Prophecy: This MO letter is not so much a time-release capsule as a capsule that has been waiting in the wings for its time to be released. Those who are called and chosen will easily see the depiction --not of the system church, which you have been taught through the Words of David is Churchianity, but a portrayal of your very own organization, which was born out of the fires of revolution but now, in this time of the whisperers, has fallen into sleep; thus fulfilling the words of the Apostle Paul: , *"Let no man deceive you by any means, for that day shall* ***not*** *come, except there come a* ***falling away first****."*

The falling away being consummated in order that the true believers in the Words of David arise from the ashes of the old church, the remnant now go on in the power of the Word to fulfill their destiny and birthright. These called-out ones are not giants of the faith, but as the words in this MO letter point out: "*Now I see as I did then, how God was preparing: An officership of insignificant laymen and lay leaders, average workmen and average Christians, not ecclesiastics, trained ministers or ordained pulpit preachers, but simple Children of God; simple little laymen, housewives and laborers who could carry on His work after the others were gone." (end of excerpt) MB:* These layman were not called out because of their good works or their knowledge of Endtime events but instead were elevated through their obedience to the Words of David, the always true and anointed leader of the people. It is "followership" not leadership that divided the last church in those final hours before the very End. It was the very Word of God that led the remnant of believers into the full Words of David. Just as the system church consists of those that believe in and live the words of the Bible to varying degrees, so it is with those that follow the Words of David. Just as in the system church you have those that call themselves "full Gospel believers," as in the Full Gospel Businessmen, so within the ranks of those that follow the Words of David; there are those that pick and choose what Words they believe and follow. What is in a name? The "Full Gospel" and "businessmen" is indeed an antithesis. The Words given to David, Maria and the New New Wine will continue to examine the hearts and sift the thoughts and intents of the those that call themselves adherents; not to discriminate, but for the Word's sake; in order that the promises be upheld thus fulfilling the Words given to the prophets throughout the ages.

It is not by might nor achievement. It is not by man's wisdom; for all the works of man will be burned to ash. It is not the effect of the Word but the Word itself that will be glorified; we are but vessels that the Word pours through. We in ourselves are nothing; it is the Word that we lift up and that will draw all men unto it. We were given the Words of David as the pure Words of God, and in following them, we will be used according to how closely we follow. The Word (not we) will be the judge, and it will not judge as man judges but will simply choose the most yielded, but not to glorify the vessel but to glorify itself, the Word. The Word has one purpose --to be fulfilled. Just as Jesus fulfilled the Word whilst on Earth, so must the Word be fulfilled in these last days in order that the End come.

The Endtime Whispering Vision

Man seems to think he is heading in a linear direction. But as has been said, there is one thing man should learn from history and that is he never learns from history. Man is going in a circle but God is moving that circle rectilinear. Biblical as well as secular history is a witness of man's endless rotational path through time. We often talk of parallels and types and of how often history repeats itself when studying our Bibles. Whole Chapters, although written about people and in some cases places from the distant past, give us such stark equivalents of our lives today that you would think it would be easy to break this endless cycle we are trapped in.

Although material man runs himself ragged, we, the true children of God, are not trapped in his inescapable wheel of pointless exercise, running like guinea pigs in a maddening, tail-chasing quest for nothing --except of course to amuse the twisted sense of humor of a demented dark lord. We, on the other hand, were set free and aim to remain free here in the Wilderness of the Spirit. Those that turn back only turn back to their chained eagle's rut. You see the cycle right there. When given a chance to fly free, when loosed from the bird-band and chain, the carnal, churchy element flopped right back to their rut again, began that same old strut again, just the same old habits keeping them bound to the ground. So many people today are like that eagle, and though the truth could lose them from their chains, when freedom calls them on to new horizons, they jump right back in their rut again, never to be free again in this era. Why? Well, having rejected the truth, they have swallowed the lie that makes them believe that they have found a new path, and they are so convinced of it that they even try to convince you that this new-found path to enlightenment will help you…but watch out…if you listen to them long enough, you too will wander over for a look and tumble right in.
How do we see things so clearly? you may ask. Well, that is because we are prophets, and prophets see things differently than those trudging around in their ruts. We are looking in, and they are looking out, but all they see is the sky and perhaps a few clouds floating by every now and then. They, but for a miracle of God, don't see us, let alone hear our words of warning. The scary thing about ruts is those plodding along inside it will run into whatever is in the rut --or that thing might run into them; whilst those eagles that took to

the sky of freedom are now feasting on the New New Wine and are telling any who will listen about life outside the rut. And what are we saying? --That the sky above is no longer blue with puffy clouds floating by, but angry black --black with clouds and red, red with warning; we are saying that the rut you are in is soon to fill with floodwater poured out without measure so as to cleanse the Earth in preparation for Christ's immediate return. Whether you are His or not, if you are in that rut, then you will be washed away in the flood.

The circle, having come almost 360 degrees, is nearing completion. This amazing prophetic vision received more than 60 years ago is at the eve of fulfillment. Already many of the events spoken of by the prophet in this vision have come to pass. At this point in world history the principles spoken of in the Endtime Whispering Vision have swept the world; and Communism, the final beast and New World Order is at this moment standing in the wings waiting for its cue to enter center stage. God's stage hands, the prophets, presently receiving directives from the Director, are busily setting the stage for the final act. The audience, unaware of what is about to unfold and kept amused with their snacks, cellphones and aimless conversations, are all but a few, blind to what is happening behind the thick curtain or barrier that is hung --as if by magic-- across the stage of world affairs. The Endtime Whispering Vision is the third MO letter we've read during this CHECKPOINT month that speaks of the completion or near completion of a circle or cycle. Just yesterday whilst discussing this 360-degree concept, one of the students noticed that this MO letter, Endtime Whispering Vision, is number 334, and it was whispered in her ear… "That is almost 360 degrees." Then that someone from across the veil suggested to our student that they subtract 334 from 360, which she did, and lo and behold it comes to 26! Jesus is doing His level best to keep us running straight and true --no more time to doubt or wonder if the finish line is directly up ahead; no more deliberating as to if we truly, actually escaped the exercise wheel of futility when we were set free from our bird-band sometime during the last decade. ENOUGH, ENOUGH, ENOUGH already! Our destiny is about to be fulfilled. Are you ready? Dear MO was a man born for his time yet born out of time. His Words, the Words of God, were for then, but like the words of Daniel of old, were really for now, for those of us who would pass through the End of days. You had better believe that 2026 is the cut off, not for the world but for you. The house is on fire, and you had better fulfill your commission to fan that fire until the whole God-damned kingdom of Satan and man are burnt to the ground, ruts and all.

You are in the circle but not of the circle. Your flesh is in the world, but your spirits soar in the Heavenlies with us, your true Family. Now run the race that is set before you, run with patience and with courage, run and don't look back. Don't look into that rut at those that call out to you. You are the children of David; you are Warrior Band. You are free. Now soar as eagles; you have been given a bird's eye view. Believe what you are seeing through the Words of New New Wine.

*But on the mountain you are the first to see the sun rise & the last to see it set! You see the full circle of God's glorious creation! You see the world in its proper perspective with range after range to be conquered & a world beyond the horizon of normal men! A world beyond their vision & their horizon! You see distant peaks yet to be climbed! You see distant valleys yet to be crossed. You see things that the men in the valleys can never see.--Can't even comprehend because they can't see it! And you can see the 360 degree circumference of the total horizon--the entire scope! It's like seeing all of life from its beginning to its end & understanding. You feel like you're living in eternity; whereas, down below they're living in time.* *(Mountain Man)#B*

Some pertinent excerpts from "The End is Here" #0906

3. **ONCE THEY'VE HEARD, ONCE WE'VE WITNESSED & THEY HAVE HEARD, OUR JOB IS DONE!** We don't have to win the whole world! We don't even personally have to be in every single country! But when this Gospel of the Kingdom shall have been preached in every nation, then shall the End come!—Matthew 24:14. He doesn't say in that Scripture in Matthew every tongue, tribe, etc., like He does later in Revelation 14 when the angel preaches it to everybody just before Jesus comes.--That's the angel's job, not ours! That'll be the last thing, & then everybody will hear it!

4. **JUST THINK, IN THOSE LAST HORRIBLE DAYS OF THE GREAT TRIBULATION,** God's going to get to the point where, since most of the church didn't & maybe we couldn't, He'll send the angels of God to preach it! I don't know what kind of megaphones & PA systems they're going to use, crying from the Heavens to the whole world, but it's in Revelation 14! Read it! In the very last days just before the Lord comes, at the end of the days of the Great Tribulation after the fall of Babylon the Great--America!--then comes the coming of the Lord for us His saints! PTL! (End Is Here!, The [#0906])

Following are pertinent excerpts from "Endtime Whispering" Vision based on what has been revealed to the Warrior Band regarding the New World Communist Order of Russia, China and the BRICS nations as well as the upcoming US election and the handing over of US control to the last and final World Empire.

5. **THERE WAS THAT FIRST GRADUAL INFILTRATION** and taking over of our **thoughts** and our **education**, and even into some of our **churches**. These principles which they taught were so much similar to our own and yet were so diabolical and fiendish. They pretended to be emissaries of love with a concern for mankind, but were truly motivated by hate, inspired by the very Devil himself.

6. **THEY WORE A BEAUTIFUL MASK OF PEACE** and so called freedom and social uplift, but underneath was the cold, hard, cruel, iron, fiendish, demonic power of Satan himself! They crept into our institutions in the form of university professors and high school teachers, and into our churches as moralistic pastors preaching their **social gospel**, and even into our Government and State Department as those who were concerned about world welfare, the United Nations and One World.

7. **BUT THEY ALWAYS LEFT GOD OUT OF THE PICTURE AND EXALTED MAN** and his ability to solve his own problems by his united effort under this great anti-Christ system and One World Government.

8. **GRADUALLY THEY EVEN CREPT INTO OUR VERY MINDS** with their doctrine and their teaching deceiving many that could be deceived because they had rejected the truth, until multitudes were open and ready for them and received them with open arms. But many of the hard-core conservative reactionaries, patriots they were called, the nationalists, militarists, ecclesiastical leaders and so on, could **not** be swayed by the Great Lie.--This diabolical, fiendish, subtle, deceitful, hypnotic suggestion, demoniacally conveyed into the very minds and the spirits of those deceived. MB: In the seventies, the nationalists and militarists under Nixon won the election instead of the Communists… but this time we are praying that in trying to emulate Nixon, Mr. Trump is going to create a maelstrom --a mini or major civil war. What might happen is that the government of Biden and Harris --which by the way, is still in power at this point—will call out the army to quell the violence. If the Communist infiltrators spoken of in paragraphs 5 and 6 have done their job, then the army will obey their leaders and squash Trump…but because there are opposing political affiliation in every town and city across the US, the army will not be able to control them all.

9. **BUT MANY WERE NOT DECEIVED BECAUSE OF THEIR KNOWLEDGE OF THE TRUTH,** and many simply resented the fact that they were going to have to give up their way of life, their riches and their wealth.

10. **THESE THOUGHT THAT FORCE WAS OUR ONLY POSSIBLE HOPE OF SURVIVAL** to stop this flood of propaganda that was overwhelming and swallowing us up. They thought that the only possible chance was resistance by force and sudden ~~atomic attack~~ (civil disobedience) to wipe out the Antichrist enemy before they could attack us. Poor fools!

11. **NOW THOSE WHO RESORTED TO THE SWORD HAVE BEEN SLAIN WITH THE SWORD,** as our leader once warned us. The anti-Christ agents had thoroughly infiltrated our government agencies and our militaristic establishments so that every move was known by their central intelligence agency in the headquarters of the Antichrist government. MB: The Israel-supporting evangelicals are about to feel the sword that they have been pushing into the heart and soul of the Palestinians as well as every other nation they have sent their troops or military hardware into over the Whore's bloody history. These evangelicals are not true Christians. They may say they are, but they do not act like one of Jesus' lovers. They use the name of Christ to do their bloody deeds giving the world the impression that this is what God wants. The Jews are the same; they are all unholy people doing unholy acts against those that God will one day raise up to inherit the earth.

14. **BY THE TIME THEY ATTACKED US THEY WERE SO STRONG HERE THAT THEY DID NOT HAVE TO COMPLETELY WIPE US OUT,** but just enough to knock out the centers of greatest potential resistance or retaliation. Their own people and their sympathizers and followers here immediately took over and stopped any other possible chance of retaliation.

16. **GOD HAS BROUGHT HIS TRUE ONES TO THEIR KNEES** in fervent supplication and prayer. It has meant a **tremendous purifying** of His Church, His true Church, His people, not the buildings which are now gone. Across the square I can see some of the rubble of what was once a mighty, fine, proud, great ecclesiastical structure.

31. **THEY WERE PRETENDING AND CLAIMING TO BE CHRISTIANS,** claiming to have the love of Christ, bearing the name Christian and yet acting just the same as the rest of the world, only with a more self-righteous attitude. They thought they were better because they were church people and went to church services. They assumed they were better because they placed a paltry little bit of their wealth in the offering plate each Sunday morning. MB: Do you see how confusing it can be? We think the Communists are the bad guys, and they are, and although they pretend to be humanists, their agenda is anti-Christ and of the Devil. Yet those that claim to be Christian and bear the name act like the rest of the world.

40. **GOD SO LONG AGO SHOWED ME WHAT WAS GOING TO HAPPEN,** though many would not believe my words! I saw the awful destruction that was coming, the terrible devastation, and God's pitiful remaining Church driven underground in order to survive. God revealed to me why He was preparing us and why we were having to learn and memorise His Word so deep in our hearts that we might remember it when our Bibles were gone.

41. **HE WAS CAUSING US TO MEET TOGETHER IN SMALL GROUPS** and homes, quietly and almost secretly in order that we might know how to carry on at a time like this. He was teaching us to get along with the leadership of the simplest layman and

without the learned ecclesiastics and denominational barriers and organization, preparing us for a time like this!

42. **NOW I SEE AS I DID THEN, HOW GOD WAS PREPARING A CADRE:** An officership of insignificant laymen and lay leaders, average workmen and average Christians, not ecclesiastics, trained ministers or ordained pulpit preachers, but simple Children of God; simple little laymen, housewives and labourers who could carry on His work after the others were gone.
MB: If there are any true Christians in the churches, then they'd better realize what they are a part of and get out now, separate themselves now, because that flood is going to be unleashed on America and then sweep the world. If you are in the ruts of secular society or Churchianity, you are in the wrong place at the wrong time in history. Flee to the mountain ye who are weary of sin, flee to the wilderness using the Keys of the Wilderness, flee the wrath that is almost upon you. The full circle is almost complete.

**PERTINENT EXCERPTS FROM "ITS ALMOST OVER" [#2387]**

TO WHOM SHALL WE GO?

96. "Okay, Dad, so we're almost done, we get driven off the field, off every field. So where are we going to go?" Well, I've said it before, I said it in "Americans Abroad". We've come round full circle. "Dad, you don't mean that! Oh no! Don't even mention it!

WHAT ARE YOU GOING TO DO?

117. "Dad, if that's what's going to happen, then why have this YES? What good is this training if they're either going to have to go underground or go home?" Well, all the more reason for this training, to teach them how to go & operate underground. That was one of our first doctrines & first teachings! "We're not going to be able to operate openly any more when the time comes. The churches will be closed, Bibles burned, pastors crucified, what do we do then?" Well, I gave you a little sample of that in a tape I made once upon a time. (See "The Endtime Whispering Vision", #334) That's possible & it will happen! So we need to start teaching our people more about how to be an underground witness, how to survive on a closed field!--Are you!

THE GOOD NEWS:THE JOB IS ALMOST DONE!

118. What message do we have for the Family? Sad news? Bad news?--Good news! PTL! The job's almost done! We're just about out of every country & almost every country's closed. There is hardly any place else to go. So just do the best you can, go where you can, stay where you can & just wait for the Lord to come! And keep busy in the meantime, feeding your sheep & witnessing & winning all whom you can! Do the best you can, whatever the Lord leads you to do. I'm sure there will always be something you can do until the Lord relieves you either through death or His coming! There will always be something, PTL! Amen?

119. Thank the Lord, the job is almost done! The thing for you to do now is just try to do your best to survive, do what's left that you can do & prepare for the Millennium! Look forward to being Kings & Priests & Princes & Princesses & Rulers of the Millennium! PTL! Amen? That's all that's left! We've just about run out of time! So we've got to prepare for the place where "time shall be no more!"--Rev.10:6. Hallelujah! TYJ!

BE PREPARED FOR ANYTHING!

121. I'm reminded a little bit of what somebody once said, a bit of humour maybe to close on. I think it was Irvin S. Cobb, the famous Kentucky humourist, who said, "I'm in a bind! Everything that I want to do is either unhealthy, illegal or fattening!" Of course, he finally said, "I'm sick of being tired, & tired of being sick!", & I think he died in his 70's, something like that.

122. So if everything the Lord wants you to do is difficult or nearly impossible, well, if that's all you've got to do, just do it, that's all! PTL! And just pray the Lord will help you to do whichever thing He wants you to do! It's all going to be illegal when the Antichrist takes over, so you might as well get used to it now! PTL! Why be so worried about it? If you can't help it, it's not your fault, you're doing the best you can, you've pretty well done your job & you just may have to stay on the job even after it's illegal or whatever! PTL?

123. Good night, the Early Church & the Early Apostles did a lot of illegal things, it was all illegal, but they just had to do it!--Right on down through the persecutions of the Ages! Look at Martin Luther!--His church made it all illegal, they finally excommunicated him! That made him an illegal religionist as far as most countries then were concerned! And they were burning'm & crucifying'm & killing'm & everything else! But he managed to win the hearts of some kings who came to his protection & defence & kept him, in spite of worldwide Romanism & Catholicism, & he died at a ripe old age!

124. Dear John the Beloved, the Revelator, in spite of everything they could do to him, including trying to boil him in oil when he wouldn't boil, he lived to a ripe old age in his 90's on the Isle of Patmos as an exile, virtually a prisoner, you might say, not allowed to leave the island. But he went further on that island than anybody had ever gone before! He went clear to Heaven & revealed it & the future to us, thank the Lord!

125. So why worry? PTL? Just look to the Lord & you'll know when the time comes, He'll tell you what to do & show you what to do. Just be prepared to do it.--Or even if you weren't prepared to do it, do it anyhow, like we did when we came East! We were all prepared to do something else, but we obeyed the Lord when He said, "That's not the thing to do, do this!" But we were prepared, at least, to do something!

126. You should be encouraged that, thank the Lord, the job's nearly done & we haven't got much further to go! Just be prepared for any kind of a change! If it's illegal, unethical, never been done before, a new method, new way to go, a new way to do it, some other way to survive, be ready!--Even for the unconventional, even the illegal, the revolutionary! What's changed? What's

different? We've been doing that ever since we began! We've been doing the unconventional, the unethical, even the illegal, the revolutionary!

127. If you're not willing to change, you'll never get anywhere! So if we can't do the old thing, the old way, we've got to be prepared to do something a new way, a new thing, whatever way the Lord leads! PTL? Just be willing to do it & obey the Lord & He'll show you what to do, where to do it, how to do it, how to survive if He wants you to survive, or how to go to Heaven if that's what He wants you to do! PTL! Amen? Thank You Lord, it's almost over! Maybe that's a good title for this, "It's Almost Over!" It won't be long now, it's almost over! Be prepared for anything, be willing to do anything for the Lord, even to die for Him! TYL! TYJ!

128. (Sings:) "Oh, when the battle's over we shall wear a crown, we shall wear a crown, we shall wear a crown! And when the battle's over, we shall wear a crown, in the New Jerusalem! Wear a crown, wear a crown! Wear a bright & shining crown!"--This is an old timer, I haven't thought of it for years! "When the battle's over we shall wear a crown, in the New Jerusalem!" Oh boy, just think! We used to think that meant that old stinking city over there in Israel! But it's His New City! PTL! So, praise God! It's almost over! Thank the Lord!

129. It's almost over! We should be so happy & thankful that we've done our job & finished so many countries & it's almost time to go! PTL! Amen! We just have to try to survive a little longer, do whatever we can, & not try to do what we can't, & as the guy said, "Lord help me to know the difference!" PTL! God bless you!

130. Amen, PTL! It's almost over! We haven't got much further to go, thank the Lord, & soon we'll be running the World! You think you've got problems now, wait'll the Millennium when you have to run the whole shebang! Well, we'll have lots of help!--Not only from our own, but from other Christians & even Systemites, as well as the whole Host of Heaven!--So how can we lose? We can't, it's impossible! It's impossible for us to lose! We can't lose for winning! And God gets some of His greatest victories out of seeming defeat! PTL! Amen? GBAKY! ILY!--In Jesus' Name, amen! (It's Almost Over! [#2387])
