HAB.2:1 ***I will stand upon my watch, and set me upon the tower, and will watch to see what he will say unto me***, and what I shall answer when I am reproved.

HAB.2:2 And the LORD answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it.

HAB.2:3 ***For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry.***

HAB.2:4 Behold, his soul which is lifted up is not upright in him: but the just shall live by his faith.

"Hold onto Me; strap yourselves to My back and wrap your arms around my chest or neck or anywhere that feels safe. I won't let you go if you don't let go." (2022 The Pivotal Year)

Your attitude, my brother or my sister, if you are a servant of the Lord, is that of *attention and patience.*

To which I may add that it is often a solitary attitude: "I will stand upon my watch." The church has gone to sleep, but "I will stand upon my watch." Like flocks of sheep they lie all around us, the multitudes of souls for whom we have to care; but there are still shepherds keeping watch over their flocks by night, to whom the glory of the Lord is often revealed when the sheep perceive it not. The city lies wrapped in slumber, and no sound is heard among her ten thousand sleepers; but there is one who knows no sleep, nor gives slumber to his eyelids, for he is the appointed watchman of the night; and he keeps to his tower, and sets himself in his place, firmly resolved that, till the morning breaks, there shall be somebody to keep guard over the city. Well, sometimes, I say, that watchman has to be quite solitary. O brothers and sisters, it would be better for us if we had more solitude! It often becomes needful to us because we cannot find kindred spirits that can watch with us a single hour. The higher you get up in the Church of God, the more solitary you will be. For the sheep, there are many companions; but even for an under-shepherd, there are but few. As for that Great Shepherd of the sheep, the Chief Shepherd and Bishop of souls, the Good. Shepherd, you know that his most favored apostles could not watch with him even one hour, but he had to endure his terrible agony in Gethsemane alone; and. such of his servants as he honors most will know best what is the meaning of Gethsemane, the olive-press, and the solitude which often accompanies the stern watch that the faithful servant of God must keep. Never mind if all others around ye. say that you are hot-headed, and zealous, and enthusiastic, and foolish, and I know not what; say to yourself, "Swill stand upon my watch." What if they should, think that you carry things much too far, and have too much religion, or are too consecrated? Reply, "I will set me upon the tower, and will still watch, for that is my business even if I must attend to it all alone." The man who has God for his Companion has the best of company; and, he that is a solitary watcher for the Most High God shall one day stand amidst yon shining legions of angels, and himself shine forth as the sun in the Kingdom of his Father. Expect, therefore, if you are a servant of the Lord, sometimes to have to watch alone, and, be thankful for that position if God honors you by calling you to occupy it.
Observe, further, that the attitude of the child of God who is callers to be a prophet to his people — as I know that many of you are,— is one in which the mind must be entirely engrossed. The true servant of the Lord thinks of nothing else than this,—"I will stand upon my watch, and set me upon the tower, and will watch to see what the Lord will say unto me." He is wholly taken up with that one matter. Many of you have your secular callings to follow; but, without neglecting them, you can still, in spirit, be watching and waiting to hear the voice of God; for God speaks to us not only when we are in the study, or kneeling in prayer by our bedside, but he has ways of talking with us while we are going along the road, and so he makes our hearts to burn within us. He can speak with us in the thick of the greatest throng; and, perhaps, some of us were never more conscious of the voice of God than amid the rushing of ten thousand spindles, or in the midst of the crowded street. At such times, the noise and turmoil of this busy world have not been able to drown the gentle voice of God within our spirit. Nay you, beloved, be thus engrossed! If you intend to serve the Lord, give your whole soul to the learning of his truth and the hearing of what he has to say to you, that you may afterwards be able to tell out to others what you have yourselves been taught of God. (Spurgeon on Hab.2:3)

And now some excerpts from "It Can Happen in 2022 Part 1 UPDATE" :-

ML # 2,500: paragraph #132 - All I can say is this: I think things are winding up & that it's about to happen, & I have a feeling that it'll probably happen this year. Even most economists say it cannot wait any longer than 1990 (Stephen:

"2020?"). It's either got to happen this year or next year. When do you think the World deserves to have it happen? It's a judgment of God! Of course, it's the reaping of what they've sowed, their own foolishness, their own lust, their own greed, their own cruelty & selfishness against the poor of the rest of the World.

(Excerpts of prophecy after paragraph # 132)

On para #132: (Spirit helper:) You are learning to hear from us, your colleagues in the spirit world. You are learning to such a degree that it will be even more than second nature; it will be spiritual nature. You will lose your mind if that is what you want, because it is what we want. We need to possess you; we need you to willingly give over your mind so it can be ours. Full heavenly thought power, full possession, full mind meld, nothing short of this will work to the degree we would like it to work. We will give back your mind when you reach the end of your road, your mission, your destiny. What we are asking will take pure faith, nothing wavering. This little talk would not be happening if you hadn't made the progress you've made. If you had not made the steps of yieldedness you've made, we would not even consider talking to you like this. The darkness that has often been talked about in the letters and in prophecy over the years and even now in your recent prophecies is so thick it is palatable. You sense it and you know by faith that it is true, yet we have protected you from the full brunt of it in order to protect your channels and of course the children's channels. You are taking things by faith really well, so there is little need for us to give you a glimpse into this world that surrounds you. All you have to do is stay alert and full of faith, believing that what we are telling you through prophecy is true. To be a true conduit of the Word of God, your faith has to be pure; it can't be based on what you see necessarily, because a prophet uses the avenue of communication through word of mouth. It is becoming plain that all of you have received the gift of prophecy as have your children. All it takes is for you and they to exercise this gift hone it to a fine razor. Only then can it be effectively used to slash the enemy, and we mean mortally slash him and his forces. The time is coming when there will not be the time to analyze whether you think you are right or you think you are wrong in saying what you say. If you waver in your conviction, because you stopped to think or analyze, then time will pass and the moment will be lost. Patience, faith, humility, in addition to the gifts mentioned above must come together to make of you those prophets. You have done well to not look to the news for your source of knowledge; we have kept and will continue to keep our promise. It will come to your attention, or in other words, we will show you what news is worthy to speak to others about. There is a big job to do, but not too big for us. We know all the channels and avenues to take to make each word, each announcement, and each proclamation count. You are learning, keep doing that by listening and fine tuning your channels.

(Excerpts of prophecy after paragraph # 132) David, by divine anointing, stepped out by faith and gave dates and times and numbered the years. He didn't care. He just obeyed, because deep in his heart he knew that God knew what He was doing and that was all that mattered. He was a conduit and an excellent one. Now you are benefiting, but it takes the faith of David to follow: the faith that -as yet- has not been given to any man simply because the time has not warranted it. The Lord loves parables because certain truths, certain pearls are not given to all men to understand. Parables are given to men and women of faith, those that are willing to step out by faith and follow the little doggy line. What we are saying is that the years given to David were veiled, yet plain enough to see if one is given the gift of spiritual sight. The Lord is opening your sight so that you may see; follow the years, but do not throw your pearls before the swine. The words that we speak through you will be made palatable for those children out there that will receive them. Be as David who did not care what man thought of him, he only cared for what His Lover thought. Weren't you told that you would be as little David's and little Maria's? The time is ripe; it is the season for harvest. The fruit will be gathered, but first the prophets must gather them in. His servants must go forth and proclaim the acceptable day of His coming. Till the end of this year and for two years following all hell will break loose. For the time of the gentiles is upon you. Come out from among them and into the inner court in preparation; for his revelation is almost upon you. Why was it done like this?.. you ask. Well, there is always more than one edge to any problem, just as there is always more than one edge to any object. But looking at the object itself; just as Dad mentioned in the letter we are reading together -not only Job was being tested but like Job, his wife was being tested. The test of patience is always one of the last tests. The Family was like Job's wife and many did indeed flunk the final test. If the right dates were given, then do you think people would be holding on for the right reasons? Some perhaps, at least those that held onto the Words of God in their hearts, like you did, although it got rough, you always believed Dad and the New Wine to be the Words of God. You continued on in faith until the time was ripe, and we opened the door to the next level. You took it, and here you are.

December 2021 Prophecy update: If you are still reading these lines, then this message is for you. You are the one I have

been speaking to throughout this update. ***It doesn't matter what you think. It only matters what I am telling you. But it is up to you to believe and act on these Words.*** This world is about to end. It is on the brink of Great Tribulation. Tribulation has begun for some, but I am warning you now, tribulation will sweep the globe in 2022. Don't listen to the peace prophets; don't look to man. *Listen to what I am whispering to you in your heart. Start right now believing what you are hearing in the inner ear of your mind's eye.* My spirit is strong in these days of the Keys. Be a Key wielder and you will not only survive what is coming very, very soon, but you will be mightily used of Me right through to the day you leave this miserable earth. I cannot call continually, I cannot continue to strive with the spirit of man in these days of the end…The Man of Sin is upon you, and war has begun. Grab your earpiece, grab your backpack, and head out on the exact track I tell you to take. If you find yourself alone with no one else following you, then don't fear. I am right there beside you. If you make a few mistakes, I will come in behind you, so don't fear and panic or do something silly. I am there. Just sit down and take a few minutes to reconnect with Me, and before you know it, I will be showing you where you took the wrong turn. All that has happened to you thus far has been for a purpose. Just use the mistakes and lessons as stepping stones, and you will start up the mountain again, having renewed your strength in Me. I love you. I'm always right beside you. I will never leave you or forsake you.

December 2021 Prophecy update: So are you ready? You may not feel ready, but don't go by your feelings. They will surely fail. This is your calling. This is your day. Despise not the day of small things. YOU may be a small pebble, but when I put you in My sling, you will bring down the giants of this world. They are nothing in My sight. Don't fear. Have faith, and all things will come together for good. Tally Ho, My brave warrior of the end. ("It Can Happen in 2022 Part 1 UPDATE")

24th October, 2022 (Prophecy) Yes, My love, the secret is in letting go! Always it's a fight to let go of the things that are clinging to you that weigh you down, slow you down from soaring on high with Me. Weightless! Freedom with Me to do what I ask of you without hesitation or worries and fears that you are amiss. Having a quiet knowing that you are where I want you and are fulfilling My will for you. That is freedom. It's a release that is full of faith, to shine and scintillate with My awesome power. Your blue energy within you will vibrate and spill out and shine, like Moses' face; but a shining within! Your spirit will be imbued with My spirit as we become one and the seeds will spill forth on the atmosphere around you and all you come across. It will in turn enlighten them and give hope and courage. Sitting still and knowing, in My presence, takes a high level of faith and trust. But it's where I want you to always return to. It's where your strength comes from. It reminds you that you yourself are incapable and only with Me will you make it through. And really you know you wouldn't want it any other way. All the focus is on Me and lifting Me up and just totally relinquishing your entire being to Me so I can be glorified. The understanding may not have been how you thought it to be at all. The mysteries so deep and out of reach to some can be revealed in a moment to My insatiable consecrated Bride. And the honey words might amaze you and be so contrary to those who have studied them before you. But My mysteries are only for My Song brides, My Philadelphia lovers***. It is reserved for them to know these mysteries and open the books. And even then, it takes great faith to believe. But do not allow that mistrust to come anywhere near to you. Shun it and rebuke the filthy hand that brings it. You must not waver. You must stand on My promises to you. Do not hesitate. In simple humility continue to come before Me and I will continue to reveal My secrets to you. For it is your commission to share all I show you with other Song brides to light their path.*** Pump them with My seeds, My loves. And keep on pumping until I come for you. It is your commission to lead the flocks through the dark tunnel up to higher ground. So continue to lead on and do it as a bride leaning on My shoulder as you come from our bedchamber, full and confident that you are totally in My will. (End of prophecy)

The days of great tribulation are almost upon you, My loves, those days when you will have nothing to stand on but Me. Are you ready? Are you prepared in heart? You are if you believe that I am all you have, that there are no other alternatives, and if there were, you would still trust Me over each one of them anyway. When the cut-off comes, which it surely will, there will be a line drawn, a division so clear, so well defined, it will be unmistakable. Then you will have to choose, then you will see that the road back is no longer a road but a drop-off. I am testing you now, with little choices, small decisions and with each one you make you are either strengthening your connection with Me and My Word or you are allowing the enemy to weaken that connection. The hour has come, the hour of darkness, the hour of temptation that My Word has spoken of since the beginning of time. The world is at its lowest ebb, the tide of man's faith in Me is at

its lowest point since Satan first began his attack on My plan for man. The serpent is about to strike, the hammer is about to come down hard and any undecided, any that still remain caught between two decisions, will be blown like the chaff of the summer threshing floor. Only those that are standing on My Word alone will stand. (July)

You are My special called out, Endtime elites, those that I have set aside during these last few years, I have done this in order that I find you full of faith at My return. The decisions you have made, the difficulties you have passed through in order to be one of those privileged few are the tests that Gideon's band must pass through in order to be fit for the final battle. You are nothing and you know that now, you have faced battles that were obviously too hard for you, so you ran to Me, into My wilderness for the days of the end. You are that woman and for 1,260 days I have promised to keep you safe, but remember, My promises are contingent on your obedience, so stay faithful and true, do not step outside My will for even the slightest peek. (May)

Be strong in Me and in the Keys of the Kingdom. Use them, live in them and allow them to live in you by using them constantly. The Keys will see you through the darkest parts of the night. They will be your light; they will be your guide. They will be your strength when your flesh can no longer stand. (July)

The keys are your strong tower against the enemy, My love. They will give you the faith and take away the apprehension, anxiety, worry, doubts about all that is coming and all that you could face. It's scary, and if you don't hold onto the keys, you will be overcome. Let them be your all in all. Never neglect them, but constantly go to them; use them and become so close to them. Let them be so important to you. Live them, breathe them. Gain comfort from them, for they will strengthen you as you use them over and over. Think them, speak them, read them. They will give you faith, My love, and drive away any fear. They are your light, your salvation. Keep your eyes fixed on them and don't give the enemy any sway. Don't let him divert you from the power you receive from the Keys. Believe it. Believe the Keys and the power they hold. Do not doubt. Grow strong through reading them now. Let them become a part of you, to where you cannot do without them and calling on them becomes an automatic reaction. Herein lies your strength. Herein lies the secret to the power I give unto you. Concentrate your efforts on the Keys now and grow stronger through their use." (August)

My loved ones, you who keep My Word close to your heart will be kept in the hour of tribulation. All those faithful Children of David, who have held closely to the revelations I've sent down the pipe to David, Maria, Peter and now you in the form of new…new wine will see a parting of the veil and will pass through the fire but not be burnt. Hold that fast which thou hast that no man take thy crown. You are My dearest ones right in the center of My will…you have the Key of prophecy…you are listening to the My still small voice, you have your Key to the wilderness of My spirit in your hand and all you have to do is obey and do exactly what I tell you to do in those hours that you spend with Me in our bed of love. Do not fear what is coming upon the children of men, for you live in another dimension. Call on the keys of 5th dimension when things look bleak to the carnal mind, and I will be there instantly to direct your next and every step. Obedience to My will is what has kept you safe all these years, and your obedience to My will through the voice of My Word will continue to do so even unto the time of the End. I will not fail to show you what your next step is…willing to go willing to stay…remember? (April)

(The Apostle John speaking:) ***My brothers, to you is given the greatest honor. Don't give up the fight. Hold on to your cross; hold on to the crown that the Lord is about to put on your heads. The time is so close. You can't even imagine that it will happen so soon, but it will happen very, very soon. Keep on fighting because He is already pouring into you and around you the full power and anointing that you will need for these Last Days.*** (April)("It Can Happen in 2022 Part 1 UPDATE")

Isaiah 58:1 Cry aloud, spare not, lift up thy voice like a trumpet, and shew My people their transgression, and the house of Jacob their sins.

LUK.21:19 ***In your patience possess ye your souls.***

LUK.21:22 ***For these be the days of vengeance, that all things which are written may be fulfilled.***

LUK.21:27 And then shall they see the Son of man coming in a cloud with power and great glory.

And to end, here's a prophecy from another prophetess, Julie Wheedon, who believes as we do that Jesus is coming very soon and that we are in the Great Tribulation right now.

YOU MUST BE READY NOW FOR ALL TO BE FULFILLED
Message received May 5-7, 2023
(Prophecy)My children and My remnant, all of creation groans and earnestly awaits the manifestation of the children of My Father. Nature itself now reacts violently to the great unleashing of darkness. The hour is so very late. All that I created as beautiful agonizes under the weight of gross sin and intense evil. All is being shaken, just as My Word speaks about. You must be ready now My children for all to be fulfilled.
What you are experiencing on all levels in this realm, is a reflection of the intensification of the battle between light and dark that has been ongoing since the beginning, as you My creation, My people, have been placed between the two opposing forces. Your minds are constantly bombarded from every angle as indoctrination, brainwashing, and programming are taking place everywhere you look. Your emotions are targeted and manipulated to ensure you remain in bondage at all times. You are besieged with all manner of evil energies, frequencies, and magnetic waves in order that you stay infirmed, confused, and weak in all points of the body. All that I have made clean and pure is being poisoned and tainted, if not utterly destroyed. My people are perishing in great numbers for lack of knowledge of My truth. Those of you who walk with Me know that great evil has been unleashed, and without Me, you would not be able to endure. I have warned for so long and now the time is here for the great separation I have foretold would happen.
For the last several days, there have been great earth changes taking place, massive shifting as well as sifting. I have caused some of the disturbances, and I allow them from your adversary as well for My purposes. With these changes, comes fluctuations in frequencies at the same time. The war in the heavenlies intensifies, and the effects are dramatic in the atmosphere, as you see signs all around you. There is a great shift and movement taking place, as I prepare for My kingdom to fully manifest in this realm, and great agitation is occurring in the dark kingdom as My light draws closer. You are also experiencing great agitation in the flesh, as very very soon you are to shed this garment of flesh and pain and enter into My glory. The fight for your soul has never been so intense as it is at this moment. Knowing this, I remind you to have extreme discernment and focus at all times. Do not act on anything without My express directive. Remain humbly at My feet and allow Me to insulate you and strengthen you from My Throne. Nothing is more important right now. Events will happen in quick succession as you have been shown.
Simultaneously with all the changes taking place, more and more of the portals of Hell open as My judgments continue in earnest and the first to be dealt with is My body, the church. As you are well aware, My body as a whole is grossly oblivious to the season you are in. Their experience is going to be very difficult, but I will still make a way for them. But, for you who have listened to Me and prepared your hearts and are spiritually ready, walking in obedience, you as My first-fruits will be the first to have your DNA completely aligned with Me in glory, and then you will assist Me in bringing in the larger harvest. Many will then awaken because of the great judgments and continuing volatile changes that have begun and will continue as the beast system is fully implemented.
Do you remember when I spoke to you about the tearing away of your soul from your spirit, and the shift that has been ongoing that would bring you to a place where you would know without a doubt that all that I had spoken about was coming to pass before your very eyes? Verily, I tell you that time is now. You are experiencing great fatigue and resistance in the physical, yes. There is a tearing taking place, and a line of demarcation, so all souls are without excuse as to their choice in obeying Me or walking in sin.
I have spoken to you about a realignment that must occur, as all that does not resonate with Me must be separated out. As you experience resistance on almost every level possible now, you are drained and you are weakened. This must be so according to My perfect design. I have readied your vessels for glory and chosen you for this hour. For some of you, this fatigue is happening simultaneously in all aspects of your daily life. I have lovingly prepared you for this time all throughout your lives, so that when it came, you would not be in fear or be distressed, or discouraged. My grace is

enough to sustain you and I am pouring out My Spirit in great measure in order that you would stand. So My chosen ones, I call upon you now to stand firm and proclaim. The Kingdom of heaven is at hand!
The testing of your faith through the years has taught you much more than you understand. You have been refined by fire in order that your bodies, My temples may be utilized as instruments of righteousness here. Your journey and its many seasons of suffering have prepared you for this moment of now. It is time for My army to rise in the spirit. The work I have desired in you is complete and now it will be implemented. All that you have learned through patient enduring I will now call upon you to apply to situations that I bring to you. Although, from your perspective presently, you believe yourselves to be at your weakest point, and in the natural, this is truth. But you see, it has all been designed this way, in order that I may show Myself strong in and through you at this most critical point when the world is entering its darkest time. This is your testimony, that I alone am everything.
Everything you have endured here is to bring you to the point where there is nothing left of you, but only My heart that operates through you. I assure you, just as My suffering was not in vain, neither has yours been in vain. I knew the victory had been won, and this is your truth as well. As I walked that long road of Calvary, every step became more and more difficult, more and more painful. But rather than focus on the suffering of every step I took, My focus was to glorify My Father through what I was enduring. I saw each one of you, your faces, and I poured out all My love that day for you. I saw not only you who would choose Me, but I also saw all those who would fall into hell because they wouldn't choose My sacrifice and My gift. This was the heart-breaking love that I gave for every soul I created. Yet, I still carried on..
I am calling on you to do the same, for just a few more precious moments, and then it will all change and you will understand so much more. Each challenge you faced in this journey was an opportunity to overcome and to mature in intimacy with Me.
My heart is ever-expanding, and you will forever be growing and learning into eternity. Each time you simply obeyed and trusted Me, each time you surrendered and allowed My will in your lives, you inched closer and closer to Me. The process of over-coming was not designed to be easy for you, because if it was, what would you have learned? How would you grow in your faith in Me, and how would I be able to show you My faithfulness for trusting Me if there had been no suffering? It is a perfect design to draw all souls to Me, back to your Creator who made you to love and be loved.
In persevering and enduring, trusting and obeying, following the voice of your Shepherd and King, in doing this, I have and still continue to increase your faith, step by step, moment by moment, and as We near our reunion, and I am revealing Myself to you in ways you have never known before. I have set the example for you. Suffer well in these last moments before I come for you in order that all of the work of My cross may be manifested through you in this late hour. Is this not why you have come here? I am with you every step of the way and never leave your side. You do not walk this path alone. Together, we will bring in the largest harvest ever known My beloved. Hold fast, remain strong, keep your eyes heavenward, and do not lose track of the prize awaiting you. Who of you would want to be given a great prize for something you did not accomplish? Would the prize have the same meaning if you hadn't worked so hard to receive it? Run for the prize and do not grow weary of giving all your heart, soul, mind and strength to serve and honor Me. Your reward far exceeds anything you can imagine, and I assure you, it is well worth fighting for, especially when the battle belongs to Me and the victory has been won for you.
So keep your armor tightly fastened and stand My loves, stand. I await Our glorious reunion My beloved.
Shalom, be still and know that I AM with you always. (End of prophecy)
