The Year of Strengthening- 2023, 24!

Threshing Time Again-A Time of Renewal!

20TH February, 2023 (The same day I was putting this together Hannah was writing us her story)

81. My love, this trial of your faith is not a punishment. This trial is precious to Me--more precious than fine gold, more precious than beautiful diamonds, more precious than anything this world has to offer. Do you know why this time is so precious to Me? It's because your faith is being strengthened, and when your faith is strengthened, it is a wonderful, wonderful thing in My sight.
82. So many people wish for their faith to be strengthened, but they're not really willing to go through the difficult times that are necessary to do so. They want Me to wave My magic wand and give them strong faith, just like that, without them having to do anything. But that's not how faith works. Faith is built, it grows, and it is strengthened--not through comfy, non-problematic, peaceful times, but through uncomfortable, difficult times.
83. I'm using this difficult time to strengthen the most valuable gift you possess: your faith. And if the strengthening of your faith was not of utmost importance to Me, then I would not be allowing these tests. Your faith is important to Me. Your faith is what your whole spiritual life for Me is built on, and it must be strong. It must be strong enough to withstand the fears of the Enemy. It must be strong enough to trust Me, even when circumstances and conditions are not perfect. **(Labor Of Love, A - Part 2 [#3638])**

Let patience have her perfect way, entirely. Learn steadfastness and you will have peace that I will always do things well.

He [God] won't allow that which was started in the spirit to be completed in the flesh, so He regularly sends along the storms and tempests and fires to try the man and the work, to make evident to all what it's made of. (ML 3448:209)

74. Life for Me is meant to be a challenge. You are in a war, a spiritual warfare that is the most important warfare that will ever be waged, for the most righteous cause, for results that are eternal--the salvation of mankind, and the preparation of the Earth for My Kingdom come.
75. War is all about opposition--it's two opposing armies facing each other down, each determined to be the victor and to carry the day. You have an advantage over traditional armies because your victory was prophesied from the beginning of time. Your success is guaranteed and set in Heaven, if you fight through every form of opposition that comes your way, using all the spiritual weapons at your disposal, determined to carry the day in each and every battle you face.
76. **A seasoned soldier lives for the battle--that's his life, his calling, his entire focus. He knows he's called to war and he's prepared to do battle. He welcomes the opportunity to thrash the opposition, to claim every bit of land that he can, and to drive back the forces of the enemy seeking to encroach on his country's land.**
77. So expect opposition. The more you go over the top, the more likely it is that you will face some opposition. But if you can look at opposition as a challenge and an opportunity to ride the wave and move forward faster and further than ever before, it will help you to not look at it as a negative, a setback, or a hindrance to your plans. Seek Me to turn opposition into an opportunity. (Opposition Equals Opportunity, Part 1 [with the Brief]By Maria FD/MM/FM 3772 2/09)

"Consider it wholly joyful my brethren whenever you are enveloped in or encounter trials of any sort or fallen to various temptations. Be assured and understand that the trial and proving of your faith brings out ***endurance and steadfastness and patience.***
"But let endurance and steadfastness and patience have full play and do a thorough work so that you may be perfectly and fully developed with no defects, lacking in nothing.

Life is not just about the easy times, the times when things flow, and when you're able to peacefully go about your business with little to hinder or slow you down. Life is also about the struggle--it's about the challenges that cause you to hone your skills of perseverance, determination, and steadfastness.

I will give you the stability and the steadfastness that you long for. All these things I hold in My hand, stretched out toward you, for the taking. All I ask for in exchange is your heart--every part, every crevice, every piece.

Such need I have for you to be yielded clay in My hands. Such a great need do I have for you to be willing to be used in whatever capacity and in whatever manner I would choose to use you in. At first this seems to require such a great amount of forsaking, such a great amount of sacrifice on your part; but I promise you, as you give, I will more than repay. I will repay beyond even your wildest dreams.
I will give you love. I will give you care. I will give you compassion. I will give you tenderness. I will give you the joys of My Spirit. I will give you the contentment that your heart searches hard after. I will give you the stability and the steadfastness that you long for. All these things I hold in My hand, stretched out toward you, for the taking. All I ask for in exchange is your heart--every part, every crevice, every piece.
Is it worth the exchange? It seems so costly, but no price could be paid for what I offer you, and the giving of your heart and life to Me--even your secret desires and longings--is but a token payment. For I will give you all that you could hope for. I will give you your very life and happiness. I am life. I am happiness. I am all things. (FJWL2:311)

9-1-23-(Prophecy) Let Me lift up your chin and wipe the tears My darling mother who has suffered so much anguish and doesn't understand at times why it has gone the way it has. Trust Me again as you have and feel My love for you in your heart and simply believe that I will take care of you. I know best My love and My ways are so far above yours. It feels like a death but that is as it is ordained. The old 'you' must be washed away. It seems endless without an end in sight , relentless and painful with heart break after heart break and you feel you have no strength left but I am forming you My darling, flushing out the 'must go's'! I am creating in you ***steadfastness and deepness of spirit*** **that is the privilege to have only in the earth realm.** Gain it while you can My love, for there is very little time left. You will never pass this way again and I am here, always here to enfold you in My strong arms. You must be very brave dear one and lay this love on the altar of sacrifice, for now. It is a great giving to Me and I am so touched by your love. My heart soars and is overwhelmed by the beauty of your most precious gift. But to rather have Me and walk in My ways has endeared you to My heart forever as one of My special wives. I will not forget. For all eternity! You are Mine and I am yours! So wipe your tears and make this time count as the honor it is. Let this death turn into a re birth as you pour out the old and let Me create a bride who goes where I go and calls My people her people! Let Me be your strength and song!

"Do not urge me to leave you or to turn from following!"

RTH.1:16 And Ruth said, Intreat me not to leave thee, or to return from following after thee: for whither thou goest, I will go; and where thou lodgest, I will lodge: thy people shall be my people, and thy God my God:

RTH.1:17 Where thou diest, will I die, and there will I be buried: the LORD do so to me, and more also, if ought but death part thee and me.

2SA.15:21 And Ittai answered the king, and said, As the LORD liveth, and as my lord the king liveth, surely in what place my lord the king shall be, whether in death or life, even there also will thy servant be.

Create in me a clean heart, O God, *and renew a steadfast spirit within me.* Ps 51:10

Restore to me the joy of your salvation *and grant me a willing spirit, to sustain me.* Ps 51:12

July 6, 2022- Lowest Ebb (Prophecy) The days of great Tribulation are almost upon you My loves, those days when you will have nothing to stand on but Me. Are you ready? Are you prepared in heart? You are if you believe that I am all you have that there are no other alternatives and if there were you would still trust Me over each one of them anyway. When the cut off comes, which it surely will, there will be a line drawn, a division so clear, so well defined it will be unmistakable. Then you will have to choose; then you will see that the road back is no longer a road, but a drop off. I am

testing you now with little choices, small decisions and with each one that you make you are either strengthening your connection with Me and My Word or you are allowing the enemy to weaken that connection. He's always there at your house of faith knocking, tapping, pushing, shaking each window, door or panel to see if there is any lose connection, any lock that isn't quite secure; looking for a way in an open door or even a crack that he might be able to pry open to gain entrance. I allow him this right of entrance as a test of your faith, as means to get you always looking to Me to keep your house secure and well locked against the onslaughts of the wicked thief that only wants to spoil your goods. Be armed My loves, be forewarned My dearest bride. These tests and trials are real and designed to make your house all-weather proof. The hour has come, the hour of darkness, the hour of temptation that My Word has spoken of since the beginning of time. The world is at its lowest ebb. The tide of man's faith in Me is at its lowest point since Satan first began his attack on My plan for man. **The serpent is about to strike, the hammer is about to come down hard and any undecided, any that still remain caught between two decisions will be blown like the chaff of the summer threshing floor. *Only those that are standing on My Word alone will stand.*** I am the Rock and the empty promises and lip services given to Me by this faithless and untoward generation is over. I have promised that I will come at the time of harvest with scythe in hand to thoroughly purge and make white My harvest. That time, My dearest dears, has come! Are you ready? Are you prepared? Look to the North, for My instrument of chastisement is come out of his lair. The bear has been awoken and is coming to take away many. You thought this time of reaping would never come or that I would delay My coming; well My loves, it has come and it is about to happen. All the world is about to wonder after the final Beast. (End of prophecy)

Ps. 139:1 O LORD, you have searched me and you know me.

9th/11th September, 2022 **(Jesus:)** Come ye to the threshing floor and allow Me to tread on you and loosen the chaff, the unnecessary, the superfluous, the worldly, the pride, the coverings that hide My seeds, the stiffness, and useless façades. Let Me enter into the temple of your heart dear One; Bride of mine that is ever so close to My heart. Why feel weary My love? Why feel dry and parched? Come now and let me loosen the wrappings that you have allowed to encase you. I will be gentle but firm My darling, as you know Me to be. I know now you wouldn't want it any other way. I thrust deep and penetrate the very depths of your being; the 'you' that only I truly know. You know I see all, even though you hesitate and are unsure; you know I will eventually have My way with you and you will relinquish anything you were holding back. And it's so easy for the tares to send in their tiny tendrils that twine their way around your ankles; so subtly, so quietly; until they are tripping you up. They make you feel dirty and unworthy but at the same time somehow unwilling to be able to whole heartedly cut it off and burn it. There is hesitancy. Why? Because old sins have crept in and with them a tinge of unyieldedness, which leads to letting your guard down and letting pride flood in which puts up barriers and walls to others and your situation and those evil seeds which the sorcerer sowed take root. You feel something is not right; you feel restless and your hunger for the Word diminishes and your prophecy channel gets rusty. My love, hasten, for the enemy is at the gate!! Wake up from your stupor! You must stir yourself. Yes, it is a fight but the enemy wants to snuff you out or at the least render you a wishy washy half-baked bride. You must put on the key of Humility; put it around your neck and hold the Blue Key in your right hand; let it be your device, your 'cannot be without' gadget! Lay all else aside until we are ourselves again My most intimate! ***Bring yourself to My threshing floor where I can love you long and sweetly and let My breathe blow away all the chaff of your heart and mind.*** Loosen My sandal My love and I will come in unto you. I will redeem you and bring you back to joy and fullness of love. ***Lie with Me and let us exchange sweet words of love and vows of renewal and I will remind you that your sacrifices are not in vain and the road is long and hard, but I will most joyously receive them for I know they have cost you dearly and I am so grateful My love.*** (End of prophecy)

Prophecy…Yield And Obey-(MB blog post September 23, 2022 By Their Fruits You Shall Know Them)
(Prophecy) That's what I am after in My children's lives and service for Me. There is no other way. All eventually must yield, either the easier way or the hard way –even the world must give up its nonsense. My children have had a lot. They

have been given a pretty good sample and have seen others go through the mill and come out in pretty good shape. Even if they didn't understand all the ins and outs of what these ones went through, the sample of fighting through was loud and clear.
So if you want what I want, then you will have to do it My way, because it is the best way. I'm putting pressure on everyone now because time is up. It is time for an example of putting your best foot forward for Me, to show others what discipleship means by leading them as a good bellwether should.
The sheep will come. These are they that are going to come running out of the system from the face of the beast. This country seems pretty dead at times, and it is. The people have their eyes on the world and its trinkets, and they want them. But as you know, I am about to rip out the pillows from those that sit at ease in Zion, those that think their life is all planned out and so they can just go on business as usual. The church, the pastors, their followers, the politicians who go on their greedy, merry way –are all going to come to the door this year, the door to hell that is. This country is about to take a serious turn for the worse, so hold on, beloved of God. Hold onto Me; strap yourselves to My back and wrap your arms around my chest or neck or anywhere that feels safe. I won't let you go if you don't let go. You have very little time left before the implosion. You have never seen a house standing on sand and helplessly watched the ocean waves eating away at what seemed to have been safe ground before the storm.
Now that safe ground is only a matter of a few meters, yet the waves and the wind and the rain continue to eat away the remaining meters mercilessly until suddenly the foundation's concrete has been exposed to reveal only sand underneath it. By the following morning the house is slipping down the slope and into the angry waves. The world is at the "slipping down the slope stage," and within a few hours the house is going to be swallowed up by the storm swell and will be no more.
6. When the owners of this house first purchased their dream home, they never even conceived that the few hundred meters of sand and grass could disappear –vanish into thin air. But it has, and now all they have invested in has been dragged away by an angry and violent sea. As good church-going Christians, they read My Word, but never really took those hard sayings to heart. They never applied that parable where I spoke about this very event happening to those unwise virgins, yet here they stand watching their very lives fall into the sea of tribulation. Can you imagine? Can you picture yourself standing on the windswept shoreline witnessing this scene I am painting? Well, it can and will happen if you fail to put Me and My Word first and foremost in your life. If you put one thing above these principles, then you are investing in a house built on sand and grass. Please, My dearest dears, leave behind what you deem important, –if it isn't Me and My Word– and move on up the slope onto harder ground. The high ground of My will is calling you –it has been calling you. But I'm sorry to say, I must turn away now and begin My own trek up the mountain of the future. All that will follow must follow now. I have allowed the happenings in this world to go on far too long as it is. I did it for My lost sheep's sake, but now My Father is calling Me to also forsake the house and come back to Him so that we can all begin again. The New Millennium is about to dawn. (MB blog post September 23, 2022 By Their Fruits You Shall Know Them)

(Prophecy)(Jesus) You cannot know the joy, until I am all you have. You cannot understand what surreal feelings I can give you until you leave everything else behind, for they will be a hindrance to you and you will be tempted to go back to them when you don't find satisfaction in Me quick enough or it's not as you expected. You don't realize that you have been tainted by your other 'lovers' and you still rather think your gaudy jewelry is quite attractive. Your taste has been perverted and so it will take some time now to acquire the refined palette of My love. A wine taster must have a clean mouth and tongue to receive and appreciate the quality of the juice I have produced for him. Why settle for Bacchus' dens and taverns of debauchery and sin and drink in cheap sordid plonk. There is no joy there My bride; only death as a drunken addict in the gutter. You thought you could drown your pain in distractions but My bride you don't fit in there; you don't belong to that crowd. You are out of place there and I destined you for much more than a raunchy cheap wine-swilling joint. What does it offer you except good for nothing time wasting trash. Come out from among them and touch not this unclean thing! It is an abomination! But it feels good you say and it takes away the pain of what I don't have, it soothes the hurts. But it is husks My love and you know it! You think it is just for a time and you don't see that it's doing any harm…You already know the end of that story. You say there is no joy in loving Me and having Me as your only one but you are wrong. You are young and inexperienced, so if you would, you must give Me a chance and believe without seeing or believe without having feelings. It is your test, your quest, My Pilgrim! Face the real reality and see that this world is a façade. Wake up Christian! Mr. Worldly Wiseman is enticing you with his treasures and paving your way with imaginary riches of false hopes and tinsel and tin, when you are destined to walk streets of gold wearing My

signet ring that testifies of our Love and Your mission accomplished. Our Covenant, My love, is that you are Mine and I am yours forever. You will have great joy for keeping on My way, as trying as it is. Unlock your cage of hopelessness with the Keys of faith and joy and call on your Elerian to bring you into My presence and set you free from these burdens that weigh you down. (End of prophecy)

The most shocking part of Christian's story in the cage at the castle of despair, was that ***he had the key to the cage the whole time!*** The key in Bunyan's work is called 'Promise'.

(Prophecy) Pull out of his grip now. Renew your efforts to come into the light of My word by following the counsel in this GN (The Gift of Heavenly Thought Power), and you will break the sticky, gooey, clinging tentacles of Bacchus that are dragging you back to your old life. This is really the revolution that not many wanted to partake of. Yet without revolution in your life, you slow down and eventually come to a standstill. And, once you stand still, you begin to sink into the slough of despondency and final death. The devil comes along and pulls up the covers and makes you all comfy cozy and you doze off into a System dream world that you may never wake from. Open your eyes. There is a set of keys hanging right beside your bed of dreams. Grab ahold of them; they are motion and action, life and inspiration. They will rip you out of that bed and place you right back on the front lines of this battle that is entering the final glorious hours. (End of prophecy from MB) (from MB blog post This Gift is Conditional Feb.25, 2023)

If you find yourself getting familiar with My Word, or not feeling like reading it and absorbing it; if you find that it's hard to concentrate and be fed, to get yourself stirred up in spirit and drink in My Words and find the answers, the peace, the encouragement, and the treasures in it that you need; if it's a drag for you to read My Word and something that you don't look forward to, then this should be a warning to you that it's time for you to wake up to the fact that you're heading down the wrong road and you need to get desperate with Me for a change of attitude, for a renewal of your hunger and desire for the spiritual power of My Words.

I promise to feed you as you call out to Me, and at the sound of your sincere cry, I will answer and strengthen you and renew your hunger for My Words. It's not wrong to run into dry spells when you don't feel like feeding yourself with My Word. This happens to all of My children at some time, because you're human. I don't condemn you when this happens. But you mustn't stay in that condition. You mustn't let it go on and on for a long time, because then it becomes harder for you to stir yourself up and get back on the right track of letting My Words move you and change you.

It's wrong and dangerous to not do anything about it, to ignore this weakness and just hope it will go away. (Desperate for Jesus! [#3250])

The key to overcoming is really falling in love with Jesus, to love Him first and give Him our all, and He is more than happy to give us His all.

We are married in spirit, and the key of intimate love is like your wedding vow to Me. The more you use it, the more you are reminded of Me and your vows to Me, the more humility and yieldedness you will have in your life. Just like a married couple would remind themselves of their vows to each other, it is the same in spirit when you use this key. (Art of War, The, Part 3 [#3558])

Let us return unto our Heavenly Bridegroom, and ask for His Spirit that we may be on terms of closer intimacy with Him, and henceforth sit at the table with Him. (Loving Jesus Jewels! [#3045])

23. **(Vision:)** I see the Lord. He's standing alone, but He's beckoning someone to come before Him. One of His brides enters the room. This is very personal, between the Lord and the individual; yet at the same time it seems public, or something that is to be a testimony to others. It's not meant to be hidden. I feel the presence of many onlookers, a

group of people witnessing this event. Maybe they're spirit helpers or earthly witnesses or both. I can't see them, but I know they're there.
24. The setting is one of simplicity. All I can see is the Lord and one individual standing before Him. This is a reminder that our decisions are between us and Jesus. He is all we need. He alone is enough. He is everything.
25. The bride walks in and goes directly to stand before her Husband. First they greet with a warm hug, but then she drops to her knees and takes His hand and kisses it.
26. This person is very reverent with the Lord, and she holds the Lord's hand clasped in both of her hands as if she's holding on for dear life. She kisses Jesus' hand ardently. She seems very, very thankful and indebted for something.
27. Now, as she's kneeling on both knees before the Lord, she seems to be making a statement, a declaration of some sort, which she's reading from a small scroll. She's making a declaration before the Lord and it's something she wants to be bound to. She wants it to go on the record; she wants to make it official.
28. After the bride finishes proclaiming her vows to her Bridegroom, He reaches down to lift her up. They're standing, and Jesus puts both His hands on her shoulders.
29. **He looks directly into her eyes, and there is an incredible, magnificent stream of light that goes from His eyes right into her eyes. It's a powerful beam of light.** ***It's somewhat similar to the beam of light that is generated when the keys turned into swords.*** It looks like bright white light, yet it seems to reflect beautiful color too, and it's all glowing and shimmering--it's just gorgeous, warm and soothing. It's incredibly beautiful. My words of description can't do the subject justice.
30. **This flow of light from Jesus to His bride seems to have her spellbound, and the Lord is spellbound too. Both of them are absolutely mesmerized; they are completely enthralled with each other. They both seem locked in a trance, immersed in this look of love. They're engulfed by each other, taken by each other. It's so beautiful, so intense.**
31. The light from the Lord's eyes to His bride is like nothing earthly, that's for sure. It's outstanding! It draws His bride into Him. It seems to strengthen their connection somehow--it strengthens their love bonds, takes their love to a different level altogether, and the impression I have is that it's impenetrable.
32. The Lord puts His arms on His bride's shoulders, and as He beams this amazing look of love from His eyes to hers, He is imparting such love to her, **and He says, "You will never, ever regret giving your all to Me."** *His words are so definite, so sure. The tone is loving and tender and sure, and there's no disputing the fact.*
33. Now the Lord is pulling His bride closer to give her a full embrace. As Jesus is embracing His bride, He enters right into her body. He melts right into His bride's body and they become one. The closest thing I can think to describe it is a little like those ghost movies, where the spirit goes right into the person's body. But this is beautiful--it's so, so beautiful!
34. They melt right into each other and become one! They merge. They explode in a Heavenly rapturous orgasm together. The bride starts to glow, and the look on her face is serene and absolutely beautiful. It's a look of total satisfaction. The bride is aglow--ravishing, exceptionally gorgeous!
35. Now, I hear the Lord's words again, echoing in my ears. Over and over He's saying**, "You will never, ever regret giving your all, your everything to Me!"** (End of vision.) (Vows of Surrender Ceremony [#3378])

("Don't miss it... don't miss it. "-Scherherazade…….Podcast for 21st February, 2023))

(Jesus speaking:) I have allowed you, My dearest loves, to see the reality of what taking these vows for Me means. I have shown you this in pictures that you can understand. As you give yourselves to Me, as you take these vows of utter yielding and forsaking, I will more fully possess you, and we will be one. I will come into you and you will know greater ecstasies; you will experience greater excitement and sensations of My Spirit; I will take you to new realms, to discover new horizons and reach higher heights than you have ever known.
37. I call each of you, My brides, before Me to state your vows. These vows are between you and Me--they must come from the depths of your heart and from your desire to do My will. Though your brethren and mates may witness, though those from the Heavenly realm do witness, it is a personal affair between you and Me.
38. The fruit of this decision will not be hidden. When I more fully possess you, it will be manifested to others; there will be no hiding it, for you will know more fully My mind and thoughts. I will be more clearly seen in you and through you. My Spirit in you will bear witness that I am your intimate Lover and that we are one. My greater power will work in you, and you will do great things.
39. ***You have seen what I desire--to have you, to more fully possess you, to mesmerize you, to enthrall, to spellbind you with My Spirit, so that I might show you how deeply and completely I love you, so that together we can defy all evil and establish the Kingdom of Heaven on Earth! You must have Me fully within you if you are to fulfill your destiny. You must be completely possessed by Me.***

40. I want you, My brides. I want to give you all I've got. I want to fill you with My love to greater satisfaction. You will never, ever regret allowing Me full possession, for this is the ultimate! There is no greater satisfaction, no greater love than the love I wish to lavish upon you when you say yes to Me. I bid you come. Come and let us consummate our love. You have vowed a vow of utter surrender, love and devotion, so let Me possess you now. (End of message from Jesus.) (Vows of Surrender Ceremony [#3378]) (This letter is 21 years old!)

I live for nothing but to hear Your Words, to do whatever You wish.

(Prophecy)The water is the Word of God, the spirit of Jesus. Whoever hooks into the Word of God (plasma stream) becomes like a little generator that give off light and power. It is not its own power, because without the Water of God's Word there would be no force to push its little generator blades. The closer the generator stays to the Water of God's Word the faster the blades turn and the more powerful the light it emits. (End of excerpt)(Gift of Heavenly Thought Power UPDATED pdf)

The mind of God is powerful, and as you reject the thoughts and reasoning and conclusions of the world and put on My mind, My Heavenly thought power can then be activated within you. When you put on My mind you will have greater focus, greater perception, greater insight, greater wisdom, and true knowledge--for it will be the knowledge of God, not of the world, that controls you. (**Gift of Heavenly Thought Power)**

The power of the keys will cast down every imagination, every false thing, every high thing that would exalt itself against Me. Through the power of the keys, every thought is brought into subjection to Me.

The keys of the Kingdom can change your spirit, your mind, and your thoughts, so that you're in My Spirit, using My mind, and thinking My thoughts.

ROM.8:35-39 Who shall separate us from the love of Christ? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?
As it is written, **For thy sake we are killed all the day long; we are accounted as sheep for the slaughter.**
Nay, in all these things we are more than conquerors through him that loved us.
For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come,
Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

JAM.1:3, 4 Knowing this, that the trying of your faith worketh patience. But let patience have her perfect work, that ye may be perfect and entire, wanting nothing.

.
