

ISA.26:20 Come, my people, enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast.

Entering Deeper into the Gates

25th December, 2022

Don't enter the wilderness area unprepared.

PRO.8:34 Blessed is the man that heareth me, watching daily at my gates, waiting at the posts of my doors.

Wash the forehead (lintel) of your mind and heart and be set free, for close is the time to flee, very soon you will have to fly into the wilderness if we are to succeed in the mission our King has for you, us the Elerian and the legions of good spirits that surround you night and day. (July 22, 2021)(Page 583 Mystical Bible Prophecies Compilation by John Weaver)

(Prophecy) My darling Wilderness child, enter in at the gate. Come away with Me and let Me nourish you. You yourself must choose to be My Woman of the Wilderness. You yourself must choose to turn your back to the acceptable practical logical way and walk away, never to look back, never to return. Step out on the desert and see how I will buoy you up. You may feel weak and not have any strength left or just feel too dirty to be called as the woman who fled. You feel unworthy? Or you feel it is so very hard to let everything go? I know My loves; I really do know your frame but I haven't brought you this far to have you turn back! (Num.21:5) You have been blessed to hear Me, to hear My fresh new wine daily at My gates, so enter deeper now to hear from Beyond, wisdom and understanding, direction, words of things to come, faith and trust that My spirit will sustain you through the 1260 days of Wilderness. It is time to cast off all the superfluous and truly focus and be single-minded. Tighten your grip on the keys and watch the words of your mouth that they are praiseful and that your thoughts are stayed on Me and I will call you My Wilderness walkers and you will see miracles and I will use you to be all that I have destined you for! You are not a mistake, because I know your heart even if you think you can't make it or aren't good enough. Shut the door behind you and walk deeper into the passageway where you'll hear wisdom from Above, prophecies from the prophets and new wine heralded to My Wilderness walkers who even though tempted will still hold up the Keys to the Wilderness and pass through the abyss of this last part of the journey!(End of prophecy)

"One by one, two by two they will jump on the Revolutionary Racer and head for the abyss! It's not until we go over the abyss that we get our wings!" (MB "Reboot" video and April 14th, 2021-"Deeper Listening" MB Class)

(Prophecy) I shall come as a thief and as a dark cloud, and I shall utter My voice and thunder My judgments, yet shall he not see, yet shall he curse My name and look to other gods. Yet a little while and the wicked shall not be. Take heart My children, be wise and gird up your loins. Run to the secret places I have prepared for you for the hour of wrath is at hand. I will judge those that sit at ease, and those that lay with her, and those that walk amongst them of darkness. Run, oh, you My people, for the door is now opened. Call My brides, call all those who would come, for the wrath is come. You're My Keys, you're My gate keepers, you're My channels. Soon I will return, hold fast to that which I have given you. Fear not for I am with you. (End of excerpt-James 23-12-22)

And the spirit of My power shall rest upon you, and the whispers of these who have gone before shall guide you. And as the flood of evil once again washes over the world, My Spirit shall rise up within you, and as My children of old stood up against the beasts of their day, so shall you stand up against the anti-Christ forces of these last days, and you too shall find the grace and strength you need to be more than conquerors, and to be My overcomers. ("Overcomers" HLB)

Only with the **power, wisdom and guidance** that you will find when you search beyond the veil will you have the ability to endure--and not only to endure, but to overcome.

If faith can't ignore the possibility of defeat and keep going, then it isn't faith.

Faith requires a period of unquestioning perseverance, unswerving trust, before it sees the results, and this period is

called endurance. (AOW 2)(MB blog post Dec. 10th,2022-Faith in My Love and My Word)(See Supplementary Reading below)

PRO.8:3 She (Wisdom) crieth at the gates, at the entry of the city, at the coming in at the doors.

12/22/2022 (Jesus:) Come out of her My darling. Take My hand and let Me carry you up and out. I have carried you as a whole onto the steps of this door to the wilderness of the spirit and even now do you experience the wonders of the world to come. Through the mists of the gate you feel the breezes of the freedoms that I have waiting for you; you see the sights, you experience some of the magic of the wilderness, but there is yet more, for look beyond this dry wilderness, where all is possible. Look to the mountains and beyond and behold the light that shines on for eternity and for eternity to come. That is the light of My City. You stand at the gate of halfway to heaven land, you experience its magic, but you must now come in deeper. It must be each one's personal choice and faith to step past the thin veil of shimmering glass and enter the portal. There is no turning back, this is what lies ahead upon the road for all My pilgrims as they make their way to that Great City, the City of Light, My Celestial City. This is the high road, and all who choose to forsake their ways to take up Mine may pass through this last gate into halfway to heaven land, yet those who choose to hold onto their own ideas, their own will and ways, those who cannot make this choice due to their own choosing must take the path that leads down, the low road, the way that leads through the valley of the shadow of death. It is a hard road to walk, as you know, for all must pass through these valleys on their journey. Yet at this time, at this crucial point in time I give each of My children another way. It is not a way out of the world altogether, yet though they face deviation, guns and bullets, famine and war, yet shall they walk above the valley. They shall see in but they shall walk above. And I shall feed them, and they in turn shall pass down the waters of life to those who walk in the valley, and they shall quench their thirst.

Now is the time to throw off the chains that bind you and enter through the portal that I have set before you. Each one of you will step through at a different level, for not all have walked the same road, but all who say yes to Me are welcome. And according to your faith, and according to your willingness I will keep you, and I will help you, and I will be for you what you cannot be for yourself. You see yourselves as unworthy, as un-experienced, as unlearned, as but a child. But I say unto you, say not that I am a child, for I shall put My words into your mouth, and I will put My heart into your heart, and I will take away the flesh that My spirit might shine through you as a bright star in the midst of gross darkness. And I will give you wings of an eagle, and I will carry you when you cannot carry yourself. All I need is a willing heart, a heart that is yielded to Me. For I know your frame, I know each one's frame. Do not think that I am not prepared for this time or that I have chosen the wrong ones for this great task. And lo, the task is great, but it will not be you who walks amongst them. For I will make you a flaming torch in My hand, and a defended city and an iron pillar, and they shall fight against you, but they shall not overcome you. For behold I am with you, and it is I that shall fight for you and through you and in you and all the world will know that there is a Living God. Be not afraid of their faces for I am with you. Step now through the gates into the wilderness that awaits you. Fear none of the things that lie ahead, for what are they unto Me. For behold none shall be able to stand against you, and though the towers fall and the earth be moved from its place, I will still be with you, and you shall be in My hands. (End of excerpt) (James)

22-12-22 (Prophecy) Though your flesh and heart fail you darling, it is My Spirit that will carry you and help you to face the next challenge ahead. Let it slip from your willing fingers and pour out of your heart and let Me take its place. You will not regret giving this up for Me. (End of excerpt) (Bella)

I don't allow you to be tested because I want you to suffer. I allow it because I know the seed is there, the true seed, and I want to teach you to give up all in order to make your stand on it, so that when you come here to be with Me, you will have a reward that is much more valuable than gold is in your world. (AOW 2)

(Jesus:) To all My modern-day Moseses, I am giving the call to leave your personal Egypt behind. This is the Egypt of your wrong attitudes, your old ways of looking at things, your old ways of doing things. Do like Moses did and forsake Egypt, looking beyond this world to Me, and receive the great recompense of reward. (Shooting Straight, Part 6 [#3505:28])

(Prophecy) It's all Me, remember, but I need you to step into My hands, into My will, into the boat of faith, or out onto thin air in order for Me to catch you. Or else you'll only see and hear about those greater miracles from where you stand safe on your little cliff ... or so you think. The whole world is falling apart, and if you think that not making that leap of faith or waiting to see how it will turn out, is going to save you from having to step out on thin air, you're wrong!

2. The ground around you, the ground around every man, woman and child is crumbling. You're either going to fall down, down into the hands of the destroyer, or be held up by My hands, by the Keys. But you have to step out and make the leap, the baby step. It's up to you to believe. Yeah, it can be a hard thing to do, for everything inside you is telling you not to make that leap, not to let go, not to do it, but I want you to tune into only one voice, that's Me, My still small soft voice in your ear telling you this. Trust Me. Step out. I'll be there to catch you. I'll catch you and give you wings, wings of an eagle, wings of My Keyes, My Eyes. My Angels will buoy thee up, and My Keyes will lead you to victory! Trust and make that leap, My love." (MB blog post-June 18, 2021 **Faith Without Works-Working Your Faith Takes Faith**)

But the things that I am showing you are the deep things from Above, and these are the gifts that will bring you into a deeper relationship with Me, into a deeper love with Me, and into a deeper understanding of My Truth. For, yea, these are the deep things of God.

But you understand Me better because of the Words of David and the depth of his Words and the width of his Words and the breadth of his Words. **For I have revealed unto My David secrets that I have revealed unto no one else. And they are there, there in My Words, and I will continue to open them up unto you that you can know the deeper things of God. For you have let Me into the deepness of your caverns and I will fill you there with My golden seeds of love.**
(End of prophecy.)

(Mama:) Dad sought the deeper things of God and was willing to pour forth the truths that the Lord gave him, and because **all of us**, the Family, **were willing to put them in to action. Praise the Lord! The wonderful fruits of obedience, faithfulness and yieldedness!**

12-12-22e gates

Nov 25, 2022 (Prophecy) Come into My courts daily (**within the gates the King took counsel daily**) and sit with Me in My Heaven, Our Heaven, for a time of nourishment. I am the Great Seed Giver and if you are low on My life-giving Words then it's time to slip through the veil and spend some time with Me. Come up here and sit here on My lap. I love you so much. You are My tender vine, My sweet grape, My delicate flower, My lily of the fields. You're gorgeous, so I don't want you getting ruined or tarnished or trampled by the World and the things of the day. Come get My sweet honey water, the crystal liquids that flow from My bosom, waiting to quench your parched mouth. I'm waiting for you, Love. My lips do drop with honey, eagerly waiting their union with yours. Get up, My Love, fly, My dove, on the wings of praise, on the Voice of the Queen of Heaven, fly to My arms, and there rest. When your heart is overwhelmed, I will lead you to the Rock that is higher than you. The Rock of My Word, the solid stone of My Love. Cling to it. When you don't know what else to do, cling to Me. Stretch out your hands and take hold of Me. Grasp Me, hold Me, hug Me tight. Wrap yourself around Me. And as we are close, as we are together, and our bodies do touch, then we will become as one. Bosom to bosom, heart to heart, we will experience the Heavenly melding of two hearts--Husband and wife, Lover and loved, bride and Bridegroom. (End of prophecy)

It's our spirits that must touch. Not so much our flesh, but our spirits, that must make love and join, and assimilate, and become one. You have to know what I'm thinking, always in communion, your mind linked with Mine at all times, so that when I speak, you hear! The still small voice of My lips, whispering to you in the stillness of your soul, in the quietness of your heart, our secret place.

Remember what I said, I need you to be in tune at all times. Remembering to pray, remembering to stay alert and connected to the whispers.

It is the Spirit that will make you alive, but you must accept and you must walk in the direction of Spirit, not flesh.

Nov 20, 2022 (Jesus:) If ye would come and lie down with Me in My bed and revel in the ecstasies of Heaven, thrilling to the touch of the Blue Beings, then I could more easily satisfy you. It is the Spirit that quickeneth, that makes alive your own spirit from within you. There are distractions, and blockages, that hinder. And there are circumstances that stifle the flow of My nature into yours. All these must be fought and avoided by any means necessary. If you sense a wall is in your way, then stop and ask Me how you can get around or through it.

But maybe I am trying to teach you to walk by faith, and not by feelings. Maybe I'm trying to open your spiritual eyes and senses more by barraging you with all these carnal sidetracks. Something that is easily attained is never appreciated as much as a prize well fought for. Do you desire the Spirit? Do you desire My loves? Then I want to see you fight for it, and prove to Me that you mean what you say.

I know that thou loves Me. But just as I had to ask Peter this many times, so must I ask you. For the flesh can overcome even the most well-meaning Brides. Lovest thou Me? Lovest thou Me, even more than these? (End of prophecy)(Mitch)

Now, in your life on Earth, is the time for you to exercise your faith, to develop it like a muscle, to let it grow. The value of enlarging your faith and cultivating it is of inestimable value in the spirit world. Your faith will last eternally. That's one reason being born into a life on Earth is such a privilege and why you should use your time there wisely, because it is a stage of existence where you can determine your rewards and your status and develop as much value as you want to have here.(AOW 2)

As you take hold of My power through the keys and link with My mind, you will become capable of meeting the great need that lies before you.

The spirit world is vast, and there are so many things that I have yet to tell you.

(Mysterious Keys, The - Part 2 [#3473])

If you want My will above your own, My thoughts in place of yours, and the full meat of My truth, claim the keys of yieldedness and you will receive the revelations of My Spirit.

(Shooting Straight, Part 11 [#3517])

Even when times are so dark, when you see the reign of Satan on Earth in the form of the Antichrist, even then I will not forsake you. I will come through for you, be there for you, and always provide for you. I promise that you will never lack for My blessings, as you stay close to Me. **You will see spirits of angels walk among you! You will have your eyes opened to see those who stand beside you in spirit. You will walk with them, talk with them, and be one with them on this Earth. I promise you that even if you find yourself alone and cut off from your brethren, you will never be alone. You will see the supernatural realm as if it were as physical and tangible as this world. I will open the veil sufficiently for you, so that you might see and live in the spirit while you are yet on Earth.**

It is in this realm that you will receive strength and super-natural power to face any battle, overcome any conflict, and always be the winner. You cannot lose! No matter what the fight may be, you are unbeatable. You will receive power to do exploits! You will experience super-natural healings. Death will have no meaning for you, and in some cases you will call back the souls of them that have departed and raise the dead.

(Advancing Anyway! Weathering A Media Storm ML#3531)

Jesus: There's a war in the spirit--good versus evil, light versus darkness, love versus hate, peace versus confusion--and you have been called as a soldier. There's danger on all sides in this war in the spirit.

33. As you have exercised your channel more and made more of an effort to be attuned to My voice, it is as if you have entered deeper into the battleground of the spirit. **This is a dangerous assignment. It's not without risk, for you are as a soldier on the front lines who must move from one place to another, from one realm to another, and as you do this you open yourself up to the attacks of the Enemy, for he sees you advancing. You're no longer under cover in the foxhole.**

34. So you see, My darling, these attacks in the night are the result of your greater openness in the spirit. You're creating a greater vacuum in order to have greater receptivity to My messages. But this openness, this vacuum, this sensitivity to the spirit is not something that you can turn off and on at will, so it also gives you greater sensitivity to the attacks of the Enemy, to the messages that he would try to send to you. If he can't get through to your carnal mind, your thoughts as you are awake, if he can't try to distract you with doubts or murmurs or jealousy or thinking critically of others or being negative, then he will distract you at night if he can, if he finds a chink in your armor or a hole in your defenses.

35. **This is a battle that you cannot wage in the flesh, but you must resist him and rebuke him in the spirit. You must fight back in the spirit--not a defensive warfare, but an offensive warfare. Surround yourself with the Word and prayer.** Drink deeply of My Spirit before you lie down to sleep. Spend time not only making love to Me and receiving My seeds, but also pouring out your heart to Me, casting all your cares on Me, all your burdens, worries, even those little tiny nagging thoughts that you think aren't very important, the ones that you can't even put your finger on sometimes--ones which are just a feeling, weight, or distraction in the background.

36. Take time to think and pray about it and commit it all to Me in prayer--all your work, your responsibilities, your loved ones, your thoughts, your personal battles, your interactions with others, your concerns about the future, your health. All these things, anything that would be a weight, anything that would be a worry, anything that you're tempted to carry or take care of yourself--cast all this at My feet and leave it there. Then let Me pick you up and lay you in bed, and there we will lie together and I will stroke your hair, rub your back, kiss your face, and touch you ever so gently and sweetly.

37. I'll hold you and speak My Words of love, comfort and faith, constantly reassuring you that everything's okay, that I'm right here taking care of you and protecting you and you have nothing to fear, nothing to worry about; you have nothing to do except lie in My arms and take your rest. And I will not leave you for one moment until you awake, refreshed and comforted and strengthened. (End of message from Jesus.)

Dad:

38. You have to raise a standard against the Enemy by completely enveloping yourself in the Spirit and the Word, prayer and praise, each night before you go to bed. Don't just pray for your sleep and pray for your loved ones, sort of a casual, sweet, simple prayer, but really fight in the spirit to cast all your cares on the Lord, anything that might be bothering you or anything that might keep you from trusting fully in Him.

39. You see, when you try to do anything yourself, when there's even any little bit of self-effort or arm of the flesh, then you can't benefit completely from the Lord's protection and His strength. As long as you've got some of your strength in there, that displaces some of the Lord's strength. Likewise, whenever you try to take care of things and carry the load, then those are things that the Lord can't take care of or can't carry, because you won't give it over completely to Him.

40. Any kind of resistance in the spirit weakens your defenses against the attacks of the Enemy. And the more desperate you are with the Lord, the more attuned you are to His spirit world to hear His voices, the more you open yourself up to the spirit. The downside is you also open yourself more to the attacks of the Enemy, so you have to be all the more diligent and on guard and fighting in the spirit.--Not fighting in your own strength, not trying to work it up, but fighting in the spirit to trust the Lord, fighting in the spirit to let the Lord do it.

41. It's not like you've made any big mistakes with self-effort or arm of the flesh or trying to do it yourself, but it's like **you've gone to another grade in the spiritual warfare.** When the Lord gave permission for you to open up more and receive more from the spirit world, the natural companion to that blessing is that it draws more attention from the Enemy. You've become a greater threat, so the attacks become more intense.

42. This is nothing to worry about or be afraid of, because Jesus, His Spirit, the Lord of all Who loves you, is much stronger and more powerful than the Enemy and his demons that attack you. You feel weak and helpless and at wit's end with these bad pictures and bad dreams. You feel like there's nothing you can do about it, that you're attacked when you're helpless, when your armor and your weapons are down, when you're trying to get the rest and rejuvenation that you need so desperately.

43. But the Enemy can't do anything without the Lord's permission. The Lord knows what He's doing. He knew that these attacks would drive you to Him, to hear from Him, and would cause you to be more on the attack in the spirit, fighting more to be deeper in the spirit, to redeem the time more in the Word, to pray more desperately and lean on Him more. All of these activities create a force field around you that will protect you even in the night. Even when you feel defenseless and helpless, this force field will be around you like a bubble. (End of message from Dad.) (Issues, Part 9 [#3380])

The wilderness figures at critical junctures in the life of Jesus. Jesus is baptized by John and then is driven by the spirit into the wilderness for forty days. **The devil is there, but so is the spirit!**

Yours is a special calling. You're called to bridge the dimensions, to work in the physical realm, but also to have your heads and hearts in the spiritual realm, aware of what is going on there and working in the spirit to affect things in the physical. Even though you're in the earthly part of the battle, your calling is largely spiritual, and you're challenged daily by Me to increase your knowledge of the spirit and your activity in the spiritual dimension. ("Parallel Wars," ML #3626)(Xn 112)

The gates were shut at nightfall (Joshua 2:5) because they were the chief point from which the enemy attacked (Judges 5:8).

Thomas Constable has an interesting note: **When the Israelites would seek rest from the attacks of their enemies** (cf. 6:16; Ex 33:14; Dt. 3:20; Josh 1:13, 15; 22:4; Is 63:14), **they would find it in the wilderness** (cf. Je 2:2; Rev. 12:14, 15, 16). **They will find refuge in the wilderness in the Tribulation, as they did following the Exodus** (cf. Ex 14:5-23; 33:14; Nu 14:20). **But Israel's ultimate rest will occur in the Millennium when they rest in the Promised Land.** (Constable Notes and Commentary)

Call My brides, call all those who would come, for the wrath is come. You're My Keys, you're My gate keepers, you're My channels. Soon I will return, hold fast to that which I have given you. "Enter through the narrow gate. For wide is the gate and broad is the road that leads to destruction, and many enter through it. But small is the gate and narrow the road that leads to life and only a few find it." Matthew 7:13-14 (NIV)

But those who choose not to cry out to Me, but prefer to go their own way and to live their own lives according to their own plan, and choose to reject My Words and the truth that has been given to them by the Light of Israel, and choose not to uphold the standard of their Father David and of My Word and to teach it unto their children **and to speak of it in the gates and to raise it high and proclaim it and be proud to be part of the Endtime army of David**--these will grow weaker and weaker, and soon will not fight with David's mighty men. For how can they fight with David's mighty men except they wear his colors and carry his banner and display his symbol, and that for which the Family stands and has been anointed for, to carry the Endtime message to the world?(FJWL1 308)(Thanks Hannah)

Straight Is the Gate and Narrow Is the Way - Mystical Bible The New Good News Blog

YOU ARE ACCOUNTABLE TO DO THIS

(Prophecy) "My dearest loves, you have been through many battles, many tribulations and I say to you "well done" You have fought well and now you stand at the gates. You have entered the wilderness of My Spirit. You have heard My call in the night seasons. When I said to you, "Seek My face," your heart said to Me, "Your face will I seek," and for this gift you have given Me, have I carried you into this safe place—not safe in the way that it is free from difficulties and tribulation, but safe because it is in the shadow of My wings. Indeed as you pass into 2023, you will face more challenges and battles, but, My dear children, always know that you are fighting on My side and no matter how dirty the fight gets, you are holding up My banner, and I will come fight for You when it seems the fight is too long. This Christmas is a sober time, but rejoice in your hearts, My sweets, because soon you will be in My everlasting arms, and everything you have passed through will be wiped away.

Keep holding your candles up. Be faithful to the Words and the torch of David, and no matter how dark the darkness, cling, cling, cling. Hold up the light of My words no matter how small your candle seems. Each of you is burning there on Earth, and you are fulfilling what I need you to; you are keeping the light alive. My fire burns in each of your hearts. Don't feel insignificant; you are the light in the world, in this dark age. My little lights, keep burning, even though it costs you. You are keeping the light burning till I come back to claim you. Then, you will never have to walk in this dark place.

I have brought you to this secret place and here you will be kept 1260 days, kept for Me. I've kept you for burning in these last days, so keep drinking the fuel of My Word and be faithful to the death even if it feels like the enemy is winning or your light is too small.

Give Me the best you have, and I'll do with you what the world said was impossible. I do the impossible with you, and with you I will prove My Words of all ages to be true. (End of prophecy) Submitted by Brittney

Matthew 7:14 Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.

(Prophecy) "You are accountable to do this— to prove it. Who do you have to prove something to? First to yourself, then to Jesus, then to everybody else that says it can't be done. No, it can't be done, but yet it can be done through the power of the keys, by obedience to the Word of God, to the new weapons, and to the Words of David. It can be done. IT HAS TO BE DONE. It has to be proven! We have to live the Words of David. Somebody has to do it. If you don't want to do it, the Lord will have to find someone else, but that just delays the end. He has to set somebody up as an example and say, "Look, I don't need to listen to all you people's excuses anymore—Here's somebody that's done it. I know it's just one person, but he's done it; she's done it. No, she's not some superman; she's not some super Paul, or Peter or super Elijah. No, she's just a teen; he's just a teenager, just like you were."

But how did he do it?

He obeyed the Word. He fought the enemy at every crossroads, at every signpost—he fought the enemy, and cut that son of a bitch down. That's all; I can't tell you anything more. It's a tough road; it's a difficult road, and it's a thin, narrow path— very thin, very narrow. One step off, pick up that foot and put it back on the path." (End of prophecy) (From a 2022 podcast)

Understanding the Importance of Gates

The gates of a city were very significant.

The gates were seats of authority (Ruth 4:11).

At the gates wisdom was uttered (Proverbs 1:21).

Judges and officers served at the gates administering justice (Deuteronomy 16:18)

and the councils of state were held at the gates (2 Chronicles 18:9).

The Word was read (Nehemiah 8:2-3)

and the prophets proclaimed God's message (Jeremiah 17:19-20) **from the gates.**

The people also had to enter through the gates to worship the Lord.

"Stand at the gate of the Lord's house and there proclaim this message: 'Hear the Word of the Lord, all you people of Judah who come through these gates to worship the Lord.'" Jeremiah 7:2 (NIV)

A stronghold is a fortified dwelling encamping around our belief system. Examples of stronghold thought patterns are fear, doubt, negativity, expectations or rejection or betrayal, performance based mentality, victim thinking and so many more. Guarding our doors and gates are extremely important. How we take in information and process it is how things enter through the doors and gates of our soul. Our five senses are the doors and gates that allow information to enter. It

is important to feed the spirit not the flesh so we are to guard our borders. The Bible shows us clearly in the Old Testament that the vulnerability and strength of a fortress or stronghold always rested in its gates. This principle is the same in the spiritual that was revealed to us in the natural. There are important facts that were known in Bible times to conquer a fortified city. So these principles apply to us tearing down our personal strongholds. The Old Testament provides us with an image of a stronghold surrounded by thick walls, a draw bridge, and fortified gates. The gates of the ancient cities are not as we imagine today's gates, but massive gates made of stone, iron, brass, or wood frequently sheeted with metal. They were tall and wide. "The Beautiful Gate" of Herod's temple (Acts 3:2) was made of brass and required twenty men to close it. These gates were opened during the day to allow the citizens to come and go, but were generally closed and barred at night as a safety measure to keep out enemy attacks. Whoever controlled the gates of the stronghold ruled the city.

We must shut our open gates against the enemy. Our strongholds reveal to us what gates we have open. If even one gate is open and unprotected, we fall prey to our enemies who seek to oppress us and gain a foothold. God warns us not to give the devil place. Gates of pride, rebellion, false beliefs, or wrong motives, allow Satan to erect a fortress giving the enemy a place to establish his camp. We must keep watch over our gates. This means searching ourselves through the Holy Spirit and guarding the gates and doors to our soul and body. Let God be your stronghold.

12/28/2022(Prophecy) (Jesus:) I'm moving things along My love. Don't weep, rejoice and be glad for the day of My return is closer than ever. The worlds are polarizing more and more as the days go by. Darkness cannot dwell in the light, each one must find their place and stand upon their faith alone. The ground of in-between is slipping away so I'm moving My children along. Closer and closer the darkness and the light shall draw, till at last they shall meet in the final war of Armageddon. So be not disheartened, be strong and look to Me. Hold My hand and allow Me to take you deeper into the wilderness, for that is where you must go, there is only darkness behind you, so you must keep moving. Don't stop My love, don't quit now, there is more ahead, trust Me and delve deeper into My words, you'll need them in the days to come. Those days are at the door, soon the whole world will know and see that the days spoken of by you My prophets has come. Very few will be ready, that is because they chose not to heed the warnings, but they will know that a prophet has been among them and they shall turn to the light. Be encouraged that your struggles are not in vain, nor are they are not forever. Hold fast to the crown I have given you your time will come. Soon, if you remain faithful, you shall stand with Me atop Mt. Zion and shine My light proudly for all to see. Those that mocked shall be silenced, and those that turned away shall weep, but those that heard and obeyed shall rejoice. Endure now for but a little season, for then shall you rejoice for all eternity. I love you My conquering warrior bride. I see you, I know you, I know every part of you. Draw nigh to Me and be humble before others. Forsake your pride and image and be willing to be humiliated before all. I want you humble; I need you to be a small thing, a nothing so that I can use you. The proud shall fall, but the humble shall I raise up. (End of prophecy)(James)

New blood!

234. (Mama:) "New blood" is a term the Lord has used in speaking to our leadership over the last couple of years, explaining the need for today's Family leadership to be "new blood." That doesn't mean that they must be new to leadership, but they must carry a new-bottle spirit in their leadership. Here are a few excerpts from Jesus about being new blood, given for some of our leadership, that I thought you would all appreciate reading and benefiting from. Anyone who is in a position of responsibility of any kind-which is pretty much all of you-should be striving to be new blood in spirit.

235. (Jesus:) What is "new blood"? It's desiring My Spirit. It's being led of My Spirit. It's being one with My Spirit. It's being an open vessel, a new bottle who desires only the new and is never satisfied with the old. Your Father David gave

"New Bottles" many years ago, and that is the heart and core of "new blood."-Be one of My Spirit-led, new-day, Endtime disciples, one who is hungry and madly desirous of Me and My Spirit! That's "new blood."

236. "New blood" embodies change, movement, revolution. It's never settling down in spirit; it's constantly looking forward. It's not being bound to the past, to conventions, inhibitions, or prejudices. It's being truly liberated and set free in Me to follow My Word-to live My Word, to apply My Word, to become a living manifestation of My Word! It's being a revolutionary in heart and spirit. It's breaking out of the mold, rejoicing in change, rejoicing in movement, rejoicing in having no limits and no boundaries on how I can use you or work through you!

237. It's having no preconceived ideas on how things should be done. It's being willing to completely turn around and go in a different direction, being led not by the carnal mind or carnal reasoning, but by the very Spirit of God! It's being willing to throw yourself at My feet and abandon everything that pertains to yourself and your nature and past experience, and say, "Here I am, dear Lover and Husband, use me as You will! Possess me, and fill me with the Wild Wind of Your Spirit!"

238. Being "new blood" is in essence being a child of the spirit. It's being one who is-and who desires to be-possessed by the Wild Wind of My Spirit. This is where true freedom lies-freedom from anything that would tie you down and encumber you spiritually, whether it be the past, personal mindsets, your carnal mind, the cares of this life, or even past ways of operating.

239. Only those who chase after and desire the Wild Wind of My Spirit can truly be "new blood" in spirit. It's because they're not tied down-to anything. They're constantly moving forward, chasing the wind and chasing My Spirit wherever She leads and blows. They're on the move spiritually; they desire to be one with My Spirit, so they ardently and aggressively chase Her and seek to be one with Her. They cling to the ways of the Spirit; their ears are attuned to the whispers and words of the Spirit; they desire the Spirit above all.

240. Thus they are willing to lay aside all else to possess My Wild Wind. They strip themselves bare of their own carnality, of anything of the mind or the flesh that would encumber or weigh them down or hinder or delay them in their wild chase of My Spirit. To possess Her and be one with Her and follow where She leads is all they truly desire. They know that it will cost them everything-not just once, but continually-but to possess Her is worth that much to them.

241. In possessing Her and being in Her embrace lies the essence of "new blood," for My Wild Wind possesses My true Spirit of Love. She possesses My wisdom. She possesses all that My new blood needs in order to stay new and fresh and alive in My Spirit.

242. The blood of My Spirit must run free and thick and unhindered through your veins. You must nourish and feed your blood with the nutrients of My Spirit (THE KEYS). You must live off My Spirit! Your heart, your motives, and your very being must pulsate with the Spirit. For only by being alive and possessed by the Wild Wind of My Spirit can you both follow and lead in the coming days. For these are the days of the Spirit, and the days of the flesh are fast fading.(We've entered our wilderness) And now shall My children and brides enter the full fulfillment of My New Church prophecies of years past.

243. For only My Spirit can lead you in the coming days. And only by staying very close to My Spirit-by chasing Her and desiring Her with all of your being-will you even know how to lead. For how to lead and where to lead you don't know and will not know-your flesh cannot know, your carnal mind cannot know. Only by chasing and capturing the Wild Wind of My Spirit will you know, for She will lead you into all truth. She will show you the way, as you use all the weapons of the spirit at your command and desire Her and chase after Her.

244. This is the way of the future, My loves.-To follow the Wild Wind of My Spirit!-And to do that you must be "new blood" in spirit, one who is always looking forward, always chasing the Spirit, always looking toward the horizon.(to where the pick was pointing to-the City of Gold on the yonder mountain) Just as your David was an example of this, you must be enthralled by the Spirit, you must desire Her above all else, and you must desire to learn of Her ways, how to get closer to Her, how to fully possess Her and Her power.

245. From Her bosom will come My answers and My leadings to see you safely into the future I have for you. And so My new blood must be strongly led of My Spirit. My new blood must be harnessed to My Spirit, daring not to stray to the left or right from being led explicitly and solely by My Spirit.

246. To possess Her and actively chase after Her is spiritual life, regeneration, and forward movement. These are the qualifications of My new blood. You must desire My Spirit and to be one with My Spirit and spiritual weapons above all else. Anything that would distract or get in the way must be set aside.-For it is a barrier and ruse of the Enemy that would seek to ensnare you and keep you from entering into My full power.-The full possession of My Spirit.

247. Is it possible to change and become and stay "new blood"? Anyone can change and become and stay "new blood." All it takes is an infusion of My Spirit into your spiritual bodies and veins-a spiritual blood transfusion, if you will. And

that transfusion can take place instantly. All it takes is desiring the infusion of the new; and desiring that the blood running through your spiritual veins is only filled with Me and My Spirit and My ways.

248. Your blood and your veins need to run thick with My Spirit! Your veins can't be constricted through compromise; your blood can't be diluted with the cares of this world, the ways of man, the ways of the flesh, or the carnal mind.

249. I promise you that anyone can have that spiritual blood transfusion if they desire it! That transfusion can happen instantly, if someone desperately desires it and opens their heart and spirit fully to Me, desiring to be made anew and become a true child of the spirit. The physical manifestations of that change might take a little longer, but so long as that desire and openness and willingness to be made anew is there, then soon the blood will be fortified and true spiritual strength will return in full, with the veins flowing full of My Spirit, wild and free!

250. You stay "new blood" by:

Never abandoning the chase for the Wild Wind of My Spirit.

Never settling down in spirit. Never being content with what has been accomplished and what ground you have gained. You are always looking forward to the horizon, always following My Spirit's lead, and always being willing to chase Her around the corners-the places where you can't see with your natural sight, but have to walk by faith and trust Her leading.

Being so in love with Me and My Spirit that it is your life's calling to be one with Us. Nothing or nobody else can pull you away from that high calling and the thrill of the chase. Nothing of this world can lure you away from the race to catch My Spirit and possess Her in full.

Always seeking Me, always seeking My voice and My leading in everything, never your own. (End of message.)

GROWING SPIRITUALLY- Faith in My Love and My Word

DEC 30, 2022 Discipleship -live the Word, faith, God's Word, living-by-faith, Loving Jesus Intimately

Faith is actually a stand you make because of your belief.

"You take a stand of faith on some truth, based on My love and My Word. Your stance may not always be so sure.

Maybe you're "pretty sure" My Word works, but your faith is wavering a little in a particular situation that I put you in.

My goal is often to strengthen your faith in My Word, so I must sometimes allow your faith to be tested.

I try you in the fire to see what sort of stand you are going to make, allowing you to experience things to test your faith.

When you make a stand of faith, I often turn up the heat a little bit, a little at a time, to see if you will ratchet up your faith accordingly.

You see, real gold faith does not give up. It may waver a little, you might be tempted to be fearful, but when all is said and done, there is a seed deep in the center of your heart, a deep stance that you are making. If you truly believe in Me and My Word, if this is the deep root in your heart and if this is the seed from which your entire life emanates, then it will survive the fire. Why? Because faith is immovable, indestructible, able to withstand any amount of heat, and able to quench and stop anything that is thrown at it. It's as simple as that.

Now, in your life on Earth, is the time for you to exercise your faith, to develop it like a muscle, to let it grow. The value of enlarging your faith and cultivating it is of inestimable value in the spirit world. Your faith will last eternally. That's one reason being born into a life on Earth is such a privilege and why you should use your time there wisely, because it is a stage of existence where you can determine your rewards and your status and develop as much value as you want to have here.

So if you have faith in Me deep within you, nothing can displace it. But often My children are weak and wavering in faith. The true seed is there, but I need it to grow into the full plant-first the seed, then the stalk, then the ear in the stalk to where it is bearing fruit. I work with your faith. I take it where it's at, and I work on it. I allow a little trial here and a little trial there, and if it is true faith and you take the proper stand upon it, if you feed your faith with My Word, each trial strengthens your faith.

Look at Abraham-he was going to become the "father of faith" for all time. He had the seed of faith in him, but he himself didn't know how strong it was. I finally brought him to the point where I gave him the ultimate test, because he had to know, and I had to know, that his faith was that strong. He had to know that he was willing to give up even the very fruit of the promise, knowing that I would still keep My promise, somehow, someday. He had to trust, even though

he couldn't see how I would fulfill My promise. He had to be blind to the possibility of failure. **If faith can't ignore the possibility of defeat and keep going, then it isn't faith.**

Faith requires a period of unquestioning perseverance, unswerving trust, before it sees the results, and this period is called endurance. Remember, some of My martyrs refused deliverance that they might obtain a better resurrection. They chose to endure the fire and the persecution so that their rewards would be greater.

Remember, the trying of your faith is more precious than gold. I don't allow you to be tested because I want you to suffer. I allow it because I know the seed is there, the true seed, and I want to teach you to give up all in order to make your stand on it, so that when you come here to be with Me, you will have a reward that is much more valuable than gold is in your world.

(Art Of War, The, Part 2 [#3533])

"Remember, faith is the true coinage of the realm, and the quantity and amount of faith you have when you come here is going to be of real value to you."

Focus on those who remain, for I promise you that whether they are 100 or 10,000, you will be stronger for this purging and you will succeed in getting back to the basics. If there are those whose hearts are not fully with Me and who don't have a driving passion to serve Me and live the Word above all else, then you're better off without them. They'll only slow you down, distract you from the goal, and cause more problems with time.

MORE ON OUR ELERIAN

(Vision:) I'm seeing a white horse in a field. It rears up on its hind legs and changes into a guardian angel. He's walking toward me now, a very strong and brilliant-looking angel. In one hand he holds a sword, and in the other a book of some kind. It strikes me as being a stone tablet. He's holding it up for me to see now.

(Angel:) I am the guardian of your personal revolution. Jesus has sent me to you as your guardian, your keeper, your inspiration at this time when so much is changing. The book I hold in my hand is the Word of God. This book gives me the power to do the miracles I will do for you and through you at this time. (New Spirit World Power! #3522:101,102)

07/2021 (Stephen:) Over the past year the Lord has strongly indicated that we have entered the last few years of man's rule on earth. We believe that those who have held firmly to the promises within the Words of David, and who have continued to live the principals therein, one of which is believing and using the "new weapons", can and should expect the miracles that the Elerian is speaking of in the above paragraph.

While my outward appearance may seem to you to be that of a white stallion, I am, in fact, an angel of great power. I am not actually a horse in spirit. I am as you see me now, an angel with human form.

I have come that your soul might have joy abundant. I am here to make your life for Jesus worthwhile and filled with excitement. I am a spirit of freedom--freedom in the spirit; freedom to be liberated from the shackles of the old ways; freedom to take on the new garments Jesus is giving you, the garments of unity, humility, and greater faith.

I am giving you the gift of freedom. I wish to free you from the false "realities" of this world and make you open to the things of the spirit. I am the spirit of liberty and freedom. (New Spirit World Power! #3522:103-105)

1. Nothing is right anymore in their false world; everything is upside down, not right side up. Their rules, their regulations, trying to force you into their mold, is false. Their world is false whilst yours is real; they are bound but you are free. I, your Elerian, have come for such at time as this. As the doors to freedom slam shut in your face, as the passageways that were once open close, you see further indications that His Word is truth. You wonder if now is the time to fly...just stop; take stock of who you are and where you are. You are flesh and I am spirit, and being so, only I know the way through the wilderness. You have key in hand, now hold it up...what do you see?" 'I see an open door down the end of a hallway. The hallway is a little long, and I do not see the door so clearly but it is there.' "This is the way walk ye in it! Once that door has been explored then you will know what next must be done."

What can I do for you? I can open your heart to new ways of doing things; I can set you free from your old mindset that has held you back; I can bring to your life a greater unity and love for others. All these things come back to the freedom of the spirit. You have desired to have a radical and revolutionary spirit, you have chosen Jesus' way, and He has chosen to send me to help you to live your life for Him to the full.

I will not be aggressive or intrusive, but I will always be at your side to counsel you, to free you when you feel bound, to set your mind free to love Jesus in a new way. He loves you very much, and the freedom He sends to you is complete freedom. It isn't only for

one area of your life; it's for every area. You can be freed from the past that has held on to you, and you can be free from the daily struggles that threaten to overwhelm you. You can be free from the wrong attitudes that have crept in over the years, and you can be fully liberated in spirit--absolutely free to love Jesus.

That is my main mission, to liberate you to love Jesus, because if you love Jesus, "all these things will be added unto you." If you put Jesus first, all the rest of these things you need will be given to you in due time. My ministry is to set you free. Call upon my liberty whenever you are tempted to be reserved, or you're tempted to hold back because you're afraid of what might come of your being free. Call upon me, an angel of the Eleria, to help you, to set you free, to give you unchained melodies of freedom in your heart.

I come not for myself, but for you. I come to your side, and I wave my wild hair in the breeze so you can feel my liberty and be inspired to be set free. I have come as your helper, your guide, and your friend. I will always be beside you to help you to be free for Jesus. Call upon me at any time of the day or night to help you to be free for Jesus, to love Him wildly in spirit, to give your all for Him. (End of message.)

(Vision:) I see the angel of the Eleria return to his horse form. He stamps his front hooves on the ground and shakes his head, neighs, and gallops off into the wind. The wind follows him and takes the scene away from me.

(Jesus:) I have sent many such spirits of light into the world today. Many of you, My children of David, have asked for additional help to overcome the obstacles that stand in your way at this time of change in the Family. Many of you have asked Me to send forth helpers from Heaven to assist you, and I have abundantly granted your requests. (New Spirit World Power! #3522:106-111)

2. It is indeed a time of great change. Not only is the rule of man ending, but it will end in great tribulation and distress of all nations. Change is also coming in your lives; the life you have led till now will change forever. The man of sin will rise and the whole world will be his prison. 'Is this the man who made the earth tremble, who shook kingdoms, who made the world as a wilderness and destroyed its cities, who did not open the house of his prisoners?' It is here, even at the door; but again, I caution you to wait on the Lord and be of good courage and He will strengthen you for the battles ahead. I, your Elerian, am here to take you over the obstacles this satan will put before you. Together we will fly into the wilderness, and we will see great miracles."

Some of you have come to Me in desperation, but have not had the faith that I could help you. I have encouraged your faith by sending legions to your side to assist you. "Legions?" you may ask. Yes, I say, legions of helpers have been unleashed to assist you, for this is a desperate time in the Family. This is a time when all things must change, when you must get back to your revolutionary roots. Your freedom of spirit must be uncovered and revived. (New Spirit World Power! #3522:112)

3. I say, that time, is well spent for many. I speak of those who, in their neglect and lack of faith, grew lax in their intake of God's Word. The Words of David were given for a special generation of believers, and those that ate of this meat grew strong in spirit. I come now, in the time before the deluge, to strengthen those that remain and also those who, in the last few hours awaken from slumber...see The Lamp: <https://youtu.be/KwyltEVxhl>

I have sent you one of the angels of the Eleria. This Elerian is one of the freedom fighters of the spirit who have been given to all the children of David. These fighters assist you in your efforts to break free from the mindsets of the world. They wear on their foreheads the name of freedom, and in their hands are the fundamental words of My Spirit, which will set you free. (New Spirit World Power! #3522:113)

4. Wash the forehead (lintel) of your mind and heart and be set free, for close is the time to flee, very soon you will have to fly into the wilderness if we are to succeed in the mission our King has for you, us the Elerian and the legions of good spirits that surround you night and day.

They have the power to slice and cut away the tentacles of Bacchus and the vines of the world, which have grown around and choked the freedom of many of My children. These come in with white, searing-hot swords of liberty, and they cut loose you who are bound. (New Spirit World Power! #3522:114)

5. I offer you freedom, will you have it? Will you let go of the lines and traces and nets that you've set within the system? The end of all things is upon you; flee as a bird to your Mountain; Fly, for th'avenger is near THEE; Call and the Savior will hear THEE; He on His bosom will bear THEE, O THOU who ART weary of sin.

These are the freedom angels! They come to set at liberty you who are bound and to preach the acceptable year of the Lord. These come to bear witness of Me, to free you to love Me, to cut loose those of you who are too wrapped up in this world to be free, but who seek earnestly to be set at liberty. **[Box] The acceptable year of the Lord** From Matthew Henry's Commentary "To preach the acceptable year of the Lord" (Luke 4:19). [Jesus] came to let the world know that the God whom they had offended was willing to be reconciled to them, and to accept them upon new terms; that there is now a time of good will toward men. It alludes to the year of release, or that of jubilee, which was an acceptable year to servants, who were then set at liberty; to debtors, against whom all actions were then dropped; and to those who had mortgaged their lands, for then they returned to them again. [Jesus] came to sound the jubilee trumpet; and blessed were they that heard the joyful sound. **[End of box]**

Call upon the angels of freedom, and they will rush to your aid like wild white stallions thundering across the meadows. They will thunder to your side and set you free.

Be not afraid to call upon their help, for they are given to the children of David alone, as your helpers. You will feel freer to obey, freer to do My will, and freer to be Mine in spirit. Ask in faith, believing that you shall receive them, and you shall have them. Ask that it may be given you, so that you, too, may find this freedom of spirit and liberty in Me.

This group of freedom angels is called "the Eleria." If you are referring to one of the Eleria band, you would say that he or she is an Elerian. And when you call them by their personal names, you would call on, for example, "Feshas Elerian," or "Marvia Elerian"--whatever helps you to remember them best.

Call upon them, and let them come to you and set you free. They are many, and they are more than willing to come to your aid and do your bidding. Call upon them; do not neglect these heavenly warriors who come to your aid. (End of message.)

(Jesus:) The Eleria are sent to bring freedom of spirit. But just as with any other assistance from the spirit world, how much or how little effect they have is determined by your faith, yieldedness, and how fully you implement their counsel. They are assigned to the children of David at this time because you, as My Endtime leaders, must face the most intense resistance, especially in this time of rebuilding. Satan has focused his attention on you as the greatest threat to his kingdom, and one of your most powerful weapons is the freedom of spirit I have granted you.

My goal is to set you free to serve Me utterly, forever freed from the shackles and smothering oppression of the world and its enslaving traps, pitfalls, and quicksand. (New Spirit World Power! #3522:115-121)

6. This freedom does not only speak of spiritual freedom, although it is of the greatest importance; our Lord's counsel speaks also of physical freedom. That is why He made special effort to bring Abraham's lamb to your feast last night. That is why He asked you to brush the lintel of your new HQ, He means for this renewal, this freedom to be absolute and forever. The world is smothering everyone and everything; every item, movable and immovable, every animal and every human will be marked. Mark my word, and mark Revelation 13 in indelible ink; the mark is in place, the trap is set, all pitfalls are carefully covered, and those that maneuver the falls will find themselves in quicksand. Don't stand there gaping, fly with me, your Elerian!" You need the help of the Eleria in this time to activate the freedom of My Spirit again in your hearts--some more than others, but all are in need. Once this has been accomplished, your fire and passion for Me will spur you to ever greater heights.

Many of these angels of freedom are already at the sides of My Endtime fighters, aiding in small ways while they await their full activation as you call upon them, seeking their name and their help. Once your eyes have been opened and you have chosen the freedom of My Spirit, the conviction will live on in your heart, and the freedom you have gained will continue to grow and become stronger as your commitment to focus on the things of My Spirit takes over. (New Spirit World Power! #3522:122)

7. Full activation has come; the guard has been doubled, and many there be that surround the Children of David of the End. We, your Elerian, have been charged and commissioned to work with all the power vested in us. It is now in the hands of each individual to access our power. The Keys play a vital role in our success as a team."

These wild stallions of spirit, these angels of freedom, are the catalyst to lift you to new heights. But as with any catalyst, how much effect they have is based upon how much they have to work with.

So give them free rein of your heart, spirit, will, humility and love for Me. Follow their spirited call and race with them through the mountains of My house as they teach you more freedom than you have ever imagined, and they take you to where the purest waters of the spirit can bring you the strength and desire to delve ever deeper into all that I long to show you. They are your protectors, but they are also your liberators as you learn to burn free with them. (End of message.) (New Spirit World Power! #3522:123, 124)
