It's Class time- I'm Teaching Your Spirits to be in Command

24th January, 2024

"You are Here, in the City, for an important time of deep spiritual studying. You are here to find the little nooks and secret places of My Kingdom where you can sit down with your books and commune deeply with Me and your companions, asking us questions. And you are here to listen to the bells which will summon you to classes and lectures held in high training centers of My Realm. This is a time of studying, of pushing aside all that is on your mind. It's time to use your prophecy channel to travel to new Worlds and penetrate deep into the City itself. Your mind is our vehicle. Keep us in the forefront of your mind by drinking in the Word." (January 13-22, 2024. A Brief Spirit Trip)(New Wine New Frequencies pdf)

(CELESTE, WARRIOR BAND COUNSELOR) You have come through many tests and trials and are still standing. This is to your credit. So now begins the time of purging to make white, even to the time of the End! And that "time of the End" is one year away. The sifting is in earnest, so must you be in earnest. You were brought into the city as 2023 ended, and as you can see, we are getting straight down to business. We've put together a pretty tight schedule. There isn't a lot of free time, and as you found out yesterday, there is no time to chill by the fire with a book in your lap.

This teaching regime is deadly serious, so instead of chilling with a novel, you'd better chill with the latest bottle of New Wine, or if you've been assigned a bottle of old, then you'd better drink until that bottle is empty and you've gotten all that you can from it.

That intensified spiritual awareness you are experiencing now is the way of things up here. It is not a figment of your imagination, nor is it an experience that will pass away like a dream at night. You have moved up in the spirit by coming in behind the Son. This awareness is all part of the move up, and although it is a permanent state, it is something that can be lost if you slack off in your studies. Please don't take this the wrong way, but as warriors you never really have a time when you just chill and let down your guard and let it all hang out. *A warrior only eats healthy food, no junk, only that bread that benefits his journey.*
It has to be a vision that you keep in front of you at all times. (JAN 8, 2024 Empty Your Duffel Bags)

(**Sky**, **Blue Angel**, **speaking:**) This is advanced training. This is university where you are expected to apply what you learned in grade school. It's like that knowledge or the New Wine of the Maria and MO letters is already a part of you. So you don't go back to study your high school books. You simply take what is pertinent to your new situation and learn and grow from there.
This is the Endtime. This is the time of darkness. And you have to use the weapons. Your time is very limited. So you need to use every minute to practice with the keys, to be hearing from us throughout your day and as each situation comes up! If you don't step into this new reality, you are going to struggle when things get tougher. (JAN 13, 2024 An Era of New Wine Is Here)

Your blue angels are your schedule pushers so you had better have you ear to their lips every morning, first thing.
Each of you has your personal schedule pusher, each of you has your warrior band counselor, and each of you is a member of the warrior band.
It has to be a vision that you keep in front of you at all times!

18th January, 2024 True Blue) You need to tune into us each day to turn away from the way your mind is used to operating and seek a new way, the way of the spirit and the ways of our world. Step up into the higher dimensions and unclasp the filthy clinging despicable hands of the carnal world. They are as tentacles that would entwine around your mind. Slash their influence by fighting to train your mind and make new habits of shunning negative thoughts. Remember as a child when you would have bad dreams or be attacked with scary thoughts you forced your mind to think about heavenly visions to dispel the evil. You had to concentrate and work hard to stay focused on the good pictures in your mind and fight and you had to keep working on positive thoughts and visions until the attack subsided. Well, it's the same now. Except you have us and you have the keys to help you and the weapon of praise. So today your assignment is to exercise the lazy, unfit 'positive' muscles and start working them out till they *are* fit. Learn a blue key promise on the carnal mind and start the memorization project. That will help your lazy little mind! (End)
Call on the Blue Keys to enhance your thoughts and words and even though it is work, you will begin to fade and the spirit will dominate.

22th January, 2024 Azure) Why the distance? You think *you* have nothing to say, but it's not you is it? Just stop and be still and listen and wait. Practice that and you will find to your surprise that I *will* show you something. Don't neglect your daily time with me because you think I have nothing to say when you haven't even tried. You haven't even sat and sucked. Of course you'll get nothing if you don't even try. I am your teacher and class is every day so why are you missing classes? It's carnal mindedness of course, which is what we are trying to get you away from! That definitely is the carnal mind strutting its little arrogant head! Enter into the spirit realm my blue heart star and see what will happen.

Clear) You are not using prophecy as quickly or as the go-to that it should be in every situation. You allow too many thoughts in when getting prophecy. You've allowed the enemy to convince you that the prophecies that you're given need to sound good and they need to be understandable, well at least in the way your carnal mind understands things. This way of thinking makes you pick your prophecies apart. It's carnal mindedness. (CHANGING GEARS January 16, 2024)

Azure) I see you have had incursions these last few days and it has been challenging. You feel the weights that Azoria spoke of and the heaviness of the spirit is a catalyst to bring on lessons for growth. What will you do; how will you react; will you use your key rings proficiently or will you forget? These scenarios are to heighten your senses and force you to react and then go over how you did. The Selvegion and sensitivity are there; fears and lack of trust for all your future, and you even felt…boredom. That is a new one and out of the blue and you knew that one was an obvious attack of the enemy, but you had to fight it nonetheless. You all have noticed that the enemy has increased his attacks so you must be on guard and hit back asap. Like Ebed said…we are at war so you must be ready at all times to defend. How's your memory work going? …..(End)

Your blue-frequency key better be on whilst going to sleep and still on when you wake up. (Empty Your Duffel Bags – Quote)

(Crystal Clear:) Well, it has a lot to do with your mind. Your mind is where the battles begin and where deadly combat is waged. So in saying that you should go to bed with the blue key on and wake up with it on its like saying you got to be keeping your mind in the right frequency all the time. To an untrained mind this can seem difficult! To some it can seem impossible or even undesirable. Why is this? It has a lot to do with the heart really. Because it's not impossible with the Lord's help, but it only feels impossible because perhaps you don't desire it enough. When your heart is sitting on the fence the way will seem hard and even impossible simply because you don't want to go that way. Once the choice is made and the heart has let go and yielded to whatever the Lord wants, though the way is still painful, it is made possible through the power of the Lord working through you!

(Jesus:) So, to wake up, and to go to sleep with the blue frequency on your heart and mind is firstly a choice of the heart, then a battle of the mind to stay there. But it is your destiny to do so! (End) (January 09, 2024 Mystical bible Jan. 8)

Changing Gears- Clear speaking: Change is good right! Look how much it has helped you over the years, how each time it came, you found yourself in a different spot, a different level in the spirit.

This attack is connected to what you've been asked to do some time back. You were asked to make us, a more personal fixture in your life. You need to use the key of intimacy and the blue key more, you need to go to sleep with me on your mind and you need to wake up with me on your mind. I am the door to our Lover. He needs to be on your mind all the time. I am the branch to our Lovers mind, remember. You were asked to have us on your mind all throughout the day.

You can't win this battle with just a simple wave of your hand, you have to use the keys, the right keys if you want to overcome the enemy and get climbing again. You are not using prophecy as quickly or as the go-to that it should be in every situation.

We are waiting for you too my sweet, not just the young people, but all of you need to get over the different humps you are facing right now so that we can all move ahead. That is what 2024 is all about. Yes something very big is about to unfold in 2025, but the power and punch in 2025 will be governed by the victories you all gain this year.

No more holding back of plans.

This means that when 2025 hits if any of you are not in your designated seat then you will be left behind. Time is up and is moving quickly, the very end will be upon you soon enough and only those that are ready can be used to their full potential. (End)

(CHANGING GEARS prophecy January 16, 2024 from pdf 5 Feb 24 Gears)

Defeating the Giants- Arch demon Oplexicon, Obstacon, Wolverine, Pan and Arakan!

Jesus speaking: These are the giants that you must face before entering the Promised Land. In just under one year from now, at the beginning of 2025, you must be ready; the giants must have been routed from your minds and defeated.

Rise up My warriors of the End for the weapons of your warfare are not carnal as was the case in the days of Joshua and Caleb, yours are mighty far mightier than the sword and buckler, the stone and sling. Yet the battle is the same, those men of faith faced the giants of their day and you now face the giants of your day. Gird up the loins of your mind for that is where the battle begins.

Listen to the whispers and do as they instruct, for this is the only way the victory will be won. You not only fight for yourselves, but you fight for all men. You hold the final Key in your hand, only the barrier stands between this world and the next. It is your faith that will bring down this final mountain and the millennium will begin. All the promises will be fulfilled in that day, and then I will return as I promised I would.

I have told you that I will pull down some of the restrictions that were set in place as the world once again darkened when the days of My early disciples passed into history and the mind of man began to solidify under the relentless attacks of the giants of the netherworld. If you choose to fight the enemy at every turn at every thought and every step, those restrictions will be withdrawn and the veil will thin and this will make it easier for you to reach the goals I've set for you this year. I have done all that I can to help you reach your destiny, time has come to take the bull by the horns and secure your position as My future warrior brides. (End)

Therefore give me this mountain! Joshua 14:12

"Now give me this hill country ("mountain," KJV) that the LORD promised me that day." (14:12a)

"You yourself heard then that the Anakites were there and their cities were large and fortified, but the LORD helping me, I will drive them out just as he said." (14:12b)
So in taking Kiratharbor (Hebron) and Kirjathsepher (Debir) **we are going to destroy the cities of carnal mindedness. (5 Feb 24 Gears pdf)**

Caleb and the other spies had walked hundreds of miles up to the northernmost part of Canaan and back again. His feet had trod on the whole country. But of all Palestine that could have been his for the asking, Caleb chooses Hebron. I think he wanted Hebron because there were the Anakite giants that had so terrified his fellow scouts 45 years previously. "We looked like grasshoppers in their eyes," they whimpered. "Bring them on," says Caleb. "They're no match for the LORD!" Forty-five years before he had counseled, "Their protection is gone, but the LORD is with us" (Numbers 14:9). Now he has a chance to prove it as leader of "the men of Judah" (Judges 1:10). The giants represent the enemies of Conquest, and Caleb is ready for them. (The Internet)

(Jesus) ***"I am teaching your spirits to be in command."***

Use the Keys more; that's what they are for; to make a way of escape that you may be able to bear it. (Our Spiritual Wilderness by John)
Celeste continues: The best course of action is to not even step near the portal mouth. But if you now see the danger, then the way out is to start swimming straight out. This is not a riptide. In a riptide you swim out at an angel, because a riptide is going straight out to sea. The world Satan has created is a whirlpool, if you try to swim at an angle you will lose most of your strength before you reach the edge. (End) (New Wine New Frequencies pdf)
You have to fight the lie; you have to tell the Devil and yourself that you want what Jesus is offering. The way through the door begins with picking up the keys. Only the keys can unlock the door that you seek.
If you want the spirit, then fight for it. (Our Spiritual Wilderness by John)
It's got to be by faith, because the carnal mind fights against the Spirit, so the only way into the Spirit is by the vessel of faith. The carnal mind simply cannot get there, and if you are trying to reason it out in your carnal mind, you will not get there.
I'd like you to believe by faith even if you can't see the reasoning behind it all. But again, that choice is up to you. At some point you'll have to choose either the carnal or the spiritual mind. So choose well, My loves. I need all the warriors I can get, and your rewards will be unfathomable. I love you. (Our Patient Lover: Questions and Answers on Loving Jesus#3559)
(Azure) Together we are breaking down the walls of all that is holding you back. We are enlarging the borders of your mind in a double portion, at this time, because you have a year and you will find that it will pass by very quickly! "I want you to use *every precious moment of your time to draw close to Me!"* No longer is the room of your mind for you alone where you can sit and relax or mull or eat and drink and go on like everything is normal and that you have time! You are not your own; no, not anymore! No room for procrastination or unbelief and certainly not unheeding ears! You must persevere and fight to more fully live in the world of the spirit. (End)

(Spirit helper :) Yes, your faith in the Keys will see you through this ending Earth era and into the New World to come. Study hard now, and practice using the Keys, putting them to the test at every turn for any situation, no matter how small. The more you learn how to use the Keys now, the better prepared you'll be for how things will operate in Jesus' Kingdom that's about to take over. He (Jesus) needs people that are in tune, on-the-ball and ready to listen and receive the things He's saying. He needs leaders to help Him run things, and the more trained and professional they are, the better. In other words, the more practiced they are at using the tools He's put in place - like the Keys, the easier it will be, because they will be in sync, in the know. They will have put on the mind of the King and will know what He wants. Therefore, they will be more prosperous and fruitful, a bigger help and better servant for the Millennium. (End)

By right of possessing the keys of the Kingdom, you become part of the dynamics of the spirit world. <u>If you do not wield the keys</u> as I want you to, if you fail to do your part in keeping the power of the keys flowing, you not only forfeit power and give your enemy advantage over you, but <u>you are responsible for slowing down the dynamics of My Spirit.</u> (Prayer primers)
(Part 2 God's Spirit is at the heart of it All)

23rd January, 2024 (Azure) You see how the enemy is fighting you with the carnal mind. So this is your next lesson. You are being taught how to take command; teaching your spirit to be in control. The carnal mind fights for the takeover, for the upper hand but then what will you do? Will you continue to be befuddled or try to brush it off and hope it will go away, that's it's just a low spot? You are wondering where on earth these thoughts are all coming from? (Right now a mosquito flew past my ear screeching. We are in the dead of Harmattan too, mind you!!) Well, of course from the pits of hell, where else? So pick up the keys and fight this dry spell. You have to fight to stay stirred up in the spirit. You have to fight to stay positive and to continue praising when you don't feel like it. Because the thing is, it's not about feelings; that's the carnal mind trying to get the upper hand. Your feet need to be firmly planted in my realm instead of the sinking sands of the flesh. Go deeper! Get out of the quick sand! Get up onto higher ground and fast! You need to learn what it means to be a fighter and take control of your mind, your thoughts, by reigning them in and simply

not allowing them to go certain places-you know- the past; remorse over your children who have left and that you are not in contact with now; and sadness for the ones who may not make it that are with you right now. Your heart aches for them, having a mummy's heart! You feel you're not a good mummy and sorely lacking! You question what went wrong and that leads you to how tough this life of living for the Lord is and how few want to live it. It isolates you from those who don't want to live it and it feels awkward and sometimes even fantastical. Is it leading you to question if it's all real? If it really is the Endtime and we are actually in the Great Tribulation and Jesus is coming back in 2026? Of course it is! Wake up dolly daydream!! The enemy is attacking your faith, the very foundation of your beliefs! That's what he's after. So subtle, so sly! So lar de dar! See, you go deep and hear from me and I will expose what is really going on! Prophecy and the keys need to be wielded so you are aware and I can put you right in the picture! He is so insidious, it is shocking to you. But you should have been alerted by that dry feeling that something was up. Well you did know but maybe a bit slow on the uptake? This is where your skills need to be sharper, quicker! Much quicker! You're too slow at hitting back. You lie in it for a bit too long. Stephen claiming cheerfully what a wonderful life we have, when he's gasping for every breath made you feel ashamed of yourself but was the catalyst to finally hearing from me. If he can be praising when he can barely catch his breath, what's your problem? Good lesson today my blue heart star! (End)

It is the Keys—which are My Words—that will release your spiritual mind from the confines of the carnal one, and lock it into My Mind.

And it is specifically the Blue Key! (January 13-22, 2024. A Brief Spirit Trip)

(Celeste) Please allow this talk (Empty your Duffel Bags JAN 8, 2024) to soak through the pride, self-rightness, and carnal mindedness that is holding you back from entering into the spirit. The flesh that you are holding onto is death to the spirit; it is not real. (JAN 8, 2024 Empty Your Duffel Bags)

We want to connect you directly to the Generators, to the source, to your Blue Angels. They are a key, you are a key, and we want you both to merge into one key! (January 13-22, 2024. A Brief Spirit Trip)

Your carnal mind is not allowing you to fully partake of what is available for you here. You are standing in the reception lounge –well it is more like a disembarkation bay–and you have put down that great big duffel bag. Your training officer takes one look at it and immediately knows you didn't obey the instructions you were given during the 40 Days sip of the spirit. It is because you only sipped the spirit and didn't swallow. But that is the sad story of many of the Children of David: they didn't really take good strong swigs of the spirit.

Please, my name is Celeste, I am Warrior Band and I am one of your own. I am, you might say, spirit of your spirit. Please allow this talk to soak through the pride, self-rightness, and carnal mindedness that is holding you back from entering into the spirit. The flesh that you are holding onto is death to the spirit; it is not real.

If you want to get into and stay in the spirit, then you are in the right place. Here is easy, when you are sent out again into the thick darkness you will be very very thankful that you spent your time here wisely. (JAN 8, 2024 Empty Your Duffel Bags)

"Your spirit may be Here with us in the City, but your mind at most times is not!

I want you to be on the same page as Me, the same thought patterns. I want to whisper My secret love to you, through this dark hour. Embrace Me, really embrace Me, with your entire being, and I'll change you…" (January 13-22, 2024. A Brief Spirit Trip)

(Celeste) You young people have almost succeeded in living Matthew 19:29…you are almost out of the whirlpool's powerful pull. What most of you lack is the momentum that will carry you deeper into the spirit and onto your destiny. Only the steadfast use of the spiritual weapons can give you the required force to break completely free. If you feel that desire to rest, you must look down at what you are resting on. You may think that piece of flotsam is the perfect rest-a-while spot. But that flotsam is not propelling your forward and out of the tug of that whirlpool; it is itself being pulled in and down the black hole. Yes I'm sorry it is such a tough fight, but this is what you signed up for before coming to earth. It is not imagination as Satan would have you believe…he's lying and will continue to lie to you until you believe that that piece of flotsam will save your tired body and weary soul. Here, grab this key and shove it into this little audio jack portal on this s-pod I'm holding in my hand…now listen to this and believe. (End) (New Wine New Frequencies pdf)

Clear speaking: So you see, a little is still left up to you and your willingness to obey by faith. The "Roll ye away the stone" story in the Bible is another example. You guys are bound mainly by the mind. As was said earlier, the port of entry to full possession is through the mind, so your minds are holding things up. They have to be brought into subjection through the Keys of the Kingdom. They are still running on the wrong frequency in too many cases. Is it possible in this life? Of course! All things are possible through the Keys. It's the effort to get up and walk through our door and into freedom that is required now. A frequency creates a wave, and a wave is for riding. Surfboard riding is a good illustration. Use the Key of 6.66 to create that spiritual wave. (End) (MB BLOG POST "OUR BLUE ANGELS ARE THE DOOR" NOVEMBER 29TH, 2023)

And you must keep your mind, above all, in the Heavenly plane. You do this by praising. By keeping your heart stayed on Jesus, and not on the winds and the waves of carnal circumstances. Enter into His gates with thanksgiving and into His courts with praise. You have to keep your mind and heart in Heaven, in the arms of your Beloved, while you walk in the World by the wilderness way. (NOV 16, 2023 Our Spiritual Wilderness -Part Five-)

Even now God's children are being confronted with an ever increasing myriad of impossible situations. Take heed; we are slowly but surely being herded toward the Red Sea. Pharaoh with all his worldly wisdom and scientific gadgetry believes he has us corralled. You must keep this knowledge at the forefront of your mind when the Enemy attacks you. You have to know for a fact that if you do what Jesus shows you to do, if you use the spiritual weapons, if you go deeper into Him, into the wilderness, you will win. The Keys to the Kingdom will become our indispensable ally. To truly learn the art of rising above, you must be empowered with the keys.

(NOV 15, 2023 Our Spiritual Wilderness -Part Four-)

"When your eye is single, when all you want, dream, and love is Me. When I am your only Ray of Light, then the prism of your soul can refract My full color spectrum. You become beings of light."

"Full Possession..." (January 13-22, 2024. A Brief Spirit Trip)

A good person is like a prism when hit by a ray of light. (JAN 15, 2024 Start Using Your Full Potential)

(Clear): You are that beam of light that Satan is trying to bend. With all that is in him, all his dark and evil powers, he must stop you, and you with all your powers of light must not let him. As I said earlier you have the training and the weapons to win this war. You must use this time with us in Space City to become fully aware of the raging spiritual warfare that surrounds you. (JAN 17, 2024 The Diminishing World of Self)

(Spirit helper) If I didn't have the advantage of seeing all the wonders of heaven that's hiding just behind this spiritual veil, then I believe I would just fold my hands and give up...except for one thing. And that one thing is MO. Yes you have all the advantages I have, you have all the promises in the Words of David; you have the evidence, the title deed in your hand. All it takes to obtain that promise is faith and for you to pray; the fulfillment of all God's promises are only a prayer away. It is your prayers that are pushing the veil open. We cannot push the veil open, your prayers are the vital ingredient the final Key that is required to break down the barrier between heaven and earth. (Blueprint for the Final Hour pdf)

(Clear Blue Angel speaking:) Prayer is what's moving this great big Endtime ship forward, yet we realize that prayer can be a pretty frustrating occupation. You usually don't see immediate results. Sometimes you may not even see the results of your prayers in this life. This is one of the main reasons why many people don't pursue a regular prayer life. It takes a lot of faith and God's love to continue to pray for someone you may never meet or ever get a report from on how your prayers are affecting their life. In many ways the results of your prayers aren't that tangible. People like to hold the results of their time and effort in their hands as quickly as possible. Prayer isn't only about getting answers, praying is like exercising your spiritual muscles, a strong prayer life takes time to nurture, it grows in the soil of the Word and in time plays a part in producing the fruits of the spirit. In the long run prayer is actually helping the prayer warrior more than the answer someone receives from the prayed prayer. Truly powerful prayers take deep communion with God. You have to be led of the spirit, you have to allow the spirit to intercede for you, because in reality you don't know what to pray for as you ought. Therefore you must go behind the veil and into the spirit world; and to do that you must have some knowledge of how the Keys of the Kingdom work. You have the training and foundation to be mighty prayer warriors; you simply need to channel it! When entering into a time of prayer you must picture yourself stepping into an arena of spiritual warfare. Even before stepping into the spirit you must know that your enemy will surely have set some trap at the portal mouth. If he can stop you from starting then he will have saved himself a terrible fight, and more likely than not, an ignominious defeat. (End) **(JAN 17, 2024** The Diminishing World of Self)

I've called the Children of David out of the world and into the spirit. Not only because the world is a dangerous place, but the main reason is because My focus has shifted. *What has to be done can best be done from the spiritual realm.*

(From Jesus with Love 2:250)

Our Husband is looking for desire of heart in those that will be chosen to move forward into the Great Tribulation. (The Blue Key Compilation)

111. So many people are like this. Thousands upon thousands and millions upon millions are searching for happiness, but in all the wrong places. This is what your lives on Earth are all about: finding this door back to true happiness, which is only in the spirit. And for you, My children of David, it's all about showing others where to find that door, that entrance--Me. (But it begins with you!)

112. And once you've found the doorway, once you've opened it and what lies beyond it becomes available to you, the next choice is which direction you'll follow. You still have that choice! Are you going to go the way of satisfying your spirit, often at the cost of your carnal satisfaction? Or are you going to choose to satisfy your carnal desires, usually at the cost of your spiritual satisfaction?

113. Now here is the problem: The flesh and the carnal world are only for a time. They will pass, and your spirit will leave this body and will go to another place and be housed in a spiritual house, and what you have there will for the most part be framed and built upon what you gained while on Earth--by your choices on Earth to either grow your spirit or to feed your carnal ways.

114. It simply comes down to the fact that you are first and above all a spiritual being. And only when you learn that happiness, fulfillment, and satisfaction only come through satisfying your spiritual nature will you be truly happy. As long as you're giving anything carnal--any carnal desire, any carnal nature, any carnal proclivity or tendency--a higher priority than the needs of your spirit, you will not find true satisfaction.

115. Because you are naturally so earthbound and so steeped in the carnal nature that your forefathers chose, and which you were born into, that is your natural direction, the one you would normally choose. But when your spirit begins to grow and mature through experience, then you begin to learn that those choices don't really satisfy your spirit. They may satisfy your body temporarily, but the only thing that satisfies your spirit are choices made for Me.

116. That's why it all comes down to "Jesus is enough." I am enough because I am all the things that satisfy your spiritual needs. I am love, I am kindness, I am gentleness, I am longsuffering, I am mercy. I am the satisfaction of your spirit. It is Me. I am the tree that contains the fruits that satisfy you. And by "you," I mean what you primarily are and what you were primarily created as, and that is a spiritual being. It just so happens that you are housed in a physical body and a carnal nature, so your proclivity is to go the carnal way and make carnal choices.

117. But through life on Earth I try to lead each person back to Me. First through salvation, and then through feeding on My Word, and through experience, I try to lead everyone as deeply into My Spirit as they will choose to go. The further they go, the happier they are.

November 11, 2022…Prophecy: "Again it comes back to one thing, unless man chooses Me over his own way, this wonderful experiment called life can never move forward. If self-preservation is the way and the truth then why does My Word say 'except a corn of wheat fall into the ground and die it abideth alone, yet if it dies it bringeth forth much fruit.' I say this because to bring forth good lasting fruit it takes giving of yourself, and not just so that you can gain something from your giving. Many church people and systemites only give out because they want something back in return. They tithe because they want a kick-back, and most times it's not a spiritual kick-back they are desiring, they want Me to bless them materially. A systemite works their tail off to make material gain. Someone that loves Me above self is searching for spiritual growth, and not because they want to become more powerful and more all-knowing, but because they want to become more like Me. ***My nature is sacrifice, dying to self that others may live. And that is the nature you must have in order that this building we are constructing together is built on the right foundation.***

The earth life is the best place to establish this primary building block, this kernel of life. If you can achieve an understanding of this principal, even if you do not reach fulfillment in this life, <u>if you understand, accept and desire this path whilst in the flesh, and are making efforts to walk the path, then when you graduate you will enter the next stage with the right stuff, you will be a vibrant seed ready for planting.</u> The Keys play a part in My plan too. The Keys are a spiritual gift that hold within themselves unlimited power, yet I am willing to give them into the hands of carnal man, you. However there is a small safety latch that won't open for selfish users***. <u>In other words the more selflessly they are used the better they work</u>*** for the one who is calling on them to be activated. So in a sense you can monitor your spiritual condition according to how well the Keys work for you. And of course My will plays an integral part in how well the Keys work or if they even work at all. But that too shows Me and you, if you truly desire My will over your own. If your will is in line with Mine then the safety latch opens and you can fire at will. I hold all the power in the universe, yet I don't go around enacting change or doing things just to make Myself happy or better situate Myself. Take a look at My life on earth and you will see by My example what I am looking for in My creation of you." (End of prophecy) (Jesus is Enough 2 pdf)
