

Note: Sorry this is rather long winded but it was a journey for me of revealing and unearthing and I guess it took some time. Ebed was ever so patient with me. But there is lots of great word here! Hope you will find something that will speak to you and help. xx

It's always God. It's His plan, His program, His power, and God often chooses to use the most imperfect vessels--including you and me--to showcase His power.

You are about to make the most difficult decision in your life thus far. If you are not quite catching my drift, it is because you have not been doing your homework or you haven't reread your checkpoint prophecy before coming to class this morning. Don't for one minute make an excuse, because if you had been doing your homework, then you would be much deeper in spirit than you are at present and you would have heard your spirit helper telling you to go over your checkpoint prophecy, because that is what it is for; it is a checkpoint. It is vital information to help you this month.
(Learning to Fly)

1st November, 2024 *"This flapping your wings and flying off the cliff will mean different things to different people, so finding out what this means for you can be counted as your first flight. Then the circling around the summit will be you putting what we show you into practice."*(Seven Thunders-31st October, 2024)

16th August, 2024

Faith is not something you work up and muster up by trying very hard.

Falling is easy
Staying in love is hard

Hard to be honest
And keep your heart open
To be who we truly are
Without the excuses
Without the façade
There's no pretending
Here in Your love
Oh Lord, set me free!

Those who are able to rest their lives in My hands see more change than those who try to hold on to themselves, to keep themselves safe and secure and free from change. Those who let go and who fling their arms wide open in wild abandonment of self are the ones who see great change! **(Sounds like flying!)** (Changing Deeply Ingrained Habits and Mindsets [#3324])

(Blue Angel:) Break the ties that hold you down to earth and hinder you from reaching deeper into the spirit. Pride is a weight, and it is something you must continually let go of. That is not impossible; it only seems impossible to the carnal mind and that's what holds you down. So empty your duffle bag, take each unneeded undesirable thing that is in there. Truly let go of the world you've lived in so long and step into the City. The freedom of its spirit will fill you and you will feel lighter. (The Wayside)

Blue angel) Fall in Love with us by listening to our secrets; like lovers whispering to one another, so listen to us and let our secrets fill your heart like blue power and life that slowly changes you from what you are into what you are meant to be.

Perhaps you are looking at the healing of your flesh in the wrong light. Perhaps you are putting your desire above Mine. My priority is always spirit before the flesh. It is the spirit that quickens, whilst the flesh profits naught, yet I use the flesh in order to strengthen the spirit. You may look at sickness of the flesh as a curse, but before I continue, consider the following verse: *There is no soundness in my flesh because of thine anger; neither is there any rest in my bones because of my sin.* **Psalm 38:3**

You plead for healing but your request is not granted, and the reason is not because I am angry at you, it is as the Psalm says; I am angry at the sin that eats as a canker at My beloveds heart and soul. Whilst My beloved is preoccupied by her flesh she does not glory in Me taking a hand in her spiritual life to rid her of her sin. Your flesh is the scalpel that I am using to remove the cancer... hold still, fear not and trust whilst I finish My work. (September 23, 2024...about healing)

27th September, 2024 Jesus) O there it is again...that key of yieldedness and most definitely the key of humility to sit still and lay aside self and all its ranting and ravings and actually hear what I have to say! Will you bath in My Light, in My truths, My teachings,

My revealings of the purgings and making white shine through your darkness? Will you submit to what is happening to your flesh and truly embrace and learn and grow; let the sin be exposed and not cringe and turn away. Face Me, My darling, and even though it is so hard to look Me in the eye, just do it and take the scrutiny and shame and embarrassment, for without removing this 'cancer', you are dying, when I came to give you life! It is not about the flesh! I use your flesh to inspect your inward parts. I would love that you share what you have learned with others. Maybe it will help them not to fall into the same pitfalls. Or maybe it will explain why you have been doing the off things they've seen and it will clear all the wrongs and everyone will set their feet on the right path and not be confused anymore by your contradictions or lacks or disobediences or whatever it is; whatever the sin! And the devil will be exposed and you will win him! (End)

This year each of you must come to My altar and lay those last vestiges of your own strength, pride, abilities and works to rest. Put down the carnal mind and all it wants to cling to. Just throw yourself on Jesus and believe. It will be a death of sorts-a death to your own strength and a birth of My strength within you. Let it die.

I promise you that from this death and this rebirth will spring forth a new strength within the heart of each child of David! And in discovering this strength, you will each inherit newfound power-My true power and anointing which will see you through the coming end of days. *This year I will work together with you to erase your natural instincts to lean to your own strength and understanding and ways of the past, as you cleave to Me and My new weapons as you never have before.* (JUN 6, 2024)

16th September, 2024 Lisa) My journey of change and exposure and preparations continues. Ebed Melech was given to me just before we entered the City in December last year. He said he would always be by my side and has been helping to point out to me my out of it ways, particularly self-righteousness, that need to go down the garbage chute. I do love his very direct, straight-forward ways with me, even though ouchy at times! He doesn't mess around. I don't think there is any time left for that and besides it seems I need the 'club over the head' way leaving no room for squirming out! Thank you Ebed, I am eternally indebted to you. Please Jesus, help me to learn my lessons. And besides all that, it is the September Checkpoint! So important to be checking my gear. I think I'll include his first ever message to me and then a prophecy I received recently which was a real breakthrough for me that helps in seeing the reason for the particularly tough painful trials He gives us. I pray it helps you too with the trial and test He has chosen just for you, in His amazing beautiful deep love! Sweet Jesus!

"There is no slipping under the net or past the teacher in spiritual school. When the pressure is on, the cracks will show. When it is time to grow, the hand of the teacher is firm and steady." (Jesus Shrugs)

1st December, 2023 Ebed-Melech speaking: I am most pleased to help you at this time of need. I love to help Children of David in these troublesome times. It was not by chance you found me but I know you know that because you see Jesus' hand on your life and you are accustomed to His ways of getting through to you, at least a good amount of the time, although definitely not all the time, as you well know as well. The keys and your spirit helpers have been helping you to hear the spirit much more, especially your Blue angels. But I see you are in need my dear of assistance and I heard your heart cry. So I am here to help you through this long standing problem you have. Anger, self-righteousness, pride are the obstacles that have you lain in the pit. My love for those who esteem His Word more than their necessary food is great and I wish to serve you by helping in any way I can. I will be your counselor at this time of change and growth so I will be at your side now with your every step, your every word and in your thoughts if you tune in. I will help you to be more meek and humble with whisperings and nudgings when necessary. Put on that key of humility around your neck and feel them between your breasts to remind you to have a soft word. Be aware of every conversation and every word that comes out of your mouth. Put a guard over your tongue. But we must work on the heart because out of the abundance of the heart the mouth speaketh and that is the question...what is in your heart? The heart is full of mud and it must be washed clean. Your request for change and lessons that need to be learnt in these last remaining months has not gone unnoticed. So firstly let's dig in the word and see what we can uncover together. Let's see clearly what you are up against and tackle each one. Jeremiah said in chapter 31 verse 33 "I will write my law upon their hearts..." and that is so very similar to what Jesus said that He would give us a new Law, one which you know very well...The Law of Love! So here we are dear one, right back at the LOL! It just encompasses everything and most importantly is the law that will run His new Kingdom come. So you must learn His ways so you can emulate His ways as His ambassador, little queen. From today on you will feel my presence by your side, so hold my hand and allow me to come into you so what I have learned I can guide you. Listen to my whispers; I will teach you. He knows the plans He has for you and He wishes to prosper you because he knows your heart and deep desires. (End of prophecy)

12th September, 2024 *"The carnal mind is enmity against Me--this is the crux of the matter. The carnal mind is the opponent of My Spirit, for it is not subject to My Law of Love, nor is it subject to the miracle-working power of My Spirit. Therefore, if you are going to be miracle workers, if you are going to call on the power of the keys and access them to the full, you must put off the carnal mind."*
(The Keys are Our Wilderness pdf)

True Blue) Living out the LOL has been the catalyst and then the ongoing test for you to step away from the carnal mind, to go in a completely different direction than the world is going, to live in the realm of the spirit. *It has been an arduous climb as the carnal mind always seeks to understand and seeks clarification and proof of doing what you have been asked to do. But it can't, because it is a work of the spirit.* It goes so against the grain of what you have been taught from childhood and the world that was all around you that made it so incredibly hard. But here was the spirit of the Living God asking you to forsake all and lay down your life as well as everything you dreamed and imagined was the proper way. It was so contrary and blew your carnal mind to bits but now you are seeing how the extremeness and also the endless struggles and trials has been a life saver by forcing you to constantly step away from the carnal mind. In His love for you three, He chose to use the LOL , not only as a testimony of proving it can be done but also as a lifeline, a life support system to keep you 'alive'! If not where would each of you be right now? It has taken much forsaking but through it you have gained greater access to the realm of the spirit. To live the LOL you have to put off your mind and put on His, so this constant 'weathering' over the years has been to your advantage. He has seen the pain and what it has cost you but despite that He also saw your great desire to baulk the System that you have always hated and resisted since before joining the Family. Even then your heart was pulling you away from the way everyone else was travelling, searching for the Truth. So, living the LOL has saved your 'life'! It has been a continual unabated exercise in putting off the carnal mind to live in the spirit. It wasn't normal to you but it forced you to continue trusting and going by faith and so slowly but surely faith was instilled and new insight to the workings of the spirit. The LOL has been the vehicle to mind not the things of the Earth and to set your mind on Heaven and how things are in the spirit realm. It strengthened your faith because each time if you were to rise above your trials you had to put up barricades in your mind to the attacks of the enemy, the carnal, logical thoughts that he would try so hard to inundate you with. Most times he would succeed but through the years those battles and fighting have strengthened you and have helped you to make more spirit filled decisions! What you thought was your nemesis has been used by Him to bring you to the point you are now at, armed for whatever the near future holds for you. His ways are so not your ways, are they? You would never choose the path He has chosen for you way back when you were a babe! Isn't He wonderful? Isn't He lovely? Through the power of the keys and by staying in His arms He has brought you to the Light. So beautiful! What a love. What miracles are wrought when you hold onto the Keys of obedience and perseverance and endurance! Sweet Love of our lives. It's only and all Jesus! (End)

That reminded me of the story of the woman carrying the brown paper bag and unbeknownst to her the jewels in it. But I couldn't find it.

(Jesus:) So much of Earth life is to aid you in the next. What did you come to Earth to learn? Primarily to love, and to love Me above all. But more than that, you came to learn about My strong and passionate, go-the-distance love for you. When you trust in My love, then you can have a more fruitful and inspiring Heavenly life. Trusting in My love is a very big part of your life, now and forever. And having a chance for us to build up a solid foundation of love, one layer at a time, one experience at a time, is very beneficial in the next life. SEP 8, 2023

The fettered ways of earth, the worldly mindsets, the chains that keep you earthbound, magically fall off you as you claim the creative power of the keys.

Me) How deep Your love Jesus! What lengths You go to in my life! How patient! What You have entrusted me with...Your amazing Law of Love...Your future government! ...to learn of Your ways. Frail, pathetic, carnal minded selfish me! Yet, You honor me with giving me a chance and have been there every single step of the way helping me to choose over and over to keep climbing this epic mountain peak, despite my many falls!

"I spent so many years stuck in my head, couldn't see past myself. And all the time You were right there in front of me, a part of me, inside of me! And patiently You spoke to me, and You set me free!"

Jesus, every day You know what I need!

So now I am going back a bit, a month ago to August.

16th August, 2024 I'm recovering from a bout of malaria at the moment (Day 4) and have been asking the Lord what lessons He has for me. I have been struggling with my prophecy channel, feeling it is lacking so I went to read The Endtime Warrior band's Manuel on prophecy. Some paragraphs that spoke to me and encouraged me were:-

All is in My hands to give. All is in My power to send. All is within My will to answer according to the need. So ask and receive quickly and fully! **You need not struggle and strive and work it up**; just open up on the spot, be hungry, excited and desperate, and I will give and give and give again! Just trust and receive, open and believe, and many waters will rush forth. Many waters will pour down abundantly, beyond what you ever imagined! I am ready and willing and waiting to send torrents of living waters through My open,

receptive channels. You have to determine each time you sit down to hear My voice that you're going to open up wide, very wide, and be full of faith and trust and let Me do whatever I want with you and praise Me for it all. Each time you do this and let Me pour through effortlessly, it cleans your pipe. It washes you cleaner every time. The more you open up and receive in full faith, the cleaner and clearer your channel becomes, because the waters can rush through so fast that they carry everything with it. So keep open, keep clean and keep yielding and praising. ***It's not hard to yield; it's very easy. It's not hard to be open and desperate; it's very easy. It just takes faith. And faith is not something you work up and muster up by trying very hard. Faith is very easy too; you just trust.*** You simply ask and trust and receive what comes with praise and thankfulness, and this keeps your channel open and clear for the next message. (Hearing from the Lord Step by Step #3149)

Come to Me empty, thirsty, open, willing. Come to Me with an open heart, an open mind, an open spirit, void of anything of yourself, of any of your own ways, your own wishes, your own will, your own desires, that I may speak to you with clarity, majesty, and the fullness of My Spirit to give you the truth that I would give you. Come to Me this way, that it be not mixed or tainted or flavored by your own will or way or spirit. For I wish for you to be clear channels unto Me. ***But fret not, nor be condemned*** if you have a bit of your own water within, for in time you will learn to come to Me empty, fully open, fully prepared, fully ready, that I may pour forth through you in great abundance. (Understanding Prophecy, Part 3b! #3310)

Lift up a heart empty of your own inclinations. ... Create a vacuum, an empty mouth, an empty heart, one in which you don't care what the answer is ... a heart that is yielded and pointed to Me.... You must seek with no conditions, with no strings attached. ... You must open your heart to My point of view." (Prophecy Questions You May Have Always Wanted to Ask! Part 3 #3036)

The goal is not perfection. No channel is perfect. "All have sinned and come short of the glory of God"

(Rom.3:23). You will always have sin in your life, but the point is that you should not choose disobedience and sin. (End of excerpts)

I felt more relaxed after that and saw how accommodating and merciful Jesus is with us. He doesn't stand over us with a big stick like the devil does. I remember Hannah telling me once, 'don't be so hard on yourself' and I thought, 'no, I have to be or I won't make it' I really do want to make it and I need to do my part by being obedient **and fighting** and especially seeing my shortcomings and where the enemy is attacking me. You have to fight and that takes effort. I can't be lazy or complacent but there's a fine line between arm of the flesh and striving and being hard on yourself and trying to be perfect! It has to be done His way by listening to His instructions and trusting and not trying so hard to be good, which just ends up being a work's trip! I think later on, I realized that's what Hannah was trying to tell me in a very sweet way. xx

Lisa) Before class time, Brit and James came into my room to make some little ribbon bow for something or other and James wasn't happy with Brit's attempt, so he walked off and said let's just forget it. Brit's retort, although not malicious, was, 'the Lisa's clan' are perfectionists, if it's not perfect then it's 'let's not do it at all', whereas we (the Maria's clan) are like 'if it floats, it'll do!' She said she wasn't sure which one was best. My first reaction was how wonderful that Jesus put us together so we can balance each other out and find His will in all we do...well, that would be the goal; that's living the LOL.; iron sharpeneth iron. (Proverbs 27:17) He knows what we each need, either a bit more flexibility or some more polishing and refining so as to hit the mark in both cases. Ha!

But then I started thinking about the 'us Lisa's clan' being perfectionists' part and felt like it was a little nudge or clue meant for me. Hmm....Am I a perfectionist? At first I was thinking in regards to my prophecy channel. (but obviously the perfection part is not limited to only my prophecy channel as I was to find out!) Really every aspect of our lives as disciples is by faith and it's simply trusting. Like it said above, 'faith is easy, it's just trusting!' How simple and uncomplicated is that! But the perfectionist side of 'us of Lisa's clan' or 'us perfectionists' makes it more complicated than it's meant to be. Or more correctly is it a manifestation of wanting to see rather than simply believe? Is it a lack of faith that my prophecies are just not good enough! I feel like they aren't and so I procrastinate to even get started. I want results and change pretty quickly and it's irritating when that doesn't happen. In many instances I want certain conditions to be in place before I feel at ease to go ahead with the task at hand. For example, I can't make my tea until the serving table is cleared and cleaned up or I can't relax and read the Word in my room until it's relatively straightened up and cleaned; can't start breakfast prep in a messy kitchen; whereas others have the ability to just jump in regardless and seemingly oblivious to the state of disorganization around them and get amazing results, whilst I have wasted so much time before I've even started. Was it even worth it? I fathom at how they can work in such 'conditions'! But for me, it's such a huge distraction. I so admire how they can get so much done, without fuss and so efficiently. In the end, it all gets cleaned up anyways. Well, maybe that's the way my brain works and maybe it's not such a bad thing in itself but perhaps I'm extreme sometimes and need to be adaptable and flexible, instead of demanding conditions. Maybe I have some OCD issues but of course obviously it just comes down to self-righteousness, in my case! But I'm just trying to break it down.

So relating that to my prophecy channel, I guess, my 'workplace' doesn't seem to be clean enough to me. My carnal mind is not happy with the set up. Actually, my enemy—my carnal mind which the enemy uses, doesn't want a set up at all! End of comment.

Prophecy from one of our young people) "I understand how you feel. I know what it's like to be **self-righteous** and to struggle with **angry impatience**. It takes falling and making the very mistakes that you are accusing others of to break that **spirit of pride**. It's hard, and you will battle with condemnation. The enemy will most assuredly tell you that you are worthless. But as you call on the Keys,

rebuking your pride, the enemy will fall back and this hard knot in your spiritual system will begin to melt away. Don't give up! It's not you that has to be good, that's the Lord's job. All you have to do is be weak and humble. You will fall, but you can get back up again.

The enemy of your soul would seek to bombard you with many things –many lying vanities that suck your spirit dry. He will tell you all sorts of things that aren't even true. He will blow up one situation, making it seem like a large issue. He will condemn you, discourage you and attack you with all sorts of doubts. He seeks to flood you in a wave of lies. Remember those dark winds we spoke of that the Dragon would send your way? Now it is time, and now do they come. He is trying to drown you in a flood of uncertainty and confusion. Yes, you have problems. And yes we will work on them. But the Devil is trying to derail your mind with an endless assault of battles—most of which have only a very small basis. You cannot allow yourself to be disoriented by these passing attacks. Focus your mind on us. Let us remind you of what the true reality is."

"It's not about being perfect; it's about learning the lessons I have for you, the preparation I have set up for your spiritual and physical good. Of course you'll make mistakes. Of course you'll be grumpy and doubtful and discontent. But it's fine, because I'll just show you that that's what you need to work on and strengthen. I'll withhold My blessing or cause something to happen, but only so that your attention can be brought to where I need it. I still love you. You're not failing Me or making Me angry. In fact, I allowed you to become discontent so that I could strengthen you. I need to bring these areas to light so that I may fortify them and make you a more determined warrior. Don't fail under the condemnation of the enemy." (JUN 2, 2024 Confessions Of A Young Warrior)

I don't require perfection; all that I desire is your love and your dependence on Me. I know that you're human, that you're weak, that you get tired, and that the Enemy buffets you with his lies and doubts. If I'd given you a supernatural body, then perhaps I could expect perfection from you; but I never expect perfection from you, as that is never possible. I only desire your love and your desperation. (Gems and Jewels, Part 1 [#3416]) (Pure Desire for Him comp.) (I hear you, Hannah)

Mat.10:20 *For it is not ye that speak, but the Spirit of your Father which speaketh in you.*

19th August, 2024 Ebed) It's being the empty vessel! It's laying down in the spirit all that you think you are and even all that you think you are not. It takes humility of course, which seems to be lacking when your vessel starts filling up with believing the lies the enemy is telling you. Whether they are about yourself or because you are comparing with others, it has an obstructive effect on your spiritual life. You are simply not free to let the waters flow through you and wash out the dross. So you are withholding. You are holding so tight to your perception of things around you- the wrong things or the lies. So the withholding becomes procrastination in hearing in prophecy because your mind many times is 'calculating a good prophecy'. You're seeing right now that this procrastination and disorganization IS IN YOUR MIND! It's the carnal mind fighting the spirit of Jesus which is the spirit of prophecy! You know what happens when the spirit is flowing...it comes right out of your mouth because you've let the spirit take control. Admittedly sometimes you have to work at it and really suck a bit harder but you feel it is there and will be there as you persevere and don't give up. How badly do you want it? Are you truly fighting to lock out all the distractions that try their hardest to get in? You have to! You have to be calling on the keys as you are sucking to stay focused and on track. You have to completely devote that time of hearing from us above all else, like your malaria treatment. You can't go without it or you're in trouble; the enemy will over run your spiritual veins just like those demonic parasites that have invaded your blood stream. The keys of desire will help you stay focused to hear from your Lover and to want nothing more than to be in His arms of love to hear His whispers; to hear His voice and He will never withhold from you. Let all the stipulations of your own making go! Jesus doesn't care if the bottom sheet is pulled tight or not, cos it's gonna be ruffled up anyways. (One of my fetishes!) Desire the freedom of the spirit and relax. He will take you as you are, pretty bride, without any adornments at all. He just wants you. All your self-rightness puts up walls between you and Him. That's what your procrastination is a lot of the time. It's your own carnal reasoning taking over instead of just letting it go and letting yourself be taken by the spirit of God. You will never be able to figure it all out. Obviously you're not supposed to, so leave it in His capable hands. And situations will never be perfect either, as we live in an imperfect world. You are learning to let the spirit lead instead of the flesh and that can only be done by staying connected and having your head and as much as your body in the spiritual realm as possible.

"All power is at your command through the keys of the Kingdom, if you choose to take it. If you want Me, I will never leave you nor forsake you. I will be for you and through you what you cannot be yourself."

Prophecy continues) As this quote says, your power comes from the keys so depending on how much you call on them determines how much they will be able to affect you. Again, you must decrease so that He can increase! The light of the body is the color; allowing the frequency of 6.66 to flow through you because you've called on it; because you desperately desire it to be coursing through you so you can be a vessel; a conduit! *"I will do it through you. I will shine through you. The gold shall come forth out of your mouth, and through your eyes, and through your fingertips, and through your steps. And My golden Words, My golden love, shall do the miracles."*

You shouldn't be disorganized and wasting precious time because you are delaying and holding back because the enemy is actually attacking you with his 'you're pretty useless' tactic or things and conditions are not quite to your liking and if you just had a bit more time you could improve the situation. It's the Light remember! Take in the Light; focus on the Light, the Word and you will receive

power to do whatever He is asking you to do. It's not you and *your* power! And you need to relax and stop striving in your mind. It's a daily dying, so sufficient for the day is the power thereof ...He will give you the grace for each day. Just live and breathe His will each day and don't worry about how you will be able to make it through tomorrow. And that applies to your prophecy channel as well. (End)

Don't let the flesh stop you now. Having come so close, don't turn back now. Take each day as it comes, obeying, yielding, letting go. (The Wayside)

What is the light that your focus must be directed toward? The light of God's Word!

Fear will have no place in your hearts because you will be looking up and beyond any fear that the darkness can threaten you with. The troops who will be successful will be the ones who have learned to give their all to focusing on the light. This will be a test for each of you Family troops, much as the water drinking exercise was a test for Gideon's troops (Judges 7:4-7). You who learn to focus only on the light are those who will be strong right through to the end.

This is a major key in winning the war. ***The light must be your focus--not problems or weaknesses, but light.*** Looking at the weaknesses instead of the light will give way to fear as the darkness becomes ever more evil and prevalent. But the Enemy will have no power over those who have learned the excellent power of focusing only on the light. Praise is a very effective step toward focusing on the light. Claiming the keys of positiveness and faith focuses one's sight on the light. Natalia, as she leads in praise, leads God's children to focus on the light. Jesus' Words all focus the reader on the light. Prayers that are prayed in faith focus on the light. Loving Jesus through hymns and intimate conversations with your Husband focuses your sight on the light. (Admiral William Halsey) (PFTCOD5)(MB blog post Aug 17 The Light of Israel)

Saramay, I'm so human, so so carnal... how can I even grasp such depths... how can I even dare to come so near?

Saramay) He's looking and looking for willing hearts. He knows that it is impossible to be without fault, for all, even those prophets and martyrs who He poured out this love upon were men of like passions and failed at times. But the thirst and the willingness were present within their weak frames. They couldn't be perfect, but they were willing to take the steps that lead close to His heart and when they touched Him, He touched them and gave them that love that burns out all other opposing flames. All fear, all persecution, all forsaking is consumed here in this love. And He's offering it to you... He's inviting you to join hands with me, His Blue angel, to discover this love for yourself. All He's asking in exchange is that you leave yourself and this world, so that you are only looking up and longing at every moment to touch and experience what He has to offer. It can seem like a long way to this pinnacle, and yes, the sacrifice is great. I tell no lies--***pride of any kind cannot come with you; that is darkness from the other side, with the lowest of frequencies.*** If you are yielding to pride you can't even approach me, a blue being, because you are on a completely different frequency. I can't even touch you. Your other spirit helpers that will help fight pride can try to be there for you, but me as a blue angel cannot reach your spirit until you turn your heart away from pride and towards the higher frequencies...so as you embrace humility more, the more I can touch you, and you me. I am a gentle spirit and to live with me you must fight pride and your selfish ways. I can't exist with these things, so the more you shun these, the more I want to come near to you and the more I can take you higher and further past the known colors and frequencies...till at last you can revel in this great Love. ("Is the Color")

Lisa) Today is the 12th November, 2024 and as I am rereading this journal and particularly this last prophecy from Saramay, I see that my pride has been stopping me from getting closer and more intimate with my own blue angels. I have been wondering why for a while and couldn't understand it but now it is very clear to me. They don't want to come near to me so much because I am full of pride and my lowest of frequency repels them. It must take great effort to share anything with me. Oh dear. It seems it's pretty important to go over and over the word that has been given to you; specifically to you, for therein lies the answers and you can't get it if you only go over it once. Well, obviously for me, anyways. As I read on it becomes more and more clear. TYJ!

Blue angel) Darling believe though you don't understand really, I say yield to the power pulling you closer and closer to the power of the keys...drawn irresistibly into our arms!

Lisa) The Lord then led me to read Blue and Gold again; my most favorite comp. which I have read a million times. It's been awhile since I last read it and so it feels like reading it again for the first time; it's so powerful, so deep! It just puts the carnal mind to shame and I realize again that this is a completely new level we have been taken to; so much higher than the silly puny confined and limited, flat-landerish carnal world existence. What amazing insight we have been given! How can I keep falling back into the earthy mudman confines of the carnal mind so easily? I don't even have to live there, if I choose not to! The nature of man, I guess! I have to go swim in the River of Life and be washed and reminded of its wonders every moment.

Saramay) Come near me and I will give you what I have: Blue and Gold. LIFE and PURITY! I will replace the darkness in you with light as you pull away from your own way. If every time you feel that pull you call on the keys, then you will be able to escape...but I warn you the tentacles of darkness are impossible to get off unless you throw yourself on these Keys. It's an uphill climb and you can be sure that millions of things are desperately trying to pull you down into the morass so you can be darkened like mostly everybody else...but stay here on the cliff face and resist all the carnal mind and the cries of the world that say you are insane for believing in Colors like Blue and Gold and Purple and even the Light which created this Earth you all live in...which are so far above their comprehension. You simply have to choose what you want to live for. What are you going to put your faith in...the millions or this One Voice that calls you away from the multitude and up to the Heavens where real Magic and Beauty are?

It's sacred and only for the most searching of hearts. You can't have any motivation of self —self must die. Self has to die and be buried. ***Self-seeking, self-confidence and self-righteousness all have to be scarified and burned*** for you to be allowed in to our hearts fully. To learn about us, there must first be a dying—a laying down and a great surrendering. Yes, it goes deeper than just hearing from us in prophecy, there is much more and so much more to explore if you can believe. Accept now, thy lowly status and I will pour the elixir of humility on you and you will see.

Call on the Keyes and see into Me like never before.

21st August, 2024 Ebed) What wonders the spirit shows you; the reality that strips away the false insidious lies and thoughts of the enemy that just creep in and swamp your mind until you are floundering. But as you read B&G you realize there is no need to be drowning in his swamp. You have been given so much truth you only must choose to embrace it and hold onto that Truth for dear life. If you let it go then you get swept off your feet and the lies overtake you; the carnal mind so readily jumps in to rescue with all the 'o so soothing' thoughts of self and your own supposed rightness or the down to earth realities as well as the very negative vibes of the how you can never be good enough to be a good prophecy channel; as well as the comparing. It's so agreeable! But they aren't soothing; they are a subtle attack to stop you! They really take you to a place you don't want to be in. He's attacking the very thing you need the most...your prophecy channel; your lifeline; your connection with us; your communication SYSTEM! You wonder why you are so weak. How is it that the enemy can over- run you so easily and pull you down into thinking that you aren't a very good soldier? Well, that is his job and he's very good at it. You have to learn to be tougher in the spirit and not cave in so easily to his wiles. Get up and learn to be a fighter and bare your trials more bravely. Fight with the weapons you've been given and be more determined and stop feeling sorry for yourself. Believe instead of doubting. Force yourself to take positive action; a positive stance. Stand up to him and keep hitting back. Stir yourself to do something about it and keep fighting back for as long as you need to. Sit there and get prophecy and don't leave until you have one. It's not a performance; it's not you; it is you sitting there quietly in submission in all humility waiting on the spirit realm to punch through. You just need to open up and be the open vessel to allow the word to be poured in. You can do that. Don't allow the enemy to tell you otherwise. You believe! Stand on it now! Call on the keys of humility and submission. You must decrease so He can increase. He only...(End)

Psalms 62:6 He only is my rock and my salvation: he is my defence; I shall not be moved.

3rd September, 2024 Ebed) It takes faith to step out onto that limb and turn around and saw it off. And that limb is you! It's you and all the things you think you have to do to accomplish His will or how you need to be; it's all your strivings and using your mind and your practical sense and intelligence or your past experiences. And it's very scary to be out there standing on nothing but the spirit of God and trust that with 'you' gone and instead totally trusting on Jesus and the keys and your helpers that you are actually going to stay up! ***It's fear*** that it won't be enough. So you scramble and your natural instinct is to hold on to your fleshly ways instead of letting go. It's so ironic because at the very same time, you don't think you are good enough to do anything much right! Satan is the master of confusion and loves that you waste so much time messing up your mind with conflicting thoughts. He wants you to stay there, not moving forward but just moving around and around in circles in the carnal plane! What a ruse! Just follow the instructions that you have been given in the Word. This is where you have to believe and put your full trust in our realm and step away and forsake all that pertains to the earthly plane you live in. Be still means stop your strivings. And know that He is God!(End)

The Devil's greatest power is in fear, and therefore his greatest grip on your mind is through its inability to understand the things of the spirit.

Your spirit senses the true realities and longs to partake of them; it senses their value. That's why as you take on more of My mind through the Word, through communing with Me, through hearing My voice in your heart and allowing Me to love you intimately, the carnal mind's control weakens and your spirit's control increases. Satan's grip through fear of the unknown weakens, as I and My realm become more and more real in your life. (Heavenly Culture! [#3645])

"Fighting those carnal thoughts and this mind is what makes you the fighter you have to be, but it also makes you soft and submissive as you call for our help for what is impossible to you. You see it is a cycle of you fighting the carnal mind and then calling us to help you because truly you can't do it, but it is in this calling that you open the way for full possession." (B&G)

Jesus speaking: *There is nothing hidden that shall not be revealed in My time. Certain things are hidden, but when the time is right, I will reveal them to My prophets of the End. Your part is to open wide, and My part is to pour in. There is never a problem on this end. Always the problem is with the conduit, either from a lack of desperation or a lack of fighting off the attacks of the enemy.*

(From our John) Before this message I asked Aquamarine what should I do today and received, “Work on practicing your channel. Don’t leave this room until you have really sucked and gotten through. You are here at the farm to practice using your channel. You will have to fight to hear from us. The enemy will do everything in his power to block you from hearing from us.” Then the distracting noises started, and I looked in my key promise memory booklet for a key to use and selected “The keys of iron” to fight against the enemy’s attacks, but the distracting noises continued. I moved to another building, and other noises started. I moved back to my room, and loud talking started. I put on large headphones to partially block the noises and started to receive:

Jesus continues: I can pour down new things. I love to pour down new things. The only thing I need is a clean channel that refuses to give up and fights the attacks of the enemy with everything that he has. You are right now in the purple mist. You only need to find your way to the generator. Let Aquamarine lead you by the hand. She knows the way well. (Noises start again) Don’t let the distractions distract you. Yes, they will come. You have to have faith because only faith will protect you from the tremendous power there. As you approach, you feel an exhilarating feeling. You feel so young and free. You can’t have a speck of fear, for that is the wrong frequency. I call you to concentrate. You now feel no weakness or drowsiness. You are tuned into the very mind of God. Yes, you feel so small. Listen, what do you hear? (I picture a waterfall and hear the fall of the water.) That is the water of My Word. It never stops and is a great quantity of water. (I see myself standing over the top of the waterfall ready to jump down into it.) Yes, it’s a little scary, and it takes faith to jump down into it; but oh, what an experience it is. (I jump down into it) Isn’t it exciting that you can breathe underwater? And you don’t feel like you are falling down any more. What would you like to know?.....(End) (MAY 7, 2024 “Nothing Wrong This Side Of The Veil ALWAYS THE PROBLEM IS WITH THE CONDUIT, EITHER FROM A LACK OF DESPERATION OR NOT FIGHTING”)

Effectiveness in prayer is not a talent that you either have or you don’t have. Everyone has the ability to be a winning, proficient master in the art of prayer. You just have to hone your skills. Study the music sheet of My Word so that you will know it backward and forward. Tune the strings of your heart so that you’re in the best position to receive My answers. Practice your voice of faith by memorizing and claiming My promises. And then get ready to play beautiful music that will reach My heavenly courts and allow Me to pour out the blessings and answers in abundance. ***Things are going to progress beyond anyone’s natural abilities, and those who have leaned on the crutch of their carnal talents will find themselves much less useful, but a person who has mastered the art of bringing his requests to Me, and then patiently and praisefully waiting for Me to work, is going to become infinitely more valuable in any sphere of My service than one who is naturally gifted for certain tasks.*** If you knew how effective and efficient prayer was, you’d hardly do anything else. Prayer opens doors that cannot be opened otherwise, breaks chains that would be impossible for human strength to break, removes the most daunting obstacles, delivers the most well-guarded prisoners from Satan’s clutches, and causes miracles to become commonplace occurrences. (Praying Professionally PFTCOD#14)

Azoria (Blue Angel) Keep holding on by faith and keep praying. It’s not about what you can see; it’s about the Spirit. What’s happening in the Spirit? ***What’s going on in the Spirit? What is the Spirit doing? That’s where the action is.*** You may not hear about anything. You may be cut off from the internet and the news and the other COD, so looking for signs or waiting to hear about them from news articles will not be possible. So it behooves you to believe. And it behooves you to get into the Spirit of prophecy and faith so that we can give you your instructions and your revelations and your news. Straight from the Spirit is where it’ll come from. Yes, it will seem as if you’re walking blindly into the future, trusting only on a prophecy or a dream or vision —with no outside sources, with no idea of what’s happening. ***Can your faith be this strong? It will be if you delve into Us. Spend more time in prophecy and train your mind to pick up our signals more easily. Remember, we’re the biggest broadcasting station around, and we have all the news and all the truth. We have the best operators and the most reliable information. All you have to do is be desirous and willing to hone and tune your receiver to catch our messages.*** And, the more you **choose** to steer your comet in the trajectory which leads behind the Son, the more the static and lower-frequency channels of the enemy will be jammed out, and the better you’ll be able to hear from Our stations, the crystal-clear ones. We will guide your shuttle safely back to Space City. Yes, it’s by choice —individual choice. You are all prophets, and all of you are comets. And together you make up a small cluster of comets. You are all traveling together, all propelled by the same cosmic wind of God’s Word. But ***each one of you must continue to choose to follow this path, by your belief in the Word we are giving you.*** (MB BLOG POST JAN 6, 2023 Going Behind the Moon)

23rd August, 2024 Ebed) Perfectionism is a ruse, a snare of the enemy cloaked in sickly sweet goodness- your own supposed goodness; your striving to appear correct but without the spirit thereof. It makes those around you to cringe because its sounds are not the right frequency and it doesn’t harmonize and bring a coming together. Instead it sets you apart and makes others feel that they can’t say too much! Perfectionism is a spirit where the flesh or your own carnal mind is leading the way! You are feeling that you are right even without following the spirit, your Blue angel! You are running ahead of them, trying to make them to approve of

your plan (as they quietly slip to the background as they see that you have preferred to take the lead instead) You then isolate yourself and become more and more closed to others suggestions and ideas because you are on a run of your own choosing. It is sending the wrong message contrary to the spirit of Jesus. He wants weak things; meaning those who know they can't do a thing without Him, without the Keys and without following and obeying the prophecies He's given you! Oh what a tangled web we weave when we first practice to deceive. You are deceiving yourself and are believing a lie. The spirit of humility is missing. Why have you fallen so low now that things have gone awry? Simply because the Word wasn't your main focus and has been pushed to the background! Instead of faith you chose to rely on your own point of view. Patience for everything, that is circumstances, the way people are and hoping for change takes faith. If the word is your main focus, if believing that the Keys will take control when you call on them then you will be trusting and waiting on Him to answer in His way and in His time. It won't matter what does or doesn't happen around you. (End)

3rd September, 2024 Ebed) I'd like to clarify one of the points above. Self righteousness many times is right about what they are seeing but the thing that's such a screech in the spirit is that it's not the right frequency! Many times you are seeing situations from the sidelines and if you aren't careful you can so easily misconstrue because you don't actually know all the facts. When you find out and become more intimately involved you find out many times your carnal mind has raced ahead. You have wrongly judged before you know the facts. Just stop doing that and calmly find out first before you get your knickers in a knot! Eh! (End)

When you feel so righteous & good, it's because you are self-righteous & not closer to God, but closer to yourself.
(Symptoms & Results of Self-Righteousness [#023])

"WELL GOD, IF I WERE YOU I'D DO THING BETTER THAN YOU'RE DOING THEM!--I'd be more righteous!--I'd heal me!"

"I'm more righteous than God! I'm better than God! I'm more good than God! God isn't good, or He wouldn't let all these things happen!"

BUT THAT'S JUST BECAUSE THEY DON'T UNDERSTAND GOD. They don't understand what He's doing or why He's doing it, & they'll never understand until they have faith to trust Him that He knows best! (Symptoms & Results of Self-Righteousness [#023])

6th October, 2024 self-righteousness and perfectionism and carnal mindedness is a thief; it robs you of being up in the spirit realm living in the free unlimited sphere of freedom; it snatches and steals away your heart from Jesus! It takes away the wonder and ways of Jesus; the miraculous, the mystery of the word. It steals your faith and trust! It tricks you into thinking you can do something clever and smart and intelligent and practical but one thing is wrong and that is *you* want all the glory. Maybe you don't consciously think that, as that is far too obviously out of it, but it just makes you feel good and that good feeling is contagious and before long you are striving and getting drunk on the accomplishment trip pretty quickly. It makes you feel useful and indispensable. But then you steal away from others having the opportunity to learn and grow and stifle them exercising asking Him everything because ...they don't need to. It is also a thief to unity because perfectionism revolves around self because it's wrapped around *your own wishes, your feelings, your preferences and your priorities*! You put yourself in a box and like things to be just the way you like them which means you don't do so well with changes, which means you limit yourself by not being so easy to work with. Or perhaps it makes it harder to yield to His will because you have your mind set on something else, some other way. (End)

Prophecy: Today there is nowhere to flee but up or into the wilderness of the spirit. You have the Key of the Wilderness. This is the reason it was given. When all avenues of escape closed; as spiritual Gypsies, those that held the Keys of the Wilderness crossed the veil and disappeared into the spirit. The Gypsies in the world today are like those Rechabites that were caught by the Babylonians in Egypt; they were taken as slaves to Babylon with the Jews and Egyptians. Today, the whole world, including the modern day Gypsies and system Christians are all enslaved within the Antichrist system and there is no escape unless they learn the secret of the Keys of the Wilderness that were given to the Children of David. And even among the Children of David the Keys of the Wilderness only work if you believe.

Only the Keys know the way ahead. If you are using the Keys then you are moving by the spirit and in the spirit. But if you are not using the Keys of the Kingdom, although you might be moving around, you are not moving ahead; you are simply moving around inside the trap.

Lisa) The same for perfectionism, you are just moving around in your carnal mind; you aren't climbing up into the spirit realm

This concept is so hard for the carnal minded systemite to understand. That is because they do not see the spirit world that surrounds them; they only see the material world. They are of the world and only understand the ways of the world. You My warriors are free because you have passed out of the carnal world and into the spirit through using the Keys of the Kingdom. You who live in My Word live in the Spirit. (End) ("Where did David's Gypsies Go?")

So, look up! ***"Today there is nowhere to flee but up or into the wilderness of the spirit."***

Jesus: I don't need your perfect polished words
You don't have to put Me on a show
You don't have to be the loudest one in the room
You don't have to be the loudest cos I hear you
Even the slightest whisper speaks volumes
You don't have to be the loudest one
Sit in silence here in the quiet
Hear My heartbeat for you.
Just for you.
I'm on your heart better than you think

Jesus) I love you and everything about you and to see you sitting there so quietly, so meekly sucking for My seeds, longing for Me, reaching for Me, hungering and thirsting. It touches My heart very deeply and I would never turn you away or simply not hear you because you think quiet little you won't reach My ears!

Ebed) You can be loud with your voice and think you have to have the answer for everything but you can also be loud with your spirit by being stoic or sullen or just not participating in a conversation or even reneging on giving an opinion or even quietly sitting there thinking you know better. Both are pride and both need to sit up, quiet their own carnal mindedness and tap into the spirit realm and pull down the answers from there instead of putting themselves out there so 'loudly'! It's grating on the ears of the spirit! Either way it is your own self rightness and the flesh becomes more visible than the spirit. The bubble of life, the effervescence, in your lives needs to be the Word coming forth, not you and your spirit, but His. You need to be fading and becoming transparent, to let Him shine through more and more...the spirit, not your carnal mind! (End)

These are the days of the voice of the Lord, the voice of My whispers, the strength of quietness, and the power of weakness. No more will I allow the strength of the strong or the wisdom of the wise or the power of the mighty to rule, for those are the ways of defeat. Now the strength and power of My Word and the strength and power of your weakness rules! The strength and power of My voice instructs, and the strength and power of My love empowers. These are the things that must rule in these days. Would you have this power? Would you have this wisdom? Would you have this understanding? Would you have this empowerment and this strength? Then come unto Me! Enter into My rest, for in quietness and confidence shall be your strength. You must stand back and see Me fight! Stand back and see My strength! Stand back in prayer. Stand back in praise. Stand back in quietness. ***Stand back in communion with Me. Stand back as receivers--listening and tuning in to My voice. Then you shall see the power and might of God in a way that you have not seen it in any of the days past.*** (ML #3014). (From Jesus with Love 1:189)

"I am calling to you...I am not attracted to the preoccupied and the noisy. I am a gentle spirit...a gentle spirit that descends on the quiet and searching minds. I search endlessly for the minds that thirst for my touch. I can't get your attention; you have to give it to me. I am your Blue angel and I want to teach you full possession. The quiet, listening minds hear my whispers and listen to the sound of my voice." (B&G)

As My Father's Word to Me had to dictate My every action, so My Word to you must dictate all your actions. (ML 3374:29)

A Perfect World Reflections 343 -- May 2006 GP By Chalsey Dooley (our very own dear Kori) **(20 years along and Jesus is coming back and we will have our Perfect World! Yahh!!)**

It was just a little thing, that smile on my baby's face, but it changed my perspective on life.

As he woke and looked up at me, he was looking at what mattered most in the world to him--me! He didn't care that his diaper needed changing or that I was dressed in mismatched pajamas, my hair a mess. He just loved me and loved being with me. He didn't need perfection; love made it all right. That moment of holding him and taking in those rays of love clarified something I'd been thinking about earlier.

The lack of perfection in life has always rubbed me the wrong way. When someone said or did something that irked me, I would often argue my case against it in my mind. *Why do there have to be things like personality clashes, carelessness, inconsideration, injustice, pessimism, putdowns? These things are real, and they are wrong! I wish these things wouldn't exist. If everyone--myself included--could just get their act together, my life could be one of blissful perfection.* Perfection, I reasoned, was the only thing that could ever relieve my irritations. But I also knew that could never be. This was real life. I needed another option.

The more I thought about it, the more I realized that what I really wanted was for the world to revolve around me--my wishes, my feelings, my preferences, my priorities. Something had to change, and this time it had to be me, regardless of the faults of others. But how? I'd tried before.

Then that morning, as I held my baby, a whisper of a thought came to me. *Would you want your baby to be perfect right from the start?*

After pondering that thought, I couldn't imagine something I would want less. If he had been able to walk and run the day he was born, I would never get to see the look of thrill and accomplishment on his face when he took his first steps and I would miss that special feeling of holding him in my arms, knowing that he was completely dependent on me. If he had been able to talk perfectly from the time he was born, I would never experience the joy of hearing him speak his first word. If he knew everything that an adult knows, I would never get to see him overcome with wonder at some new discovery and I would never have the fulfillment of teaching him something new. So many things I would miss. No, his imperfection makes him just perfect. I wouldn't have him any other way!

What is it then, I asked myself, that makes his imperfection different from the other imperfections around me?

And the answer came. *It's love.*

That was it! That was what I was lacking. That was what I needed more of in order to cope bravely and cheerfully when confronted by problems I wished didn't exist.

Think how much you would miss--the unpredictability of life that adds the sense of surprise; the joy of forgiving and being forgiven; the strong, abiding bonds of friendship that are formed through adversity, and the positive character traits that are formed much the same way--if you and everyone around you was perfect from the start.

Adding negative thoughts to a negative situation, I realized, never brings positive results. I determined then and there to look for and find the positive opportunities and experiences that are hidden behind the mask of imperfection.

When my baby couldn't sleep later that day, I decided to make the best of a bad situation by putting my new lesson into practice. I put what I had been sure was best for him and me on hold, and my husband and I took some time to sing and laugh with him. It was a perfectly happy moment that we all would have missed had everything been "perfect" that day.

Every situation and person we encounter can make our lives a ride of joy and surprise--if we look beyond. Difficulties, losses, hurts, lacks--think of each as a clue in a treasure hunt, the door to a secret vault where you will find beautiful treasures from God. "Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you" (Matthew 7:7).

* * *

If you are finding more dirt in the garden of your life than flowers, maybe you've got your eyes too close to the ground. **Look up!**
(Perfect World, A [343])

So just because you don't see Me, doesn't mean that I am not there hearing all your thoughts and words of desire for Me—and I just might surprise you some day by appearing in a physical form, saying "come". But chances are you are one of the ones that wish for the reward of faith, and can hold out for longer without seeing Me in front of you. But I'm there just the same, and wishing to interact with you in all the ways your heart and faith and body's needs crave for Me.

Just like I said in the parable, if your eye offends you, to remove it—or whatever it is that keeps you from staying close to Me, so I say that if holding back in pride in some way, some supposed "rightness" keeps you away from Me, toss that out and reach out; literally do whatever it takes to keep that touch with Me, and to keep your faith alive and thriving. Remember, there are no boundaries to My love. I'm there for you all the way. And the more time you spend with Me, the "righter" you will be.

I don't have boundaries for the sincere seekers. Only those who want to use Me as a way of getting what they want out of life—like praying for selfish wishes that have nothing to do with our ongoing relationship and the needs of My heart—I don't satisfy those. But that too is love, because then they will seek out a better way to My heart, and find Me. Their being left without will show them the way to a closer relationship with Me. To say you'll love and praise and worship Me in one way, and not another, doesn't make you more "righteous" or more loved, really. It's all about what each person personally needs to make their faith in My reality grow to such heights that nothing and no one can topple it, or top it. Accepting and partaking of the ways of loving Me and receiving My love could be described a bit like going to a buffet that I've prepared for you. All the dishes that I have put out, I have worked hard on to make them each just as nice and nourishing as the rest. You choose one; you don't choose the other, according to your hunger and need. I'm not judging you by what you eat or don't eat, as all that I've placed there is for your good. (Ishi)

Jesus) You see perfectionism is stifling and very limiting; what you think you need yourself and how it even should be for others. But everyone is different and come to Me in a different way. I will welcome them and embrace them nonetheless. What does it for you may not necessarily do it for someone else so you need to broaden your outlook; you need to be more flexible and adaptable to accommodate all sorts of ways and means. My disciples were all different; they had different personalities, different talents and different ways of showing their love for Me. But all were accepted; none were wrong. So thinking your way is the only way is wrong and thinking that the way I deal with you, because it is different, is not fair, is really wrong too.

If there is something that isn't right, I can show it to you, but I won't send you out of the room for "time out" to learn your lesson to

be “right”. No, I’ll say, “That was nice that you wanted to love Me in this way; I have an even better idea, how about we try it like this instead?” and I’ll offer you a wilder and more exciting way to get real close to Me. But I won’t condemn you if in your attempts to have all there is of Me filling you, you do something that is displeasing to Me. I will honour your love and lift you to new heights. So don’t fear. I’ll honour your attempts and teach you new ways of loving Me that will truly satisfy you in more ways than one. (Ishi)

Ebed) Jesus is so loving, so kind, so merciful, so flexible and adaptable! Some people say they will and then don’t, whilst others say they won’t do that thing being asked of them but somewhere down the line after some lessons learnt, they yield and surrender their will to His. So how can perfectionism be right? It’s boxed in to, ‘this is the only way’. That is so narrow, and so limiting! Jesus is not like that. He is so accommodating, so welcoming with His arms open wide. So like Kori said above, you need more love! Doesn’t that just open up your mind to all the implications of that statement! More love! Everyone is different, but made in His image. So all are little Him’s and everyone has a different personality and everyone has a different way of going about what they do; they have different quirks etc. But they love Him despite all these differences. They are His lovers, His children and He loves them all despite how different they are. Imagine thinking that all should be how *you* are and operate the way you do or go about what *you* do just like you! That view is pretty arrogant and shockingly bigoted. (Me) Imagine, I just looked up the meaning of bigoted and it says having strong, unreasonable beliefs and disliking other people who have different way of life. And the example of its use was, “She’s so bigoted that she refuses to accept anyone who doesn’t think like her”) That’s what perfectionism is really. Your way is right and everyone else is wrong. And it’s the enemy using your quirks to control you. He’s using it to have some power over you and spread dissension among you. It distances you from others and you yourself put yourself outside their circle. You have such high expectations that you don’t feel comfortable and they don’t feel comfortable around you either. You think they should be a certain way and maybe they are just really open to accepting you if you would just relax and put down your mask and be willing to become one without any criticisms and being willing to not be judgmental of others and stop thinking they are summing you up. Because you have had typhoid, it is in your blood stream, albeit, at a very low level, but it can flare up if you come in contact with it again. It seems these lessons of love appropriately affect your inward parts and its time again for washing and cleansing as in Psalm 51- “create in me a clean heart”, “renew a right spirit within me”, “a broken spirit and a contrite heart Thou wilt not despise”. So those tinges and wondering if typhoid is back has just been a reminder to you, to bring you low and humble, to dwell on your nature and change the ‘sickly’ parts. Put down the intense striving and let the spirit flow through you washing you clean of all the toxins of false truths. Recognize them and confront them and oust the enemy’s strongholds in your inward parts. It’s more flushing out the frequency of 666. Imagine that you still have the world in you! More of His love is needed, more wisdom from the Keys, more opening of doors of love in your heart and closing the critical, negative, divisive, bitter ones!

Note: I found out that the only Greek word in the NT which has a numerical value of 666 is ...I forget the Greek word...but it meant ‘tradition’. So can you imagine tradition or rituals or churchianity or ...perfectionism....like a Pharisee, has a numerical value or frequency of 666!

I just decided to look it up again and the Greek word is *‘paradosis*. Sounds like a medical condition; like *‘inflammation of Paradise’*! But besides meaning traditions, it also means to hand on, to give up, to surrender; has a secondary meaning of betrayal or a traitor! It’s handing something on...or handing someone over. How interesting. How diabolical!

Jesus rebukes religious leaders because they’ve made the Word of God null and void because of their “human traditions”. (Mark 7:13)

PSA.51:7 Purge me with hyssop, and I shall be clean: wash me, and I shall be whiter than snow.

PSA.51:16 For Thou desirest not sacrifice, or I give [it], Burnt-offering Thou acceptest not.

PSA.51:17 The sacrifices of God [are] a broken spirit, A heart broken and bruised, O God, Thou dost not despise.

Prophecy continues) The sacrifices of your own rightness are not acceptable; your burnt offerings of works and arm of the flesh strivings are sickening in His sight. A broken, bruised heart of compassion and acceptance of others is what He desires. Your vessel is clogged with bitter waters of gall that don’t allow the nutrients of the Word and the power available from the Keys be absorbed. You are dry and emaciated in spirit; malnourished. Yes, he will be more vile than thus because He loves you so much and He knows your heart wants it; wants to be cleansed and readied as His bride to be as pretty as she can be to please Him; to pleasure Him. Your one heart’s desire!(End)

Thank you dear Ebed, sweet counselor, for exposing my inward parts so graphically. Perfectionists seem to need that, unfortunately! Yes, I know it’s self-righteousness. Srness is blind so the scales have to be *ripped* off.

Ebed) You will have more peace of mind; you will have your eyes focused on us, your helpers more, and you’ll allow the keys to

change you. Perfectionism is really looking at your circumstance; looking at the physical and this is a great hindrance to faith. Faith is believing in the unseen despite your surroundings and conditions for either your immediate physical situation or how people are. It's a device of the enemy to cause doubt that He is able to come through for you simply by using the keys and believing. Your perfectionism is the opposite where your physical state has to a certain way before the required results can be achieved. Unbeknownst to you this attitude affects your spiritual attitude and outlook...your faith! It's sly and devious! A snare! Perfectionism is very similar to the old law; churchianity. It is a squelching of the wild and free spirit of David! All our little insistent physical fetish ways that you so think are necessary are likened to rituals and ceremonies. Lord forbid. Jesus set you free from all that. Your waters are tainted with the old! It's time to let it all go and wash it down the river and out to sea where the bottom feeders can gobble up the rubbish that it is. It's a revolution sister! ☺ It's about grabbing ahold of the new and the being set free, using the new weapons and operating up in the spirit and getting out of that damnable fleshly realm. It is of the world and you hate the world! (End)

PRO.20:27 The spirit of man is the candle of the LORD, searching all the inward parts of the belly.

PRO.20:28 Mercy and truth preserve the king: and his throne is upholden by mercy.

PRO.20:29 The glory of young men is their strength: and the beauty of old men is the grey head.

PRO.20:30 The blueness of a wound cleanseth away evil: so do stripes the inward parts of the belly.

19. The candle of the Lord searches the inward parts of the belly. My Spirit shall try the minds & hearts of men. Therefore stand fast & doubt not. Keep your heart with all diligence, for out of it are the issues of life. Seek ye first the Kingdom of God & His righteousness, & all these things shall be added unto you.

20. Let not the flame flicker low, but fan the flame with faith! Fan the flame with faith in My Word! Faith in My Prophet David! Faith in his Words that the end is nigh! Faith to tell others! Faith to live that which ye believe! Faith that I shall accomplish My purpose through you! Faith that the next life is real! Faith that ye are in My hands, & I am your Lord, & ye are My children! Faith that I have a plan for you! Faith that ye are not forgotten or forsaken! Faith that My eyes can see you wherever you go! Faith in the Words that I have spoken of old, faith in the Words that I have spoken today, & faith for the Words that I shall speak tomorrow that shall lead you in the paths of righteousness! 8. Examples of those who were free in the Spirit and free from the letter of the law.

* 2 Samuel 6:14-22 [King David wildly danced in joyful praise in the freedom of the Spirit.] And David danced before the Lord with all his might; and David was girded with a linen ephod. 15 So David and all the house of Israel brought up the Ark of the Lord with shouting, and with the sound of the trumpet. 16 And as the Ark of the Lord came into the city of David, Michal Saul's daughter looked through a window, and saw King David leaping and dancing before the Lord; and she despised him in her heart. 20 Then David returned to bless his household. And Michal the daughter of Saul came out to meet David, and said, How glorious was the king of Israel to day, who uncovered himself to day in the eyes of the handmaids of his servants, as one of the vain fellows shamelessly uncovereth himself! 21 And David said unto Michal, It was before the Lord, which chose me before thy father, and before all his house, to appoint me ruler over the people of the Lord, over Israel: therefore will I play before the Lord. 22 And I will yet be more vile than thus, and will be base in mine own sight: and of the maidservants which thou hast spoken of, of them shall I be had in honour. (Freedom-Word Topics)

(8/69) ALL THE THINGS I HAVE SHOWN THEE HAVE COME TO PASS...Thou shalt be more vile also & thou shalt expose thyself even more that I may be glorified, & they shall know that it is not thee, but Me, & that thou art nothing & base & despised. Even as David sinned, yet I called him a man after My Own heart, who did sin but glorified Me knowing that he was not, & gave Me all the glory. even so shall it be with thee Thou shalt be despised in their eyes that I may be glorified.

FOR THIS CAUSE SHALL THOU BE CALLED A MAN AFTER MY HEART, & when thou art tried, come through as gold. For thou shalt comfort others with the comfort wherewith thou hast been comforted. Thou shalt be bought low that thou shalt be made humble, & the latter end shall be greater than the former. And thou shalt rest in the end of thy days, Having done My bidding for My glory. For I shall purge the kingdom of them that will not follow & of them they say, "Hath not God also spoken through us? How then shall come to them in My fury & wrath & they shall know that I am the Lord & I choose whom I will! (Prophecies of David! [#1363])

IF THOU CANST NOT BEAR THIS LITTLE, what shalt thou do when I shall speak unto thee continually as the Prophets of old? But in that hour thou shalt be concerned with nought but My voice & My leading, moment-by-moment, & thou shalt do nought but listen & obey! (Prophecies of David! [#1363])

10. And DAVID CURSED THE OLD AND FLAGRANTLY DEFIED THE OLD SYSTEM, and said, I will even "play before the Lord, and I will yet be more vile than thus, and will be base in mine own sight. and of the maid servants which Thou hast spoken of, of them shall I be had in honour!" For Michal had said, "How glorious was the king of Israel today, who uncovered himself today in the eyes of the handmaids of his servants, as one of the vain fellows shamelessly uncovereth himself!"!--"And she despised him in her heart." "Therefore, Michal, the daughter of Saul, had no child unto the day of her death."--THE OLD WAS STRICKEN BARREN, AND DIED FOR LACK OF CHILDREN! The unfruitful old despised the vibrant new life of the New, and so, brought DEATH TO THE OLD ORDER THROUGH ITS CHILDESSNESS! What a picture of the Old Church today!

David brought back what God **really wanted--not forms and ceremonies, rituals and temples--but the spirit of God to the children of God, the true temple of God, in true spiritual worship.** (Ps.107:41; 128:2-5; 25:12,13) (Let the Dead Bury the Dead [#0153])

26th August, 2024 Ebed) And let the live ones bury their old barren stricken ways; their old church unfruitful habits; their wanting ceremonies and rituals, clean tables and surfaces; everything straightened and in perfect order; bottom sheet pulled neat and tight without wrinkle before sitting at His feet. Like Martha running around madly getting the physical right, being the proper hostess instead of forgetting protocol and putting everything down to do the very most important thing. Why miss the Master's words for clutter. You will not take a clean room or table with you when you leave this earth but you will take your time spent in His word. You will take how you treated people and whether or not you embraced all the nuances that life brings with grace and patience displaying acceptance and faith and trust and most importantly, love. Without love it is nothing, nought! You will not be without spot or wrinkle till you are in His presence. Only He can fix you up finally and be how He wants you to be. So sweetly He says, "You are altogether beautiful, My love; there is no flaw in you." Such positiveness, such faith in you becoming a new creature! How much more so then should you not expect perfection when you are a mess yourself. You do realize it's the spirit, the spirit I am talking about here because of course you are not going to live in dirty surroundings and never clean up. It's what is in your heart? What are the thoughts running through your mind? (End)

Away with you now, you and your system ways, you and your practicalities! (Staying in the Spiritual Wilderness)

Through the power of the keys you can be a Mary instead of a Martha. You will be a Mary if you claim the influence of key power over every aspect of your life. So let the keys tap you into the "Mary spirit" of Heaven, which is full of Marys.

Earlier I asked, *"But the perfectionist side of 'us of Lisa's clan' or 'us perfectionists' makes it more complicated than it's meant to be. Or more correctly is it a manifestation of wanting to see rather than simply believe and unconsciously thinking I have to do something in the flesh?"* and I quoted, *"Today there is nowhere to flee but up or into the wilderness of the spirit."* So I was reading again from "Where did David's Gypsies Go?" this morning and I think it answers my question.

"You have followed My Word into the wilderness by faith, there is nothing here to prove that you are in My highest will, all you have is My Word that told you to do what you are doing. True men and women of God don't need anything but My Word, because they know that My Word is enough, when I say something or give a promise then that is enough, no proof needed. This is what you are learning. This is what the Words of David and Maria have taught you, so why would you turn from this truth and follow after another? Well the answer is simple; you have lost faith in the Word. You have become dissatisfied with the results of living My Word by faith. The world is still in you. You have not reached the point where My Word is enough. You are not truly living by faith in My Word alone. All along you have been expecting something from Me. My written Word is full of promises, I know. But those promises weren't put there to entice you. They are there as an assurance of what I will do for you if you live by faith in My Word. In these Endtime days I am stripping down the racer. All unnecessary gear has been stripped away. It is the same principle as the duffel bag analogy. To get through the wilderness you must be running on nothing but high octane, meat of the Word, purely by faith in My Word and My Word alone. This is the acid test, the test by fire. Who's living by faith in My Word alone, no matter what the outcome the result the proof of success? This is what the wilderness was about in Moses' day, and this is what [the wilderness](#) is about in your day."(End of excerpt)

Miracles as great as those which are to come in the days ahead require great measures of faith! God has been testing our reliance upon Him. He has allowed us to see that we have fallen short, as weak and faithless men when we do not see with our natural eyes the manifestation to that which He has promised. Yet He has in truth answered as He has promised, and we must set our belief upon this principle, regardless of whether or not our eyes bear witness to this. In time, we will see the manifestation, as surely as the sun will rise each morn and set each even. (Abraham - Two Tests and a Wish [#010])

"The strength you will need to accomplish the great task that is before you can only be found in the wilderness. It's not by works of righteousness or by the arm of flesh, but faith in My Word alone. *And his disciples say unto him, whence should we have so much bread in the wilderness, as to fill so great a multitude?* **Matthew 15:33**. I am the bread of life; only faith in Me, My Word and the Keys will you find what you need to fill so great a multitude. So come unto Me in this time of testing and in Me find the rest and peace of mind you will need to continue this journey. In your patience possess ye your soul, patience takes faith, so be not weary with these tests of faith for they are sent to strengthen your love in My Word. It is My Word that will sustain you, be not as the unbelieving multitude who look for signs and wonders, who were drawn away from Me at the time of the great falling away. More tests must needs come, My Gideon's few; for you must be made white in preparation for the time of the End. These tests are a great honor that I bestow on David's children, those that esteem the Words of David, My Words, more important than their reputation, their life and their necessary food. Take My hand now, and let's move away from the plateau edge, for there is a great swelling and moving in the lowlands of this world. The Son of Perdition has taken his place as the last king and ruler before the return of the true King. There will be much turmoil and anguish, a great purging in the short time remaining before I come for My own. Come out from among them, do not embroil yourselves in the affairs of the men of this world, for in so doing you are working in the arm of your own strength; the arm will fail. It is in the spirit where you will prevail. Come now, let us go. *"And he sent away the multitude, and took ship, and came into the coasts of Magdala"*. **Matthew 15:39**

The Word old and new, but especially the new, New Wine for today is the light Jesus is shining on our path through the wilderness ahead.

27th August, 2024 Ebed) That is the bottom line...your strength to endure, your way through all that is to come ahead of you will only be found in the wilderness, the new New wine that is being pumped out, pouring forth through MB plus your own personal connection through your prophecy channel! Your own arm won't save you. Perfectionism is just a manifestation of trying to do it yourself; accomplish in the arm of the flesh or thinking things through in your own puny mind having some grandiose idea that you will come up with the answer! You try and do this and that to make things as you would like them to be; all neat and tidy ; and then you come the next day to find the same scenario and get frustrated because people obviously don't see it the same way as you do or think it's so important and maybe it's not. Maybe it's just your pet peeve, which you seem to have many of. And when things aren't going as you think they should; aren't as perfect then you get disheartened and discouraged and negative about the situation and/or people. You lose hope. But hope in what? Your own expectations, that may not even be His! You cannot force or expect or think in your carnal mind what you think the time table of situations changing or people changing, learning and growing should be. Jesus is in control, believe it or not and He is in control of other's lives and walk with Him. Some are slow to get it and it takes time before you see results and change. But you have to believe that Jesus is doing it even if you don't see any results. You have to step away from this perfectionism mindset where you have created your own set expectations. It's so restrictive and it's binding you all up. You are letting your carnal mind take precedence in these situations when it needs to be the freedom of using the keys and unleashing them to take care of the problems. You can't fix things...only Jesus and the keys can. Faith takes patience. Faith has patience. Faith takes trust in Him. Get your eyes off yourself and out of your own mind and get into the coasts of Magdala and cozy up with your Husband for some loving times where you forget what you *think* is proper and let your hair out and be free in wild abandonment of the spirit in the wilderness, where the real reality is, that of living in the spirit; living by faith and trusting Him! You know nothing! You even sound like Job before he finally bowed his head in ashamed humility. You propose to know the workings and ways of God better than He? (End)

(Jesus:). When all you see is the fact that I allowed it, then your faith is sure and your heart is encouraged and your spirit is refreshed--because you know that I only allow that which is good in your life. When you have faith in the "Who," then you don't need to worry about the "Why."

The strength you will need to accomplish the great task that is before you can only be found in the wilderness. It's not by works of righteousness or by the arm of flesh, but faith in My Word alone.

As we go deeper into the wilderness, the Word, our prophecy channel, will be our bread and butter. Faith comes first, all these gifts and weapons of the spirit must be built on faith.

Practice now My dearest ones, practice going deeper into My spirit, the River of Life awaits you, it's warm waters of acceptance, your loved ones in this realm, all with open arms are bidding you to enter more fully, to join them in the eternal now. Let the things of this world go and begin to live more deeply in the world of the spiritual, the wilderness that has been prepared for you and those whose faith has no boundaries except one; belief. (Staying in the Spiritual Wilderness)

Ebed) it's not that having things more clean and tidy and organized is wrong in itself. We need order and organization for sure. If others are not picking up after themselves then they need to work on those bad habits. But it's what it does to *your* spirit that is the whole point here. It's how it strangles you and makes you frustrated and negative. It's what the enemy is using on you as a handle to pull you down and let the carnal mind take control; it's opposing faith that everything is gonna work out so just relax and don't get

so hyped up but trust instead. Your ways are not necessarily His ways especially when in this mad mode of perfection. It is akin to requiring signs and eats at your faith! It's very subtle but nonetheless it's a physical manifestation of a spiritual battle designed to trip you off. The enemy is entangling you with petty silly little things that in the whole scheme of things doesn't really matter. He's just using your weakness as a trip off to keep you away from the word or get your mind on an annoying situation instead of praising and wielding the Keys which have obviously so much more positive uplifting power. He tries to prevent you from invoking the Keys because he knows how fortifying to your wilderness camp they are. The truth is there will always be distracting physical problems and people problems, but the exercise and the change we'd like to see in you is to roll with these incidences more fluidly. Be like a spiritual gymnast who because of her training is an expert on the high beam and can perform aerial feats gracefully which the power of the keys afford without falling down to the mat in a crumpled heap! Look up and keep your eyes fixed on where your strength comes from. It's going deeper into the wilderness with the intent that you will be better equipped for what is coming up ahead in 2025. We are trying to move you away from the cave entrance where the enemy skulks. We are trying to eliminate these carnal minded tricks so you can stay focused on Jesus and the Keys and the way He wants. Look up, for He only is your Rock and defence and be not greatly moved for He is your strength but keep your eyes steadfastly on Him! (End)

There is nothing left in the physical realm anymore (Crash letter). Everything is now in the spirit; the Keys are spiritual. The things that you need to survive come from the light within My tunnel, My wilderness. Many, many more spirits are gathering around you now. (Staying in the Spiritual Wilderness)

Only with the power, wisdom and guidance that you will find when you search beyond the veil will you have the ability to endure—and not only to endure, but to overcome.

Ebed) You see that this handicap of yours is a definite hindrance to your power of endurance. It's blocking your use of the keys to help you to rise above. But now that you are aware of this ruse you can command the keys and they will help you to overcome, to give you the grace to withstand these attacks of inconsequential situations! You must pray each time and ask us for guidance to know what you should do. "The kingdom was lost because of a nail" comes to your mind which emphasizes the importance of little things. But don't confuse being faithful and diligent in performing your duties with your tendency to allow the enemy an inroad through your intolerant spirit of perfection! You need to just let it float if it's already floating! Maybe it's not floating the way you'd really like it to but who cares! It's floating and that's all that matters! No one else minds so why should you. There is your beauty of living the Law of Love that you mentioned has helped you all to complement each other! Brit's 'floating' is rubbing off on you. :) (End)

You, My loves, must remain militant in all your ways. Keep the doors of your mind closed to all inroads of the enemy by using My keys.

In just under one year from now, at the beginning of 2025, you must be ready. The giants must have been routed from your minds and defeated. These are the ones that stole your faith in the Word and thus your power to go in and claim your destiny as My Endtime prophets of the last days. Rise up, My warriors of the End, for the weapons of your warfare are not carnal like it was in the days of Joshua and Caleb. Yours are mighty, far mightier than the sword and buckler, the stone and sling. Yet the battle is the same. Those men of faith faced the giants of their day, and you now face the giants of your day. Gird up the loins of your mind, for that is where the battle begins. (Staying in the Spiritual Wilderness)

Jesus: You won't be able to do this work in your own strength. You won't be able to meet My requirements propelled by your own steam, by pushing and trying hard. It will not happen, My loves. You who try in the arm of the flesh will fail and will fall by the wayside. This is part of My plan to continue the sifting of the saints, to weed out those who are unwilling to learn the art of spiritual warfare and how to fight the battles by availing themselves of My strength. page 92 MB pages

There are certain ways to walk in the wilderness. To be a wilderness walker you must first put off the carnal mind, the doubtful mind, and enter through the Spirit. Then, once there, you must focus and strive to stay in the wilderness by using the spiritual weapons to keep your mind in subjection with Jesus's mind. You lean on Him, your Beloved. (Staying in the Spiritual Wilderness)

29th August, 2024 Ebed) That verse, Habakkuk 3:17 is sticking with you, because there is a message there for you. What if all that Habakkuk was speaking of were spiritual characteristics that were lacking in the wilderness around you, such as your very own children not making the right choices but instead choosing the ways of self and obstinacy and pride and having unheeding ears and unbelieving hearts! Or like the fig tree illustration in Matthew 21:18-20, all showy with lots of green foliage but yet nothing to show for it; no fruit! The lesson of course being hypocrisy! You can be getting all the prophecy you like and reading lots of word but if you don't heed it then it's all foliage; looks good but there's no fruit to show in your life. The way you behave is contrary to the deep prophecies you are getting. And maybe you're hiding behind the lush growth of leaves that look healthy enough but if you search 'underneath' there's nothing to back it up! Your fig tree hasn't been pollinated by the spirit!

And then the spirit speaks deeply to your heart that what if there are no figs on the fig tree and no cattle in the pen or so few that follow hard after Jesus and the new new wine of the words of David? What if even your own children choose not His ways or even if they choose halfhearted ways that only look like that green foliage yet you aren't seeing the fruit, what will you do? What will be your stance? You cannot give up! "He that forsaketh not all that he hath cannot be My disciple!" But yet, this 'Key' word you read in "Where did David's Gypsies Go?" tells you in no uncertain terms that only the keys show the way and without the keys there is no freedom! Freedom from your shortcomings and carnal ways; your fleshly ways that you clutch onto that only bind you up and create a blockage to true freedom of the spirit; to be set free to dwell in the spirit realm of the Wilderness where your prophecy channel can lead and guide you and calling on the keys and wielding them can open the way for you. "Without the Keys to open the way into the wilderness of the spirit there is no way you will be able to accomplish My purpose for you on earth during the days that you are about to enter soon after you leave the City of Light." As Stephen said, "The word is magic!" and it fills you with determination to keep moving forward even more determinedly than before! Because you know it's right! You believe and you hold dearly to it and never want to let it go! It saddens you but you know now you cannot force and each one must make their own choices! The only answer, the only solution, the only way is through the Keys of the Kingdom! Powerful but really very simple and all it takes is to surrender and yield and believe!

"Only the Keys know the way ahead. If you are using the Keys then you are moving by the spirit and in the spirit. But if you are not using the Keys of the Kingdom, although you might be moving around, you are not moving ahead; you are simply moving around inside the trap. This concept is so hard for the carnal minded systemite to understand. (And us too, when we allow our carnal mind to take the lead!) That is because they do not see the spirit world that surrounds them; they only see the material world. (The ho hum of farm jobs and being here!) They are of the world and only understand the ways of the world. You My warriors are free because you have passed out of the carnal world and into the spirit through using the Keys of the Kingdom. You who live in My Word live in the Spirit."

Anything that is binding you is obstructing your way but the keys have that amazing power to loose! So if perfectionism is tying you in knots then cut the ties that bind and be set free to live and move deeper into the spirit using the keys. The enemy has been exposed- perfectionism is self-righteousness which is pure hypocrisy which bears no fruit and is barrenness in the spirit! It is withering and is carnal mindedness and is a blockage to receiving all you could from your spirit helpers! It puts up a barrier that needs to be torn down so you can flow and swim and splash about and truly enjoy the luscious tasty fruits of the spirit! To be as David dancing wild and free because of His love of the word of God; stripping naked before all without pretense; without any cover ups but showing His pure unabashed love for His Lord! Unlike the disapproving perfectionist ways of Michal who, as the fig tree became barren! The so called proper ways of the world are fruitless! You do not want to be just moving around and around inside that trap of carnal mindedness! Through calling on the Keys of desire and change and living in the Word you can be released from the trap! (End of prophecy)

Don't look at the fruit on the tree as many of your brethren did, for they were looking at the fruits of accomplishment. Now that the Family tree has been cut down, as was prophesied in the MO Letter "The Tree", where are they today? Remember what I told you: it is the fruit of the spirit that you should be looking for, and that can only be found in Me and My Word. (June 24, 2024)

Miracles as great as those which are to come in the days ahead require great measures of faith! God has been testing our reliance upon Him. He has allowed us to see that we have fallen short, as weak and faithless men when we do not see with our natural eyes the manifestation to that which He has promised. Yet He has in truth answered as He has promised, and we must set our belief upon this principle, regardless of whether or not our eyes bear witness to this. In time, we will see the manifestation, as surely as the sun will rise each morn and set each even. (Abraham - Two Tests and a Wish [#010])

"So when the storms come and beat high upon your ship, and it seems as if your vessel is breaking into pieces, trust. And even if your ship does break into pieces and you are cast into the waters and the waves are overwhelming you, trust. And if the stones of persecution are being cast at you, trust. And if the scourging of the Enemy's lies is being meted unto you, trust. For our Lord is always there, and He does not suffer you to be tempted above that which you are able to bear, but He makes a way to escape.--Not always to escape from the affliction or the battle or the test, but you can escape through trusting. (Let Jesus Bear the Weight! [#2987:91-101])

2nd September, 2024 Ebed) So wanting everything to be perfect in your eyes is seeing in the eyes of the flesh and it's a manifestation of your expectations in the spirit. You want to see! It's a little inroad that eats away at your faith. You are impatient to see people get it (or for you to get healing) and do what they are supposed to do, either in their jobs or in their walk with Jesus learning their lessons. Yes, you could just stop clearing up the little messes and not be bothered about mentioning the things you see but then again that is working in the flesh too because this is a spiritual battle and must be fought in the spirit by the power of the keys and not your arm of the flesh which is really so temporal really. Relying on yourself is pretty 'ify' to say the least when you can be asking for your five keys and the keys of all-knowing love to see things, people and situations the way he does and then ask Him

what to do. That makes six keys now and you'd better add in the keys of change and metanoia for these traits, these long standing filthy menstruous rags you've been holding onto foul up the fragrance of your scent! Then you can move ahead in faith and be working in the spirit, by the spirit. So much better! You have to get out of the way and yes you need to inject your broody still heavy bodied red with some fervency of the spirit which will make everyone sigh a sigh of relief! Better ask Azure and True Blue to hang those keys of humility around your neck for you because you will need them. I'm sorry that you are feeling a little discouraged now because you think that you can never change the way you are; that it's well-nigh impossible and yes, in the flesh, you're probably right. The difference here with you though is your desire! And then remember all that you have available to you. The fact is that you are in the Wilderness now and it's the time of relying totally on the power of the keys; nothing else. So if they are your instructions it must be that if you believe then the keys will pull you through. (End)

Show Me your motives, your desires no matter how dubious. Tell Me them and that will be like taking them off and tossing them in the fire. Once they are said to Me and to yourself and to your shepherds they become like clothing when it is removed --limp and lifeless.

Tell Me your heart and I will wash away the darkness from you. You are sick, so must you do this daily and not hold back any of your secret selfish thoughts or real intentions...show Me the worst and let Me tear them from you. Do this every day...say to Me in your mind or write them down, but get out the darkness and tell Me the truth. Then as you tell Me these things I can begin to erase and rewrite. Don't be afraid; there is no semblance of goodness between us and now I can begin to work on your inward parts. No one really sees the darkness within and you yourself fear it, but show Me and hold not back any wicked thing, for in holding back you are still trying to deceive yourself into thinking you are not as bad as all that. Let them fall away, all rightness, all covers and things that made you feel better about yourself. Say no more and I will make it no more. Show Me the "you", you are and bare your true self before Me that I might make her no more. With each vestige that you remove, I will restore unto you life; a new life and reason for living."

(Come Into the Light comp.)

^{30th} **October, 2023 Jesus)** Strength of spirit, My love, spiritual awareness is necessary and can be had by being connected and covered by the blue frequency! You must call on the Blue keys, for their power to surge through you. Let it be a constant call, till it's more than that. A call is sporadic when I want you to be *in* the plasma stream of the frequency of 6.66! ***I want so much more from you now!*** How do you do this? Through the power you have in your yieldedness! Praising Me will keep you in the flow and above the negativities that surround you and constantly trying to pull you out of the flow and into the fake flow, the bad vibes of 666; the counterfeit, the carnal and the flesh. That's when the downward spiral begins and leads into outer darkness – all the guests ***think*** you're wearing the Garment when because of the darkness in your heart, you really aren't! I will not throw you into outer darkness My love, but you know I speak of the principle! You are in a dark place when you step out of My plasma stream. When there is discord in your heart don't you think that effects the vibes all round you and can't you see how much your spirit is 'seen' and 'felt'? You have to want to change. Your desire must be to be who I want you to be. Change is imperative and you have to be willing to be humiliated or show yourself and others that you aren't meeting up, you aren't on tract, you aren't in tune and are a bit off so what are you gonna do about that? You could easily coast along and brush it off, but how many times are you going to do that? How is that going to help you or those around you who have to take on more to assimilate your unwillingness to get on the ball? It's easy to just keep going as if nothing happened and so yes, no change will come, no forward progress will be made. The word tells you to do something or how to overcome but you will stay in the same place if you don't motivate yourself, humble yourself to acknowledge the problem then step out by trust and faith and be brave and fess up and make the efforts needed and do what I am telling you to do! Let go of the old; the old you! I am trying to make you a better vessel, a more useful vessel. One that looks more like Me than you. It's pretty simple but oh, you can drag out the process for so long, firstly by ignoring your symptoms then making various choices of how far you'll expose yourself, to yourself and to others. Just going on when you know you're not on the right frequency is really arm of the flesh and simply pride. You have to decide in your own heart that you just can't go on like you have been, you have to change and that takes some effort! How much do you want that change? Isn't it what you are there for anyways? So why try to push it down and hope that it will go away? Yes, you need some gumption and mostly that close intimate love for Me, when all you really care about is pleasing Me and you just want to be the sweetest for Me and everything else doesn't even matter anymore. I want you to reach this place My love. Let go, take off, and don't hold on to anything anymore that will hold you back. Don't let your pride be this stubborn wall that stops you from being My simple, natural bride with no pretentions, no false fronts! (End)

The only way you're going to get anything done is to do it My way. And stop looking at the wrong fruit. What are the fruits of the spirit? *Love, joy, peace, longsuffering, gentleness, goodness, faith, meekness and temperance: against such there is no law. And they that are Christ's have crucified the flesh with the affections and lusts. If we live in the Spirit, let us also walk in the Spirit. Let us not be desirous of vain glory, provoking one another, envying one another. Galatians 5:22-26*

You can't get those fruits by applying the laws of man, which tell you that if you do everything right, you are going to meet with success. That is really silly to God because He doesn't look at things the way man does. God's not looking for successful anything except in regards to the fruit of the spirit. And to get that type of fruit you have to crucify the flesh along with the affections and

lusts of the flesh. And to do that you need to walk in the spirit and not in the flesh and ways of man. It's easy to wow man, but it isn't easy to wow My Father...and let Me tell you My Father is not wowed by all that man is getting up to these days. You might think you can impress Me with your works, and say "Lord have we not prophesied in thy Name and in thy Name cast out devils and in thy Name done many wonderful works?" My Word says, "Only he that doeth the will of My Father shall enter into the Kingdom of Heaven." Stop, look and listen to Me now, My beloved Warrior Band, I want you to get your eyes off of anyone and anything other than Me and My Word and the tools I've given you to do the job. What others are doing is not your concern; your only concern is what I've instructed you to do in the New New Wine. (A Prophet's Job)

As we go deeper into the wilderness, the Word, our prophecy channel, will be our bread and butter. Faith comes first, all these gifts and weapons of the spirit must be built on faith.

Practice now My dearest ones, practice going deeper into My spirit, the River of Life awaits you, it's warm waters of acceptance, your loved ones in this realm, all with open arms are bidding you to enter more fully, to join them in the eternal now. Let the things of this world go and begin to live more deeply in the world of the spiritual, the wilderness that has been prepared for you and those whose faith has no boundaries except one; **belief**. ("Staying in the Spiritual Wilderness" comp.)

(Prophecy)***If you will trust Me for all things, if you will not falter but wield the keys of All-knowing love so that you always look at what's happening through My eyes, this will deepen your faith incredibly and it's what I'm honing in on right now, to where you know, just know and that I will give you the grace for whatever you will face.*** So humble thyself under the mighty hand of God and in due season he shall exalt thee. Even if that is in our World without end; if you will accept My grace now, then you will sit with Me, My love. If you will always look full in My face and abandon all your wants, wishes and desires and take on only Mine, only what I want; if when things look bad you stand steady because you know I am there with you, then, I will dance for you My darling, I will fall upon My knees, I will hold you up before all and say this is My beloved Bride who gave all for Me and My Kingdom. I will twirl you round and lift you up; I will take you into My bosom and embrace you long and lovingly. I will show you off to all as one of My favorites, as one of My meek and lowly ones who counted it all lose compared to the glory that you wanted from Me more than anything. Your one desire became to please Me, honor Me, burn out your life in sacrifice for Me above all else. You, My darling bride forsook Egypt for My Kingdom to come, for a season, counting it all joy. You are worthy because I made you worthy. You knew it was Me and only Me and you were happy for it; happy to let Me use you and work and move through you to do the job I sent you for. I love you darling one, for all you've done and given up for Me. I know it has come at a cost. Become one with Me; lock eyes with Me; abandon all to have Me, not caring what anyone thinks. We will meld and never be able to be separated; I will live and breathe in you as you live and breathe in Me. xxx (End of prophecy) ("Your Grace" comp.)

Ebed-Melech) Remember your opening quote... ***Faith is not something you work up and muster up by trying very hard.***

And these few paragraphs:-

It's not about being perfect; it's about learning the lessons I have for you, the preparation I have set up for your spiritual and physical good. I need to bring these areas to light so that I may fortify them and make you a more determined warrior. Don't fail under the condemnation of the enemy." (JUN 2, 2024 Confessions Of A Young Warrior)

I don't require perfection; all that I desire is your love and your dependence on Me. I know that you're human, that you're weak, that you get tired, and that the Enemy buffets you with his lies and doubts. If I'd given you a supernatural body, then perhaps I could expect perfection from you; but I never expect perfection from you, as that is never possible. I only desire your love and your desperation. (Gems and Jewels, Part 1 [#3416]) (Pure Desire for Him comp.)

"I now understand that it's just my faithful and willing obedience that Jesus is after and not any of my own proud and carnal works, sacrifices and ideas." (Fletcher's prophecy)

God sometimes has to destroy what we THINK we are or what we think we're SUPPOSED to be or what we think we SHOULD be or do, in order to get us to do what HE wants us to do & make us what HE wants us to be. (Self-Righteousness! *#2140+) (Jesus Shrugs)

4TH September, 2024 Ebed) Little, small, weak, a nobody, a Warrior Band sister, disreputable gypsy, despised Child of David **the** Endtime prophet, part of the new new wine bibbers MB team is who you are and who you are meant to be...and this takes humility and belief! It takes being in, living and breathing in the spirit of the Word. Love the word and be a simple example of the word as much as possible. The word giveth understanding unto the simple when you allow it entrance deep into your spirit!

"I know that this is astounding, but you must understand that due to pride, the Devil became *extremely carnal-minded*. By attempting to control the light and spirit of the Most High, *instead of humbly remaining the conduit of the Spirit*, he was transformed into an introverted, self-centered half-man, half-god. It can be understood better by watching humans. Everyone has gifts or talents, but pride seeks to glory and worship self, so it uses those gifts to achieve that sensation. After all what else does a human have that everyone else doesn't have? Nothing really; everyone is born with the same basic attributes. So, physical strength, beauty, brains, money or anything that make a person feel better than the next guy is what pride feeds on. Love of self is the yin of loving God and your neighbor. Men may apply themselves to improving the gift, but essentially the gift is like the air they breathe or the lungs they use to breathe that air. It was all given by a loving Father, but pride quite successfully hides this truth from those that reject the truth." (May 8, 2022)

Ebed) Yet again, we come back to it...you are a pouring vessel; a conduit! These lessons are teaching you to become more and more transparent and getting 'you' out of the way. WE are, afterall, helping you to empty more from your duffel bag, the purpose of being behind the Son; preparing you for which is very close now. Without a doubt now you see it's really all about your song, your prophecy channel and the prayers offered up to Him....and these trials, these storms that He is asking you to move away from are distractions and give static and stop you from listening to receiving the right notes! So then your strong points or talents or the things you are maybe a little good at; *are gifts given to you...nothing of yourself or your own goodness or being better than anyone else!* They just happen to be the vehicle He has given you to perform the notes of your song. So then you can turn your proud outlook on your talent or trying to be so perfect, TO SEEING IT AS THE MEANS USED by Jesus is simply a loving gift to glorify Him.

Blue bear: Moving away from the storms and climbing higher will take a rebirth.

You must be born again to inherent the new way.

And I'm not talking about your salvation which is given to thee by the blood of Jesus.

I am telling thee of the way to cross the borders, to enter into the realms which the warriors must enter in.

There are many who still hold to the same old way. And it is not because they or you can't understand the new wine.

It is because of deceit. There are those who deceive themselves, and cover little doubts, hide little lies, little hangovers of their natural humanity which poison the heart. But is it helping anyone to hide little pieces of darkness under their clothes?

Does it help in the long run to keep those weights while running the race uphill? Not a single bit.

Now it looks like the road is fairly easy, cause looking at it from afar makes one's eyes deceive the brain.

Believe me dear comrades, the further we go up hill, the harder the climb. There is when one must let go of anything which makes the body heavy. And believe me, it will get heavy.

So, the best way in this matter, is to trust completely in the "power of the Keys".

Did you catch what I just said?

Trust that the Power which brings life to the keys will provide everything and anything needed to complete the climb. To finish the trip. And to cross the zones.

Again and again I stress the point that you must be reborn to enter into the zones that the Keys give access to.

I love you and pray desperately that all will succeed. But even if only two pass the tests. It will be worth it for us.

(End of message) (Esteban)

17th September, 2024 Ebed Melech) Today you and I have come a full circle, 360 degrees. Quite appropriate for the September Checkpoint, don't you think? When I spoke to you for the first time in December last year, I pointed out that it was all about the Law of Love. Jesus will have love and mercy, not sacrifice, none of your silly 'traditions' which stink of the frequency of 666. Otherwise you are then on the wrong wavelength, so get off it quick smart! It's all about love, dear one! Of course it is! Perfectionism in the world if taken too far, to the extreme is considered a mental illness! What does that say to you? It is Satan! He has his dirty fingerprints all over it! He's trying to send you insane! Basically, perfectionism is a lack of *real* love. It's a physical manifestation of a spiritual ailment, namely the carnal mind taking the reins instead of His love leading the way! Perfectionism is having unrealistic expectations mostly of others really because when you see things out of place whether it's the physical or someone else's shortcomings you are intolerant and it's exaggerated in your mind instead of trusting and giving the benefit of the doubt and you are just being way too critical. But then again, you have unrealistic expectations of yourself also, high levels of doubt and insecurities and self-criticism. You have been brought up on the very wrong but very systemite doctrine that strong is beautiful, strong and accomplished is very much sought after. Your parents gave you many opportunities to excel in the system and had very high expectations for you, somehow even more than your brothers for some reason and you felt the burden fall on you to carry the torch of success and accomplishment. Ballet lessons, swimming training, art classes, Girl Guides, Private girl's school becoming Prefect, Swimming Captain of the School, hobnobbing with the rich girls! You were groomed to excel and if you didn't, you hadn't tried hard enough. Your growing up world was about pride and image and the opinions of men. Others who didn't meet up to the criteria were

also frowned upon and you were told to stay away from. Do you remember the very first Mo letter that struck a chord with you when you were first witnessed to? Yes, "Burn Free!"

3. AND THERE WERE THOSE HANDS WHICH WERE EVEN TENDER LOVING HANDS OF CONCERN FOR SAFETY AND THE OPINIONS OF MEN, which were trying to shelter the flame,--the hands of those who felt they were well-meaning loved ones concerned for our welfare, but instead they were only smothering it, and causing it to smoke and to stink.

6. BUT EVERY TIME THE FLAME TRIED TO BURN THEIR WAY, IT BEGAN TO DIE. It had to be free. It had to burn free, at whatever the cost and whatever the damage to the combustible system that tried to control it! (Burn Free [#0000O])

The Key of David is that chord which I strike upon thy harp to awaken thee from slumber!

Prophecy continues) When you burn 'their' way, when you conform to the old man you are being stifled and controlled by the flesh, by the carnal mind, by the ways of the world unconsciously, but nonetheless the traits are still there and those images you saw have woken you up to the bondage you have been in all this time. You have been aware of the self-righteousness but this perfectionism wasn't so clear to you and didn't seem to you to be such the trap that you thought. You have wondered why you have always felt confused about this topic but because of your desire to change and grow we have brought it more into focus. What bondage! Talk about Flesh or spirit! Talk about strong vs weak, works vs. faith, law or grace, you or Jesus, self or the spirit! You are playing on the wrong playing field! The enemy has fed you so many lies, which he does to so many to belittle them and badger them that they just don't cut it and will never be good enough. It hampers your trust and faith and instead of having your eyes on Jesus they are so consumed with your performance. Perfectionism is those hands that were well meaning but instead only caused the flame to be smothered and stink! It's a spirit of the letter of the Law!

It is an insidious trap! The world looks at perfectionism as an excellent trait to have and is highly regarded. You are a good person! It's a frequency 666 indoctrination and has been imbedded in you so deep that you were hardly aware. That's the thing with some of your deep rooted shortcomings, they are so cleverly hidden that you don't see them...everybody else might but somehow it eludes you! Perfectionism is a total work of the flesh and is all about 'you' wanting to be seen, wanting approval. The nature of man wants to outdo and get the attention and be praised and then either feigns humility or just eats it up, but either way it's giving glory to yourself and not to Jesus. Perfectionism causes procrastination too because of fear of failure, fear of mistakes, fear of the opinions of man. Because you have created such a high standard for yourself in all your self-righteousness you can't bring yourself to do certain things until 'you' are ready and prepared. But that is also so totally opposite of how the spirit works where you ask Him everything and go by His plans...not your own! What a ploy! Damn devil, filthy creep! O, how he hamstring and imprisons so many with this snare! How 'insecure' he makes you feel. But all the time you don't have your eyes on Jesus. You aren't trusting. You aren't being humble and willing to be a 'nobody', unseen. You want to be somebody. You might say shyness doesn't want any attention; far from it; they want the opposite, but actually they do want to be seen too. Shyness is pride too. It's the carnal mind messing around thinking it knows better, lifting itself above the spirit, not following close. You are not loving Jesus enough. You aren't willing and happy to let others shine. It screws up your unity and causes friction and disunity. Everyone has some self rightness in them. No one is immune. It's just it manifests in different ways in each individual. As for the perfectionism part well, it can become a real blockage to faith because you are not letting the spirit rule!

Your carnal mind, not your whole mind, but your carnal mind sets a barrier before you, much like the barrier Satan has set between the spiritual and physical realms, the one that the Final Key will soon break down. Since birth you have been conditioned...educated...to believe that the barrier is real and that it is unbreakable.

Your faith is not strong enough to push through the final barrier. It is your flesh, your carnal mind that is holding you back. To the man of faith nothing is impossible, and it is only impossible because you are not willing to make the sacrifice it takes to leave that flesh behind. You are at a very crucial juncture in your climb...the faith you had to believe in MO and Maria is not enough at this point. You need to take a look at what is in your hand. Yes it is the Keys, those magical, mystical Keys; it's the Keys that have the power to open the portal doors that seem very tightly closed to you right now. The flesh cannot go where you need to go now. (Trapped on a Mountain)

18th September, 2024 Ebed) Many of you feel insecure to varying degrees and many times you compensate for those feelings by going one of two ways, either a showy 'loud' visibly together person or a quiet subdued person and sometimes both flipping

backwards and forwards. Either way it actually comes down to pride and thinking your arm of the flesh is going to save you! You strive so hard to make it, all the time being so blind to how carnal minded you are being, so wrapped in yourself instead of having your eyes on Jesus.

Lisa: Jesus, you are lifting the veil and shining the Light on my most uncomely parts. Set me free by letting this circuitry burn and fry by being exposed to the frequency of 6.66. Put a knife in my carnal mindedness and my pride and Srness! Take away the confusion and hesitancy and insecurity that comes with perfectionism. Satan biggest weapon is fear so help me to just stay in the blue plasma flow and be safe.

“Satan and his imps seek to clutter your mind with that which is carnal and worldly, to keep you from acquiring My full power. Yet through calling on the power of the keys you can blow away all his distractions in an instant!” **The purpose of prophecy is so that you are not led away by the carnal mind and reasoning in the flesh.** The importance of following us in prophecy cannot be overstated! (MB blog post September 16, 2024)

If you pray, I can give you glasses of the spirit, through the Word of prophecy, to help teach you what is what—what is to Me good, and what is to Me false or evil. Then you can tell others. One day when you see it all in Heavenly light, you’ll find it really was true. And you’ll have less “spots” on your garment, on the record of the life you lived.

It takes a bit of faith to not take things as they may appear, or the way others say they are. But if you truly want your garments to shine white and dazzling, you’ll need to “overcome” and not fall for deceitful and warped ways of seeing things on Earth. (Kori’s Bible study on Revelations) (Morning Star comp.)

Lisa: I would say because of ‘perfectionism’ I was into looking at the news and trying to find the clues. My carnal mind freaked out when we were told to stay away from it and out of obedience I did for a long time. But when I heard about Trump’s assassination attempt I went for a look because I felt it was a significant happening and again I fell into the trap of looking for the signs and trying so hard to find a significant clue, always hoping one would pop out at me. So then it very quickly became a go to! Just a quick look at BBC headlines to check if anything had happened! Not nearly as much as before, but just a little peek to satisfy my curiosity. Maybe I should call it what it really is and that is disobedience! It’s also an addiction. And it’s a lack of faith mostly not believing that Jesus is going to show us what’s happening if we don’t check the news. And it is a very poor example when MB is putting out prophecies telling us to stay out of the world. So sorry! Pretty shameful. Lot’s wife looked back and look what happened to her! In the **MB blog post Iran/ Israel Dream September 16, 2024** it sums it up pretty nicely what I should be doing. *“WE are keeping you above and out of this cesspool through your obedience to the words of David and New New wine prophecy that tells you to use the weapons that we’ve put in your hands. Don’t analyze, my love, just listen, hear and obey as quickly and as faithfully as you can. You will never in a million years even scratch the surface of the complexity of this Endgame with carnal reasoning. That is another reason why our Husband called this time “The Great Confusion”. But if you just trust and obey, you will in time see the mystery unfold, and you will be so very thankful you just remained a simple follower in your cave.”*

Every time you take in a little something of this world it colors you. And you can take in from this world just by dwelling on the wrong things. Like wanting more and better things in the flesh and desiring these things of the world. (Is the Color)

There...I said it....I’m addicted! And it’s probably what is stuffing up my prophecy channel too. Can’t possibly ‘hear’ straight when my hearing is being sullied by the world and the great confusion that’s out there in the media world which is controlled by the elites anyway! You know, I was hoping to quietly keep all this hidden away and just get away with the perfectionism expose! But here I am! I want exposure more than my cover ups and hypocrisy because I want to be ready as much as possible for 2025 and I want my duffel bag to be empty! If that’s possible! It seems I have just so much of ‘me’ in the way! But I can try because I have the Keys and amazing spirit helpers and Jesus to help me. I just want to be a simple follower trusting Jesus! And it feels good to expose the enemy’s tactics!

I have been ‘sober’ since the 18th September! (Update: Since then and perhaps because of getting things in perspective He has allowed me to check what is going on out there at this very important time. No one much is telling us what is happening probably because they are doing what we told them to do and not look at the news. So it is important we know the significant events.)

The carnal mind is the booze of the world!

"Come away with Me, My brides, take My hand and let Me lead you across the sea of obstacles that stands between you and the spiritual wilderness. Those obstacles are not put there by Me but by your carnal mind."

"I have gifted My Warrior Band with the [Keys to the Wilderness](#), so by faith they can take up this key and by faith they have access to anything they need behind the veil."

"What you are stepping into now is very exciting for us and we want you to grasp the concept I'm trying to impart here. The Keys to the Wilderness are a part of the concept...we are opening the portal for you all, but you must learn the steps, like learning the different types of "elixirs" or learning to trust your prophecy channel, by doing, by experimenting, by making mistakes sometimes, by trusting us, by trusting each other. Stay close; listen more intently because we are drawing even more closely to you all, we are making moves to open the veil, as was promised by our Husband. The two worlds are about to merge, but with "you" first."

27th September, 2024 Ebed) Looking for signs is just trying to satisfy the flesh. It's a fleshly satisfaction. Just like all your mad traits of perfectionism, it gratifies the accomplishment part of you that you are doing something. This constant doing things; this constant nervous working in the arm of the flesh because you feel inadequate with yourself and feel you have to push yourself out there to show and explain your presence here in the camp of the saints. You feel you aren't doing that much physically compared to everyone else so your insecurity leans on self-rightness. The enemy fights hard to keep you on that plane, because actually what the new wine is saying now is that *"there is nothing left in the physical realm anymore! Everything is now in the spirit! The keys are spiritual! The things that you need to survive come from the light within My tunnel, My wilderness!"* The battle for the mind is intense, for he wants a win;; he wants to keep you befuddled with the stupid carnal minded ways, always questioning His ways, being unsure of who you are and your worth, when you need to get away from the carnal world he is trying to trap you in!

You feel as you have become older that you have become less useful because you don't do as much physically as you used to and that is very humbling for you. It makes you feel less useful and redundant. And it is a battle that is holding you back. Get out of the maze of deceit and confusion and condemnation and get into the spirit!

The following sums it up:-

Those who have not learned to depend on Me are always afraid of their own weaknesses.

So let go and be set free of this trap of the Enemy to hold you back and suppress My Spirit.

(Jesus –) you see? When it's all about you, you are in reality suppressing My Spirit. When you are actually only seeking to do this or that to somehow add merit to yourself or because of your pride and wondering what others will think if you don't...you aren't free. You are living in bondage of pride and fear of the opinions of man. Yes, you didn't see yourself as someone with that weakness, but that's what it is. You have your little image and you go to great lengths to preserve it and look down on anyone who doesn't meet up to your standard. You are actually a very insecure person, always looking at others and comparing and hoping that you are matching up. You are always trying to add to your worthiness, but in reality all I want is your love.

It's akin to the Scribes and Pharisees who tried to keep every jot and tittle of the law to prove to others that they loved the Lord and that they followed His Word. But they were full of hot air, because they didn't live the doctrine, they didn't live in love, and they didn't have the energy of the Spirit running through their veins. They were empty, self-satisfied, critical hypocrites with their stinking holier-than-thou attitudes. Don't you be the same way! **You've read in the Word many times how the battles and tests in life are good for you--they bring a richness of spirit that can't be obtained any other way.** But you want to prove you're made of tough stuff and that you can handle the battles on your own. Rather than letting the Lord work through you, you lean on self-works, which turn out to be nothing but dead works. **(Shooting Straight, Part 13 [#3536]) ("Come into the Light")**

O dear, I am such a messed up person!

16-Sep-2024 Spiritual wars intensified.

Blue bear: My friend, Bacchus is out to attack you, you and those of the warrior band with more furry (cute Blue Bear) than ever before.

And I advise you to listen attentively, for the high will of Jesus for those of you who follow the same spirit is to be separate from the world more than ever before. Those things which were acceptable before the Reboot like good movies, even Bible movies, the good knowledge of so-called good men of the system are not pure therefore are to be cut out of your life if your mission should succeed.

Run away, hide thyself from the thoughts of the system which Satan rules over. Don't look at his TV, his movies, his web and more importantly shield your soul from the people's way. The normal way of the system in which you live in now that in times past was accepted in the ranks of David's army.

"The greatest downfall of My Kings and Queens and the prophet is to think they must please the people before My father; to go after the opinion of the people, the company of the people and the approval or praise of the people."

19th September, 2024 Read "Staying in the Spiritual Wilderness" comp. this morning and the opening prophecy struck a chord with me this time even though I have read it before. I think it sums up the ploy of perfectionism pretty well! The enemy is using the carnal mind to oust us perfectionists out of the spiritual wilderness!

Jesus speaking: Come away with Me, My brides, take My hand and let Me lead you across the sea of obstacles that stands between you and the spiritual wilderness. Those obstacles are not put there by Me but by your carnal mind. You are in many ways like Uncle Andrew. You tell yourself it is not possible to live by faith. It is not possible to step out onto the sea of impossibilities, so you allow your mind to create the obstacle. You need an excuse as to why you cannot do it, why you cannot follow Me. "*It is too hard*"; we must take things into our own hands. We cannot live in the spirit whilst in this land of the living. Away with you, Uncle Andrew; you will not listen and therefore you will not sing the song of awakening. You have missed the signs in My Word; ***you have missed the melody of faith that only the faithful can sing***, which only the one forty-four thousand can learn. Away with you now, you and your system ways, you and your practicalities! We leave now, for the day of man is closing. We must cover the Earth with this song, with this symphony, for the day of My return is upon the world, and those that go down must go down and those that are to meet the new sunrise must follow Me and trust Me as the little sparrow, the lily and all the animals of the field." (End of excerpt)

Lisa: When I am anxious or battling I often sweep...and sweep and sweep. It somehow helps me vent and think and pray. It is physically satisfying and calming and...you see the results of your labor. But that's the thing I need a physical act to feel better... making the flesh feel good. But I do not want to sweep away and miss the melody of faith that only the faithful can sing. I need to lean on the word with all my weight and use key power to sweep away the carnal mindedness! I want to be faithful and expect results by faith; to believe without seeing and maybe never seeing and not be so controlled by practicalities which are an anathema to faith, to impossibilities. I want to be one of the faithful and so don't want to miss singing the melody of faith!

Hold My hand and allow Me to take you deeper into the wilderness, for that is where you must go. There is only darkness behind you, so you must keep moving. Don't stop My love, don't quit now.

Ebed) Perfectionism is a dark place, of confusion and negativity and an obstacle to faith because your mind wants everything in order, everything in its correct file, all neatly put away in a box! It leaves no room for making the undoable possible. It loves routines and rules and regulations and doesn't want to stray from the norm. It's isolating because you become hard to work with and you find you can only accomplish your perfectionism on your own because no one else wants in on your maniacal intense road! And when you do, you feel uncomfortable because then you are not in complete control of the situation to be able to have things the way you like them or you feel exposed to scrutiny of how you aren't too good at doing the job. Of course, there are levels of perfectionism and you are not always so extreme but nonetheless it is being used as a chain to stop you from rising above as much as you would like to. It has become a noose around your neck, which you need to cut the ties that are binding up. Only the keys can do that, the keys that loose and bind. What a life saver! (End)

"Man and his imaginations is nothing but a comfort zone for his flesh, something he creates around himself and his little world to make his flesh happy and pacified."

Yes, I won't deny that to your human eyes the cost of being My disciple is "too high"...it is impossible when looking at it through the eyes of the world and the flesh.

You just have to believe. Believe in that which is, for the present, unseen... RIGHT, there is where so many fall by the wayside. They want to hold something in their hands, to feel something and see SOMETHING. They just can't make it past the part of My Word that requires blind faith. I understand that it's a challenge, but the dividends are more than worth it. Belief is where you just fall down... because it hurts to let everything go, so you just sort of get out of it, because I'm not standing in front of you telling you to do these things... your carnal eyes can't see Me. You have to look past it and look

into My eyes and there find your courage to give all till your last breath...you will fall and fail but you must not stay that way for long, because great is the reward of faith, My love... pursue it.... (Broken promises) (Trapped on a Mountain)

Pain and upheaval are good for carnal man; and I'm not endorsing unloving behavior, I'm endorsing living a life outside your comfort zone, and the further out the better. Giving of oneself to another can be very painful to the flesh, it is called sacrifice. But notice in the following verses in 1 Corinthians 13 the type of sacrifice I'm talking about here.

Though I speak with the tongues of men and of angels, and have not ~~charity~~, I am become as sounding brass, or a tinkling cymbal. And though I have the gift of prophecy, and understand all mysteries, and all knowledge; and though I have all faith, so that I could remove mountains, and have not ~~charity~~, I am nothing. And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not ~~charity~~, it profiteth me nothing.

You've been told that the word charity in these verses means love and there is only one Spirit with that name and there is only one way to get to that Spirit and that is through the door Jesus. So forget about any works of the flesh that are not Love centered (capital L). We all have a long ways to go brethren, but we are on the right path, and you can thank dear old Dad for leading the way out of Churchianity and onto the path to life. Anyone who would turn from the path and head back into the world for any reason will find themselves being sucked deeper and deeper into that diminishing world, mark my words. (You Hold the Winning Hand)

You are having a hard time reaching out visually, feeling hurt, wondering what He is anyway.

But please know that in seeking out His Word—fresh and older—you are making love to a very special part of Him; His very nature. Just read the word—His Words to you and let them work their way into your soul and mind.

Then when He “turns on the light” and you see Him for who and what He is, He'll be so entwined with your soul; He'll already be a part of you. And you will rejoice to know a fuller side to Him. (9-Mar-2021_I know you miss Him_ Kaye)

“As you give every drop of your love, I will come close to you and I will draw near and will tell you things that I would only tell a bride. You are getting closer to Me when you choose Me above the temptations of the flesh.” (‘Morning Star’ comp.)

Call on the Keys to clear your carnal mind from the distractions of the enemy's “it's impossible” spiel. Know for a fact that your carnal mind is an enemy of prophecy. The enemy's imps seek to clutter your mind with that which is carnal and worldly. AUG 31, 2024

Only the Keys know the way ahead. If you are using the Keys, then you are moving by the spirit and in the spirit. But if you are not using the Keys of the Kingdom, although you might be moving around, you are not moving ahead. You are simply moving around inside the trap. This concept is so hard for the carnal-minded systemite to understand. That is because they do not see the spirit world that surrounds them; they only see the material world. They are of the world and only understand the ways of the world. You, My warriors, are free because you have passed out of the carnal world and into the spirit through using the Keys of the Kingdom. You who live in My Word live in the Spirit. AUG 23, 2024

The last frontier to total freedom is your carnal mind. It is the enemy of God, the enemy of love and the enemy of freedom of spirit; therefore, it is your greatest enemy whilst you remain here on earth in that cage called your flesh. Only the Keys of the Kingdom have the power to open that cage.

You were given the Keys of the Kingdom as a light when all lights go out. The Keys were given for such a time as this; so call on them in desperation and they will appear in your hand. You are not desperate enough. You don't want freedom enough. You are looking at the problems and not the solution. You are focusing on the impossibilities and not the power of the Keys.

You are just like Christian up in that cage crying that all is hopeless, that you are without hope. The enemy is screaming at you. He is goading the carnal mind into the fight against you using the Keys the right way.

“I wish to open you wider for Him; I wish to come deeper into you. But it has been by your own neglect and lethargy that we have not known each other as much as we should. The spirit is willing, yet the flesh is weak. This is the case for all men. But I want to make something clear for you. Though the flesh is weak and gets in the way, it is by no means the stronger of the two. It seems the more predominant and pushy because it is, at all times, right in your face through the five senses. But the Spirit is stronger than the flesh—if you'll put it first. It's not a one-time thing; the flesh is always there. There is no defeating it once and for all—that comes at death.

Right now it is a daily struggle; you die daily. Die where? In the flesh; you have to kill the flesh everyday—and it hurts! But... if you keep coming and coming to the Spirit of Life, then you will be filled, you will be strengthened, and you will go deeper.”

I’ve told you that the Keys are the power you need to set this world on its right axis. I’ve told you that this earth is on the wrong frequency, and in part you have believed. Well, at least you stepped out by faith and started using the right key frequency. But for the blue frequency Key to work at its full potential, you need to fervently believe. You are still caged in, My loves. You are still trapped and in many ways tortured by that carnal mind. Take a look at that scene in the video where My two witnesses were trapped in that cage. I want you to feel their desperateness. I want you to sense their absolute hopeless situation in the flesh; see and understand that there truly is no possible way of escape in the flesh. And of course there isn’t, because that is not where true freedom lies. Look at how much the world spends on vacations and entertainment, all in the name of freedom from the cage they are all in. That is why they go to work giving their souls into body slavery. But they aren’t setting the soul free; they have it backwards, upside down. They are only setting their feelings free, and but for a moment, and then it is back to the cage they go, just like the poor guinea pig on his exercise wheel. There is no freedom through the flesh...You and they are trapped. There is only freedom through the spirit, and you don’t have to wait until you die to get it. You can have total spiritual freedom from the cage you are in through the Keys of the Kingdom.

“Blue Angel: I come up behind you and wrap my arms around you. I hold you close and let the energy that is within my heart flow into yours. I whisper in your ear—as I embrace you—the Words of our Lover and of His burning desire to possess you. Oh, how He is mad with love for you! It cannot be quenched—or even deterred by your own lack of enthusiasm. He is a Fire enclosed; He must be let out. He keeps coming and coming for more! You are weary in flesh, yet He does not stop! He keeps filling you with His passion because He wishes to go deeper. With every thrust from His rod of power, He desires to reach greater depths. With every orgasm of the spirit, He seeks to fill you yet more with His seeds until they drench your soul and take over your being.”

You are crying for freedom from the cage that you are in. You look at those iron bars; you place your hands on that huge steel lock. You see nothing but desperation, and you cry impossible. Look, My loves, look into your heart, into your temple and you will see the power of the Keys glowing there. Call on them and they will come to you. They will release you from your torment, fully, fervently believe and it will be so. I want with all My heart for you to find the freedom you seek, but I cannot open the lock for you. It is closed and locked by your own fears and carnal mind. There is yet a little window of time for you to escape; the giants are so smug and sure that you are trapped and have no way of escape that they have gone to sleep and are off guard. Now has your golden opportunity come; now is your hour of escape. Pull out the Keys and with desperation of will set yourself free. I will catch you as I always have when you’ve stepped out of that cage into thin air. Don’t worry yourself about that; you’ve experienced that or seen that happen enough times in your short lives to know that I am always there. But it is the Keys that you haven’t tested enough; it is the Keys that you are not putting your full trust in. Yes, it takes faith, and yes, it takes patience...well, herein is the patience and faith of the saints. This is the time to realize the fulfillment of that verse in your life. Before taking one more step I want you to take a peek at that verse. It is your verse; it was created as a Key for you just at this time in your life. Read it now and believe. See it, hear it and believe it. This is your Key to freedom. Patience takes faith and faith takes patience to mature. Don’t be in a hurry to go somewhere and be somewhere in the flesh. Yet, don’t linger in the spirit; don’t allow your flesh and carnal mind to get your eyes off My Words of freedom.

*“If any man have an ear, let him hear. He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.” **Revelation 13:9-10***

Your carnal mind has led you into captivity; it has led you into some dark cage where it wants to kill you. The Devil is the perpetrator; it is he that holds the strings of your carnal nature. Take the sword of the spirit and do battle with the Devil this weekend, and end this perpetual slavery he has you in. Take the sword of the spirit, and cut the devil himself down and set yourself free from the shackles and chains of conformity to this world. You are in the world, the cage; but you are not of the world, the cage. You don’t belong in that cage. Open the door and fly My doves; fly to freedom. This weekend is the time I have set for the great escape. Now is the time, now is the hour, the golden Keys are your ticket out of the cage. AUG 21, 2024 **The Last Frontier**

Jesus: Search and you will find Me standing there as always. I will tell you the truth and it might be hard for your flesh to take, but I promise to keep My Word to you and to your family. If you try to fight it out with the enemy the reasons, he will surely overwhelm you, for he has the power to control your feelings and emotions and bombard you with fears; your carnal mind leans more towards his reasoning of things, so it’s a losing battle if you try to reason it out. Instead, come to Me and I will remind you what you are holding on so tightly for and I will repeat to you all the Truths that are rock solid for you to stand upon. They will take your weight as you climb upon them to escape the tempest and the waves. You are living in the reality, whereas the rest of the world are food for the devourer and are building temporary lives for themselves. You are living for that which does not fade nor become dim. Of course the Devil doesn’t want you to believe in My soon coming because that immediately separates you from the world and all its shallow live-for-the-moment attitudes. He wants to mock you with the idea of what you are doing ...“You think Jesus is going to come in the sky in 2026 and save you?” Yes, I am. I am going to come back and save you, because his time is up and he hates it, so he’s hoping to break the back of your prayers with unbelief. But you must fiercely believe in it. (Morning Star comp.)

Stephen: Today I was talking with the kids about their walk with Jesus, and during the talk, I saw a brief vision of the first half of my life in The Family, the pre-Reboot days. Those were very busy years with lots of literature out and many souls won. We were running around all over the world. We were those "roving missionaries" Jesus talked about in a long-buried prophecy from yesteryear. I just now did a quick search and here it is.

"I'm asking you to become teachers, pastors, and shepherds--no longer the roving pioneers, but now stable pioneers, building a work, building a following, building a church of believers who will work with you and be part of you, new members of My Endtime army and Family. This will require dedication and stick-to-itiveness. It will require laying down your lives in new ways."

Well I'm still here, sticking-to-it. As for the rest of the prophecy, I can see it has materialized, although in a much much smaller way than my pre-Reboot self would have imagined. The vision I received was of stepping stones, and I was looking back at them from up on higher ground. Jesus told me that they were now all underwater. I don't want to belittle all that we accomplished during those pre-Reboot days, **but I do wonder how important all those accomplishments are to Jesus. I kept getting the feeling that the accomplishments don't really matter to Him. The important thing is what we learned** during those days of running around. We could have all been sitting around like the church does, then the question would be "What did we learn in all that sitting around?" How much did our spirits grow during that time? So I was looking down at those stepping stones, all underwater, and the thought came to me that they were merely stepping stones that brought me to wherever I am now. **I felt that Jesus was telling me that it isn't the accomplishments that He looks at, but whether they helped deepen my love for Him.** Where are all those missionaries now? Where are all the lost that were reached now? That generation has passed and there is a new generation in the world. Who's going to reach them? We can pray for them, as He has told us to, but **what should we be concerning ourselves with? Our love relationship. For without Him, we can do nothing, and our accomplishments are but hay and stubble.** Have you ever climbed a mountain and looked back down the path you were climbing and wished you wouldn't have to go that way again? Perhaps those underwater stepping stones are significant in that I won't have to go that way again because they served their purpose of getting me higher up the mountain and closer to Jesus.

Prophecy: You can be thankful that your accomplishments were motivated out of love for Me. **But what if your accomplishments were motivated by pride, and you are simply telling yourself that it was all done for Me?**

Accomplishments are not a true yardstick. At the end of your days, I won't be looking at your accomplishments but at the motivation behind them. I judge the heart and not by outward appearance.

Without the power of the Keys we are useless things, empty things, like an empty vessel that offers no help to anyone.

Infostore search on perfectionism.

5. When people lose their innocence they don't feel they are as close to the Lord as before. That's because they don't really realise what God's righteousness IS. THEIR idea of righteousness is so different from GOD'S! When you FEEL so righteous & good, it's because you are SELF-righteous & NOT closer to God, but closer to yourSELF! It's a perverted idea from the churches--a kind of "sinless self-perfection."

6. David was far more righteous after he became a great sinner than he was when he was so haughty & self-righteous! One reason why I really need to confess my sins & tell everybody about them is because it really helps to keep me humble! It helps you to be honest with yourself & with others & with the Lord.

7. Confessing that you're a sinner, really exposing yourself & your sins, reminds you you're no picture of purity & innocence! You no longer FEEL quite as angelic, but you're a whole lot more saintly according to GOD'S idea of saintliness!

8. The World equates goodness with Godliness, by which they mean self-righteous perfection. SINFULNESS they equate with DEVILISHNESS. But the Lord said the SINNER was closer to God than the so-called sinless self-righteous perfectionist! (See Luk.18:9-14)--The drunks, harlots & drug addicts are closer to God, for God's way UP is DOWN!

16. So God's idea of goodness is Godliness--a sinner who knows he needs God & depends on HIM for Salvation--NOT the Devil's churchy SELF-righteous hypocritical Pharisees who think they can save THEMSELVES by their OWN goodness! So sometimes BACKSLIDING can actually be GOOD for you to WAKE YOU UP to what a hopeless helpless SINNER you are without GOD'S help! THEN there's hope you'll turn to GOD for help.--Whereas the SELF-righteous think they don't NEED His help, & are LOST! (Benefits of Backsliding!, The [#0312])

4. I'd rather any day hear someone sing with feeling from their heart in the power of the Holy Spirit, than a professional perfectionist who gets all the technicalities perfect, but with no real love, & sounds like an empty, hollow, noisy "sounding brass or tinkling cymbal"! (1Cor.13:1) (Music & Dancing [#084])

"You have to face these things in order to come to the place where you rise above, to where you know you can go on in spite of them..... You can't get this strength through understanding and learning theory. You can't just get it through knowledge--not even knowledge of the Word and the things of the spirit. You can't get it through experience and the wisdom of others. You have to experience the deep and difficult things yourself, before you can truly call yourself a man or woman in spirit, and before you can truly fight and win as one of My champions. That is your destiny. That is your calling. That is what I am making you into now."

I thank You for Your boundless Love, which has never let me down nor forsaken me. I thank You even for my imperfections and my weaknesses, and for the failures which I experience, because they show me my own limits and drive me to You.

The written Word and the living Word in prophecy are fact. They are buoys that will support you in the deepest of deep water. **There is only one way you are going to get out of that shallow water (the waters of perfectionism) and that is to start applying the principle of obedience all the time.** You must bring every thought into obedience to your Lover's law. His Word is law; it is written. *You will never experience true freedom until you leave the shoreline of carnal reasoning and its childish ways. Once you are out in deeper water --if you default to carnal mindedness and run back to your childish ways every time your feelings take a fall instead of grabbing the buoy of the Keys, prophecy and the Word, it is obvious where your destiny, commission, ministry and life will end. The Word is the swimming rules you must follow.* If you don't follow the rules, you will get fearful and either drown or swim back to shore where your fake buddies and carnal support system are. **(Your fake buddy called self-works, arm of the flesh, perfectionism!)** They will be sure to comfort you and do all they can to try and persuade you not to go out into deep water ever again. If you allow fear to grip you whilst out in deep water, they may very well succeed and you, more than likely, will never want to swim out here anymore.

We are at war and the battlefield is the mind, so that is where deadly warfare is waged.

It takes a lot of spiritual and physical effort to keep the battlement of your mind on full-time invasion alert. But that is what you have to do, and if you don't, then of course the enemy is going to attack.

20th September, 2024 ...and the attack came... :(

Fields or the town;

Flowers or the crown!.....then He took my hand and came into my life and now I walk in His light the pathway I feared to see!

Me) "What is it that You want from me? I don't understand."

"I can't hear You!" (Battle sounds and explosions, men screaming and dying!)

"Alright then..." (Soldier runs back into the fray!)

24-9-24 about the attack on the 23rd (from our Hannah)

The Enemy knows the destruction you will bring to his kingdom and your potential usefulness to Me in the years to come. He knows the roles you will play in My kingdom, and what this would mean for him and his plans, so he is trying all he can now, to stop your usefulness for Me and hopefully, you will not be ready for your roles in the Millennium and this coming year. So, his attacks on your minds have intensified. He is trying to stop you from accomplishing anything for Me in the future, and has intensified his attacks of condemnation, feeling inadequate, like you'll never be ready, and that you are failing Me. But My loves, you just have to call on Me, your spirit helpers, and the appropriate keys for help and relief from the attacks, and then just use your weapons on him. He's hoping you will feel so oppressed with discouragement, depression, etc... that you will forget to wield your weapons, because if you don't, he has essentially won the battle, though not the war, for he is a born loser and is destined to lose, but don't give him any place. Fight him with all you've got. Just know that I and your helpers, loved ones, etc..., love you very much and are rooting for you. We are hoping and praying you will not give up the fight and that you will call for help, for this battle is Mine, and you cannot defeat

the Enemy on your own. It is My power and might through the power of the keys that will win the victory. And remember, you only have a little over a year to go until I return, so make it count, and give the Enemy a good wallop, not him you. Okay? I love you so much and we are all proud of you for sticking it out this long. Don't give up! The victory is just around the corner, if you don't give up the fight. (End)

You just have to make it through the maze of smaller locks till you get to the really big lock that will set the final stage of your world's history in motion! I know it takes faith! I know that continually unlocking smaller locks can even get tiring at times. But as you unlock one gate you enter the next level and each one brings you closer to the final lock which will unleash this power! Each of you is called specifically for this time in history! Each of you is being placed where I need you to be... so don't fail in your part of the mission! Unlock the power by unlocking the daily challenges through the use of the keys which you have in your hands! Without your completion of this mission the floodgates will not open. They wait for you! (MB video "You Begin this Charge!")

1PE.1:24 For all flesh is as grass, and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away:

1PE.1:25 But the word of the Lord endureth forever. And this is the word which by the gospel is preached unto you.

Through the keys you have the power to leave behind the things of the carnal man.

All flesh is grass... but the word of our God shall stand for ever.

In every one of us it must be fulfilled that all that is of the flesh in us, seeing it is but as grass, must be withered and the comeliness thereof must be destroyed! The Spirit of God, like the wind, must pass over the field of our souls, and cause our beauty to be as a fading flower; He must so convince us of sin, and so reveal us to ourselves, that we shall see that the flesh profits nothing—that our fallen nature is corruption itself, and that "They who are in the flesh cannot please God." There must be brought home to us the sentence of death upon our former legal and carnal life, so that the incorruptible seed of the word of God, implanted by the Holy Spirit, may be in us, and abide in us forever. Spurgeon

Change is a word of tremendous power! Change affects every sphere of the Earth and the Heavens, and is, in great part, the driving force behind all things. Almost everything that is a great accomplishment, a forward advancement, a noble achievement, is a product of change. Change has been the wings of every great man or woman--famous or infamous--throughout history.

I have given change to all My children through the ages as a special gift. You don't have to accept your circumstances. You don't have to be satisfied with the way you are, the way you think, or the way you feel. You can change things! You can change anything, with My help! Your weaknesses can be strengthened, your faith can grow, your spirit can soar, your endurance can be prolonged--anything you wish is possible with the gift of change. And this gift is given to all. There's not one person on this Earth, saved or unsaved, who can't take hold of the gift of change and change something in their life or world for the better.

7. However, for you, My children, change takes on an even greater power, because not only do you have the physical and natural power of change at your disposal, but you also have the supernatural and spiritual power of change available to you. This leaves you holding a raw power that has no limits! Do you see what this means? It's a tremendous gift, yet many of My children cringe at the thought of change. This is because they see through a glass darkly and do not have the Heavenly vision--perfect faith and trust in Me that anything I do and any change that I effect will be for their good.

8. Those who are able to rest their lives in My hands see more change than those who try to hold on to themselves, to keep themselves safe and secure and free from change. Those who let go and who fling their arms wide open in wild abandonment of self are the ones who see great change--mental change, emotional change, physical change! (Changing Deeply Ingrained Habits and Mindsets [#3324])

Satan and his band have tried every foul ploy in their arsenal to dislodge you from this mountain you climb, but still you climb on.

*I have told you that I will pull down some of the restrictions that were set in place as the world once again darkened when the days of My early disciples passed into history and the mind of man began to solidify under the relentless attacks of the giants of the netherworld. **If you choose to fight the enemy at every turn at every thought and every step, those restrictions will be withdrawn and the veil will thin and this will make it easier for you to reach the goals I've set for you this year.** I have done all that I can to help you reach your destiny. Time has come to take the bull by the horns and secure your position as My future warrior brides. (FEB 5, 2024)*

Perfection is not what brings down the Spirit of God. God loves to use the most unlikely people, the most unlikely situations, to show us what He can do. His Spirit is attracted to those opportunities, and loves to move and flow and work. It's not about how good or strong we as individuals or as a Home think we are. It's always God. It's His plan, His program, His power, and God often chooses to use the most imperfect vessels—including you and me—to showcase His power. (Fuel #12)

7th October, 2024 Ebed) Perfectionism doesn't work and isn't where it's at! It's a works trip! And feeling unworthy and that you don't count for much and don't contribute anything to anyone or the Cause is feeling sorry for yourself because you don't have a works trip to show! It smacks a bit of accomplishments don't you think? That was ingrained in your upbringing and unfortunately hasn't been completely washed out. So, should you be bemoaning that you supposedly have nothing to show? Would you feel better if you did? You wouldn't really, but you would somehow too. You've missed the point then if you still think it's about the flesh. Why are you still stuck there anyways? It's about spiritual fruit! And it really smacks of lifting yourself up and wanting the praise of men which isolates you and makes you to think more highly of yourself so perhaps you haven't been gifted because you can't be trusted and also it really is against living in harmony with others, in unity and brotherhood which is the Law of Love. The enemy is always trying to divide and conquer and you know he hates the LOL, besides the fact that you are carrying that Flame across the line! So open your spiritual eyes to what's about and wake up! *"Push the Keys in and push the old man out!"* (End)

You are missing so much wonder, beauty and mystery that are all around you on the spiritual path you are travelling on. The carnal mind forces you to look down at the rocks and mud and fleshly obstacles that make up this path you are on. Do you think you will stumble if you don't keep an eye on that mud, sticks and obstructions? Check out the last noun I used to describe the path at your feet, does it remind you of something. The Key of fifth dimensional travel will lift you up and over that slob Obstacon, but as the Key promise that is dedicated to overcoming him says; you must wield it in obedience to the Word of God. The Keys do not work for the selfish and disobedient. Do you want to morph into a flying creature? It is after all the only way up from this point; don't forget we've reached the summit of this peak and it's time to let go of this world and the carnal mind. Old things must pass away, all things must become new... (Sequel to Trapped on a Mountain)

As you call on the Keys of imprisonment I will lock the doors and bind the power of Obstacon and all those who obstruct the flow of My Word in your hearts, minds, and spirits.

In claiming the power of the Keys to defeat Obstacon you must wield them through obedience to My Word. That is the condition to their use.

Prophecy) "What you are learning now; how to overcome the carnal nature and move into the realm of the supernatural." And the obstacles he uses on you personally to stop you from entering! What I have been showing you is perfectionism is akin to letter of the Law but without the freedom of the spirit. It's about rules and regulations; about boxing in; about letting the carnal mind rule and take precedence. It's about finding satisfaction in 'seeing' results which is a physical aliment of wanting to or tending to wanting to 'see' before believing which hinders your faith. It makes you inflexible and not do so well with changes or anything out of the ordinary or normal. These traits affect your faith life and are obstacles on your path up the mountain

"Was it at that time that fear and carnal mindedness took a grip."

"Now we are directing you how to not only make your faith firm, but also how to avoid the pitfalls"

John the Baptist: "Doubts are insidious and they begin in the carnal mind, and if not very quickly arrested they can send you right down to the bottom of that mountain, with or without your consent."

8th October, 2024 Ebed) So do you see the ruse better now? Perfectionism is self-righteousness which tends to make you look at situations critically and negatively which fill you with doubts about why He allows it and it's then a questioning attitude which doesn't lend to trust and faith and grace and Romans 8:28 but is instead agreeing with Obstacon that yes, there are definitely obstacles on the path obstructing the way and that then makes the way impossible! HE HAS YOU ON

SIDE! You are looking at the physical all being in line and not out of place or order before being able to move ahead. He has you earthbound and you won't be able to fly; stuck, trapped on that mountain! You are gonna be left behind standing there checking out if the path is all neat and swept and tidy while everyone else flies away. But there are no boundaries with the Keys! The keys can give you freedom of the spirit. You have to let go of how it's normally done, because flying off the mountain summit makes it not normal anymore, so those old rules need to be discarded, old ways and the old carnal man. They don't apply anymore.

(I'm reminded of some old video of a little family who were fleeing communist West Germany and the wife was holding them up from leaving and driving away at night because she kept going back into the house to make sure it was left scrupulously tidy. She didn't want the communists to find her house left untidy or dirty and label her a bad citizen, even though she was fleeing! Talk about crazy!)

John continues: I should have seen it coming, that my doubts were bordering on denial. It can happen to anyone, so do all you can now to erect barriers in your heart and mind by soaking in Jesus the Word and imbibing those Keys in your promise book. The road you are on is leading straight to heavens gates, but as the video you produced called Reboot says, the straight and narrow road you are on also leads through the abyss. Let me quote that stanza from the video for you right now. *Now don't be fearful, but loose that hair and let it fly, let it fly, raise your hands in wild abandon and fear not their reproaches, for down we will go into the very depth of hell, for that is where the lost are and that is where our escape hatch is too. Freedom may mean ripping out the carpet that held you so firmly and free fall follows. As you fly through the air on your way down into the abyss you learn to fly, you are now freer than you ever were. The wind of faith buoyed you up; the breath of Gods spirit caught you and landed you in the best place. You are no longer bound to doing things one certain way, or in one particular place. Yes you are free, freer than you have ever been before. (End of quote)*

Only God knows all that is up ahead and He has discussed the options with His Son and His Son has discussed those options with us, but not all with us. He can see around the corner, we can't, but we can see far enough ahead to know that if you don't seriously study you are going to end up doing what I did and what other very great prophets of history did. *This is all about glorifying Jesus not yourself,* so keep that in mind, this life is about Him and not you, your real life will begin upon completion of this mission. *But to complete this mission and receive the gold medal you need to fill your sponge to overflowing. If you obey all that you are being told now, you will be lifted up, you won't have to do it, we will do it through you.* (End of message from John)

Lisa) And Elijah expresses very well my problem of murmuring about being of little use to anyone or to Jesus:-

As for me, after reaching *my cave*, well I immediately began justifying myself before the Lord my God, I was condemned as soon as I opened my mouth, yet I did it twice which revealed my deeper problem of pride as being the one chosen for such a great task. The still small voice lesson that God was trying to gently help me see, was passed on to Elisha, a far gentler soul than I; he being a type of how I and you should be, as yielded meek and lowly prophets. *Know your place,* know that the Keys and the Word and we your spirit helpers are the ones that will do this great thing through you; it will not be of yourselves, but through you as conduits of the Most High God. Your position as brides to the Bridegroom should also teach you that you are to be submissive and to know your place. You owe Him everything up to your very life. By truly believing these facts, you will know there is nothing in you, but that which has been given. You have come this far by faith, but know this; a new mantle is about to fall on you, yet even up to that point and beyond, it remains the same for you as I said to Elisha when he wished to return to his parents to kiss them farewell: *Go back again: for what have I done to thee?* But also keep in mind Jesus words; *"He that having put his hand to the plow & looking back is not worthy of Me."* (End of message from Elijah) (Sequel to Trapped on a Mountain)

Prophecy, Jesus speaking: Those of you who choose Me and who choose to embrace the new weapons will be helped. You will be strengthened inwardly, and you will meet the demands before you.-Not by natural means, but by supernatural means. Those who choose to operate the same way they have in the past will struggle and fall short. Each

of you will have your commitment and dedication tested. To make it through this year (*starting this month, October 2024*) you will have to leave behind the old ways, attitudes, and mindsets that are not in line with My Word and My weaponry of the spirit. The key is to obey and actually do this –to put it into practice. In some cases it might not be as simple as leaving these attitudes behind. It might be more like fighting tenaciously to keep them out of your mind. Let the light in. Call on the keys and keep calling until the attack passes. But don't let those doubts sit in your mind eating holes in your faith in Me. (Sequel to Trapped on a Mountain)

9th October, 2024 Ebed) You have lost sight of the Word! What does the Word say? The first shall be last and the last first; and the meek shall inherit the earth, not the proud and accomplished but the weak because it's all about glorifying Him and you being transparent. Obstacon is blocking your way with obstacles and illusions! Are you not willing to give up these ploys of 'self'? You doubt that Jesus can use you, that you aren't good enough to be used. Not good enough, not talented enough, and so not worthy! But the point is, He wants someone, you, that is not all that, so, His spirit shines through and it's obvious that it's Him and *not* you! He chose you, so really it's a matter of whether you believe Him or whether you are going to believe the voice of the very sly and practiced fox! He wants you off the mountain, afterall. So, you are a sinner; ok, He can use you. It will just be more proof that it isn't you but Him. He knows you are self-righteous and He sees you are aware and working on it but He still wants to use you. If He waited till everyone was sinless first, then He wouldn't have anyone to use. (End)

Do you desire the Spirit? Do you desire it, My loves? Then I want to see you fight for it, and prove to Me that you mean what you say.

The life of a true follower of the doctrine, a true disciple is a life of sacrifice; it is a life of faith and constant danger;

These believers don't eat system bread; their dream is sustained by the Word of God

The life of a disciple is a constant fight to stay free of the entanglements of the world. (The Wayside) (Trapped on a Mountain)

"Even so I've come to learn that there is a triplet buried far below the other two, and that is what all the burnishing and polishing is about. Come out I say, of heard of you and you are delaying the day with all that procrastinating. Back to the bathtub for you there's a little more scrubbing to do. Only recently I noticed hanging on the bathroom door, which out of interested is painted the most beautiful blue, is a Key called humility. I've come to learn its secret lies in transparency and that is what the scrubbing and buffing is all about." (October 8, 2024...My hand in marriage)(Transcript October 10)

Prophecy) Give My sweet, give and it shall be given unto you good measure pressed down and running over will I give unto you and those around you. The time of the End is at hand. This is the key, the vital all-important key that must go in next. There will be others, but this one must go into its slot. This is what we need to release the flood of power that will eventually blow this world and the world of tomorrow apart. Don't stop now, My sweet lover. Don't look back for there is only darkness there. Grab that lamp and step out into the future, your future and the future of the whole world and universe. This great and awesome Law of Love is the great torch of revolution. It came to Earth when I entered the Earth realm two thousand years ago. It has been held high by successive generations since then, and now it has been passed to you, My lovers of the final End of ends. The last leg of this supernatural relay race is about to happen. It is so thrilling, so all-together awesome that there is silence in Heaven. Yes, My sweet loves, silence. The Heavenlies is holding its breath in anticipation of what is about to be released. Open the velvet box and take out those magic Keys. Select the one called the Law of Love and insert it into the keyhole called the future. And away we will all go. You are My elite and heirs to My Kingdom. Does it not seem reasonable that I would require you, My heirs, to partake of this great event? What I am asking you to do right now on this seemingly inconsequential day and hour will accelerate My return. Let Me take your hand in Mine, and let us insert this Key together. Let's break the seal that covers the lock, like a Husband I will break My virgin's hymen, and she will be ready to bear fruit and the seeds of this fruit that our union produces will be used to create some of the first seedlings of the new millennium. This is My will, and this is My doing. This is the will of our Father who reigns over all the worlds and galaxies and universes now and to come. You have come this far by faith, the faith that you have gained will grow and cause this world to rock and reel under the very power and strength and might and majesty of God. This is it. It is time, and it cannot wait. Open your heart and let it flow. Let the old flow away and disappear along with this old world. We are born again, for it is given into your hands to insert the final Keys, to call for a change of tide. Satan and his ilk will have no answer for this tidal shift, no more so

than it is possible for man to stop the ocean tide as My Moon pulls on the seas of this world. All the forces of Heaven will bear down on the forces of Satan and the pressure on his dam wall will be so great that he will not withstand the sheer volume pressing against its strongest section. He thinks he has won. He thinks that My children are nothing and have amounted to nothing but small, insignificant cogs and tappets, screws and nuts, and things of little value. He is wrong —oh, so wrong. Stand back and see Me fight. Now step out and do your small, insignificant part, then stand back and see Me fight for you as all of Heaven rushes to your aid. (Jesus Shrugs-October, 2021)

*Yes My love his darkness is complete; but for one thorn in his heel, one stitch untied in his tapestry of doom. **You**, My elites are that loose thread that will unravel his whole artless work. It is your Key powered prayers and those thoughts you send to Me in the night season and during your working hours when your heart reaches up to Me in desperation asking Me to steady the wobbly axis. I see your frustration and that impatience which causes you to lose that simple childlike trust that everything is in My hand. Satan, his plan, the planet and its wobble, the masses and their spiritual condition, but most importantly you...and why you are the most vital of components is that you are the proof of the pudding. Yes you are what I am using to take out the wobble, burn Satan's plans and set in motion the correct spiritual course of man once again. This is all too much for you to comprehend and that is because you are just a simple little cog on a big big big machine.*

If you listen I will give you the plan, one step at a time, and as I give you the plan you will truly see how small and insignificant you really are. If you call on the Keys of humility you will not be bothered by the shocking truth but will simply yield to the will of God as I yielded to His will when I was on earth. The Key is humility, I told you it was an important Key that is why I placed it around the neck of your Blue Angel. Right at the door of her heart and portal to My mind.

(June 7, 2024...Endtime update?)(Transcript October 10)

Lisa) The conclusion is, the enemy is attacking our belief, our faith. He uses different angles with each of us but they are basically the same. He's trying to keep our feet on the ground to stop us from flying! It's all pride, all 'self' manifesting its ugly head. Because *you are the most vital of components and what I am using to take out the wobble, burn Satan's plans and set in motion the correct spiritual course of man once again.*

11th October, 2024 Azure) The purpose of your uncertainty, your seeming ineptitude, your putting down of yourself, your feelings of extreme failure as a child of David is the process of tearing down the façade of 'self'. You feel so low, so discouraged, despite knowing you actually *need* to be a 'nobody'.

He is trying to steal your keys of humility!

Step by faith, cut off that branch of self and worrying or feeling so sad that you amount to nothing much in being useful to the Kingdom.

Let go of the weights that will stop you from flying off the mountain. Forsake all and live your discipleship! You're not leaning on the weapons. You need extreme praise and the keys. Simply, a pin has been put in your balloon of 'self' and it's fizzling out. But that's what we all want, isn't it? It's the road to transparency. Put your hand on the door handle of that beautiful blue bathroom door and submit to the scrubbing and cleansing and be joyful for it! (End)

Perfection is nowhere on My list of importance. I would be far more happy to receive you into My arms with a spotted record, failures, mistakes, and sins, and a humble love for Me and others, than with a self-righteous attitude of sanctimonious perfection. I want you with your flaws and your mistakes. I don't want or ask that you get it right all the time, or that you be faultless-all I ask for is your love and obedience. (15)

I plead with you to accept your lack of perfection as a good thing, just because I said it is, and because it brings about the most important qualities of desperation, closeness to Me, humility, and dependence on Me. Try praising Me by faith for your lacks, problems, weaknesses and faults, knowing that I have a greater purpose. (16)

Your weaknesses and your shortcomings and your struggles do not lessen My Love in any way. These things are insignificant to Me, I see them not. What I see is your love, your dedication, your yieldedness, your humility and your desire to please Me. This is what I see and this is what I will reward. (17) (PFTCOD6-2)

247. Is it possible to change and become and stay "new blood"? Anyone can change and become and stay "new blood." All it takes is an infusion of My Spirit into your spiritual bodies and veins—a spiritual blood transfusion, if you will. And that transfusion can take place instantly. All it takes is desiring the infusion of the new; and desiring that the blood running through your spiritual veins is only filled with Me and My Spirit and My ways. 248. Your blood and your veins need to run thick with My Spirit! Your veins can't be constricted through compromise; your blood can't be diluted with the cares of this world, the ways of man, the ways of the flesh, or the carnal mind. (AOW5)

KP-*The keys must not just be incorporated into your chests but they must become part of every fiber of your spiritual being. They must flow through your spiritual veins. They must lodge and connect into your spiritual brains; they must heighten all of your spiritual senses.*

The Words of David, just like the [blue plasma stream](#), are running through your veins. The more you divorce yourself from the world and its ways and the more you shun the words and thoughts of man, the more the Words of David will take hold of your life. They are Me, and they desire to control your thoughts and actions, your very life. AUG 1, 2024

My keys are like a clean bath to soak away the dirt and filth of the world and replace it with the sweet-smelling fragrance of the cleanliness of My Spirit. Soak in the keys, bask in their power, and be cleansed from all that is of the world. There is strength and Heaven to be found in the keys as you use their power to cleanse you from the besmirchment of the world.

What is loosed on Earth is your yieldedness. That is the ultimate, the goal, the prize, the vital ingredient. And it's what the enemy fights tooth and nail, constantly bombarding you to resist, to pull back, to become stubborn and rebel against My way for you. But I have equipped you for this relentless battle of self and pride versus surrender and transparency with the all-powerful Keys of the Kingdom. These hold the power. Wield them and you will cut Satan down and cast him out of your realm, the realm that you and I inhabit. This is why you must have the Keys running through your veins, through your brain, embedded in your very being. This is the ultimate test of your Earth mission, and you know the secret weapon that I have provided for you to successfully accomplish your time there. **You see, I don't make it harder than you can bear.** The Keys will lead and guide you into all truth. As you meld with them, they will speak to you. They will caress you as you caress them. They will respond in wonderful, amazing, miraculous ways. They will come into you and change your make-up, the way you were before, and make you how I need you to be. JUL 12, 2023

Broken Vessels

(Jesus:) I just got to pour into you no matter what. It's almost funny sometimes. My children are like cracked vessels that I just have to pour into. I'll of course first spend time fixing them up and repairing the cracks, but I'll not get that job done here on earth; I know you'll never be perfect. So I must pour, I must pour into cracked vessels that I may reach the world with My love. Those who yield the most to Me, are those that can store the most. It's not because they're more perfect in themselves, but they have allowed My hand to use those cracks to My advantage, and even cover or fix cracks that I couldn't otherwise without their help. Sometimes I even leave cracks in My children just to keep them close to Me. They see the crack and it hurts them so they run to Me and thereby receive more of My new wine to feed others desperate souls. So don't look at all cracks as bad things, some are from Me. I must pour, even if some is lost, I must pour and I must pour or else none would be given. You'll never be perfect, but with My Keys and the weapons I will be able to perfectly use you. If you will but hold them before you they will do what you can't, they will hold the dam of your vessel, they will open you when the need is there, they will keep you and save you, they will be your life force in the days ahead. I love you My broken vessels.

18TH October, 2024 Azure) Our secret is your secret to overcoming and being able to make it through and to be able to enfold your hidden wings and fly! Oh what a freedom! What joy and ecstasy to be above it all, enveloped in His love and care and protection, being in the center of His magnificent will! It is the climax of your earth test! Yield your little heart and will to Him; be so so tiny in your 'self' and be happy and content to just be a simple lowly, loving, caring servant. Do not lift yourself up but always be looking for ways to bolster and lift up those around you to help them on their way. It is arduous and tiring and they falter and fall. You yourself know of these falls through many personal experiences, so lend a hand and lighten their way through putting your arm around their shoulder either physically or in the spirit and see how that love and care will buoy them up. It will have such a cleansing effect on you as well and you will fade as the Light shines through. That is our secret. It's being so yielded to His will and desiring it more than anything else and that takes the keys of humility. *Call on this key and the path of transparency will open to you.* The keys are the power you need to fly. ***"Fall in Love with us by listening to our secrets; like lovers whispering to one another, so listen to us and let our secrets fill your heart like blue power and life that slowly changes you from what you are into what you are meant to be."***

19th October, 2024

"Sometimes I think of it as a test, like He is saying, "Do you still want me? Are you sure?" A test of our love. And I show that I'm not just here for the good times, but I really do want to stick with Him through it all, because I know, deep in My heart, some of all this "hard appearance" is a filtering method to prove where our heart is really at. But I just know that when the veil is lifted and we get to know Him more as He really is, we are totally going to be in awe and love Him more than ever. And if He sees that I loved what I knew of Him, as little as I saw, and as "tough love" as I experienced, and still wanted Him, He's going to lavish me with love all the more. I just know it."

Jesus) Be still and let Me and the Keys work and just trust them more than you are. Be keeping your mind stayed on Me and all of My power and might to work things out, to know without letting little gnawing thoughts in of wondering, that I know what I'm doing and let My love flood into your heart to be at peace and rest that I truly am in control. Stop grabbing in your mind, mulling and just lie in My arms, float in My presence trusting Me for any outcome. Peace and trust relying on Me and the power that you have in the Keys. You do not yet realize the power that you have available to you through this awesome weapon. Mostly because, it is by faith right now and although miracles are being performed, I am seeing and looking for your obedience to simply using them because I say you should. When the time is right and I see you have been faithful then the true power will power down on you through this mighty weapon that Satan fears so very much! Remember, *faith is the substance of the miracle you hope for through the keys which you cannot see.* My beautiful bride, My faithful wife must exhibit all the traits that I have outlined in My love words to you. Follow them faithfully and explicitly now more than ever before. Let your flesh drop as a worthless sack and shun your carnal mind and all the worthless, useless, time wasting thoughts that threaten to undo you. Be a praising, love filled bride but at the same time a soldier bride, for it is needed more than anything else now My sweetheart.

27th October, 2024 *"There is something so special about this Earth time, something that will only be given once but will go on and on into the annals and archives of eternity! The prize is before you. Hold it fast..."* (A Thousand Years)

True Blue) Yet, there are many sidetracks that you can take; so many options laid out before you. Because you have been granted to choose for yourself; to search out your own heart and decide whether you will stick with Him and what His word says or whether you want to go looking around to see what other opinions there are and then make your choice. But that doesn't really sound like you're trusting fully in your Husband. Imagine your earthly husband has asked something of you or instructed you in a certain way and you decide not to heed his voice and rather go off without him on your own independent search because you aren't satisfied with his answer or the way he's explained it to you or what he has asked you to do for him. How do you think that would make your husband feel? I think it would slowly separate you and you wouldn't be very close and maybe he would not even tell you things anymore or share his opinion because you don't listen a lot of the time. Afterall, as he stays the steady pure path fully focused and completely possessed by our one true Husband, only having eyes for Him and only having ears for His voice then you will eventually not be able to relate to each other because you will be on different pages and your relationship will become cold and formal. His influence is from Him and yours will be from a completely different school! Can two walk together except they be agreed? Why would the lion roar if he hadn't captured anything or why would the young lion not be eating in his

den as he cries out? Would Jesus tell you something and not mean it? Is there really any question as to His veracity, Lord forbid! Your love for Him should make you fear to not want to disappoint Him but to always endear His heart to His *chaste* bride by being adhered to Him and His instructions; by being obedient; by being willing to give up everything for Him.

Jesus wants your pure unadulterated attentions, not tainted by other 'lovers'! And if His word has said it and you choose not to obey then you walk a hesitant path because you can't be sure He will come through for you when you need Him.

You *choose* the fervency of your love for Him. You *choose* how far you want to stay the course. You *choose* the level of dedication, of faithfulness, and closeness; of obedience! He would like for you to have eyes only for Him even when there are others or other ways to choose from around you. Only in this earth life is this choice given you; the realm of believing without seeing Him. And not just simply believing in Him but so much more than that. Going deeper and deeper into His world and coming away and turning your back on the alternatives and choosing for Him to inhabit you and having no room for anything else. Full possession equals perfect love, utter and complete. '*Utter*' means more than just words but a gushing forth from the source, the Fountain of your life that is buried deep within in you because you chose for Him to dwell in you. It's a promise; a covenant of love and devotion between you. You are His and He is yours forever. (End)

Soldiers are asked to put on a uniform and leave everything behind--things, family, friends, lovers--and go and fight the war! And so it is with you, My children. I need soldiers out on the battlefield who put on the uniform of My Spirit and forsake all the gadgets of this world. I need those who are willing to set aside the material goods and comforts and even their own desires so that they may fulfill My desires. It's the only way we're going to win this war. (Trash Your Trinkets and Head for the Hills! [#3186])

8th November, 2024 Jesus) What if..... My darling bride, I am '*gifting*' you with these tests to give you a precious treasure..... *if* you choose it; if you so desire it. What if I see your heart and know your deep desires that even you don't realize at times, but that I know that you wish to overcome and so desperately want that 'medal' of beauty, to present to Me when we finally embrace; to be so desirous, so hot for Me that you are willing to go through these deep waters; this drowning; this burning hot fire to become the most beautiful you possibly can be for Me. Your time in the concubine's quarters preparing to have that most awaited moment in all time; your first night with Me; your night with The King! I see that you want it more than your frustration of endless feelings of humiliation and 'worthlessness' in your petri dish! Cultivate the keys of pureness through the keys of humility. Keep crying to Me, My darling. Thunder out your heart cries of your need for Me and they will shatter the barrier the enemy places in front of you, preventing you from reaching Me. He will never stop you because you cannot do without Me, but he will try to waylay you from enjoying our time to the fullest. His plan always back fires though because you know you need Me and must at all costs come to Me.

"Every time you love Me intimately your words are as thunder that rumbles out your love for Me and the entire realm of the spirit know it; they hear your words of love and intimacy and the devils tremble and fear for they understand that they have but a short time." (Seven Thunders)

The more you love Me, the more you speak of your love for Me, as your senses rise to meet Me and we 'touch', the force of our love will bring the enemy's reign to an end so much faster. So overcome your carnal mind that attacks you by just being with Me. Defeat his attempts to slow down the whole process of My return by filling the spiritual atmosphere with the thunderous sounds of our love making. They will incapacitate him because he hates love so much that he won't be able to move for the vibes he feels from our love cries. They will be like acid to him.

So can you do that My love? Your question I am already answering and that is how do you overcome this battle? You have to die My sweetheart. You have to give up your life for another and become a new creature; different from the old you; leave the old you, the old carcass behind and grab ahold of the new; the eagle's wings and learn to fly! Fly away from all the crap, all the fleshly carnal minded confusions and distractions of your old desires. Leave them behind and be set free to go higher and higher till you let go of your old cling-ons which is mostly your pride; your 'self' that wants first place! You don't want to be in a carnal minded prison; you want to be set free, so cut the ties and call on the Thunders to reverberate and smash your chains that the enemy and your carnal mind has placed on you. Remember though that it is pride so as you hold the keys of humility and desire those keys you will become more transparent. So that is the key, the secret to overcoming your pride and that is the keys of humility. You don't need to be a

'somebody' sweetheart, you just need to love Me and be My wife and tend to Me and My will for you and in My eyes you are most treasured and more highly honored than those who think they know so much. Yes, accept thy seeming lowly status, in the here and now and then when Reality finally comes you will be revealed as the queen you really are- a queen of My Kingdom, soft, beautiful, meek and humble. Your beauty then will outshine and dazzle for the laying down of your 'self' and your pride and you will be a trusted bride for you will have passed the tests of giving Me all the glory there on earth as you remained unseen, a handmaiden for Me, willing to do to you as I pleased. I know this is your heart's desire even though your flesh and your carnal mind gets in the way. Simply rumble out those thunderous love words of ecstasy and don't give up and you will be that queen. (End)

I made you just as you are--faults, blunders, and all. Those ugly, rag-wrapped bundles may seem an embarrassing, even discouraging weight to carry, but within they hold the jewels of humility, strength of character, compassion, and forgiveness. They are the royal treasures of Heaven. Be thankful for your weaknesses, because it's through them that you learn the greater lessons of love and humility. And when you see someone else carrying their bundle of "faults," pray for them and lend them a helping hand, and you may get a glimpse of the precious jewels hidden under the rough exterior. (3) (PFTCOD6-2)

Keys, keys, keys, there are many keys to many doors, but the first key is the Key of Humility, empowered by the Blue key, because unless you see the insufficiency and the helplessness of self, you will not go looking for more!

Blue angel) You have to want it and seek it out...this type of closeness to us is not a given. Even in the heavenly realm, only those who are desperate get that close to us and the King. Hardly anyone has been allowed to glance at the Power Houses of God, as the Children of David have. It's sacred and only for the most searching of hearts. You can't have any motivation of self —self must die. Self has to die and be buried. Self-seeking, self-confidence and self-righteousness all have to be scarified and burned for you to be allowed in to our hearts fully. To learn about us, there must first be a dying —a laying down and a great surrendering. Yes, it goes deeper than just hearing from us in prophecy, there is much more and so much more to explore if you can believe. Accept now, thy lowly status and I will pour the elixir of humility on you and you will see.

Keys, Keys, Keys, there are many keys to many doors, but the first is the Key of Humility, empowered by the Blue Key, because unless you see the insufficiency and the helplessness of self, you will not go looking for more. Unless the Keys of Humility unveil your eyes...you will think you know quite a bit and will lack the desperation to search and search for more. Your scales of pride have to be removed or you will think you are pretty smart and will be content to stay at the level you are. But to keep climbing you must be open to the dying of self. Yes, the higher you get, the more of self you will have to leave behind, but that is positive and very good, right? Some cannot go further and desire not to leave all of self because it is the highest calling and with it comes great sacrifice, laying down of self to where you no longer live, but Christ that lives in you —transparency. So ask for death. Ask us to bring you very low so when it's time to raise you up, you will be propelled much higher into the realm of the Spirit, until it's time for another dying and lying down and crushing. To gain us you must give all and to win Christ there must be humility and utter desperation. Seek always to be little and desperate and hang about your neck the Key of Humility. There's much more to come, little one, stay hungry for us and stay empty for us and we will come to you!

Clear: Yes my love, this is for you too, you must also lay down self every day. Keep the key of humility that you allowed me to place around your neck, on at all times, and live the life of lowliness in your own sight. Try the words that come to your tongue before they issue from your mouth. Be in prayer all the time and walk circumspectly. Listen intently to my voice and the voice of the Queen of Heaven and you will be directed in all your ways. Learn to listen, learn to obey, learn to sacrifice and learn yieldedness to the Spirit. (B&G)

There are those who love the keys for their effectiveness but are not willing to live the keys. Living the keys means to start a new. To move forward and turn from the circle of life as the old saying dictated. (Esteban)

The Key of fifth dimensional travel will lift you up and over that slob Obstacon, but as the Key promise that is dedicated to overcoming him says; you must wield it in obedience to the Word of God. The Keys do not work for the selfish and disobedient. Do you want to morph into a flying creature? It is after all the only way up from this point; don't forget we've reached the summit of this peak and it's time to let go of this world and the carnal mind. Old things must pass

away, all things must become new...here try this Key in that lock that your carnal mind has put on that portal, but remember don't rote it:

The power of the Keys will cause a Word revolution in your life that will turn you into a new creature. (a flying creature!)

These Keys are promises that if believed...*like as in lived*, which is your part, then they'll do their part. You have a portion and they have a portion, they will be faithful to uphold their share, but will you...that is the question. (Sequel to Trapped on a Mountain)

There is no greater gift, no greater sample, no greater opportunity for My Spirit to work, than when there is a spirit of humility.

The ones who are the best in My Kingdom as far as their usefulness are those who have learned to depend on Me; who have a hunger for My Word; who are willing to let go of their pride and do the humble thing; who have faith in My Words for today, My New Wine, and who have a desire to drink it in and to receive the strange truths that I give to them; who are willing to go where I lead and do what I say; who are willing to give themselves wholeheartedly without reservation to Me, that I might mold and make them into the vessels that I would have them to be; and especially those who love Me above all things, who put Me first in their heart and life and thoughts and desires.

Those who have taken hold of these attitudes in their hearts and minds are the best in My Kingdom. Not because it is anything of themselves that makes them better, and not because I love them more, but because they are better vessels for Me. I am able to use them more greatly, and My light and love are able to shine through them more brightly. It all depends on how much they give themselves to Me, how yielded they are in My hands as soft clay, and whether they let Me have full sway in their lives so that I might make of them that which I desire. (From Jesus with Love 1:190)

The flesh wars against the humble way. (Link 015)

The keys wage war against the carnal mind of man, and will defeat pride in all its forms.

The more you use the keys, the less hold pride will have on your life and spirit, for in calling on the keys you acknowledge your own weakness. The keys embody humility and conquer pride.

Claim the keys of brokenness, and the gifts of humility, dependence on Me, and My close presence will blossom in your life and bring forth fruit that will remain.

Key power finds its surest dwelling place and its greatest power in the heart and spirit of the humble.

12th November, 2024 Today as I am rereading this journal and adding my latest prophecy,(8th November, above) I have reached 40 pages. I think that is pretty significant! 40 days for me by faith! At the beginning of this lesson learning time, I often felt an underlying confusion, a blockage, to what my lesson was all about and what it was I was supposed to really get. But today, all the confusion was gone and it is clear to me that it is all... pride. What a joke!

GOD MAKES THINGS SO SIMPLE FOR HIS LITTLE BABY CHILD, THE PROPHET! He makes so simple for His little baby child Prophet. So simple nobody believe: (November) 11 to (December) 21 is 40 and (December) 21 to (January) 31 makes 80! Any little child can add those up, you see? It's very simple. You know? God makes very simple little prediction any little child can figure for His children. You believe that? ("40 Days and Nineveh Shall be Destroyed")(September 18, 2024... The Dominoes Are Set to Fall)

24th November, 2024 Lisa) My room is clean this morning and very little clutter. It didn't take me so long to clean up....but my loved ones are gone and it's empty and lonely. (They are on the Road) The mess means I have loved ones in my life, close and all around me. I will appreciate that much more next time I'm tempted to get frustrated. :)

Amazingly as I write this, a song is playing and the words, "I don't need *perfection*, all You want is time with me and my attention and tell You how I feel!"

You need to let go of the old and let the pure fresh spirit flow through and wash you clean and just be simple! Simple means being humble and not proud or worried about anything but pleasing Me.

28th November, 2024 Infostore opening quote: ***When I gave up trying to be perfect I finally became happy.***

Prayer: Blue angel, please stand guard over the door to my heart. Please, set a watch over it. Keep my steps from sliding; bind my heart to thee. Tether me to your mind. Hold me in a continual embrace, so that I can feel your presence and breathe in your mists.

What must we do? This is quite simple; we have already told you the answer. We must flood it with the Word. We must brainwash it with the thoughts of Heaven. But it is difficult for the mind to retain the knowledge of God. It must be taught. It must be kept sharply in line, bringing into captivity every thought to the obedience of Christ. You must will your mind; not to be conformed to this world, but to be transformed by the renewing of it. **There is a war raging within you, spirit against flesh, heart against mind. The prize is dominance of your Will.**

Dear Jesus, I claim the keys of Keep Looking to You! xxx

If You're Living the Spirit of the Word... Art of War 5 (see also XN 80- great illustrations from Anthony)

251. (Mama:) Besides doing the humble thing, one of the fundamental basics of being a new bottle is living the spirit of the Word, as opposed to getting stuck on the letter of the law or in your own self-righteousness. Here's some good counsel from the Lord about this. 252. (Jesus:) If you're living the spirit of the Word... 253. • You don't mind change, because My Word is always changing. You expect it and are ready for it! You don't mind abandoning old plans or ideas in favor of new ones if that's the way I'm leading. 254. • You don't mind confessing your faults or admitting your mistakes, because you aren't promoting yourself as an example of perfection—you're holding up My Word as the example. So if your mistakes can help others look to My Word more, you are happy to share them. You're eager to clarify things that might hurt others' faith in the Word. 255. • You're open to others and their input, their revelations from My Word, what I have showed them. In fact, you stir up the gifts in others, you ask for their help, you encourage them to seek Me about things. You draw on and encourage the strengths of those around you. You're open to their input and ideas because you're not concerned whether any good ideas come from you or not. You just want to live and apply My Words, and help others to do the same. 256. • You're not stuck in a rut, because you know that I work in different people's lives in different ways, and it's a marvel and a wonder to you that you love to see. You don't put Me in a box, and you don't doubt the way I'm leading others. You sense My Spirit, you confirm your thoughts with Me, and you have faith in the way I lead and work. You encourage others to follow Me and apply the Word within the framework I've given according to their faith. 257. • You love the new revelations and direction that I pour out. You know it works, and you can't wait to make it a reality in your own personal life and Home, because you know it will bring miracles and forward progress when you step out to obey. Obedience to My New Wine is a major priority for you. 258. • You have faith; you know that I have the answers and the solutions. When I say something, you know it works if you will obey. You have peace and faith and an attitude of expectancy and excitement about how I'll fulfill My promises. You're happy, full of faith. You're not worried, because you have a clear sense of perspective that I'm in control. You have a peace in your heart because you're doing your best to obey. There aren't personal interpretations or unyielded aspects that you're afraid of being exposed or that you're trying to hold on to or preserve and protect. 259. • You have faith in others and My anointing on them. You see potential in others and are inspired and excited by it. You know that there's no limit to what I can do with someone who is yielded and obedient, and you inspire and lead others by that sample. You want everyone to experience the joys of serving Me without reservation. 260. • You work in the spirit rather than leaning on the arm of the flesh.

Even if you have tendencies toward the arm of the flesh, you continually fight to bring things back to the realm of the spirit—laboring in prayer for situations, seeking Me for counsel, depending on the keys and the miracles that only I can do. You establish safeguards for yourself if necessary, or ask others to safeguard you, to help you operate in My Spirit, in counsel, in wisdom, and not lean to the arm of the flesh. You know that operating in the arm of the flesh is ineffective, unacceptable, a waste of effort, and a bad example to others. 261. There are other obvious qualities when you're living the spirit of My Word, but those are a few of them. When the generals are not afraid, the men they lead need know no fear. When those who are aware of all sides of the battle are convinced of victory, those who know less can trust and attack bravely. We, your generals, are not afraid.—Field Marshal Erwin Rommel (speaking from beyond)

Practical Things You can Do

262. I'll give you a few ideas of simple, practical things you can do to become "new blood" yourself, things that help you to stay more open to Me and more easily infused with My fresh, new spirit: 263. —Do the humble thing. Fight pride. Among many other bad effects of pride, pride will cause you to stagnate. It's one of the natural side effects of pride to want things to remain the way they are, to look good on the outside, to fear the new, to avoid branching out because it could bring mistakes, to stick with "tried and proven" means, to squelch fire because you're afraid of wildfire. Humility, on the other hand, loves the new, loves to prove Me and put Me on the spot. Humility is not afraid of mistakes and lessons and growth and progress. 264. —Be an avid lover and believer of My New Wine. My Words will keep you new, if you live them and obey them. Keep up with the New Wine. Keep up with the revelations of My Spirit. Make it a priority to study them and live them. 265. —Make it a regular prayer request that you will see the new, be open to the new, and be flowing and flexible with My Spirit. Praying for it regularly yourself, and asking for prayer from others when you feel the need, will not only do the miracles in the spirit that you need, but it will also keep it in your mind and heart and help you to be more open and aware when I bring things your way. 266. —Realize and have the viewpoint that those you're training—your sheep, your children, your young people, or even fellow Home members that you give and receive shepherding from—are going to do things for Me that you've never thought of. They're going to have ideas that have never come to you. I'm going to lead them in new ways. Realizing and accepting that will help you to have a more healthy, open, receptive attitude toward others, including those you're training. 267. —Watch out for "automatic" reactions, especially of dismissing ideas, judging situations, or confirming plans without seeking My counsel in prayer, and sometimes the counsel of others. If things "automatically" sound bad to you, stop, check yourself, and see whether you're reacting that way due to past experience, personal preference, or opinion. If you are, you could be wrong, and you're in danger of becoming an old bottle and squelching what might just be My idea for the hour or for the moment. That's not to say that you should just jump on any new bandwagon that comes along either. Watch out for automatic reactions or quick judgments of situations, because they're often wrong. 268. —Don't get stuck in a rut with personal habits and preferences. I know this sounds minute and practical compared to the other larger spiritual principles, but what you do in your personal life affects your professional life. And if you're the kind of person who has to have everything "just so" in order to be happy or feel content, chances are you're a little slow to embrace the new in the bigger things too. So fight to avoid ruts. 269. Everyone has habits that they cultivate or allow and even enjoy—such as the way you like your coffee, or the time you go to bed. But watch yourself that you don't get so stuck on them that you miss opportunities that I bring along your path to help keep you flexible and changing—such as a special fellowship that's a bit later than what would normally be your bedtime, or adjusting your schedule when there's a need, or voluntarily changing something that you "always do" in order to accommodate someone else or make them happy. 270. To sum it up, My loves, look to Me, look for the new things I'm doing and the new ways I'm leading, and I'll show you! It's not really that hard; once you're looking for what new things I want to do in your life, once you're willing and ready, I will bring the opportunities to you. (End of message.)
