to get you down and to drag you away from your commission, and you may at times have to physically force yourself to just keep going—remembering the goal **and the Words that He has spoken to you in your times of love**, remembering that He promised and He will be faithful to His Word. You have to fill yourself up with these promises and have nothing else running through your mind or you simply won’t have the courage to keep going each day. (While You Are Waiting MORE LESSONS FROM THE HEAVENLY CITY LEADERSHIP TRAINING COURSE January 6, 2024)

14th May, 2024 Azure) let our love for you fill you with joy unspeakable! Yes, dear sweet one, it is heavenly bliss to know Him so closely even though you have hardly reached what is to come and all that awaits you. For now be yearning for Him and spending much time loving Him intimately. You have felt the strength you gain from these times like nothing else can. It melts away all your questions and fears and anxieties and helps you trust more for the outcome of all the difficult situations you are facing right now. Yes, we are trying to punch through but there is much static and not many times of quiet stillness. Static around you and actually static within you dear one! It’s taking some time for us to show you truths that you need to see. But there is no rush for we want you to be meditating and sucking. We want to see the desire within you for to go deeper. First you need filling, then we’ll show you more. (End)

(Jesus) *Come sit here, and learn of Me, though it be in the fires of trials. To sit with me brings love and testing, for you have to both give to Me what I ask for in return, and give up and give away that which pleases Me not; For I am a consuming fire, and I can’t pretend to be what I am not. Come close and let the light of My passion—My love, My righteousness, My will, light upon you. It will*

burn; it will consume all that is not right, all that is consumable, all that is mete for consumption. Kneel before Me now while I light My blaze upon you. Surrender all and you will get all of Me. ('Ishi')

"And the light shineth in darkness; and the darkness comprehended it not." John1:5.

True) We have been shining light into the darkness that you hold onto; onto the ignorance of shallow 'self' that refuses the hot luscious advances of our King. He wishes to enlighten and illuminate all your dark recesses and flush them out with the awakening understanding and depth of the blue plasma flow; the turning of traces of 666 in you with the pure correct frequency of 6.66. (End)

Me) *I want to hear Your Word in my heart singing to me; that's all!*

Loving Me releases to you all the power I have available to Me. By being Mine so intimately and lovingly, you have access to more power than any others on the face of the Earth, because you are closer to My heart and to My Spirit than any others. This offensive weapon of intimately loving Me could be described as your power source. Through loving Me intimately, you channel whatever power is needed into all the other weapons of the spirit that you have chosen to be a part of your personal spiritual arsenal. Without your intimate link with Me, you are lacking a very important source of power. It would be like trying to charge up a super laser using AAA batteries. The gift of intimacy with Me creates a wireless charging connection that sends a continuous, unlimited flow of power into those weapons. As you stir yourself to reach out to Me, desiring Me and yielding your spirit to Me, the connection you make with Me releases vast amounts of spiritual energy. As you praise Me in utter abandon, I pour into you more than you can hold. Your spirit becomes a fully charged source of great power. Loving Me gives you faster access to My power because you can simply get it from Me in our bedchamber-you're automatically closer to "the Source."

(*'The Endtime Warrior's Training Manual' compiled by John*)

Psalm 68:24-27 Your procession has come into view, O God, the procession of my God and King into the sanctuary. In front are the singers, after them the musicians; with them are the maidens playing tambourines. Praise God in the great congregation; praise the LORD in the assembly of Israel. There is the little tribe of Benjamin, leading them, there the great throng of Judah's princes, and there the princes of Zebulun and of Naphtali.

Prophecy Jesus speaking: Sing on My loves, My called and chosen, My small potent band of warrior musicians; those whose final mission is to bring to bear on Satan's kingdom the powerful cleansing frequency of the Final Key. **Your prayers are the performance of this unique symphony which I wrote and composed for these days leading up to My return.** This masterpiece announces the defeat and destruction of a king and his kingdom and the heralding in of the vanquishing King and of His rule and reign in a new era. You are My heralds, that go before Me praising and singing of My victory over Satan and of My glorious return. As you raise your voices in song the frequency that's generated is the Final Key, the final note that Satan cannot reach, the chord that is impossible for Satan to counterfeit, it is far beyond the earth and heavens, far beyond the means of man or angel, even Lucifer in his highest form could not have created this distinctive cord. It is a symphony of love for My Father, and of how My love overcame all things. It is the story of creation and held within this symphony is every event, every Word that preceded forth from the throne of God, every key, every note every uttered whisper is held within this Final Key. The Final Key is My creation, and My Keys harmonize in perfect synchronization as each instrument in an orchestra is synchronized with the Conductor so are My Keys, they are a part of Me and Me of them. As the frequency of the Final Key is released through your prayers and praise for Me, Satan's forces fall back in defeat, they flee back into the dens, caves and crevices of the underworld, they plunge off the abyss and into the fires below, this is the destructive power of the Final Key pushing all that is evil before it and down into the abyss and judgment. What follows is the regenerative power of the Final Key, the responsive love of the Father. His power to restore, renew, resurrect, the music of renewal, the awakening of the earth and all of creation from a very long winter and into a new dawn; all is held within the Key, which I've called at times the Ark of My Covenant of love. You can find similitudes of the Final Key recorded within the pages of My written Word.

I've told you that prayer and praise are two of the most potent weapons given to man, and when given into the hands of My warrior brides, My musicians of the End, they have the power to bring on the End of Satan's rule and the return of the King. And as I have said this song sung at exactly the right key will literally shatter the barrier between the worlds. The power needed to reach this note, is found in loving Me intimately, because is it a love song, you are singing to Me, you are singing of your desire for Me and for My return. The more fervent you are in your passion, the more power is released from the generators of God.

Your song is of your love for Me your Bridegroom, it is about our union as Husband and wife, this song is the most powerful song created since creation itself, because it is a song of victory of an enemy who would if he could deny My creation, Me and even the

Father Himself. So sing My lovers, sing of your redemption, for the new age of light will be brought forth through your songs of prayer and praise.

(Jesus) One day we are going to look one another in the face, and that day is coming sooner by the day. ***But you do want to be purified and purged of as much of this world and its tarnishing ways before you meet Me face to face.*** So lie down in the waters now and face the sky. Let the purging and cleansing wash through your whole being. You are becoming more and more Mine every time you enter into these cleansing waters. (Ishi)

“Put aside the distractions of Satan, for he would make of you prayerless warriors!

You must not look at the world and you must not look at your own weak flesh, for they are one and the same thing.

(“I’ve been with Ishi”-9th May, 2024)

“It may cost you your life, but what is that to you, you are bought with a price, the price of My blood.” (“I’ve been with Ishi”-9th May, 2024)

This World is in opposition with the personality of God, with His Frequencies. And the Final Key exudes these frequencies. It pulsates with them, and sends them forth—wave after wave and this world of man twitches and contorts as it makes contact with them. The true World is underneath, dormant. Man, with the help of Satan, has polluted its surface and covered it with a layer of darkness and the lower frequencies of greed, violence, and the love of self. But this Key is a cleansing agent, as spirits to a wound, as peroxide to an infection. The dark spirits, and the spirits of evil men, are the negatives, and we are the positives. ***They will resist us, but they cannot overcome us.*** Though the whole world of evil is in agitation, you, the Elect, the 144,000, will be in ecstasy—harmonized to the music of the New Reality, singing as it were a New Song! New Frequencies!
