KEYS AND PORTALS

11-2-22

REV.3:7 And to the angel of the church in Philadelphia write; These things saith he that is holy, he that is true, he that hath the key of David, he that openeth, and no man shutteth; and shutteth, and no man openeth;
REV.3:8 I know thy works: behold, I have set before thee an open door, and no man can shut it: for thou hast a little strength, and hast kept my word, and hast not denied my name.
Prophecy: "The Key of David is one of the Keys of the Kingdom; whatsoever is bound on earth is bound in Heaven. Not all My children have access to this key, for only those that are small in their own sight are even able to call upon this Divine key. For it is not given to the carnal mind to discern the ways of My spirit. This key has great power as these two verses suggest. Yet as My new wine instructs; the Keys of the Kingdom do not give their power to selfish users. I give the Key of David to My Philly Brides, it is a gift; for these are they who follow Me withersoever I go, these are My spiritual virgins who save themselves for Me alone, they do not deny My name but are given power to witness and prophesy during great tribulation. The Key of David is alive, it glows in the hands of My beloved Brides of the End, it responds to their touch and will perform all that is asked of it.

Have you ever imagined stepping through some mysterious portal and suddenly finding yourself in another world, another dimension? Since we humans are essentially spiritual beings dwelling in physical bodies, why is it that we are not more aware of, or able to more directly communicate with, those in that vast realm of the spirit where our own spirits have their origin, and to which we will one day return? What amazing truths would we discover if we could communicate with someone good and godly from that mysterious spiritual realm now hidden from us? What if the barrier to that world is of our own making, caused by our lack of faith or being too entangled with the affairs of this life and this world to simply reach out and believe and receive unlimited help from beyond? What if it is actually not as hard or as uncommon as we think to draw aside the curtain that divides us from God's world of angels, and the world of spirits that have gone on from here? What if we, by believing, could cross over the threshold dividing time from eternity?
I believe that there is much more to this life and our life to come in Heaven than we realize or imagine. *I also believe we do not have much longer to wait before the portal dividing our worlds opens.*
(Allen Trenholm of "Journey to Tricon" [#030])

(Prophecy) (Jesus:)You, you who are from My ardent church, My closest; those who have come apart and who lift their heart to Me and lay all else on the altar of sacrifice, who give up all that is dear and go into all the world to tell of Me and My love, of My sacrifice for those who will receive Me into their heart and life. You, who feel the urgency because you have discerned the times and are looking for the signposts that I have given My brides, those brides who have their lamps and hearts full of My hot, deep, dividing word that cuts to the bone and marrow, who are fervently telling others of My soon coming and what to watch out for and to be ready! Key wielders who know the power of the Keys of the Kingdom and what they will afford all those who revere them as they do Me and the Word. And all those who respond to the tune of the key of David, who resonate and assimilate with the spirit and can 'see' that open door and walk through it into that safe place that I have prepared for them, My 'woman of the wilderness'. These are My Philadelphia church. When it is your time, and you have reached the brow of the cliff to pass through the midst of them (Luke 4:30), and escape; or flee as a bird, grow wings as an eagle you will walk through that door that no man will close. Only by My hand, My beloveds. I will rapture you into your safe place. I will keep you and yours safe; I will feed you and keep you safe. But know this, that this will be your greatest time to let your light so shine and to bring many to Me and My Kingdom. This will be your biggest harvest! So although I will keep you in your wilderness, that door is open, always, and you will be able to traverse backwards and forwards. I know your works, I know your desire and mission is to find and win the lost; I know, even though there is much trouble, you will not deny My name, you will witness unto the end. I will keep you through it but not out of it. But I do know your frailties and your need of My hand to protect and cover you. I will whisk you away through that open door, that portal into My realm when you need to be kept from the dark forces of the enemy. Only My most ardent can do that; My Philly brides; those who adore Me and have left their door open and our souls inhabit each other. We are not just casual

acquaintances but soul mates. Our love has been tried and has been found to be true so now when the SHTF they will not be moved. They know I will never let them go or abandon them; they are so sure because their love for each other is so intimate, so tried and proven. They know Me, really know me and our love is so deep, it cannot be shaken. They know My door will always be open… You are that Philadelphia church, My loves, My beautiful faithful brides. I will gather you and keep you safe and cover you with peace. You have the Key of David, My Loves, so no man; no emissary of Satan can close that door. That door has been open to you for long now and we have enjoyed sweet communion, so much so that it is the very air you breathe. You know that without it you will perish. So come baby, let our love continue and let us ravish each other right up until I come to get you. And you will *see* Me come through that door… for real! (End of prophecy)

(Jesus:)I'm your bridge, your door to that world. (Year Of Jubilee!, The [#3610])

The keys are yours; put Me to the test! Command the wind and the waves and all the elements of Heaven, Hell, and of the Earth.

* * *

I ask you to advance to the next level of commitment and dedication. No longer allow yourself to stay at a certain level of faith and commitment, but move forward with the swiftness these keys can empower you with. The time has come to move rapidly and to progress faster than ever. You cannot stand still any longer, for the world beneath your feet has become a sinking-sand cesspool.

* * *

My precious ones, now is not the time to relax or to let down your guard. Don't become complacent, knowing **you possess the keys to unlock any door**. **For though they will unlock any door for you, you must learn the skill of turning the keys in the locks. You must learn which key opens which door.** I will not hold back the approaching night of gross darkness much longer, so it is high time to realize and then release the power that I have placed within your hands and to practice with the keys. For in the darkness you will need to be masters of the keys.

* * *

It is now high time to learn to think in a brand-new way. I will flood you with "light packets" of My Word, filled with information that will teach you of this new way to progress and of the ways to use the keys. I will show you pictures, visions of great significance to make it easy for you to understand My will and the plan of action you are to follow. You will know My truth plainly, you will come to know pastures you have never known before. I will lead you to the places where there is the greenest grass and the purest waters.

* * *

It's imperative that you shed the weights that would keep you from rising above.**(The Keys of the Needles Eye)** There is no need to walk in the depths, the quagmire, the fog and illusion of **the lower dimensions**. It is My wish, and completely possible, for you to walk with Me above the things of Earth and to live with Me in My dimension.**(The Keys of the Wilderness)**If you feel stuck or anchored to a murky place, soar once again into the heights of Heaven by shedding the weights and burdens of Earth. Give up any burden keeping you down. Give that burden to Me and I will give you wings to soar! **(The keys of the Wings of the Woman in the Wilderness)**

*** * ***

You, My wonderful servants who so faithfully devote your energy, time, effort, and love to Me and My cause, I honor and commend. Yours is a momentous task, but I have now given you the keys that will unlock every door, and no recourse for help will be withheld from you. **You're now breaking through the final levels of illusion and darkness.** (What the Future Holds Part 1)

Even when times are so dark, when you see the reign of Satan on Earth in the form of the Antichrist, even then I will not forsake you. I will come through for you, be there for you, and always provide for you. I promise that you will never lack for My blessings, as you stay close to Me.

There will be suffering, as there is in any war, but those who endure to the End will be saved. I'm not painting a rosy picture of no trials for you, but I am holding a banner of victory high, which you will be able to see. Even if

Satan seems to triumph over you in this life, he will defeat himself in setting you free to be far more powerful against him than you could have been on Earth.

You will see spirits of angels walk among you! You will have your eyes opened to see those who stand beside you in spirit. You will walk with them, talk with them, and be one with them on this Earth. I promise you that even if you find yourself alone and cut off from your brethren, you will never be alone. *You will see the supernatural realm as if it were as physical and tangible as this world. I will open the veil sufficiently for you, so that you might see and live in the spirit while you are yet on Earth.*

***It is in this realm* that you will receive strength and super-natural power to face any battle, overcome any conflict, and always be the winner. You cannot lose! No matter what the fight may be, you are unbeatable. You will receive power to do exploits! You will experience super-natural healings. Death will have no meaning for you, and in some cases you will call back the souls of them that have departed and raise the dead.**

"The carnal mind fights, absolutely fights, against the Spirit of God. That's what is happening in your minds and why you are facing these questions, dear friends of Mine. The carnal mind just cannot understand the things of the spirit. The things of the spirit don't make sense to the carnal mind. They seem illogical, wrong, off on a tangent, and unreasonable. In some ways it shows that you are still children in spirit. But that's okay. I understand. I lived on Earth and I often had to reconcile the difference between the spirit and the flesh. I too had to make that leap of realizing that the spiritual had to have dominance in My life because I was going to live eternally in the spiritual world, the real world, whereas the physical world was just for a time. So My Father helped Me to make the leap and to live in the spirit whilst upon Earth. You are having trouble making that leap away from your carnal mind and living the principles I've asked you to live in the spirit.

In the carnal world, things are solidified into categories. If you are thinking in your carnal mind, it doesn't make sense. I want you to make the leap. No, you don't have to make it, and I will still love you if you choose not to. But I want to make the point clear that if you don't make the leap into the mind of the Spirit, well, you have done just that-you haven't made the leap out of your carnal mind. I'm not condemning you for this, but you do, for your own sake, need to realize that you are being led by your carnal mind in that decision. So if you don't make the leap of faith into the spiritual mind, it is very important to realize that you are choosing the carnal mind to think and view things from, and that **there is a world beyond it that is completely different.** The spiritual realm is true; it has another dimension to it that you just can't understand in your natural, carnal mind. It's very important for you to realize this truth, otherwise you open yourself up to strong delusion; you start believing something that isn't true in order to justify your choice in your thinking. It's simply important for you to know that **there are worlds beyond your carnal mind that are open to you** if you want to grow and take that leap. It's difficult, I understand. But it's very possible, and if you make that leap you will receive strength of the spirit that will be like meat to your growth, adding muscles for the times you have ahead of you. **That's one reason I've invited you into this realm of the spirit even now while you're in the flesh, because by doing so it will be like working out with weights and growing your muscles so that the battles ahead will be easier for you.**

So will you ever be comfortable leaving your carnal mind behind? Yes, for sure. Here on Earth? That depends on how much you get out of your carnal mind. Normally the more you do it and the less you think about it, the more you get used to it and the less hold your carnal mind has on you to demean the things of the spirit. If you are quite bound by your carnal mind, then of course it will fight against this. So in a major way how comfortable you become has to do with how much you let go of your carnal way of thinking and yield to My Spirit. That's the way it always is, isn't it? It's got to be by faith, because the carnal mind fights against the Spirit, so the only way into the Spirit is by the vessel of faith. The carnal mind simply cannot get there, and if you are trying to reason it out in your carnal mind, you will not get there. **There's a gap between the spiritual reality and your carnal mind, and the only entranceway there is by getting into the vessel of faith and making that step or leap of faith, whatever it is to you.** It doesn't really matter whether it's a step or a leap, because the vessel of faith can bridge that gap no matter how big it is. (Like the vehicle in "The Crash" letter) The main point is that it takes faith. Your own carnal thoughts and reasoning will never bridge the gap. That's a big step, because it's not only your mind you're leaving behind in preference for Mine, but it's your pride too. Can you do that? It'll be a bolster for you if you can, meaning you'll be stronger in the spirit and more capable of tearing down the Enemy's strongholds if you are not held back by your carnal mind and your pride.

And that's what I'm doing-creating spirit warriors out of you. The spiritual Endtime war is going to take place on Earth. The spiritual world is merging with the physical, therefore it is of utmost importance that My warriors are filled with My Spirit, that their minds become receptacles of My mind, and that you are filled with and possessed by Me. If you cannot yield your carnal mind to these inexplicable, non-understandable things of the Spirit, then you are not letting My Spirit have full control. You must love the Lord your God with all your heart, your entire mind, and all your strength. If you are holding back some of your mind because you want to understand before you believe and trust; then you aren't giving your mind over to My control. It's going to be important for Me to have control if you want to be used to the full, especially in certain battles with the Enemy where My mind can dominate and defeat him but yours can't. In those battles, if I don't have adequate control and possession, he will be able to outsmart you because that's his realm-the carnal mind-and if you haven't gotten over the little hurdles presented by your carnal mind and you haven't gotten used to going deep into My mind, then there are battles that he will be able to win against you and which I therefore cannot use you in. It's as simple as that. I can use you for certain things, but when it comes to the big games I'll have to put you on the bench and call in My first string.-Not first string because they are better than you, but because they have yielded all to Me and are going in with My full capabilities.(The Philly brides ☺) One other point that has also been mentioned before: You should remember that when My first disciples heard that they had to eat My body and drink My blood, it didn't make sense to them. They just couldn't figure it out. It wasn't reasonable. And those who were stuck in their carnal mind in the way they thought about it, and couldn't get it in the mind of My Spirit, left and walked no more with Me. Those who stayed on had to take it by faith, that somehow, because of everything else they knew about Me, this must have some truth in it, although they couldn't perceive it at the moment. They chose to hang on by faith anyway. I'd like you to believe by faith even if you can't see the reasoning behind it all. But again, that choice is up to you. At some point you'll have to choose either the carnal or the spiritual mind. So choose well, My loves. I need all the warriors I can get, and your rewards will be unfathomable. I love you. From the One Who loves you most of all." (Our Patient Lover: Questions and Answers on Loving Jesus [#3559])

"I simply closed my eyes and I was there. In a moment of time, as fast as the speed of thought, I was carried over distances and into dimensions unimaginable in earthly terms. Suddenly before me was the breathtaking panorama of some unknown world. Eternity seemed to sweep out in all directions as far as the eye could see, and the sky of this place was charged with all the colors and tints of the rainbow, and some never yet seen by mortal eyes.
What magnificent world was this? Its landscape was so varied, so mysteriously and marvelously fashioned, so spiritual and mystical. It was all too much to comprehend in an instant: the magnitude, the mystery, the marvel of it all. Here was I, a child of the Earth, a creature of clay and spirit, plucked from the circle of life on Earth and carried up and out into some vast realm of the spirit where the great ocean of eternity surrounds us. How different life on Earth would be if everyone could see for a moment these unimaginable worlds and dimensions that lie just beyond our normal senses." (Journey to Tricon [#030])

58. That is why it is important to keep the heavenly vision--because the times are so intense now that it is easy to lose your focus on it and to get your eyes on the winds and the waves, as Peter did. He took his eyes off Me for a moment and--whoosh!--He began to sink. But then when he lifted his eyes to Me again and called out, *I immediately reached My hand out and pulled him back up,* and we two stayed above the waters then (Mat.14:25-32). (Up through the door, the portal) (Heavenly Vision!, The [#3608])

7. Yet even now I've opened a door between these two worlds. I've created a corridor through which you may pass freely, in and out. When I call you and you come to My bed of love, your spirit passes from that world into the next, and you're joined together with Me in a small foretaste of the love that awaits you in its full beauty, abundance, and marvelous power. (Expressions of Ecstasy, Part 1 (#3560))

Entering into My bedchambers fully in heart and spirit will be a source of great strength in the coming days. It will be much more than just personal inspiration, encouragement and edification. As the days get progressively darker, loving Me will literally be the refuge and tower you'll be able to run to and shelter in at any moment and

on any occasion. And in that tower, that special spiritual sanctuary outside all your physical senses and surroundings, you'll experience frequent physical manifestations of Me loving you.

This gift, along with being our intimate link and connection, will only be enhanced and magnified and come into its full glory and power as time goes on. As the darkness closes in on the world, this weapon of loving Me intimately will literally keep you. Just as you felt that rush of supernatural energy and power filling you, as time goes on and you walk toward being fully possessed of Me and My new weaponry, that power will course through your spiritual veins, sustaining you.

In those days, even if you're all alone, separated from your loved ones, and lacking in some of the physical necessities of life, you will have a very real spiritual means which will transpose the physical, supernaturally filling and sustaining you. (Our Patient Lover)

Keeping your mind on a tight leash.

8TH DECEMBER, 2020 (PERSONAL PROPHECY)

This is where your true strength is. This is the link that will keep you when all is very confusing and people don't know what to think and you don't even know what to think. But if this link is strong, then you will have an anchor in the raging storm. It will keep you steady. Isa 26:3 is very true and it doesn't depend on the circumstances. You can have perfect peace with your mind stayed on me no matter what is happening, whether it's a crisis in the world, or a personal situation with one of your teens or kids. The key is to keep your mind stayed on Me. Your heart is already with Me. It's your mind that runs around in all the dangerous places and nearly falls off the cliffs sometimes. There will be more and steeper cliffs for your mind in the coming days. So you need to keep it on a tight leash and let it wander in the Word and in the fields of faith and in the deep pools of My love. That is where the mind should keep itself busy. But it seems to have this fascination for darkness. Most of the time, that darkness is cleverly disguised as knowledge or information or things that make sense. The mind wants to go in the places that are comfortable for it; the carnal realm and carnal thinking. It is happy there because it has its feet on the ground and things can be figured out and added up to make sense.

But put the mind into the spiritual realm, and suddenly its feet aren't on the ground; it seems to be floating but it doesn't know how that is possible or if it will suddenly be dropped. It can't see very far ahead in this realm; things are misty and cloudy and sometimes what is seen can't even be understood. It thinks it is seeing a certain thing, but it doesn't make sense or even seem possible. So it wants to run away back to the lands where things make sense. But this is actually where the mind has to stop. It has to close its eyes and give way to the heart and love and faith. It has to realize that it has come to the border. Beyond this line, it can't operate like normal. It has to yield to the heart. It has to listen to faith and love. If love tells it that Jesus is real, it has to listen. If faith speaks to it and tells it that God's Word is true, it has to believe. If the heart tells it that there are things that it will never understand, it has to accept it. This is hard for the mind. It rebels, it hurts, it cries out. It feels that it isn't fair. Why would Jesus bring it into waters that would drown it? (Like Peter on the waves) So that it will sit down; so that it will lay down. For in such love and sacrifice you will find true power and true light. There is no gain without giving something up. So give up your mind; dwell in the spirit. You do this by believing. When you read the Word, you believe it, you accept it, you take it in as truth, even if your mind is in the other chair throwing a fit and saying that it can't be possible. You shut it out and take in the truth. The strange thing is that this will actually bring peace and sanity to your poor mind. (END OF PROPHECY)

The port of entry to possession is through the mind, My loves.

+++

God wants to descend and to dwell in the praises of His people. He wants to let loose and dance along with those who whole heartedly are praising and singing and dancing to glorify Him. Why does He want to be where there is praise? Because that is the spiritual element that He lives in. Why don't you have your birthday party on the bottom of the ocean? Because it's not your element. Spirit dwells in spirit. The element of spirit that is placed in the souls of mankind and that they have access to while they are on Earth—the pure realm, the full real and uncorrupted realm of the spirit—only is accessed when they glorify and praise their great Creator.

So with less praise, the world gets more and more carnal and less Heavenly. Why did more miracles occur in

days of old because there was more of the recognition that things happened because God did them. This is praise in a way, seeing the handiwork of the God of all.

When you truly enter the spirit, through the portal of praise, which is stating that God is King and you belong to Him, and your allegiance is to Him, then you are allowed entrance to His throne room. Only those with full allegiance and properly placed loyalties are allowed to go to this freedom land, God's land. It is here that He can sing and dance and join you in praise when victories are won. When you praise, that is the password that you belong to God and are thus allowed entrance to His realm. Here He loves with you, dances for you and with you, rejoices, and gives gifts. Delight yourself in Him, and He will give you the desires of your heart.

So prayers that are breathed out from the air of His Holy Spirit, the perfume of the wife of God in heaven, are those that He loves to breathe in. Getting close to and taking in God's precious Holy Spirit will make the prayers you pray be filled with the scent God likes to breathe in—and that's when miracles happen. If they are not happening for you, either it's not His will for the current time, or you need to get deeper in the spirit, breathe in more of His spirit, and truly and deeply connect. (Kaye's Secrets with Jesus 16)

You hold in your hand the key of Heaven and your part is but to take hold of, embrace, grasp, and never let go of it, nor of the precious treasures that it allows you access to. Never set aside this key or let it out of your sight. Never let its value diminish in your eyes, or else you will risk losing it or misplacing it and all that comes along with it. This key is your yieldedness and commitment to Me, your desperation of heart to fulfill My will. You can never lose your place in My heart, nor your place in My Kingdom. The only thing you can lose is the full power, anointing and strengthening for this New Year and this new millennium. Therefore I charge you to diligently guard your hearts, your spirits and your channels. I wish to make the passageway between your physical realm and My spiritual realm a very short one. **I wish for you to always have the key wherewith to enter My spiritual realm to receive all that you need to face what lies ahead.** Only with the power, wisdom and guidance that you will find when you search **beyond the veil** will you have the ability to endure-- and **not only to endure, but to overcome.** (Era of Action! Part 1, The [#3288])

(Jesus:) I have given you the keys as a gift of My great love, to enhance every aspect of your life. There is nothing they cannot do for you, for they are literally the keys to the power of Heaven--which is limitless. There is nothing the power of Heaven cannot do for you; therefore there is nothing that is impossible to you, now that you have the keys. 53. I mean for you to use them at every opportunity! I want you to try them out, to seek Me for new ways to use them, to be continually calling on their power and using it all you can! The more you use them, the more you will grow to depend on the power of Heaven. It will become like an addiction, to the point that you will feel powerless without it. This is the way I mean for it to be--this is the way it must be in the days ahead. For the powers fighting against you will be increased, and the only way you will survive is to be so closely connected to Heaven's power, so exercised in using it, so familiar with what it can do for you, and completely dependent on it, that you are literally one with the power of Heaven, one with Me!

You can call on the power of the keys to help you leave the earthly world and flesh behind and enter into the true dimension of the spirit. You can use the power of the keys to make the transition to being My bride in the spirit.

The keys to the power of Heaven draw you closer to Me. Each time you use them; you personally reach out and touch the realm of the spirit. It's as if you put your hand through the dividing line and turn the key of Heaven to open the doors for the power to pour out abundantly. Each time you do this, you become more influenced by the spirit. You become more aware of Me and My power and all that I want to do for you. You experience all that Heaven can do for you, and you realize more fully how much you need it. Your love for Me grows as you see more clearly what a great and wonderful and awesome gift it is that I have given you. (Mysterious Keys, The - Part 3 [#3599-1]

- I have entrusted the power of Heaven into your hands and have given you the keys to open every door.
- The keys unlock all doors, unfold all mysteries, and give you all power in Heaven and in Earth.

- You are My bride and you will overcome, because I put the keys of the Kingdom in your hands.
- Anything you need, you can claim through the keys. There is nothing in Heaven that I would withhold from you, My Endtime children.

F**ebruary 12, 2022—needles eye**

To every door that you encounter in the spirit realm there is a key, and there is no door in My realm that does not lead the seeker to some strange or wonderful truth. The needles eye is one of these doors and yes it is a small door that is only opened at dark, and yes for those that come to the city gate too late and desire entrance must use this gate. It would have been wiser to have kept an eye on the falling darkness and made haste to reach the city before nightfall because it takes great forsaking of the things and rudiments of this world to pass through it. Those that do not have the faith to off load their hang-ups and fears will remain outside in the darkness. The key to this door is Luke 14:33 "the key of forsaking". Many of My children have come to this door and turned away because of their great riches, many have turned away from this door thinking to themselves that the danger outside the city of My will was not as menacing as My Word claimed. So instead they lingered in the world outside the gates ignoring the gathering clouds and the distant sounds of war. If they had but heeded My warnings and admonitions then they would not be carrying so much baggage and it would be easy to slip through the needles eye. Those of My prophets who must remain outside the walls walking the highways and hedges of this world in search of those I've invited to My feast must also use the needles eye in time of great danger. And because they have been wise and through much practice have learnt to not encumber themselves with the things of this world, the eye of the needle is of little consequence to them when it comes time to slip out of the world and under My fortress wall.

The night has fallen and the watchmen have called to the gate keeper to close the main gate, yet the needles eye will remain open all night long for those wayward ones who now realize the danger and earnestly desire a safe haven. The Eye is there for My searchers who remain in the badlands of this world calling to those who have lost their way, these are they who are under the protection of My will for they are not out in the world for their own sakes but for the sake of others. These ones know exactly where the portal lies and they direct the "halt and lame" to the threshold, placing in their hands the key of Luke 14:33 before they part.
