

More on How to go behind the Son!

Denith's heart was pounding, and he'd broken into a cold sweat. He was afraid, anxious, not wanting to hear and not wanting to see, yet at the same time desperately wanting to partake of whatever was happening around him. "I know it's a struggle," Hoden continued. "It is always a struggle when someone from your world reaches through into ours. There are those who are as eager to keep you from discovering it as we are to help you find it. But this time they have failed, and we have succeeded. They have not been able to keep you from seeking, and now you have found us--or we have found you, rather."

(THE SEVEN KEYS BOOK I - DENITH'S STORY)

I have every answer and I hold all the keys. I am the Way, the Truth and the Life. No one comes to the Father or enters My Kingdom, except through Me. I am the Ladder and I am the Door. I am the Shepherd, and My sheep know My voice and they follow Me.

FOLLOW ME...and only Me. Do not listen to the voice of another.

If you would know in which direction to walk, then listen to My whispers. (Following the Little Dog Line comp.)

Living in the Manner of Heaven--The Supernatural!

127. (Maria:) Isn't it fascinating to know that while all men have a touch of the supernatural, we can choose to live much more in the supernatural! We don't have to rely just on the little bit of supernatural power that was entrusted to us upon creation, but we can actively seek the supernatural. Through our choices, our knowledge of His Word and living it, our faith, our desire to love and care for others and forgive, we can live much more in the supernatural! As we mature in spirit, we live more and more in the supernatural realm, and we become more like the Lord and better representatives of His love and Word. ***How much of the supernatural we have depends on our desire, our vacuum, our hunger. What a challenge!***

Step out on the water holding the keys, and see how they will buoy you up, and how you can walk across the water. The keys are not confined to the realm of the flesh or the carnal mind. They work in the realm of the supernatural and miraculous.

Note: If we say we are following the Words of David, we shouldn't at any instance think to bypass any of the directions given in the Words, here is part of a prophecy that highlights this point: **Clear speaking:** "There are so many treasures in the Words of David, so much instruction, yet so much was lost in the doing. So many no longer desired the things of the spirit, so many allowed the cares of this world to steal away their simple child-like faith, and thus their hunger and desire for spiritual enlightenment dwindled as a flower fadeth through lack of water. If you involve yourself in the affairs of this life, the affairs of this life will bear on you

more. Have you noticed that? The reverse is also true. The more you draw back from the world the less hold it has on you, and the more you see you don't need to involve yourself in the world. It takes faith to come out from among the worldly. You have to trust that I will take care of things you think you have to. There have been, up to this time, certain requirements that have chained the children of David to the system. Upon entering the wilderness, those chains that once held you tightly bound, have been loosed, some have fallen free, but some are still in place. They are like shackles that remain in place around your ankles and wrists, and although unlocked they sit in place because your faith is not yet complete." ("Four Glasses of wine, Four Swallows of the Spirit")

You've got to choose the road of faith, keep the heavenly vision, stay connected to the Word, and fight to keep your spiritual eyes open so that you're aware of the supernatural realm and the battle that's raging. ("So You Want to Be a Disciple?" ML #3458:69)

"It's not natural to rise above. When something goes wrong, or you feel unloved or unneeded, or whatever the particular battle is, it's natural to get discouraged! But what you must do is will yourself into doing the supernatural thing and rise above. You must make the decision to fully yield and surrender yourself to the power of My Spirit." (Positively positive part 1) (Mystical Bible blog post August 25, 2022 A Prayer and A Blue Angel)

I ask you to advance to the next level of commitment and dedication. No longer allow yourself to stay at a certain level of faith and commitment, but move forward with the swiftness these keys can empower you with. **The time has come to move rapidly and to progress faster than ever. You cannot stand still any longer!** (What the Future Holds Part 1)

Prophecy: And I, your Husband, am well able to keep you in the hour of temptation that has come upon all the world –yea, all the world, worldlings, Christians, unprepared Family members, and even Children of David, who, if they were truly listening, would have made preparations. ***And what preparations do I speak of? I speak of preparations of the heart, those of faith.*** The building of your faith begins way back before this time and certainly the hour of temptation. Those that do not believe now, or who hesitate now, will believe then, but it will be too late then. It is now that the vessel must be made ready. It is now that storm prep must be enacted. Those that look for signs and wonders in the sun, moon and sky will be found wanting. But those that listen to My still small voice now will be those who will not waver, tremble, flinch, nor even consider the possibility of giving up. These are they that will not consider the prospect of surrender. (Following the Little Dog Line comp.)

(Blue angel) You have to stop thinking about yourself and start thinking about the keys. Let their beauty fill your eyes. We are past the point of trying to convince you that the things of the flesh don't satisfy...yes, you will crave and hunger for them, but the whole goal is to get you chasing us instead. Not really so you can be satisfied, although you will be, but more to satisfy Jesus. He needs a vessel so He can pour His abundant love out. There's so much He wants to give to you, but if you want to keep looking at the mud and sticks, you will miss a whole lot of our beauty. This beauty is yours to experience. What do you want to live in the carnal world for? Experience us...seek us ... focus on us... dream about us and we will be the air in your lungs; the sparkle in your eyes, and the color in your smile. **You need to get excited about our world and let it pull you out and away from the depressing needs of the flesh. This world is boring and depressing, so quit living in it so much, why not try to live in and experience our world, since that is your real Home, and where your spirit truly desires to dwell.** Don't neglect the wonders that are at your fingertips. Call on the keys of Blue and Gold which changes your carnal desires and causes the hunger and wonderment for our world to grow in your heart. This key was created by our love and craving to become one with the King... **it's the key to all dimensions and if you have this key you can access any dimension. But it only yields its power to the most empty and yielded heart. It is only activated by desperate hunger for the Lord and His secrets.** So make room for me to press this key close to your heart...let its light shine on you and brighten all the dark parts of your little world. It's time to leave the little world you've known for so long, break out and face reality. Let us rewrite you with the keys! Let us open the door to the world from which your soul belongs. It only seems like there is so much standing in your way, because you are standing on the ground. Rise up on the wings of praise, and stop believing that it doesn't work as good as we say it does. Put your whole heart behind your pursuit of our world... your world, your Home. Call me to come and come, and I will, to pick you up out that despair-filled realm. (B&G comp.)

(Mystical Bible blog post August 25, 2022 A Prayer and A Blue Angel)

Speaking About Blue and Gold

1. When you read about the power of the Blue and Gold with all its properties, which are so unearthly and come directly from Heaven, your heart swells and resonates and you feel like ahh...I am Home. This is where I belong; this is language I understand. This is my place. Peace floods into your very being, into all of your soul and spirit. It's completely satisfying. It lifts you up, encouraging you, filling you with joy, energy, the will to keep fighting as well as the reason and love to keep going till you are Home again. It reconnects you with the source and is all-encompassing and full of hope. It's your frequency, the wavelengths that you belong to. It feels like you have connected with your kindred. It's soothing yet stirring, and while it gives you a longing to be back where you belong, it also surges your desire and determination to complete the mission you were sent for...

2. Which is to reconnect other Blue and Gold tribe members! It washes away all the earthly trash and contamination. You come into the Lord's presence, where everything fades away except for you and Him. Your focus is magnified and all else seems to fade. As you yield all your senses to Jesus, He comes into you and possesses you. You become one. It's a surge, a rush of love and power and complete satisfaction...ecstasy! It's an orgasm of the spirit and oh so to be desired! Such warmth, such love!

3. It's where I long to be Jesus! It's like it brings back faint memories of a distant time when I walked in the Light, in that warmth. My longing is strong and growing stronger. Could your time of return be getting closer? I feel I will see You soon, dear Husband. I long for it! I so desire to be Home.

I feel so small and like I need to be... I need to be nothing. My self needs to disappear. I am humbled as I let go of my mind, my carnality, and let Your senses flow into me. Wash away the humanness and let me be filled with Your beautiful Self. Oh, to just be a vessel immersed in Your love where only You can be seen and I disappear. My outline is there, and that is needed, but it is so very faint."

It definitely requires supernatural power to perform the miracle of change. Basically, you have to want it more than anything in the world and be willing to give up anything to have it. (Mystical Bible prophecies 800+ _ John Weaver)

6. I have given change to all My children through the ages as a special gift. You don't have to accept your circumstances. You don't have to be satisfied with the way you are, the way you think, or the way you feel. You can change things! You can change anything, with My help! Your weaknesses can be strengthened, your faith can grow, your spirit can soar, your endurance can be prolonged--anything you wish is possible with the gift of change. And this gift is given to all. There's not one person on this Earth, saved or unsaved, who can't take hold of the gift of change and change something in their life or world for the better.

7. However, for you, My children, change takes on an even greater power, because not only do you have the physical and natural power of change at your disposal, but you also have the supernatural and spiritual power of change available to you. **This leaves you holding a raw power that has no limits!** Do you see what this means? It's a tremendous gift, yet many of My children cringe at the thought of change. This is because they see through a glass darkly and do not have the Heavenly vision--perfect faith and trust in Me that anything I do and any change that I effect will be for their good.

8. Those who are able to rest their lives in My hands see more change than those who try to hold on to themselves, to keep themselves safe and secure and free from change. Those who let go and who fling their arms wide open in wild abandonment of self are the ones who see great change.

First, I must have your permission to effect change in your life. *(That's called full possession...come and possess me Jesus, come let us merge my Blue angel.)*

Second, you must believe.

(Changing Deeply Ingrained Habits and Mindsets By Maria Maria #555 CM/FM 3324)

My resurrection life within you, and each one of My brides, is more actual energy than you've probably ever realized or utilized. You have the Spirit of My Father which raised Me from the dead dwelling within you, My love, and just as He raised Me from the dead, **so can He quicken your earthen frames by His Spirit.** That's one of My wonderful truths and promises I've given to you, **and this resurrection power that is within you through Me has given you the same power to rise above. Claim it as yours!**

(Rising Above)

25TH December, 2023

(Ebed) It is a very narrow way, narrow indeed...but ...as you pant, each step will be more and more sure footed. Not all can climb where the hart does, for each step must be placed carefully, measured...as your thoughts seek and search to want to be the step He would want you to take. That takes concentration and focus, so your steps won't slide! As Stephen said there is less oxygen as you go higher, you are now in heights that the flesh cannot go, these are spiritual heights, so your efforts must be conserved for the essential services. All else is a distraction and when you take that worldly input in then you have to deal with getting parts or all of it out of your mind. And in the meantime, time is lost and then you have to work to get back in the plasma stream again. Cleansing has to be done before you can move on. Perhaps in the past it was a bit more relaxed but not anymore! If you want to go where Jesus has been telling you, then make your election sure now! You are in the process of stepping up and making a very big decision to take the road of solely relying on Jesus' communication system, His TV station, His media outlets-Him and we spirit helpers and your Blue angels! I realize this is a bit of a frightening step for you. It's daunting and may seem quite extreme! It's definitely a personal choice. You feel inadequate and that your channel will lack the sucking action required or that you have to have a pool to draw from and you know yours is very small; your vessel is so tiny! But, again, ***"You are a pouring vessel; seek not to keep anything. Like a pipe cannot keep water but the water only passes through, cleansing and invigorating it; so are you."*** Gotta keep remembering that quote! As you take on His nature more and more He will enlarge the mouth of your vessel dear one. This you must take by faith. It is a test. It is a step of obedience. It is the way for stepping through this portal that is set before you and He has allowed it at this crucial time to ready you. *"It will seem that the flock shall be cut off from the fold, and there shall be no herd in the stalls:"* but do not fear for being all alone, for it is He who setteth you on His high places. And you can be sure that is the very best place to be!

PSA.18:32 It is God that girdeth me with strength, and maketh my way perfect.

PSA.18:33 He maketh my feet like hinds' feet, and setteth me upon my high places.

HAB.3:19 The LORD God is my strength, and he will make my feet like hinds' feet, and he will make me to walk upon mine high places.

(Prophecy) Prophecy must not be second nature it must be first nature. Prophecy is not a natural thing, it is supernatural, it is given by spiritual beings, whilst you are in spirit. This simply means that you have to walk in the spirit all the time to receive directions daily, hourly or by the minute. I'm giving you warning, up ahead, we are going to be giving, what may seem to you, pretty wild directions. Of course those directions won't look that crazy from here, that is because we can see around the corner and can see that there is only one way to avoid what is waiting around that corner. We need you to appreciate the fact that you are going to be asked to perform some pretty far out moves, just like Moses was asked to head for the Red Sea when he could have taken the kings highway along the coast. Thank God he obeyed, right! Well let the same be said of you one day in the future when a teacher is looking for an example in his history book of a good follower.

(Following the Little Dog Line comp.)

(Excerpt of Prophecy) "I cannot make this any easier; you know that. This is the life of faith, the test of faith. You must continue to believe even if you never see an angel or your wonderful spirit helpers; you still must believe they are there and are helping you. The understanding will come and with it the fullness of knowing you have accomplished what very few have ever accomplished in this life. The Words of David have been given to many, but as you now see, only a very few have held onto them through the testing and trials of the post-reboot years. Fight on, My bride, for we are here, and you must know that you would never have gotten this far without our help. No man alive could have passed through the years and trials and tests My true brides have passed through without supernatural help. So keep that knowledge close to your heart and run on dauntlessly."

(Mystical Bible prophecies 800+ _ John Weaver)

Nov 20, 2022 (Prophecy) (Jesus:) If ye would come and lie down with Me in My bed and revel in the ecstasies of Heaven, thrilling to the touch of the Blue Beings, then I could more easily satisfy you. It is the Spirit that quickeneth, that makes alive your own spirit from within you. There are distractions, and blockages, that hinder. And there are circumstances that stifle the flow of My nature into yours. All these must be fought and avoided by any means necessary. If you sense a wall is in your way, then stop and ask Me how you can get around or through it.

But maybe I am trying to teach you to walk by faith, and not by feelings. Maybe I'm trying to open your spiritual eyes and senses more by barraging you with all these carnal sidetracks. Something that is easily attained is never appreciated

as much as a prize well fought for. Do you desire the Spirit? Do you desire My loves? Then I want to see you fight for it, and prove to Me that you mean what you say.

I know that thou loves Me. But just as I had to ask Peter this many times, so must I ask you. For the flesh can overcome even the most well-meaning Brides. Lovest thou Me? Lovest thou Me, even more than these? (End of prophecy)

12/22/2022 (Jesus:) Come out of her My darling. Take My hand and let Me carry you up and out. I have carried you as a whole onto the steps of this door to the wilderness of the spirit and even now do you experience the wonders of the world to come. Through the mists of the gate you feel the breezes of the freedoms that I have waiting for you; you see the sights, you experience some of the magic of the wilderness, but there is yet more, for look beyond this dry wilderness, where all is possible. Look to the mountains and beyond and behold the light that shines on for eternity and for eternity to come. That is the light of My City. You stand at the gate of halfway to heaven land; you experience its magic, but you must now come in deeper. **It must be each one's personal choice and faith to step past the thin veil of shimmering glass and enter the portal.** There is no turning back, this is what lies ahead upon the road for all My pilgrims as they make their way to that Great City, the City of Light, My Celestial City. **This is the high road, and all who choose to forsake their ways to take up Mine may pass through this last gate into halfway to heaven land**, yet those who choose to hold onto their own ideas, their own will and ways, those who cannot make this choice due to their own choosing must take the path that leads down, the low road, the way that leads through the valley of the shadow of death. It is a hard road to walk, as you know for all must pass through these valleys on their journey. Yet at this time, at this crucial point in time I give each of My children another way. It is not a way out of the world altogether, yet though they face deviation, guns and bullets, famine and war, yet shall they walk above the valley. They shall see in but they shall walk above. And I shall feed them, and they in turn shall pass down the waters of life to those who walk in the valley, and they shall quench their thirst.

Now is the time to throw off the chains that bind you and enter through the portal that I have set before you. Each one of you will step through at a different level, for not all have walked the same road, but all who say yes to Me are welcome. And according to your faith, and according to your willingness I will keep you, and I will help you, and I will be for you what you cannot be for yourself. You see yourselves as unworthy, as un-experienced, as unlearned, as but a child. But I say unto you, say not that I am a child, for I shall put My words into your mouth, and I will put My heart into your heart, and I will take away the flesh that My spirit might shine through you as a bright star in the midst of gross darkness. And I will give you wings of an eagle, and I will carry you when you cannot carry yourself. All I need is a willing heart, a heart that is yielded to Me. For I know your frame, I know each one's frame. **Do not think that I am not prepared for this time or that I have chosen the wrong ones for this great task. And lo, the task is great, but it will not be you who walks amongst them. For I will make you a flaming torch in My hand, and a defended city and an iron pillar, and they shall fight against you, but they shall not overcome you.** For behold I am with you, and it is I that shall fight for you and through you and in you and all the world will know that there is a Living God. Be not afraid of their faces for I am with you. Step now through the gates into the wilderness that awaits you. Fear none of the things that lie ahead, for what are they unto Me. For behold none shall be able to stand against you, and though the towers fall and the earth be moved from its place, I will still be with you, and you shall be in My hands.

Yes, even this small thing that I ask of you now is impossible for you. You know your frame, you see your faults and your failing, and you feel so inadequate. But I say again, look not upon your own frame... It will not be you who will do all that I am asking of you. It will not be by your own might or power **but by My spirit**. I am not asking the impossible, for with Me all things are possible. Yes, for the flesh it is impossible, for in sin were you born and from your childhood till now you remain but a corrupt being. **Look past the flesh, look to the spirit.** Open your all to Me. Give Me yourself. Say yes unto Me and let Me come in unto you.

(me:) I know now what that means Jesus, and it's so hard to say yes. When I was young it was easy. I'd say yes, I'd give you all, as if I knew what it felt like to give you everything of me; as if I knew what death felt like. Now I've had a taste and sweet Jesus I feel too weak to walk this road. But I don't want to fail you. It seems like there is something inside of me that is pushing me to make the step. To say yes to You means laying down everything I love; no plans, no will, no desires of my own, nothing but total service... I know that once I've passed through the pain, I would find that total joy that You've spoken of. I want to make You proud, but the breaking, the loss, the death! Am I able Lord...?

(Jesus:) Not you, but I... I love you My darling. And it is this love that drives you onward and will see you through and at last across the finish line. I understand the fear you feel; I too felt this fear as I prayed in the garden that night. But I'm not going to ask you to have the grace for all that you will face all at once. I know that you can't do it. All I want is for you to look Me in the eyes and say yes to this first step. It is our love for one another that will see you through to the finish.

So can you say yes just for this one step despite all that may oppose you? Do you love Me? ...You know I love you beyond measure.

(me:) Yes Jesus, I love you. You satisfy me. When I'm with you I feel totally complete. When you hold me in Your arms I know that this is real, this is where I want to be, this is the meaning to life. So I say yes. Help me to do my part to fulfill whatever requirements You ask of me in order to step through and walk through this wilderness. I can't do this on my own; I've failed too many times, I'm too weak, but I want to do it for You...

(Jesus:) Then take My hand sweet one, and I will lead you through. I will show you the way in which you must go. I will show you where you must place your feet; I will be with you as you take each step. And if you should stumble or go astray, I will remain faithful. I will bind your wandering heart to Me, and as a strong cord I will pull you back upon the path I have set for you. So take heart, look to Me. Remember the love we share, for it shall be for you as a light when all other lights go out. And take that which is in your hand, hold it out before you and walk onward. Never put it down, hold it out before you always. For with these Keys you shall open all heaven, and bind all hell. You're not alone, so walk not alone, reach forth and avail yourself of the experience of all the ages. Great shall be My spirit in you as you yield your all to Me. **Now is the time of the wilderness, now is the time to bridge the gap between heaven and Earth. You're My keys, you're the completion of My church, and with you I will open the portal between the worlds.** So walk on faithful, be not afraid, for I will do it all through you. Carry My words proudly and faithfully onto the end. I love you... (End of prophecy)

The spiritual realm is true; it has another dimension to it that you just can't understand in your natural, carnal mind. It's very important for you to realize this truth, otherwise you open yourself up to strong delusion; you start believing something that isn't true in order to justify your choice in your thinking. **(Keys are Our Wilderness PDF)**

The following is from (Jesus to Return in 2026 By mystical bible DEC 26, 2023)

(Personal prophecy :) Belief is a funny thing. You can't really "will" yourself to believe. For some people, that thing you can't seem to swallow might be standing in front of you like a huge mountain or rock. You want to get over it. You want to believe. But your mind just doesn't let you. You even tell yourself that you believe, but when you look into your mind, you know that you actually don't. So you try to go on, perhaps taking a side path, just hoping that the huge rock in your way doesn't hinder you too much, but somehow you know you'll be brought back to face it. This is when you are in the state of "Lord, I believe, help thou mine unbelief." You are trying and you want to follow where the Lord is leading. You want to believe your Lover.

But it almost seems like it's too much. How can you believe that Jesus is going to come back in 2026? You feel like there is a chain around your ankle stopping you from attaining that belief. You don't have the faith. You don't have the substance of things hoped for, the title deed, and you know it.

You just have dust and ash that blows away when you look too hard at it. You can't stay like this forever. You might last for a while and you keep going along "in faith, or is it hope" that the darkness will be removed or that you'll find a way to reconcile things between what your mind can handle and what Jesus is saying. It's not like you can get yourself out of this state. You can't undo that chain around your ankle that has you pinned down. You can't get that huge boulder out of your path. And sometimes you don't actually know what is going to happen to you. And it's true, the time will come that Jesus will pick up His staff and start moving on. If that chain is still there, you won't be able to go with Him to the next level. So what are you supposed to do? No matter how you try or struggle, you can't undo the chain.

But if you really want it, if your attitude is really "Help thou my unbelief" If you are crying out to Him and you desperately don't want to be left behind, He will come to you and He will shine light into your little mind. He will speak to you or show you something, something that will speak just to you. It might be something that wouldn't mean anything to someone else. But it turns a key for you. It opens the door. You look down and that chain is gone. You find

that you can accept what He has been trying to tell you. You are free to walk through that door into the light with your Lover.

The key is that you have to want it. You have to be listening to Him and the helpers as much as you possibly can. You have to be taking in the Word and be believing and claiming the keys. Then He can get through. Then those blue angels can get through to your poor carnal mind with some of that 6.66 frequency and show you the truth. They will knock down a few locked doors in your mind to enable you to believe, to accept, even when the rest of your mind still doesn't understand. It's a beautiful thing. You will be so thankful when you can rest on that faith, rest in His love. There is a certain freedom and it takes you deeper into His love and the beautiful mysteries of the spirit world. So it isn't that big boulder that's the problem. It is in using the Key to move that boulder for you. You can't lift a boulder, let alone a mountain, but you can quite easily pick up that small Key and "by faith" ask it to lift the boulder or move that mountain of unbelief for you. (End)

Clear speaking: So you see, a little is still left up to you and your willingness to obey by faith. The "Roll ye away the stone" story in the Bible is another example. You guys are bound mainly by the mind. As was said earlier, the port of entry to full possession is through the mind, so your minds are holding things up. They have to be brought into subjection through the Keys of the Kingdom. They are still running on the wrong frequency in too many cases. Is it possible in this life? Of course! All things are possible through the Keys. It's the effort to get up and walk through our door and into freedom that is required now. A frequency creates a wave, and a wave is for riding. Surfboard riding is a good illustration. Use the Key of 6.66 to create that spiritual wave. (End)

Man's heart must be divinely prepared to fall in with God's plans — or he will resist, reject, and choose any plan of his own before God's. Proverbs 16:1-3 (MB BLOG POST "OUR BLUE ANGELS ARE THE DOOR" NOVEMBER 29TH, 2023)

April 1, 2021 More Of Me And Less Of You.

1. More and more the Lord is asking you to give of yourself for the sake of another. You are being made into that spirit warrior and it is all about turning off your carnal mind and being ready and willing to step into the spiritual realm of the supernatural where true love and sacrifice reign.

This is a personal prophecy about laying aside something in order to enter in deeper.

2. My love, this thing I ask of you, this Isaac that I ask you to lay on the altar, is something that is truly by faith for you. I gave the command and you do as I ask, even though it is grievous to you. It actually really kills your pride; to have to step aside for another to step into your place; takes humility you know not of; love that prefers another that is not of this world. You know yourself, you, simply can't do it. So, that means you have to be using this principle of turning off the carnal mind and going into the spirit realm. Don't try to figure it out or understand why I am asking it of you. Well you know the reason, but you ask, Why Lord? Can't there be another way? Well, My love, I am actually honoring you with this battle. It is not for the weak or faint-hearted, but for those that I know will use the struggle to put the word and the weapons to the test because you believe in them. I know you will come out the other end and testify and give all the glory to Me, telling that I came through for you; that I never fail; that My promises are true. Your love for Me is so great that you want the world to know what I have done for you and what I can do for them. Each and every one of My warriors face a battle that is "the death" of them. Each one has to sacrifice and give up things or people or dreams to serve Me. So, maybe you will be able to help others through your experience. Maybe you'll help someone else along on their journey and make it a little easier and encourage them to keep going or have some advice on how to make it.

3. But the greatest most exciting feature of this battle and the ones you've been facing is that I am making a spirit warrior out of you. It has all the right ingredients- because you just can't "get" it, you have to leave your mind behind and put on Mine, and you have to leave pride at the door of the spirit realm. My darling, it is making you stronger. More and more, it becomes less and less about the why and why not and more about what I've asked of you and how it is changing you and how each battle is growing you up; it's emphasizing that you need to go to the weapons and that loving Jesus is the key that will take you to higher ground. These battles are preparing you. You are having simulation after simulation, so you will be so used to knowing what to do, no matter what battle you face. You know the tactics and you'll automatically know the steps to take in any situation. It will have become second nature. So now do you understand why you need to feel so weak? It must be so; to train you. It's the only way. More of Me and less of you!

4. "I am actually honoring you with this battle. It is not for the weak or faint-hearted, but for those that I know will use the struggle to put the Word and the weapons to the test because you believe in them. "(Mystical Bible prophecies 800+ _ John Weaver)

(Celeste) You have done well to hone your gift of prophecy, because this single act of obedience has given you great advantage over the enemy. You have thrown out the limited resources of your own mind and the carnal reasoning over man's wisdom and have embraced the supernatural, the very mind of God.

16. The gauntlet was thrown down yesterday. I know it can seem trite and insignificant to you at times, that is because you are truly hedged about with so many angels and protecting spirits. You have been instructed to not look at too much news, now we are asking you to be careful of delving into other waters, other opinions, so it would be a natural conclusion to think that things aren't as bad as it seems from where you sit in your cosy little mountain hideaway.

17. Keep your eyes on Memphis for out of it has come the great confusion, he has marshalled his forces and they are pressing all those not firmly connected to Jesus toward the Red Sea of impossibilities. As for you my dearest comrades in arms, my fellow warrior band fighters, those that love not their lives unto the death, the true Children of David and lovers of Jesus, His bride, you have been commanded to take up the weapons of the spirit and rely totally on them, this takes great and unbending faith, steel faith, unobtainium faith.

18. The fires of faith must continue to burn in your lives, for the purifying process is not yet complete, the tests must continue for a short space, and then the enemy will be let loose upon you to try that steel. Do not fear my brave comrades, his fire is weak compared to the fire that you have already passed through to reach the heights of faith that you have reached thus far.

19. The mountain air is pure and clean and fresh and invigorating at these heights, a place where only those of great faith may stand. Up ahead are the heights of despair, they are treacherous and slippery from the cool damp air, moss and lichen grow in those cracks and crevices where your fingers and toes must search for foothold. Your strength in Jesus must be what sustains you, for truly up there, just ahead of you the arm of flesh will fail, all human strength will not avail you; not one ounce of power needed to continue to climb. Up ahead the lightning often streaks across the sky and the very mountains seem to shake and shiver as the very breath of the evil one runs up and down its slopes; he appears to be everywhere. It is there, up there, where you can-not see more than one handhold before you. You are blind, that is where the flesh must let go and the spirit of God must take over. Anything else, any plan, any idea any concept of moving forward with-out pure faith will not work.

20. So hone, practice and become expert at moving in the spirit. We are here, we cannot fail because our Lover knows no defeat; nothing can stand against Him, no one, except your faith, that is where the Achilles heel is. That my friends is where you are heading to so protect your heel, protect it by strengthening it. Jesus cannot fail; Jesus will not fail, and stand strong in the power of His might.

Don't Waver YOU SAID... I BELIEVE ...IT IS DONE! 13TH OCTOBER, 2021

12th October, 2021 (Prophecy) 1. That's the thing, isn't it? You read My promises of all I say will happen in the future, promises of protection and supply in the time of the End, the darkest time in history, and they seem afar off. Truly you can't at times help yourself but think about that and wonder how on earth I am going to do that. How am I going to keep you all, such a big team? How am I going to protect you from the System and their demands without being detected? How will I hide you all under My shadow and supply enough food for you? Questions, questions --which you find no logical answers for! But that's just the thing; it is not ever going to be logical. **It will be supernatural.** So the key then is to embrace the promises. Lay aside your carnal mind. It is your enemy and it is persecuting you, trying to bring you low and weaken your faith. Embrace Me and the Keys, the unseen but seen by you! You have seen Me and the Keys work -- you have. Do not forget those times of miracles, of answers to prayer. Hold them in your heart. Hold My Promises of protection and supply in your heart; embrace them, hold them dear, hold them up, hold them high. Speak of them, sing them, read them. Have them running through your veins. Flood your spirit with them. Think of them and only them. Build up the walls of your mind and spirit against any attacks that would make you worry or feel anxious or doubt My love and care for you now and in your future, even when the money runs out. Outright reject that lie of the enemy! Now! Embrace, single-mindedly, totally focus on My promises. Flood your spirit with them and simply believe. So seeing them afar off...be persuaded of them and embrace them. For God is not ashamed to be called your God. Eyes fixed on the eternal, My loves. Light up your life with Me in our private chambers and let me fill you with My seeds. You will come forth shining as Moses with only My promises to hold to, the Keys of the Kingdom and My everlasting promises of old that never grow old or change. I don't want you holding onto a thread. I want you to be fully persuaded and rejoicing

at all that I have for you in the future, all the amazing powers that I have promised, all the supply and protection that I have promised will be afforded you. It will all come to pass. So come before Me, as Moses, and be willing to esteem the reproach of Christ of a far greater treasure. Embrace My promises and simply refuse to accept any other concept or alternative other than My Word to you, that I will be with you in every way as you believe in Me, as you hold onto Me.

2. Do you truly realize that when you start questioning how I am going to care for you in the dark days that are coming, it is a direct head-on attack of the evil one? You need to wake up and shake yourself and see it for the deadly insidious tactic of the enemy that it is! He is attacking your very foundation of faith in Me and My word and My promises. He's telling you that they aren't true and will not work! Audacious bastard! Cut him to the heart and slice his hideous head off! Stick him in the guts and kick his pathetic carcass out the door then slam it shut! No more! No more listening to that crap! Get stirred up, get angry! Do not for one milli-second listen to those thoughts he sends. Shut the door immediately! There is no more time left now, My loves, My elites, to be dilly dallying with childish play. You must not doubt My Word to you and all My promises. You must not waver. Take the stand and determine to believe. Don't question or hesitate. If I say it ... it is so. Finished! Close that doubtful door and don't open it again. There's no power there; it only drains you and binds you. I want you to practice, and only think and speak positive, believing affirmations of how I am going to move and work for you and through you. It doesn't matter if you don't understand it. And don't even talk about feeling it because then that means you are thinking it and I don't want you to go there anymore. You think My promises. You read my promises, and you suck them up and drink them in and fill your reservoir. You close your eyes and thank Me for My wonder and love and how I am going to care for, provide and protect you in the times that are coming. But not only that, My loves, I 'm wanting you to strengthen your faith now, for Me to be able to do mighty miracles through you. Remember, you will be performing greater miracles than even I did. So now is the time not to doubt or question My means and ways, not to waver but to block the attacks of the enemy and let Me bring you to full faith.
