Come Out From Among Them

Satan's Plot to Try to Bring Us to a Stop!

As you know, the Devil is fighting hard right now in every way, but the reality of this is not sinking through some of our folks' thick skulls. They're forgetting what they joined the army for and the urgency of the battle we're in. Their eyes are blinded--some through the deceitfulness of riches, others through the lust of the eyes and through pride.

The Devil's trying hard to hinder our people and slow them down, or even bring them to a deadlock. He knows he can't have them--they're saved--but he's slipping them a Mickey (an alcoholic beverage that is secretly altered to stupefy, render unconscious, or otherwise incapacitate the person who drinks it). He's trying to get in with compromise, carnal-mindedness, and the ways of the world. Of course he has to make it look acceptable and believable, even fun and exciting.

He'll try any way he can to hinder our folks, to stop them, and to get them to give up. Or even worse, to make it seem like they're not really giving up or failing the Lord, but only "broadening their horizons," just "being a little flexible," "getting a balance," "lightening up," and "enjoying life a little." All the while they don't even notice that the walls of their spiritual strength are in danger and crumbling all around them!

It's very subtle for those who are in the forest. It creeps up on'm and they don't even realize it's happening. There's nothing wrong with enjoying life in itself, but which life do you want to enjoy--the life of Christ and all His joy and love and ecstasies, or the life of the world with all its confusion, woes, and pain? All that glitters is not gold!

This temptation with worldliness is a plot orchestrated by Satan and his ilk to slow our folks down, if not bring them to a final halt and render them useless. It's a clever way to fight our folks, to get in with a hankering for the world. The Devil tries to get in and knock them for a loop with ways of shallowness, foolishness, carnal-mindedness and compromise with the System.

It's Getting Easier and Easier To Fellowship with the World

Fellowship with the world, and worldliness, is enmity with God! What fellowship has Christ with Belial? It's dangerous for our folks to be shallow and foolish and to hobnob with the world. Anybody who still has a hunger for fellowship with the world and worldly ways had better watch out! I used to say if you want to go down to the bar or out to a club to have fellowship with the world, watch out!

But nowadays you especially had better watch out, because you don't have to go to a bar or a club anymore to have fellowship with the world. The Devil is making it easier and easier to fellowship with the world all the time, so you'd better watch out! You can fellowship with the world anywhere, any time, because the various means of communication are so advanced these days.

That's why our folks have got to stay close to the Lord and on His channel, because fellowship with the world is all around. You can fellowship with the world while surfing the Internet if you don't pray. You can fellowship with the world while watching the evening news or flipping those TV channels, or while doing your weekly shopping right there in the supermarket with all those sights and sounds and trinkets of Egypt, and all that propaganda around you. Of course, shopping is necessary, but the Enemy will try to use it to get to you if you're not on guard--to make you dissatisfied with our frugal and simple lifestyle as you look around at all the goodies of Egypt, or slant your thinking into feeling that you need more of it to be happy. That's what advertising is designed to do--by the Devil himself!

All that can give you plenty of fellowship with the world, depending on how you receive it or how you balance it all out with the Word. You can fellowship with the world day after day in your witnessing and outreach and work for the Lord if you don't stay close to the Lord and keep your heart right.

In the World But Not of the World!

It's a spiritual thing, and the only way our folks are going to be able to stay on track and stay dropped out is to stay mighty close to the Lord, pumped full of the Word, and in tune with the Lord and the whispers that all their helpers are sending down. They can be in the world but not of the world. Of course, I don't expect our folks to lock themselves up behind closed doors and high walls to protect themselves from the world. The Lord expects them to go out there and win the lost.

It's one thing to go out and be among the people, but it's another thing to go out and convert to their worldly ways. The Lord expects our folks to go out and pull them up out of the pit; He doesn't mean for us to go out and wallow in the mire right along with them. To be in the world, but not of the world, that is the question!

How Far Do You Want to Go, And With Whom?

Our people must arm themselves with the Word and the Spirit! They've got to stay so full of the Word and the Spirit that there won't be much chance to get tripped off. That's the only way; they've got to stay filled up. The thing is, they have to see the problem first. Be not ignorant of the Devil's devices! I'm here to tell you, he's trying to pull the wool over some of these guys' eyes!

Our folks who are questioning how far they can go need to ask themselves a few questions: How far do you want to go, and for whom? What kind of balance do you want? Are you looking just to do the least you can for the Lord--just to make it by the skin of your teeth, so you can go out and wallow in the muck and the mire of the swine pit the rest of the time? How far do you want to go, and with whom? That is the question! A lot depends on people's motives. What kind of liberties and freedoms do they want? Do they even know what liberty or freedom is?

Worldliness is to be full of the world and worldly ways. Who in Heaven's name wants that? We are dropped out of the world! For God's sake, who wants to go back to the world? It has nothing to offer but death! As the apostle said, "to be carnally minded is death, but to be spiritually minded is life and peace." Who wants death?

Worldliness Is Not Freedom!

I'm for liberty, for freedom! I think you know that. I'm for all the liberty and freedom I can get, and I want the same for every one of our folks! I worked my whole life to help bring our folks into more liberty and freedom--true liberty and freedom, not the false, hypocritical, fake, short-lived liberty of the world. So what kind of liberties do people want? If it's worldly liberties, forget it!

You know what worldliness is? Worldliness is being bound--it's not liberty! Worldliness is not freedom! It's very clear up Here. Worldliness is being all bound up within the boundaries of man. Worldliness is being limited within the narrow confines of man's own puny little finite mind. And freedom? What is free in man's world? Nothing! Poor, pitiful, fleshly man is not free. They're only bound slaves, chained by the conformity they've wrought with their own hands.

Talk about conformists--Systemites conform plenty! The System has buildings full of books and laws to make sure that everyone conforms to their way. They have rules and courts of laws--local laws, national laws, and international laws to make sure that every good little Systemite conforms to the System and the way they tell you you've got to think and act. And they make sure that you're keeping their rules.

Don't kid yourselves! I've been keeping an eye on these folks who've left the Family, who thought they would go out and have more liberty and more freedom. Believe me, they're anything but free! They thought they could go out and have a bit more freedom than the Family had to offer, but they're finding out the System is not free. They're finding out just what real System bondage is all about! They're discovering how it works and how it feels, and most of them are grasping at any straw they can just to hang on--desperately trying to find some way around it.

Many of them are out there trying to beat the System at its own game, but they're going to find out there's only one way around the System, and that's God's way out of it. You can't beat the System at its own game. The only way out is up! The only way out is to drop out and stay dropped out! The only way is to not be conformed

to this world, but to be transformed and to renew your mind every day. So why do our folks want to lean this way and wallow in all the System crap?

Where Are the People With Guts and Conviction?

You want to know how far our folks can go in being worldly? Not one iota! If it means thinking like the world and wallowing in the filth of the world and getting their minds and hearts away from the Lord and His truth and His ways, forget it! For goodness sake, for Heaven's sake, and for the sake of lost souls, why would we want our folks to go the way of the rest of the world? Why do we want to give them leeway? We are to be in the world but not of the world! The Family is different!

I want to know where the fighters are! Who has the faith and the conviction and the guts to stand up and fight for their faith? I'm a fighter, and I always fought for the truth and for the right.

Anyone who has questions and is being tempted with the ways of the world needs to get down and desperately pray for the Lord to renew your convictions. Ask the Lord to open your eyes to the crafty, subtle attacks of the Devil who is trying to get in and render you useless!

Are you feeling inferior? If so, you need to strengthen your foundation and your faith through the Word. When you preach the Word and live the Word you know you're right, and you have something that others don't, that they desperately need and want! Where are the people who are willing to stand up with some conviction and guts and deliver the message of God? You're not going to do this by compromising with the System. Who wants to hobnob with the world? Who wants to have a potential crack in your armor like that? Who wants to risk it?

Now remember what I said, there are lots of ways you can hobnob with the world. Our folks have got to be more prayerful and careful about all the propaganda of Satan that's flying around them today through movies, TV, material they read in books or on the Internet--all the sights and sounds and advertisements surrounding them.

The Devil has infiltrated everything; he owns the world, in a way. Not really, because the Lord is the Owner of the Universe, but Satan has free rein on Earth right now. He's promoting his lies, his thoughts, and his attitudes through every means available. Brainwashing is his business. They accuse us of brainwashing--ha! Choose who you would rather be brainwashed by--the Devil or God!

Measure Worldly Input with The Standard of the Word

Do our folks want liberty to gain worldly knowledge? For what? Why would they want to get all confused and tangled up and misled by the false, phony theories of man, when they have the knowledge and wisdom of God and the secrets of the universe at their fingertips? The wisdom of man is just a decoy, but it holds an evil fascination for some. Lord, deliver our folks from these lying, cunningly devised fables of man! Deliver us from worldly ways and a hankering for the world!

You know, I watched movies and documentaries and read different things. I was always learning and curious to know what was going on. And to some extent our folks do need to be aware and informed. But unless they're going to constantly be measuring up all this input with the standard of the Word, they need to forget it. If they're not going to recognize most of this stuff for what it really is, then watch out. A lot of the filth and things going around should only serve its purpose in proving to God's people the truth and the validity of the Scriptures--signs of the times that you're living in the End!

Now, don't misinterpret this and use what I just said as your excuse to wallow in all the shit the Devil has out there! Don't use this as your excuse to go out and watch all the movies you want and read all the books you want, just so you can measure it up with the Word; that's not the point I'm trying to make. I'm just saying that when you're exposed to these things, you need to balance it out. The point is that the Devil's propaganda is all around; you can't be in the world and get away from it. So our folks need to be prepared.

Be Inoculated with the Word!

The only way to be in the world and not of the world is to stay pumped up with the Word--to be inoculated with the Word and the truth. To hear fresh from Heaven on a daily basis, so that you will be able to

stand up with conviction and give an answer to every man that asks. The way to be in the world and not of the world is to not go out and play their game along with them. If you want freedom to go out and be just like them, you're going to find out that fifth column in your heart will poison your soul! It's the Devil's own tool when our folks are being tempted with worldly ways and a hankering for the world.

Freedom to Do God's Will Is the Greatest Freedom You Can Have!

We have everything right here in the Family, and more freedom and more liberty than our folks can possibly handle; in fact, some are not even able to handle it all right now! Why would our folks want to fellowship with the world? If people are feeling bored, tired, or not excited and challenged, it's because they're holding back on the Lord. The Lord is giving plenty of freedom and liberty to those who will take it.

We're not bound but free! Freedom to do God's will is the greatest freedom you can have! It's time to shed the shackles of the flesh and abandon the boundaries of man to enter into the boundless abundance of God! He has far more than the world can ever offer, only His freedom is forever! He has lots more to come!

He's pouring it on, and I venture to say that those who are dissatisfied or unfulfilled are those who are holding back. They're not letting go and letting God do a work in their hearts. They're not fully entering in to what the Lord is trying to give them--either through their own lack of belief, or through disobedience, or any other sins they have in their hearts--any Huddersfields that have a hold there. Or they're being duped, misled, and deceived by the subtle tricks of the Devil. All this propaganda all around them, if not washed out on a daily basis, will take hold in their hearts and minds as it has with some.

It's a day to shed the weights--to lay aside the things hindering them from grasping this new day and the New Wine and the thrills of Spirit He has for them! And this will not be possible for those who want to hold on to the world.

Worldliness is a state of mind and heart and spirit. It's carnal-mindedness and thinking like the world. It's very subtle, and our folks need to be on guard. God help us for meat not to destroy the work of God; not to compromise for some carnal idea or fleshly desire. Who needs it? We've got so much more! Our folks need to get their minds on Heaven! You folks need to enter into the Heavenlies by receiving all the New Wine that we're trying our best to pour out to you and help you understand. The Lord is pouring it on to prepare people.

Will You Be a Super-Duper?

The world is moving fast now. The day of serfs, supers, and super-dupers is here. Which will you be? If you folks can't learn to live in the spirit and not the flesh right now, you're not going to be able to make it in the End. The Last Day is going to be a day of miracles! It's a day of the supernatural--supernatural power and protection and miracles in order to survive. It's coming, and He's leading us into it right now. Our folks who want to waste time and strength and brains and brawn now on worldly ways and wallowing in worldly wisdom or hobnobbing with the world are going to be sorry!

You cannot serve God and mammon--and the day of forced choice is upon the entire world now. It's going to be forced because there will be no sitting on the fence then. Those who are setting their affection on the things above right now are going to be the ones who will stand strong in that day, because they will already have that connection. They're going to be the super-dupers of the End!

The ones who are giving their all right now to serving the Lord with all their hearts and minds and souls are going to be strong and do exploits! They're going to have the power and the wisdom and the strength to instruct many, because they'll have their minds and hearts in Heaven. They're going to live right through things that those who have fallen to worldliness and worldly ways will not be able to stand.

It's coming; there's no way out! Will you be a super-duper? Don't submerse yourselves in fellowship with the unfruitful works of darkness--reprove them, beloved! Come out from among them, dear Family! If sinners entice you, don't consent. Stand up and fight and give them the truth! Hate the sin, but love the sinner. Love them and pull them up to your level, and only stoop down long enough to pick the sinner up. Pull them up on to the Rock that is higher than all the world has to offer.

Don't Forget Who You Are and What You Are!

Come out from among them and touch not the unclean thing! You guys need to remember who you are and what you are, and how important your job is--and jealously guard it from the attacks and onslaughts of Satan when he tries to tempt you with worldliness and worldly ways and a hankering for the world. You've got to remember it's a constant battle and keep your armor on all the time.

You need to remember you're strangers in a strange land, that this world is not your home. My goodness, to think of all the Lord gives you and has for you and has in store for you--you ought to be laughing and almost sneering at worldly ways and practices! If it wasn't so pitiful and sad, it would almost be funny. Where are the people with guts? Some of our folks have been half-hearted or double-minded and have left us. Will you also go away? Where are your convictions to stand up for the truth?

We're going on to a brighter day and we're free, free, free! Phooey on the false lies of Satan! Where the Spirit of the Lord is, there is liberty--and we have it! Are you with me? We have total and complete liberty--total freedom from the bondage of the world and its worldly ways into complete liberty and freedom of life through love. That's the only freedom there is! You cannot serve God and mammon. Which will you serve? *(End of message from David.)* (1)

(Jesus:) My Family is a Spirit-filled movement. I've put a lot of emphasis on the Spirit, being filled with the Spirit, following the Wild Wind of the Spirit and being free. Your nature as My gypsy children is to be freedom-seeking and to break away from the shackles of the System's bondage and conformity. I put that desire in your hearts, and it's My way of protecting you from the dangers of compromise and from winding up among the ranks of the dead churches. That restlessness you sometimes feel, that desire for the new, that gypsy pioneer spirit that makes you want to move and start over, comes from Me. That is the influence of the Wild Wind in your lives. She whispers to you in the night, She leads you, She calls to you.

Having the Spirit strong in your life is what has kept you a revolution, changing, growing, and leaving the old to embrace the new. You love the exhilarating high that comes from chasing the Wild Wind. You love to feel Her breezes in your face, beckoning you to new horizons and unconquered territory. You're enraptured by Her, mesmerized by Her voice, and you follow out of love--love for Her and love for adventure and change.

This is a unique quality of the children of David, and one that you must cherish and protect. You can't risk losing that free spirit brought to you by the Queen of Heaven. Hold on to Her; you'll need Her now in the Offensive more than ever! (2)

(Jesus:) The standard for My children today is as it's been for centuries: You are to be in the world but not of the world. You are to come out from among them and to touch not the unclean thing. You are to present your body a living sacrifice so that you can prove (know and be a testimony of) what is that good and acceptable will of God (Jn.15:19; 2Cor.6:17; Rom.12:1-2). My standard and will for My children as far as your relationship with the world has not changed, I still wish for My children to remain cleansed, pure, and separate from the world and the Evil One's influence.

Knowing this, I also say that I set before each one of you many choices. This is the day of accountability, and I watch to see what choices you make. I allow certain circumstances as tests, to not only strengthen you, but also to see what you're made of, how far you're willing to go for Me. I could just lay down the law and say, "You can do this, but you can't do that," but that would defeat a very important part of My plan at this time.

These days are to strengthen you, My soldiers, and part of that strengthening will come through the freewill offerings that you give to Me.--Not because you're forced, not because you're going to lose your FD status if you don't comply, but because you love Me more than this world, and you of your own accord wish to stay clean, strengthened, and uninfluenced by the perverse doctrines and ways of the world.

I not only wish to keep you strong in spirit--which you do by not submitting yourselves to the lies and darkness of the world--but I also wish to strengthen your personal resolve, your self-discipline, your first reactions, your bedrock faith, and your willingness to be different and set apart from those in the world.

Without this kind of spiritual progress on a personal level, you will not be ready for the kinds of tests that will come your way in the Endtime. These tests of discipline and choice are preparation for the days when your faith will need to be strong and resilient, and that kind of faith comes with time; it's not just presto change-o and

it's there. Faith is built, and each one of the children of David has a way to go--many a very long way--before your faith is as it should be.

Compared with the spiritual riches you have received and how you have been fed spiritually for years and years, your faith is weak. Why is that? If you've had access to more truth and spiritual enlightenment than any other generation, why isn't your faith equal to that blessing? Why is your faith also not the greatest of all generations?

One of the prime reasons is that many of you have allowed the Enemy to come in and steal away the seeds of My truth. You fed of the Word, but then you fed so much of the world, and that latter feeding nullified many of the positive fruits of your Word time.

It's a pitiful picture. Here you could each be amongst the strongest saints and Word warriors who ever lived, because you have access to such vast Word and truth, and yet most of you are not nearly at that place; you're much more "ordinary" and "average" than that. And the reason for this is that you allowed so much of the truth to be canceled out, to be made of none effect through your compromises.

It has been so sad for Me to see you allow the Enemy to take the "eraser" of his propaganda and wipe out the truth of the Word that you had been trying to establish and strengthen. It has happened repeatedly. And when it did, there you would go again, trying to rewrite the truth, trying to piece it together again, trying to do damage control.

That, in simple terms, is what so much unchecked worldly input has done to the children of David. It has prevented you from being the powerful saints and miracle workers that you could have been by now. It has delayed a lot of the manifestations of My power through you; it has caused you to be stunted and retarded compared to where you could be by now, as so many of you have had to go over and over the same spiritual ground, building, then allowing the Enemy to break it down, then building again. (3)

(Dad:) I hate the System! I hate the vanity of vanities and vexation of spirit. This carnal world disgusts me! It makes me sick because I know the purity and beauty of Heaven. You want an open mind? You want to really be cool? Then reject the sickening puke of man's ways and embrace the pure, powerful, liquor of Heaven! It'll knock your socks off. Are you man or woman enough to take it? Can you handle the power of the Spirit? Or are you going to settle for the milk toast of this world?--Worse than that, the poison of this world? Me, I can't stand the filth of this world! Give me those who are free enough to live in the spirit! God give me those who are radical enough to reject the world and all its vile corruptions! True children of David hate the System--they hate the ways of man because they are corruption and filth compared to the powerful intoxication of the Spirit. Spit out the poison of the world and drink in the power of Heaven! Be an intoxicated "spirit-bibber"! (4)

(Cathar speaking:) We have been amongst those Heavenly counselors round about you, to encourage you to keep fighting and to keep trusting, to not compromise, to not let down the banner of love, to not let go of the freedom that you have been blessed with from the hand of Jesus. To not lose sight of the precious riches that have been entrusted into your care in the Words of David.

For these are the Last Days, and this is the greatest battle! And you, the children of David, must be stronger than ever! You must be purer than ever, in your thoughts and in your hearts and in your desire. You must be more dropped out than ever, hating the System more than ever and loving Jesus more than ever!

It is not a time to compromise. It is not a time to take into your hearts and minds and souls the thoughts and ways of the people of the world. It is a time to reject them more than ever--to separate yourselves so that you may stay strong and clean and close to Jesus, because the battles are great and they will be yet greater! There will be demands placed upon you that will be so great and so fierce, that only by staying close to Jesus and strong in the power of David and mighty in the ways of the Word, will you be able to withstand and conquer in the battles that are ahead. (5)

(Jesus:) My call to the children of David remains the same: Come out of the world! Do not touch the unclean thing. Do not partake of her sins. Do not give in to her delicacies. Do not let your guards down and leave yourselves open prey, to be washed away in the wave of iniquity that sweeps the world, but do all in your power to live in the Word. Do all in your power to advance in the use of the weapons I put in your hands. Do all in your power to win others, to salvage souls whose spirits cry out for salvation. (6)

(Jesus speaking:) It all depends on you and on how much you want to be a full-time disciple with real power and anointing. It all depends on how much you want to see miracles and see My Word fulfilled in you. Whatever you love the most, that's what you'll cling to, that's what you'll tolerate, that's what you'll seek.

That brings us full circle back to My original counsel. As I called to My disciples of old, I call to you, the children of David: Come out from among them and be separate. Touch not the unclean thing, and I will receive you, and in receiving you, I will grant you full access to My miracle-working power. Then you will become the Endtime prophets that you are called to be! *(End of message.)* (7)

(Jesus speaking:) Your desperation will be a key, and is already a key element to get you back to where you were supposed to be in the first place, in the position where I wish all My children would have been during this time.

Some have fallen behind and will not make it. Others will cast themselves wholly upon Me in their weakness, knowing that I alone am the force that will help them to make it. That's the secret. That's the key. Are you looking to yourself, or are you looking to Me?

Are you thinking that you have to do this thing, or are you trusting Me to do the work through you as you do your part in yielding to My Spirit?

You might think it seems much more complicated and involved than that, but it really is very simple, especially for you, the children of David, who have come to recognize My Spirit and know Me so much more intimately than anyone else in this world. To you I have unveiled the greatest secrets, told you My most intimate desires, given you My very bed to share with Me, and you have accepted.

I give you, My new church, My ardent, sexy, yielded, adoring, naked bride, the greatest treasures of Heaven in this new outpouring to prepare you for the days of evil that are coming upon all the world.

So what should you do? What is My desire? My desire is that you come out from among them--from among the world--and enter into My world, a world so much more real, with much greater thrills than anything you could see around you. You've been steadily losing the vision and losing touch with the things of the spirit as you've become more attuned to the things of the flesh.

The time has come to devote yourself fully to the study of My Word, and the work that I have presented you with. The time has come to close the door on any inroads of Satan that are not of Me

Look to Me and be lightened. Look to My Word and find the direction you've been lacking, the spiritual strength you've lost sight of and touch with, and I will restore these things to you; and restore to you the confidence that you can make it as you yield day by day, hour by hour, minute by minute to Me, saying yes no matter what I ask of you, and yielding no matter what I would have you do.

This is what I ask. This is what your life, your future service for Me, is going to depend on. This is what you need to make your commitment. This is the key to your victory. Take it, use it, and put it to work for you, and I will do all the rest. *(End of message from Jesus.)* (8)

(Jesus speaking:) You cannot serve both Me and Mammon! You cannot work for Mammon without getting dirty, without weakening, without paying the consequences.

I have called the children of David to serve Me. You cannot serve both Me and Mammon without paying a price. The price for serving two masters is steep, for you stand to lose your only hope of survival in the coming days. This threat is as a cancer festering from within. It is one that will grow and spread and eventually bring death and destruction if something is not done to stop it. I have called My CM Family out of the System. I call you to touch not the unclean thing.

Your future lies in working for Me, not in working for Mammon. Though there may appear to be two ways for you to live now, My children, either within or without the System, your choices will become narrower day by day, year by year, if you choose to work within the System. The drain on your spirit and the pull on your heart will increase, as will the ungodliness that surrounds you. Eventually you will be faced with the Mark of the Beast if you wish to continue working in the System, and must choose between that and your job. This is what lies ahead of you on the System path. Although it is a broad path now, it leads to destruction later, while narrow is the path that leads to life.

My children, you must realize that in traveling down the wrong path, you stand to forfeit your crown to others, whom I will raise up to fulfill My plan. If something is not done to correct this problem, you stand to lose everything; you stand to miss the mark of My highest will; you stand to fail in the great commission I have given

the children of David. You will be left wanting. *(End of message from Jesus.)* (9)

Now as you and your children near the End, you must go back to the beginning, back to the freshness, the freedom of spirit, the total break with the world that there was in the beginning. There must be a purging, because the children of David must be kept free from the System and the influences of the world, which, if left unchecked, if allowed to continue as they now are, would destroy the Family.

I do not speak in exaggerated terms. I do not say these things only to get your attention or the attention of the Family; I say this because it's a warning of the direst nature.

All is not guaranteed. It's not that you are destined to be My avant-garde Endtime army and there's nothing that could ever change that. Even that promise is conditional, contingent on your obedience and faith.

The future of the Family is hanging in the balance. The very existence of the Family--My revolutionary, called-out church and bride who forsakes all to follow Me and win others to Me--is in jeopardy. (10)
