

FAITH BOOSTERS!!

Are

you listening?

(Prophecy) You have to not just have heard the Word, but to hear the Word. It's not just about what I spoke, but what I speak. Not just about the water that fell, but realise My Word is like the water cycle, it just keeps coming and moving and refreshing, and traveling. Like water it moves, and will move you and will keep you moving, and not left in a ditch somewhere, or should I say in a rut? Same thing, either way you are stuck, half dead, or thinking you are living and moving but are going in circles around and around chanting the one thing you remember I said.

Keep listening for the new or you'll be a "has been". Okay?

Remember, everything, absolutely everything I have ever said and will yet say, is only part of the puzzle. Keep reaching for the next piece, and yet the next. I'll always keep giving you more. (K's 25-MAR-2021_pumping frequently into you)

*** (Jesus speaking:) My child. I know it's wild to talk about things you'd rather ignore, but this is true married life. Be open to anything wild thing I may ask you to do.

I won't ask you to do or partake of what is not going to bring good fruit in the end. But the wild openness you feel is very refreshing. You really would do anything for Me if I asked it of you. Not that I will, but nothing held back makes you a multipurpose tool that I can use again and again, this way and that way.

If you hold back, then the serpent can lure.

Be open. That's all that I'm asking.

I just need someone who does what I need, when I need it. You won't know that unless you ride Me very hard, fast, long and passionately; for only those in My secret place get to hear My secret plans. You have to listen frequently, as daily as possible, to get the battle plan tactics for that day's round of battles.

(K's 26-MAR-2021_wildly willing and riding hard)

The more of the past yuckiness you hold on to now, the longer it will take to ready you for the missions I need done in the next life. Get as free from ugly feelings now as you can, and get as strong in spirit and close to Me as you can, then you'll have less to recover from there, and can get on with the job. Okay? 27-MAR-2021

(Jesus speaking:) I'm liking this closer walk. You desire My Words that set the tone and direct your day's pattern, even your battles. You know you are engaging in battle when you listen to the Captain of the army. So, thanks for coming in closer and having more of your life available for use by the team.

Foreword, by Jesus

This story (JOURNEY TO TRICON) is a gift from My hand. It gives special glimpses and little pictures into the workings of My Spirit, and more insight into the realities of life--life beyond the veil--which will become more real to you and be more a part of your lives as the days go by.

This is one person's experience in the spirit world, one person's spirit trip into the heavenlies which I have allowed because they sought for it, and desired to see and feel and touch and experience those things outside of the physical realm. I have blessed this channel with a fantastic spiritual experience, but it does not mean that this is the limit, or that this is all there is to experience; there is much more than can ever be experienced in a thousand million lifetimes! This one has seen in part and has experienced in part, although it might look to you like everything, far beyond what you can imagine or think. But I say unto you, I am but giving you an opening glimpse into the wonderful realities and blessings of the great, great door to the spirit world.

Some of what has been shown may seem strange or bizarre, hard to receive or believe, but don't worry about that. Don't try to figure it out and piece things together. You won't be able to analyze, categorize or spiritualize the events of the spirit world and fit them into your carnal understanding. **Accept this story and experience as a gift of love from Me to you in order to stretch your faith and challenge you, to help you believe in and be able to receive the greater things which are in store.** There is much in the spirit world that you cannot fully comprehend right now, but hold on to your faith and don't let the Enemy steal away your reward and blessing through disbelief.

Even when you come Here, all will not be revealed at once, for there is much too much for any one person to take in. It takes time, it takes learning and adjusting.

A mystery of My Spirit is that much is given according to your faith, your desire to see, and your acceptance of that which you do see.

When you come here, all will not see the same things, and all will not experience the same things, for according to each person's desires and hunger and faith it will be given unto them.

This dear channel saw and received that which he had faith for. Some things were clouded from his sight and not perfectly clear, but all will be made clear one day when we are face to face.

Until then, let your eyes be opened further. Drink in the wonders of the spirit world through this experience of a Journey to Tricon.

Let it sharpen your desire and challenge your faith to receive more, believe more, experience more, and give more truth to others. Let it be as a fire in your heart and spirit. Let it stir your faith for the awesome events that will soon come on Earth, and in the world beyond.

(same goes for John's amazing story "Miracle Workers of the End")

Look at it as if you were looking into a beautiful scintillating crystal diamond, which has been polished and cut with a million different angles, each one reflecting and refracting a different light. When you look within it, you see a beautiful view, but the view changes with each turn of the diamond. As you look through the different angles and cuts, the picture varies and changes and you see different sides. So it is with My spirit world. Do not take the specifics of this story as how things must always be--for it is but one side of a million-faceted diamond, sparkling, changing, and forever new!

Fear not to dive in and partake of this glimpse beyond the confines of your physical world. Come now! Take a trip out of your mind and thoughts, and enter into the thoughts of another. Joy in his joys, learn from his experiences, and enjoy freely! I love you. (End of message from Jesus.)

Love Me in utter trust! Give Me your love and your faith, and I will not disappoint you! I love you! I have so much that I want to give

you, but you have to reach out to Me with all your heart, wrap your arms tightly around Me, and be willing to step out into the darkness with Me, trusting that I will bring you through. And I will bring you through. I will not fail in one word of My promises to you!

Read the Words of love that I have poured forth from My heart to yours. Read them with the same hunger and desire as you would the words of your most beloved lover, for I am He!--And I love you with a passionate and overwhelming love! These Words are My promises to you, the vows of My eternal love for you. Each one is for you, and I will fulfill every word of them for you. I am your Lover, longing for you to reach out in love and trust so that I may make good on My promises, fulfill My vows, and bestow upon you the great love in My heart. I love you and I need you! Step out on My promises in love and faith, and see what I will do for you!

Keep your eyes upon My face, and take them not away. Look not to the right nor to the left, nor down nor around you, but look straight into My eyes. Look into My face, no matter what is happening around you, and I promise I will please you, I will take care of you, and you will be satisfied and blessed. (FJWL: 376)

The mind wants to go in the places that are comfortable for it; the carnal realm and carnal thinking. It is happy there because it has its feet on the ground and things can be figured out and added up to make sense. But put the mind into the spiritual realm, and suddenly its feet aren't on the ground; it seems to be floating but it doesn't know how that is possible or if it will suddenly be dropped. It can't see very far ahead in this realm; things are misty and cloudy and sometimes what is seen can't even be understood. It thinks it is seeing a certain thing, but it doesn't make sense or even seem possible. So it wants to run away back to the lands where things make sense. But this is actually where the mind has to stop. It has to close its eyes and give way to the heart and love and faith. It has to realize that it has come to the border. Beyond this line, it can't operate like normal. It has to yield to the heart. It has to listen to faith and love. If love tells it that Jesus is real, it has to listen. If faith speaks to it and tells it that God's Word is true, it has to believe. If the heart tells it that there are things that it will never understand, it has to accept it. This is hard for the mind. It rebels, it hurts, it cries out. It feels that it isn't fair. Why would Jesus bring it into waters that would drown it? So that it will sit down; so that it will lay down. For in such love and sacrifice you will find true power and true light. There is no gain without giving something up. So give up your mind; dwell in the spirit. You do this by believing. When you read the Word, you believe it, you accept it, you take it in as truth, even if your mind is in the other chair throwing a fit and saying that it can't be possible. You shut it out and take in the truth. The strange thing is that this will actually bring peace and sanity to your poor mind. (END OF PROPHECY)

You will feel a greater awareness of their presence each time you talk with them. You'll be drawing closer and closer to them, so that as the days of darkness and tribulation approach, you won't only be one person in Me; you will be a thousand warriors in Me and them! You will have the spirits of a thousand saints living in your heart and your mind and your spirit. You will have their words running through you, their strengths compelling you--and that, coupled with My power, will make you an unbeatable force!

(New Spirit World Power! [#3522:57])

***Wings of Heaven**

About the Wings of Heaven, the Lord said, "You will call heavily on these in times of great tribulation, for you will need to bring back the dead or those who are on the verge of passing on. If it is My will, I will take them; but when it is not yet someone's time, you can call on the Wings of Heaven to revive them and to breathe the breath of life into them, and they will ride to aid you" (ML #3597:47).

"It's the Spirits of Death. Rebuke the Spirits of Death and claim the Wings of Heaven. The victory is already won, but the fight is not over." This message clued me in on whom to specifically target in this spiritual battle, and it also

assured me that Kim was on the up-and-up and would be okay.

The Spirits of Death are a band of demons whose goal is to perpetrate death, and they are active and aggressive in their attempts to destroy life throughout the world, through both spiritual and physical attacks.

They have been around since the beginning of [the Enemy's power on earth], but in recent times they have begun to intensely target the youth of the world, as well as Family young people.

The Wings of Heaven are a band of Heavenly spirit beings that wage war against the Spirits of Death.

FAITH ROBBERS!!

Delight yourself in the Lord, for this is what will give you the most buoyancy to bounce high. Love him through the dark—when you don't understand.

***Dog of Satan**

Beware, for the dog of Satan seeks to steal what faith is clung to in people's bosoms; he is the faith robber.

***Birds of Disbelief**

My Words, fresh and alive, and pumping frequently into your system, is what will retain your faith. If you merely cling to what has been given, this can be robbed by the birds of disbelief, as Eve found out in a merciless way—for not only did the winged creature of ‘doubt in God’s Word’ seek to steal her and Adam’s faith, but their life; for because of disobedience, the foul creature then could deal out the death as well.

***Spirits of Death**

They hate life. They attack with bulimia, anorexia, depression, worthlessness, self-pity and jealousy. They torment you with fear and guilt and revenge and then condemn you for it. They will use any interest in the dark side to the maximum to hurt you, any negative thinking to sink you into depression. They use self-righteousness and criticalness to destroy faith. They work through false religions that promote self-works, a self-made standard, pride and self-honor.

Other bands that belong to the spirits of death:

*** The Demons of Despair**

Their goal is to destroy usefulness to Me through depression and despair.

*** The Demons of Depression**

Witches of darkness. They promote hatred towards others and self-hatred and judge harshly and spread hopelessness.

*** Arakan**

He causes confusion, depression, discouragement and fights your connection and channel to Heaven.

***Pan**

When truth is actually revealed, people have been conditioned by his deluding propaganda, and thus it’s hard to tell a mind the real way it is. (7-FEB-2021_green angels)

Pan's Enticement of Knowledge

29. (Jesus speaking:) Pan and Bacchus, how have they influenced your life?

The truth is that the influence of these demons is far more subtle and widespread, especially the influence of Pan, who is the more deceptive, for his evil deeds are coated with the “good intentions” of pride. The spirit of Satan is the spirit of pride itself, and these who are his minions seek to promote pride, and Pan has achieved this in the greatest way. He promotes self, self-importance, the bettering of one's self, the glory of one's own mind and ways.

30. He has sought to entice you with knowledge and higher learning, and in general encouraged an overall curiosity for all that might be new and interesting. He wants you to just take it all in, without discerning or carefully selecting. He wants you to think, “The more knowledge I have, the better.” For he knows that the

more he can clutter your mind with his evil or even just useless information, the less you will fill your mind with that which is pure, that which is godly, that which strengthens you spiritually.

31. He causes you to be interested in that which is “spiritual,” yet which is not of My Spirit, and therefore which he knows is not going to strengthen you spiritually--but will instead confuse you or weaken you. He seeks to arouse an interest in other religions, in the dark side, the evil side, the witches and wizards who worship the spirits of the earth, and tempts you to look for the good in these. This has caused your convictions to be weakened, because you have allowed your mind to be “trained,” as it were, in looking for the good in other things besides the pure truth.

34. You think of yourself as being stronger than you are, and tend to think that just “surface knowledge” of something, without getting “into it,” is not harmful to you. Your problem is that you measure things not by My standard but by that of others. You also think to yourself, “Well, there are others who are into much worse things, so I'm doing okay.” That's an off-center measuring stick, and one that I want you to stop using. (End of message from Jesus.)

65. (Jesus:) This demon, Apotheon, works alongside Satan within one of the highest echelons and domains of netherworld power and importance--that of destroying faith. He goes about the earth to and fro amongst the children of men weakening and undermining faith, courage, and hope; seeking always to press down, to push down, to oppress, to cover the eyes of those who would turn them upward toward Me where there is light, hope, and growth, and where there is always forward movement. He seeks to suffocate and weigh down man's spirit and will to fight on, to rise above circumstances and conditions; thus his domain is one of poverty, failure, and ruin.

67. His grip is like unto that of a python--suffocating and paralyzing. He seeks to paralyze people's faith, so there is no movement, no forward motion, no vision, no desire or ability to rise above or change things for the better, no desire to fulfill My plan or perfect will. The coldness you experienced [while seeing the vision] is indicative of what happens when Apotheon's weight is heavy upon you and your faith is slowly drained from you--you lose your fire, your heat, and your drive, because faith fuels your fire!

Seeing the True Value in Others

35. (Jesus speaking:) Pan has caused you to idolize knowledge and people who have a lot of knowledge. You have a much greater respect for those who are intellectual or educated than those who are simple. You admire the simplicity that you see in some, such as your king and queen, for example, but overall, when you look at a person in your Home or in the Family, you consider those who have been well educated or who are naturally intelligent or are intellectual as being on a higher level.

36. You desire to be thought of in this way too, and therefore strive to be knowledgeable about as much as possible, to be informed, to be “intellectual” in the sense of being questioning and cynical. One of the things that you look down on more than anything is someone who is too “simple,” who seems to be rather “dumb” or “slow,” or who is gullible or too much of a follower. You tend to disassociate from such people or at least look down on them.

37. This may not seem to be such a problem, but it is a warping of your mind that affects other areas of your life as well. It can affect your unity because you don't want to work with or listen to someone who you consider isn't smart or bright. It can affect your ability to work with or under others, or to be shepherded, if you're just looking at someone in the flesh and not in the spirit. You can miss out on receiving helpful input or shepherding from someone because you see yourself as above them because you're "smarter."

38. Last but not least, it's damaging to your own spiritual condition to look at people this way because it ministers to your pride. It's a carnal mindset; it's looking at people in the flesh rather than seeing things in the spirit.

39. Everyone has been given different gifts and abilities, and intelligence and the gift of knowledge is one of those abilities, but it is not an ability that is superior to others. When you realize this, you will see yourself and others in a different light than you have before. It will greatly change your mindset and enable you to be far more spiritually minded, as well as less likely to compare yourself with others, or compare others with others. It will make you less critical of others who you have looked down on, and will also make you more willing to assert your own gifts and talents in the presence of others who you have felt intimidated around.

40. Mental abilities and talents are just one part of a person's makeup, and your views about people don't need to be boxed in by that one aspect of life. It's very limiting. It's very confining. And it twists and warps so much.

41. This is one of the main influences of Pan that I would have you pray against, this measuring people by their intelligence and seeing that as superior to all other talents or attributes. Losing this very wrong mindset will change your life in many ways. It will help you to be more spiritually minded, more tolerant, more compassionate, and less desirous of worldly input overall. (End of message from Jesus.)

***DEMONS OF REJECTION**

Notable Quote:

(Jesus:) It is Pan-the archdemon whose aim is to gain control over the mind-who fights with ferocity against My young children of David. Under his jurisdiction, Pan has his powers and demons who fight against My children, and one of them is the demon of rejection, the evil power that seeks to question, demean, and reject My truth, My Words. He is the enemy of faith, one who actively seeks to cloud the minds of your young, to bring up doubts, questions, analyzing, distortion, complexity, confusion, anything that would stand in the way of simply taking in My Words in childlike faith and belief.

("Are You a Disciple?" ML #3365:63; September 2001) (Xn 062)

***SELVEGION**

They breathe out vile whispers, and these fly in through your ears and reach your heart very quickly. These words of lying vanity are carried on the breath of the Selvegion.

32. Just as I have said that My Words are life, so the words of the Enemy are death. They are like a virus on your computer, small and vile. They enter in through the ears and quickly contaminate and pollute the inner chambers of your being. Once they have entered in, it doesn't take long for them to distort and alter the words that you hear, and your perception becomes tainted and corrupted.

26. These are black elves because their hearts are black with sin and evil, because they proceed from the Dark Kingdom, from he who is the blackest of all, and because their deeds are black and dirty and evil. They hate the light, and they would pull each of My children of light into the blackness and darkness themselves if they could.

27. These are called "Selvegion" for they are dark, they are vile, they lure their prey to put self-first, and they are many.

(How to Be on Guard Against the Selvegion [#3403])

*** SPIRITS OF SEDUCTION**

(Jesus:) They use many appeals and many tactics. They target those who are led by the desires of the flesh and by carnal thinking, those who are ruled more by human feeling and emotion than by Me.

These are special forces from the Enemy's realm. They have been trained especially to target My true disciples of the End. This is their mission. Their goal is to lead My children astray, to lead them away from My truth, away from their duty to Me, away from the calling I have given them.

They hope to accomplish this every way and any way they can. They hype up fascination with things of the world. They try to get you addicted to a certain pleasure so that you're tempted to put it before your time with Me, or be distracted by it when you're supposed to be working or doing something more valuable.

They try to enhance the pleasures of the flesh while playing down the pleasures of the spirit. They will try to get you to focus solely on physical pleasure, and make it seem that if you bring Me into your times of fun, they will be less exciting or fulfilling. **They give many false promises. They promote selfishness. They try to steal time away from things that are important.**

Everyone wants to be loved; it's part of human nature to want to be recognized. Not all desire is bad, and I have promised to give you the desires of your hearts.

But these seducing spirits play on desire with the goal of blowing human desire way out of proportion. When desire becomes inordinate, when the desires of one's heart are not in line with My Spirit and My will, things can quickly get way out of balance, and this is where the danger lies. Anything in your lives that is not kept in check and balance by My Spirit has the potential to become dangerously deadly. When you want something so much that you're not cautious and prayerful, you're not willing to keep your actions within the boundaries that I've set for you, or even the common sense boundaries that you could know if you were thinking about them wisely, then you're on dangerous territory. This is the goal of the spirits of seduction--to lure you outside of the boundaries of My Spirit.
