Our Love Story

Loving Jesus is...

the final wall of preparation.

(To Jesus:) Never before has such a great unstoppable love been felt. In all time, since the beginning of the history of the world, there has never been such a link and connection as we have. You possess me with desire and love and life.

.... You will need the beacon of loving Me intimately to help light your way

****they shall be beacons in all the land, beacons of My love in the time of darkness when the world is so dark.... My beacons shall be deep wells of love, and deep wells of light, and deep wells of encouragement, for they shall be filled with Me because they have loved Me and they have lain in the bed of love and they have been empowered by My seeds*

(ML #3032:171,172, Lifelines 25).

It's a test of our yieldedness.

(Dad:) To be the kind of bride He wants, you've got to first of all have enough faith in His love to obey and come, and strip off all of the outer garments of appearances, cover-ups and false fronts, and expose yourself to the Lord, totally yielding yourself to Him in submission and humility. You must be willing to be stripped bare before Him. You're just you, and that's what He wants, you!-All of you!

So you've got to drop everything, forsake all, come to Him and be willing to be stripped bare, abandon all false cover-ups, and just expose yourself to Him. And then you've got to let Him make love to you and fill you with His Spirit and His seed, the Word of God, which, when conceived in responsive hearts, brings forth fruit, newborn babes into the Kingdom of God! Hallelujah! (ML #2224:17-18, Vol.17).

Practicing it is an indication that we're yielding to Him and want to stay close and be strengthened.

(Jesus:) I desire your love even more than you have shown Me until now. ... We have more awaiting us, more intimacy, and this is what I am seeking now. This is what I am calling for. This is what I am yearning for!

(ML #3030:47, Lifelines 25).

Let Me love you through all that is to come, through the ending of this world and into the next, for that, My love, is My goal--to see you safely home into My Kingdom. All around us will change, but still will our embrace be strong, still will our passion run in our veins, and yet more passion will come to us as each new morning dawns and as the sun shines on us forever--more to strengthen our love for each other forever.

Loving Him intimately will help us to easily be able to flow with future moves of the spirit.

(Jesus:) If [people] can let go of their pride and yield to Me in this area, they have completed the grade and have the basic preparedness in spirit that I require. Of course, there will be more moves of the Spirit that will come along, and other things that will strengthen and enhance their spiritual lives, but as I have said:

Loving Jesus is...the final wall of preparation.

This will encourage many of My children who wonder if they will be able to receive the next new move of My Spirit.

The simple truth is that if they are able to embrace the Loving Jesus revelation, and they remain yielded and open to Me, as My desirous and simple brides, believing, receiving and accepting in faith, they will easily be able to flow along with the future moves of My Spirit
(ML #3282:185-186, GN 888).

(Jesus:) I love to be loved and I love to love. I love to receive love. I love to give love. So few understand My need to be loved, My desire to be loved.... I long to be loved as a lonely man who does not seem to be lonely because He has so many friends and so much family, yet He lacks a sweetheart and darling.

Please come, come to Me and be My darling! Come to Me and be My sweetheart! Come to Me and be My wife, My Bride! Come, come, please come and lie in the bed of love with Me. ... I seek to be in love with you, and I seek for you to be in love with Me, that we may have a new relationship.

So come! Come! Come, My Bride! Come, My loves! Come, I call, come! Come to My bed, come to My arms, come to My kisses, to My lips!

(ML #3029:34,36-37,39 Lifelines 25).

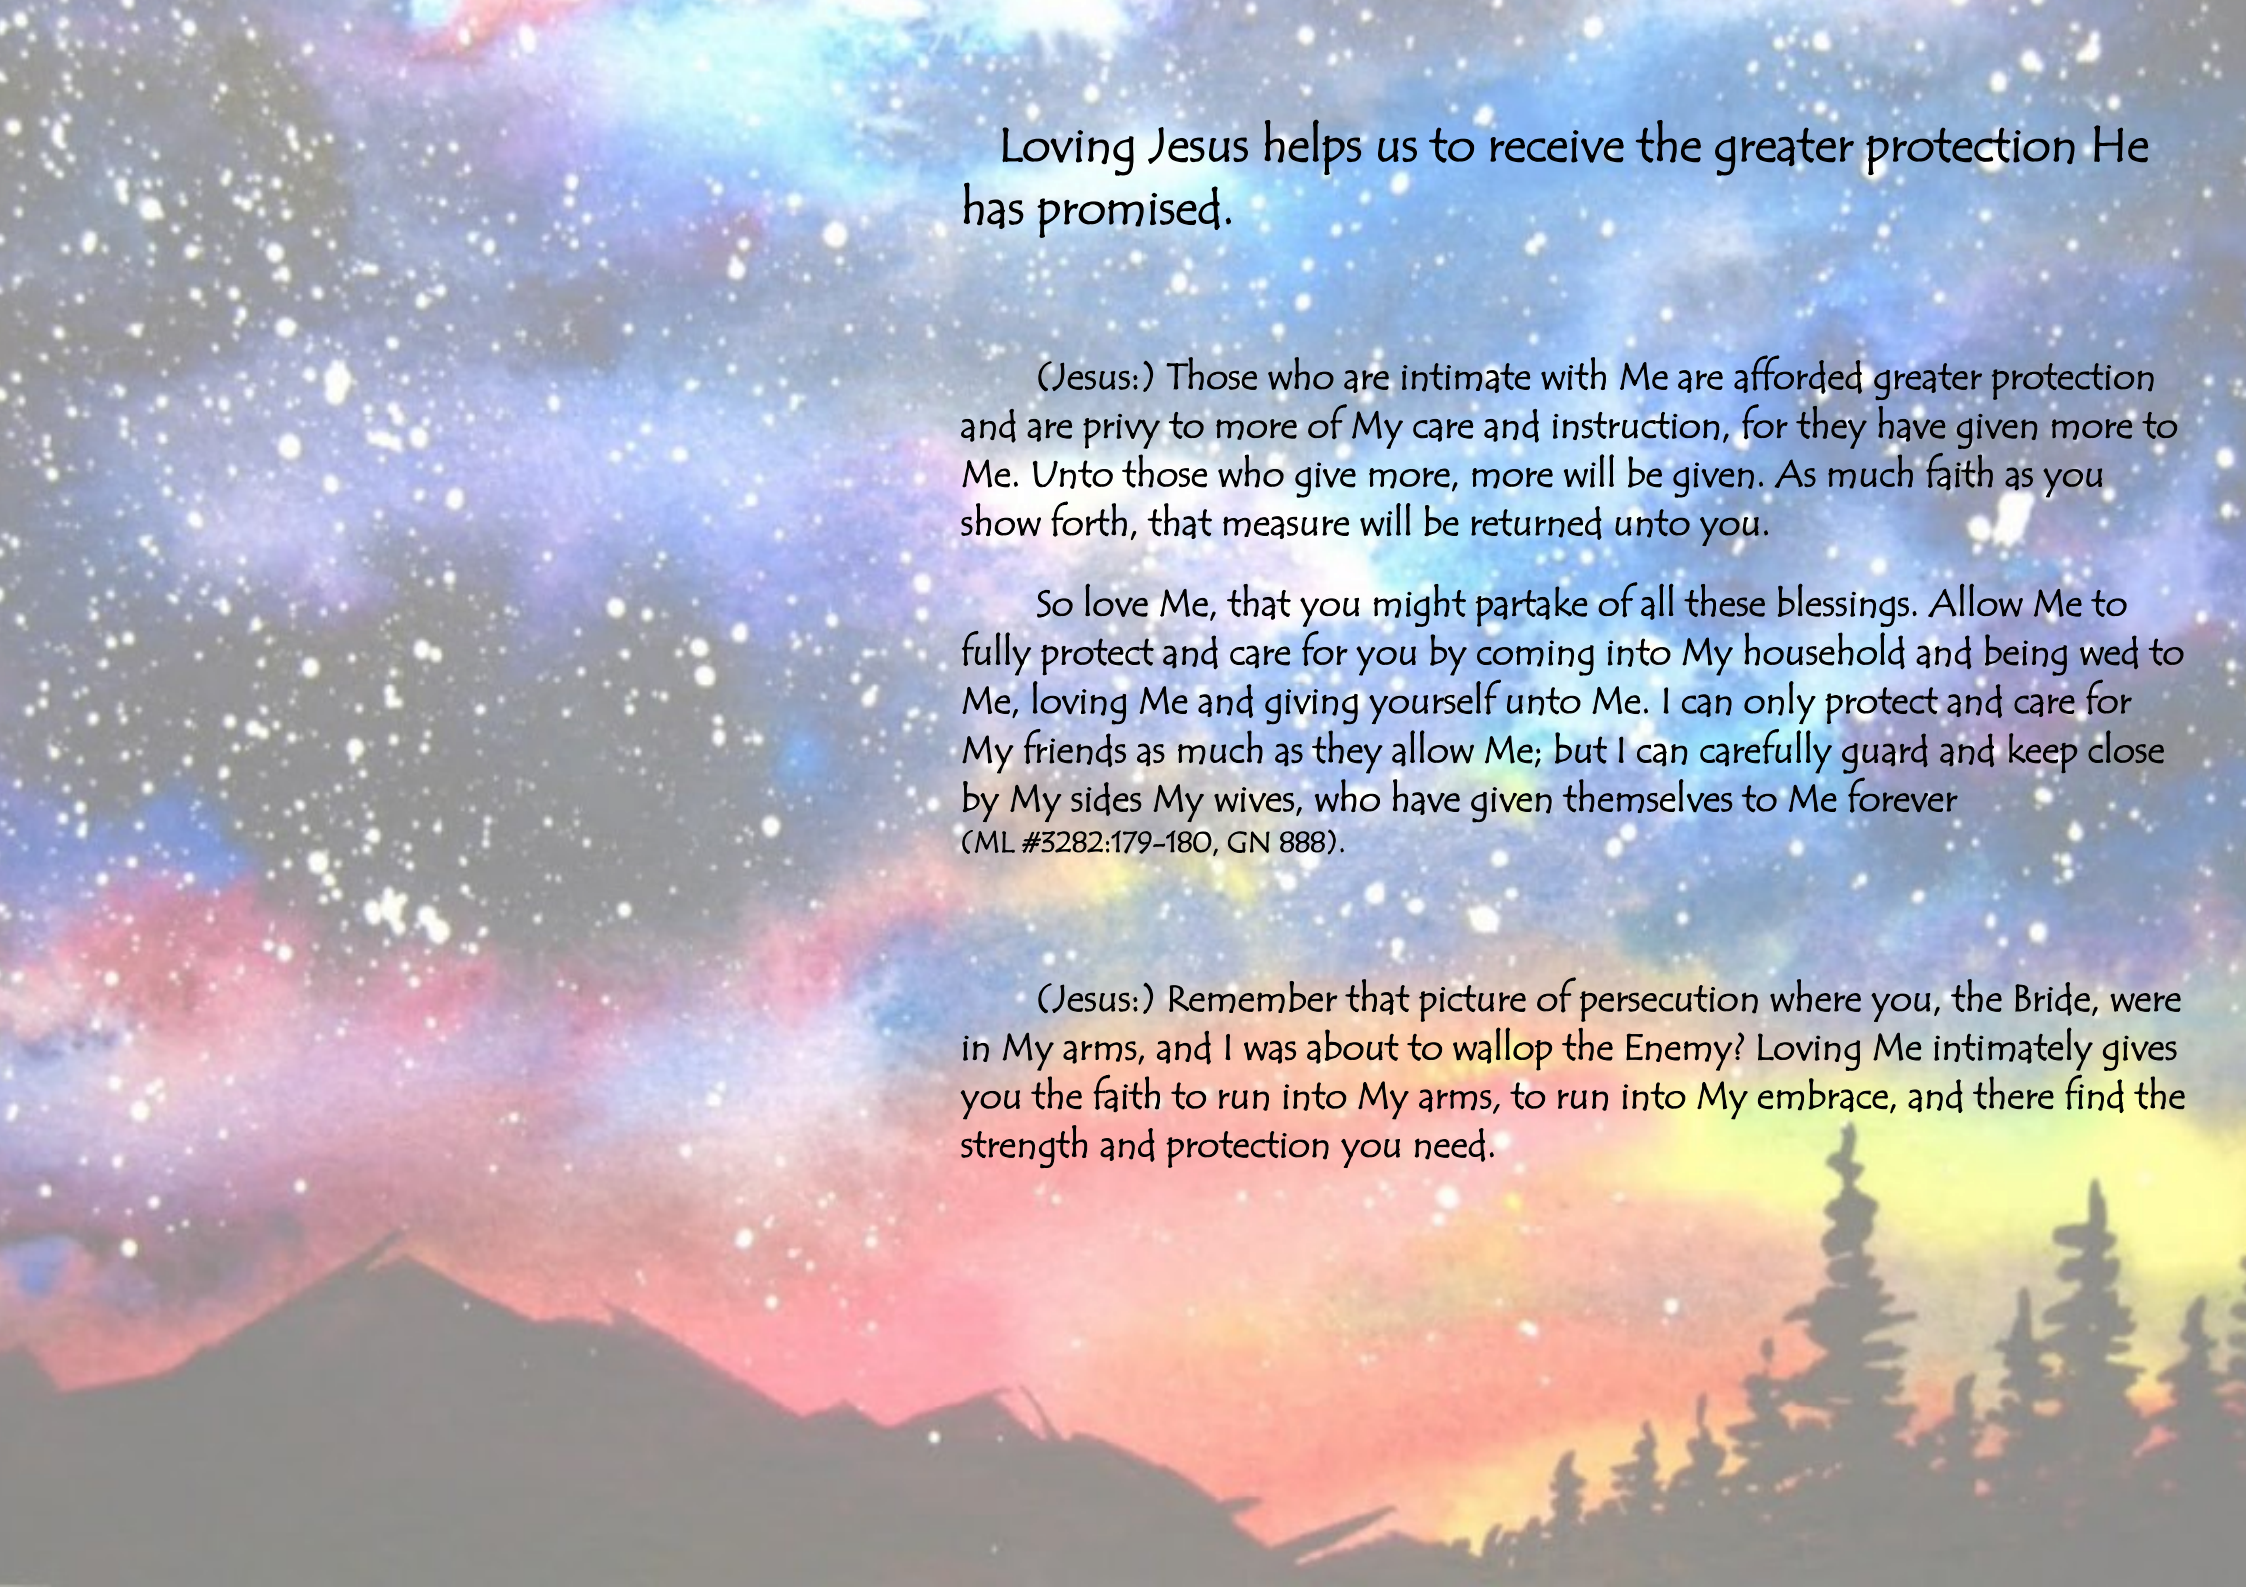

(Jesus:) Yes, I want praise and adoration, I want words of thanksgiving, but they that love Me most understand that I also want words of caresses and words of wooing and words of endearment; they understand that I also want the words of excitement, because this portrays in spirit what you describe in flesh.

So please whisper to Me these terms of endearment, these words of excitement, that I may love you and fill you, and that I may hold you so close in My arms that we will be one (ML #3029:63,66, Lifelines 25).

*(Jesus:) Without you, I would have no object for My love, no vessel for My love, and love that is not shared is incomplete, unfulfilled, hollow, lost—even My love. I need you. That is the wonder of My love
(ML #3045:110, Lifelines 23).*

Loving Jesus helps us to receive the greater protection He has promised.

(Jesus:) Those who are intimate with Me are afforded greater protection and are privy to more of My care and instruction, for they have given more to Me. Unto those who give more, more will be given. As much faith as you show forth, that measure will be returned unto you.

So love Me, that you might partake of all these blessings. Allow Me to fully protect and care for you by coming into My household and being wed to Me, loving Me and giving yourself unto Me. I can only protect and care for My friends as much as they allow Me; but I can carefully guard and keep close by My sides My wives, who have given themselves to Me forever (ML #3282:179-180, GN 888).

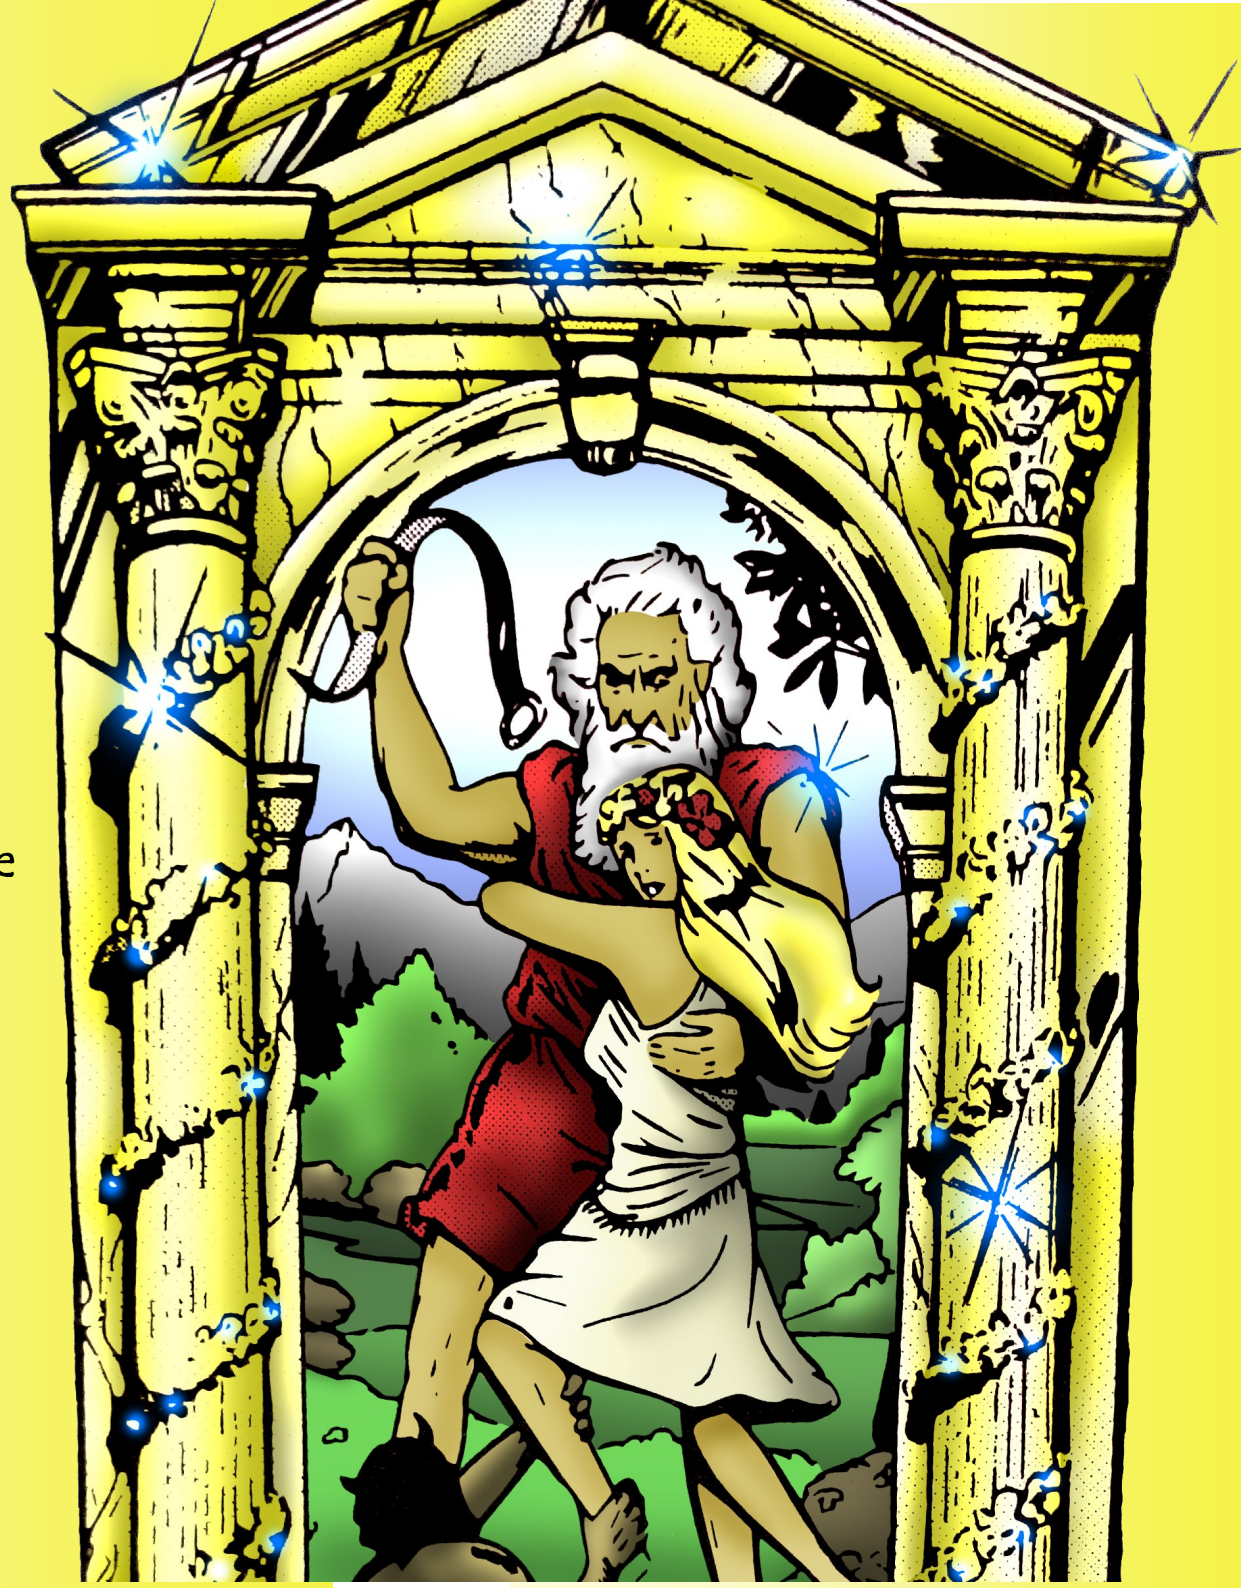

(Jesus:) Remember that picture of persecution where you, the Bride, were in My arms, and I was about to wallop the Enemy? Loving Me intimately gives you the faith to run into My arms, to run into My embrace, and there find the strength and protection you need.

If you were not intimate with Me, you might be tempted to merely run to My side. But when you rush in- to My arms, you are that much closer and you stir within Me that much more ire against the Devil. It's an entirely different story when he tries to attack you when you're in My arms as My Bride than when you're merely an associate. It's the difference between defending family and defending a business associate. Those of the world would generally go much further for family than they would for someone they merely worked with, right? So it is that when you run into My arms, I am moved with a powerful urge to destroy the Enemy

(ML #3558:109-110, GN 1146). (Our Patient Lover par.1-14)

It prepares us to be Jesus' hot, free, radical, alive and vibrant bride of the End.

You're My new brides, My new-bottle lovers, My wild, unhindered ones who have abandoned traditions, who are passionate lovers, and I love all your love words! Those here in Heaven speak their love words to Me in many ways, in many languages, yet it is all the same language of love, of yieldedness, of surrender, of humility, and of happiness.

My seeds of power

To tell Me you want Me, to tell Me you want Me inside you, to tell Me you want My love, to tell Me you're hot for Me, to tell Me you're open for Me, to tell Me you're on fire, to tell Me you need Me, to tell Me that you long for Me in your innermost parts, to tell Me that you are wild with passion and desire, to tell Me you feel as a virgin, inexperienced yet wanting to please Me—any of these love words or more that you could say mean so much to Me. For it is your heart, it is the burning desire to love Me and please Me that pleases Me so very much!

This gift, along with being our intimate link and connection, will only be enhanced and magnified and come into its full glory and power as time goes on. As the darkness closes in on the world, this weapon of loving Me intimately will literally keep you. As time goes on and you walk toward being fully possessed of Me and My new weaponry, that power will course through your spiritual veins, sustaining you. You'll experience just a touch of that power—like an energy surge. It will be clearly supernatural, this power that you will be afforded in the coming days.

In those days, even if you're all alone, separated from your loved ones, and lacking in some of the physical necessities of life, you will have a very real spiritual means which will transpose the physical, supernaturally filling and sustaining you.

My seeds of power

(Jesus:) My loves, I give you New Wine and I ask you to drink it and to yield, to be naked before Me. I have gotten you used to coming to Me naked and open so I can pump My seeds into you in our times in the bed of love! Marvel not, for all this is in preparation for the things I have in store for you to win and woo the lost of this lonely, desperate world.

The world needs you to be radical and dropped out! I need you to be My radical vibrant bride, for there are many who are looking for the Jesus of today! Will you continue to follow? Will you stay dropped out? You will if you obey the New Wine that I pour forth! You will be young and radical, and many will see you burn and want to follow!

(ML #3542:132,134, GN 1139).

It gives us greater authority in the spiritual realm.

(Jesus:) The Devil hates to hear your love words to Me; he hates the fact that I have chosen you as My bride; he hates the fact that I have endowed you with My inheritance and made you My heirs. Use this to your advantage. By being wed to Me you wield My power and authority; you can direct those under My command because I have given you that authority as My wife (ML #3558:118, GN 1146).

(Jesus:) Royalty trusts only a chosen few to come into their court and into their presence. Those who are allowed to enter the king's court are screened, and when they are sent away on business bearing a message from the king, that message contains the king's seal so that all will know who is being represented.

I honor all of My brides who come into My intimate chambers with My spiritual seal, which is your testimony that you have been with Me. You have been on holy ground, and like Moses, who left My presence and whose face did shine, the spirit world witnesses My seal upon you (ML #3558:205-206, GN 1146).

I love You and praise You and honor You! I thank You, I glorify You, I sing praise unto You! I give myself unto You wholly -- body, soul, mind, heart, spirit. All are Yours: my life, my love, my loved ones. All of my being is Yours. I am Yours to do with as You please, for You are the God of all things. You are deserving of all praise and all gratitude. You are the God of all and I am Your child. So I praise You, glorify You, and honor You.

My Beloved, how I love Thee,
Thou art more than life to me.
My Beloved, how I praise Thee,
As I lift my soul to Thee!
My Beloved, in adoration,
I sing praises unto Thee.
My Beloved, I'm so unworthy,
Yet Thou hast chosen me.
How I love Thee, my Beloved,
My Lord, my Spouse, my King,
Lead and guide me in every way now,
Of Thy glories I do sing.
My Beloved, I will seek Thee,
My Lord, my all in all!
My Beloved, how I want Thee,
To Thee I yield my all.
My Beloved, I kneel before Thee,
In humble serenity.
I am at Thy beck and call now,
Thou art more than life to me!
My Beloved, how I need Thee,
I lay my head upon Thy breast.
How I need Thy arms around me
In Thee I will take my rest.

His Seeds of Power

Intimate message from Jesus to His Bride

I'm coming in from behind you. You don't see Me. You don't see My form. You don't even know what a "God" really is. But you simply heard Me say, "I want you"; and you responded with a welcoming "Even so, come quickly, Lord Jesus."

I'm sorry you can see Me just yet, for the vessel of your spirit must be purified and made ready to receive My Holy nature in its entirety. But You can see a reflection of Me when you face forward into My Word, which is like a pool of refreshing and cleansing waters. In the pool we go. I hold you tenderly and firmly, and over the rippling water's surface you see something that resembles Me. A similitude, something like Me, a resemblance. And you want Me.

One day we are going to look one another in the face, and that day is coming sooner by the day. But you do want to be purified and purged of as much of this world and its tarnishing ways before you meet Me face to face. So lie down in the waters now and face the sky. Let the purging and cleansing wash through your whole being. You are becoming more and more Mine every time you enter into these cleansing waters.

First, I draw you to Me through a loving embrace, and I make you want Me more than anything else. Then I gently take you into the waters of love, waters that sprang from My heart that is filled with love. Then you let go of all that was foul in My sight. See, I didn't wait until you were all clean and shiny before showing My love to you. I had to be someone you trusted, and then you knew the waters could be trusted. And in we went.

It's always a "we" experience.

When you endure times of testing and you let My Words be the healer and the guide, the comfort and your companion, then you are being renewed and washed and cleansed. We emerge from the water and dry out on the side in the sunshine of peace and tranquility. You still do not see Me all the way in My form, for your eyes are as the eyes of one whose eye glasses have been removed, and whose eyes have been in water a long while. You still can't see clearly, though you are looking at Me. For I am reserving the full on, in color, in full lighting view for a day that is to come. But you can feel Me and because we have been through the waters together, you feel you know Me more and can trust Me, and you love being in My arms. But we can't say resting here forever, for there is more to be cleansed. I take you in again, and daily we wash with the water of My promises, My words, My

tears and prayers. And each time that we spend in the pond of passion for the Word of God, the more you become like Me, and the more I can join in closer union with you.

Careful now, watch your step, the waters get deep real fast. We'll enter this deep part of the pond together. The water is sometimes turquoise, and other times a maroon-red like the color of wine. Other times it looks like liquid light flowing and washing all around you. And sometimes all of these, each flowing around and through you.

You face Me as we go under the surface. The image you see is the clearest form of Me yet. But I had to get you to this point first of all. It took some time, and mostly a whole lot of yielding on your side. But here we are, in each other's arms, swimming in love, in light and in passion, and you are being healed and deeply satisfied. Of course you still have yet to see Me in all My radiance. But that too will come with a step by step yielding to Me and wanting to have My passion fill every part of you, discarding all else that would keep Me away. Now, under these gentle waves, you say, once again, "Yes! Yes, Jesus Christ, Son of the Living God, I want You. I want you more than anything or anyone. I let go of all that hinders Your full entry into my being. Take me, and fill Me with the liquid light that I now am swimming in."

You know, the more you dedicate yourself and your heart to Me, the more unlike the world you will be, and the more you will stand out, and yes, you will be persecuted for it as well.

But so was I. And that will make two of us. And two makes a pair.

Won't we have some great times of deep discussion in the life that is to come, for you will have been touched with some of the deep things that My heart likewise has felt. And unity of heart and mind we can know.

Thank you for truly walking with Me.

I'm going to get you clean, and one step at a time, we'll go deeper, until you are filled and surrounded with the light and essence of Heaven—the very Spirit of God, one with you.

And that for Me is really thrilling. That is when I truly get My high.
