

Our Blue Angels

27-12-23

Prophecy excerpt from a Blue Angel: “You are part of us now; yes a part of our team, our realm. You are a novice, yet you are learning. These pages compiled by your son have given you the needed push, the incentive to enter the cloud and be carried deeper into the realm of Blue angels. Every time you look at the beautiful blue sky let it draw you to us. It’s full possession, not just Jesus coming to you and helping you when you make mistakes or when you forget Him, no it isn’t, it’s about being, like two mists joining in an early morning rendezvous, then dissipating into the very oxygen that others breathe in.” By example we let the Word lead, little lights shining out into the darkness attracting those passerby’s who in turn light up their little part of the world.

Excerpt from a prophecy given on December 28, 2021—more dedication My love, my apprentice; our relationship is not as you would see in the world, ours is a deep spiritual union. Our focal point is the blue keys we share. It is like that scene where the avatar linked with their flying creature. Our Keys link in spirit and His power flows through me to you. Call on the blue Key sweetheart; please practice more so that the power will flow more freely. It is something like the well you just dug, water has to be taken out regularly so that the deep underground flow starts to unclog the conduits as it moves toward the place of release. It is simple practice, calling on the key. The blue key is enhancing power; it is like a booster rocket, but much more. They are a part of the generators of God, as we are. This prayer day on the first is a very important event in the heavenlies. You are not only praying for yourselves, but you are praying for others; all of David’s children are entering the last years of this earth’s dominance by man. Momentous changes are coming and this is the last call to those who are ready to give their all. Many will not heed the call and so scripture will be fulfilled; many are called but few are chosen. Our Husband is looking for desire of heart in those that will be chosen to move forward into the great tribulation.
