Total Yieldedness Brings Empowerment

When it came time for Me to start My earthly ministry, do you think I felt ready or like I could do it? I was the Son of God, the most powerful being in the universe other than My Father, and now I had to set all that aside for a time to become a lowly human. I could do nothing in the flesh--in My Own strength, that is. There were times when I was clumsy, I sometimes felt at a loss for words, and I had to look to My Father for the answers. When I looked at all that needed to be done, I felt so small and so incapable of fulfilling the task when I only looked at My human flesh.

I was the same as you are--nothing but a vessel, a tool that waited to be picked up by the Master. I felt in every way human. I was not born with any special powers or abilities, looks, or talents. I was pretty much your average Joe without the anointing of My Father. It was through yielding to My Father and His power, through saying yes and doing what He showed Me to do, that I was empowered. You too can experience this same surge in power, this same full possession. This power will enable you to do what I did and more! All you have to do is believe it and you will receive it. (1)

I now activate this gift of Heavenly thought power within you who will meet the requirements. Those who do the things I ask are worthy, and I am able to trust you with such a gift. For in yielding your all to Me, in meeting these requirements, you become My pure vessels--generators of My power. It is not you, but Me within you. It is not your power, but Mine. It is not you, but My power activated within you. It is not you, but Me working through you to conquer evil in these Last Days. (2)

It's the ultimate yieldedness that makes these weapons possible. It's the complete surrender to the Father that causes the power to flow. If at any point in time one's heart is unyielded, the power ceases to flow till they once more surrender to the Father and His wishes. (3)

Those who are yielded to Me and obedient to My voice will receive the greatest manifestations of My power, because I know that they will use it as a witness for Me, because they are humble before Me and seek only to do My will. (4)

(David:) **R**eaping this harvest is something that you can't do in your own strength. It's gotta be God, and it's gotta be done by His strength and power. But He's gotta have people who are awake and willing to work, people who are yielded and desperate and willing to let Him work through them. (5)

The children of David are as a great storm which is gathering force and power, and is building up and gathering momentum, and which will soon be released and sweep over the world, carrying My message, My Spirit, My power, My miracles and My wonders! Great shall be the forces of the children of David! Great shall be their power and might in Me, because great shall be their yieldedness. They shall be as yielded tools and vessels in My hand that I can pour through to accomplish My will. (6)

For as time marches closer to the End, so must My children be empowered by My Spirit in a new and greater way. But I can only empower those who make the decisions that they need to make, that make the decisions to put Me first, that make the decisions to trust Me with all of their hearts. And yea, now I put decisions before My children, for I have designed it that they must decide what they will do. And for some, it will be a series of little decisions, of little choices whether to say `yes' unto Me, whether to yield--yield to My Spirit and yield to My Word. For others it is a big test. For everyone is different, but everyone must make their choices. (7)

Each one of these would otherwise be just ordinary men and women if it weren't for this one thing--that they've said yes. They've yielded their all to God, to be a vessel of use in His hand. They've committed themselves to uphold the standard at all costs, and God has empowered them to fulfill their duty. Their yieldedness has brought them strength. They're not perfect by far; they have faults, but in their weakness, God's strength and power is released to work in them, and this is what makes them great. Because they've each made the decision and accepted the challenge God has put before them, because they've dedicated themselves to righteousness, because they call on God to save them--the Lord has filled them with His power, and they're invincible.

Each one of them has made a commitment. They're committed and dedicated to God. They've seen the light, and they know they must do their part to uphold the light. They stand on God's promises alone, knowing that as long as they do this, victory is theirs. The Lord Himself highly honors the commitment they've made as He gives them everything they need to fight the battles--strength, power, wisdom, skill, and courage. (8)

It is these who are empty of themselves, empty of their own knowledge, empty of their own wisdom and empty of their own will that can avail themselves the most of My wisdom, My power and My anointing. In becoming seemingly weak and insignificant to the world, they have become strong, powerful and important in My Kingdom. (9)

In following and yielding one's will to Me, there is great power. Likewise, there is even more power granted to one who not only follows Me, but seeks to persuade others to do the same. (10)

The Lord Needs You to Wield His Power

"Unto whom much is given is much required, and, yea, I do require much from you: much yieldedness, much love, much understanding, much sacrifice. From you, I require all, but unto you, I give all, and I pour forth My great gifts. So give Me your all. Give Me your life, give Me your love, give Me your obedience and your yieldedness. Allow Me to fill your desires in the way that I wish to fill them, and I will give unto you the great gifts of God, the great Love of God, the great power and might and strength of God so that you can do the great things of God!" (11)

So don't give up or be weary in well doing, My beloved ones. I need you to be recipients of Heaven's greatest shower of power! And you will be, as you continue to say yes to Me, and as you continue to love Me with all your heart and soul and mind. Your love and yieldedness to Me will keep My hands busy, using you, empowering you, and anointing you for My glory. I need you! I need you!

You have been called and chosen. Your mission to Earth is one that will last till the day you return Home to Me. Your destiny is one that includes being greatly used by Me in the days to come, even during the days of the Tribulation.

When we met together before you left the halls of Heaven for your mission to Earth, I showed you how wonderfully I was going to use you right up till the day I called you Home. You asked Me if you would have the strength you needed to continue, and I promised that with each step of yieldedness to My plan for your life, you would be given a hundred times more power, strength and blessings. With each step that you've taken, you've received increased anointing and strength. I'm going to use you in greater ways than you've ever dreamed possible. (12)

(David speaking:) The way to be used mightily is not to be doing things in your own strength, but to be tapped into the Spirit, and to be operating by the power of God, by the might of God, by the strength of God! The way to be used mightily is to be doing the thing that God Himself wants you to be doing, and the only way you can find that out is by seeking Him, by being yielded to Him, and by really hearing from Him and knowing what is His will. (13)

(David:) It's a matter of God's best and your best! If you choose God's best, He has promised to give you all that you need to do a job for Him. If you choose to do your best, the Lord will help you along the way, but it won't necessarily be easy because you're taking matters into your own hands. You might have to suffer a few consequences along the way, because you're not able to avail yourself of His full power that only comes when you yield your all to Him. (14)

Believe Me, you haven't seen anything yet when it comes to My power and My abilities! My full power runs through the veins of those who are fully yielded, fully submitted, fully obedient, and fully dependent on Me. I'm so proud of you who are working toward this, and you are beginning to feel My blessings as a result. Trust Me, it's just the beginning. Things will only improve for you as you give more of yourselves to Me, as you learn what it means to be fully possessed by Me. (15)

How great will be the rewards, the power, the usefulness, the anointing, the fulfillment for those of you who have yielded to Me--who have learned to use the new weapons; who have been willing to lay aside your pride in order to be My brides, in order to live your lives according to the direction I give in prophecy, in order to depend on My promises and base your decisions on My Word, even when it seems crazy or illogical! So great will be your anointing and your strength! (16)

When you avail yourselves of this awesome power I have given you, it will humble you. For as you wield the power of Heaven, you will know in your hearts how small you are, how weak you are, how dependent you are on Me. Yet this will bring great fruit, great happiness to you, and great satisfaction--that which knows no bounds! You'll fall down before Me in praise and thanksgiving for the satisfaction of knowing you accomplished the will of God; you yielded and were made instruments in the hands of the Almighty; you fought and won, in spite of weakness, shortcomings, failures and mistakes.

You focused, you reached out, you took hold, you wielded the mighty weapon of God accurately, faithfully, and boldly! You were the instruments in My hand, used to establish My Kingdom on Earth. The great joy and thanksgiving you will have in your heart in that day is beyond expressing in mere words. There is no greater rush, no greater accomplishment, no greater satisfaction than that of knowing you did the will of God. (17)
