Painful Part 3

4th May, 2022

The Betrothal is made in the union of the powers when the soul surrenders herself wholly to God, and God gives Himself wholly to the soul, with the intention of admitting her to union; this is an agreement and mutual promise. But ah! what a distance is yet to be travelled, and what sufferings to be undergone before this eagerly desired union can be granted or consummated! The Marriage takes place when the soul falls dead and senseless into the arms of the Bridegroom, who, beholding her more fitted for it, receives her into union. But the Consummation of the marriage does not come to pass until the soul is so melted, annihilated and freed from self that it can unreservedly flow into God. Then is accomplished that admirable fusion of the creature and the Creator which brings them into unity, so to speak, though with such an infinite disproportion as exists between a single drop of water and the ocean. The drop has become ocean, but it forever remains a little drop, though it has become assimilated in character with the waters of the ocean, and thus fit to be mingled with it and to make but one ocean with it. (Prophecy)Do you see now why all those nights and days where you were alone and so lonely…you needed to find that My love was enough and that I satisfy. Can you honestly tell anyone that I satisfy…that My love is what they really need or is your faith lacking; are your words lacking conviction? If so then ask Me to drive in the knife a little deeper, and you WILL find Me faithful. You will find Me standing there and you will see Me there holding up the light so you can find your way through the darkness. If you aren't sure if I satisfy, then beloved, hold Me a little closer and ask Me to teach you this.

Everyone's road to walk is different, but all must be willing to walk the way I have prepared for them and not turn back because they feel it's unfair. You too have your path, and you must walk it and not go back for fear of pain. Because I promise that though this path looks dark…it leads to Me. (End)

+++

(Jesus-) Can you love Me, no matter what I do to you or others? Can I just have your trust no matter what you see happening to others? You have been handed some hard sayings these days, but this is the road to Me and unless you are willing to walk all the way, you won't find that I am what I say I am and you won't taste of My satisfaction. Most of the time, you just start on the road and see that it's bloody hard, and then conclude that this is too hard and Jesus is just asking too much, but you failed to keep walking down this path that leads to Me, for unless you are willing to keep walking you won't find Me in those very dark places.(End of prophecy)

I am putting my life in Your hands and it's scary in my mind, but I know You are the best…considering everything… I know You are best. I love You so so much and it's only because You loved me first and somehow saw fit to pick up the hopeless pieces of my life and love every fragment…thank YOU xoxoxoxx

I was in darkness…till You came and lit up my world with the stars in Your perfect eyes. I didn't know that light like this existed…but I see it reflected off the tears that I cry for You. I cry to have You and know You…I cry because I know that it's going to hurt; I cry because my need for You is so desperate but I feel like as

soon as something hits me in the face with force…I'll backslide on You…so please help me I need You always…even though I don't know it all the time. I love You I love You.

Can you be a faucet? Just a tap. That's all I need. Can you bring water that brings healing? What water? My Spirit. I need taps that will turn on and just let My Spirit flow through them; through them in prayer; through them in touch; through them in the Word of God that they freely share, for this is what will cause the reaction that starts the change.

My Spirit needs to touch a person in order for them to be made whole, and I need someone who is willing to channel that Spirit.

So what will it cost? Whatever drives away My Spirit will have to go, for if all you are to do to bring healing to others is to let My spirit flow through, then you can't have anything blocking the way. So in order to operate this gift freely, it takes having less, rather than having something more in order to do the job; Less of your will and ways at a given moment when you are to transmit the love/ healing power from Heaven. 'You' can't be a consideration at that moment, but only whatever I need you to be doing at that moment when My spirit leads you to do something to bring more healing and life, and My Spirit into someone's life and body too. For those moments, 'you' have to be on the back burner, and My will on the front, at the foremost.

Having the gift of healing doesn't mean you are free from every illness and disease, nor does it mean that every person you pray for that is unwell will receive instant healing, if that isn't the best for their faith at the time. But since you aren't in it for the glory, it won't bother you too much. And since it's out of your hands if they are healed or not, or when the power is released to do so, you simply deliver the living water to them, you allow My Spirit to start to work in their life, and you let Me do the rest. I couldn't do it if you hadn't been the channel to start the flow of power. I do need vessels in flesh and blood to work through. That's just the way it's set up. (21-April-2022_on the gifts- Kaye)

8th June, 2021 (Prophecy) It's the steeling, the gritting of your teeth, the puffing out of your chest, the fake courage that you can do it that just really holds you back. The blows will come and will not stop, that's the way of it. Relentless and sometimes brutally painful, but don't do it darling. Don't fight this alone. Don't harden your heart. Bitter truths they are. But disappear is what you want, to fade away to nothing, to only be My voice, My help to others on their own weary way. But soft you must be. Let it weaken the 'you'. Let it take your feet out from under you and fall…fall…into Me. Don't hold onto it, but let it go. Release it. Free it from its cage. Let it all fly away. Relinquish your hold on it no matter how hard it is. Better to fade away. One more step My darling. Why would you hold it back. Let the force of it push you back into My arms. I will soften the blow, cushion the fall My darling. Come. I need you

like this…broken and spent of yourself but ready and desirous to take in Me. Not bitter for the lose but eager for what I will fill the emptiness with. It's not falling back but up and forward. So try to smile through your tears and be glad for the chipping away. Every branch in Me He purgeth it, that it may bring forth more fruit. He loves you that much; knowing how painful it is to get rid of the old man or what you shouldn't be bothered with anymore, because He knows that you want it that much. Oh but the squeezing hurts so bad; I know, I know, but the change it brings about in you is so beautiful to behold .The way it deepens you and softens you My love, can't come any other way, it just can't. You cling to Me and find yet again that I am enough. Over and over, deeper and deeper we go. You close your eyes and feel Me, you breathe Me in and you are at peace; a peace that passes understanding. And it stays with you. You won't forget. Next time you'll remember and it will be a little bit easier. Breathe in darling…breathe out. Yes, it's gonna be ok. And so, we grow a little bit closer. Mmmm… I love that. xxx

(Prophecy)Do not belittle the honor I am giving you in belittling your high calling of revealing the Endtime mysteries. You say you think it's all a waste of time and there's no fruit to be seen for your getting out the words of David and you wonder why you've even made the personal sacrifices that you have, to accomplish this mission. I know My loves, it takes great dedication. You are in the perfect place in the perfect situation with the perfect word and with the perfect people around you, yet, you do not even realize it. You are in an oasis, but all you see is the desert sands and feel the heat of the sun; your trial by desert. What was I tempted with? First and foremost was the temptation of the flesh and fleshly appetites and desires and then there's the world and all its allurements. And lastly pride! "The lust of the flesh, the lust of the eyes and the pride of life." But these all will not last, for you are well aware that we are seeking eternal dividends. It was My great test before My great ministry and so it is yours. It takes a great steeling of your fortitude to lay down your Isaacs; a complete abandonment and then to actually take a match and set it on fire and let it burn. Oh My loves, oh My darling 'virgins' ,as you wait in your bridal dress with your lamps full in eager anticipation, your wait will be worth all you have given to be in this place of waiting. Remember, you and I chose what you are going through right now. AS lovers, we decided together what you would be about down here whilst apart. You said you wanted Me… 'that much' My darling one! Please don't make your mission and your pain be a disappointment to you. You chose this way, so that you would find Me and love Me above all else, without ever actually seeing Me. You wanted to know Me more deeply by breaking through the earthly realm into the Heavenly one. You wanted to split the veil with your desire. I so desperately want you to find that passion My love –dove. Your test is exquisitely designed, tailor - made just for you and I really have not given you more than you can bear. It's hard, yes, but not impossible. Everything inside you screams, "Oh bit it sure feels impossible" The climb is steep and you have not yet found your footing, but you will. As you just continue to want Me, I will help you find the clefts for your feet and the right rocks to hold onto. Don't give up! The summit is just up ahead. (End of prophecy)

18TH/19TH MAY,2021

John 7:38 He that believeth on Me, as the scripture hath said, out of his belly shall flow rivers of living waters

JOH.7:39 But this spake he of the Spirit, which they that believe on him should receive.

The fountains of water that have burst forth and flow in streams to quench the thirst of My children, the rivers in the desert, are under attack. The wells are under attack and the enemy seeks to fill them with the sands of the desert, to render them unusable…for envy. His toxins have entered and are seeking to foul the

waters, to hinder, to delay, to cause havoc or whatever he can do to stop their flow. No, he screams, the Children of David cannot be given breathe! So he sends in his black hearted imps to whisper their toxic words. Words that minister to self, that minister to your feelings; that make you think about what you don't have or your feelings of resentment of what you've had to give up to serve Me and he blows it so out of proportion as to get you side tracked and to lose your fire. You become complacent and familiar with Me and My word and especially my instructions to you. Then in comes lethargy to trick you to put down your guard and even put down your weapons. Your senses have become dulled and you don't sense the urgency of the battle surrounding you at this time.

Gird up your loins. Gird your minds and give them to Me.

If you had to face your seven trials, how would you fair My young padawans? Would you have the tenacity, the determination, the focus, the connection with Me that when you are sore pressed you cry to Me for help and you automatically pull out your weapons? Are you willing to step into the fire, by faith, and expect that I will come through for you? It must be My warriors that you be tested to try your mettle, so you can know it's strengths and weaknesses. We are on the threshold My dears and some of you are missing some of the basic tenets of warfare… and they are: listening and obeying and focusing on what My will is and putting yours aside. Your weights are obstacles and only get in the way of My flow. You are either stopping up your own well or hindering those that wish to draw fresh wine because your disinterest in being a receiver and obeyer is a distraction and an inroad of black dark thoughts. It is time to put away childish ways and selfishness and step up to who you are destined to be. You cannot be wallowing in indecision any longer. You cannot have one foot on My boat and the other on the boat of your whims and empty dreams. My boat is heading out into deeper waters and you have to choose now which boat you want to be on. In this state of indecision you cannot grow. It tendereth to poverty. You are wasting precious time. There is still much to do to prepare. You need every spare minute you've got. I need you to be onboard My loves…all of you. I need you all. I chose all of you. It's not a matter of anyone being better than the other or that you are not up to it. You are if you choose to be. You are if you yield and submit and be willing to become less and less of you and let Me shine through till all they see is Me and you disappear. It's what you were created for My brides. Life is vanity and the only thing that truly matters is to love Me and to live My law of love and love others. If you can just grasp that …then I can mightily use you. I realize it doesn't happen in an instant but the main thing is that you give Me your heart and mind and life to serve Me. Otherwise you are being double-minded and as you well know, a double-minded man is unstable in all his ways. My dearly beloved, let it not be so. Make your stand. (End of prophecy)

22nd May, 2021 (Prophecy) My love, it is really something to stay focused on what it's all about. The devil is so sly, so subtly crafty that you barely notice his tricks. Sometimes you do miss them altogether and it takes you awhile to wake up to what's afoot. He just likes to warp and twist the truth any which way he can to make you feel bad. It's so easy to attack "you"!-the sensitive parts that are especially vulnerable. And he is relentless. He continually messes with your mind. So you need to gird up your mind. What does that entail? To gird means to be prepared for action, to prepare yourself for a fight! It's getting rid of any wrong mindsets. It's putting off the carnal and…of course …putting on My mind. That means…full possession… mind-melding with me. It always comes back to this point, doesn't it? You need to hide yourself in Me, live in Me, breath in Me. Get lost in Me. Disappear in Me. Fade away so that I grow all the more evident in your life so others see Me more and more. All your pretense and awkwardness and unsureness of yourself disappears and you feel natural because I am living out of you. You become a symbiotic creature, living in

Me. And as you do, you become free and happy and content no matter what is happening around you because you are actually in a different environment…you are assimilated in Me, in My realm. And you'll be inoculated and protected against all that is going on around you because you live "in" Me. Beautiful. Nothing else matters My love! It's flotsam and jetsam. It becomes very simple. Your focus sharpens and your vision becomes clearer. When you just let it all go, then you will have the grace My love. Don't try to hold on to anything but Me. It only brings sadness and tension and clouds your vision and distracts you from the mission. You need to continually swim In My waters and live in My presence and just through osmosis you will be full and I will live in you. You will float in My love and shine out that peace that only I can give. So stay open to Me and My channel. Stay on My channel and don't stray or waste time anywhere else.

Osmosis means a process by which molecules of a solvent tend to pass through a semi permeable membrane from a less concentrated solution into a more concentrated one.

Lesson on But If Not Faith

6TH AUGUST,2021 My love , you are injured! I have offended you. Come, look Me take a look at it and clean it up and put some salve on it. It will smart for a bit but if you take good care of the injury and be faithful to clean it and put fresh bandages on it then it will heal quickly. But, let Me warn you, if you neglect it and don't change the dressing and wash it clean each day and put the healing balm on it, it will fester and become infected. Faith cometh by hearing the Word My dear so if you are hurt and questioning My ways then you need to come into the Temple and get healed.

When I said I want you to have crazy 'saw off the limb' faith and you followed and embraced that concept, I wanted you to 'feel' in this case, how it is to be falling; falling backwards in the open air! It feels like dying, doesn't it? For a while it is breathe-takingly scary as you free fall. It feels like, you are lost, completely dead! Is it possible I forsook you and I'm actually gonna let you hit the bottom? …My ways are so far above yours My dear, and for you to assume the outcome can lead you to this injury that you have sustained. My workings are so varied, and for example, why do I heal one and the other passes away into My Home when I promised that he would 'live'? Your brother chose that! He chose Life! How tiny are your minds! How utterly base! I am the Great I Am and I think you should know by now that I love you with all My heart, after all, I gave it for you. Why would I dash you on the rocks? Except it was My will. You still have the earthly concept of looking at things. Remember, it's not about settling here at all. So if I chose or you chose to come Home then, great! Job well done. You have completed your mission. If it is My will, to only give you one year on your visa, just say, then maybe I want to have you caught and then you can witness to your captors and give them their last chance. That is part of your commission, is it not? If you are imprisoned until I return, is that also a defeat and will you say I have abandoned you? These are the times of marvelous feats, so you'd better be open-minded to Me and My ways or you will sink and fall apart. Some of you could die or be killed in this next three and a half years; is that also a dismal failure and will you say, 'Where are you Lord, why?' Yes, I will do mighty amazing miracles of protection and escape from the enemy but be prepared for the capture too, if it is My will. If you are hearing from Me and getting all your instructions from Me; if you are calling on the Keys and your spiritual team mates; and if you are obeying what I have

told you to do, then come what may, whatever happens, you can know that that is what I want. It won't be a failure or defeat. It will be My highest will. When you fall off that limb, I do catch you My darling, but just not in the way you think. My dear Warrior Band soldiers, I am strengthening you through this battle. You must be tested! Would you want me to send you in green? No, I want to get some experience under your young belts. And this is the way- a serious squirmish to gain confidence in My ways and workings. I have been so very pleased with your obedience to My instructions this last week. As you have called on the keys and fought in prayer, you will see miracles My loves. This foray has highlighted your weak areas that need attention. Great. Then take care of your wounds now and fortify yourselves for the next foray. It is most certainly coming so gird up in this interim and be as ready as you can be for the next one. Don't feel ashamed that you received a wound. It is My love, in preparation for all that is coming. Now tend to that wound soldier and bolster your faith. (End of prophecy)

****

You must see things in the spirit! You've got to choose to see things with the eyes of faith, because there's so much that can never be explained in carnal or fleshly terms. There's so much about the dynamics of the spirit, My spiritual gifts, and the workings of the world of the spirit that you will never understand with your human mind, and which will never make sense to the scoffer, the doubter, or the unbeliever. But that's where faith comes in--faith of a little child, faith as a grain of mustard seed, faith that can move mountains, faith that transforms you and gives you understanding.

To choose the road of faith is a choice you have to make! It's a choice no one else can make for you! But it's a vital choice, because when you lose your faith, then you have lost everything, and you're in danger of becoming alienated from My Spirit. (PFTCOD5)

16th March(Prophecy)To go deeper, means stripping off of more, of realizing that you have been cluttered around about by so many unnecessary hangers-on; things that you thought you needed. When you realize what actually really matters, it is quite simple. It's a freedom! Yes, the battles will come, that cannot be avoided, but you see more the purpose of it. Ultimately, it's all about LOVE. Simple and straight forward, but oh so very powerful and so unusual and not found any more but for you My children of David. Live it, breathe it, and exude it. Do it even when you don't care to do it. Call on the keys of obedience to My will for it is indeed the full filament of the LOL that will lock and load the final key. It is one of them and must be attained, lived out to the best of your ability, My brave, humble brides. For that's what you must be, so very humble, stripped of all you think you are and should be. To have no will of your own, to not even want any part of some agenda you have for your existence. Your existence needs to revolve around Me & My plan for you. (End of prophecy)

Any man that will come after Me, will deny himself. **(PFTCODI-Prepare for the Future)**

27-MAR-2021_toughest training course (Kaye)

(Jesus speaking:) You think it's a nice thing to be a Christian? No. In fact it's one of the toughest training courses around. It's not for weak livered and feed-themselves-first slobs. You've got to give everything until you are bleeding and in want. You've got to love with all you have those who have repeatedly hurt you.

You have to give up all you have to gain something you have yet to see or know if it is even real. You have to love a God that takes everything away from you and allows the deepest suffering, and trust that it's going to work out for good in the end.

So, do you want to be a Christian, a true one? It's tough. Yes, you can believe on Me, and love My sweet sugary words. But a full, all the way Christian disciple, are you up for that? It's tough and only for the bravest. That's why I said to count the costs, because those who go only part way and then leave, or worse become traitors, are judged sternly. Only come if you can give all. And keep giving all as your "all" means new things. One day it might mean one thing, and then later on when new things are added to you, "forsake all" means an entirely new thing. But giving all for Me, and loving the brethren fervently is what you are meant to do.

I'm tough, I know. But you will be rewarded for love. Love is really hard, and can only be done with the help of My loving Holy Spirit. Take more in, and you can give more love more freely. It's not just about flesh, but loving their heart and showing it in the kind way you speak and interact.

Everyone will hurt you and keep hurting you. You can't keep stored up rocks against people—rocks you think should be thrown to punish them. That is what a "grudge" is, stashed up rocks that you think should be meted out to them. But boy, that sure weighs you down.

We are cleaning you out and "lightening your load"—bringing light and allowing you to go on lighter of foot.

Let's cry together for the pain we feel. I'll cry long and hard with you. You won't cry alone. But remember, all things will work together for good to them that love God.
