

I NEED A PURPOSE

What's my purpose…am I just living?

What is my reason?

Can You remind me what it's all for?

What am I trying to do anyway?

It is your heritage to have the strongest connection to the spirit world of any other humans who have ever lived.
(Full Possession!)

Spirit helper speaking:

And to get that connection; that love and that power you are going to have to leave the world and everything your mind and heart hold to behind. It's really simple actually; you can't be filled with Jesus if you are filled with anything else. Your destiny is to be His tool, His vessel…that's what this all about really. Being a servant; being a slave…being willing to just be that voice and that frame that carries His beauty for all the world to see.

So it's my destiny to serve?

That's why you have to be so empty. That's why the fire has to be so hot. It's not really about what you accomplish on earth or even how many souls you win.

He wants your heart; He wants your love and He wants to, above all, live in you.
He wants someone He can pour through without restraint. He wants lovers who are willing to go any distance, forsake everything just to have His heart. He wants someone to grab hold of the Keys of the Kingdom and wield this power of His nature. He's filled with beauty and power and He desperately wants to give this to someone. He needs someone who is willing to be His, and like Him, be willing to live to show His nature to the Universe. Like Jesus was willing to come to earth and live among us to show us the Father, so does He desire you to do the same. To live and lay down whatever it is you're holding onto, to indeed show the whole universe His glory through your yielded vessel. This is the greatest satisfaction.
Darling, sometimes you forget what your destiny is and what you are actually doing there on Earth, suffering all this and giving all your life for. So, baby, I want to remind you here. Breathe in and say yes to these words.
You are representing the real world;
the one that everyone is going to live in very soon. Hold on to that destiny with all your might and don't conform to this world, even if your flesh is dying…please keep fighting. This is the road to complete satisfaction and complete joy in your Saviour. You are a beautiful channel and step by step you are getting closer to your goal.

The strongest connection to the spirit world
Synonyms to connection: joining, linking, fitting together, link, piecing together,

You are being joined to spirit world…piece by piece. Every part that you give of yourself is being taken and replaced by the heart of Jesus and the Spirit.

The keys to keeping this vision are found through doing those things that bring you closer to Me; those things that enhance your faith and encourage your spirit; those things that draw you closer to each other as one body and one wife; those things that merge you with the spiritual realm and bring the spirit more to the fore in your life. This is how you keep the vision.

This is how you stay connected.

This is how you will run with patience the race that is set before you--and win

(Heavenly Vision!, The [#3608])

So are you willing to live out your destiny? Which is to be His and used by Him? It can seem bitter to your fleshly mind right now, but that is why it takes faith and that's why your reward is so great, as you blindly and humbly believe whatever we say to you, but, it is the truth.

You are living and hearing the truth, and in reality nothing else is worth following; the world and its ways are all fake…we are giving you the real whole truth do you want to give yourself to it?

As you lay down your life, you'll see His beauty, His Keyes filling you so utterly and then you will see yes it's worth it to live His Words and to give all to a cause you don't really see all the time. Fight on when you feel faint. Let His beauteous love enchant you and be the one who loves Him so completely…and He'll take you into His hands and make you into whatever He wants.

And there's no greater satisfaction

Jesus You enchant me; You, You, it's all about You. It is has taken a broken heart to see such things, but now I am willing to fulfill my destiny as a diamond of dust, a mirror to reflect You to the world; a transparent one, who lives to do Your will. I am scared right now, but I am willing to be shown Your way.

PSA.25:1,4 Unto thee, O LORD, do I lift up my soul.

Shew me thy ways, O LORD; teach me thy paths

Excerpt: What does that mean? It means I am the answer, and for you to really see and know that, you must first be without answers. I am so vast and when you said yes to Earth, you embarked on the endless, yet thrilling journey of finding Me out. What a wonderful thing to live for**!**

Ec. 12:13 Now all has been heard; here is the conclusion of the matter:

Fear God and keep his commandments, for this is the whole duty of man.

You must know that you are weak, that you are nothing, you must be completely broken so that you know without a shadow of a doubt that you in yourself can't do anything. That's how I am working in your life now, I am breaking you down, breaking away all your self confidence and smartness. Why would i create you with something that's just going to have to be broken away eventually? Well, for many reasons. One is to teach you to trust Me, even when you feel like a piece of crap, will you still go on? will you still pick up your weapons and have faith that I'm taking care of you and I'm watching over you? That's what I ask of you now, trust Me, and fight back. Pick up the weapons, cause that's how you'll make it alive thru all this.

You must stop and look up with your minds and hearts and remember that there is a God in the heavens, and that God is Me. (Heavenly Vision!, The)

You are God's expendables, created to burn out on His altar of sacrifice, made to wear out as His tools of design, to die that others may live.

(Yieldedness)

God: She succeeded in her calling. She would not be persuaded from it, but pursued it with every ounce of spiritual and physical vigor that she could muster. I know that all people will not and could not do what she did, but they can do something to make the world around them a better place for others. I have designed mankind so that the giving of themselves to help others is the most satisfying thing that people can do. It makes every other measure of success pale by comparison.

Interviewer: If that is the case, why aren't more of us doing it?

God: Many do-a few in great ways, most in small ways. The thing that holds people back is selfishness.

Interviewer: But we are all selfish to some degree or another. It is human nature, the instinct for survival. If You intended us to be altruistic, which You have explained You would prefer, why did You program mankind with selfishness?

God: This world is a proving ground. Although there is selfishness inherent within man, there is also the ability to rise above it. Every individual has within him the potential to be a great force for good, if he only would.

(GOD on GOD)

You can only offer others an invitation to come & die with you--to die to the flesh that they may live in the Spirit!

(Discipleship)

The Truth must be lived; it must be spoken and it must be fulfilled no matter what the personal cost or loss…I promise it is a worthy cause and you will never regret giving all your life to living this truth you won't be sorry for dying for this truth. One day very soon you will see the way the burning light you were willing to hold up shone in the darkness of this world, even if the brightness of it burned and hurt you the bearer at times…one day you will see the beauty of it and you will be honored for your willingness to uphold it, but better yet you will be a child of truth and light and you will shine with the glory of Jesus and all will know of His beauty through looking upon you.

Do You Remember What You are Living for Now?

Do you know what you're living for now? It has hit you very strongly even though you've been told this many times in your life, you are not living for your own pleasure. You as a child of David are not living for yourself at all, you will live and die to help others, that is what you signed up for. That's what we agreed on when you left My throne. So when the pain fills your heart, remember, you are a love slave, you only do the will of your God. But when you get to

Heaven, you will see that all you did was seen and watched by many, many saints and angels, and it was not unappreciated. They feel your pain, they see what you're going through and they pray for you, they cry for you, and they want to come and help you. That is why I am sending all these spirit helpers down to you guys. So know that you're never alone, we your brothers and sisters of the spirit are fighting right behind you. And we'll never stop praying and fighting with you. Hold up that light, even if man spits on you, mocks you, and pushes you down, hold up your light, for there are those out there who will see it shining and will come to you. But even if no one comes, and that light stays as hot as ever and starts to burn you, even if no one sees or seems to care, I see, I see and I will reward you with what your hearts longs for! Call on the Keys of surrender, the Keys of no will.

Revelations.14:3

The Song of Your Destiny

And they sung as it were a new song before the throne, and before the four beasts, and the elders: and no man could learn that song but the hundred and forty and four thousand, which were redeemed from the earth.

I feel hands on my shoulders pulling me to turn around. I turn and look into the eyes of my Beloved and I hear music... it's so familiar yet I don't recall hearing it before. I then realize it's coming from my own heart. It sounds like a tune that you would hear in a forest as it sounds blocked by lots of obstacles. It would be so beautiful if I could just hear it clearly, but it's so unsatisfying to hear it like this. Jesus puts His hands on my chest and sighs.

Unless you let Me in, your song, your life will never be completed. Your music won't be full. My and your ears will feel frustration when your song finally plays. Is that what you want? Then you must allow Me to take from you what you cherish. Anything and everything you hold dear will be asked of you again and again.

From you I require all, but unto you I give all

(Personal Letters! No.6)

When I open Myself up to you it is because I see that you want Me. Like the keys of Desire revelation, it all begins and ends with wanting Me. Do you wish to continue on this wonderful experience of knowing Me? Then My love, come to bed with Me, come to Me above all else and I will reveal to you what I am.

And I will give to you My heart, piece by piece you will obtain Me.

What is Your Heart Jesus?

My heart is that of a servant; there's never a time when I am not giving Myself for you. I am the essence of humility and love. My heart is love; My heart is praise and My heart is pure. It takes time for you to allow My heart to take over the "you" you know, but if I see you are willing and desiring, I will begin to unveil My heart to you, and you'll begin to learn to be more like Me and you'll be what I need.

I need a little instrument to hold in My hand… a little instrument of love. Both to love Me and to love others. Me in you is like many broken pieces finally coming together to at last make a whole beautiful heart of love.

When I died for you…I was broken for you

I need you to be made whole again. Without you receiving My broken pieces My sacrifice is in vain. I need you so much. So when you take My heart and long to hold it close, you are saying to Me that yes you are willing to become as Me…broken for others…used for others…**This Is My Heart.**

*

What is the greatest goal in life? What goal have I given you to strive for? It's a twofold goal, but it has the same root of success to it--love. Thou shalt love Me with all your heart, and your neighbor as yourself.

This is the greatest goal, for it encompasses all things.

Love will redeem lost souls, repair any breaches, solve any problems, mend any heartaches, even heal broken bodies and bring about My plan for you. So if there's any one goal that is most important, it is love--love among the brethren, love for the lost, love for Me. This four-letter word embodies all that I am and that I wish you to be. So come before Me and ask Me to help you to love more in every way.

Although to many this is simplistic and childish and a simple step to take, I say this is the greatest step you can take, for it is the step to Heaven, the step to make you more like Me, more Heavenly, more of a representation of My Father and of Me. Be My love for your brethren, for your children, for your mates, for your friends, for the lost, for the hopeless and helpless, the poor and the needy. This will I bless greatly.

My goal is love;

Let this be <u>your</u> goal.

Follow in My footsteps, looking forward to see who you can reach out to, who you can touch with My great love, forgiveness, comfort and peace. Give it freely, and freely I will repay and give manifold blessings to you in return.

Let this mind and heart be in you--My mind and heart--a mind and heart which loves and loves and loves again unto the utmost

(Do the Humble Thing!)

So each day give a little more than you did the day before. Give to someone else and let Me widen the hole in the walls you've allowed to build up around your heart. Let Me wash away all the walls you've built with a flood of My love. Let Me rush in and rush out to others.

Open up and pour out so that you may receive. Open your heart so My glory can flow in, and so the crusty and hardened exteriors may be broken down and melted by the warmth of My love as your heart beats with love for others.

Take the little steps of love today. Express your love to someone you don't normally talk to with a hug or a kiss. Hold someone's hand and tell them how special they are both to you and to Me. Love the unlovely--for what reward is it to love only those who you're attracted to? What sacrifice is that? I reward your love, but I reward the most a sacrificial love and a giving of love that is difficult. When you give from a heart that is full of My love to those who you don't like in the flesh, or to those you have a hard time getting along with, then I give you extra blessings, and this does much more to break down the walls. This is genuine love, not a selfish, me-first love. It's a genuine, sharing love that gives and cares with My love.

Really make an effort today to love others. Everyone you come in contact with is special to Me. I love each one, great or small, old or young, pretty or plain, handsome or normal, and I want to use you to show them My love. It matters not what a person is like outwardly; to Me what matters is their heart--and I want to use your heart to love their heart, and their heart to love another's heart, so that the warmth of My love might spread, and that all may be happy in My fold!

My commission to you today is to love, love, love! Love is blind in some ways. It sees not the weaknesses, only the strengths. It sees not the disadvantages, only the advantages. It sees the good where others cannot see it. It sees the potential where others only see the current mistakes. So let My love wash through your heart and overflow on those around you. Amen?

(Gems and Jewels, Part 1 [#3416])

So let go and embrace the people I have put around you. Focus so much on prayer for others and the lost that you forget why you were even sad.

If you want to be My servant, this is it.

Let it go. Let go of your pain, your hunger, your need and let My love wash through you. My love is special; if you let it in your heart it will wash through and wash out the selfish. It will penetrate your stony covering and break through the shell of protection. Don't be afraid to love and keep loving no matter how much it hurts. Let the needs of others break you; allow your heart to be touched. Don't say that you don't care because it simply hurts too much to care about them. It is too costly to weep for others. Darling I wept for you, I poured out My tears, My blood and everything I had for 33 years. And I continue to allow the need of the world to break My heart that I may never become lax in reaching them. If you want My heart…it is broken. If you want My mind, it is weeping for them. Come and be broken for them. Let your lips move for them, let your hands reach for theirs hands and pray that they might be found in the darkness. They need the light, reach down and show them how to find Me. So many are disillusioned by the churches pray, pray, pray and weep with Me. This is love; to forget your own pain and suffering to reach out to another whether in prayer or in teaching them about Me. I need you. I can't use someone who is focused on themselves and their own pain and suffering. I know and understand that it is hard, but I need you to let go of your nature and your desire for love. Give the love you so desperately want.

From day to day it's hard to keep the real goal in front of you. But it's there if you just let go of the petty distractions the enemy tries to put in front of you.

To those who have dwelt so long in the darkness,
Let me humbly bear a candle of Your light.
To those who have drowned so long in a sea of sad faces,
Let me row the lifeboat of a smile.
To those who have trudged wearily through the valley of suffering,
Let me gently show the path that leads to the mountain of Your joy.
To those who have felt the razor's edge of man's injustice,
Let me carry, with tears, the balm of Your healing comfort.
To those who have languished long in the tombs of silence,
Let me bring the gladness of a song.
To those who have been imprisoned in the dungeons of despair,
Let me offer the key of Your salvation.
For it is in the laying down of my own will,
That I will become Your instrument.
It is in the looking outside of my own desires,
That I will help another to find Your joy.
It is in the unconditional giving of myself,
That Your refreshing waters may flow through.
It is in trusting in Your strength to carry me,
That I will receive grace to continue.
And it is in the breaking of my own heart,
That other lives may be made whole.

(Shadow of the Wind, The - Part 4)

*

This is painful but it is the most beautiful and so worth the suffering when you shed the garments of self and embrace just being My slave and being a servant of others.

This life is about learning to be a slave to whatever I say.

I am not cruel, for herein lies true joy! Believe Me Mine beloved and let go of that which you love dearly

*

The fact that you've not given up, that you've not turned your back on My service, and that you've not turned your back on the Words and teachings of David proves that you are a strong soldier and that you belong here, in the elite troops. And if you belong here, if this is your destiny and your mission, then believe Me that I will make it possible for you to finish the training and that you will pass the grade and graduate with honors. It's tough, it takes time to graduate from officers' training, but once you do, you've gained something that nobody can take away from you! I know it's hard, I know it's painful. You feel like you want to give up trying and like you're not going to make it, but I want you to make it!

The new weapons that I give you for this new day are the weapons of loving Me intimately, of hearing My voice, and of unity with your Family. These weapons will enable My children to fully live My Law of Love and to bring down My full blessings. I know that you love Me, and I know that you believe My Words and My voice, but you must learn to fully use these weapons to gain the victories that you need.

As you love Me, as you spend time loving Me and becoming filled with Me, thus will I be able to fill you with My love, My seeds, My truths, My thoughts, My views, and thus will you be able to see things as I see them. When you can see things the way that I see them, then although your natural man may struggle and buck against it, you'll be able to fight, knowing that you're doing the right thing, and knowing that I will give you the strength for it.

(Living the Lord's Law of Love! Part 01 [#3201])

*

Everything that you're going through now, everything that's so difficult and painful, is making you worthy to be My stars, My greats, My called-out ones.

I am not doing this to you: You have chosen this life for yourself.

Any of you could quit your service to Me at any time. You could go back. You could run off the ice and put your clothes back on. But you don't, because you want that crown. If you stopped struggling against the flow of this world, you could find temporary peace, you could have a break. You could stop living for Me and stop being so revolutionary, but at what price? It's a price that you're not willing to pay--to gain the world, but lose your crown.

You are willing to continue this struggle because you love Me, and because you're willing to stand for My truth and to obey My Word no matter what it costs you. . (Apples Of Gold, Part 1 [#3644])

*

Be those special ones and prove My Word to be true.

I need you to stand here and say yes His Words are true and can indeed be lived. Live My Word; be true to the Words of David, even if you are the last one. This is the flame that I have ignited in your heart; let it rage and burn till it has consumed all that is mete for consumption. I have called you and set you aside and I have chosen your heart and spirit as a carrier and holder of My Precious Words of David. Believe My Words and let every drop of New Wine enter in and flow over you, beautifully changing you…this is your destiny --to love and live My Word.

You are weak, but I need you.

*

“They would be those who would preserve the spirit of the Lord, the purity of His light, love, power, freedom and revolution upon the Earth, lest the fire in that realm should flicker low and all chance of the King finding faith upon the Earth when He returned burn out completely

I want you to know that you're on target with fulfilling your destiny. All that you have been through and endured till now has been a part of My plan, a part of your strengthening, a part of your training. Any mistakes you've made along the way have only served to bring you closer to Me and have worked for good in your life. You have been true to your mission, and along with Me, your Commander in Chief

The greatest part of your ministry is coming; it's just around the corner. You will see that there are no limits to what I can do with men and women who are yielded to Me!” (Fantastic Future!--Promises From The Lord Regarding The Family's Future!, A)

*

You, as My witnesses, shepherds, and leaders have a tougher task than most. I'm leading

you in paths that few, if any, have trod before you.

You have to set the direction.

You have to show it can be done

. And while you do have My guidance and power at your disposal, you have to learn to use it and apply it.

Many things from your old culture try to drag you down: things like resting in your own strength and abilities; trusting in your own experience to give you the best solutions to problems; the easier-looking paths of minimum obedience; the praise of others, or the pain of being blamed for anything that goes wrong; the weaknesses of the flesh. All these things try to pull you back from entering more and more into the interior regions of My heavenly culture where the rarest of wonders are found.

If you draw back and return to the more comfortable culture of the flesh, like abandoning your mission field or trying to build a little bit of the old culture into your new situation, then you stagnate, and your effectiveness in winning those you are here on Earth to help is weakened. Sooner or later you have to endure the culture shock and move on into the ways of My realm, for this is where you are destined to be.

That's your task as disciples, as shepherds, as pioneers:

Not to barely endure this culture shock and change, but even when it's tough, to know that it's worth any sacrifice and be willing to pay it gladly.

You can do it with enthusiasm if you believe in what you are doing, and you'll come out a full-fledged member of My heavenly culture.

I am leading you, My children, into the best land there could ever be--the Kingdom of My Spirit!--And not just to be laborers, but you have My guarantee, if you're faithful, of being rulers in this new land. So a little culture shock compared to those kinds of rewards doesn't really seem like such a high price to pay, does it?

Why do so many still run away from the qualities that I hold in high esteem? Why does your mind still rebel and resist these qualities of selflessness, humility, conviction, unity, and concern for others? Because it means you have to let go of the narrow vision of the moment. The carnal mind cannot grasp the bigger picture. It is natural for the carnal mind to fear what it cannot understand. The Devil's greatest power is in fear, and therefore his greatest grip on your mind is through its inability to understand the things of the spirit.

Your spirit senses the true realities and longs to partake of them; it senses their value. That's why as you take on more of My mind through the Word, through communing with Me, through hearing My voice in your heart and allowing Me to love you intimately, the carnal mind's control weakens and your spirit's control increases. Satan's grip through fear of the unknown weakens, as I and My realm become more and more real in your life.

(Heavenly Culture! [#3645])

You have been taken in marriage. You have been wedded to the spirit of David and to the Spirit of God. Therefore be a faithful wife and let your Husband lead you where He would want you to go. This flame that has been kindled inside of you will become a great fire that will burn in your heart and take over all of your wants and desires, and you will become a prisoner of My will, a bearer of the light!

You are of the last generation. Many will hold their cups out to you, asking for water, saying, "We thirst! Fill us with your water!" Out of your belly will flow rivers of living water, and you will be able to quench their thirst, because you will feed them Me. I will live in you, and we will work hand in hand.

You will be My body, and I will be your spirit. This is your ministry, to give out to others as I have given to you, to feed them--to even now feed your brethren who still wonder, who still question, who still doubt, who still don't know. Feed them with the truth that you have been given, and your love and confidence and joy will grow. You will be overtaken with My love to the point that you would do anything for Me and My love.

I love you forever! I cannot leave you, for I am eternally linked with you. I will guard you as a jealous man guards his own household. I will not permit the Enemy to exact upon you more than you can take. Therefore, trust Me, for I am in you. I am your Husband. I am your Loved One.

(From Jesus with Love 2)

Jesus:) **My Law of Love is that which sets apart the children of David from My other children.** Not only is it radical, free and unconventional, but it's difficult, and it's only for the strongest. It separates the men from the boys and the women from the girls. It separates the soldiers from the civilians, and even separates the avant-garde, the elite troops, from the regular troops.

(Living The Lord's Law Of Love!--Part 1 [#3201])

However, living the totality of the Law of Love is a key to My Family being all that I am calling you to be.

(What Is Full-Time Discipleship?)

You all have to learn to truly live together, all pulling, all jumping in cheerfully when needed, even when you don't feel like it; <u>especially</u> when you don't feel like it. But it has been commissioned you to prove it can be lived. Very few have taken on this difficult law, because it's so hard, so you can be sure the enemy will fight hard to pull it down. He knows, maybe even more than you at times, how much of My power you wield and the blessings you receive for living it. You are very familiar with living together now but each individual can do a lot more to fulfilling the living and finding the joy in living the LOL. It isn't just a nice thing to do but it's going to open the Final Key. Remember? And it is what will bring you supply and protection for what is almost upon you. So don't think that it's not to do with you! Each one of you is a team member and our Husband has specific instructions for the expectations He has for you. Be that, being more friendly, taking more initiative, smiling more, being more enthusiastic, fighting and asking for prayer , being less selfish, etc. So many ways to be a part of the actual day to day living of the LOL. You have many fronts to fight, this is only one of them, but a very important part, so be not weary. Easy to say but that is the bottom line. You must be strong, in Him. Let it go sister and be wild and free in spirit. Never, ever give up your wild abandonment of love for Him. Never let the swirling dirty waters tie you down in the valley, but climb out and up to higher ground. Even if you have to crawl. Never settle down. Never stand still. Keep moving, keep shaking or you will die! (End of prophecy) (Lisa)

You judge yourselves. How have you fared? What has been the depth of your love? What have been your motivations? How much have you loved others as you love yourself? Have you recognized the value of the treasure of the Law of Love?--Or are you amongst those who have mistaken My jewels for cheap glass and tin, to be tossed out?

Whether you realize it or are willing to accept it, the truth of the Law of Love is a key factor in the Endtime. I will let this truth be known, and if necessary, I will raise up another ecclesia to live it, to be the earthly sample of that which is to come when I rule and reign. My plan will not be defeated. The choice is yours as to whether you will be the ones who are privileged with that honor, or if you will cast off the crown. I will not force you, but neither will I remove your chance of receiving the blessing by recanting on this truth of the Words of David.

My Father and I are deeply hurt by the pain We see. If We could change it ourselves in some way, if We could right the wrongs, We would, as would your king and queen. But We must restrain Ourselves; in fact, My Father's hands are tied, because We will honor the majesty of choice.

The fruit of living the Law of Love is in <u>your</u> hands. You are the ones who will determine the outcome. I leave the choice with you, and it will be clear whether your actions are in love and sacrifice, or in lust and selfishness.

I cannot and I will not recant. This truth of the Law of Love must be given and it must be lived--if not by the children of David, then by someone else. I have no choice but to allow this full freedom of My love to be made known to the world, for this must come to pass, and then will the End come.

(Are You a Disciple? [#3365])

Jesus:) Your testimony to the world is one of living by My Words

--not according to what the world thinks or says or does. The Enemy is always trying to get you to conform to the world. But being revolutionary, completely different, separate, doing things My way, is what I need you to be. There are lots of people around telling others that Jesus loves them. But their lives bear testimony against that truth, because of their selfishness, their compromise, their lack of willingness to be My love for others, to live as I lived.

There are so few who are willing to live their lives in sacrifice, who are willing to put aside all of their own desires and preferences except one--the desire to serve Me and love Me and be My face to the world. Your revolutionary heritage is an essential part of My face. Your obedience to Me, your willingness to live dropped out of the System--**that's** what makes the Family what it is. *(From "Shooting Straight, Part*

*

Some of you may be thinking, "Is this really all worth it?"--All the things of the world that you have to forsake in order to put on God's mind. The answer is, without a doubt, yes! Why is it worth it? Because Jesus is worth it. He makes every sacrifice worth it. This world needs those who are willing to give their all for Jesus, and He'll make it more than worth it in the end. You'll look back and feel ashamed that you didn't give more; you'll feel remorse that you couldn't give more compared to what Jesus has given back to you in reward. So is it worth it? Without a doubt! *(From "Shooting Straight, Part 3,").*

*

If you want to live the life of a disciple, you're going to have to endure the hardness of forsaking the attitudes and opinions of the world. But if you do, the joys and rewards that are awaiting you are beyond compare. Live for Jesus! It's the only freedom! The only life! All the rest is death and a pile of shit. Life for Jesus is the only way to go if you want to be "the strong," "the powerful'" and the overcomers that you are destined to be! Follow Jesus all the way and He'll pour out His power on you like you've never seen! Every day you live for Jesus you're reaping more eternal riches than you would make in 10,000 lifetimes for the Devil. Live for Jesus! *(From "Shooting Straight, Part 3,").*

*

I hate the System! I hate the vanity of vanities and vexation of spirit. This carnal world disgusts me! It makes me sick because I know the purity and beauty of Heaven. You want an open mind? You want to really be cool? Then reject the sickening puke of man's ways and embrace the pure, powerful, liquor of Heaven! It'll knock your socks off. Are you man or woman enough to take it? Can you handle the power of the Spirit? Or are you going to settle for the milk toast of this world?--Worse than that, the **poison** of this world? Me, I can't stand the filth of this world! Give me those who are free enough to live in the spirit! God give me those who are radical enough to reject the world and all its vile corruptions! True children of David hate the System--they hate the ways of man because they are corruption and filth compared to the powerful intoxication of the Spirit. Spit out the poison of the world and drink in the power of Heaven! Be an intoxicated "spirit-bibber"! *(From "Shooting Straight, Part 3," ML #3501:105, GN 1088).*

*

Forget the ways of this world! Forget the thoughts of men. Who do they think they are to besmirch God's children with their vain philosophies? You are a chosen people, a royal priesthood, chosen from the foundation of the world to be the greatest threat to Satan that there ever has been! Don't throw away that God-given right through drinking in and watering down your convictions with the pollutants of this world. Shake them loose, break free of the chains of conformity! Live as heirs of the Kingdom! *(From "Shooting Straight, Part 3,").*

*

I'm not going to pretend that the life of a disciple is easy. I'm not going to deceive you. I'm going to sock it to you as it really is. Life as a disciple is hard work, sacrifice, pain, suffering, and you're going to have to give up a lot. But life as a disciple is the most thrilling life there is! The pain you may feel at having your mindset realigned is nothing compared to the thrills and overwhelming joy of serving Jesus with all you're worth. There's just nothing like it. *(From "Shooting Straight, Part 3,").*

*

Did you ever think that your idea of "perfect" might not be the Lord's idea of "perfect"? Perhaps in His eyes the "perfect" situation for someone to grow and learn lessons in is a less than ideal one. *(From "Shooting Straight, Part 4,").*

*

It's the way of the world to say, "I know better! My way is best!" In fact, I'm going to go further and say it's the way of Satan to say "I know better." That's what he's been doing since the beginning. Do you know better than God? Do you know better than the Lord's plan for you? Do you know how to run your life better than the Lord does? Those are serious questions you're going to have to ask yourself. Are you doing what you think is best or are you doing the Lord's will? Are you going your way or the Lord's way? What are you doing today to obey and sacrifice and follow the Lord? *(From "Shooting Straight, Part 4,").*

*

Nothing in this life is worthwhile compared to the Lord's will and His thoughts and His ways. Nothing this present life has to offer could ever compare to the fantastic rewards awaiting His 110%ers. Whatever you give up can only be counted as your "reasonable service" for the One Who has given so much for each of us. Fight to retain that in your thoughts, Jesus is worth it! Sacrifice for Jesus is worth it! Nothing of this world could compare to what Jesus has to offer. *(From "Shooting Straight, Part 5,").*

*

The ways of the world can be appealing at times, but the true revolutionary is repulsed by

them because he knows they are in direct contradiction to God's way. He rejects the vain and ungodly mindset because he cherishes his higher calling and committed mindset. You've chosen God's way, so to hell with the ways of the world!--They'll never satisfy the radical flame within your heart. The world sickens you because you just want Jesus. He's all you need, and that makes you a deadly force against evil. The more you go all-out for Jesus, the more the attachments to the world will fade day by day. *(From "Shooting Straight, Part 5,").*

*

(Jesus:) The less like the world you are, the more attractive you will be in spirit to those of the world you are trying to reach. My true sheep do not want to be reminded of the hell they're trying to escape. They want to see something different, something spiritual, something real, something from the fifth dimension. But they'll never see those things in you if you are contaminated by worldly attitudes and practices, looking so much like everything they're trying to get away from. *(From "Shooting Straight, Part 6,").*

*

(Jesus:) Yours is a life of faith. It's a life of basing your actions, your choices, your belief system, your everything, on My Word, and ignoring everything else when necessary. It's a life that will be greatly rewarded when you step out of the surreal façade the Enemy so carefully sets up to snare mankind and you're able to see--not through a glass darkly, but face to face--how things truly are. It will be like Neo stepping out of the matrix and seeing reality for the first time. You'll be so glad you gave your life to set others free.

(Spirit being:) Though you might feel unpopular at times here on this earth where you must constantly buck the norm and go against the grain, the reality is that there are many more who think like you than those who resent you and disagree with you--you just can't see us right now. But we're out there, we're on your side, and when you awaken in resurrection, you'll see that you were actually with the majority all along--you were the popular ones, the cool ones, the normal ones, and it was everyone else who was weird. *(From "Shooting Straight, Part 6,").*

So remember, everything you're being TAUGHT NOW and DOING NOW and the DECISIONS you're making NOW and the LESSONS you're learning NOW are all a part of your SCHOOLING and your TRAINING HERE AND NOW so you can be greatly used by the Lord THERE AND THEN!--If not, a lot of what we're doing now would be a big waste of time, except for what little we get done HERE, which isn't very much compared to what we will do THEN! So let's really try to LEARN our lessons TODAY and learn to be faithful and obedient servants of the Lord NOW so He can TRUST and BLESS us with a place of blessing and usefulness to Him and others TOMORROW

(Millennium!, The)

You who have given Me everything and been willing to give up whatever was necessary in order to live for Me 100% will be the ones I will be able to trust to do mighty works for Me. You will be catapulted to a greater degree of fruitfulness, and will continue as My front-line soldiers. (ML 3257:203)

*

I look on and I marvel. I shed tears of alternating sorrow and joy--sorrow, because it hurts My heart to see you who I love enduring such pain and such wounds; joy, because I know that you will someday be rewarded for each trial to such a degree that it will make every difficulty seem meaningless in comparison with the glory you will receive.

Yes, My loves, I watch you and I am filled with pride and admiration as a result of what you endure for Me. You are making it, you are coming through your own personal tribulation, and you are remaining true.

Life is difficult, and you are choosing not to be rescued from it. You are choosing not to make it any easier on yourselves so that you can win the crown that is rightfully yours. So many voices are telling you to stop and telling you to give in, but you don't listen.

In your moments of greatest pain and agony, sometimes in a few fleeting seconds you lose focus and you wonder why I don't help you. You forget, and you think that I am the One causing this pain. This is when I want to draw close to you and comfort you. I want to encourage you and tell you that I am so proud of you for fighting for Me.

I want to remind you that this pain is not My doing, but is your love gift to Me.

Your struggle and the wounds you acquire are the wounds received in battle for My banner, and for this you are gaining great eternal glory. (Apples Of Gold, Part 1 [#3644])

Your destiny is also to be greatly used of Me to help lead many to Me.

There is much pain, but someday there will be much reward. There is much sacrifice, but someday there will be much glory. There is much heartache, but someday there will be much comfort. There is much confusion and much doubt,

but someday you will see Me face to face.

Have courage, My dear ones, and know that I am here for you always. I lift the load when I can, and I promise that I will never allow you to be crushed beneath it. I will not take the load from you completely, but you have My word that My grace will be sufficient for you. I can't make the battles any easier or the tests any lighter, because these battles and these tests are among the main reasons you're on Earth in the first place. (Apples Of Gold, Part 1 [#3644])

Your Destiny

The greatest masterpieces require time, but oh, how the beauty gives honor to the labor and effort put into the creation. You're going to look back and see the tremendous progress that has been made in the strengthening of the Family. At present what stands before you may not be a very complete work of art, or even seem like much of a masterpiece, because you see the work that has yet to be done. But stop, shut your eyes for a moment and ask Me to open your spiritual eyes to see the victory that lies before you--the destiny that is yet to be revealed.

Oh, with such wonder do I behold how the children of David have taken up the challenge to fulfill their calling as My Endtime brides! Today you're still rallying the troops, still forming the ranks, and organizing the advance. But in that day, a day not too far away, what glory will be revealed when the ranks of the children of David stand shoulder to shoulder in unity and oneness with each other and with the mighty host of angelic forces that aids you from the unseen realm!

In that day, the trivial struggles you face on a daily basis will have vanished. Not that the problems will no longer be there, but the unfolding of the Family's calling will have dawned in great splendor, and dwarfed everything else by comparison. What is now just a sliver of dawn on the horizon will have broken into a glorious sunrise, marking the greatest years of the Family.

Think the impossible, dream the unfathomable, believe the incredible, and the keys will

bring it to pass. That will be the truth of the future that lies before you. A destiny that until now has seemed hazy and obscured with difficulty will become a paramount declaration of the inhabitation of My Spirit within the children of David.

It doesn't matter what opposition stands in your way at present; as you keep progressing to form a tightly knit army, the power of the keys will become a reality in each of your lives. You will be a mighty force both in the heavens and on Earth. Many will stand in awe of you, and My Spirit will radiate from you, drawing the lost and the searching to you like a magnet. Great will be the reaping in those days!

(Fantastic Future!--Promises From The Lord Regarding The Family's Future!, A [#3624])

One thing's for sure: Faith is an adventure! It's the adventure of a lifetime, and it will be a lifetime of thrilling rides and ups and downs, taking you to heights--and even depths at times--that will both make you and take you into the Millennium and beyond. After all, that is what faith is fashioning you for: your destiny in ruling and reigning on Earth, something even the angels of Heaven have not been given the training for. Only you--My Own--who have experienced the trials and tests of the faith life here on Earth will be given that high honor and reward

(Greater Faith, Part 2 [#3632])

The trying of your faith is more precious than gold. You must believe that promise when the big battles hit. When you feel like things are getting too rough, or you're hit with some strange fear or doubt or worry, or the Enemy tries to tell you that you won't be able to make it much longer, you just have to face the battle with the faith of a warrior. You might not feel like you have the faith of a warrior at the time, but that doesn't matter; just act like it and move forward like you <u>are</u> that warrior and the Enemy will never know the difference.

Every warrior needs to keep the vision before his or her eyes and the promise of victory and what they stand to gain, in order to be willing to pay the price of battle. Remind yourself of the victories ahead, the prize, the progress, the ground gained, and the defeats the Enemy will suffer.

You will pay a price, but it's worth it, because once you pay it and win this victory, you won't have to fight <u>this</u> battle again. The Enemy is fighting hard in a last-ditch attempt to take away the power and destiny of the Children of David who I have called and ordained for this time.

If you fight today's battles, this week's battles, this month's battles, and eventually finish with this year's battles, you will never have to fight the exact same battles again.

Battle by battle, victory by victory, you will win your place fighting by My side into the End.

(Shooting Straight, Part 7 [#3506])

Nothing is more important than absorbing My Word and applying it to your lives. Whatever your ministry is, whatever work you do for Me, it's not more important than getting My Words in, than living in My Words and letting My Words live in you. This is your most important task--the <u>most important</u> thing you have to do! Without this, all else will crumble, and without this, you won't last to do your job! Without this, you will not have the strength, stamina, and power to fulfill your destiny.

My Words are Me! I give My all to you--will you do any less for Me? My desire is to see you use

to the full this most priceless possession in all existence. I beg of you, I plead with you--take heed to these words, and let Me live in you more fully. My heart is heavy, for I know you will not survive in the future without living more fully in My Word. You have been given more wealth of My Words than all the prophets of all time, and should you reject them or slide into slothfulness and not fight to guard these great possessions, having known the truth, yet allowing it to slip out of your grasp to where you do not use it to the full, it will be worse than if you had never known the truth at all.(What Is Jesus Worth to You? [#3433])

If you are going to work greater miracles, if you are going to fulfill your destiny, you must be Mine. You must be wholly, totally, completely possessed by Me, and in order to do this, you must put on My mind. You must more fully think My thoughts. You must allow the spirit of My mind to become one with the spirit of your mind. Your brain must be My brain. You must put on the totality of the mind of God

(Full Possession)

Of all the billions of people in today's world, you are some of the few who have risen to do more for Me and for others, to sacrificially lay down your lives, dying daily that others may live.

(Apples Of Gold, Part 1)

You are destined not only to be soldiers, fighters, and warriors, but champions and winners. You are the ones who will carry the flame of revolution into the future. You are the ones who will make up the primary core of the structure of the Family of the future. You are the ones who will lead that Family into battle, into victory, into its destiny. I can't entrust this calling to children or mere youths. I need grown, mature, strong men and women of faith, those who have faced life's struggles and pain, and who have experienced the depths of sorrow and trial, who know what it means to ache, to suffer, to weep, and to despair.

You have to face these things in order to come to the place where you rise above, to where you know you can go on in spite of them. Only once you have come to that place do you have the strength of spirit and character that you need to be a champion. You can't get this strength through understanding and learning theory. You can't just get it through knowledge--not even knowledge of the Word and the things of the spirit. You can't get it through experience and the wisdom of others. You have to experience the deep and difficult things yourself, before you can truly call yourself a man or woman in spirit, and before you can truly fight and win as one of My champions. That is your destiny. That is your calling. That is what I am making you into now.

You are destined to overcome the world, the Antichrist, and Satan himself. You are destined to shine as lights in the world's darkest days. You are destined to carry the fiery flame of truth and revolution until the world as you know it will end, and a new world is born.

Kneel before Me, noble champions to be, and commit and entrust yourself fully to My training regimen. Do it without fear, for although the training will be vigorous, the strengthening arduous, the tests difficult, and the trials painful, they will end, and they will end in beauty, power, glory, and victory. (Carry The Flame Of Revolution!--Will You? [#3663])

I don't just need soldiers. I need officers, those who will embrace their training and live up to their full capabilities; those who will believe, be, and do for Me what I know they are capable of; who will recognize and embrace their destiny

(In Good Company!)

Jesus:) **My fervent prayer today is the same as when I left Earth--that you will unite as one.** You must choose to be one as My Father and I are one, or choose your own desires and move on. You must choose to unite, or to follow your own willful hearts. It's as simple as that. For the only way you will be able to fulfill your destiny, the only way you will be able to access the keys, the only way you will have the power to rise above all impossibilities is in the strength of unity. The only way you will win this war in the era of action is by uniting.

182. What I require in these Last Days of those who will follow Me closely, of those who will use the keys to the Kingdom, of those who will have the power to rise above, is that you join as one. There is no other way. Only in the strength of unity will all these things I have spoken of your glorious future come to pass. Only those who unite will be able to fulfill what I have spoken….

183. Those who continue on in the army of David must strive for unity at all costs. You must endeavor to live My Law of Love, to live together in unity, to unite in vision and goals, in oneness of heart, mind, and spirit.

184. I require that you demonstrate your faith in Me through endeavoring to keep the unity among you by taking action on such things as:

-- working together to resolve your differences through love, humility, communication and prayer;
-- taking the humble seat and apologizing, even if you feel it's the other person who is in the wrong;
-- asking Me what your part is in the problem and then being willing to rectify it;
-- being willing to confess your sins and wrong attitudes and get united prayer;
-- praying a "whatever it takes" prayer and allowing Me to work in your life;
-- working to overcome your strong personality traits that stand in the way of unity;
-- asking your brethren to safeguard you;
-- seeking correction when needed;
-- being flexible and learning to give and take;
-- giving others the benefit of the doubt;
-- persevering in loving communication even when you feel misunderstood or rejected;
-- going to others in love and humility to communicate and seeking Me together for solutions;
-- forsaking all criticism and gossip;
-- fighting to overcome familiarity;
-- forgiving and forgetting--forsaking the past;
-- yielding to Me in all things;
-- calling on the power of the keys to help you rise above all that would stand in the way of your unity.

(What Is Full-Time Discipleship? [#3469])

You're learning some of the most important lessons in the whole universe, and that it's going to pay off in the life hereafter. (Heavenly Vision!, The)

*

It seems real enough, but it is just that--a simulation--compared to the realities of your real life and your real existence. It can seem long, and the seconds and hours can seem to drag on interminably. But it will all be over soon, and what seemed so long and hard to endure here will seem like the twinkling of an eye, a wink, and it will all be over.

So you must make the most of your life on Earth. You must learn to enjoy the trials, to expect them, and to count it all joy and honor when you experience ongoing battles and numerous fiery trials (James 1:2).

They are a huge portion of the reason that you're here at all, and if it weren't this challenging and

this tough, you'd never have bothered.

(Apples Of Gold, Part 1 [#3644])

We want Your unconditional love and passion for lost souls to be what drives and motivates us. We need that same powerful love that motivated You to leave the halls of Heaven to come to Earth to save us, to burn brightly in our hearts. We need Your Spirit to continually bring to the forefront of our minds the fact that winning the lost and teaching them to teach others **is** our destiny and our calling. It's what You put us on Earth to accomplish.

This is our mission, Jesus, and we want to fulfill this mission because You've asked us to. We know how very important this is to You, dear Husband. You said that You're not willing that any should perish. We want this same love and concern to be the reason that we wake up each morning, desperate and eager to find lost souls and bring them to a knowledge of You. It's that passion and fire that will cause us to be instant witnesses. It's what will help us to be continually looking outward, looking for opportunities to witness, to get another soul into Heaven.

(Prayer Drive January 2008 [#3656])

. As you continue down the path of My will and as you ask Me about the desires, dreams, and ambitions of your heart, I will make it clear to you which steps I want you to take, which will lead you to greater commitment and dedication. Although at times the steps will be difficult steps--sacrifice, giving and sharing--you will see My blessings as a result of being willing to go in the direction of My choosing.

Don't fear that I will ask you to give up all the things you enjoy simply because I want to make you more committed. That's not how I work. The more I see you want to please Me, the more I give you the things you like and work out special opportunities for you that you wouldn't have had otherwise.
I love to see you happy!
But I also know that the happiest you'll ever be is when you're fully committed to Me and fulfilling My highest will for you, without wasting time on distractions which don't satisfy and which delay you from fulfilling your destiny.

(Gems and Jewels, Part 1 [#3416])

You are My bride, and I have called you out of the world in spirit.

You dwell in a place in spirit that could be considered "remote" or "secluded," and in a worldly person's eyes you could be considered an "outcast" or a "weirdo." The truth is that you are a queen, and you are destined to sit on the throne with the King of the Universe. You will be the guest of honor at the Marriage Supper of the Lamb.

But now, while you dwell on Earth, your glory is not apparent. Your "clothing," as far as your worldly popularity, intellectuality, and wealth, is bare and ragged. Your company is not sought after or welcomed by many. But this is only for a time. In due time you will be highly exalted and honored before not only all of Earth, but all of the universe. Until then, you will face hardship--but it will never be more than you can bear.

You will be shunned by many, **but you will also be greatly loved by Me.**

(Fight for Your Faith, Part 1!)

The survival of this Endtime army rests on <u>your</u> shoulders. The fury and might of the Enemy have turned upon you. Will you let this dissuade you, or will you brace yourselves for your greatest duty? Will you cower and fade into oblivion, or will you let this be your finest hour? Will you hear the threats of your detractors and shout "calamity," or will you see this as an opportunity to stand up for the truth and shout "victory"?

20. The price of greatness is responsibility, my friends. Responsibility to stand up for the truth--this is true greatness. If you don't stand up to those who oppose the truth and your way of life, who will? All that is necessary for these bitter lies to sweep the world is that you choose to do nothing. Will you brace yourselves to the duty of standing up for the truth? And I mean stand strong, stand tall! Don't be subtle about it, don't try to be clever about it; hit the Enemy head-on! When your peers choose to mouth off the Enemy's lies, hit those lies head-on, no matter whose mouth it comes out of!

21. I used to say, "Use the pile driver, hit the point once, then come back and hit it again, then again--give it a tremendous whack!" Are you going to let them call the shots? In standing by silently, you consent to defeat. A life worth living is a life worth fighting for. Will you stand your ground, confront the lies with the truth, and defend your faith?

22. I paraphrase for you today what I have been quoted on many a time: Never give in! Never, never, never, never--in anything great or small, large or petty--never give in, except to your convictions to stand for truth!

23. I gave a speech one time that likely has gone down in history as one of the world's briefest orations. The long and short of my delivery was this: "Never give up!" Mind you, I paused a brief moment, and then repeated a second time, "Never give up!" And off I went. What more is there to say? When you've found the truth, when you know you're on the side of the right, you must keep on going no matter what else is happening around you! No matter who goes back on you, you've got to keep on going.

24. Never give up! This is to be your finest hour, but it will only be so if you take the stand. Not giving up means <u>doing</u> something when your peers try to drag you down. Don't listen to the lies, but hit them head-on. It means going on the attack! It means standing up in defiance of those who threaten all you live for and stand for. You follow me? Get with it! Don't stand there, do something! Never, never, never, never give in!

(Issues, Part 16 [#3450])

Never accept defeat; never wander or stray from this creed; never let it out of your mind and sight. Attack, attack, attack! Do not delay, and do not let it rest. Go on the attack, for you are a warrior! You are a soldier! You've been chosen to be trained in the high order of the warriors of the Lord's spirit realm.

Along with the Lord's other brides who've chosen to go on the attack and to fully don the complete use of the new weapons, you will help to defeat the Enemy!

Your destiny is to use the new weapons and the keys like no others before you.

That is the Lord's gift to you and to all His brides who take up this challenge. It's not reserved for you alone, but for all who will take up this challenge. All will not take up this challenge, but those who do will find it ultimately rewarding, extremely challenging, and incredibly fruitful and vital in the days to come.

You're now entering warrior school. Get set up with your warrior schedule, your memory times, your Word times, your times in quiet meditation and reflection, your times in learning the art of prayer. You will become a warrior of prayer, but you have to learn to focus that beam of prayer instead of shooting haphazardly. You've got to learn to focus it.

One single prayer that is truly focused and aimed is ten times more powerful than ten prayers that are semi-focused and haphazardly shot. You inflict more damage on the Enemy through one solid

prayer that is thoroughly prepared and aimed and totally focused than a hundred unfocused prayer beams.

So learn to focus your thoughts, focus your prayers, focus your spirit, focus your mind, focus your soul, focus your whole "soulitude"! What is soulitude? That's soul plus attitude--your whole being--your soulitude! Focus it on the Lord, focus it on the power, and then shoot that prayer beam with pinpoint accuracy and blast the Devil to bits, blast the sickness to bits, blast the Enemy to bits, blast the problem or the obstacle to bits! Whatever solution you need, it's there through your prayers in the power of the keys, but you've got to focus on it.

You've got to really fight! You've got to be a warrior! A warrior doesn't come in and haphazardly start fighting. A warrior is focused and determined to win the victory, to slay the enemy, and to not stop until he stands victorious over his foe, with sword in hand and victory under foot. So get up and fight, soldier! Take up that sword and get to training hard. Don't stop! Train hard, Son! Train hard, for the Endtime will soon come. Keep going, keep fighting, keep training, in the Name of Jesus! I love you! *(End of message from Dad.)*

(What Is Jesus Worth to You? [#3433])

I have said that you will be known as the people of the keys, and the only way this will come about is if you tell others about this power, teach them its meaning, and teach them how to use it. This is the destiny of the children of David--to become those who hold the power of the keys, who are known for its power, and who teach others to believe and accept and use this power. (The Mysterious Keys Part 3)

Denith closed his eyes for a moment and then began to ride slowly along the length of his troops. As he did, he took the keys in his hands and held them high for all to see. They glowed brilliantly, like a light clearly visible even in the glare of the morning sun, as a sure sign of the overwhelming presence of the other world that was with them this day. A hush came over the courtyard as all gazed in awe at the sight before them.

Denith lifted up his voice as he rode among the men, and his words echoed across the courtyard for all to hear.

"We have not gathered here today to fight against Lancer or his armies," Denith began. "No, our fight is much bigger than that. It is a fight against the forces of evil, against forces of darkness that have gripped these lands, of whom these men are but a shadow. The true source of their strength and power comes from the netherworld! They are empowered by evil, and with every victory that they win, this evil makes them grow stronger.

"But today, that power shall be broken. Today they shall learn that it is not us they are fighting. It is not the Warrior Guard and our Baron allies. No, they fight against a much stronger power, a power that cannot be defeated--the power of a greater world. We have been given the keys to understanding this other world through seeing the colors that it is made of! But just as Lancer's men cannot see these colors, so they will not be able to see or understand the greater power that is with us, and that will defeat them. Just as there will be a mighty clashing of man's sword against man's sword, so too there shall be a mighty battle between the unseen worlds around us. And I can tell you now, even as we stand here, about to face enemies whose numbers are far superior to our own, which world shall be triumphant. Darkness cannot, will not, will *never* triumph over light--and the power of the light is on our side!"

The keys were visibly pulsating as he held them high, glowing brightly for all to see.

"Men, have no fear. Each one of you has someone fighting beside you--someone you cannot see, or touch, or hear. Let them fight through you, and wield your swords--yield to them, and let them take control. Let them win this battle through you, for truly it is more than a battle between Warrior and Watcher--it is a battle between the forces of good and the forces of evil; the forces of light, and the forces of darkness. Our victory today will not be a victory for this city alone. It will be a victory for every town and hamlet of our Commonlands that has until now found itself under the shadow of Lancer's rule."

Denith now found himself back at the head of his troops. He replaced the keys and drew his sword, lifting it high into the air.

"On to victory!" he shouted, as he spurred his horse, and turned towards the gate of their destiny.

(Seven Keys, The - Warrior Lord [#022])

That is why you need to hang on to a positive attitude and fight for it, and claim it in the face of every event, because you are spiritual warriors whose job it is to help Me bring in My Spirit upon the Earth until it floods the Earth and overwhelms the Enemy's spirits and destroys and defeats them!

You are destined to carry the fiery flame of truth and revolution until the world as you know it will end, and a new world is born. (Carry The Flame Of Revolution!--Will You?)

Day by day, battle by battle, we are making our destiny happen. We are fighting to become all that the Lord wants us to be, and to fulfill His will--and we're willing to fight for it, because it's precious, because it's worth everything. This is part of the price that we pay to move the Family forward and to change the world: giving our blood and our guts, our life force, our spirits, our bodies, our time--whatever the Lord asks of us--to achieve victory. It's the cycle of forward movement, progress, and success. It's a key to fulfilling our destiny.

It costs--and the Lord knows that it costs us a great deal. He knows that it's tough and that we sometimes feel that we can barely make it. But He asks it of us. He expects us to stretch, to push, to move forward, because He knows we can--we can be the champions He needs us to be.

There's no other way. This is what it takes, and we're the ones the Lord has asked to do the job. He's trained us and anointed us and equipped us, and He'll empower us for every situation we find ourselves in. We just have to be willing to go forward, to not give up, no matter how we feel. We have to depend on the Lord and wield His might and power. We have to rest in the Lord and keep fighting.

Why are we willing to do this? We're willing to do it because the love of Christ constrains us, because there's no greater love in all the world than to lay down our lives for others and for our Husband (2Cor.5:14-15; John 15:13). That's our calling and commission. We can be sure that as we lay down our lives, as we willingly sacrifice in His service, He will quicken us in spirit and give us what we need to keep persevering, to keep fighting, and to keep going.

We know that the Lord never asks anything of us that He doesn't give us the grace for (2Cor.12:9-10). That doesn't just mean grace to barely make it through, but to rise above, to be victorious, to be champions. So we know that we will have strength, power, faith, and grace equal to the task, that even though the battles will be tough and the load will be heavy, the Lord will never let things be **too** tough or too hard or too heavy. We have to believe that.

(Nature of War, The [#3754])

Your destiny is to shine as the stars in the midst of gross darkness. But those robes of faith can only shine and become outstanding after having been through many fires, and many refinings, and many shakings, and many breakings.(Xn 124)

*

Your destiny is to be the ones who have the final key to turn the final lock. *No angel in Heaven, no spirit being has this power. This is your destiny--you of the children of David. This is what I am counting on you to fulfill.(Final Key)*

Blue Angel: it is only in that submission and that yielding that you gain access to the Blue Key, our key. So to really fulfill your role and your destiny there has to be that acceptance of what He wants from You. We are servants…so in the end that is your destiny to be a humble reflection, a humble lover and giver.

*

Look up at the beautiful blue sky... doesn't it make you think of God? That is what we are. We are nothing but something to point to Him. This color is the color of complete submission, because there is nothing in us, but His power. We're empty and this is the manifestation of being empty of self, thus we choose to be seen by you in this form. Upon our heads is His glorious golden light and running all throughout our being is the power of God. So I present to you the blue key which means to disappear, to let go and only be the pipe. Only the channel and all that's seen is Jesus. Is this your desire? Come learn of me and when you come here... you as me will looked upon only as a reminder of His greatness. The cost is great, but to be so completely unseen and all encompassed by Him is worth every vestage of yourself you had to leave behind.

*

Your destiny is to stand out from the world, to be boldly apparent as voices of truth and bodies of indescribable light and brilliance. Your light will draw many to Me, as the stars draw attention to the heavens. Your presence will proclaim My closeness to mankind, and those who see you will know that I live. (2)

The light you bear will be as a knife tearing through the curtain of darkness. They will but see your face and know that you have known Me in a way that no one else has. (3)

Nothing in all the universe nor in the worlds beyond can match the brilliance and the glory with which you will shine before the nations. (4)

(The Destiny of the Children of David
Compilation Book 1)

The feelings you get when your life is in line with My will and you've yielded your own happiness to My plans--that's a little bit of Heaven in your heart; that's a taste of the blessings you'll get in the life to come; the feeling that you know you're making Me happy and **doing something that really matters**

You will persevere until that day when you meet Me face to face and I say, "Well done, My courageous fighter who gave his all for Me! Enter into My full joy and the full fruits of My Spirit! Great, My faithful one, is your reward, which stretches out into eternity and gives you free access to My Kingdom as one of My honored warriors of the End who loved not his life to the death and who claimed his place by the word of his testimony and the blood of the Lamb!"

That is you, My loves! Do you see what I'm offering you?--Rewards for eternity and a place of honor in My Kingdom! (Heavenly Vision!, The)

You're really going to be eternally glad for all the times that you laid down your own will and said yes to Me. (Heavenly Vision!, The)

*

You fulfil your destiny one step at a time. One faithful step at a time; trying your best to follow the path I have placed before you. It doesn't mean you have to succeed all the time or measure up or be good enough; it just means you have to be faithful. Faithful to love and faithful to give Me the best part of you. You won't always seem to have the victory, but as put your hand in Mine and decide that yes you will keep fighting and upholding the truth even if it kills you. My truth must be buried in the soil of your heart and as you water it daily, you will begin to see the tree of your destiny spring forth. Even if it means just living right here right now, doing what you can even if it feels useless and hopeless sometimes, I promise you are on right track to fulfilling everything you came to Earth for. You see it's just a training ground for My true brides, My true warriors… this is your proving ground and an opportunity to really fight for Me, like so few have been willing to do. You are giving your life and I'm proud of you. Just be faithful with what I put in front of you and I'll fulfil every promise to you. Even if all you can do right now is pray and read the word and work hard in the physical then it's enough. I will fulfil My plan through your heartfelt prayers and I will wreak havoc in the devil's kingdom through your prayers as you faithfully lay down your life in this most needful way. You don't have to be anything great in order to fulfil your destiny. You are fulfilling it as you live My Words right now; don't worry about the details and trust Me that you are indeed a great testimony as you just take those faithful steps and put My will above your own. The fact that the End is here means I need you to pray even harder than ever in order to counter the evil in the world. Don't worry about getting in on the action; right now the best action is prayer and being faithful to what I am calling you to do. Step back in prayer and allow Me to shine. Allow Me to show the world My power through calling it down and really stirring yourself to move My hand. This is your destiny: to show forth My glory and you are doing that as you do everything I am asking of you whether it be a forsaking or just to pray or whatever it is, your part is to simply obey and I promise your life will be testimony both now and in the world to come.

I have no eyes but your eyes, I have no tongue but yours, no feet but yours, no voice but yours. Behold, I live & work through you. Is not this a great responsibility? Is it not to be taken seriously? Ye are the bearers of the Light.

In the Endtime ye shall be strong & do exploits. This <u>is</u> the Endtime & ye <u>shall</u> be strong! This is the hour of your destiny! Therefore go forth in the power of My might. No man shall be able to withstand what ye shall say. Stand strong in the power of My might. Put on the whole armour of God, that ye may be able to withstand the wiles of the Devil. We wrestle not against flesh & blood, but against principalities,

against powers, against the rulers of the darkness of this World, against spiritual wickedness in high places. Therefore prepare yourselves, gird yourselves for this battle ahead. I have great & mighty things prepared for you which ye shall do--wondrous things, mighty things, miracles! This is just the beginning!

Key by key you will get to know Me

. Is this your purpose?

That's when it all becomes clear and I hear the same music, only it comes from His heart and it's perfect. That's the only way I can describe it ... perfection. It's so incredibly satisfying and it fills my soul like if I could melt at its sound I would. I notice that it is like our hearts are one it's indescribable, but as I lie against Him I know that we are One. This music is our hearts blended together oh Jesus. I see so clearly that I am to be Yours, only Yours.

For the first time I see His need so entirely. He allowed me to see what He is...that He has a space in Himself and we are that thing that can fill this gaping hole. I've heard it so many times, only now I feel and see His heart like it really is. Tears are an understatement it's oceans and oceans that flow from His soul in His longing to be filled.

It's not my need to be filled... it's Yours. It's in filling You that I fulfil my purpose.

Jesus You deserve this. Jesus Your heart, Your love Your desire I love You and that's not enough. Yes, yes, yes only give me what I need to keep forever saying it. I adore You completely dearest Jesus.

My way is both the way of **sacrifice and death to self**, but also the way of the greatest reward and joy--not necessarily the greatest comfort or ease, but **there's simply nothing** that can be compared with the **joy of knowing that you have the truth**, that you are **living for a cause that is right**, and that you are giving of yourself toward **eternal values** and treasures. (Issues, Part 17)

Come and live your life **to the full**.
Live for Me and you will not be disappointed
