

Completing Our Destiny

Believing that the Words of David are My Words is the essential ingredient to successfully completing your destiny.[1]

[1]My Word should be like a juicy orange that you have just cut in half to expose all those wonderful little pods of juice just waiting to be extracted. The initial cut exposed a little of the juice, you see it oozing out of the orange and on to the plate, you dip your finger in the juice to get a taste of what to expect when that whole orange is in your cracked-ice-filled glass. My Word is like that orange, don't just dip your finger into that juice on the plate and quickly dab it on your tongue. Take the orange to the squeeze machine and extract all the juice. There's something in My Word that you just aren't getting because you aren't picking up the orange and taking it to the extractor and squeezing every last bit of juice out of every last juice filled sack. The nutrients are in the juice so you need to drink it on down, every last drop. That is your part; My part is to extract those nutrients out of the juice so that your soul and spirit can gain all the goodness they need from the juice.

I believed in the Word that My Father poured down to Me in those times of quiet that I spent with Him each and every day. That is why the enemy attacks the Word so much, because a very important part of that light on the mountain is the vision of who and what you are, your calling and destiny, your birthright. You have to believe that every Word in the Words of David is My Word to you, My beloved and most precious brides. The Word is your most vital companion, for it is the light ahead of you. Keep the vision; do not let anyone steal it away from you. You are who My Words says you are. If you stop believing this truth, the light on the mountain will fade, and you will, like so many before you, lose your way. Read, absorb, believe and live the Words of David, both old and new. They are the very essence of your being.[4]

[4]The Words of David are My Words for today…they are spirit and they are truth. The Words of David through the new New Wine is leading My true church through these very last days of Roman rule on earth. My true church is a spirit filled church; they are filled with My new New wine. The fruit of My true church cannot be found in membership lists, or in wealthy temples made with hands. The fruit of My true church is found in obedience to My Word, how closely these Words are followed. The Words of David are truth, the truth you find in My Bible, the truth you find in MO and the truth you find in the spirit of prophecy, which you call new New Wine. My Word is the only truth in this world and they that follow My Word are those whom I call My true church. The rest are usurpers and deceivers.

Cast off forever this unbelieving and unheeding spirit. It is the enemy who would give you nothing to live for but the stinking cesspool system that he created. The mountain calls you. Believe in your calling and believe in the Word that I have given you. Believe Me when I tell you that is what will give you the power that I had to finish the race that was set before Me when I walked the Earth. The Heavenly vision is keeping that truth that you are indeed who I say you are, that you are indeed a warrior from My realm sent on an extremely important mission at the End of time. The promises surrounding this vision are the spiritual weapons; they are the Keys that you need to open every door that confronts you as you run this final lap. If you lose sight of who you are and what you came to Earth to do, then you will wade into that river of worldliness in 2025 and be swept off your feet and away with the rest of your former comrades in arms.[2]

[2]*That factory next door is Satan telling you that the prayers of David's children don't scare him…he's trying to tell you that your prayers aren't going to stop him. He's trying to tell you that he's going to keep on going with his plans. He's trying to get you to stop praying, to get you thinking that your Key powered prayers are nothing and have no power. He's trying to show you through signs that your prayers aren't working. He wants you to get your eyes on the physical signs, he wants you to stop believing by faith that the Key powered prayers of the Children of David are having an effect on him and this world, and that factory over the fence is his proof his sign to you that he's right and you are wrong.*

You are Mine and I am yours. You are called and chosen; you are My bride. You are Warrior band. Do not allow the filthy lies of Satan to convince you otherwise. If you don't believe these truths, then who are you, but an ordinary Joe going about the Earth looking out for himself. If I tell you that I am coming, believe it. If I tell you the Millennium is just around the corner, believe it. Believe when I tell you that you will, if you pass these tests that I set before you, sit with Me on thrones and rule and reign with Me over all those that lost the vision of who and what they were called to be. And that includes every single person who ever opened the Bible but failed to see the Words therein as personal promises to them. The Key is faith in My Word, faith in the Words of David, faith in the new New Wine that I am pouring down to you during your times of quietly listening to My whispers. I'm in love with you. xxxxx

It is your faith in the Words of David that has gotten you this far. But it is that very faith that the enemy is now after more than ever. He has to destroy it or you –it matters not to him. But he must destroy what you hold in your heart.

Jesus speaking: The Words of David are the end of Satan's rule on Earth. They are his nemesis, and therefore he fears them more than anything on this Earth. Those that hold the Words of David in their hearts are his greatest threat. Your Key-powered prayers are destroying what took him six thousand years to build. When the Devil attacked My Family, he was after the Words of David. If he could destroy your faith in the Words of David, then he would be free to conquer the hearts of man and thus the world. What Satan cannot understand, for he is a creature of flesh and force and pride, is that it only takes one weak man wielding the Words of David in faith to bring down his kingdom![3]

[3]*The system church is absolutely no threat to the kingdom of Satan, none. One of the most missionary minded system church groups in the world today are so far off-center they may as well be back in the days before My first coming. They are like those Jews who ran into their temple because they believed that in so doing God would save them from the Romans. I do not dwell in temples made with the hands of man; I dwell in the temple that I made with My hands. I dwell in every Word that proceedeth out of the mouth of God. Why do I call the new New Wine living Word? It is because every Word is a Key, it is alive, it is Me, it is as orange juice pods full of nutrients that bring life to your body, mind and soul. If those temples the LDS church are building all over the world will be used at all in the Millennium, they will be used for food storage facilities. They will make great barns or indoor markets for bartering and trading.*

When I talk about the Words of David, what I am saying is that all that the Words of David taught you –all the secrets of My Kingdom, all the lessons and weapons, the Keys, everything that is a part of the Words– is a part of your make-up. Those that have believed received and are living the Words of David have them running through their very being. The Words of David, just like the blue plasma stream, are running through your veins. The more you divorce yourself from the world and its ways, the more you shun the words and thoughts of man, then the more the Words of David take hold of your life. They are Me and they desire to control your thoughts and actions, your very life. How shallow and immature it is to think that the Words of David are the words of man. David was a conduit that I used to pour forth My radical truths to the last generation. If you yield to Me as David yielded to Me, then I will use you as a conduit to pour out the new New Wine of David to the remnant of My true church. As I have told you, the light of Israel, the Torch of the Revolution that My yielded vessel David ignited, must continue to burn through to the End of days. This is your commission. (April 2, 2024)[5]

[5]*If you don't take that orange juice and pour it into that glass and drink it all down, down to the very last drop then I cannot extract all the nutrients from that juice. You are in essence holding back My hand from doing all the miracles I want to do through you. Perhaps I should have used Noni juice in My Word picture. You see it doesn't matter how My Word tastes, it is your obedience that*

makes the difference. If John the Baptist didn't like the Word I gave him, when I told him that he must go out into the desert and live in a cave and eat honey and locusts as his meat, then his ministry would have ended right there. What is in locusts that a strong active man could need? It wasn't so much the cave living or the locusts that made John the man he was, it was his obedience to My Word that made him what he was. He didn't turn his nose up at the Noni juice, he drank it down. I said to My warrior band to leave all worldly input outside of the cave and I will do miracles through you. I say to take the correction that I give you through My Word and it will be unto you as Living Waters of Life. You say you don't like Noni juice and instead you go off and make orange juice, just for the taste sake. You say there is nothing in this cave for you. I say I am in this cave, I in the guise of My Word is what you need to be all that you need to be in 2025. This is not about your life, it is about My life, what I gave My life for. I need John the Baptists…I needed John then to announce My arrival and I need him again today to announce My arrival. John then did it My way, not his way. John today must do it My way just as he did it My way back then. I'm calling the shots, not you.

As the Words of David have said, you are the ones that have been chosen to take the Light of Israel across the finish line. You are the remnant, the Philly Church, the last church –because you have fought through in faith and have grabbed that baton from the runner before you and are now heading for the line. It is all by faith and will remain so until the second you cross the line. Only then will it all become reality. The Words of David and Maria and the Bible say it's so, and the new New Wine you have been receiving is confirming these truths. So, our elite warriors by choice, keep on believing, for the wicked one would steal your crown and thus thwart your destiny and change the course of the race and have us all in for another lap or two or three. He would dearly love to continue sitting as king of this world –in your place– for eternity if he could. Do not think that there is not much at stake here, and do not think that all these events are going to happen with or without you. Well, I guess they can happen without you –if you decide you don't want to believe, or Satan convinces you to give up. It is only in your mind that you will give up. Once you give up in your mind, the course that the rest of you is on will follow. Fervently believe, hold fast that which thou hast. Do not give up and the crown is yours. If you fall through unbelief and unheeding, then now or in the future it will be given to someone else more deserving. The choice is and has always been yours. We love you and are rooting for you, but we can only do so much to help you. Otherwise we would be taking away your honor. (APR 20, 2024)

It is vitally important to both Jesus and Dad that at least one of David's children remain faithful to the Words of David. (October 12, 2022)[6]

[6]*I've said in the Words of David that I am not into numbers; I have proven that to you through the very last revolution I put My Family through, the reboot. Once the burning and clearing of the land, I waited for the new sprouts to break forth. I began watering those sprouts once again. I am still of the same mind, I am not into numbers, I want quality. I need those that are going to obey My old, new and new new wine implicitly. I need vessels that I can pour My Living Word through. I need John's. If you have the attitude that says it doesn't really matter if you obey Me or not, then the nutrient filled water I am pouring onto you will not help you. It will help you, but it won't help you do the job I have for My Endtime Baptists. You are not pouring water on the heads of this last generation you are pouring the Living Word, the Word of today, the Endtime Word on the heads of all those that come to listen. If you don't want to do it My way then you will be delegated to the sideline bench and will spend the rest of this game watching those that did want to listen and obey. John made great great sacrifices for My sake, he died daily, and eventually gave up his physical life. His life was not his own and he lived that belief. This is what I am asking of you. If I am left with just one of you, then as was in the days of John the Baptist, so will it be in this time before My return.*

Your commission is to protect the flame of David in the sanctuary of your hearts. **And as you know, the only entrance to the sanctuary is through the mind, so it should be clearly obvious that that is where you must stand vigil day and night.** This is why of late I have been stressing My warnings about coming out of the world. Satan's attack on your mind will increase as the day of My return draws nearer. I warn you again, My loves, Satan will not stop attacking you until the day he is cast into the Bottomless Pit. The war goes on, except for a brief respite at My second coming and our marriage supper, then it is back into the fray to finish the old worm off.

Take this warning, My dearest Warrior band: all who attack the Words of David are attacking My will in your life. They are attacking your destiny, your very birthright. Have no fellowship with these sons of Belial. They that are not for Me are against Me. Allow Me to work in their hearts through your Key-powered prayers. The enemy used many inroads to defeat the Children of David, but the most dangerous was unbelief and unheeding My Word — looking to man and not to My Words that were given through My Endtime prophet David. This ploy of the wicked one has worked before, so he will try it again. Stand guard over the portal of your mind. Set up the standard of My Keys. Stand watch day and night, for as the End draws nearer, the enemy's forces will concentrate their efforts on those that stand between them and victory. I warn you not to be carnal-minded in regards to the worm's attacks. As I said earlier, I will allow the enemy to attack you in order that your faith be strengthened. These are practical application classes that will prepare you for the final stand. (APR 2, 2024)

There's only one way to make it through these training days and that's militancy. Being willing to just fight and fight every day for your very life. The enemy will send everything he's got to get you down and to drag you away from your commission, and you may at times have to physically force yourself to just keep going—remembering the goal and the Words that He has spoken to you in your times of love, remembering that He promised and He will be faithful to His Word. You have to fill yourself up with these promises and have nothing else running through your mind or you simply won't have the courage to keep going each day. (January 6, 2024)

It's tough, it takes time to graduate from officers' training, but once you do, you've gained something that nobody can take away from you! I know it's hard, I know it's painful. You feel like you want to give up trying and like you're not going to make it, but I want you to make it! (AUG 12, 2023)

Don't look back on your mission, press towards the mark of the prize! Don't let it be said of you that you couldn't finish the task given and were unable to carry on. Do not give up! If I brought you to Heaven now, you might have temporary relief, but soon you would be hit with the regretting realization that you gave up your crown and did not finish your course! The rewards are too high for you to just let them go. (July 14, 2021)

You must hold on to your faith, in spite of all that the enemy would tell you, he is a liar and only wishes to side-track you and your mission to remain faithful to the Words of David. What is required now is for you to remain faithful, do you understand? Yes my lover, my sweetheart who has forsaken many times over the desires of the flesh and heart for the things of the spirit. Now is the final hour approaching, now will the enemy attack as never before, now is his last attempt to sway those Children of David still standing, be not overcome but overcome through the power and might of the Keys of the Kingdom. The Keys stand dominant over the kingdom of Satan, they are rock solid set in the Rock and nothing can overcome them or those who hold onto them in faith. This is the hour of the Keys, they were created for this hour, the last hour, as man rushes to the false savior and the creation of his own doings and sayings, the Children of the true God gather around the Keys of the Kingdom and in faith hold them high above the heads of those that come to them looking and searching for the truth. (July 9, 2022)[7]

[7]*You live in a lukewarm world…the world John and I lived in was also lukewarm, the world is lukewarm. It is that lukewarmness that seeped into the ranks of the Children of David and poisoned them. It is that lukewarmness that is trying to seep into your life to destroy your destiny, just as it destroyed the destiny of your brethren before you. David came to show the world the heat of My Word, he broke all traditions as I broke all traditions of the church and world in My day. I am calling you to break through the last barrier that is holding back the new millennium. All the forces of Satan are standing at the barrier, they have been ordered to the gate, for your prayers are pounding on hell's gate and his gate is shuddering and shaking under the might and power of your prayers. Your prayers need to be persistent and forceful; they need to be full of faith and determined. You need nutrients to do this and those nutrients only flow through your obedience. Are you with Me or are you against Me? I need absolute obedience, I've always needed it, but obedience has always been the vital ingredient to winning this war. I have finally gotten to where I have a people or I have someone among these people who see and understand what is required to make My return possible this time around. This is you, this must be you, I want with all My heart for it to be you…you must reciprocate this desire. You must be as I was when asked by My Father to go all the way to the cross.*

Wield them and you will cut Satan down and cast him out of your realm, the realm that you and I inhabit. This is why you must have the Keys running through your veins, through your brain, embedded in your very being. This is the ultimate test of your Earth mission, and you know the secret weapon that I have provided for you to successfully accomplish your time there. You see, I don't make it harder than you can bear. The Keys will lead and guide you into all truth. As you meld with them, they will speak to you. They will caress you as you caress them. They will respond in wonderful, amazing, miraculous ways. They will come into you and change your make-up, the way you were before, and make you how I need you to be. They will change your outlook on your not-so-desirable situation or whatever you are battling to yield to and turn it so that you will be joyed serving Me and count it a pleasure and honor to be called. One powerful little verse —just one. It holds an amazing power yet is discovered by so few.

This key that conquers all, the key of yieldedness, is the fountain of youth, the spirit that keeps alive, young in spirit, bubbling, on-fire, zealous for our Lord and Savior. It's like the Holy Grail, and it's been there all along. This truth was handed to the Children of David, but it's available to all. The Devil can throw his fiery darts, but they will all be quenched. You who have found them must now reverence them and hone them and live and breathe them. This is imperative now, My soldier brides. Your hearts should be racing with anticipation at the awesome gift I have given you, the key to victory. Do you realize the immense, raw, unbridled energy you hold in your hands? You have tasted but a morsel, but as you meld with them more and more, their power will only increase. As I entrust them into your care, you will wield them as the highly honored gift that they are. With your use of them, you activate and power up the potential blue energy of God in them. They are just waiting for you, My loves. Take them in your tiny hands and turn them as a lover, adoring them and reverencing them as the magical, mystical weapons that they are. And see what they won't do for you. They are real and

you just need to believe in the unseeable, and that by faith, what I say is true. So hold your key of yieldedness and together fight on to fulfill your Earth mission, taking up your own personal cross, whatever that may be for you. Do it for Me. Do it so that the Final Key can be inserted to bring about the end of this era of Man and usher in My glorious Kingdom. You have been called to fulfill this. Do not doubt or belittle anymore your worth or what the little steps you are taking are accomplishing. You now know what the enemy is about, so stand tall and do your part as My humble, yielded Bride. I love you so. I adore you for all the laying down of 'self' that you've done so far. Just keep going and never ever give up. Look into My eyes. I love you to the moon and back and more than all the galaxies and universes. You are My love. Xxx

You must exercise total faith in the power of the keys. You must exercise great faith in the Words of David; you must think no other thoughts but what the power of the keys give you. They open the door to Heavenly Thought Power and Rising Above Power and Mind Melding Power; they open the doors to an incredibly miraculous life. That is why they were given to you. So use them because you will sorely need them in the days that are almost upon you.

The miracles I have done in the past will seem small compared to what's ahead for you. The gates of Heaven are bursting at the seams; they cannot contain much more power! I have been filling this storehouse over the centuries, preparing the power to be released, and now the sequence has been set in motion, the power has been approved, and you just have to make it through the maze of smaller locks till you get to the really big lock that will set the final stage of your world's history in motion! Your destiny is to be the ones who have the final key to turn the final lock. No angel in Heaven, no spirit being has this power. This is your destiny–you of the Children of David. This is what I am counting on you to fulfill. Make the changes needed, do whatever it takes to unlock every lock you are faced with, so that you can stand with your brethren in that day when the Final Key is slipped into the final lock, and the earth-shaking noise of the floodgates of Heaven echoes around the world, and you experience My power like never before! Don't miss out on this monumental event through doubt or laziness. Use the keys today. Change your life with the keys. Activate My power in your life today with the keys, and move ever closer to the final event.

You, the Children of David, are the key bearers! Carry them proudly, loyally, and do whatever it takes by their power to overcome every obstacle, so that you might have the privilege of opening this lock. Many have sought this privilege, but it has been entrusted to you. (Assembling the Final Key #2535)

If you succeed, then the Final Key will at last be set free to open the veil, the barrier that separates the material and spiritual worlds and the reign of Christ will begin. Do not think that all these promises –the final war, the preaching of the last Gospel, the Final Key event, the coming of the King of kings– are events that will happen just as a matter of fact. If that were the case, then why go through all these tests and trials? Why send all the prophets? Why even bother with this experiment? Why place those promises in the Bible and the Words of David at all? The Father may as well have swept everything and everyone aside at the flood and instead of placing Noah in the Ark, He could have –if it pleased Him– started all over again with another creation. Why would Jesus give up His glory to come to Earth to become a man and live an earth life with us in the dust and then willingly give up His life if there were not some genuine purpose in all of this? Again, it all comes down to believing in your destiny, in your calling. If you, or anyone for that matter, were created only as a creature of mud and clay and that was all there is to it, then man is no better than a four-footed beast or a creeping thing or a fowl of the air or a fish in the sea. To truly grab hold of your destiny you must believe that these promises are true and them being fulfilled is dependent on you and your faith in their veracity. And by you, I mean anyone that chooses to believe, anyone that opens that Bible and begins the journey of faith could be in your shoes right now, right this minute. Do you want this story's chapter to have a happy ending? Then grasp the immensity of what is happening here. Step out as one who believes and take hold of the crown that is being offered you. Run the last lap of this race that is set before you and finish the course. (March 31, 2024)

You have been prepared, destined, and called to this mission. Complete your mission, finish the task, run the race, and receive the rewards that await you. Each of you is important. Each of you is called specifically for this time in history. Each of you is being placed where I need you to be–so don't fail in your part of the mission. Unlock the power by unlocking the daily challenges through the use of the keys you have in your hands. You must use the keys to release the power. **Without your completion of this mission, the floodgates will not open.** They wait for you. Use the keys! Fulfill the requirements for being a strong and effective wielder of the power! Become one with them! Make it a priority to do what I have said every day–for every day that you do brings you closer to the final code, which will be unlocked when all the other doors have been opened. There won't be doubts in your mind at that time. Sins won't hold you back. You will have given your all for Me, and I will be able to use you as My pure brides. Your testimony will be powerful and unspoiled. You will be melded together in unity and obedience, and will be like one giant key, which I will use to unlock the power. You must do your part to complete the key. Your steps of obedience, yieldedness, humility, unity, the times you call on My power and become strengthened as a wielder of the keys –all of these things help to complete the puzzle, so that in the End, My power will be released unto you in full measure. (Assembling the Final Key #2535)

(Jesus:) Primarily you, My brides, will be the ones with the most power in the Endtime, because you have partaken of the most feeding, most powerful, most potent Word on this Earth today. Because you have been in training, I

can use you. It's as simple as that. I have all My Children hidden away right now, all in their respective training camps. I am, right now, raising the bones and preparing this army of elites, this dormant cadre of super soldiers! When the time is right, I will turn all your activation keys and let you all loose on this world, and together we will win it and conquer it for the Kingdom! Believe Me when I say that none of My Words will return unto Me void, especially not these great Words of David, these living Words of prophecy that I have so abundantly given you. You are the Elite because I have trained you so. (July 21, 2022)

Keep soaking yourself in My Word, keep taking the little steps of yieldedness each day, and you will see that you are reaching your destiny or My destiny for you, which is the purpose I made you. You will be My example to the world and in fact the universe that full possession is possible, that living the Words of David and Maria, is possible and that being My yielded bride is all and more that I've said it would be. (April 25, 2020)

You are the leaders, that is your destiny, that is your calling and we are doing all we can to help you to fulfill your purpose for being here on earth. The veil will practically vaporize in the years ahead; your faith and determination to hold on all these years will pay off in miraculous benefits and dividends. You will be as lights, bright and shinning lights in the darkness; standing at the portal mouth showing the lost the way home. The Word will be that light and it will be so bright, the enemies, those that love darkness, will not be able to gainsay nor resist its penetratingly searing heat. People that do not understand the Word will not be able to comprehend how you, the warriors at the edge of time, are able to hold such white heat in your bare hands. What I am saying to you my love is not an imagination, it is not a figment, illusion or fabrication; you must believe me **it is imperative that you pour your energy and time and effort into believing that you are called and chosen from the beginning of time to be the door keepers, the lamp holders, to the portal back home.** You must feed voraciously on the Word. You must be listening intently to us your spirit helpers. You must yearn for our enticements. You must hold high the light so others may see clearly, because the darkness has become so thick and impenetrable to some that only the bright searing white hot light of the Words of David and Maria is able to cut through the very real and very tangible blackness. Like a laser cutting through steel, the Words of God will pierce the inky void to reach the hearts and minds of those wandering on the sea of this world. You are like the lighthouse on a dark and stormy night, a beacon of hope guiding the lost to port. Charge up those batteries, beloved of God, wives and lovers of the Most High King, fall more deeply in love with your Husband and King, He longs to give you His power, He longs to call you home to be with Him for all eternity, but He is bound to His Word and His Word says; "it is not yet time, they must fulfill their destiny." He does not want to steal your glory, your crown, your reward, so He will support you with all the power of the Keys, which give you all the power of Heaven. Reach out and claim that power.

There are only a few short years to go, these years will be dark and troublesome. I must lift My light above the darkness in order that those that have no light may see it. I that have begun a good work in you will see to it that the light is brought home. The flame of David along with the banner of David must be brought home and placed in their rightful place, to ever burn as a testimony to all that the band of David's mighty men fought through to victory, but not in their own strength but in the strength given them through the Words of David and the new New Wine I poured into their vessels as they fought onto the finish line.

This is the commission I have for you now, be faithful in this and it will open to the last door before the very end of time as you know it. I love you.

I do not need mighty men at this point; I need faithful men. I don't need big, important men at this final crossroad; I need believing men. I don't need an army there in the temporal zone; I need just a handful of believers who know that the Keys are the power that will put the seal on Satan's last stand. I need just a few, even a motley bedraggled few, to believe that all the promises spoken and written since the beginning of time have culminated at this crossroad and now wait for the Final Key. Because of their belief, these motley few hold that Final Key in their hands. It is to be inserted with their prayers and is what will open the floodgate of My power to finish what was begun by Satan in the garden of Eden.

To those that believe: Take up the charge! (September 3, 2023)

Keep stepping forward, believing, because those who do return Home having fulfilled their destiny will have all of Eternity before them. They will be Jesus' most intimates. They will be His Band that He will call upon and will trust because they have already proven their love for Him. Keep the vision of what is before you and do not lose your focus. You know what is at stake and what you stand to gain or lose. I love you. (OCT 18, 2023)

You have the Words of David. You have the latest spiritual weapons. You have your commission. Now knuckle down, and let's complete the job so that I can return. (Oct. 24th, 2023)

What I Really Desire Is the Hearts of My Brides

Taken from the compilations Broken Promises and The Wayside

The core of the matter and what I really desire is the hearts of My brides--each one's personal love for Me, dedication to Me, and willingness to obey Me through whatever personal tests and choices they have to make, whatever weaknesses they personally have to overcome, and whatever cross they personally have to bear. (Broken promises)

Something that is easily attained is never appreciated as much as a prize well fought for. Do you desire the Spirit? Do you desire it, My loves? Then I want to see you fight for it, and prove to Me that you mean what you say. I know that thou loves Me. But just as I had to ask Peter this many times, so must I ask you. For the flesh can overcome even the most well-meaning Brides. Lovest thou Me? Lovest thou Me, even more than these? (The Wayside)

(Celeste:) The life of a true follower of the doctrine, a true disciple is a life of sacrifice; it is a life of faith and constant danger; and not just from matrix bots trying to eliminate you, but the faith life is a life of not knowing where your daily sustenance is coming from, it is about striving to reach a goal that not too many others see. It believes in a dream that the heart knows will one day come true. These believers don't eat system bread, their dream is sustained by the Word of God; they know that without this spiritual bread their attempt to live a life outside the system/matrix will undoubtedly fail. They see others give up the fight, saying as they leave that it is not worth the fight, it is an endless rotational dream; they give any number of reasonable and unreasonable excuses why it is impossible. The life of a disciple is a constant fight to stay free of the entanglements of the world. (The Wayside)[1]

[1]*What happens is you get to a point during your climb where you say to yourself there are no more worlds to conquer. Just like Alexander who gave up and died thinking he had conquered the world. There will always be another mountain to climb in this life, and certainly in the next. Eternity goes on forever, so don't be afraid of it. Don't allow your carnal mind and seeming restrictions of the flesh to convince you that you've reached the top and there is nowhere else to go. Of course there is somewhere else to go…up.*

Your carnal mind, not your whole mind, but your carnal mind sets a barrier before you, much like the barrier Satan has set between the spiritual and physical realms, the one that the Final Key will soon break down. Since birth you have been conditioned…educated… to believe that the barrier is real and that it is unbreakable. Man was so proud of himself when he broke the one minute mile, when he broke the 100 meters 10 second barrier, when he broke the sound barrier and when he flew to the moon. Man has pretty much reached the limits of what his flesh can do without the help of machines; that is why he is now going bionics. And he is fascinated by his achievements. His inventions are pushing him further and further into the wrong side of the spiritual realm. With inventions like CERN he is now fiddling around with the latch to the portal door. Like a toddler playing dangerously close to the edge of a swimming pool.

Let's leave carnal man and his antics and take our minds back to the mountain that you are climbing. You are breaking barriers also; you've already broken barriers that many people say can't be done. So many people stopped climbing at the Maria letters and said there are no more mountains to climb; this is as far as there is to go, they said. Funny thing about going down--No inspiration, no goal, no accomplishment, you're just sliding back down into the slough--back into the morass of humanity & the mire of the multitude. Another funny thing about going down you take that vision of the mountain with you, the mountain you were once climbing starts to shrink in your mind as you go back down into the morass of humanity and carnal man so does the mountain shrink and eventually disappears into what many like to call just a figment of their imagination. It was just a phase in their life, they tell themselves, but now that they have passed through it and have their feet back on the firm ground again they can get on with their life. They choose, to forget the past and move on into what they believe to be their future. Most mountain climbers who were lost were lost in the descent because when you are climbing up, you can see where you're going, but when you're going down you can't see. How many people who go back really see what they are getting into? They think they're going back to the easy way, but they never realize what they're getting into by going back. A terrible let-down!
Isn't that just the saddest of all thoughts…our hearts go out to those that go back down. And yes they do end up eventually, if not sooner, being terribly let down. All inspiration gone from their lives; the vision of that once glorious mountain morphs into a house in the suburbs and a few friends dropping by every now and then that only talk about their money problems or what their kids are doing at school. It is no wonder so many people end up on some kind of drug, the pain and disappoint is just too much.
But they are not you…you have reached where very few in this world have reached. You too are at the portal between our worlds; you too have been exploring the world beyond the two-dimensional world of time and space, but you have reached a point where you just can't seem to make any further inroad. Your faith is not strong enough to push through the final barrier. It is your flesh, your carnal mind that is holding you back. To the man of faith nothing is impossible, and it is only impossible because you are not willing to make the sacrifice it takes to leave that flesh behind. You are at a very crucial juncture in your climb…the faith you had to believe

in MO and Maria is not enough at this point. You need to take a look at what is in your hand. Yes it is the Keys, those magical, mystical Keys; it's the Keys that have the power to open the portal doors that seem very tightly closed to you right now. The flesh cannot go where you need to go now. As I said to My disciples, before My crucifixion, "you cannot come with Me now, but soon you will follow"; I am saying your flesh cannot climb any higher, it is tired and worn out, it so many things that fight against you pushing through the barrier that now confronts you. Your carnal mind is freaking out and telling you it can't be done, it's impossible. I here to tell you that what is impossible for men, is possible for Me. I'm here to tell you the answer is in the Keys, only the Keys can open a way forward. The flesh and carnal mind are deathly afraid of the heights you have reached, don't allow your spiritual mind to turn around and look at where you stand through the eyes of carnal and fleshly. Too many people read the following excerpt from Mountain Men, caught the spirit of the Word, but for a brief period in time, and then it was lost, swept away by the cares of this carnal world. Take the Keys right now, quote a powerful Key powered prayer and let Me read it once more. "If you need to change your mindset, call on the keys of discipleship and experience a complete reworking of your mind by My power." "Take hold of the keys of boldness to proclaim My truth; grasp tightly the keys of revolution to remain separate from the world; and cling to the keys of commitment, which make you never want to be a part of the world and its ways."

Okay, now close your eyes as I read this excerpt from one of MO's time capsules. Only pioneers climb mountains--people who want to do something that no one ever did before--people who want to get above the multitude--beyond what has already been done & accomplished. Pioneers must have Vision--vision to see what no one else can see; Faith--faith to believe things no one else believes; Initiative--initiative to be the first one to try it; Courage--the guts to see it through! But on the mountain you are the first to see the sun rise & the last to see it set! You see the full circle of God's glorious creation! You see the world in its proper perspective with range after range to be conquered & a world beyond the horizon of normal men! A world beyond their vision & their horizon! You see distant peaks yet to be climbed! You see distant valleys yet to be crossed. You see things that the men in the valleys can never see.--Can't even comprehend because they can't see it! And you can see the 360 degree circumference of the total horizon--the entire scope! It's like seeing all of life from its beginning to its end & understanding. You feel like you're living in eternity; whereas, down below they're living in time.

I know you can't make this next step, I know how difficult it is to let go of the things of this world, to let go of the mountain face and fly out into the world of the spirit with Me, out into what your carnal mind is telling you is impossible. I hear it in your hearts long before it comes out your mouth. Oh why dost thou doubt, oh ye of little faith, call on the Keys and they will buoy you up and you will walk upon the waters.

"Through the keys of the Kingdom you will change, be recreated, mount up with wings as an eagle, and soar to great victories and progress. Call on the keys to create in you a new mind, and to release you from the limitations of your old mind and carnal reasoning."

You have reached the limits of your flesh, this is where the pioneer must step forward and say with all those that pioneered the road that you have passed over to get where you have reached this day…I must go forward, even if it costs me my life, I must go forward.

"He that forsaketh not all that he hath cannot be My disciple." My Word is very straightforward...too straightforward for some people; they just can't stand it, so they compromise and make excuses for themselves. They can't stand the conviction and find the price too high. Yes, I won't deny that to your human eyes the cost of being My disciple is "too high"...it is impossible when looking at it through the eyes of the world and the flesh. And especially these Words of David that speak of full possession and transparency and all that... your mind says it's too high for the likes of me. BUT and it's a very big "but" if you'd just find it to look past this world and into Mine, you would see that there's no comparison to what you are giving up to what you are gaining... there is nothing that this world can offer you, that I can't give: only it'll be a million times better. You just have to believe. Believe in that which is, for the present, unseen... RIGHT, there is where so many fall by the wayside. They want to hold something in their hands, to feel something and see SOMETHING. They just can't make it past the part of My Word that requires blind faith. I understand that it's a challenge, but the dividends are more than worth it. Belief is where you just fall down... because it hurts to let everything go, so you just sort of get out of it, because I'm not standing in front of you telling you to do these things... your carnal eyes can't see Me. You have to look past it and look into My eyes and their find your courage to give all till your last breath...you will fall and fail but you must not stay that way for long, because great is the reward of faith, My love... pursue it.... (Broken promises)

(Blue Angel:) Break the ties that hold you down to earth and hinder you from reaching deeper into the spirit. Pride is a weight, and it is something you must continually let go of. That is not impossible; it only seems impossible to the carnal mind and that's what holds you down. So empty your duffle bag, take each unneeded undesirable thing that is in there. Truly let go of the world you've lived in so long and step into the City. The freedom of its spirit will fill you and you will feel lighter. Yes, your duffle bag will be so much emptier with only your essentials inside; no more of that junk. The junk of self-image, pride, self-confidence, self-centeredness and all the things you've held onto. The worldliness and the daydreams, the time-wasters and things you turn to when you feel bored and empty, all need to be pushed down the trash

chute. They only left you more empty and discontent. They pushed you further from Jesus and made you believe in something that was only a façade. All the pride you've held onto to cover up what you didn't like needs to go. Continually! You will make it if you try and this is the way to do so. We pray for you and we help from the spirit every day. We pull you closer to the Bridegroom in any way we can. Jesus tests you to see if your love for Him is strong enough to endure any hardship and we don't want you to fail! How heartbreaking it will be for those who reach Heaven having not have fulfilled their mission, having stopped along the way. Don't let that be you, my love. Don't let the flesh stop you now. Having come so close, don't turn back now. Take each day as it comes, obeying, yielding, letting go. (The Wayside)

These tests and trials are part of the winnowing and selection; I must have good seed and good soil for the Millennial planting. The coming millennium is the new spring. The winter is passing, and it's almost time to sow My new season seeds. The seeds that have held on and passed the many and varied stages of selection are being placed in My shoulder bag. With each passing generation I have selected the good seed and stored it in My bag for the coming sowing. Hold on, My brides, it won't be long now. Satan and this present world have entered the very last days and the time of purging and making white has arrived. And after that the tares must be cut down and then the harvest follows. (23rd of FEBRUARY, 2023 (The Wayside)[2]

[2]*The picket Key is one of the Keys you need to make the final push. The whole you, that is your flesh, cannot make it, it doesn't want to, it has planted its feet and refuses to move. So reach through the veil with your hand and plant that picket Key in that crevice just above your head. If I see you make that determined effort I will come in under your foot and give you a boost. It is going to take faith, I know, it is going to take determination, I know…here is a Key that will help you with that part, and there are others, you just aren't using the Keys enough. They need to be part of your very being, you need to drink them in. "When you feel discouraged, call on the power of the keys of faith to keep your feet set upon the Rock, your face turned toward the light, and your eyes firmly fixed on the sure victory of change, as you keep going and refuse to quit."*

You are going up, there's no two ways about it, but your part has to be in this climb, and your part is using the Keys at every opportunity. You had to reach this part of the climb in order to realize that your flesh is not capable of breaking the miracle mile, the last lap, spiritual barrier…come on I know you can make it because I'm going to make it through you…don't leave off where the others said it can't be done. I know the devil is relentlessly attacking your minds right now, you have to shut him out. Here's another Key…and you have to keep quoting it, he's got his foot in the door, by quoting it over and over and over its like you are pushing that door hard upon his foot, it's hurting him, he doesn't want to let you know, but he's angry, raging mad cause it is giving him lots and lots of pain. "Activate the keys of unwavering faith and trust, and in the spirit you can scale any mountain, walk through any fire, and cross any canyon with My full protection and indestructible determination."

It's so difficult to say yes to My will sometimes. The Devil exaggerates all the reasons why it isn't the best path to follow. He illuminates all the sacrifices involved, making you feel that the path of following My will and saying yes is strewn with misery and pain. He yells in your ears, telling you how much you will lose if you follow Me. He does everything within his spiritual power to hide from you the fact of My Word, that "whosever will save his life will lose it, and whosoever will lose his life for My Name's sake, the same will save it."

The Enemy brings his imps and minions and sometimes his archdemons to blind your ears and eyes to the multitude of blessings I have given you, and do give you, when you follow My will. He does all that he can to cloud the issue, whatever it is I'm asking you to do. (Issues, Part 15 [#3444]) (Broken promises)

I want to tell My children to stand up to the Enemy. Call his bluff when he spews his lies and deceit at you, trying to prevent you from following Me and saying yes to what I ask you to do. I only ask these things of you that "you may be saved." I want to save your life, your spiritual life, so that it will bring forth much fruit.

The way you can call the bluff of these lies, deceits, discouragements and hindrances of the Devil during these times is to obey Me. Do it. Do it now! The sooner the better, for in the instant you say yes to Me, the Enemy's power over your mind is greatly diminished. Just say the words, "I want to do Your will, Jesus." "Not my will, but Your will be done, Jesus." "I want to yield, Jesus, help me." "I want to obey, Jesus, help me." "I yield." "I am going to obey." "I choose You, Jesus."

Just say the words and the power will come. Call on the keys and they will be turned to swords and will slash and cut and defeat the Devil and all his demons, and you will be triumphant! Just tell the Devil that "Jesus rules!" and rebuke the Enemy and resist him. I will not fail you, My loves. You might not see the blessings instantly, but I will bless you.

The blessings come instantly in the spirit, but you've got to fight. Sometimes it's a long haul, but don't give up. Don't quit. No matter how long the battle, keep fighting, and I will honor you and come through for you. Some of you who feel like it's such a long haul, a constant battle--keep claiming the keys for strength to be yielded, to obey, to submit to Me, and proceed as if possessing, and it will happen. You don't see it, but those of you who have such struggles receive special rewards in Heaven.

I know it's hard to take it by faith, especially in the midst of your battles there on Earth. You grow weary in your fight because "blessings" and "special rewards" don't have a face. You don't see them or know what they are. If you could, it might help you. That's where strength of spirit is made--in the believing, in the faith. That's what's going to overcome the

wickedness of this world--your faith. (Issues, Part 15 #3444) (Broken promises)

(Jesus:) you want the fight to be an easy one? You want it to be all nice for you, but that is not the way of pilgrims and warriors of David. Through blood and the sweat of their faces did these get where they are. Do you expect to get to stand in these ranks by barely lifting a finger? Do you want to be given to you what others had to die to achieve. My love, expect battles and expect to struggle and to give your all to My cause. Do you want this life? Then pour out yourself into it and don't look back. Fight to give all. Bleed to give all. Die to give all, and don't listen to the mocking of the enemy. He is taunting you and tempting you to look at your circumstances, but I say, your war is not a fleshly battle, you fight and win in the spirit and unless you take out your spiritual sword and start cutting down his lies, you will have this attitude that it should all be handed to you, and if the challenges arise you are offended. No! let it not be so…fight beloved, for soldiers aren't surprised by the need to shoot! Ready yourself for though the battles are hard now, the war will only get hotter from here on out. Prepare dear and fight. (25th of January) (Broken promises)

Don't let it be said of you that you just followed the flesh and followed the path of least resistance and gave in to whatever carnal desires you had. But rather let it ring out when you step across the veil that you fought and you didn't give into the pull that so many have. You depended on the spiritual weapons, rather than your carnal mind. Darling I love you, I know it's hard and your being resists it because it's hard, but don't forget the heavenly vision is to spur you on. (Broken promises)[3]

[3]*The barrier before you is the flesh, and by now you should know who stands in defense of the flesh…Obstacon, Baccus and their filthy ilk, gutter rats all. Pull out that spiritual sword and cut these God damned demons into pieces. Immerse your sword in the bath of blue plasma before you go to battle with these slugs of the netherworld. They are lower than the lowest demons. And you tower over them as spiritual giants, crush them with the Keys turned to swords. Be to them as you truly are, their judges and executioners. You have to win over these slugs that make themselves as giants in your eyes in order to level up and enter the Promised Land above you.*

It pays to keep your eyes on Heaven, to set your affections on things above, to keep on forsaking every day, to keep on loving every day, to keep on fighting every day, and to not quit. You'll never be sorry. It's the only way you will ever be happy and satisfied. You know the truth, and you'll never be truly happy with anything less.

Don't fall for the "fun" temptations of Satan, because I can tell you from personal experience, they won't last. Keep fighting. Keep presenting your body a living sacrifice--like Jesus did for you. Keep setting your face like flint, and look straight on. Keep climbing those steep slopes, and before you know it, you'll look down on creation. The view will be worth every rocky step you had to take. It's worth it all--every single bit.

Don't be discouraged, don't ever give up, keep on believing, and most of all, whatever you do, don't quit! Just think, all the great missionaries that ever lived are counting on each and every one of you to finish the job. Everyone is watching from the Heavenlies. That's a pretty good reason to not quit, isn't it? We're all praying and shouting, and rooting for you!--We're counting on you to finish the job! (Cry of the Harvest) (Broken promises)

It is time to cast off all the superfluous and truly focus and be single-minded. Tighten your grip on the keys and watch the words of your mouth that they are praiseful and that your thoughts are stayed on Me and I will call you My Wilderness walkers. You will see miracles, and I will use you to be all that I have destined you to be! You are not a mistake, because I know your heart even if you think you can't make it or aren't good enough. Shut the door behind you and walk deeper into the passageway where you'll hear wisdom from Above, prophecies from the prophets and New Wine heralded to My Wilderness walkers who even though tempted, will still hold up the Keys to the Wilderness and pass through the abyss of this last part of the journey! (NOV 16, 2023 Our Spiritual Wilderness -Part Five) (The Wayside)

(Clear, Blue Angel speaking:) As the Words of David have said, you are the ones that have been chosen to take the light of Israel across the finish line; you are the remnant, the Philly church, the last church. And you are because you have fought through in faith and have grabbed that baton from the runner before and are now heading for the line. It is all by faith and will remain so until the second you cross the line and only then will it all become reality. The Words of David and Maria and the Bible say it's so and the new New Wine you have been receiving are confirming these truths. (Broken promises)

(Blue Angel) You see, this really is the course! There hasn't been a mistake! You are right where you are meant to be at this moment. The thing is, you have a choice now that you see your path stretching in front of you…will you stay on it? Will you make half-hearted decisions; carnal-minded decisions or will you determine to keep your eyes on the goal, though you may fall by the way, you'll try again…and again! Will you hold on to the fact that you know you are definitely going somewhere, because you have a purpose because the Words of David and the new New Wine have told you so! … and you want to be all you can be…just for Jesus…… Do it for Jesus. (The Wayside)

(Clear, Blue Angel speaking:) So our elite warriors by choice, keep on believing; for the wicked one would steal your crown and thus thwart your destiny and change the course of the race and have us all in for another lap or two or three. He would dearly love to continue sitting as king of this world; in your place for eternity if he could. Do not think that

there is not much at stake here, and do not think that all these events are going to happen with or without you. Well I guess they can happen without you if you decide you don't want to believe, or Satan convinces you to give up. It is only in your mind that you will give up, once you give up in your mind the course that the rest of you is on will follow. Fervently believe, hold fast that which thou hast, do not give up and the crown is yours. If you fall through unbelief and unheeding then it will now or in the future be given to someone else more deserving. The choice is and has always been yours. We love you and are rooting for you, but we can only do so much to help you, otherwise we would be taking away your honor. (Broken promises)[4]

[4]*We are here, just as we promised we would, we said that we would return 700 years ago we promised we would come back in the time of the End, and here we stand. We have been helping you for many years now. Many of us stood where you stand now, the flesh often stood in our way, but we overcame through the blood of the Lamb, you have that same blood running through your veins, you are being possessed more each day, with each decision to move forward you are reaching full possession, you are mind melding, and taking on heavenly thought power. We the Cathars once again pledge our love and loyalty to you our comrades in arms in the physical realm, you who have not given up the fight, you who face this seeming insurmountable barrier called flesh and carnal mind. Take the Keys that are in your hands and burnish them until they shine so brightly that Satan and all that pledge their allegiance to him and his cause are blinded by the blue and gold of heavens power. Ask us, your Cathar spirit guides to possess you and we will, ask for our Blue Angels to possess you and they will. The flesh is no barrier when you hold the Keys of the Kingdom in your hands. Use them for only the Keys have the power to break the veil and bring on the Final End.*

(Jesus:) Take My hand sweet one, and I will lead you through. I will show you the way in which you must go. I will show you where you must place your feet; I will be with you as you take each step. And if you should stumble or go astray, I will remain faithful. I will bind your wandering heart to Me, and as a strong cord I will pull you back upon the path I have set for you. So take heart, look to Me. Remember the love we share, for it shall be for you as a light when all other lights go out. And take that which is in your hand, hold it out before you and walk onward. Never put it down, hold it out before you always. For with these Keys you shall open all heaven, and bind all hell. You're not alone, so walk not alone, reach forth and avail yourself of the experience of all the ages. Great shall be My spirit in you as you yield your all to Me. Now is the time of the wilderness, now is the time to bridge the gap between Heaven and Earth. You're My keys, you're the completion of My church, and with you I will open the portal between the worlds. So walk on faithful, be not afraid, for I will do it all through you. Carry My words proudly and faithfully onto the end. I love you... (James) (Broken promises)
