I Will Reveal New Secrets

23-9-23

(Prophecy) Clear speaking: The Bride of the King is a joint heir, she shares His bed, and His deepest intimacies…***if she so desires, she is privy to any secret He holds within the vastness of His spirit….then stretch your faith and the secrets of God will be open to you.***(end of excerpt of prophecy)

Perfection is not what brings down the Spirit of God. God loves to use the most unlikely people, the most unlikely situations, to show us what He can do. His Spirit is attracted to those opportunities, and loves to move and flow and work. It's not about how good or strong we as individuals or as a Home think we are. It's always God. It's His plan, His program, His power, and God often chooses to use the most imperfect vessels--including you and me--to showcase His power. **(Fuel #12)**

So I present to you the Blue Key, which means to disappear, to let go and only be the pipe, the channel.

You have been privileged with the Blue Key; The Crystal Key to the Pavilions of Truth. The Generators of God that hold ALL the secret knowledge of Heaven!

The doors are opening as you call on the keys more and more using our blue key to enhance the power of all keys beyond your wildest imagination.

The Key of Humility

(Prophecy)"Keys, Keys, Keys, there are many keys to many doors, but the first is the Key of Humility, empowered by the Blue Key, because unless you see the insufficiency and the helplessness of self, you will not go looking for more."
Unless the Keys of Humility unveil your eyes…you will think you know quite a bit and will lack the desperation to search and search for more. Your scales of pride have to be removed, or you will think you are pretty smart and will be content to stay at the level you are. But to keep climbing, you must be open to the dying of self. Yes, the higher you get, the more of self you will have to leave behind, but that is positive and very good, right? Some cannot go further and desire not to leave all of self, but this is the highest calling. With it comes great sacrifice, laying down of self to where you no longer live, but Christ that lives in you —transparency. So ask for death to self. Ask us to bring you very low so that when it's time to raise you up, you will be propelled much higher into the realm of the Spirit, –that is, until it's time for another dying and laying down and crushing.
Your desires must go beyond the intellect, for there is pride hiding there and pride is the enemy of the blue key. Simplicity is what you seek, the simple, the lovely things that mean so much to our Lover. The intellect draws attention to self and self of course draws others to self. Let these surmisings pass on by and come deeper into the spirit with us… we are calling you and we desire to meld with you in the hot passion of our Saviors love.
(Blue Angel Speaking:) To gain us you must give all, and to win Christ there must be humility and utter desperation. Seek always to be little and desperate and hang about your neck the Key of Humility. There's much more to come, little one. Stay hungry for us and stay empty for us and we will come to you!
Walk in humility my love, don't allow the flesh to precede, call on the Keys of humility every morning, make this a habit and the spirit will increase in strength; call on the Blue Key to enhance your thoughts and words. It is work, yes, but in so doing you will begin to fade and the spirit will dominate the prophet. (End of prophecy)

The humility of the blue Keys will give you true strength that conquers the world. (From "The Blue Keys" Comp. put together by John)

I Will Reveal New Secrets to Those of Faith

Jesus Speaking About New Wine and Prophecy

"And it will not be a review of the basics, but you will chart new territory in the revelations that I give and that are destined to be published! You will cover new ground in the spirit, for I will reveal to you secrets that have been given to none other. I will challenge all My channels to stretch their faith! They can come to Me to hear what the future holds for them, as you have. That is a test of faith, but all those who come to Me with empty vessels will not only be filled to overflowing with what I want to give, but they will also find the size of their vessel increased from taking that simple step of faith." (More on the keys part 2)

Personal prophecy:

1. (Jesus:) Do you want to grow? Do you want your prophecy channel to continue to get better and more precise and accurate? Then I challenge you to ask more questions, hard questions that seem to be out of your reach, questions of the future and what is to specifically come, questions on the Keys and what more they can do. Find out what their intricacies are and what secrets they hold. Faith cometh by hearing the Word of God: the living, breathing, brand new Word of the New Wine fresh from Heaven. I know you all have questions, so come to Me, for these promises are for you, My dears. I am drawn by the vacuum you create when you desire to delve deeper into Me and My secrets. I then want to show you new things; I want to fill that desire.

2. (Azoria, spirit helper:) No door is impenetrable; no way is impassable to you Key Wielders. The Keys are there, right there in your hands to help you open any door, solve any mystery, discover any truth and know the times and seasons that are to come to pass. The Lord of Heaven is ready, ready to pour down His seeds upon you all! But faith is required. Don't think to yourself that the gift of prophecy is only truly given to some of the Lord's Brides, that only some can receive great revelations and unravel deep spiritual mysteries. The Keys are not selective. They unlock anyone who asks in faith and sucks in persistence

New Wine for the Endtime

The Cellar Has Been Opened

(Jesus speaking:) This will begin the time of getting out My Words like never before. I know you've heard that before, and it seems that each year you get out more than the year before. But because you've entered the era of action and I have so little time to help My children be prepared and ready for all that's in store for them, and will indeed be upon them very soon, I will begin to pour it out in quantities such as you have never seen! (More on the keys part 2)

Personal prophecy:

1. (Jesus:) The cellar has been opened; the fragrance of wine is in the air. The time of the New Wine is come. For I have begun again to pour out My Words of prophecy to you, My intimates. I have opened the vats of Heaven once more and have let down a waterfall of My Words! This is the beginning of it. I have started the chain reaction with My Gideon's band, and also with a few others you are not yet acquainted with. But it has started, this time of getting My Words like never before. I have raised up new vessels, new bottles that will eagerly open themselves up to Me and receive My seeds and the seeds of David! For have I not said in My Word that you shall prophesy a thousand two hundred and threescore days clothed in sackcloth? (Rev 11:3)

Those with the Most Endtime Power

My Words Will Not Return Unto Me Void

"I have saved the deep things for you–the miracles, the revelations, the power, the healing, the understanding, the intimacy, great faith, great boldness, hearing clearly My voice in prophecy, the anointing of being My Endtime leaders of the world. This is reserved for you. The task before you, My Family, is reserved as your specific chosen calling. You will fulfill the verse, "Greater things than these shall ye do." This is what I will call you to do. These Endtime passages that you've read about those who do miracles and exploits are for you–you upon whom the ends of the Earth have come." (More on the keys part 2)
Personal prophecy:
1. (Jesus:) Primarily you, My brides, will be the ones with the most power in the Endtime, because you have partaken of the most feeding, most powerful, most potent Word on this Earth today. Because you have been in training, I can use you. It's as simple as that. I have all My Children hidden away right now, all in their respective training camps. I am, right now, raising the bones and preparing this army of elites, this dormant cadre of super soldiers! When the time is right, I will turn all your activation keys and let you all loose on this world, and together we will win it and conquer it for the Kingdom! Believe Me when I say that none of My Words will return unto Me void, especially not these great Words of David, these living Words of prophecy that I have so abundantly given you. You are the Elite because I have trained you so.

"The keys of conviction will wash away all the flimsy justifications the Enemy would try to tempt you with, so you can keep your spiritual guard up and be awake and aware of the spiritual warfare."

Reveal is the key word
Words from heaven stored up for us

1. "There are many things I have not revealed to the many who love Me, many other Christians, but I am going to reveal them to you, My children of David. This is something that is reserved for you, and only you, through prophecy, through listening to Me, and through hearing My whispers."

Personal prophecy:
*2. Jesus: "*For you have been given the heritage of your Father, you have had the wisdom of Heaven in great abundance, so much so, that some of you, My children, have become familiar with it. Do you really believe Me when I say that you, the children of David, are the only ones who have this privilege? Do you really see the vast wealth laid up for you? Do you see how, compared to your spiritual wealth and insight, the rest of the World are paupers? Yes, I have reserved this for My beloved children of David, for they have been trained in these matters. They have had their faith grown by the Letters of David and have passed that hump of belief. Those Children of David who have kept going in spirit, kept holding onto Me and My words even through this seeming downfall, those are the ones whom I have reserved this Revealing for. Those who are doers of My Word and not hearers only; those who are pure in heart, who no longer have a hankering for this rotten pit of a world. Those faithful, sincere brides who have chosen to follow Me—these be the Children of your Father. For who is My mother? Who is My brother?…those who do the will of God."

Eye hath not seen nor ear heard
More On The Keys Part 2
(Jesus speaking:) My Word says, "Eye has not seen, nor ear heard, neither have entered into the heart of man, the things which God has prepared for them that love Him." "But," it continues, "God has revealed them unto us by His Spirit: for the Spirit searches all things, even the deep things of God." And this is one of the things I will do for you, My children–reveal. I have already revealed to you many things that I have never told others, and I will continue to reveal.

Personal prophecy:
*1.(Jesus:) "*For as you move ahead and continue going upward and higher and higher in the spirit, more things will be given to you, more truths—deeper and greater truths that no man has seen before. Come; enter My secret places, My hidden treasuries reserved only for those brides who have the access keys to these Worlds of Mystery. Seek and you will find these treasure rooms filled with spiritual gold and jewels and gems. So many secrets I have that I wish to make you

privy to, if you'll only come to Me in faith and be My channel, My vessel to receive the gifts that are to come. Heaven is a big place by itself, not counting the entire Spirit Realm. How many secrets do you think I have? Are you interested? Well then, come! Don't wait around for others to find out everything there is to know, come to Me and come to the spirits I have given you. I have poured out My spirit upon all flesh, all you must do is tap in and practice. Hone the skill of Heavenly treasure hunting and find these things that I have laid out for you."

The keys give you access to spiritual understanding, treasures, riches, and secrets that were veiled, mysterious or vague before.

Pulling Down Prophecy From Heaven
It's Everyone's Job…Acts 2:17,18

"*As I go at your pace, and as each person strives to pull down more and more Heavenly messages, your faith will be increased and your vision will be broadened. My messages and revelations for each one will open up new truths to each individual, and the faith of each one will be increased more and more–and thus begins a wonderful cycle of pulling down My seeds in faith, and My giving and honoring your faith with fuller and weightier messages from beyond to guide each one individually from My Heavenly realm. And you will not be able to stop up this flow–nor will you have any desire to. For all those who love My Words will seek to know more truth, and will hunger after the meat of My Spirit that I so desire to give you." (More on the keys what the future holds part 2)*

*1.Personal prophecy: (Jesus:) "*The Keys were made for a purpose. They were given to you for a reason, and that reason is to open doors that no man can shut and loose the power and spiritual wealth of Heaven in these days and in the days and years to come. When I gave you the keys, I gave you access to ALL, everything! These keys were not given solely for this Endtime. No, they were given to you because this physical world is almost done. The age of the Spirit is about to begin. The Era of Reality is dawning, and the keys were given so that you might have free passage through this New Land that all of earth will soon find itself in. Don't you see? I gave you the Keys now, My brides, to better prepare and equip you for not just what's going to happen in the next few years, but even more importantly, for what's going to take place after that. Things will really start moving when we begin the Millennium and all the tasks involved in ruling the world. Even the Millennium is not where it ends; even the New Earth and Heaven is not the finish. What I mean here when I say, **"My messages and revelations for each one will open up new truths to each individual…"* is that each Key Wielder has a certain set of Keys, a personal set that I've made just for them and have laid out before them like a treasure hunt. It's a personal, individual, custom-made set just for them. I've made it specifically for them -to help them in their walk with Me and to help them get through all the things that they will be faced with. So as you go along by faith, seeking and discovering more, these keys will be given to you, one by one, as personal revelations and understandings. For example, when you go through a battle and come out victorious, you've gained a key. You know how that battle works and you know, through experience, where the keyhole is. You've gained understanding of that particular battle and now possess the key to it."

The Treasure Chest Of MO
Prophecy…May 04, 2022

The keys are continuing to open up the treasure chest of Dad's letters, and as you begin to move up that mountain, more things are becoming clear. Not only do you see things happening on the world scene, but the Word is opening up and revealing new revelations because that "time appointed" is now. Unto you it is given to know the mysteries of the kingdom, to others in parables …that seeing they might not see and hearing they might not understand. But anyone who has their eyes open and is willing to take in the New Wine will be able to see and understand. It's that opening your eyes with faith that reveals the "mysteries of the Kingdom." Some of these treasures have been hiding in

---

the Mo letters just waiting for these days when they would meet their fulfillment, and now you know that a prophet has been among you.
Continue to follow the little doggy line. Even when you look at that dream about the little doggy line, you see fulfillment. At the end of the dream, Dad looked back and saw that no one was following, and he wanted to go look for the “kids”. Indeed, many have fallen away. But thankfully in this actual fulfillment of the dream when he looks back, he sees you and those few who have kept the faith and are still following his words. You may be a ragtag bunch of nobodies that know that you are nothing, but that’s what makes you listen so desperately to him and all those in the spirit world who accompany you through this last part of the journey.”

“Some of these treasures have been hiding in the Mo letters just waiting for these days when they would meet their fulfillment, and now you know that a prophet has been among you.”
