

Come bride of the King, prepare thyself for the feast, put on the garments of obedience and humility, throw off the rags of pride and self and be wholly His for all eternity.
(The King's Brides)

Please, we beg you to sit up now and take note of this class. We have been told to step back a pace or two in order that you see, hear and feel some of the explosions and bullets that whizz past and into your life every day. Please, the only way you are going to avoid being hit is by being fully aware of the spiritual warfare that is raging around you all the time. If you don't want to be a casualty of war, we admonish you to take heed. We love you and we are doing all we can to keep you alive. We have medics here too. Do you want to be taken out on a stretcher or worse, in a body bag? You will "come to" over here and look up and see our faces, but we won't be smiling at you, beloved of God. Please, you are in the War of the Worlds and you are behind enemy lines and you are the main target, so keep your heads down and your antennas up. **We can only help you as much as you will allow us to. The biggest part of your protection comes through your obedience to the Word... In other words, what we are saying to you now...which is prophecy.** This is New New Wine, and it is the Word for today. It will save your skin... whereas trip offs, diversions and one-degree deviations will lead you straight onto a land mine. **The scary thing about those red-herring aberrations is you don't even realize you have made them. They are expertly set and laid.** If you are in constant listening mode, and you are truly walking in the spirit, you will see them before you step on them. Ask us to show them to you; ask us to open your ears to the sounds of warfare all around you. Please, we don't want you to make the wrong step and have to deal with the results of another missile landing where you shouldn't have been. (NOV 29, 2024 They Came for the Palestinians ALTHOUGH THIS WAR IS MANIFESTED IN THE PHYSICAL IT IS A SPIRITUAL WAR)

Prophecy: You have the Key to freedom, and there is only one barrier left to overcome. To some of you this barrier seems insurmountable, impossible. This thought tempts you to just turn around and walk back into the mists that you came through to get to this barrier. You have been standing in front of this barrier for some time now, but you just can't figure out how to get through. I will say it again; you have the Key to freedom. It is in your hand, but your carnal mind is telling you that it just doesn't work. You've tried it over and over and over again, but the lock doesn't open the barrier; it is not melting away. "I was promised it would," your mind tells you, "but it is just not happening the way I thought the prophecy was telling me it would." I come out of the mist of your carnal mind and hand you another Key. You know this Key and you've used it before to some degree, but the problem is you haven't applied it with enough gritty resolve. You look into My eyes with that pitiful pleading look, begging Me with your own, as if to say, "Can't you help me just a little?" I lift my hand and in it you see the Key and you read my thoughts that say, "This is the help you seek." I then look down at the Key ring hanging off your belt. You follow My eyes to see what I am looking at and there, holding an eternity of Keys, hangs your Key ring. "Choose one," I say, "and keep choosing until victory is yours." The Keys are real enough; the barrier is too, but you just have to believe that the Keys are the way to opening the barrier that is blocking your spiritual mind from escaping to freedom.

Deep down you know if you turn away from this barrier and go back into the mist, you will be defeated. "He" will have won and you will have an almost impossible task of coming back to this barrier to try again. And the thing is, time is almost done; the end has to come eventually. There has to be a cut-off some time. Eternity is moving on, but man is the one that has come to a standstill. (NOV 29, 2024 They Came for the Palestinians ALTHOUGH THIS WAR IS MANIFESTED IN THE PHYSICAL IT IS A SPIRITUAL WAR)

Prophecy: Your carnal mind has led you into captivity; it has led you into some dark cage where it wants to kill you. The Devil is the perpetrator; it is he that holds the strings of your carnal nature. Take the sword of the spirit and do battle with the Devil and end this perpetual slavery he has you in. Take the sword of the spirit, and cut the Devil himself down and set yourself free from the shackles and chains of conformity to this world. You are in the world, the cage; but you are not of the world, the cage. (NOV 29, 2024 They Came for the Palestinians ALTHOUGH THIS WAR IS MANIFESTED IN THE PHYSICAL IT IS A SPIRITUAL WAR)

We know that when we look at things in the carnal, it's hard to understand, and You said the carnal mind is enmity against God. So we really rebuke the carnal mind and we ask You for Your Spirit, Lord, and the keys of enlightenment so we can see things the way You see them, so our path will be lightened, and that by the light of Your Word, the light of Your Spirit, our hearts will be changed and cleansed. (Woe! [#3448])

Jesus wants to see faith. He wants to see our faith in the Words of God and in the Keys to the Kingdom. This is what we are fighting for; this is what the enemy is trying to take away from us, what's inside us, our faith. And he does that by using our carnal mind to continually tell us that it isn't possible; (NOV 29, 2024 They Came for the Palestinians ALTHOUGH THIS WAR IS MANIFESTED IN THE PHYSICAL IT IS A SPIRITUAL WAR)

So it is that not all My brides truly wish to pay the price of becoming My wife and a pillar in the temple of My God. A wife is a bride that gives up everything she holds dear, even up to her every want, wish and yes even her own life. She desires nothing else! (The King's Brides)

I COULDN'T START MY FIRE TO COOK BREAKFAST AND GOT DEMORALIZED EVEN THOUGH I STARTED VERY EARLY SO AS TO BE ON TIME. Alas, I didn't hold up well to a challenge the Lord threw in my path.

(I then look down at the Key ring hanging off your belt. You follow My eyes to see what I am looking at and there, holding an eternity of Keys, hangs your Key ring. "Choose one," I say, "and keep choosing until victory is yours.")

That's a typical weakness with self-righteous people; they tend to want to put everyone and everything into a box with a nice little label. They like to have set instructions: "If thus and so happens, then you do thus and so. If so-and-so does thus and so, then you tell them thus and so." It makes them feel like they're in control, like they know what's right, and they know how to handle it when something goes wrong. (SRNESS IS RIGID comp.)

The keys are the opposing force of self and pride. Since it is, those things, that really creates the imbalance in the universe and in the world.

THEY ARE ALREADY SOAKED IN THE VENEER OF SELF-RIGHTEOUSNESS & WATERPROOFING AGAINST THE WORD!--A thin paint of self-goodness & self-obedience & pretended service & ten-percent sacrifice when they ought to be giving 100% or 110! So insulated, so waterproofed that it doesn't even soak in anymore! So insulated against the electric shocks of the Lord that they don't even feel it anymore! And so blind that they can't even see their handicapped, diseased spiritual condition! So deaf they can't even hear the voice of God anymore! So hardened in their hearts they're completely darkened in their understanding, alienated from the life of God, past feeling! (Symptoms & Results of Self-Righteousness [#023])

Such self-righteousness is nothing but a pretense, **pretending to be so righteous and right all the time.** (Self-Righteousness)

I just hadn't been able to make it on my own, and I knew it. It seemed that **the harder I tried to be good, the worse I got!**

He does not help those who think they can help themselves, but only those who know they can't. They can't save themselves, no matter how much they try to get His help to do it their way. (Flesh or Spirit)

195. THIS IS THE WAY OF ALL FALSE RELIGIONS. THEY ARE ALL DEPENDENT UPON SELF-RIGHTEOUSNESS AND THEIR OWN WAY! Most of them claim to be worshipping God and seeking a little help from Him to make it, but are working so hard to earn it they figure they deserve it, with or without His help, and are quite offended if He doesn't seem to appreciate their goodness! "Why look at all I've done for You, God!" (The "Do-It-Yourself" Religions)

137. Joe was trying very hard throughout this whole difficult time period. He was trying to cope with things. He was trying to be a good sample. But he was trying so hard in his self-righteousness and pride that he couldn't see the simple truth-- that despite all of his good works, he was being disobedient to what the Lord had told him. He was covering up. He was compromising. He was harboring sin in his heart, which tore down his force field of protection. His pride was keeping him from getting the help that he needed. It's similar to the story of Cain, who tried so hard to please the Lord that he didn't realize he was completely disobeying. (Choices and Consequences, Part 1 [#3484])

What Is False Humility?

39. (Jesus speaking :) False humility is a cover-up, like a mask. False humility is pride.

42. False humility causes you to be stunted in your growth, because you suppress the checks of My Spirit which I give you. You don't act upon them because you're trying to please others, rather than pleasing Me. (It's being more concerned about your image in the eyes of others and looking good)

43. You're asking Me what the difference is between this false humility and real humility? Well, real humility is being able to let My Spirit move in you and cause you to do My good -pleasure--to speak when spoken through, and even to speak when you're not spoken through, and then be willing to admit your mistakes when you make them.

44. True humility yields to the whispers of My Spirit and has perfect peace because of her obedience and yieldedness.

When you're trying in yourself to uphold a false front, you can't have this perfect peace and happiness.

45. My Spirit is simple. My Spirit is humble. My Spirit yields. My Spirit gives. As you let My Spirit flow through you and don't hold back, I will cause you to be born again and to be a new creature, to have faith and to have trust and to feel secure in My love; **to know that honesty pays, sharing your true feelings, stripping off the garments of pride and false humility.**

46. So let go and be set free of this trap of the Enemy to hold you back and suppress My Spirit. Let My Spirit flow in you, and pray for My true humility--which means obeying My checks even when it hurts your pride to do so. My love, My truth, and yielding to My -whispers will set you free! (End of message from Jesus.) (Stay Humble! [#3235])

That image or thought of your own goodness blocks the Lord and even stops the Word from sinking in properly.

Jesus: So let it go, My sweet. Allow My Word to pierce deep and expose you to yourself. Those garments of pride make one feel safe and strong and covered. But it is a sad illusion. That pride stops you from taking on the true power and you remain naked and weak and sad. This is why the carnal mind has such a hold as it has to make up the lack and fill the empty space. (Excerpt from Madi's prophecy)

Carnal-mindedness takes over if you're in disobedience, wanting to reason things out in the flesh ... instead of taking it all to the Lord and seeing things in the Spirit. It's a real disastrous road when you say "No" to the Lord! (Faithy's Breakings & Remakings! Part 3 [#135])

If anyone has a lot of natural abilities & talents, (or even if you *think* you do and are trying so hard; to attain, to improve your image or just to look better than others) they tend to lean on that more than on the Lord. But logic doesn't always work with the Lord & if you operate leaning to your own understanding & strength, the Lord usually proves to you that it's not you, it's Him, & He allows something drastic to happen to show you & others. (Those That Walk In Pride, He Is Able To Abase [#118])

Deep in your heart and mind you still think that you are "pretty good" and at least you want to keep up a front to others that you are doing a good job. But this isn't going to cut it; the attitude of humility has to be deep down. (Madi's prophecy)

Jude 16b Their mouth speaketh great swelling words, having men's persons in admiration because of advantage.
(Position, Desiring)

You cannot do the things of the Spirit in the arm of the flesh, for it does not bring forth the same results. (Prophecies on Pride and Humility! [#3043])

Because they resisted the truth so long, hardened their hearts against the voice of God, then deafened their ears, until they were absolutely pitifully darkened in their understanding. They couldn't even understand it anymore, they couldn't even see it anymore. Blind to it, deaf to it, alienated from the life of God, not even in touch with the Lord anymore, not even in direct communication with His Spirit anymore!

ML#1112:33 YES, THEY PRAY--"OF COURSE WE PRAY, WE TEACH OUR CHILDREN TO PRAY!"--BUT THEY DON'T HEAR FROM THE LORD ANYMORE because they're deaf to His voice. His Word doesn't convict them anymore because they've hardened their hearts to it, until they've become really actually past feeling. Their spiritual nerves have become so diseased they are paralyzed & don't even know it. They don't even feel it anymore! It's pitiful! (Symptoms & Results of Self-Righteousness [#023])

It's not that these can't make it now, but because they think they can't, they won't put forth the effort. Choosing to obey and follow immediately when the Lord calls is part of the majesty of choice, and He doesn't force us. And yet sometimes we cling so tightly to the ability and privilege of making the wrong decisions. Alas! Some tears will be shed in Heaven over some of the wrong decisions that we were so determined to make. (Our Accountability [#3452])

The more you choose the way of the flesh, the proud thing, the thing that comes most easily and comfortably for you, the more you stagnate and become an old bottle in the spirit. (Art of War, The, Part 5 [#3578])

If something doesn't work out as you'd asked, even if you targeted it with key power, then trust Me that you have done what you could. Rejoice in Me anyway, practice extreme praise, and try again to find My will. ***Whatever My plan is for you, chalk up times of disappointment to My knowing better than you, and having a plan that is more wonderful and mysterious than yours.*** ((Faith--Now and Forever! [#3699]))

To the eye of faith this word is sure, and by it we perceive that our works are prospered, even when everything seems to go against us. It is not outward prosperity which the Christian most desires and values; it is soul prosperity which he longs for.

For it is often for the soul's health that we would be poor, bereaved, and persecuted. Our worst things are often our best things. As there is a curse wrapped up in the wicked man's mercies, so there is a blessing concealed in the righteous man's crosses, losses, and sorrows. The trials of the saint are a divine husbandry, by which he grows and brings forth abundant fruit. (Psalm 1-Spurgeon's Treasury of David)

Trial is for a purpose. It is intended to reveal the secrets of our hearts; to humble us and prove us; to winnow us as corn is shaken in a sieve; to detach us from the earthly and visible.

The very fact of trial proves that there is something in us very precious to our Lord: else He would not spend so much pains and time on us. "We do not prune brambles, or cast stones into the crucible, or plough the sea-sands." * And Christ would not test us if He did not see the precious ore of faith mingled in the rocky matrix of our nature; and it is to bring this out into purity and beauty that He forces us through the fiery ordeal. Be patient, O sufferer: He must love you, or He would not chasten you; you must be His, or He would not take such pains with you; you must be capable of some high service which can only be secured through pain, or He would not plunge you into the refining fires. **You must be able to bear the fire, or He would not pass you through it** (Num. 31:23). (Spurgeon)

Fall on Me, fall on the Rock, fall on the Keys for they are vital to your becoming all that I have promised your Father you would be. I must test you, I must know and you must know that your faith is pure, that it is all you stand on. (The King's Brides)

He (Jesus) talked to me also about pride, and how it was a counterfeit of the Devil, as in the world pride can be considered an attribute. I asked Him what pride was a counterfeit of. He said, "Of wisdom." (Piercing the Veil of the Spirit [#340])

The right wisdom -The wisdom that is "from above" brings good results

James 3:17 - But the wisdom that is from above is first pure, then peaceable, gentle, willing to yield, full of mercy and good fruits, without partiality and without hypocrisy.

James 3:13 - Who is wise and understanding among you? Let him show by good conduct that his works are done in the meekness of wisdom. (What Are the Standards? [#12a])

64. God only uses BROKEN men & women--no others will do! Others are too self-confident in their own flesh! God has to break them, melt them, mold them in the hands of the Potter, to make them a better vessel. But He won't FORCE it! The breaking depends upon YOU & your YIELDEDNESS, & WILLINGNESS to be made willing, total HUMILITY, which is synonymous with total LOVE!--So that you're willing to go anywhere, anytime, & do anything, for anybody, & be nobody, to please Him, & help others!

65. Apparently the Lord can't trust you with a high & mighty job or a high & mighty testimony, or a high & mighty responsibility, something that might really lift you up in pride, until He has really HUMBLed you & BROKEN you so that you know it's the LORD & you give HIM all the glory & all the credit & it doesn't go to your head & make you proud!-- Which is why the New Testament says you're not to give a novice any position of great responsibility or leadership lest he be lifted up in pride & then fall under the condemnation (judgment or sentence) of the Devil by the Lord. (1Timothy 3:6)--In other words, if you get all lifted up in that horrible sin of pride that caused the Devil to fall--watch out! You'll get the same judgment that he got, & you'll fall, too. The Lord will let you make a fool of yourself & a mess of things & you'll fall flat on your face & be humbled & humiliated!

66. Unless God is able to break your spirit, you can never be truly USEFUL to the Lord! If you have a proud & a haughty spirit, a selfish spirit, a spirit which is unyielding & unbending & unsundered, you can never be greatly used by the Lord! And I don't think that you can even really be a good leader, a wise humble leader, until you've pulled some awful boners & made some terrible mistakes & committed a few sins & really blown it a few times yourself! For one thing, you'll never be humble enough!

67. So it's GOOD for you to make mistakes, it keeps you humble! I make LOTS of'm! If I didn't make some mistakes I'd probably get really proud & think I was very wholly sanctified & couldn't sin! I'd probably get really proud of my sanctimonious holiness! But it seems like the Lord makes me one of the biggest mistake-makers in the World to keep me humble!

68. The Lord probably WANTS you to fail sometimes so you won't get to thinking too highly of YOURSELF & think that YOU know everything. Blowing it now & then really humbles you & keeps you more dependent on Him. Sometimes He has to LET you fail & make mistakes to keep you in a HUMBLE spirit! Amen?

69. So you can even look on your FAILURES as a positive thing, from a positive viewpoint.--Not taking it as the Lord trying to crush you to the ground & letting the Enemy walk all over you, but that He's actually HONORING you by teaching you these important lessons by letting such things happen. You ought to be really THANKING Him for it! YOU may FEEL bad, but you should thank the LORD, because it's wonderful that you can learn these lessons which help you to GROW! It's even a blessing that we can fall sometimes, because often we get our greatest victories out of seeming defeats!

70. It's so wonderful how God takes a hand & humbles people, including me, because I am nobody & Jesus knows it. You will never make it unless God breaks you & humbles you & you realize that YOU are NOTHING!

71. God breaks us in MERCY.--And has mercy in our breaking. Amen, praise the Lord! Help us all, Lord!--That's the story of EVERY ONE of us who is any good at all for Thy work. You've put us through many a humbling, melting, abasing, remolding, reshaping & remaking to form BETTER vessels, BETTER than we were, BETTER than we thought we were & much more useful for Thy Kingdom! Thank You Jesus, in Jesus' name. Amen. (Self-Righteousness! [#2140])

90. Job is a good example of the self-righteous sinner, the religious sinner, the pious, sanctimonious, self-righteous hypocrite! People are always complimenting Job for his patience & wondering, "Well, how could God have done all that to such a good man?" THEY wouldn't have let the Devil do that to him! That's the attitude of the average Christian. I've

run into lots of people in church who wonder how come the Lord let the Devil do all that to Job when he was such a good man!

91. Well, the Lord let it happen to him because he was such a BAD man, & he was only PRETENDING to be a good man! The lesson is very clear there if you read the whole thing, it's extremely clear. And a lot of his so-called comforters, which the church & the preachers decry, were RIGHT in their accusations & the things they said about him! But he was arguing about it & resisting the truths they were giving. He was not accepting it! He wouldn't believe it! He was too proud & self-righteous & he didn't want to confess it! (Self-Righteousness! [#2140])

159. The Word of God makes it clear, "There is NONE righteous, no, not ONE! For ALL have sinned & come short of the glory of God!" (Rom.3:10,23) You are no better than me & I'm no better than you! There's NOBODY any better than us except JESUS! He's the ONLY One Who CAN be good, & without Him you're NOTHING!--You're empty, zero, nothing, absolutely nothing! You CAN'T be good without Jesus, so why keep trying? Why keep TRYING to be good? You CAN'T be good, you CAN'T be righteous, you CAN'T get the victory, you CAN'T overcome it!

160. You CAN'T get the victory! It's IMPOSSIBLE for YOU to get the victory! Only CHRIST can! You CAN'T do it yourself! "It's not of works, lest any man should boast! For by GRACE are ye saved through FAITH & that NOT of YOURSELVES; it is the GIFT of God!" (Eph.2:8,9)--Only GOD can give it! You can't earn it, work for it, work it up, pray it down, pray it through, & become so wholly sanctified, that you're some kind of a sinless saint!

161. You haven't got anybody's righteousness except CHRIST'S, & HE'S the ONLY One Who can give it to you! Your own righteousness STINKS! It's "filthy menstuous rags!" So quit trying! Let GOD do it! LET the LIGHT in!--And the darkness will flee of itself! Let JESUS in & HE'LL take care of the whole problem! Let JESUS come in & let the life of CHRIST shine in you! (Self-Righteousness! [#2140])

If you will allow Me, I would use the trials and tribulations of this life to bring great strength to your spirits. It is true that I do not enjoy seeing My beloved suffering, but in My wisdom I know that these many afflictions bring depth of spirit to a soul who is tried in this way. I have given the keys to help you endure these times of lessons, they are there to help you stand, and they are there to help open your eyes to the deeper things of the spirit. They will help you see and understand the reason you are on earth and why many afflictions are placed upon you. Do you seek to be released before My work is done? Do you plead with the Master craftsman to cease from His task, to step back from the wheel, to put down the mallet and leave that mar in your clay? Lift up your key ring dearest love and choose **the key of My wisdom** and allow Me to finish My work. Let us work together on this project called you; resist not the breaking and bruising, turn your will over to Me and stay on the workbench called life. If you wish for My will to be done then resist not, yield to My fingers that push and ply and place pressure on the sore parts; **to reach the soul I often have to use the flesh. Don't allow the flesh to dictate what your soul and spirit longs for. Many are the afflictions of My beloved, but if you will allow, in My good time, when I know My creation is ready, I will deliver you out of each and every one. Seek not to be loosed beloved bride; I am only preparing you for our wedding day.** (The King's Brides)

It is man's desire to be higher and more honorable than I intended him to be that brings on all those lies.

If man didn't desire these things Satan's lies would not work on him.

If you get offended at some truth and stop receiving there is nothing that keys can do until you again choose to embrace the truth as hard as it may sound to your carnal mind.

The truth is hard, but what would you rather believe, a lie, just because it's comfortable for you? Or throwing out all the lies and really growing and becoming what I intended you to be. In Heaven everyone will be forced to leave behind all the lies and will begin the retraining course. You can be way ahead and not have to go through the washing out of lies, **so keep believing the keys words to you and don't resist the wonderful positives of the universe** just because they sound like negatives to your flesh.

You can “have” this power, but still be not going on as you should be. It is given to you, but where will you go with it?

if you don’t take hold of Me in earnest and really desire to move forward you will see the greater battles as something unfair and too hard.

(Jesus:) Oh, the wonders and marvels of Heaven and the spiritual realm! Wonderful are they, but not past finding out if you ask Me. (Shooting Straight, Part 6)

We will be Your Key bearers Jesus! Yes, Satan is a counterfeit of all Your power, ***tempting with knowledge and pride and wanting to be exalted and recognized for being so smart.*** With the Keys there is meekness of wisdom, the very opposite of man’s wisdom, which is pride. Help us to be still in spirit before You and trust that the Keys will show us the way and will reveal the truths that we actually really need to know out there in the sea of lies and deceit. You said the Keys reveal the unvarnished truth so give us faith to believe that You are going to tell us what is going on. Help us to continually look to You and hold You and the Words of David high and always be pointing people to them and the Keys. (More on Pride comp)

Jesus speaking:) Thus saith the Lord, **your sins have separated you from Me.** For you are proud, lifted up, and know not that you are in gross darkness, alienated from My Word and My power.

It is your pride that makes you think you know better than Me, and thus you’re not yielded to My checks and suggestions.

Your pride has been manifested in your unyieldedness to each other, not wanting to yield to another’s word or suggestion, for you feel yours is better.

In your pride you desire to have the glory or the credit

Your pride is manifested in clinging to your set way of doing things

You walk in your own strength

In your pride you have begun to feel that you know better than Me

You have become proud, lifted up, and secure in your own knowledge, depending on the arm and the wisdom of man more than clinging desperately to My fresh and living Words.

Many of you feel that you are following Me. But because you are not humble and submitted and yielded, you are no longer getting your directions from Me, but often it is from the Enemy using your pride to get you to do what he wants.

(Job 1:6 -2:8 (Satanic activity within limits set by God)

7 So Satan went out from the presence of the Lord, and struck Job with painful boils from the sole of his foot to the crown of his head. (Health and Disease))

19. This time, the young man listened attentively to all the evil sorcerer had to say. Because he had believed him earlier, it was becoming easier to accept his reasons and logic. It made sense to his natural mind. Seekman wasn’t particularly interested in doing and living the instruction of that particular treasure anyway, because going out of his way to give love to others was pretty difficult and often made him uncomfortable; it cost him so much of his own pride and selfishness. So he was susceptible and receptive to the lies of the evil sorcerer and his way, which seemed so much easier than the way of sacrifice, faith and trust. (Seekman and the Treasures! [#3131])

Because you are sure you are right and hearing from Me, you are no longer willing to follow your shepherds!

The Lord said:

160. Pride is devilish.

Pride is unclean.

Pride is the way of the world.

Pride is hate.

Pride is the nature of Satan.

Pride assures failure.

Pride is a plague to be avoided at all costs.

Pride is bondage.

Pride is the beginning of all evil.

Pride will leave you void of understanding, destitute and empty.
Pride is Satan's favorite weapon.
Pride is complexity.
Pride spawns arrogance, contention, shame, hardness and sorrow.
Pride numbs the soul and tarnishes the spirit.
Pride is a contrary spirit. (Being argumentative!)
Pride is rebellious, defiant, resentful, self-righteous.
Pride is all that opposes Me.
Pride is the hinderer. It stunts your growth; it impedes your progress.
Pride alienates you from Me.

(Woe! [#3448])

"It seems to be some people's carnal nature to doubt, question, argue and even criticize. If you don't look out, the next steps follow, as the night the day: Disagreement, disunity, disloyalty, condemnation and division! Such cannot be tolerated in any man's army, right or wrong." (Faithy's Breakings & Remakings! Part 3 [#135])

68. (Jesus speaking:) You are of the Earth and earthly; I am of the Heavenlies and of the spirit. But I have taken on the form of man and I have experienced the ways of Earth. I understand. But My mind is not your mind. My ways are not your ways, for I am of the spirit. The spirit and the spiritual mind are far different from the mind of the flesh. The spirit is freedom and life and liberty. The freedom of My Spirit is so far beyond the confines of the flesh. My Spirit is sexy. My Spirit is free. My Spirit is not bound or hindered by the opinions of man. My Spirit is full of liberty, change, joy, and humility.

69. You have a taste of My Spirit; you have a part of Me. My mindset, My attitude, My Spirit are very different from yours because you are influenced by the flesh and the world about you. You are influenced by the opinions of man.

71. I desire to give you My Heavenly perspective, to show you things from My vantage point, but you must come to Me. You must step outside the confines of the flesh and enter into My Spirit. You must lay aside your pride, your preconceived notions and ideas, your thoughts and attitudes that are influenced by the flesh. This is one of the reasons why loving Me intimately separates so clearly those who are influenced by the flesh and the world and who choose the influence of the world, from those who choose the spirit and spiritual things and values. Those who love Me intimately love these things, for they seek the spiritual and the freedoms of My Spirit. They choose the way of humility and the ways of love and My ways over the pride of man, over the pride of intellect, over the carnal mind.

74. My attitudes and mindset are most clearly defined in the qualities of a disciple. A disciple is one who is as his master. Come and live for Me, give your life for My service. Give and do not hold back, and I promise you that you will not be disappointed. I promise you that your joy will have no bounds. Your thrills, fulfillment and satisfaction will be complete; they will be beyond what you thought or imagined possible. This satisfaction and fulfillment, these thrills of life and love, are only found in the path of complete surrender. They are not found on any other path. They are not found by any other means. They are not achieved by any other efforts.

75. Only on the path of yieldedness and complete surrender to Me are the greatest treasures found. Those who walk this path and seek these riches experience thrills that no others experience in the flesh. It will not look like much if you view it carnally; the riches will not be seen. But in the spirit, seen through the eyes of the spirit and filled by the spirit, the choice is crystal clear and the truth is clearly seen. Come and live your life to the full. Live for Me and you will not be disappointed. *(End of message from Jesus.)* (How are My Attitudes Different?)

22. If you're guilty of many of the points on the following list, please realize the seriousness of it and seek help and prayer! The Devil is playing for keeps. As Jesus said in His personal testimony, this is a day of adversity and sifting! We are the Devil's main target, and he's hitting hard! He's seeking to strike that deadly blow at the foundation of your faith.

Have you closed yourself off to the fresh new Word from Heaven, the prophecies in the new GNs? Do you doubt, criticize, mock or just plain ignore the New Wine? Are you skeptical of the new GNs or the overall direction the Lord is leading the Family?

Are you resistant to help, counsel and explanations from others? Are you set in your ways, usually thinking you know better than others?

Have you been resisting asking for prayer? Is your pride getting in the way of you asking for or receiving the spiritual help you know you need?

Is it extremely difficult for you to be weak? Do you want to look strong in yourself, like you have all the answers, which as a result makes it difficult for you to confess your need for the Lord, others, the Word, etc.?

Do you resist or have trouble working in teamwork with others?

Do you resist the simplicity of the Word, and instead prefer doctrines that seem to you to be more intellectual or sophisticated?

Are you into analyzing, scrutinizing, or debating negatively about the Word?

Are you full of your own answers, explanations and solutions that are not Word-based, but which seem pretty great to you? Do you promote these ideas with others, and thereby inadvertently minimize, downplay or even negate the counsel given in the Word?

Have you become proud?

Have you become resistant?

Have you become unyielded?

Have you become strong-willed or stubborn?

Have you become independent?

Have you become worldly?

Do you feel your love for the Lord, the Word and others is seriously waning?

Do you doubt the Lord's unconditional love for you?

Do you neglect going to the Word for your answers, but instead depend on your own ideas and ways?

Are you disobedient to the Word and the Charter?

Do you desire the praise of man?

Do you worry excessively about the opinions of man?

Are you bitter?

Do you blame others for your problems, difficulties or disappointments, and refuse to take responsibility for your own actions or decisions?

23. That's quite a thought-provoking list, isn't it? If you feel you're guilty of many or most of the above points, then you're probably in serious need of help, and your service to the Lord is in jeopardy! Chances are, if you continue in the way you're going, you'll be a prime target for the lies and doubts of the Enemy, if you're not already. When you have weaknesses such as the ones listed above, doubts are more likely to take hold on your mind without your even realizing that you're yielding to the voice of the Enemy.

24. Of course, everyone is guilty of some of the above weaknesses once in a while, and we all need to recognize our problems and try to keep fighting them and make progress. But the point I'm making, and that the Lord is making in the above prophecy, is that if you are regularly guilty of the above sins and weaknesses, if you have developed those habits, then your defenses against the attacks of the Enemy will be weakened. You will become dull to the checks of the Spirit that the Lord wants to give you, so He will not be able to lead, guide and protect you as much as He would like.

25. Then when you're attacked by the Enemy, you won't recognize his tricks so easily. So instead of rejecting the Devil's lies and doubts, you will accept them. You will start to seriously think about his doubts; you will check them out, ponder them, and start to weigh them up in the balance of your carnal mind, looking to see what they're worth. You will toy with these doubts and negative thoughts until they become part of you, part of your way of thinking or looking at things.

26. Eventually the Enemy's thoughts, doubts and lies will start looking pretty good to you--pretty practical and feasible. This happens because you're not measuring those doubts against the Word, so they take on false value. That's why people who have entertained doubts to the point that they believe them are convinced that what they're thinking is right. Their vision gets blurry, so they don't see the Lord's ways clearly. They think they're right, and that others or the Word or the Family and their shepherds are wrong. When that happens, you're really in trouble! (Crisis of Faith!--More on Doubts! Part 2 [#3089])

111. I ask you to do a lot of things, many of which could have negative consequences if you looked for them. Almost everything you do could make your enemies mad at you, or bother someone, or on a personal level could potentially puff you up in spiritual pride, or make someone else feel inferior, or hurt someone else, and so on. You can let the Enemy scare you about the negatives of something all day long, until you're too afraid to take a single step forward for fear that doing good in one area will have a negative effect somewhere else.

112. But that's when you have to ignore the contrary voices and step out by faith with your eyes on Me. Obviously I've

kept you this far, and even though you've all sinned and gone overboard at times or have taken something too far in your lives, I'm a good shepherd and I'm faithful to keep you in check, and not one thing I've asked of you has ever hurt you without there being a major Romans 8:28 in its place. Some things might seem to hurt, or some things might seem to feel like they're making you into a person you're not sure you're comfortable becoming, but in the end, if it was My idea, you'll know it was right.

113. So in this fairly minor matter of how you eat and how you live, you just need to trust Me. You just need to obey. You might not feel it's worth the trouble, but since when have you ever gone by what you feel is or isn't worth it as far as your discipleship goes? If you only went by what has such obvious benefits that you can see them even before trying them, then you wouldn't have come very far in your service for Me.

114. Salvation takes faith to believe that a little prayer can change your life. Exercising the spiritual weapons takes faith that they're going to pay off for you and become something real and workable in your life. Saving souls and laying up treasure in Heaven takes faith. All of these take faith that there is good to be borne from it, even against man's reasoning at times.

115. This issue of living right is no different; in fact, once you try it, because it's a physical thing and is governed by the physical laws of nature, you'll usually see and feel the good effects pretty quickly. You'll feel better and happier, and you'll be glad that you chose My way.

Every day you're met with a thousand little choices, and even one of them could be your defeat or your victory. It is up to you to make the call, one hundred times a day, by continually choosing that option that will lead you to victory.

The right option isn't always the easy one. It is more often the option that leads you through paths of opposition and greater struggle and sometimes seeming defeat. But it is the only option worth choosing, the only path worth taking. And as you make the choice and proceed, remind yourself often of the victory that awaits you. The victory is a sure thing, as long as you decide to move ahead no matter what the cost.--*Eleanor Roosevelt (speaking from beyond)*. (Art Of War, The - Part 7 [#3626])

(Prophecy) You can know the full unvarnished truth because you have the keys. They reveal the secrets of the universe and without them and their power you can't really know the whole truth. The negatives in the world are ever so many; they tend to latch onto you without you realizing and without the key's positive balance to wash it away, you can pick up a lot of nonsense. It is dangerous to be My child in this world without being aware of the intense spiritual warfare. So many of My children, unawares, have believed some lie! Those who aren't aware of the keys I do try to protect, but often they walk around a bit oblivious of the spiritual warfare. There are those who do try to fight for Me and I bless and protect them, but very often they have taken in some lie and don't know the whole truth. So My loves, see and know that you can see things as they are because you have the keys. You have the opportunity to be whole truthers and that means you are of immense value to Me in turning this world around back to the Light! (End of prophecy)

23. (Jesus:) One reason some go back is because they are very carnal in their thinking and very lazy in the spirit. Because of this, they need strong shepherding. **But because of their own intelligence and experience, they begin to drift away from this shepherding and become proud.** (As young as you are you spurn the counsel and experience of those much older and more mature than you; your Elders even; your parents who have been serving the Lord for 40 years or all their life!)

This makes it very difficult for their shepherds to continue to help them and show them the spiritual interpretation of things that happen in theirs and others' lives.

24. This is a grave danger for those who I have gifted with special intelligence and gifts in the physical. (Or those who think they have all the answers) For unless they are willing to stay humble and admit that they need spiritual leaders and shepherds over them, they will surely fall. Some may ask, "Why then, Lord, do You give them these gifts?" The reason is simply that these gifts are needed in My Kingdom. Those I've gifted with greater intelligence or talents can be used greatly to help My children if they will only admit that they need spiritual guidance and submit to shepherding in the areas where I have made them weak.

25. It's rare that I can gift My children with greater intelligence and talents and still make them stronger spiritually,

for the tendency then is ***spiritual pride and lifting themselves above others***, and leading people in the wrong direction. But if they will examine their hearts and their strengths and weaknesses and humbly yield to the way I have made them, then they can be very, very fruitful in My Kingdom and a great help to My children.

26. I have admonished My children many, many times about the importance of getting in the Word and spending more time in spiritual matters. But some do not resist the temptation of their mind, and want more and more worldly knowledge and the intelligence that comes as a result of this knowledge. Although there is nothing inherently wrong with having knowledge and being intelligent, the danger comes when you seek after these worldly attributes more fervently than you desire the things of the spirit. This incessant desire for worldly knowledge and intelligence then becomes a detriment to your spiritual life, as you'll become weaker day by day, month by month, year by year, until it will be too late and you'll be too weak and no longer able to climb back up the steep mountains of the spirit. *(End of message.)*

27. (Jesus:) What I want is just you, your heart, with nothing in it of self or personal desires. I just want your yieldedness (Weakness Revolution, Part 3, The [#3219])

The name of the game is yieldedness and that's what the Lord is trying to teach all of us throughout the Family. (Faithy's Breakings & Remakings! Part 3 [#135])

We either choose to be pruned or to just grow wild and worldly. And if we choose the pruning, it is plain and simple: we are showing Jesus we love Him more than we love ourselves. It shows we are true servants, and as the Word tells us, those faithful servants will be chosen as brides and joint heirs. (The King's Brides)

36. (Jesus:) Even with something good and needed--like prayer--you can either lean to your own understanding as to what to pray for and how to pray, or you can first ask Me to explain how I'm looking at the situation and how I want you to pray.

37. Your attitudes of trying to anticipate My moves are rooted in pride and are a work of Pan. It's spiritual pride and self-righteousness to try to see what only I can see, and to try to establish a pattern to My behavior by observing My past moves. It's like you're trying to say that you don't want to simply follow along on the "little dog line," going wherever I lead, but you want to be a little more knowledgeable, a little more in the know than everyone else. You don't want to be humbled by pouring out your heart and soul to Me in prayer, only to find that I took those prayers and used them to accomplish something other than what you thought I would do.

38. Somewhere along the line you've gotten a bit off track in thinking that the keys are here to serve you and do whatever you tell them to do. While they are here to help you, they're here to help you accomplish My will and My plan, not your own. It's true that often your plans and My plans lie in the same direction, but what you must constantly remember is that My ways are not your ways. You're not God, and it's as simple as that.

39. The keys were not created simply to obey your every wish and to fulfill your will. The keys must be used in conjunction with My will, and as you do so, I will perform your requests in the way that I know best. And remember also that I see the past, the present, and the future, and My manner of answering your request is almost always going to be somewhat different than what you had in mind. Your job is only to channel that power by being humble of heart and making a vacuum that I can fill. You need to suck in the spirit and work up that desperation, and then it frees Me to do My work in My way. Your job is to pray; your job is to be desperate and full of faith, regardless of how I seem to answer or not answer.

40. It comes down to whether you believe I will answer prayer or not. If you believe that I can take every prayer and do something with it, then you can always pray in faith. But if you're always worrying about whether I'm going to do something other than what you're asking for, and if you'll end up looking foolish or disappointed in the end, that hinders your praying a full-of-faith prayer.

41. You have less patience than I do, and you want to see answers right away. When you pray for someone who is sick, you want them to immediately jump up from their bed whole. You don't allow room for personal choice in your solutions. You don't realize that even those in the Family who are sick, though they're your sweet brothers and sisters, sometimes My hand is upon them and I will withhold My healing until a certain choice of theirs is made. Sometimes I wish for them to be afflicted so that they can be made strong in other ways. Or sometimes it's simply not My timing yet.

42. When you pray for a sick person whom it's not My time to heal yet, your prayer isn't wasted. Like I've said before, I

can use that fervency to bless them in a way that I know is good for the overall solution.

43. For you to be powerful in prayer, you'll have to stop holding Me to your own standards of what you think should be done. Are you asking Me for My will or yours to be done? When you pray, state the petition you have need of, but ask Me to work in My way.

44. I ask you to walk by faith, not by sight. And the kind of faith that will overcome the world and all of your detractors and enemies is the kind of faith that says, "But if not." You need the kind of faith that doesn't need a sign in order to feel vindicated, but that you'll believe in Me and My work even if nothing visibly changes. That's the kind of faith I will bless with real action!

45. You must begin to pray with a purer heart and a more open mind, understanding that I know best, and that you can request but the answering is My business. You should praise Me regardless of what you see or don't see. Without that kind of faith, it will be impossible to please Me.

46. That doesn't mean that you should never ask for specific things. But you must know that even if something doesn't happen, I heard your prayer and I used it for something positive. It's those who are willing to go by faith who will be rewarded, not those who are so finicky about their prayers being answered exactly when and how they intended.

47. So when I say to pray, pray. And when I say to praise, praise. Be humble. Don't try to guess or wonder or worry. Just relax. Just channel. Just pray. And just believe. And praise Me even when you don't see the answer or the answer doesn't come to pass as you'd hoped. *(End of message from Jesus.)(Mysterious Keys, Part 2, The [#3473])* **3+4+7+3=17**

56. The keys of the Kingdom will become your guiding light more and more as the days grow darker. They will be the light that shows you the way, and they will be your safeguard. They will show you the veracity of anything, for all you have to do is hold the keys up, and what is false will fall away and what is true will stand strong.

57. I know that might sound overly simplistic for you who battle in your minds or who are tempted with analytical thinking. But remember that it's the Enemy who wants to ensnare you in analyzing and figuring things out, for in that arena he can win! He can discredit or cast doubt on the things of the spirit by picking them apart. And his attacks will only grow stronger and more cunning and believable with time. But by using the formula of the keys, My Word, and My love, you are able to pick him apart and all his lies--not by analyzing, but simply by drawing close to Me and choosing to hold on to the things of the spirit. Then all will become clear once again.

58. Practice now to wield the power of the keys, and test every thought and imagination that comes into your mind. Strengthen your mind by learning to discern the thoughts that come into your mind, so that you can tell which are true and just, and which are the Enemy's wiles and machinations. Don't be led about by your thoughts or your feelings; rather, try everything against the yardstick of the keys of the Kingdom, My Word, and My love. (Issues, Part 16 [#3450])

99. The Enemy has been given permission to test and try your faith now, but only so that it can be made whiter, more pure and precious, and thus be more rewarded. What he's really doing is adding to your ever growing and grand reward. He can't take anything away from you. Even his attacks only bring you more glory, more honor, more strength, more love, more reward. What can he do to you?

100. Why do you fear his attacks, when you know that he can't touch you, that he will never win, that even the pain he causes you now will be swallowed up in My love for you, that all things work together for your good, that I am in control, that I will never fail you or leave you, that I will come through for you, that I've already conquered him through My death on the cross, that I will bear the burdens for you, that My spiritual weapons and warriors are all-powerful and know no defeat, that the end of the story is already written, and that there is a permanent happy ending for you and Me and pain and destruction for him?

101. Time is a dimension of Earth, but there is no time in the realm of the spirit. The battles that seem so long now are barely even a fraction of a second long in the realm of the spirit. Your spirit can partake now of your heavenly rewards and the heavenly life, even though in Earth time, you're still fighting the good fight of faith.

102. What provides the link that transcends the bounds of time on Earth and lets you experience the eternal bliss of Heaven? It comes back to that deep and unshakable bond we share, My possession of your heart and spirit, the love we share, the spiritual plane on which our love is nurtured and strengthened, where the real you dwells and knows Me in a way that is so passionate and intimate and personal that it doesn't even occur to you to wonder if I love you, or if you'll

win, or if things are going to be okay. You just know, because you know Me so deeply and intimately, you know that I love you in a way that surpasses the feelings of all your senses. My love is at the very core of your being, and you just know that there's absolutely nothing that you can't do, no battle you can't win, no test you can't endure, no obstacle you can't hurdle, because I'm part of you, I am in you, and I can do all these things in the blink of an eye.

103. In the deep inner recesses of your spirit there is great strength and endurance, because that is where we are intimately connected. Your deep spirit is capable of great things, capable of doing those things that Hebrews 11 speaks of--subdue kingdoms, work righteousness, obtain promises, stop the mouths of lions, quench the violence of fire, escape the edge of the sword, out of weakness be made strong, wax valiant in fight, and turn to flight the armies of the aliens! These men and women were great in faith and accomplished great things, unnatural feats, supernatural things, because they did not settle for what their eyes could see and what their bodies and hearts could feel. They did not accept their feelings as reality. They endured, and persisted in "seeing Him Who is invisible"; they believed in things unseen.

104. They counted the unseen realities of the spirit as more real than what they could see, and thus they were strong and conquered and overcame despite incredible "odds." They were not looking at the "odds" the way the world would; rather they looked at the **real** "odds"--My Words, My promises to them of reward, the fact that the Enemy was already beaten before he even started, the fact that they had the upper hand and would prevail, because I was in them. With those kind of odds on your side, the knowledge of victory, unlimited strength and power at your disposal, why wouldn't you be raring to knock the Enemy for a loop?

105. And so I ask you, My loves, to not settle for surface strength and surface endurance when the hard times hit, whether you're fighting for yourself or for another. You must take time to go deeper, to where the reservoir of strength and power and endurance lies, in our relationship and love for each other. If you don't go deep into the spirit and let Me deeply make love to you and fill you with My all-powerful Spirit and presence, then you will falter and the battle will seem to be too much. If you don't go deep into the spirit and use the spiritual weapons I've given you, believing that they are invincible, then you will only be operating within the confines of the Enemy's façades, where he **can** get you down, rather than in the reality of the spirit realm, where he knows that he's defeated as soon as you fight him with the spiritual weapons.

106. Never turn your back on the Enemy. Never flinch, or concede defeat, or wonder what the outcome will be or fear how long the battle will last. Fear will be your defeat. Faith and trust in My promises to you, in My love for you, and in the unsurpassed weapons of the spirit, is your victory. Believe and hold on, and the victory will be yours.

107. Don't seek to be rescued prematurely or to rescue others prematurely. Your times are in My hands, and as I've told you, every minute of every test and battle is carefully and precisely measured so that they will ultimately result only in that which is good for you, for your very best. Victory is guaranteed, so long as you keep fighting and keep trusting. There are no disappointments with Me, and you will never be disappointed that you held on and kept fighting, even when you feel you're taking your very last breath--because I promise you that I'm always there for you and that you will win.

108. I will give you the energy to get up again, to breathe in the air of My Spirit and find renewed vigor and life. I will give you faith as you hang on to My promises and put them into action. I'll engage the Enemy for you and knock the stuffing out of him. You just hold up your spiritual weapons and keep firing, and I'll take care of the details of inflicting damage and pain on him where I know it will hurt him most. Most of all, I will tenderly love you and sustain you. Even when you don't feel Me, I'm always there. I'll never fail you. It's impossible for Me to fail, especially to fail you whom I love so dearly.

(Nothing Is Too Hard For Jesus! [#3658])

Each of you are individually "holding on" because your lives are not what your flesh wishes for.

All this in your lives, I see as a tune of sad, but very beautiful music. You know --the music that brings tears to your eyes because it is so beautiful, but mostly because the sadness of it makes it beautiful. And like that music, your lives are beautiful because of the sadness; not because I want you to suffer, but because you are enduring these things for My sake and My Word's sake. Your music is playing in My ears, and when you give your song of sadness willingly, the tune stays beautiful and can even help others

on their way. It is a melody that brings tears to My eyes. But when you give in to what is besieging you, the music changes, and the harmony I hear is not one of yieldedness but rebellion, and this hurts Me.

I know sometimes you give in to that pressure and you stop fighting, and one wrong decision will not completely destroy you if you pick yourself up again... the problem is when you keep going down that road. (This Melody of Love prophecy)

Sit down darling, stop running around trying to make yourself happy. Sit down with Me, right here at the edge of this beautiful pool. I'll fill a crystal cup for you, a cup full of the purity of My word. Now drink, and spare not, drink until you can drink no more. Don't merely sip the water, and then begin your mad rush for pleasure again. Sit here until you are so full you can take no more. And then lie back against My chest, feel My warmth and hear the beating of My heart. I'll stroke your hair and whisper sweet words in your ear to give you hope and faith for your future.

I've got you right in the palm of My hand, and even if things don't turn out to your liking, you can know that I planned it, and it will only make you happier in the very end. (Wildflowers in My Cave prophecy)

13th June, 2022 "My Word is the Key to all-the universe and beyond. What did Satan want above all things? What did Eve want above all things? Knowledge...understanding...light, key power to the universe, which I have said, I will freely give to those who **follow the order**. Satan wanted to break the "order" of things and steal that power for himself. Eve was willing to break the order of things to get the key of understanding.

Anyone that tries to take their key out of Me or tries to resist this order finds themselves in darkness, a void."

(Excerpt of prophecy from "Discovering More on the Keys" Comp. page 2)

(Prophecy) Men are all of like passions and you are no different My loves if you do not hold to My word with all your earthly life! When you go against My will, when you seek more independence from Me and My ways because your flesh cries out that it is too hard and the resistance rises up within you consuming you with rebellion actually. That's what it is. No different to Satan. He wanted something, not My will, and it ate at him, consumed him, till he told himself, convinced himself that he deserved better. He became so discontent that his pride blew out of proportion and because he followed his desires, because he followed what he wanted, he lost his sight, he lost the light. Are you any different when instead of embracing My word, you seek to analyze and want proof of My authority to ask such and such of you? I have promised you that I will freely give knowledge and understanding to those who follow the order. But this takes great humility and even greater yieldedness and submission to Me. It's an unquestioning obeisance. And before the understanding comes, there must be obedience, to most times very difficult issues in your life. But this is My plan; this is My path for you; to your new reality. It is the way, it is the life of My future leaders and commanders of the people. It is your test My wonderful youth army of David. You must first and foremost grab ahold of the keys of obedience without demanding any understanding of why I require such seeming tearing away of your most precious desires. People of the world demand and push their way, and seem to get what they want. They want the 'power' to rule their own lives and make their own decisions and have their independence, away from Me! But they have chosen for the here and now, thinking they are such giants of controlling their own destiny. Eve was hasty. Eve became familiar with her Shangri-la and wanted more than peace and tranquility of mind and spirit. She sought to be able to control her own destiny with the lust for more, whatever that might be. No longer content to be lowly of heart. No longer happy to flow with the river of My spirit, but wanting to choose how her stream ebbs and flows. She wanted to understand why it was the way it was. The enemy implanted questions which turned to doubts and discontentment. She was no longer willing to obey Me out of simple love and unquestionable following of whatever I asked of her; to be a lowly handmaiden, a tender, a servant, My love slave. You are no different when you question and get angry at Me and My ways, but it is simply pride My loves and it is My test to you, just as it was to Job and all My closest confidantes. You must hold tightly to the Key of

obedience and I must see and know that ultimately that is exactly what you will do. Then it will be My decision to give you more understanding to all the reasons why, or at least some of them. I will slowly but surely reveal secrets to you, deeper magic of the higher reality of the spirit world. When you let go of these physical weights, you will be taken higher into the spirit. And there you will be freer. Freer to understand and thus be used more of Me. And this is what I am doing with you My beautiful brides. My eyes are on you as you seek Me and find Me out. You will be known as the Key wielders, remember. Can you imagine that through your obedience you have access to the key of Heaven that has the power you need?

“Only with the power, wisdom and guidance that you will find when you search beyond the veil will you have the ability to endure--and not only to endure, but to overcome.”

I have made a way for you My darlings. Of course I have and why would I not, I love you, you My creation, why would I make you to suffer with no way of escape. You just need to follow the order! Choose Me, choose My way and I will open the doors that need opening for you. And I will take you out of the void you find yourself in right now, out of your darkness and bring you into the warmth and beauty of My light. And ye shall receive power after that the Holy Ghost has come upon you and ye shall be witnesses unto Me. My dove is gentle and is easily shooed away if you try to strive yourselves and stamp your foot and fight against Me. And you will not have the strength My darlings. So bring Me all your ‘treasures’ and lovingly and willingly lay them at My feet and humble yourselves under My mighty hand. And I will make you as the stars forever and ever and I will endower you with understanding and wisdom and give you My eyes to see, as a reward for your sacrifices of obedience my beautiful Brides. I love you so very much. Xxxx (End of prophecy)

67. Gethsemanes are gateways. They are not deaths; they are doorways to new beginnings. And as every man must stand alone before Me in the final Judgment, so there are times in this life when you must stand before Me in testings, to take stock of things, to get ahold of Me, to look into My face--not resting in the faith or in the love of others, but only in My Love.

68. You are My beloved and great is My Love for you! Great is My tenderness towards you. Great is My compassion towards you. Great are My thoughts towards you. Great is My desire towards you. I know your every thought. I feel your every feeling and am touched with every sorrow and grief and tribulation of your heart, as if it were My Own. (Crisis of Faith!--More on Doubts! Part 3 [#3090])

Make me of no reputation of my own, other than that of someone who is in love with You and wants to please You by obeying Your Words and yielding to what You would want me to do. (New Era Humility! [#3344])

Whatever specific circumstances I use, whatever it is that I have asked you to forsake, or to endure, or to fight for, the end result of allowing you, My darling brides, to go through breakings, is to bring you to this very place in spirit. This is the place where you end and I begin. This is the place where you are nothing and I am everything. (Jesus Is Enough [#3611])

I call you daily to be My disciple. The call to forsake all and follow Me is a daily call, and many times throughout the day. The thrills and joys that await you are there for you each day that you live for Me, each day that you give your life to Me. So I call you to follow Me each day, to answer My call, to share My love, to live your life to the full as My disciple. Today is the day to live for Me, not yesterday, not tomorrow. Today is the day that My disciples live for Me. So My call is a call today, for today. (How are My Attitudes Different?)

“The voice of one crying in the wilderness, Prepare ye the way of the Lord, make his paths straight.” — Luke 3:4

The voice crying in the wilderness demanded *a way for the Lord, a way prepared, and a way prepared in the wilderness*. I would be attentive to the Master’s proclamation, and give Him a road into my heart, cast up by gracious operations, through the desert of my nature. The four directions

in the text must have my serious attention.

Every valley must be exalted. Low and grovelling thoughts of God must be given up; doubting and despairing must be removed; and self-seeking and carnal delights must be forsaken. Across these deep valleys a glorious causeway of grace must be raised.

Every mountain and hill shall be laid low. Proud creature-sufficiency, and boastful self-righteousness, must be levelled, to make a highway for the King of kings. Divine fellowship is never vouchsafed to haughty, highminded sinners. The Lord hath respect unto the lowly, and visits the contrite in heart, but the lofty are an abomination unto Him. My soul, beseech the Holy Spirit to set thee right in this respect.

The crooked shall be made straight. The wavering heart must have a straight path of decision for God and holiness marked out for it. Double-minded men are strangers to the God of truth. My soul, take heed that thou be in all things honest and true, as in the sight of the heart-searching God.

The rough places shall be made smooth. Stumbling-blocks of sin must be removed, and thorns and briers of rebellion must be uprooted. So great a visitor must not find miry ways and stony places when He comes to honour His favoured ones with His company. Oh that this evening the Lord may find in my heart a highway made ready by His grace, that He may make a triumphal progress through the utmost bounds of my soul, from the beginning of this year even to the end of it.
