

(Azure:) I think you are starting to see it all come together. The picture is becoming clearer or rather the very real reality of it being possible is being felt in your spirit. Your spirit is changing and adapting and gaining momentum; it's getting in the flow; it's humming and resonating with new exciting vibes to all the possibilities of the revelation I have just given you. (The Passover!) The revolutions are increasing and it's filling you with more faith to believe! **'Believe' is the key word and extremely powerful!** It's resolute; it's firm like a rock and it's the Rock you can stand on. **Going through that door will take that sure footed belief!** You have been in the period of training to reach this point. He and all of us have shown you many things; His miracle working power has been manifested to you, for your eyes to see, to bring you with your heads lifted triumphantly! All you have passed through has culminated to this point, this monumental shift in the spirit, this opening of the veil to you, beloveds of the Lord! (Psa 110:7 *He will drink of the brook by the way; therefore will He lift up His head [triumphantly].*) You have been faithfully digging out treasures from His mineshaft and He's teaching you to trust His channel and His alone! Can you rely on the frequency of 6.66 to tell you all you need to know and all you need to do, as well as supply everything you need? Are you ready to walk through that door that you stand at now? Ah ha... for the natural man it does not work! This cannot be done in the flesh for the flesh always wars against the spirit! You will at times fail, but as you focus on the possibilities, **as you believe**, we all will come in. This is why it is so important now to connect with your spirit helpers because alone you can not do it! Therefore look to us and we will help you to see so much more in the spirit than ever before! This is the 'flying by your instruments only' principle but it is going to be a new era of amazing outright miracles as you turn onto auto pilot and fiercely believe, we will get you to your destination! **Those sips of wine are sips of faith; faith to believe!** They are the communion cup of covenant with your Husband. You are His and He is yours! *"This cup is a new covenant of My blood, which I offer to you. I love you. I pledge to be your faithful Husband. Will you be My bride?"* So beautiful! Sweet Jesus! He is like none other! (End)

I call you to live the life of the supernatural, a life of the spirit, applying not just the principles of earth, but the spiritual principles of God.--The principles of giving instead of taking, of love and forgiveness instead of hate and revenge, of laying down your life for others rather than only taking for yourself, of looking to the needs of others instead of your own self-survival. That is living in the supernatural.

For every man has the spirit and nature of man, and those that wish to live the supernatural spiritual life must struggle with the nature of man!

For if man could completely live the supernatural law, he would not need Me; he would not need to cry out to Me. And so I say, all men will fail, for all men have sinned.

*Many look to this precious Law of Love that I have laid at your feet and say, "This doesn't work! It's too difficult!" But I say unto you, for those who live in the supernatural, **for those who live these spiritual laws of God--the laws of giving, the laws of love, the laws of laying down your life for others, the laws of trusting God in the face of all adversity--to those, it works.***

So great is My liberating Law of Love that Satan fights it with all his might! He knows that My liberating Law of Love is the end of bondage and the doorway into the boundless freedom of the true spiritual realities that await.

Satan puts up a fierce fight to obstruct your growth in love. It is the doorway to My total love.

Ethernal speaking: I am by your side little queen this morning highlighting with brilliant bluish white light the word 'supernatural' because it pertains to what is happening in the spirit right now with the sips of wine and where you are all being led. He is opening a door for you all in preparation for what is about to happen. The supernatural is of the spirit and can't be attained from the earthly you. The letting go of yourself has to be done by your total awareness of Jesus and your spirit helpers. This is the difference! It's unearthly. It's being dependent, connected, riding the blue plasma waves. It's a completely different way of operating. It's why it is so necessary for this purging and cleansing time right now, as these short comings of the flesh will only drag you down and are opponents to the supernatural way. The unearthly has to be discarded; the nephesh has to be cleansed and washed away! The doorway stands before you if you wish to enter at this point in time. You must let go of the weariness of time and focus on the giving instead of what it's taking from you in the flesh. Rise above the muddy river with a change in your outlook. Have the eyes of love and fill your heart with the supernatural energy of love. Desire My will more than anything else despite yourself. This is the last stretch little queen, so cling to Him like never before; adore Him with all your soul and heart! Go through that door that He is beckoning for you to pass through and hold on to His ways; fiercely believe and be still in His presence so you can have peace in your heart and full assurance of all He's doing with you all right now. You are His special ones who run after Him, pursue Him and will not let Him go. He stands at the door and knocks, so open the door to Him and let go of your pride; leave it at the door and enter in. He is waiting for you! *Run little queen, run with everything that's in you. Keep your eyes straight ahead, looking neither to the left nor to the right!*
Song of Solomon 8:14 *Let Me hear your voice! Run to me dear lover. Come like a gazelle. Leap like a wild stag on the Spice Mountains!*

Song of Solomon 1:4 *Draw me, we will run after Thee*

"The Bride will stand, radiant with His glory. We must submit to the preparations of the keeper of the House and trust him to do a thorough and complete work so that when the hour of trial comes, we may be able to say, "The prince of this world has nothing in me" and go forth and glorify His Name."

"You must see that My ways are better than your ways! I am the Life. Your life on Earth is but a vapor, but My Life is forever, from generation to generation, throughout eternity. I always Am. I Am Who I Am. If you see this and believe it, then you will seek to make the changes in your lifestyle that will let Me do what I want through you, to let My nature live in you. This is not natural-it's supernatural. But you must be willing to give up what you have to have Me. For I will fill every place that you desert, and every piece of ground of your spirit and your heart that you give to Me, I will gladly take and come in and inhabit for you, making you more like Me."

Rising above means that things which seem they would be a certain way don't have to be that way; you're not held back or held down by physical circumstances; your surroundings or even the situation you're in doesn't dictate your reactions, your victory!

You have to choose to look up to My face. You have to choose to take your eyes off of the circumstances and conditions!

You have to choose to look past it all, up to Me. I always keep the space above you free and clear, so that you always have that option to look straight up and see Me clearly, without obstructions or distractions. When you do that, we share a powerful connection.

Your decision to look past it all, to look up to Me in faith, makes our connection strong. Even if you don't feel the faith, your obedience to do so is a step of faith or a statement of faith, and then I am able to lift you up, to join your spirit with Mine so that you see things as I see them, feel things as I feel them, and in a greater way have My heart and My Spirit within you. This instantly gives you greater faith, greater

anointing, a much broader perspective, and the peace and trust that you need. That is the process of rising above.

Eternal: This principle of Rising above has layers. It's not just to help you with your battles but it's the blueprint for this next step of entering the door of His secret garden. His garden placed in the valley of the shadow of death will keep you, even in the presence of your enemies! It will be a space that will hide you when you look up past the circumstances around you creating the frequency of 6.66, so you will be untouched. But the two layers are intertwined and one can't do without the other. You have to empty out and submit every piece of your ground to Jesus so He can then create the space, the corridor in which to keep you. I don't think you need too much convincing as you have seen so many incidences of spiritual communication between each other and a lot of times between Jesus and you. There is no denying that...it is fact and we know you believe it. It's supernatural! Yes, it most certainly is! And Jesus does those very special things for you all to show you that you are on the right track. Keep running! Keep looking in His face! Feel the warmth of the blue moor stone emanating as these touches of His love encourage you all and help to spur you on!

My sweet one, look into My eyes as you face the road ahead, and let My love which is deep within your heart sustain you for the journey. Each morning as you wake and give yourself again to Me, I will place new strength in your heart—new strength which comes from the deep love that we share. Do not worry or give a second thought to anything that you might need, for I will be there for you to give it to you—I will give you My best, because you have given Me your best. (Dove Diaries 4)

I assure you, the only thing I need in order to use you is your heart. All the rest can go as far as I'm concerned. I'm into using the weak things and those who feel that they have nothing left of themselves but Me.
